Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, none of the Agents will have any duty or responsibility except those expressly set forth in this Agreement, nor will any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities are to be read into this Agreement or any other Loan Document or otherwise exist against such Agent, as applicable. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, that term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 14.2 [Reserved].

Section 14.3 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees, or attorneys-in-fact and is entitled to advice of counsel and other consultants or experts concerning all matters pertaining to those duties. No Agent will be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 14.4 Exculpation of Agents. None of the Agents and their respective directors, officers, employees, and agents (a) will be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth in this Agreement as determined by a final, non-appealable judgment by a court of competent jurisdiction), or (b) will be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other Loan Document (or the creation, perfection, or priority of any Lien or security interest therein), or for any failure of any Borrower or any other party to any Loan Document to perform its Obligations under this Agreement or under any other Loan Documents. None of the Agents is or will be

under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document or to inspect the properties, books, or records of any of the Loan Parties and their Subsidiaries and Affiliates.

The duties of each of the Administrative Agent and the Collateral Agent under the Loan Documents are solely mechanical and administrative in nature. The Administrative Agent and the Collateral Agent shall be entitled to request written instructions, or clarification of any instruction, from the Required Lenders (or, if the relevant Loan Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Administrative Agent and the Collateral Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, the Administrative Agent or the Collateral Agent, as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Lenders.

The Agents are not obliged to expend or risk their own funds or otherwise incur any financial liability in the performance of their respective duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if they have grounds for believing the repayment of such funds or indemnity satisfactory to such Agent against, or security for, such risk or liability is not reasonably assured to such Agent. The Agents shall not be responsible in any manner for the validity, enforceability or sufficiency of this Agreement or the Loan Documents or any Collateral delivered, or for the value or collectability of any obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Agent. The Agents shall not be bound to examine or inquire into or be liable for any defect or failure in the right or title of the grantors to all or any of the assets whether such defect or failure was known to the Agents or might have been discovered upon examination or inquiry and whether capable of remedy or not.

The Agents shall not be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter.

The Agents shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct.

In no event shall any Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agents shall be entitled to seek written directions from the Required Lenders prior to taking any action under this Agreement, any Collateral instrument or any of the Loan Documents.

Except with respect to its own gross negligence or willful misconduct, no Agent shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto.

No Agent shall have responsibility for or liability with respect to monitoring compliance of any other party to the Loan Documents or any other document related hereto or thereto. The Agents have no duty to monitor the value or rating of any Collateral on an ongoing basis.

Whenever in the administration of the Loan Documents any Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, may conclusively rely upon instructions from the Required Lenders.

Any Agent may request that the Required Lenders or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Loan Documents.

Money held by any Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

Beyond the exercise of reasonable care in the custody thereof, no Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

No Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens

upon the Collateral or otherwise as to the maintenance of the Collateral. No Agent shall have any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of the Loan Documents by any other Person.

In the event that, following a foreclosure in respect of any Mortgaged property, the Agent acquires title to any portion of such property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Agent's sole discretion may cause such Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Agent to incur liability under CERCLA or any other Federal, state or local law, such Agent reserves the right, instead of taking such action, to either resign as Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

Each Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. The Agents reserve the right to forebear from foreclosing in their own name if to do so may expose them to undue risk.

In no event shall any Agent be responsible or liable for any failure (e) or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

For the avoidance of doubt and notwithstanding anything contrary in any Loan Document, in the event of inconsistency between the terms of this Agreement and any other Loan Document, the terms in this Agreement shall prevail.

Notwithstanding anything in the Loan Documents to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

Section 14.5 Reliance by Agents. Each Agent may rely, and will be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants, and other experts selected by such Agent. Each Agent will be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless such Agent first receives all advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify such Agent against any and all liability and expense which might be incurred by such Agent by reason of taking or continuing to take any such action. Each Agent will in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or

consent of the Required Lenders and each such request and any action taken or failure to act pursuant thereto will be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 12, each Lender that has signed this Agreement will be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless any Agent has received written notice from that Lender prior to the proposed Closing Date specifying its objection thereto.

Section 14.6 Notice of Default. None of the Agents will be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent for the account of the Lenders, unless such Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing that Event of Default or Default and stating that that notice is a "notice of default." Each Agent shall promptly notify the Lenders of its receipt of any such notice. Each Agent shall take all such actions with respect to each such Event of Default or Default as requested by the Required Lenders in accordance with Section 13, but unless and until such Agent has received any such request, such Agent may (but will not be required to) take any action, or refrain from taking any action, with respect to any Event of Default or Default as such Agent deems advisable or in the best interest of the Lenders.

Section 14.7 Credit Decision. Each Lender acknowledges that none of the Agents has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, will be deemed to constitute any representation or warranty by such Agent to any Lender as to any matter, including whether such Agent has disclosed material information in its possession. Each Lender represents to each Agent that it has, independently and without reliance upon such Agent and based on documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers under this Agreement. Each Lender also represents to each Agent that it will, independently and without reliance upon such Agent and based on documents and information as it deems appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make all investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrowers. Except for notices, reports and other documents expressly required in this Agreement to be furnished to the Lenders by any Agent, such Agent will not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Borrower which may come into the possession of such Agent.

Section 14.8 Indemnification. Whether or not the transactions contemplated by this Agreement are consummated, each Lender shall indemnify upon demand each Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities, except that no Lender will

be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No action taken in accordance with the directions of the Required Lenders will be deemed to constitute gross negligence or willful misconduct for purposes of this Section 14.8. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to in this Agreement, to the extent that such Agent is not reimbursed for any such expenses by or on behalf of Borrowers. The undertaking in this Section 14.8 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, expiration or termination of the Letters of Credit, termination of this Agreement and the resignation or replacement of any Agent.

Section 14.9 Agents in their Individual Capacity. Each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though such Person were not an Agent under this Agreement and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to those activities, the Person serving as an Agent or its Affiliates might receive information regarding Borrowers or their Affiliates (including information that is subject to confidentiality obligations in favor of any Borrower or any such Affiliate) and acknowledges that none of the Agents will be under any obligation to provide any such information to them. With respect to their Loans (if any), each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates have the same rights and powers under this Agreement as any other Lender and may exercise the same as though such Person were not an Agent, and the terms "Lender" and "Lenders" include such Person and its Affiliates, to the extent applicable, in their individual capacities.

Section 14.10 Successor Agents. Any may resign as such upon 30 days' notice to the Lenders. If any Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower Representative (which may not be unreasonably withheld or delayed), appoint from among the Lenders a successor Agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of an Agent, such Agent may appoint, after consulting with the Lenders and Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent under this Agreement, that successor agent will succeed to all the rights, powers, and duties of the retiring Agent and the term "Administrative Agent" or "Collateral Agent," as applicable, will mean that successor agent, and the retiring Agent's appointment, powers and duties as Agent will be terminated. After any retiring Agent's resignation under this Agreement as an Agent, the provisions of this Section 14.10 and Sections 15.5 and 15.17 will inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this

Agreement. If no successor agent has accepted appointment as successor agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation will nevertheless thereupon become effective and the Required Lenders shall perform all of the duties of the retiring Agent under this Agreement until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 14.11 Collateral Matters. Each Lender authorizes and directs Collateral Agent to enter into the Collateral Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) for the benefit of the Agents and the Lenders. Each Lender hereby agrees that, except as otherwise set forth in this Agreement, any action taken by any Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by such Agent or Required Lenders of the powers set forth in this Agreement or therein, together with all other powers as are reasonably incidental thereto, will be authorized by, and binding upon, all Lenders. Collateral Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral (other than Collateral located in Mexico) or Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to this Agreement and the such other Loan Documents. The Lenders irrevocably authorize Collateral Agent, at its option and in its discretion, to do any and all of the following: (a) to release any Lien granted to or held by Collateral Agent under any Collateral Document (other than the Mexican Collateral Agreements) (i) upon Payment in Full; (ii) upon property sold or to be sold or disposed of as part of or in connection with any disposition permitted under this Agreement (including the release of any Guarantor in connection with any such disposition); or (iii) subject to Section 15.1 if approved in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral (other than Collateral located in Mexico) to any holder of a Lien on that Collateral which is permitted by Section 11.2(d) (it being understood that Collateral Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Debt secured by any such Lien is permitted by Section 11.1(d)). Upon request by Collateral Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

Section 14.12 Restriction on Actions by Lenders. Each Lender shall not, without the express written consent of each Agent, and shall, upon the written request of any Agent (to the extent it is lawfully entitled to do so), set-off against the Obligations, any amounts owing by that Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with that Lender. Each Lender shall not, unless specifically requested to do so in writing by each Agent, take or cause to be taken any action, including the commencement of any legal or equitable proceedings, to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) against the Loan Parties or any third party with respect to the Obligations or the Collateral may be taken by only Administrative Agent or Collateral Agent (at the direction of the

Required Lenders or as otherwise permitted in this Agreement) or by their respective agents at the direction of such Agent.

Section 14.13 Administrative Agent May File Proofs of Claim.

14.13.1 In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to any Loan Party (including any Insolvency Proceeding), Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as expressed in this Agreement or by declaration or otherwise and irrespective of whether Administrative Agent has made any demand on Borrowers) may, by intervention in any such proceeding or otherwise, do any and all of the following:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and its respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 5, 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

14.13.2 Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding is hereby authorized by each Lender to make all payments to Administrative Agent and, in the event that Administrative Agent consents to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 5, 15.5, and 15.17.

14.13.3 Nothing contained in this Agreement will be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 14.14 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger," if any, has any right, power, obligation, liability, responsibility, or duty under this Agreement other than, in the case of any Lender, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified has or is deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action under this Agreement.

Section 14.15 [Reserved].

Section 14.16 Mexican Powers of Attorney. The Administrative Agent agrees that it will not exercise any rights under any power of attorney granted under or in connection with the Mexican Loan Documents unless an Event of Default has occurred and is continuing.

ARTICLE XV

GENERAL

Section 15.1 Waiver; Amendments.

(a) No amendment, modification, or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents will be effective unless it is in writing and acknowledged by Lenders having an aggregate Pro Rata Shares of not less than the aggregate Pro Rata Shares expressly designated in this Agreement with respect thereto or, in the absence of any such designation as to any provision of this Agreement, by the Required Lenders. Any amendment, modification, waiver, or consent will be effective only in the specific instance and for the specific purpose for which given.

(b) The Agents Fee Letter may be amended, waived, consented to, or modified by the parties thereto.

(c) No amendment, modification, waiver, or consent may extend or increase the Commitment of any Lender without the written consent of that Lender.

(d) No amendment, modification, waiver, or consent may extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable under this Agreement without the written consent of each Lender directly affected thereby.

(e) No amendment, modification, waiver, or consent may reduce the principal amount of any Loan, the rate of interest thereon, or any fees payable under this Agreement without the consent of each Lender directly affected thereby.

(f) No amendment, modification, waiver, or consent may do any of the following without the written consent of each Lender (i) release any Borrower or any Guarantor from its obligations, other than as part of or in connection with any disposition permitted under this Agreement, (ii) release all or any substantial part of the Collateral granted under the Collateral Documents (except as permitted by Section 14.11), (iii) change the definitions of Pro Rata Share or Required Lenders, any provision of this Section 15.1, any provision of Section 13.3, or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver, or consent.

(g) No provision of Sections 6.2.2, 6.3, or 7.2.2(b) with respect to the timing or application of mandatory prepayments of the Loans may be amended, modified, or waived

without the consent of Lenders having a majority of the aggregate Pro Rata Shares of the Loans affected thereby.

(h) No provision of Section 14 or other provision of this Agreement affecting any Agent in its capacity as such may be amended, modified, or waived without the consent of such Agent.

(i) [Reserved]

(j) [Reserved]

(k) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained is referred to as a "Non-Consenting Lender"), then, so long as Administrative Agent is not a Non-Consenting Lender, Administrative Agent and/or one or more Persons reasonably acceptable to Administrative Agent may (but will not be required to) purchase from that Non-Consenting Lender, and that Non-Consenting Lenders shall, upon Administrative Agent's request, sell and assign to Administrative Agent and/or any such Person, all of the Loans and Commitments of that Non-Consenting Lender for an amount equal to the principal balance of all such Loans and Commitments held by that Non-Consenting Lender and all accrued interest, fees, expenses, and other amounts then due with respect thereto through the date of sale, which purchase and sale will be consummated pursuant to an executed Assignment Agreement.

Section 15.2 Confirmations. Each Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing (with a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under that Note.

Section 15.3 Notices.

15.3.1 Generally. Except as otherwise provided in Section 2.2, all notices under this Agreement must be in writing (including facsimile transmission) and must be sent to the applicable party at its address shown on Annex B or at any other address as the receiving party designates, by written notice received by the other parties, as its address for that purpose. Notices sent by facsimile transmission will be deemed to have been given when sent; notices sent by mail will be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service will be deemed to have been given when received. For purposes of Sections 2.2 and 2.2.2, Administrative Agent will be entitled to rely on written instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower Representative, and Borrowers shall hold Administrative Agent and each other Lender harmless from any loss, cost, or expense resulting from any such reliance.

15.3.2 Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.2 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.2 by electronic communication. Administrative Agent or any Loan Party may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an e-mail address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail, or other written acknowledgement), (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, e-mail or other communication that is not sent during the normal business hours of the intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

Section 15.4 Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting computation is required to be made, for the purpose of this Agreement, that determination or calculation will, to the extent applicable and except as otherwise specified in this Agreement, be made in accordance with GAAP, consistently applied, but if Borrower Representative notifies Administrative Agent that Borrowers wish to amend any covenant in Sections 10 or 11.12 (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of that covenant (or if Administrative Agent notifies Borrower Representative that the Required Lenders wish to amend Sections 10 or 11.12 (or any related definition) for that purpose), then Borrowers' compliance with that covenant will be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either the applicable notice under this Section 15.4 is withdrawn or the applicable covenant (or related definition) is amended in a manner satisfactory to Borrowers and the Required Lenders.

Section 15.5 Costs, Expenses and Taxes. Each Loan Party, jointly and severally, shall pay on demand all reasonable out-of-pocket costs and expenses of each Agent (including Attorney Costs and Taxes) in connection with the preparation, execution, primary syndication, delivery and administration (including perfection and protection of any Collateral and the costs of IntraLinks (or other similar service), if applicable) of this Agreement, the other Loan Documents, and all other documents provided for in this Agreement or delivered or to be delivered under or in connection with this Agreement (including any amendment, supplement, or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby are consummated, including, without limitation, all documented out-of-pocket costs and expenses incurred pursuant to Section 10.2, and all reasonable out-of-pocket costs and expenses

(including Attorney Costs and any Taxes) incurred by any Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring, or negotiations in respect thereof; provided however, that the Loan Parties shall not be liable for any stamp, documentary, recording, filing or similar Taxes that are Other Connection Taxes imposed with respect to an assignment of the Loans and Commitments (other than an assignment at the request of a Loan Party). In addition, each Loan Party shall pay, and shall save and hold harmless each Agent and the Lenders from all liability for, any fees of Loan Parties' auditors in connection with any reasonable exercise by such Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 will survive repayment of the Loans, cancellation of the Notes and termination of this Agreement.

Section 15.6 Assignments; Participations.

15.6.1 Assignments.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "Assignee") all or any portion of that Lender's Loans and Commitments, with the prior written consent of Administrative Agent and, other than for any assignment to an Eligible Assignee and so long as no Event of Default exists, Borrower Representative (which consent of Borrower Representative may not be unreasonably withheld or delayed). Except as Administrative Agent otherwise agrees, any such assignment must be in a minimum aggregate amount equal to U.S.$1,000,000 (which minimum will be U.S.$500,000 if the assignment is to an Affiliate of the assigning Lender) or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent will be entitled to continue to deal solely and directly with the assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent has received and accepted an effective assignment agreement in substantially the form of Exhibit J (an "Assignment Agreement") executed, delivered, and fully completed by the applicable parties thereto and a processing fee of U.S.$3,500. For so long as no Default or Event of Default shall have occurred and is continuing at the time of such assignment, the Borrowers shall not be required to pay to any assignee Lender amounts pursuant to Section 7.6 in excess of the amounts that the Borrowers would have been obligated to pay to the assigning Lender if the assigning Lender had not assigned such Loan to such assignee, unless the circumstances giving rise to such excess payment result from a Change in Law after the date of such assignment. Any attempted assignment not made in accordance with this Section 15.6.1 will be treated as the sale of a participation under Section 15.6.2.

(b) From and after the date on which the conditions described above have been met, (i) the Assignee will be deemed automatically to have become a party to this Agreement and, to the extent that rights and obligations under this Agreement have been assigned to that Assignee pursuant to the Assignment Agreement, will have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to that Assignment Agreement, will be released from its rights (other than its indemnification rights) and obligations under this Agreement. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning

Lender) one or more Notes in accordance with Section 3.1 to reflect the amounts assigned to that Assignee and the amounts, if any, retained by the assigning Lender. Each such Note will be dated the effective date of the applicable assignment. Upon receipt by Administrative Agent of any such Note, the assigning Lender shall return to Borrower Representative any applicable prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of that Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 15.6.1 will not apply to any such pledge or assignment of a security interest. No such pledge or assignment of a security interest will release a Lender from any of its obligations under this Agreement or substitute any such pledgee or assignee for that Lender as a party to this Agreement

15.6.2 Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests under this Agreement (any such Person, a "Participant"), but solely to the extent that such Participant is not a Loan Party or an Affiliate of a Loan Party. In the event of a sale by a Lender of a participating interest to a Participant (a) that Lender's obligations under this Agreement will remain unchanged for all purposes, (b) Borrowers and Administrative Agent shall continue to deal solely and directly with that Lender in connection with that Lender's rights and obligations under this Agreement, and (c) all amounts payable by Borrowers will be determined as if that Lender had not sold that participation and will be paid directly to that Lender. No Participant will have any direct or indirect voting rights under this Agreement except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which that Lender enters into with any Participant. Borrowers agree that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant will be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, but that right of set-off is subject to the obligation of each Participant to share with the Lenders, and the Lenders shall share with each Participant, as provided in Section 7.5. Participant shall be entitled to the benefits of Section 7.6 or 8 to the same extent as if it were a Lender (but no Participant will be entitled to any greater compensation pursuant to Section 7.6 and 8 than would have been paid to the participating Lender on the date of participation if no participation had been sold), and each Participant must comply with Section 7.6.4 as if it were an Assignee.

Section 15.7 Register. (a) Administrative Agent shall maintain, and deliver a copy to Borrower Representative upon written request, a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitment of, and principal amount of (and stated interest on) the Loans owing to, each Lender from time to time and whether that Lender is the original Lender or the Assignee. No assignment will be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register will be conclusive, absent manifest error, as to the ownership of the interests in the

Loans. Administrative Agent will not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. It is the parties' intention that the Loans and Commitments be treated as registered obligations and in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code, and that the right, title, and interest of the Lenders in and to those Loans and Commitments be transferable only in accordance with the terms of this Agreement.

(b) Each Lender that sells a participation to a Participant shall, acting solely for this purpose as an agent of each Borrower, maintain at one of its offices a register for the recordation of the names and addresses of each such Participant, and the Commitments of, and principal amount of (and stated interest on) the Loans owing to, such Participant (the "Participant Register"), but no Lender will be required to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans, Commitments, or its other obligations under any Loan Document) to any Person except to the extent that disclosure is required to establish that such a participation is in registered form (as described above). The entries in the Participant Register will be conclusive absent manifest error, and the applicable Lender shall treat each Person whose name is recorded in the Participant Register as the owner of that participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 15.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 15.9 Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender shall use commercially reasonable efforts (equivalent to the efforts Administrative Agent or that Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party hereunder and designated as confidential, except that Administrative Agent and each Lender may disclose any information as follows: (a) to Persons employed or engaged by Administrative Agent or that Lender or that Lender's Affiliates or Approved Funds in evaluating, approving, structuring, or administering the Loans and the Commitments, (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose any such information to Persons employed or engaged by them as described in clause (a) of this Section 15.9, (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by Administrative Agent or that Lender to be compelled by any court decree, subpoena, or legal or administrative order or process, but Administrative Agent or that Lender, as applicable, shall (i) use reasonable efforts to give the applicable Loan Party written notice prior to disclosing the information to the extent permitted by that requirement, request, court decree, subpoena, or legal or administrative order or process, and (ii) disclose only that portion of the confidential information as Administrative Agent or that Lender reasonably believes, or as counsel for

Administrative Agent or that Lender, as applicable, advises Administrative Agent or that Lender, that it must disclose pursuant to that requirement, (d) as Administrative Agent or that Lender reasonably believes, or on the advice of Administrative Agent's or that Lender's counsel, is required by law, (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or that Lender is a party, (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to that Lender, (g) to that Lender's independent auditors and other professional advisors as to which that information has been identified as confidential, or (h) if that information ceases to be confidential through no fault of Administrative Agent or any Lender. Notwithstanding the foregoing, Borrowers consent to the publication by Administrative Agent or any Lender of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement, and Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, non-disclosure agreement, or other similar agreement between any Borrower and any Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, then this Section 15.9 will supersede all such prior or contemporaneous agreements and understandings between the parties.

Section 15.10 Severability. Whenever possible each provision of this Agreement is to be interpreted so as to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, that provision will be ineffective to the extent of that prohibition or invalidity, without invalidating the remainder of that provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of the Agents and the Lenders, in each case, expressed in this Agreement or in any other Loan Document are in addition to, and not in limitation of, those provided by applicable law.

Section 15.11 Nature of Remedies. All Obligations of the Loan Parties and rights of Agents and the Lenders expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise, and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 15.12 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of all such Persons, verbal or written, relating to the subject matter hereof and thereof (except as relates to the fees described in Section 5.1) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs, or expenses payable to or incurred (or to be incurred) by or on behalf of the Agents or the Lenders.

Section 15.13 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other

electronic transmission will constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders will be deemed to be originals.

Section 15.14 Successors and Assigns. This Agreement binds the Loan Parties, the Lenders, the Agents, and their respective successors and assigns and will inure to the benefit of the Loan Parties, the Lenders, and the Agents and the successors and assigns of the Lenders and the Agents. No other Person is or is intended to be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of each Agent and each Lender.

Section 15.15 Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

Section 15.16 Customer Identification – USA Patriot Act Notice. Each Lender (each for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify, and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow that Lender to identify the Loan Parties in accordance with the Patriot Act.

Section 15.17 INDEMNIFICATION BY LOAN PARTIES. In consideration of the execution and delivery of this Agreement by the Agents and the Lenders and the agreement to extend the Commitments provided under this Agreement, each Borrower hereby agrees to indemnify, exonerate, and hold harmless each Agent, each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender (each, a "Lender Party" or "Indemnitee") from and against any and all actions, causes of action, suits, losses, liabilities, damages, and expenses, including Attorney Costs (collectively, the "Indemnified Liabilities"), incurred by the Lender Parties or any of them as a result of, or arising out of, or relating to (a) any tender offer, merger, purchase of Equity Interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans; (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any Hazardous Substance at any property owned or leased by any Loan Party; (c) any violation of any Environmental Laws with respect to conditions at any property owned or leased by any Loan Party or the operations conducted thereon; (d) the investigation, cleanup or remediation of offsite locations at which any Loan Party or their respective predecessors are alleged to have directly or indirectly disposed of Hazardous Substances; or (e) the execution, delivery, performance, or enforcement of this Agreement or any other Loan Document by any of the Lender Parties, in each case except for any such Indemnified Liabilities arising on account of the applicable Lender Party's gross negligence or willful misconduct as determined by a final, non-appealable judgment by a court of competent jurisdiction. If and to the extent that the foregoing undertaking is unenforceable for any reason, each Borrower hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. All obligations provided for in this Section 15.17 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or any modification, release, or discharge of, any or all of the Collateral Documents and termination of this Agreement. This Section 15.17 shall not apply

with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

Section 15.18 Nonliability of Lenders. The relationship between Borrowers on the one hand and the Lenders and the Agents on the other hand is solely that of borrower and lender. Neither any Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither any Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Each Loan Party agrees, on behalf of itself and each other Loan Party, that neither any Agent nor any Lender has any liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission, or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that those losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. No Lender Party will be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Lender Party will have any liability with respect to, and each Loan Party, on behalf of itself and each other Loan Party, hereby waives, releases, and agrees not to sue for, any special, punitive, exemplary, indirect, or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). Each Loan Party acknowledges that it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

Section 15.19 FORUM SELECTION AND CONSENT TO JURISDICTION.

(a) Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document (except for the Mexican Loan Documents, which shall be governed under their own terms), will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court of the Southern District of New York. Each party hereto hereby expressly and irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States District Court of the Southern District of New York for the purpose of any such litigation as set forth above and waives any right to any other jurisdiction to which each such party may be entitled to by reason of their present or future domicile or otherwise.

(b) Each Mexican Loan Party hereby irrevocably designated and appoints (i) IT Global Holding LLC (the "Process Agent"), with an office on the date hereof at 222 Urban Towers, Suite 1650 E, Irving, TX 75039 as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any

court referred to in clause (a); and (ii) as its conventional address the address of the Process Agent referred above or any other address notified in writing in the future by the Process Agent to such Loan Party, to receive on its behalf service of all process in any proceedings brought pursuant to the Loan Documents in any court, such service being hereby acknowledged by such Loan Party to be effective and binding service in every respect, and agrees that the failure of the Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by Applicable Law, the enforcement of any judgment based thereon. Each Mexican Loan Party shall maintain such appointment until the satisfaction in full of all Obligations, except that if for any reason the Process Agent appointed hereby ceases to be able to act as such, then each Mexican Loan Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such Process Agent subject to the approval of the Administrative Agent. Each Mexican Loan Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Process Agent pursuant to this paragraph in full force and effect and to cause the Process Agent to act as such.

(c) Each Loan Party further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Loan Party hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum.

Section 15.20 WAIVER OF JURY TRIAL. **EACH LOAN PARTY, EACH AGENT, AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY**.

Section 15.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of

ownership in that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE XVI

JOINT AND SEVERAL LIABILITY

Section 16.1 Joint and Several Liability

16.1.1 Each Loan Party and each Person comprising a Loan Party hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements, and other terms contained in this Agreement are applicable to and binding upon each Person comprising a Loan Party unless expressly otherwise stated in this Agreement.

16.1.2 Each Loan Party is jointly and severally liable for all of the Obligations of each other Loan Party, regardless of which Loan Party actually receives the proceeds or other benefits of the Loans or other extensions of credit under this Agreement or the manner in which Loan Parties, any Agent, or any Lender accounts therefor in their respective books and records.

16.1.3 Each Loan Party acknowledges that it shall enjoy significant benefits from the business conducted by each other Loan Party because of, *inter alia*, their combined ability to bargain with other Persons including without limitation their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Loan Party acting alone. Each Loan Party has determined that it is in its best interest to procure the credit facilities contemplated under this Agreement, with the credit support of each other Loan Party as contemplated by this Agreement and the other Loan Documents.

16.1.4 Each of the Agents and the Lenders have advised each Loan Party that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Loan Party unless each Loan Party agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Loan Party. Each Loan Party has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection with this Agreement (a) because of the desirability to each Loan Party of the credit facilities under this Agreement and the interest rates and the modes of borrowing available under this Agreement and under those other documents; (b) because each Loan Party might engage in transactions jointly with other Loan Parties; and (c) because each Loan Party might require, from time to time, access to funds under this Agreement for the purposes set forth in this Agreement. Each Loan Party, individually, expressly understands, agrees, and acknowledges that the credit facilities contemplated under

this Agreement would not be made available on the terms of this Agreement in the absence of the collective credit of all the Loan Parties, and the joint and several liability of all the Loan Parties. Accordingly, each Loan Party acknowledges that the benefit of the accommodations made under this Agreement to the Loan Parties, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Loan Party.

16.1.5 To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Loan Party under this Agreement and under the other Loan Documents invalid or unenforceable, such Person's obligations under this Agreement and under the other Loan Documents shall be limited to the maximum amount that does not result in any such invalidity or unenforceability, but each Loan Party's obligations under this Agreement and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.1.6 To the extent that any Loan Party makes a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") that, taking into account all other Joint Liability Payments then previously or concurrently made by any other Loan Party, exceeds the amount that Loan Party would otherwise have paid if each Loan Party had paid the aggregate Obligations satisfied by those Joint Liability Payments in the same proportion that such Person's Allocable Amount (as determined immediately prior to those Joint Liability Payments) bore to the aggregate Allocable Amounts of each Loan Party as determined immediately prior to the making of those Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted) and the termination of the Commitments, that Loan Party shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Party for the amount of that excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to the applicable Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Loan Party is equal to the maximum amount of the claim that could then be recovered from that Loan Party under this Section 16 without rendering that claim voidable or avoidable under § 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law.

16.1.7 Each Loan Party assumes responsibility for keeping itself informed of the financial condition of each other Loan Party, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of each other Loan Party's Obligations, and of all other circumstances bearing upon the risk of nonpayment by each other Loan Party of its Obligations, and each Loan Party agrees that neither any Agent nor any Lender has or shall have any duty to advise that Loan Party of information known to any Agent or any Lender regarding any such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If any Agent or any Lender, in its discretion, undertakes at any time or from time to time to provide any such information to a Loan Party, neither any Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to that Loan Party or any other Person on any subsequent occasion.

16.1.8 Subject to Section 15.1, Administrative Agent upon written direction from the Required Lenders is hereby authorized to, at any time and from time to time, to do any and all of the following: (a) in accordance with the terms of this Agreement, renew, extend, accelerate, or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an Obligation incurred by any Loan Party; (c) take and hold security or collateral for the payment of an Obligation incurred by any Loan Party under this Agreement or for the payment of any guaranties of an Obligation incurred by any Loan Party or other liabilities of any Loan Party and exchange, enforce, waive, and release any such security or collateral; (d) in accordance with the terms of the Loan Documents, apply any such security or collateral and direct the order or manner of sale thereof; and (e) with the prior consent of the Lenders, settle, release, compromise, collect, or otherwise liquidate an Obligation incurred by any Loan Party and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Loan Party. In accordance with the terms of this Agreement, Administrative Agent has the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and any such determination shall be binding on each Loan Party. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Loan Party as Administrative Agent determines in its discretion without affecting the validity or enforceability of the Obligations of any other Loan Party. Nothing in this Section 16.1.8 modifies any right of any Loan Party or any Lender to consent to any amendment or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.1.9 Each Loan Party hereby agrees that, except as otherwise expressly provided in this Agreement, its obligations under this Agreement are and shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by any Loan Party from any Loan Party or any guarantor or other action to enforce the same; (b) failure by Collateral Agent or Lenders, as applicable, to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Loan Party; (c) any Insolvency Proceeding by or against any Loan Party, or any Agent's or any Lender's election in any such proceeding of the application of § 1111(b)(2) of the Bankruptcy Code; (d) any borrowing or grant of a security interest by any Loan Party as debtor-in-possession under § 364 of the Bankruptcy Code; (e) the disallowance, under § 502 of the Bankruptcy Code, of all or any portion of any Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Loan Party; or (f) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor unless that legal or equitable discharge or defense is that of a Loan Party in its capacity as a Loan Party.

16.1.10 Any notice given by Borrower Representative under this Agreement shall constitute and be deemed to be notice given by all Loan Parties, jointly and severally. Notice given by any Agent or any Lender to Borrower Representative under this Agreement or pursuant to any other Loan Documents in accordance with the terms of this Agreement or of any applicable other Loan Document shall constitute notice to each Loan Party. The knowledge of

any Loan Party shall be imputed to all Loan Parties and any consent by Borrower Representative or any Loan Party shall constitute the consent of, and shall bind, all Loan Parties.

16.1.11 This Section 16 is intended only to define the relative rights of Loan Parties and nothing set forth in this Section 16 is intended to or shall impair the obligations of Loan Parties, jointly and severally, to pay any amounts as and when the same become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 limits the liability of any Loan Party to pay the credit facilities made directly or indirectly to that Loan Party and accrued interest, fees, and expenses with respect thereto for which that Loan Party is primarily liable.

16.1.12 The parties to this Agreement acknowledge that the rights of contribution and indemnification under this Section 16 constitute assets of each Loan Party to which any such contribution and indemnification is owing. The rights of any indemnifying Loan Party against the other Loan Parties under this Section 16 shall be exercisable upon the full and payment of the Obligations, and the termination of the Commitments.

16.1.13 No payment made by or for the account of a Loan Party, including, without limitation, (a) a payment made by that Loan Party on behalf of an Obligation of another Loan Party, or (b) a payment made by any other Person under any guaranty, shall entitle that Loan Party, by subrogation or otherwise, to any payment from that other Loan Party or from or out of property of that other Loan Party and that Loan Party shall not exercise any right or remedy against that other Loan Party or any property of that other Loan Party by reason of any performance of that Loan Party of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, the expiration, termination, or Cash Collateralization of all Letters of Credit, and Payment in Full of all Obligations (other than contingent indemnification Obligations not then asserted).

ARTICLE XVII

APPOINTMENT OF BORROWER REPRESENTATIVE

17.1.1 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents) from the Lenders in the name or on behalf of that Loan Party. Administrative Agent may disburse those proceeds to the bank account of Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.1.2 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes the Borrower Representative as its agent to (a) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (b) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Loan Party under this Agreement or the

other Loan Documents; and (c) otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents.

17.1.3 The authorizations contained in this Section 17 are coupled with an interest and are irrevocable until Payment in Full or a change pursuant to Section 17, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by that Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Parties to join in the execution of any writing in connection with this Agreement will not relieve any Borrower or other Loan Party from obligations in respect of that writing.

17.1.4 No purported termination of or change in the appointment of Borrower Representative as agent will be effective without the prior written consent of Administrative Agent.

ARTICLE XVIII

CONVERSION RIGHTS

Section 18.1 Conversion on the Maturity Date. Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on any date beginning on December 15, 2022 (a "Maturity Conversion Date"). In order to exercise its conversion rights under this Section 18.1, a Lender must provide written notice (a "Maturity Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the Maturity Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.1.

Section 18.2 Early Conversion.

18.2.1 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares immediately after the closing time of the Applicable Follow-On Offering (the "Offering Conversion Date"). The Company shall provide written notice to the Lenders of the Offering Conversion Date on or prior to the second Business Day immediately preceding such date. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Offering Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Offering Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

18.2.2 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares

on any date Ultimate Holdings specifies as an Optional Conversion Date with respect to all Lenders. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Optional Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Optional Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

Section 18.3 Limitation on Delivery of Conversion Payment Shares. Notwithstanding anything contained herein to the contrary, (a) the aggregate number of Conversion Payment Shares issued pursuant to Section 18.1 and 18.2 shall be limited to the Conversion Cap, with a *pro rata* portion (based on the portion of the aggregate Outstanding Obligations due to such Lender) of such Conversion Cap being applicable to each converting Lender on a Maturity Conversion Date, for purposes of Section 18.1, the Offering Conversion Date, for purposes of Section 18.2.1, or the Optional Conversion Date, for purposes of Section 18.2.2, and any portion of the Conversion Cap not utilized on the Applicable Conversion Date by non-converting Lenders shall be re-allocated *pro rata* among the converting Lenders, (b) no Conversion Payment Shares shall be issued to any officer, director (including any director that is an Affiliate of a Lender), employee or consultant if such issuance would constitute a discounted issuance of Common Stock pursuant to Rule 5635(c) of the Nasdaq Stock Market and (c) no Conversion Payment Shares shall be issued to any Lender to the extent such issuance would constitute a change of control pursuant to Rule 5635(b) of the Nasdaq Stock Market (or such similar rules of the Applicable Exchange), and, in each case, the portion of the Outstanding Obligations with respect to which Conversion Payment Shares cannot be delivered shall be deemed to not have been converted; provided, that the foregoing limitations in clauses (a), (b) and (c) shall not apply to the extent that Ultimate Holdings receives the Requisite Shareholder Approval.

Section 18.4 Conversions Generally. Upon a Converting Lender's receipt of the Conversion Payment Shares required to be delivered to such Converting Lender under Section 18.1 or Section 18.2, the Outstanding Obligations owed to such Converting Lender that have been converted shall be deemed to have Paid in Full.

Section 18.5 Mergers. Notwithstanding anything to the contrary herein, Ultimate Holdings may not consummate any (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination), (ii) any consolidation, merger or combination or similar transaction involving Ultimate Holdings, (iii) any sale, lease or other transfer to a third party of the consolidated assets of Ultimate Holdings and Ultimate Holdings' Subsidiaries substantially as an entirety, or (iv) any statutory share exchange (any such event, a "Merger Event") unless the resulting, surviving or transferee Person (the "Successor Company"), if not Ultimate Holdings, shall expressly assume all of the obligations of Ultimate Holdings under this Article XVIII; provided, however, that nothing in this Section 18.5 shall be construed to permit any event or transaction otherwise prohibited under this Agreement.

Section 18.6 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

18.6.1 In the case of: any Merger Event as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), at and after the effective time of such Merger Event, (a) the right to convert Outstanding Obligations in Conversion Payment Shares shall be changed into a right to convert such Outstanding Obligations into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that holders of shares of Common Stock are entitled to receive (the "Reference Property," with each "unit of Reference Property" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and (b) unless context requires otherwise, all references to "Common Stock" hereunder shall be deemed references to the Reference Property. At and after the effective time of any such Merger Event, any shares of Common Stock that Ultimate Holdings would have been required to deliver upon conversion of the Outstanding Obligations under Article XVIII shall instead be deliverable in Reference Property.

18.6.2 If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Outstanding Obligations will be convertible shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock.

18.6.3 If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets of a Person other than Ultimate Holdings or the successor or purchasing corporation (excluding, for the avoidance of doubt, cash paid by such surviving company, successor or purchaser corporation, as the case may be, in such Merger Event), then such other Person shall execute such documentation with respect to the conversion of Outstanding Obligations as the Lenders and Ultimate Holdings in good faith determine to be commercially reasonable. The definitive agreement with respect to any Merger Event shall include such additional provisions as are reasonably necessary to protect the conversion rights of the Lenders under this Article XVIII.

18.6.4 If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is a Public Issuer, such Successor Issuer shall grant to each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted to any other Person in connection with such Merger Event. If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is not a Public Issuer, such Successor Issuer shall grant each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted in connection with such Merger Event to any other holder of the shares; provided that in no event shall such registration rights be less favorable to any Lender than the registration rights set forth in any Registration Rights Agreement then in effect. Following the consummation of any Merger Event in which Ultimate Holdings is not the Successor Issuer, all references in this Article XVIII to Ultimate Holdings shall be deemed replaced with references to the Successor Issuer.

18.6.5 Ultimate Holdings shall provide written notice of any Merger Event to the Lenders as promptly as practicable after the public announcement thereof.

18.6.6 Ultimate Holdings shall not become a party to any Merger Event unless its terms are consistent with this Section 18.6 and this Section 18.6 shall similarly apply to successive Merger Events.

Section 18.7 Delivery of Conversion Payment Shares. Ultimate Holdings shall deliver any Conversion Payment Shares required to be delivered to a Lender under this Article XVIII no later than the second Business Day immediately following the Applicable Conversion Date. The Conversion Payment Shares will be issued in book-entry form and issued and delivered to the transfer agent for Ultimate Holdings and identified by restricted legends identifying the Conversion Payment Shares as restricted securities. A Converting Lender shall be deemed to be the holder of record of such Conversion Payment Shares as of 5:00 p.m. (New York City time) on the date the Conversion Payment Shares are issued and delivered to the Converting Lender.

Section 18.8 Reservation of Shares; Listing. Ultimate Holdings shall, as of the applicable Closing Date, authorize and reserve 2,098,545 shares of Common Stock for issuance upon conversion of Outstanding Obligations as Conversion Payment Shares and shall at all times keep reserved a sufficient number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable) based on an Applicable Price determined as if the last calendar day of the preceding calendar quarter was an Applicable Conversion Date. No later than the Business Day immediately following any Applicable Conversion Date, Ultimate Holdings shall take all action necessary, including amending its governing documents, to authorize and reserve sufficient Conversion Payment Shares such that (a) all Conversion Payment Shares required to be delivered by Ultimate Holdings in connection with such Applicable Conversion Date (1) shall be duly and validly authorized, reserved and available for issuance on or prior to the date such Conversion Payment Shares are delivered to any Converting Lender in accordance with Section 18.4 and (2) shall, upon issuance, be duly and validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under applicable securities laws and (b) the issuance of such Conversion Payment Shares shall not be subject to any preemptive or similar rights. On or prior to the applicable Closing Date, Ultimate Holdings shall provide notice to the Nasdaq Capital Market with respect to the listing of a number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable). Ultimate Holdings shall use its best efforts to effect and maintain the listing on a Permitted Exchange of its Common Stock.

Section 18.9 Calculations. Ultimate Holdings and any Converting Lenders shall, acting in good faith and in a commercially reasonable manner, jointly determine the number of Conversion Payment Shares with respect to any Conversion; provided that if Ultimate Holdings and such Converting Lenders cannot promptly agree on the number of Conversion Payment Shares with respect to such Conversion then they shall use their good faith efforts to jointly appoint a Calculation Agent to determine such number with respect to such Conversion; provided, further, that any failure to agree or related delay in the calculation of the number of Conversion Payment Shares shall extend the time provided for delivery of the any disputed number of Conversion Payment Shares (but, for the avoidance of doubt, not the number of

Conversion Payment Shares not in dispute) until the second Business Day following the determination of the calculation as provided in this Section 18.9, and such extension or delay in payment with respect to the disputed portion of Conversion Payment Shares shall not be deemed a breach of any provision of this Agreement. If Ultimate Holdings and any Converting Lenders are not able to promptly agree on a Calculation Agent with respect to a Conversion, then Ultimate Holdings shall appoint one Calculation Agent and the Converting Lenders shall appoint a second Calculation Agent and such appointed Calculation Agents shall each promptly determine the number of Conversion Payment Shares for such Conversion and the Conversion Payment Shares for such Conversion shall be deemed to be the average of the amounts determined by such Calculation Agents or, if only one Calculation Agent provides a determination of the Conversion Payment Shares prior to the date Conversion Payment Shares are required to be delivered in connection with the relevant Conversion, the number of Conversion Payment Shares determined by such Calculation Agent. Any determination of the Conversion Payment Shares pursuant to the terms of this Section 18.9 shall be final absent manifest error. All calculations under this Article XVIII shall be rounded to the nearest $1/10{,}000^{th}$, with 0.00005 rounded up to 0.0001; provided that the number of Conversion Payment Shares to be delivered to any Converting Lender shall be rounded up the nearest whole number.

Section 18.10 Conversion Information. Ultimate Holdings shall use commercially reasonable efforts to promptly provide any information to any Lender, or any Calculation Agent for purposes of Section 18.9, that such Lender or Calculation Agent determines in good faith to be reasonably necessary to make any calculations under this Article XVIII.

Section 18.11 Taxes. Ultimate Holdings shall pay any and all transfer, stamp and similar Taxes imposed by, or levied by or on behalf of, any governmental authority or agency having the power to tax that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Converting Lender in connection with any Conversion. For the avoidance of doubt, Ultimate Holdings shall not be responsible for any such transfer, stamp and similar Taxes that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Person that is not the Converting Lender, including any nominee, assignee or transferee of the Converting Lender, if such Taxes would not have been imposed or be payable had the Conversion Payment Shares been issued in the name of the Converting Lender.

Section 18.12 Peso Loans. Conversions of Outstanding Obligations hereunder shall be made by reference to the Dollar amount thereof. In the case of any Outstanding Obligations denominated in Pesos, the Dollar amount thereof shall be determined by reference to the Conversion Rate as of the relevant Applicable Conversion Date.

Section 18.13 Additional Definitions. When used in this Article XVIII, the following terms shall have the following meanings:

"Applicable Conversion Date" means, (a) with respect to a conversion by a Lender under Section 18.1, the date such Lender delivered a Maturity Conversion Notice to Ultimate Holdings, (b) with respect to a conversion by a Lender under Section 18.2.1, if the Lender delivered an Offering Conversion Notice to Ultimate Holdings, then the Offering Conversion Date and (c) with respect to a conversion by a Lender under Section 18.2.2, if the

Lender delivered an Optional Conversion Notice to Ultimate Holdings, then the applicable Optional Conversion Date.

"Applicable Exchange" means, at any time, the principal United States exchange on which the Common Stock is then listed.

"Applicable Follow-On Offering" means the first underwritten public offering of Common Stock following the initial Closing Date.

"Applicable Follow-On Price" means the price per share of Common Stock paid by the purchasers in the Applicable Follow-On Offering.

"Applicable Price" means, with respect to an Applicable Conversion Date, the Market Value; provided, however, that if the Outstanding Obligations are being converted under Section 18.2.1, then the "Applicable Price" with respect to a Conversion under Section 18.2.1 shall be the "Applicable Follow-On Price," provided that Ultimate Holdings has received from the Applicable Exchange an interpretation of the applicable listing standards of the Applicable Exchange indicating that conversion at the Applicable Follow-On Price would not require shareholder approval (and Ultimate Holdings shall seek such interpretation as promptly as is commercially reasonable after the initial Closing Date); and provided further that notwithstanding anything to the contrary, a Converting Lender and Ultimate Holdings may agree in writing to use any Applicable Price with respect to any Conversion by such Converting Lender, subject to compliance with any Requirement of Law, including the rules and regulations of the Applicable Exchange. Following any Merger Event pursuant to which the Outstanding Obligations become convertible into Reference Property, the Applicable Price will be with respect to one unit of Reference Property.

"Calculation Agent" means a leading international financial institution that is not an Affiliate of Ultimate Holdings or any Lender.

"Common Stock" means Class A Common Stock, $0.0001 par value per share, of Ultimate Holdings.

"Conversion" means the exercise of a conversion right under Section 18.1 or Section 18.2 by any Lender.

Following any Merger Event pursuant to which the Outstanding Obligations become convertible into Reference Property, each Conversion Payment Share will be deemed replaced with one unit of Reference Property.

"Converting Lender" means, with respect to any conversion of Outstanding Obligations, the Lender that has elected to convert under Section 18.1 or Section 18.2.

"Market Disruption Event" means (a) a failure by the primary U.S. national or regional securities exchange or market on which the Common Stock is listed or admitted for trading to open for trading during its regular trading session or (b) the occurrence or existence prior to 1:00 p.m., New York City time, on any Scheduled Trading Day for the Common Stock for more than one half-hour period in the aggregate during regular trading hours of any suspension or limitation imposed on trading (by reason of movements in price exceeding limits permitted by the relevant stock exchange or otherwise) in the Common Stock or in any options contracts or futures contracts traded on any U.S. exchange relating to the Common Stock.

"Market Value" means the consolidated closing bid price of one share of Common Stock as of 4:00 p.m., New York City time, on the Trading Day immediately preceding the Applicable Conversion Date, as provided by the Nasdaq representative for Ultimate Holdings at the Nasdaq Market Intelligence Desk (or such similar definition of the Applicable Exchange).

"Optional Conversion Date" means, with respect to a Lender, the date specified as such for purposes of Section 18.2 by Ultimate Holdings in a written notice to such Lender.

"Outstanding Obligations" means the then-outstanding aggregate principal amounts of the Loans (including any interest previously capitalized and added to principal), together with any accrued interest to, but excluding, the Applicable Conversion Date.

"Permitted Exchange" means the New York Stock Exchange, NYSE American, the Nasdaq Global Select Market, the Nasdaq Global Market or the Nasdaq Capital Market (or any of their respective successors).

"Public Issuer" means a Successor Issuer in a Merger Event a class of whose common stock or equivalent Equity Interests is listed or admitted for trading on a Permitted Exchange.

"Scheduled Trading Day" means any day that is scheduled to be a Trading Day on the principal U.S. national or regional securities exchange on which the Common Stock is then listed or, if the Common Stock is not then listed on a U.S. national or regional securities

exchange, on the principal other market on which the Common Stock is then traded. If the Common Stock is not so listed or traded, then "Scheduled Trading Day" means a Business Day.

"Successor Issuer" means a Person who is a successor of Ultimate Holdings or a Person who issues common stock or equivalent Equity Interests in any Merger Event in which the shares of the Common Stock are converted into or exchanged for, in whole or in part, common stock or equivalent Equity Interests of such Person.

If the Common Stock is not so listed or traded, then "Trading Day" means a Business Day.

Notwithstanding anything to the contrary contained herein, in any other Loan Document or in any such promissory note or other instrument, this Note (a) replaces and supersedes any and all promissory notes or other instruments which create or evidence any loans or advances made on or before the Closing Date by any Note Party to any other Note Party and (b) shall not be deemed replaced, superseded or in any way modified by any promissory note or other instrument entered into on or after the Closing Date which purports to create or evidence any loan or advance by any Note Party to any other Note Party.

Each of the parties hereto represents to each other party that it has discussed this Note and, specifically, the provisions regarding choice of law, with its counsel.

Each Payor and any endorser of this Note hereby waives presentment, demand, protest or notice of any kind in connection with this Note. All payments under this Note shall be made without offset, counterclaim or deduction of any kind.

Each such notice will be effective upon receipt by Administrative Agent, will be irrevocable, and must specify the proposed Closing Date (which date shall be a Business Day prior to the Termination Date), or with respect to the borrowing of Tranche E Loans, the proposed Amendment No. 1 Effective Date, and amount of the requested borrowing. Except as otherwise agreed in a flow of funds memorandum in form and substance acceptable to the Administrative Agent and the Lenders (a "Funds Flow Memorandum") on the Closing Date, or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date, each Lender shall provide Administrative Agent with immediately available funds covering that Lender's Pro Rata Share of that borrowing so long as the applicable Lender has not received written notice that the conditions precedent set forth in Article XII with respect to that borrowing have not been satisfied. Except as otherwise agreed in a Funds Flow Memorandum, after the Administrative Agent's receipt of the proceeds of the applicable Loans from the Lenders, the Administrative Agent shall make the proceeds of those Loans available to the applicable Borrower on the Closing Date (or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date) by transferring to the applicable Borrower immediately available funds equal to the proceeds received by the Administrative Agent. There shall be a single borrowing of the Loans hereunder.

(b) Funding Losses. In connection with each Loan, each Borrower shall jointly and severally indemnify, defend, and hold the Administrative Agent and the Lenders harmless against any loss, cost, or expense actually incurred by the Administrative Agent or any Lender as a result of the failure to borrow any Loan on the date specified by the Borrower Representative in a Notice of Borrowing (other than as a result of any failure of any Lender to make such Loan to the extent required by this Agreement that a court of competent jurisdiction finally determines to have resulted from gross negligence, willful misconduct, or bad faith of such Lender) (such losses, costs, or expenses, "Funding Losses"). A certificate of the Administrative Agent or a Lender delivered to the Borrower Representative setting forth in reasonable detail any amount or amounts that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 2.2.2 shall be conclusive absent manifest error. Borrowers shall pay such amount to the Administrative Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate.

Section 2.3 Commitments Several. The failure of any Lender to make a requested Loan on any date shall not relieve any other Lender of its obligation (if any) to make a Loan on such date, but no Lender shall be responsible for the failure of any other Lender to make any

Loan to be made by such other Lender. Anything herein to the contrary notwithstanding, the Tranche A-1 Lenders, Tranche A-2 Lenders, Tranche B-1 Lenders and Tranche B-2 Lenders shall be relieved from their obligations to make Loans hereunder in case of failure by the Tranche C Lenders and the Tranche D Lenders to make Tranche C Loans and Tranche D Loans in an aggregate principal amount of at least U.S.$4,000,000, hereunder.

Section 2.4 Certain Conditions. No Lender shall have an obligation to make any Loan if an Event of Default or Default has occurred and is continuing.

Section 2.5 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions will apply for so long as that Lender is a Defaulting Lender:

(a) Any amount payable to a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, or otherwise and including any amount that would otherwise be payable to that Defaulting Lender pursuant to Section 7.5 but excluding Article VIII) will, in lieu of being distributed to that Defaulting Lender, be retained by the Administrative Agent and, subject to any applicable requirements of law, be applied as follows at such time or times as the Administrative Agent determines: (i) first, to the payment of any amounts owing by that Defaulting Lender to the Agents under this Agreement; (ii) second, *pro rata*, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; (iii) third, if so determined by the Administrative Agent and the Borrowers, held as cash collateral for future funding obligations of the Defaulting Lender under this Agreement; (iv) fourth, *pro rata*, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and (v) fifth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction. If any such payment is a prepayment of the principal amount of any Loans and made at a time when the conditions set forth in Section 12.2 are satisfied, then that payment will be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders *pro rata* prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(b) If the Administrative Agent and the Borrowers each agrees that a Defaulting Lender has adequately remedied all matters that caused that Lender to be a Defaulting Lender, then that Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent determines is necessary in order for that Lender to hold those Loans in accordance with its Pro Rata Share (as determined pursuant to clause (a) of the definition of "Pro Rata Share"). No Defaulting Lender will have any right to approve or disapprove any amendment, waiver, consent, or any other action the Lenders or the Required Lenders have taken or may take under this Agreement (including any consent to any amendment or waiver pursuant to Section 15.1) but any waiver, amendment, or modification requiring the consent of all Lenders

or each directly affected Lender that affects a Defaulting Lender differently than other affected Lenders will require the consent of that Defaulting Lender.

ARTICLE III

EVIDENCING OF LOANS

Section 3.1 Notes. Each Tranche A-1 Loan shall be evidenced by a Tranche A-1 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (ii) each Tranche A-2 Loan shall be evidenced by a Tranche A-2 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (iii) each Tranche B-1 Loan shall be evidenced by a Tranche B-1 Note, executed by Ultimate Holdings as issuer; (iv) each Tranche B-2 Loan shall be evidenced by a Tranche B-2 Note, executed by Ultimate Holdings as issuer; (v) each Tranche C Loan shall be evidenced by a Tranche C Note, executed by Ultimate Holdings as issuer; ~~and~~ (vi) each Tranche D Loan shall be evidenced by a Tranche D Note, executed by Ultimate Holdings as issuer; and (vii) each Tranche E Loan shall be evidenced by a Tranche E Note, executed by Ultimate Holdings as issuer. The Notes shall be delivered to each Lender for the benefit of such Lender on or before the Closing Date (or with respect to Tranche E Notes, on or before the Amendment No. 1 Effective Date), appropriately completed. Each Loan and interest thereon shall at all times (including after assignment pursuant to Section 15.6) be represented by one or more Notes in such form payable to the payee named therein. Each Lender shall be entitled to have its Notes substituted, exchanged or subdivided for Notes of lesser denominations in connection with a permitted assignment of all or any portion of such Lender's Loans and Notes pursuant to Section 15.6. In case of theft, partial or complete destruction or mutilation of any Note, the relevant Lender shall be entitled to request to the Borrowers, and the Borrowers shall promptly (but in any event within ten days of such notice) execute and deliver in lieu thereof a new Note, dated the same date as the lost, stolen, destructed or mutilated Note.

Section 3.2 Recordkeeping. The Administrative Agent, on behalf of each Lender, shall record in its records, the date and amount of each Loan made by each Lender and each repayment or conversion (if permissible) thereof. The aggregate unpaid principal amount so recorded will be rebuttably presumptive evidence of the principal amount of the Loans owing and unpaid. The failure to so record any such amount or any error in so recording any such amount will not, however, limit or otherwise affect the Obligations of the Borrowers under this Agreement or under any Note to repay the principal amount of the Loans under this Agreement, together with all interest accruing thereon.

ARTICLE IV

INTEREST

Section 4.1 Interest Rates.

(a) (i) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-1 Loan for the period commencing on the date that Tranche A-1 Loan is made until that Tranche A-1 Loan is paid in full at a rate per annum equal to 11.00%; (ii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-2 Loan for the period commencing on the date that Tranche A-2 Loan is made until that Tranche A-2 Loan is paid in full at a rate per annum equal to 17.41%; (iii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-1 Loan for the period commencing on the date that Tranche B-1 Loan is made until that Tranche B-1 Loan is paid in full at a rate per annum equal to 11.00%; (iv) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-2 Loan for the period commencing on the date that Tranche B-2 Loan is made until that Tranche B-2 Loan is paid in full at a rate per annum equal to 17.41%; (v) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche C Loan for the period commencing on the date that Tranche C Loan is made until that Tranche C Loan is paid in full at a rate per annum equal to 11.00%; ~~and~~ (vi) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche D Loan for the period commencing on the date that Tranche D Loan is made until that Tranche D Loan is paid in full at a rate per annum equal to 11.00%~~.~~; and (vii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche E Loan for the period commencing on the Amendment No. 1 Effective Date until that Tranche E Loan is paid in full at a rate per annum equal to 11.00%.

As between AgileThought Mexico and the Peso Lenders only, and for information purposes only, the interest rate applicable to the Peso Loans has been agreed giving due regard to factors that would make the rate the substantial equivalent to the interest rate applicable to the Dollar Loans.

(b) Notwithstanding the foregoing, at any time an Event of Default exists, the interest rate applicable to each Loan will be increased by 2% during the existence of an Event of Default (and, in the case of Obligations not bearing interest, those Obligations will, during the existence of an Event of Default, bear interest at the highest interest rate applicable to the Loans plus 2%), but any such increase may be rescinded by Required Lenders, notwithstanding Section 15.1. Notwithstanding the foregoing, upon the occurrence of an Event of Default under Sections 13.1.1 or 13.1.4, the increase provided for in this Section 4.1 will occur automatically. In no event will interest payable by the Borrowers to any Lender under this Agreement exceed the maximum rate permitted under applicable law, and if any such provision of this Agreement is in contravention of any such law, then that provision will be deemed modified to limit that interest to the maximum rate permitted under that law.

Section 4.2 Interest Payment Dates; Payment-in-Kind.

(a) Tranche A-1 Loans.

(i) Accrued interest on each Tranche A-1 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-1 Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-1 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-1 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-1 Loans, and such interest amount (together with any principal of the Tranche A-1 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-1 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-1 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-1 Loan maintained by such Tranche A-1 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-1 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-1 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-1 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-1 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-1 Loans as provided in this Section 4.2(a)(ii).

(b) Tranche A-2 Loans.

(i) Accrued interest on each Tranche A-2 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-2 Loans shall be payable on demand. Funds due in pesos will be deposited to an account

with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-2 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-2 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-2 Loans, and such interest amount (together with any principal of the Tranche A-2 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-2 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-2 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-2 Loan maintained by such Tranche A-2 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-2 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-2 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-2 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-2 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-2 Loans as provided in this Section 4.2(a)(ii).

(c) Tranche B-1 Loans.

(i) Accrued interest on each Tranche B-1 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-1 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-1 Loans shall be increased such that the Tranche B-1 Lenders receive an amount on account of

interest on the Tranche B-1 Loans equal to the amount that would have resulted if interest on the Tranche B-1 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-1 Loans.

(d) Tranche B-2 Loans.

(i) Accrued interest on each Tranche B-2 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-2 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-2 Loans shall be increased such that the Tranche B-2 Lenders receive an amount on account of interest on the Tranche B-2 Loans equal to the amount that would have resulted if interest on the Tranche B-2 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-2 Loans. Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(e) Tranche C Loans.

(i) Accrued interest on each Tranche C Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche C Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche C Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche C Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche C Loans, and such interest amount (together with any principal of the Tranche C Loans prior to giving effect to the provisions of this Section 4.2(e)(ii)) thereafter shall form part of the Tranche C Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche C Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the

Tranche C Loan maintained by such Tranche C Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche C Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche C Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche C Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche C Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche C Loans as provided in this Section 4.2(e)(ii).

(f) Tranche D Loans.

(i) Accrued interest on each Tranche D Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche D Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche D Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche D Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche D Loans, and such interest amount (together with any principal of the Tranche D Loans prior to giving effect to the provisions of this Section 4.2(f)(ii)) thereafter shall form part of the Tranche D Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche D Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche ~~C~~D Loan maintained by such Tranche ~~C~~D Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche D Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set

forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche D Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche D Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche D Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche D Loans as provided in this Section 4.2(f)(ii).

(g) Tranche E Loans.

(i) Accrued interest on each Tranche E Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche E Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche E Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche E Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche E Loans, and such interest amount (together with any principal of the Tranche E Loans prior to giving effect to the provisions of this Section 4.2(g)(ii)) thereafter shall form part of the Tranche E Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche E Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche E Loan maintained by such Tranche E Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche E Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. (gh) The provisions of this Section 4.2 represent the sole and entire agreement of the parties to capitalize interest and accept payment of interest other than in cash; provided, that such agreement is subject to the terms of the Reference Subordination Agreement. Any interest not capitalized and added to principal pursuant to Section 4.2 shall continue to be payable in cash in accordance with the terms of this Agreement and the Notes, and if unpaid when due, shall bear interest at the applicable rate provided in Section 4.1.

Section 4.3 Computation of Interest. Interest will be computed for the actual number of days elapsed on the basis of a year of 360 days.

Section 4.4 Intent to Limit Charges to Maximum Lawful Rate. In no event will any interest rate payable under this Agreement (including, without limitation, under Section 4.1 plus any other amounts paid in connection herewith), exceed the highest rate permissible under any law that a court of competent jurisdiction, in a final determination, deems applicable. Borrowers and the Lenders, in executing and delivering this Agreement, intend legally to agree upon the rates of interest and manner of payment stated within this Agreement; provided that, notwithstanding any provision of this Agreement to the contrary, if any such rate of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, each Borrower is and will be liable only for the payment of such maximum amount as is allowed by law, and payment received from such Borrower in excess of such legal maximum, whenever received, will be applied to reduce the principal balance of the Obligations to the extent of that excess.

ARTICLE V

Section 5.1 Fee Letters. Each Borrower jointly and severally agrees to pay to the Agents and to the Lenders all such fees and expenses as are mutually agreed to from time to time by the Borrower, the Agents and the Lenders, including, without limitation, the fees and expenses set forth in the Agents Fee Letter, in each case subject to the terms of the Reference Subordination Agreement. The Tranche D Facility Fee shall be in addition to (and not in lieu of) any other fees due and payable to the Tranche D Lenders on the Facility Fee Payment Date.

(g) Each Borrower, jointly and severally, hereby irrevocably and unconditionally agrees to pay the Tranche E Lenders, for their account (to be shared ratably among the Tranche E Lenders), on the earlier of (i) the Tranche E Maturity Date, (ii) the date on which the Tranche E Loans are paid in full in cash, and (iii) the date on which the Tranche E Lenders exercise their rights under Article XVIII (such earlier date, the "Tranche E Facility Fee Payment Date"), a fee (the "Tranche E Facility Fee"), in an amount equal to 1.75% of the Tranche E Commitment. The Tranche E Facility Fee shall be in addition to (and not in lieu of) any other fees due and payable to the Tranche E Lenders on the Facility Fee Payment Date.

Section 6.1 Reduction or Termination of the Commitment.

(a) The Borrowers may not reduce or terminate the Commitments.

(b) The Commitment of each Lender shall automatically terminate at 5:00 p.m. (Mexico City time) on the Termination Date.

Section 6.2 Prepayments.

6.2.1 Voluntary Prepayments. The Borrowers shall have the right at any time, and from time to time, to deliver a written notice to the Administrative Agent containing an offer by the Borrowers to prepay the Loans in whole or in part on a Business Day set forth in such notice (such date, a "Voluntary Prepayment Date") which is not earlier than ten days following the date on which such notice is actually received by the Administrative Agent (such date, a "Voluntary Prepayment Notice Date"), and the Lenders shall have the right to accept such offer in their sole and absolute discretion; provided that such offer may only be accepted to the extent that, (a) such prepayment is permitted under the Reference Subordination Agreement, and (b) the Borrowers shall have paid in full the fees set forth under Section 5.2. Any such notice to prepay the Loans shall be irrevocable and in case the Borrowers deliver such notice and the

conditions under clauses (a) and (b) above are satisfied, the Loans shall become due and payable in full on the Voluntary Prepayment Date.

