13. On November 10, 2025, IslandDundon filed its first interim application for compensation and reimbursement of expenses [Docket No. 424] (the “First Interim Application”). On December 16, 2025, the Court entered the *Omnibus Order Approving First Interim Fee Applications for Various Retained Professionals* (Docket No. 483); which approved Dundon’s total fees and expenses.

18. Every effort has been made by IslandDundon to categorize daily time entries in accordance with the correct project category. However, in some instances, services overlap between project category. Thus, some services may appear under more than one category, although in no instance is a specific time entry recorded more than once.

19. The total number of hours expended by IslandDundon professionals in performing professional services for the Committee during the Interim Compensation Period was 130.80 hours at a blended billing rate of \$884.89 per hour. The total numbers of hours expended includes the 0.5 hours inadvertently not included on the Fourth Monthly Application. The value of these services has been computed at the rates Dundon customarily charges for similar services provided to other clients.

20. IslandDundon submits that the professional services it rendered on behalf of the Committee during this time were both reasonable and necessary.

21. The undersigned hereby attests that he has reviewed the requirements of Local Rule 2016-1, and this Application conforms to such requirements, including that travel time was not billed at more than half rate.
