ARTICLE II

THE LOANS

Section 2.01 Commitments. (a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth:

(i) each Revolving Loan Lender severally agrees to make Revolving Loans to the Borrower at any time and from time to time during the term of this Agreement, in an aggregate principal amount of Revolving Loans at any time outstanding not to exceed the amount of such Lender's Revolving Credit Commitment; and

(ii) each Term Loan Lender severally agrees to make the Term Loan to the Borrower on the Effective Date, in an aggregate principal amount not to exceed the amount of such Lender's Term Loan Commitment.

No portion of any Loan will be funded (initially or through participation, assignment, transfer or securitization) with plan assets of any plan covered by ERISA or Section 4975 of the Internal Revenue Code if it would cause the Borrower or any Guarantor to incur any prohibited transaction excise tax penalties under Section 4975 of the Internal Revenue Code.

(b) Notwithstanding the foregoing:

(i) The aggregate principal amount of Revolving Loans outstanding at any time to the Borrower shall not exceed the Total Revolving Credit Commitment. The Revolving Credit Commitment of each Lender shall automatically and permanently be reduced to zero on the Final Maturity Date. Within the foregoing limits, the Borrower may borrow, repay and reborrow, the Revolving Loans on or after the Effective Date and prior to the Final Maturity Date, subject to the terms, provisions and limitations set forth herein. No Revolving Loans shall be advanced on the Effective Date.

(ii) The aggregate principal amount of the Term Loan made on the Effective Date shall not exceed the Total Term Loan Commitment. Any principal amount of the Term Loan which is repaid or prepaid may not be reborrowed.

Section 2.02 Making the Loans. (a) The Borrower shall give the Administrative Agent prior notice in writing, in substantially the form of Exhibit C hereto (a "Notice of Borrowing") or such other form approved by the Administrative Agent, not later than 12:00 noon (New York City time) on the date which is (i) in the case of the Term Loan, three (3) Business Days prior to the Effective Date and (ii) three (3) Business Days prior to the date of the proposed Revolving Loan (or such shorter period as the Administrative Agent is willing to accommodate from time to time, but in no event later than 12:00 noon (New York City time) on the borrowing date of the proposed Loan). Such Notice of Borrowing shall be irrevocable and shall specify (i) the principal amount of the proposed Loan, (ii) whether such Loan is requested to be a Revolving Loan or the Term Loan, (iii) whether the Loan is requested to be a Reference Rate Loan or a SOFR Loan, (iv) the use of the proceeds of such proposed Loan, (v) Borrower's account wiring instructions, and (vi) the proposed borrowing date, which must be a Business Day, and, with respect to the Term Loan, must be the Effective Date. The Administrative Agent and the Lenders may act without liability upon the basis of written notice believed by the Administrative Agent in good faith to be from the Borrower (or from any Authorized Officer thereof designated in writing purportedly from the Borrower to the Administrative Agent). The Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such Notice of Borrowing. The Administrative Agent and each Lender shall be entitled to rely conclusively on any Authorized Officer's authority to request a Loan on behalf of the Borrower until the Administrative Agent receives written notice to the contrary. The Administrative Agent and the Lenders shall have no duty to verify the authenticity of the signature appearing on any written Notice of Borrowing.

(b) Each Notice of Borrowing pursuant to this Section 2.02 shall be irrevocable and the Borrower shall be bound to make a borrowing in accordance therewith. Each Revolving Loan shall be made in a minimum amount of $500,000 and shall be in an integral multiple of $100,000.

(c) (i) Except as otherwise provided in this Section 2.02(c), all Loans under this Agreement shall be made by the Lenders simultaneously and proportionately to their Pro Rata Shares of the Total Revolving Credit Commitment or the Total Term Loan Commitment, as the case may be, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligations to make a Loan requested hereunder, nor shall the Commitment of any Lender be increased or decreased as a result of the default by any other Lender in that other Lender's obligation to make a Loan requested hereunder, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender.

(ii) Notwithstanding any other provision of this Agreement, and in order to reduce the number of fund transfers among the Borrower, the Agents and the Lenders, the Borrower, the Agents and the Lenders agree that the Administrative Agent may (but shall not be obligated to), and the Borrower and the Lenders hereby irrevocably authorize the Administrative Agent to, fund, on behalf of the Revolving Loan Lenders, Revolving Loans pursuant to Section 2.01, subject to the procedures for settlement set forth in Section 2.02(d); provided, however, that (A) the Administrative Agent shall in no event fund any such Revolving Loans if the Administrative Agent shall have received written notice from the Collateral Agent or the Required Lenders on the Business Day prior to the date of the proposed Revolving Loan that one or more of the conditions precedent contained in Section 5.02 will not be satisfied at the time of the proposed Revolving Loan, and (B) the Administrative Agent shall not otherwise be required to determine that, or take notice whether, the conditions precedent in Section 5.02 have been satisfied. If the Borrower gives a Notice of Borrowing requesting a Revolving Loan and the Administrative Agent elects not to fund such Revolving Loan on behalf of the Revolving Loan Lenders, then promptly after receipt of the Notice of Borrowing requesting such Revolving Loan, the Administrative Agent shall notify each Revolving Loan Lender of the specifics of the requested Revolving Loan and that it will not fund the requested Revolving Loan on behalf of the Revolving Loan Lenders. If the Administrative Agent notifies the Revolving Loan Lenders that it will not fund a requested Revolving Loan on behalf of the Revolving Loan Lenders, each Revolving Loan Lender shall make its Pro Rata Share of the Revolving Loan available to the Administrative Agent, in immediately available funds, in the Administrative Agent's Accounts no later than 3:00 p.m. (New York City time) (provided that the Administrative Agent requests payment from such Revolving Loan Lender not later than 1:00 p.m. (New York City time)) on the date of the proposed Revolving Loan. The Administrative Agent will make the proceeds of such Revolving Loans available to the Borrower on the day of the proposed Revolving Loan by causing an amount, in immediately available funds, equal to the proceeds of all such Revolving Loans received by the Administrative Agent in the Administrative Agent's Accounts or the amount funded by the Administrative Agent on behalf of the Revolving Loan Lenders to be wired to an account designated by the Borrower.

(iii) If the Administrative Agent has notified the Revolving Loan Lenders that the Administrative Agent, on behalf of the Revolving Loan Lenders, will not fund a particular Revolving Loan pursuant to Section 2.02(c)(ii), the Administrative Agent may assume that each such Revolving Loan Lender has made such amount available to the Administrative Agent on such day and the Administrative Agent, in its sole discretion, may, but shall not be obligated to, cause a corresponding amount to be made available to the Borrower on such day. If the Administrative Agent makes such corresponding amount available to the Borrower and such corresponding amount is not in fact made available to the Administrative Agent by any such Revolving Loan Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative

Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrower shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account.

(iv) Nothing in this Section 2.02(c) shall be deemed to relieve any Revolving Loan Lender from its obligations to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(d) (i) With respect to all periods for which the Administrative Agent has funded Revolving Loans pursuant to Section 2.02(c), on Friday of each week, or if the applicable Friday is not a Business Day, then on the following Business Day, or such shorter period as the Administrative Agent may from time to time select (any such week or shorter period being herein called a "Settlement Period"), the Administrative Agent shall notify each Revolving Loan Lender of the unpaid principal amount of the Revolving Loans outstanding as of the last day of each such Settlement Period. In the event that such amount is greater than the unpaid principal amount of the Revolving Loans outstanding on the last day of the Settlement Period immediately preceding such Settlement Period (or, if there has been no preceding Settlement Period, the amount of the Revolving Loans made on the date of such Revolving Loan Lender's initial funding), each Revolving Loan Lender shall promptly (and in any event not later than 2:00 p.m. (New York City time) if the Administrative Agent requests payment from such Lender not later than 12:00 noon (New York City time) on such day) make available to the Administrative Agent its Pro Rata Share of the difference in immediately available funds. In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrower for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the Administrative Agent and each Revolving Loan Lender under this Section 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

(ii) In the event that any Revolving Loan Lender fails to make any payment required to be made by it pursuant to Section 2.02(d)(i), the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrower shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any

such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account. Nothing in this Section 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

Section 2.03 Repayment of Loans; Evidence of Debt. (a) The outstanding principal of all Revolving Loans shall be due and payable on the Final Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(b) The outstanding principal amount of the Term Loan shall be repayable (w) in an aggregate amount equal to $15,000,000 on or prior to April 15, 2023, (x) in an aggregate amount equal to $20,000,000 (inclusive of the amount specified in clause (w)) on or prior to June 15, 2023; (y) in an aggregate amount equal to $25,000,000 (inclusive of the amounts specified in clauses (w) and (x)) on or prior to September 15, 2023; and (z) in consecutive quarterly installments on the last Business Day of each fiscal quarter of Holdings and its Subsidiaries starting with the fiscal quarter ending December 31, 2023, each in an amount equal to $687,500.00; provided, however, that the last such installment of principal required to be repaid in accordance with clause (z) above shall be in the amount necessary to repay in full the unpaid principal amount of the Term Loan. The outstanding unpaid principal amount of the Term Loan, and all accrued and unpaid interest thereon, together with all other Obligations, shall be due and payable on the earliest of (i) the termination of the Total Revolving Credit Commitment, (ii) the Final Maturity Date and (iii) the date on which the Term Loan is declared due and payable pursuant to the terms of this Agreement.

(c) Each Lender shall maintain, in accordance with its usual practice, an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to Section 2.03(c) or Section 2.03(d) shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that (i) the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement and (ii) in the event of any conflict between the entries made in the accounts maintained pursuant to Section 2.03(c) and the accounts maintained pursuant to Section 2.03(d), the accounts maintained pursuant to Section 2.03(d) shall govern and control.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in a form furnished by the Collateral Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 12.07) be represented by one or more promissory notes in such form payable to the payee named therein (or to such payee and its registered assigns).

Section 2.04 Interest.

(a) Revolving Loans. Subject to the terms of this Agreement, at the option of the Borrower, each Revolving Loan shall be either a Reference Rate Loan or a SOFR Loan. Each Revolving Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of such Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each Revolving Loan that is a SOFR Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of such Loan until repaid, at a rate per annum equal to Adjusted Term SOFR plus the Applicable Margin.

(b) Term Loan. Subject to the terms of this Agreement, at the option of the Borrower, the Term Loan or any portion thereof shall be either a Reference Rate Loan or a SOFR Loan. Each portion of the Term Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the Term Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin, and each portion of the Term Loan that is a SOFR Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the Term Loan until repaid, at a rate per annum equal to Adjusted Term SOFR plus the Applicable Margin.

(c) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Loans, fees, indemnities or any other Obligations of the Loan Parties under this Agreement and the other Loan Documents, shall bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to the Post-Default Rate.

(d) Interest Payment. Interest on each Loan shall be payable (i) in the case of a Reference Rate Loan, monthly, in arrears, on the last Business Day of each month, commencing on the last Business Day of the month following the month in which such Loan is made, (ii) in the case of a SOFR Loan, on the last day of the then effective Interest Period applicable to such Loan and (iii) in the case of each Loan, at maturity (whether upon demand, by acceleration or otherwise). Interest at the Post-Default Rate shall be payable on demand. The Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account pursuant to Section 4.01 with the amount of any interest payment due hereunder.

(e) General. All interest shall be computed on the basis of a year of 360 days for the actual number of days, including the first day but excluding the last day, elapsed. For the avoidance of doubt, no date of payment shall be included in any computation.

Section 2.05 Increase in Revolving Credit Commitment.

(a) The Borrower may request an increase in Revolving Credit Commitments from the existing Revolving Loan Lenders from time to time upon not less than 15 days' written notice to Administrative Agent and the Revolving Loan Lenders, as long as (i) the requested increase is offered on the same terms as the existing Revolving Credit Commitments, (ii) such new Revolving Credit Commitments shall be available at any time prior to the Final Maturity Date, (iii) the Revolving Loan made pursuant to such Revolving Credit Commitments are used for the general corporate purposes of the Borrower (including in connection with Permitted Acquisitions), and (iv) the Administrative Agent and the Revolving Loan Lenders consent in their sole discretion to such increase at the time of the request thereof (any Revolving Loans extended pursuant to this Section 2.05, "Incremental Revolving Loans").

(b) Upon satisfaction of the criteria set forth in Section 2.05(a), Administrative Agent shall promptly notify the existing Revolving Loan Lenders of the requested increase and, within 3 Business Days thereafter, each existing Revolving Loan Lender shall notify Administrative Agent in writing if and to what extent such existing Revolving Loan Lenders commits to increase its Revolving Credit Commitment. Any existing Revolving Loan Lenders not responding within such period shall be deemed to have declined an increase. For the avoidance of doubt, no existing Revolving Loan Lender shall be obligated to participate in any extension of Incremental Revolving Loans. All such increased Revolving Credit Commitments among committing Revolving Loan Lenders in connection with Incremental Revolving Loans shall be allocated on a pro rata basis (in accordance with such Revolving Loan Lenders Pro Rata Shares of the current Revolving Credit Commitments) between such participating Revolving Loan Lenders (or on such other basis as the participating Revolving Loan Lenders agree in their sole discretion). The Total Revolving Credit Commitment shall be increased by the requested amount (or such lesser amount committed) on a date agreed upon by Administrative Agent, the participating Revolving Loan Lenders and the Borrower and all such Incremental Revolving Loans made shall be deemed a "Revolving Loan" hereunder. The Administrative Agent, the Borrower, and the existing Revolving Loan Lenders making new Revolving Loans shall execute and deliver such customary documents and agreements as Administrative Agent deems reasonably appropriate to evidence the increase in and allocations of Revolving Credit Commitments. On the effective date of any such increase, the outstanding Revolving Loans and other exposures under the Revolving Credit Commitments shall be reallocated among Revolving Loan Lenders, and settled by Administrative Agent as necessary, in accordance with Revolving Loan Lenders' adjusted shares of such Revolving Credit Commitments.

Section 2.06 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments.

(i) Revolving Credit Commitments. The Total Revolving Credit Commitment shall terminate on the Final Maturity Date. The Borrower may reduce the Total Revolving Credit Commitment to an amount (which may be zero) not less than the sum of (A) the aggregate unpaid principal amount of all Revolving Loans then outstanding, and (B) the aggregate principal amount of all Revolving Loans not yet made as to which a Notice of Borrowing has been given by the Borrower under Section 2.02. Each such reduction shall be (1) in an amount which is an integral multiple of $1,000,000 (or by the full amount of the Total Revolving Credit Commitment in effect immediately prior to such reduction if such amount at that time is less than $1,000,000), (2) made by providing prior to 5:00 p.m. New York City time, not less than five (5) Business Days' prior written notice to the Administrative Agent, (3) irrevocable and (4) accompanied by the payment of the Applicable Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment. Once reduced, the Total Revolving Credit Commitment may not be increased. Each such reduction of the Total Revolving Credit Commitment shall reduce the Revolving Credit Commitment of each Lender proportionately in accordance with its Pro Rata Share thereof.

(ii) Term Loan. The Total Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the Effective Date.

(b) Optional Prepayment.

(i) Revolving Loans. The Borrower may, at any time and from time to time, upon written notice delivered by 5:00 p.m. New York City time, ten Business Days' prior to the proposed prepayment date, prepay the principal of any Revolving Loan, in whole or in part. Each prepayment made pursuant to this Section 2.06(b)(i) in connection with a reduction of the Total Revolving Credit

Commitment pursuant to Section 2.06(a)(i) above shall be accompanied by the payment of the Applicable Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment.

(ii) Term Loan. The Borrower may, at any time and from time to time, by 5:00 p.m. (New York City time) upon at least five (5) Business Days' prior written notice to the Administrative Agent, prepay the principal of the Term Loan, in whole or in part. Each prepayment made pursuant to this Section 2.06(b)(ii) shall be accompanied by the payment of (A) accrued interest to the date of such payment on the amount prepaid and (B) the Applicable Premium, if any, payable in connection with such prepayment of the Term Loan. Each such prepayment shall be applied against the remaining installments of principal due on the Term Loan in the inverse order of maturity.

(iii) Termination of Agreement. The Borrower may, upon at least 30 days prior written notice to the Administrative Agent, terminate this Agreement by paying to the Administrative Agent, in full in cash, the Obligations, plus the Applicable Premium, if any, payable in connection with such termination of this Agreement. If the Borrower has sent a notice of termination pursuant to this Section 2.06(b)(iii), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrower shall be obligated to repay the Obligations, in full in cash, plus the Applicable Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice.

(c) Mandatory Prepayment.

(i) Within three (3) Business Days after the delivery to the Agents and the Lenders of audited annual financial statements pursuant to Section 7.01(a)(iii), commencing with the delivery to the Agents and the Lenders of the financial statements for the Fiscal Year ended December 31, 2022 or, if such financial statements are not delivered to the Agents and the Lenders on the date such statements are required to be delivered pursuant to Section 7.01(a)(iii), by the date three (3) Business Days after the date such statements are required to be delivered to the Agents and the Lenders pursuant to Section 7.01(a)(iii), the Borrower shall prepay the outstanding principal amount of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to the result of (to the extent positive) (1) ECF Percentage of Holdings and its Subsidiaries for such Fiscal Year minus (2) the aggregate principal amount of all payments made by the Borrower pursuant to Section 2.06(b) for such Fiscal Year (in the case of payments made by the Borrower pursuant to Section 2.06(b)(i), only to the extent that the Total Revolving Credit Commitment is permanently reduced by the amount of such payments).

(ii) Immediately upon any Disposition (excluding Dispositions which qualify as Permitted Dispositions under clauses (a), (b), (c), (d), (e), (f), (g), (h) or (j) of the definition of Permitted Disposition) by any Loan Party or its Subsidiaries, the Borrower shall prepay the outstanding principal amount of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such Disposition to the extent that the aggregate amount of Net Cash Proceeds received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed for all such Dispositions $250,000 in any Fiscal Year. Nothing contained in this Section 2.06(c)(ii) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

(iii) Immediately upon the receipt of Net Cash Proceeds (A) from the issuance or incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), the Borrower shall prepay the outstanding amount of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith or (B) upon an Equity Issuance (other than any Excluded Equity Issuances), the Borrower shall prepay the outstanding amount of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to

25% of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this Section 2.06(c)(iii) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(iv) Immediately upon the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay the outstanding principal of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith.

(v) Immediately upon receipt by the Borrower of the proceeds of any Permitted Cure Equity pursuant to Section 9.02, the Borrower shall prepay the outstanding principal of the Loans in accordance with Section 2.06(c)(iv) in an amount equal to 100% of such proceeds.

(vi) Notwithstanding the foregoing, with respect to Net Cash Proceeds received by any Loan Party or any of its Subsidiaries in connection with a Disposition or the receipt of Extraordinary Receipts consisting of insurance proceeds or condemnation awards that are required to be used to prepay the Obligations pursuant to Section 2.06(c)(ii) or Section 2.06(c)(iv), as the case may be, up to $250,000 in the aggregate in any Fiscal Year of the Net Cash Proceeds from all such Dispositions and Extraordinary Receipts shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds are used to replace, repair or restore properties or assets (other than current assets) used in such Person's business, provided that, (A) no Default or Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds, (B) the Borrower delivers a certificate to the Administrative Agent within five (5) days after such Disposition or loss, destruction or taking, as the case may be, stating that such Net Cash Proceeds shall be used to replace, repair or restore properties or assets used in such Person's business within a period specified in such certificate not to exceed 120 days after the date of receipt of such Net Cash Proceeds (which certificate shall set forth estimates of the Net Cash Proceeds to be so expended); provided that such Net Cash Proceeds shall actually be reinvested within an additional 90 days thereafter, (C) such Net Cash Proceeds are deposited in an account subject to a Control Agreement, and (D) upon the earlier of (1) the expiration of the period specified in the relevant certificate furnished to the Administrative Agent pursuant to clause (B) above or (2) the occurrence of a Default or an Event of Default, such Net Cash Proceeds, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.06(c)(ii) or Section 2.06(c)(iv) as applicable

(d) Application of Payments. Each prepayment pursuant to subsections (c)(i), (c)(ii), (c)(iii), (c)(iv) and (c)(v) above shall be applied, first, to the Term Loan, until paid in full, and second, to the Revolving Loans (with a corresponding permanent reduction in the Revolving Credit Commitments), until paid in full in cash. Each such prepayment of the Term Loan shall be applied against the remaining installments of principal of the Term Loan in the inverse order of maturity. Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default, if the Administrative Agent has elected, or has been directed by the Collateral Agent or the Required Lenders, to apply payments in respect of any Obligations in accordance with Section 4.03(b), prepayments required under Section 2.06(c) shall be applied in the manner set forth in Section 4.03(b).

(e) Interest and Fees. Any prepayment made pursuant to this Section 2.06 shall be accompanied by (i) accrued interest on the principal amount being prepaid to the date of prepayment, (ii) any Funding Losses payable pursuant to Section 2.08(e), (iii) the Applicable Premium, if any, payable in connection with such prepayment of the Loans to the extent required under Section 2.07(c) and (iv) if such prepayment would reduce the amount of the outstanding Loans to zero at a time when the Total Revolving Credit Commitment has been terminated, such prepayment shall be accompanied by the payment of all fees accrued to such date pursuant to Section 2.07.

(f) Cumulative Prepayments. Except as otherwise expressly provided in this Section 2.06, payments with respect to any subsection of this Section 2.06 are in addition to payments made or required to be made under any other subsection of this Section 2.06.

(g) Waivable Mandatory Prepayments. Anything contained herein to the contrary notwithstanding, in the event that the Borrower are required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Loans pursuant to Section 2.06(c), not less than 12:00 noon (New York City time) two (2) Business Days prior to the date on which the Borrower are required to make such Waivable Mandatory Prepayment (the "Required Prepayment Date"), the Borrower shall notify the Administrative Agent in writing of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Borrower and the Administrative Agent of its election to do so on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date (it being understood that any Lender that does not notify the Borrower and the Administrative Agent of its election to exercise such option on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option, to prepay the Loans of such Lenders (which prepayment shall be applied to prepay the outstanding principal amount of the Obligations in accordance with Section 2.06(d)) and (ii) to the extent of any excess, to the Borrower for working capital and general corporate purposes.

Section 2.07 Fees.

(a) [Reserved].

(b) Unused Line Fee. The Borrower agrees to pay to the Administrative Agent an unused line fee (the "Unused Line Fee") for the account of each Revolving Loan Lender, which shall accrue at a rate per annum equal to 2% on the amount of the undrawn portion of the Revolving Credit Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Lenders' Revolving Credit Commitments terminate. The Unused Line Fee shall accrue through and including the last day of March, June, September and December of each year shall be due and payable in arrears on the such last day and on the date on which the Revolving Credit Commitments terminate, commencing on the first such date to occur after the date hereof.

(c) Applicable Premium.

(i) Upon the occurrence of an Applicable Premium Trigger Event, the Borrower shall pay to the Administrative Agent, for the account of the Lenders in accordance with their Pro Rata Shares, the Applicable Premium.

(ii) Any Applicable Premium payable in accordance with this Section 2.07(c) shall be presumed to be equal to the liquidated damages sustained by the Lenders as the result of the occurrence of the Applicable Premium Trigger Event and the Loan Parties agree that it is reasonable under the circumstances currently existing. THE LOAN PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREMIUM IN CONNECTION WITH ANY ACCELERATION.

(iii) The Loan Parties expressly agree that: (A) the Applicable Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium; (D) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph; (E) their agreement to pay the Applicable Premium is a material inducement to Lenders to provide the Commitments and make the Loans, and (F) the Applicable Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such Applicable Premium Trigger Event.

(iv) Nothing contained in this Section 2.07(c) shall permit any prepayment of the Loans or reduction of the Commitments not otherwise permitted by the terms of this Agreement or any other Loan Document.

(d) Audit and Collateral Monitoring Fees. The Borrower acknowledges that pursuant to Section 7.01(f), representatives of the Agents may, upon reasonable advance notice, visit any or all of the Loan Parties and/or conduct inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations of any or all of the Loan Parties at any reasonable time and from time to time. The Borrower agrees to pay (i) $1,500 per day per examiner plus the examiner's out-of-pocket costs and reasonable expenses incurred in connection with all such visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations and (ii) the cost of all visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations conducted by a third party on behalf of the Agents).

(e) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrower shall pay the fees set forth in the Fee Letter.

Section 2.08 SOFR Option.