6.2.2 Mandatory Prepayments.

(a) Loans. Subject to the Reference Subordination Agreement, the Borrowers shall make a prepayment of the Loans until paid in full upon the occurrence of any of the following at the following times and in the following amounts:

(i) concurrently with the receipt by any Loan Party of any Net Cash Proceeds from any Asset Disposition (other than from a Permitted Factoring Disposition), in an amount equal to 100% of such Net Cash Proceeds;

(ii) concurrently with the receipt by any Loan Party of any proceeds of any issuance of its Equity Interests (other than any such issuance of Equity Interests that is described in clause (i) of the definition of "Extraordinary Receipts"), in an amount equal to 100% of the Net Cash Proceeds thereof;

(iii) concurrently with the receipt by any Loan Party of any Extraordinary Receipts, in an amount equal to 100% of such Extraordinary Receipts; provided that, in the case of any event described in clause (b) of the definition of the term "Extraordinary Receipts," with respect to Extraordinary Receipts not to exceed U.S.$2,000,000 in the aggregate during the term of this Agreement, if the Borrower Representative shall deliver to the Administrative Agent a certificate of a Senior Officer on behalf of the Borrowers to the effect that the Loan Parties intend to apply the Extraordinary Receipts from such event (or a portion thereof specified in such certificate), within 180 days after receipt of such Extraordinary Receipts, to acquire (or replace or rebuild) real property, equipment or other tangible or intangible assets (excluding inventory but expressly including Permitted Acquisitions) to be used in the business of the Loan Parties, and certifying that no Event of Default has occurred and is continuing, then no prepayment shall be required pursuant to this clause (iii) in respect of the Extraordinary Receipts specified in such certificate; provided, further, that to the extent any such Extraordinary Receipts therefrom that have not been so applied by the end of such 180-day period, a prepayment shall be required in an amount equal to such Extraordinary Receipts that have not been so applied unless such 180-day period is extended by the Required Lenders; provided, further, that in the case of any event described in clause (i) of the definition of the term "Extraordinary Receipts" (but only to the extent that, at the time of receipt of such Extraordinary Receipts the cash on hand of the Loan Parties is less than U.S.$15,000,000) the amount of such Extraordinary Receipts required to be applied to make a prepayment of the Loans pursuant to this Section 6.2.2 shall be an amount equal to the positive difference between (A) the aggregate amount of such Extraordinary Receipts, and (B) the positive difference between (1) U.S.$15,000,000 and (2) the cash on hand of the Loan Parties as of the date of receipt of such Extraordinary Receipts; and

(iv) concurrently with the receipt of any Business Interruption Proceeds, in an amount equal to 100% of such Business Interruption Proceeds; provided that, with respect to Business Interruption Proceeds not to exceed U.S.$2,000,000 in the aggregate during the term of this Agreement, if the Borrower Representative shall deliver to the Administrative Agent a certificate of a Senior Officer on behalf of the Borrowers to the effect that the Loan Parties intend to apply the Business Interruption Proceeds from such event (or a portion thereof specified in such certificate), within 180 days after receipt of such Business Interruption Proceeds, to acquire (or replace or rebuild) real property, equipment or other tangible or intangible assets (excluding inventory but expressly including Permitted Acquisitions) to be used in the business of the Loan Parties or to pay operating expenses of the Loan Parties, and certifying that no Event of Default has occurred and is continuing, then no prepayment shall be required pursuant to this clause (iv) in respect of the Extraordinary Receipts specified in such certificate; provided, further, that to the extent any such Business Interruption Proceeds therefrom that have not been so applied by the end of such 180-day period, a prepayment shall be required in an amount equal to such Business Interruption Proceeds that have not been so applied unless such 180-day period is extended by the Required Lenders.

Section 6.3 Manner and Application of Prepayments. All prepayments of the Loans under Section 6.2 shall be subject to the Reference Subordination Agreement and to Section 8.7 and shall be accompanied by payment of all accrued interest on the Loans (or portion thereof) being prepaid. All prepayments of the Loans will be applied on a *pro rata* basis to the Loans based on the Dollar Amount thereof.

Section 6.4 Repayments.

(a) Each Borrower, jointly and severally, hereby unconditionally promises to repay to the Tranche A-1 Lenders the outstanding principal amount of each Tranche A-1 Loan on the Tranche A-1 Maturity Date.

Section 6.5 Increase of Tranche B-1 and Tranche B-2 Loans Payment Amount.

(a) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment or prepayment of principal of the Loans on any date, then the sum payable by the Borrowers in respect of principal on the Tranche B-1 Loans shall be increased such that the Tranche B-1 Lenders receive an amount equal to the amount that would have resulted if interest on the Tranche B-1 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-1 Loans

(b) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment or prepayment of principal of the Loans on any date, then the sum payable by the Borrowers in respect of principal on the Tranche B-2 Loans shall be increased such that the Tranche B-2 Lenders receive an amount equal to the amount that would have resulted if interest on the Tranche B-2 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-2 Loans.

(a) The Borrowing Agent may, by notice to the Administrative Agent (who shall promptly notify the Lenders) not earlier than 45 days and not later than 35 days prior to the Maturity Date then in effect hereunder (the "Existing Maturity Date"), request that each Lender extend such Lender's Maturity Date for up to an additional 18 months from the Existing Maturity Date.

(b) Each Lender, acting in its sole and individual discretion, shall, by notice to the Administrative Agent given not earlier than 30 days prior to the Existing Maturity Date and not later than the date (the "Notice Date") that is 20 days prior to the Existing Maturity Date,

advise the Administrative Agent whether or not such Lender agrees to such extension. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.

(c) The Administrative Agent shall notify the Borrowers of each Lender's determination under this Section no later than the date five days prior to the Existing Maturity Date (or, if such date is not a Business Day, on the following Business Day).

(d) As a condition precedent to any such extension, the Borrowing Agent shall deliver to the Administrative Agent (y) a certificate of each Loan Party dated as of the Existing Maturity Date (in sufficient copies for each Lender) signed by an authorized signatory of such Loan Party (i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such extension and (ii) certifying that, before and after giving effect to such extension, (A) the representations and warranties contained in Article IX and the other Loan Documents are true and correct on and as of the Existing Maturity Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 6.6, the representations and warranties contained in Section 9.4 shall be deemed to refer to the most recent statements furnished pursuant to Section 10.1.1 and Section 10.1.2, and (B) no Default or Event of Default exists, and ***(z)*** evidence in form and substance satisfactory to Administrative Agent and the Lenders that (i) each of the Mexican Collateral Agreements has been acknowledged and ratified by the parties thereto consenting to the extension of the Existing Maturity Date, and (ii) proper registration of the acknowledgement and ratification of each of the Mexican Collateral Agreements has been carried out before the Sole Registry of Liens over Movable Assets (***Registro Único de Garantías Mobiliarias***) and before the Mexican Industrial Property Institute (***Instituto Mexicano de la Propiedad Industrial***), in terms of each Mexican Collateral Agreement, respectively.

ARTICLE VII

MAKING AND PRORATION OF PAYMENTS; SETOFF; TAXES

Section 7.1 Making of Payments.

7.1.1 Borrowers shall make all payments of principal or interest on the Loans, and of all fees, to the Administrative Agent in immediately available funds to the account designated by the Administrative Agent for such purpose, not later than 12:00 P.M. (Mexico City time) on the date due, and funds received after that time shall be deemed to have been received by the Administrative Agent on the following Business Day, with the exception that funds due in pesos for the Peso Loans will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the date due. Borrowers shall make all payments to the Agents and the Lenders without set-off, counterclaim, recoupment, deduction, or other defense. Subject to Section 2.5, Administrative Agent shall promptly remit to each Lender and the Collateral Agent its share of all such payments received in collected funds by Administrative Agent for the account of such Lender and the Collateral Agent. Notwithstanding

the foregoing, Borrowers shall make all payments under Section 8.1 directly to the Lender entitled thereto.

7.1.2 Except to the extent otherwise provided herein (i) each payment or prepayment of principal of the Loans shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans ~~and~~, Tranche D Loans and Tranche E Loans, and within each Type shall be made for the account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Loans of such Type held by the respective Lenders and (ii) each payment of interest by the Borrowers shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans ~~and~~, Tranche D Loans and Tranche E Loans, and within each Type shall be made for account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of interest on the Loans of that same Type then due and payable to the Lenders of such Type.

Section 7.2 Application of Certain Payments.

7.2.1 So long as no Default or Event of Default has occurred and is continuing, mandatory prepayments shall be applied as set forth in Section 6.3.

7.2.2 Subject to any written agreement among Administrative Agent and the Lenders:

(a) [Reserved].

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent, acting upon the written direction of the Required Lenders, shall apply all payments in respect of any Obligations and all proceeds of the Collateral, subject to the provisions of this Agreement, as follows: (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay the Obligations in respect of any fees and indemnities then due and payable to the Lenders until paid in full; (iii) third, ratably to pay interest then due and payable in respect of the Loans until paid in full based on the Dollar Amount thereof; (iv) fourth, ratably to pay principal of the Loans until paid in full based on the Dollar Amount thereof; (v) fifth, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 7.2.2(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after, or that would have accrued but for, the commencement of any Insolvency Proceeding), default

interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 7.2.2 and other provisions contained in any other Loan Document, it is the intention of the parties to this Agreement that all such priority provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 7.2.2 shall control and govern.

Section 7.3 Due Date Extension. If any payment of principal or interest with respect to any of the Loans, or of any fees, falls due on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day unless the result of that extension would cause such due date to occur in another calendar month, in which case such due date shall be the immediately preceding Business Day and, in the case of principal, additional interest shall accrue and be payable for the period of any such extension.

Section 7.4 Setoff. All payments made by Borrowers hereunder or under any Loan Documents shall be made without setoff, counterclaim, or other defense. Each Borrower, for itself and each other Loan Party, agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Borrower, for itself and each other Loan Party, agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the payment of any Obligations of each Borrower and each other Loan Party under this Agreement, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of each Borrower and each other Loan Party then or thereafter with that Agent or that Lender.

Section 7.5 Proration of Payments. Except as provided in Section 2.5, if any Lender obtains any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise), on account of principal of or interest on any Loan (but excluding (a) any payment pursuant to Section 8 or 15.6, or (b) payments of interest on any Affected Loan) in excess of its applicable Pro Rata Share of payments and other recoveries obtained by all Lenders on account of principal of and interest on the Loans, then held by them, then that Lender shall purchase from the other Lenders such participations in the Loans held by them as are necessary to cause that purchasing Lender to share the excess payment or other recovery ratably with each of them, but if all or any portion of the excess payment or other recovery is thereafter recovered from that purchasing Lender, then that purchase will be rescinded and the purchase price restored to the extent of that recovery.

Section 7.6 Taxes.

7.6.1 The Loan Parties shall make all payments under this Agreement or under any Loan Documents without setoff, counterclaim, or other defense. All payments under this Agreement or under the Loan Documents (including any payment of principal, interest, or

fees and including, for the avoidance of doubt, any payment that results from the delivery of Conversion Payment Shares) to, or for the benefit, of any Person will be made by the Loan Parties free and clear of and without deduction or withholding for, or account of, any Taxes now or hereafter imposed by any taxing authority, except as required by applicable law.

7.6.2 If Borrowers make any payment (including, for the avoidance of doubt, that results from the exercise of the conversion rights under Article XVIII) under this Agreement or under any other Loan Document in respect of which any Borrower is required by applicable law to deduct or withhold any Taxes, then (i) the Borrower shall be entitled to deduct or withhold from such payment the amount of such Taxes, (ii) the Borrower shall timely pay the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, the sum payable by such Borrower shall be increased such that after the reduction for the amount of Indemnified Taxes withheld (and any Indemnified Taxes withheld or imposed with respect to the additional payments required under this Section 7.6.2), the recipient of the payment receives an amount equal to the sum it would have received had no such withholding been made. To the extent Borrowers withhold any Taxes on payments under this Agreement or under any other Loan Document, Borrowers shall deliver to Administrative Agent within 30 days after Borrowers have made payment to that taxing authority a receipt issued by that taxing authority (or other evidence reasonably satisfactory to Administrative Agent) evidencing the payment of all amounts so required to be deducted or withheld from that payment.

7.6.3 If any Lender or Agent or other recipient is required by law to make any payments of any Indemnified Taxes on or in relation to any amounts received or receivable under this Agreement or under any other Loan Document, or any Indemnified Tax is assessed against a Lender or Agent or other recipient with respect to amounts received or receivable under this Agreement or under any other Loan Document, Borrowers will indemnify that Person against (i) that Indemnified Tax and (ii) any Indemnified Taxes imposed as a result of the receipt of the payment under this Section 7.6.3. A certificate prepared in good faith as to the amount of any such payment by that Lender or Agent or other recipient will, absent manifest error, be final, conclusive, and binding on all parties.

7.6.4 Notwithstanding anything to the contrary in Sections 7.6.2 and 7.6.3, the Borrowers shall in no event be required to pay the Tranche B-1 Lender or the Tranche B-2 Lender additional amounts under clause (iii) of Section 7.6.2 with respect to U.S. federal withholding Taxes ("U.S. Withholding Tax Additional Amounts") or to indemnify the Tranche B-1 Lender or the Tranche B-2 Lender under Section 7.6.3 against Indemnified Taxes that are U.S. federal withholding Taxes ("U.S. Withholding Tax Indemnity Payments") to the extent the sum of any U.S. Withholding Tax Additional Amounts and any U.S. Withholding Tax Indemnity Payments paid by the Borrowers to the Tranche B-1 Lender and the Tranche B-2 Lender exceeds, in the aggregate, U.S.$250,000.

7.6.5 1) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any Loan Document

shall use its best efforts to deliver to the Borrower Representative and the Administrative Agent, such properly and completed executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payment to be made without withholding or at a reduced rate of withholding.

(b) Without limiting the generality of the foregoing:

(A) each Lender that is not a United States person within the meaning of Code Section 7701(a)(30) (a "Non-U.S. Lender") shall use its best efforts to deliver to Borrower Representative and Administrative Agent on the earlier of (i) the date that is six (6) months after the Closing Date (or in the case of a Lender that is an Assignee, on the date of the assignment) and (ii) the date of delivery of Conversion Payment Shares, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY (or any successor or other applicable form prescribed by the IRS) for each such Lender and, as applicable, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable form prescribed by the IRS) for each of its partners or other beneficial owners certifying to the entitlement to a complete exemption from, or reduction in, U.S. federal withholding tax on interest payments to be made under this Agreement or under any Loan Document, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers or the Administrative Agent to determine the withholding or deduction to be made. If a Lender or one of its partners or other beneficial owners is claiming a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c), then that Lender shall deliver (along with two accurate and complete original signed copies of IRS Form W-8IMY, W-8BEN or W-8BEN-E, as applicable) a certificate in form and substance reasonably acceptable to Borrower Representative and Administrative Agent to the effect that such Person is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate, a "Withholding Certificate"). To the extent a Lender (or its partners or other beneficial owners, as applicable) would be entitled to claim a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c) with respect to payments received under this Agreement or under the Loan Documents, and such Lender takes any action that could reasonably be expected to result in the loss of such exemption, the Borrowers shall not be required to pay to such Lender amounts pursuant to Section 7.6 in excess of the maximum amount that the Borrowers would have been required to pay pursuant to the Laws in effect on the date of this Agreement had the Lender not taken such action. In addition, each Non-U.S. Lender shall, from time to time after the Closing Date (or in the case of a Lender that is an Assignee, after the date of the

assignment to that Lender) when a lapse in time (or change in circumstances occurs) renders the prior certificates delivered under this Agreement obsolete or inaccurate in any material respect, use its best efforts to deliver to Borrower Representative and Administrative Agent two new and accurate and complete original signed copies of IRS Forms W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable forms prescribed by the IRS), and if applicable, a new Withholding Certificate, to confirm or establish the entitlement of such Lender (or its respective partner or other beneficial owner) to an exemption from, or reduction in, United States withholding tax on interest payments to be made under this Agreement or with respect to any Loan (or such Lender shall otherwise promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to deliver such forms and/or Withholding Certificate).

(B) Each Lender that is not a Non-U.S. Lender shall provide two properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) to Borrower Representative and Administrative Agent certifying that that Lender is exempt from United States backup withholding Tax. To the extent that a form provided pursuant to this Section 7.6.5(b) is rendered obsolete or inaccurate in any material respect as result of change in circumstances with respect to the status of a Lender or Administrative Agent, then that Lender or Administrative Agent shall, to the extent permitted by applicable law, deliver to Borrower Representative and, as applicable, Administrative Agent revised forms necessary to confirm or establish the entitlement to that Lender's exemption from United States backup withholding Tax (or such Lender or Administrative Agent shall otherwise promptly notify the Borrower Representative and, as applicable, the Administrative Agent in writing of its legal inability to deliver such forms).

7.6.6 Each Lender shall indemnify Administrative Agent and hold Administrative Agent harmless for the full amount of any and all present or future Taxes and related liabilities (including penalties, interest, additions to Tax and expenses, and any Taxes imposed by any jurisdiction on amounts payable to Administrative Agent under this Section 7.6) which are imposed on or with respect to principal, interest, or fees payable to that Lender under this Agreement and which are not paid by Borrowers pursuant to this Section 7.6, whether or not those Taxes or related liabilities were correctly or legally asserted. This indemnification must be made within 30 days from the date Administrative Agent makes written demand therefor.

7.6.7 If an Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section 7.6, then that Agent or that Lender, as applicable, shall pay over that refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 7.6 with respect to the Indemnified Taxes giving rise to that refund), net of any Taxes

imposed by reason of receipt of that refund and all out-of-pocket expenses of that Agent or that Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to that refund, which interest must be paid to the Borrowers). Upon the request of any such Agent or any such Lender, Borrowers shall repay any amount paid to the Borrowers (plus any penalties, interest, or other charges imposed by the relevant Governmental Authority) to that Agent or that Lender in the event that Agent or that Lender is required to repay any such refund to any such Governmental Authority. Nothing in this Section 7.6.7 is to be construed to require any Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

7.6.8 The Borrowers agree to pay to any Mexican Lender all applicable present and future value added taxes (*Impuesto al Valor Agregado*) in respect of any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including, without limitation, in respect of any capitalized interest under Section 4.2(a)(ii)).

7.6.9 If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if that Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), then that Lender shall deliver to Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at any other time or times reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) all documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and all additional documentation reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) as is necessary for Administrative Agent or Borrowers to comply with their obligations under FATCA and to determine that that Lender has complied with that Lender's obligations under FATCA or to determine the amount to deduct and withhold from that payment. Solely for purposes of this Section 7.6.9, "FATCA" is deemed to include any amendments made to FATCA after the date of this Agreement.

7.6.10 For purposes of this Section 7.6, the term "applicable law" includes FATCA. Each party's obligations under this Section 7.6 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

ARTICLE VIII____

INCREASED COSTS

Section 8.1___Increased Costs.

(a) If any Change in Law (i) imposes, modifies, or deems applicable any reserve (including any reserve imposed by the FRB), special deposit, or similar requirement against assets of, deposits with, or for the account of, or credit extended by, any Lender; (ii) subjects any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (c) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, its Note(s) or its obligations to make Loans, or (iii) imposes on any Lender any other condition (other than Taxes) affecting its Loans, its Note(s), or its obligation to make Loans, and the result of anything described in clauses (i) through (iii) above is to increase the cost to (or to impose a cost on) that Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by that Lender under this Agreement or under its Note(s) with respect thereto, then upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay directly to that Lender such additional amount as will compensate that Lender for that increased cost or that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

(b) If any Lender reasonably determines that any change in, or the adoption or phase-in of, any applicable law, rule, or regulation regarding capital adequacy, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or the compliance by any Lender or any Person controlling any Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on that Lender's or that controlling Person's capital as a consequence of that Lender's obligations under this Agreement to a level below that which that Lender or that controlling Person could have achieved but for that change, adoption, phase-in, or compliance (taking into consideration that Lender's or that controlling Person's policies with respect to capital adequacy) by an amount deemed by that Lender or that controlling Person to be material, then from time to time, upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay to that Lender that additional amount as will compensate that Lender or that controlling Person for that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

Section 8.2 [Reserved].

Section 8.3 Changes in Law Rendering Loans Unlawful. If, after the date of this Agreement, any change in, or the adoption of any new, law or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority or other regulatory body charged with the administration thereof, makes it (or in the good faith judgment

of any Lender causes a substantial question as to whether it is) unlawful for any Lender to make, maintain, or fund loans in Dollars, then that Lender shall promptly notify each of the other parties to this Agreement and that Lender will not be required to make or maintain any Loan in Dollars.

Section 8.4 Right of Lenders to Fund through Other Offices. 13.1.9 Invalidity of Documents, etc. Any Loan Document ceases to be in full force and effect, or any Loan Party (or any Person by, through, or on behalf of any Loan Party) contests in any manner the validity, binding nature, or enforceability of any Loan Document.

If any Event of Default described in Section 13.1.4 occurs in respect of any Borrower, then the Commitments will immediately terminate and the Loans and all other Obligations under this Agreement will become immediately due and payable, all without presentment, demand, protest, or notice of any kind. If any other Event of Default occurs and is continuing, then Administrative Agent may (and, upon the written request of the Required Lenders shall) declare, in a written notice to Borrower

Representative, the Commitments to be terminated in whole or in part and/or declare all or any part of the Loans and all other Obligations under this Agreement to be due and payable, whereupon the Commitments will immediately terminate (or be reduced, as applicable) and/or the Loans and other Obligations under this Agreement will become immediately due and payable (in whole or in part, as applicable), all without presentment, demand, protest, or notice of any kind (other than as expressly provided for above in this sentence). Administrative Agent shall promptly advise Borrower Representative of any such declaration, but failure to do so will not impair the effect of any such declaration.

Section 13.3 Credit Bidding. Subject to the Reference Subordination Agreement, the Loan Parties hereby irrevocably authorize the Lenders, and the Loan Parties and the Lenders hereby irrevocably authorize Collateral Agent, based upon the instruction of the Required Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted by Collateral Agent or the Lenders, as applicable, in accordance with applicable law, based upon the instruction of the Required Lenders, under any provisions of the Uniform Commercial Code, as part of any sale or investor solicitation process conducted by any Loan Party, any interim receiver, receiver, receiver and manager, administrative receiver, trustee, agent, or other Person pursuant or under any insolvency laws, in each case subject to the following limitations: (a) the Required Lenders may not direct Collateral Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of any Credit Bid, (b) the acquisition documents must be commercially reasonable and contain customary protections for minority holders, such as, among other things, anti-dilution and tag-along rights, (c) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws), and (d) reasonable efforts must be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations). For purposes of this Section 13.3, the term "Credit Bid" means an offer submitted by Collateral Agent (on behalf of the Agents and the Lenders) or the Lenders, as applicable, based upon the instruction of the Required Lenders, to acquire the property of any Loan Party or any portion thereof in exchange for and in full and final satisfaction of all or a portion (as determined by Collateral Agent (on behalf of the Agents and the Lenders), based upon the instruction of the Required Lenders, or the Lenders, as applicable) of the claims and Obligations under this Agreement and other Loan Documents.

ARTICLE XIV

AGENCY

Section 14.1 Appointment and Authorization. Each Lender hereby irrevocably (subject to Section 14.10) appoints, designates, and authorizes each Agent to take any action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise any powers and perform any duties as are expressly delegated to it, as applicable, by the terms of this

Agreement or any other Loan Document, together with all powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, none of the Agents will have any duty or responsibility except those expressly set forth in this Agreement, nor will any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities are to be read into this Agreement or any other Loan Document or otherwise exist against such Agent, as applicable. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, that term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 14.2 [Reserved].

Section 14.3 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees, or attorneys-in-fact and is entitled to advice of counsel and other consultants or experts concerning all matters pertaining to those duties. No Agent will be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 14.4 Exculpation of Agents. None of the Agents and their respective directors, officers, employees, and agents (a) will be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth in this Agreement as determined by a final, non-appealable judgment by a court of competent jurisdiction), or (b) will be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other Loan Document (or the creation, perfection, or priority of any Lien or security interest therein), or for any failure of any Borrower or any other party to any Loan Document to perform its Obligations under this Agreement or under any other Loan Documents. None of the Agents is or will be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document or to inspect the properties, books, or records of any of the Loan Parties and their Subsidiaries and Affiliates.

The duties of each of the Administrative Agent and the Collateral Agent under the Loan Documents are solely mechanical and administrative in nature. The Administrative Agent and the Collateral Agent shall be entitled to request written instructions, or clarification of any

instruction, from the Required Lenders (or, if the relevant Loan Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Administrative Agent and the Collateral Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, the Administrative Agent or the Collateral Agent, as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Lenders.

The Agents are not obliged to expend or risk their own funds or otherwise incur any financial liability in the performance of their respective duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if they have grounds for believing the repayment of such funds or indemnity satisfactory to such Agent against, or security for, such risk or liability is not reasonably assured to such Agent. The Agents shall not be responsible in any manner for the validity, enforceability or sufficiency of this Agreement or the Loan Documents or any Collateral delivered, or for the value or collectability of any obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Agent. The Agents shall not be bound to examine or inquire into or be liable for any defect or failure in the right or title of the grantors to all or any of the assets whether such defect or failure was known to the Agents or might have been discovered upon examination or inquiry and whether capable of remedy or not.

The Agents shall not be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter.

The Agents shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct.

In no event shall any Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agents shall be entitled to seek written directions from the Required Lenders prior to taking any action under this Agreement, any Collateral instrument or any of the Loan Documents.

Except with respect to its own gross negligence or willful misconduct, no Agent shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness,

sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto.

No Agent shall have responsibility for or liability with respect to monitoring compliance of any other party to the Loan Documents or any other document related hereto or thereto. The Agents have no duty to monitor the value or rating of any Collateral on an ongoing basis.

Whenever in the administration of the Loan Documents any Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, may conclusively rely upon instructions from the Required Lenders.

Any Agent may request that the Required Lenders or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Loan Documents.

Money held by any Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

Beyond the exercise of reasonable care in the custody thereof, no Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

No Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. No Agent shall have any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of the Loan Documents by any other Person.

In the event that, following a foreclosure in respect of any Mortgaged property, the Agent acquires title to any portion of such property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Agent's sole discretion may cause such Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Agent to incur liability under CERCLA or any other Federal, state or local law, such Agent reserves the right, instead of taking such action, to either resign as Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

Each Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. The Agents reserve the right to forebear from foreclosing in their own name if to do so may expose them to undue risk.

In no event shall any Agent be responsible or liable for any failure (e) or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

For the avoidance of doubt and notwithstanding anything contrary in any Loan Document, in the event of inconsistency between the terms of this Agreement and any other Loan Document, the terms in this Agreement shall prevail.

Notwithstanding anything in the Loan Documents to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

Section 14.5 Reliance by Agents. Each Agent may rely, and will be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants, and other experts selected by such Agent. Each Agent will be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless such Agent first receives all advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify such Agent against any and all liability and expense which might be incurred by such Agent by reason of taking or continuing to take any such action. Each Agent will in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or

consent of the Required Lenders and each such request and any action taken or failure to act pursuant thereto will be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 12, each Lender that has signed this Agreement will be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless any Agent has received written notice from that Lender prior to the proposed Closing Date specifying its objection thereto.

Section 14.6 Notice of Default. None of the Agents will be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent for the account of the Lenders, unless such Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing that Event of Default or Default and stating that that notice is a "notice of default." Each Agent shall promptly notify the Lenders of its receipt of any such notice. Each Agent shall take all such actions with respect to each such Event of Default or Default as requested by the Required Lenders in accordance with Section 13, but unless and until such Agent has received any such request, such Agent may (but will not be required to) take any action, or refrain from taking any action, with respect to any Event of Default or Default as such Agent deems advisable or in the best interest of the Lenders.

Section 14.7 Credit Decision. Each Lender acknowledges that none of the Agents has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, will be deemed to constitute any representation or warranty by such Agent to any Lender as to any matter, including whether such Agent has disclosed material information in its possession. Each Lender represents to each Agent that it has, independently and without reliance upon such Agent and based on documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers under this Agreement. Each Lender also represents to each Agent that it will, independently and without reliance upon such Agent and based on documents and information as it deems appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make all investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrowers. Except for notices, reports and other documents expressly required in this Agreement to be furnished to the Lenders by any Agent, such Agent will not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Borrower which may come into the possession of such Agent.

Section 14.8 Indemnification. Whether or not the transactions contemplated by this Agreement are consummated, each Lender shall indemnify upon demand each Agent and its

directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities, except that no Lender will be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No action taken in accordance with the directions of the Required Lenders will be deemed to constitute gross negligence or willful misconduct for purposes of this Section 14.8. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to in this Agreement, to the extent that such Agent is not reimbursed for any such expenses by or on behalf of Borrowers. The undertaking in this Section 14.8 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, expiration or termination of the Letters of Credit, termination of this Agreement and the resignation or replacement of any Agent.

Section 14.9 Agents in their Individual Capacity. Each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though such Person were not an Agent under this Agreement and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to those activities, the Person serving as an Agent or its Affiliates might receive information regarding Borrowers or their Affiliates (including information that is subject to confidentiality obligations in favor of any Borrower or any such Affiliate) and acknowledges that none of the Agents will be under any obligation to provide any such information to them. With respect to their Loans (if any), each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates have the same rights and powers under this Agreement as any other Lender and may exercise the same as though such Person were not an Agent, and the terms "Lender" and "Lenders" include such Person and its Affiliates, to the extent applicable, in their individual capacities.

Section 14.10 Successor Agents. Any may resign as such upon 30 days' notice to the Lenders. If any Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower Representative (which may not be unreasonably withheld or delayed), appoint from among the Lenders a successor Agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of an Agent, such Agent may appoint, after consulting with the Lenders and Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor

agent under this Agreement, that successor agent will succeed to all the rights, powers, and duties of the retiring Agent and the term "Administrative Agent" or "Collateral Agent," as applicable, will mean that successor agent, and the retiring Agent's appointment, powers and duties as Agent will be terminated. After any retiring Agent's resignation under this Agreement as an Agent, the provisions of this Section 14.10 and Sections 15.5 and 15.17 will inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement. If no successor agent has accepted appointment as successor agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation will nevertheless thereupon become effective and the Required Lenders shall perform all of the duties of the retiring Agent under this Agreement until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 14.11 Collateral Matters. Each Lender authorizes and directs Collateral Agent to enter into the Collateral Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) for the benefit of the Agents and the Lenders. Each Lender hereby agrees that, except as otherwise set forth in this Agreement, any action taken by any Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by such Agent or Required Lenders of the powers set forth in this Agreement or therein, together with all other powers as are reasonably incidental thereto, will be authorized by, and binding upon, all Lenders. Collateral Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral (other than Collateral located in Mexico) or Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to this Agreement and the such other Loan Documents. The Lenders irrevocably authorize Collateral Agent, at its option and in its discretion, to do any and all of the following: (a) to release any Lien granted to or held by Collateral Agent under any Collateral Document (other than the Mexican Collateral Agreements) (i) upon Payment in Full; (ii) upon property sold or to be sold or disposed of as part of or in connection with any disposition permitted under this Agreement (including the release of any Guarantor in connection with any such disposition); or (iii) subject to Section 15.1 if approved in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral (other than Collateral located in Mexico) to any holder of a Lien on that Collateral which is permitted by Section 11.2(d) (it being understood that Collateral Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Debt secured by any such Lien is permitted by Section 11.1(d)). Upon request by Collateral Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

Section 14.12 Restriction on Actions by Lenders. Each Lender shall not, without the express written consent of each Agent, and shall, upon the written request of any Agent (to the extent it is lawfully entitled to do so), set-off against the Obligations, any amounts owing by that

Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with that Lender. Each Lender shall not, unless specifically requested to do so in writing by each Agent, take or cause to be taken any action, including the commencement of any legal or equitable proceedings, to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) against the Loan Parties or any third party with respect to the Obligations or the Collateral may be taken by only Administrative Agent or Collateral Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by their respective agents at the direction of such Agent.

Section 14.13 Administrative Agent May File Proofs of Claim.

14.13.1 In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to any Loan Party (including any Insolvency Proceeding), Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as expressed in this Agreement or by declaration or otherwise and irrespective of whether Administrative Agent has made any demand on Borrowers) may, by intervention in any such proceeding or otherwise, do any and all of the following:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and its respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 5, 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

14.13.2 Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding is hereby authorized by each Lender to make all payments to Administrative Agent and, in the event that Administrative Agent consents to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 5, 15.5, and 15.17.

14.13.3 Nothing contained in this Agreement will be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the

rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 14.14 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger," if any, has any right, power, obligation, liability, responsibility, or duty under this Agreement other than, in the case of any Lender, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified has or is deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action under this Agreement.

Section 14.15 [Reserved].

Section 14.16 Mexican Powers of Attorney. The Administrative Agent agrees that it will not exercise any rights under any power of attorney granted under or in connection with the Mexican Loan Documents unless an Event of Default has occurred and is continuing.

ARTICLE XV

Section 15.1 Waiver; Amendments.

(a) No amendment, modification, or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents will be effective unless it is in writing and acknowledged by Lenders having an aggregate Pro Rata Shares of not less than the aggregate Pro Rata Shares expressly designated in this Agreement with respect thereto or, in the absence of any such designation as to any provision of this Agreement, by the Required Lenders. Any amendment, modification, waiver, or consent will be effective only in the specific instance and for the specific purpose for which given.

(b) The Agents Fee Letter may be amended, waived, consented to, or modified by the parties thereto.

(c) No amendment, modification, waiver, or consent may extend or increase the Commitment of any Lender without the written consent of that Lender.

(d) No amendment, modification, waiver, or consent may extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable under this Agreement without the written consent of each Lender directly affected thereby.

(e) No amendment, modification, waiver, or consent may reduce the principal amount of any Loan, the rate of interest thereon, or any fees payable under this Agreement without the consent of each Lender directly affected thereby.

(f) No amendment, modification, waiver, or consent may do any of the following without the written consent of each Lender (i) release any Borrower or any Guarantor from its obligations, other than as part of or in connection with any disposition permitted under this Agreement, (ii) release all or any substantial part of the Collateral granted under the Collateral Documents (except as permitted by Section 14.11), (iii) change the definitions of Pro Rata Share or Required Lenders, any provision of this Section 15.1, any provision of Section 13.3, or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver, or consent.

(g) No provision of Sections 6.2.2, 6.3, or 7.2.2(b) with respect to the timing or application of mandatory prepayments of the Loans may be amended, modified, or waived without the consent of Lenders having a majority of the aggregate Pro Rata Shares of the Loans affected thereby.

(h) No provision of Section 14 or other provision of this Agreement affecting any Agent in its capacity as such may be amended, modified, or waived without the consent of such Agent.

(i) [Reserved]

(j) [Reserved]

(k) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained is referred to as a "Non-Consenting Lender"), then, so long as Administrative Agent is not a Non-Consenting Lender, Administrative Agent and/or one or more Persons reasonably acceptable to Administrative Agent may (but will not be required to) purchase from that Non-Consenting Lender, and that Non-Consenting Lenders shall, upon Administrative Agent's request, sell and assign to Administrative Agent and/or any such Person, all of the Loans and Commitments of that Non-Consenting Lender for an amount equal to the principal balance of all such Loans and Commitments held by that Non-Consenting Lender and all accrued interest, fees, expenses, and other amounts then due with respect thereto through the date of sale, which purchase and sale will be consummated pursuant to an executed Assignment Agreement.

Section 15.2 Confirmations. Each Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing

(with a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under that Note.

Section 15.3 Notices.

15.3.1 Generally. Except as otherwise provided in Section 2.2, all notices under this Agreement must be in writing (including facsimile transmission) and must be sent to the applicable party at its address shown on Annex B or at any other address as the receiving party designates, by written notice received by the other parties, as its address for that purpose. Notices sent by facsimile transmission will be deemed to have been given when sent; notices sent by mail will be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service will be deemed to have been given when received. For purposes of Sections 2.2 and 2.2.2, Administrative Agent will be entitled to rely on written instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower Representative, and Borrowers shall hold Administrative Agent and each other Lender harmless from any loss, cost, or expense resulting from any such reliance.

15.3.2 Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.2 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.2 by electronic communication. Administrative Agent or any Loan Party may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an e-mail address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail, or other written acknowledgement), (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, e-mail or other communication that is not sent during the normal business hours of the intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

Section 15.4 Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting

computation is required to be made, for the purpose of this Agreement, that determination or calculation will, to the extent applicable and except as otherwise specified in this Agreement, be made in accordance with GAAP, consistently applied, but if Borrower Representative notifies Administrative Agent that Borrowers wish to amend any covenant in Sections 10 or 11.12 (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of that covenant (or if Administrative Agent notifies Borrower Representative that the Required Lenders wish to amend Sections 10 or 11.12 (or any related definition) for that purpose), then Borrowers' compliance with that covenant will be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either the applicable notice under this Section 15.4 is withdrawn or the applicable covenant (or related definition) is amended in a manner satisfactory to Borrowers and the Required Lenders.

Section 15.5 Costs, Expenses and Taxes. Each Loan Party, jointly and severally, shall pay on demand all reasonable out-of-pocket costs and expenses of each Agent (including Attorney Costs and Taxes) in connection with the preparation, execution, primary syndication, delivery and administration (including perfection and protection of any Collateral and the costs of IntraLinks (or other similar service), if applicable) of this Agreement, the other Loan Documents, and all other documents provided for in this Agreement or delivered or to be delivered under or in connection with this Agreement (including any amendment, supplement, or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby are consummated, including, without limitation, all documented out-of-pocket costs and expenses incurred pursuant to Section 10.2, and all reasonable out-of-pocket costs and expenses (including Attorney Costs and any Taxes) incurred by any Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring, or negotiations in respect thereof; provided however, that the Loan Parties shall not be liable for any stamp, documentary, recording, filing or similar Taxes that are Other Connection Taxes imposed with respect to an assignment of the Loans and Commitments (other than an assignment at the request of a Loan Party). In addition, each Loan Party shall pay, and shall save and hold harmless each Agent and the Lenders from all liability for, any fees of Loan Parties' auditors in connection with any reasonable exercise by such Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 will survive repayment of the Loans, cancellation of the Notes and termination of this Agreement.

Section 15.6 Assignments; Participations.

15.6.1 Assignments.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "Assignee") all or any portion of that Lender's Loans and Commitments, with the prior written consent of Administrative Agent and, other than for any assignment to an Eligible Assignee and so long as no Event of Default exists, Borrower Representative (which consent of Borrower Representative may not be unreasonably withheld or delayed). Except as Administrative Agent otherwise agrees, any such assignment must be in a minimum aggregate

amount equal to U.S.$1,000,000 (which minimum will be U.S.$500,000 if the assignment is to an Affiliate of the assigning Lender) or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent will be entitled to continue to deal solely and directly with the assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent has received and accepted an effective assignment agreement in substantially the form of Exhibit J (an "Assignment Agreement") executed, delivered, and fully completed by the applicable parties thereto and a processing fee of U.S.$3,500. For so long as no Default or Event of Default shall have occurred and is continuing at the time of such assignment, the Borrowers shall not be required to pay to any assignee Lender amounts pursuant to Section 7.6 in excess of the amounts that the Borrowers would have been obligated to pay to the assigning Lender if the assigning Lender had not assigned such Loan to such assignee, unless the circumstances giving rise to such excess payment result from a Change in Law after the date of such assignment. Any attempted assignment not made in accordance with this Section 15.6.1 will be treated as the sale of a participation under Section 15.6.2.

(b) From and after the date on which the conditions described above have been met, (i) the Assignee will be deemed automatically to have become a party to this Agreement and, to the extent that rights and obligations under this Agreement have been assigned to that Assignee pursuant to the Assignment Agreement, will have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to that Assignment Agreement, will be released from its rights (other than its indemnification rights) and obligations under this Agreement. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) one or more Notes in accordance with Section 3.1 to reflect the amounts assigned to that Assignee and the amounts, if any, retained by the assigning Lender. Each such Note will be dated the effective date of the applicable assignment. Upon receipt by Administrative Agent of any such Note, the assigning Lender shall return to Borrower Representative any applicable prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of that Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 15.6.1 will not apply to any such pledge or assignment of a security interest. No such pledge or assignment of a security interest will release a Lender from any of its obligations under this Agreement or substitute any such pledgee or assignee for that Lender as a party to this Agreement

15.6.2 Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests under this Agreement (any such Person, a "Participant"), but solely to the extent that such Participant is not a Loan Party or an Affiliate of a Loan Party. In the event of a sale by a Lender of a participating

interest to a Participant (a) that Lender's obligations under this Agreement will remain unchanged for all purposes, (b) Borrowers and Administrative Agent shall continue to deal solely and directly with that Lender in connection with that Lender's rights and obligations under this Agreement, and (c) all amounts payable by Borrowers will be determined as if that Lender had not sold that participation and will be paid directly to that Lender. No Participant will have any direct or indirect voting rights under this Agreement except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which that Lender enters into with any Participant. Borrowers agree that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant will be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, but that right of set-off is subject to the obligation of each Participant to share with the Lenders, and the Lenders shall share with each Participant, as provided in Section 7.5. Participant shall be entitled to the benefits of Section 7.6 or 8 to the same extent as if it were a Lender (but no Participant will be entitled to any greater compensation pursuant to Section 7.6 and 8 than would have been paid to the participating Lender on the date of participation if no participation had been sold), and each Participant must comply with Section 7.6.4 as if it were an Assignee.

Section 15.7 Register. (1) Administrative Agent shall maintain, and deliver a copy to Borrower Representative upon written request, a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitment of, and principal amount of (and stated interest on) the Loans owing to, each Lender from time to time and whether that Lender is the original Lender or the Assignee. No assignment will be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register will be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Administrative Agent will not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. It is the parties' intention that the Loans and Commitments be treated as registered obligations and in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code, and that the right, title, and interest of the Lenders in and to those Loans and Commitments be transferable only in accordance with the terms of this Agreement.

(b) Each Lender that sells a participation to a Participant shall, acting solely for this purpose as an agent of each Borrower, maintain at one of its offices a register for the recordation of the names and addresses of each such Participant, and the Commitments of, and principal amount of (and stated interest on) the Loans owing to, such Participant (the "Participant Register"), but no Lender will be required to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans, Commitments, or its other obligations under any Loan Document) to any Person except to the extent that disclosure is required to establish that such a participation is in

registered form (as described above). The entries in the Participant Register will be conclusive absent manifest error, and the applicable Lender shall treat each Person whose name is recorded in the Participant Register as the owner of that participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 15.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 15.9 Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender shall use commercially reasonable efforts (equivalent to the efforts Administrative Agent or that Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party hereunder and designated as confidential, except that Administrative Agent and each Lender may disclose any information as follows: (a) to Persons employed or engaged by Administrative Agent or that Lender or that Lender's Affiliates or Approved Funds in evaluating, approving, structuring, or administering the Loans and the Commitments, (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose any such information to Persons employed or engaged by them as described in clause (a) of this Section 15.9, (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by Administrative Agent or that Lender to be compelled by any court decree, subpoena, or legal or administrative order or process, but Administrative Agent or that Lender, as applicable, shall (i) use reasonable efforts to give the applicable Loan Party written notice prior to disclosing the information to the extent permitted by that requirement, request, court decree, subpoena, or legal or administrative order or process, and (ii) disclose only that portion of the confidential information as Administrative Agent or that Lender reasonably believes, or as counsel for Administrative Agent or that Lender, as applicable, advises Administrative Agent or that Lender, that it must disclose pursuant to that requirement, (d) as Administrative Agent or that Lender reasonably believes, or on the advice of Administrative Agent's or that Lender's counsel, is required by law, (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or that Lender is a party, (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to that Lender, (g) to that Lender's independent auditors and other professional advisors as to which that information has been identified as confidential, or (h) if that information ceases to be confidential through no fault of Administrative Agent or any Lender. Notwithstanding the foregoing, Borrowers consent to the publication by Administrative Agent or any Lender of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement, and

Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, non-disclosure agreement, or other similar agreement between any Borrower and any Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, then this Section 15.9 will supersede all such prior or contemporaneous agreements and understandings between the parties.

Section 15.10_Severability. Whenever possible each provision of this Agreement is to be interpreted so as to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, that provision will be ineffective to the extent of that prohibition or invalidity, without invalidating the remainder of that provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of the Agents and the Lenders, in each case, expressed in this Agreement or in any other Loan Document are in addition to, and not in limitation of, those provided by applicable law.

Section 15.11_Nature of Remedies. All Obligations of the Loan Parties and rights of Agents and the Lenders expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise, and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 15.12_Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of all such Persons, verbal or written, relating to the subject matter hereof and thereof (except as relates to the fees described in Section 5.1) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs, or expenses payable to or incurred (or to be incurred) by or on behalf of the Agents or the Lenders.

Section 15.13_Counterparts. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission will constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders will be deemed to be originals.

Section 15.14_Successors and Assigns. This Agreement binds the Loan Parties, the Lenders, the Agents, and their respective successors and assigns and will inure to the benefit of the Loan Parties, the Lenders, and the Agents and the successors and assigns of the Lenders and the Agents. No other Person is or is intended to be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of

the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of each Agent and each Lender.

Section 15.15 Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

Section 15.16 Customer Identification – USA Patriot Act Notice. Each Lender (each for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify, and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow that Lender to identify the Loan Parties in accordance with the Patriot Act.

Section 15.17 INDEMNIFICATION BY LOAN PARTIES. In consideration of the execution and delivery of this Agreement by the Agents and the Lenders and the agreement to extend the Commitments provided under this Agreement, each Borrower hereby agrees to indemnify, exonerate, and hold harmless each Agent, each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender (each, a "Lender Party" or "Indemnitee") from and against any and all actions, causes of action, suits, losses, liabilities, damages, and expenses, including Attorney Costs (collectively, the "Indemnified Liabilities"), incurred by the Lender Parties or any of them as a result of, or arising out of, or relating to (a) any tender offer, merger, purchase of Equity Interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans; (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any Hazardous Substance at any property owned or leased by any Loan Party; (c) any violation of any Environmental Laws with respect to conditions at any property owned or leased by any Loan Party or the operations conducted thereon; (d) the investigation, cleanup or remediation of offsite locations at which any Loan Party or their respective predecessors are alleged to have directly or indirectly disposed of Hazardous Substances; or (e) the execution, delivery, performance, or enforcement of this Agreement or any other Loan Document by any of the Lender Parties, in each case except for any such Indemnified Liabilities arising on account of the applicable Lender Party's gross negligence or willful misconduct as determined by a final, non-appealable judgment by a court of competent jurisdiction. If and to the extent that the foregoing undertaking is unenforceable for any reason, each Borrower hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. All obligations provided for in this Section 15.17 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or any modification, release, or discharge of, any or all of the Collateral Documents and termination of this Agreement. This Section 15.17 shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

Section 15.18 Nonliability of Lenders. The relationship between Borrowers on the one hand and the Lenders and the Agents on the other hand is solely that of borrower and lender.

Neither any Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither any Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Each Loan Party agrees, on behalf of itself and each other Loan Party, that neither any Agent nor any Lender has any liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission, or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that those losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. No Lender Party will be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Lender Party will have any liability with respect to, and each Loan Party, on behalf of itself and each other Loan Party, hereby waives, releases, and agrees not to sue for, any special, punitive, exemplary, indirect, or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). Each Loan Party acknowledges that it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

Section 15.19_FORUM SELECTION AND CONSENT TO JURISDICTION.

(a) Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document (except for the Mexican Loan Documents, which shall be governed under their own terms), will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court of the Southern District of New York. Each party hereto hereby expressly and irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States District Court of the Southern District of New York for the purpose of any such litigation as set forth above and waives any right to any other jurisdiction to which each such party may be entitled to by reason of their present or future domicile or otherwise.

(b) Each Mexican Loan Party hereby irrevocably designated and appoints (i) IT Global Holding LLC (the "Process Agent"), with an office on the date hereof at 222 Urban Towers, Suite 1650 E, Irving, TX 75039 as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in clause (a); and (ii) as its conventional address the address of the Process

Agent referred above or any other address notified in writing in the future by the Process Agent to such Loan Party, to receive on its behalf service of all process in any proceedings brought pursuant to the Loan Documents in any court, such service being hereby acknowledged by such Loan Party to be effective and binding service in every respect, and agrees that the failure of the Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by Applicable Law, the enforcement of any judgment based thereon. Each Mexican Loan Party shall maintain such appointment until the satisfaction in full of all Obligations, except that if for any reason the Process Agent appointed hereby ceases to be able to act as such, then each Mexican Loan Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such Process Agent subject to the approval of the Administrative Agent. Each Mexican Loan Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Process Agent pursuant to this paragraph in full force and effect and to cause the Process Agent to act as such.

(c) Each Loan Party further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Loan Party hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum.

Section 15.20 WAIVER OF JURY TRIAL. **EACH LOAN PARTY, EACH AGENT, AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY**.

Section 15.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-in Action on any such liability,

including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE XVI____

JOINT AND SEVERAL LIABILITY

Section 16.1 Joint and Several Liability

16.1.1 Each Loan Party and each Person comprising a Loan Party hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements, and other terms contained in this Agreement are applicable to and binding upon each Person comprising a Loan Party unless expressly otherwise stated in this Agreement.

16.1.2 Each Loan Party is jointly and severally liable for all of the Obligations of each other Loan Party, regardless of which Loan Party actually receives the proceeds or other benefits of the Loans or other extensions of credit under this Agreement or the manner in which Loan Parties, any Agent, or any Lender accounts therefor in their respective books and records.

16.1.3 Each Loan Party acknowledges that it shall enjoy significant benefits from the business conducted by each other Loan Party because of, ***inter alia***, their combined ability to bargain with other Persons including without limitation their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Loan Party acting alone. Each Loan Party has determined that it is in its best interest to procure the credit facilities contemplated under this Agreement, with the credit support of each other Loan Party as contemplated by this Agreement and the other Loan Documents.

16.1.4 Each of the Agents and the Lenders have advised each Loan Party that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Loan Party unless each Loan Party agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Loan Party. Each Loan Party has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection with this Agreement (a) because of the desirability to each Loan Party of the credit facilities under this Agreement and the interest

rates and the modes of borrowing available under this Agreement and under those other documents; (b) because each Loan Party might engage in transactions jointly with other Loan Parties; and (c) because each Loan Party might require, from time to time, access to funds under this Agreement for the purposes set forth in this Agreement. Each Loan Party, individually, expressly understands, agrees, and acknowledges that the credit facilities contemplated under this Agreement would not be made available on the terms of this Agreement in the absence of the collective credit of all the Loan Parties, and the joint and several liability of all the Loan Parties. Accordingly, each Loan Party acknowledges that the benefit of the accommodations made under this Agreement to the Loan Parties, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Loan Party.

16.1.5 To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Loan Party under this Agreement and under the other Loan Documents invalid or unenforceable, such Person's obligations under this Agreement and under the other Loan Documents shall be limited to the maximum amount that does not result in any such invalidity or unenforceability, but each Loan Party's obligations under this Agreement and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.1.6 To the extent that any Loan Party makes a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") that, taking into account all other Joint Liability Payments then previously or concurrently made by any other Loan Party, exceeds the amount that Loan Party would otherwise have paid if each Loan Party had paid the aggregate Obligations satisfied by those Joint Liability Payments in the same proportion that such Person's Allocable Amount (as determined immediately prior to those Joint Liability Payments) bore to the aggregate Allocable Amounts of each Loan Party as determined immediately prior to the making of those Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted) and the termination of the Commitments, that Loan Party shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Party for the amount of that excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to the applicable Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Loan Party is equal to the maximum amount of the claim that could then be recovered from that Loan Party under this Section 16 without rendering that claim voidable or avoidable under § 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law.

16.1.7 Each Loan Party assumes responsibility for keeping itself informed of the financial condition of each other Loan Party, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of each other Loan Party's Obligations,

and of all other circumstances bearing upon the risk of nonpayment by each other Loan Party of its Obligations, and each Loan Party agrees that neither any Agent nor any Lender has or shall have any duty to advise that Loan Party of information known to any Agent or any Lender regarding any such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If any Agent or any Lender, in its discretion, undertakes at any time or from time to time to provide any such information to a Loan Party, neither any Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to that Loan Party or any other Person on any subsequent occasion.

16.1.8 Subject to Section 15.1, Administrative Agent upon written direction from the Required Lenders is hereby authorized to, at any time and from time to time, to do any and all of the following: (a) in accordance with the terms of this Agreement, renew, extend, accelerate, or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an Obligation incurred by any Loan Party; (c) take and hold security or collateral for the payment of an Obligation incurred by any Loan Party under this Agreement or for the payment of any guaranties of an Obligation incurred by any Loan Party or other liabilities of any Loan Party and exchange, enforce, waive, and release any such security or collateral; (d) in accordance with the terms of the Loan Documents, apply any such security or collateral and direct the order or manner of sale thereof; and (e) with the prior consent of the Lenders, settle, release, compromise, collect, or otherwise liquidate an Obligation incurred by any Loan Party and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Loan Party. In accordance with the terms of this Agreement, Administrative Agent has the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and any such determination shall be binding on each Loan Party. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Loan Party as Administrative Agent determines in its discretion without affecting the validity or enforceability of the Obligations of any other Loan Party. Nothing in this Section 16.1.8 modifies any right of any Loan Party or any Lender to consent to any amendment or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.1.9 Each Loan Party hereby agrees that, except as otherwise expressly provided in this Agreement, its obligations under this Agreement are and shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by any Loan Party from any Loan Party or any guarantor or other action to enforce the same; (b) failure by Collateral Agent or Lenders, as applicable, to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Loan Party; (c) any Insolvency Proceeding by or against any Loan Party, or any Agent's or any Lender's election in any such proceeding of the application of § 1111(b)(2) of the Bankruptcy

Code; (d) any borrowing or grant of a security interest by any Loan Party as debtor-in-possession under § 364 of the Bankruptcy Code; (e) the disallowance, under § 502 of the Bankruptcy Code, of all or any portion of any Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Loan Party; or (f) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor unless that legal or equitable discharge or defense is that of a Loan Party in its capacity as a Loan Party.

16.1.10 Any notice given by Borrower Representative under this Agreement shall constitute and be deemed to be notice given by all Loan Parties, jointly and severally. Notice given by any Agent or any Lender to Borrower Representative under this Agreement or pursuant to any other Loan Documents in accordance with the terms of this Agreement or of any applicable other Loan Document shall constitute notice to each Loan Party. The knowledge of any Loan Party shall be imputed to all Loan Parties and any consent by Borrower Representative or any Loan Party shall constitute the consent of, and shall bind, all Loan Parties.

16.1.11 This Section 16 is intended only to define the relative rights of Loan Parties and nothing set forth in this Section 16 is intended to or shall impair the obligations of Loan Parties, jointly and severally, to pay any amounts as and when the same become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 limits the liability of any Loan Party to pay the credit facilities made directly or indirectly to that Loan Party and accrued interest, fees, and expenses with respect thereto for which that Loan Party is primarily liable.

16.1.12 The parties to this Agreement acknowledge that the rights of contribution and indemnification under this Section 16 constitute assets of each Loan Party to which any such contribution and indemnification is owing. The rights of any indemnifying Loan Party against the other Loan Parties under this Section 16 shall be exercisable upon the full and payment of the Obligations, and the termination of the Commitments.

16.1.13 No payment made by or for the account of a Loan Party, including, without limitation, (a) a payment made by that Loan Party on behalf of an Obligation of another Loan Party, or (b) a payment made by any other Person under any guaranty, shall entitle that Loan Party, by subrogation or otherwise, to any payment from that other Loan Party or from or out of property of that other Loan Party and that Loan Party shall not exercise any right or remedy against that other Loan Party or any property of that other Loan Party by reason of any performance of that Loan Party of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, the expiration, termination, or Cash Collateralization of all Letters of Credit, and Payment in Full of all Obligations (other than contingent indemnification Obligations not then asserted).

APPOINTMENT OF BORROWER REPRESENTATIVE

17.1.1 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents) from the Lenders in the name or on behalf of that Loan Party. Administrative Agent may disburse those proceeds to the bank account of Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.1.2 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes the Borrower Representative as its agent to (a) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (b) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Loan Party under this Agreement or the other Loan Documents; and (c) otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents.

17.1.3 The authorizations contained in this Section 17 are coupled with an interest and are irrevocable until Payment in Full or a change pursuant to Section 17, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by that Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Parties to join in the execution of any writing in connection with this Agreement will not relieve any Borrower or other Loan Party from obligations in respect of that writing.

17.1.4 No purported termination of or change in the appointment of Borrower Representative as agent will be effective without the prior written consent of Administrative Agent.

ARTICLE XVIII___

CONVERSION RIGHTS

Section 18.1 Conversion on the Maturity Date. Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on any date beginning on December 15, 2022 (a "Maturity

Conversion Date"). In order to exercise its conversion rights under this Section 18.1, a Lender must provide written notice (a "Maturity Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the Maturity Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.1.

Section 18.2 Early Conversion.

18.2.1 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares immediately after the closing time of the Applicable Follow-On Offering (the "Offering Conversion Date"). The Company shall provide written notice to the Lenders of the Offering Conversion Date on or prior to the second Business Day immediately preceding such date. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Offering Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Offering Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

18.2.2 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on any date Ultimate Holdings specifies as an Optional Conversion Date with respect to all Lenders. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Optional Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Optional Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

Section 18.3 Limitation on Delivery of Conversion Payment Shares. Notwithstanding anything contained herein to the contrary, (a) the aggregate number of Conversion Payment Shares issued pursuant to Section 18.1 and 18.2 shall be limited to the Conversion Cap, with a *pro rata* portion (based on the portion of the aggregate Outstanding Obligations due to such Lender) of such Conversion Cap being applicable to each converting Lender on a Maturity Conversion Date, for purposes of Section 18.1, the Offering Conversion Date, for purposes of Section 18.2.1, or the Optional Conversion Date, for purposes of Section 18.2.2, and any portion of the Conversion Cap not utilized on the Applicable Conversion Date by non-converting Lenders shall be re-allocated *pro rata* among the converting Lenders, (b) no Conversion Payment Shares shall be issued to any officer, director (including any director that is an Affiliate of a Lender), employee or consultant if such issuance would constitute a discounted issuance of Common Stock pursuant to Rule 5635(c) of the Nasdaq Stock Market and (c) no Conversion Payment Shares shall be issued to any Lender to the extent such issuance would constitute a change of control pursuant to Rule 5635(b) of the Nasdaq Stock Market (or such similar rules of Redline AgileThought - First Amendment to Credit Agreement - Exhibit A 2126302v1 and AgileThought - First Amendment to Credit Agreement - Exhibit A 2126302v4 12/10/2021 10:37:47 AM

the Applicable Exchange), and, in each case, the portion of the Outstanding Obligations with respect to which Conversion Payment Shares cannot be delivered shall be deemed to not have been converted; provided, that the foregoing limitations in clauses (a), (b) and (c) shall not apply to the extent that Ultimate Holdings receives the Requisite Shareholder Approval.

Section 18.4 Conversions Generally. Upon a Converting Lender's receipt of the Conversion Payment Shares required to be delivered to such Converting Lender under Section 18.1 or Section 18.2, the Outstanding Obligations owed to such Converting Lender that have been converted shall be deemed to have Paid in Full.

Section 18.5 Mergers. Notwithstanding anything to the contrary herein, Ultimate Holdings may not consummate any (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination), (ii) any consolidation, merger or combination or similar transaction involving Ultimate Holdings, (iii) any sale, lease or other transfer to a third party of the consolidated assets of Ultimate Holdings and Ultimate Holdings' Subsidiaries substantially as an entirety, or (iv) any statutory share exchange (any such event, a "Merger Event") unless the resulting, surviving or transferee Person (the "Successor Company"), if not Ultimate Holdings, shall expressly assume all of the obligations of Ultimate Holdings under this Article XVIII; provided, however, that nothing in this Section 18.5 shall be construed to permit any event or transaction otherwise prohibited under this Agreement.

Section 18.6 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

18.6.1 In the case of: any Merger Event as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), at and after the effective time of such Merger Event, (a) the right to convert Outstanding Obligations in Conversion Payment Shares shall be changed into a right to convert such Outstanding Obligations into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that holders of shares of Common Stock are entitled to receive (the "Reference Property," with each "unit of Reference Property" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and (b) unless context requires otherwise, all references to "Common Stock" hereunder shall be deemed references to the Reference Property. At and after the effective time of any such Merger Event, any shares of Common Stock that Ultimate Holdings would have been required to deliver upon conversion of the Outstanding Obligations under Article XVIII shall instead be deliverable in Reference Property.

18.6.2 If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Outstanding Obligations will be convertible shall be deemed to be the weighted average of the

types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock.

18.6.3 If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets of a Person other than Ultimate Holdings or the successor or purchasing corporation (excluding, for the avoidance of doubt, cash paid by such surviving company, successor or purchaser corporation, as the case may be, in such Merger Event), then such other Person shall execute such documentation with respect to the conversion of Outstanding Obligations as the Lenders and Ultimate Holdings in good faith determine to be commercially reasonable. The definitive agreement with respect to any Merger Event shall include such additional provisions as are reasonably necessary to protect the conversion rights of the Lenders under this Article XVIII.

18.6.4 If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is a Public Issuer, such Successor Issuer shall grant to each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted to any other Person in connection with such Merger Event. If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is not a Public Issuer, such Successor Issuer shall grant each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted in connection with such Merger Event to any other holder of the shares; provided that in no event shall such registration rights be less favorable to any Lender than the registration rights set forth in any Registration Rights Agreement then in effect. Following the consummation of any Merger Event in which Ultimate Holdings is not the Successor Issuer, all references in this Article XVIII to Ultimate Holdings shall be deemed replaced with references to the Successor Issuer.

18.6.5 Ultimate Holdings shall provide written notice of any Merger Event to the Lenders as promptly as practicable after the public announcement thereof.

18.6.6 Ultimate Holdings shall not become a party to any Merger Event unless its terms are consistent with this Section 18.6 and this Section 18.6 shall similarly apply to successive Merger Events.

Section 18.7 Delivery of Conversion Payment Shares. Ultimate Holdings shall deliver any Conversion Payment Shares required to be delivered to a Lender under this Article XVIII no later than the second Business Day immediately following the Applicable Conversion Date. The Conversion Payment Shares will be issued in book-entry form and issued and delivered to the transfer agent for Ultimate Holdings and identified by restricted legends identifying the Conversion Payment Shares as restricted securities. A Converting Lender shall be deemed to be the holder of record of such Conversion Payment Shares as of 5:00 p.m. (New York City time) on the date the Conversion Payment Shares are issued and delivered to the Converting Lender.

Section 18.8 Reservation of Shares; Listing. Ultimate Holdings shall, as of the applicable Closing Date, authorize and reserve 2,098,545 shares of Common Stock for issuance upon conversion of Outstanding Obligations as Conversion Payment Shares and shall at all times keep reserved a sufficient number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable) based on an Applicable Price determined as if the last calendar day of the preceding calendar quarter was an Applicable Conversion Date. No later than the Business Day immediately following any Applicable Conversion Date, Ultimate Holdings shall take all action necessary, including amending its governing documents, to authorize and reserve sufficient Conversion Payment Shares such that (a) all Conversion Payment Shares required to be delivered by Ultimate Holdings in connection with such Applicable Conversion Date (1) shall be duly and validly authorized, reserved and available for issuance on or prior to the date such Conversion Payment Shares are delivered to any Converting Lender in accordance with Section 18.4 and (2) shall, upon issuance, be duly and validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under applicable securities laws and (b) the issuance of such Conversion Payment Shares shall not be subject to any preemptive or similar rights. On or prior to the applicable Closing Date, Ultimate Holdings shall provide notice to the Nasdaq Capital Market with respect to the listing of a number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable). Ultimate Holdings shall use its best efforts to effect and maintain the listing on a Permitted Exchange of its Common Stock.

