Superior Silica Sands, LLC

Leases

[See Attached]

MASTER RAILCAR LEASE

THIS MASTER RAILCAR LEASE ("Agreement") is made as of FEB 13th, 2014 between CIT RAIL LLC, a Delaware corporation ("Lessor"), and SUPERIOR SILICA SANDS LLC a Texas limited liability company ("Lessee").

1. SCOPE OF AGREEMENT

A. Agreement to Lease. Lessor and Lessee agree to lease the railroad cars (herein referred to collectively as the "Cars" and individually as a "Car") described in the Schedules executed pursuant hereto by Lessor and Lessee from time to time, or otherwise delivered to and accepted by Lessee.

B. Schedules; Lease. Each Schedule shall incorporate all of the terms and conditions of this Agreement and contain such other terms and conditions as the parties shall agree. Each Schedule shall constitute an agreement separate and distinct from this Agreement and all other Schedules. In the event of a conflict between the provisions of this Agreement and the provisions of a Schedule, the provisions of the Schedule shall control. The term "Schedule" when used in this Agreement shall mean a Schedule and, solely to the extent incorporated therein by reference, this Agreement.

C. Definitions. All capitalized terms which are not defined herein are defined in Rider A attached hereto and made a part hereof ("Rider A").

2. TERM

This Agreement shall remain in full force until terminated as to all Cars on all Schedules. The lease term (the "Lease Term") with respect to any Car shall commence on the date set forth on any Schedule ("Lease Commencement Date") and shall expire on the later to occur of the Expiration Date or the date on which all the Cars are returned to and accepted by Lessor as set forth on the applicable Schedule.

3. RENT

A. Rent Payable. Lessee shall pay Lessor rent as set forth on each Schedule at such place as Lessor may designate to Lessee. All rent and other amounts payable hereunder shall be paid without notice or demand and without counterclaim, deduction, reduction or setoff of any kind whatsoever. Each rent or other payment made by Lessee hereunder shall be final and Lessee shall not seek to recover all or any part of such payment from Lessor for any reason whatsoever.

B. Overdue Payments. If Lessee has not paid rent or other amounts payable hereunder for a period of longer than ten (10) days, Lessee shall pay Lessor, as additional rent, interest on such unpaid sum from its due date to the date of payment by Lessee at a rate equal to one and a half percent (1.5%) per month or the maximum rate permitted by law, whichever is less.

C. Holdover Rent. Until any Car is returned to, and accepted by Lessor, Lessee shall continue to pay rent for such Car and to comply with all other payment and other obligations under this Agreement as though such expiration or other termination had not occurred. If thirty (30) days after the Expiration Date, Lessee has not returned any Car, Lessor may charge, and Lessee shall pay Lessor upon demand, 150% of the rent in effect immediately prior to expiration or termination of the Lease Term of such Car. Such additional charge will not take effect without ten (10) days prior

written notice by Lessor. Nothing in this Section shall give Lessee the right to retain possession of any Car after expiration or other termination of this Agreement with respect to such Car.

4. MAINTENANCE

A. Lessee shall promptly notify Lessor upon receipt by Lessee of knowledge of any damage to any of the Cars. Lessee shall provide such Cars for repairs free of product, including residue and, prior to forwarding any Cars to the Lessor designated repair facility. Lessee shall perform cleaning at its expense by any of the following means: (i) clean the Cars at its own facility (ii) arrange for cleaning of the Cars by a contract facility other than the repair facility designated by Lessor, or (iii) instruct Lessor that the Cars will need to be cleaned at a repair facility selected by Lessor which is certified to clean the specific commodity (in which case Lessee shall provide the repair facility with a Material Safety Data Sheet (MSDS) describing the commodity last carried in the Cars prior to forwarding the Cars to said facility). Notwithstanding anything to the contrary in this Agreement, in connection with (iii) above, Lessee shall indemnify and hold Lessor harmless for any liability or damages caused by or arising from commodity or commodity residue in the Cars in connection with the transport of Cars to a Lessor designated cleaning facility or the cleaning of Cars at such facility. Lessor shall arrange for the performance of all maintenance and repair of the Cars, except as hereinafter provided. Lessee shall not repair, or authorize the repair of, any of the Cars without Lessor's prior written consent, except that running repairs (as specified in the Interchange Rules) may be performed without prior written consent. The amount paid for such running repairs shall not be in excess of the basis, in effect at the time the repair is made, provided by the AAR. If any Car becomes unfit for service and shall be held in a Car shop for repair and shall remain therein for a period in excess of five (5) days, Lessee shall receive a credit for the rental with respect to such Car after such period of five (5) days until such Car is released from the shop or until another Car shall have been placed in the service of Lessee by Lessor, provided that Lessee notified Lessor prior to routing the Car to shop upon instructions of Lessor. If any Car is in shop for Lessee Maintenance Items there will be no rent credit.