(a) The Borrower may, at any time and from time to time, so long as no Default or Event of Default has occurred and is continuing, elect to have interest on all or a portion of the Loans be charged at a rate of interest based upon Adjusted Term SOFR (the "SOFR Option") by notifying the Administrative Agent in writing prior to 11:00 a.m. (New York City time) at least three (3) Business Days prior to (i) the proposed borrowing date of a Loan (as provided in Section 2.02), (ii) in the case of the conversion of a Reference Rate Loan to a SOFR Loan, the commencement of the proposed Interest Period or (iii) in the case of the continuation of a SOFR Loan as a SOFR Loan, the last day of the then current Interest Period (the "SOFR Deadline"). Notice of the Borrower's election of the SOFR Option for a permitted portion of the Loans pursuant to this Section 2.08(a) shall be made by delivery to the Administrative Agent of (A) a Notice of Borrowing (in the case of the initial making of a Loan) in accordance with Section 2.02 or (B) a notice in writing, in substantially the form of Exhibit D hereto (a "SOFR Notice") prior to the SOFR Deadline. Promptly upon its receipt of each such SOFR Notice, the Administrative Agent shall provide a copy thereof to each of the Lenders. Each SOFR Notice shall be irrevocable and binding on the Borrower.

(b) Interest on SOFR Loans shall be payable in accordance with Section 2.04(d). On the last day of each applicable Interest Period, unless the Borrower properly have exercised the SOFR Option with respect thereto, the interest rate applicable to such SOFR Loans automatically shall convert to the rate of interest then applicable to Reference Rate Loans of the same type hereunder. At any time that a

Default or an Event of Default has occurred and is continuing, the Borrower no longer shall have the option to request that any portion of the Loans bear interest at Adjusted Term SOFR and the Administrative Agent shall have the right (but not the obligation) to convert the interest rate on all outstanding SOFR Loans to the rate of interest then applicable to Reference Rate Loans of the same type hereunder on the last day of the then current Interest Period.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower (i) shall have not more than three (3) SOFR Loans in effect at any given time, and (ii) only may exercise the SOFR Option for SOFR Loans of at least $500,000 and integral multiples of $100,000 in excess thereof.

(d) The Borrower may prepay SOFR Loans at any time; provided, however, that in the event that SOFR Loans are prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any mandatory prepayment pursuant to Section 2.06(c) or any application of payments or proceeds of Collateral in accordance with Section 4.03 or Section 4.04 or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, the Borrower shall indemnify, defend, and hold the Agents and the Lenders and their participants harmless against any and all Funding Losses in accordance with Section 2.08(e).

(e) [Reserved].

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Required Lenders may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. The parties shall use commercially reasonable efforts to satisfy any applicable IRS guidance, including Treasury Regulation Section 1.1001-6 and any future guidance, to the effect that the implementation of a Benchmark Replacement will not result in a deemed exchange for U.S. federal income tax purposes of any Loan under this Agreement for U.S. federal income tax purposes.

(g) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(h) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. Any determination, decision or election that may be made by the Administrative Agent and the Required Lenders pursuant to this Section 2.08, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor

for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(j) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Reference Rate Loans.

Section 2.09 Funding Losses. In connection with each SOFR Loan, the Borrower shall indemnify, defend, and hold the Agents and the Lenders harmless against any loss, cost, or expense incurred by any Agent or any Lender as a result of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default or an Event of Default or any mandatory prepayment required pursuant to Section 2.06(c)), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of a Default or an Event of Default), or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any Notice of Borrowing or SOFR Notice delivered pursuant hereto (such losses, costs, and expenses, collectively, "Funding Losses"). Funding Losses shall, with respect to any Agent or any Lender, be deemed to equal the amount reasonably determined by such Agent or such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such SOFR Loan had such event not occurred, at Adjusted Term SOFR that would have been applicable thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period therefor), minus (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Agent or such Lender would be offered were it to be offered, at the commencement of such period, Dollar deposits of a comparable amount and period in the London interbank market. A certificate of an Agent or a Lender delivered to the Borrower setting forth any amount or amounts that such Agent or such Lender is entitled to receive pursuant to this Section 2.08(e) shall be conclusive absent manifest error.

Section 2.10 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any and all Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of any Withholding Agent) requires the deduction or withholding of any Taxes from or in respect of any such payment, (i) the applicable Withholding Agent shall make such deduction or withholding, (ii) the applicable Withholding Agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased by the amount (an "Additional Amount") necessary such that after making such deduction or withholding (including deductions and with Holdings applicable to Additional Amount payable under this Section 2.10) the applicable Recipient receives the amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes by any Secured Party.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Secured Party harmless from and against Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.10) paid or payable by such Secured Party or required to be withheld or deducted from a payment to such Secured Party and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally asserted. Such indemnification shall be paid within 10 days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes. A certificate as to the amount of such payment or liability delivered to the Borrower by a Secured Party (with a copy to the Administrative Agent) or on behalf of another Secured Party shall be conclusive absent manifest error.

(d) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.10(d)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person (a "Foreign Lender") shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 2.09(d)-1 hereto to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-2 or Exhibit 2.09(d)-3, IRS Form W-9, or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Agent in writing of its legal inability to do so.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.07(i) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by

the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.10 (including by the payment of Additional Amounts pursuant to this Section 2.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.10 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) The obligations of the Loan Parties under this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) Promptly after any payment of Taxes by the Loan Parties to a Governmental Authority pursuant to this Section 2.10, the Loan Parties shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

Section 2.11 Increased Costs and Reduced Return. (a) If any Secured Party shall have determined that any Change in Law shall (i) subject such Secured Party, or any Person controlling such Secured Party to any tax, duty or other charge with respect to this Agreement or any Loan made by such Agent or such Lender (except for (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes), (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Secured Party or any Person controlling such Secured Party or (iii) impose on such Secured Party or any Person controlling such Secured Party any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Secured Party of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Secured Party hereunder, then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party such additional amounts as will compensate such Secured Party for such increased costs or reductions in amount.

(b) If any Secured Party shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Secured Party or any Person controlling such Secured Party, and such Secured Party determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Secured Party's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Secured Party's or such other controlling Person's capital to a level below that which such Secured Party or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any agreement to make Loans, or such Secured Party's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Secured Party's or such other controlling Person's policies with respect to capital adequacy), then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party from time to time such additional amounts as will compensate such Secured Party for such cost of maintaining such increased capital or such reduction in the rate of return on such Secured Party's or such other controlling Person's capital.

(c) All amounts payable under this Section 2.11 shall bear interest from the date that is 10 days after the date of demand by any Secured Party until payment in full to such Secured Party at the Reference Rate. A certificate of such Secured Party claiming compensation under this Section 2.11, specifying the event herein above described and the nature of such event shall be submitted by such Secured Party to the Borrower, setting forth the additional amount due and an explanation of the calculation thereof, and such Secured Party's reasons for invoking the provisions of this Section 2.11, and shall be final and conclusive absent manifest error.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 2.11 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) The obligations of the Loan Parties under this Section 2.11 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.12 Changes in Law; Impracticability or Illegality.

(a) Adjusted Term SOFR may be adjusted by the Administrative Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including changes in tax laws (except to the extent such changes result in the Lender becoming liable for Indemnified Taxes or Excluded Taxes) and changes in the reserve requirements imposed by the Board of Governors of the Federal Reserve System (or any successor), which additional or increased costs would increase the cost of funding loans bearing interest at Adjusted Term SOFR. In any such event, the affected Lender shall give the Borrower and the Administrative Agent notice of such a determination and adjustment and the Administrative Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, the Borrower may, by notice to such affected Lender (i) require such Lender to furnish to the Borrower a statement setting forth the basis for adjusting such Adjusted Term SOFR and the method for determining the amount of such adjustment, or (ii) repay the SOFR Loans with respect to which such adjustment is made (together with any amounts due under Section 2.10).

(b) In the event that any change in market conditions or any law, regulation, treaty, or directive, or any change therein or in the interpretation of application thereof, shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain SOFR Loans or to continue such funding or maintaining, or to determine or charge interest rates at Adjusted Term SOFR, such Lender shall give notice of such changed circumstances to the Borrower and the Administrative Agent, and the Administrative Agent promptly shall transmit the notice to each other Lender and (i) in the case of any SOFR Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such SOFR Loans, and interest upon the SOFR Loans of such Lender thereafter shall accrue interest at the rate then applicable to Reference Rate Loans of the same type hereunder, and (ii) the Borrower shall not be entitled to elect the SOFR Option (including in any borrowing, conversion or continuation then being requested) until such Lender determines that it would no longer be unlawful or impractical to do so.

(c) The obligations of the Loan Parties under this Section 2.12 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

ARTICLE IV

APPLICATION OF PAYMENTS; DEFAULTING LENDERS

Section 4.01 Payments; Computations and Statements. (a) The Borrower will make each payment under this Agreement not later than 12:00 noon (New York City time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Accounts. All payments received by the Administrative Agent after 12:00 noon (New York City time) on any Business Day, may, in the Administrative Agent's sole discretion, be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrower without set-off, counterclaim, recoupment, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement. The Lenders and the Borrower hereby authorize the Administrative Agent to, and the Administrative Agent may, from time to time, charge the Loan Account of the Borrower with any amount due and payable by the Borrower under any Loan Document. Each of the Lenders and the Borrower agrees that the Administrative Agent shall have the right to make such charges whether or not any Default or Event of Default shall have occurred and be continuing or whether any of the conditions precedent in Section 5.02 have been satisfied. Any amount charged to the Loan Account of the Borrower shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrower, funded by the Administrative Agent on behalf of the Revolving Loan Lenders and subject to Section 2.02 of this Agreement. The Lenders and the Borrower confirm that any charges which the Administrative Agent may so make to the Loan Account of the Borrower as herein provided will be made as an accommodation to the Borrower and solely at the Administrative Agent's discretion, provided that the Administrative Agent shall from time to time upon the request of the Collateral Agent, charge the Loan Account of the Borrower with any amount due and payable under any Loan Document. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may

be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) If requested, the Administrative Agent shall provide the Borrower, after the end of a calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrower during such month, the amounts and dates of all Loans made to the Borrower during such month, the amounts and dates of all payments on account of the Loans to the Borrower during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrower during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, 30 days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.02 Sharing of Payments. Except as provided in Section 2.02 hereof, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that (a) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and each Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered and (b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender and any payment of an amendment, consent or waiver fee to consenting Lenders pursuant to an effective amendment, consent or waiver with respect to this Agreement), or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this Section shall apply). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 4.03 Apportionment of Payments. Subject to Section 2.02 hereof:

(a) All payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Section 2.07 hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Collateral Agent or the Required Lenders shall, apply all payments in respect of any Obligations, including without limitation, all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, to pay interest then due and payable in respect of the Collateral Agent Advances until paid

in full; (iii) third, to pay principal of the Collateral Agent Advances until paid in full; (iv) fourth, ratably to pay the Revolving Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Revolving Loan Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Revolving Loans until paid in full; (vi) sixth, ratably to pay principal of the Revolving Loans until paid in full; (vii) seventh, ratably to pay the Term Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Term Loan Lenders until paid in full; (viii) eighth, ratably to pay interest then due and payable in respect of the Term Loan until paid in full; (ix) ninth, ratably to pay principal of the Term Loan until paid in full; (x) tenth, ratably to pay the Obligations in respect of any Applicable Premium then due and payable to the Lenders until paid in full; and (xi) eleventh, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 4.03(b) "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 4.03 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of Section 4.03 shall control and govern.

Section 4.04 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 12.02.

(b) The Administrative Agent shall not be obligated to transfer to such Defaulting Lender any payments made by the Borrower to the Administrative Agent for such Defaulting Lender's benefit, and, in the absence of such transfer to such Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Pro Rata Shares (without giving effect to the Pro Rata Shares of such Defaulting Lender) (but only to the extent that such Defaulting Lender's Loans were funded by the other Lenders) or, if so directed by the Borrower and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loans were not funded by the other Lenders), retain the same to be re-advanced to the Borrower as if such Defaulting Lender had made such Loans to the Borrower. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrower for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender.

(c) Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Administrative Agent to replace the Defaulting Lender with one or more substitute Lenders, and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding

Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07.

(d) The operation of this Section shall not be construed to increase or otherwise affect the Commitments of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrower of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender.

(e) This Section shall remain effective with respect to such Lender until either (i) the Obligations under this Agreement shall have been declared or shall have become immediately due and payable or (ii) the non-Defaulting Lenders, the Agents, and the Borrower shall have waived such Defaulting Lender's default in writing, and the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loans and pays to the Agents all amounts owing by such Defaulting Lender in respect thereof; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

ARTICLE V

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Section 6.01 Representations and Warranties. Each Loan Party hereby represents and warrants to the Secured Parties as follows:

(a) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or limited partnership duly organized or incorporated, validly existing and in good standing under the laws of the state or jurisdiction of its organization or incorporation, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated and, in the case of the Borrower, to make the borrowings hereunder, and to execute and deliver each Loan Document to which it is a party, and to consummate the transactions contemplated thereby, and (iii) is duly qualified to do business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary, except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and in good standing could not reasonably be expected to have a Material Adverse Effect.

(b) Authorization, Etc. The execution, delivery and performance by each Loan Party of each Loan Document to which it is or will be a party, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable Requirement of Law or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties, (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iv) do not and will not result in any

all other rights and remedies of the Lenders with respect to the Loan Parties, the Obligations, or otherwise related to any of same to the extent reasonably incidental to the exercise by such Agent of the rights and remedies specifically authorized to be exercised by such Agent by the terms of this Agreement or any other Loan Document; (vii) to incur and pay such fees necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to this Agreement or any other Loan Document; (viii) subject to Section 10.03, to take such action as such Agent deems appropriate on its behalf to administer the Loans and the Loan Documents and to exercise such other powers delegated to such Agent by the terms hereof or the other Loan Documents (including, without limitation, the power to give or to refuse to give notices, waivers, consents, approvals and instructions and the power to make or to refuse to make determinations and calculations); and (ix) to act with respect to all Collateral under the Loan Documents, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and such instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) shall be binding upon all Lenders and all makers of Loans; provided, however, the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to each Lender. Each Agent shall promptly notify each Lender any time that the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) have instructed such Agent to act or refrain from acting pursuant hereto.

(b) Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent or

other Person (including any Lender). Any such Related Party, trustee, co-agent or other Person shall benefit from this Article X to the extent provided by the applicable Agent.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Collateral Agent receives written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form satisfactory to the Collateral Agent; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.03, and if any such apportionment or distribution is subsequently determined to have been made in error, and the sole recourse of any Lender to whom payment was due but not made shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, and whether or not such Agent has made demand on any Loan Party for the same, the Lenders will, within five (5) days of written demand by such Agent, reimburse such Agent and such Related Parties for and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments,

suits, costs, expenses (including, without limitation, client charges and expenses of counsel or any other advisor to such Agent and such Related Parties), advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and the Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share, including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Party's gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.15 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) The Collateral Agent may from time to time make such disbursements and advances ("Collateral Agent Advances") which the Collateral Agent, in its sole discretion, deems necessary

or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrower of the Loans and other Obligations or to pay any other amount chargeable to the Borrower pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 10.18 and Section 12.04. The Collateral Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Collateral Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.01. The Collateral Agent shall notify each Lender and the Borrower in writing of each such Collateral Agent Advance, which notice shall include a description of the purpose of such Collateral Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to the Collateral Agent, upon the Collateral Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Collateral Agent Advance. If such funds are not made available to the Collateral Agent by such Lender, the Collateral Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to the Collateral Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations (other than Contingent Indemnity Obligations) in accordance with the terms hereof; or constituting property being sold or disposed of in the ordinary course of any Loan Party's business or otherwise in compliance with the terms of this Agreement and the other Loan Documents; or constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or if approved, authorized or ratified in writing by the Lenders in accordance with Section 12.02. Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or

all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering Laws, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act.

Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties, and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 10.13 Reports; Confidentiality; Disclaimers. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report with respect to Holdings or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding Holdings and its Subsidiaries and will rely significantly upon Holdings' and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Holdings and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.19, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.14 Collateral Custodian. Upon the occurrence and during the continuance of any Default or Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such

custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrower and charged to the Loan Account.

Section 10.15 Intercreditor Agreement. Each Lender hereby grants to the Collateral Agent all requisite authority to enter into or otherwise become bound by, and to perform its obligations and exercise its rights and remedies under and in accordance with the terms of, the Intercreditor Agreement and to bind the Lenders thereto by the Collateral Agent's entering into or otherwise becoming bound thereby, and no further consent or approval on the part of any Lender is or will be required in connection with the performance by the Collateral Agent of the Intercreditor Agreement.

Section 10.16 Collateral Agent May File Proofs of Claim

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due the Collateral Agent hereunder and under the other Loan Documents.

Section 10.17 Erroneous Distribution. If all or any part of any payment or other distribution by or on behalf of the Administrative Agent to the Borrower, Lender, or other Person is determined by the Administrative Agent in its sole discretion to have been made in error as determined by the Administrative Agent (any such distribution, an "Erroneous Distribution"), then the Borrower, Lender, or other Person shall forthwith on written demand (accompanied by a reasonably detailed calculation of such Erroneous Distribution) repay to the Administrative Agent the amount of such Erroneous Distribution received by such Person. Any determination by the Administrative Agent, in its sole discretion, that all or a portion of any distribution to the Borrower, a Lender, or other Person was an Erroneous Distribution shall be conclusive absent manifest error. Each Borrower, Lender, and other potential recipient of an Erroneous Distribution hereunder waives any claim of discharge for value and any other claim of entitlement to, or in respect of, any Erroneous Distribution.

ARTICLE XI

GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrower now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding) fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrower, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Secured Parties in enforcing any rights under the guaranty set forth in this Article XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrower to the Secured Parties under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Swap Obligations. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any Debtor Relief Law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Parties with respect thereto. Each Guarantor agrees that this Article XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this Article XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Secured Party;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Parties that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Article XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by Secured Parties or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XI and any requirement that the Secured Parties exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Secured Party to seek payment or recovery of any amounts owed under this Article XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Secured Parties shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XI, and acknowledges that this Article XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This Article XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, its Loans owing to it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Parties against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI shall have been paid in full in cash and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XI, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Article XI thereafter arising. If (i) any

Guarantor shall make payment to the Secured Parties of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XI shall be paid in full in cash and (iii) the Final Maturity Date shall have occurred, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Article XI. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Article XI such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Article XI in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Article XI that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Article XI(including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

All notices or other communications sent in accordance with this Section 12.01, shall be deemed received on the earlier of the date of actual receipt or three (3) Business Days after the deposit thereof in the mail; provided, that (i) notices sent by overnight courier service shall be deemed to have been given when received and (ii) notices by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient), provided, further that notices to any Agent pursuant to Article II shall not be effective until received by such Agent.

(b) Electronic Communications.

(i) Each Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Agents, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Agents that it is incapable of receiving notices under such Article by electronic communication.

(ii) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

Section 12.02 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (a) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, (b) in the case of any other waiver or consent, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and (c) in the case of any other amendment, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver or consent shall:

(i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of any Lender, or postpone or extend any scheduled date fixed for any payment of principal of, or interest or fees on, the Loans payable to any Lender, in each case, without the written consent of such Lender;

(ii) increase the Total Commitment without the written consent of each Lender;

(iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender;

(iv) amend the definition of "Required Lenders" or "Pro Rata Share" without the written consent of each Lender;

(v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Agents and the Lenders, or release the Borrower or any Guarantor (except in connection with a Disposition of the Equity Interests thereof permitted by Section 7.02(c)(ii)), in each case, without the written consent of each Lender; provided, that the Required Lenders may elect to release all or a substantial portion of the Collateral without the requirement to obtain the written consent of each Lender if such release is in connection with (x) an exercise of remedies by the Collateral Agent at the direction of the Required Lenders pursuant to Section 9.01 or (y) any Disposition of all or a substantial portion of the Collateral by one or more of the Loan Parties with the consent of the Required Lenders after the occurrence and during the continuance of an Event of Default so long as such Disposition is conducted in a commercially reasonable manner as if such Disposition were a disposition of collateral by a secured creditor in accordance with Article 9 of the UCC; or

(vi) amend, modify or waive Section 4.02, Section 4.03 or this Section 12.02 of this Agreement without the written consent of each Lender.

(b) Notwithstanding anything to the contrary in Section 12.01(a):

(i) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents;

(ii) any amendment, waiver or consent to any provision of this Agreement (including Sections 4.01 and 4.02) that permits any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates to purchase Loans on a non-pro rata basis, become an eligible assignee pursuant to Section 12.07 and/or make offers to make optional prepayments on a non-pro rata basis shall require the prior written consent of the Required Lenders rather than the prior written consent of each Lender directly affected thereby;

(iii) any Control Agreement, Guaranty, Mortgage, Security Agreement, collateral access agreement, landlord waiver or other agreement or document purporting to create or perfect a security interest in any of the Collateral (a "Collateral Document") may be amended, waived or otherwise modified with the consent of the applicable Agent and the applicable Loan Party without the need to obtain the consent of any Lender or any other Person if such amendment, modification, supplement or waiver is delivered in order (A) to comply with local Requirements of Law (including foreign law or regulatory requirements) or advice of local counsel, (B) to cure any ambiguity, inconsistency, omission, mistake or defect or (C) to cause such Collateral Document to be consistent with this Agreement and the other Loan Documents, and if the Administrative Agent and the Borrower shall have jointly identified an ambiguity, inconsistency, omission, mistake or defect, in each case, in any provision of any Loan Document (other than a Collateral Document), then the Administrative Agent and the Borrower shall be permitted to amend such provision; any amendment, waiver or modification pursuant to this paragraph shall become effective

without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof;

(iv) no consent of any Loan Party shall be required to change any order of priority set forth in Section 2.06(c)(iv) and Section 4.03;

(v) the Administrative Agent and the Borrower may enter into an amendment to this Agreement pursuant to Section 2.08(g) to reflect an alternate service or index rate and such other related changes to this Agreement as may be applicable; and

(vi) no Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates that is a Lender shall have any right to approve or disapprove any amendment, waiver or consent under the Loan Documents and any Loans held by such Person for purposes hereof shall be automatically deemed to be voted pro rata according to the Loans of all other Lenders in the aggregate (other than such Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or Affiliate).

(c) If any action to be taken by the Lenders hereunder requires the consent, authorization, or agreement of all of the Lenders or any Lender affected thereby, and a Lender other than the Collateral Agent and the Administrative Agent and their respective Affiliates and Related Funds (the "Holdout Lender") fails to give its consent, authorization, or agreement, then the Collateral Agent, upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute lenders (each, a "Replacement Lender"), and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07. Until such time as the Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Taxes; Attorneys' Fees. The Borrower will pay on demand, all costs and expenses incurred by or on behalf of each Agent (and, in the case of clauses (b) through (m) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable fees, costs, client charges and expenses of counsel for each Agent (and, in the case of clauses (b) through (m) below, each Lender), accounting, due diligence, periodic field

audits, physical counts, valuations, investigations, searches and filings, monitoring of assets, appraisals of Collateral, the rating of the Loans, title searches and reviewing environmental assessments, miscellaneous disbursements, examination, travel, lodging and meals, arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral or other security, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral or other security in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral or other security in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party, (j) any Environmental Claim, Environmental Liability or Remedial Action arising from or in connection with the past, present or future operations of, or any property currently, formerly or in the future owned, leased or operated by, any Loan Party, any of its Subsidiaries or any predecessor in interest, (k) any Environmental Lien, (l) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (m) the receipt by any Agent or any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrower agrees to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents and (y) if the Borrower fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrower. The obligations of the Borrower under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender or any of their respective Affiliates to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of set-off, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 4.04 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agents and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender or any of their respective Affiliates provided that the failure to give such notice shall

not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void.

(b) Subject to the conditions set forth in clause (c) below, each Lender may assign to one or more other lenders or other entities all or a portion of its rights and obligations under this Agreement with respect to:

(i) all or a portion of its Term Loan Commitment and any Term Loan made by it with the written consent of the Borrower (such consent not to be unreasonably withheld) and each Agent, and

(ii) all or a portion of its Revolving Credit Commitment and the Revolving Loans made by it with the written consent the Borrower (such consent not to be unreasonably withheld) and each Agent;

provided, however, that no written consent of the Borrower, the Collateral Agent or the Administrative Agent shall be required (A) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender; provided further, that under this Section 12.07(b), the consent of the Borrower shall not be required if an Event of Default has occurred and is continuing.

(c) Assignments shall be subject to the following additional conditions:

(i) Each such assignment shall be in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (A) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof);

(ii) The parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Administrative Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and all documentation and other information that such Lender reasonably

requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering or terrorist financing rules and regulations, including the USA PATRIOT Act; and

(iii) No such assignment shall be made to (A) any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates or (B) any Defaulting Lender or any of its Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(d) Upon such execution, delivery and acceptance, from and after the recordation date of each Assignment and Acceptance on the Register, , (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(f) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain, or cause to be maintained at one of its offices, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon)owing to each Lender from time to time. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior written notice.

(g) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Borrower, Administrative Agent or the Collateral Agent pursuant to Section 12.07(b) (which consent of the applicable Agent and Borrower must be evidenced by such Agent's or Borrower's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register (as adjusted to reflect any principal payments on or amounts capitalized and added to the principal balance of the Loans and/or Commitment reductions made subsequent to the effective date of the applicable assignment, as confirmed in writing by the corresponding assignor and assignee in conjunction with delivery of the assignment to the Administrative Agent) and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(h) A Loan (and the note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each note shall expressly so provide). Any assignment or sale of all or part of a Loan (and the note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Register, together with the surrender of the note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s).

