On October 16, 2024, the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”) entered the *Findings of Fact, Conclusions of Law, and Order; Approving Disclosure Statement on a Final Basis, Confirming the Debtors’ Joint Chapter 11 Plan of Liquidation, and Granting Related Relief* [D.I. 722] (the “**Confirmation Order**”), pursuant to which the Bankruptcy Court approved and confirmed the *Combined Disclosure Statement and Chapter 11 Plan of Liquidation of Fisker Inc. and Its Debtor Affiliates* [D.I. 713], dated October 15, 2024. materially different financial information. The information furnished in this report primarily includes normal recurring adjustments, but it does not include all adjustments that typically would be made for financial statements prepared in accordance with U.S. GAAP, including certain tax-related or other required adjustments. The results of operations contained herein may not necessarily be indicative of expected results for any other period or for the full year and may not necessarily reflect the combined results of operations and financial position of the Debtors in the future. The financial statements of the Debtors' non-debtor affiliates have not been included in the MOR.

The amounts classified as LSTC in the financial statements included herein are preliminary and may be subject to future adjustments depending on developments with respect to, among other things: disputed claims; determinations of the secured status of certain claims; the values of any collateral securing such claims; rejection of executory contracts; reconciliation of claims; and other events.

**Reservation of Rights** – Given the complexity of the Debtors' businesses, inadvertent errors, omissions, or over-inclusion of amounts may have occurred. Accordingly, the Debtors hereby reserve all their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation, or other statement in this MOR. **Supporting Documentation** – Statement of capital assets: please see the Debtors' balance sheets for information regarding capital assets.

All bank statements and bank reconciliations for the reporting period: each of the Debtors affirms that it has received and reconciled the monthly bank statements for all open and active bank accounts as of October 16, 2024.

**Notes to Part 1: Cash Receipts and Disbursements and MOR Cash Flow attachment:**

The cash flow presented for Fisker Group, Inc. is for the period of October 1, 2024 through October 16, 2024. The cash balance end of month included in “Part 1: Cash Receipts and Disbursements” reflects cash for the 16 days ended on October 16, 2024. The cash balance in the Balance Sheet attachment reflects cash as of October 16, 2024.

**Notes to MOR Part 2: Accounts receivable over 90 days outstanding (net of allowance):**

Amounts listed reflect net receivables: the Debtors specifically apply by customer an allowance to the balances outstanding if it is determined that the outstanding balance is uncollectable. Total allowance as of October 16, 2024, amounts to approximately \$1,106,000.

**Notes to MOR Part 2: Postpetition debt (j):**

Postpetition estimates of accounts payable include an estimate relating to consumption of post-petition services pursuant to various ongoing contracts. These contracts may have quarterly or annual payment cycles. However, for the purposes of the MOR, the liability accrual reflects a charge equal to thirty (30) days of average activity. Given the quarterly or monthly contract cadence, the potential post-petition liability may be higher than a one-month run rate should the Debtors not reject or assign the contract before its renewal date.

**Notes to MOR Part 2: Prepetition debt (k, l, m):**

The Debtors have made a diligent effort to include all prepetition debt and trade claims however, the Debtors cannot warrant the accuracy and completeness of the amounts(s). The ultimate amount of the Debtors’ liabilities is undetermined at this time. The amounts currently classified are preliminary, subject to future adjustments and may be settled for greater or lesser amounts depending on court actions, further developments, determinations of the security status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation, or other events. In addition, the allocation between pre-petition and post-petition may change.

**Notes to MOR Part 3:**

Vehicle sales reflected in Part 3 are those sold pursuant to the Debtors’ *Motion for Entry of an Order (I) Authorizing and Approving the Sale of Certain of the Debtors’ Assets Free and Clear of Liens, Claims, Encumbrances and Interests, (II) Authorizing the Debtors to Enter Into and Perform Under the Fleet Sales Agreement, and (III) Granting Related Relief* [D.I. 110] (“**Fleet Sales Motion**”) which was approved on July 18, 2024 [D.I. 243] (the “**Fleet Sales Order**”).

**Notes to MOR Part 4 Income Statement:**

Vehicle sales in the Income Statement Part 4.a. include the sales approved under the Fleet Sales Order.

Accrued Professional Fees relating to the Chapter 11 process are reflected on Part 4.j., reorganization items.

**Notes to MOR Part 7a:**

The Debtors have issued payments on pre-petition obligations pursuant to certain interim and/or final first day orders.

**Notes to MOR Part 7i:**

All of the Debtors are covered by the same insurance policies.

**Notes to MOR Balance Sheet attachment:**

**Secured and Unsecured Debt:**

As of October 16, 2024, Debtor Fisker Inc. had approximately \$173.6M of pre-petition senior secured debt excluding accrued interest which reflects a reduction based on a cash sweep by the senior secured lender from non-Debtor accounts in June and July 2024. Pursuant to the *Settlement Term Sheet* [D.I. 479-1] (the “**Settlement Term Sheet**”) the amount to be allowed in any plan of liquidation in relation to the pre-petition senior secured debt is an aggregate principal amount of \$186.05M plus accrued and unpaid interest, fees and expenses as defined in the Settlement Term Sheet.

**Intangible Assets:**

Given the significant uncertainty regarding Debtor Fisker Group Inc.’s intangible assets, the Debtors have not attributed a value to these assets.

**Regulatory Credits:**

The Debtors may be eligible for tradable credits under various regulations related to zero-emission vehicles. These assets are contingent in nature and any asset value will not be recognized until eligibility and ability to trade is sufficiently established. No asset value for such credits is reflected in the Debtors’ October 16, 2024 balance sheet.
