This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America ("<u>U.S. GAAP</u>") and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

The financial information contained herein is presented per the Debtors' books and records without, among other things, all adjustments or reclassifications that may be necessary or typical with respect to consolidating financial statements or in accordance with U.S. GAAP. While the Debtors and their advisors have made reasonable efforts to record all financial activity in the correct legal entity, the Debtors' accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity; and it is possible that not all financial activity has been recorded within the correct legal entity.

For the reasons discussed above, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