(i) It is understood that repairs which are Lessee's responsibility shall include specialty items, hatch covers and outlet gates and any other items specified in any Schedule ("Lessee Maintenance Items") and Lessee shall maintain all Lessee Maintenance Items in good condition and repair, including renewal necessitated by repair to other portions of the Car. If any Lessee Maintenance Item is removed, broken off or altered for any reason, or is missing, damaged, altered or replaced with a non-standard item, Lessee shall repair or replace such Lessee Maintenance Item.

(ii) It is further understood that Lessee Maintenance Items shall include (a) damage while in Lessee's or Lessee's shipper or consignee's possession, custody or control, and (b) damage or corrosion occurring from use other than permitted under this Agreement.

B. Replacement Parts. Any and all changes or replacements or additions to any Car or part thereof made by Lessee or Lessor shall constitute accessions to such Car and, without cost or expense to Lessor, title thereof shall be immediately vested in Lessor.

C. Reporting Marks. No lettering or marking of any kind shall be placed upon any of the Cars by Lessee except with the prior written consent of Lessor, other than the restoration of Lessor's reporting marks on the Cars.

D. Mileage Allowances. Lessee agrees to keep records pertaining to the movement of the Cars, and Lessee agrees to promptly furnish Lessor with complete reports of the Car movements, upon request, including dates received, loaded and shipped, commodity, destination, and full junction routing, and all information which Lessee may receive from railroad companies or other sources which may be of use to Lessor. Lessor shall collect the mileage earned by the Cars, and subject to all rules of the tariffs of the railroads, Lessor shall remit to Lessee such mileage as and when received from the railroads.

E. Railroad Charges. Lessee agrees to reimburse Lessor for any payment Lessor may be required to make to any railroad, due to mileage equalization where applicable, resulting from excess empty mileage incurred by the Cars on such railroad. For the purpose of this Section the railroad mileage and junction reports shall be prima facie evidence of the facts reported therein. In addition, if Lessor is required to make any payments to a railroad resulting from the empty movement of any of the Cars while they are in Lessee's service, Lessee agrees to reimburse Lessor for such payments.

Lessee shall be liable for any demurrage, track storage or detention charges imposed in connection with any of the Cars as well as loss of or damage to any Car while on any private siding or track or on any private or industrial railroad or in the custody of any carrier not subject to the Association of American Railroads Rules for Interchange.

F. Load Limits. Lessee agrees not to load any of the Cars in excess of the load limit stenciled thereon.

5. INSPECTION

Lessee shall permit Lessor or its agents reasonable access during normal business hours to examine the Cars wherever located or Lessee's records relating to the Cars.

6. INSURANCE

A. During the term of this Agreement, Lessee shall keep or cause to be kept with insurance companies acceptable to Lessor, railroad liability or comprehensive general liability insurance with no railcar operations exclusions, including sudden and accidental pollution liability coverage, in a combined single limit of not less than \$10,000,000.00, per occurrence and with deductibles/retentions not greater than \$500,000.00 with such deductibles specified on the certificate. Lessee shall provide to Lessor on or prior to delivery and within fifteen (15) days prior to each policy expiration or replacement thereof, original signed certificates of insurance in such form and terms as required by Lessor including any other reasonable policy information that Lessor may require from time to time to evidence Lessee's compliance.

B. In the event any Car is not covered by the insurance described in Section 6A hereof, Lessor shall have the right, at its option, to purchase coverage and recover all premiums for such insurance from Lessee, and/or declare this Agreement in default and proceed in accordance with Section 10 hereof.

