Hey guys,

Hope everything is going well on build and the weather didn't hold you back too much over the weekend. Now that the team is in build mode I'll step back from group work and defer to whatever you think is best for working time.

Do we have a day set for moving into the server room and for FOH to exist?

At this point the core team all understands the basic file structure and have ideas of how they'll use it. I'd like to work with the Disguise rep this week to finish off the file structure and build the MA control. I know what the guys want, just don't have the MA knowledge to do it. @Andrew Sclafani can we plan a call with him for tomorrow afternoon or Tuesday morning?

Moving forward with Luis on Notch blocks. The servers were struggling with his initial tests so we're testing blocks with individual processes as well as looking at his render options. I have two Notch designers in the city if we hit a wall.

Would you like me to move forward on tech packages? If you link me with someone from AR and you design/branding team I can take that off your plate. Alesso's VJ Jimmy works with me and mentioned he would be down to come in. Clozee and LSDream's team is also available (Van Roon and Matt Mendez from my team. I know they're not booked ATM)

Let me know what you'd like me to focus on.

Thanks,

Caleb

Hey guys,  
These are my currently outstanding invoices with you guys. Was really hoping to see the venue in action but at this point, I would just like to get paid.

If you guys can settle the 4/12 invoice and give me a timeline for the other two that would be great.

Thanks,

Caleb

Hi Caleb,

Unfortunately, I don't have an update on payment status at this time. I'm truly sorry, I understand how frustrating this is. I'll do my best to circle back later this week with a more positive update.

Warm regards,

Tiffany

Hey Tiff,  
I really need to see payment on this.

I understand your situation as an organization but I'm a freelancer who spent the better part of two months prioritizing your project.

Please do what you can to get this settled up.

Appreciate your understanding here,

Caleb