Section 18.9 Calculations. Ultimate Holdings and any Converting Lenders shall, acting in good faith and in a commercially reasonable manner, jointly determine the number of Conversion Payment Shares with respect to any Conversion; provided that if Ultimate Holdings and such Converting Lenders cannot promptly agree on the number of Conversion Payment Shares with respect to such Conversion then they shall use their good faith efforts to jointly appoint a Calculation Agent to determine such number with respect to such Conversion; provided, further, that any failure to agree or related delay in the calculation of the number of Conversion Payment Shares shall extend the time provided for delivery of the any disputed number of Conversion Payment Shares (but, for the avoidance of doubt, not the number of Conversion Payment Shares not in dispute) until the second Business Day following the determination of the calculation as provided in this Section 18.9, and such extension or delay in payment with respect to the disputed portion of Conversion Payment Shares shall not be deemed a breach of any provision of this Agreement. If Ultimate Holdings and any Converting Lenders are not able to promptly agree on a Calculation Agent with respect to a Conversion, then Ultimate Holdings shall appoint one Calculation Agent and the Converting Lenders shall appoint a second Calculation Agent and such appointed Calculation Agents shall each promptly determine the number of Conversion Payment Shares for such Conversion and the Conversion Payment Shares for such Conversion shall be deemed to be the average of the amounts determined by such Calculation Agents or, if only one Calculation Agent provides a determination of the Conversion Payment Shares prior to the date Conversion Payment Shares are required to be delivered in connection with the relevant Conversion, the number of

Conversion Payment Shares determined by such Calculation Agent. Any determination of the Conversion Payment Shares pursuant to the terms of this Section 18.9 shall be final absent manifest error. All calculations under this Article XVIII shall be rounded to the nearest 1/10,000th, with 0.00005 rounded up to 0.0001; provided that the number of Conversion Payment Shares to be delivered to any Converting Lender shall be rounded up the nearest whole number.

Section 18.10 Conversion Information. Ultimate Holdings shall use commercially reasonable efforts to promptly provide any information to any Lender, or any Calculation Agent for purposes of Section 18.9, that such Lender or Calculation Agent determines in good faith to be reasonably necessary to make any calculations under this Article XVIII.

Section 18.11 Taxes. Ultimate Holdings shall pay any and all transfer, stamp and similar Taxes imposed by, or levied by or on behalf of, any governmental authority or agency having the power to tax that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Converting Lender in connection with any Conversion. For the avoidance of doubt, Ultimate Holdings shall not be responsible for any such transfer, stamp and similar Taxes that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Person that is not the Converting Lender, including any nominee, assignee or transferee of the Converting Lender, if such Taxes would not have been imposed or be payable had the Conversion Payment Shares been issued in the name of the Converting Lender.

Section 18.12 Peso Loans. Conversions of Outstanding Obligations hereunder shall be made by reference to the Dollar amount thereof. In the case of any Outstanding Obligations denominated in Pesos, the Dollar amount thereof shall be determined by reference to the Conversion Rate as of the relevant Applicable Conversion Date.

Section 18.13 Additional Definitions. When used in this Article XVIII, the following terms shall have the following meanings:

"Applicable Conversion Date" means, (a) with respect to a conversion by a Lender under Section 18.1, the date such Lender delivered a Maturity Conversion Notice to Ultimate Holdings, (b) with respect to a conversion by a Lender under Section 18.2.1, if the Lender delivered an Offering Conversion Notice to Ultimate Holdings, then the Offering Conversion Date and (c) with respect to a conversion by a Lender under Section 18.2.2, if the Lender delivered an Optional Conversion Notice to Ultimate Holdings, then the applicable Optional Conversion Date.

Following any Merger Event pursuant to which the Outstanding Obligations become convertible into Reference Property, the Applicable Price will be with respect to one unit of Reference Property.

"Market Disruption Event" means (a) a failure by the primary U.S. national or regional securities exchange or market on which the Common Stock is listed or admitted for trading to open for trading during its regular trading session or (b) the occurrence or existence prior to 1:00 p.m., New York City time, on any Scheduled Trading Day for the Common Stock

for more than one half-hour period in the aggregate during regular trading hours of any suspension or limitation imposed on trading (by reason of movements in price exceeding limits permitted by the relevant stock exchange or otherwise) in the Common Stock or in any options contracts or futures contracts traded on any U.S. exchange relating to the Common Stock.

"Market Value" means the consolidated closing bid price of one share of Common Stock as of 4:00 p.m., New York City time, on the Trading Day immediately preceding the Applicable Conversion Date, as provided by the Nasdaq representative for Ultimate Holdings at the Nasdaq Market Intelligence Desk (or such similar definition of the Applicable Exchange).

"Scheduled Trading Day" means any day that is scheduled to be a Trading Day on the principal U.S. national or regional securities exchange on which the Common Stock is then listed or, if the Common Stock is not then listed on a U.S. national or regional securities

exchange, on the principal other market on which the Common Stock is then traded. If the Common Stock is not so listed or traded, then "Scheduled Trading Day" means a Business Day.

FOR VALUE RECEIVED, the undersigned (the "Borrower"), hereby promises to pay to [●] or registered assigns (the "Lender"), in accordance with the provisions of the Credit Agreement (as hereinafter defined), the principal amount of each Loan from time to time made by the Lender to the Borrower under that certain Credit Agreement dated as of November 22, 2021 (as the same may be amended, supplemented or modified from time to time, the "Credit Agreement"), among the AGILETHOUGHT, INC., a Delaware corporation ("Ultimate Holdings") and AGILETHOUGHT MÉXICO, S.A. DE C.V., a *sociedad anónima de capital variable* incorporated and existing under the laws of Mexico, the other Loan Parties party thereto, the LENDERS named therein (collectively, the "Lenders"), GLAS USA, LLC, as administrative agent (in such capacity, the "Administrative Agent") and GLAS Americas, LLC, as collateral agent. Capitalized terms used but not defined herein have the meaning assigned to them in the Credit Agreement.

The Borrower promises to pay interest on the unpaid principal amount of each Loan from the date of such Loan until such principal amount is paid in full, at such interest rates and at such times as provided in the Credit Agreement. All payments of principal and interest shall be made to the Administrative Agent for the account of the Lender in Dollars in immediately available funds at the Administrative Agent's Office. SECTION 2 GUARANTY.

2.1 Guaranty.

(a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, as a primary obligor and not only a surety, guarantees to Administrative Agent, for itself and the ratable benefit of the Secured Parties, the prompt and complete payment and performance by the applicable Loan Parties when due (whether at the stated maturity, by acceleration or otherwise) of the Guaranteed Obligations. The guarantee contained in this

Section 2 is a primary and original obligation of each Guarantor, is not merely the creation of a surety relationship, and is an absolute, unconditional, and continuing guaranty of payment and performance which will remain in full force and effect without respect to future changes in conditions.

(b) Notwithstanding any provision of this Agreement or any other Loan Document to the contrary, the maximum liability of each Guarantor under this Agreement and under the other Loan Documents will in no event exceed the amount that can be guaranteed by that Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2).

(c) Each Guarantor agrees that the Secured Obligations may at any time and from time to time exceed the amount of the liability of that Guarantor under this Agreement without impairing the guaranty contained in this Section 2 or affecting the rights and remedies of any Secured Party under this Agreement.

(d) The guaranty contained in this Section 2 will remain in full force and effect until Payment in Full of the Secured Obligations.

(e) No payment made by any Borrower, any of the Guarantors, any other guarantor, or any other Person or received or collected by Administrative Agent or any Secured Party from any Borrower, any of the Guarantors, any other guarantor, or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Secured Obligations will be deemed to modify, reduce, release, or otherwise affect the liability of any Guarantor under this Agreement, which Guarantor will, notwithstanding any such payment (other than any payment made by that Guarantor in respect of the Secured Obligations or any payment received or collected from that Guarantor in respect of the Secured Obligations), remain liable for the Secured Obligations up to the maximum liability of that Guarantor under this Agreement until Payment in Full of the Secured Obligations.

2.2 Right of Contribution. Each Guarantor hereby agrees that to the extent that a Guarantor has paid more than its proportionate share of any payment made under this Agreement, that Guarantor will be entitled to seek and receive contribution from and against any other Guarantor under this Agreement that has not paid its proportionate share of that payment. Each Guarantor's right of contribution will be subject to the terms and conditions of Section 2.3. The provisions of this Section 2.2 in no respect limit the obligations and liabilities of any Guarantor to Administrative Agent and the Secured Parties, and each Guarantor will remain liable to Administrative Agent and the Secured Parties for the full amount guaranteed by that Guarantor under this Agreement.

2.3 No Subrogation. Notwithstanding any payment made by any Guarantor under this Agreement or any set-off or application of funds of any Guarantor by any Secured Party, no Guarantor is or will be entitled to be subrogated to any of the rights of any Secured Party against any Borrower or any other Guarantor or any collateral security or guaranty or right of offset held by any Secured Party for the payment of the Secured Obligations, and no Guarantor may seek or is or will be entitled to seek any contribution or reimbursement from any Borrower or any other

Guarantor in respect of payments made by that Guarantor under this Agreement, until Payment in Full of the Secured Obligations. If any amount is paid to any Guarantor on account of those subrogation rights at any time before Payment in Full of the Secured Obligations, then that Guarantor shall hold that amount in trust for Administrative Agent and the Secured Parties, segregated from other funds of that Guarantor, and shall, promptly upon receipt by that Guarantor, turn that amount over to Administrative Agent in the exact form received by that Guarantor (duly endorsed by that Guarantor to Administrative Agent, if required), to be applied against the Secured Obligations, whether matured or unmatured, in such order as Administrative Agent determines.

2.4 Amendments, etc.

(a) Each Guarantor will remain obligated under this Agreement notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (i) any demand for payment of any of the Secured Obligations made by Administrative Agent or the Required Lenders may be rescinded by Administrative Agent or the Required Lenders and any of the Secured Obligations may be continued; (ii) the Secured Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guaranty therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered, or released by Administrative Agent (or the Required Lenders or all the Lenders, as the case may be); and (iii) the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented, or terminated, in whole or in part, as Administrative Agent (or the Required Lenders or all the Lenders, as the case may be) may deem advisable from time to time in accordance with the Credit Agreement and the other Loan Documents. No Secured Party has or will have any obligation to protect, secure, perfect, or insure any Lien at any time held by it as security for the Secured Obligations or for the guaranty contained in this Section 2 or any property subject thereto.

(b) Any of the Secured Parties may, from time to time, at their sole discretion and without notice to any Guarantor, take any or all of the following actions: (i) retain or obtain a security interest in any Collateral to secure any of the Secured Obligations or any obligation under this Agreement; (ii) retain or obtain the primary or secondary obligation of any obligor or obligors, in addition to the undersigned, with respect to any of the Secured Obligations; (iii) subject to any applicable requirements for amending the Loan Documents, extend or renew any of the Secured Obligations for one or more periods (whether or not longer than the original period), alter or exchange any of the Secured Obligations, or release or compromise any obligation of any Grantor under this Agreement or any obligation of any nature of any other obligor with respect to any of the Secured Obligations; (iv) subject to any applicable requirements for amending the Loan Documents, release any guaranty or right of offset or its security interest in, or surrender, release, or permit any substitution or exchange for, all or any part of any Collateral securing any of the Secured Obligations or any obligation under this Agreement, or extend or renew for one or more periods (whether or not longer than the original period) or release, compromise, alter, or exchange any obligations of any nature of any obligor with respect to any such Collateral; and (v) resort to any Guarantor (or any of them) or any other guarantor of the Secured Obligations for payment of any of the Secured Obligations when due,

whether or not the Secured Parties have resorted to any property securing any of the Secured Obligations or any obligation under this Agreement or have proceeded against any other Grantor or any other obligor primarily or secondarily obligated with respect to any of the Secured Obligations.

2.5 WAIVERS.

(a) Each Guarantor waives, to the furthest extent permitted by applicable law, any and all notice of the creation, renewal, extension, or accrual of any of the Secured Obligations and notice of or proof of reliance by any Secured Party upon the guaranty contained in this Section 2 or acceptance of the guaranty contained in this Section 2. The Secured Obligations, and any of them, will conclusively be deemed to have been created, contracted, or incurred, or renewed, extended, amended, or waived, in reliance upon the guaranty contained in this Section 2, and all dealings between any Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise will be conclusively presumed to have been had or consummated in reliance upon the guaranty contained in this Section 2. To the furthest extent permitted by applicable law, each Guarantor waives (i) diligence, presentment, protest, demand for payment, and notice of default, dishonor, or nonpayment and all other notices whatsoever to or upon any Borrower or any of the Guarantors with respect to the Secured Obligations; (ii) notice of the existence or creation or non-payment of all or any of the Secured Obligations; and (iii) all diligence in collection or protection of or realization upon any Secured Obligations or any security for or guaranty of any Secured Obligations. Without limiting the generality of any other waiver or other provision set forth in the guaranty contained in this Section 2, each Guarantor waives all rights and defenses that such Guarantor may have if all or part of the Secured Obligations are secured by real property to the furthest extent permitted by applicable law.

(b) The waivers set forth in this Section 2.5 mean, among other things:

(i) that any Secured Party may collect from any Guarantor without first foreclosing on any real or personal property collateral that may be pledged by that Guarantor, any Borrower, or any other guarantor;

(ii) that if any Secured Party forecloses on any real property collateral that may be pledged by any Guarantor, any Borrower, or any other guarantor:

(A) the amount of the Secured Obligations or any obligations of any guarantor in respect thereof may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price; and

(B) Administrative Agent may collect from that Guarantor even if any Secured Party, by foreclosing on the real property collateral, has destroyed any right such Guarantor may have to collect from any Borrower, any other Guarantor or any other guarantor.

(c) Each waiver set forth in this Section 2.5 is an unconditional and irrevocable waiver of any rights and defenses each Guarantor may have if all or part of the

Secured Obligations are secured by real property to the furthest extent permitted under applicable law.

(d) **Without limiting the generality of any other waiver or other provision set forth in the guaranty set forth in this Section 2, to the maximum extent permitted by applicable law, each Guarantor waives all rights and defenses arising out of an election of remedies by any Secured Party, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for the Secured Obligations, has destroyed that Guarantor's rights of subrogation and reimbursement against a Borrower by the operation of applicable law**.

2.6 Payments. Each Guarantor hereby guarantees that payments under this Agreement will be paid to Administrative Agent without set-off or counterclaim in United States dollars at the office of Administrative Agent specified in the Credit Agreement.

2.7 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally, and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Grantor to guaranty and otherwise honor all Obligations in respect of Swap Obligations, except that each Qualified ECP Guarantor will only be liable under this Section 2.7 for the maximum amount of such liability that can be incurred without rendering its obligations under this Section 2.7, or otherwise under the Loan Documents, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount. The obligations of each Qualified ECP Guarantor under this Section 2.7 will remain in full force and effect until Payment in Full of the Secured Obligations. Each Qualified ECP Guarantor intends that this Section 2.7 constitutes, and will be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Grantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 3 GRANT OF SECURITY INTEREST.

3.1 Grant. Each Grantor hereby collaterally assigns and transfers to Collateral Agent, and hereby pledges, hypothecates, and grants to Collateral Agent, for itself and the ratable benefit of the Secured Parties and (to the extent provided in this Agreement) their Affiliates, a continuing security interest in all of that Grantor's Collateral, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations.

3.2 Excluded Property.

(a) Subject to Sections 3.2(b), 3.2(c), and 3.2(d), but notwithstanding any other provision of this Agreement or any other Loan Document to the contrary, the term "Collateral" does not include (and no defined term used in Section 1 includes), and a security interest will not attach to any of the following (collectively, the "Excluded Property"):

(i) any Deposit Accounts;

(ii) any rights or interest in any contract, lease, permit, license, or license agreement covering real or personal property of any Grantor if (A) under the

terms of that contract, lease, permit, license, or license agreement or applicable law with respect thereto, the grant of a security interest or lien therein is prohibited as a matter of law or under the terms of that contract, lease, permit, license, or license agreement and (B) that prohibition or restriction has not been waived or the consent of the other party to that contract, lease, permit, license, or license agreement has not been obtained;

(iii) any United States intent-to-use trademark application, but only to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of that intent-to-use trademark application under applicable federal law; and

(iv) any motor vehicle or other equipment subject to a certificate of title.

(b) The exclusions of clause (ii) of Section 3.2(a) do not (and are not to be construed to) apply to the extent that (i) any described prohibition or restriction is ineffective under the applicable anti-assignment provisions (including Section 9-406, 9-407, 9-408, or 9-409) of the UCC or other applicable law, or (ii) any consent or waiver has been obtained that would permit Administrative Agent's security interest or lien to attach notwithstanding the prohibition or restriction on the pledge of the applicable contract, lease, permit, license, or license agreement.

(c) The exclusions of clauses (i), and (ii) of Section 3.2(a) do not (and are not to be construed to) limit, impair, or otherwise affect any of Administrative Agent's or any Secured Party's continuing security interests in and liens upon any rights or interests of any Grantor in or to (i) monies due or to become due under or in connection with any described contract, lease, permit, license, license agreement, or Equity Interests (including any Accounts or Equity Interests), or (ii) any proceeds from the sale, license, lease, or other dispositions of any such contract, lease, permit, license, license agreement, or Equity Interests.

(d) With respect to any intent-to-use trademark application excluded from the Collateral in accordance with clause (iii) of Section 3.2(a), upon submission to and acceptance by the United States Patent and Trademark Office of a statement of use or an amendment to allege use pursuant to 15 U.S.C. § 1060(a) or any successor provision, that intent-to-use trademark application will be considered Collateral.

SECTION 4 REPRESENTATIONS AND WARRANTIES.

To induce the Agents and the Lenders to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor jointly and severally hereby represents and warrants to the Agents and each Lender as follows:

4.1 Title; No Other Liens. Each Grantor owns good title to and, in the case of owned real property, marketable title to, and in the case of leased real property, a valid leasehold interest in, all of its properties and assets, real and personal, tangible and intangible, of any nature whatsoever (including patents, trademarks, trade names, service marks and copyrights), free and clear of all Liens, charges, and claims (including infringement claims with respect to any

registered or issued patents, trademarks, service marks, and copyrights owned by that Loan Party and/or that Subsidiary), except as permitted by Section 11.2 of the Credit Agreement. No valid financing statement or other public notice with respect to all or any part of the Collateral is on file or of record in any public office, except filings evidencing Permitted Liens and filings for which termination statements have been delivered to Collateral Agent. For the avoidance of doubt, it is understood and agreed that any Grantor may, as part of its business, grant licenses in the ordinary course of business to third parties to use Intellectual Property owned by, licensed to, or developed by a Grantor. For purposes of this Agreement and the other Loan Documents, such licensing activity will not constitute a Lien on such Intellectual Property.

4.2 Perfected First Priority Liens. On the date hereof, this Agreement creates in favor of Collateral Agent, for the benefit of the Secured Parties, a legal, valid, and enforceable security interest in the Collateral. Upon completion of the filings and other actions specified on Schedule 2 (which, in the case of all filings and other documents referred to on Schedule 2, copies thereof have been delivered to Collateral Agent in completed and duly executed form) the security interests in and Liens on the Filing Collateral will be perfected, first-priority security interests (subject only to Permitted Liens) as collateral security for the Secured Obligations, enforceable in accordance with the terms of this Agreement. The filings and other actions specified on Schedule 2 constitute all of the filings and other actions necessary to perfect all security interests granted hereunder on the Filing Collateral. No further recordings or filings are or will be required in connection with the creation, perfection, or enforcement of the security interests and Liens in favor of the Collateral Agent in and to the Collateral, other than (i) the filing of continuation statements in accordance with applicable law; (ii) the recording of security agreements in the United States Patent and Trademark Office and the United States Copyright Office, as applicable, with respect to after-acquired U.S. patent and trademark applications and registrations and U.S. copyrights; and (iii) the taking of the other actions required by this Agreement.

4.3 Grantor Information. Schedule 3 sets forth a complete and accurate list as of the date hereof of (i) the exact legal name of each Grantor; (ii) the jurisdiction of organization of each Grantor; (iii) the organizational identification number of each Grantor (or indicates that that Grantor has no organizational identification number); (iv) the chief executive office of each Grantor; and (v) the federal employer identification number of each Grantor.

4.4 Collateral Locations. There is no location at which any Grantor has any Collateral (except for inventory and equipment in transit in the ordinary course of business) other than those locations listed on Schedule 4, as supplemented by the Borrower Representative from time to time, and for each such location describing whether such location is owned or leased (and if leased, specifying the complete name and notice address of each lessor). On the date hereof, no Collateral is located outside the United States or in the possession of any lessor, bailee, warehouseman, or consignee, except as indicated on Schedule 4. None of the receipts received by any Grantor from any warehouse states that the goods covered thereby are to be delivered to bearer or to the order of a named Person or to a named Person and that named Person's assigns.

4.5 Certain Property. On the date hereof, none of the Collateral constitutes, or is the Proceeds of, (a) Farm Products or (b) vessels, aircraft, or any other property subject to any

certificate of title or other registration statute of the United States, any state, or any other jurisdiction.

4.6 Investment Property.

(a) The Pledged Equity pledged by each Grantor under this Agreement constitutes all the issued and outstanding Equity Interests of each Issuer of Pledged Equity owned by that Grantor.

(b) All issued and outstanding Equity Interests constituting Pledged Equity are duly authorized and validly issued, fully paid, non-assessable, and free and clear of all Liens other than those in favor of Collateral Agent, and all such Equity Interests were issued in compliance with all applicable state and federal laws concerning the issuance of securities.

(c) Each of the Pledged Notes constitutes the legal, valid, and binding obligation of the obligor with respect thereto, enforceable in accordance with its terms (subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing).

(d) Schedule 1 lists all Pledged Equity, Pledged Notes, and other Investment Property owned by each Grantor as of the date hereof. Each Grantor is the record and beneficial owner of, and has good and marketable title to, the Investment Property pledged by it under this Agreement, free of any and all Liens of any other Person, except Permitted Liens.

(e) The execution, delivery, and performance of this Agreement by any Issuer in accordance with its terms will not conflict with (i) any provision of law, (ii) the organizational documents or governing documents of such Issuer, or (iii) any agreement, indenture, instrument, or other document, or any judgment, order, or decree, that is binding upon such Issuer or any of its respective properties. To the extent the Pledged Equity is evidenced by certificates, all such certificates have been delivered to Collateral Agent on the date hereof.

(f) With respect to each Issuer that is a limited liability company, that Issuer shall not cause the equity interests of that Issuer to be governed by, or to be a "security" within the meaning of, Article 8 (Investment Securities) of the UCC, and each such Issuer shall not, and each Grantor shall not cause any such Issuer to, "opt in" to Article 8 of the UCC with respect to such Issuer's equity interests.

4.7 Accounts.

(a) No amount payable to any Grantor under or in connection with any Account is evidenced by any Instrument (other than drafts deposited in the ordinary course of business) or Chattel Paper in excess of U.S.$250,000 that has not been delivered to Collateral Agent.

(b) On the date hereof, except as set forth on Schedule 8, there are no contracts or agreements between any Grantor and a United States governmental authority. If the

aggregate of Accounts where a United States governmental authority is an obligor exceeds U.S.$250,000 at any time, then (i) the applicable Grantor shall promptly notify Collateral Agent thereof in writing and (ii) if requested by Collateral Agent, the applicable Grantor shall promptly deliver a separate assignment of its right to payment of that Account to Collateral Agent pursuant to the Assignment of Claims Act of 1940 using forms provided by Collateral Agent evidencing (satisfactory to Collateral Agent) that assignment.

(c) The amounts represented by a Grantor to Collateral Agent or the Lenders from time to time as owing to that Grantor in respect of the Accounts (to the extent such representations are required by any of the Loan Documents) are and will be, at all such times, accurate in all material respects.

4.8 Intellectual Property.

(a) On the date hereof, Schedule 5 lists (i) all material Intellectual Property owned by that Grantor in its own name on the date hereof and (ii) all Intellectual Property Licenses.

(b) On the date hereof, all material Intellectual Property and pending applications for registration of Intellectual Property owned by any Grantor are valid, subsisting, unexpired, and enforceable and have not been abandoned and, to that Grantor's knowledge, do not infringe the Intellectual Property rights of any other Person. On the date hereof, no Grantor has any interest in any Copyright that is necessary in connection with the operation of that Grantor's business that has not been registered with the United States Copyright Office.

(c) Except as set forth in Schedule 5 or for non-exclusive licenses of Intellectual Property granted in the ordinary course of business (to the extent constituting a Permitted Lien) or licenses and rights granted to certain resellers and distribution partners in the ordinary course of business, none of the Intellectual Property of any Grantor is the subject of any licensing or franchise agreement pursuant to which that Grantor is the licensor or franchisor.

(d) No holding, decision, or judgment has been rendered by any governmental authority against any Grantor that limits, cancels, or questions the validity of, or any Grantor's ownership interest in, any material Intellectual Property owned by any Grantor.

(e) No action or proceeding is pending, or, to the knowledge of any Grantor, threatened, on the date hereof (i) seeking to limit, cancel, or question the validity of, or any Grantor's ownership interest in, or any Grantor's licensing of, any material Intellectual Property owned by or licensed to or by any Grantor; or (ii) which, if adversely determined, would materially and adversely affect the value of any such Intellectual Property.

(f) Each Grantor owns or licenses or otherwise has the right to use all licenses, permits, patents, trademarks, trade names, copyrights, and other intellectual property rights that are necessary for the operation of its business, without any known infringement upon or other violation of the rights of any other Person with respect thereto, except for any infringements and violations that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

4.9 Deposit Accounts; Securities Accounts. Schedule 6 sets forth a complete and accurate list as of the date hereof of all Deposit Accounts, all Securities Accounts and all other accounts maintained with any broker dealer or other securities intermediary, and all other similar bank or securities accounts maintained by each Grantor, together with a description thereof (including the bank, broker dealer, or securities intermediary at which each such account is maintained and the account number and the purpose thereof).

4.10 Credit Agreement. Each Grantor that is not party to the Credit Agreement hereby makes each of the representations and warranties made by the Borrowers in Article 9 of the Credit Agreement (which representations and warranties will be deemed to have been renewed upon each borrowing or other extension of credit under the Credit Agreement). All such representations and warranties are incorporated in this Agreement by this reference as if fully set forth in this Agreement.

SECTION 5 COVENANTS.

Each Grantor covenants and agrees with the Agents and the Lenders that, from and after the date of this Agreement until Payment in Full of the Secured Obligations:

5.1 Delivery of Instruments, Certificated Securities, and Chattel Paper. If any amount payable under or in connection with any of the Collateral in excess of U.S.$250,000 (in the aggregate for all Grantors) is or becomes evidenced by any Instrument, Certificated Security, or Chattel Paper, in each case, then the applicable Grantor shall promptly deliver that Instrument, Certificated Security, or Chattel Paper to Collateral Agent, duly endorsed in a manner satisfactory to Collateral Agent, to be held as Collateral pursuant to this Agreement, and in the case of Electronic Chattel Paper, the applicable Grantor shall cause Collateral Agent to have control thereof within the meaning set forth in Section 9-105 of the UCC. The foregoing requirements of this Section 5.1 will not apply to any drafts deposited in the ordinary course of business. In the event that a Default or Event of Default has occurred and is continuing, upon the request of Collateral Agent, each applicable Grantor shall promptly (but in no event later than within one Business Day of any such request) deliver to Collateral Agent any Instrument, Certificated Security, or Chattel Paper not previously delivered to Collateral Agent, duly endorsed in a manner satisfactory to Collateral Agent, to be held as Collateral pursuant to this Agreement, and in the case of Electronic Chattel Paper, the applicable Grantor shall cause Collateral Agent to have control thereof within the meaning set forth in Section 9-105 of the UCC.

5.2 Maintenance of Perfected Security Interest; Further Documentation.

(a) Each Grantor shall cooperate with Collateral Agent in maintaining the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.2 and shall defend that security interest against the claims and demands of all Persons whomsoever, subject to the rights of that Grantor under the Loan Documents to dispose of the Collateral or incur Permitted Liens (in each case in accordance with the terms and conditions of the Loan Documents).

(b) Each Grantor shall furnish to Collateral Agent from time to time statements and schedules further identifying and describing the assets and property of that Grantor and all other reports in connection therewith as Collateral Agent may reasonably request from time to time, all in reasonable detail.

(c) At any time and from time to time, upon the written request of Collateral Agent (acting at the written direction of the Required Lenders), and at Grantors' sole expense, each Grantor shall promptly and duly execute and deliver, and have recorded, all further instruments and documents and take all further actions as Collateral Agent may reasonably request (acting at the written direction of the Required Lenders) for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers granted under this Agreement, including (i) filing any appropriate financing or continuation statements under the UCC (or other similar laws) in effect in any appropriate jurisdiction with respect to the security interests created by this Agreement (including, without limitation, financing or continuation statements against "all assets of the Debtor whether now owned or existing or hereafter acquired or arising and wheresoever located, including all accessions thereto and products and proceeds thereof" of a Grantor); (ii) in the case of Investment Property, Deposit Accounts and any other relevant Collateral, taking any actions necessary to enable Collateral Agent to obtain "control" (within the meaning of the applicable UCC) with respect thereto; and (iii) without limiting the generality of the foregoing, causing each Issuer (other than a Grantor) to execute and deliver to Collateral Agent an acknowledgment to this Agreement in form and substance reasonably satisfactory to Collateral Agent. Each Grantor acknowledges and agrees that its signature to this Agreement as a Grantor binds it to each and every provision of this Agreement in its capacity as a Grantor and as an Issuer (as applicable).

5.3 Changes in Locations, Name, etc.

(a) Except as permitted under the Credit Agreement, each Grantor shall not do any of the following, except upon 10 Business Days' prior written notice to Collateral Agent (or such shorter notice period as is satisfactory to Collateral Agent (acting at the written direction of the Required Lenders)) and delivery to Collateral Agent of (1) all additional financing statements and other documents reasonably requested by Collateral Agent as to the validity, perfection and priority of the security interests provided for in this Agreement, and (2) if applicable, a written supplement to Schedule 4 showing any additional location at which Inventory or Equipment is or will be kept:

(i) permit any of the Inventory or Equipment in excess of U.S.$250,000 to be kept at a location other than those listed on Schedule 4 (other than mobile goods and goods that are in transit in the ordinary course of business);

(ii) change its name, jurisdiction of organization, or the location of its chief executive office from that specified on Schedule 3 or in any subsequent notice delivered pursuant to this Section 5.3; or

(iii) change its legal identity or corporate structure.

5.4 Notices. Promptly after obtaining knowledge thereof, each Grantor shall advise Collateral Agent, in reasonable detail, of:

(a) any Lien (other than Permitted Liens) on any of the Collateral that could reasonably be expected to adversely affect the ability of Collateral Agent to exercise any of its remedies under this Agreement; and

(b) the occurrence of any other event that could reasonably be expected to have a Material Adverse Effect on the aggregate value of the Collateral or on the Liens created by this Agreement.

5.5 Investment Property.

(a) If any Grantor shall become entitled to receive or shall receive any certificate, option, or rights in respect of the Equity Interests of any Issuer of Pledged Equity, whether in addition to, in substitution of, as a conversion of, or in exchange for, any of the Pledged Equity, or otherwise in respect thereof, then that Grantor shall accept the same as agent of the Secured Parties, hold the same in trust for the Secured Parties, and promptly deliver the same to Collateral Agent in the exact form received, duly endorsed by that Grantor to Collateral Agent, if required, together with an undated instrument of transfer covering that certificate duly executed in blank by that Grantor and with, if Collateral Agent so requests, signature guaranteed, to be held by Collateral Agent, subject to the terms of this Agreement, as additional Collateral for the Secured Obligations. Upon the occurrence and during the continuance of an Event of Default, shall do the following: (i) unless Collateral Agent (acting at the written direction of the Required Lenders) provides express written notice to the contrary, pay over (or cause to be paid over) to Collateral Agent, to be held by it under this Agreement as additional Collateral for the Secured Obligations, any sums paid upon or in respect of the Pledged Equity, Pledged Notes, or other Investment Property upon the liquidation or dissolution of any Issuer; and (ii) promptly deliver to Collateral Agent, to be held by it under this Agreement as additional Collateral for the Secured Obligations, unless otherwise subject to a perfected Lien in favor of Collateral Agent, any distribution of capital made on or in respect of the Pledged Equity, Pledged Notes, or other Investment Property or any property distributed upon or with respect to the Pledged Equity, Pledged Notes, or other Investment Property pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof. Upon the occurrence and during the continuance of an Event of Default, if any Grantor receives any sums of money or property so paid or distributed in respect of the Pledged Equity, Pledged Notes, or other Investment Property, then that Grantor shall, until that money or property is paid or delivered to Collateral Agent, hold that money or property in trust for the Secured Parties, segregated from other funds of that Grantor, as additional Collateral for the Secured Obligations. Notwithstanding anything to the contrary set forth herein, other than during the occurrence and continuance of an Event of Default, any pledge of equity interests issued by an Excluded Foreign Subsidiary shall be governed by and perfected in accordance with New York law-governed pledge agreements and other documents.

(b) Each Grantor shall not do any of the following: (i) vote to enable, or take any other action to permit, any Issuer to issue any Equity Interests of any nature or to issue any other securities or interests convertible into or granting the right to purchase or exchange for any

Equity Interests of any nature of any Issuer, except, in each case, as permitted by the Credit Agreement; (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Equity, Pledged Notes, or other Investment Property or Proceeds thereof (except pursuant to a transaction expressly permitted by the Credit Agreement); (iii) create, incur, or permit to exist any Lien in favor of any Person with respect to any of the Pledged Equity, Pledged Notes, or other Investment Property or Proceeds thereof, or any interest therein, except for Permitted Liens; or (iv) enter into or permit to exist any agreement or undertaking, including, without limitation, the governing documents of any Issuer and shareholders' agreements, restricting the right or ability of that Grantor or Collateral Agent to sell, assign or transfer any of the Pledged Equity, Pledged Notes, or other Investment Property or Proceeds thereof, except as permitted by the Credit Agreement.

(c) In the case of each Grantor that is an Issuer, that Issuer (i) is and will be bound by the terms of this Agreement relating to the Investment Property issued by it and will comply with such terms insofar as those terms are applicable to it; (ii) shall notify Collateral Agent promptly in writing of the occurrence of any of the events described in Section 5.5(a) with respect to the Investment Property issued by it; (iii) acknowledges that the terms of Sections 6.3(c) and 6.7 apply to that Issuer with respect to all actions that may be required of it pursuant to Sections 6.3(c) or 6.7 regarding the Investment Property issued by it; and (iv) shall not recognize, acknowledge, or permit the pledge, transfer, grant of control, or other disposition of the Investment Property issued by it (or any portion thereof) other than to or as requested by Collateral Agent pursuant to Section 6 unless otherwise permitted under the terms of this Agreement or the Credit Agreement.

5.6 Accounts.

(a) Other than in the ordinary course of business and in amounts that are not material to any Grantor or as otherwise permitted by the Credit Agreement, each Grantor shall not (i) grant any extension of the time of payment of any Account; (ii) compromise or settle any Account for less than the full amount thereof; (iii) release, wholly or partially, any Person liable for the payment of any Account; (iv) allow any credit or discount whatsoever on any Account; or (v) amend, supplement, or modify any Account in any manner that could reasonably be expected to adversely affect the value of that Account.

(b) Each Grantor shall deliver to Collateral Agent a copy of each material demand, notice, or document received by it that questions or calls into doubt the validity or enforceability of any material Account of that Grantor or any material portion of the Accounts of the Grantors.

5.7 Intellectual Property.

(a) Each Grantor (either through itself or its licensees) shall (i) continue to use each Trademark owned by that Grantor and material to the conduct of its business in order to maintain that Trademark in full force free from any claim of abandonment for non-use; (ii) maintain the same (or higher) quality of products and services offered under each such Trademark as are currently maintained; (iii) use each such Trademark with the appropriate notice of registration and all other notices and legends if and to the extent required by applicable law to

maintain that Trademark; (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of any such Trademark unless Collateral Agent obtains a perfected security interest (to the extent perfection is possible in accordance with law) in that mark pursuant to this Agreement; and (v) not knowingly (and not knowingly permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any such Trademark could reasonably be expected to become invalidated or adversely affected in any material respect.

(b) Each Grantor (either itself or through licensees) shall not do any act, or omit to do any act, whereby any Patent material to the conduct of its business might become forfeited, abandoned, or dedicated to the public (other than Patents expiring in the ordinary course).

(c) Each Grantor (either itself or through licensees) shall not knowingly (and shall not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of any Copyrights owned by that Grantor and material to the conduct of its business could reasonably be expected to become invalidated or adversely affected in any material respect. Each Grantor shall not (either itself or through licensees) do any act whereby any material portion of any such Copyrights might fall into the public domain.

(d) Each Grantor (either itself or through licensees) shall not do any act that knowingly uses any Intellectual Property material to the conduct of its business to infringe the Intellectual Property rights of any other Person.

(e) Each Grantor shall notify Collateral Agent promptly if it knows or has reason to know (i) that any application or registration relating to any material Intellectual Property owned by that Grantor might become forfeited, abandoned, or dedicated to the public; or (ii) of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any court or tribunal in any country) regarding that Grantor's ownership or licensing of, or the validity of, any material Intellectual Property or that Grantor's right to register the same or to own, license, and maintain the same.

(f) Whenever any Grantor, either by itself or through any agent, employee, licensee, or designee, files an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, that Grantor shall report that filing to Collateral Agent concurrently with respect to any Copyright, Patent or Trademark with the next delivery of financial statements pursuant to Section 10.1 of the Credit Agreement. Upon the request of Collateral Agent (acting at the written direction of the Required Lenders), each applicable Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as Collateral Agent (acting at the written direction of the Required Lenders) reasonably requests to evidence Collateral Agent's security interest in any such Copyright, Patent, or Trademark owned by that Grantor with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as applicable, and the goodwill and general intangibles of that Grantor relating thereto or represented thereby. Upon receipt from the United States Copyright Office of notice of registration of any Copyright(s), each Grantor shall promptly (but in no event later than ten (10) Business Days following such receipt) notify

Collateral Agent of such registration by delivering documentation sufficient for Collateral Agent to perfect Collateral Agent's Liens on such Copyright(s).

(g) Each Grantor shall take all reasonable and necessary steps to maintain and pursue each application (and to obtain the relevant registration) and to maintain each such registration of all material Intellectual Property owned by it, as determined by that Grantor in its reasonable business judgment.

(h) If any material Intellectual Property owned by any Grantor is, to the knowledge of that Grantor, infringed upon, or misappropriated or diluted by a third party, then that Grantor shall (i) take such actions as that Grantor reasonably deems appropriate under the circumstances to protect that Intellectual Property; and (ii) if that Intellectual Property is of material economic value, promptly notify Collateral Agent after that Grantor learns of that infringement, misappropriation, or dilution, and, to the extent, in its reasonable business judgment, that Grantor determines it appropriate under the circumstances, sue for infringement, misappropriation, or dilution, to seek injunctive relief where appropriate or to recover damages for that infringement, misappropriation, or dilution.

(i) Upon the request of Collateral Agent (acting at the written direction of the Required Lenders), in order to facilitate filings with the United States Patent and Trademark Office and the United States Copyright Office, each Grantor shall execute and deliver to Collateral Agent one or more Intellectual Property Security Agreements to further evidence Collateral Agent's Lien on that Grantor's Patents, Trademarks, or Copyrights, as applicable, and the General Intangibles of that Grantor relating thereto or represented thereby. The provisions of the Intellectual Property Security Agreements are supplemental to the provisions of this Agreement, and nothing contained in any Intellectual Property Security Agreement will limit any of the rights or remedies of Collateral Agent under this Agreement. In the event of any conflict between any provision of this Agreement and any provision of any Intellectual Property Security Agreement, that provision of this Agreement will control.

5.8 [Reserved]

5.9 Other Matters.

(a) Each Grantor authorizes Collateral Agent to, at any time and from time to time, file appropriate financing statements, continuation statements, and amendments thereto that describe the Collateral as "all assets of the Debtor whether now owned or existing or hereafter acquired or arising and wherever located, including all accessions thereto and products and proceeds therefrom" of each Grantor, or words of similar effect, and which contain any other information required pursuant to the UCC for the sufficiency of filing office acceptance of any financing statement, continuation statement, or amendment, and each Grantor shall furnish any such information to Collateral Agent promptly upon request. Any such financing statement, continuation statement, or amendment may be filed at any time in any appropriate jurisdiction.

(b) Each Grantor shall, at any time and from time and to time, take such steps as Collateral Agent (acting at the written direction of the Required Lenders) reasonably requests for Collateral Agent (i) to the extent required by Section 5.3, to use commercially reasonable

efforts to obtain an acknowledgement, in form and substance reasonably acceptable to Collateral Agent, of any bailee having possession of any of the Collateral, stating that the bailee holds such Collateral for Collateral Agent; (ii) to the extent required by this Agreement, to use commercially reasonable efforts to obtain "control" (as defined in the UCC) of any Letter-of-Credit Rights or Electronic Chattel Paper, with any agreements establishing control to be in form and substance reasonably acceptable to Collateral Agent (acting at the written direction of the Required Lenders); and (iii) to the extent required by this Agreement, otherwise to ensure the continued perfection and priority of Collateral Agent's security interest in any of the Collateral and of the preservation of its rights therein. If any Grantor at any time acquires a Commercial Tort Claim in excess of U.S.$250,000, then that Grantor shall promptly notify Collateral Agent thereof in writing, grant the Collateral Agent a security interest therein, and supplement Schedule 7, therein providing a reasonable description and summary thereof, and upon delivery thereof to Collateral Agent, that Grantor will thereby grant to Collateral Agent (and that Grantor hereby grants to Collateral Agent) a security interest and lien in and to that Commercial Tort Claim and all Proceeds thereof, all upon the terms of and governed by this Agreement.

(c) Without limiting the generality of the foregoing (but solely to the extent required by this Agreement), if any Grantor at any time holds or acquires an interest in any Electronic Chattel Paper or any "transferable record," as that term is defined in Section 201 of the federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, then that Grantor shall promptly notify Collateral Agent thereof and, at the request of Collateral Agent (acting at the written direction of the Required Lenders), take such action as Collateral Agent reasonably requests (acting at the written direction of the Required Lenders) to vest in Collateral Agent "control" under Section 9-105 of the UCC of that Electronic Chattel Paper or control under Section 201 of the federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in that jurisdiction, of that transferable record.

5.10 Credit Agreement. Each Grantor that is not party to the Credit Agreement shall, and, if necessary, shall cause or enable each Borrower to, fully comply with each of the covenants and other agreements set forth in the Credit Agreement.

SECTION 6 REMEDIAL PROVISIONS.

6.1 Certain Matters Relating to Accounts.

(a) At any time and from time to time after the occurrence and during the continuance of an Event of Default, Collateral Agent may make test verifications of the Accounts in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as Collateral Agent reasonably requires in connection with any such test verifications. At any time and from time to time after the occurrence and during the continuance of an Event of Default, upon Collateral Agent's request and at Grantors' expense, each applicable Grantor shall cause independent public accountants or others satisfactory to Collateral Agent to furnish to Collateral Agent reports showing reconciliations, agings, and test verifications of, and trial balances for, the Accounts.

(b) Collateral Agent hereby authorizes each Grantor to collect that Grantor's Accounts, and Collateral Agent may curtail or terminate that authority at any time after the occurrence and during the continuance of an Event of Default. If required by Collateral Agent at any time after the occurrence and during the continuance of an Event of Default any payments of Accounts, when collected by any Grantor, (i) must be promptly (and, in any event, within two Business Days) deposited by that Grantor in the exact form received, duly endorsed by that Grantor to Collateral Agent if required, in a collateral account maintained under the sole dominion and control of Collateral Agent, subject to withdrawal by Collateral Agent for the benefit of the Secured Parties only as provided in Section 6.5; and (ii) until so turned over, will be held by that Grantor in trust for the Secured Parties, segregated from other funds of that Grantor. Each such deposit of Proceeds of Accounts must be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At any time and from time to time after the occurrence and during the continuance of an Event of Default, at Collateral Agent's request each Grantor shall deliver to Collateral Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Accounts, including all original orders, invoices, and shipping receipts.

6.2 Communications with Obligors; Grantors Remain Liable.

(a) Collateral Agent, in its own name or in the name of others, may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Accounts to verify with them to Collateral Agent's satisfaction the existence, amount, and terms of any Accounts.

(b) Upon the request of Collateral Agent at any time after the occurrence and during the continuance of an Event of Default each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to Collateral Agent, for itself and the ratable benefit of the other Secured Parties, and that payments in respect thereof are to be made directly to Collateral Agent.

(c) Notwithstanding any provision of this Agreement to the contrary, each Grantor is and will remain liable in respect of each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. No Secured Party has or will have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by any Secured Party of any payment relating thereto, nor will any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance, or to collect the payment of any amounts that may have been assigned to it or to which it may be entitled at any time or times.

(d) For the purpose of enabling Collateral Agent to exercise rights and remedies under this Agreement effective after the occurrence and during the continuance of an

Event of Default each Grantor hereby grants to Collateral Agent, for itself and the ratable benefit of the other Secured Parties, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to that Grantor) to use, license, or sublicense any Intellectual Property now owned or hereafter acquired by that Grantor, and wherever any such Intellectual Property is located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. At any time after the occurrence and during the continuance of an Event of Default, Collateral Agent may refuse to allow Grantor to, and at its sole discretion Collateral Agent may, exercise quality control over the products and services offered under the applicable Trademark to prevent invalidation or abandonment

6.3 Investment Property.

(a) Unless an Event of Default has occurred and is continuing and Collateral Agent has given notice to the relevant Grantor of Collateral Agent's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor will be permitted (i) to receive all cash dividends and distributions paid in respect of the Pledged Equity and all payments made in respect of the Pledged Notes, to the extent permitted in the Credit Agreement, and (ii) to exercise all voting and other rights with respect to the Investment Property. Notwithstanding the immediately preceding sentence, each Grantor shall not cast any vote or exercise any voting or other right that could reasonably be expected to impair the Collateral or that would be inconsistent with or result in any violation of any provision of the Credit Agreement, this Agreement, or any other Loan Document.

(b) If an Event of Default occurs and is continuing, then (i) Collateral Agent will have the right to receive any and all cash dividends and distributions, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Obligations in accordance with Section 6.5; (ii) Collateral Agent will have the right to cause any or all of the Investment Property to be registered in the name of Collateral Agent or its nominee; and (iii) Collateral Agent or its nominee may exercise (A) all voting and other rights pertaining to the Investment Property at any meeting of holders of the Equity Interests of the relevant Issuer or Issuers or otherwise (or by written consent), and (B) any and all rights of conversion, exchange, and subscription and any other rights, privileges, or options pertaining to the Investment Property as if it were the absolute owner thereof (including the right to exchange at its discretion any and all of the Investment Property upon the merger, consolidation, reorganization, recapitalization, or other fundamental change in the corporate or other structure of any Issuer, or upon the exercise by any Grantor or Collateral Agent of any right, privilege, or option pertaining to the Investment Property, and in connection therewith, the right to deposit and deliver any and all of the Investment Property with any committee, depositary, transfer agent, registrar, or other designated agency upon such terms and conditions as Collateral Agent determines (acting at the written direction of the Required Lenders)), all without liability except to account for property actually received by it, but Collateral Agent will not have any duty to any Grantor to exercise any such right, privilege, or option and will not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Investment Property pledged by that Grantor under this Agreement to, and each such Issuer

hereby agrees to promptly comply with any instruction received by that Issuer from Collateral Agent in writing that (i) states that an Event of Default has occurred and is continuing, and (ii) is otherwise in accordance with the terms of this Agreement, without any other or further instructions or consent of that Grantor, including, without limitation, instructions as to the transfer of other disposition of that Investment Property, to pay and remit to Collateral Agent or its nominee all dividends, distributions, and other amounts payable to that Grantor in respect of that Investment Property (upon redemption of that Investment Property, dissolution of that Issuer, or otherwise), and to transfer to, and register that Investment Property in the name of, Collateral Agent or its nominee or transferee. Each Grantor acknowledges that each Issuer will be fully protected in so complying with any such instructions made in accordance with the terms and conditions of this Agreement.

6.4 Proceeds to be Turned over to Collateral Agent. In addition to the rights of Collateral Agent specified in Section 6.1 with respect to payments of Accounts, if an Event of Default occurs and is continuing, then each Grantor shall hold all Proceeds received by that Grantor consisting of cash, checks, and other cash equivalent items in trust for the Secured Parties, segregated from other funds of that Grantor, and shall (unless Collateral Agent provides express written notice to the contrary) promptly upon receipt by that Grantor, turn over all such Proceeds to Collateral Agent in the exact form received by that Grantor (duly endorsed by that Grantor to Collateral Agent, if required). All Proceeds received by Collateral Agent under this Agreement will be held by Collateral Agent in a collateral account maintained under its sole dominion and control. All Proceeds, while held by Collateral Agent in any collateral account (or by any Grantor in trust for the Secured Parties) established pursuant to this Agreement, will continue to be held as collateral security for the Secured Obligations and will not constitute payment thereof until applied as provided in Section 6.5.

6.5 Application of Proceeds. If an Event of Default occurs and is continuing, then Collateral Agent shall apply all or any part of Proceeds from the sale of, or other realization upon, all or any part of the Collateral in accordance with the Credit Agreement.

6.6 Code and Other Remedies. If an Event of Default occurs and is continuing, then Collateral Agent, for itself on behalf of the other Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing, or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC or any other applicable law. Without limiting the generality of the foregoing, Collateral Agent, without demand of performance or other demand, presentment, protest, advertisement, or notice of any kind (except any advertisement or notice expressly required by law, the Credit Agreement, or any other Loan Document) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements, and notices are hereby waived, except to the extent expressly required by law, the Credit Agreement or any other Loan Document), may in such circumstances collect, receive, appropriate, and realize upon the Collateral, or any part thereof, and/or may sell, lease, assign, give options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board, or office of any Secured Party, or elsewhere upon any terms and conditions as it deems advisable and at any prices as it deems best, for cash or on credit or for future delivery with assumption of any credit risk. Each Secured Party will have the right upon any such public sale

or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor shall, at Collateral Agent's request, assemble the Collateral and make it available to Collateral Agent at places that Collateral Agent reasonably selects, whether at that Grantor's premises or elsewhere. Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable out-of-pocket costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights the Secured Parties under this Agreement, including Attorney Costs, to the payment in whole or in part of the Secured Obligations, in accordance with Section 6.5, and only after that application and after the payment by Collateral Agent of any other amount required by any provision of law, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it has or acquires against any Secured Party arising out of the exercise by them of any rights under this Agreement. If any notice of a proposed sale or other disposition of Collateral is required by law, then that notice will be deemed reasonable and proper if given at least 10 days before that sale or other disposition.

6.7 Sales of Pledged Equity.

(a) Each Grantor recognizes that Collateral Agent might be unable to effect a public sale of any or all the Pledged Equity, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and might be compelled to resort to one or more private sales thereof to a restricted group of purchasers that will be obliged to agree, among other things, to acquire those securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale might result in prices and other terms less favorable than if that sale were a public sale and, notwithstanding those circumstances, each Grantor agrees that any such private sale will be deemed to have been made in a commercially reasonable manner. Collateral Agent will be under no obligation to delay a sale of any of the Pledged Equity for the period of time necessary to permit the Issuer thereof to register the applicable securities or other interests for public sale under the Securities Act, or under applicable state securities laws, even if that Issuer would agree to do so.

(b) Each Grantor shall use commercially reasonable efforts to do or cause to be done all such other acts as are reasonably necessary to make any such sale or sales of all or any portion of the Pledged Equity pursuant to this Section 6.7 valid and binding and in compliance with applicable law. Each Grantor acknowledges that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of any such breach, and, as a consequence, that each and every covenant contained in this Section 6.7 is and will be specifically enforceable against that Grantor, and each Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of any such covenants except for a defense that no Event of Default has occurred and is continuing under the Credit Agreement.

6.8 Waiver; Deficiency. Each Grantor waives and agrees not to assert any rights or privileges that it has or acquires under Section 9-626 of the UCC to the extent permitted by

applicable law. Each Grantor will remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Secured Obligations in full and the fees and disbursements of any attorneys employed by Collateral Agent or any Secured Party to collect any such deficiency.

SECTION 7 COLLATERAL AGENT.

7.1 Collateral Agent's Appointment as Attorney-in-Fact; IRREVOCABLE PROXY, etc.

(a) Subject to Section 7.1(d), each Grantor hereby irrevocably constitutes and appoints Collateral Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of that Grantor and in the name of that Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which are necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives Collateral Agent the power and right, on behalf of and at the expense of that Grantor, without notice to or assent by that Grantor, to do any or all of the following:

(i) in the name of that Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances, or other instruments for the payment of moneys due under any Account or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Collateral Agent for the purpose of collecting any and all such moneys due under any Account or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as Collateral Agent requests to evidence Collateral Agent's security interest in that Intellectual Property and the goodwill and general intangibles of that Grantor relating thereto or represented thereby;

(iii) discharge Liens levied or placed on or threatened against the Collateral, and effect any repairs or insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any endorsements, assignments, or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Collateral Agent or as Collateral Agent directs; (B) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims, and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse

receipts, drafts against debtors, assignments, verifications, notices, and other documents in connection with any of the Collateral; (D) commence and prosecute any suits, actions, or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (E) defend any suit, action, or proceeding brought against that Grantor with respect to any Collateral; (F) settle, compromise, or adjust any such suit, action, or proceeding and, in connection therewith, give any discharges or releases as Collateral Agent deems appropriate; (G) assign any Copyright, Patent, or Trademark, throughout the world for any terms, on any conditions, and in any manner, as Collateral Agent in its sole discretion determines; (H) vote any right or interest with respect to any Investment Property; (I) order good standing certificates and conduct lien searches in respect of such jurisdictions or offices as Collateral Agent deems appropriate; and (J) generally sell, transfer, pledge, and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Collateral Agent were the absolute owner thereof for all purposes (including, without limitation, to exercise any and all rights and remedies hereunder and under any other Loan Documents and under the UCC or any other applicable law), and do, at Collateral Agent's option and that Grantor's expense, at any time, or from time to time, all acts and things which Collateral Agent deems necessary to protect, preserve, or realize upon the Collateral and Collateral Agent's security interests therein and to effect the intent of this Agreement, all as fully and effectively as that Grantor might do.

(b) Subject to Section 7.1(d), each Grantor hereby irrevocably designates and appoints Collateral Agent as its true and lawful proxy, until Payment in Full of the Secured Obligations and effective after the occurrence and during the continuance of an Event of Default, with full power of substitution, for and in its name, place, and stead to vote any and all Investment Property owned or held by that Grantor or standing in its name and to do all things which any Grantor might do if present and acting itself. Once exercised by Collateral Agent, the right to vote granted pursuant to this proxy will be exclusive to Collateral Agent and no Grantor will thereafter be entitled to exercise any right to vote in respect of any Investment Property.

(c) **The proxy and powers granted by Grantors pursuant to this Section 7.1 are IRREVOCABLE and coupled with an interest (including but not limited to the Credit Agreement and this Agreement) and are given to secure the obligations under the Credit Agreement and this Agreement. The appointment of Collateral Agent as proxy and attorney-in-fact is valid and IRREVOCABLE as provided in this Agreement notwithstanding any limitations to the contrary set forth in the organizational documents or governing documents of each Grantor or the applicable law of the state of organization of each Grantor.**

(d) Notwithstanding any provision of this Section 7.1 to the contrary, Collateral Agent agrees that it will not exercise any rights under the power of attorney or the irrevocable proxy provided for in this Section 7.1 unless an Event of Default has occurred and is continuing.

(e) If any Grantor fails to perform or comply with any of its agreements contained in this Agreement, Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(f) Each Grantor hereby ratifies all that any such attorney lawfully (in accordance with applicable law) does or causes to be done by virtue of that authority. All powers, proxies, authorizations, and agencies contained in this Agreement are coupled with an interest and are given to secure the Secured Obligations and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2 Duty of Collateral Agent. Collateral Agent's sole duty with respect to the custody, safekeeping, and physical preservation of the Collateral in its possession will be to deal with it in the same manner as Collateral Agent deals with similar property for its own account. Neither Collateral Agent nor any of its respective officers, directors, employees, or agents will be liable for any failure to demand, collect, or realize upon any of the Collateral or for any delay in doing so or will be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on Collateral Agent under this Agreement are solely to protect the Secured Parties' interests in the Collateral and do not and will not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties will be accountable only for amounts that they actually receive as a result of the exercise of any such powers, and neither they nor any of their officers, directors, employees, or agents will be responsible to any Grantor for any act or failure to act under this Agreement.

7.3 Authority of Collateral Agent. Each Grantor acknowledges that the rights and responsibilities of Collateral Agent under this Agreement with respect to any action taken by Collateral Agent or the exercise or non-exercise by Collateral Agent of any option, voting right, request, judgment, or other right or remedy provided for in this Agreement or resulting or arising out of this Agreement will, as between Collateral Agent and the Lenders, be governed by the Credit Agreement and by other agreements with respect thereto as exist from time to time among them, but, as between Collateral Agent and Grantors, Collateral Agent will be conclusively presumed to be acting as agent for the Lenders with full and valid authority so to act or refrain from acting, and no Grantor will be under any obligation, or entitlement, to make any inquiry respecting that authority.

Whenever reference is made in this Agreement to any action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgement, expression or satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be acting, giving, withholding, suffering, omitting, taking or otherwise undertaking and exercising the same (or shall not be undertaking and exercising the same) as directed in accordance with the instructions of the Required Lenders. This provision is intended solely for the benefit if the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

SECTION 8 MISCELLANEOUS.

8.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented, or otherwise modified except in accordance with Section 15.1 of the Credit Agreement.

8.2 Notices. All notices, requests, and demands to or upon any Agent or any Grantor under this Agreement must be addressed to Borrower Representative and effected in the manner provided for in Section 15.3 of the Credit Agreement and each Grantor hereby appoints Borrower Representative as its agent to receive notices under this Agreement.

8.3 **INDEMNIFICATION BY GRANTORS. Each Grantor agrees to indemnify each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender (each, a "Lender Party") as set forth in and subject to the limitations contained in Section 15.17 of the Credit Agreement**.

8.4 Enforcement Expenses. Each Grantor agrees to pay all costs and expenses of the Secured Parties as set forth in and subject to the limitations contained in Section 15.5 of the Credit Agreement.

8.5 Captions. Section captions used in this Agreement are for convenience only and do not affect the construction of this Agreement.

8.6 Nature of Remedies. All Secured Obligations of each Grantor and rights of the Secured Parties expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise and no delay in exercising, on the part of any Secured Party, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

8.7 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties to this Agreement on separate counterparts and each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission will constitute effective legal delivery thereof and will be deemed an original signature under this Agreement for all purposes.

8.8 Severability. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required under this Agreement will not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required under this Agreement. All obligations of the Grantors and rights of Secured Parties expressed herein or in any other Loan Document shall be in addition to and not in limitation of those provided by applicable law.

8.9 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of those Persons, verbal

or written, relating to the subject matter hereof and thereof and any prior arrangements made with respect to the payment by any Grantor of (or any indemnification for) any reasonable out-of-pocket fees, costs or expenses payable to or incurred (or to be incurred) by or on behalf of any Agent or the Lenders.

8.10 Successors; Assigns. This Agreement is binding upon Grantors and each Agent and their respective successors and assigns and will inure to the benefit of Grantors, the Secured Parties, and the successors and assigns of the Secured Parties. No other Person is or will be a direct or indirect legal beneficiary of, or has or will have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Grantor may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of the Agents.

8.11 **GOVERNING LAW. This Agreement is a contract made under and governed by the internal laws of the State of New York applicable to contracts made and to be performed entirely within that state, without regard to conflict-of-laws principles (other than Sections 5-1401 and 5-1402 of the New York General Obligations Law)**.

8.12 **FORUM SELECTION; CONSENT TO JURISDICTION. Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document, will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court for the Southern District of New York, but nothing in this Agreement will be deemed or operate to preclude any Agent from bringing suit or taking other legal action in any other jurisdiction. Each Grantor hereby expressly and irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York for the purpose of any such litigation as set forth above. Each Grantor further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Grantor hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum**.

8.13 **WAIVER OF JURY TRIAL. EACH GRANTOR AND EACH AGENT HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.**

8.14 Set-off. Each Grantor agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Grantor agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the

payment of any Secured Obligations, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of that Grantor then or thereafter with that Agent or that Lender.

8.15 Acknowledgements. Each Grantor hereby acknowledges the following:

(a) that it has been advised by counsel in the negotiation, execution, and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) that no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and that the relationship between Grantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) that no joint venture is created by this Agreement or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby or thereby among Grantors and the Secured Parties.

8.16 Additional Grantors. Each Loan Party that is required to become a party to this Agreement pursuant to Section 10.9 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by that Loan Party of a joinder agreement in the form of Exhibit A.

8.17 Releases.

(a) Upon Payment in Full of the Secured Obligations, the Collateral will be released from the Liens created by this Agreement and this Agreement and all obligations (other than those expressly stated to survive any such termination) of each Agent and each Grantor under this Agreement will terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral will revert to Grantors. At the request and sole expense of any Grantor following any such termination, Collateral Agent shall deliver to Grantors any Collateral held by Collateral Agent under this Agreement and execute and deliver to Grantors any such documents as Grantors reasonably request to evidence that termination.

(b) If any of the Collateral is sold, transferred, or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, then Collateral Agent, at the request and sole expense of that Grantor, shall execute and deliver to that Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created by this Agreement on that Collateral. At the request and sole expense of Borrowers, a Guarantor will be released from its obligations under this Agreement if all the Equity Interests of that Guarantor are sold, transferred, or otherwise disposed of in a transaction permitted by the Credit Agreement, so long as Borrowers have delivered to Collateral Agent, with reasonable notice prior to the date of the proposed release, a written request for release identifying the relevant Guarantor and the terms of the sale or other disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a certification by Borrower Representative on behalf of each Borrower stating that the transaction is in compliance with the Credit Agreement and the other Loan Documents.

8.18 Obligations and Liens Absolute and Unconditional. Each Grantor understands and agrees that the obligations of each Grantor under this Agreement are, and are to be construed as, continuing, absolute, and unconditional without regard to any of the following: (a) the validity or enforceability of any Loan Document, any of the Secured Obligations, or any other collateral security therefor or guaranty or right of offset with respect thereto at any time or from time to time held by any Secured Party; (b) any defense, set-off, or counterclaim (other than a defense of payment or performance) that is available to or can be asserted by any Grantor or any other Person against any Secured Party; or (c) any other circumstance whatsoever (with or without notice to or knowledge of any Grantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of any Grantor for the Secured Obligations, in bankruptcy or in any other instance. When making any demand under this Agreement or otherwise pursuing its rights and remedies under this Agreement against any Grantor, any Agent may, but will be under no obligation to, make a similar demand on or otherwise pursue any such rights and remedies as it might have against any other Grantor or any other Person or against any collateral security or guaranty for the Secured Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue any such other rights or remedies, or to collect any payments from any other Grantor or any other Person or to realize upon any such collateral security or guaranty or to exercise any such right of offset, or any release of any other Grantor or any other Person or any such collateral security, guaranty or right of offset, will not relieve any Grantor of any obligation or liability under this Agreement and will not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Grantor. For the purposes of this Section 8.18, "demand" includes the commencement and continuance of any legal proceedings.

8.19 Reinstatement. This Agreement will remain in full force and effect and continue to be effective if any petition is filed by or against any Grantor or any Issuer for liquidation or reorganization, if any Grantor or any Issuer becomes insolvent or makes an assignment for the benefit of creditors, or if a receiver or trustee is appointed for all or any significant part of any Grantor's or any Issuer's assets. This Agreement will continue to be effective or be reinstated, as applicable, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though that payment or performance had not been made. If any payment, or any part thereof, is rescinded, reduced, restored, or returned, then the Secured Obligations will be reinstated and deemed reduced only by the amount paid and not so rescinded, reduced, restored, or returned.