C. All insurance shall name Lessor as an additional insured in respect of risks arising out of the condition, maintenance, use or ownership of the Cars, wherever located.

D. All insurance maintained pursuant to this Section shall provide that: (1) the insurer thereunder waives all rights of subrogation against Lessee or Lessor, (2) thirty (30) days prior written notice of cancellation or modification or ten (10) days for non-payment shall be given to Lessor, and (3) any other insurance maintained by Lessor shall not be contributory or have the effect of suspending, impairing, invalidating or reducing the coverages required to be provided and maintained by Lessee. Lessor shall not be responsible for premiums, warranties or representations in connection with such insurance.

7. TAXES

A. Lessor agrees to assume responsibility for and to pay all Property Taxes levied upon the Cars and to file all Property Tax reports relating thereto. Lessee agrees to assume responsibility for and to pay any applicable state, city, county or province sales, use or similar taxes resulting from the Agreement or use of the Cars. Upon request, Lessee will provide to Lessor proof of payment of any taxes which are the responsibility of Lessee hereunder.

B. The obligations of Lessee under this Section 7 shall survive the expiration or other termination of this Agreement.

C. If Lessee or Lessor is required to withhold any tax including any assessed penalties or other amount for any amount payable pursuant to this Agreement, Lessee shall pay an additional amount sufficient to enable the payee to receive and retain, after such withholding (including withholding from such additional payment), an amount equal to the amount the payee would have received if such withholding had not been required.

8. CASUALTY CARS

A. In the event any Car is totally damaged or destroyed, the rental with respect to such Car shall terminate upon receipt by Lessor of Settlement Value thereof, and in the event any Car is reported to be bad ordered and Lessor elects to permanently remove such Car from Lessee's service rather than have such Car taken to a Car shop for repairs, the rental with respect to such Car shall terminate upon receipt by Lessor of notification that such Car was bad ordered. Lessor shall have the right, but shall not be obligated, to substitute for any such Car another Car of the same type and capacity and the rental with respect to such substituted Car shall commence upon delivery of such substituted Car to Lessee.

B. In the event that any of the Cars, or the fittings, appliances or appurtenances thereto, shall be damaged, ordinary wear and tear excepted, or destroyed either as a result of the acts of a Lessee's employees, agents or customers or from any commodity or other material loaded therein or thereon, Lessee agrees to assume financial responsibility for such damage or destruction.

C. Lessor shall not be liable for any loss of or damage to commodities, or any part thereof, loaded or shipped in or on the Cars, and Lessee agrees to assume financial responsibility for, to indemnify Lessor against, and to save it harmless from any such loss or damage.

9. POSSESSION AND USE

A. Lessee shall (i) preserve the Cars in good condition; (ii) use the Cars solely for the purpose for which the Cars are intended as specified in the applicable Schedule; (iii) maintain records

for any Maintenance performed on any Car in accordance with Interchange Rules (iv) comply with all government laws, regulations, requirements and rules including, but not limited to the Interchange Rules and the rules of the FRA with respect to the use and operation of each Car.

B. Lessee shall not, directly or indirectly, (i) encumber or dispose of any Car or any part of any Car or permit any lien or encumbrance to be entered or levied upon any Car or this Agreement; (ii) alter or modify in any way the physical structure of the Car; (iii) use or permit the Cars to be used or maintained outside the United States for greater than a temporary or incidental use; (iv) use any Car in unit train service or other designated high mileage usage unless the applicable Schedule provides otherwise; (v) permit any Car to be loaded with any hazardous material, hazardous commodity, hazardous waste or hazardous substance.

C. Lessee agrees to indemnify Lessor and shall, on demand, promptly reimburse Lessor on an After-Tax Basis for any costs, duties, loss of depreciation, penalties and interest suffered by Lessor due to use of any Car outside the United States. This obligation survives the expiration or earlier termination of any Schedule and this Agreement.

D. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns; PROVIDED, HOWEVER, THAT LESSEE MAY NOT WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR PLEDGE OR ASSIGN THIS AGREEMENT OR ANY OF ITS RIGHTS OR OBLIGATIONS HEREUNDER OR SUBLEASE OR ASSIGN ANY CARS TO ANY PARTY. Any purported assignment or sublease in violation hereof shall be void.