(i) If any Lender sells participations in a Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrower, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Loans held by it and the principal amount (and stated interest thereon) of the portion of the Loan that is the subject of the participation (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under the Code or Treasury Regulations, including without limitation, Section 5f.103-1(c) of the United States Treasury Regulations. A Loan (and the note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each note shall expressly so provide). Any participation of such Loan (and the note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(j) Any Person who purchases or is assigned or participates in any portion of such Loan shall comply with Section 2.10(d).

(k) Each Lender may sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial

portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefit of Section 2.10 and Section 2.11 of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it were a Lender; provided that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 2.11 with respect to its participation than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation.

(l) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telecopier or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telecopier or electronic mail also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE.

(a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY ANY MEANS PERMITTED BY APPLICABLE LAW, INCLUDING, WITHOUT LIMITATION, BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01, SUCH SERVICE TO BECOME EFFECTIVE 10 DAYS AFTER

SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) Each Loan Party irrevocably and unconditionally agrees that it will not commence any action or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender, in its sole discretion, with or without any reason, and without being subject to question or challenge on the grounds that such Action was not taken in good faith.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Secured Party for repayment or recovery of any amount or amounts received by such Secured Party in payment or on account of any of the Obligations, such Secured Party shall give prompt notice of such claim to each other Agent and Lender and the Borrower, and if such Secured Party repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Secured Party or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Secured Party with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Secured Party hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Secured Party.

Section 12.15 Indemnification; Limitation of Liability for Certain Damages.

(a) In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Secured Party and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document, of any Environmental Claim or any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrower under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans or the Borrower's use of the proceeds thereof, (iii) the Agents and the Lenders relying on any instructions of the Borrower or the handling of the Loan Account and Collateral of the Borrower as herein provided, (iv) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (v) any claim, including any Environmental litigation, investigation or proceeding relating to or arising out of any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(b) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees set forth in this Section 12.15 are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees.

(c) No Loan Party shall assert, and each Loan Party hereby waives, any claim against the Indemnitees, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any

way related to, this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or seek any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(d) The indemnities and waivers set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

(e) Section 12.15 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.16 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.07 hereof, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.17 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.18 Highest Lawful Rate. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrower); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall, subject to the last sentence of this Section 12.18, be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrower). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread

throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.18 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.18.

For purposes of this Section 12.18, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrower, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.19 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made either will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.19 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization, so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.19); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority; (v) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (viii) to any other Person if such information is general portfolio information that does not identity the Loan Parties, or (ix) with the consent of the Borrower. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to any Agent or any Lender in connection with the administration of this Agreement, the other Loan Documents and the Commitments.

Section 12.20 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required to do so under applicable law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure). Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrower, to advertise the closing of the transactions contemplated by this Agreement, and to make appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem appropriate, including, without limitation, on a home page or similar place for dissemination of information on the Internet or worldwide web, or in announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem appropriate.

Section 12.21 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.22 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrower, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrower in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

(a) Each Loan Party hereby acknowledges and agrees that: (i) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (i) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of their rights, interests, security and/or remedies.

Accordingly, for and in consideration of the agreements contained in this Agreement and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates and Related Funds, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Effective Date directly arising out of, connected with or related to this Agreement, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral. Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

(b) Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Agreement.

(c) Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Financing Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

5. Effectiveness of this Agreement. This Agreement shall become effective upon the satisfaction in full, in a manner satisfactory to the Agents, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied being hereinafter referred to as the "Effective Date"):

(a) Agreement. On or before the Effective Date, Agent shall have received this Agreement, fully executed by the other parties hereto; and

(b) Representations and Warranties. Except for (i) Section 6.01(h)(iii) of the Financing Agreement to the extent such section relates to the Specified Defaults or as a result of certain other defaults on Material Contracts disclosed in writing to the Agents on or prior to the Effective Date and (ii) Section 6.01(t) of the Financing Agreement (which such representation is made in Section 7(b) below) (collectively, the "Representation Exception"), the representations and warranties contained in this Agreement and in Article VI of the Financing Agreement and in each other Loan Document shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations

and warranties shall be true and correct in all respects subject to such qualification) on and as of the Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct on and as of such earlier date).

(c) No Default; Event of Default. Other than the Specified Defaults, no Default or Event of Default shall have occurred and be continuing on the Effective Date or result from this Agreement becoming effective in accordance with its terms.

(d) Independent Director. The Approved Independent Director shall have been appointed (or such appointment will occur substantially simultaneously with the Effective Date) at each of the applicable Loan Parties in accordance with Section 3(f) above, and, upon such appointments, the Loan Parties shall be in compliance with Section 3(f) of this Agreement (it being agreed and understood that this Section 5(d) is evidence of the Agents' and Lenders' written consent and authorization of such appointments). For the avoidance of doubt, the parties hereto each agree that nothing herein shall constitute a waiver of any of the Agents' or Lenders' rights, including but not limited to any of the Agents' or Lenders' vested rights with respect to the Pledged Shares and Irrevocable Proxies (each as defined in the Security Agreement).

(e) Second Lien Forbearance Agreement. The Agents shall have received a fully executed copy of a forbearance agreement, dated as of the Effective Date (the "Second Lien Forbearance Agreement"), by and among the Loan Parties thereto, the Existing Second Lien Collateral Agent, GLAS USA LLC, as administrative agent, and the Existing Second Lien Lenders, in form and substance satisfactory to the Agents.

(f) Amendment to Intercreditor Agreement. The Agents shall have received a fully executed copy of an amendment to the Intercreditor Agreement by and among the parties required to effect such amendment, which amendment shall be in form and substance satisfactory to the Agents and Required Lenders.

(g) Forbearance and Amendment Fee. The Borrower shall pay to the Administrative Agent, for the benefit of the Lenders in accordance with their Pro Rata Shares, a forbearance and amendment fee in an amount equal to $350,000 which such fee shall be fully earned on the Effective Date and payable as of the earlier of (A) the effective date of the Anticipated Amendment and (B) April 20, 2023, and, as of such date, capitalized and paid-in-kind by being added to the outstanding principal balance of the Term Loans.

6. Condition Subsequent to Effectiveness of this Agreement. The Loan Parties agree that, in addition to all other terms, conditions and provisions set forth in this Agreement, including, without limitation, those conditions to the Effective Date set forth herein, the Loan Parties shall, (a) on or prior to the earlier of (i) the date of the first borrowing of the Anticipated 2023 Incremental Revolving Loans and (ii) the Forbearance Expiration Date, have paid all outstanding and unpaid fees and expenses of Ropes & Gray LLP, counsel to the Agents and Lenders (it being understood that the failure by the Loan Parties to perform or cause to be performed such condition subsequent shall constitute an immediate Event of Default (without giving effect to any grace periods set forth in the Financing Agreement)); and (b) with respect to the Mexican Loan Parties and each of the other Subsidiaries of the Loan Parties the Equity Interests of which are pledged to the Collateral Agent pursuant

to the Mexican Pledge Agreement, each such Mexican Loan Party or other Subsidiary shall (i) on or prior to April 21, 2023, provide all such bylaws (including their amendments), shareholders' and board minutes (including unanimous written consents), powers of attorney, corporate registry books and other governance documents of such Mexican Loan Parties or other Subsidiaries as the Agents or Lenders may reasonably request, (ii) on or prior to April 28, 2023, appoint as their president of the board of directors, sole administrator, sole director, sole manager (directly or, in the case of a member managed company, indirectly) or other comparable position as applicable and as permitted by applicable law, the Approved Independent Director, in a form and substance approved at the sole discretion of the Agents; provided that the appointment of the Approved Independent Director shall include, without limitation, indemnities granted by the Mexican Loan Party and the other applicable Subsidiaries in favor of the Approved Independent Director and his executors, administrators or assigns, with respect to any amount which he is or becomes legally obligated to indemnify as a result of any claim or claims made against him because of any act or omission or neglect or breach of duty, including any actual or alleged error or misstatement or misleading statement, in each case, arising out of his appointment, which indemnity shall include, *inter alia*, damages, judgements, settlements and costs, costs of investigation and cost of defense of legal actions, claims or proceedings and appeals therefrom, and costs of attachment or similar bonds, (iii) on or prior to April 28, 2023, revoke, limit and/or grant powers of attorney such that any and all authorities reasonably related to acts governed by Section 7.02 of the Financing Agreement or that are otherwise construed by the Agents or Lenders as material transactions, require, at the Agent's sole discretion, the prior express written consent of the Approved Independent Director, in the understanding that such revocations or limitations should be duly notified to the corresponding attorneys-in-fact and (iv) on or prior to May 5, 2023, execute and file for registration all applicable documentation to effectuate the provisions of this clause (b) of this Section 6.

7. Representations and Warranties. Each Loan Party represents and warrants, as of the Effective Date, as follows:

(a) Representations and Warranties; No Event of Default. Except for the Representation Exception, the representations and warranties herein, in Article VI of the Financing Agreement and in each other Loan Document are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of the Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such earlier date), and, other than the Existing Defaults, no Default or Event of Default has occurred and is continuing as of the Effective Date or would result from this Agreement becoming effective in accordance with its terms.

(b) Solvency. That, on and as of the Effective Date, the Loan Parties (on a consolidated basis) are Solvent (as defined below). For purposes of this clause (b), "Solvent" means, with respect to any Person on a particular date, that on such date (a) the fair value of the property of such Person is not less than the total amount of the liabilities of such Person, (b) the fair salable value of the assets of such Person is not less than the amount that will be required to pay the probable liability of such Person on its existing debts as they become absolute and matured, (c) such Person

is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and other commitments as they mature in the normal course of business other than the debts subject to forbearance and current balances in accounts payable disclosed to such Person's lenders (or such lenders' agent) (the "Lender Parties"), (d) such Person does not intend to, and does not believe that it will, incur debts or liabilities beyond such Person's ability to pay as such debts and liabilities mature except as in the most recent 13 week cash flow disclosed to the Lender Parties, and (e) such Person is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which such Person's property would constitute unreasonably small capital. For purposes of this clause (b), the amount of any contingent obligations at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, would reasonably be expected to become an actual and matured liability.

(c) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or *sociedad anonima* duly organized, validly existing and, other than the Mexican Loan Parties, in good standing under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated, and to execute and deliver this Agreement, and to consummate the transactions contemplated by this Agreement and by the Financing Agreement, and (iii) is duly qualified to do business in, and is in good standing in each jurisdiction where the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and be in good standing could not reasonably be expected to have a Material Adverse Effect.

(d) Authorization, Etc. The execution and delivery by each Loan Party of this Agreement and the performance by it of the Financing Agreement, this Agreement, and each other Loan Document (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable material Requirement of Law, or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties, except in the case of clauses (ii)(C) and (iv) hereof, to the extent that such contravention, default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal could not reasonably be expected to have a Material Adverse Effect.

(e) Enforceability of Loan Documents. This Agreement, the Financing Agreement and each other Loan Document is and will be a legal, valid and binding obligation of each Loan Party, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(f) Governmental Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by any Loan Party of any Loan Document to which it is or will be a party.

(g) No Duress. This Agreement has been entered into without force or duress, of the free will of each Loan Party. Each Loan Party's decision to enter into this Agreement is a fully informed decision and such Loan Party is aware of all legal and other ramifications of such decision.

(h) Counsel. Each Loan Party has read and understands this Agreement, has consulted with and been represented by legal counsel in connection herewith, and has been advised by its counsel of its rights and obligations hereunder and thereunder.

8. Governing Law; Consent to Jurisdiction; Service of Process Services of Process and Venue and Waiver of Jury Trial, Etc. Sections 12.09, 12.10 and 12.11 (*Governing Law; Consent to Jurisdiction; Services of Process and Venue; and Waiver of Jury Trial, Etc.*) of the Financing Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

9. Further Assurances; Additional Interest Payments.

(a) The Loan Parties shall execute any and all further documents, agreements and instruments, and take all further actions, as may be required under Applicable Law or as any Agent may reasonably request, in order to effect the purposes of this Agreement.

(b) The Loan Parties agree that, notwithstanding Section 2.04(d) of the Financing Agreement, any interest payment (including at the Post-Default Rate) due pursuant to the Financing Agreement after the date hereof, while required to be paid in full in cash when such interest payment is due, may in the sole discretion of the Required Lenders, instead be capitalized and added to the principal balance of the Term Loan or Revolving Loan (as applicable) following notice thereof to the Borrower (it being understood and agreed that the application to the principal balance of the Obligations at any time does not constitute a waiver of any Default or Event of Default arising as a result of the Loan Parties' failure to pay such interest in cash).

10. Counterparts; Facsimile Signatures; PDF Delivery.

(a) This Agreement may be executed in any number of and by different parties hereto on separate counterparts, all of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any signature delivered by a party by e-mail, DocuSign, facsimile or other similar form of electronic transmission shall be deemed to be an original signature hereto.

(b) This Agreement, to the extent signed and delivered by means of electronic transmission by PDF, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

11. Reference to and Effect on the other Loan Documents.

(a) Except as specifically set forth above, the Financing Agreement and all other Loan Documents, are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed and shall constitute the legal, valid, binding and enforceable obligations of Borrower and Guarantors to Agents and Lenders.

(b) The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of Agents or any Lender under the Financing Agreement or any of the other Loan Documents, nor constitute a waiver of any provision of the Financing Agreement or any of the other Loan Documents.

(c) Each Loan Party hereby acknowledges and agrees that this Agreement constitutes a "Loan Document" under the Financing Agreement. Accordingly, it shall be an immediate Event of Default under the Financing Agreement if (i) any representation or warranty made by any Loan Party under or in connection with this Agreement shall have been incorrect in any respect when made or deemed made, or (ii) any Loan Party shall fail timely to perform or observe any term, covenant or agreement contained in this Agreement.

12. Ratification. Each Loan Party hereby restates, ratifies and reaffirms each and every term and condition set forth in the Financing Agreement (as modified hereby), and the other Loan Documents effective as of the date hereof.

13. Integration. This Agreement, together with the Financing Agreement and the other Loan Documents, incorporates all negotiations of the parties hereto with respect to the subject matter hereof and is the final expression and agreement of the parties hereto with respect to the subject matter hereof.

14. Severability. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under Applicable Laws, such provision shall be inapplicable and deemed omitted to the extent so contrary, prohibited or invalid, but the remainder hereof shall not be invalidated thereby and shall be given effect so far as possible.

15. Guarantors' Acknowledgment. Each Guarantor hereby acknowledges and agrees to this Agreement and confirms and agrees that its Guaranty (as modified and supplemented in connection with this Agreement) is and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects. Although Lender has informed the Guarantors of the matters set forth above, and each Guarantor has acknowledged the same, each Guarantor understands and agrees that Lender has no duty under the Financing Agreement, or any other agreement with any Guarantor, to so notify any Guarantor or to seek such an acknowledgement, and nothing contained herein is intended to or shall create such a duty as to any transaction hereafter.

[*Remainder of page intentionally left blank*.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered as of the date set forth on the first page hereof.

Ladies and Gentlemen:

Reference hereby is made to (a) the Financing Agreement, dated as of May 27, 2022 (such agreement, as amended, restated, supplemented, modified or otherwise changed from time to time, including any replacement agreement therefor, being hereinafter referred to as the "Financing Agreement") by and among AgileThought, Inc., a Delaware corporation ("Holdings"), AN Global, LLC, a Delaware limited liability company (the "Borrower"), each subsidiary of Holdings listed as a "Guarantor" on the signature pages thereto (together with Holding and each other Person that executes a joinder agreement and becomes a "Guarantor" thereunder, each, a "Guarantor" and, collectively, the "Guarantors", and, together with the Borrower and each other Person that becomes an "Additional Grantor" hereunder, each, a "Grantor" and, collectively, the "Grantors"), the lenders from time to time party thereto (each, a "Lender" and, collectively, the "Lenders"), and Blue Torch Finance LLC, in its capacity as Collateral agent for the Lenders (in such capacity, together with its successors and assigns in such capacity, if any, the "Collateral Agent") and (b) the Pledge and Security Agreement, dated as of May 27, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), made by the Grantors from time to time party thereto in favor of the Collateral Agent. Capitalized terms defined in the Financing Agreement or the Security Agreement and not otherwise defined herein are used herein as defined in the Financing Agreement or the Security Agreement.

SECTION 1. Grant of Security. The undersigned hereby grants to the Collateral Agent, for the ratable benefit of each Secured Party, a security interest in, all of its right, title and interest in and to the Commercial Tort Claims listed on Schedule VI hereto (the "Collateral") of the undersigned, whether now owned or hereafter acquired by the undersigned, wherever located and whether now or hereafter existing or arising, including, without limitation, the property and assets of the undersigned set forth on the attached supplemental schedule to the Schedules to the Security Agreement.

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by the undersigned under this Security Agreement Supplement and the Security Agreement secures the payment of all Secured Obligations of the undersigned now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, each of this Security Agreement Supplement and the Security Agreement secures the payment of all amounts that constitute part of the Secured Obligations and that would be owed by the undersigned to the Collateral Agent or any Secured Party under the Loan Documents but for the fact that such Secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Grantor.

SECTION 3. Supplement to Security Agreement Schedules. The undersigned has attached hereto supplemental Schedule VI to the Security Agreement, and the undersigned hereby certifies, as of the date first above written, that such supplemental Schedule has been prepared by the undersigned in substantially the form of the equivalent Schedule to the Security Agreement, such supplemental Schedule includes all of the information required to be scheduled to the Security Agreement and does not omit to state any information material thereto, and such supplemental schedule attached hereto shall be incorporated into and become a part of and supplement Schedule VI to the Security Agreement and the Collateral Agent may attach such supplemental schedule as a supplement to such Schedule, and each reference to such Schedule shall mean and be a reference to such Schedule, as supplemented pursuant hereto.

SECTION 4. Representations and Warranties. To the extent applicable to the Collateral, the undersigned hereby makes each representation and warranty set forth in Section 5 of the Security Agreement (as supplemented by the attached supplemental Schedules).

SECTION 5. Obligations Under the Security Agreement. The undersigned hereby agrees, as of the date first above written, to continue to be bound as a Grantor by all of the terms and provisions of the Security Agreement to the same extent as each of the other Grantors.

SECTION 6. Governing Law. This Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Loan Document. In addition to and without limitation of any of the foregoing, this Security Agreement Supplement shall be deemed to be a Loan Document and shall otherwise be subject to all of terms and conditions contained in Sections 12.10 and 12.11 of the Financing Agreement, *mutatis mutandi*.

NOW THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Definitions. All terms used herein that are defined in the Financing Agreement and not otherwise defined herein shall have the meanings assigned to them in the Financing Agreement.

2. Amendments. The Financing Agreement (excluding all Schedules and Exhibits thereto, each of which shall remain as in effect immediately prior to the Amendment No. 5 Effective Date (as defined below) other than the addition of Schedule 1.01(A-2) thereto in the form appended to the end of Annex A hereto) is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~ and ~~stricken text~~)

and (ii) to add the blue or green double-underlined text (indicated textually in the same manner as the following examples: double-underlined text and double-underlined text), in each case, as set forth in the marked copy of the Financing Agreement attached as Annex A hereto and made a part hereof for all purposes.

3. Representations and Warranties. Each Loan Party hereby represents and warrants to the Agents and the Lenders on the Amendment No. 5 Effective Date as follows:

(a) Representations and Warranties; No Event of Default. (i) (A) Except for Section 6.01(h)(iii) of the Financing Agreement to the extent such section relates to the Specified Defaults (as defined in that certain Forbearance Agreement, dated as of April 18, 2023, by and among the Agents, Lenders, and each Loan Party), or as a result of certain other defaults on Material Contracts disclosed in writing to the Agents and (B) Section 6.01(t) of the Financing Agreement on or prior to the Amendment No. 5 Effective Date (collectively, the "Representation Exception"), the representations and warranties herein, in Article VI of the Financing Agreement and in each other Loan Document, on or immediately prior to the Amendment No. 5 Effective Date, are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of such earlier date), and (ii) except for the Specified Defaults, no Default or Event of Default has occurred and is continuing as of the Amendment No. 5 Effective Date or would result from this Amendment becoming effective in accordance with its terms.

(b) Solvency. That, on and as of the Amendment No. 5 Effective Date, the Loan Parties (on a consolidated basis) are Solvent (as defined in the Financing Agreement as amended by this Amendment). For purposes of this clause (b) and Section 4(d)(iii), the amount of any contingent obligations at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, would reasonably be expected to become an actual and matured liability.

(c) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or *sociedad anonima* duly organized, validly existing and, other than the Mexican Loan Parties, in good standing under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated, and to execute and deliver this Amendment, and to consummate the transactions contemplated by this Amendment and by the Financing Agreement, as amended

by this Amendment, and (iii) is duly qualified to do business in, and is in good standing in each jurisdiction where the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and be in good standing could not reasonably be expected to have a Material Adverse Effect.

(d) Authorization, Etc. The execution and delivery by each Loan Party of this Amendment and the performance by it of the Financing Agreement, as amended by this Amendment, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable material Requirement of Law, or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties.

(e) Enforceability of Loan Documents. This Amendment, the Financing Agreement (as amended by this Amendment) and each other Loan Document to which any Loan Party is or will be a party, is and will be a legal, valid and binding obligation of each Loan Party, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(f) Governmental Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by any Loan Party of any Loan Document to which it is or will be a party.

(g) Security Agreement Compliance. (i) The representations and warranties in Sections 5(b), (f) and (k) of the Security Agreement on and immediately prior to the Amendment No. 5 Effective Date are true and correct in all material respects on and as of such date as though made on and as of such date and (ii) each Loan Party is in compliance with that certain obligation under Section 4(a) of the Security Agreement to deliver all Pledged Interests (as defined in the Security Agreement) from time to time required to be pledged to the Collateral Agent pursuant to the terms of the Security Agreement or the Financing Agreement.

4. Conditions to Effectiveness. This Amendment shall become effective only upon satisfaction in full, in a manner satisfactory to the Agents, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied being hereinafter referred to as the "Amendment No. 5 Effective Date"):

(a) Payment of Fees, Etc. The Borrowers shall have paid on or before the date hereof, any fees required pursuant to the Amendment No. 5 Fee Letter (as defined below),

which may be paid in kind by capitalizing such fees and adding such capitalized amount to the outstanding principal amount of the Term Loans in accordance therewith.

(b) Representations and Warranties. Except for the Representation Exception, the representations and warranties contained in this Amendment and in Article VI of the Financing Agreement and in each other Loan Document shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of the Amendment No. 5 Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct on and as of such earlier date).

(c) No Default; Event of Default. Except for the Specified Defaults, no Default or Event of Default shall have occurred and be continuing on the Amendment No. 5 Effective Date or result from this Amendment becoming effective in accordance with its terms.

(d) Delivery of Documents. The Agents shall have received on or before the Amendment No. 5 Effective Date the following, in form and substance satisfactory to the Agents, unless indicated otherwise, dated the Amendment No. 5 Effective Date:

(i) this Amendment, duly executed and delivered by the Loan Parties, each Agent and the Required Lenders, in form and substance satisfactory to the Agents;

(ii) a certificate of an Authorized Officer of each Loan Party, certifying (A) as to copies of the Governing Documents of such Loan Party, together with all amendments thereto, confirming that such Governing Documents have not been amended or modified since the Effective Date, (B) as to a copy of the resolutions or written consents of such Loan Party authorizing (1) the transactions contemplated by this Amendment and the other Loan Documents to which such Loan Party is or will be a party, (2) the execution, delivery and performance by such Loan Party of this Amendment and each other Loan Document to which such Loan Party is or will be a party and (3) the execution and delivery of the other documents to be delivered by such Person in connection herewith and therewith, (C) the names and true signatures of the representatives of such Loan Party authorized to sign this Amendment and each other Loan Document to which such Loan Party is or will be a party and the other documents to be executed and delivered by such Loan Party in connection herewith and therewith, together with evidence of the incumbency of such Authorized Officers and (D) as to the matters set forth in subsections (b) and (c) of this Section 4;

(iii) a certificate of the chief financial officer of Holdings, certifying on behalf of the Loan Parties, that the Loan Parties (on a consolidated basis),

after giving effect to any Loans made on the Amendment No. 5 Effective Date, are Solvent; and

(v) a fully executed copy of the Fee Letter, dated the Amendment No. 5 Effective Date, among the Borrower, the Lenders and the Administrative Agent (the "Amendment No. 5 Fee Letter").

(e) Approvals. All consents, authorizations and approvals of, and filings and registrations with, and all other actions in respect of, any Governmental Authority or other Person required in connection with any Loan Document or the transactions contemplated thereby or the conduct of the Loan Parties' business shall have been obtained or made and shall be in full force and effect. There shall exist no claim, action, suit, investigation, litigation or proceeding (including, without limitation, shareholder or derivative litigation) pending or, to the knowledge of any Loan Party, threatened in any court or before any arbitrator or Governmental Authority which (i) relates to the Loan Documents or the transactions contemplated thereby, or (ii) could reasonably be expected to have a Material Adverse Effect.