8.20 Mexican Collateral. Notwithstanding anything herein to the contrary, (x) solely with respect to the assets of the Mexican Subsidiaries, the Lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Mexican Loan Documents, and (y) no Grantor that is a Mexican Subsidiary shall be required to deliver Schedules to this Agreement. All representations and warranties and covenants herein with respect to the assets of the Mexican Subsidiaries or the Collateral of the Mexican Subsidiaries, including without limitation Section 4.2, shall be deemed to include all actions and agreements taken under the Mexican Loan Documents. Solely with respect to the Mexican Subsidiaries, in the event of any conflict between the terms of the Mexican Loan Documents and this Agreement, the terms of the

Mexican Loan Documents solely with respect to the Mexican Subsidiaries shall govern and control.

8.21 Reference Subordination Agreement. Notwithstanding any provision to the contrary contained herein, all terms and provisions of this Agreement are subject to the terms of the Reference Subordination Agreement. In the event of any conflict between the terms of this Agreement (other than Section 3) and the Reference Subordination Agreement, the terms of the Reference Subordination Agreement shall govern. Any reference in this Agreement to a "first priority Lien" or words of similar effect in describing the security interests created hereunder shall be understood to refer to such priority subject to the claims of the First Lien Agent (as defined in the Reference Subordination Agreement) under the Collateral Documents (as defined in the Senior Credit Facility Documentation). To the extent that any original certificate, promissory note, chattel paper or instrument is required pursuant to the terms of this Agreement to be delivered to the Collateral Agent, so long as the Reference Subordination Agreement is in effect, delivery of such original certificates, promissory notes, chattel paper, or instruments to the First Lien Agent (as defined in the Reference Subordination Agreement) shall be deemed to satisfy such requirement.

ARTICLE VI

MISCELLANEOUS

Section 6.1 Signatures; Effect of Amendment. By executing this Amendment, each of the Loan Parties is deemed to have executed the Credit Agreement, as amended hereby, as a Borrower and a Loan Party (or, in the case of the Intermediate Holdings and the Guarantors, solely as a Loan Party). All such Loan Parties, the Administrative Agent, the Collateral Agent and the Lenders acknowledge and agree that (a) nothing contained in this Amendment in any manner or respect limits or terminates any of the provisions of the Credit Agreement or any of the other Loan Documents other than as expressly set forth herein and further agree and acknowledge that the Credit Agreement (as amended hereby) and each of the other Loan Documents remain and continue in full force and effect and are hereby ratified and confirmed, and (b) other than as expressly set forth herein, the obligations under the Credit Agreement and the guarantees, pledges and grants of security interests created under or pursuant to the Credit Agreement and the other Loan Documents continue in full force and effect in accordance with their respective terms and the Collateral secures and shall continue to secure the Loan Parties' obligations under the Credit Agreement (as amended hereby) and any other obligations and liabilities provided for under the Loan Documents. Except to the extent expressly set forth herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any rights, power or remedy of the Administrative Agent, the Collateral Agent or the Lenders under the Credit Agreement or any other Loan Document, nor constitute a waiver of any provision of the Credit Agreement or any other Loan Document, nor constitute a novation of any

of the Obligations under the Credit Agreement or obligations under the Loan Documents. This Amendment does not extinguish the indebtedness or liabilities outstanding in connection with the Credit Agreement or any of the other Loan Documents. No delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any of their respective rights, remedies, powers and privileges under the Credit Agreement or any of the Loan Documents or partial or single exercise thereof, shall constitute a waiver thereof. None of the terms and conditions of this Amendment may be changed, waived, modified or varied in any manner, whatsoever, except in accordance with Section 15.1 of the Credit Agreement.

Section 6.2 Counterparts. This Amendment may be executed electronically and in any number of counterparts and by the different parties on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of the executed counterpart of this Amendment by telecopy or electronic mail shall be as effective as delivery of a manually executed counterpart to this Amendment.

Section 6.3 Severability. The illegality or unenforceability of any provision of this Amendment or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Amendment or any instrument or agreement required hereunder.

Section 6.4 Captions. Section captions used in this Amendment are for convenience only, and shall not affect the construction of this Amendment.

Section 6.5 Entire Agreement. This Amendment embodies the entire agreement and understanding among the parties hereto and supersedes all prior or contemporaneous agreements and understandings of such Persons, verbal or written, relating to the subject matter hereof.

Section 6.6 References. Any reference to the Credit Agreement contained in any notice, request, certificate, or other document executed concurrently with or after the execution and delivery of this Amendment shall be deemed to include this Amendment unless the context shall otherwise require. Reference in any of this Amendment, the Credit Agreement, or any other Loan Document to the Credit Agreement shall be a reference to the Credit Agreement as amended hereby and as may be further amended, modified, restated, supplemented or extended from time to time.

Section 6.7 Governing Law. THIS AMENDMENT IS A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

Section 6.8 Payment of Costs and Expenses. Each Loan Party, jointly and severally, agree pursuant to the terms of Section 15.5 of the Credit Agreement, to pay on demand all reasonable out-of-pocket costs and expenses of the Administrative Agent and the Lenders incurred in connection with the transactions contemplated hereby (including Attorney Costs and Taxes) in connection with the preparation, execution and delivery of this Amendment and the other Loan Documents.

shall not be construed against the Agents or the Lenders merely because of the Agents' or Lenders' involvement in their preparation.

(h) If any delivery due date specified in Section 10.1 for the delivery of reports, certificates and other information required to be delivered pursuant to Section 10.1 falls on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day.

(i) A Default or Event of Default will be deemed to have occurred and exist at all times during the period commencing on the date that Default or Event of Default occurs to the date on which that Default or Event of Default is waived in writing pursuant to this Agreement or, in the case of a Default, is cured within any period of cure expressly provided for in this Agreement, and an Event of Default will "continue" or be "continuing" until that Event of Default has been waived in writing by the Required Lenders.

Section 1.3 Accounting and Other Terms.

(a) Unless otherwise expressly provided in this Agreement, each accounting term used in this Agreement has the meaning given it under GAAP applied on a basis consistent with those used in preparing the financial statements and using the same inventory valuation method as used in the financial statements, except for any change required or permitted by GAAP if Borrowers' certified public accountants concur in that change, the change is disclosed to Administrative Agent, and Section 11.12 is amended in a manner satisfactory to Administrative Agent to take into account the effects of the change. All financial statements delivered pursuant to this Agreement shall be prepared in the English language and Dollars.

(b) If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and any of the Borrowers, the Required Lenders shall so request, with notice to the Administrative Agent, the Lenders and the Borrower Representative on behalf of the Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders). Notwithstanding anything to the contrary contained in this paragraph or the definition of "Capital Lease," or "Capital Lease Obligations" in the event of an accounting change requiring all leases to be capitalized, only those leases (assuming for purposes hereof that they were in existence on the Closing Date) that would constitute Capital Leases or Capital Lease Obligations in accordance with GAAP on December 31, 2018 shall be considered Capital Leases or Capital Lease Obligations, as applicable, and all calculations and deliverables under this Agreement or any other Loan Document shall be made in accordance therewith; provided, that, for the avoidance of doubt, all leases entered into after December 31, 2018 shall be capitalized, except to the extent that any such lease is a renewal, extension or replacement of any lease entered into or prior to December 31, 2018.

(c) All terms used in this Agreement which are defined in Article 8 or Article 9 of the UCC and which are not otherwise defined in this Agreement have the same meanings in this Agreement as set forth therein, except that terms used in this Agreement which are defined in the UCC as in effect in the State of New York on the date of this Agreement will

continue to have the same meaning notwithstanding any replacement or amendment of that statute except as Administrative Agent may otherwise determine

Section 1.4 Classification of Loans1.4.1 . For purposes of this Agreement, Loans may be classified and referred to by Type (e.g., a "Tranche A-1 Loan").

ARTICLE II

COMMITMENTS OF THE LENDERS; BORROWING PROCEDURES

The Tranche B-2 Commitments of the Tranche B-2 Lenders to make Tranche B-2 Loans shall expire concurrently with the making of the Tranche B-2 Loans on the Closing Date. Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(e) Each Tranche C Lender agrees to make a Tranche C Loan in Dollars to Ultimate Holdings on the Closing Date in an amount equal to such Lender's Pro Rata Share of the aggregate amount of the Tranche C Commitments of all Tranche C Lenders. The Tranche C Commitments of the Tranche C Lenders to make Tranche C Loans shall expire concurrently with the making of the Tranche C Loans on the Closing Date.

(f) Each Tranche D Lender agrees to make a Tranche D Loan in Dollars to Ultimate Holdings on the Closing Date in an amount equal to such Lender's Pro Rata Share of the aggregate amount of the Tranche D Commitments of all Tranche D Lenders. The Tranche D Commitments of the Tranche D Lenders to make Tranche D Loans shall expire concurrently with the making of the Tranche D Loans on the Closing Date.

(g) Each Tranche E Lender agrees to make a Tranche E Loan in Dollars to Ultimate Holdings on the Amendment No. 1 Effective Date in an amount equal to such Lender's Pro Rata Share of the aggregate amount of the Tranche E Commitments of all Tranche E Lenders. The Tranche E Commitments of the Tranche E Lenders to make Tranche E Loans shall expire concurrently with the making of the Tranche E Loans on the Amendment No. 1 Effective Date.

(h) Amounts repaid with respect to any of the Loans may not be reborrowed.

Section 2.2 Borrowing Procedures.

(a) The Borrower Representative shall give written notice (each such written notice, a "Notice of Borrowing") to Administrative Agent and each Lender of the proposed borrowing not later than 10:00 A.M. (Mexico, City time) three Business Days prior to the proposed date of that borrowing (or such shorter period acceptable to the Administrative Agent). Each such notice will be effective upon receipt by Administrative Agent, will be irrevocable, and must specify the proposed Closing Date (which date shall be a Business Day prior to the Termination Date), or with respect to the borrowing of Tranche E Loans, the proposed Amendment No. 1 Effective Date, and amount of the requested borrowing. Except as otherwise agreed in a flow of funds memorandum in form and substance acceptable to the Administrative Agent and the Lenders (a "Funds Flow Memorandum") on the Closing Date, or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date, each Lender shall provide Administrative Agent with immediately available funds covering that Lender's Pro Rata Share of that borrowing so long as the applicable Lender has not received written notice that the conditions precedent set forth in Article XII with respect to that borrowing have not been satisfied. Except as otherwise agreed in a Funds Flow Memorandum, after the Administrative Agent's receipt of the proceeds of the applicable Loans from the Lenders, the Administrative Agent shall make the proceeds of those Loans available to the applicable Borrower on the Closing Date (or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date) by transferring to the applicable Borrower immediately available funds equal to the proceeds received by the Administrative Agent. There shall be a single borrowing of the Loans hereunder.

(b) Funding Losses. In connection with each Loan, each Borrower shall jointly and severally indemnify, defend, and hold the Administrative Agent and the Lenders harmless against any loss, cost, or expense actually incurred by the Administrative Agent or any Lender as a result of the failure to borrow any Loan on the date specified by the Borrower Representative in a Notice of Borrowing (other than as a result of any failure of any Lender to make such Loan to the extent required by this Agreement that a court of competent jurisdiction finally determines to have resulted from gross negligence, willful misconduct, or bad faith of

such Lender) (such losses, costs, or expenses, "Funding Losses"). A certificate of the Administrative Agent or a Lender delivered to the Borrower Representative setting forth in reasonable detail any amount or amounts that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 2.2.2 shall be conclusive absent manifest error. Borrowers shall pay such amount to the Administrative Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate.

Section 2.3 Commitments Several. The failure of any Lender to make a requested Loan on any date shall not relieve any other Lender of its obligation (if any) to make a Loan on such date, but no Lender shall be responsible for the failure of any other Lender to make any Loan to be made by such other Lender. Anything herein to the contrary notwithstanding, the Tranche A-1 Lenders, Tranche A-2 Lenders, Tranche B-1 Lenders and Tranche B-2 Lenders shall be relieved from their obligations to make Loans hereunder in case of failure by the Tranche C Lenders and the Tranche D Lenders to make Tranche C Loans and Tranche D Loans in an aggregate principal amount of at least U.S.$4,000,000, hereunder.

Section 2.4 Certain Conditions. No Lender shall have an obligation to make any Loan if an Event of Default or Default has occurred and is continuing.

Section 2.5 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions will apply for so long as that Lender is a Defaulting Lender:

(a) Any amount payable to a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, or otherwise and including any amount that would otherwise be payable to that Defaulting Lender pursuant to Section 7.5 but excluding Article VIII) will, in lieu of being distributed to that Defaulting Lender, be retained by the Administrative Agent and, subject to any applicable requirements of law, be applied as follows at such time or times as the Administrative Agent determines: (i) first, to the payment of any amounts owing by that Defaulting Lender to the Agents under this Agreement; (ii) second, *pro rata*, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; (iii) third, if so determined by the Administrative Agent and the Borrowers, held as cash collateral for future funding obligations of the Defaulting Lender under this Agreement; (iv) fourth, *pro rata*, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and (v) fifth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction. If any such payment is a prepayment of the principal amount of any Loans and made at a time when the conditions set forth in Section 12.2 are satisfied, then that payment will be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders *pro rata* prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(b) If the Administrative Agent and the Borrowers each agrees that a Defaulting Lender has adequately remedied all matters that caused that Lender to be a Defaulting

Lender, then that Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent determines is necessary in order for that Lender to hold those Loans in accordance with its Pro Rata Share (as determined pursuant to clause (a) of the definition of "Pro Rata Share"). No Defaulting Lender will have any right to approve or disapprove any amendment, waiver, consent, or any other action the Lenders or the Required Lenders have taken or may take under this Agreement (including any consent to any amendment or waiver pursuant to Section 15.1) but any waiver, amendment, or modification requiring the consent of all Lenders or each directly affected Lender that affects a Defaulting Lender differently than other affected Lenders will require the consent of that Defaulting Lender.

ARTICLE III

EVIDENCING OF LOANS

Section 3.1 Notes. Each Tranche A-1 Loan shall be evidenced by a Tranche A-1 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (ii) each Tranche A-2 Loan shall be evidenced by a Tranche A-2 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (iii) each Tranche B-1 Loan shall be evidenced by a Tranche B-1 Note, executed by Ultimate Holdings as issuer; (iv) each Tranche B-2 Loan shall be evidenced by a Tranche B-2 Note, executed by Ultimate Holdings as issuer; (v) each Tranche C Loan shall be evidenced by a Tranche C Note, executed by Ultimate Holdings as issuer; (vi) each Tranche D Loan shall be evidenced by a Tranche D Note, executed by Ultimate Holdings as issuer; and (vii) each Tranche E Loan shall be evidenced by a Tranche E Note, executed by Ultimate Holdings as issuer. The Notes shall be delivered to each Lender for the benefit of such Lender on or before the Closing Date (or with respect to Tranche E Notes, on or before the Amendment No. 1 Effective Date), appropriately completed. Each Loan and interest thereon shall at all times (including after assignment pursuant to Section 15.6) be represented by one or more Notes in such form payable to the payee named therein. Each Lender shall be entitled to have its Notes substituted, exchanged or subdivided for Notes of lesser denominations in connection with a permitted assignment of all or any portion of such Lender's Loans and Notes pursuant to Section 15.6. In case of theft, partial or complete destruction or mutilation of any Note, the relevant Lender shall be entitled to request to the Borrowers, and the Borrowers shall promptly (but in any event within ten days of such notice) execute and deliver in lieu thereof a new Note, dated the same date as the lost, stolen, destructed or mutilated Note.

Section 3.2 Recordkeeping. The Administrative Agent, on behalf of each Lender, shall record in its records, the date and amount of each Loan made by each Lender and each repayment or conversion (if permissible) thereof. The aggregate unpaid principal amount so recorded will be rebuttably presumptive evidence of the principal amount of the Loans owing and unpaid. The failure to so record any such amount or any error in so recording any such amount will not, however, limit or otherwise affect the Obligations of the Borrowers under this Agreement or under any Note to repay the principal amount of the Loans under this Agreement, together with all interest accruing thereon.

ARTICLE IV

INTEREST

Section 4.1 Interest Rates.

(a) (i) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-1 Loan for the period commencing on the date that Tranche A-1 Loan is made until that Tranche A-1 Loan is paid in full at a rate per annum equal to 11.00%; (ii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-2 Loan for the period commencing on the date that Tranche A-2 Loan is made until that Tranche A-2 Loan is paid in full at a rate per annum equal to 17.41%; (iii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-1 Loan for the period commencing on the date that Tranche B-1 Loan is made until that Tranche B-1 Loan is paid in full at a rate per annum equal to 11.00%; (iv) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-2 Loan for the period commencing on the date that Tranche B-2 Loan is made until that Tranche B-2 Loan is paid in full at a rate per annum equal to 17.41%; (v) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche C Loan for the period commencing on the date that Tranche C Loan is made until that Tranche C Loan is paid in full at a rate per annum equal to 11.00%; (vi) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche D Loan for the period commencing on the date that Tranche D Loan is made until that Tranche D Loan is paid in full at a rate per annum equal to 11.00%; and (vii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche E Loan for the period commencing on the Amendment No. 1 Effective Date until that Tranche E Loan is paid in full at a rate per annum equal to 11.00%.

As between AgileThought Mexico and the Peso Lenders only, and for information purposes only, the interest rate applicable to the Peso Loans has been agreed giving due regard to factors that would make the rate the substantial equivalent to the interest rate applicable to the Dollar Loans.

(b) Notwithstanding the foregoing, at any time an Event of Default exists, the interest rate applicable to each Loan will be increased by 2% during the existence of an Event of Default (and, in the case of Obligations not bearing interest, those Obligations will, during the existence of an Event of Default, bear interest at the highest interest rate applicable to the Loans plus 2%), but any such increase may be rescinded by Required Lenders, notwithstanding Section 15.1. Notwithstanding the foregoing, upon the occurrence of an Event of Default under Sections 13.1.1 or 13.1.4, the increase provided for in this Section 4.1 will occur automatically. In no event will interest payable by the Borrowers to any Lender under this Agreement exceed the maximum rate permitted under applicable law, and if any such provision of this Agreement is in contravention of any such law, then that provision will be deemed modified to limit that interest to the maximum rate permitted under that law.

Section 4.2 Interest Payment Dates; Payment-in-Kind.

(a) Tranche A-1 Loans.

(i) Accrued interest on each Tranche A-1 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-1 Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-1 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-1 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-1 Loans, and such interest amount (together with any principal of the Tranche A-1 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-1 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-1 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-1 Loan maintained by such Tranche A-1 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-1 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-1 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-1 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-1 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-1 Loans as provided in this Section 4.2(a)(ii).

(b) Tranche A-2 Loans.

(i) Accrued interest on each Tranche A-2 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-2 Loans shall be payable on demand. Funds due in pesos will be deposited to an account

with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-2 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-2 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-2 Loans, and such interest amount (together with any principal of the Tranche A-2 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-2 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-2 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-2 Loan maintained by such Tranche A-2 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-2 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-2 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-2 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-2 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-2 Loans as provided in this Section 4.2(a)(ii).

(c) Tranche B-1 Loans.

(i) Accrued interest on each Tranche B-1 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-1 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-1 Loans shall be increased such that the Tranche B-1 Lenders receive an amount on account of interest on the Tranche B-1 Loans equal to the amount that would have resulted if interest on the Tranche B-1 Loans shall have been capitalized on each Interest Payment Date

(other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-1 Loans.

(d) Tranche B-2 Loans.

(i) Accrued interest on each Tranche B-2 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-2 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-2 Loans shall be increased such that the Tranche B-2 Lenders receive an amount on account of interest on the Tranche B-2 Loans equal to the amount that would have resulted if interest on the Tranche B-2 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-2 Loans. Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(e) Tranche C Loans.

(i) Accrued interest on each Tranche C Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche C Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche C Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche C Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche C Loans, and such interest amount (together with any principal of the Tranche C Loans prior to giving effect to the provisions of this Section 4.2(e)(ii)) thereafter shall form part of the Tranche C Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche C Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche C Loan maintained by such Tranche C Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is

due, the Tranche C Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche C Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche C Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche C Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche C Loans as provided in this Section 4.2(e)(ii).

(f) Tranche D Loans.

(i) Accrued interest on each Tranche D Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche D Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche D Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche D Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche D Loans, and such interest amount (together with any principal of the Tranche D Loans prior to giving effect to the provisions of this Section 4.2(f)(ii)) thereafter shall form part of the Tranche D Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche D Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche D Loan maintained by such Tranche D Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche D Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche D Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche D Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche D Lenders, duly

executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche D Loans as provided in this Section 4.2(f)(ii).

(g) Tranche E Loans.

(i) Accrued interest on each Tranche E Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. If requested by the Tranche E Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche E Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche E Loans as provided in this Section 4.2(g)(ii).

(h) The provisions of this Section 4.2 represent the sole and entire agreement of the parties to capitalize interest and accept payment of interest other than in cash; provided, that such agreement is subject to the terms of the Reference Subordination Agreement. Any interest not capitalized and added to principal pursuant to Section 4.2 shall continue to be payable in cash in accordance with the terms of this Agreement and the Notes, and if unpaid when due, shall bear interest at the applicable rate provided in Section 4.1.

Section 4.3 Computation of Interest. Interest will be computed for the actual number of days elapsed on the basis of a year of 360 days.

Section 4.4 Intent to Limit Charges to Maximum Lawful Rate. In no event will any interest rate payable under this Agreement (including, without limitation, under Section 4.1 plus any other amounts paid in connection herewith), exceed the highest rate permissible under any law that a court of competent jurisdiction, in a final determination, deems applicable. Borrowers and the Lenders, in executing and delivering this Agreement, intend legally to agree upon the rates of interest and manner of payment stated within this Agreement; provided that, notwithstanding any provision of this Agreement to the contrary, if any such rate of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, each Borrower is and will be liable only for the payment of such maximum amount as is allowed by law, and payment received from such Borrower in excess of such legal maximum, whenever received, will be applied to reduce the principal balance of the Obligations to the extent of that excess.

Section 6.3 Manner and Application of Prepayments. All prepayments of the Loans under Section 6.2 shall be subject to the Reference Subordination Agreement and to Section 8.7 and shall be accompanied by payment of all accrued interest on the Loans (or portion thereof) being prepaid. (b) Each Lender, acting in its sole and individual discretion, shall, by notice to the Administrative Agent given not earlier than 30 days prior to the Existing Maturity Date and not later than the date (the "Notice Date") that is 20 days prior to the Existing Maturity Date, advise the Administrative Agent whether or not such Lender agrees to such extension. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.

(c) The Administrative Agent shall notify the Borrowers of each Lender's determination under this Section no later than the date five days prior to the Existing Maturity Date (or, if such date is not a Business Day, on the following Business Day).

(d) As a condition precedent to any such extension, the Borrowing Agent shall deliver to the Administrative Agent (y) a certificate of each Loan Party dated as of the Existing Maturity Date (in sufficient copies for each Lender) signed by an authorized signatory of such Loan Party (i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such extension and (ii) certifying that, before and after giving effect to such extension, (A) the representations and warranties contained in Article IX and the other Loan Documents are true and correct on and as of the Existing Maturity Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 6.6, the representations and warranties contained in Section 9.4 shall be deemed to refer to the most recent statements furnished pursuant to Section 10.1.1 and Section 10.1.2, and (B) no Default or Event of Default exists, and *(z)* evidence in form and substance satisfactory to Administrative Agent and the Lenders that (i) each of the Mexican Collateral Agreements has been acknowledged and ratified by the parties thereto consenting to the extension of the Existing Maturity Date, and (ii) proper registration of the acknowledgement and ratification of each of the Mexican Collateral Agreements has been carried out before the Sole Registry of Liens over Movable Assets (*Registro Único de Garantías Mobiliarias*) and before the Mexican Industrial Property Institute (*Instituto Mexicano de la Propiedad Industrial*), in terms of each Mexican Collateral Agreement, respectively.

ARTICLE VII

MAKING AND PRORATION OF PAYMENTS; SETOFF; TAXES

Section 7.1 Making of Payments.

7.1.1 Borrowers shall make all payments of principal or interest on the Loans, and of all fees, to the Administrative Agent in immediately available funds to the account designated by the Administrative Agent for such purpose, not later than 12:00 P.M. (Mexico City time) on the date due, and funds received after that time shall be deemed to have been received by the Administrative Agent on the following Business Day, with the exception that funds due in pesos for the Peso Loans will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the date due. Borrowers shall make all payments to the Agents and the Lenders without set-off, counterclaim, recoupment, deduction, or other defense. Subject to Section 2.5, Administrative Agent shall promptly remit to each Lender and the Collateral Agent its share of all such payments received in collected funds by Administrative Agent for the account of such Lender and the Collateral Agent. Notwithstanding the foregoing, Borrowers shall make all payments under Section 8.1 directly to the Lender entitled thereto.

7.1.2 Except to the extent otherwise provided herein (i) each payment or prepayment of principal of the Loans shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans, Tranche D Loans and Tranche E Loans, and within each Type shall be made for the account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Loans of such Type held by the respective Lenders and (ii) each payment of interest by the Borrowers shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans, Tranche D Loans and Tranche E Loans, and within each Type shall be made for account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of interest on the Loans of that same Type then due and payable to the Lenders of such Type.

Section 7.2 Application of Certain Payments.

7.2.1 So long as no Default or Event of Default has occurred and is continuing, mandatory prepayments shall be applied as set forth in Section 6.3.

7.2.2 Subject to any written agreement among Administrative Agent and the Lenders:

(a) [Reserved].

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent, acting upon the written direction of the Required Lenders, shall apply

all payments in respect of any Obligations and all proceeds of the Collateral, subject to the provisions of this Agreement, as follows: (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay the Obligations in respect of any fees and indemnities then due and payable to the Lenders until paid in full; (iii) third, ratably to pay interest then due and payable in respect of the Loans until paid in full based on the Dollar Amount thereof; (iv) fourth, ratably to pay principal of the Loans until paid in full based on the Dollar Amount thereof; (v) fifth, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 7.2.2(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after, or that would have accrued but for, the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 7.2.2 and other provisions contained in any other Loan Document, it is the intention of the parties to this Agreement that all such priority provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 7.2.2 shall control and govern.

Section 7.3 Due Date Extension. If any payment of principal or interest with respect to any of the Loans, or of any fees, falls due on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day unless the result of that extension would cause such due date to occur in another calendar month, in which case such due date shall be the immediately preceding Business Day and, in the case of principal, additional interest shall accrue and be payable for the period of any such extension.

Section 7.4 Setoff. All payments made by Borrowers hereunder or under any Loan Documents shall be made without setoff, counterclaim, or other defense. Each Borrower, for itself and each other Loan Party, agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Borrower, for itself and each other Loan Party, agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the payment of any Obligations of each Borrower and each other Loan Party under this Agreement, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of each Borrower and each other Loan Party then or thereafter with that Agent or that Lender.

Section 7.5 Proration of Payments. Except as provided in Section 2.5, if any Lender obtains any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise), on account of principal of or interest on any Loan (but excluding (a) any payment pursuant to Section 8 or 15.6, or (b) payments of interest on any Affected Loan) in excess of its applicable Pro Rata Share of payments and other recoveries obtained by all Lenders on account

of principal of and interest on the Loans, then held by them, then that Lender shall purchase from the other Lenders such participations in the Loans held by them as are necessary to cause that purchasing Lender to share the excess payment or other recovery ratably with each of them, but if all or any portion of the excess payment or other recovery is thereafter recovered from that purchasing Lender, then that purchase will be rescinded and the purchase price restored to the extent of that recovery.

Section 7.6 Taxes.

7.6.1 The Loan Parties shall make all payments under this Agreement or under any Loan Documents without setoff, counterclaim, or other defense. All payments under this Agreement or under the Loan Documents (including any payment of principal, interest, or fees and including, for the avoidance of doubt, any payment that results from the delivery of Conversion Payment Shares) to, or for the benefit, of any Person will be made by the Loan Parties free and clear of and without deduction or withholding for, or account of, any Taxes now or hereafter imposed by any taxing authority, except as required by applicable law.

7.6.2 If Borrowers make any payment (including, for the avoidance of doubt, that results from the exercise of the conversion rights under Article XVIII) under this Agreement or under any other Loan Document in respect of which any Borrower is required by applicable law to deduct or withhold any Taxes, then (i) the Borrower shall be entitled to deduct or withhold from such payment the amount of such Taxes, (ii) the Borrower shall timely pay the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, the sum payable by such Borrower shall be increased such that after the reduction for the amount of Indemnified Taxes withheld (and any Indemnified Taxes withheld or imposed with respect to the additional payments required under this Section 7.6.2), the recipient of the payment receives an amount equal to the sum it would have received had no such withholding been made. To the extent Borrowers withhold any Taxes on payments under this Agreement or under any other Loan Document, Borrowers shall deliver to Administrative Agent within 30 days after Borrowers have made payment to that taxing authority a receipt issued by that taxing authority (or other evidence reasonably satisfactory to Administrative Agent) evidencing the payment of all amounts so required to be deducted or withheld from that payment.

7.6.3 If any Lender or Agent or other recipient is required by law to make any payments of any Indemnified Taxes on or in relation to any amounts received or receivable under this Agreement or under any other Loan Document, or any Indemnified Tax is assessed against a Lender or Agent or other recipient with respect to amounts received or receivable under this Agreement or under any other Loan Document, Borrowers will indemnify that Person against (i) that Indemnified Tax and (ii) any Indemnified Taxes imposed as a result of the receipt of the payment under this Section 7.6.3. A certificate prepared in good faith as to the amount of any such payment by that Lender or Agent or other recipient will, absent manifest error, be final, conclusive, and binding on all parties.

7.6.4 Notwithstanding anything to the contrary in Sections 7.6.2 and 7.6.3, the Borrowers shall in no event be required to pay the Tranche B-1 Lender or the Tranche B-2

Lender additional amounts under clause (iii) of Section 7.6.2 with respect to U.S. federal withholding Taxes ("U.S. Withholding Tax Additional Amounts") or to indemnify the Tranche B-1 Lender or the Tranche B-2 Lender under Section 7.6.3 against Indemnified Taxes that are U.S. federal withholding Taxes ("U.S. Withholding Tax Indemnity Payments") to the extent the sum of any U.S. Withholding Tax Additional Amounts and any U.S. Withholding Tax Indemnity Payments paid by the Borrowers to the Tranche B-1 Lender and the Tranche B-2 Lender exceeds, in the aggregate, U.S.$250,000.

7.6.5 i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any Loan Document shall use its best efforts to deliver to the Borrower Representative and the Administrative Agent, such properly and completed executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payment to be made without withholding or at a reduced rate of withholding.

(b) Without limiting the generality of the foregoing:

(A) each Lender that is not a United States person within the meaning of Code Section 7701(a)(30) (a "Non-U.S. Lender") shall use its best efforts to deliver to Borrower Representative and Administrative Agent on the earlier of (i) the date that is six (6) months after the Closing Date (or in the case of a Lender that is an Assignee, on the date of the assignment) and (ii) the date of delivery of Conversion Payment Shares, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY (or any successor or other applicable form prescribed by the IRS) for each such Lender and, as applicable, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable form prescribed by the IRS) for each of its partners or other beneficial owners certifying to the entitlement to a complete exemption from, or reduction in, U.S. federal withholding tax on interest payments to be made under this Agreement or under any Loan Document, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers or the Administrative Agent to determine the withholding or deduction to be made. If a Lender or one of its partners or other beneficial owners is claiming a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c), then that Lender shall deliver (along with two accurate and complete original signed copies of IRS Form W-8IMY, W-8BEN or W-8BEN-E, as applicable) a certificate in form and substance reasonably acceptable to Borrower Representative and Administrative Agent to the effect that such Person is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate, a "Withholding Certificate"). To the extent a Lender (or its partners or other beneficial owners, as applicable) would be entitled to claim a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c) with respect to payments received under this Agreement or under

the Loan Documents, and such Lender takes any action that could reasonably be expected to result in the loss of such exemption, the Borrowers shall not be required to pay to such Lender amounts pursuant to Section 7.6 in excess of the maximum amount that the Borrowers would have been required to pay pursuant to the Laws in effect on the date of this Agreement had the Lender not taken such action. In addition, each Non-U.S. Lender shall, from time to time after the Closing Date (or in the case of a Lender that is an Assignee, after the date of the assignment to that Lender) when a lapse in time (or change in circumstances occurs) renders the prior certificates delivered under this Agreement obsolete or inaccurate in any material respect, use its best efforts to deliver to Borrower Representative and Administrative Agent two new and accurate and complete original signed copies of IRS Forms W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable forms prescribed by the IRS), and if applicable, a new Withholding Certificate, to confirm or establish the entitlement of such Lender (or its respective partner or other beneficial owner) to an exemption from, or reduction in, United States withholding tax on interest payments to be made under this Agreement or with respect to any Loan (or such Lender shall otherwise promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to deliver such forms and/or Withholding Certificate).

(B) Each Lender that is not a Non-U.S. Lender shall provide two properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) to Borrower Representative and Administrative Agent certifying that that Lender is exempt from United States backup withholding Tax. To the extent that a form provided pursuant to this Section 7.6.5(b) is rendered obsolete or inaccurate in any material respect as result of change in circumstances with respect to the status of a Lender or Administrative Agent, then that Lender or Administrative Agent shall, to the extent permitted by applicable law, deliver to Borrower Representative and, as applicable, Administrative Agent revised forms necessary to confirm or establish the entitlement to that Lender's exemption from United States backup withholding Tax (or such Lender or Administrative Agent shall otherwise promptly notify the Borrower Representative and, as applicable, the Administrative Agent in writing of its legal inability to deliver such forms).

7.6.6 Each Lender shall indemnify Administrative Agent and hold Administrative Agent harmless for the full amount of any and all present or future Taxes and related liabilities (including penalties, interest, additions to Tax and expenses, and any Taxes imposed by any jurisdiction on amounts payable to Administrative Agent under this Section 7.6) which are imposed on or with respect to principal, interest, or fees payable to that Lender under this Agreement and which are not paid by Borrowers pursuant to this Section 7.6, whether or not those Taxes or related liabilities were correctly or legally asserted. This indemnification must be made within 30 days from the date Administrative Agent makes written demand therefor.

7.6.7 If an Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers or with

respect to which the Borrowers have paid additional amounts pursuant to this Section 7.6, then that Agent or that Lender, as applicable, shall pay over that refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 7.6 with respect to the Indemnified Taxes giving rise to that refund), net of any Taxes imposed by reason of receipt of that refund and all out-of-pocket expenses of that Agent or that Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to that refund, which interest must be paid to the Borrowers). Upon the request of any such Agent or any such Lender, Borrowers shall repay any amount paid to the Borrowers (plus any penalties, interest, or other charges imposed by the relevant Governmental Authority) to that Agent or that Lender in the event that Agent or that Lender is required to repay any such refund to any such Governmental Authority. Nothing in this Section 7.6.7 is to be construed to require any Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

7.6.8 The Borrowers agree to pay to any Mexican Lender all applicable present and future value added taxes (*Impuesto al Valor Agregado*) in respect of any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including, without limitation, in respect of any capitalized interest under Section 4.2(a)(ii)).

7.6.9 If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if that Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), then that Lender shall deliver to Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at any other time or times reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) all documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and all additional documentation reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) as is necessary for Administrative Agent or Borrowers to comply with their obligations under FATCA and to determine that that Lender has complied with that Lender's obligations under FATCA or to determine the amount to deduct and withhold from that payment. Solely for purposes of this Section 7.6.9, "FATCA" is deemed to include any amendments made to FATCA after the date of this Agreement.

7.6.10 For purposes of this Section 7.6, the term "applicable law" includes FATCA. Each party's obligations under this Section 7.6 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

ARTICLE VIII

INCREASED COSTS

Section 8.1 Increased Costs.

(a) If any Change in Law (i) imposes, modifies, or deems applicable any reserve (including any reserve imposed by the FRB), special deposit, or similar requirement against assets of, deposits with, or for the account of, or credit extended by, any Lender; (ii) subjects any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (c) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, its Note(s) or its obligations to make Loans, or (iii) imposes on any Lender any other condition (other than Taxes) affecting its Loans, its Note(s), or its obligation to make Loans, and the result of anything described in clauses (i) through (iii) above is to increase the cost to (or to impose a cost on) that Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by that Lender under this Agreement or under its Note(s) with respect thereto, then upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay directly to that Lender such additional amount as will compensate that Lender for that increased cost or that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

(b) If any Lender reasonably determines that any change in, or the adoption or phase-in of, any applicable law, rule, or regulation regarding capital adequacy, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or the compliance by any Lender or any Person controlling any Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on that Lender's or that controlling Person's capital as a consequence of that Lender's obligations under this Agreement to a level below that which that Lender or that controlling Person could have achieved but for that change, adoption, phase-in, or compliance (taking into consideration that Lender's or that controlling Person's policies with respect to capital adequacy) by an amount deemed by that Lender or that controlling Person to be material, then from time to time, upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay to that Lender that additional amount as will compensate that Lender or that controlling Person for that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

Section 8.2 [Reserved].

Section 8.3 Changes in Law Rendering Loans Unlawful. If, after the date of this Agreement, any change in, or the adoption of any new, law or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority or other regulatory body charged with the administration thereof, makes it (or in the good faith judgment of any Lender causes a substantial question as to whether it is) unlawful for any Lender to make, maintain, or fund loans in Dollars, then that Lender shall promptly notify each of the other parties to this Agreement and that Lender will not be required to make or maintain any Loan in Dollars.

Section 8.4 Right of Lenders to Fund through Other Offices. Each Lender may, if it so elects, fulfill its commitment as to any Loan by causing a foreign branch or Affiliate of that Lender to make that Loan, but each such Loan will be deemed to have been made by that Lender and the obligation of Borrowers to repay that Loan will be to that Lender and will be deemed held by the Lender, to the extent of that Loan, for the account of that branch or Affiliate.

Section 8.5 Mitigation of Circumstances; Replacement of Lenders.

(a) Each Lender shall promptly notify Borrower Representative and Administrative Agent of any event of which it has knowledge that will result in, and will use reasonable commercial efforts available to it (and not, in that Lender's sole judgment, otherwise disadvantageous to that Lender) to mitigate or avoid (i) any obligation by Borrowers to pay any amount pursuant to Section 7.6 or 8.1 or (ii) the occurrence of any circumstances described in Section 8.3 (and, if any Lender has given notice of any such event described in clauses (i) or (ii) and thereafter that event ceases to exist, that Lender shall promptly so notify Borrower Representative and Administrative Agent). Without limiting the foregoing, each Lender shall designate a different funding office if that designation will avoid (or reduce the cost to Borrowers of) any event described in clauses (i) or (ii) and that designation will not, in that Lender's sole judgment, be otherwise disadvantageous to that Lender.

(b) If Borrowers become obligated to pay additional amounts to any Lender pursuant to Section 8.1, or any Lender gives notice of the occurrence of any circumstances described in Section 8.3, or any Lender becomes a Defaulting Lender, then Borrower Representative may designate another financial institution that is acceptable to Administrative Agent in its reasonable discretion (a "Replacement Lender") to purchase the Loans of that Lender and that Lender's rights under this Agreement, without recourse to or warranty by, or expense to, that Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to that Lender plus any accrued but unpaid interest on those Loans and all accrued but unpaid fees owed to that Lender and any other amounts owed to that Lender under this Agreement and any other Loan Document, and to assume all the obligations of that Lender under this Agreement. Upon any such purchase and assumption (pursuant to an Assignment Agreement), the applicable Lender will no longer be a party to this Agreement or have any rights under this Agreement (other than rights with respect to indemnities and similar rights applicable to that Lender prior to the date of that purchase and assumption) and will be relieved from all obligations to Borrowers under this Agreement, and the Replacement Lender will succeed to the rights and obligations of that Lender under this Agreement.

Section 8.6 Conclusiveness of Statements; Survival of Provisions. Determinations and statements of any Lender pursuant to Section 8.1 or 8.3 shall be conclusive absent demonstrable error. Lenders may use reasonable averaging and attribution methods in determining compensation under Section 8.1, and the provisions of such Section 8.1 will survive repayment of the Obligations, cancellation of any Note(s) and termination of this Agreement.

Section 8.7 Funding Losses. Each Borrower shall, upon demand by any Lender (which demand must be accompanied by a statement setting forth the basis for the amount being claimed, a copy of which must be furnished to Administrative Agent), indemnify that Lender against any net loss or expense (including amounts incurred to terminate, settle or re-establish hedging arrangements or related trading positions (irrespective of the currency thereof)) which that Lender sustains or incurs, as reasonably determined by that Lender, as a result of any failure of any Borrower to borrow any Loan on a date specified therefor in a notice of borrowing pursuant to this Agreement. For this purpose, all notices to Administrative Agent pursuant to this Agreement will be deemed to be irrevocable.

If any other Event of Default occurs and is continuing, then Administrative Agent may (and, upon the written request of the Required Lenders shall) declare, in a written notice to Borrower Representative, the Commitments to be terminated in whole or in part and/or declare all or any part of the Loans and all other Obligations under this Agreement to be due and payable, whereupon the Commitments will immediately terminate (or be reduced, as applicable) and/or the Loans and other Obligations under this Agreement will become immediately due and payable (in whole or in part, as applicable), all without presentment, demand, protest, or notice of any kind (other than as expressly provided for above in this sentence). Section 13.3 Credit Bidding. Subject to the Reference Subordination Agreement, the Loan Parties hereby irrevocably authorize the Lenders, and the Loan Parties and the Lenders hereby irrevocably authorize Collateral Agent, based upon the instruction of the Required Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted by Collateral Agent or the Lenders, as applicable, in accordance with applicable law, based upon the instruction of the Required Lenders, under any provisions of the Uniform Commercial Code, as part of any sale or investor solicitation process conducted by any Loan Party, any interim receiver, receiver, receiver and manager, administrative receiver, trustee, agent, or other Person pursuant or under any insolvency laws, in each case subject to the following limitations: (a) the Required Lenders may not direct Collateral Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of any Credit Bid, (b) the acquisition documents must be commercially reasonable and contain customary protections for minority holders, such as, among other things, anti-dilution and tag-along rights, (c) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws), and (d) reasonable efforts must be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations). For purposes of this Section 13.3, the term "Credit Bid" means an offer submitted by Collateral Agent (on behalf of the Agents and the Lenders) or the Lenders, as applicable, based upon the instruction of the Required Lenders, to acquire the property of any Loan Party or any portion thereof in exchange for and in full and final satisfaction of all or a portion (as determined by Collateral Agent (on behalf of the Agents and the Lenders), based upon the instruction of the Required Lenders, or the Lenders, as applicable) of the claims and Obligations under this Agreement and other Loan Documents.

ARTICLE XIV

AGENCY

Section 14.1 Appointment and Authorization. Each Lender hereby irrevocably (subject to Section 14.10) appoints, designates, and authorizes each Agent to take any action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise any powers and perform any duties as are expressly delegated to it, as applicable, by the terms of this Agreement or any other Loan Document, together with all powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, none of the Agents will have any duty or responsibility except those expressly set forth in this Agreement, nor will any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities are to be read into this Agreement or any other Loan Document or otherwise exist against such Agent, as applicable. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, that term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 14.2 [Reserved].

Section 14.3 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees, or attorneys-in-fact and is entitled to advice of counsel and other consultants or experts concerning all matters pertaining to those duties. No Agent will be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 14.4 Exculpation of Agents. None of the Agents and their respective directors, officers, employees, and agents (a) will be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth in this Agreement as determined by a final, non-appealable judgment by a court of competent jurisdiction), or (b) will be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other Loan Document (or the creation, perfection, or priority of any Lien or security interest therein), or for any failure of any Borrower or any other party to any Loan Document to perform its Obligations under this Agreement or under any other Loan Documents. None of the Agents is or will be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan

Document or to inspect the properties, books, or records of any of the Loan Parties and their Subsidiaries and Affiliates.

The duties of each of the Administrative Agent and the Collateral Agent under the Loan Documents are solely mechanical and administrative in nature. The Administrative Agent and the Collateral Agent shall be entitled to request written instructions, or clarification of any instruction, from the Required Lenders (or, if the relevant Loan Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Administrative Agent and the Collateral Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, the Administrative Agent or the Collateral Agent, as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Lenders.

The Agents are not obliged to expend or risk their own funds or otherwise incur any financial liability in the performance of their respective duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if they have grounds for believing the repayment of such funds or indemnity satisfactory to such Agent against, or security for, such risk or liability is not reasonably assured to such Agent. The Agents shall not be responsible in any manner for the validity, enforceability or sufficiency of this Agreement or the Loan Documents or any Collateral delivered, or for the value or collectability of any obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Agent. The Agents shall not be bound to examine or inquire into or be liable for any defect or failure in the right or title of the grantors to all or any of the assets whether such defect or failure was known to the Agents or might have been discovered upon examination or inquiry and whether capable of remedy or not.

The Agents shall not be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter.

The Agents shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct.

In no event shall any Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agents shall be entitled to seek written directions from the Required Lenders prior to taking any action under this Agreement, any Collateral instrument or any of the Loan Documents.

Except with respect to its own gross negligence or willful misconduct, no Agent shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto.

No Agent shall have responsibility for or liability with respect to monitoring compliance of any other party to the Loan Documents or any other document related hereto or thereto. The Agents have no duty to monitor the value or rating of any Collateral on an ongoing basis.

Whenever in the administration of the Loan Documents any Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, may conclusively rely upon instructions from the Required Lenders.

Any Agent may request that the Required Lenders or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Loan Documents.

Money held by any Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

Beyond the exercise of reasonable care in the custody thereof, no Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

No Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. No Agent shall have

any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of the Loan Documents by any other Person.

In the event that, following a foreclosure in respect of any Mortgaged property, the Agent acquires title to any portion of such property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Agent's sole discretion may cause such Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Agent to incur liability under CERCLA or any other Federal, state or local law, such Agent reserves the right, instead of taking such action, to either resign as Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

Each Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. The Agents reserve the right to forebear from foreclosing in their own name if to do so may expose them to undue risk.

In no event shall any Agent be responsible or liable for any failure (e) or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

For the avoidance of doubt and notwithstanding anything contrary in any Loan Document, in the event of inconsistency between the terms of this Agreement and any other Loan Document, the terms in this Agreement shall prevail.

Notwithstanding anything in the Loan Documents to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

Section 14.5 Reliance by Agents. Each Agent may rely, and will be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants, and other experts selected by such Agent. Each Agent will be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless such Agent first receives all advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify such Agent against any and all liability and expense which might be incurred by such Agent by reason of taking or continuing to take any such action. Each Agent will in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or

consent of the Required Lenders and each such request and any action taken or failure to act pursuant thereto will be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 12, each Lender that has signed this Agreement will be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless any Agent has received written notice from that Lender prior to the proposed Closing Date specifying its objection thereto.

Section 14.6 Notice of Default. None of the Agents will be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent for the account of the Lenders, unless such Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing that Event of Default or Default and stating that that notice is a "notice of default." Each Agent shall promptly notify the Lenders of its receipt of any such notice. Each Agent shall take all such actions with respect to each such Event of Default or Default as requested by the Required Lenders in accordance with Section 13, but unless and until such Agent has received any such request, such Agent may (but will not be required to) take any action, or refrain from taking any action, with respect to any Event of Default or Default as such Agent deems advisable or in the best interest of the Lenders.

Section 14.7 Credit Decision. Each Lender acknowledges that none of the Agents has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, will be deemed to constitute any representation or warranty by such Agent to any Lender as to any matter, including whether such Agent has disclosed material information in its possession. Each Lender represents to each Agent that it has, independently and without reliance upon such Agent and based on documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers under this Agreement. Each Lender also represents to each Agent that it will, independently and without reliance upon such Agent and based on documents and information as it deems appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make all investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrowers. Except for notices, reports and other documents expressly required in this Agreement to be furnished to the Lenders by any Agent, such Agent will not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Borrower which may come into the possession of such Agent.

Section 14.8 Indemnification. Whether or not the transactions contemplated by this Agreement are consummated, each Lender shall indemnify upon demand each Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities, except that no Lender will

be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No action taken in accordance with the directions of the Required Lenders will be deemed to constitute gross negligence or willful misconduct for purposes of this Section 14.8. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to in this Agreement, to the extent that such Agent is not reimbursed for any such expenses by or on behalf of Borrowers. The undertaking in this Section 14.8 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, expiration or termination of the Letters of Credit, termination of this Agreement and the resignation or replacement of any Agent.

Section 14.9 Agents in their Individual Capacity. Each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though such Person were not an Agent under this Agreement and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to those activities, the Person serving as an Agent or its Affiliates might receive information regarding Borrowers or their Affiliates (including information that is subject to confidentiality obligations in favor of any Borrower or any such Affiliate) and acknowledges that none of the Agents will be under any obligation to provide any such information to them. With respect to their Loans (if any), each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates have the same rights and powers under this Agreement as any other Lender and may exercise the same as though such Person were not an Agent, and the terms "Lender" and "Lenders" include such Person and its Affiliates, to the extent applicable, in their individual capacities.

Section 14.10 Successor Agents. Any may resign as such upon 30 days' notice to the Lenders. If any Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower Representative (which may not be unreasonably withheld or delayed), appoint from among the Lenders a successor Agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of an Agent, such Agent may appoint, after consulting with the Lenders and Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent under this Agreement, that successor agent will succeed to all the rights, powers, and duties of the retiring Agent and the term "Administrative Agent" or "Collateral Agent," as applicable, will mean that successor agent, and the retiring Agent's appointment, powers and duties as Agent will be terminated. After any retiring Agent's resignation under this Agreement as an Agent, the provisions of this Section 14.10 and Sections 15.5 and 15.17 will inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this

Agreement. If no successor agent has accepted appointment as successor agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation will nevertheless thereupon become effective and the Required Lenders shall perform all of the duties of the retiring Agent under this Agreement until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 14.11 Collateral Matters. Each Lender authorizes and directs Collateral Agent to enter into the Collateral Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) for the benefit of the Agents and the Lenders. Each Lender hereby agrees that, except as otherwise set forth in this Agreement, any action taken by any Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by such Agent or Required Lenders of the powers set forth in this Agreement or therein, together with all other powers as are reasonably incidental thereto, will be authorized by, and binding upon, all Lenders. Collateral Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral (other than Collateral located in Mexico) or Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to this Agreement and the such other Loan Documents. The Lenders irrevocably authorize Collateral Agent, at its option and in its discretion, to do any and all of the following: (a) to release any Lien granted to or held by Collateral Agent under any Collateral Document (other than the Mexican Collateral Agreements) (i) upon Payment in Full; (ii) upon property sold or to be sold or disposed of as part of or in connection with any disposition permitted under this Agreement (including the release of any Guarantor in connection with any such disposition); or (iii) subject to Section 15.1 if approved in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral (other than Collateral located in Mexico) to any holder of a Lien on that Collateral which is permitted by Section 11.2(d) (it being understood that Collateral Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Debt secured by any such Lien is permitted by Section 11.1(d)). Upon request by Collateral Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

Section 14.12 Restriction on Actions by Lenders. Each Lender shall not, without the express written consent of each Agent, and shall, upon the written request of any Agent (to the extent it is lawfully entitled to do so), set-off against the Obligations, any amounts owing by that Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with that Lender. Each Lender shall not, unless specifically requested to do so in writing by each Agent, take or cause to be taken any action, including the commencement of any legal or equitable proceedings, to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) against the Loan Parties or any third party with respect to the Obligations or the Collateral may be taken by only Administrative Agent or Collateral Agent (at the direction of the

Required Lenders or as otherwise permitted in this Agreement) or by their respective agents at the direction of such Agent.

Section 14.13 Administrative Agent May File Proofs of Claim.

14.13.1 In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to any Loan Party (including any Insolvency Proceeding), Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as expressed in this Agreement or by declaration or otherwise and irrespective of whether Administrative Agent has made any demand on Borrowers) may, by intervention in any such proceeding or otherwise, do any and all of the following:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and its respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Sections 5, 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

14.13.2 Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding is hereby authorized by each Lender to make all payments to Administrative Agent and, in the event that Administrative Agent consents to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Sections 5, 15.5, and 15.17.

14.13.3 Nothing contained in this Agreement will be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 14.14 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger," if any, has any right, power, obligation, liability, responsibility, or duty under this Agreement other than, in the case of any Lender, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified has or is deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges

that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action under this Agreement.

Section 14.15 [Reserved].

Section 14.16 Mexican Powers of Attorney. The Administrative Agent agrees that it will not exercise any rights under any power of attorney granted under or in connection with the Mexican Loan Documents unless an Event of Default has occurred and is continuing.

ARTICLE XV

GENERAL

Section 15.1 Waiver; Amendments.

(a) No amendment, modification, or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents will be effective unless it is in writing and acknowledged by Lenders having an aggregate Pro Rata Shares of not less than the aggregate Pro Rata Shares expressly designated in this Agreement with respect thereto or, in the absence of any such designation as to any provision of this Agreement, by the Required Lenders. Any amendment, modification, waiver, or consent will be effective only in the specific instance and for the specific purpose for which given.

(b) The Agents Fee Letter may be amended, waived, consented to, or modified by the parties thereto.

(c) No amendment, modification, waiver, or consent may extend or increase the Commitment of any Lender without the written consent of that Lender.

(d) No amendment, modification, waiver, or consent may extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the Loans or any fees payable under this Agreement without the written consent of each Lender directly affected thereby.

(e) No amendment, modification, waiver, or consent may reduce the principal amount of any Loan, the rate of interest thereon, or any fees payable under this Agreement without the consent of each Lender directly affected thereby.

(f) No amendment, modification, waiver, or consent may do any of the following without the written consent of each Lender (i) release any Borrower or any Guarantor from its obligations, other than as part of or in connection with any disposition permitted under this Agreement, (ii) release all or any substantial part of the Collateral granted under the Collateral Documents (except as permitted by Section 14.11), (iii) change the definitions of Pro Rata Share or Required Lenders, any provision of this Section 15.1, any provision of Section 13.3, or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver, or consent.

(g) No provision of Sections 6.2.2, 6.3, or 7.2.2(b) with respect to the timing or application of mandatory prepayments of the Loans may be amended, modified, or waived without the consent of Lenders having a majority of the aggregate Pro Rata Shares of the Loans affected thereby.

(h) No provision of Section 14 or other provision of this Agreement affecting any Agent in its capacity as such may be amended, modified, or waived without the consent of such Agent.

(i) [Reserved]

(j) [Reserved]

(k) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained is referred to as a "Non-Consenting Lender"), then, so long as Administrative Agent is not a Non-Consenting Lender, Administrative Agent and/or one or more Persons reasonably acceptable to Administrative Agent may (but will not be required to) purchase from that Non-Consenting Lender, and that Non-Consenting Lenders shall, upon Administrative Agent's request, sell and assign to Administrative Agent and/or any such Person, all of the Loans and Commitments of that Non-Consenting Lender for an amount equal to the principal balance of all such Loans and Commitments held by that Non-Consenting Lender and all accrued interest, fees, expenses, and other amounts then due with respect thereto through the date of sale, which purchase and sale will be consummated pursuant to an executed Assignment Agreement.

Section 15.2 Confirmations. Each Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing (with a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under that Note.

Section 15.3 Notices.

15.3.1 Generally. Except as otherwise provided in Section 2.2, all notices under this Agreement must be in writing (including facsimile transmission) and must be sent to the applicable party at its address shown on Annex B or at any other address as the receiving party designates, by written notice received by the other parties, as its address for that purpose. Notices sent by facsimile transmission will be deemed to have been given when sent; notices sent by mail will be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service will be deemed to have been given when received. For purposes of Sections 2.2 and 2.2.2, Administrative Agent will be entitled to rely on written instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower Representative, and Borrowers shall hold Administrative Agent and each other Lender harmless from any loss, cost, or expense resulting from any such reliance.

15.3.2 Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.2 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.2 by electronic communication. Administrative Agent or any Loan Party may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an e-mail address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail, or other written acknowledgement), (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, e-mail or other communication that is not sent during the normal business hours of the intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

Section 15.4 Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting computation is required to be made, for the purpose of this Agreement, that determination or calculation will, to the extent applicable and except as otherwise specified in this Agreement, be made in accordance with GAAP, consistently applied, but if Borrower Representative notifies Administrative Agent that Borrowers wish to amend any covenant in Sections 10 or 11.12 (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of that covenant (or if Administrative Agent notifies Borrower Representative that the Required Lenders wish to amend Sections 10 or 11.12 (or any related definition) for that purpose), then Borrowers' compliance with that covenant will be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either the applicable notice under this Section 15.4 is withdrawn or the applicable covenant (or related definition) is amended in a manner satisfactory to Borrowers and the Required Lenders.

Section 15.5 Costs, Expenses and Taxes. Each Loan Party, jointly and severally, shall pay on demand all reasonable out-of-pocket costs and expenses of each Agent (including Attorney Costs and Taxes) in connection with the preparation, execution, primary syndication, delivery and administration (including perfection and protection of any Collateral and the costs of IntraLinks (or other similar service), if applicable) of this Agreement, the other Loan Documents, and all other documents provided for in this Agreement or delivered or to be delivered under or in connection with this Agreement (including any amendment, supplement, or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby

are consummated, including, without limitation, all documented out-of-pocket costs and expenses incurred pursuant to Section 10.2, and all reasonable out-of-pocket costs and expenses (including Attorney Costs and any Taxes) incurred by any Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring, or negotiations in respect thereof; provided however, that the Loan Parties shall not be liable for any stamp, documentary, recording, filing or similar Taxes that are Other Connection Taxes imposed with respect to an assignment of the Loans and Commitments (other than an assignment at the request of a Loan Party). In addition, each Loan Party shall pay, and shall save and hold harmless each Agent and the Lenders from all liability for, any fees of Loan Parties' auditors in connection with any reasonable exercise by such Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 will survive repayment of the Loans, cancellation of the Notes and termination of this Agreement.

Section 15.6 Assignments; Participations.

15.6.1 Assignments.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "Assignee") all or any portion of that Lender's Loans and Commitments, with the prior written consent of Administrative Agent and, other than for any assignment to an Eligible Assignee and so long as no Event of Default exists, Borrower Representative (which consent of Borrower Representative may not be unreasonably withheld or delayed). Except as Administrative Agent otherwise agrees, any such assignment must be in a minimum aggregate amount equal to U.S.$1,000,000 (which minimum will be U.S.$500,000 if the assignment is to an Affiliate of the assigning Lender) or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent will be entitled to continue to deal solely and directly with the assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent has received and accepted an effective assignment agreement in substantially the form of Exhibit J (an "Assignment Agreement") executed, delivered, and fully completed by the applicable parties thereto and a processing fee of U.S.$3,500. For so long as no Default or Event of Default shall have occurred and is continuing at the time of such assignment, the Borrowers shall not be required to pay to any assignee Lender amounts pursuant to Section 7.6 in excess of the amounts that the Borrowers would have been obligated to pay to the assigning Lender if the assigning Lender had not assigned such Loan to such assignee, unless the circumstances giving rise to such excess payment result from a Change in Law after the date of such assignment. Any attempted assignment not made in accordance with this Section 15.6.1 will be treated as the sale of a participation under Section 15.6.2.

(b) From and after the date on which the conditions described above have been met, (i) the Assignee will be deemed automatically to have become a party to this Agreement and, to the extent that rights and obligations under this Agreement have been assigned to that Assignee pursuant to the Assignment Agreement, will have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to that Assignment Agreement, will be released from its rights (other than its indemnification rights)

and obligations under this Agreement. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) one or more Notes in accordance with Section 3.1 to reflect the amounts assigned to that Assignee and the amounts, if any, retained by the assigning Lender. Each such Note will be dated the effective date of the applicable assignment. Upon receipt by Administrative Agent of any such Note, the assigning Lender shall return to Borrower Representative any applicable prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of that Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 15.6.1 will not apply to any such pledge or assignment of a security interest. No such pledge or assignment of a security interest will release a Lender from any of its obligations under this Agreement or substitute any such pledgee or assignee for that Lender as a party to this Agreement

15.6.2 Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests under this Agreement (any such Person, a "Participant"), but solely to the extent that such Participant is not a Loan Party or an Affiliate of a Loan Party. In the event of a sale by a Lender of a participating interest to a Participant (a) that Lender's obligations under this Agreement will remain unchanged for all purposes, (b) Borrowers and Administrative Agent shall continue to deal solely and directly with that Lender in connection with that Lender's rights and obligations under this Agreement, and (c) all amounts payable by Borrowers will be determined as if that Lender had not sold that participation and will be paid directly to that Lender. No Participant will have any direct or indirect voting rights under this Agreement except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which that Lender enters into with any Participant. Borrowers agree that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant will be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, but that right of set-off is subject to the obligation of each Participant to share with the Lenders, and the Lenders shall share with each Participant, as provided in Section 7.5. Participant shall be entitled to the benefits of Section 7.6 or 8 to the same extent as if it were a Lender (but no Participant will be entitled to any greater compensation pursuant to Section 7.6 and 8 than would have been paid to the participating Lender on the date of participation if no participation had been sold), and each Participant must comply with Section 7.6.4 as if it were an Assignee.

Section 15.7 Register. (1) Administrative Agent shall maintain, and deliver a copy to Borrower Representative upon written request, a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitment of, and principal amount of (and stated interest on) the Loans owing to, each Lender from time to time and whether that Lender is the original Lender or the

Assignee. No assignment will be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register will be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Administrative Agent will not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. It is the parties' intention that the Loans and Commitments be treated as registered obligations and in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code, and that the right, title, and interest of the Lenders in and to those Loans and Commitments be transferable only in accordance with the terms of this Agreement.

(b) Each Lender that sells a participation to a Participant shall, acting solely for this purpose as an agent of each Borrower, maintain at one of its offices a register for the recordation of the names and addresses of each such Participant, and the Commitments of, and principal amount of (and stated interest on) the Loans owing to, such Participant (the "Participant Register"), but no Lender will be required to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans, Commitments, or its other obligations under any Loan Document) to any Person except to the extent that disclosure is required to establish that such a participation is in registered form (as described above). The entries in the Participant Register will be conclusive absent manifest error, and the applicable Lender shall treat each Person whose name is recorded in the Participant Register as the owner of that participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 15.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 15.9 Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender shall use commercially reasonable efforts (equivalent to the efforts Administrative Agent or that Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party hereunder and designated as confidential, except that Administrative Agent and each Lender may disclose any information as follows: (a) to Persons employed or engaged by Administrative Agent or that Lender or that Lender's Affiliates or Approved Funds in evaluating, approving, structuring, or administering the Loans and the Commitments, (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose any such information to Persons employed or engaged by them as described in clause (a) of this Section 15.9, (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by Administrative Agent or that Lender to be compelled by any court decree, subpoena, or legal or administrative order or process, but Administrative Agent or that Lender, as applicable, shall (i) use reasonable efforts to give the applicable Loan Party written notice prior to disclosing the

information to the extent permitted by that requirement, request, court decree, subpoena, or legal or administrative order or process, and (ii) disclose only that portion of the confidential information as Administrative Agent or that Lender reasonably believes, or as counsel for Administrative Agent or that Lender, as applicable, advises Administrative Agent or that Lender, that it must disclose pursuant to that requirement, (d) as Administrative Agent or that Lender reasonably believes, or on the advice of Administrative Agent's or that Lender's counsel, is required by law, (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or that Lender is a party, (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to that Lender, (g) to that Lender's independent auditors and other professional advisors as to which that information has been identified as confidential, or (h) if that information ceases to be confidential through no fault of Administrative Agent or any Lender. Notwithstanding the foregoing, Borrowers consent to the publication by Administrative Agent or any Lender of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement, and Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, non-disclosure agreement, or other similar agreement between any Borrower and any Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, then this Section 15.9 will supersede all such prior or contemporaneous agreements and understandings between the parties.

Section 15.10 Severability. Whenever possible each provision of this Agreement is to be interpreted so as to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, that provision will be ineffective to the extent of that prohibition or invalidity, without invalidating the remainder of that provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of the Agents and the Lenders, in each case, expressed in this Agreement or in any other Loan Document are in addition to, and not in limitation of, those provided by applicable law.