E. In the event the U.S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of railroad equipment, requires that Lessor add, modify or in any manner adjust the Cars subject to this Agreement in order to qualify them for operation in railroad interchange, Lessee agrees to pay an additional monthly charge of \$2.00 per Car for each \$100 expended by Lessor on such Car, or such other monthly charge in lieu thereof, as may be provided for Modifications in any Schedule hereto, in any case effective as of the date the Car is released from the shop after application of such additions, modifications or adjustments (hereinafter the "Modifications"). No rental credits will be issued on Cars entering the shop for any Modifications.

10. DEFAULT; REMEDIES.

If Lessee fails to pay when due any rent or other amount required to be paid by this Agreement or to perform any of its other obligations under this Agreement, or if a petition in bankruptcy or for reorganization or similar proceeding is filed by or against Lessee, then Lessor may exercise any one or more of the following remedies and any additional rights and remedies permitted by law (none of which shall be exclusive) and shall be entitled to recover all its costs and expenses including attorneys' fees in enforcing its rights and remedies:

A. Terminate this Agreement and recover damages; and/or

B. Proceed by any lawful means to enforce performance by Lessee of this Agreement; and/or

C. By notice in writing to Lessee, terminate Lessee's right to possession and use of some or all of the Cars, whereupon all right and interest of Lessee in such Cars shall terminate; thereupon

Lessee shall at its expense promptly return such Cars to Lessor at such place as Lessor shall designate and in the condition required as provided in Section 11 of this Agreement; or if Lessee does not so promptly return the Cars on demand, Lessor may enter upon any premises where the Cars may be located and take possession of such Cars free from any right of Lessee; and/or

D. Proceed to recover from Lessee any and all amounts which under the terms of this Agreement may be then due or which may have accrued to the date of termination and also to recover forthwith from Lessee (a) as representing actual loss incurred by Lessor, damages for loss of the bargain and not as a penalty, a sum, with respect to each Car which represents the then present value of all rent for such Car which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Agreement as to such Car, such present value to be computed in each case on the basis of a six percent (6%) per annum discount, compounded annually from the respective dates upon which rents would have been payable hereunder had this Agreement not been terminated, and (b) any damages and expenses, in addition thereto which Lessor shall have sustained by reason of the breach of any covenant or covenants of this Agreement.

E. Lease, sell or otherwise dispose of the Cars to such persons, at such price, rental or other consideration and for such period as Lessor shall elect. Lessor shall apply the proceeds from such leasing, sale or other disposition, less all costs and expenses incurred in the recovery, repair, storage, renting, sale or disposition of such Cars (including costs and expenses in connection with any bankruptcy proceeding involving Lessee and/or the Cars, including relief from stay motions, cash collateral disputes, assumption/rejection motions and disputes concerning any proposed disclosure statement and plan proposed during any such bankruptcy proceeding) toward the payment of Lessee's obligations hereunder. Lessee shall remain liable for any deficiency.

F. Lessor's failure to exercise or delay in exercising any right, power or remedy available to Lessor shall not constitute a waiver or otherwise affect or impair its rights to the future exercise of any such right, power or remedy.

11. EXPIRATION OR OTHER TERMINATION

A. Return of Cars. Upon the expiration or earlier termination of this Agreement with respect to any Car, Lessee, at its sole expense, shall return such Car to Lessor at the location(s) designated by Lessor.

B. Condition Upon Return. This is counterpart No. 1 of 3 serially numbered manually executed counterparts. To the extent if any that this document constitutes chattel paper under the Uniform Commercial Code, no security interest in this document may be created through transfer and possession of any counterpart other than counterpart No. 1.

Lessor and Lessee agree as follows.

1. Capitalized Terms. This Schedule incorporates the terms and conditions of the above-referenced Agreement. All capitalized terms defined in the Agreement shall have the meanings defined therein when used in this Schedule No. 01 except that the term "Cars" as used herein shall only refer to the equipment described in this Schedule unless otherwise indicated.

2. Cars Leased. Lessor hereby leases the following cars to Lessee subject to the terms and conditions of the Agreement and this Schedule.