5. Condition Subsequent to Effectiveness of this Agreement. The Loan Parties agree that, in addition to all other terms, conditions and provisions set forth in this Agreement, including, without limitation, those conditions to the Amendment No. 5 Effective Date set forth herein, the Loan Parties shall, on or prior to the earlier of (i) the date of the first borrowing of the 2023 Incremental Revolving Loans and (ii) May 10, 2023, have paid all outstanding and unpaid fees, costs, expenses and taxes then payable, if any, pursuant to Section 2.07 or 12.04 of the Financing Agreement (it being understood that the failure by the Loan Parties to perform or cause to be performed such condition subsequent shall constitute an immediate Event of Default (without giving effect to any grace periods set forth in the Financing Agreement)).

6. Acknowledgments by Loan Parties. Each Loan Party acknowledges and agrees as follows:

(a) Acknowledgment of Debt. As of the close of the date hereof, each Loan Party is indebted, jointly and severally, to Lenders and Agent, without defense, deduction, setoff, claim or counterclaim, of any nature, under the Financing Agreement and the other Loan Documents in the aggregate principal amount of not less than $70,415,614 (inclusive of all fees due and payable under the Amendment No. 5 Fee Letter and capitalized as of the date hereof), plus accrued and continually accruing interest and all fees, costs and expenses in accordance with the Loan Documents.

(b) Acknowledgment that Liabilities Continue in Full Force and Effect. That the Loans and all other liabilities and Obligations of the Loan Parties under the Financing Agreement and each other Loan Documents shall remain in full force and effect, and shall not be released, impaired, diminished or in any other way modified or amended as a result of the execution and delivery of this Amendment or by the agreements and undertakings of the parties contained herein.

(c) Acknowledgment of Perfection of Security Interest. As of the date hereof, the security interests and Liens granted to the Collateral Agent, for its benefit and the benefit of the Lenders, under the Loan Documents securing the Obligations are in full force and effect, are properly perfected and are enforceable in accordance with the terms of the Loan Documents.

7. Continued Effectiveness of the Financing Agreement and Other Loan Documents. Each Loan Party hereby (a) acknowledges and consents to this Amendment, (b) confirms and agrees that the Financing Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects, except that on and after the Amendment No. 5 Effective Date, all references in any such Loan Document to "the Financing Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Financing Agreement shall mean the Financing Agreement as amended by this Amendment, and (c) confirms and agrees that, to the extent that any such Loan Document purports to assign or pledge to the Collateral Agent, for the benefit of the Agents and the Lenders, or to grant to the Collateral Agent, for the benefit of the Agents and the Lenders, a security interest in or Lien on any Collateral as security for the Obligations of the Loan Parties from time to time existing in respect of the Financing Agreement (as amended by this Amendment) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects. This Amendment does not and shall not affect any of the obligations of the Loan Parties, other than as expressly provided herein, including, without limitation, the Loan Parties' obligations to repay the Loans in accordance with the terms of Financing Agreement or the obligations of the Loan Parties under any Loan Document to which they are a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Agent or any Lender under the Financing Agreement or any other Loan Document nor constitute a waiver of any provision of the Financing Agreement or any other Loan Document.

8. No Representations by Agents or Lenders. Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Amendment.

9. No Novation. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Financing Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

10. Release. Each Loan Party hereby acknowledges and agrees that: (a) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (b) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would

impair or otherwise adversely affect any of their rights, interests, security and/or remedies. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates and Related Funds, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Amendment No. 5 Effective Date directly arising out of, connected with or related to this Amendment, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral. Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

11. Further Assurances. The Loan Parties shall execute any and all further documents, agreements and instruments, and take all further actions, as may be required under Applicable Law or as any Agent may reasonably request, in order to effect the purposes of this Amendment.

12. Reaffirmation of Security Interests. Each Loan Party (a) affirms that each of the Liens granted in or pursuant to the Loan Documents are valid, perfected, first priority (unless otherwise expressly permitted under the Loan Documents) Liens, and (b) agrees that this Amendment and all documents executed in connection herewith shall in no manner impair or otherwise adversely affect any of the Liens granted in or pursuant to the Loan Documents. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

(d) Each Loan Party hereby acknowledges and agrees that this Amendment constitutes a "Loan Document" under the Financing Agreement. Accordingly, it shall be an immediate Event of Default under the Financing Agreement if (i) any representation or warranty made by any Loan Party under or in connection with this Amendment shall have been incorrect in any respect when made or deemed made, or (ii) any Loan Party shall fail to perform or observe any term, covenant or agreement contained in this Amendment.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) Sections 12.10 and 12.11 (*Consent to Jurisdiction; Services of Process and Venue; and Waiver of Jury Trial, Etc.*) of the Financing Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and delivered as of the date set forth on the first page hereof.

"Waivable Mandatory Prepayment" shall have the meaning assigned to such term in Section 2.06(g).

"WARN" has the meaning specified therefor in Section 6.01(p).

"Withholding Agent" means any Loan Party and the Administrative Agent.

"Working Capital" means, at any date of determination thereof, (a) the sum, for any Person and its Subsidiaries, of (i) the unpaid face amount of all Accounts of such Person and its Subsidiaries as at such date of determination, plus (ii) the aggregate amount of prepaid expenses and other current assets of such Person and its Subsidiaries as at such date of determination (other than cash,

Cash Equivalents and any Indebtedness owing to such Person or any of its Subsidiaries by Affiliates of such Person), minus (b) the sum, for such Person and its Subsidiaries, of (i) the unpaid amount of all accounts payable of such Person and its Subsidiaries as at such date of determination, plus (ii) the aggregate amount of all accrued expenses of such Person and its Subsidiaries as at such date of determination (other than the current portion of long-term debt and all accrued interest and taxes).

Section 1.02 Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include", "includes" and "including" shall be deemed to be followed by the phrase "without limitation". The word "will" shall be construed to have the same meaning and effect as the word "shall". Unless the context requires otherwise, (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (b) any reference herein to any Person shall be construed to include such Person's successors and assigns, (c) the words "herein", "hereof" and "hereunder", and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement and (e) the words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any right or interest in or to assets and properties of any kind whatsoever, whether real, personal or mixed and whether tangible or intangible.

Section 1.03 Certain Matters of Construction. References in this Agreement to "determination" by any Agent include good faith estimates by such Agent (in the case of quantitative determinations) and good faith beliefs by such Agent (in the case of qualitative determinations). A Default or Event of Default shall be deemed to exist at all times during the period commencing on the date that such Default or Event of Default occurs to the date on which such Default or Event of Default is waived in writing pursuant to this Agreement or, in the case of a Default, is cured within any period of cure expressly provided for in this Agreement; and an Event of Default shall "continue" or be "continuing" until such Event of Default has been waived in writing by the Required Lenders. Any Lien referred to in this Agreement or any other Loan Document as having been created in favor of any Agent, any agreement entered into by any Agent pursuant to this Agreement or any other Loan Document, any payment made by or to or funds received by any Agent pursuant to or as contemplated by this Agreement or any other Loan Document, or any act taken or omitted to be taken by any Agent, shall, unless otherwise expressly provided, be created, entered into, made or received, or taken or omitted, for the benefit or account of the Agents and the Lenders. Wherever the phrase "to the knowledge of any Loan Party" or words of similar import relating to the knowledge or the awareness of any Loan Party are used in this Agreement or any other Loan Document, such phrase shall mean and refer to (i) the actual knowledge of a senior officer of any Loan Party or (ii) the knowledge that a senior officer would have obtained if such officer had engaged in good faith and diligent performance of such officer's duties, including the making of such reasonably specific inquiries as may be necessary of the employees or agents of such Loan Party and a good faith attempt to ascertain the existence or accuracy of the matter to which such phrase relates. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or otherwise within the limitations of, another covenant shall not avoid the occurrence of a default if such action is taken or condition exists. In addition, all representations and warranties hereunder shall be given independent effect so that if a particular representation or warranty proves to be incorrect or is breached, the fact that another representation or warranty concerning the

same or similar subject matter is correct or is not breached will not affect the incorrectness of a breach of a representation or warranty hereunder.

Section 1.04 Accounting and Other Terms.

(a) Unless otherwise expressly provided herein, each accounting term used herein shall have the meaning given it under GAAP. For purposes of determining compliance with any incurrence or expenditure tests set forth in Section 7.01, Section 7.02 and Section 7.03, any amounts so incurred or expended (to the extent incurred or expended in a currency other than Dollars) shall be converted into Dollars on the basis of the exchange rates (as shown on the Bloomberg currency page for such currency or, if the same does not provide such exchange rate, by reference to such other publicly available service for displaying exchange rates as may be reasonably selected by the Agents or, in the event no such service is selected, on such other basis as is reasonably satisfactory to the Agents) as in effect on the date of such incurrence or expenditure under any provision of any such Section that has an aggregate Dollar limitation provided for therein (and to the extent the respective incurrence or expenditure test regulates the aggregate amount outstanding at any time and it is expressed in terms of Dollars, all outstanding amounts originally incurred or spent in currencies other than Dollars shall be converted into Dollars on the basis of the exchange rates (as shown on the Bloomberg currency page for such currency or, if the same does not provide such exchange rate, by reference to such other publicly available service for displaying exchange rates as may be reasonably selected by the Agents or, in the event no such service is selected, on such other basis as is reasonably satisfactory to the Agents) as in effect on the date of any new incurrence or expenditures made under any provision of any such Section that regulates the Dollar amount outstanding at any time). Notwithstanding the foregoing, (i) with respect to the accounting for leases as either operating leases or capital leases and the impact of such accounting in accordance with FASB ASC 842 on the definitions and covenants herein, GAAP as in effect on December 31, 2018 shall be applied, (ii) for purposes of determining compliance with any covenant (including the computation of any financial covenant) contained herein, Indebtedness of Holdings and its Subsidiaries shall be deemed to be carried at 100% of the outstanding principal amount thereof, and the effects of FASB ASC 825 and FASB ASC 470-20 on financial liabilities shall be disregarded and (iii) with respect to revenue recognition and the impact of such accounting in accordance with FASB ASC 606 on the definitions and covenants herein, GAAP as in effect on December 31, 2017 shall be applied.

(b) All terms used in this Agreement which are defined in Article 8 or Article 9 of the Uniform Commercial Code as in effect from time to time in the State of New York (the "Uniform Commercial Code" or the "UCC") and which are not otherwise defined herein shall have the same meanings herein as set forth therein, provided that terms used herein which are defined in the Uniform Commercial Code as in effect in the State of New York on the date hereof shall continue to have the same meaning notwithstanding any replacement or amendment of such statute except as any Agent may otherwise determine.

Section 1.05 Time References. Unless otherwise indicated herein, all references to time of day refer to Eastern Standard Time or Eastern daylight saving time, as in effect in New York City on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to but excluding"; provided, however, that with respect to a computation of fees or interest payable to any Secured Party, such period shall in any event consist of at least one full day.

Section 1.06 Obligation to Make Payments in Dollars. All payments to be made by any Loan Party of principal, interest, fees and other Obligations under any Loan Document shall be made

in Dollars in same day funds, and no obligation of any Loan Party to make any such payment shall be discharged or satisfied by any payment other than payments made in Dollars in same day funds.

ARTICLE II

THE LOANS

Section 2.01 Commitments. (a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth:

(i) other than as set forth in clause (iii) below with respect to the 2023 Incremental Revolving Loans, each Revolving Loan Lender severally agrees to make Revolving Loans to the Borrower at any time and from time to time during the term of this Agreement, in an aggregate principal amount of Revolving Loans at any time outstanding not to exceed the amount of such Lender's Revolving Credit Commitment; ~~and~~

(ii) each Term Loan Lender severally agrees to make the Term Loan to the Borrower on the Effective Date, in an aggregate principal amount not to exceed the amount of such Lender's Term Loan Commitment~~.~~; and

(iii) each 2023 Incremental Revolving Loan Lender severally agrees to make 2023 Incremental Revolving Loans to the Borrower at any time and from time to time on or after the Amendment No. 5 Effective Date, in an aggregate principal amount of 2023 Incremental Revolving Loans at any time outstanding not to exceed the amount of such Lender's 2023 Incremental Revolving Credit Commitment.

No portion of any Loan will be funded (initially or through participation, assignment, transfer or securitization) with plan assets of any plan covered by ERISA or Section 4975 of the Internal Revenue Code if it would cause the Borrower or any Guarantor to incur any prohibited transaction excise tax penalties under Section 4975 of the Internal Revenue Code.

(b) Notwithstanding the foregoing:

(i) The aggregate principal amount of Revolving Loans (excluding any capitalized interest pursuant to Section 4.01(a)(ii)) outstanding at any time to the Borrower shall not exceed the Total Revolving Credit Commitment. The Revolving Credit Commitment of each Lender shall automatically and permanently be reduced to zero on the Final Maturity Date. Within the foregoing limits, the Borrower may borrow, repay and reborrow, the Revolving Loans on or after the Effective Date and prior to the Final Maturity Date, subject to the terms, provisions and limitations set forth herein. No Revolving Loans shall be advanced on the Effective Date.

(ii) The aggregate principal amount of the Term Loan made on the Effective Date shall not exceed the Total Term Loan Commitment. Any principal amount of the Term Loan which is repaid or prepaid may not be reborrowed.

(iii) The 2023 Incremental Revolving Loans shall be made as a single borrowing funded to the Blocked Account on the applicable funding date, subject to the satisfaction of the conditions precedent set forth in Section 5.03. Any 2023 Incremental Revolving Loan repaid or

prepaid to the Administrative Agent for the account of each 2023 Incremental Revolving Loan Lender may not be reborrowed.

Section 2.02 Making the Loans. (a) The Borrower shall give the Administrative Agent prior notice in writing, in substantially the form of Exhibit C hereto (a "Notice of Borrowing") or such other form approved by the Administrative Agent, not later than 12:00 noon (New York City time) on the date which is (i) in the case of the Term Loan, three (3) Business Days prior to the Effective Date ~~and~~, (ii) three (3) Business Days prior to the date of the proposed Revolving Loan (or such shorter period as the Administrative Agent is willing to accommodate from time to time, but in no event later than 12:00 noon (New York City time) on the borrowing date of the proposed Loan), or (iii) in the case of any 2023 Incremental Revolving Loan, in accordance with Section 5.03(c)(iii). Such Notice of Borrowing shall be irrevocable and shall specify (i) the principal amount of the proposed Loan, and, with respect to any 2023 Incremental Revolving Loan, shall be $3,000,000, (ii) whether such Loan is requested to be a Revolving Loan or the Term Loan, (iii) whether the Loan is requested to be a Reference Rate Loan or a SOFR Loan, (iv) the use of the proceeds of such proposed Loan, (v) Borrower's account wiring instructions (which, in the case of the 2023 Incremental Revolving Loan, shall be the Blocked Account wiring instructions), and (vi) the proposed borrowing date, which must be a Business Day, and, with respect to the Term Loan, must be the Effective Date. The Administrative Agent and the Lenders may act without liability upon the basis of written notice believed by the Administrative Agent in good faith to be from the Borrower (or from any Authorized Officer thereof designated in writing purportedly from the Borrower to the Administrative Agent). The Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such Notice of Borrowing. The Administrative Agent and each Lender shall be entitled to rely conclusively on any Authorized Officer's authority to request a Loan on behalf of the Borrower until the Administrative Agent receives written notice to the contrary. The Administrative Agent and the Lenders shall have no duty to verify the authenticity of the signature appearing on any written Notice of Borrowing.

(b) Each Notice of Borrowing pursuant to this Section 2.02 shall be irrevocable and the Borrower shall be bound to make a borrowing in accordance therewith. Each Revolving Loan shall be made in a minimum amount of $500,000 and shall be in an integral multiple of $100,000.

(c) (i) Except as otherwise provided in this Section 2.02(c), all Loans under this Agreement shall be made by the Lenders simultaneously and proportionately to their Pro Rata Shares of the Total Revolving Credit Commitment or the Total Term Loan Commitment, as the case may be, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligations to make a Loan requested hereunder, nor shall the Commitment of any Lender be increased or decreased as a result of the default by any other Lender in that other Lender's obligation to make a Loan requested hereunder, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender.

(ii) Notwithstanding any other provision of this Agreement, and in order to reduce the number of fund transfers among the Borrower, the Agents and the Lenders, the Borrower, the Agents and the Lenders agree that the Administrative Agent may (but shall not be obligated to), and the Borrower and the Lenders hereby irrevocably authorize the Administrative Agent to, fund, on behalf of the Revolving Loan Lenders, Revolving Loans pursuant to Section 2.01, subject to the procedures for settlement set forth in Section 2.02(d); provided, however, that (A) the Administrative Agent shall in no event fund any such Revolving Loans if the Administrative Agent shall have received written notice from the Collateral Agent or the Required Lenders on the Business Day prior to the date of the proposed Revolving Loan that one or more of the conditions precedent contained in Section 5.02 will not be satisfied at the time of the proposed Revolving Loan, and (B) the Administrative Agent shall not

otherwise be required to determine that, or take notice whether, the conditions precedent in Section 5.02 have been satisfied. If the Borrower gives a Notice of Borrowing requesting a Revolving Loan and the Administrative Agent elects not to fund such Revolving Loan on behalf of the Revolving Loan Lenders, then promptly after receipt of the Notice of Borrowing requesting such Revolving Loan, the Administrative Agent shall notify each Revolving Loan Lender of the specifics of the requested Revolving Loan and that it will not fund the requested Revolving Loan on behalf of the Revolving Loan Lenders. If the Administrative Agent notifies the Revolving Loan Lenders that it will not fund a requested Revolving Loan on behalf of the Revolving Loan Lenders, each Revolving Loan Lender shall make its Pro Rata Share of the Revolving Loan available to the Administrative Agent, in immediately available funds, in the Administrative Agent's Accounts no later than 3:00 p.m. (New York City time) (provided that the Administrative Agent requests payment from such Revolving Loan Lender not later than 1:00 p.m. (New York City time)) on the date of the proposed Revolving Loan. The Administrative Agent will make the proceeds of such Revolving Loans available to the Borrower on the day of the proposed Revolving Loan by causing an amount, in immediately available funds, equal to the proceeds of all such Revolving Loans received by the Administrative Agent in the Administrative Agent's Accounts or the amount funded by the Administrative Agent on behalf of the Revolving Loan Lenders to be wired to an account designated by the Borrower.

(iii) If the Administrative Agent has notified the Revolving Loan Lenders that the Administrative Agent, on behalf of the Revolving Loan Lenders, will not fund a particular Revolving Loan pursuant to Section 2.02(c)(ii), the Administrative Agent may assume that each such Revolving Loan Lender has made such amount available to the Administrative Agent on such day and the Administrative Agent, in its sole discretion, may, but shall not be obligated to, cause a corresponding amount to be made available to the Borrower on such day. If the Administrative Agent makes such corresponding amount available to the Borrower and such corresponding amount is not in fact made available to the Administrative Agent by any such Revolving Loan Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrower shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account.

(iv) Nothing in this Section 2.02(c) shall be deemed to relieve any Revolving Loan Lender from its obligations to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(d) (i) With respect to all periods for which the Administrative Agent has funded Revolving Loans pursuant to Section 2.02(c), on Friday of each week, or if the applicable Friday is not a Business Day, then on the following Business Day, or such shorter period as the Administrative Agent may from time to time select (any such week or shorter period being herein called a "Settlement Period"), the Administrative Agent shall notify each Revolving Loan Lender of the unpaid principal amount of the Revolving Loans outstanding as of the last day of each such Settlement Period. In the event that such amount is greater than the unpaid principal amount of the Revolving Loans outstanding on the last day of

the Settlement Period immediately preceding such Settlement Period (or, if there has been no preceding Settlement Period, the amount of the Revolving Loans made on the date of such Revolving Loan Lender's initial funding), each Revolving Loan Lender shall promptly (and in any event not later than 2:00 p.m. (New York City time) if the Administrative Agent requests payment from such Lender not later than 12:00 noon (New York City time) on such day) make available to the Administrative Agent its Pro Rata Share of the difference in immediately available funds. In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrower for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the Administrative Agent and each Revolving Loan Lender under this Section 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

(ii) In the event that any Revolving Loan Lender fails to make any payment required to be made by it pursuant to Section 2.02(d)(i), the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrower shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account. Nothing in this Section 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

Section 2.03 Repayment of Loans; Evidence of Debt. (a) The outstanding principal of all Revolving Loans shall be due and payable on the Final Maturity Date or, if earlier, on the date on which they are declared due and payable pursuant to the terms of this Agreement.

(b) The outstanding principal amount of the Term Loan shall be repayable (w) in an aggregate amount equal to $15,000,000 on or prior to April 15, 2023, (x) in an aggregate amount equal to $20,000,000 (inclusive of the amount specified in clause (w)) on or prior to June 15, 2023; (y) in an aggregate amount equal to $25,000,000 (inclusive of the amounts specified in clauses (w) and (x)) on or prior to September 15, 2023; and (z) in consecutive quarterly installments on the last Business Day of each fiscal quarter of Holdings and its Subsidiaries starting with the fiscal quarter ending December 31, 2023, each in an amount equal to $687,500.00; provided, however, that the last such installment of principal required to be repaid in accordance with clause (z) above shall be in the amount necessary to repay in full the unpaid principal amount of the Term Loan. The outstanding unpaid principal amount of

the Term Loan, and all accrued and unpaid interest thereon, together with all other Obligations, shall be due and payable on the earliest of (i) the termination of the Total Revolving Credit Commitment, (ii) the Final Maturity Date, and (iii) the date on which the Term Loan is declared due and payable pursuant to the terms of this Agreement.

(c) Each Lender shall maintain, in accordance with its usual practice, an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(d) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(e) The entries made in the accounts maintained pursuant to Section 2.03(c) or Section 2.03(d) shall be prima facie evidence of the existence and amounts of the obligations recorded therein; provided that (i) the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement and (ii) in the event of any conflict between the entries made in the accounts maintained pursuant to Section 2.03(c) and the accounts maintained pursuant to Section 2.03(d), the accounts maintained pursuant to Section 2.03(d) shall govern and control.

(f) Any Lender may request that Loans made by it be evidenced by a promissory note. In such event, the Borrower shall execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) in a form furnished by the Collateral Agent and reasonably acceptable to the Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 12.07) be represented by one or more promissory notes in such form payable to the payee named therein (or to such payee and its registered assigns).

Section 2.04 Interest.

(a) Revolving Loans. Subject to the terms of this Agreement, at the option of the Borrower, each Revolving Loan shall be either a Reference Rate Loan or a SOFR Loan. Each Revolving Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of such Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin. Each Revolving Loan that is a SOFR Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of such Loan until repaid, at a rate per annum equal to Adjusted Term SOFR plus the Applicable Margin.

(b) Term Loan. Subject to the terms of this Agreement, at the option of the Borrower, the Term Loan or any portion thereof shall be either a Reference Rate Loan or a SOFR Loan. Each portion of the Term Loan that is a Reference Rate Loan shall bear interest on the principal amount thereof from time to time outstanding, from the date of the Term Loan until repaid, at a rate per annum equal to the Reference Rate plus the Applicable Margin, and each portion of the Term Loan that is a SOFR Loan shall bear interest on the principal amount thereof from time to time outstanding, from the

date of the Term Loan until repaid, at a rate per annum equal to Adjusted Term SOFR plus the Applicable Margin.

(c) Default Interest. To the extent permitted by law and notwithstanding anything to the contrary in this Section, upon the occurrence and during the continuance of an Event of Default, the principal of, and all accrued and unpaid interest on, all Loans, fees, indemnities or any other Obligations of the Loan Parties under this Agreement and the other Loan Documents, shall bear interest, from the date such Event of Default occurred until the date such Event of Default is cured or waived in writing in accordance herewith, at a rate per annum equal at all times to the Post-Default Rate.

(d) Interest Payment. Interest on each Loan shall be payable (i) in the case of a Reference Rate Loan, monthly, in arrears, on the last Business Day of each month, commencing on the last Business Day of the month following the month in which such Loan is made, (ii) in the case of a SOFR Loan, on the last day of the then effective Interest Period applicable to such Loan, and (iii) in the case of each Loan, at maturity (whether upon demand, by acceleration or otherwise). Interest at the Post-Default Rate shall be payable on demand. The Borrower hereby authorizes the Administrative Agent to, and the Administrative Agent may in its sole discretion, from time to time, charge the Loan Account pursuant to Section 4.01 with the amount of any interest payment due hereunder. Notwithstanding the foregoing, any interest payment (including at the Post-Default Rate) due hereunder shall be payable in full in cash when such interest payment is due unless the Required Lenders, in their sole discretion, have determined that such payments shall instead be capitalized and added to the principal balance of the Term Loan or Revolving Loan (as applicable) following notice thereof to the Borrower (it being understood and agreed that the application to the principal balance of such Obligations at any time does not constitute a waiver of any Default or Event of Default arising as a result of the Loan Parties' failure to pay such interest in cash).