Section 15.11 Nature of Remedies. All Obligations of the Loan Parties and rights of Agents and the Lenders expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise, and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 15.12 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of all such Persons, verbal or written, relating to the subject matter hereof and thereof (except as relates to the fees described in Section 5.1) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs, or expenses payable to or incurred (or to be incurred) by or on behalf of the Agents or the Lenders.

Section 15.13 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission will constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders will be deemed to be originals.

Section 15.14 Successors and Assigns. This Agreement binds the Loan Parties, the Lenders, the Agents, and their respective successors and assigns and will inure to the benefit of the Loan Parties, the Lenders, and the Agents and the successors and assigns of the Lenders and the Agents. No other Person is or is intended to be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of each Agent and each Lender.

Section 15.15 Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

Section 15.16 Customer Identification – USA Patriot Act Notice. Each Lender (each for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify, and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow that Lender to identify the Loan Parties in accordance with the Patriot Act.

Section 15.17 INDEMNIFICATION BY LOAN PARTIES. In consideration of the execution and delivery of this Agreement by the Agents and the Lenders and the agreement to extend the Commitments provided under this Agreement, each Borrower hereby agrees to indemnify, exonerate, and hold harmless each Agent, each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender (each, a "Lender Party" or "Indemnitee") from and against any and all actions, causes of action, suits, losses, liabilities, damages, and expenses, including Attorney Costs (collectively, the "Indemnified Liabilities"), incurred by the Lender Parties or any of them as a result of, or arising out of, or relating to (a) any tender offer, merger, purchase of Equity Interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans; (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any Hazardous Substance at any property owned or leased by any Loan Party; (c) any violation of any Environmental Laws with respect to conditions at any property owned or leased by any Loan Party or the operations conducted thereon; (d) the investigation, cleanup or remediation of offsite locations at which any Loan Party or their respective predecessors are alleged to have directly or indirectly disposed of Hazardous Substances; or (e) the execution, delivery, performance, or enforcement of this Agreement or any other Loan Document by any of the Lender Parties, in each case except for any such Indemnified Liabilities arising on account of the applicable Lender Party's gross negligence or willful misconduct as determined by a final, non-appealable judgment by a court of competent jurisdiction. If and to the extent that the foregoing undertaking is unenforceable for

any reason, each Borrower hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. All obligations provided for in this Section 15.17 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or any modification, release, or discharge of, any or all of the Collateral Documents and termination of this Agreement. This Section 15.17 shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

Section 15.18 Nonliability of Lenders. The relationship between Borrowers on the one hand and the Lenders and the Agents on the other hand is solely that of borrower and lender. Neither any Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither any Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Each Loan Party agrees, on behalf of itself and each other Loan Party, that neither any Agent nor any Lender has any liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission, or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that those losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. No Lender Party will be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Lender Party will have any liability with respect to, and each Loan Party, on behalf of itself and each other Loan Party, hereby waives, releases, and agrees not to sue for, any special, punitive, exemplary, indirect, or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). Each Loan Party acknowledges that it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

Section 15.19 FORUM SELECTION AND CONSENT TO JURISDICTION.

(a) Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document (except for the Mexican Loan Documents, which shall be governed under their own terms), will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court of the Southern District of New York. Each party hereto hereby expressly and irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States District Court of the Southern District of New York for the purpose of any such litigation as set forth above and waives any right to any other jurisdiction to which each such party may be entitled to by reason of their present or future domicile or otherwise.

(b) Each Mexican Loan Party hereby irrevocably designated and appoints (i) IT Global Holding LLC (the "Process Agent"), with an office on the date hereof at 222 Urban Towers, Suite 1650 E, Irving, TX 75039 as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in clause (a); and (ii) as its conventional address the address of the Process Agent referred above or any other address notified in writing in the future by the Process Agent to such Loan Party, to receive on its behalf service of all process in any proceedings brought pursuant to the Loan Documents in any court, such service being hereby acknowledged by such Loan Party to be effective and binding service in every respect, and agrees that the failure of the Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by Applicable Law, the enforcement of any judgment based thereon. Each Mexican Loan Party shall maintain such appointment until the satisfaction in full of all Obligations, except that if for any reason the Process Agent appointed hereby ceases to be able to act as such, then each Mexican Loan Party shall, by an instrument reasonably satisfactory to the Administrative Agent, appoint another Person in the Borough of Manhattan as such Process Agent subject to the approval of the Administrative Agent. Each Mexican Loan Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Process Agent pursuant to this paragraph in full force and effect and to cause the Process Agent to act as such.

(c) Each Loan Party further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Loan Party hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum.

Section 15.20 WAIVER OF JURY TRIAL. **EACH LOAN PARTY, EACH AGENT, AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY**.

Section 15.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE XVI

JOINT AND SEVERAL LIABILITY

Section 16.1 Joint and Several Liability

16.1.1 Each Loan Party and each Person comprising a Loan Party hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements, and other terms contained in this Agreement are applicable to and binding upon each Person comprising a Loan Party unless expressly otherwise stated in this Agreement.

16.1.2 Each Loan Party is jointly and severally liable for all of the Obligations of each other Loan Party, regardless of which Loan Party actually receives the proceeds or other benefits of the Loans or other extensions of credit under this Agreement or the manner in which Loan Parties, any Agent, or any Lender accounts therefor in their respective books and records.

16.1.3 Each Loan Party acknowledges that it shall enjoy significant benefits from the business conducted by each other Loan Party because of, *inter alia*, their combined ability to bargain with other Persons including without limitation their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Loan Party acting alone. Each Loan Party has determined that it is in its best interest to procure the credit facilities contemplated under this Agreement, with the credit support of each other Loan Party as contemplated by this Agreement and the other Loan Documents.

16.1.4 Each of the Agents and the Lenders have advised each Loan Party that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Loan Party unless each Loan Party agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Loan Party. Each Loan Party has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection with this Agreement (a) because

of the desirability to each Loan Party of the credit facilities under this Agreement and the interest rates and the modes of borrowing available under this Agreement and under those other documents; (b) because each Loan Party might engage in transactions jointly with other Loan Parties; and (c) because each Loan Party might require, from time to time, access to funds under this Agreement for the purposes set forth in this Agreement. Each Loan Party, individually, expressly understands, agrees, and acknowledges that the credit facilities contemplated under this Agreement would not be made available on the terms of this Agreement in the absence of the collective credit of all the Loan Parties, and the joint and several liability of all the Loan Parties. Accordingly, each Loan Party acknowledges that the benefit of the accommodations made under this Agreement to the Loan Parties, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Loan Party.

16.1.5 To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Loan Party under this Agreement and under the other Loan Documents invalid or unenforceable, such Person's obligations under this Agreement and under the other Loan Documents shall be limited to the maximum amount that does not result in any such invalidity or unenforceability, but each Loan Party's obligations under this Agreement and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.1.6 To the extent that any Loan Party makes a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") that, taking into account all other Joint Liability Payments then previously or concurrently made by any other Loan Party, exceeds the amount that Loan Party would otherwise have paid if each Loan Party had paid the aggregate Obligations satisfied by those Joint Liability Payments in the same proportion that such Person's Allocable Amount (as determined immediately prior to those Joint Liability Payments) bore to the aggregate Allocable Amounts of each Loan Party as determined immediately prior to the making of those Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted) and the termination of the Commitments, that Loan Party shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Party for the amount of that excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to the applicable Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Loan Party is equal to the maximum amount of the claim that could then be recovered from that Loan Party under this Section 16 without rendering that claim voidable or avoidable under § 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law.

16.1.7 Each Loan Party assumes responsibility for keeping itself informed of the financial condition of each other Loan Party, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of each other Loan Party's Obligations, and of all other circumstances bearing upon the risk of nonpayment by each other Loan Party of its Obligations, and each Loan Party agrees that neither any Agent nor any Lender has or shall

have any duty to advise that Loan Party of information known to any Agent or any Lender regarding any such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If any Agent or any Lender, in its discretion, undertakes at any time or from time to time to provide any such information to a Loan Party, neither any Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to that Loan Party or any other Person on any subsequent occasion.

16.1.8 Subject to Section 15.1, Administrative Agent upon written direction from the Required Lenders is hereby authorized to, at any time and from time to time, to do any and all of the following: (a) in accordance with the terms of this Agreement, renew, extend, accelerate, or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an Obligation incurred by any Loan Party; (c) take and hold security or collateral for the payment of an Obligation incurred by any Loan Party under this Agreement or for the payment of any guaranties of an Obligation incurred by any Loan Party or other liabilities of any Loan Party and exchange, enforce, waive, and release any such security or collateral; (d) in accordance with the terms of the Loan Documents, apply any such security or collateral and direct the order or manner of sale thereof; and (e) with the prior consent of the Lenders, settle, release, compromise, collect, or otherwise liquidate an Obligation incurred by any Loan Party and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Loan Party. In accordance with the terms of this Agreement, Administrative Agent has the exclusive right to determine the time and manner of application of any payments or credits, whether received from a Borrower or any other source, and any such determination shall be binding on each Loan Party. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Loan Party as Administrative Agent determines in its discretion without affecting the validity or enforceability of the Obligations of any other Loan Party. Nothing in this Section 16.1.8 modifies any right of any Loan Party or any Lender to consent to any amendment or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.1.9 Each Loan Party hereby agrees that, except as otherwise expressly provided in this Agreement, its obligations under this Agreement are and shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by any Loan Party from any Loan Party or any guarantor or other action to enforce the same; (b) failure by Collateral Agent or Lenders, as applicable, to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Loan Party; (c) any Insolvency Proceeding by or against any Loan Party, or any Agent's or any Lender's election in any such proceeding of the application of § 1111(b)(2) of the Bankruptcy Code; (d) any borrowing or grant of a security interest by any Loan Party as debtor-in-possession under § 364 of the Bankruptcy Code; (e) the disallowance, under § 502 of the Bankruptcy Code, of all or any portion of any Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Loan Party; or (f) any other circumstance which might otherwise

constitute a legal or equitable discharge or defense of a guarantor unless that legal or equitable discharge or defense is that of a Loan Party in its capacity as a Loan Party.

16.1.10 Any notice given by Borrower Representative under this Agreement shall constitute and be deemed to be notice given by all Loan Parties, jointly and severally. Notice given by any Agent or any Lender to Borrower Representative under this Agreement or pursuant to any other Loan Documents in accordance with the terms of this Agreement or of any applicable other Loan Document shall constitute notice to each Loan Party. The knowledge of any Loan Party shall be imputed to all Loan Parties and any consent by Borrower Representative or any Loan Party shall constitute the consent of, and shall bind, all Loan Parties.

16.1.11 This Section 16 is intended only to define the relative rights of Loan Parties and nothing set forth in this Section 16 is intended to or shall impair the obligations of Loan Parties, jointly and severally, to pay any amounts as and when the same become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 limits the liability of any Loan Party to pay the credit facilities made directly or indirectly to that Loan Party and accrued interest, fees, and expenses with respect thereto for which that Loan Party is primarily liable.

16.1.12 The parties to this Agreement acknowledge that the rights of contribution and indemnification under this Section 16 constitute assets of each Loan Party to which any such contribution and indemnification is owing. The rights of any indemnifying Loan Party against the other Loan Parties under this Section 16 shall be exercisable upon the full and payment of the Obligations, and the termination of the Commitments.

16.1.13 No payment made by or for the account of a Loan Party, including, without limitation, (a) a payment made by that Loan Party on behalf of an Obligation of another Loan Party, or (b) a payment made by any other Person under any guaranty, shall entitle that Loan Party, by subrogation or otherwise, to any payment from that other Loan Party or from or out of property of that other Loan Party and that Loan Party shall not exercise any right or remedy against that other Loan Party or any property of that other Loan Party by reason of any performance of that Loan Party of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, the expiration, termination, or Cash Collateralization of all Letters of Credit, and Payment in Full of all Obligations (other than contingent indemnification Obligations not then asserted).

ARTICLE XVII

APPOINTMENT OF BORROWER REPRESENTATIVE

17.1.1 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents) from the Lenders in the name or on behalf of that Loan Party. Administrative Agent may disburse those

proceeds to the bank account of Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.1.2 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes the Borrower Representative as its agent to (a) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (b) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Loan Party under this Agreement or the other Loan Documents; and (c) otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents.

17.1.3 The authorizations contained in this Section 17 are coupled with an interest and are irrevocable until Payment in Full or a change pursuant to Section 17, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by that Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Parties to join in the execution of any writing in connection with this Agreement will not relieve any Borrower or other Loan Party from obligations in respect of that writing.

17.1.4 No purported termination of or change in the appointment of Borrower Representative as agent will be effective without the prior written consent of Administrative Agent.

ARTICLE XVIII

CONVERSION RIGHTS

Section 18.1 Conversion on the Maturity Date. Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on any date beginning on December 15, 2022 (a "Maturity Conversion Date"). In order to exercise its conversion rights under this Section 18.1, a Lender must provide written notice (a "Maturity Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the Maturity Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.1.

Section 18.2 Early Conversion.

18.2.1 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares immediately after the closing time of the Applicable Follow-On Offering (the "Offering

Conversion Date"). The Company shall provide written notice to the Lenders of the Offering Conversion Date on or prior to the second Business Day immediately preceding such date. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Offering Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Offering Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

18.2.2 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on any date Ultimate Holdings specifies as an Optional Conversion Date with respect to all Lenders. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Optional Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Optional Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

Section 18.3 Limitation on Delivery of Conversion Payment Shares. Notwithstanding anything contained herein to the contrary, (a) the aggregate number of Conversion Payment Shares issued pursuant to Section 18.1 and 18.2 shall be limited to the Conversion Cap, with a *pro rata* portion (based on the portion of the aggregate Outstanding Obligations due to such Lender) of such Conversion Cap being applicable to each converting Lender on a Maturity Conversion Date, for purposes of Section 18.1, the Offering Conversion Date, for purposes of Section 18.2.1, or the Optional Conversion Date, for purposes of Section 18.2.2, and any portion of the Conversion Cap not utilized on the Applicable Conversion Date by non-converting Lenders shall be re-allocated *pro rata* among the converting Lenders, (b) no Conversion Payment Shares shall be issued to any officer, director (including any director that is an Affiliate of a Lender), employee or consultant if such issuance would constitute a discounted issuance of Common Stock pursuant to Rule 5635(c) of the Nasdaq Stock Market and (c) no Conversion Payment Shares shall be issued to any Lender to the extent such issuance would constitute a change of control pursuant to Rule 5635(b) of the Nasdaq Stock Market (or such similar rules of the Applicable Exchange), and, in each case, the portion of the Outstanding Obligations with respect to which Conversion Payment Shares cannot be delivered shall be deemed to not have been converted; provided, that the foregoing limitations in clauses (a), (b) and (c) shall not apply to the extent that Ultimate Holdings receives the Requisite Shareholder Approval.

Section 18.4 Conversions Generally. Upon a Converting Lender's receipt of the Conversion Payment Shares required to be delivered to such Converting Lender under Section 18.1 or Section 18.2, the Outstanding Obligations owed to such Converting Lender that have been converted shall be deemed to have Paid in Full.

Section 18.5 Mergers. Notwithstanding anything to the contrary herein, Ultimate Holdings may not consummate any (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination), (ii) any consolidation, merger or combination or similar transaction involving Ultimate Holdings, (iii)

any sale, lease or other transfer to a third party of the consolidated assets of Ultimate Holdings and Ultimate Holdings' Subsidiaries substantially as an entirety, or (iv) any statutory share exchange (any such event, a "Merger Event") unless the resulting, surviving or transferee Person (the "Successor Company"), if not Ultimate Holdings, shall expressly assume all of the obligations of Ultimate Holdings under this Article XVIII; provided, however, that nothing in this Section 18.5 shall be construed to permit any event or transaction otherwise prohibited under this Agreement.

Section 18.6 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

18.6.1 In the case of: any Merger Event as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), at and after the effective time of such Merger Event, (a) the right to convert Outstanding Obligations in Conversion Payment Shares shall be changed into a right to convert such Outstanding Obligations into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that holders of shares of Common Stock are entitled to receive (the "Reference Property," with each "unit of Reference Property" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and (b) unless context requires otherwise, all references to "Common Stock" hereunder shall be deemed references to the Reference Property. At and after the effective time of any such Merger Event, any shares of Common Stock that Ultimate Holdings would have been required to deliver upon conversion of the Outstanding Obligations under Article XVIII shall instead be deliverable in Reference Property.

18.6.2 If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Outstanding Obligations will be convertible shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock.

18.6.3 If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets of a Person other than Ultimate Holdings or the successor or purchasing corporation (excluding, for the avoidance of doubt, cash paid by such surviving company, successor or purchaser corporation, as the case may be, in such Merger Event), then such other Person shall execute such documentation with respect to the conversion of Outstanding Obligations as the Lenders and Ultimate Holdings in good faith determine to be commercially reasonable. The definitive agreement with respect to any Merger Event shall include such additional provisions as are reasonably necessary to protect the conversion rights of the Lenders under this Article XVIII.

18.6.4 If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is a Public Issuer, such Successor Issuer shall grant to each Lender registration rights (to

be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted to any other Person in connection with such Merger Event. If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is not a Public Issuer, such Successor Issuer shall grant each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted in connection with such Merger Event to any other holder of the shares; provided that in no event shall such registration rights be less favorable to any Lender than the registration rights set forth in any Registration Rights Agreement then in effect. Following the consummation of any Merger Event in which Ultimate Holdings is not the Successor Issuer, all references in this Article XVIII to Ultimate Holdings shall be deemed replaced with references to the Successor Issuer.

18.6.5 Ultimate Holdings shall provide written notice of any Merger Event to the Lenders as promptly as practicable after the public announcement thereof.

18.6.6 Ultimate Holdings shall not become a party to any Merger Event unless its terms are consistent with this Section 18.6 and this Section 18.6 shall similarly apply to successive Merger Events.

Section 18.7 Delivery of Conversion Payment Shares. Ultimate Holdings shall deliver any Conversion Payment Shares required to be delivered to a Lender under this Article XVIII no later than the second Business Day immediately following the Applicable Conversion Date. The Conversion Payment Shares will be issued in book-entry form and issued and delivered to the transfer agent for Ultimate Holdings and identified by restricted legends identifying the Conversion Payment Shares as restricted securities. A Converting Lender shall be deemed to be the holder of record of such Conversion Payment Shares as of 5:00 p.m. (New York City time) on the date the Conversion Payment Shares are issued and delivered to the Converting Lender.

Section 18.8 Reservation of Shares; Listing. Ultimate Holdings shall, as of the applicable Closing Date, authorize and reserve 2,098,545 shares of Common Stock for issuance upon conversion of Outstanding Obligations as Conversion Payment Shares and shall at all times keep reserved a sufficient number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable) based on an Applicable Price determined as if the last calendar day of the preceding calendar quarter was an Applicable Conversion Date. No later than the Business Day immediately following any Applicable Conversion Date, Ultimate Holdings shall take all action necessary, including amending its governing documents, to authorize and reserve sufficient Conversion Payment Shares such that (a) all Conversion Payment Shares required to be delivered by Ultimate Holdings in connection with such Applicable Conversion Date (1) shall be duly and validly authorized, reserved and available for issuance on or prior to the date such Conversion Payment Shares are delivered to any Converting Lender in accordance with Section 18.4 and (2) shall, upon issuance, be duly and validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under applicable securities laws and (b) the issuance of such Conversion Payment Shares shall not be subject to any preemptive or similar rights. On or prior to the applicable Closing Date, Ultimate Holdings shall provide notice to the Nasdaq Capital Market with respect to the listing of a number of shares of Common

Stock to satisfy the conversion of all Outstanding Obligations (after taking into account the Conversion Cap, to the extent then applicable). Ultimate Holdings shall use its best efforts to effect and maintain the listing on a Permitted Exchange of its Common Stock.

Section 18.9 Calculations. Ultimate Holdings and any Converting Lenders shall, acting in good faith and in a commercially reasonable manner, jointly determine the number of Conversion Payment Shares with respect to any Conversion; provided that if Ultimate Holdings and such Converting Lenders cannot promptly agree on the number of Conversion Payment Shares with respect to such Conversion then they shall use their good faith efforts to jointly appoint a Calculation Agent to determine such number with respect to such Conversion; provided, further, that any failure to agree or related delay in the calculation of the number of Conversion Payment Shares shall extend the time provided for delivery of the any disputed number of Conversion Payment Shares (but, for the avoidance of doubt, not the number of Conversion Payment Shares not in dispute) until the second Business Day following the determination of the calculation as provided in this Section 18.9, and such extension or delay in payment with respect to the disputed portion of Conversion Payment Shares shall not be deemed a breach of any provision of this Agreement. If Ultimate Holdings and any Converting Lenders are not able to promptly agree on a Calculation Agent with respect to a Conversion, then Ultimate Holdings shall appoint one Calculation Agent and the Converting Lenders shall appoint a second Calculation Agent and such appointed Calculation Agents shall each promptly determine the number of Conversion Payment Shares for such Conversion and the Conversion Payment Shares for such Conversion shall be deemed to be the average of the amounts determined by such Calculation Agents or, if only one Calculation Agent provides a determination of the Conversion Payment Shares prior to the date Conversion Payment Shares are required to be delivered in connection with the relevant Conversion, the number of Conversion Payment Shares determined by such Calculation Agent. Any determination of the Conversion Payment Shares pursuant to the terms of this Section 18.9 shall be final absent manifest error. All calculations under this Article XVIII shall be rounded to the nearest $1/10{,}000^{th}$, with 0.00005 rounded up to 0.0001; provided that the number of Conversion Payment Shares to be delivered to any Converting Lender shall be rounded up the nearest whole number.

Section 18.10 Conversion Information. Ultimate Holdings shall use commercially reasonable efforts to promptly provide any information to any Lender, or any Calculation Agent for purposes of Section 18.9, that such Lender or Calculation Agent determines in good faith to be reasonably necessary to make any calculations under this Article XVIII.

Section 18.11 Taxes. Ultimate Holdings shall pay any and all transfer, stamp and similar Taxes imposed by, or levied by or on behalf of, any governmental authority or agency having the power to tax that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Converting Lender in connection with any Conversion. For the avoidance of doubt, Ultimate Holdings shall not be responsible for any such transfer, stamp and similar Taxes that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Person that is not the Converting Lender, including any nominee, assignee or transferee of the Converting Lender, if such Taxes would not have been imposed or be payable had the Conversion Payment Shares been issued in the name of the Converting Lender.

Section 18.12 Peso Loans. Conversions of Outstanding Obligations hereunder shall be made by reference to the Dollar amount thereof. In the case of any Outstanding Obligations denominated in Pesos, the Dollar amount thereof shall be determined by reference to the Conversion Rate as of the relevant Applicable Conversion Date.

Section 18.13 Additional Definitions. When used in this Article XVIII, the following terms shall have the following meanings:

"Applicable Conversion Date" means, (a) with respect to a conversion by a Lender under Section 18.1, the date such Lender delivered a Maturity Conversion Notice to Ultimate Holdings, (b) with respect to a conversion by a Lender under Section 18.2.1, if the Lender delivered an Offering Conversion Notice to Ultimate Holdings, then the Offering Conversion Date and (c) with respect to a conversion by a Lender under Section 18.2.2, if the Lender delivered an Optional Conversion Notice to Ultimate Holdings, then the applicable Optional Conversion Date.

Following any Merger Event pursuant to which the Outstanding Obligations become convertible into Reference Property, the Applicable Price will be with respect to one unit of Reference Property.

"Converting Lender" means, with respect to any conversion of Outstanding Obligations, the Lender that has elected to convert under Section 18.1 or Section 18.2.

"Market Disruption Event" means (a) a failure by the primary U.S. national or regional securities exchange or market on which the Common Stock is listed or admitted for trading to open for trading during its regular trading session or (b) the occurrence or existence prior to 1:00 p.m., New York City time, on any Scheduled Trading Day for the Common Stock for more than one half-hour period in the aggregate during regular trading hours of any suspension or limitation imposed on trading (by reason of movements in price exceeding limits permitted by the relevant stock exchange or otherwise) in the Common Stock or in any options contracts or futures contracts traded on any U.S. exchange relating to the Common Stock.

"Market Value" means the consolidated closing bid price of one share of Common Stock as of 4:00 p.m., New York City time, on the Trading Day immediately preceding the Applicable Conversion Date, as provided by the Nasdaq representative for Ultimate Holdings at the Nasdaq Market Intelligence Desk (or such similar definition of the Applicable Exchange).

The Perfection Requirements will result in the perfection of such security interests (except, with respect to any Pledged Shares issued by a Subsidiary organized under the law of a Foreign Jurisdiction, to the extent perfection thereof is governed by the laws of such Foreign Jurisdiction). (i) all rights of each Grantor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant to Section 7(a)(i) hereof, and to receive the dividends, distributions, interest and other payments that it would otherwise be authorized to receive and retain pursuant to Section 7(a)(ii) hereof, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise such voting and other consensual rights and to receive and hold as Pledged Interests such dividends, distributions and interest payments, and the Collateral Agent (personally or through an agent) shall thereupon be solely authorized and empowered to transfer and register in the Collateral Agent's name, or in the name of the Collateral Agent's nominee, the whole or any part of the Pledged Interests, it being acknowledged by each Grantor that such transfer and registration may be effected by the Collateral Agent by the delivery of a Registration Page to the Grantor or to the Pledged Issuer, as applicable, reflecting the Collateral Agent or its designee as the holder of such Pledged Interests, or otherwise by the Collateral Agent through its irrevocable appointment as attorney-in-fact pursuant to Section 8 hereof;

(ii) the Collateral Agent is authorized to notify each debtor with respect to the Pledged Debt to make payment directly to the Collateral Agent (or its designee) and may collect any and all moneys due or to become due to any Grantor in respect of the Pledged Debt, and each of the Grantors hereby authorizes each such debtor to make such payment directly to the Collateral Agent (or its designee) without any duty of inquiry;

(iii) without limiting the generality of the foregoing, the Collateral Agent may, at its option, exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any of the Pledged Interests as if it were the absolute owner thereof, including, without limitation, the right to exchange, in its discretion, any and all of the Pledged Interests upon the merger, consolidation, division, reorganization, recapitalization or other adjustment of any Pledged Issuer, or upon the exercise by any Pledged Issuer of any right, privilege or option pertaining to any Pledged Interests, and, in connection therewith, to deposit and deliver any and all of the Pledged Interests with any committee, depository, transfer agent, registrar or other designated agent upon such terms and conditions as it may determine; and

SECTION 8. Additional Provisions Concerning the Collateral.

(a) To the maximum extent permitted by applicable law, and for the purpose of taking any action that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, each Grantor hereby (i) authorizes the Collateral Agent to execute any such agreements, instruments or other documents in such Grantor's name and to file such agreements, instruments or other documents in such Grantor's name and in any appropriate filing office, (ii) authorizes the Collateral Agent at any time and from time to time to file, one or more financing or continuation statements and amendments thereto, relating to the Collateral (including, without limitation, any such financing statements that (A) describe the Collateral as "all assets" or "all personal property" (or words of similar effect) or that describe or identify the Collateral by type or in any other manner as the Collateral Agent may determine, regardless of whether any particular asset of such Grantor falls within the scope of Article 9 of the Code or whether any particular asset of such Grantor constitutes part of the Collateral, and (B) contain any other information required by Part 5 of Article 9 of the Code for the sufficiency or filing office acceptance of any financing statement, continuation statement or amendment, including, without limitation, whether such Grantor is an organization, the type of organization and any organizational identification number issued to such Grantor) and (iii) ratifies such authorization to the extent that the Collateral Agent has filed any such financing statements, continuation statements, or amendments thereto, prior to the date hereof. A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law.

(b) Each Grantor hereby irrevocably appoints the Collateral Agent as its attorney-in-fact and proxy, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time in the Collateral Agent's discretion, to take any action and to execute any instrument that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement (subject to the rights of a Grantor under Section 6 hereof and Section 7(a) hereof), including, without limitation, (i) to obtain and adjust insurance required to be paid to the Collateral Agent pursuant to the Credit Agreement, (ii) to ask, demand, collect, sue for, recover,

compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any Collateral, (iii) to receive, endorse, and collect any drafts or other Instruments, Documents and Chattel Paper in connection with clause (i) or (ii) above, (iv) to receive, indorse and collect all Instruments made payable to such Grantor representing any dividend, interest payment or other distribution in respect of any Pledged Interests and to give full discharge for the same, (v) to file any claims or take any action or institute any proceedings which the Collateral Agent may deem necessary or desirable for the collection of any Collateral or otherwise to enforce the rights of each Secured Party with respect to any Collateral, (vi) to execute assignments, licenses and other documents to enforce the rights of each Secured Party with respect to any Collateral, (vii) to pay or discharge taxes or Liens levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Collateral Agent (in its sole discretion), and such payments made by the Collateral Agent shall constitute additional Secured Obligations of such Grantor to the Collateral Agent, be due and payable immediately without demand, and shall bear interest from the date payment of said amounts is demanded at the Post-Default Rate, and (viii) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, assignments, verifications and notices in connection with Accounts, Chattel Paper and other documents relating to the Collateral. This power is coupled with an interest and is irrevocable until the Payment in Full.

(c) For the purpose of enabling the Collateral Agent to exercise rights and remedies hereunder, at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby (i) grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to any Grantor) to use, assign, license or sublicense any Intellectual Property now or hereafter owned by any Grantor, wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof; and (ii) assigns to the Collateral Agent, to the extent assignable, all of its rights to any Intellectual Property now or hereafter licensed or used by any Grantor. Each Grantor hereby releases the Collateral Agent from, and indemnifies the Collateral Agent against, any claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Collateral Agent under the powers of attorney, proxy or license, granted herein other than actions taken or omitted to be taken through the Collateral Agent's gross negligence or willful misconduct, as determined by a final determination of a court of competent jurisdiction.

(d) If any Grantor fails to perform any agreement or obligation contained herein, the Collateral Agent may itself perform, or cause performance of, such agreement or obligation, in the name of such Grantor or the Collateral Agent, and the fees and expenses of the Collateral Agent incurred in connection therewith shall be jointly and severally payable by the Grantors pursuant to Section 10 hereof constitute additional Secured Obligations of the Grantor to the Collateral Agent, be due and payable immediately without demand and bear interest from the date payment of said amounts is demanded at the Post-Default Rate.

(e) The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Other than the exercise of reasonable care to assure the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral and shall be relieved of all responsibility for any Collateral in its

possession upon surrendering it or tendering surrender of it to any of the Grantors (or whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct). The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property, it being understood that the Collateral Agent shall not have responsibility for ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Collateral, whether or not the Collateral Agent has or is deemed to have knowledge of such matters. The Collateral Agent shall not be liable or responsible for any loss or damage to any of the Collateral, or for any diminution in the value thereof, by reason of the act or omission of any warehouseman, carrier, forwarding agency, consignee or other agent or bailee selected by the Collateral Agent in good faith.

(f) Anything herein to the contrary notwithstanding (i) each Grantor shall remain liable under the Licenses and otherwise in respect of the Collateral to the extent set forth therein to perform all of its obligations thereunder to the same extent as if this Agreement had not been executed, (ii) the exercise by the Collateral Agent of any of its rights hereunder shall not release any Grantor from any of its obligations under the Licenses or otherwise in respect of the Collateral, and (iii) the Collateral Agent shall not have any obligation or liability by reason of this Agreement under the Licenses or otherwise in respect of the Collateral, nor shall the Collateral Agent be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

(g) The Collateral Agent may at any time in its discretion (i) without notice to any Grantor, transfer or register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Interests, subject only to the revocable rights of such Grantor under Section 7(a) hereof, and (ii) exchange certificates or Instruments constituting Pledged Interests for certificates or Instruments of smaller or larger denominations.

SECTION 9. Remedies Upon Default. If any Event of Default shall have occurred and be continuing:

(a) The Collateral Agent may exercise in respect of the Collateral, in addition to any other rights and remedies provided for herein or otherwise available to it, all of the rights and remedies of a secured party upon default under the Code (whether or not the Code applies to the affected Collateral), and also may (i) take absolute control of the Collateral, including, without limitation, transfer into the Collateral Agent's name or into the name of its nominee or nominees (to the extent the Collateral Agent has not theretofore done so) and thereafter receive, for the benefit of each Secured Party, all payments made thereon, give all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof, (ii) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place or places to be designated by the Collateral Agent that is reasonably convenient to both parties, and the Collateral Agent may enter into and occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is located or assembled for a reasonable period in order to effectuate the Collateral Agent's rights and remedies hereunder or under law, without obligation to any Grantor in respect of such occupation, and (iii) without notice except as specified below and without any obligation to prepare or process the Collateral for sale, (A) sell the Collateral or any part thereof in one or more parcels at public

or private sale, at any of the Collateral Agent's offices, at any exchange or broker's board or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable and/or (B) lease, license or otherwise dispose of the Collateral or any part thereof upon such terms as the Collateral Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notice of sale or any other disposition of the Collateral shall be required by law, at least ten (10) Business Days' prior notice to the applicable Grantor of the time and place of any public sale or the time after which any private sale or other disposition of the Collateral is to be made shall constitute reasonable notification. If the Collateral Agent sells any of the Collateral upon credit, the Grantors will be credited only with payments actually received by the Collateral Agent from the purchaser thereof, and if such purchaser fails to pay for the Collateral, the Collateral may resell the Collateral and the Grantors shall be credited with proceeds of the sale. The Collateral Agent shall not be obligated to make any sale or other disposition of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the fullest extent permitted by applicable law, each Grantor hereby waives any claims against each Secured Party arising by reason of the fact that the price at which the Collateral may have been sold at a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Secured Obligations, even if the Collateral Agent accepts the first offer received and does not offer the Collateral to more than one offeree, and waives all rights that such Grantor may have to require that all or any part of the Collateral be marshaled upon any sale (public or private) thereof. Each Grantor hereby acknowledges that (A) any such sale of the Collateral by the Collateral Agent shall be made without warranty, (B) the Collateral Agent may specifically disclaim any warranties of title, possession, quiet enjoyment or the like, (C) the Collateral Agent may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness), if permitted by law, for the purchase, lease, license or other disposition of the Collateral or any portion thereof for the account of the Collateral Agent (on behalf of itself and each Secured Party) and (D) such actions set forth in clauses (A), (B) and (C) above shall not adversely affect the commercial reasonableness of any such sale of the Collateral. In addition to the foregoing, (1) upon written notice to any Grantor from the Collateral Agent, each Grantor shall cease any use of the Intellectual Property or any trademark, patent or copyright similar thereto for any purpose described in such notice; (2) the Collateral Agent may, at any time and from time to time, upon ten (10 Business Days' prior notice to any Grantor, license, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any of the Intellectual Property, throughout the universe for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its sole discretion determine; and (3) the Collateral Agent may, at any time, execute and deliver on behalf of a Grantor, one or more instruments of assignment of the Intellectual Property (or any application or registration thereof), in form suitable for filing, recording or registration in any country.

(b) In the event that the Collateral Agent determines to exercise its right to sell all or any part of the Pledged Interests pursuant to Section 9(a) hereof, each Grantor will, at such Grantor's expense and upon request by the Collateral Agent: (i) execute and deliver, and cause each issuer of such Pledged Interests and the directors and officers thereof to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts and things, as may be necessary or, in the opinion of the Collateral Agent, advisable to register such Pledged Interests under the provisions of the Securities Act, and to cause the registration statement relating thereto to become effective and to remain effective for such period as prospectuses are required by law to be furnished, and to make all amendments and supplements thereto and to the related prospectus which, in the opinion of the Collateral Agent, are

necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the SEC applicable thereto, (ii) cause each issuer of such Pledged Interests to qualify such Pledged Interests under the state securities or "Blue Sky" laws of each jurisdiction, and to obtain all necessary governmental approvals for the sale of the Pledged Interests, as requested by the Collateral Agent, (iii) cause each Pledged Issuer to make available to its security holders, as soon as practicable, an earnings statement which will satisfy the provisions of Section 11(a) of the Securities Act, and (iv) do or cause to be done all such other acts and things as may be necessary to make such sale of such Pledged Interests valid and binding and in compliance with applicable law.

(c) Notwithstanding the provisions of Section 9(b) hereof, each Grantor recognizes that the Collateral Agent may deem it impracticable to effect a public sale of all or any part of the Pledged Shares or any other securities constituting Pledged Interests and that the Collateral Agent may, therefore, determine to make one or more private sales of any such securities to a restricted group of purchasers who will be obligated to agree, among other things, to acquire such securities for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable to the seller than the prices and other terms which might have been obtained at a public sale and, notwithstanding the foregoing, agrees that such private sales shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to delay the sale of any such securities for the period of time necessary to permit the issuer of such securities to register such securities for public sale under the Securities Act. Each Grantor further acknowledges and agrees that any offer to sell such securities which has been (i) publicly advertised on a bona fide basis in a newspaper or other publication of general circulation in the financial community of New York, New York (to the extent that such an offer may be so advertised without prior registration under the Securities Act) or (ii) made privately in the manner described above to not less than fifteen bona fide offerees shall be deemed to involve a "public disposition" for the purposes of Section 9-610(c) of the Code (or any successor or similar, applicable statutory provision) as then in effect in the State of New York, notwithstanding that such sale may not constitute a "public offering" under the Securities Act, and that the Collateral Agent may, in such event, bid for the purchase of such securities.

(d) Any cash held by the Collateral Agent (or its agent or designee) as Collateral and all Cash Proceeds received by the Collateral Agent (or its agent or designee) in respect of any sale of or collection from, or other realization upon, all or any part of the Collateral, the Collateral Agent may, in the discretion of the Collateral Agent, be held by the Collateral Agent (or its agent or designee) as collateral for, and/or then or at any time thereafter applied (after payment of any amounts payable to the Collateral Agent pursuant to Section 10 hereof) in whole or in part by the Collateral Agent against, all or any part of the Secured Obligations in such order as the Collateral Agent shall elect, consistent with the provisions of the Credit Agreement. Any surplus of such cash or Cash Proceeds held by the Collateral Agent (or its agent or designee) and remaining after the Payment in Full shall be paid over to whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct.

(e) In the event that the proceeds of any such sale, collection or realization are insufficient to pay all amounts to which each Secured Party is legally entitled, the Grantors shall be jointly and severally liable for the deficiency, together with interest thereon at the highest rate specified in any applicable Loan Document for interest on overdue principal thereof or such other rate as shall be fixed by

applicable law, together with the costs of collection and the reasonable fees, costs, expenses and other client charges of any attorneys employed by the Collateral Agent to collect such deficiency.

(f) Each Grantor hereby acknowledges that if the Collateral Agent complies with any applicable Requirements of Law in connection with a disposition of the Collateral, such compliance will not adversely affect the commercial reasonableness of any sale or other disposition of the Collateral.

(g) The Collateral Agent shall not be required to marshal any present or future collateral security (including, but not limited to, this Agreement and the Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of the Collateral Agent's rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that any Grantor lawfully may, such Grantor hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Collateral Agent's rights under this Agreement or under any other instrument creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

SECTION 10. Indemnity and Expenses.

(a) Each Grantor jointly and severally agrees to defend, protect, indemnify and hold harmless the Collateral Agent and each other Indemnitee in accordance with Section 15.17 of the Credit Agreement.

(b) Each Grantor jointly and severally agrees to pay to the Collateral Agent costs and expenses in accordance with Section 15.5 of the Credit Agreement.

SECTION 11. Notices, Etc. All notices and other communications provided for hereunder shall be given in accordance with the notice provision of the Credit Agreement.

SECTION 12. Security Interest Absolute; Joint and Several Obligations.

(a) All rights of the Secured Parties, all Liens and all obligations of each of the Grantors hereunder shall be absolute and unconditional irrespective of (i) any lack of validity or enforceability of the Credit Agreement or any other Loan Document, (ii) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Secured Obligations, or any other amendment or waiver of or consent to any departure from the Credit Agreement or any other Loan Document, (iii) any exchange or release of, or non-perfection of any Lien on any Collateral, or any release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Obligations, or (iv) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any of the Grantors in respect of the Secured Obligations. All authorizations and agencies contained herein with respect to any of the Collateral are irrevocable and powers coupled with an interest.

(b) Each Grantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and notice of the incurrence of any Secured Obligation by any Borrower, (iii) notice of any actions taken by the Collateral Agent, any Lender, any Grantor or any other Person under any Loan Document or any other agreement, document or instrument relating thereto, (iv) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Secured Obligations, the omission of or delay in which, but for the provisions of this subsection (b), might constitute grounds for relieving such Grantor of any such Grantor's obligations hereunder and (v) any requirement that the Collateral Agent or any Lender protect, secure, perfect or insure any security interest or other lien on any property subject thereto or exhaust any right or take any action against any Grantor or any other Person or any collateral.

(c) All of the obligations of the Grantors hereunder are joint and several. The Collateral Agent may, in its sole and absolute discretion, enforce the provisions hereof against any of the Grantors and shall not be required to proceed against all Grantors jointly or seek payment from the Grantors ratably. In addition, the Collateral Agent may, in its sole and absolute discretion, select the Collateral of any one or more of the Grantors for sale or application to the Secured Obligations, without regard to the ownership of such Collateral, and shall not be required to make such selection ratably from the Collateral owned by all of the Grantors. The release or discharge of any Grantor by the Collateral Agent shall not release or discharge any other Grantor from the obligations of such Person hereunder.

SECTION 13. Miscellaneous.

(a) No amendment of any provision of this Agreement (including any Schedule attached hereto) shall be effective unless it is in writing and signed by each Grantor affected thereby and the Collateral Agent, and no waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall be effective unless it is in writing and signed by the Collateral Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No failure on the part of the Secured Parties to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Secured Parties provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Secured Parties under any Loan Document against any party thereto are not conditional or contingent on any attempt by such Person to exercise any of its rights under any other Loan Document against such party or against any other Person, including but not limited to, any Grantor.

(c) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect, subject to paragraph (e) below, until the Payment in Full and (ii) be binding on each Grantor all other Persons who become bound as debtor to this Agreement in accordance with Section 9-203(d) of the Code, and shall inure, together with all rights and remedies of the Secured Parties hereunder, to the benefit of the Secured Parties and their respective successors, transferees and assigns. Without limiting the generality of clause (ii) of the immediately preceding sentence, each Secured Party may assign or otherwise transfer its respective rights and obligations under this Agreement and any other Loan Document to any other Person pursuant to the terms of the Credit Agreement, and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Secured

Parties herein or otherwise. Upon any such assignment or transfer, all references in this Agreement to any Secured Party shall mean the assignee of any such Secured Party. None of the rights or obligations of any Grantor hereunder may be assigned or otherwise transferred without the prior written consent of the Collateral Agent, and any such assignment or transfer shall be null and void.

(d) After the occurrence of the Payment in Full, (i) subject to paragraph (e) below, this Agreement and the security interests and licenses created hereby shall terminate and all rights to the Collateral shall revert to the Grantors, (ii) the Collateral Agent agrees to file UCC amendments on or promptly after the Payment in Full to evidence the termination of the Liens so released and (iii) the Collateral Agent will, upon the Grantors' request and at the Grantors' cost and expense, (A) promptly return to the Grantors (or whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct) such of the Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof, and (B) promptly execute and deliver to the Grantors such documents and make such other filings as the Grantors shall reasonably request to evidence such termination, without representation, warranty or recourse of any kind. In addition, upon any sale or disposition of any item of Collateral in a transaction expressly permitted under the Credit Agreement, the Collateral Agent agrees to execute a release of its security interest in such item of Collateral, and the Collateral Agent shall, upon the reasonable request of the Grantors and at the Grantors' cost and expense, execute and deliver to the Grantors such documents as the Grantors shall reasonably request to evidence such release, without representation, warranty or recourse of any kind.

(e) This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment or performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance", or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(f) Upon the execution and delivery, or authentication, by any Person of a security agreement supplement in substantially the form of Exhibit C hereto (each a "Security Agreement Supplement"), (i) such Person shall be referred to as an "Additional Grantor" and shall be and become a Grantor, and each reference in this Agreement to "Grantor" shall also mean and be a reference to such Additional Grantor, and each reference in this Agreement and the other Loan Documents to "Collateral" shall also mean and be a reference to the Collateral of such Additional Grantor, and (ii) the supplemental Schedules I-VIII attached to each Security Agreement Supplement shall be incorporated into and become a part of and supplement Schedules I-VIII, respectively, hereto, and the Collateral Agent may attach such Schedules as supplements to such Schedules, and each reference to such Schedules shall mean and be a reference to such Schedules, as supplemented pursuant hereto.

(g) **THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCEPT (I) AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND**

(II) TO THE EXTENT THAT THE VALIDITY AND PERFECTION OR THE PERFECTION AND THE EFFECT OF PERFECTION OR NON-PERFECTION OF THE SECURITY INTEREST CREATED HEREBY, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAW OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.

(h) In addition to and without limitation of any of the foregoing, this Agreement shall be deemed to be a Loan Document and shall otherwise be subject to all of terms and conditions contained in Sections 15.19 and 15.20 of the Credit Agreement, *mutatis mutandi*.

(i) Each Grantor irrevocably and unconditionally waives any right it may have to claim or recover in any legal action, suit or proceeding with respect to this Agreement any special, exemplary, punitive or consequential damages.

(j) Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(k) Section headings herein are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

(l) This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be deemed an original, but all of such counterparts taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

(m) For purposes of this Agreement, all references to Schedules I-VIII attached hereto shall be deemed to refer to each such Schedule as updated from time to time in accordance with the terms of this Agreement.

SECTION 14. Reference Subordination Agreement. Notwithstanding any provision to the contrary contained herein, all terms and provisions of this Agreement are subject to the terms of the Reference Subordination Agreement. In the event of any conflict between the terms of this Agreement (other than Section 2) and the Reference Subordination Agreement, the terms of the Reference Subordination Agreement shall govern. Any reference in this Agreement to a "first priority Lien" or words of similar effect in describing the security interests created hereunder shall be understood to refer to such priority subject to the claims of the First Lien Agent (as defined in the Reference Subordination Agreement) under the Collateral Documents (as defined in the Senior Credit Facility Documentation). To the extent that any original certificate, promissory note, chattel paper or instrument is required pursuant to the terms of this Agreement to be delivered to the Collateral Agent, so long as the Reference Subordination Agreement is in effect, delivery of such original certificates, promissory notes, chattel paper, or instruments to the First Lien Agent (as defined in the Reference Subordination Agreement) shall be deemed to satisfy such requirement.

SECTION 15. Effect of Restatement.This Agreement shall, except as otherwise expressly set forth herein, supersede the Original Security Agreement from and after the date hereof with respect to

the Collateral. The parties hereto acknowledge and agree, that this Agreement shall not constitute or effect (a) a novation or termination of any of the obligations of the Grantors, the Administrative Agent or the Collateral Agent under the Original Security Agreement as in effect prior to the date hereof, which obligations of the Grantors, the Administrative Agent and the Collateral Agent continue in full force and effect as set forth in the Original Security Agreement with only the terms being modified and restated as provided in this Agreement nor (b) a release of any Liens under the Original Security Agreement.

Capitalized terms defined in the Financing Agreement or the Security Agreement and not otherwise defined herein are used herein as defined in the Financing Agreement or the Security Agreement.

SECTION 1. Grant of Security. The undersigned hereby grants to the Collateral Agent, for the ratable benefit of each Secured Party, a security interest in, all of its right, title and interest in and to all of the Collateral (as defined in the Security Agreement) of the undersigned, whether now owned or hereafter acquired by the undersigned, wherever located and whether now or hereafter existing or arising, including, without limitation, the property and assets of the undersigned set forth on the attached supplemental schedules to the Schedules to the Security Agreement.

SECTION 2. Security for Obligations. Without limiting the generality of the foregoing, each of this Security Agreement Supplement and the Security Agreement secures the payment of all amounts that constitute part of the Secured Obligations and that would be owed by the undersigned to the Collateral Agent or any Secured Party under the Loan Documents but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

SECTION 3. Supplements to Security Agreement Schedules. The undersigned has attached hereto supplemental Schedules I through VIII to Schedules I through VIII, respectively, to the Security Agreement, and the undersigned hereby certifies, as of the date first above written, that such supplemental Schedules have been prepared by the undersigned in substantially the form of the equivalent Schedules to the Security Agreement, and such supplemental Schedules include all of the information required to be scheduled to the Security Agreement and do not omit to state any information material thereto.

The undersigned further agrees, as of the date first above written, that each reference in the Security Agreement to an "Additional Grantor" or a "Grantor" shall also mean and be a reference to the undersigned.

SECTION 6. Governing Law. This Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Loan Document. In addition to and without limitation of any of the foregoing, this Security Agreement Supplement shall be deemed to be a Loan Document and shall otherwise be subject to all of terms and conditions contained in Sections 12.10 and 12.11 of the Financing Agreement, *mutatis mutandi*.

If any such payment is a prepayment of the principal amount of any Loans and made at a time when the conditions set forth in Section 12.2 are satisfied, then that payment will be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(b) If any Borrower notifies the Administrative Agent ~~and the Borrowers each agrees~~ that a Defaulting Lender has adequately remedied all matters that caused that Lender to be a Defaulting Lender, then that Lender shall purchase at par such of the Loans of the other Lenders as ~~the Administrative Agent determines is~~ necessary in order for that Lender to hold those Loans in accordance with its Pro Rata Share (as determined pursuant to clause (a) of the definition of "Pro Rata Share"). No Defaulting Lender will have any right to approve or disapprove any amendment, waiver, consent, or any other action the Lenders or the Required Lenders have taken or may take under this Agreement (including any consent to any amendment or waiver pursuant to Section 15.1) but any waiver, amendment, or modification requiring the consent of all Lenders or each directly affected Lender that affects a Defaulting Lender differently than other affected Lenders will require the consent of that Defaulting Lender.

ARTICLE III

EVIDENCING OF LOANS

Section 3.1 Notes. Each Tranche A-1 Loan shall be evidenced by a Tranche A-1 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (ii) each Tranche A-2 Loan shall be evidenced by a Tranche A-2 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (iii) each Tranche B-1 Loan shall be evidenced by a Tranche B-1 Note, executed by Ultimate Holdings as issuer; (iv) each Tranche B-2 Loan shall be evidenced by a Tranche B-2 Note, executed by Ultimate Holdings as issuer; (v) each Tranche C Loan shall be evidenced by a Tranche C Note, executed by Ultimate Holdings as issuer; (vi) each Tranche D Loan shall be evidenced by a Tranche D Note, executed by Ultimate Holdings as issuer; and (vii) each Tranche E Loan shall be evidenced by a Tranche E Note, executed by Ultimate Holdings as issuer. The Notes shall be delivered to each Lender for the benefit of such Lender on or before the Closing Date (or with respect to Tranche E Notes, on or before the Amendment No. 1 Effective Date), appropriately completed. Each Loan and interest thereon shall at all times (including after assignment pursuant to Section 15.6) be represented by one or more Notes in such form payable to the payee named therein. Each Lender shall be entitled to have its Notes substituted, exchanged or subdivided for Notes of lesser denominations in connection with a permitted assignment of all or any portion of such Lender's Loans and Notes pursuant to Section 15.6. In case of theft, partial or complete destruction or mutilation of any Note, the relevant Lender shall be entitled to request to the Borrowers, and the Borrowers

shall promptly (but in any event within ten days of such notice) execute and deliver in lieu thereof a new Note, dated the same date as the lost, stolen, destructed or mutilated Note.

Section 3.2 Recordkeeping. The Administrative Agent, on behalf of each Lender, shall record in its records, the date and amount of each Loan made by each Lender and each repayment or conversion (if permissible) thereof. The aggregate unpaid principal amount so recorded will be rebuttably presumptive evidence of the principal amount of the Loans owing and unpaid. The failure to so record any such amount or any error in so recording any such amount will not, however, limit or otherwise affect the Obligations of the Borrowers under this Agreement or under any Note to repay the principal amount of the Loans under this Agreement, together with all interest accruing thereon.

ARTICLE IV

INTEREST

Section 4.1 Interest Rates.

(a) (i) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-1 Loan (A) for the period commencing on the date that Tranche A-1 Loan is made until ~~that~~the day immediately preceding the Amendment No. 4 Effective Date at a rate per annum equal to 11.00%, and (B) for the period commencing on the Amendment No. 4 Effective Date until the Tranche A-1 Loan is paid in full at a rate per annum equal to the sum of (x) 11.00% and (y) the Tranche A Applicable Rate; (ii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-2 Loan (A) for the period commencing on the date that Tranche A-2 Loan is made until ~~that~~the day immediately preceding the Amendment No. 4 Effective Date at a rate per annum equal to 17.41%, and (B) for the period commencing on the Amendment No. 4 Effective Date until the Tranche A-2 Loan is paid in full at a rate per annum equal to the sum of (x) 17.41% and (y) the Tranche A Applicable Rate; (iii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-1 Loan for the period commencing on the date that Tranche B-1 Loan is made until that Tranche B-1 Loan is paid in full at a rate per annum equal to 11.00%; (iv) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-2 Loan for the period commencing on the date that Tranche B-2 Loan is made until that Tranche B-2 Loan is paid in full at a rate per annum equal to 17.41%; (v) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche C Loan for the period commencing on the date that Tranche C Loan is made until that Tranche C Loan is paid in full at a rate per annum equal to 11.00%; (vi) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche D Loan for the period commencing on the date that Tranche D Loan is made until that Tranche D Loan is paid in full at a rate per annum equal to 11.00%; and (vii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche E Loan for the period commencing on the Amendment No. 1 Effective Date until that Tranche E Loan is paid in full at a rate per annum equal to 11.00%.

As between AgileThought Mexico and the Peso Lenders only, and for information purposes only, the interest rate applicable to the Peso Loans has been agreed giving due regard to

factors that would make the rate the substantial equivalent to the interest rate applicable to the Dollar Loans.

(b) Notwithstanding the foregoing, at any time an Event of Default exists, the interest rate applicable to each Loan will be increased by 2% during the existence of an Event of Default (and, in the case of Obligations not bearing interest, those Obligations will, during the existence of an Event of Default, bear interest at the highest interest rate applicable to the Loans *plus* 2%), but any such increase may be rescinded by Required Lenders, notwithstanding Section 15.1. Notwithstanding the foregoing, upon the occurrence of an Event of Default under Sections ~~13.1.1 or 13.1.4~~13.1(a), (f) or (g), the increase provided for in this Section 4.1 will occur automatically. In no event will interest payable by the Borrowers to any Lender under this Agreement exceed the maximum rate permitted under applicable law, and if any such provision of this Agreement is in contravention of any such law, then that provision will be deemed modified to limit that interest to the maximum rate permitted under that law.

Section 4.2 Interest Payment Dates; Payment-in-Kind.

(a) Tranche A-1 Loans.

(i) Accrued interest on each Tranche A-1 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. Any such notice to prepay the Loans shall be irrevocable and in case the Borrowers deliver such notice and the conditions under clauses (a) and (b) above are satisfied, the Loans shall become due and payable in full on the Voluntary Prepayment Date.

(v) Immediately upon receipt by Intermediate Holdings of the proceeds of any Permitted Cure Equity pursuant to Section 13.2, Intermediate Holdings shall prepay the outstanding principal of the Loans in accordance with Section 6.3 in an amount equal to 100% of such proceeds.

Section 6.3 Manner and Application of Prepayments. All prepayments of the Loans under Section 6.2 shall be subject to the Reference Subordination Agreement and to Section 8.7 and shall be accompanied by payment of all accrued interest on the Loans (or portion thereof) being prepaid. All prepayments of the Loans will be applied on a pro rata basis to the Loans based on the Dollar Amount thereof.

(b) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment or prepayment of principal of the Loans on any date, then the sum payable by the Borrowers in respect of principal on the Tranche B-2 Loans shall be increased such that the Tranche B-2 Lenders receive an amount equal to the amount that would have resulted if interest on the Tranche B-2 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-2 Loans.

~~(b) Each Lender, acting in its sole and individual discretion, shall, by notice to the Administrative Agent given not earlier than 30 days prior to the Existing Maturity Date and not later than the date (the "Notice Date") that is 20 days prior to the Existing Maturity Date, advise the Administrative Agent whether or not such Lender agrees to such extension. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.~~

~~(c) The Administrative Agent shall notify the Borrowers of each Lender's determination under this Section no later than the date five days prior to the Existing Maturity Date (or, if such date is not a Business Day, on the following Business Day).~~

ARTICLE VII

MAKING AND PRORATION OF PAYMENTS; SETOFF; TAXES

Section 7.1 Making of Payments.

7.1.1 Borrowers shall make all cash payments of principal or interest on the Loans, and of all fees to paid in cash, to the Administrative Agent in immediately available funds to the account designated by the Administrative Agent for such purpose, not later than 12:00 P.M. (~~Mexico City~~New York time) on the date due, and funds received after that time shall be deemed to have been received by the Administrative Agent on the following Business Day, with the exception that funds due in pesos for the Peso Loans will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the date due. Borrowers shall make all payments to the Agents and the Lenders without set-off, counterclaim, recoupment, deduction, or other defense. Subject to Section 2.5, Administrative Agent shall promptly remit to each Lender and the Collateral Agent its share of all such payments received in collected funds by Administrative Agent for the account of such Lender and the Collateral Agent; *provided*, that any amount received by the Administrative Agent on account of cash payments of principal or interest on the Loans, and/or of fees paid in cash shall be allocated by the Administrative Agent among the Lenders in accordance with the written instructions received by the Administrative Agent from the Lenders to such effect; *provided*, *further*, that the failure by the Lenders to give such instructions to the Administrative Agent shall not affect the obligation of the Loan Parties to make any such payment on the terms and conditions set forth in this Agreement. Notwithstanding the foregoing, Borrowers shall make all payments under Section 8.1 directly to the Lender entitled thereto. The Borrowers agree to notify the Administrative Agent and the Lenders of any cash payments of principal or interest on the Loans, and/or of any fees to paid in cash, not later than 10:00 A.M. (New York City time) three Business Days prior to the date of any such payment, which notice will be effective upon receipt by the Administrative Agent, will be irrevocable, and must specify (i) the date of such payment, (ii) the amount of such payment, and (iii) if such payment is in respect of interest and/or fees; *provided*, that the failure to give such notice shall not affect the obligation of the Loan Parties to make any such payment on the terms and conditions set forth in this Agreement.

7.1.2 Except to the extent otherwise provided herein (i) each payment or prepayment of principal of the Loans shall be made for the account of the Lenders of each Type pro rata in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans, Tranche D Loans and Tranche E Loans, and within each Type shall be made for the account of the Lenders of such Type pro rata in accordance with the Dollar Amount of the respective unpaid principal amounts of the Loans of such Type held by the respective Lenders and (ii) each payment of interest by the Borrowers shall be made for the account of the Lenders of each Type pro rata in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans, Tranche D Loans and Tranche E Loans, and within each Type shall be made for account of the Lenders of

such Type pro rata in accordance with the Dollar Amount of interest on the Loans of that same Type then due and payable to the Lenders of such Type.

Section 7.2 Application of Certain Payments.

7.2.1 So long as no Default or Event of Default has occurred and is continuing, mandatory prepayments shall be applied as set forth in Section 6.3.

7.2.2 Subject to any written agreement among Administrative Agent and the Lenders:

(a) [Reserved].

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent, acting upon the written direction of the Required Lenders, shall apply all payments in respect of any Obligations and all proceeds of the Collateral, subject to the provisions of this Agreement, as follows: (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay the Obligations in respect of any fees and indemnities then due and payable to the Lenders until paid in full; (iii) third, ratably to pay interest then due and payable in respect of the Loans until paid in full based on the Dollar Amount thereof; (iv) fourth, ratably to pay principal of the Loans until paid in full based on the Dollar Amount thereof; (v) fifth, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 7.2.2(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after, or that would have accrued but for, the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 7.2.2 and other provisions contained in any other Loan Document, it is the intention of the parties to this Agreement that all such priority provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 7.2.2 shall control and govern.

Section 7.3 Due Date Extension. If any payment of principal or interest with respect to any of the Loans, or of any fees, falls due on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day unless the result of that extension would cause such due date to occur in another calendar month, in which case such due date shall be the immediately preceding Business Day and, in the case of principal, additional interest shall accrue and be payable for the period of any such extension.

Section 7.4 Setoff. All payments made by Borrowers hereunder or under any Loan Documents shall be made without setoff, counterclaim, or other defense. Each Borrower, for itself and each other Loan Party, agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Borrower, for itself and each other Loan Party, agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the payment of any Obligations of each Borrower and each other Loan Party under this Agreement, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of each Borrower and each other Loan Party then or thereafter with that Agent or that Lender.

Section 7.5 Proration of Payments. Except as provided in Section 2.5, if any Lender obtains any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise), on account of principal of or interest on any Loan (but excluding (a) any payment pursuant to Article VIII or Section ~~8 or~~ 15.6, or (b) payments of interest on any ~~Affected~~affected Loan) in excess of its applicable Pro Rata Share of payments and other recoveries obtained by all Lenders on account of principal of and interest on the Loans, then held by them, then that Lender shall purchase from the other Lenders such participations in the Loans held by them as are necessary to cause that purchasing Lender to share the excess payment or other recovery ratably with each of them, but if all or any portion of the excess payment or other recovery is thereafter recovered from that purchasing Lender, then that purchase will be rescinded and the purchase price restored to the extent of that recovery.

Section 7.6 Taxes.

7.6.1 The Loan Parties shall make all payments under this Agreement or under any Loan Documents without setoff, counterclaim, or other defense. All payments under this Agreement or under the Loan Documents (including any payment of principal, interest, or fees and including, for the avoidance of doubt, any payment that results from the delivery of Conversion Payment Shares) to, or for the benefit, of any Person will be made by the Loan Parties free and clear of and without deduction or withholding for, or account of, any Taxes now or hereafter imposed by any taxing authority, except as required by applicable law.

7.6.2 If Borrowers make any payment (including, for the avoidance of doubt, that results from the exercise of the conversion rights under Article XVIII) under this Agreement or under any other Loan Document in respect of which any Borrower is required by applicable law to deduct or withhold any Taxes, then (i) the Borrower shall be entitled to deduct or withhold from such payment the amount of such Taxes, (ii) the Borrower shall timely pay the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, the sum payable by such Borrower shall be increased such that after the reduction for the amount of Indemnified Taxes withheld (and any Indemnified Taxes withheld or imposed with respect to the additional payments required under this Section 7.6.2), the recipient of the payment receives an amount equal to the sum it would have received had no such withholding been made. To the extent Borrowers withhold any Taxes on payments under this Agreement or under any other Loan Document, Borrowers shall deliver to Administrative Agent within 30 days after Borrowers have made payment to that taxing authority a receipt issued by that taxing authority (or other evidence reasonably satisfactory to Administrative Agent

approved by the Required Lenders) evidencing the payment of all amounts so required to be deducted or withheld from that payment.

7.6.3 If any Lender or Agent or other recipient is required by law to make any payments of any Indemnified Taxes on or in relation to any amounts received or receivable under this Agreement or under any other Loan Document, or any Indemnified Tax is assessed against a Lender or Agent or other recipient with respect to amounts received or receivable under this Agreement or under any other Loan Document, Borrowers will indemnify that Person against (i) that Indemnified Tax and (ii) any Indemnified Taxes imposed as a result of the receipt of the payment under this Section 7.6.3. A certificate prepared in good faith as to the amount of any such payment by that Lender or Agent or other recipient will, absent manifest error, be final, conclusive, and binding on all parties.

7.6.4 Notwithstanding anything to the contrary in Sections 7.6.2 and 7.6.3, the Borrowers shall in no event be required to pay the Tranche B-1 Lender or the Tranche B-2 Lender additional amounts under clause (iii) of Section 7.6.2 with respect to U.S. federal withholding Taxes ("U.S. Withholding Tax Additional Amounts") or to indemnify the Tranche B-1 Lender or the Tranche B-2 Lender under Section 7.6.3 against Indemnified Taxes that are U.S. federal withholding Taxes ("U.S. Withholding Tax Indemnity Payments") to the extent the sum of any U.S. Withholding Tax Additional Amounts and any U.S. Withholding Tax Indemnity Payments paid by the Borrowers to the Tranche B-1 Lender and the Tranche B-2 Lender exceeds, in the aggregate, ~~U.S.~~US$250,000.

