GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

General

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by CHC Group Ltd. and its affiliated debtors and debtors in possession (collectively, the "Debtors") in these jointly administered chapter 11 cases pending in the United States Bankruptcy Court for the Northern District of Texas (the "Bankruptcy Court") were prepared, pursuant to section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), by management of the Debtors, with the assistance of the Debtors' advisors, and are unaudited. While the Debtors' management has made every reasonable effort to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available to it at the time of preparation, subsequent information, or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may have occurred. As the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete. The Debtors reserve all rights to amend the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected in the Schedules and Statements as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

The Schedules and Statements have been signed by Lee Eckert, the Chief Financial Officer of CHC Group Ltd. and authorized representative of all the Debtors. In reviewing and signing the Schedules and Statements, Mr. Eckert necessarily relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. Mr. Eckert has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements, and representations concerning amounts owed to creditors, classification of such amounts, and their addresses. The Debtors' accounting systems were primarily designed and used to manage their daily operations with a secondary focus on the creation of consolidated and consolidating financial statements. As such, certain assets, liabilities, or cash payments may have been reported on one legal entity in these Schedules and Statements, while the beneficiary of the transaction may have been another Debtor or non-debtor, as applicable.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

Description of the Cases

On May 5, 2016 (the "Petition Date"), the Debtors filed voluntary petitions for relief under the Bankruptcy Code in the Bankruptcy Court. The chapter 11 cases have been consolidated for the purpose of joint administration under Case No. 16-31854. The Debtors continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Each Debtor's fiscal year ends on April 30th. All asset information, except where otherwise noted, is as of April 30, 2016. The liability information, except where otherwise noted, is as of the close of business on May 4, 2016. All bank cash balances are as of the Petition Date.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Basis of Presentation

For financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements that were audited annually. Combining the assets and liabilities set forth in the Schedules and Statements of the Debtors would result in amounts that could be substantially different from financial information regarding CHC Group Ltd. and its subsidiaries that would be prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements. The fair market value of real and personal property may vary materially from the net book value presented herein.

For financial reporting purposes, information for the following Debtors domiciled in Australia is prepared on a consolidated basis: Lloyd Bass Strait Helicopters Pty. Ltd.; Lloyd Helicopter Services Pty. Ltd.; Lloyd Helicopters International Pty. Ltd.; Lloyd Helicopters Pty. Ltd.; and CHC Helicopter Australia Pty Ltd. To maintain consistency with the Debtors' financial reporting, the information for these Debtors is presented on a consolidated basis.

Current Market Value and Net Book Value

In many instances, current market valuations are neither maintained by nor readily ascertainable by the Debtors. The Debtors do not believe it would be an efficient use of estate assets to obtain current market valuations of the Debtors' property interests that are not maintained or readily ascertainable. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book values as of April 30, 2016, rather than current market values, of the Debtors' assets as of April 30, 2016, and may not reflect the net realizable value. For this reason, amounts realized may vary, potentially materially, from net book value. Additionally, the amount of certain assets and liabilities may be "undetermined," and, thus, ultimate assets and liabilities may differ materially from those stated in the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein.

Amendment

Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary and appropriate.

Confidential or Sensitive Information

There may be instances in which certain information in the Schedules and Statements has been redacted due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. Any alterations will be limited to only what is necessary to protect the Debtor or third party and will provide interested parties with sufficient information to discern the nature of the listing.

Causes of Action

Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such claims.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

In addition to certain contingent claims and causes of action against various parties, the Debtors may also possess contingent and unliquidated claims against affiliated entities for various financial accommodations and similar benefits they have extended from time to time, including contingent and unliquidated claims for contribution, reimbursement and/or indemnification arising from, among other things, (i) letters of credit, (ii) notes payable and receivable, (iii) surety bonds, (iv) guaranties, (v) indemnities, and (vi) warranties.

Recharacterization

The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, due to the complexity and size of the Debtors' business, the Debtors may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate as additional information becomes available.

Claim Description

Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed." Moreover, the Debtors reserve all of their rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

Unliquidated Claim Amounts

Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

Zero Dollar Amounts

Amounts listed as zero are either $0, unliquidated, or undetermined.

Undetermined Amounts

The description of an amount as "undetermined" is not intended to reflect upon the materiality of such amount.

Specific Notes

These Global Notes are in addition to the specific notes set forth in the Schedules and Statements of the individual Debtor entities. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any or all of the Debtors' remaining Schedules or Statements, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

Liabilities

The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Excluded Assets and Liabilities

The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including employee benefit accruals, accrued accounts payable, and deferred gains. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded. Pursuant to certain Bankruptcy Court orders, the Debtors have been granted authority to pay certain prepetition obligations to, among others, employees and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore may not be listed in the Schedules and Statements.

Leases

The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases.

Guaranties and Other Secondary Liability Claims

The Debtors have made reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties") in each of the executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties. The Debtors have placed the Guaranties on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Guaranties were additionally placed on Schedule D or E/F for each guarantor, except to the extent they are associated with obligations under an executory contract or unexpired lease identified on Schedule G. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Debtors reserve their rights to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Debtors reserve the right to amend the Schedules and SOFAs and to recharacterize or reclassify any such contract or claim, whether by amending the Schedules and SOFAs or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and SOFAs, including in any future amendments to the Schedules and SOFAs, shall not affect the enforceability of any Guaranties not listed.

Intellectual Property Rights

Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

Estimates

To prepare and file the Schedules on or around the Petition Date, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities.