(e) General. All interest shall be computed on the basis of a year of 360 days for the actual number of days, including the first day but excluding the last day, elapsed. For the avoidance of doubt, no date of payment shall be included in any computation.

Section 2.05 Increase in Revolving Credit Commitment.

(a) The Borrower may request an increase in Revolving Credit Commitments from the existing Revolving Loan Lenders from time to time upon not less than 15 days' written notice to Administrative Agent and the Revolving Loan Lenders, as long as (i) the requested increase is offered on the same terms as the existing Revolving Credit Commitments, (ii) such new Revolving Credit Commitments shall be available at any time prior to the Final Maturity Date, (iii) the Revolving Loan made pursuant to such Revolving Credit Commitments are used for the general corporate purposes of the Borrower (including in connection with Permitted Acquisitions), and (iv) the Administrative Agent and the Revolving Loan Lenders consent in their sole discretion to such increase at the time of the request thereof (any Revolving Loans extended pursuant to this Section 2.05, "Incremental Revolving Loans").

(b) Upon satisfaction of the criteria set forth in Section 2.05(a), Administrative Agent shall promptly notify the existing Revolving Loan Lenders of the requested increase and, within 3 Business Days thereafter, each existing Revolving Loan Lender shall notify Administrative Agent in writing if and to what extent such existing Revolving Loan Lenders commits to increase its Revolving Credit Commitment. Any existing Revolving Loan Lenders not responding within such period shall be deemed to have declined an increase. For the avoidance of doubt, no existing Revolving Loan Lender shall be obligated to participate in any extension of Incremental Revolving Loans. All such increased Revolving Credit Commitments among committing Revolving Loan Lenders in connection with

Incremental Revolving Loans shall be allocated on a pro rata basis (in accordance with such Revolving Loan Lenders Pro Rata Shares of the current Revolving Credit Commitments) between such participating Revolving Loan Lenders (or on such other basis as the participating Revolving Loan Lenders agree in their sole discretion). The Total Revolving Credit Commitment shall be increased by the requested amount (or such lesser amount committed) on a date agreed upon by Administrative Agent, the participating Revolving Loan Lenders and the Borrower and all such Incremental Revolving Loans made shall be deemed a "Revolving Loan" hereunder. The Administrative Agent, the Borrower, and the existing Revolving Loan Lenders making new Revolving Loans shall execute and deliver such customary documents and agreements as Administrative Agent deems reasonably appropriate to evidence the increase in and allocations of Revolving Credit Commitments. On the effective date of any such increase, the outstanding Revolving Loans and other exposures under the Revolving Credit Commitments shall be reallocated among Revolving Loan Lenders, and settled by Administrative Agent as necessary, in accordance with Revolving Loan Lenders' adjusted shares of such Revolving Credit Commitments.

Section 2.06 Reduction of Commitment; Prepayment of Loans.

(a) Reduction of Commitments.

(i) Revolving Credit Commitments. The Total Revolving Credit Commitment shall terminate on the Final Maturity Date. The Borrower may reduce the Total Revolving Credit Commitment to an amount (which may be zero) not less than the sum of (A) the aggregate unpaid principal amount of all Revolving Loans then outstanding, and (B) the aggregate principal amount of all Revolving Loans not yet made as to which a Notice of Borrowing has been given by the Borrower under Section 2.02. Each such reduction shall be (1) in an amount which is an integral multiple of $1,000,000 (or by the full amount of the Total Revolving Credit Commitment in effect immediately prior to such reduction if such amount at that time is less than $1,000,000), (2) made by providing prior to 5:00 p.m. New York City time, not less than five (5) Business Days' prior written notice to the Administrative Agent, (3) irrevocable and (4) accompanied by the payment of the Applicable Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment. Once reduced, the Total Revolving Credit Commitment may not be increased. Each such reduction of the Total Revolving Credit Commitment shall reduce the Revolving Credit Commitment of each Lender proportionately in accordance with its Pro Rata Share thereof.

(ii) Term Loan. The Total Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the Effective Date.

(b) Optional Prepayment.

(i) Revolving Loans. The Borrower may, at any time and from time to time, upon written notice delivered by 5:00 p.m. New York City time, ten Business Days' prior to the proposed prepayment date, prepay the principal of any Revolving Loan, in whole or in part. Each prepayment made pursuant to this Section 2.06(b)(i) in connection with a reduction of the Total Revolving Credit Commitment pursuant to Section 2.06(a)(i) above shall be accompanied by the payment of the Applicable Premium, if any, payable in connection with such reduction of the Total Revolving Credit Commitment.

(ii) Term Loan. The Borrower may, at any time and from time to time, by 5:00 p.m. (New York City time) upon at least five (5) Business Days' prior written notice to the Administrative Agent, prepay the principal of the Term Loan, in whole or in part. Each prepayment made pursuant to this Section 2.06(b)(ii) shall be accompanied by the payment of (A) accrued interest to

the date of such payment on the amount prepaid and (B) the Applicable Premium, if any, payable in connection with such prepayment of the Term Loan. Each such prepayment shall be applied against the remaining installments of principal due on the Term Loan in the inverse order of maturity.

(iii) Termination of Agreement. The Borrower may, upon at least 30 days prior written notice to the Administrative Agent, terminate this Agreement by paying to the Administrative Agent, in full in cash, the Obligations, plus the Applicable Premium, if any, payable in connection with such termination of this Agreement. If the Borrower has sent a notice of termination pursuant to this Section 2.06(b)(iii), then the Lenders' obligations to extend credit hereunder shall terminate and the Borrower shall be obligated to repay the Obligations, in full in cash, plus the Applicable Premium, if any, payable in connection with such termination of this Agreement on the date set forth as the date of termination of this Agreement in such notice.

(c) Mandatory Prepayment.

(i) Within three (3) Business Days after the delivery to the Agents and the Lenders of audited annual financial statements pursuant to Section 7.01(a)(iii), commencing with the delivery to the Agents and the Lenders of the financial statements for the Fiscal Year ended December 31, 2022 or, if such financial statements are not delivered to the Agents and the Lenders on the date such statements are required to be delivered pursuant to Section 7.01(a)(iii), by the date three (3) Business Days after the date such statements are required to be delivered to the Agents and the Lenders pursuant to Section 7.01(a)(iii), the Borrower shall prepay the outstanding principal amount of the Loans in accordance with Section 2.06(d) in an amount equal to the result of (to the extent positive) (1) ECF Percentage of Holdings and its Subsidiaries for such Fiscal Year minus (2) the aggregate principal amount of all payments made by the Borrower pursuant to Section 2.06(b) for such Fiscal Year (in the case of payments made by the Borrower pursuant to Section 2.06(b)(i), only to the extent that the Total Revolving Credit Commitment is permanently reduced by the amount of such payments).

(ii) Immediately upon any Disposition (excluding Dispositions which qualify as Permitted Dispositions under clauses (a), (b), (c), (d), (e), (f), (g), (h) or (j) of the definition of Permitted Disposition) by any Loan Party or its Subsidiaries, the Borrower shall prepay the outstanding principal amount of the Loans in accordance with Section 2.06(d) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection with such Disposition to the extent that the aggregate amount of Net Cash Proceeds received by all Loan Parties and their Subsidiaries (and not paid to the Administrative Agent as a prepayment of the Loans) shall exceed for all such Dispositions $250,000 in any Fiscal Year. Nothing contained in this Section 2.06(c)(ii) shall permit any Loan Party or any of its Subsidiaries to make a Disposition of any property other than in accordance with Section 7.02(c)(ii).

(iii) Immediately upon the receipt of Net Cash Proceeds (A) from the issuance or incurrence by any Loan Party or any of its Subsidiaries of any Indebtedness (other than Permitted Indebtedness), the Borrower shall prepay the outstanding amount of the Loans in accordance with Section 2.06(d) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith or (B) upon an Equity Issuance (other than any Excluded Equity Issuances), the Borrower shall prepay the outstanding amount of the Loans in accordance with Section 2.06(d) in an amount equal to 25% of the Net Cash Proceeds received by such Person in connection therewith. The provisions of this Section 2.06(c)(iii) shall not be deemed to be implied consent to any such issuance, incurrence or sale otherwise prohibited by the terms and conditions of this Agreement.

(iv) Immediately upon the receipt by any Loan Party or any of its Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay the outstanding principal of the Loans in accordance with Section 2.06(d) in an amount equal to 100% of the Net Cash Proceeds received by such Person in connection therewith.

(v) Immediately upon receipt by the Borrower of the proceeds of any Permitted Cure Equity pursuant to Section 9.02, the Borrower shall prepay the outstanding principal of the Loans in accordance with Section 2.06(d) in an amount equal to 100% of such proceeds.

(vi) Notwithstanding the foregoing, with respect to Net Cash Proceeds received by any Loan Party or any of its Subsidiaries in connection with a Disposition or the receipt of Extraordinary Receipts consisting of insurance proceeds or condemnation awards that are required to be used to prepay the Obligations pursuant to Section 2.06(c)(ii) or Section 2.06(c)(iv), as the case may be, up to $250,000 in the aggregate in any Fiscal Year of the Net Cash Proceeds from all such Dispositions and Extraordinary Receipts shall not be required to be so used to prepay the Obligations to the extent that such Net Cash Proceeds are used to replace, repair or restore properties or assets (other than current assets) used in such Person's business, provided that, (A) no Default or Event of Default has occurred and is continuing on the date such Person receives such Net Cash Proceeds, (B) the Borrower delivers a certificate to the Administrative Agent within five (5) days after such Disposition or loss, destruction or taking, as the case may be, stating that such Net Cash Proceeds shall be used to replace, repair or restore properties or assets used in such Person's business within a period specified in such certificate not to exceed 120 days after the date of receipt of such Net Cash Proceeds (which certificate shall set forth estimates of the Net Cash Proceeds to be so expended); provided that such Net Cash Proceeds shall actually be reinvested within an additional 90 days thereafter, (C) such Net Cash Proceeds are deposited in an account subject to a Control Agreement, and (D) upon the earlier of (1) the expiration of the period specified in the relevant certificate furnished to the Administrative Agent pursuant to clause (B) above or (2) the occurrence of a Default or an Event of Default, such Net Cash Proceeds, if not theretofore so used, shall be used to prepay the Obligations in accordance with Section 2.06(c)(ii) or Section 2.06(c)(iv) as applicable

(vii) At any time prior to the date when all of the 2023 Incremental Revolving Loans have been voluntarily repaid in full in cash and the 2023 Incremental Revolving Commitments have been voluntarily terminated, when the aggregate amount of cash of the Loan Parties exceeds $2,000,000 for two (2) consecutive Business Days, the Borrower shall deposit (on the third day (or, if not a Business Day, the next succeeding Business Day) such excess amount but only to the extent that the balance in the Blocked Account would not exceed $3,000,000.

(d) Application of Payments. Each prepayment pursuant to subsections (c)(i), (c)(ii), (c)(iii), (c)(iv) and (c)(v) above shall be applied, first, to the Term Loan, until paid in full, and second, to the Revolving Loans (with a corresponding permanent reduction in the Revolving Credit Commitments), until paid in full in cash. Each such prepayment of the Term Loan shall be applied against the remaining installments of principal of the Term Loan in the inverse order of maturity. Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default, if the Administrative Agent has elected, or has been directed by the Collateral Agent or the Required Lenders, to apply payments in respect of any Obligations in accordance with Section 4.03(b), prepayments required under Section 2.06(c) shall be applied in the manner set forth in Section 4.03(b).

(e) Interest and Fees. Any prepayment made pursuant to this Section 2.06 shall be accompanied by (i) accrued interest on the principal amount being prepaid to the date of prepayment, (ii) any Funding Losses payable pursuant to Section 2.09, (iii) the Applicable Premium, if any, payable in

connection with such prepayment of the Loans to the extent required under Section 2.07(c) and (iv) if such prepayment would reduce the amount of the outstanding Loans to zero at a time when the Total Revolving Credit Commitment has been terminated, such prepayment shall be accompanied by the payment of all fees accrued to such date pursuant to Section 2.07.

(f) Cumulative Prepayments. Except as otherwise expressly provided in this Section 2.06, payments with respect to any subsection of this Section 2.06 are in addition to payments made or required to be made under any other subsection of this Section 2.06.

(g) Waivable Mandatory Prepayments. Anything contained herein to the contrary notwithstanding, in the event that the Borrower are required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Loans pursuant to Section 2.06(c), not less than 12:00 noon (New York City time) two (2) Business Days prior to the date on which the Borrower are required to make such Waivable Mandatory Prepayment (the "Required Prepayment Date"), the Borrower shall notify the Administrative Agent in writing of the amount of such prepayment, and the Administrative Agent will promptly thereafter notify each Lender of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to the Borrower and the Administrative Agent of its election to do so on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date (it being understood that any Lender that does not notify the Borrower and the Administrative Agent of its election to exercise such option on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option, to prepay the Loans of such Lenders (which prepayment shall be applied to prepay the outstanding principal amount of the Obligations in accordance with Section 2.06(d)) and (ii) to the extent of any excess, to the Borrower for working capital and general corporate purposes.

Section 2.07 Fees.

(a) [Reserved].

(b) Unused Line Fee. The Borrower agrees to pay to the Administrative Agent an unused line fee (the "Unused Line Fee") for the account of each Revolving Loan Lender, which shall accrue at a rate per annum equal to 2% on the amount of the undrawn portion of the Revolving Credit Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Lenders' Revolving Credit Commitments terminate. The Unused Line Fee shall accrue through and including the last day of March, June, September and December of each year shall be due and payable in arrears on the such last day and on the date on which the Revolving Credit Commitments terminate, commencing on the first such date to occur after the date hereof.

(c) Applicable Premium.

(i) Upon the occurrence of an Applicable Premium Trigger Event, the Borrower shall pay to the Administrative Agent, for the account of the Lenders in accordance with their Pro Rata Shares, the Applicable Premium.

(ii) Any Applicable Premium payable in accordance with this Section 2.07(c) shall be presumed to be equal to the liquidated damages sustained by the Lenders as the result of the occurrence of the Applicable Premium Trigger Event and the Loan Parties agree that it is reasonable under the circumstances currently existing. THE LOAN PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREMIUM IN CONNECTION WITH ANY ACCELERATION.

(iii) The Loan Parties expressly agree that: (A) the Applicable Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium; (D) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph; (E) their agreement to pay the Applicable Premium is a material inducement to Lenders to provide the Commitments and make the Loans, and (F) the Applicable Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such Applicable Premium Trigger Event.

(iv) Nothing contained in this Section 2.07(c) shall permit any prepayment of the Loans or reduction of the Commitments not otherwise permitted by the terms of this Agreement or any other Loan Document.

(d) Audit and Collateral Monitoring Fees. The Borrower acknowledges that pursuant to Section 7.01(f), representatives of the Agents may, upon reasonable advance notice, visit any or all of the Loan Parties and/or conduct inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations of any or all of the Loan Parties at any reasonable time and from time to time. The Borrower agrees to pay (i) $1,500 per day per examiner plus the examiner's out-of-pocket costs and reasonable expenses incurred in connection with all such visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations and (ii) the cost of all visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations conducted by a third party on behalf of the Agents).

(e) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrower shall pay the fees set forth in the Fee Letter.

Section 2.08 SOFR Option.

(a) The Borrower may, at any time and from time to time, so long as no Default or Event of Default has occurred and is continuing, elect to have interest on all or a portion of the Loans be charged at a rate of interest based upon Adjusted Term SOFR (the "SOFR Option") by notifying the Administrative Agent in writing prior to 11:00 a.m. (New York City time) at least three (3) Business Days prior to (i) the proposed borrowing date of a Loan (as provided in Section 2.02), (ii) in the case of the conversion of a Reference Rate Loan to a SOFR Loan, the commencement of the proposed Interest Period or (iii) in the case of the continuation of a SOFR Loan as a SOFR Loan, the last day of the then current Interest Period (the "SOFR Deadline"). Notice of the Borrower's election of the SOFR Option for a permitted portion of the Loans pursuant to this Section 2.08(a) shall be made by delivery to the Administrative Agent of (A) a Notice of Borrowing (in the case of the initial making of a Loan) in

accordance with Section 2.02 or (B) a notice in writing, in substantially the form of Exhibit D hereto (a "SOFR Notice") prior to the SOFR Deadline. Promptly upon its receipt of each such SOFR Notice, the Administrative Agent shall provide a copy thereof to each of the Lenders. Each SOFR Notice shall be irrevocable and binding on the Borrower.

(b) Interest on SOFR Loans shall be payable in accordance with Section 2.04(d). On the last day of each applicable Interest Period, unless the Borrower properly have exercised the SOFR Option with respect thereto, the interest rate applicable to such SOFR Loans automatically shall convert to the rate of interest then applicable to Reference Rate Loans of the same type hereunder. At any time that a Default or an Event of Default has occurred and is continuing, the Borrower no longer shall have the option to request that any portion of the Loans bear interest at Adjusted Term SOFR and the Administrative Agent shall have the right (but not the obligation) to convert the interest rate on all outstanding SOFR Loans to the rate of interest then applicable to Reference Rate Loans of the same type hereunder on the last day of the then current Interest Period.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower (i) shall have not more than three (3) SOFR Loans in effect at any given time, and (ii) only may exercise the SOFR Option for SOFR Loans of at least $500,000 and integral multiples of $100,000 in excess thereof.

(d) The Borrower may prepay SOFR Loans at any time; provided, however, that in the event that SOFR Loans are prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any mandatory prepayment pursuant to Section 2.06(c) or any application of payments or proceeds of Collateral in accordance with Section 4.03 or Section 4.04 or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, the Borrower shall indemnify, defend, and hold the Agents and the Lenders and their participants harmless against any and all Funding Losses in accordance with Section 2.09.

(e) [Reserved].

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Required Lenders may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. The parties shall use commercially reasonable efforts to satisfy any applicable IRS guidance, including Treasury Regulation Section 1.1001-6 and any future guidance, to the effect that the implementation of a Benchmark Replacement will not result in a deemed exchange for U.S. federal income tax purposes of any Loan under this Agreement for U.S. federal income tax purposes.

(g) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(h) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. Any determination, decision or election that may be made by the Administrative Agent and the Required Lenders pursuant to this Section 2.08, including any determination with respect to a tenor,

rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(j) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Reference Rate Loans.

Section 2.09 Funding Losses. In connection with each SOFR Loan, the Borrower shall indemnify, defend, and hold the Agents and the Lenders harmless against any loss, cost, or expense incurred by any Agent or any Lender as a result of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default or an Event of Default or any mandatory prepayment required pursuant to Section 2.06(c)), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of a Default or an Event of Default), or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any Notice of Borrowing or SOFR Notice delivered pursuant hereto (such losses, costs, and expenses, collectively, "Funding Losses"). Funding Losses shall, with respect to any Agent or any Lender, be deemed to equal the amount reasonably determined by such Agent or such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such SOFR Loan had such event not occurred, at Adjusted Term SOFR that would have been applicable thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period therefor), minus (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Agent or such Lender would be offered were it to be offered, at the commencement of such period, Dollar deposits of a comparable amount and period in the London interbank market. A certificate of an Agent or a Lender delivered to the Borrower setting forth any amount or amounts that such Agent or such Lender is entitled to receive pursuant to this Section 2.09) shall be conclusive absent manifest error.

Section 2.10 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without

deduction or withholding for any and all Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of any Withholding Agent) requires the deduction or withholding of any Taxes from or in respect of any such payment, (i) the applicable Withholding Agent shall make such deduction or withholding, (ii) the applicable Withholding Agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased by the amount (an "Additional Amount") necessary such that after making such deduction or withholding (including deductions and with Holdings applicable to Additional Amount payable under this Section 2.10) the applicable Recipient receives the amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes by any Secured Party.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Secured Party harmless from and against Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.10) paid or payable by such Secured Party or required to be withheld or deducted from a payment to such Secured Party and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally asserted. Such indemnification shall be paid within 10 days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes. A certificate as to the amount of such payment or liability delivered to the Borrower by a Secured Party (with a copy to the Administrative Agent) or on behalf of another Secured Party shall be conclusive absent manifest error.

(d) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.10(d)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person (a "Foreign Lender") shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 2.09(d)-1 hereto to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-2 or Exhibit 2.09(d)-3, IRS Form W-9, or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by

applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Agent in writing of its legal inability to do so.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.07(i) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.10 (including by the payment of Additional Amounts pursuant to this Section 2.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.10 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) The obligations of the Loan Parties under this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) Promptly after any payment of Taxes by the Loan Parties to a Governmental Authority pursuant to this Section 2.10, the Loan Parties shall deliver to the Administrative Agent the

original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

Section 2.11 Increased Costs and Reduced Return. (a) If any Secured Party shall have determined that any Change in Law shall (i) subject such Secured Party, or any Person controlling such Secured Party to any tax, duty or other charge with respect to this Agreement or any Loan made by such Agent or such Lender (except for (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes), (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Secured Party or any Person controlling such Secured Party or (iii) impose on such Secured Party or any Person controlling such Secured Party any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Secured Party of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Secured Party hereunder, then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party such additional amounts as will compensate such Secured Party for such increased costs or reductions in amount.

(b) If any Secured Party shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Secured Party or any Person controlling such Secured Party, and such Secured Party determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Secured Party's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Secured Party's or such other controlling Person's capital to a level below that which such Secured Party or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any agreement to make Loans, or such Secured Party's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Secured Party's or such other controlling Person's policies with respect to capital adequacy), then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party from time to time such additional amounts as will compensate such Secured Party for such cost of maintaining such increased capital or such reduction in the rate of return on such Secured Party's or such other controlling Person's capital.

(c) All amounts payable under this Section 2.11 shall bear interest from the date that is 10 days after the date of demand by any Secured Party until payment in full to such Secured Party at the Reference Rate. A certificate of such Secured Party claiming compensation under this Section 2.11, specifying the event herein above described and the nature of such event shall be submitted by such Secured Party to the Borrower, setting forth the additional amount due and an explanation of the calculation thereof, and such Secured Party's reasons for invoking the provisions of this Section 2.11, and shall be final and conclusive absent manifest error.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 2.11 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions

is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) The obligations of the Loan Parties under this Section 2.11 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.12 Changes in Law; Impracticability or Illegality.

(a) Adjusted Term SOFR may be adjusted by the Administrative Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including changes in tax laws (except to the extent such changes result in the Lender becoming liable for Indemnified Taxes or Excluded Taxes) and changes in the reserve requirements imposed by the Board of Governors of the Federal Reserve System (or any successor), which additional or increased costs would increase the cost of funding loans bearing interest at Adjusted Term SOFR. In any such event, the affected Lender shall give the Borrower and the Administrative Agent notice of such a determination and adjustment and the Administrative Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, the Borrower may, by notice to such affected Lender (i) require such Lender to furnish to the Borrower a statement setting forth the basis for adjusting such Adjusted Term SOFR and the method for determining the amount of such adjustment, or (ii) repay the SOFR Loans with respect to which such adjustment is made (together with any amounts due under Section 2.10).

(b) In the event that any change in market conditions or any law, regulation, treaty, or directive, or any change therein or in the interpretation of application thereof, shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain SOFR Loans or to continue such funding or maintaining, or to determine or charge interest rates at Adjusted Term SOFR, such Lender shall give notice of such changed circumstances to the Borrower and the Administrative Agent, and the Administrative Agent promptly shall transmit the notice to each other Lender and (i) in the case of any SOFR Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such SOFR Loans, and interest upon the SOFR Loans of such Lender thereafter shall accrue interest at the rate then applicable to Reference Rate Loans of the same type hereunder, and (ii) the Borrower shall not be entitled to elect the SOFR Option (including in any borrowing, conversion or continuation then being requested) until such Lender determines that it would no longer be unlawful or impractical to do so.