7.6.5 (a) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any Loan Document shall use its best efforts to deliver to the Borrower Representative and the Administrative Agent, such properly and completed executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payment to be made without withholding or at a reduced rate of withholding.

(b) Without limiting the generality of the foregoing:

(A) each Lender that is not a United States person within the meaning of Code Section 7701(a)(30) (a "Non-U.S. Lender") shall use its best efforts to deliver to Borrower Representative and Administrative Agent on the earlier of (i) the date that is six (6) months after the Closing Date (or in the case of a Lender that is an Assignee, on the date of the assignment) and (ii) the date of delivery of Conversion Payment Shares, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY (or any successor or other applicable form prescribed by the IRS) for each such Lender and, as applicable, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable form prescribed by the IRS) for each of its partners or other beneficial owners certifying to the entitlement to a complete exemption from, or reduction in, U.S. federal withholding tax on interest payments to be made under this Agreement or under any Loan Document, together with such supplementary documentation as may be

prescribed by applicable law to permit Borrowers or the Administrative Agent to determine the withholding or deduction to be made. If a Lender or one of its partners or other beneficial owners is claiming a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c), then that Lender shall deliver (along with two accurate and complete original signed copies of IRS Form W-8IMY, W-8BEN or W-8BEN-E, as applicable) a certificate in form and substance reasonably acceptable to Borrower Representative and Administrative Agent to the effect that such Person is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate, a "Withholding Certificate"). To the extent a Lender (or its partners or other beneficial owners, as applicable) would be entitled to claim a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c) with respect to payments received under this Agreement or under the Loan Documents, and such Lender takes any action that could reasonably be expected to result in the loss of such exemption, the Borrowers shall not be required to pay to such Lender amounts pursuant to Section 7.6 in excess of the maximum amount that the Borrowers would have been required to pay pursuant to the Laws in effect on the date of this Agreement had the Lender not taken such action. In addition, each Non-U.S. Lender shall, from time to time after the Closing Date (or in the case of a Lender that is an Assignee, after the date of the assignment to that Lender) when a lapse in time (or change in circumstances occurs) renders the prior certificates delivered under this Agreement obsolete or inaccurate in any material respect, use its best efforts to deliver to Borrower Representative and Administrative Agent two new and accurate and complete original signed copies of IRS Forms W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable forms prescribed by the IRS), and if applicable, a new Withholding Certificate, to confirm or establish the entitlement of such Lender (or its respective partner or other beneficial owner) to an exemption from, or reduction in, United States withholding tax on interest payments to be made under this Agreement or with respect to any Loan (or such Lender shall otherwise promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to deliver such forms and/or Withholding Certificate).

(B) Each Lender that is not a Non-U.S. Lender shall provide two properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) to Borrower Representative and Administrative Agent certifying that that Lender is exempt from United States backup withholding Tax. To the extent that a form provided pursuant to this Section 7.6.5(b) is rendered obsolete or inaccurate in any material respect as result of change in circumstances with respect to the status of a Lender or Administrative Agent, then that Lender or Administrative Agent shall, to the extent permitted by applicable law, deliver to Borrower Representative and, as applicable, Administrative Agent revised forms necessary to confirm or establish the entitlement to that Lender's exemption from

United States backup withholding Tax (or such Lender or Administrative Agent shall otherwise promptly notify the Borrower Representative and, as applicable, the Administrative Agent in writing of its legal inability to deliver such forms).

7.6.6 Each Lender shall indemnify Administrative Agent and hold Administrative Agent harmless for the full amount of any and all present or future Taxes and related liabilities (including penalties, interest, additions to Tax and expenses, and any Taxes imposed by any jurisdiction on amounts payable to Administrative Agent under this Section 7.6) which are imposed on or with respect to principal, interest, or fees payable to that Lender under this Agreement and which are not paid by Borrowers pursuant to this Section 7.6, whether or not those Taxes or related liabilities were correctly or legally asserted. This indemnification must be made within 30 days from the date Administrative Agent makes written demand therefor.

7.6.7 If an Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section 7.6, then that Agent or that Lender, as applicable, shall pay over that refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 7.6 with respect to the Indemnified Taxes giving rise to that refund), net of any Taxes imposed by reason of receipt of that refund and all out-of-pocket expenses of that Agent or that Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to that refund, which interest must be paid to the Borrowers). Upon the request of any such Agent or any such Lender, Borrowers shall repay any amount paid to the Borrowers (plus any penalties, interest, or other charges imposed by the relevant Governmental Authority) to that Agent or that Lender in the event that Agent or that Lender is required to repay any such refund to any such Governmental Authority. Nothing in this Section 7.6.7 is to be construed to require any Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

7.6.8 The Borrowers agree to pay to any Mexican Lender all applicable present and future value added taxes (*Impuesto al Valor Agregado*) in respect of any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including, without limitation, in respect of any capitalized interest under Section 4.2(a)(ii)).

7.6.9 If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if that Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), then that Lender shall deliver to Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at any other time or times reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) all documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and all additional documentation reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) as is necessary for Administrative Agent or Borrowers to comply with their obligations under FATCA and to determine that that

Lender has complied with that Lender's obligations under FATCA or to determine the amount to deduct and withhold from that payment. Solely for purposes of this Section 7.6.9, "FATCA" is deemed to include any amendments made to FATCA after the date of this Agreement.

7.6.10 For purposes of this Section 7.6, the term "applicable law" includes FATCA. Each party's obligations under this Section 7.6 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

ARTICLE VIII

INCREASED COSTS

Section 8.1 Increased Costs.

(a) If any Change in Law (i) imposes, modifies, or deems applicable any reserve (including any reserve imposed by the FRB), special deposit, or similar requirement against assets of, deposits with, or for the account of, or credit extended by, any Lender; (ii) subjects any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (c) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, its Note(s) or its obligations to make Loans, or (iii) imposes on any Lender any other condition (other than Taxes) affecting its Loans, its Note(s), or its obligation to make Loans, and the result of anything described in clauses (i) through (iii) above is to increase the cost to (or to impose a cost on) that Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by that Lender under this Agreement or under its Note(s) with respect thereto, then upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay directly to that Lender such additional amount as will compensate that Lender for that increased cost or that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

(b) If any Lender reasonably determines that any change in, or the adoption or phase-in of, any applicable law, rule, or regulation regarding capital adequacy, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or the compliance by any Lender or any Person controlling any Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on that Lender's or that controlling Person's capital as a consequence of that Lender's obligations under this Agreement to a level below that which that Lender or that controlling Person could have achieved but for that change, adoption, phase-in, or compliance (taking into consideration that Lender's or that controlling Person's policies with respect to capital adequacy) by an amount deemed by that Lender or that controlling Person to be material, then from time to time, upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand

and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay to that Lender that additional amount as will compensate that Lender or that controlling Person for that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

Section 8.2 [Reserved].

Section 8.3 Changes in Law Rendering Loans Unlawful. If, after the date of this Agreement, any change in, or the adoption of any new, law or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority or other regulatory body charged with the administration thereof, makes it (or in the good faith judgment of any Lender causes a substantial question as to whether it is) unlawful for any Lender to make, maintain, or fund loans in Dollars, then that Lender shall promptly notify each of the other parties to this Agreement and that Lender will not be required to make or maintain any Loan in Dollars.

Section 8.4 Right of Lenders to Fund through Other Offices. Each Lender may, if it so elects, fulfill its commitment as to any Loan by causing a foreign branch or Affiliate of that Lender to make that Loan, but each such Loan will be deemed to have been made by that Lender and the obligation of Borrowers to repay that Loan will be to that Lender and will be deemed held by the Lender, to the extent of that Loan, for the account of that branch or Affiliate.

Section 8.5 Mitigation of Circumstances; Replacement of Lenders.

(a) Each Lender shall promptly notify Borrower Representative and Administrative Agent of any event of which it has knowledge that will result in, and will use reasonable commercial efforts available to it (and not, in that Lender's sole judgment, otherwise disadvantageous to that Lender) to mitigate or avoid (i) any obligation by Borrowers to pay any amount pursuant to Section 7.6 or 8.1 or (ii) the occurrence of any circumstances described in Section 8.3 (and, if any Lender has given notice of any such event described in clauses (i) or (ii) and thereafter that event ceases to exist, that Lender shall promptly so notify Borrower Representative and Administrative Agent). Without limiting the foregoing, each Lender shall designate a different funding office if that designation will avoid (or reduce the cost to Borrowers of) any event described in clauses (i) or (ii) and that designation will not, in that Lender's sole judgment, be otherwise disadvantageous to that Lender.

(b) If Borrowers become obligated to pay additional amounts to any Lender pursuant to Section 8.1, or any Lender gives notice of the occurrence of any circumstances described in Section 8.3, or any Lender becomes a Defaulting Lender, then Borrower Representative may designate another financial institution that is acceptable to Administrative Agent in its reasonable discretion (a "Replacement Lender") to purchase the Loans of that Lender and that Lender's rights under this Agreement, without recourse to or warranty by, or expense to, that Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to that Lender *plus* any accrued but unpaid interest on those Loans and all accrued but unpaid fees owed to that Lender and any other amounts owed to that Lender under this Agreement and any other Loan Document, and to assume all the obligations of that Lender under this Agreement.

Upon any such purchase and assumption (pursuant to an Assignment Agreement), the applicable Lender will no longer be a party to this Agreement or have any rights under this Agreement (other than rights with respect to indemnities and similar rights applicable to that Lender prior to the date of that purchase and assumption) and will be relieved from all obligations to Borrowers under this Agreement, and the Replacement Lender will succeed to the rights and obligations of that Lender under this Agreement.

Section 8.6 Conclusiveness of Statements; Survival of Provisions. Determinations and statements of any Lender pursuant to Section 8.1 or 8.3 shall be conclusive absent demonstrable error. Lenders may use reasonable averaging and attribution methods in determining compensation under Section 8.1, and the provisions of such Section 8.1 will survive repayment of the Obligations, cancellation of any Note(s) and termination of this Agreement.

Section 8.7 Funding Losses. Each Borrower shall, upon demand by any Lender (which demand must be accompanied by a statement setting forth the basis for the amount being claimed, a copy of which must be furnished to Administrative Agent), indemnify that Lender against any net loss or expense (including amounts incurred to terminate, settle or re-establish hedging arrangements or related trading positions (irrespective of the currency thereof)) which that Lender sustains or incurs, as reasonably determined by that Lender, as a result of any failure of any Borrower to borrow any Loan on a date specified therefor in a notice of borrowing pursuant to this Agreement. ARTICLE XIV

AGENCY

Section 14.1 Appointment and Authorization. Each Lender hereby irrevocably (subject to Section 14.10) appoints, designates, and authorizes each Agent to take any action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise any powers and perform any duties as are expressly delegated to it, as applicable, by the terms of this Agreement or any other Loan Document, together with all powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, none of the Agents will have any duty or responsibility except those expressly set forth in this Agreement, nor will any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities are to be read into this Agreement or any other Loan Document or otherwise exist against such Agent, as applicable. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, that term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 14.2 [Reserved].

Section 14.3 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees, or attorneys-in-fact and is entitled to advice of counsel and other consultants or experts concerning all matters pertaining

to those duties. No Agent will be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 14.4 Exculpation of Agents. None of the Agents and their respective directors, officers, employees, and agents (a) will be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth in this Agreement as determined by a final, non-appealable judgment by a court of competent jurisdiction), or (b) will be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other Loan Document (or the creation, perfection, or priority of any Lien or security interest therein), or for any failure of any Borrower or any other party to any Loan Document to perform its Obligations under this Agreement or under any other Loan Documents. None of the Agents is or will be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document or to inspect the properties, books, or records of any of the Loan Parties and their Subsidiaries and Affiliates.

The duties of each of the Administrative Agent and the Collateral Agent under the Loan Documents are solely mechanical and administrative in nature. The Administrative Agent and the Collateral Agent shall be entitled to request written instructions, or clarification of any instruction, from the Required Lenders (or, if the relevant Loan Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Administrative Agent and the Collateral Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, the Administrative Agent or the Collateral Agent, as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Lenders.

The Agents are not obliged to expend or risk their own funds or otherwise incur any financial liability in the performance of their respective duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if they have grounds for believing the repayment of such funds or indemnity satisfactory to such Agent against, or security for, such risk or liability is not reasonably assured to such Agent. The Agents shall not be responsible in any manner for the validity, enforceability or sufficiency of this Agreement or the Loan Documents or any Collateral delivered, or for the value or collectability of any obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Agent. The Agents shall not be bound to examine or inquire into or be liable for any defect or failure in the right or title of the grantors to all or any of the assets whether such defect or failure was known to the Agents or might have been discovered upon examination or inquiry and whether capable of remedy or not.

The Agents shall not be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter.

The Agents shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct.

In no event shall any Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agents shall be entitled to seek written directions from the Required Lenders prior to taking any action under this Agreement, any Collateral instrument or any of the Loan Documents.

Except with respect to its own gross negligence or willful misconduct, no Agent shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto.

No Agent shall have responsibility for or liability with respect to monitoring compliance of any other party to the Loan Documents or any other document related hereto or thereto. The Agents have no duty to monitor the value or rating of any Collateral on an ongoing basis.

Whenever in the administration of the Loan Documents any Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, may conclusively rely upon instructions from the Required Lenders.

Any Agent may request that the Required Lenders or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Loan Documents.

Money held by any Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

Beyond the exercise of reasonable care in the custody thereof, no Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or

bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

No Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. No Agent shall have any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of the Loan Documents by any other Person.

In the event that, following a foreclosure in respect of any Mortgaged property, the Agent acquires title to any portion of such property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Agent's sole discretion may cause such Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Agent to incur liability under CERCLA or any other Federal, state or local law, such Agent reserves the right, instead of taking such action, to either resign as Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

Each Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. The Agents reserve the right to forebear from foreclosing in their own name if to do so may expose them to undue risk.

In no event shall any Agent be responsible or liable for any failure (e) or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

For the avoidance of doubt and notwithstanding anything contrary in any Loan Document, in the event of inconsistency between the terms of this Agreement and any other Loan Document, the terms in this Agreement shall prevail.

Notwithstanding anything in the Loan Documents to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

Section 14.5 Reliance by Agents. Each Agent may rely, and will be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants, and other experts selected by such Agent. Each Agent will be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless such Agent first receives all advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify such Agent against any and all liability and expense which might be incurred by such Agent by reason of taking or continuing to take any such action. Each Agent will in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and each such request and any action taken or failure to act pursuant thereto will be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 12, each Lender that has signed this Agreement will be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless any Agent has received written notice from that Lender prior to the proposed Closing Date specifying its objection thereto.

Section 14.6 Notice of Default. None of the Agents will be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent for the account of the Lenders, unless such Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing that Event of Default or Default and stating that that notice is a "notice of default." Each Agent shall promptly notify the Lenders of its receipt of any such notice. Each Agent shall take all such actions with respect to each such Event of Default or Default as requested by the Required Lenders in accordance with Section 13, but unless and until such Agent has received any such request, such Agent may (but will not be required to) take any action, or refrain from taking any action, with respect to any Event of Default or Default as such Agent deems advisable or in the best interest of the Lenders.

Section 14.7 Credit Decision. Each Lender acknowledges that none of the Agents has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, will be deemed to constitute any representation or warranty by such Agent to any Lender as to any matter, including whether such Agent has disclosed material information in its possession. Each Lender represents to each Agent that it has, independently and without reliance upon such Agent and based on documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition, and

creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers under this Agreement. Each Lender also represents to each Agent that it will, independently and without reliance upon such Agent and based on documents and information as it deems appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make all investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrowers. Except for notices, reports and other documents expressly required in this Agreement to be furnished to the Lenders by any Agent, such Agent will not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Borrower which may come into the possession of such Agent.

Section 14.8 Indemnification. Whether or not the transactions contemplated by this Agreement are consummated, each Lender shall indemnify upon demand each Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities, except that no Lender will be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No action taken in accordance with the directions of the Required Lenders will be deemed to constitute gross negligence or willful misconduct for purposes of this Section 14.8. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to in this Agreement, to the extent that such Agent is not reimbursed for any such expenses by or on behalf of Borrowers. The undertaking in this Section 14.8 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, ~~expiration or termination of the Letters of Credit,~~ termination of this Agreement and the resignation or replacement of any Agent.

Section 14.9 Agents in their Individual Capacity. Each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though such Person were not an Agent under this Agreement and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to those activities, the Person serving as an Agent or its Affiliates might receive information regarding Borrowers or their Affiliates (including information that is subject to confidentiality obligations in favor of any Borrower or any such Affiliate) and acknowledges that none of the Agents will be under any obligation to provide any such information to them. With respect to their Loans (if any),

each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates have the same rights and powers under this Agreement as any other Lender and may exercise the same as though such Person were not an Agent, and the terms "Lender" and "Lenders" include such Person and its Affiliates, to the extent applicable, in their individual capacities.

Section 14.10 Successor Agents. Any may resign as such upon 30 days' notice to the Lenders. If any Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower Representative (which may not be unreasonably withheld or delayed), appoint from among the Lenders a successor Agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of an Agent, such Agent may appoint, after consulting with the Lenders and Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent under this Agreement, that successor agent will succeed to all the rights, powers, and duties of the retiring Agent and the term "Administrative Agent" or "Collateral Agent," as applicable, will mean that successor agent, and the retiring Agent's appointment, powers and duties as Agent will be terminated. After any retiring Agent's resignation under this Agreement as an Agent, the provisions of this Section 14.10 and Sections 15.5 and 15.17 will inure to its benefit as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement. If no successor agent has accepted appointment as successor agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation will nevertheless thereupon become effective and the Required Lenders shall perform all of the duties of the retiring Agent under this Agreement until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 14.11 Collateral Matters. Each Lender authorizes and directs Collateral Agent to enter into the Collateral Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) for the benefit of the Agents and the Lenders. Each Lender hereby agrees that, except as otherwise set forth in this Agreement, any action taken by any Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by such Agent or Required Lenders of the powers set forth in this Agreement or therein, together with all other powers as are reasonably incidental thereto, will be authorized by, and binding upon, all Lenders. Collateral Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral (other than Collateral located in Mexico) or Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to this Agreement and the such other Loan Documents. The Lenders irrevocably authorize Collateral Agent, at its option and in its discretion, to do any and all of the following: (a) to release any Lien granted to or held by Collateral Agent under any Collateral Document (other than the Mexican Collateral Agreements) (i) upon Payment in Full; (ii) upon property sold or to be sold or disposed of as part of or in connection with any disposition permitted under this Agreement (including the release of any Guarantor in connection with any such disposition); or (iii) subject to Section 15.1 if approved in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral (other than Collateral located in Mexico) to any holder of a Lien on that Collateral which ~~is permitted by~~

~~Section 11.2(d)~~secures purchase money debt (it being understood that Collateral Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Debt secured by any such Lien is permitted ~~by Section 11.1(d)~~hereunder). Upon request by Collateral Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

Section 14.12 Restriction on Actions by Lenders. Each Lender shall not, without the express written consent of each Agent, and shall, upon the written request of any Agent (to the extent it is lawfully entitled to do so), set-off against the Obligations, any amounts owing by that Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with that Lender. Each Lender shall not, unless specifically requested to do so in writing by each Agent, take or cause to be taken any action, including the commencement of any legal or equitable proceedings, to foreclose any loan or otherwise enforce any security interest in any of the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) against the Loan Parties or any third party with respect to the Obligations or the Collateral may be taken by only Administrative Agent or Collateral Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by their respective agents at the direction of such Agent.

Section 14.13 Administrative Agent May File Proofs of Claim.

14.13.1 In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to any Loan Party (including any Insolvency Proceeding), Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as expressed in this Agreement or by declaration or otherwise and irrespective of whether Administrative Agent has made any demand on Borrowers) may, by intervention in any such proceeding or otherwise, do any and all of the following:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and its respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Article V, Sections ~~5,~~ 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

14.13.2 Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding is hereby authorized by each Lender to make all payments to Administrative Agent and, in the event that Administrative Agent consents to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent

and its agents and counsel, and any other amounts due Administrative Agent under Article V, Sections 5, 15.5, and 15.17.

14.13.3 Nothing contained in this Agreement will be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 14.14 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger," if any, has any right, power, obligation, liability, responsibility, or duty under this Agreement other than, in the case of any Lender, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified has or is deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action under this Agreement.

Section 14.15 [Reserved].

Section 14.16 Mexican Powers of Attorney. The Administrative Agent agrees that it will not exercise any rights under any power of attorney granted under or in connection with the Mexican Loan Documents unless an Event of Default has occurred and is continuing.

Section 15.2 Confirmations. Each Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing (with

a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under that Note.

Section 15.3 Notices.

15.3.1 Generally. Except as otherwise provided in Section 2.2, all notices under this Agreement must be in writing (including facsimile transmission) and must be sent to the applicable party at its address shown on Annex B or at any other address as the receiving party designates, by written notice received by the other parties, as its address for that purpose. Notices sent by facsimile transmission will be deemed to have been given when sent; notices sent by mail will be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service will be deemed to have been given when received. For purposes of ~~Sections~~Section 2.2~~ and 2.2.2~~, Administrative Agent will be entitled to rely on written instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower Representative, and Borrowers shall hold Administrative Agent and each other Lender harmless from any loss, cost, or expense resulting from any such reliance.

15.3.2 Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including ~~e-mail~~email and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.2 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.2 by electronic communication. Administrative Agent or any Loan Party may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an ~~e-mail~~email address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return ~~e-mail~~email, or other written acknowledgement), (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, ~~e-mail~~email or other communication that is not sent during the normal business hours of the intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

Section 15.4 Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting computation is required to be made, for the purpose of this Agreement, that determination or calculation will, to the extent applicable and except as otherwise specified in this Agreement, be

made in accordance with GAAP, consistently applied, but if Borrower Representative notifies Administrative Agent that Borrowers wish to amend any covenant in ~~Sections 10 or 11.12~~Article X (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of that covenant (or if Administrative Agent notifies Borrower Representative that the Required Lenders wish to amend ~~Sections 10 or 11.12~~Article X (or any related definition) for that purpose), then Borrowers' compliance with that covenant will be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either the applicable notice under this Section 15.4 is withdrawn or the applicable covenant (or related definition) is amended in a manner satisfactory to Borrowers and the Required Lenders.

Section 15.5 Costs, Expenses and Taxes. Each Loan Party, jointly and severally, shall pay on demand all reasonable out-of-pocket costs and expenses of each Agent (including Attorney Costs and Taxes) in connection with the preparation, execution, primary syndication, delivery and administration (including perfection and protection of any Collateral and the costs of IntraLinks (or other similar service), if applicable) of this Agreement, the other Loan Documents, and all other documents provided for in this Agreement or delivered or to be delivered under or in connection with this Agreement (including any amendment, supplement, or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby are consummated, including, without limitation, all documented out-of-pocket costs and expenses incurred pursuant to Section 10.2, and all reasonable out-of-pocket costs and expenses (including Attorney Costs and any Taxes) incurred by any Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring, or negotiations in respect thereof; *provided*, *however*, that the Loan Parties shall not be liable for any stamp, documentary, recording, filing or similar Taxes that are Other Connection Taxes imposed with respect to an assignment of the Loans and Commitments (other than an assignment at the request of a Loan Party). In addition, each Loan Party shall pay, and shall save and hold harmless each Agent and the Lenders from all liability for, any fees of Loan Parties' auditors in connection with any reasonable exercise by such Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 will survive repayment of the Loans, cancellation of the Notes and termination of this Agreement.

Section 15.6 Assignments; Participations.

15.6.1 Assignments.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "Assignee") all or any portion of that Lender's Loans and Commitments, with the prior written consent of Administrative Agent and, other than for any assignment to an Eligible Assignee and so long as no Event of Default exists, Borrower Representative (which consent of Borrower Representative may not be unreasonably withheld or delayed). Except as Administrative Agent otherwise agrees, any such assignment must be in a minimum aggregate amount equal to ~~U.S.~~US$1,000,000 (which minimum will be ~~U.S.~~US$500,000 if the assignment is to an Affiliate of the assigning Lender) or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent will be entitled to continue to deal solely and directly with the assigning Lender in connection with the interests so assigned to an Assignee until

Administrative Agent has received and accepted an effective assignment agreement in substantially the form of Exhibit J (an "Assignment Agreement") executed, delivered, and fully completed by the applicable parties thereto and a processing fee of ~~U.S.~~US$3,500. For so long as no Default or Event of Default shall have occurred and is continuing at the time of such assignment, the Borrowers shall not be required to pay to any assignee Lender amounts pursuant to Section 7.6 in excess of the amounts that the Borrowers would have been obligated to pay to the assigning Lender if the assigning Lender had not assigned such Loan to such assignee, unless the circumstances giving rise to such excess payment result from a Change in Law after the date of such assignment. Any attempted assignment not made in accordance with this Section 15.6.1 will be treated as the sale of a participation under Section 15.6.2.

(b) From and after the date on which the conditions described above have been met, (i) the Assignee will be deemed automatically to have become a party to this Agreement and, to the extent that rights and obligations under this Agreement have been assigned to that Assignee pursuant to the Assignment Agreement, will have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to that Assignment Agreement, will be released from its rights (other than its indemnification rights) and obligations under this Agreement. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) one or more Notes in accordance with Section 3.1 to reflect the amounts assigned to that Assignee and the amounts, if any, retained by the assigning Lender. Each such Note will be dated the effective date of the applicable assignment. Upon receipt by Administrative Agent of any such Note, the assigning Lender shall return to Borrower Representative any applicable prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of that Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 15.6.1 will not apply to any such pledge or assignment of a security interest. No such pledge or assignment of a security interest will release a Lender from any of its obligations under this Agreement or substitute any such pledgee or assignee for that Lender as a party to this Agreement

15.6.2 Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests under this Agreement (any such Person, a "Participant"), but solely to the extent that such Participant is not a Loan Party or an Affiliate of a Loan Party. In the event of a sale by a Lender of a participating interest to a Participant (a) that Lender's obligations under this Agreement will remain unchanged for all purposes, (b) Borrowers and Administrative Agent shall continue to deal solely and directly with that Lender in connection with that Lender's rights and obligations under this Agreement, and (c) all amounts payable by Borrowers will be determined as if that Lender had not sold that participation and will be paid directly to that Lender. No Participant will have any direct or indirect voting rights under this Agreement except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation

agreement which that Lender enters into with any Participant. Borrowers agree that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant will be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, but that right of set-off is subject to the obligation of each Participant to share with the Lenders, and the Lenders shall share with each Participant, as provided in Section 7.5. Participant shall be entitled to the benefits of Section 7.6 or ~~8~~Article VIII to the same extent as if it were a Lender (but no Participant will be entitled to any greater compensation pursuant to Section 7.6 and ~~8~~Article VIII than would have been paid to the participating Lender on the date of participation if no participation had been sold), and each Participant must comply with Section 7.6.4 as if it were an Assignee.

Section 15.7 Register. (a) Administrative Agent shall maintain, and deliver a copy to Borrower Representative upon written request, a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitment of, and principal amount of (and stated interest on) the Loans owing to, each Lender from time to time and whether that Lender is the original Lender or the Assignee. No assignment will be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register will be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Administrative Agent will not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. It is the parties' intention that the Loans and Commitments be treated as registered obligations and in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code, and that the right, title, and interest of the Lenders in and to those Loans and Commitments be transferable only in accordance with the terms of this Agreement.

(b) Each Lender that sells a participation to a Participant shall, acting solely for this purpose as an agent of each Borrower, maintain at one of its offices a register for the recordation of the names and addresses of each such Participant, and the Commitments of, and principal amount of (and stated interest on) the Loans owing to, such Participant (the "Participant Register"), but no Lender will be required to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans, Commitments, or its other obligations under any Loan Document) to any Person except to the extent that disclosure is required to establish that such a participation is in registered form (as described above). The entries in the Participant Register will be conclusive absent manifest error, and the applicable Lender shall treat each Person whose name is recorded in the Participant Register as the owner of that participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 15.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 15.9 Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender

shall use commercially reasonable efforts (equivalent to the efforts Administrative Agent or that Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party hereunder and designated as confidential, except that Administrative Agent and each Lender may disclose any information as follows: (a) to Persons employed or engaged by Administrative Agent or that Lender or that Lender's Affiliates or Approved Funds in evaluating, approving, structuring, or administering the Loans and the Commitments, (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose any such information to Persons employed or engaged by them as described in clause (a) of this Section 15.9, (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by Administrative Agent or that Lender to be compelled by any court decree, subpoena, or legal or administrative order or process, but Administrative Agent or that Lender, as applicable, shall (i) use reasonable efforts to give the applicable Loan Party written notice prior to disclosing the information to the extent permitted by that requirement, request, court decree, subpoena, or legal or administrative order or process, and (ii) disclose only that portion of the confidential information as Administrative Agent or that Lender reasonably believes, or as counsel for Administrative Agent or that Lender, as applicable, advises Administrative Agent or that Lender, that it must disclose pursuant to that requirement, (d) as Administrative Agent or that Lender reasonably believes, or on the advice of Administrative Agent's or that Lender's counsel, is required by law, (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or that Lender is a party, (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to that Lender, (g) to that Lender's independent auditors and other professional advisors as to which that information has been identified as confidential, or (h) if that information ceases to be confidential through no fault of Administrative Agent or any Lender. Notwithstanding the foregoing, Borrowers consent to the publication by Administrative Agent or any Lender of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement, and Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, non-disclosure agreement, or other similar agreement between any Borrower and any Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, then this Section 15.9 will supersede all such prior or contemporaneous agreements and understandings between the parties.

Section 15.10 Severability. Whenever possible each provision of this Agreement is to be interpreted so as to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, that provision will be ineffective to the extent of that prohibition or invalidity, without invalidating the remainder of that provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of the Agents and the Lenders, in each case, expressed in this Agreement or in any other Loan Document are in addition to, and not in limitation of, those provided by applicable law.

Section 15.11 Nature of Remedies. All Obligations of the Loan Parties and rights of Agents and the Lenders expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise, and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 15.12 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of all such Persons, verbal or written, relating to the subject matter hereof and thereof (except as relates to the fees described in Section 5.1) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs, or expenses payable to or incurred (or to be incurred) by or on behalf of the Agents or the Lenders.

Section 15.13 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission will constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders will be deemed to be originals.

Section 15.14 Successors and Assigns. This Agreement binds the Loan Parties, the Lenders, the Agents, and their respective successors and assigns and will inure to the benefit of the Loan Parties, the Lenders, and the Agents and the successors and assigns of the Lenders and the Agents. No other Person is or is intended to be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of each Agent and each Lender.

Section 15.15 Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

Section 15.16 Customer Identification – USA ~~Patriot~~PATRIOT Act Notice. Each Lender (each for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the ~~Patriot~~USA PATRIOT Act, it is required to obtain, verify, and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow that Lender to identify the Loan Parties in accordance with the ~~Patriot~~USA PATRIOT Act.

Section 15.17 INDEMNIFICATION BY LOAN PARTIES. In consideration of the execution and delivery of this Agreement by the Agents and the Lenders and the agreement to extend the Commitments provided under this Agreement, each Borrower hereby agrees to indemnify, exonerate, and hold harmless each Agent, each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender

(each, a "Lender Party" or "Indemnitee") from and against any and all actions, causes of action, suits, losses, liabilities, damages, and expenses, including Attorney Costs (collectively, the "Indemnified Liabilities"), incurred by the Lender Parties or any of them as a result of, or arising out of, or relating to (a) any tender offer, merger, purchase of Equity Interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans; (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any Hazardous Substance at any property owned or leased by any Loan Party; (c) any violation of any Environmental Laws with respect to conditions at any property owned or leased by any Loan Party or the operations conducted thereon; (d) the investigation, cleanup or remediation of offsite locations at which any Loan Party or their respective predecessors are alleged to have directly or indirectly disposed of Hazardous Substances; or (e) the execution, delivery, performance, or enforcement of this Agreement or any other Loan Document by any of the Lender Parties, in each case except for any such Indemnified Liabilities arising on account of the applicable Lender Party's gross negligence or willful misconduct as determined by a final, non-appealable judgment by a court of competent jurisdiction. If and to the extent that the foregoing undertaking is unenforceable for any reason, each Borrower hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. All obligations provided for in this Section 15.17 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or any modification, release, or discharge of, any or all of the Collateral Documents and termination of this Agreement. This Section 15.17 shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

Section 15.18 Nonliability of Lenders. The relationship between Borrowers on the one hand and the Lenders and the Agents on the other hand is solely that of borrower and lender. Neither any Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither any Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Each Loan Party agrees, on behalf of itself and each other Loan Party, that neither any Agent nor any Lender has any liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission, or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that those losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. No Lender Party will be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Lender Party will have any liability with respect to, and each Loan Party, on behalf of itself and each other Loan Party, hereby waives, releases, and agrees not to sue for, any special, punitive, exemplary, indirect, or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). Each Loan Party acknowledges that it has been advised by

counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

Section 15.19 FORUM SELECTION AND CONSENT TO JURISDICTION.

(a) Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document (except for the Mexican Loan Documents, which shall be governed under their own terms), will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court of the Southern District of New York. Each party hereto hereby expressly and irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States District Court of the Southern District of New York for the purpose of any such litigation as set forth above and waives any right to any other jurisdiction to which each such party may be entitled to by reason of their present or future domicile or otherwise.

(b) Each Mexican Loan Party hereby irrevocably designated and appoints (i) IT Global Holding LLC (the "Process Agent"), with an office on the date hereof at 222 Urban Towers, Suite 1650 E, Irving, TX 75039 as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in clause (a); and (ii) as its conventional address the address of the Process Agent referred above or any other address notified in writing in the future by the Process Agent to such Loan Party, to receive on its behalf service of all process in any proceedings brought pursuant to the Loan Documents in any court, such service being hereby acknowledged by such Loan Party to be effective and binding service in every respect, and agrees that the failure of the Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by ~~Applicable Law~~applicable law, the enforcement of any judgment based thereon. Each Mexican Loan Party shall maintain such appointment until the satisfaction in full of all Obligations, except that if for any reason the Process Agent appointed hereby ceases to be able to act as such, then each Mexican Loan Party shall, by an instrument reasonably satisfactory to the ~~Administrative Agent~~Required Lenders, appoint another Person in the Borough of Manhattan as such Process Agent subject to the approval of the ~~Administrative Agent~~Required Lenders. Each Mexican Loan Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Process Agent pursuant to this paragraph in full force and effect and to cause the Process Agent to act as such.

(c) Each Loan Party further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Loan Party hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum.

Section 15.20 WAIVER OF JURY TRIAL. **EACH LOAN PARTY, EACH AGENT, AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY**.

Section 15.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any ~~Bail in~~Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE XVI

JOINT AND SEVERAL LIABILITY

Section 16.1 Joint and Several Liability

16.1.1 Each Loan Party and each Person comprising a Loan Party hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements, and other terms contained in this Agreement are applicable to and binding upon each Person comprising a Loan Party unless expressly otherwise stated in this Agreement.

16.1.2 Each Loan Party is jointly and severally liable for all of the Obligations of each other Loan Party, regardless of which Loan Party actually receives the proceeds or other benefits of the Loans or other extensions of credit under this Agreement or the manner in which Loan Parties, any Agent, or any Lender accounts therefor in their respective books and records.

16.1.3 Each Loan Party acknowledges that it shall enjoy significant benefits from the business conducted by each other Loan Party because of, inter alia, their combined ability

to bargain with other Persons, including, without limitation, their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Loan Party acting alone. Each Loan Party has determined that it is in its best interest to procure the credit facilities contemplated under this Agreement, with the credit support of each other Loan Party as contemplated by this Agreement and the other Loan Documents.

16.1.4 Each of the Agents and the Lenders have advised each Loan Party that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Loan Party unless each Loan Party agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Loan Party. Each Loan Party has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection with this Agreement (a) because of the desirability to each Loan Party of the credit facilities under this Agreement and the interest rates and the modes of borrowing available under this Agreement and under those other documents; (b) because each Loan Party might engage in transactions jointly with other Loan Parties; and (c) because each Loan Party might require, from time to time, access to funds under this Agreement for the purposes set forth in this Agreement. Each Loan Party, individually, expressly understands, agrees, and acknowledges that the credit facilities contemplated under this Agreement would not be made available on the terms of this Agreement in the absence of the collective credit of all the Loan Parties, and the joint and several liability of all the Loan Parties. Accordingly, each Loan Party acknowledges that the benefit of the accommodations made under this Agreement to the Loan Parties, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Loan Party.

16.1.5 To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Loan Party under this Agreement and under the other Loan Documents invalid or unenforceable, such Person's obligations under this Agreement and under the other Loan Documents shall be limited to the maximum amount that does not result in any such invalidity or unenforceability, but each Loan Party's obligations under this Agreement and under the other Loan Documents shall be presumptively valid and enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.1.6 To the extent that any Loan Party makes a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") that, taking into account all other Joint Liability Payments then previously or concurrently made by any other Loan Party, exceeds the amount that Loan Party would otherwise have paid if each Loan Party had paid the aggregate Obligations satisfied by those Joint Liability Payments in the same proportion that such Person's Allocable Amount (as determined immediately prior to those Joint Liability Payments) bore to the aggregate Allocable Amounts of each Loan Party as determined immediately prior to the making of those Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted) and the termination of the Commitments, that Loan Party shall be entitled to receive contribution and

indemnification payments from, and be reimbursed by, each other Loan Party for the amount of that excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to the applicable Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Loan Party is equal to the maximum amount of the claim that could then be recovered from that Loan Party under this Section 16 without rendering that claim voidable or avoidable under § 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law.

16.1.7 Each Loan Party assumes responsibility for keeping itself informed of the financial condition of each other Loan Party, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of each other Loan Party's Obligations, and of all other circumstances bearing upon the risk of nonpayment by each other Loan Party of its Obligations, and each Loan Party agrees that neither any Agent nor any Lender has or shall have any duty to advise that Loan Party of information known to any Agent or any Lender regarding any such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If any Agent or any Lender, in its discretion, undertakes at any time or from time to time to provide any such information to a Loan Party, neither any Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to that Loan Party or any other Person on any subsequent occasion.

16.1.8 Subject to Section 15.1, Administrative Agent upon written direction from the Required Lenders is hereby authorized to, at any time and from time to time, to do any and all of the following: (a) in accordance with the terms of this Agreement, renew, extend, accelerate, or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an Obligation incurred by any Loan Party; (c) take and hold security or collateral for the payment of an Obligation incurred by any Loan Party under this Agreement or for the payment of any guaranties of an Obligation incurred by any Loan Party or other liabilities of any Loan Party and exchange, enforce, waive, and release any such security or collateral; (d) in accordance with the terms of the Loan Documents, apply any such security or collateral and direct the order or manner of sale thereof; and (e) with the prior consent of the Lenders, settle, release, compromise, collect, or otherwise liquidate an Obligation incurred by any Loan Party and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Loan Party. In accordance with the terms of this Agreement, ~~Administrative Agent has~~the Required Lenders have the exclusive right to determine the time and manner of application of any payments or credits, whether received by the Administrative Agent from a Borrower or any other source, and any such determination shall be binding on each Loan Party. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Loan Party as the Required Lenders determine in their discretion and instruct the Administrative Agent~~ determines in its discretion~~, without affecting the validity or enforceability of the Obligations of any other Loan Party. Nothing in this Section 16.1.8 modifies any right of any Loan Party or any Lender to consent to any amendment

or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.1.9 Each Loan Party hereby agrees that, except as otherwise expressly provided in this Agreement, its obligations under this Agreement are and shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by any Loan Party from any Loan Party or any guarantor or other action to enforce the same; (b) failure by Collateral Agent or Lenders, as applicable, to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Loan Party; (c) any Insolvency Proceeding by or against any Loan Party, or any Agent's or any Lender's election in any such proceeding of the application of § 1111(b)(2) of the Bankruptcy Code; (d) any borrowing or grant of a security interest by any Loan Party as debtor-in-possession under § 364 of the Bankruptcy Code; (e) the disallowance, under § 502 of the Bankruptcy Code, of all or any portion of any Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Loan Party; or (f) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor unless that legal or equitable discharge or defense is that of a Loan Party in its capacity as a Loan Party.

16.1.10 Any notice given by Borrower Representative under this Agreement shall constitute and be deemed to be notice given by all Loan Parties, jointly and severally. Notice given by any Agent or any Lender to Borrower Representative under this Agreement or pursuant to any other Loan Documents in accordance with the terms of this Agreement or of any applicable other Loan Document shall constitute notice to each Loan Party. The knowledge of any Loan Party shall be imputed to all Loan Parties and any consent by Borrower Representative or any Loan Party shall constitute the consent of, and shall bind, all Loan Parties.

16.1.11 This Section 16 is intended only to define the relative rights of Loan Parties and nothing set forth in this Section 16 is intended to or shall impair the obligations of Loan Parties, jointly and severally, to pay any amounts as and when the same become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 limits the liability of any Loan Party to pay the credit facilities made directly or indirectly to that Loan Party and accrued interest, fees, and expenses with respect thereto for which that Loan Party is primarily liable.

16.1.12 The parties to this Agreement acknowledge that the rights of contribution and indemnification under this Section 16 constitute assets of each Loan Party to which any such contribution and indemnification is owing. The rights of any indemnifying Loan Party against the other Loan Parties under this Section 16 shall be exercisable upon the full and payment of the Obligations, and the termination of the Commitments.

16.1.13 No payment made by or for the account of a Loan Party, including, without limitation, (a) a payment made by that Loan Party on behalf of an Obligation of another Loan Party, or (b) a payment made by any other Person under any guaranty, shall entitle that Loan Party, by subrogation or otherwise, to any payment from that other Loan Party or from or out of property of that other Loan Party and that Loan Party shall not exercise any right or remedy against that other Loan Party or any property of that other Loan Party by reason of any performance of

that Loan Party of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, the expiration, termination, or Cash Collateralization of all ~~Letters~~letters of ~~Credit~~credit, and Payment in Full of all Obligations (other than contingent indemnification Obligations not then asserted).

ARTICLE XVII

APPOINTMENT OF BORROWER REPRESENTATIVE

17.1.1 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents) from the Lenders in the name or on behalf of that Loan Party. Administrative Agent may disburse those proceeds to the bank account of Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.1.2 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes the Borrower Representative as its agent to (a) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, (b) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Loan Party under this Agreement or the other Loan Documents; and (c) otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents.

17.1.3 The authorizations contained in this Section 17 are coupled with an interest and are irrevocable until Payment in Full or a change pursuant to Section 17, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by that Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Parties to join in the execution of any writing in connection with this Agreement will not relieve any Borrower or other Loan Party from obligations in respect of that writing.

17.1.4 No purported termination of or change in the appointment of Borrower Representative as agent will be effective without the prior written consent of Administrative Agent.

ARTICLE XVIII

CONVERSION RIGHTS

Section 18.1 Conversion on the Maturity Date. In order to exercise its conversion rights under this Section 18.1, ~~a~~such Tranche A-1 Lender, Tranche A-2 Lender, Tranche C Lender, Tranche D Lender or Tranche E Lender must provide written notice (a "Maturity Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the Maturity Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.1. Subject to Section 18.3, all of the Outstanding Obligations due to any Tranche B-1 Lender or Tranche B-2 Lender shall automatically convert into Conversion Payment Shares on the Maturity Date applicable to such Lender's Tranche B-1 Loans or Tranche B-2 Loans, as applicable, without any notice or election by such Lender.

~~Section 18.2 Early Conversion.~~

~~18.2.1 Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares immediately after the closing time of the Applicable Follow-On Offering (the "Offering Conversion Date"). The Company shall provide written notice to the Lenders of the Offering Conversion Date on or prior to the second Business Day immediately preceding such date. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Offering Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the applicable Offering Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.~~

Section 18.2 Early Conversion~~18.2.2~~. Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares ~~on~~at any ~~date Ultimate Holdings specifies as an Optional Conversion Date with respect to all Lenders~~time. Section 18.3 Limitation on ~~Delivery of~~ Conversion ~~Payment Shares~~. Notwithstanding anything contained herein to the contrary, ~~(a) the aggregate number of Conversion Payment Shares~~

~~issued pursuant to~~no conversion under Section 18.1 ~~and~~or Section 18.2 shall be ~~limited to the Conversion Cap, with a *pro rata* portion (based on the portion of the aggregate Outstanding Obligations due to such Lender) of such Conversion Cap being applicable to each converting Lender on a Maturity Conversion Date, for purposes of Section 18.1, the Offering Conversion Date, for purposes of Section 18.2.1, or the Optional Conversion Date, for purposes of Section 18.2.2, and any portion of the Conversion Cap not utilized on the Applicable Conversion Date by non-converting Lenders shall be re-allocated *pro rata* among the converting Lenders, (b) no Conversion Payment Shares shall be issued to any officer, director (including any director that is an Affiliate of a Lender), employee or consultant if such issuance would constitute a discounted issuance of Common Stock pursuant to Rule 5635(c) of the Nasdaq Stock Market and (c) no Conversion Payment Shares shall be issued to any Lender to the extent such issuance would constitute a change of control pursuant to Rule 5635(b) of the Nasdaq Stock Market (or such similar rules of the Applicable Exchange), and, in each case, the portion of the Outstanding Obligations with respect to which Conversion Payment Shares cannot be delivered shall be deemed to not have been converted; provided, that the foregoing limitations in clauses (a), (b) and (c) shall not apply to the extent that~~ effective unless Ultimate Holdings has received (or is deemed to have obtained) the Requisite Shareholder Approval prior to the Applicable Conversion Date to the extent required under the rules of the Applicable Exchange with respect to a conversion of Outstanding Obligations. If a conversion under Section 18.1 is not effective pursuant to this Section 18.3, the applicable Loans will convert as provided under Section 18.1 to the extent the Applicable Exchange Rules allow and the remainder of the Loan will mature on the applicable Maturity Date as if Section 18.1 did not apply to such remainder. If a conversion under Section 18.2 is not effective pursuant to this Section 18.3, the applicable Optional Conversion Notice shall be deemed null and void but Section 18.2 shall continue to apply to any future conversions. Ultimate Holdings ~~receives~~hereby agrees to use its best efforts to obtain the Requisite Shareholder Approval~~.~~ (which may be deemed Requisite Shareholder Approval under the definition thereof) by the earlier of (a) the AgileThought, Inc. 2023 Annual Meeting of Stockholders or (b) May 15, 2023; provided however, that Ultimate Holdings hereby agrees to request from the Applicable Exchange as promptly as is commercially reasonable after the Amendment No. 4 Effective Date an interpretation of the applicable listing standards of the Applicable Exchange, which states that such shareholder approval is not required for Ultimate Holdings to issue Conversion Payment Shares upon conversion of the Outstanding Obligations (both in the aggregate and with respect to any individual Lender).

Section 18.4 Conversions Generally. Upon a Converting Lender's receipt of the Conversion Payment Shares required to be delivered to such Converting Lender under Section 18.1 or Section 18.2, the Outstanding Obligations owed to such Converting Lender that have been converted shall be deemed to have Paid in Full.

Section 18.5 Mergers. Notwithstanding anything to the contrary herein, Ultimate Holdings may not consummate any (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination), (ii) any consolidation, merger or combination or similar transaction involving Ultimate Holdings, (iii) any sale, lease or other transfer to a third party of the consolidated assets of Ultimate Holdings and Ultimate Holdings' Subsidiaries substantially as an entirety, or (iv) any statutory share exchange

(any such event, a "Merger Event") unless the resulting, surviving or transferee Person (the "Successor Company"), if not Ultimate Holdings, shall expressly assume all of the obligations of Ultimate Holdings under this Article XVIII; *provided, however*, that nothing in this Section 18.5 shall be construed to permit any event or transaction otherwise prohibited under this Agreement.

Section 18.6 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

18.6.1 In the case of: any Merger Event as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), at and after the effective time of such Merger Event, (a) the right to convert Outstanding Obligations in Conversion Payment Shares shall be changed into a right to convert such Outstanding Obligations into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that holders of shares of Common Stock are entitled to receive (the "Reference Property," with each "unit of Reference Property" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and (b) unless context requires otherwise, all references to "Common Stock" hereunder shall be deemed references to the Reference Property. At and after the effective time of any such Merger Event, any shares of Common Stock that Ultimate Holdings would have been required to deliver upon conversion of the Outstanding Obligations under Article XVIII shall instead be deliverable in Reference Property.

18.6.2 If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Outstanding Obligations will be convertible shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock.

18.6.3 If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets of a Person other than Ultimate Holdings or the successor or purchasing corporation (excluding, for the avoidance of doubt, cash paid by such surviving company, successor or purchaser corporation, as the case may be, in such Merger Event), then such other Person shall execute such documentation with respect to the conversion of Outstanding Obligations as the Lenders and Ultimate Holdings in good faith determine to be commercially reasonable. The definitive agreement with respect to any Merger Event shall include such additional provisions as are reasonably necessary to protect the conversion rights of the Lenders under this Article XVIII.

18.6.4 If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is a Public Issuer, such Successor Issuer shall grant to each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted to any other Person in connection with such Merger Event. If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is not a Public

ARTICLE XIX

GUARANTY

Section 19.1 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrowers, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding) fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Secured Parties in enforcing any rights under the guaranty set forth in this Article XIX. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Secured Parties under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrowers. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Swap Obligations. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any Debtor Relief Law.

Section 19.2 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Parties with respect thereto. Each Guarantor agrees that this Article XIX constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this Article XIX are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XIX shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Secured Party;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Parties that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Article XIX shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by Secured Parties or any other Person upon the insolvency, bankruptcy or reorganization of the Borrowers or otherwise, all as though such payment had not been made.

Section 19.3 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XIX and any requirement that the Secured Parties exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Secured Party to seek payment or recovery of any amounts owed under this Article XIX from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Secured Parties shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 19.3 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XIX, and acknowledges that this Article XIX is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 19.4 Continuing Guaranty; Assignments. This Article XIX is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX and the New Senior Credit Agreement Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, its Loans owing to it) to any other Person, and

such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 15.6.

Section 19.5 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XIX, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Parties against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX shall have been paid in full in cash and the New Senior Credit Agreement Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX and the New Senior Credit Agreement Final Maturity Date such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XIX, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Article XIX thereafter arising. If (i) any Guarantor shall make payment to the Secured Parties of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XIX shall be paid in full in cash and (iii) the New Senior Credit Agreement Final Maturity Date shall have occurred, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 19.6 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Article XIX. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Article XIX such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Article XIX in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Article XIX that would not render its obligations hereunder subject to

avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 19.6, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Article XIX (including, without limitation, in respect of this Section 19.6), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 19.6. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 19.6 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 19.6.

5. Continued Effectiveness of the Credit Agreement and Other Loan Documents. Each Loan Party hereby (a) acknowledges and consents to this Amendment, (b) confirms and agrees that the Credit Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects, except that on and after the Amendment No. 5 Effective Date, all references in any such Loan Document to "the Credit Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Credit Agreement shall mean the Credit Agreement as amended by this Amendment, and (c) confirms and agrees that, to the extent that any such Loan Document purports to assign or pledge to the Collateral Agent, for the benefit of the Agents and

the Lenders, or to grant to the Collateral Agent, for the benefit of the Agents and the Lenders, a security interest in or Lien on any Collateral as security for the Obligations of the Loan Parties from time to time existing in respect of the Credit Agreement (as amended by this Amendment) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects. This Amendment does not and shall not affect any of the obligations of the Loan Parties, other than as expressly provided herein, including, without limitation, the Loan Parties' obligations to repay the Loans in accordance with the terms of Credit Agreement or the obligations of the Loan Parties under any Loan Document to which they are a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Agent or any Lender under the Credit Agreement or any other Loan Document nor constitute a waiver of any provision of the Credit Agreement or any other Loan Document.

6. No Representations by Agents or Lenders. Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Amendment.

7. No Novation. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Credit Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

8. Release. Each Loan Party hereby acknowledges and agrees that: (a) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (b) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of their rights, interests, security and/or remedies. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Amendment No. 5 Effective Date directly arising out of, connected with or related to this Amendment, the Credit Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral. Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

9. Further Assurances. The Loan Parties shall execute any and all further documents, agreements and instruments, and take all further actions, as may be required under Applicable Law or as any Agent may reasonably request, in order to effect the purposes of this Amendment.

10. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

(d) Each Loan Party hereby acknowledges and agrees that this Amendment constitutes a "Loan Document" under the Credit Agreement. Accordingly, it shall be an immediate Event of Default under the Credit Agreement if (i) any representation or warranty made by any Loan Party under or in connection with this Amendment shall have been incorrect in any respect when made or deemed made, or (ii) any Loan Party shall fail to perform or observe any term, covenant or agreement contained in this Amendment.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) Each Lender party hereto, through its execution of this Amendment, hereby instructs each of the Administrative Agent and the Collateral Agent to execute and deliver this Amendment.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and delivered as of the date set forth on the first page hereof.

This Amendment shall become effective on the date hereof, subject to the Administrative Agent and the Lenders having received on such date a copy of this Amendment signed by the Loan Parties, the Administrative Agent, the Collateral Agent and the Lenders.

ARTICLE IV

RATIFICATION AND REAFFIRMATION

Section 4.1 Ratification and Reaffirmation. Each Loan Party hereby ratifies and confirms the Credit Agreement and each other Loan Document to which it is a party, each of which shall remain in full force and effect according to their respective terms, as amended hereby. In connection with the execution and delivery of this Amendment and the other Loan Documents delivered herewith, each Loan Party, as borrower, debtor, grantor, mortgagor, pledgor, guarantor, assignor, obligor or in other similar capacities in which such Loan Party grants liens or security interests in its properties or otherwise acts as an accommodation party, guarantor, obligor or indemnitor or in such other similar capacities, as the case may be, in any case under any Loan Documents, hereby (a) ratifies, reaffirms, confirms and continues all of its payment and performance and other obligations, including obligations to indemnify, guarantee, act as surety, or as principal obligor, in each case contingent or otherwise, under each of such Loan Documents to which it is a party, (b) ratifies, reaffirms, confirms and continues its grant of liens on, or security interests in, and assignments of its properties pursuant to such Loan Documents to which it is a party as security for the Obligations, and (c) confirms and agrees that such liens and security interests secure all of the Obligations. This Amendment shall not constitute a course of dealing with the Administrative Agent, the Collateral Agent or the Lenders at variance with the

Credit Agreement or the other Loan Documents such as to require further notice by the Administrative Agent, the Collateral Agent or the Lenders to require strict compliance with the terms of the Credit Agreement and the other Loan Documents in the future.

ARTICLE V

REPRESENTATIONS AND WARRANTIES

Section 5.1 Representations and Warranties. To induce the Administrative Agent and the Lenders to execute this Amendment, each Loan Party hereby represents and warrants to the Administrative Agent and the Lenders as follows:

(a) the execution, delivery and performance of this Amendment by the Loan Parties has been duly authorized, and this Amendment constitutes the legal, valid and binding obligation of each Loan Party, enforceable against such Loan Party in accordance with its terms, except as the enforceability may be limited by bankruptcy, insolvency and similar laws affecting the enforceability of creditors' rights generally and to general principles of equity;

(b) the execution, delivery and performance of this Amendment by each Loan Party does not require any consent or approval of any governmental agency or authority (other than (i) any consent or approval which has been obtained and is in full force and effect, or (ii) where the failure to obtain such consent would not reasonably be expected to result in a Material Adverse Effect);

(c) after giving effect to this Amendment and the transactions contemplated hereby, each of the representations and warranties of each Loan Party set forth in the Loan Documents are true and correct in all material respects (unless any such representation or warranty is by its terms qualified by concepts of materiality, in which case that representation or warranty is true and correct in all respects) with the same effect as if then made (except to the extent stated to relate to a specific earlier date, in which case that representation or warranty is true and correct in all material respects or in all respects, as applicable, as of that earlier date);

(d) after giving effect to the transactions contemplated by this Amendment, each Loan Party is, and the Loan Parties on a consolidated basis are, Solvent. No transfer of property is being made by any Loan Party and no obligation is being incurred by any Loan Party in connection with the transactions contemplated by this Amendment or the other Loan Documents with the intent to hinder, delay, or defraud either present or future creditors of such Loan Party; and

(e) after giving effect to this Amendment and the transactions contemplated hereby, no Default or Event of Default has occurred and is continuing or would result from the execution and effectiveness of this Amendment.

ARTICLE VI

MISCELLANEOUS

Section 6.1 Signatures; Effect of Amendment. By executing this Amendment, each of the Loan Parties is deemed to have executed the Credit Agreement, as amended hereby, as a Borrower and a Loan Party (or, in the case of the Intermediate Holdings and the Guarantors, solely as a Loan Party). All such Loan Parties, the Administrative Agent, the Collateral Agent and the Lenders acknowledge and agree that (a) nothing contained in this Amendment in any manner or respect limits or terminates any of the provisions of the Credit Agreement or any of the other Loan Documents other than as expressly set forth herein and further agree and acknowledge that the Credit Agreement (as amended hereby) and each of the other Loan Documents remain and continue in full force and effect and are hereby ratified and confirmed, and (b) other than as expressly set forth herein, the obligations under the Credit Agreement and the guarantees, pledges and grants of security interests created under or pursuant to the Credit Agreement and the other Loan Documents continue in full force and effect in accordance with their respective terms and the Collateral secures and shall continue to secure the Loan Parties' obligations under the Credit Agreement (as amended hereby) and any other obligations and liabilities provided for under the Loan Documents. Except to the extent expressly set forth herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any rights, power or remedy of the Administrative Agent, the Collateral Agent or the Lenders under the Credit Agreement or any other Loan Document, nor constitute a waiver of any provision of the Credit Agreement or any other Loan Document, nor constitute a novation of any of the Obligations under the Credit Agreement or obligations under the Loan Documents. This Amendment does not extinguish the indebtedness or liabilities outstanding in connection with the Credit Agreement or any of the other Loan Documents. No delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any of their respective rights, remedies, powers and privileges under the Credit Agreement or any of the Loan Documents or partial or single exercise thereof, shall constitute a waiver thereof. None of the terms and conditions of this Amendment may be changed, waived, modified or varied in any manner, whatsoever, except in accordance with Section 15.1 of the Credit Agreement.

Section 6.2 Counterparts. This Amendment may be executed electronically and in any number of counterparts and by the different parties on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of the executed counterpart of this Amendment by telecopy or electronic mail shall be as effective as delivery of a manually executed counterpart to this Amendment.

Section 6.3 Severability. The illegality or unenforceability of any provision of this Amendment or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Amendment or any instrument or agreement required hereunder.

Section 6.4 Captions. Section captions used in this Amendment are for convenience only, and shall not affect the construction of this Amendment.

Section 6.5 Entire Agreement. This Amendment embodies the entire agreement and understanding among the parties hereto and supersedes all prior or contemporaneous agreements and understandings of such Persons, verbal or written, relating to the subject matter hereof.

Section 6.6 References. Any reference to the Credit Agreement contained in any notice, request, certificate, or other document executed concurrently with or after the execution and delivery of this Amendment shall be deemed to include this Amendment unless the context shall otherwise require. Reference in any of this Amendment, the Credit Agreement, or any other Loan Document to the Credit Agreement shall be a reference to the Credit Agreement as amended hereby and as may be further amended, modified, restated, supplemented or extended from time to time.

Section 6.7 Governing Law. THIS AMENDMENT IS A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

Section 6.8 Payment of Costs and Expenses. Each Loan Party, jointly and severally, agree pursuant to the terms of Section 15.5 of the Credit Agreement, to pay on demand all reasonable out-of-pocket costs and expenses of the Administrative Agent and the Lenders incurred in connection with the transactions contemplated hereby (including Attorney Costs and Taxes) in connection with the preparation, execution and delivery of this Amendment and the other Loan Documents.

Section 6.9 Administrative Agent and Collateral Agent Instruction. Each Lender party hereto (constituting all the Lenders under the Credit Agreement), through its execution of this Amendment, hereby instructs each of the Administrative Agent and the Collateral Agent to execute and deliver this Amendment.

(Mexico, City time) three Business Days prior to the proposed date of that borrowing (or such shorter period acceptable to the Administrative Agent). Each such notice will be effective upon receipt by Administrative Agent, will be irrevocable, and must specify the proposed Closing Date (which date shall be a Business Day prior to the Termination Date), or with respect to the borrowing of Tranche E Loans, the proposed Amendment No. 1 Effective Date, and amount of the requested borrowing. Except as otherwise agreed in a flow of funds memorandum in form and substance acceptable to the Administrative Agent and the Lenders (a "Funds Flow Memorandum") on the Closing Date, or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date, each Lender shall provide Administrative Agent with immediately available funds covering that Lender's Pro Rata Share of that borrowing so long as the applicable Lender has not received written notice that the conditions precedent set forth in Article XII with respect to that borrowing have not been satisfied. Except as otherwise agreed in a Funds Flow Memorandum, after the Administrative Agent's receipt of the proceeds of the applicable Loans from the Lenders, the Administrative Agent shall make the proceeds of those Loans available to the applicable Borrower on the Closing Date (or with respect to a borrowing of Tranche E Loans, on the Amendment No. 1 Effective Date) by transferring to the applicable Borrower immediately available funds equal to the proceeds received by the Administrative Agent. There shall be a single borrowing of the Loans hereunder.

(b) Funding Losses. In connection with each Loan, each Borrower shall jointly and severally indemnify, defend, and hold the Administrative Agent and the Lenders

harmless against any loss, cost, or expense actually incurred by the Administrative Agent or any Lender as a result of the failure to borrow any Loan on the date specified by the Borrower Representative in a Notice of Borrowing (other than as a result of any failure of any Lender to make such Loan to the extent required by this Agreement that a court of competent jurisdiction finally determines to have resulted from gross negligence, willful misconduct, or bad faith of such Lender) (such losses, costs, or expenses, "Funding Losses"). A certificate of the Administrative Agent or a Lender delivered to the Borrower Representative setting forth in reasonable detail any amount or amounts that the Administrative Agent or such Lender is entitled to receive pursuant to this Section 2.2(b) shall be conclusive absent manifest error. Borrowers shall pay such amount to the Administrative Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate.

Section 2.3 Commitments Several. The failure of any Lender to make a requested Loan on any date shall not relieve any other Lender of its obligation (if any) to make a Loan on such date, but no Lender shall be responsible for the failure of any other Lender to make any Loan to be made by such other Lender. Anything herein to the contrary notwithstanding, the Tranche A-1 Lenders, Tranche A-2 Lenders, Tranche B-1 Lenders and Tranche B-2 Lenders shall be relieved from their obligations to make Loans hereunder in case of failure by the Tranche C Lenders and the Tranche D Lenders to make Tranche C Loans and Tranche D Loans in an aggregate principal amount of at least US$4,000,000, hereunder.

Section 2.4 Certain Conditions. No Lender shall have an obligation to make any Loan if an Event of Default or Default has occurred and is continuing.

Section 2.5 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions will apply for so long as that Lender is a Defaulting Lender:

(a) Any amount payable to a Defaulting Lender under this Agreement (whether on account of principal, interest, fees, or otherwise and including any amount that would otherwise be payable to that Defaulting Lender pursuant to Section 7.5 but excluding Article VIII) will, in lieu of being distributed to that Defaulting Lender, be retained by the Administrative Agent and, subject to any applicable requirements of law, be applied as follows at such time or times: (i) first, to the payment of any amounts owing by that Defaulting Lender to the Agents under this Agreement; (ii) second, pro rata, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; (iii) third, if so determined by the Borrowers, held as cash collateral for future funding obligations of the Defaulting Lender under this Agreement; (iv) fourth, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Borrower or any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and (v) fifth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction. If any

such payment is a prepayment of the principal amount of any Loans and made at a time when the conditions set forth in Section 12.2 are satisfied, then that payment will be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(b) If any Borrower notifies the Administrative Agent that a Defaulting Lender has adequately remedied all matters that caused that Lender to be a Defaulting Lender, then that Lender shall purchase at par such of the Loans of the other Lenders as necessary in order for that Lender to hold those Loans in accordance with its Pro Rata Share (as determined pursuant to clause (a) of the definition of "Pro Rata Share"). No Defaulting Lender will have any right to approve or disapprove any amendment, waiver, consent, or any other action the Lenders or the Required Lenders have taken or may take under this Agreement (including any consent to any amendment or waiver pursuant to Section 15.1) but any waiver, amendment, or modification requiring the consent of all Lenders or each directly affected Lender that affects a Defaulting Lender differently than other affected Lenders will require the consent of that Defaulting Lender.