Failure to report that any Car is not in Interchange Condition within the earlier of five (5) days of such Car's delivery to Lessee or the date of loading of such Car by Lessee or at Lessee's direction, (such period being referred to as the "5 Day Acceptance Period") shall constitute acceptance by Lessee of such Car, and shall be conclusive evidence that such Car (a) is fit and in suitable condition for transporting the commodities then and thereafter loaded in such Car, (b) meets all of Lessee's requirements for the Car and (c) is accepted by Lessee for all purposes of the Agreement.

4. Lease Commencement Date. The date the first Car is forwarded to the Delivery Location.

5. Expiration Date. March 31, 2019

6. Commodities to be carried. Lessee will use the Cars for carrying only sand.

10. Rent. (a) Lessee shall pay Lessor a fixed rent of \$520.00 per Car per month paid monthly in advance ("Base Rent") to be adjusted upon payment by Lessor for all of the Cars ("Determination Date"), based upon: (1) the difference between the four (4) year USD Swap rate of 1.096% per annum as of December 2, 2013 ("USD Swap") and the four (4) year USD Swap rate when Lessor pays for a Car (each a "Funding Date USD Swap"); and/or (2) a change in the "Manufacturer's Quoted Price" (\$71,500.00) for a Car as a result of (A) changes in car specifications requested by Lessee or the U.S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of the railroad equipment, or (B) any applicable surcharges and materials under the purchase contract for the Cars between Lessor and the manufacturer. below), as applicable, shall commence upon arrival of each Car at its Delivery Location ("Rent Commencement Date"). Base Rent or Rent payable for any period that is less than a full month shall be prorated.

(b) As of the Determination Date, the Base Rent for each Car or group of Cars shall be adjusted, upward or downward, by \$0.477 for each basis point of difference between the USD Swap and the corresponding applicable Funding Date USD Swap for that Car or group of Cars (each an "Indexed Base Rent). 11. Settlement Value. The amount payable to the owner of the Car under Interchange Rule 107.

SCHEDULE NO. 03

This Schedule No. 03 to that certain Master Railcar Lease (hereinafter as the same may from time to time be amended, modified or supplemented referred to as the "Agreement") dated as of FEB 13, 2014 between CIT RAIL LLC, ("Lessor") and SUPERIOR SILICA SANDS LLC ("Lessee") is made as of FEB 13, 2014.

This is counterpart No. 1 of 3 serially numbered manually executed counterparts. To the extent if any that this document constitutes chattel paper under the Uniform Commercial Code, no security interest in this document may be created through transfer and possession of any counterpart other than counterpart No. 1.

Lessor and Lessee agree as follows.

1. Capitalized Terms. This Schedule incorporates the terms and conditions of the above-referenced Agreement. All capitalized terms defined in the Agreement shall have the meanings defined therein when used in this Schedule No. 03 except that the term "Cars" as used herein shall only refer to the equipment described in this Schedule unless otherwise indicated.

2. Cars Leased. Lessor hereby leases the following cars to Lessee subject to the terms and conditions of the Agreement and this Schedule.

| <u>Quantity</u> | <u>Equipment Description</u> | <u>Reporting Marks and Numbers</u> |
|-----------------|--------------------------------|------------------------------------|
| 125 | 3,250 c.f. Covered Hopper Cars | See Schedule A attached. |

3. Acceptance. Lessee shall inspect each Car promptly when delivered to Lessee at a Delivery Location. Failure to report that any Car is not in Interchange Condition within the earlier of five (5) days of such Car's delivery to Lessee or the date of loading of such Car by Lessee or at Lessee's direction, (such period being referred to as the "5 Day Acceptance Period") shall constitute acceptance by Lessee of such Car, and shall be conclusive evidence that such Car (a) is fit and in suitable condition for transporting the commodities then and thereafter loaded in such Car, (b) meets all of Lessee's requirements for the Car and (c) is accepted by Lessee for all purposes of the Agreement.