(c) The obligations of the Loan Parties under this Section 2.12 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

ARTICLE IV

APPLICATION OF PAYMENTS; DEFAULTING LENDERS

Section 4.01 Payments; Computations and Statements. (a) The Borrower will make each payment under this Agreement not later than 12:00 noon (New York City time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the

Administrative Agent's Accounts. All payments received by the Administrative Agent after 12:00 noon (New York City time) on any Business Day, may, in the Administrative Agent's sole discretion, be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrower without set-off, counterclaim, recoupment, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement. The Lenders and the Borrower hereby authorize the Administrative Agent to, and the Administrative Agent may in its sole discretion, from time to time, charge the Loan Account of the Borrower with any amount due and payable by the Borrower under any Loan Document. ~~Each~~Notwithstanding anything to the contrary contained in Section 2.01(b)(i) or this Agreement, each of the Lenders and the Borrower agrees that the Administrative Agent shall have the right to make such charges whether or not any Default or Event of Default shall have occurred and be continuing or whether any of the conditions precedent in Section 5.02 or Section 5.03 have been satisfied. Any amount charged to the Loan Account of the Borrower shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrower~~,~~ funded by the Administrative Agent on behalf of the Revolving Loan Lenders and subject to Section 2.02 of this Agreement; provided that, upon the receipt of written consent from the Required Lenders, any amount charged to the Loan Account of the Borrower for interest due and payable, (i) in the case of interest payable on any Term Loans, shall be added to the principal amount of such Term Loans by capitalizing such interest amount and adding such capitalized amount to the outstanding principal amount of such Term Loans and (ii) in the case of interest payable on any Revolving Loans, shall be added to the principal amount of such Revolving Loans by capitalizing such interest amount and adding such capitalized amount to the outstanding principal amount of such Revolving Loans. The Lenders and the Borrower confirm that any charges which the Administrative Agent may so make to the Loan Account of the Borrower as herein provided will be made as an accommodation to the Borrower and solely at the Administrative Agent's discretion, provided that the Administrative Agent shall from time to time upon the request of the Collateral Agent, charge the Loan Account of the Borrower with any amount due and payable under any Loan Document. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) If requested, the Administrative Agent shall provide the Borrower, after the end of a calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrower during such month, the amounts and dates of all Loans made to the Borrower during such month, the amounts and dates of all payments on account of the Loans to the Borrower during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrower during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, 30 days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.02 Sharing of Payments. Except as provided in Section 2.02 hereof, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account

of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that (a) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and each Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered and (b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender and any payment of an amendment, consent or waiver fee to consenting Lenders pursuant to an effective amendment, consent or waiver with respect to this Agreement), or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this Section shall apply). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 4.03 Apportionment of Payments. Subject to Section 2.02 hereof:

(a) All payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Section 2.07 hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Collateral Agent or the Required Lenders shall, apply all payments in respect of any Obligations, including without limitation, all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, to pay interest then due and payable in respect of the Collateral Agent Advances until paid in full; (iii) third, to pay principal of the Collateral Agent Advances until paid in full; (iv) fourth, ratably to pay the Revolving Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Revolving Loan Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Revolving Loans until paid in full; (vi) sixth, ratably to pay principal of the Revolving Loans until paid in full; (vii) seventh, ratably to pay the Term Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Term Loan Lenders until paid in full; (viii) eighth, ratably to pay interest then due and payable in respect of the Term Loan until paid in full; (ix) ninth, ratably to pay principal of the Term Loan until paid in full; (x) tenth, ratably to pay the Obligations in respect of any Applicable Premium then due and payable to the Lenders until paid in full; and (xi) eleventh, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 4.03(b) "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service

fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 4.03 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of Section 4.03 shall control and govern.

Section 4.04 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 12.02.

(b) The Administrative Agent shall not be obligated to transfer to such Defaulting Lender any payments made by the Borrower to the Administrative Agent for such Defaulting Lender's benefit, and, in the absence of such transfer to such Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Pro Rata Shares (without giving effect to the Pro Rata Shares of such Defaulting Lender) (but only to the extent that such Defaulting Lender's Loans were funded by the other Lenders) or, if so directed by the Borrower and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loans were not funded by the other Lenders), retain the same to be re-advanced to the Borrower as if such Defaulting Lender had made such Loans to the Borrower. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrower for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender.

(c) Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Administrative Agent to replace the Defaulting Lender with one or more substitute Lenders, and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07.

(d) The operation of this Section shall not be construed to increase or otherwise affect the Commitments of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrower of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender.

(e) This Section shall remain effective with respect to such Lender until either (i) the Obligations under this Agreement shall have been declared or shall have become immediately due and payable or (ii) the non-Defaulting Lenders, the Agents, and the Borrower shall have waived such Defaulting Lender's default in writing, and the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loans and pays to the Agents all amounts owing by such Defaulting Lender in respect thereof; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

Section 9.02 Cure Right. In the event that Holdings fails to comply with the requirements of the financial covenant set forth in Section 7.03(a) or 7.03(b), during the period from the

date that is 60 days prior to and until the expiration of the 10th Business Days after the date on which financial statements are required to be delivered with respect to the applicable fiscal quarter hereunder, Holdings shall have the right to (a) issue Permitted Cure Equity for cash or otherwise receive cash contributions to the capital of Holdings or (b) incur Additional Second Lien Indebtedness, and to have all of such cash contributions and Additional Second Lien Indebtedness deemed, for purposes of said Sections, to be both Revenue and EBITDA for such fiscal quarter (and for the avoidance of doubt, only for such fiscal quarter), including for purposes of calculating compliance with such Sections as of the last day of any subsequent fiscal quarter (the "Cure Right"); provided that (i) such proceeds are actually received by Holdings during the period from the date that is 60 days prior to and until the expiration of the 10th Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (ii) the Cure Right shall not be exercised more than five (5) times during the term of the Loans, (iii) the Cure Right shall not be exercised in consecutive fiscal quarters, (iv) such proceeds shall be applied to prepay the Loans in accordance with Section 2.06(c)(v) and (v) each such Permitted Cure Equity or Additional Second Lien Indebtedness shall be designated at the time of issuance or incurrence for application under the "Cure Right" pursuant to this Section 9.02. If, after giving effect to the treatment of such cash contributions or Additional Second Lien Indebtedness as Revenue and EBITDA, Holdings is in compliance with the financial covenant set forth in Sections 7.03(a) and 7.03(b), Holdings shall be deemed to have satisfied the requirements of each such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable breach or default of such Section 7.03(a) and/or Section 7.03(b) that had occurred shall be deemed cured for purposes of this Agreement. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Sections 7.03(a) and 7.03(b).

ARTICLE X

AGENTS

Section 10.01 Appointment. Each Lender (and each subsequent maker of any Loan by its making thereof) hereby irrevocably appoints, authorizes and empowers the Administrative Agent and the Collateral Agent to perform the duties of each such Agent as set forth in this Agreement and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto, including: (i) to receive on behalf of each Lender any payment of principal of or interest on the Loans outstanding hereunder and all other amounts accrued hereunder for the account of the Lenders and paid to such Agent, and, subject to Section 2.02 of this Agreement, to distribute promptly to each Lender its Pro Rata Share of all payments so received; (ii) to distribute to each Lender copies of all material notices and agreements received by such Agent and not required to be delivered to each Lender pursuant to the terms of this Agreement, provided that the Agents shall not have any liability to the Lenders for any Agent's inadvertent failure to distribute any such notices or agreements to the Lenders; (iii) to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Loans, and related matters and to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Collateral and related matters; (iv) to execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to this Agreement or any other Loan Document; (v) to make the Loans and Collateral Agent Advances, for such Agent or on behalf of the applicable Lenders as provided in this Agreement or any other Loan Document; (vi) to perform, exercise, and enforce any and all other rights and remedies of the Lenders with respect to the Loan Parties, the Obligations, or otherwise related to any of same to the extent reasonably incidental to the exercise by such Agent of the rights and remedies specifically authorized to be exercised by such Agent by the terms of this Agreement or any other Loan Document; (vii) to incur and pay such fees

necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to this Agreement or any other Loan Document; (viii) subject to Section 10.03, to take such action as such Agent deems appropriate on its behalf to administer the Loans and the Loan Documents and to exercise such other powers delegated to such Agent by the terms hereof or the other Loan Documents (including, without limitation, the power to give or to refuse to give notices, waivers, consents, approvals and instructions and the power to make or to refuse to make determinations and calculations); and (ix) to act with respect to all Collateral under the Loan Documents, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and such instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) shall be binding upon all Lenders and all makers of Loans; provided, however, the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to each Lender. Each Agent shall promptly notify each Lender any time that the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) have instructed such Agent to act or refrain from acting pursuant hereto.

(b) Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent or other Person (including any Lender). Any such Related Party, trustee, co-agent or other Person shall benefit from this Article X to the extent provided by the applicable Agent.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement

or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Collateral Agent receives written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof, signed by such payee and in form satisfactory to the Collateral Agent; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.03, and if any such apportionment or distribution is subsequently determined to have been made in error, and the sole recourse of any Lender to whom payment was due but not made shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, and whether or not such Agent has made demand on any Loan Party for the same, the Lenders will, within five (5) days of written demand by such Agent, reimburse such Agent and such Related Parties for and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, client charges and expenses of counsel or any other advisor to such Agent and such Related Parties), advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and the Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any

action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share, including, without limitation, advances and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Party's gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.15 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) The Collateral Agent may from time to time make such disbursements and advances ("Collateral Agent Advances") which the Collateral Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrower of the

Loans and other Obligations or to pay any other amount chargeable to the Borrower pursuant to the terms of this Agreement, including, without limitation, costs, fees and expenses as described in Section 10.18 and Section 12.04. The Collateral Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Collateral Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.01. The Collateral Agent shall notify each Lender and the Borrower in writing of each such Collateral Agent Advance, which notice shall include a description of the purpose of such Collateral Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to the Collateral Agent, upon the Collateral Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Collateral Agent Advance. If such funds are not made available to the Collateral Agent by such Lender, the Collateral Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to the Collateral Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations (other than Contingent Indemnity Obligations) in accordance with the terms hereof; or constituting property being sold or disposed of in the ordinary course of any Loan Party's business or otherwise in compliance with the terms of this Agreement and the other Loan Documents; or constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or if approved, authorized or ratified in writing by the Lenders in accordance with Section 12.02. Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and

representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering Laws, including any programs involving any of the following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5)

other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties, and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 10.13 Reports; Confidentiality; Disclaimers. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report with respect to Holdings or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding Holdings and its Subsidiaries and will rely significantly upon Holdings' and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Holdings and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.19, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.14 Collateral Custodian. Upon the occurrence and during the continuance of any Default or Event of Default, the Collateral Agent or its designee may at any time and from time to

time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrower and charged to the Loan Account.

Section 10.15 Intercreditor Agreement. Each Lender hereby grants to the Collateral Agent all requisite authority to enter into or otherwise become bound by, and to perform its obligations and exercise its rights and remedies under and in accordance with the terms of, the Intercreditor Agreement and to bind the Lenders thereto by the Collateral Agent's entering into or otherwise becoming bound thereby, and no further consent or approval on the part of any Lender is or will be required in connection with the performance by the Collateral Agent of the Intercreditor Agreement.

Section 10.16 Collateral Agent May File Proofs of Claim

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due the Collateral Agent hereunder and under the other Loan Documents.

Section 10.17 Erroneous Distribution. If all or any part of any payment or other distribution by or on behalf of the Administrative Agent to the Borrower, Lender, or other Person is determined by the Administrative Agent in its sole discretion to have been made in error as determined by the Administrative Agent (any such distribution, an "Erroneous Distribution"), then the Borrower, Lender, or other Person shall forthwith on written demand (accompanied by a reasonably detailed calculation of such Erroneous Distribution) repay to the Administrative Agent the amount of such Erroneous Distribution received by such Person. Any determination by the Administrative Agent, in its sole discretion, that all or a portion of any distribution to the Borrower, a Lender, or other Person was an Erroneous Distribution shall be conclusive absent manifest error. Each Borrower, Lender, and other

potential recipient of an Erroneous Distribution hereunder waives any claim of discharge for value and any other claim of entitlement to, or in respect of, any Erroneous Distribution.

ARTICLE XI

GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrower now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding) fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrower, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Secured Parties in enforcing any rights under the guaranty set forth in this Article XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrower to the Secured Parties under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Swap Obligations. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any Debtor Relief Law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Parties with respect thereto. Each Guarantor agrees that this Article XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this Article XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Secured Party;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Parties that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Article XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by Secured Parties or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XI and any requirement that the Secured Parties exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Secured Party to seek payment or recovery of any amounts owed under this Article XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Secured Parties shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XI, and acknowledges that this Article XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This Article XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, its Loans owing to it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Parties against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner,

payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI shall have been paid in full in cash and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XI, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Article XI thereafter arising. If (i) any Guarantor shall make payment to the Secured Parties of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XI shall be paid in full in cash and (iii) the Final Maturity Date shall have occurred, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Article XI. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Article XI such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Article XI in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Article XI that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Article XI(including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

All notices or other communications sent in accordance with this Section 12.01, shall be deemed received on the earlier of the date of actual receipt or three (3) Business Days after the deposit thereof in the mail; provided, that (i) notices sent by overnight courier service shall be deemed to have been given when received and (ii) notices by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient), provided, further that notices to any Agent pursuant to Article II shall not be effective until received by such Agent.

(b) Electronic Communications.

(i) Each Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Agents, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Agents that it is incapable of receiving notices under such Article by electronic communication.

(ii) Unless the Administrative Agent otherwise prescribes, (A) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (B) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (A), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (A) and (B) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

Section 12.02 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (a) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, (b) in the case of any other waiver or consent, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and (c) in the case of any other amendment, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver or consent shall:

(i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of any Lender, or postpone or extend any scheduled date fixed for any payment of principal of, or interest or fees on, the Loans payable to any Lender, in each case, without the written consent of such Lender;

(ii) increase the Total Commitment without the written consent of each Lender;

(iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender;

(iv) amend the definition of "Required Lenders" or "Pro Rata Share" without the written consent of each Lender;

(v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Agents and the Lenders, or release the Borrower or any Guarantor (except in connection with a Disposition of the Equity Interests thereof permitted by Section 7.02(c)(ii)), in each case, without the written consent of each Lender; provided, that the Required Lenders may elect to release all or a substantial portion of the Collateral without the requirement to obtain the written consent of each Lender if such release is in connection with (x) an exercise of remedies by the Collateral Agent at the direction of the Required Lenders pursuant to Section 9.01 or (y) any Disposition of all or a substantial portion of the Collateral by one or more of the Loan Parties with the consent of the Required Lenders after the occurrence and during the continuance of an Event of Default so long as such

Disposition is conducted in a commercially reasonable manner as if such Disposition were a disposition of collateral by a secured creditor in accordance with Article 9 of the UCC; or

(vi) amend, modify or waive Section 4.02, Section 4.03 or this Section 12.02 of this Agreement without the written consent of each Lender.

(b) Notwithstanding anything to the contrary in Section 12.02(a):

(i) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents;

(ii) any amendment, waiver or consent to any provision of this Agreement (including Sections 4.01 and 4.02) that permits any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates to purchase Loans on a non-pro rata basis, become an eligible assignee pursuant to Section 12.07 and/or make offers to make optional prepayments on a non-pro rata basis shall require the prior written consent of the Required Lenders rather than the prior written consent of each Lender directly affected thereby;

(iii) any Control Agreement, Guaranty, Mortgage, Security Agreement, collateral access agreement, landlord waiver or other agreement or document purporting to create or perfect a security interest in any of the Collateral (a "Collateral Document") may be amended, waived or otherwise modified with the consent of the applicable Agent and the applicable Loan Party without the need to obtain the consent of any Lender or any other Person if such amendment, modification, supplement or waiver is delivered in order (A) to comply with local Requirements of Law (including foreign law or regulatory requirements) or advice of local counsel, (B) to cure any ambiguity, inconsistency, omission, mistake or defect or (C) to cause such Collateral Document to be consistent with this Agreement and the other Loan Documents, and if the Administrative Agent and the Borrower shall have jointly identified an ambiguity, inconsistency, omission, mistake or defect, in each case, in any provision of any Loan Document (other than a Collateral Document), then the Administrative Agent and the Borrower shall be permitted to amend such provision; any amendment, waiver or modification pursuant to this paragraph shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof;

(iv) no consent of any Loan Party shall be required to change any order of priority set forth in Section 2.06(d) and Section 4.03;

(v) the Administrative Agent and the Borrower may enter into an amendment to this Agreement pursuant to Section 2.08(g) to reflect an alternate service or index rate and such other related changes to this Agreement as may be applicable; and

(vi) no Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates that is a Lender shall have any right to approve or disapprove any amendment, waiver or consent under the Loan Documents and any Loans held by such Person for purposes hereof shall be automatically deemed to be voted pro rata according to the Loans of all other Lenders in the aggregate (other than such Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or Affiliate).

(c) If any action to be taken by the Lenders hereunder requires the consent, authorization, or agreement of all of the Lenders or any Lender affected thereby, and a Lender other than the Collateral Agent and the Administrative Agent and their respective Affiliates and Related Funds (the "Holdout Lender") fails to give its consent, authorization, or agreement, then the Collateral Agent, upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute lenders (each, a "Replacement Lender"), and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07. Until such time as the Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Taxes; Attorneys' Fees. The Borrower will pay on demand, all costs and expenses incurred by or on behalf of each Agent (and, in the case of clauses (b) through (m) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable fees, costs, client charges and expenses of counsel for each Agent (and, in the case of clauses (b) through (m) below, each Lender), accounting, due diligence, periodic field audits, physical counts, valuations, investigations, searches and filings, monitoring of assets, appraisals of Collateral, the rating of the Loans, title searches and reviewing environmental assessments, miscellaneous disbursements, examination, travel, lodging and meals, arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition, complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral or other security, in connection with this Agreement or any other Loan

Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral or other security in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral or other security in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party, (j) any Environmental Claim, Environmental Liability or Remedial Action arising from or in connection with the past, present or future operations of, or any property currently, formerly or in the future owned, leased or operated by, any Loan Party, any of its Subsidiaries or any predecessor in interest, (k) any Environmental Lien, (l) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (m) the receipt by any Agent or any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrower agrees to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents and (y) if the Borrower fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrower. The obligations of the Borrower under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender or any of their respective Affiliates to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of set-off, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 4.04 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agents and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender or any of their respective Affiliates provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights

hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void.

(b) Subject to the conditions set forth in clause (c) below, each Lender may assign to one or more other lenders or other entities all or a portion of its rights and obligations under this Agreement with respect to:

(i) all or a portion of its Term Loan Commitment and any Term Loan made by it with the written consent of the Borrower (such consent not to be unreasonably withheld) and each Agent, and

(ii) all or a portion of its Revolving Credit Commitment and the Revolving Loans made by it with the written consent the Borrower (such consent not to be unreasonably withheld) and each Agent;

provided, however, that no written consent of the Borrower, the Collateral Agent or the Administrative Agent shall be required (A) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender; provided further, that under this Section 12.07(b), the consent of the Borrower shall not be required if an Event of Default has occurred and is continuing.

(c) Assignments shall be subject to the following additional conditions:

(i) Each such assignment shall be in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (A) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof);

(ii) The parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Administrative Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and all documentation and other information that such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering or terrorist financing rules and regulations, including the USA PATRIOT Act; and

(iii) No such assignment shall be made to (A) any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates or (B) any Defaulting Lender or any of its Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(d) Upon such execution, delivery and acceptance, from and after the recordation date of each Assignment and Acceptance on the Register, , (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to

such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(f) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain, or cause to be maintained at one of its offices, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon)owing to each Lender from time to time. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior written notice.

(g) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Borrower, Administrative Agent or the Collateral Agent pursuant to Section 12.07(b) (which consent of the applicable Agent and Borrower must be evidenced by such Agent's or Borrower's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register (as adjusted to reflect any principal payments on or amounts capitalized and added to the principal balance of the Loans and/or Commitment reductions made subsequent to the effective date of the applicable assignment, as confirmed in writing by the corresponding assignor and assignee in conjunction with delivery of the assignment to the Administrative Agent) and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(h) A Loan (and the note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each note shall expressly so provide). Any assignment or sale of all or part of a Loan (and the note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Register, together with the surrender of the note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s).

(i) If any Lender sells participations in a Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrower, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Loans held by it and the principal amount (and stated interest thereon) of the portion of the Loan that is the subject of the participation (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under the Code or Treasury Regulations, including without limitation, Section 5f.103-1(c) of the United States Treasury Regulations. A Loan (and the note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each note shall expressly so provide). Any participation of such Loan (and the note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(j) Any Person who purchases or is assigned or participates in any portion of such Loan shall comply with Section 2.10(d).

(k) Each Lender may sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefit of Section 2.10 and Section 2.11 of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it were a Lender; provided that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 2.11 with respect to its participation than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation.

(l) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telecopier or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telecopier or electronic mail also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE.

(a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY ANY MEANS PERMITTED BY APPLICABLE LAW, INCLUDING, WITHOUT LIMITATION, BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01, SUCH SERVICE TO BECOME EFFECTIVE 10 DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED

AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) Each Loan Party irrevocably and unconditionally agrees that it will not commence any action or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender, in its sole discretion, with or without any reason, and without being subject to question or challenge on the grounds that such Action was not taken in good faith.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Secured Party for repayment or recovery of any amount or amounts received by such Secured Party in payment or on account of any of the Obligations, such Secured Party shall give prompt notice of such claim to each other Agent and Lender and the Borrower, and if such Secured Party repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Secured Party or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Secured Party with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Secured Party hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Secured Party.

Section 12.15 Indemnification; Limitation of Liability for Certain Damages.

(a) In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Secured Party and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document, of any Environmental Claim or any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrower under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans or the Borrower's use of the proceeds thereof, (iii) the Agents and the Lenders relying on any instructions of the Borrower or the handling of the Loan Account and Collateral of the Borrower as herein provided, (iv) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (v) any claim, including any Environmental litigation, investigation or proceeding relating to or arising out of any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this subsection (a) for any Indemnified Matter caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(b) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees set forth in this Section 12.15 are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees.

(c) No Loan Party shall assert, and each Loan Party hereby waives, any claim against the Indemnitees, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or

thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or seek any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(d) The indemnities and waivers set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

(e) Section 12.15 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.16 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.07 hereof, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.17 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.18 Highest Lawful Rate. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrower); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall, subject to the last sentence of this Section 12.18, be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrower). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or

detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.18 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.18.

For purposes of this Section 12.18, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrower, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.19 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made either will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.19 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization, so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.19); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority; (v) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (viii) to any other Person if such information is general portfolio information that does not identity the Loan Parties, or (ix) with the

consent of the Borrower. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to any Agent or any Lender in connection with the administration of this Agreement, the other Loan Documents and the Commitments.

Section 12.20 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required to do so under applicable law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure). Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrower, to advertise the closing of the transactions contemplated by this Agreement, and to make appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem appropriate, including, without limitation, on a home page or similar place for dissemination of information on the Internet or worldwide web, or in announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem appropriate.

Section 12.21 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.22 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrower, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrower in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and deliver at its sole cost and expense, such instruments and documents as any Lender may reasonably require from time to time in order to enable such Lender to comply with the USA PATRIOT Act.

EXHIBIT 14

First Amendment to the Prepetition 1L Forbearance Agreement

EXECUTION VERSION

FIRST AMENDMENT TO FORBEARANCE AGREEMENT

This **FIRST AMENDMENT**, dated as of May 14, 2023 (this "Agreement"), amends that certain Forbearance Agreement, dated as of April 18, 2023 (the "Existing Forbearance Agreement"), by and among AN Global, LLC, a Delaware limited liability company (the "Borrower") and each of the Borrower's affiliates listed as a "Guarantor" on the signature pages to the Financing Agreement (as defined in the Existing Forbearance Agreement), the Lenders party thereto, Blue Torch Finance LLC, a Delaware limited liability company ("Blue Torch"), as administrative agent and collateral agent for the Lenders (in such capacities, together with its successors and assigns, the "Agents"). All capitalized terms used and not defined herein shall have the respective meanings ascribed thereto in the Existing Forbearance Agreement.

RECITALS

WHEREAS, the Existing Forbearance Agreement terminated prior to the date hereof, and the Loan Parties requested that the Agents and Lenders agree to extend their agreement to forbear from exercising their respective rights and remedies for a period of time, and Agents and Lenders have agreed to such forbearance subject to the satisfaction of, and continued compliance with, the terms and conditions set forth in the Existing Forbearance Agreement, as amended by this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. April Interest Payment; Acknowledgment of Debt. On April 20, 2023, in connection with the Forbearance Agreement and Amendment No. 5, the Borrower paid to the Administrative Agent, for the benefit of the Lenders, (i) the forbearance and amendment fee in an amount equal to $350,000, (ii) the Use Fee (as defined in the Fee Letter), in an amount equal to $150,000 and (iii) the Refundable Fee (as defined in the Fee Letter) in an amount equal to $1,000,000, which fees, in each case, were capitalized and added to the outstanding principal balance of the Obligations. On April 28, 2023, the Borrower failed to make an interest payment then due and payable, including after giving effect to the applicable grace period and requested that such amount of interest be capitalized and added to the outstanding principal balance of the Obligations. The Agents and Lenders hereby agree to such capitalization. Consequently, as of the close of business on April 28, 2023, each Loan Party was indebted, jointly and severally, to Lenders and Agent, without defense, deduction, setoff, claim or counterclaim, of any nature, under the Financing Agreement and the other Loan Documents in the aggregate principal amount of not less than $74,357,308.42, plus accrued and continually accruing interest and all fees, costs and expenses in accordance with the Loan Documents.