Each Loan and interest thereon shall at all times (including after assignment pursuant to Section 15.6) be represented by one or more Notes in such form payable to the payee named therein. Each Lender shall be entitled to have its Notes substituted, exchanged or subdivided for Notes of lesser denominations in connection with a permitted assignment of all or any portion of such Lender's Loans and Notes pursuant to Section 15.6. In case of theft, partial or complete destruction or mutilation of any Note, the relevant Lender shall be entitled to request to the Borrowers, and the

Borrowers shall promptly (but in any event within ten days of such notice) execute and deliver in lieu thereof a new Note, dated the same date as the lost, stolen, destructed or mutilated Note.

Section 3.2 Recordkeeping. The Administrative Agent, on behalf of each Lender, shall record in its records, the date and amount of each Loan made by each Lender and each repayment or conversion (if permissible) thereof. The aggregate unpaid principal amount so recorded will be rebuttably presumptive evidence of the principal amount of the Loans owing and unpaid. The failure to so record any such amount or any error in so recording any such amount will not, however, limit or otherwise affect the Obligations of the Borrowers under this Agreement or under any Note to repay the principal amount of the Loans under this Agreement, together with all interest accruing thereon.

ARTICLE IV

INTEREST

Section 4.1 Interest Rates.

(a) (i) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-1 Loan (A) for the period commencing on the date that Tranche A-1 Loan is made until the day immediately preceding the Amendment No. 4 Effective Date at a rate per annum equal to 11.00%, and (B) for the period commencing on the Amendment No. 4 Effective Date until the Tranche A-1 Loan is paid in full at a rate per annum equal to the sum of (x) 11.00% and (y) the Tranche A Applicable Rate; (ii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-2 Loan (A) for the period commencing on the date that Tranche A-2 Loan is made until the day immediately preceding the Amendment No. 4 Effective Date at a rate per annum equal to 17.41%, and (B) for the period commencing on the Amendment No. 4 Effective Date until the Tranche A-2 Loan is paid in full at a rate per annum equal to the sum of (x) 17.41% and (y) the Tranche A Applicable Rate; (iii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-1 Loan for the period commencing on the date that Tranche B-1 Loan is made until that Tranche B-1 Loan is paid in full at a rate per annum equal to 11.00%; (iv) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-2 Loan for the period commencing on the date that Tranche B-2 Loan is made until that Tranche B-2 Loan is paid in full at a rate per annum equal to 17.41%; (v) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche C Loan for the period commencing on the date that Tranche C Loan is made until that Tranche C Loan is paid in full at a rate per annum equal to 11.00%; (vi) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche D Loan for the period commencing on the date that Tranche D Loan is made until that Tranche D Loan is paid in full at a rate per annum equal to 11.00%; and (vii) Borrowers jointly and severally agree to pay interest on the unpaid principal

amount of each Tranche E Loan for the period commencing on the Amendment No. 1 Effective Date until that Tranche E Loan is paid in full at a rate per annum equal to 11.00%.

As between AgileThought Mexico and the Peso Lenders only, and for information purposes only, the interest rate applicable to the Peso Loans has been agreed giving due regard to factors that would make the rate the substantial equivalent to the interest rate applicable to the Dollar Loans.

(b) Notwithstanding the foregoing, at any time an Event of Default exists, the interest rate applicable to each Loan will be increased by 2% during the existence of an Event of Default (and, in the case of Obligations not bearing interest, those Obligations will, during the existence of an Event of Default, bear interest at the highest interest rate applicable to the Loans *plus* 2%), but any such increase may be rescinded by Required Lenders, notwithstanding Section 15.1. Notwithstanding the foregoing, upon the occurrence of an Event of Default under Sections 13.1(a), (f) or (g), the increase provided for in this Section 4.1 will occur automatically. In no event will interest payable by the Borrowers to any Lender under this Agreement exceed the maximum rate permitted under applicable law, and if any such provision of this Agreement is in contravention of any such law, then that provision will be deemed modified to limit that interest to the maximum rate permitted under that law.

Section 4.2 Interest Payment Dates; Payment-in-Kind.

(a) Tranche A-1 Loans.

(i) Accrued interest on each Tranche A-1 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-1 Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-1 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-1 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-1 Loans, and such interest amount (together with any principal of the Tranche A-1 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-1 Loans and shall itself bear interest as provided in Section 4.1; *provided* that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-1 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three

Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-1 Loan maintained by such Tranche A-1 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); *provided, further*, that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-1 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-1 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-1 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-1 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-1 Loans as provided in this Section 4.2(a)(ii).

Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-2 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-2 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-2 Loans, and such interest amount (together with any principal of the Tranche A-2 Loans prior to giving effect to the provisions of this Section 4.2(b)(ii)) thereafter shall form part of the Tranche A-2 Loans and shall itself bear interest as provided in Section 4.1; *provided* that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-2 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of

the interest on the Tranche A-2 Loan maintained by such Tranche A-2 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); *provided, further*, that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-2 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-2 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-2 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-2 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-2 Loans as provided in this Section 4.2(b)(ii).

(c) Tranche B-1 Loans.

(i) Accrued interest on each Tranche B-1 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. Notwithstanding the foregoing, Borrowers shall make all payments under Section 8.1 directly to the Lender entitled thereto. The Borrowers agree to notify the Administrative Agent and the Lenders of any cash payments of principal or interest on the Loans, and/or of any fees to paid in cash, not later than 10:00 A.M. (New York City time) three Business Days prior to the date of any such payment, which notice will be effective upon receipt by the Administrative Agent, will be irrevocable, and must specify (i) the date of such payment, (ii) the amount of such payment, and (iii) if such payment is in respect of interest and/or fees; *provided,* that the failure to give such notice shall not affect the obligation of the Loan Parties to make any such payment on the terms and conditions set forth in this Agreement.

Section 7.2 Application of Certain Payments.

7.2.1 So long as no Default or Event of Default has occurred and is continuing, mandatory prepayments shall be applied as set forth in Section 6.3.

7.2.2 Subject to any written agreement among Administrative Agent and the Lenders:

(a) [Reserved].

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent, acting upon the written direction of the Required Lenders, shall apply all payments in respect of any Obligations and all proceeds of the Collateral, subject to the provisions of this Agreement, as follows: (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay the Obligations in respect of any fees and indemnities then due and payable to the Lenders until paid in full; (iii) third, ratably to pay interest then due and payable in respect of the Loans until paid in full based on the Dollar Amount thereof; (iv) fourth, ratably to pay principal of the Loans until paid in full based on the Dollar Amount thereof; (v) fifth, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 7.2.2(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after, or that would have accrued but for, the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 7.2.2 and other provisions contained in any other Loan Document, it is the intention of the parties to this Agreement that all such priority provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 7.2.2 shall control and govern.

Section 7.3 Due Date Extension. If any payment of principal or interest with respect to any of the Loans, or of any fees, falls due on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day unless the result of that

extension would cause such due date to occur in another calendar month, in which case such due date shall be the immediately preceding Business Day and, in the case of principal, additional interest shall accrue and be payable for the period of any such extension.

Section 7.4 Setoff. All payments made by Borrowers hereunder or under any Loan Documents shall be made without setoff, counterclaim, or other defense. Each Borrower, for itself and each other Loan Party, agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Borrower, for itself and each other Loan Party, agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the payment of any Obligations of each Borrower and each other Loan Party under this Agreement, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of each Borrower and each other Loan Party then or thereafter with that Agent or that Lender.

Section 7.5 Proration of Payments. Except as provided in Section 2.5, if any Lender obtains any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise), on account of principal of or interest on any Loan (but excluding (a) any payment pursuant to Article VIII or Section 15.6, or (b) payments of interest on any affected Loan) in excess of its applicable Pro Rata Share of payments and other recoveries obtained by all Lenders on account of principal of and interest on the Loans, then held by them, then that Lender shall purchase from the other Lenders such participations in the Loans held by them as are necessary to cause that purchasing Lender to share the excess payment or other recovery ratably with each of them, but if all or any portion of the excess payment or other recovery is thereafter recovered from that purchasing Lender, then that purchase will be rescinded and the purchase price restored to the extent of that recovery.

Section 7.6 Taxes.

7.6.1 The Loan Parties shall make all payments under this Agreement or under any Loan Documents without setoff, counterclaim, or other defense. All payments under this Agreement or under the Loan Documents (including any payment of principal, interest, or fees and including, for the avoidance of doubt, any payment that results from the delivery of Conversion Payment Shares) to, or for the benefit, of any Person will be made by the Loan Parties free and clear of and without deduction or withholding for, or account of, any Taxes now or hereafter imposed by any taxing authority, except as required by applicable law.

7.6.2 If Borrowers make any payment (including, for the avoidance of doubt, that results from the exercise of the conversion rights under Article XVIII) under this Agreement or under any other Loan Document in respect of which any Borrower is required by applicable law to deduct or withhold any Taxes, then (i) the Borrower shall be entitled to deduct or withhold from such payment the amount of such Taxes, (ii) the Borrower shall timely pay the full amount deducted or withheld to the relevant taxing authority in accordance with applicable

law and (iii) if such Tax is an Indemnified Tax, the sum payable by such Borrower shall be increased such that after the reduction for the amount of Indemnified Taxes withheld (and any Indemnified Taxes withheld or imposed with respect to the additional payments required under this Section 7.6.2), the recipient of the payment receives an amount equal to the sum it would have received had no such withholding been made. To the extent Borrowers withhold any Taxes on payments under this Agreement or under any other Loan Document, Borrowers shall deliver to Administrative Agent within 30 days after Borrowers have made payment to that taxing authority a receipt issued by that taxing authority (or other evidence reasonably satisfactory to Administrative Agent approved by the Required Lenders) evidencing the payment of all amounts so required to be deducted or withheld from that payment.

7.6.3 If any Lender or Agent or other recipient is required by law to make any payments of any Indemnified Taxes on or in relation to any amounts received or receivable under this Agreement or under any other Loan Document, or any Indemnified Tax is assessed against a Lender or Agent or other recipient with respect to amounts received or receivable under this Agreement or under any other Loan Document, Borrowers will indemnify that Person against (i) that Indemnified Tax and (ii) any Indemnified Taxes imposed as a result of the receipt of the payment under this Section 7.6.3. A certificate prepared in good faith as to the amount of any such payment by that Lender or Agent or other recipient will, absent manifest error, be final, conclusive, and binding on all parties.

7.6.4 Notwithstanding anything to the contrary in Sections 7.6.2 and 7.6.3, the Borrowers shall in no event be required to pay the Tranche B-1 Lender or the Tranche B-2 Lender additional amounts under clause (iii) of Section 7.6.2 with respect to U.S. federal withholding Taxes ("U.S. Withholding Tax Additional Amounts") or to indemnify the Tranche B-1 Lender or the Tranche B-2 Lender under Section 7.6.3 against Indemnified Taxes that are U.S. federal withholding Taxes ("U.S. Withholding Tax Indemnity Payments") to the extent the sum of any U.S. Withholding Tax Additional Amounts and any U.S. Withholding Tax Indemnity Payments paid by the Borrowers to the Tranche B-1 Lender and the Tranche B-2 Lender exceeds, in the aggregate, US$250,000.

7.6.5 1) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any Loan Document shall use its best efforts to deliver to the Borrower Representative and the Administrative Agent, such properly and completed executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payment to be made without withholding or at a reduced rate of withholding.

(b) Without limiting the generality of the foregoing:

(A) each Lender that is not a United States person within the meaning of Code Section 7701(a)(30) (a "Non-U.S. Lender") shall use its best efforts to deliver to

Borrower Representative and Administrative Agent on the earlier of (i) the date that is six (6) months after the Closing Date (or in the case of a Lender that is an Assignee, on the date of the assignment) and (ii) the date of delivery of Conversion Payment Shares, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY (or any successor or other applicable form prescribed by the IRS) for each such Lender and, as applicable, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable form prescribed by the IRS) for each of its partners or other beneficial owners certifying to the entitlement to a complete exemption from, or reduction in, U.S. federal withholding tax on interest payments to be made under this Agreement or under any Loan Document, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers or the Administrative Agent to determine the withholding or deduction to be made. If a Lender or one of its partners or other beneficial owners is claiming a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c), then that Lender shall deliver (along with two accurate and complete original signed copies of IRS Form W-8IMY, W-8BEN or W-8BEN-E, as applicable) a certificate in form and substance reasonably acceptable to Borrower Representative and Administrative Agent to the effect that such Person is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate, a "Withholding Certificate"). To the extent a Lender (or its partners or other beneficial owners, as applicable) would be entitled to claim a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c) with respect to payments received under this Agreement or under the Loan Documents, and such Lender takes any action that could reasonably be expected to result in the loss of such exemption, the Borrowers shall not be required to pay to such Lender amounts pursuant to Section 7.6 in excess of the maximum amount that the Borrowers would have been required to pay pursuant to the Laws in effect on the date of this Agreement had the Lender not taken such action. In addition, each Non-U.S. Lender shall, from time to time after the Closing Date (or in the case of a Lender that is an Assignee, after the date of the assignment to that Lender) when a lapse in time (or change in circumstances occurs) renders the prior certificates delivered under this Agreement obsolete or inaccurate in any material respect, use its best efforts to deliver to Borrower Representative and Administrative Agent two new and accurate and complete original signed copies of IRS Forms W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable forms prescribed by the IRS), and if applicable, a new Withholding Certificate, to confirm or establish the entitlement

of such Lender (or its respective partner or other beneficial owner) to an exemption from, or reduction in, United States withholding tax on interest payments to be made under this Agreement or with respect to any Loan (or such Lender shall otherwise promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to deliver such forms and/or Withholding Certificate).

(B) Each Lender that is not a Non-U.S. Lender shall provide two properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) to Borrower Representative and Administrative Agent certifying that that Lender is exempt from United States backup withholding Tax. To the extent that a form provided pursuant to this Section 7.6.5(b) is rendered obsolete or inaccurate in any material respect as result of change in circumstances with respect to the status of a Lender or Administrative Agent, then that Lender or Administrative Agent shall, to the extent permitted by applicable law, deliver to Borrower Representative and, as applicable, Administrative Agent revised forms necessary to confirm or establish the entitlement to that Lender's exemption from United States backup withholding Tax (or such Lender or Administrative Agent shall otherwise promptly notify the Borrower Representative and, as applicable, the Administrative Agent in writing of its legal inability to deliver such forms).

7.6.6 Each Lender shall indemnify Administrative Agent and hold Administrative Agent harmless for the full amount of any and all present or future Taxes and related liabilities (including penalties, interest, additions to Tax and expenses, and any Taxes imposed by any jurisdiction on amounts payable to Administrative Agent under this Section 7.6) which are imposed on or with respect to principal, interest, or fees payable to that Lender under this Agreement and which are not paid by Borrowers pursuant to this Section 7.6, whether or not those Taxes or related liabilities were correctly or legally asserted. This indemnification must be made within 30 days from the date Administrative Agent makes written demand therefor.

7.6.7 If an Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers or with respect to which the Borrowers have paid additional amounts pursuant to this Section 7.6, then that Agent or that Lender, as applicable, shall pay over that refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 7.6 with respect to the Indemnified Taxes giving rise to that refund), net of any Taxes imposed by reason of receipt of that refund and all out-of-pocket expenses of that Agent or that Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to that refund, which interest must be paid to the Borrowers). Upon the request of any such Agent or any such Lender, Borrowers shall repay any amount paid to the Borrowers (plus any penalties, interest, or other charges imposed by the

relevant Governmental Authority) to that Agent or that Lender in the event that Agent or that Lender is required to repay any such refund to any such Governmental Authority. Nothing in this Section 7.6.7 is to be construed to require any Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

7.6.8 The Borrowers agree to pay to any Mexican Lender all applicable present and future value added taxes (*Impuesto al Valor Agregado*) in respect of any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including, without limitation, in respect of any capitalized interest under Section 4.2(a)(ii)).

7.6.9 If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if that Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), then that Lender shall deliver to Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at any other time or times reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) all documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and all additional documentation reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) as is necessary for Administrative Agent or Borrowers to comply with their obligations under FATCA and to determine that that Lender has complied with that Lender's obligations under FATCA or to determine the amount to deduct and withhold from that payment. Solely for purposes of this Section 7.6.9, "FATCA" is deemed to include any amendments made to FATCA after the date of this Agreement.

7.6.10 For purposes of this Section 7.6, the term "applicable law" includes FATCA. Each party's obligations under this Section 7.6 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

ARTICLE VIII

INCREASED COSTS

Section 8.1 Increased Costs.

(a) If any Change in Law (i) imposes, modifies, or deems applicable any reserve (including any reserve imposed by the FRB), special deposit, or similar requirement

against assets of, deposits with, or for the account of, or credit extended by, any Lender; (ii) subjects any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (c) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, its Note(s) or its obligations to make Loans, or (iii) imposes on any Lender any other condition (other than Taxes) affecting its Loans, its Note(s), or its obligation to make Loans, and the result of anything described in clauses (i) through (iii) above is to increase the cost to (or to impose a cost on) that Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by that Lender under this Agreement or under its Note(s) with respect thereto, then upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay directly to that Lender such additional amount as will compensate that Lender for that increased cost or that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

(b) If any Lender reasonably determines that any change in, or the adoption or phase-in of, any applicable law, rule, or regulation regarding capital adequacy, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or the compliance by any Lender or any Person controlling any Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on that Lender's or that controlling Person's capital as a consequence of that Lender's obligations under this Agreement to a level below that which that Lender or that controlling Person could have achieved but for that change, adoption, phase-in, or compliance (taking into consideration that Lender's or that controlling Person's policies with respect to capital adequacy) by an amount deemed by that Lender or that controlling Person to be material, then from time to time, upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay to that Lender that additional amount as will compensate that Lender or that controlling Person for that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

Section 8.2 [Reserved].

Section 8.3 Changes in Law Rendering Loans Unlawful. If, after the date of this Agreement, any change in, or the adoption of any new, law or regulation, or any change in the interpretation of any applicable law or regulation by any Governmental Authority or other regulatory body charged with the administration thereof, makes it (or in the good faith judgment

of any Lender causes a substantial question as to whether it is) unlawful for any Lender to make, maintain, or fund loans in Dollars, then that Lender shall promptly notify each of the other parties to this Agreement and that Lender will not be required to make or maintain any Loan in Dollars.

Section 8.4 Right of Lenders to Fund through Other Offices. Each Lender may, if it so elects, fulfill its commitment as to any Loan by causing a foreign branch or Affiliate of that Lender to make that Loan, but each such Loan will be deemed to have been made by that Lender and the obligation of Borrowers to repay that Loan will be to that Lender and will be deemed held by the Lender, to the extent of that Loan, for the account of that branch or Affiliate.

Section 8.5 Mitigation of Circumstances; Replacement of Lenders.

(a) Each Lender shall promptly notify Borrower Representative and Administrative Agent of any event of which it has knowledge that will result in, and will use reasonable commercial efforts available to it (and not, in that Lender's sole judgment, otherwise disadvantageous to that Lender) to mitigate or avoid (i) any obligation by Borrowers to pay any amount pursuant to Section 7.6 or 8.1 or (ii) the occurrence of any circumstances described in Section 8.3 (and, if any Lender has given notice of any such event described in clauses (i) or (ii) and thereafter that event ceases to exist, that Lender shall promptly so notify Borrower Representative and Administrative Agent). Without limiting the foregoing, each Lender shall designate a different funding office if that designation will avoid (or reduce the cost to Borrowers of) any event described in clauses (i) or (ii) and that designation will not, in that Lender's sole judgment, be otherwise disadvantageous to that Lender.

(b) If Borrowers become obligated to pay additional amounts to any Lender pursuant to Section 8.1, or any Lender gives notice of the occurrence of any circumstances described in Section 8.3, or any Lender becomes a Defaulting Lender, then Borrower Representative may designate another financial institution that is acceptable to Administrative Agent in its reasonable discretion (a "Replacement Lender") to purchase the Loans of that Lender and that Lender's rights under this Agreement, without recourse to or warranty by, or expense to, that Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to that Lender *plus* any accrued but unpaid interest on those Loans and all accrued but unpaid fees owed to that Lender and any other amounts owed to that Lender under this Agreement and any other Loan Document, and to assume all the obligations of that Lender under this Agreement. Upon any such purchase and assumption (pursuant to an Assignment Agreement), the applicable Lender will no longer be a party to this Agreement or have any rights under this Agreement (other than rights with respect to indemnities and similar rights applicable to that Lender prior to the date of that purchase and assumption) and will be relieved from all obligations to Borrowers under this Agreement, and the Replacement Lender will succeed to the rights and obligations of that Lender under this Agreement.

Section 8.6 Conclusiveness of Statements; Survival of Provisions. Determinations and statements of any Lender pursuant to Section 8.1 or 8.3 shall be conclusive absent demonstrable error. Lenders may use reasonable averaging and attribution methods in determining compensation under Section 8.1, and the provisions of such Section 8.1 will survive repayment of the Obligations, cancellation of any Note(s) and termination of this Agreement.

Section 8.7 Funding Losses. Each Borrower shall, upon demand by any Lender (which demand must be accompanied by a statement setting forth the basis for the amount being claimed, a copy of which must be furnished to Administrative Agent), indemnify that Lender against any net loss or expense (including amounts incurred to terminate, settle or re-establish hedging arrangements or related trading positions (irrespective of the currency thereof)) which that Lender sustains or incurs, as reasonably determined by that Lender, as a result of any failure of any Borrower to borrow any Loan on a date specified therefor in a notice of borrowing pursuant to this Agreement. For this purpose, all notices to Administrative Agent pursuant to this Agreement will be deemed to be irrevocable.

ARTICLE IX

The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Sections 10.3(a) and 10.3(b).

ARTICLE XIV

AGENCY

Section 14.1 Appointment and Authorization. Each Lender hereby irrevocably (subject to Section 14.10) appoints, designates, and authorizes each Agent to take any action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise any powers and perform any duties as are expressly delegated to it, as applicable, by the terms of this Agreement or any other Loan Document, together with all powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, none of the Agents will have any duty or responsibility except those expressly set forth in this Agreement, nor will any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations, or liabilities are to be read into this Agreement or any other Loan Document or otherwise exist against such Agent, as applicable. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement and in other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, that term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

Section 14.2 [Reserved].

Section 14.3 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees, or attorneys-in-fact and is entitled to advice of counsel and other consultants or experts concerning all matters

pertaining to those duties. No Agent will be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 14.4 Exculpation of Agents. None of the Agents and their respective directors, officers, employees, and agents (a) will be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except to the extent resulting from its own gross negligence or willful misconduct in connection with its duties expressly set forth in this Agreement as determined by a final, non-appealable judgment by a court of competent jurisdiction), or (b) will be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement, or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability, or sufficiency of this Agreement or any other Loan Document (or the creation, perfection, or priority of any Lien or security interest therein), or for any failure of any Borrower or any other party to any Loan Document to perform its Obligations under this Agreement or under any other Loan Documents. None of the Agents is or will be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document or to inspect the properties, books, or records of any of the Loan Parties and their Subsidiaries and Affiliates.

The duties of each of the Administrative Agent and the Collateral Agent under the Loan Documents are solely mechanical and administrative in nature. The Administrative Agent and the Collateral Agent shall be entitled to request written instructions, or clarification of any instruction, from the Required Lenders (or, if the relevant Loan Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Administrative Agent and the Collateral Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, the Administrative Agent or the Collateral Agent, as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Lenders.

The Agents are not obliged to expend or risk their own funds or otherwise incur any financial liability in the performance of their respective duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if they have grounds for believing the repayment of such funds or indemnity satisfactory to such Agent against, or security for, such risk or liability is not reasonably assured to such Agent. The Agents shall not be responsible in any manner for the validity, enforceability or sufficiency of this Agreement or the Loan Documents or any Collateral delivered, or for the value or collectability of any

obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than the Agent. The Agents shall not be bound to examine or inquire into or be liable for any defect or failure in the right or title of the grantors to all or any of the assets whether such defect or failure was known to the Agents or might have been discovered upon examination or inquiry and whether capable of remedy or not.

The Agents shall not be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter.

The Agents shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct.

In no event shall any Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Agents shall be entitled to seek written directions from the Required Lenders prior to taking any action under this Agreement, any Collateral instrument or any of the Loan Documents.

Except with respect to its own gross negligence or willful misconduct, no Agent shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto.

No Agent shall have responsibility for or liability with respect to monitoring compliance of any other party to the Loan Documents or any other document related hereto or thereto. The Agents have no duty to monitor the value or rating of any Collateral on an ongoing basis.

Whenever in the administration of the Loan Documents any Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, may conclusively rely upon instructions from the Required Lenders.

Any Agent may request that the Required Lenders or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Loan Documents.

Money held by any Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

Beyond the exercise of reasonable care in the custody thereof, no Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

No Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. No Agent shall have any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of the Loan Documents by any other Person.

In the event that, following a foreclosure in respect of any Mortgaged property, the Agent acquires title to any portion of such property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Agent's sole discretion may cause such Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Agent to incur liability under CERCLA or any other Federal, state or local law, such Agent reserves the right, instead of taking such action, to either resign as Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

Each Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. The Agents reserve the right to forebear from foreclosing in their own name if to do so may expose them to undue risk.

In no event shall any Agent be responsible or liable for any failure (e) or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, pandemics, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

For the avoidance of doubt and notwithstanding anything contrary in any Loan Document, in the event of inconsistency between the terms of this Agreement and any other Loan Document, the terms in this Agreement shall prevail.

Notwithstanding anything in the Loan Documents to the contrary, the Collateral Agent shall have no responsibility for the preparation, filing or recording of any instrument, document or financing statement or for the perfection or maintenance of any security interest created hereunder.

Section 14.5 Reliance by Agents. Each Agent may rely, and will be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, electronic mail message, affidavit, letter, telegram, facsimile, telex or telephone message, statement, or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants, and other experts selected by such Agent. Each Agent will be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless such Agent first receives all advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify such Agent against any and all liability and expense which might be incurred by such Agent by reason of taking or continuing to take any such action. Each Agent will in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders and each such request and any action taken or failure to act pursuant thereto will be binding upon each Lender. For purposes of determining compliance with the conditions specified in Section 12, each Lender that has signed this Agreement will be deemed to have consented to, approved, or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless any Agent has received written notice from that Lender prior to the proposed Closing Date specifying its objection thereto.

Section 14.6 Notice of Default. None of the Agents will be deemed to have knowledge or notice of the occurrence of any Event of Default or Default except with respect to defaults in the payment of principal, interest and fees required to be paid to such Agent for the account of the Lenders, unless such Agent has received written notice from a Lender or a Borrower referring to this Agreement, describing that Event of Default or Default and stating that that notice is a "notice of default." Each Agent shall promptly notify the Lenders of its receipt of any such notice. Each Agent shall take all such actions with respect to each such Event of Default or Default as requested by the Required Lenders in accordance with Section 13, but unless and until such Agent has received any such request, such Agent may (but will not be required to) take any action, or refrain from taking any action, with respect to any Event of Default or Default as such Agent deems advisable or in the best interest of the Lenders.

Section 14.7 Credit Decision. Each Lender acknowledges that none of the Agents has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent and acceptance of any assignment or review of the affairs of the Loan Parties, will be deemed to constitute any representation or warranty by such Agent to any Lender as to any matter, including whether such Agent has disclosed material information in its possession. Each Lender represents to each Agent that it has, independently and without reliance upon such Agent and based on documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition, and creditworthiness of the Loan Parties, and made its own decision to enter into this Agreement and to extend credit to Borrowers under this Agreement. Each Lender also represents to each Agent that it will, independently and without reliance upon such Agent and based on documents and information as it deems appropriate at the time, continue to make its own credit analysis, appraisals, and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make all investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition, and creditworthiness of Borrowers. Except for notices, reports and other documents expressly required in this Agreement to be furnished to the Lenders by any Agent, such Agent will not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of any Borrower which may come into the possession of such Agent.

Section 14.8 Indemnification. Whether or not the transactions contemplated by this Agreement are consummated, each Lender shall indemnify upon demand each Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), according to its applicable Pro Rata Share, from and against any and all Indemnified Liabilities, except that no Lender will be liable for any payment to any such Person of any portion of the Indemnified Liabilities to the extent determined by a final, non-appealable judgment by a court of competent jurisdiction to have resulted from the applicable Person's own gross negligence or willful misconduct. No

action taken in accordance with the directions of the Required Lenders will be deemed to constitute gross negligence or willful misconduct for purposes of this Section 14.8. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs and Taxes) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to in this Agreement, to the extent that such Agent is not reimbursed for any such expenses by or on behalf of Borrowers. The undertaking in this Section 14.8 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, termination of this Agreement and the resignation or replacement of any Agent.

Section 14.9 Agents in their Individual Capacity. Each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Loan Parties and Affiliates as though such Person were not an Agent under this Agreement and without notice to or consent of any Lender. Each Lender acknowledges that, pursuant to those activities, the Person serving as an Agent or its Affiliates might receive information regarding Borrowers or their Affiliates (including information that is subject to confidentiality obligations in favor of any Borrower or any such Affiliate) and acknowledges that none of the Agents will be under any obligation to provide any such information to them. With respect to their Loans (if any), each of the Persons serving as Collateral Agent and Administrative Agent and their respective Affiliates have the same rights and powers under this Agreement as any other Lender and may exercise the same as though such Person were not an Agent, and the terms "Lender" and "Lenders" include such Person and its Affiliates, to the extent applicable, in their individual capacities.

Section 14.10 Successor Agents. Any may resign as such upon 30 days' notice to the Lenders. If any Agent resigns under this Agreement, the Required Lenders shall, with (so long as no Event of Default exists) the consent of Borrower Representative (which may not be unreasonably withheld or delayed), appoint from among the Lenders a successor Agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of an Agent, such Agent may appoint, after consulting with the Lenders and Borrower Representative, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent under this Agreement, that successor agent will succeed to all the rights, powers, and duties of the retiring Agent and the term "Administrative Agent" or "Collateral Agent," as applicable, will mean that successor agent, and the retiring Agent's appointment, powers and duties as Agent will be terminated. After any retiring Agent's resignation under this Agreement as an Agent, the provisions of this Section 14.10 and Sections 15.5 and 15.17 will inure to its

benefit as to any actions taken or omitted to be taken by it while it was an Agent under this Agreement. If no successor agent has accepted appointment as successor agent by the date which is 30 days following a retiring Agent's notice of resignation, the retiring Agent's resignation will nevertheless thereupon become effective and the Required Lenders shall perform all of the duties of the retiring Agent under this Agreement until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 14.11 Collateral Matters. Each Lender authorizes and directs Collateral Agent to enter into the Collateral Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) for the benefit of the Agents and the Lenders. Each Lender hereby agrees that, except as otherwise set forth in this Agreement, any action taken by any Agent or Required Lenders in accordance with the provisions of this Agreement or the other Loan Documents, and the exercise by such Agent or Required Lenders of the powers set forth in this Agreement or therein, together with all other powers as are reasonably incidental thereto, will be authorized by, and binding upon, all Lenders. Collateral Agent is hereby authorized on behalf of all Lenders, without the necessity of any notice to or further consent from any Lender to take any action with respect to any Collateral (other than Collateral located in Mexico) or Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to this Agreement and the such other Loan Documents. The Lenders irrevocably authorize Collateral Agent, at its option and in its discretion, to do any and all of the following: (a) to release any Lien granted to or held by Collateral Agent under any Collateral Document (other than the Mexican Collateral Agreements) (i) upon Payment in Full; (ii) upon property sold or to be sold or disposed of as part of or in connection with any disposition permitted under this Agreement (including the release of any Guarantor in connection with any such disposition); or (iii) subject to Section 15.1 if approved in writing by the Required Lenders; or (b) to subordinate its interest in any Collateral (other than Collateral located in Mexico) to any holder of a Lien on that Collateral which secures purchase money debt (it being understood that Collateral Agent may conclusively rely on a certificate from Borrower Representative in determining whether the Debt secured by any such Lien is permitted hereunder). Upon request by Collateral Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release, or subordinate its interest in, particular types or items of Collateral pursuant to this Section 14.11.

Section 14.12 Restriction on Actions by Lenders. Each Lender shall not, without the express written consent of each Agent, and shall, upon the written request of any Agent (to the extent it is lawfully entitled to do so), set-off against the Obligations, any amounts owing by that Lender to a Loan Party or any deposit accounts of any Loan Party now or hereafter maintained with that Lender. Each Lender shall not, unless specifically requested to do so in writing by each Agent, take or cause to be taken any action, including the commencement of any legal or equitable proceedings, to foreclose any loan or otherwise enforce any security interest in any of

the Collateral or to enforce all or any part of this Agreement or the other Loan Documents. All enforcement actions under this Agreement and the other Loan Documents (other than the Mexican Collateral Agreements or the Mexican Collateral Amendment and Reaffirmation Agreements) against the Loan Parties or any third party with respect to the Obligations or the Collateral may be taken by only Administrative Agent or Collateral Agent (at the direction of the Required Lenders or as otherwise permitted in this Agreement) or by their respective agents at the direction of such Agent.

Section 14.13 Administrative Agent May File Proofs of Claim.

14.13.1 In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition, or other judicial proceeding relative to any Loan Party (including any Insolvency Proceeding), Administrative Agent (irrespective of whether the principal of any Loan is then due and payable as expressed in this Agreement or by declaration or otherwise and irrespective of whether Administrative Agent has made any demand on Borrowers) may, by intervention in any such proceeding or otherwise, do any and all of the following:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and Administrative Agent and its respective agents and counsel and all other amounts due the Lenders and Administrative Agent under Article V, Sections 15.5 and 15.17) allowed in such judicial proceedings; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

14.13.2 Any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such proceeding is hereby authorized by each Lender to make all payments to Administrative Agent and, in the event that Administrative Agent consents to the making of such payments directly to the Lenders, to pay to Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent and its agents and counsel, and any other amounts due Administrative Agent under Article V, Sections 15.5, and 15.17.

14.13.3 Nothing contained in this Agreement will be deemed to authorize Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the

rights of any Lender or to authorize Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 14.14 Other Agents; Arrangers and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "documentation agent," "co-agent," "book manager," "lead manager," "arranger," "lead arranger" or "co-arranger," if any, has any right, power, obligation, liability, responsibility, or duty under this Agreement other than, in the case of any Lender, those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified has or is deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action under this Agreement.

Section 14.15 [Reserved].

Section 14.16 Mexican Powers of Attorney. The Administrative Agent agrees that it will not exercise any rights under any power of attorney granted under or in connection with the Mexican Loan Documents unless an Event of Default has occurred and is continuing.

ARTICLE XV

GENERAL

Section 15.1 Waiver; Amendments.

(a) No amendment, modification, or waiver of, or consent with respect to, any provision of this Agreement or the other Loan Documents will be effective unless it is in writing and acknowledged by Lenders having an aggregate Pro Rata Shares of not less than the aggregate Pro Rata Shares expressly designated in this Agreement with respect thereto or, in the absence of any such designation as to any provision of this Agreement, by the Required Lenders. Any amendment, modification, waiver, or consent will be effective only in the specific instance and for the specific purpose for which given.

(b) The Agents Fee Letter may be amended, waived, consented to, or modified by the parties thereto.

(c) No amendment, modification, waiver, or consent may extend or increase the Commitment of any Lender without the written consent of that Lender.

(d) No amendment, modification, waiver, or consent may extend the date scheduled for payment of any principal (excluding mandatory prepayments) of or interest on the

Loans or any fees payable under this Agreement without the written consent of each Lender directly affected thereby.

(e) No amendment, modification, waiver, or consent may reduce the principal amount of any Loan, the rate of interest thereon, or any fees payable under this Agreement without the consent of each Lender directly affected thereby.

(f) No amendment, modification, waiver, or consent may do any of the following without the written consent of each Lender (i) release any Borrower or any Guarantor from its obligations, other than as part of or in connection with any disposition permitted under this Agreement, (ii) release all or any substantial part of the Collateral granted under the Collateral Documents (except as permitted by Section 14.11), (iii) change the definitions of Pro Rata Share or Required Lenders, any provision of this Section 15.1, or reduce the aggregate Pro Rata Share required to effect an amendment, modification, waiver, or consent.

(g) No provision of Sections 6.2.2, 6.3, or 7.2.2(b) with respect to the timing or application of mandatory prepayments of the Loans may be amended, modified, or waived without the consent of Lenders having a majority of the aggregate Pro Rata Shares of the Loans affected thereby.

(h) No provision of Section 14 or other provision of this Agreement affecting any Agent in its capacity as such may be amended, modified, or waived without the consent of such Agent.

(i) [Reserved]

(j) [Reserved]

(k) If, in connection with any proposed amendment, modification, waiver or termination requiring the consent of all Lenders, the consent of the Required Lenders is obtained but the consent of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained is referred to as a "Non-Consenting Lender"), then, so long as Administrative Agent is not a Non-Consenting Lender, Administrative Agent and/or one or more Persons reasonably acceptable to Administrative Agent may (but will not be required to) purchase from that Non-Consenting Lender, and that Non-Consenting Lenders shall, upon Administrative Agent's request, sell and assign to Administrative Agent and/or any such Person, all of the Loans and Commitments of that Non-Consenting Lender for an amount equal to the principal balance of all such Loans and Commitments held by that Non-Consenting Lender and all accrued interest, fees, expenses, and other amounts then due with respect thereto through the date of sale, which purchase and sale will be consummated pursuant to an executed Assignment Agreement.

Section 15.2 Confirmations. Each Borrower and each holder of a Note agree from time to time, upon written request received by it from the other, to confirm to the other in writing (with a copy of each such confirmation to Administrative Agent) the aggregate unpaid principal amount of the Loans then outstanding under that Note.

Section 15.3 Notices.

15.3.1 Generally. Except as otherwise provided in Section 2.2, all notices under this Agreement must be in writing (including facsimile transmission) and must be sent to the applicable party at its address shown on Annex B or at any other address as the receiving party designates, by written notice received by the other parties, as its address for that purpose. Notices sent by facsimile transmission will be deemed to have been given when sent; notices sent by mail will be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier service will be deemed to have been given when received. For purposes of Section 2.2, Administrative Agent will be entitled to rely on written instructions from any person that Administrative Agent in good faith believes is an authorized officer or employee of Borrower Representative, and Borrowers shall hold Administrative Agent and each other Lender harmless from any loss, cost, or expense resulting from any such reliance.

15.3.2 Electronic Communications.

(a) Notices and other communications to any Lender under this Agreement may be delivered or furnished by electronic communication (including email and Internet or intranet websites) pursuant to procedures approved by Administrative Agent, but the foregoing does not apply to notices to any Lender pursuant to Section 2.2 if that Lender has notified Administrative Agent and Borrower Representative that it is incapable of receiving notices under Section 2.2 by electronic communication. Administrative Agent or any Loan Party may, in its respective sole discretion, agree to accept notices and other communications to it under this Agreement by electronic communications pursuant to procedures approved by it, and approval of any such procedures may be limited to particular notices or communications.

(b) Unless otherwise agreed by the sender and the intended recipient, (i) notices and other communications sent to an email address will be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return email, or other written acknowledgement), (ii) notices or communications posted to an Internet or intranet website will be deemed received upon the deemed receipt by the intended recipient, at its email address as described in the foregoing clause (i), of notification that the notice or communication is available and identifying the website address therefor; and (iii) for both clauses (i) and (ii) of this Section 15.3.2(b), any notice, email or other communication that is not sent during the normal business hours of the

intended recipient will be deemed to have been sent at the opening of business on the next Business Day for the intended recipient.

Section 15.4 Computations. Where the character or amount of any asset or liability or item of income or expense is required to be determined, or any consolidation or other accounting computation is required to be made, for the purpose of this Agreement, that determination or calculation will, to the extent applicable and except as otherwise specified in this Agreement, be made in accordance with GAAP, consistently applied, but if Borrower Representative notifies Administrative Agent that Borrowers wish to amend any covenant in Article X (or any related definition) to eliminate or to take into account the effect of any change in GAAP on the operation of that covenant (or if Administrative Agent notifies Borrower Representative that the Required Lenders wish to amend Article X (or any related definition) for that purpose), then Borrowers' compliance with that covenant will be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either the applicable notice under this Section 15.4 is withdrawn or the applicable covenant (or related definition) is amended in a manner satisfactory to Borrowers and the Required Lenders.

Section 15.5 Costs, Expenses and Taxes. Each Loan Party, jointly and severally, shall pay on demand all reasonable out-of-pocket costs and expenses of each Agent (including Attorney Costs and Taxes) in connection with the preparation, execution, primary syndication, delivery and administration (including perfection and protection of any Collateral and the costs of IntraLinks (or other similar service), if applicable) of this Agreement, the other Loan Documents, and all other documents provided for in this Agreement or delivered or to be delivered under or in connection with this Agreement (including any amendment, supplement, or waiver to any Loan Document), whether or not the transactions contemplated hereby or thereby are consummated, including, without limitation, all documented out-of-pocket costs and expenses incurred pursuant to Section 10.2, and all reasonable out-of-pocket costs and expenses (including Attorney Costs and any Taxes) incurred by any Agent and each Lender after an Event of Default in connection with the collection of the Obligations or the enforcement of this Agreement the other Loan Documents or any such other documents or during any workout, restructuring, or negotiations in respect thereof; *provided, however*, that the Loan Parties shall not be liable for any stamp, documentary, recording, filing or similar Taxes that are Other Connection Taxes imposed with respect to an assignment of the Loans and Commitments (other than an assignment at the request of a Loan Party). In addition, each Loan Party shall pay, and shall save and hold harmless each Agent and the Lenders from all liability for, any fees of Loan Parties' auditors in connection with any reasonable exercise by such Agent and the Lenders of their rights pursuant to Section 10.2. All Obligations provided for in this Section 15.5 will survive repayment of the Loans, cancellation of the Notes and termination of this Agreement.

Section 15.6 Assignments; Participations.

15.6.1 Assignments.

(a) Any Lender may at any time assign to one or more Persons (any such Person, an "Assignee") all or any portion of that Lender's Loans and Commitments, with the prior written consent of Administrative Agent and, other than for any assignment to an Eligible Assignee and so long as no Event of Default exists, Borrower Representative (which consent of Borrower Representative may not be unreasonably withheld or delayed). Except as Administrative Agent otherwise agrees, any such assignment must be in a minimum aggregate amount equal to US$1,000,000 (which minimum will be US$500,000 if the assignment is to an Affiliate of the assigning Lender) or, if less, the remaining Commitment and Loans held by the assigning Lender. Borrowers and Administrative Agent will be entitled to continue to deal solely and directly with the assigning Lender in connection with the interests so assigned to an Assignee until Administrative Agent has received and accepted an effective assignment agreement in substantially the form of Exhibit J (an "Assignment Agreement") executed, delivered, and fully completed by the applicable parties thereto and a processing fee of US$3,500. For so long as no Default or Event of Default shall have occurred and is continuing at the time of such assignment, the Borrowers shall not be required to pay to any assignee Lender amounts pursuant to Section 7.6 in excess of the amounts that the Borrowers would have been obligated to pay to the assigning Lender if the assigning Lender had not assigned such Loan to such assignee, unless the circumstances giving rise to such excess payment result from a Change in Law after the date of such assignment. Any attempted assignment not made in accordance with this Section 15.6.1 will be treated as the sale of a participation under Section 15.6.2.

(b) From and after the date on which the conditions described above have been met, (i) the Assignee will be deemed automatically to have become a party to this Agreement and, to the extent that rights and obligations under this Agreement have been assigned to that Assignee pursuant to the Assignment Agreement, will have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender, to the extent that rights and obligations under this Agreement have been assigned by it pursuant to that Assignment Agreement, will be released from its rights (other than its indemnification rights) and obligations under this Agreement. Upon the request of the Assignee (and, as applicable, the assigning Lender) pursuant to an effective Assignment Agreement, Borrowers shall execute and deliver to Administrative Agent for delivery to the Assignee (and, as applicable, the assigning Lender) one or more Notes in accordance with Section 3.1 to reflect the amounts assigned to that Assignee and the amounts, if any, retained by the assigning Lender. Each such Note will be dated the effective date of the applicable assignment. Upon receipt by Administrative Agent of any such Note, the assigning Lender shall return to Borrower Representative any applicable prior Note held by it.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of that Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 15.6.1

will not apply to any such pledge or assignment of a security interest. No such pledge or assignment of a security interest will release a Lender from any of its obligations under this Agreement or substitute any such pledgee or assignee for that Lender as a party to this Agreement

15.6.2 Participations. Any Lender may at any time sell to one or more Persons participating interests in its Loans, Commitments or other interests under this Agreement (any such Person, a "Participant"), but solely to the extent that such Participant is not a Loan Party or an Affiliate of a Loan Party. In the event of a sale by a Lender of a participating interest to a Participant (a) that Lender's obligations under this Agreement will remain unchanged for all purposes, (b) Borrowers and Administrative Agent shall continue to deal solely and directly with that Lender in connection with that Lender's rights and obligations under this Agreement, and (c) all amounts payable by Borrowers will be determined as if that Lender had not sold that participation and will be paid directly to that Lender. No Participant will have any direct or indirect voting rights under this Agreement except with respect to any event described in Section 15.1 expressly requiring the unanimous vote of all Lenders or, as applicable, all affected Lenders. Each Lender agrees to incorporate the requirements of the preceding sentence into each participation agreement which that Lender enters into with any Participant. Borrowers agree that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant will be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, but that right of set-off is subject to the obligation of each Participant to share with the Lenders, and the Lenders shall share with each Participant, as provided in Section 7.5. Participant shall be entitled to the benefits of Section 7.6 or Article VIII to the same extent as if it were a Lender (but no Participant will be entitled to any greater compensation pursuant to Section 7.6 and Article VIII than would have been paid to the participating Lender on the date of participation if no participation had been sold), and each Participant must comply with Section 7.6.4 as if it were an Assignee.

Section 15.7 Register. (1) Administrative Agent shall maintain, and deliver a copy to Borrower Representative upon written request, a copy of each Assignment Agreement delivered and accepted by it and register (the "Register") for the recordation of names and addresses of the Lenders and the Commitment of, and principal amount of (and stated interest on) the Loans owing to, each Lender from time to time and whether that Lender is the original Lender or the Assignee. No assignment will be effective unless and until the Assignment Agreement is accepted and registered in the Register. All records of transfer of a Lender's interest in the Register will be conclusive, absent manifest error, as to the ownership of the interests in the Loans. Administrative Agent will not incur any liability of any kind with respect to any Lender with respect to the maintenance of the Register. It is the parties' intention that the Loans and Commitments be treated as registered obligations and in "registered form" within the meaning of

Sections 163(f), 871(h)(2) and 881(c)(2) of the Code, and that the right, title, and interest of the Lenders in and to those Loans and Commitments be transferable only in accordance with the terms of this Agreement.

(b) Each Lender that sells a participation to a Participant shall, acting solely for this purpose as an agent of each Borrower, maintain at one of its offices a register for the recordation of the names and addresses of each such Participant, and the Commitments of, and principal amount of (and stated interest on) the Loans owing to, such Participant (the "Participant Register"), but no Lender will be required to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans, Commitments, or its other obligations under any Loan Document) to any Person except to the extent that disclosure is required to establish that such a participation is in registered form (as described above). The entries in the Participant Register will be conclusive absent manifest error, and the applicable Lender shall treat each Person whose name is recorded in the Participant Register as the owner of that participation for all purposes of this Agreement notwithstanding any notice to the contrary.

Section 15.8 GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 15.9 Confidentiality. As required by federal law and Administrative Agent's policies and practices, Administrative Agent may need to obtain, verify, and record certain customer identification information and documentation in connection with opening or maintaining accounts, or establishing or continuing to provide services. Administrative Agent and each Lender shall use commercially reasonable efforts (equivalent to the efforts Administrative Agent or that Lender applies to maintain the confidentiality of its own confidential information) to maintain as confidential all information provided to them by any Loan Party hereunder and designated as confidential, except that Administrative Agent and each Lender may disclose any information as follows: (a) to Persons employed or engaged by Administrative Agent or that Lender or that Lender's Affiliates or Approved Funds in evaluating, approving, structuring, or administering the Loans and the Commitments, (b) to any assignee or participant or potential assignee or participant that has agreed to comply with the covenant contained in this Section 15.9 (and any such assignee or participant or potential assignee or participant may disclose any such information to Persons employed or engaged by them as described in clause (a) of this Section 15.9, (c) as required or requested by any federal or state regulatory authority or examiner, or any insurance industry association, or as reasonably believed by Administrative Agent or that Lender to be compelled by any court decree, subpoena, or legal or administrative order or process, but Administrative Agent or that Lender, as applicable, shall (i) use reasonable efforts to give the applicable Loan Party written notice prior to disclosing the information to the extent permitted by that requirement, request, court decree, subpoena, or legal

or administrative order or process, and (ii) disclose only that portion of the confidential information as Administrative Agent or that Lender reasonably believes, or as counsel for Administrative Agent or that Lender, as applicable, advises Administrative Agent or that Lender, that it must disclose pursuant to that requirement, (d) as Administrative Agent or that Lender reasonably believes, or on the advice of Administrative Agent's or that Lender's counsel, is required by law, (e) in connection with the exercise of any right or remedy under the Loan Documents or in connection with any litigation to which Administrative Agent or that Lender is a party, (f) to any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to that Lender, (g) to that Lender's independent auditors and other professional advisors as to which that information has been identified as confidential, or (h) if that information ceases to be confidential through no fault of Administrative Agent or any Lender. Notwithstanding the foregoing, Borrowers consent to the publication by Administrative Agent or any Lender of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement, and Administrative Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements. If any provision of any confidentiality agreement, non-disclosure agreement, or other similar agreement between any Borrower and any Lender conflicts with or contradicts this Section 15.9 with respect to the treatment of confidential information, then this Section 15.9 will supersede all such prior or contemporaneous agreements and understandings between the parties.

Section 15.10 Severability. Whenever possible each provision of this Agreement is to be interpreted so as to be effective and valid under applicable law, but if any provision of this Agreement is prohibited by or invalid under applicable law, that provision will be ineffective to the extent of that prohibition or invalidity, without invalidating the remainder of that provision or the remaining provisions of this Agreement. All obligations of the Loan Parties and rights of the Agents and the Lenders, in each case, expressed in this Agreement or in any other Loan Document are in addition to, and not in limitation of, those provided by applicable law.

Section 15.11 Nature of Remedies. All Obligations of the Loan Parties and rights of Agents and the Lenders expressed in this Agreement or in any other Loan Document are in addition to and not in limitation of those provided by applicable law. No failure to exercise, and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power, or privilege under this Agreement will operate as a waiver thereof, and no single or partial exercise of any right, remedy, power, or privilege under this Agreement will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

Section 15.12 Entire Agreement. This Agreement, together with the other Loan Documents, embodies the entire agreement and understanding among the parties to this Agreement and supersedes all prior or contemporaneous agreements and understandings of all such Persons, verbal or written, relating to the subject matter hereof and thereof (except as

relates to the fees described in Section 5.1) and any prior arrangements made with respect to the payment by the Loan Parties of (or any indemnification for) any fees, costs, or expenses payable to or incurred (or to be incurred) by or on behalf of the Agents or the Lenders.

Section 15.13 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties on separate counterparts. Each such counterpart will be deemed to be an original, but all such counterparts will together constitute but one and the same Agreement. Receipt of an executed signature page to this Agreement by facsimile or other electronic transmission will constitute effective delivery thereof. Electronic records of executed Loan Documents maintained by the Lenders will be deemed to be originals.

Section 15.14 Successors and Assigns. This Agreement binds the Loan Parties, the Lenders, the Agents, and their respective successors and assigns and will inure to the benefit of the Loan Parties, the Lenders, and the Agents and the successors and assigns of the Lenders and the Agents. No other Person is or is intended to be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or any of the other Loan Documents. No Loan Party may assign or transfer any of its rights or Obligations under this Agreement without the prior written consent of each Agent and each Lender.

Section 15.15 Captions. Section captions used in this Agreement are for convenience only and shall not affect the construction of this Agreement.

Section 15.16 Customer Identification – USA PATRIOT Act Notice. Each Lender (each for itself and not on behalf of any other party) hereby notifies the Loan Parties that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify, and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow that Lender to identify the Loan Parties in accordance with the USA PATRIOT Act.

Section 15.17 INDEMNIFICATION BY LOAN PARTIES. In consideration of the execution and delivery of this Agreement by the Agents and the Lenders and the agreement to extend the Commitments provided under this Agreement, each Borrower hereby agrees to indemnify, exonerate, and hold harmless each Agent, each Lender and each of the officers, directors, employees, Affiliates, agents, and Approved Funds of each Agent and each Lender (each, a "Lender Party" or "Indemnitee") from and against any and all actions, causes of action, suits, losses, liabilities, damages, and expenses, including Attorney Costs (collectively, the "Indemnified Liabilities"), incurred by the Lender Parties or any of them as a result of, or arising out of, or relating to (a) any tender offer, merger, purchase of Equity Interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans; (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any Hazardous Substance at any property owned or leased by any Loan Party; (c) any violation of any Environmental Laws with

respect to conditions at any property owned or leased by any Loan Party or the operations conducted thereon; (d) the investigation, cleanup or remediation of offsite locations at which any Loan Party or their respective predecessors are alleged to have directly or indirectly disposed of Hazardous Substances; or (e) the execution, delivery, performance, or enforcement of this Agreement or any other Loan Document by any of the Lender Parties, in each case except for any such Indemnified Liabilities arising on account of the applicable Lender Party's gross negligence or willful misconduct as determined by a final, non-appealable judgment by a court of competent jurisdiction. If and to the extent that the foregoing undertaking is unenforceable for any reason, each Borrower hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. All obligations provided for in this Section 15.17 will survive repayment of the Loans, cancellation of the Notes, any foreclosure under, or any modification, release, or discharge of, any or all of the Collateral Documents and termination of this Agreement. This Section 15.17 shall not apply with respect to Taxes other than any Taxes that represent Indemnified Liabilities arising from any non-Tax claim.

Section 15.18 Nonliability of Lenders. The relationship between Borrowers on the one hand and the Lenders and the Agents on the other hand is solely that of borrower and lender. Neither any Agent nor any Lender has any fiduciary relationship with or duty to any Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Loan Parties, on the one hand, and the Agents and the Lenders, on the other hand, in connection herewith or therewith is solely that of debtor and creditor. Neither any Agent nor any Lender undertakes any responsibility to any Loan Party to review or inform any Loan Party of any matter in connection with any phase of any Loan Party's business or operations. Each Loan Party agrees, on behalf of itself and each other Loan Party, that neither any Agent nor any Lender has any liability to any Loan Party (whether sounding in tort, contract or otherwise) for losses suffered by any Loan Party in connection with, arising out of, or in any way related to the transactions contemplated and the relationship established by the Loan Documents, or any act, omission, or event occurring in connection therewith, unless it is determined in a final non-appealable judgment by a court of competent jurisdiction that those losses resulted from the gross negligence or willful misconduct of the party from which recovery is sought. No Lender Party will be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement. No Lender Party will have any liability with respect to, and each Loan Party, on behalf of itself and each other Loan Party, hereby waives, releases, and agrees not to sue for, any special, punitive, exemplary, indirect, or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date). Each Loan Party acknowledges that it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party. No joint

venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Loan Parties and the Lenders.

Section 15.19 FORUM SELECTION AND CONSENT TO JURISDICTION.

(a) Any litigation based hereon, or arising out of, under, or in connection with this Agreement or any other Loan Document (except for the Mexican Loan Documents, which shall be governed under their own terms), will be brought and maintained exclusively in the courts of the State of New York or in the United States District Court of the Southern District of New York. Each party hereto hereby expressly and irrevocably submits to the exclusive jurisdiction of the courts of the State of New York and of the United States District Court of the Southern District of New York for the purpose of any such litigation as set forth above and waives any right to any other jurisdiction to which each such party may be entitled to by reason of their present or future domicile or otherwise.

(b) Each Mexican Loan Party hereby irrevocably designated and appoints (i) IT Global Holding LLC (the "Process Agent"), with an office on the date hereof at 222 Urban Towers, Suite 1650 E, Irving, TX 75039 as its agent and true and lawful attorney-in-fact in its name, place and stead to accept on its behalf service of copies of the summons and complaint and any other process that may be served in any such suit, action or proceeding brought in any court referred to in clause (a); and (ii) as its conventional address the address of the Process Agent referred above or any other address notified in writing in the future by the Process Agent to such Loan Party, to receive on its behalf service of all process in any proceedings brought pursuant to the Loan Documents in any court, such service being hereby acknowledged by such Loan Party to be effective and binding service in every respect, and agrees that the failure of the Process Agent to give any notice of any such service of process to it shall not impair or affect the validity of such service or, to the extent permitted by applicable law, the enforcement of any judgment based thereon. Each Mexican Loan Party shall maintain such appointment until the satisfaction in full of all Obligations, except that if for any reason the Process Agent appointed hereby ceases to be able to act as such, then each Mexican Loan Party shall, by an instrument reasonably satisfactory to the Required Lenders, appoint another Person in the Borough of Manhattan as such Process Agent subject to the approval of the Required Lenders. Each Mexican Loan Party covenants and agrees that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the designation of the Process Agent pursuant to this paragraph in full force and effect and to cause the Process Agent to act as such.

(c) Each Loan Party further irrevocably consents to the service of process by registered mail, postage prepaid, or by personal service within or without the State of New York. Each Loan Party hereby expressly and irrevocably waives, to the fullest extent permitted by law, any objection that it now has or hereafter might have to the laying of venue of any such litigation

brought in any such court referred to above and any claim that any such litigation has been brought in an inconvenient forum.

Section 15.20 WAIVER OF JURY TRIAL. **EACH LOAN PARTY, EACH AGENT, AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS AGREEMENT, ANY NOTE, ANY OTHER LOAN DOCUMENT, AND ANY AMENDMENT, INSTRUMENT, DOCUMENT, OR AGREEMENT DELIVERED OR WHICH MIGHT IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR THEREWITH OR ARISING FROM ANY LENDING RELATIONSHIP EXISTING IN CONNECTION WITH ANY OF THE FOREGOING, AND AGREES THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY**.

Section 15.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement, or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in that EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

ARTICLE XVI

JOINT AND SEVERAL LIABILITY

Section 16.1 Joint and Several Liability

16.1.1 Each Loan Party and each Person comprising a Loan Party hereby acknowledges and agrees that all of the representations, warranties, covenants, obligations, conditions, agreements, and other terms contained in this Agreement are applicable to and binding upon each Person comprising a Loan Party unless expressly otherwise stated in this Agreement.

16.1.2 Each Loan Party is jointly and severally liable for all of the Obligations of each other Loan Party, regardless of which Loan Party actually receives the proceeds or other benefits of the Loans or other extensions of credit under this Agreement or the manner in which Loan Parties, any Agent, or any Lender accounts therefor in their respective books and records.

16.1.3 Each Loan Party acknowledges that it shall enjoy significant benefits from the business conducted by each other Loan Party because of, inter alia, their combined ability to bargain with other Persons, including, without limitation, their ability to receive the Loans and other credit extensions under this Agreement and the other Loan Documents which would not have been available to any Loan Party acting alone. Each Loan Party has determined that it is in its best interest to procure the credit facilities contemplated under this Agreement, with the credit support of each other Loan Party as contemplated by this Agreement and the other Loan Documents.

16.1.4 Each of the Agents and the Lenders have advised each Loan Party that it is unwilling to enter into this Agreement and the other Loan Documents and make available the credit facilities extended hereby or thereby to any Loan Party unless each Loan Party agrees, among other things, to be jointly and severally liable for the due and proper payment of the Obligations of each other Loan Party. Each Loan Party has determined that it is in its best interest and in pursuit of its purposes that it so induce the Lenders to extend credit pursuant to this Agreement and the other documents executed in connection with this Agreement (a) because of the desirability to each Loan Party of the credit facilities under this Agreement and the interest rates and the modes of borrowing available under this Agreement and under those other documents; (b) because each Loan Party might engage in transactions jointly with other Loan Parties; and (c) because each Loan Party might require, from time to time, access to funds under this Agreement for the purposes set forth in this Agreement. Each Loan Party, individually, expressly understands, agrees, and acknowledges that the credit facilities contemplated under this Agreement would not be made available on the terms of this Agreement in the absence of the collective credit of all the Loan Parties, and the joint and several liability of all the Loan Parties. Accordingly, each Loan Party acknowledges that the benefit of the accommodations made under this Agreement to the Loan Parties, as a whole, constitutes reasonably equivalent value, regardless of the amount of the indebtedness actually borrowed by, advanced to, or the amount of credit provided to, or the amount of collateral provided by, any one Loan Party.

16.1.5 To the extent that applicable law otherwise would render the full amount of the joint and several obligations of any Loan Party under this Agreement and under the other Loan Documents invalid or unenforceable, such Person's obligations under this Agreement and under the other Loan Documents shall be limited to the maximum amount that does not result in any such invalidity or unenforceability, but each Loan Party's obligations under this Agreement and under the other Loan Documents shall be presumptively valid and

enforceable to their fullest extent in accordance with the terms hereof or thereof, as if this Section 16 were not a part of this Agreement.

16.1.6 To the extent that any Loan Party makes a payment under this Section 16 of all or any of the Obligations (a "Joint Liability Payment") that, taking into account all other Joint Liability Payments then previously or concurrently made by any other Loan Party, exceeds the amount that Loan Party would otherwise have paid if each Loan Party had paid the aggregate Obligations satisfied by those Joint Liability Payments in the same proportion that such Person's Allocable Amount (as determined immediately prior to those Joint Liability Payments) bore to the aggregate Allocable Amounts of each Loan Party as determined immediately prior to the making of those Joint Liability Payments, then, following payment in full in cash of the Obligations (other than contingent indemnification Obligations not then asserted) and the termination of the Commitments, that Loan Party shall be entitled to receive contribution and indemnification payments from, and be reimbursed by, each other Loan Party for the amount of that excess, pro rata based upon their respective Allocable Amounts in effect immediately prior to the applicable Joint Liability Payments. As of any date of determination, the "Allocable Amount" of any Loan Party is equal to the maximum amount of the claim that could then be recovered from that Loan Party under this Section 16 without rendering that claim voidable or avoidable under § 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law.

16.1.7 Each Loan Party assumes responsibility for keeping itself informed of the financial condition of each other Loan Party, and any and all endorsers and/or guarantors of any instrument or document evidencing all or any part of each other Loan Party's Obligations, and of all other circumstances bearing upon the risk of nonpayment by each other Loan Party of its Obligations, and each Loan Party agrees that neither any Agent nor any Lender has or shall have any duty to advise that Loan Party of information known to any Agent or any Lender regarding any such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If any Agent or any Lender, in its discretion, undertakes at any time or from time to time to provide any such information to a Loan Party, neither any Agent nor any Lender shall be under any obligation to update any such information or to provide any such information to that Loan Party or any other Person on any subsequent occasion.