4. Lease Commencement Date. The date the first Car is forwarded to the Delivery Location.

5. Expiration Date. September 30, 2019

6. Commodities to be carried. Lessee will use the Cars for carrying only sand.

7. Lessee Maintenance Items. Notwithstanding anything to the contrary contained herein, Lessee shall, at its expense, perform in a timely manner Maintenance for (i) gaskets and seals, (ii) gates and gate hardware, (iii) vibrator brackets, (iv) hatch covers and hardware, and (v) removable parts of the items listed in clauses (i) through (iv) hereof.

8. Marking Responsibility. Not applicable. Cars will bear Lessor-designated mark.

9. Delivery Location. A Lessee designated location.

10. Rent. (a) Lessee shall pay Lessor a fixed rent of \$520.00 per Car per month paid monthly in advance ("Base Rent") to be adjusted upon payment by Lessor for all of the Cars ("Determination Date"), based upon: (1) the difference between the four (4) year USD Swap rate of 1.096% per annum as of December 2, 2013 ("USD Swap") and the four (4) year USD Swap rate when Lessor pays for a Car (each a "Funding Date USD Swap"); and/or (2) a change in the "Manufacturer's Quoted Price" (\$71,500.00) for a Car as a result of (A) changes in car specifications requested by Lessee or the U.S. Department of Transportation, or any other governmental agency or non-governmental organization having jurisdiction over the operation, safety or use of the railroad equipment, or (B) any applicable surcharges and materials under the purchase contract for the Cars between Lessor and the manufacturer. Base Rent or Rent (as defined

below), as applicable, shall commence upon arrival of each Car at its Delivery Location ("Rent Commencement Date"). Base Rent or Rent payable for any period that is less than a full month shall be prorated.

(b) As of the Determination Date, the Base Rent for each Car or group of Cars shall be adjusted, upward or downward, by \$0.477 for each basis point of difference between the USD Swap and the corresponding applicable Funding Date USD Swap for that Car or group of Cars (each an "Indexed Base Rent). The weighted average Indexed Base Rent of all Cars shall be adjusted, upward or downward, by \$8.00 for each \$1,000.00 of difference (on a prorated basis for amounts less than each \$1,000.00 increment) between "Manufacturer's Quoted Price" and the price actually paid for each Car. The Base Rent, as adjusted in accordance with this subsection (b), shall be referred to herein as "Rent".

(c) If the amount of Rent that would have accrued on a Car from the Rent Commencement Date applicable to such Car to the Determination Date is different than the amount that accrued at the Base Rent rate, Lessee shall, upon receipt of Lessor's invoice, pay Lessor the amount of such positive difference, or Lessor shall credit Lessee the amount of such negative difference, as applicable.

(d) Lessee acknowledges that all information relating to the purchase price of the Cars (including the Manufacturer's Quoted Price and the actual purchase price) is confidential and agrees that it (i) shall maintain such information in confidence and (ii) shall not disclose such information to any third party without the prior written consent of Lessor.

(e) In the event that the miles traveled by all Cars under this Schedule average more than 30,000 miles in any calendar year (prorated for partial calendar years), Lessee shall pay Lessor \$0.03 per Car, per mile for each mile over 30,000.

11. Settlement Value. The amount payable to the owner of the Car under Interchange Rule 107.

12. Return Provisions. In addition to the return obligations in Section 11 of the Agreement, Lessee shall provide Lessor at least thirty (30) days written notice prior to the return of any Car and provide Lessor with the current MSDS. Cars will be returned cleaned of all commodity or build-up, in or on the Cars.

14. Special Conditions.

a) Loading Authority. Whenever approval of the originating line haul carrier is required in order that Cars may be placed in service pursuant to then current AAR Rules, Lessee shall obtain such approval, and this Schedule shall continue in full force and effect notwithstanding any withdrawal or modifications of such approval or failure to obtain such approval.

b) Transportation Expenses. Transportation expenses associated with movement of the Cars from Eagle Pass, TX to the Delivery Location at lease inception and with returning the Cars at lease expiration or earlier termination shall be for Lessee's account.

c) Unit Train Service. Notwithstanding Section 9B (iv) of the Agreement, the Cars under this Schedule may be utilized in unit train service.

d) Delays and Non-Delivery of Cars. Lessee acknowledges that Lessor is acquiring the Cars from a manufacturer (the "Manufacturer"). The obligations of Lessor and Lessee to lease the Cars are expressly conditioned on the manufacture and delivery of the Cars by the Manufacturer. Lessor

shall not have any obligation or liability to Lessee for (i) any delays by the Manufacturer in the manufacture or delivery of the Cars, (ii) the Manufacturer's failure to manufacture or deliver the Cars in accordance with the terms of the Purchase Contract, or (iii) for any other breach by the Manufacturer of the terms of the purchase contract. It is understood and agreed that in the event the Manufacturer fails to manufacture or deliver Cars, Lessor shall have no obligation to purchase substitute cars from another manufacturer.