2. Acknowledgment of Defaults. Each Loan Party acknowledges and agrees that, on and as of the date hereof: (i) each of the Events of Default enumerated on Part A of Schedule 1 attached (which Schedule amends the corresponding part of the schedule to the Existing Forbearance Agreement as in effect immediately prior to this Agreement, the "Existing Defaults") have occurred and are continuing; (ii) each of the events or conditions enumerated on Part B of Schedule 1 attached hereto (which Schedule amends the corresponding part of the schedule to the

Existing Forbearance Agreement as in effect immediately prior to this Agreement, the "Anticipated Defaults") may occur and continue during the Forbearance Period (as such term is amended pursuant to this Agreement); (iii) Agents and Lenders have not waived in any respect any Existing Defaults or will be deemed to have waived in any respect any Anticipated Defaults to the extent occurring or continuing during the Forbearance Period (as such term is amended pursuant to this Agreement); (iv) Agents and Lenders have not waived any of their rights and remedies with respect to the Existing Defaults or will be deemed to have waived any of their rights and remedies with respect to any Anticipated Defaults to the extent occurring or continuing during the Forbearance Period (as such term is amended pursuant to this Agreement); and (v) except as expressly limited by this Agreement, Agents and Lenders are permitted immediately to accelerate the Obligations and exercise all rights and remedies available under the Loan Documents, applicable law and/or otherwise as a result of any of the Existing Defaults, or, upon the occurrence and during the continuation thereof, any of the Anticipated Defaults.

(a) Schedule 1 to the Existing Forbearance Agreement is hereby amended and restated in its entirety in the form attached hereto as Schedule 1.

(b) The definition of "Forbearance Expiration Date" set forth in Section 2(a) of the Existing Forbearance Agreement is hereby amended and restated in its entirety to read as follows:

> "Forbearance Expiration Date" means 11:59 a.m. New York City time on May 19, 2023.

(c) Section 6(b) of the Existing Forbearance Agreement is hereby amended and restated in its entirety to read as follows:

Such contravention of Section 7.03(b) of the Financing Agreement would constitute Events of Default pursuant to Section 9.01(c) of the Financing Agreement.
3. As a result of the Event of Default described in item A.8 above, the Loan Parties are required to maintain a minimum Consolidated EBITDA pursuant to Section 7.03(d) of the Financing Agreement, which as of the Effective Date, the Loan Parties do not expect to satisfy in respect of the fiscal months ending May 31, 2023 and June 30, 2023 in contravention of Section 7.03(d) of the Financing Agreement. Such contraventions of Section 7.03(d) of the Financing Agreement would constitute an Event of Default pursuant to Section 9.01(c) of the Financing Agreement.
4. Pursuant to Section 2.03(b)(x) of the Financing Agreement, the Borrower is required to prepay the Term Loans in an amount equal to or greater than $20,000,000 (inclusive of the amount specified in item A.8 above) on or before June 15, 2023 and the Borrower expects to fail to make such payment and to pay any related fees, after giving effect to the applicable grace period, which would constitute an Event of Default pursuant to Section 9.01(a) of the Financing Agreement.
5. Each of the anticipated Events of Default herein would result in cross-defaults under the Existing Second Lien Credit Facility, which would constitute Events of Default pursuant to Section 9.01(e) of the Financing Agreement.
6. There are several anticipated events of default under the Existing Second Lien Credit Facility disclosed on Schedule 1 to the Second Lien Forbearance Agreement, which would result in cross-defaults that would constitute Events of Default pursuant to Section 9.01(e) of the Financing Agreement.
7. Any breach of any representations and warranties in the Loan Documents with respect to the foregoing Specified Defaults which would constitute Events of Default pursuant to Section 9.01(b) of the Financing Agreement.
8. As of the Effective Date, the Loan Parties expect to receive a qualification, exception or explanatory paragraph expressing substantial doubt about the ability of Holdings or any of its Subsidiaries to continue as a going concern or a qualification or exception as to the scope of the report, in each case, with respect to the fiscal quarter of Holdings and its Subsidiaries ended March 31, 2023. Such qualification may cause issues under Section 7.01(a) of the Financing Agreement, which may constitute an Event of Default pursuant to Section 9.01(c) of the Financing Agreement.
9. On March 25, 2023, the Borrower expects to fail to pay the Deferred Monroe Fees as required under the Existing First Lien Credit Agreement and the related payoff letter,

including after giving effect to any applicable grace period, which may result in a cross-default that may constitute an Event of Default pursuant to Section 9.01(e) of the Financing Agreement.

WHEREAS, the Loan Parties are entering into this Amendment with the understanding and agreement that none of the Agents' or any Lender's rights or remedies as set forth in the Financing Agreement or any other Loan Document are being waived or modified by the terms of this Amendment.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions. All terms used herein that are defined in the Financing Agreement and not otherwise defined herein shall have the meanings assigned to them in the Financing Agreement.

2. Amendments. The Financing Agreement (excluding all Schedules and Exhibits thereto, each of which shall remain as in effect immediately prior to the Amendment No. 6 Effective Date other than the addition of Schedule 1.01(A-3) thereto in the form appended to the end of Annex A hereto) is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~ and ~~stricken text~~) and (ii) to add the blue or green double-underlined text (indicated textually in the same manner as the following examples: double-underlined text and double-underlined text), in each case, as set forth in the marked copy of the Financing Agreement attached as Annex A hereto and made a part hereof for all purposes.

3. Representations and Warranties. Each Loan Party hereby represents and warrants to the Agents and the Lenders on the Amendment No. 6 Effective Date as follows:

(a) Representations and Warranties; No Event of Default. (i) Except for (A) Section 6.01(h)(iii) of the Financing Agreement to the extent such section relates to the Specified Defaults, or as a result of certain other defaults on Material Contracts disclosed in writing to the Agents prior to the Amendment No. 5 Effective Date and (B) Section 6.01(t) of the Financing Agreement to the extent relating to the period on or prior to the Amendment No. 6 Effective Date (collectively, the "Representation Exceptions"), the representations and warranties herein, in Article VI of the Financing Agreement and in each other Loan Document are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties are true and correct in all respects subject to such qualification) on and as of the Amendment No. 6 Effective Date as though made on and as of such dates, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty is true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties are true and correct in all respects subject to such qualification) on and as of such earlier date), and (ii) except for the Specified Defaults, no Default or Event of Default has occurred and is continuing as of the Amendment No. 6 Effective Date or would result from this Amendment becoming effective in accordance with its terms.

(b) Solvency. That, on and as of the Amendment No. 6 Effective Date, the Loan Parties (on a consolidated basis) are Solvent (as defined below). For purposes of this clause (b) and Section 4(d)(iii) below, "Solvent" means, with respect to any Person on a particular date, that on such date (a) the fair value of the property of such Person is not less than the total amount of the liabilities of such Person, (b) the fair salable value of the assets of such Person is not less than

the amount that will be required to pay the probable liability of such Person on its existing debts as they become absolute and matured, (c) such Person is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and other commitments as they mature in the normal course of business other than any debts subject to forbearance, current balances in accounts payable disclosed to such Person's lenders (or such lenders' agent) (the "Lender Parties") and certain tax liabilities disclosed to the Lender Parties prior to the Amendment No. 6 Effective Date, (d) such Person does not intend to, and does not believe that it will, incur debts or liabilities beyond such Person's ability to pay as such debts and liabilities mature except as set forth in the most recent 13-Week Cash Flow Forecast disclosed to the Lender Parties, and (e) such Person is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which such Person's property would constitute unreasonably small capital. For purposes of this clause (b), the amount of any contingent obligations at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, would reasonably be expected to become an actual and matured liability.

(c) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or *sociedad anonima* duly organized, validly existing and, other than the Mexican Loan Parties, in good standing under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated, and to execute and deliver this Amendment, and to consummate the transactions contemplated by this Amendment and by the Financing Agreement, and (iii) is duly qualified to do business in, and is in good standing in, each jurisdiction where the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and be in good standing could not reasonably be expected to have a Material Adverse Effect.

(d) Authorization, Etc. The execution and delivery by each Loan Party of this Amendment and the performance by it of this Amendment, the Financing Agreement and the other Loan Documents, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable material Requirement of Law, or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties, (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties.

(e) Enforceability of Loan Documents. This Amendment, the Financing Agreement, and each other Loan Document to which any Loan Party is or will be a party, is and will be a legal, valid and binding obligation of each Loan Party party thereto, enforceable against such Loan Party in accordance with its terms, except as enforceability may be

limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(f) Governmental Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by any Loan Party of this Amendment or any other Loan Document to which it is or will be a party.

(g) Security Agreement Compliance. (i) The representations and warranties in Sections 5(b), (f) and (k) of the Security Agreement are true and correct in all material respects on and as of the Amendment No. 6 Effective Date as though made on and as of such date and (ii) each Loan Party is in compliance with that certain obligation under Section 4(a) of the Security Agreement to deliver all Pledged Interests (as defined in the Security Agreement) from time to time required to be pledged to the Collateral Agent pursuant to the terms of the Security Agreement or the Financing Agreement.

(g) No Duress. This Amendment has been entered into without force or duress, in the free will of each Loan Party. Each Loan Party's decision to enter into this Amendment is a fully informed decision and such Loan Party is aware of all legal and other ramifications of such decision.

(h) Counsel. Each Loan Party has read and understands this Amendment, has consulted with and been represented by legal counsel in connection herewith, and has been advised by its counsel of its rights and obligations hereunder.

4. Conditions to Effectiveness. This Amendment shall become effective only upon satisfaction in full, in a manner satisfactory to the Agents, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied being hereinafter referred to as the "Amendment No. 6 Effective Date"):

(a) Payment of Fees, Etc. The Borrowers shall have paid on or before the date hereof, (i) all fees, costs and expenses then due and payable, if any, pursuant to Section 2.07 or 12.04 of the Financing Agreement, (ii) any fees required pursuant to the Amendment No. 6 Fee Letter (as defined below), which fees, in the case of this clause (ii), shall be paid in kind by capitalizing such fees and adding such capitalized amount to the outstanding principal amount of the Term Loans in accordance therewith, and (iii) a retainer to FTI, as financial advisor to counsel to the Agents and Lenders, in an amount equal to $150,000.

(b) Representations and Warranties. Except for the Representation Exceptions, the representations and warranties contained in this Amendment and in Article VI of the Financing Agreement and in each other Loan Document shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect"

in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of the Amendment No. 6 Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any such representation or warranty that already is qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representation and warranty shall be true and correct in all respects subject to such qualification) on and as of such earlier date).

(c) No Default; Event of Default. Except for the Specified Defaults, no Default or Event of Default shall have occurred and be continuing on the Amendment No. 6 Effective Date or result from this Amendment becoming effective in accordance with its terms.

(d) Delivery of Documents. The Agents shall have received on or before the Amendment No. 6 Effective Date the following, in form and substance satisfactory to the Agents, unless indicated otherwise, dated the Amendment No. 6 Effective Date:

(i) this Amendment, duly executed and delivered by the Loan Parties, each Agent, the Required Lenders and the Additional Term Loan Lenders, in form and substance satisfactory to the Agents;

(ii) a certificate of an Authorized Officer of each Loan Party, certifying (A) as to copies of the Governing Documents of such Loan Party, together with all amendments thereto, confirming that such Governing Documents have not been amended or modified since the Effective Date, (B) as to a copy of the resolutions or written consents of such Loan Party authorizing (1) the transactions contemplated by this Amendment and the Amendment No. 6 Fee Letter, (2) the execution, delivery and performance by such Loan Party of this Amendment and the Amendment No. 6 Fee Letter, and (3) the execution, delivery and performance of the other documents to be delivered by such Person in connection with this Amendment, (C) the names and true signatures of the representatives of such Loan Party authorized to sign this Amendment, the Amendment No. 6 Fee Letter and the other documents to be executed and delivered by such Loan Party in connection herewith, together with evidence of the incumbency of such Authorized Officers and (D) as to the matters set forth in subsections (b) and (c) of this Section 4;

(iii) a certificate of the chief financial officer of Holdings, certifying on behalf of the Loan Parties that the Loan Parties (on a consolidated basis), after giving effect to any Loans made on the Amendment No. 6 Effective Date, are Solvent; and

(iv) a fully executed copy of the Fee Letter, dated the Amendment No. 6 Effective Date, among the Borrower and the Agents (the "Amendment No. 6 Fee Letter").

(e) Approvals. All consents, authorizations and approvals of, and filings and registrations with, and all other actions in respect of, any Governmental Authority or other Person required in connection with any Loan Document or the transactions contemplated thereby or the conduct of the Loan Parties' business shall have been obtained or made and shall be in full force and effect. There shall exist no claim, action, suit, investigation, litigation or proceeding (including, without limitation, shareholder or derivative litigation) pending or, to the knowledge of any Loan Party, threatened in any court or before any arbitrator or Governmental Authority which (i) relates to the Loan Documents or the transactions contemplated thereby, or (ii) could reasonably be expected to have a Material Adverse Effect.

5. Condition Subsequent to Effectiveness of this Agreement. The Loan Parties agree that, in addition to all other terms, conditions and provisions set forth in this Agreement, including, without limitation, those conditions to the Amendment No. 6 Effective Date set forth herein, the Loan Parties shall, on or prior to July 19, 2023 (or such later date as may be agreed by the Administrative Agent in its sole discretion), deliver or cause to be delivered to the Agents a fully executed amendment to the Intercreditor Agreement, in form and substance satisfactory to the Agents, dated as of the Amendment No. 6 Effective Date, among the Administrative Agent, the Existing Second Lien Collateral Agent and GLAS USA LLC, as administrative agent under the Existing Second Lien Credit Facility, and acknowledged by each of the Loan Parties (it being understood that the failure by the Loan Parties to perform or cause to be performed such condition subsequent shall constitute an immediate Event of Default (without giving effect to any grace periods set forth in the Financing Agreement)).

6. Acknowledgments by Loan Parties. Each Loan Party acknowledges and agrees as follows:

(a) Acknowledgment of Debt. As of the close of business on July 14, 2023, each Loan Party is indebted, jointly and severally, to the Lenders and the Agents, without defense, deduction, setoff, claim or counterclaim, of any nature, under the Financing Agreement and the other Loan Documents in the aggregate principal amount of not less than $74,152,466.09, plus accrued and continually accruing interest and all fees, costs and expenses in accordance with the Loan Documents.

(b) Acknowledgment of the Specified Defaults. On and as of the date hereof: (i) each of the Events of Default enumerated on Schedule 1 attached hereto (the "Specified Defaults") has occurred and is continuing; (ii) the Agents and Lenders have not waived in any respect any Specified Defaults; (iii) the Agents and Lenders have not waived any of their rights and remedies with respect to the Specified Defaults; and (iv) the Agents and Lenders are permitted immediately to accelerate the Obligations and exercise all rights and remedies available under the Loan Documents, applicable law and/or otherwise as a result of any of the Specified Defaults. For the avoidance of doubt, none of this Amendment, the availability of the Additional Term Loan Commitments or the funding by the Additional Term Loan Lenders of the Additional Term Loan

shall be construed (A) as a waiver, forbearance or standstill of any of the rights and remedies of the Agents and Lenders with respect to any of the Specified Defaults or any other Event of Default that has occurred, is continuing or may occur after the date hereof or (B) as an obligation or commitment by the Lenders to fund additional Loans after the date hereof.

(c) Acknowledgment that Liabilities Continue in Full Force and Effect. The Loans and all other liabilities and Obligations of the Loan Parties under the Financing Agreement and each other Loan Document remain in full force and effect, and shall not be released, impaired, diminished or in any other way modified or amended as a result of the execution and delivery of this Amendment or by the agreements and undertakings of the parties contained herein.

(d) Acknowledgment of Perfection of Security Interest. As of the date hereof, the security interests and Liens granted to the Collateral Agent, for its benefit and the benefit of the Lenders, under the Loan Documents securing the Obligations are in full force and effect, are properly perfected and are enforceable in accordance with the terms of the Loan Documents.

7. Continued Effectiveness of the Financing Agreement and Other Loan Documents. Each Loan Party hereby (a) acknowledges and consents to this Amendment, (b) confirms and agrees that the Financing Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects, except that on and after the Amendment No. 6 Effective Date, all references in any such Loan Document to "the Financing Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Financing Agreement shall mean the Financing Agreement as amended by this Amendment, and (c) confirms and agrees that, to the extent that any such Loan Document purports to assign or pledge to the Collateral Agent, for the benefit of the Agents and the Lenders, or to grant to the Collateral Agent, for the benefit of the Agents and the Lenders, a security interest in or Lien on any Collateral as security for the Obligations of the Loan Parties from time to time existing in respect of the Financing Agreement (as amended by this Amendment) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects. This Amendment does not and shall not affect any of the obligations of the Loan Parties, other than as expressly provided herein, including, without limitation, the Loan Parties' obligations to repay the Loans in accordance with the terms of Financing Agreement or the obligations of the Loan Parties under any Loan Document to which they are a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Agent or any Lender under the Financing Agreement or any other Loan Document nor constitute a waiver of any provision of the Financing Agreement or any other Loan Document.

8. No Representations by Agents or Lenders. Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Amendment.

9. No Novation. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Financing Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

10. Release. Each Loan Party hereby acknowledges and agrees that: (a) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (b) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of their rights, interests, security and/or remedies. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates and Related Funds, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Amendment No. 6 Effective Date directly arising out of, connected with or related to this Amendment, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral (other than, for the avoidance of doubt, any failure by any Additional Term Loan Lender to make the Additional Term Loan pursuant to Section 2.01(a)(iii) of the Financing Agreement on the Amendment No. 6 Effective Date upon the effectiveness of this Amendment). Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

11. Further Assurances. The Loan Parties shall execute any and all further documents, agreements and instruments, and take all further actions, as may be required under Applicable Law or as any Agent may reasonably request, in order to effect the purposes of this Amendment.

12. Reaffirmation of Security Interests. Each Loan Party (a) affirms that each of the Liens granted in or pursuant to the Loan Documents are valid, perfected, first priority (unless otherwise expressly permitted under the Loan Documents) Liens, and (b) agrees that this Amendment and all documents executed in connection herewith shall in no manner impair or otherwise adversely affect any of the Liens granted in or pursuant to the Loan Documents. Guarantors' Acknowledgment. Each Guarantor hereby acknowledges and agrees to this Amendment and confirms and agrees that its Guaranty (as modified and supplemented in connection with this Amendment) is and shall continue to be in full force and effect and is hereby ratified and confirmed in all respects. Although the Administrative Agent has informed the Guarantors of the matters set forth above, and each Guarantor has acknowledged the same, each Guarantor understands and agrees that the Agents and the Lenders have no duty under the Financing Agreement, or any other agreement with any Guarantor, to so notify any Guarantor or to seek such an acknowledgement, and nothing contained herein is intended to or shall create such a duty as to any transaction hereafter.

14. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

(d) Each Loan Party hereby acknowledges and agrees that this Amendment constitutes a "Loan Document" under the Financing Agreement. Accordingly, it shall be an immediate Event of Default under the Financing Agreement if (i) any representation or warranty made by any Loan Party under or in connection with this Amendment shall have been incorrect in any material respect when made or deemed made, or (ii) any Loan Party shall fail to perform or observe any term, covenant or agreement contained in this Amendment.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such

prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) Sections 12.10 and 12.11 (*Consent to Jurisdiction; Services of Process and Venue;* and *Waiver of Jury Trial, Etc.*) of the Financing Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

[*Remainder of page intentionally left blank.*]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and delivered as of the date set forth on the first page hereof.

(ii) Notwithstanding any other provision of this Agreement, and in order to reduce the number of fund transfers among the Borrower, the Agents and the Lenders, the Borrower, the Agents and the Lenders agree that the Administrative Agent may (but shall not be obligated to), and the Borrower and the Lenders hereby irrevocably authorize the Administrative Agent to, fund, on behalf of the Revolving Loan Lenders, Revolving Loans pursuant to Section 2.01, subject to the procedures for settlement set forth in Section 2.02(d); provided, however, that (A) the Administrative Agent shall in no

If the Borrower gives a Notice of Borrowing requesting a Revolving Loan and the Administrative Agent elects not to fund such Revolving Loan on behalf of the Revolving Loan Lenders, then promptly after receipt of the Notice of Borrowing requesting such Revolving Loan, the Administrative Agent shall notify each Revolving Loan Lender of the specifics of the requested Revolving Loan and that it will not fund the requested Revolving Loan on behalf of the Revolving Loan Lenders. If the Administrative Agent notifies the Revolving Loan Lenders that it will not fund a requested Revolving Loan on behalf of the Revolving Loan Lenders, each Revolving Loan Lender shall make its Pro Rata Share of the Revolving Loan available to the Administrative Agent, in immediately available funds, in the Administrative Agent's Accounts no later than 3:00 p.m. (New York City time) (provided that the Administrative Agent requests payment from such Revolving Loan Lender not later than 1:00 p.m. (New York City time)) on the date of the proposed Revolving Loan. If the Administrative Agent makes such corresponding amount available to the Borrower and such corresponding amount is not in fact made available to the Administrative Agent by any such Revolving Loan Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account.

(iv) Nothing in this Section 2.02(c) shall be deemed to relieve any Revolving Loan Lender from its obligations to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(d) (i) With respect to all periods for which the Administrative Agent has funded Revolving Loans pursuant to Section 2.02(c), on Friday of each week, or if the applicable Friday is not a Business Day, then on the following Business Day, or such shorter period as the Administrative Agent may from time to time select (any such week or shorter period being herein called a "Settlement Period"), the Administrative Agent shall notify each Revolving Loan Lender of the unpaid principal amount of the Revolving Loans outstanding as of the last day of each such Settlement Period. In the event that such amount is greater than the unpaid principal amount of the Revolving Loans outstanding on the last day of the Settlement Period immediately preceding such Settlement Period (or, if there has been no preceding Settlement Period, the amount of the Revolving Loans made on the date of such Revolving Loan Lender's initial funding), each Revolving Loan Lender shall promptly (and in any event not later than 2:00 p.m. (New York City time) if the Administrative Agent requests payment from such Lender not later than 12:00 noon (New York City time) on such day) make available to the Administrative Agent its Pro Rata Share of the difference in immediately available funds. In the event that such amount is less than such unpaid principal amount, the Administrative Agent shall promptly pay over to each Revolving Loan Lender its Pro Rata Share of the difference in immediately available funds. In addition, if the Administrative Agent shall so request at any time when a Default or an Event of Default shall have occurred and be continuing, or any other event shall have occurred as a result of which the Administrative Agent shall determine that it is desirable to present claims against the Borrower for repayment, each Revolving Loan Lender shall promptly remit to the Administrative Agent or, as the case may be, the Administrative Agent shall promptly remit to each Revolving Loan Lender, sufficient funds to adjust the interests of the Revolving Loan Lenders in the then outstanding Revolving Loans to such an extent that, after giving effect to such adjustment, each such Revolving Loan Lender's interest in the then outstanding Revolving Loans will be equal to its Pro Rata Share thereof. The obligations of the Administrative Agent and each Revolving Loan Lender under this Section 2.02(d) shall be absolute and unconditional. Each Revolving Loan Lender shall only be entitled to receive interest on its Pro Rata Share of the Revolving Loans which have been funded by such Revolving Loan Lender.

(ii) In the event that any Revolving Loan Lender fails to make any payment required to be made by it pursuant to Section 2.02(d)(i), the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Revolving Loan Lender together with interest thereon, for each day from the date such payment was due until the date such amount is paid to the Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate. During the period in which such Revolving Loan Lender has not paid such corresponding amount to the Administrative Agent, notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, the amount so advanced by the Administrative Agent to the Borrower shall, for all purposes hereof, be a Revolving Loan made by the Administrative Agent for its own account. Upon any such failure by a Revolving Loan Lender to pay the Administrative Agent, the Administrative Agent shall promptly thereafter notify the Borrower of such failure and the Borrower shall immediately pay such corresponding amount to the Administrative Agent for its own account. Nothing in this Section 2.02(d)(ii) shall be deemed to relieve any Revolving Loan Lender from its obligation to fulfill its Revolving Credit Commitment hereunder or to prejudice any rights that the Administrative Agent or the Borrower may have against any Revolving Loan Lender as a result of any default by such Revolving Loan Lender hereunder.

(f) Cumulative Prepayments. Except as otherwise expressly provided in this Section 2.06, payments with respect to any subsection of this Section 2.06 are in addition to payments made or required to be made under any other subsection of this Section 2.06.

Each such Lender may exercise such option by giving written notice to the Borrower and the Administrative Agent of its election to do so on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date (it being understood that any Lender that does not notify the Borrower and the Administrative Agent of its election to exercise such option on or before 12:00 noon (New York City time) one Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, the Borrower shall pay to the Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option, to prepay the Loans of such Lenders (which prepayment shall be applied to prepay the outstanding principal amount of the Obligations in accordance with Section 2.06(d)) and (ii) to the extent of any excess, to the Borrower for working capital and general corporate purposes.

Section 2.07 Fees.

(a) [Reserved].