16.1.8 Subject to Section 15.1, Administrative Agent upon written direction from the Required Lenders is hereby authorized to, at any time and from time to time, to do any and all of the following: (a) in accordance with the terms of this Agreement, renew, extend, accelerate, or otherwise change the time for payment of, or other terms relating to, Obligations incurred by any Loan Party, otherwise modify, amend or change the terms of any promissory note or other agreement, document or instrument now or hereafter executed by any Loan Party and delivered to Administrative Agent or any Lender; (b) accept partial payments on an

Obligation incurred by any Loan Party; (c) take and hold security or collateral for the payment of an Obligation incurred by any Loan Party under this Agreement or for the payment of any guaranties of an Obligation incurred by any Loan Party or other liabilities of any Loan Party and exchange, enforce, waive, and release any such security or collateral; (d) in accordance with the terms of the Loan Documents, apply any such security or collateral and direct the order or manner of sale thereof; and (e) with the prior consent of the Lenders, settle, release, compromise, collect, or otherwise liquidate an Obligation incurred by any Loan Party and any security or collateral therefor in any manner, without affecting or impairing the obligations of any other Loan Party. In accordance with the terms of this Agreement, the Required Lenders have the exclusive right to determine the time and manner of application of any payments or credits, whether received by the Administrative Agent from a Borrower or any other source, and any such determination shall be binding on each Loan Party. In accordance with the terms of this Agreement, all such payments and credits may be applied, reversed and reapplied, in whole or in part, to any of an Obligation incurred by any Loan Party as the Required Lenders determine in their discretion and instruct the Administrative Agent, without affecting the validity or enforceability of the Obligations of any other Loan Party. Nothing in this Section 16.1.8 modifies any right of any Loan Party or any Lender to consent to any amendment or modification of this Agreement or the other Loan Documents in accordance with the terms hereof or thereof.

16.1.9 Each Loan Party hereby agrees that, except as otherwise expressly provided in this Agreement, its obligations under this Agreement are and shall be unconditional, irrespective of (a) the absence of any attempt to collect an Obligation incurred by any Loan Party from any Loan Party or any guarantor or other action to enforce the same; (b) failure by Collateral Agent or Lenders, as applicable, to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for an Obligation incurred by any Loan Party; (c) any Insolvency Proceeding by or against any Loan Party, or any Agent's or any Lender's election in any such proceeding of the application of § 1111(b)(2) of the Bankruptcy Code; (d) any borrowing or grant of a security interest by any Loan Party as debtor-in-possession under § 364 of the Bankruptcy Code; (e) the disallowance, under § 502 of the Bankruptcy Code, of all or any portion of any Agent's or any Lender's claim(s) for repayment of any of an Obligation incurred by any Loan Party; or (f) any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor unless that legal or equitable discharge or defense is that of a Loan Party in its capacity as a Loan Party.

16.1.10 Any notice given by Borrower Representative under this Agreement shall constitute and be deemed to be notice given by all Loan Parties, jointly and severally. Notice given by any Agent or any Lender to Borrower Representative under this Agreement or pursuant to any other Loan Documents in accordance with the terms of this Agreement or of any applicable other Loan Document shall constitute notice to each Loan Party. The knowledge of any Loan Party shall be imputed to all Loan Parties and any consent by Borrower Representative or any Loan Party shall constitute the consent of, and shall bind, all Loan Parties.

16.1.11 This Section 16 is intended only to define the relative rights of Loan Parties and nothing set forth in this Section 16 is intended to or shall impair the obligations of Loan Parties, jointly and severally, to pay any amounts as and when the same become due and payable in accordance with the terms of this Agreement or any other Loan Documents. Nothing contained in this Section 16 limits the liability of any Loan Party to pay the credit facilities made directly or indirectly to that Loan Party and accrued interest, fees, and expenses with respect thereto for which that Loan Party is primarily liable.

16.1.12 The parties to this Agreement acknowledge that the rights of contribution and indemnification under this Section 16 constitute assets of each Loan Party to which any such contribution and indemnification is owing. The rights of any indemnifying Loan Party against the other Loan Parties under this Section 16 shall be exercisable upon the full and payment of the Obligations, and the termination of the Commitments.

16.1.13 No payment made by or for the account of a Loan Party, including, without limitation, (a) a payment made by that Loan Party on behalf of an Obligation of another Loan Party, or (b) a payment made by any other Person under any guaranty, shall entitle that Loan Party, by subrogation or otherwise, to any payment from that other Loan Party or from or out of property of that other Loan Party and that Loan Party shall not exercise any right or remedy against that other Loan Party or any property of that other Loan Party by reason of any performance of that Loan Party of its joint and several obligations hereunder, until, in each case, the termination of the Commitments, the expiration, termination, or Cash Collateralization of all letters of credit, and Payment in Full of all Obligations (other than contingent indemnification Obligations not then asserted).

ARTICLE XVII

APPOINTMENT OF BORROWER REPRESENTATIVE

17.1.1 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes Borrower Representative as its agent to request and receive the proceeds of advances in respect of the Loans (and to otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents) from the Lenders in the name or on behalf of that Loan Party. Administrative Agent may disburse those proceeds to the bank account of Borrower Representative (or any other Borrower) without notice to any other Borrower or any other Loan Party.

17.1.2 Each Loan Party hereby irrevocably (until Payment in Full or a change pursuant to Section 17.1.4) appoints and constitutes the Borrower Representative as its agent to (a) receive statements of account and all other notices from Administrative Agent with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan

Documents, (b) execute and deliver Compliance Certificates and all other notices, certificates and documents to be executed and/or delivered by any Loan Party under this Agreement or the other Loan Documents; and (c) otherwise act on behalf of that Loan Party pursuant to this Agreement and the other Loan Documents.

17.1.3 The authorizations contained in this Section 17 are coupled with an interest and are irrevocable until Payment in Full or a change pursuant to Section 17, and Administrative Agent may rely on any notice, request, information supplied by the Borrower Representative, every document executed by the Borrower Representative, every agreement made by the Borrower Representative or other action taken by the Borrower Representative in respect of any Borrower or other Loan Party as if the same were supplied, made or taken by that Borrower or Loan Party. Without limiting the generality of the foregoing, the failure of one or more Borrowers or other Loan Parties to join in the execution of any writing in connection with this Agreement will not relieve any Borrower or other Loan Party from obligations in respect of that writing.

17.1.4 No purported termination of or change in the appointment of Borrower Representative as agent will be effective without the prior written consent of Administrative Agent.

ARTICLE XVIII

CONVERSION RIGHTS

Section 18.1 Conversion on the Maturity Date. Subject to Section 18.3, each Tranche A-1 Lender, Tranche A-2 Lender, Tranche C Lender, Tranche D Lender and Tranche E Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares on the Maturity Date applicable to such Lender's Tranche A-1 Loans, Tranche A-2 Loans, Tranche C Loans, Tranche D Loans or Tranche E Loans, as applicable (such Maturity Date, a "Maturity Conversion Date"). In order to exercise its conversion rights under this Section 18.1, such Tranche A-1 Lender, Tranche A-2 Lender, Tranche C Lender, Tranche D Lender or Tranche E Lender must provide written notice (a "Maturity Conversion Notice"), which shall be irrevocable, to Ultimate Holdings on or prior to the second Business Day immediately preceding the Maturity Conversion Date specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.1. Subject to Section 18.3, all of the Outstanding Obligations due to any Tranche B-1 Lender or Tranche B-2 Lender shall automatically convert into Conversion Payment Shares on the Maturity Date applicable to such Lender's Tranche B-1 Loans or Tranche B-2 Loans, as applicable, without any notice or election by such Lender.

Section 18.2 Early Conversion. Subject to Section 18.3, each Lender shall have a right to convert all or any portion of the Outstanding Obligations due to such Lender into Conversion Payment Shares at any time. In order to exercise its conversion rights under this Section 18.2, a Lender must provide written notice (an "Optional Conversion Notice"), which shall be irrevocable, to Ultimate Holdings specifying the percentage of the Outstanding Obligations due to such Lender that the Lender is electing to convert into Conversion Payment Shares pursuant to this Section 18.2.

Section 18.3 Limitation on Conversion. Notwithstanding anything contained herein to the contrary, no conversion under Section 18.1 or Section 18.2 shall be effective unless Ultimate Holdings has received (or is deemed to have obtained) the Requisite Shareholder Approval prior to the Applicable Conversion Date to the extent required under the rules of the Applicable Exchange with respect to a conversion of Outstanding Obligations. If a conversion under Section 18.1 is not effective pursuant to this Section 18.3, the applicable Loans will convert as provided under Section 18.1 to the extent the Applicable Exchange Rules allow and the remainder of the Loan will mature on the applicable Maturity Date as if Section 18.1 did not apply to such remainder. If a conversion under Section 18.2 is not effective pursuant to this Section 18.3, the applicable Optional Conversion Notice shall be deemed null and void but Section 18.2 shall continue to apply to any future conversions. Ultimate Holdings hereby agrees to use its best efforts to obtain the Requisite Shareholder Approval (which may be deemed Requisite Shareholder Approval under the definition thereof) by the earlier of (a) the AgileThought, Inc. 2023 Annual Meeting of Stockholders or (b) May 15, 2023; provided however, that Ultimate Holdings hereby agrees to request from the Applicable Exchange as promptly as is commercially reasonable after the Amendment No. 4 Effective Date an interpretation of the applicable listing standards of the Applicable Exchange, which states that such shareholder approval is not required for Ultimate Holdings to issue Conversion Payment Shares upon conversion of the Outstanding Obligations (both in the aggregate and with respect to any individual Lender).

Section 18.4 Conversions Generally. Upon a Converting Lender's receipt of the Conversion Payment Shares required to be delivered to such Converting Lender under Section 18.1 or Section 18.2, the Outstanding Obligations owed to such Converting Lender that have been converted shall be deemed to have Paid in Full.

Section 18.5 Mergers. Notwithstanding anything to the contrary herein, Ultimate Holdings may not consummate any (i) any recapitalization, reclassification or change of the Common Stock (other than changes resulting from a subdivision or combination), (ii) any consolidation, merger or combination or similar transaction involving Ultimate Holdings, (iii) any sale, lease or other transfer to a third party of the consolidated assets of Ultimate Holdings and Ultimate Holdings' Subsidiaries substantially as an entirety, or (iv) any statutory share exchange (any such event, a "Merger Event") unless the resulting, surviving or transferee Person

(the "Successor Company"), if not Ultimate Holdings, shall expressly assume all of the obligations of Ultimate Holdings under this Article XVIII; *provided, however*, that nothing in this Section 18.5 shall be construed to permit any event or transaction otherwise prohibited under this Agreement.

Section 18.6 Effect of Recapitalizations, Reclassifications and Changes of the Common Stock.

18.6.1 In the case of: any Merger Event as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), at and after the effective time of such Merger Event, (a) the right to convert Outstanding Obligations in Conversion Payment Shares shall be changed into a right to convert such Outstanding Obligations into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that holders of shares of Common Stock are entitled to receive (the "Reference Property," with each "unit of Reference Property" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and (b) unless context requires otherwise, all references to "Common Stock" hereunder shall be deemed references to the Reference Property. At and after the effective time of any such Merger Event, any shares of Common Stock that Ultimate Holdings would have been required to deliver upon conversion of the Outstanding Obligations under Article XVIII shall instead be deliverable in Reference Property.

18.6.2 If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Outstanding Obligations will be convertible shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock.

18.6.3 If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets of a Person other than Ultimate Holdings or the successor or purchasing corporation (excluding, for the avoidance of doubt, cash paid by such surviving company, successor or purchaser corporation, as the case may be, in such Merger Event), then such other Person shall execute such documentation with respect to the conversion of Outstanding Obligations as the Lenders and Ultimate Holdings in good faith determine to be commercially reasonable. The definitive agreement with respect to any Merger Event shall include such additional provisions as are reasonably necessary to protect the conversion rights of the Lenders under this Article XVIII.

18.6.4 If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is a Public Issuer, such Successor Issuer shall grant to each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted to any other Person in connection with such Merger Event. If the Successor Issuer (if not Ultimate Holdings) following a Merger Event is not a Public Issuer, such Successor Issuer shall grant each Lender registration rights (to be effective upon such Lender becoming a Converting Lender) that are no less favorable to such Lender than any registration rights granted in connection with such Merger Event to any other holder of the shares; *provided* that in no event shall such registration rights be less favorable to any Lender than the registration rights set forth in any Registration Rights Agreement then in effect. Following the consummation of any Merger Event in which Ultimate Holdings is not the Successor Issuer, all references in this Article XVIII to Ultimate Holdings shall be deemed replaced with references to the Successor Issuer.

18.6.5 Ultimate Holdings shall provide written notice of any Merger Event to the Lenders as promptly as practicable after the public announcement thereof.

18.6.6 Ultimate Holdings shall not become a party to any Merger Event unless its terms are consistent with this Section 18.6 and this Section 18.6 shall similarly apply to successive Merger Events.

18.6.7 If any change in the number, type or classes of the securities into which the Outstanding Obligations are convertible shall occur between the date hereof and any applicable Maturity Date by reason of reclassification, recapitalization, stock split (including reverse stock split) or combination, exchange or readjustment of shares, distribution of shares, or any stock dividend, the Applicable Price shall be appropriately and proportionately adjusted to reflect such change. In addition, if any other dividend or distribution is made by the Company, then, as of the date of such dividend or distribution, the Applicable Price shall be adjusted using an adjustment factor customary for public company convertible instruments.

Section 18.7 Delivery of Conversion Payment Shares. Ultimate Holdings shall deliver any Conversion Payment Shares required to be delivered to a Lender under this Article XVIII on the earlier of the applicable Maturity Date with respect to the Loans being converted and the applicable Optional Conversion Date. The Conversion Payment Shares will be issued in book-entry form and issued and delivered to the transfer agent for Ultimate Holdings and identified by restricted legends identifying the Conversion Payment Shares as restricted securities. A Converting Lender shall be deemed to be the holder of record of such Conversion Payment Shares as of 5:00 p.m. (New York City time) on the date the Conversion Payment Shares are required to be issued and delivered to the Converting Lender under this Section 18.7.

Section 18.8 Reservation of Shares; Listing. Ultimate Holdings shall keep reserved a sufficient number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations. No later than the Business Day immediately following any Applicable Conversion Date, Ultimate Holdings shall take all action necessary, including amending its governing documents, to authorize and reserve sufficient Conversion Payment Shares such that (a) all Conversion Payment Shares required to be delivered by Ultimate Holdings in connection with such Applicable Conversion Date (1) shall be duly and validly authorized, reserved and available for issuance on or prior to the date such Conversion Payment Shares are delivered to any Converting Lender in accordance with Section 18.4 and (2) shall, upon issuance, be duly and validly issued, fully paid and nonassessable and free of restrictions on transfer other than restrictions on transfer under applicable securities laws and (b) the issuance of such Conversion Payment Shares shall not be subject to any preemptive or similar rights. On or prior to the Amendment No. 4 Effective Date, Ultimate Holdings shall provide notice to the Nasdaq Capital Market with respect to the listing of a number of shares of Common Stock to satisfy the conversion of all Outstanding Obligations. Ultimate Holdings shall use its best efforts to effect and maintain the listing on a Permitted Exchange of its Common Stock.

Section 18.9 Calculations. Ultimate Holdings and any Converting Lenders shall, acting in good faith and in a commercially reasonable manner, jointly determine the number of Conversion Payment Shares with respect to any Conversion; *provided* that if Ultimate Holdings and such Converting Lenders cannot promptly agree on the number of Conversion Payment Shares with respect to such Conversion then they shall use their good faith efforts to jointly appoint a Calculation Agent to determine such number with respect to such Conversion; *provided, further*, that any failure to agree or related delay in the calculation of the number of Conversion Payment Shares shall extend the time provided for delivery of the any disputed number of Conversion Payment Shares (but, for the avoidance of doubt, not the number of Conversion Payment Shares not in dispute) until the second Business Day following the determination of the calculation as provided in this Section 18.9, and such extension or delay in payment with respect to the disputed portion of Conversion Payment Shares shall not be deemed a breach of any provision of this Agreement. If Ultimate Holdings and any Converting Lenders are not able to promptly agree on a Calculation Agent with respect to a Conversion, then Ultimate Holdings shall appoint one Calculation Agent and the Converting Lenders shall appoint a second Calculation Agent and such appointed Calculation Agents shall each promptly determine the number of Conversion Payment Shares for such Conversion and the Conversion Payment Shares for such Conversion shall be deemed to be the average of the amounts determined by such Calculation Agents or, if only one Calculation Agent provides a determination of the Conversion Payment Shares prior to the date Conversion Payment Shares are required to be delivered in connection with the relevant Conversion, the number of Conversion Payment Shares determined by such Calculation Agent. Any determination of the Conversion Payment Shares pursuant to the terms of this Section 18.9 shall be final absent manifest error. All calculations under this Article XVIII shall be rounded to the nearest

1/10,000th, with 0.00005 rounded up to 0.0001; *provided* that the number of Conversion Payment Shares to be delivered to any Converting Lender shall be rounded up the nearest whole number.

Section 18.10 Conversion Information. Ultimate Holdings shall use commercially reasonable efforts to promptly provide any information to any Lender, or any Calculation Agent for purposes of Section 18.9, that such Lender or Calculation Agent determines in good faith to be reasonably necessary to make any calculations under this Article XVIII.

Section 18.11 Taxes. Ultimate Holdings shall pay any and all transfer, stamp and similar Taxes imposed by, or levied by or on behalf of, any governmental authority or agency having the power to tax that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Converting Lender in connection with any Conversion. For the avoidance of doubt, Ultimate Holdings shall not be responsible for any such transfer, stamp and similar Taxes that may be payable with respect to the issuance and delivery of the Conversion Payment Shares to any Person that is not the Converting Lender, including any nominee, assignee or transferee of the Converting Lender, if such Taxes would not have been imposed or be payable had the Conversion Payment Shares been issued in the name of the Converting Lender.

Section 18.12 Peso Loans. Conversions of Outstanding Obligations hereunder shall be made by reference to the Dollar amount thereof. In the case of any Outstanding Obligations denominated in Pesos, the Dollar amount thereof shall be determined by reference to the Conversion Rate as of the relevant Applicable Conversion Date.

Section 18.13 Additional Definitions. When used in this Article XVIII, the following terms shall have the following meanings:

GUARANTY

Section 19.1 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrowers now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrowers, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding) fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrowers, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Secured Parties in enforcing any rights under the guaranty set forth in this Article XIX. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrowers to the Secured Parties under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrowers. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Swap Obligations. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any Debtor Relief Law.

Section 19.2 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Parties with respect thereto. Each Guarantor agrees that this Article XIX constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this Article XIX are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XIX shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any

consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Secured Party;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Parties that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Article XIX shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by Secured Parties or any other Person upon the insolvency, bankruptcy or reorganization of the Borrowers or otherwise, all as though such payment had not been made.

Section 19.3 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XIX and any requirement that the Secured Parties exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Secured Party to seek payment or recovery of any amounts owed under this Article XIX from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Secured Parties shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 19.3 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XIX, and acknowledges that this Article

XIX is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 19.4 Continuing Guaranty; Assignments. This Article XIX is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX and the New Senior Credit Agreement Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, its Loans owing to it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 15.6.

Section 19.5 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XIX, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Parties against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX shall have been paid in full in cash and the New Senior Credit Agreement Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XIX and the New Senior Credit Agreement Final Maturity Date such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XIX, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Article XIX thereafter arising. If (i) any Guarantor shall make payment to the Secured Parties of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XIX shall be paid in full in cash and (iii) the New Senior Credit Agreement Final Maturity Date shall have occurred, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such

Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 19.6 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Article XIX. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Article XIX such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Article XIX in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Article XIX that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 19.6, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Article XIX (including, without limitation, in respect of this Section 19.6), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 19.6. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 19.6 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 19.6.

Such Guaranty and Collateral Agreement supplement shall set forth sufficient details relating to the Commercial Tort Claim in connection with the litigation in the United States District Court for the Western District of Tennessee, captioned AnovoRx Holdings, Inc. v. AgileThought, Inc. (Case No. 2:22-cv-02557) (the "Anovo Commercial Tort Claim"), and confirm to the Collateral Agent that it has a perfected security interest in the Anovo Commercial Tort Claim and in the proceeds thereof.

(g) New Senior Forbearance Agreement. The Loan Parties shall at all times comply with the terms of the New Senior Forbearance Agreement (as defined below).

(i) Tranche B Conversion. The Loan Parties, the Tranche B Lenders, and the Tranche A Lenders, shall, during the Forbearance Period make themselves reasonably available and negotiate in good faith revisions to the terms of the Credit Agreement governing the conversion of the Tranche B Loans, including, but not limited to, the conversion price.

4. Release; No Representations by Agents or Lenders; No Novation.

(a) Each Loan Party hereby acknowledges and agrees that: (i) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (ii) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of their rights, interests,

security and/or remedies. Accordingly, for and in consideration of the agreements contained in this Agreement and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates and Approved Funds, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Effective Date directly arising out of, connected with or related to this Agreement, the Credit Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral. Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

(b) Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Agreement.

(c) Each reference to Lender under Sections 4(a) and 4(b) is to such Lender solely in its capacity as a lender under the Credit Agreement. To the Loan Parties' knowledge as of the Effective Date, the Loan Parties are not aware of any claims of the Loan Parties against the Lenders, in any capacity, in connection with this Agreement.

(d) Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Credit Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

5. Effectiveness of this Agreement. This Agreement shall become effective upon the satisfaction in full, in a manner satisfactory to the Lenders, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied being hereinafter referred to as the "Effective Date"):

(a) Agreement. On or before the Effective Date, the Administrative Agent and the Lenders shall have received this Agreement, fully executed by the other parties hereto; and

(b) Representations and Warranties. Except for Sections 9.8(iii) and 9.20 of the Credit Agreement to the extent such sections relate to the Specified Defaults or as a result of certain other defaults on Material Contracts disclosed in writing to the Agents or Lenders on or prior to the Effective Date (the "Representation Exception"), the representations and warranties contained in this Agreement and in Article IX of the Credit Agreement and in each other Loan Document shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification)

on and as of the Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct on and as of such earlier date).

(c) No Default; Event of Default. Other than the Specified Defaults, no Default or Event of Default shall have occurred and be continuing on the Effective Date or result from this Agreement becoming effective in accordance with its terms.

(e) New Senior Credit Agreement Forbearance Agreement. The Agents shall have received a fully executed copy of a forbearance agreement, dated as of the Effective Date, by and among the loan parties thereto, the New Senior Credit Agreement collateral agent, the New Senior Credit Agreement's administrative agent, and the existing New Senior Credit Agreement lenders, and such forbearance agreement shall be in full force and effect ("New Senior Forbearance Agreement").

6. Condition Subsequent to Effectiveness of this Agreement. The Loan Parties agree that, in addition to all other terms, conditions and provisions set forth in this Agreement, including, without limitation, those conditions to the Effective Date set forth herein, the Loan Parties shall, on or prior to the earlier of (i) the date of the first borrowing of the Anticipated 2023 Incremental Revolving Loans or (ii) April 28, 2023, have paid all outstanding and unpaid fees and expenses of (x) the Administrative Agent (in the amount of $5,000), (y) Pryor Cashman LLP, counsel to the Administrative Agent in an amount up to US$30,000, and (z) Skadden, Arps, Slate, Meagher & Flom LLP, counsel to the Lenders, in an amount of US$231,579. It is understood and agreed that, during the Forbearance Period, the Lenders shall be permitted to request, and the Loan Parties shall remit, (1) an additional up to US$100,000 to the Lenders for the fees and expenses of Skadden, Arps, Slate, Meagher & Flom LLP, counsel to the Lenders associated with this Agreement and (2) up to US$15,000 for the legal fees and expenses of the Administrative Agent, including of Pryor Cashman LLP, counsel to the Administrative Agent associated with this Agreement. It is understood and agreed that the failure by the Loan Parties to perform or cause to be performed such condition subsequent shall constitute an immediate Event of Default (which shall not be subject to any grace periods set forth in the Credit Agreement). It is agreed that the Loan Parties' obligations to pay such amounts shall be subject to receipt of invoices from the applicable Agent, Lenders, or professionals, it being expressly understood and agreed that the amount identified in paragraph (ii)(z) of this Section 6 has been invoiced to the Loan Parties as of the date of this Agreement.

7. Representations and Warranties. Each Loan Party represents and warrants, as of the Effective Date, as follows:

(a) Representations and Warranties; No Event of Default. Except for the Representation Exception, the representations and warranties herein, in Article IX of the Credit Agreement and in each other Loan Document are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such earlier date), and, other than the Existing Defaults, no Default or Event of Default has occurred and is continuing as of the Effective Date or would result from this Agreement becoming effective in accordance with its terms.

(b) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or *sociedad anonima* duly organized, validly existing and, other than the Mexican Loan Party, in good standing under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated, and to execute and deliver this Agreement, and to consummate the transactions contemplated by this Agreement and by the Credit Agreement, and (iii) is duly qualified to do business in, and is in good standing in each jurisdiction where the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and be in good standing could not reasonably be expected to have a Material Adverse Effect.

(c) Authorization, Etc. 2. Lien Priority.

2.1. Acknowledgment of Lien. Each Creditor hereby agrees and acknowledges that the First Lien Agent, for the benefit of itself and the First Lien Creditors, and the Second Lien Agents, for their own benefit and the benefit of the Second Lien Creditors, have been granted a Lien upon the Collateral and hereby consents thereto. The subordination of Liens by the Second Lien Agents in favor of the First Lien Agent as set forth herein shall not be deemed to subordinate the Second Lien Agents' Liens to the Liens of any other Person.

2.2. Priority. Notwithstanding (a) the date, order, time, method or manner of grant, attachment or perfection, or the date, order, time, method or manner of filing or recordation of any document or instrument, or other method of perfecting a Lien in favor of each Creditor in any Collateral (regardless of how any such Lien was acquired, whether by grant, statute, operation of law, subrogation or otherwise), or any defect or deficiency or alleged defect or deficiency in any of the foregoing (including, without limitation, any failure to perfect or record such Lien), (b) any provision of the UCC, the Bankruptcy Code or any other applicable law, (c) any provision of the First Lien Documents or the Second Lien Documents (including, without limitation, any dollar limitations on Debt set forth in the First Lien Loan Agreement or the Second Lien Loan Agreement), (d) whether the First Lien Agent or the Second Lien Agents, in each case, either

directly or through agents, holds possession of, or has control over, all or any part of the Collateral, (e) the fact that any such Liens in favor of the First Lien Creditors or the Second Lien Creditors securing any of the First Lien Obligations or Second Lien Obligations, respectively, are subordinated to any Lien securing any obligation of the Credit Parties other than the First Lien Obligations or the Second Lien Obligations, respectively, or otherwise subordinated, voided, avoided, disallowed, invalidated or lapsed, or (f) any other circumstance of any kind or nature whatsoever, the First Lien Agent, on behalf of itself and the First Lien Creditors, and the Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, hereby agree that until Discharge of First Lien Obligations up to but not in excess of the First Lien Cap, any Lien in respect of all or any portion of the Collateral now or hereafter held by or on behalf of any First Lien Creditor or any agent or trustee therefor (including, without limitation, First Lien Agent), regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, has and shall have priority over any Lien upon the Collateral now or hereafter held by or on behalf of any Second Lien Creditor or any agent or trustee therefor, regardless of how acquired, whether by grant, possession, statute, operation of law, subrogation or otherwise, and any such Liens of any Second Lien Creditor, or any agent or trustee therefor, are and shall be, in all respects, subject and subordinate to the Liens of each First Lien Creditor, and any agent or trustee therefor, therein to the full extent of the First Lien Obligations outstanding from time to time.

2.3. Prohibition on Contesting Liens. Each Second Lien Agent, for itself and on behalf of each Second Lien Creditor, agrees that it and they will not (and each hereby waives any right to) take any action to contest or assist or support any other Person in contesting, directly or indirectly, whether or not in any proceeding (including any Insolvency Proceeding), the perfection, priority, validity or enforceability of any Lien held by or on behalf of the First Lien Agent or any First Lien Creditor in the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Second Lien Agents or any Second Lien Creditor to enforce this Agreement.

2.4. No Alteration of Priority. Each Second Lien Agent, on behalf of itself and each Second Lien Creditor, acknowledges and agrees that (a) a portion of the First Lien Obligations represents Debt that is revolving in nature and the First Lien Agent and the First Lien Creditors will apply payments and make advances under the First Lien Documents, (b) subject to **Section 5.3**, the amount of the First Lien Obligations that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, and the terms of the First Lien Obligations may be modified, extended or amended from time to time, and the aggregate amount of the First Lien Obligations may be increased, replaced or Refinanced, (c) all Monetary Collateral received by the First Lien Agent may be applied, reversed, reapplied, credited, or reborrowed, in whole or in part, to or in respect of the First Lien Obligations at any time, and (d) each of the foregoing actions in clauses (a), (b) and (c) may be performed without notice to or consent by any Second Lien Agent or any Second Lien Creditor and without affecting the provisions hereof. The Lien priorities provided in this **Section 2.4** shall not be altered or otherwise affected by any amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or refinancing of either the First Lien Obligations or the Second Lien Obligations, or any portion thereof permitted hereby.

2.5. Perfection. Each Creditor shall be solely responsible for perfecting and maintaining the perfection of its Lien in and to each item constituting the Collateral in which such Creditor has been granted or purported to be granted a Lien. The foregoing provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Creditors and shall not impose on any Creditor any obligations in respect of the disposition of proceeds of foreclosure on any Collateral which would conflict with prior perfected claims therein in favor of any other Person. The Second Lien Agents, on their own behalf and on behalf of each Second Lien Creditor, agree that as among the First Lien Agent and First Lien Creditors, and the Second Lien Agents and the Second Lien Creditors, the terms of this Agreement shall govern even if part or all of the First Lien Obligations or the Liens of the First Lien Agent securing payment and performance thereof are avoided, disallowed, set aside or otherwise invalidated in any judicial proceeding or otherwise, and notwithstanding any failure by any Creditor to perfect its interests in the Collateral.

2.6. No New Liens. So long as the Discharge of First Lien Obligations, up to but not exceeding the First Lien Cap, shall not have occurred, whether or not any Insolvency Proceeding has been commenced by or against any Credit Party, the Second Lien Agents agree that if the Second Lien Agents or any Second Lien Creditor shall acquire or hold any Lien on any assets of any Credit Party securing any Second Lien Obligations which assets are not also subject to the first-priority Lien of First Lien Agent under the First Lien Documents, then such Second Lien Creditor, upon demand by the First Lien Agent, will, without the need for any further consent of the Second Lien Agents or any other Second Lien Creditor notwithstanding anything to the contrary in any other Second Lien Document, either (i) release such Lien or (ii) take such actions as the First Lien Agent may reasonably request to cause the First Lien Agent to obtain a first-priority Lien on such assets as security for the First Lien Obligations (in which case the Second Lien Agents, for their benefit and the benefit of the Second Lien Creditors, may retain a junior Lien on such assets subject to the terms hereof). To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the Second Lien Agents or the First Lien Agent, as the case may be, each Creditor agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this **Section 2.6** shall be subject to **Section 4.1**.

2.7. Similar Liens. The parties hereto agree that it is their intention that the First Lien Collateral and the Second Lien Collateral be identical. In furtherance of the foregoing, the parties hereto agree, subject to the other provisions of this Agreement, upon request by the First Lien Agent or any Second Lien Agent, to cooperate in good faith from time to time in order to determine the specific items included in the First Lien Collateral and the Second Lien Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the First Lien Documents and the Second Lien Documents.

2.8. Non-Lienable Assets. Notwithstanding anything to the contrary contained herein, if any assets, licenses, rights, or privileges of any Credit Party are incapable of being the subject of a Lien in favor of either the First Lien Agent or the Second Lien Agents (including because of restrictions under applicable law, the nature of the rights or interests of such Credit Party, or the absence of a consent to such Lien by a third party) and irrespective of whether the applicable collateral documents attempt (or purport) to encumber such assets, licenses, rights, or privileges (the "**Inalienable Interests**"), then the First Lien Agent and the Second Lien Agents agree that any distribution or recovery that the First Lien Creditors or the Second Lien Creditors may receive

with respect to, or that is allocable to, the value of any such Inalienable Interests, or any Proceeds thereof, whether received in their capacity as unsecured creditors or otherwise, shall be turned over and applied in accordance with **Section 4.1** as if such distribution or recovery were, or were on account of, Collateral or the Proceeds of Collateral. With respect to all Inalienable Interests, until the Discharge of First Lien Obligations occurs, the Second Lien Agents hereby appoint the First Lien Agent, and any officer or agent of the First Lien Agent, with full power of substitution, the attorney-in-fact of each of the Second Lien Creditors for the limited purpose of carrying out the provisions of this **Section 2.8** and taking any action and executing any instrument that the First Lien Agent may reasonably deem necessary or advisable to accomplish the purposes of this **Section 2.8**, which appointment is irrevocable and coupled with an interest. If in order to carry out the provisions of this **Section 2.8** a special power of attorney is required according to applicable law, the Second Lien Creditors and/or the Second Lien Agents, as the case may be, hereby agree to grant an irrevocable power of attorney to the First Lien Agent, using the form provided by the First Lien Agent.

2.9. Legend. The First Lien Agent agrees for itself and on behalf of the other First Lien Creditors that the Second Lien Loan Agreement shall contain substantially the following notation: "This Agreement and any lien created herein is subject to the lien priority and other provisions set forth in that certain Subordination and Intercreditor Agreement dated as of May 27, 2022 by and between Blue Torch Finance LLC, as First Lien Agent for the First Lien Creditors, and GLAS USA LLC and GLAS Americas LC, as Second Lien Agents for the Second Lien Creditors, and acknowledged by the Credit Parties signatory thereto, as amended, restated, supplemented or otherwise modified from time to time."

3. Enforcement. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency Proceeding has been commenced by or against any Credit Party, the Second Lien Agents, for their own behalf and on behalf of the other Second Lien Creditors:

(i) will not enforce or exercise, or seek to enforce or exercise, any rights or remedies (including any right of setoff or notification of account debtors) with respect to any Collateral (including the enforcement of any right under any lockbox agreement, account control agreement, landlord waiver or bailee's letter or any similar agreement or arrangement to which the Second Lien Agents or any other Second Lien Creditor is a party) or commence or join with any Person (other than the First Lien Agent with its consent) in commencing, or filing a petition for, any action or proceeding with respect to such rights or remedies (including any foreclosure action);

(ii) will not contest, protest or object to any foreclosure action or proceeding brought by the First Lien Agent or any other First Lien Creditor, or any other enforcement or exercise by any First Lien Creditor of any rights or remedies relating to the Collateral, so long as the Liens of the Second Lien Agents attach to the Proceeds thereof subject to the relative priorities set forth in **Section 2.1** and such actions or proceedings are being pursued in good faith;

(iii) will not object to the forbearance by the First Lien Agent or the other First Lien Creditors from commencing or pursuing any foreclosure action or

proceeding or any other enforcement or exercise of any rights or remedies with respect to any of the Collateral;

(iv) will not, except for actions otherwise permitted in accordance with **Section 6.5** but not in violation of any provision of this Agreement, during the pendency of any Insolvency Proceeding, take or receive any Collateral, or any Proceeds thereof or payment with respect thereto, in connection with the exercise of any right or remedy with respect to any Collateral;

(v) agrees that no covenant, agreement or restriction contained in any Second Lien Document shall be deemed to restrict in any way the rights and remedies of the First Lien Agent or the other First Lien Creditor with respect to the Collateral as set forth in this Agreement and the First Lien Documents;

(vi) will not object to the manner in which the First Lien Agent may seek to enforce or collect the First Lien Obligations or the Liens of the First Lien Agent on any Collateral to the extent not in violation of this Agreement, regardless of whether any action or failure to act by or on behalf of the First Lien Agent is, or could be, adverse to the interests of the Second Lien Creditors, and will not assert, and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or claim the benefit of any marshalling, appraisal, valuation or other similar right that may be available under applicable law with respect to the Collateral or any other rights a junior secured creditor may have under applicable law with respect to the matters described in this clause (vi); and

(vii) will not attempt, directly or indirectly, whether by judicial proceeding or otherwise, to challenge or question the validity or enforceability of any First Lien Obligations or any Lien of the First Lien Agent or this Agreement, or the validity or enforceability of the priorities, rights or obligations established by this Agreement;

provided, however, that Second Lien Agents, on behalf of the Second Lien Creditors, may: (A) file a claim, proof of claim or statement of interest with respect to the Second Lien Obligations, as the case may be (provided, that an Insolvency Proceeding has been commenced by or against any Credit Party); (B) take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on any of the Collateral and its priority; (C) file any necessary responsive or defensive pleadings in opposition to any motion, filing, application, claim, adversary proceeding, proposal, plan of reorganization, arrangement or composition or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of any Second Lien Agent or the Second Lien Creditors, including any claims secured by the Collateral, if any, or otherwise make any agreements or file any motions, proceedings or objections pertaining to the claims of such Creditors, in each case in accordance with the terms of this Agreement; and (D) vote on any plan of reorganization, plan of arrangement or composition or proposal, file any proof of claim, make other filings and make any arguments and motions that do not, in any case, contravene the terms of this Agreement**.**

In the event any Creditor shall be required by the UCC or any other applicable law to give any notice to any other Creditor, such notice shall be given in accordance with **Section 9.7** and ten (10) days' notice shall be conclusively deemed to be commercially reasonable.

4. Payments.

4.4. Payments Under Second Lien Loan Agreement. The First Lien Agent, on behalf of the First Lien Creditors, acknowledges and agrees that the Second Lien Loan Agreement requires certain payments in respect of the Second Lien Obligations. (a) Subject to **Sections 5.3(c)** and **5.3(d)**, the First Lien Agent and the Second Lien Agents shall each use good faith efforts to notify the other party of any written amendment or modification to the First Lien Loan Agreement or the Second Lien Loan Agreement, but the failure to do so shall not create a cause of action against the party failing to give such notice or create any claim or right on behalf of any third party.

(b) Subject to **Sections 5.3(c)**, the First Lien Documents may be amended, restated, amended and restated, supplemented or otherwise modified in accordance with their terms, and the First Lien Loan Agreement may be Refinanced, in each case, without notice to, or the consent of the Second Lien Agents or the Second Lien Creditors, all without affecting the Lien subordination or other provisions of this Agreement; provided, however, that the holders of such Refinancing debt bind themselves in a writing addressed to the Second Lien Creditors, to the terms of this Agreement.

(c) Without the consent of the Second Lien Agents, the First Lien Agent and the First Lien Creditors will not amend, restate, amend and restate, modify, supplement, or otherwise change the terms of (or Refinance) the terms of the First Lien Documents, if the effect of such amendment, restatement, amendment and restatement, modification, supplement, or change (or Refinancing) is to (i) impose any restrictions on the incurrence of Debt under the Second Lien Documents that are greater than the restrictions set forth in the Existing First Lien Loan Agreement, (ii) impose any restrictions on the payment by the

Borrowers of principal or interest in respect of the Second Lien Obligations that are greater than the restrictions set forth in the Existing First Lien Loan Agreement and this Agreement, (iii) impose any restriction on the conversion rights under Article XVIII of the Second Lien Loan Agreement, (iv) increases the aggregate principal amount of loans, letters of credit, bankers acceptances, bonds, debentures, notes, or similar instruments or other similar extensions of credit or commitments therefor beyond the First Lien Cap, (v) extends scheduled final maturity date of the First Lien Credit Agreement, or (vi) contravene the provisions of this Agreement.

(d) Without the consent of the First Lien Agent, the Second Lien Agents and the Second Lien Creditors will not amend, restate, amend and restate, modify, supplement, or otherwise change the terms of (or Refinance) the terms of the Second Lien Documents, other than any such amendment, restatement, amendment and restatement, modification, waiver, supplement or change which does not affect the interests of the First Lien Agent or the First Lien Creditors under the First Lien Documents in any respect; it being understood that any amendment, restatement, amendment and restatement, modification or supplement to (1) extend or waive the date scheduled for payment of any principal of or interest on the Second Lien Loans, (2) reduce the principal amount of any Second Lien Loans or the rate of interest thereon, (3) release any Second Lien Borrower or Guarantor from its obligations under the Second Lien Documents, (4) release all or any part of the Collateral granted under the Second Lien Documents to secure the Second Lien Obligations, and (5) waive, amend, modify or supplement any existing representation and warranty, covenant or event of default provision under the Second Lien Documents (other than this Agreement), to make such provision less restrictive to the Second Lien Borrower or Guarantor, shall not be deemed to be adverse to the interests of the First Lien Agent and the First Lien Creditors in a material respect.

5.4. Bailees for Perfection.

(a) Each Agent agrees to hold that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees) to the extent that possession or control thereof is taken to perfect a Lien thereon (such Collateral, which shall include without limitation Deposit Accounts and Securities Accounts subject to Account Agreements, and the Collateral held in such Deposit Accounts and Securities Accounts, collectively being the "**Pledged Collateral**") (i) in the case of the First Lien Agent, for itself and as the collateral agent for the First Lien Creditors under the First Lien Documents or, in the case of the Second Lien Agents, for their benefit and as the collateral agent for the Second Lien Creditors under the Second Lien Documents, and (ii) as bailee for the benefit of or agent on behalf of the other Agent and other Creditors (such bailment and agency being intended, among other things, to satisfy the requirements of Sections 8-301(a)(2), 9-313(c), 9-104, 9-105, 9-106 and 9-107 of the UCC and to establish "control" within the meaning of Section 9-314 of the UCC) and any assignee solely for the purpose of perfecting the security interest granted under the First Lien Documents and the Second Lien Documents, respectively, subject to the terms and conditions of this **Section 5.4**.

(b) Neither Agent shall have any obligation whatsoever to the other Agent, to any First Lien Creditor, or to any Second Lien Creditor to ensure that the Pledged Collateral

is genuine or owned by the applicable Credit Party or to preserve rights or benefits of any Person except as expressly set forth in this **Section 5.4**. The duties or responsibilities of the respective Agents under this **Section 5.4** shall be limited solely to holding the Pledged Collateral as bailee and agent in accordance with this **Section 5.4** (including, without limitation, paragraph (e) below) and delivering the Pledged Collateral or proceeds thereof upon a Discharge of Second Lien Obligations or Discharge of First Lien Obligations, as the case may be, as provided in paragraph (d) below.

(c) Upon the Discharge of First Lien Obligations or the Discharge of **Section 5.4** Lien Obligations, as the case may be, the Agent under the credit facility which has been discharged shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements, first, to the other Agent to the extent the other (First Lien or Second Lien, as applicable) Obligations remain outstanding, and second, to the Borrowers to the extent no First Lien Obligations or Second Lien Obligations remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Pledged Collateral). Notwithstanding anything to the contrary contained in this Agreement, any obligation of the Agent under the credit facility which has been discharged to make any delivery to the other Agent under this **Section 5.4** or **Section 5.5** is subject to (i) the order of any court of competent jurisdiction, or (ii) any automatic stay imposed in connection with any Insolvency Proceeding.

(d) Subject to the terms of this Agreement, so long as the Discharge of First Lien Obligations has not occurred, the First Lien Agent shall be entitled to deal with the Pledged Collateral or Collateral within its "control" in accordance with the terms of this Agreement and other First Lien Documents, as if the Liens of the Second Lien Agents and the Second Lien Creditors did not exist (it being understood that the First Lien Agent shall have the sole exclusive right to exercise control under Account Agreements until the Discharge of First Lien Obligations).

(e) In furtherance of this **Section 5.4**, after the Discharge of the First Lien Obligations has occurred, the First Lien Agent shall cooperate with the Second Lien Agents' efforts to obtain Account Agreements with respect to Deposit Accounts and Securities comprising the Collateral, and to the extent, but only to the extent, the First Lien Agent has the authority to do so under any applicable Account Agreement with respect to any Deposit Account or Securities Account constituting part of the Collateral, to notify the applicable depositary bank or securities intermediary under such control agreements that the relevant Second Lien Agent is the "lender representative," "notice agent" or similar party, as applicable, entitled to take action thereunder with respect to each Deposit Account or Securities Account that is subject to an Account Agreement in favor of the First Lien Agent.

(f) Except as otherwise expressly set forth in this **Section 5.4**, neither Agent acting pursuant to this **Section 5.4** shall have by reason of the First Lien Documents, the Second Lien Documents, this Agreement or any other document a fiduciary relationship in respect of the other Agent, any First Lien Creditors or any Second Lien Creditors.

5.5. When Discharge of First Lien Obligations and Discharge of Second Lien Obligations Deemed to Not Have Occurred. If concurrently with the Discharge of First Lien Obligations or the Discharge of Second Lien Obligations, the Borrowers thereafter enter into any Refinancing of any First Lien Obligation or Second Lien Obligation, as the case may be, which Refinancing is permitted hereunder and by the First Lien Documents or the Second Lien Documents (but only whichever is not being so Refinanced), then such Discharge of First Lien Obligations or the Discharge of Second Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such Discharge of First Lien Obligations or the Discharge of Second Lien Obligations), and, from and after the date on which the New Debt Notice (as defined below) is delivered to the appropriate Agent in accordance with the next sentence, the obligations under such Refinancing shall automatically be treated as First Lien Obligations or Second Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the First Lien Agent or the Second Lien Agent, as the case may be, under such new First Lien Documents or Second Lien Documents shall be the First Lien Agent or the Second Lien Agent for all purposes of this Agreement. Upon receipt of a notice (the "**New Debt Notice**") stating that the Borrowers and, if applicable, the other Credit Parties, have entered into new First Lien Documents or new Second Lien Documents (which notice shall include a complete copy of the relevant new documents and provide the identity of the new Agent, such agent, the "**New Agent**"), the other Agent shall promptly (a) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such New Agent shall reasonably request in order to provide to the New Agent the rights contemplated hereby, in each case consistent in all material respects with the then terms of this Agreement and (b) deliver to the New Agent any Pledged Collateral held by it together with any necessary endorsements (or otherwise allow the New Agent to obtain control of such Pledged Collateral). The New Agent shall agree in a writing addressed to the other Agent and the First Lien Creditors or the Second Lien Creditors, as the case may be, to be bound by the terms of this Agreement.

6. Insolvency Proceedings.

6.1. Filing Motions. Each Second Lien Agent agrees for itself and on behalf of the other Second Lien Creditor that, until the Discharge of First Lien Obligations has occurred, no Second Lien Creditor shall, in or in connection with any Insolvency Proceeding, take any action or support any other Person in taking any action with respect to the Collateral or the validity or enforceability of any of the First Lien Documents or any of the First Lien Obligations thereunder, including by filing any pleadings or motions or taking any position at any hearing or proceeding of any nature, that (i) violates, or is prohibited by, this **Section 6** (or would, in the absence of an Insolvency Proceeding, otherwise violate or be prohibited by this Agreement), (ii) asserts any right, benefit or privilege that arises in favor of the Second Lien Agents or Second Lien Creditors, in whole or in part, as a result of their interest in the Collateral or from any Lien of Second Lien Agents on the Collateral (unless the assertion of such right is expressly permitted by this Agreement) or (iii) relates in any way to the determination of any Liens or claims held by the First Lien Agent (including the validity and enforceability thereof) or any other First Lien Creditor or the value of any claims of such parties under Section 506(a) of the Bankruptcy Code or otherwise**.**

6.2. DIP Financing.

(a) If any First Lien Borrower or any other Credit Party shall be subject to any Insolvency Proceeding at any time prior to the Discharge of First Lien Obligations, and the First Lien Agent or the First Lien Lenders shall seek to provide any First Lien Borrower or any other Credit Party with, or consent to a third party providing, any financing under Section 364 of the Bankruptcy Code or consent to any order for the use of cash collateral under Section 363 of the Bankruptcy Code or any similar provision of any foreign Insolvency Proceeding or under a court order in respect of measures granted with similar effect under any Insolvency Proceeding (each, a "**First Lien DIP Financing**") constituting Collateral with such First Lien DIP Financing to be secured by all or any portion of the Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code or any similar provision of any foreign Insolvency Proceeding would be Collateral), then the Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, agree that they will raise no objection and will not support any objection to such First Lien DIP Financing or use of cash collateral or to the Liens securing the same on the grounds of a failure to provide "adequate protection" for the Liens of the Second Lien Agents and Second Lien Creditors securing the Second Lien Obligations or on any other grounds (and without the consent of the First Lien Agent will not request any adequate protection solely as a result of such First Lien DIP Financing or use of cash collateral that is Collateral) except that if the First Lien Agent is granted Liens on additional collateral as adequate protection with respect to Collateral, the Second Lien Agents may request second priority Liens to those of the First Lien Agent on the same additional collateral as adequate protection of its interests in the Collateral**.**

(b) All Liens granted to the First Lien Agent in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended by the parties to be and shall be deemed to be subject to the lien priorities described in **Section 2** of this Agreement and the other terms and conditions of this Agreement.

6.3. Adequate Protection. Each Second Lien Agent, on behalf of itself and the Second Lien Creditors, agrees that none of them shall contest (or support any other Person contesting):

(i) any request by the First Lien Agent or the First Lien Creditors for adequate protection with respect to the Collateral; or

(ii) any objection by the First Lien Agent or the First Lien Creditors to any motion, relief, action or proceeding based on the First Lien Agent or the First Lien Creditors claiming a lack of adequate protection with respect to the Collateral.

6.4. Avoidance Issues. If any First Lien Creditor is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of a Credit Party any amount paid in respect of the First Lien Obligations, as the case may be (a "**Recovery**"), then such First Lien Creditor shall be entitled to a reinstatement of the First Lien Obligations, as the case may be, with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. The Second Lien Creditors agree that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any

distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over by the Second Lien Creditors for application in accordance with the priorities set forth in this Agreement.

6.5. Reorganization Securities. If, in any Insolvency Proceeding, Debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of First Lien Obligations and on account of Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Debt obligations so distributed, to the Liens securing such Debt obligations and the distribution of proceeds thereof.

6.6. Post-Petition Interest Neither the Second Lien Agents nor any other Second Lien Creditor shall oppose or seek to challenge any claim by the First Lien Agent or any First Lien Creditor for allowance in any Insolvency Proceeding of First Lien Obligations consisting of post-petition interest, fees or expenses to the extent of the value of the Lien securing any First Lien Creditor's claim, without regard to and ignoring the existence of the Lien of the Second Lien Agents on behalf of the Second Lien Creditors on the Collateral and the Second Lien Obligations.

6.7. Waiver. Until the Discharge of First Lien Obligations has occurred, the Second Lien Agents, for their own behalf and on behalf of the Second Lien Creditors, agree that none of them (i) will assert or enforce any claim under Section 506(c) of the Bankruptcy Code (or any successor provision) senior to or on a parity with the First Lien Agent's Liens on any Collateral for costs or expenses of preserving or disposing of any Collateral and (ii) waives any claim it may now or hereafter have arising out of the election by any First Lien Creditor of the application of Section 1111(b)(2) of the Bankruptcy Code (or any successor provision) with respect to any Collateral.

6.8. Separate Grants of Security and Separate Classification. The First Lien Agent, for itself and on behalf of the First Lien Creditors, and the Second Lien Agents, for their own behalf and on behalf of the Second Lien Creditors, acknowledge and intend that the grants of Liens pursuant to the Second Lien Documents and the First Lien Documents constitute two separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral, the First Lien Obligations are fundamentally different from the Second Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the First Lien Creditors and the Second Lien Creditors in respect of the Collateral constitute claims in the same class (rather than separate classes of senior and junior secured claims), then the First Lien Creditors and the Second Lien Creditors hereby acknowledge and agree that all distributions shall be made as if there were separate classes of First Lien Obligations and Second Lien Obligations against the Credit Parties with the effect being that, to the extent that the aggregate value of the Collateral is, the First Lien Creditors shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees or expenses that is

available from the Collateral for the First Lien Creditors, with such other Second Lien Creditors hereby acknowledging and agreeing to turn over to the First Lien Creditors amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries.

6.9. Asset Dispositions in an Insolvency Proceeding. Until Discharge of First Lien Obligations, neither the Second Lien Agents nor any other Second Lien Creditor shall, in any Insolvency Proceeding or otherwise, oppose any Disposition of any Collateral that is supported by the First Lien Creditors (or any portion of the process related thereto), and the Second Lien Agents and each other Second Lien Creditor will be deemed to have consented under Section 363 of the Bankruptcy Code (and otherwise) to any sale of any Collateral supported by the First Lien Creditors and to have released their Liens on such assets; provided that to the extent the proceeds of such Collateral are not applied to reduce First Lien Obligations pursuant to and in accordance with **Section 4**, the Second Lien Agents shall retain a Lien on such proceeds in accordance with the terms of this Agreement.

6.10. Enforceability. This Agreement shall be applicable both before and after the commencement of any Insolvency Proceeding and all converted or succeeding cases in respect thereof, the relative rights of Creditors in or to any distributions from or in respect of any Collateral or Proceeds of Collateral shall continue after the commencement of any Insolvency Proceeding. Accordingly, the provisions of this Agreement (including, without limitation, **Section 6.8** hereof), are intended to be and shall be enforceable under Section 510(a) of the Bankruptcy Code.

6.11. Relief from Automatic Stay. Until the Discharge of First Lien Obligations, the Second Lien Agents agree, for their own behalf and on behalf of the other Second Lien Creditors, that none of them will seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in derogation thereof (including opposing any request by any First Lien Creditor to seek relief from the automatic stay), in each case in respect of any Collateral, without the prior written consent of the First Lien Agent.

6.12. Other Matters. To the extent that the Second Lien Agents or any Second Lien Creditor has or acquires rights under Section 362, Section 363 or Section 364 of the Bankruptcy Code with respect to any of the Collateral, the Second Lien Agents agree, for their own behalf and on behalf of the other Second Lien Creditors not to assert any of such rights without the prior written consent of the First Lien Agent; provided that if requested by the First Lien Agent, the Second Lien Agents shall timely exercise such rights in the manner requested by the First Lien Agent, including any rights to payments in respect of such rights.

7. Reliance; Waivers, Etc.

7.1. Reliance. Other than reliance on the terms of this Agreement, each Second Lien Agent, on behalf of itself and the Second Lien Creditors, acknowledges that it and such Second Lien Creditors have, independently and without reliance on the First Lien Agent or any First Lien Creditors, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Second Lien Documents and be bound by the terms of this Agreement, and they will continue to make their own credit decision in taking or not taking any action under the Second Lien Documents or this Agreement..

7.2. No Warranties or Liability. The Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, acknowledge and agree that each of the First Lien Agent and the First Lien Creditors have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the First Lien Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided in this Agreement, the First Lien Agent and the First Lien Creditors will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate. The First Lien Agent and the First Lien Creditors shall have no duty to the Second Lien Agents or any of the Second Lien Creditors to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements of any Credit Party (including the First Lien Documents and the Second Lien Documents), regardless of any knowledge thereof which they may have or be charged with.

7.3. No Waiver of Lien Priorities.

(a) No right of the First Lien Agent or the First Lien Creditors to enforce any provision of this Agreement or any First Lien Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Credit Party or by any act or failure to act by the First Lien Agent or any First Lien Creditor or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement or any of the First Lien Documents, regardless of any knowledge thereof which the First Lien Agent or the First Lien Creditors, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject in all cases to the provisions of **Section 5.3**), the First Lien Agent and the First Lien Creditors may, at any time and from time to time in accordance with the First Lien Documents and applicable law, without the consent of, or notice to, the Second Lien Agents or the Second Lien Creditors, without incurring any liabilities to such Persons and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy is affected, impaired or extinguished thereby) do any one or more of the following:

(i) change the manner, place or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase or alter, the terms of any of the First Lien Obligations, as applicable or any Lien or guaranty thereof or any liability of any Credit Party, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the applicable obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the First Lien Agent or any rights or remedies under any of the First Lien Documents;

(ii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral (except to the

extent provided in this Agreement) or any liability of any Credit Party or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any obligation or any other liability of any Credit Party or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability in any manner or order that is not inconsistent with the terms of this Agreement; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any security or any Credit Party or any other Person, elect any remedy and otherwise deal freely with the Credit Parties.

7.4. Obligations Unconditional. All rights, interests, agreements and obligations of the First Lien Agent and the First Lien Creditors and the Second Lien Agents and the Second Lien Creditors, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Documents or any Second Lien Documents;

(b) except, in each case, as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any First Lien Document or any Second Lien Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guaranty thereof;

(d) the commencement of any Insolvency Proceeding in respect of any Credit Party; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, (i) any Credit Party in respect of the First Lien Agent, the First Lien Obligations, any First Lien Creditor, the Second Lien Agents, the Second Lien Obligations, or any Second Lien Creditor, or (ii) any First Lien Creditor in respect of this Agreement, or (iii) any Second Lien Creditor in respect of this Agreement.

8. [Reserved].

9. Miscellaneous.

9.1. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any First Lien Document or any Second Lien Document, the provisions of

this Agreement shall govern and control as between the First Lien Creditors and the Second Lien Creditors.

9.2. Effectiveness; Continuing Nature of this Agreement. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of Lien subordination and the First Lien Creditors and the Second Lien Creditors may continue, at any time and without notice to the other Agent, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers in reliance hereon. Each of the Agents, on behalf of itself and the First Lien Creditors or the Second Lien Creditors, as the case may be, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency Proceeding. All references to a Credit Party shall include such Credit Party as debtor and debtor-in-possession and any receiver or trustee for such Credit Party (as the case may be) in any Insolvency Proceeding.

9.3. Amendments; Waivers. No amendment, modification or waiver of any of the provisions of this Agreement by the First Lien Agent or the Second Lien Agents shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, the Borrowers shall have no right to consent to or approve any amendment, modification or waiver of any provision of this Agreement.

9.4. Information Concerning Financial Condition of the Credit Parties. The Second Lien Creditors shall be responsible for keeping themselves informed of (a) the financial condition of the Credit Parties and all endorsers and/or guarantors and of the Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Second Lien Obligations. Neither the First Lien Agent and the First Lien Creditors shall have any duty to advise the other of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that either the First Lien Agent or any of the First Lien Creditors undertakes at any time or from time to time to provide any such information to any of the others, it or they shall be under no obligation:

(a) to make, and shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5. Subrogation. With respect to the value of any payments or distributions in cash, property or other assets that any of the Second Lien Creditors or the Second Lien Agents actually pays over to the First Lien Agent or the First Lien Creditors under the terms of this Agreement, the Second Lien Creditors and the Second Lien Agents shall be subrogated to the rights of the First Lien Agent and the First Lien Creditors; provided, however, that the Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, hereby agree not to assert or enforce all such rights of subrogation they may acquire as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred. The First Lien Creditors acknowledge and agree that, to the extent permitted by applicable law, the value of any payments or distributions in cash, property or other assets received by the Second Lien Agents or the Second Lien Creditors that are paid over to the First Lien Agent or the First Lien Creditors pursuant to this Agreement shall not reduce any of the Second Lien Obligations. Notwithstanding the foregoing provisions of this **Section 9.5**, neither the Second Lien Agents nor any of the Second Lien Creditors shall have any claim against any of the First Lien Agent or the First Lien Creditors for any impairment of any subrogation rights herein granted to the Second Lien Creditors.

9.6. VENUE; JURY TRIAL WAIVER.

(a) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF ANY COURT OF THE STATE OF NEW YORK, AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. (b) **EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. EACH PARTY HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS**

FOLLOWING CONSULTATION WITH LEGAL COUNSEL. IN THE EVENT OF LITIGATION, A COPY OF THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

(c) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, IN ANY STATE OR FEDERAL COURT SITTING IN THE STATE OF NEW YORK. 9.9. APPLICABLE LAW. **THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK**.

9.10. Specific Performance. Each of the First Lien Agent and the Second Lien Agents may demand specific performance of this Agreement. The First Lien Agent, on behalf of itself and the First Lien Creditors, and the Second Lien Agents, on their own behalf and on behalf of the Second Lien Creditors, hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by the First Lien Agent or the First Lien Creditors or the Second Lien Agents or the Second Lien Creditors, as the case may be.

9.11. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

This Agreement may be executed by the parties hereto in one or more counterparts, each of which shall be deemed an original and all of which when taken together shall constitute one and the same agreement. Any signature delivered by a party by facsimile transmission shall be deemed to be an original signature hereto.

9.13. Authorization. By its signature, each party hereto represents and warrants to the other parties hereto that the individual signing this Agreement on its behalf is duly authorized to execute this Agreement. Each Agent represents and warrants to the other parties hereto that each has been duly appointed as such by the First Lien Creditors and the Second Lien Creditors, as applicable, and that each has full authority to, and by its execution and delivery of this Agreement will, bind the First Lien Creditors and the Second Lien Creditors, as applicable, as if each were a signatory hereto.

9.14. Successors and Assigns; No Third Party Beneficiaries. This Agreement and the rights and benefits hereof shall inure to the benefit of each of the parties hereto and its respective successors and assigns and shall inure to the benefit of each of the Agents, the First Lien Creditors and the Second Lien Creditors. Nothing in this Agreement shall impair, as between any Credit Party and the First Lien Agent and the Second Lien Creditors, or as between any Credit Party and the First Lien Agent and the Second Lien Creditors, the obligations of such Credit Party to pay principal, interest, fees and other amounts as provided in the First Lien Documents and the Second Lien Documents, respectively.

9.15. Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the Second Lien Agents and the Second Lien Creditors on the one hand and the First Lien Agent and the First Lien Creditors on the other hand. Neither Credit Party nor any other creditor thereof shall have any rights hereunder (except as expressly set forth in **Section 9.14**), and no Credit Party may rely on the terms hereof (except as expressly set forth in **Section 9.14**). Nothing in this Agreement is intended to or shall impair the obligations of the Credit Parties, which are absolute and unconditional, to pay the First Lien Obligations and the Second Lien Obligations (as permitted hereunder) as and when the same shall become due and payable in accordance with their terms.

9.16. UCC Section 9-611 Notice and Waiver of Marshaling. Each Creditor acknowledges that this Agreement shall constitute notice of the respective interests of the Creditors in the Collateral as provided by Section 9-611 of the UCC as enacted in the applicable jurisdiction and each hereby waive any right to compel any marshaling of any of the Collateral or to resort to Collateral in any particular order or manner, whether provided by common law or statute, provided that neither this **Section 9.16** nor Section 9-611 of the UCC shall override any specific provision of this Agreement.

9.17. Survival of Rights. The right of any Creditor to enforce the provisions of this Agreement shall not be prejudiced or impaired by any act or omitted act of any Credit Party or any other Creditor including forbearance, waiver, consent, compromise, amendment, extension,

renewal, or taking or release of security in respect of any First Lien Obligations in the case of the First Lien Agent, or any Second Lien Obligations in the case of the Second Lien Agents, or noncompliance by any Credit Party with such provisions, regardless of the actual or imputed knowledge of any Creditor.

9.18. Receipt of Agreements. The First Lien Agent hereby acknowledges that it has delivered to the Second Lien Agents a correct and complete copy of the First Lien Documents as in effect on the date hereof. The Second Lien Agents hereby acknowledge that they have delivered to the First Lien Agent a correct and complete copy of the Second Lien Documents as in effect on the date hereof.

9.19. Termination. This Agreement is a continuing agreement, and, unless all of the Creditors have specifically consented in writing to its earlier termination, this Agreement shall remain in full force and effect in all respects until the earlier of (a) such time as the Discharge of First Lien Obligations has occurred, or (b) such time as the Discharge of Second Lien Obligations has occurred in a manner permitted under this Agreement, but shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any amount paid by or on behalf of any Credit Party with regard to the First Lien Obligations and/or the Second Lien Obligations is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of such Credit Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee, custodian, or similar officer, for such Credit Party or any substantial part of its property, or otherwise, all as though such payments had not been made.

9.20. Severability of Provisions. All provisions of this Agreement are severable, and the unenforceability or invalidity of any of the provisions of this Agreement shall not affect the validity or enforceability of the remaining provisions of this Agreement. Should any part of this Agreement be held invalid or unenforceable in any jurisdiction, the invalid or unenforceable portion or portions shall be removed (and no more) only in that jurisdiction, and the remainder shall be enforced as fully as possible (removing the minimum amount possible) in that jurisdiction. In lieu of such invalid or unenforceable provision, the parties hereto will negotiate in good faith to add automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

9.21. Complete Agreement. This Agreement is intended by the parties as a final expression of their agreement and is intended as a complete statement of the terms and conditions of their agreement.