- e) Commitment of the Parties Non-Cancelable. Except as may be provided in this Schedule or the Agreement, neither party shall have the right to terminate or cancel its obligations to lease the Cars. If the Manufacturer breaches the terms of the purchase contract and Lessor terminates the purchase contract, Lessor may cancel and terminate its obligations under this Schedule with respect to any Cars not delivered at the time of termination without any liability to Lessor (including, without limitation, any obligation to purchase substitute cars from another manufacturer) but the parties agree that the terms of this Schedule shall apply with respect to any Cars that have been delivered prior to the effective date of Lessor's termination of the purchase contract. In the event that Manufacturer fails to deliver the Cars in accordance with the purchase contract, and if Lessor determines, in its sole opinion, that it has the right on account of such failure to terminate the purchase contract and Lessor terminates the purchase contract, Lessee's obligation to lease any Cars which have not been delivered shall terminate upon the effective date of Lessor's termination of the purchase contract.

Each party, pursuant to due corporate authority, has caused this Schedule to be executed by its authorized officer or other employee, and each of the undersigned declares that he or she holds the title indicated below, that the execution of this Schedule was the free act of the corporation, the foregoing is true and correct and that this Schedule was executed on the date indicated below.

 - a) Loading Authority. Whenever approval of the originating line haul carrier is required in order that Cars may be placed in service pursuant to then current AAR Rules, Lessee shall obtain such approval, and this Schedule shall continue in full force and effect notwithstanding any withdrawal or modifications of such approval or failure to obtain such approval.
 - b) Transportation Expenses. Transportation expenses associated with movement of the Cars to the Delivery Location at lease inception and with returning the Cars at lease expiration or earlier termination shall be for Lessee's account.
 - c) Unit Train Service. Notwithstanding Section 9B (iv) of the Agreement, the Cars under this Schedule may be utilized in unit train service.
 - d) Delays and Non-Delivery of Cars. Lessee acknowledges that Lessor is acquiring the Cars from a manufacturer (the "Manufacturer"). The obligations of Lessor and Lessee to lease the Cars are expressly conditioned on the manufacture and delivery of the Cars by the Manufacturer. Lessor

shall not have any obligation or liability to Lessee for (i) any delays by the Manufacturer in the manufacture or delivery of the Cars, (ii) the Manufacturer's failure to manufacture or deliver the Cars in accordance with the terms of the Purchase Contract, or (iii) for any other breach by the Manufacturer of the terms of the purchase contract. It is understood and agreed that in the event the Manufacturer fails to manufacture or deliver Cars, Lessor shall have no obligation to purchase substitute cars from another manufacturer.

- e) Commitment of the Parties Non-Cancelable. Except as may be provided in this Schedule or the Agreement, neither party shall have the right to terminate or cancel its obligations to lease the Cars. If the Manufacturer breaches the terms of the purchase contract and Lessor terminates the purchase contract, Lessor may cancel and terminate its obligations under this Schedule with respect to any Cars not delivered at the time of termination without any liability to Lessor (including, without limitation, any obligation to purchase substitute cars from another manufacturer) but the parties agree that the terms of this Schedule shall apply with respect to any Cars that have been delivered prior to the effective date of Lessor's termination of the purchase contract. In the event that Manufacturer fails to deliver the Cars in accordance with the purchase contract, and if Lessor determines, in its sole opinion, that it has the right on account of such failure to terminate the purchase contract and Lessor terminates the purchase contract, Lessee's obligation to lease any Cars which have not been delivered shall terminate upon the effective date of Lessor's termination of the purchase contract.
