Court for the District of Delaware (the "Court") for reasonable compensation for professional legal services rendered as co-counsel to the above captioned debtors and debtors in possession (collectively, the "Debtors") in the amount of $590,017.50 together with reimbursement for actual and necessary expenses incurred in the amount of $3,569.44, for the period September 21, 2026 through October 31, 2026 (the "Monthly Fee Period"). In support of this Application, Potter Anderson respectfully represents as follows:

BACKGROUND

1. On September 21, 2026 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief pursuant to chapter 11 of the Bankruptcy Code (these "Chapter 11 Cases"). These Chapter 11 Cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). *See* Docket No. 40. The Debtors are operating their business and managing their properties, as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made, and no official committees have been appointed in these Chapter 11 Cases.

2. Potter Anderson was retained effective as of the Petition Date by the Retention Order, dated October 16, 2026. *See* Docket No. 136. The Retention Order authorized Potter Anderson to be compensated on an hourly basis and to be reimbursed for actual and necessary out-of-pocket expenses.

SUMMARY OF SERVICES RENDERED

3. Attached hereto as **Exhibit A** is a detailed statement of fees incurred during the Monthly Fee Period, showing the amount of $590,017.50 due for fees.

4. The services rendered by Potter Anderson during the Monthly Fee Period are grouped into the categories set forth in **Exhibit A**. The attorneys and paralegals who rendered

services relating to each category are identified, along with the number of hours for each individual and the total compensation sought for each category, in the attachments hereto.

ACTUAL AND NECESSARY EXPENSES

5. Potter Anderson has incurred out-of-pocket expenses during the Monthly Fee Period in the amount of $3,569.44. Attached as **Exhibit B** is a detailed statement of expenses paid during the Monthly Fee Period. This out-of-pocket disbursement sum is broken down into categories of charges, including, among other things, telephone and telecopier toll and other charges, mail and express mail charges, special or hand delivery charges, document processing, photocopying charges, charges for mailing supplies (including, without limitation, envelopes and labels) provided by Potter Anderson to outside copying services for use in mass mailings, travel expenses, expenses for "working meals," computerized research, transcription costs, as well as non-ordinary overhead expenses such as secretarial and other overtime. A complete review by category of the expenses incurred for the Monthly Fee Period may be found attached hereto as **Exhibit B**.

6. Costs incurred for overtime and computer assisted research are not included in Potter Anderson's normal hourly billing rates and, therefore, are itemized and included in Potter Anderson's disbursements. Pursuant to Local Rule 2016-1, Potter Anderson represents that its rate for duplication is $0.10 per page for black and white copies and $.80 per page for color copies, its rate for outgoing telecopier transmissions is $0.25 per page (excluding related long distance transmission charges), there is no charge for incoming telecopier transmissions, and there is no surcharge for computerized research.

VALUATION OF SERVICES

7. Attorneys and paraprofessionals of Potter Anderson have expended a total of 747.7 hours in connection with this matter during the Monthly Fee Period.

8. The nature of the work performed and the amount of time spent by each of these persons providing services to the Debtors for the Monthly Fee Period is fully set forth in the detail attached hereto as **Exhibit A**. These are Potter Anderson's normal hourly rates of compensation for work of this character. The reasonable value of the services rendered by Potter Anderson for the Monthly Fee Period as co-counsel for the Debtors in these cases is $590,017.50.

9. Potter Anderson believes that the time entries included in **Exhibit A**, attached hereto, and the expense breakdown set forth in **Exhibit B**, attached hereto, are in compliance with the requirements of Local Rule 2016-1.

10. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of these Chapter 11 Cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

11. This Application covers the fee period from September 21, 2026 through and including October 31, 2026. Potter Anderson has continued, and will continue, to perform additional necessary services for the Debtors subsequent to the Monthly Fee Period, for which Potter Anderson will file subsequent monthly fee applications.

[*Signature Page Follows*]

CONCLUSION

WHEREFORE, Potter Anderson respectfully requests allowance be made to it in the sum of $590,017.50 as compensation for necessary professional services rendered to the Debtors for the Monthly Fee Period, and the sum of $3,569.44 as reimbursement of actual necessary costs and expenses incurred during that period, and requests such other and further relief as the Court may deem just and proper.