Currency

Unless otherwise indicated, all amounts are reflected in U.S. dollars.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Property and Equipment

Unless otherwise indicated, owned property and equipment are stated at net book value as of April 30, 2016. The Debtors may lease furniture, fixtures, and equipment from certain third party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all of their rights with respect to same.

Setoffs

The Debtors have not offset amounts listed on Schedules B, D, E, or F. Nonetheless, some amounts listed may have been affected by setoffs by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights which may be asserted.

Claims of Third-Party Related Entities

While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations to same.

Interest in Subsidiaries and Affiliates

CHC Group Ltd. directly or indirectly owns all or part of the subsidiaries and affiliates that are also Debtors. Interests in subsidiaries arise from stock ownership. To the extent applicable, each Debtor's Schedule B contains a listing of ownership interests in the related affiliates and partnerships of each corporate affiliate.

Umbrella Or Master Service Agreements

Contracts listed in the Schedules and Statements may be umbrella or master service agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement. These master service agreements have been listed in Schedule G, but do not reflect any decision by the Debtor as to whether or not such agreements are executory in nature.

Insiders

The Debtors have attempted to include all payments made by a Debtor over the 12 months preceding the Petition Date to any creditor deemed an "insider." For these purposes, "insider" is defined as (a) directors, (b) senior level officers, (c) Debtor affiliates, and (d) relatives of any of the foregoing (to the extent known by the Debtors). The listing of a creditor as an "insider," however, is not intended to be nor should be construed as a legal characterization of such creditor as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES AND STATEMENTS

Payments

The financial affairs and business of the Debtors are complex. Prior to the Petition Date, the Debtors participated in a consolidated cash management system through which certain payments were made by one entity on behalf of another. Certain payments in the Schedules and Statements may have been made prepetition by one entity on behalf of another entity. The Debtors' intercompany accounts reflect the net position of both the receipts and disbursements received or made on behalf of other Debtors. For additional information about the Debtors' intercompany transactions and related protocols, see *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue their Existing Cash Management System, (B) Continue Existing Intercompany Transactions, (C) Maintain Existing Bank Accounts and Business Forms, and (D) Honor Certain Prepetition Obligations Relating to the Use of the Cash Management System, and (II) Granting Extension of Time to Comply With, and Waiver of, Requirements of Section 345(b) of the Bankruptcy Code Pursuant to Sections 105(a), 363(c) and 345(b) of the Bankruptcy Code and Bankruptcy Rules 6003 and 6004*, dated May 5, 2016 [D.I. 11] (the "Cash Management Motion").

Intercompany Claims and Transfers

Receivables and payables among the Debtors in these cases (each an "Intercompany Receivable" or "Intercompany Payable") are reported in the Schedules based upon the aggregate net intercompany balances. To the extent that a Debtor owes a net Intercompany Payable, it is reported on Schedule F as a liability of such Debtor. To the extent a Debtor has a net Intercompany Receivable, it is reported on Schedule B as an asset of such Debtor. While the Debtors have used reasonable efforts to ensure that the proper intercompany balances are attributed to each legal entity, all rights to amend these items on the Schedules and Statements are reserved.

Intercompany transfers can be characterized in various ways. The Debtors reserve all of their rights with respect to the intercompany balances listed in the analysis, including, but not limited to, the appropriate characterization of such intercompany balances and the amounts of such balances, which are still being identified by the Debtors. The Debtors have not made any attempt to analyze the nature or composition of these intercompany balances.

The Debtors have listed all net Intercompany Payables as unsecured nonpriority claims on Schedule F for each applicable Debtor, but reserve their rights, except as otherwise may be agreed to pursuant to a stipulation filed with the Bankruptcy Court, to later change the characterization, classification, categorization, or designation of such claims, including by designating all or any portion of the amounts listed as secured.

Additional information about the Debtors' intercompany transactions and related protocols is contained in the Cash Management Motion.

Totals

All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements.

UNITED STATES BANKRUPTY COURT

NORTHERN DISTRICT OF TEXAS

SOFA SPECIFIC NOTES

SOFA 4

Pursuant to corporate governance requirements in foreign jurisdictions, certain Debtors have appointed employees as statutory directors. These employees do not receive any supplemental payments on account of such appointment, including director fees. Accordingly, these employees are not included within the scope of SOFA 4.

SOFA 13

The Debtors have made reasonable efforts to include intercompany transactions. Certain ordinary course intercompany items may not be reported due to the volume and complexity of the Debtors' centralized cash management system, including, dividends, loans, non-debtor payments, share transfers, aircraft related transactions, and equity contributions.

SOFA 20

In the ordinary course of business, the Debtors may permit certain third parties to temporarily store equipment and other property which will be utilized for contract maintenance or transported to other service locations. Accordingly, the Debtors have not included these items.

SOFA 26d

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, CHC Group Ltd. and its affiliated subsidiaries have filed with the SEC reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information. CHC does not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or CHC. In addition, CHC provides financial statements to certain parties, such as banks, auditors, potential investors, vendors, and financial advisors that may not be part of a public filing. CHC does not maintain complete lists to track such disclosures. As such, CHC has not provided lists of these parties in response to this question.

SOFA 27

As part of the Debtors' ordinary course practices, cycle counts of selected parts and supplies inventory are performed on a continuous basis. The Debtors do not perform periodic counts of their entire parts and supplies inventory. Therefore, parts and supplies inventory information is not included.