The Unused Line Fee shall accrue through and including the last day of March, June, September and December of each year shall be due and payable in arrears on ~~the~~ such last day and on the date on which the Revolving Credit Commitments terminate, commencing on the first such date to occur after the date hereof.

(c) Applicable Premium.

(i) Upon the occurrence of an Applicable Premium Trigger Event, the Borrower shall pay to the Administrative Agent, for the account of the Lenders in accordance with their Pro Rata Shares, the Applicable Premium.

(ii) Any Applicable Premium payable in accordance with this Section 2.07(c) shall be presumed to be equal to the liquidated damages sustained by the Lenders as the result of the occurrence of the Applicable Premium Trigger Event and the Loan Parties agree that it is reasonable under the circumstances currently existing. THE LOAN PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREMIUM IN CONNECTION WITH ANY ACCELERATION.

(iii) The Loan Parties expressly agree that: (A) the Applicable Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Applicable Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium; (D) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph; (E) their agreement to pay the Applicable Premium is a material inducement to Lenders to provide the Commitments and make the Loans, and (F) the Applicable Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of such Applicable Premium Trigger Event.

(iv) Nothing contained in this Section 2.07(c) shall permit any prepayment of the Loans or reduction of the Commitments not otherwise permitted by the terms of this Agreement or any other Loan Document.

The Borrower agrees to pay (i) $1,500 per day per examiner plus the

examiner's out-of-pocket costs and reasonable expenses incurred in connection with all such visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations and (ii) the cost of all visits, inspections, audits, physical counts, valuations, appraisals, environmental site assessments and/or examinations conducted by a third party on behalf of the Agents).

(e) Fee Letter. As and when due and payable under the terms of the Fee Letter, the Borrower shall pay the fees set forth in the Fee Letter.

Section 2.08 SOFR Option.

(a) The Borrower may, at any time and from time to time, so long as no Default or Event of Default has occurred and is continuing, elect to have interest on all or a portion of the Loans be charged at a rate of interest based upon Adjusted Term SOFR (the "SOFR Option") by notifying the Administrative Agent in writing prior to 11:00 a.m. (New York City time) at least three (3) Business Days prior to (i) the proposed borrowing date of a Loan (as provided in Section 2.02), (ii) in the case of the conversion of a Reference Rate Loan to a SOFR Loan, the commencement of the proposed Interest Period or (iii) in the case of the continuation of a SOFR Loan as a SOFR Loan, the last day of the then current Interest Period (the "SOFR Deadline"). Notice of the Borrower's election of the SOFR Option for a permitted portion of the Loans pursuant to this Section 2.08(a) shall be made by delivery to the Administrative Agent of (A) a Notice of Borrowing (in the case of the initial making of a Loan) in accordance with Section 2.02 or (B) a notice in writing, in substantially the form of Exhibit D hereto (a "SOFR Notice") prior to the SOFR Deadline. Promptly upon its receipt of each such SOFR Notice, the Administrative Agent shall provide a copy thereof to each of the Lenders. Each SOFR Notice shall be irrevocable and binding on the Borrower.

(b) Interest on SOFR Loans shall be payable in accordance with Section 2.04(d). On the last day of each applicable Interest Period, unless the Borrower properly have exercised the SOFR Option with respect thereto, the interest rate applicable to such SOFR Loans automatically shall convert to the rate of interest then applicable to Reference Rate Loans of the same type hereunder. At any time that a Default or an Event of Default has occurred and is continuing, the Borrower no longer shall have the option to request that any portion of the Loans bear interest at Adjusted Term SOFR and the Administrative Agent shall have the right (but not the obligation) to convert the interest rate on all outstanding SOFR Loans to the rate of interest then applicable to Reference Rate Loans of the same type hereunder on the last day of the then current Interest Period.

(c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower (i) shall have not more than three (3) SOFR Loans in effect at any given time, and (ii) only may exercise the SOFR Option for SOFR Loans of at least $500,000 and integral multiples of $100,000 in excess thereof.

(d) The Borrower may prepay SOFR Loans at any time; provided, however, that in the event that SOFR Loans are prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any mandatory prepayment pursuant to Section 2.06(c) or any application of payments or proceeds of Collateral in accordance with Section 4.03 or Section 4.04 or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the Obligations pursuant to the terms hereof, the Borrower shall indemnify, defend, and hold the Agents and the Lenders and their participants harmless against any and all Funding Losses in accordance with Section 2.09.

(e) [Reserved].

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Required Lenders may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. The parties shall use commercially reasonable efforts to satisfy any applicable IRS guidance, including Treasury Regulation Section 1.1001-6 and any future guidance, to the effect that the implementation of a Benchmark Replacement will not result in a deemed exchange for U.S. federal income tax purposes of any Loan under this Agreement for U.S. federal income tax purposes.

(g) In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(h) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. Any determination, decision or election that may be made by the Administrative Agent and the Required Lenders pursuant to this Section 2.08, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(j) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Reference Rate Loans.

Section 2.09 Funding Losses. In connection with each SOFR Loan, the Borrower shall indemnify, defend, and hold the Agents and the Lenders harmless against any loss, cost, or expense incurred by any Agent or any Lender as a result of (a) the payment of any principal of any SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of a Default or an Event of Default or any mandatory prepayment required pursuant to Section 2.06(c)), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of a Default or an Event of Default), or (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any Notice of Borrowing or SOFR Notice delivered pursuant hereto (such losses, costs, and expenses, collectively, "Funding Losses"). Funding Losses shall, with respect to any Agent or any Lender, be deemed to equal the amount reasonably determined by such Agent or such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such SOFR Loan had such event not occurred, at Adjusted Term SOFR that would have been applicable thereto, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period therefor), minus (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Agent or such Lender would be offered were it to be offered, at the commencement of such period, Dollar deposits of a comparable amount and period in the London interbank market. A certificate of an Agent or a Lender delivered to the Borrower setting forth any amount or amounts that such Agent or such Lender is entitled to receive pursuant to this Section 2.09) shall be conclusive absent manifest error.

Section 2.10 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any and all Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of any Withholding Agent) requires the deduction or withholding of any Taxes from or in respect of any such payment, (i) the applicable Withholding Agent shall make such deduction or withholding, (ii) the applicable Withholding Agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased by the amount (an "Additional Amount") necessary such that after making such deduction or withholding (including deductions and with Holdings applicable to Additional Amount payable under this Section 2.10) the applicable Recipient receives the amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay to the relevant Governmental Authority in accordance with applicable law any Other Taxes, or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes by any Secured Party.

(c) The Loan Parties hereby jointly and severally indemnify and agree to hold each Secured Party harmless from and against Indemnified Taxes (including, without limitation, Indemnified Taxes imposed on any amounts payable under this Section 2.10) paid or payable by such Secured Party or required to be withheld or deducted from a payment to such Secured Party and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally asserted. Such indemnification shall be paid within 10 days from the date on which any such Person makes written demand therefor specifying in reasonable detail the nature and amount of such Indemnified Taxes. A certificate as to the amount of such payment or liability delivered to the Borrower

by a Secured Party (with a copy to the Administrative Agent) or on behalf of another Secured Party shall be conclusive absent manifest error.

(d) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.10(d)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person (a "Foreign Lender") shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 2.09(d)-1 hereto to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code,

or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-2 or Exhibit 2.09(d)-3, IRS Form W-9, or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.09(d)-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Administrative Agent in writing of its legal inability to do so.

(e) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.07(i) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent

manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.10 (including by the payment of Additional Amounts pursuant to this Section 2.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.10 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) The obligations of the Loan Parties under this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) Promptly after any payment of Taxes by the Loan Parties to a Governmental Authority pursuant to this Section 2.10, the Loan Parties shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

Section 2.11 Increased Costs and Reduced Return. (a) If any Secured Party shall have determined that any Change in Law shall (i) subject such Secured Party, or any Person controlling such Secured Party to any tax, duty or other charge with respect to this Agreement or any Loan made by such Agent or such Lender (except for (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes), (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Loan or against assets of or held by, or deposits with or for the account of, or credit extended by, such Secured Party or any Person controlling such Secured Party or (iii) impose on such Secured Party or any Person controlling such Secured Party any other condition regarding this Agreement or any Loan, and the result of any event referred to in clauses (i), (ii) or (iii) above shall be to increase the cost to such Secured Party of making any Loan, or agreeing to make any Loan, or to reduce any amount received or receivable by such Secured Party hereunder, then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party such additional amounts as will compensate such Secured Party for such increased costs or reductions in amount.

(b) If any Secured Party shall have determined that any Change in Law either (i) affects or would affect the amount of capital required or expected to be maintained by such Secured Party or any Person controlling such Secured Party, and such Secured Party determines that the amount of such capital is increased as a direct or indirect consequence of any Loans made or maintained, such Secured Party's or such other controlling Person's other obligations hereunder, or (ii) has or would have the effect of reducing the rate of return on such Secured Party's or such other controlling Person's capital to a level below that which such Secured Party or such controlling Person could have achieved but for such circumstances as a consequence of any Loans made or maintained, or any agreement to make Loans, or such Secured Party's or such other controlling Person's other obligations hereunder (in each case, taking into consideration, such Secured Party's or such other controlling Person's policies with respect to capital adequacy), then, upon demand by such Secured Party, the Borrower shall pay to such Secured Party from time to time such additional amounts as will compensate such Secured Party for such cost of maintaining such increased capital or such reduction in the rate of return on such Secured Party's or such other controlling Person's capital.

(c) All amounts payable under this Section 2.11 shall bear interest from the date that is 10 days after the date of demand by any Secured Party until payment in full to such Secured Party at the Reference Rate. A certificate of such Secured Party claiming compensation under this Section 2.11, specifying the event herein above described and the nature of such event shall be submitted by such Secured Party to the Borrower, setting forth the additional amount due and an explanation of the calculation thereof, and such Secured Party's reasons for invoking the provisions of this Section 2.11, and shall be final and conclusive absent manifest error.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 2.11 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section 2.11 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) The obligations of the Loan Parties under this Section 2.11 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

Section 2.12 Changes in Law; Impracticability or Illegality.

(a) Adjusted Term SOFR may be adjusted by the Administrative Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs due to changes in applicable law occurring subsequent to the commencement of the then applicable Interest Period, including changes in tax laws (except to the extent such changes result in the Lender becoming liable for Indemnified Taxes or Excluded Taxes) and changes in the reserve requirements imposed by the Board of Governors of the Federal Reserve System (or any successor), which additional or increased costs would increase the cost of funding loans bearing interest at Adjusted Term SOFR. In any such event, the affected Lender shall give the Borrower and the Administrative Agent notice of such a determination and adjustment and the Administrative Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, the Borrower may, by notice to such affected Lender (i) require such Lender to furnish to the Borrower a statement setting forth the basis for adjusting

such Adjusted Term SOFR and the method for determining the amount of such adjustment, or (ii) repay the SOFR Loans with respect to which such adjustment is made (together with any amounts due under Section 2.10).

(b) In the event that any change in market conditions or any law, regulation, treaty, or directive, or any change therein or in the interpretation of application thereof, shall at any time after the date hereof, in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain SOFR Loans or to continue such funding or maintaining, or to determine or charge interest rates at Adjusted Term SOFR, such Lender shall give notice of such changed circumstances to the Borrower and the Administrative Agent, and the Administrative Agent promptly shall transmit the notice to each other Lender and (i) in the case of any SOFR Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such SOFR Loans, and interest upon the SOFR Loans of such Lender thereafter shall accrue interest at the rate then applicable to Reference Rate Loans of the same type hereunder, and (ii) the Borrower shall not be entitled to elect the SOFR Option (including in any borrowing, conversion or continuation then being requested) until such Lender determines that it would no longer be unlawful or impractical to do so.

(c) The obligations of the Loan Parties under this Section 2.12 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

ARTICLE IV

APPLICATION OF PAYMENTS; DEFAULTING LENDERS

Section 4.01 Payments; Computations and Statements. (a) The Borrower will make each payment under this Agreement not later than 12:00 noon (New York City time) on the day when due, in lawful money of the United States of America and in immediately available funds, to the Administrative Agent's Accounts. All payments received by the Administrative Agent after 12:00 noon (New York City time) on any Business Day, may, in the Administrative Agent's sole discretion, be credited to the Loan Account on the next succeeding Business Day. All payments shall be made by the Borrower without set-off, counterclaim, recoupment, deduction or other defense to the Agents and the Lenders. Except as provided in Section 2.02, after receipt, the Administrative Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal ratably to the Lenders in accordance with their Pro Rata Shares and like funds relating to the payment of any other amount payable to any Lender to such Lender, in each case to be applied in accordance with the terms of this Agreement. The Lenders and the Borrower hereby authorize the Administrative Agent to, and the Administrative Agent may in its sole discretion, from time to time, charge the Loan Account of the Borrower with any amount due and payable by the Borrower under any Loan Document. Notwithstanding anything to the contrary contained in ~~Section 2.01(b)(i) or~~ this Agreement, each of the Lenders and the Borrower agrees that the Administrative Agent shall have the right to make such charges whether or not any Default or Event of Default shall have occurred and be continuing or whether any of the conditions precedent in Section 5.02 or Section 5.03 have been satisfied. Any amount charged to the Loan Account of the Borrower shall be deemed a Revolving Loan hereunder made by the Revolving Loan Lenders to the Borrower funded by the Administrative Agent on behalf of the Revolving Loan

Lenders and subject to Section 2.02 of this Agreement; provided that, upon the receipt of written consent from the Required Lenders, any amount charged to the Loan Account of the Borrower for interest due and payable, (i) in the case of interest payable on any Term Loans, shall be added to the principal amount of such Term Loans by capitalizing such interest amount and adding such capitalized amount to the outstanding principal amount of such Term Loans and (ii) in the case of interest payable on any Revolving Loans, shall be added to the principal amount of such Revolving Loans by capitalizing such interest amount and adding such capitalized amount to the outstanding principal amount of such Revolving Loans. The Lenders and the Borrower confirm that any charges which the Administrative Agent may so make to the Loan Account of the Borrower as herein provided will be made as an accommodation to the Borrower and solely at the Administrative Agent's discretion, provided that the Administrative Agent shall from time to time upon the request of the Collateral Agent, charge the Loan Account of the Borrower with any amount due and payable under any Loan Document. Whenever any payment to be made under any such Loan Document shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. All computations of fees shall be made by the Administrative Agent on the basis of a year of 360 days for the actual number of days. Each determination by the Administrative Agent of an interest rate or fees hereunder shall be conclusive and binding for all purposes in the absence of manifest error.

(b) If requested, the Administrative Agent shall provide the Borrower, after the end of a calendar month, a summary statement (in the form from time to time used by the Administrative Agent) of the opening and closing daily balances in the Loan Account of the Borrower during such month, the amounts and dates of all Loans made to the Borrower during such month, the amounts and dates of all payments on account of the Loans to the Borrower during such month and the Loans to which such payments were applied, the amount of interest accrued on the Loans to the Borrower during such month, and the amount and nature of any charges to the Loan Account made during such month on account of fees, commissions, expenses and other Obligations. All entries on any such statement shall be presumed to be correct and, 30 days after the same is sent, shall be final and conclusive absent manifest error.

Section 4.02 Sharing of Payments. Except as provided in Section 2.02 hereof, if any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that (a) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and each Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered and (b) the provisions of this Section shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender and any payment of an amendment, consent or waiver fee to consenting Lenders pursuant to an effective amendment, consent or waiver with respect to this Agreement), or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this

Section shall apply). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 4.03 Apportionment of Payments. Subject to Section 2.02 hereof:

(a) All payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Section 2.07 hereof) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent may, and upon the direction of the Collateral Agent or the Required Lenders shall, apply all payments in respect of any Obligations, including without limitation, all proceeds of the Collateral, subject to the provisions of this Agreement, (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, to pay interest then due and payable in respect of the Collateral Agent Advances until paid in full; (iii) third, to pay principal of the Collateral Agent Advances until paid in full; (iv) fourth, ratably to pay the Revolving Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Revolving Loan Lenders until paid in full; (v) fifth, ratably to pay interest then due and payable in respect of the Revolving Loans until paid in full; (vi) sixth, ratably to pay principal of the Revolving Loans until paid in full; (vii) seventh, ratably to pay the Term Loan Obligations in respect of any fees (other than any Applicable Premium), expense reimbursements, indemnities and other amounts then due and payable to the Term Loan Lenders until paid in full; (viii) eighth, ratably to pay interest then due and payable in respect of the Term ~~Loan~~Loans until paid in full; (ix) ninth, ratably to pay principal of the Term ~~Loan~~Loans until paid in full; (x) tenth, ratably to pay the Obligations in respect of any Applicable Premium then due and payable to the Lenders until paid in full; and (xi) eleventh, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 4.03(b) "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 4.03 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of Section 4.03 shall control and govern.

Section 4.04 Defaulting Lenders. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(a) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 12.02.

(b) The Administrative Agent shall not be obligated to transfer to such Defaulting Lender any payments made by the Borrower to the Administrative Agent for such Defaulting Lender's benefit, and, in the absence of such transfer to such Defaulting Lender, the Administrative Agent shall transfer any such payments to each other non-Defaulting Lender ratably in accordance with their Pro Rata Shares (without giving effect to the Pro Rata Shares of such Defaulting Lender) (but only to the extent that such Defaulting Lender's Loans were funded by the other Lenders) or, if so directed by the Borrower and if no Default or Event of Default has occurred and is continuing (and to the extent such Defaulting Lender's Loans were not funded by the other Lenders), retain the same to be re-advanced to the Borrower as if such Defaulting Lender had made such Loans to the Borrower. Subject to the foregoing, the Administrative Agent may hold and, in its discretion, re-lend to the Borrower for the account of such Defaulting Lender the amount of all such payments received and retained by the Administrative Agent for the account of such Defaulting Lender.

(c) Any such failure to fund by any Defaulting Lender shall constitute a material breach by such Defaulting Lender of this Agreement and shall entitle the Administrative Agent to replace the Defaulting Lender with one or more substitute Lenders, and the Defaulting Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Defaulting Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Defaulting Lender shall execute and deliver an Assignment and Acceptance, subject only to the Defaulting Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Defaulting Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Defaulting Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Defaulting Lender shall be made in accordance with the terms of Section 12.07.

(d) The operation of this Section shall not be construed to increase or otherwise affect the Commitments of any Lender, to relieve or excuse the performance by such Defaulting Lender or any other Lender of its duties and obligations hereunder, or to relieve or excuse the performance by the Borrower of its duties and obligations hereunder to the Administrative Agent or to the Lenders other than such Defaulting Lender.

(e) This Section shall remain effective with respect to such Lender until either (i) the Obligations under this Agreement shall have been declared or shall have become immediately due and payable or (ii) the non-Defaulting Lenders, the Agents, and the Borrower shall have waived such Defaulting Lender's default in writing, and the Defaulting Lender makes its Pro Rata Share of the applicable defaulted Loans and pays to the Agents all amounts owing by such Defaulting Lender in respect thereof; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

ARTICLE V

Section 5.01 Conditions Precedent to Effectiveness. This Agreement shall become effective as of the Business Day (the "Effective Date") when each of the following conditions precedent shall have been satisfied in a manner satisfactory to the Agents:

~~136841510_1~~

136841510_9

received by Holdings during the period from the date that is 60 days prior to and until the expiration of the 10th Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (ii) the Cure Right shall not be exercised more than five (5) times during the term of the Loans, (iii) the Cure Right shall not be exercised in consecutive fiscal quarters, (iv) such proceeds shall be applied to prepay the Loans in accordance with Section 2.06(c)(v) and (v) each such Permitted Cure Equity or Additional Second Lien Indebtedness shall be designated at the time of issuance or incurrence for application under the "Cure Right" pursuant to this Section 9.02. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Sections 7.03(a) and 7.03(b).

ARTICLE X

AGENTS

Section 10.01 Appointment. Each Lender (and each subsequent maker of any Loan by its making thereof) hereby irrevocably appoints, authorizes and empowers the Administrative Agent and the Collateral Agent to perform the duties of each such Agent as set forth in this Agreement and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto, including: (i) to receive on behalf of each Lender any payment of principal of or interest on the Loans outstanding hereunder and all other amounts accrued hereunder for the account of the Lenders and paid to such Agent, and, subject to Section 2.02 of this Agreement, to distribute promptly to each Lender its Pro Rata Share of all payments so received; (ii) to distribute to each Lender copies of all material notices and agreements received by such Agent and not required to be delivered to each Lender pursuant to the terms of this Agreement, provided that the Agents shall not have any liability to the Lenders for any Agent's inadvertent failure to distribute any such notices or agreements to the Lenders; (iii) to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Obligations, the Loans, and related matters and to maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the Collateral and related matters; (iv) to execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other written agreements with respect to this Agreement or any other Loan Document; (v) to make the Loans and Collateral Agent Advances, for such Agent or on behalf of the applicable Lenders as provided in this Agreement or any other Loan Document; (vi) to perform, exercise, and enforce any and all other rights and remedies of the Lenders with respect to the Loan Parties, the Obligations, or otherwise related to any of same to the extent reasonably incidental to the exercise by such Agent of the rights and remedies specifically authorized to be exercised by such Agent by the terms of this Agreement or any other Loan Document; (vii) to incur and pay such fees necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to this Agreement or any other Loan Document; (viii) subject to Section 10.03, to take such action as such Agent deems appropriate on its behalf to administer the Loans and the Loan Documents and to exercise such other powers delegated to such Agent by the terms hereof or the other Loan Documents (including, without limitation, the power to give or to refuse to give notices, waivers, consents, approvals and instructions and the power to make or to refuse to make determinations and calculations); and (ix) to act

with respect to all Collateral under the Loan Documents, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations. As to any matters not expressly provided for by this Agreement and the other Loan Documents (including, without limitation, enforcement or collection of the Loans), the Agents shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), and such instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) shall be binding upon all Lenders and all makers of Loans; provided, however, the Agents shall not be required to take any action which, in the reasonable opinion of any Agent, exposes such Agent to liability or which is contrary to this Agreement or any other Loan Document or applicable law.

Section 10.02 Nature of Duties; Delegation. (a) The Agents shall have no duties or responsibilities except those expressly set forth in this Agreement or in the other Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. The Agents shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender. Nothing in this Agreement or any other Loan Document, express or implied, is intended to or shall be construed to impose upon the Agents any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein. Each Lender shall make its own independent investigation of the financial condition and affairs of the Loan Parties in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Loan Parties and the value of the Collateral without reliance upon the Administrative Agent or any other Lender or any of their Related Parties, and neither the Agents nor any of their Related Parties shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into their possession before the initial Loan hereunder or at any time or times thereafter, provided that, upon the reasonable request of a Lender, each Agent shall provide to such Lender any documents or reports delivered to such Agent by the Loan Parties pursuant to the terms of this Agreement or any other Loan Document. If any Agent seeks the consent or approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to the taking or refraining from taking any action hereunder, such Agent shall send notice thereof to each Lender. Each Agent shall promptly notify each Lender any time that the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) have instructed such Agent to act or refrain from acting pursuant hereto.

(b) Each Agent may, upon any term or condition it specifies, delegate or exercise any of its rights, powers and remedies under, and delegate or perform any of its duties or any other action with respect to, any Loan Document by or through any of its Related Parties or any other trustee, co-agent or other Person (including any Lender). Any such Related Party, trustee, co-agent or other Person shall benefit from this Article X to the extent provided by the applicable Agent.

Section 10.03 Rights, Exculpation, Etc. The Agents and their Related Parties shall not be liable for any action taken or omitted to be taken by them under or in connection with this Agreement or the other Loan Documents, except for their own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Without limiting the generality of the foregoing, the Agents (i) may treat the payee of any Loan as the owner thereof until the Collateral Agent receives written notice of the assignment or transfer thereof, pursuant to Section 12.07 hereof,

signed by such payee and in form satisfactory to the Collateral Agent; (ii) may consult with legal counsel (including, without limitation, counsel to any Agent or counsel to the Loan Parties), independent public accountants, and other experts selected by any of them and shall not be liable for any action taken or omitted to be taken in good faith by any of them in accordance with the advice of such counsel or experts; (iii) make no warranty or representation to any Lender and shall not be responsible to any Lender for any statements, certificates, warranties or representations made in or in connection with this Agreement or the other Loan Documents; (iv) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or the other Loan Documents on the part of any Person, the existence or possible existence of any Default or Event of Default, or to inspect the Collateral or other property (including, without limitation, the books and records) of any Person; (v) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; and (vi) shall not be deemed to have made any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agents be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral. The Agents shall not be liable for any apportionment or distribution of payments made in good faith pursuant to Section 4.03, and if any such apportionment or distribution is subsequently determined to have been made in error, and the sole recourse of any Lender to whom payment was due but not made shall be to recover from other Lenders any payment in excess of the amount which they are determined to be entitled. The Agents may at any time request instructions from the Lenders with respect to any actions or approvals which by the terms of this Agreement or of any of the other Loan Documents the Agents are permitted or required to take or to grant, and if such instructions are promptly requested, the Agents shall be absolutely entitled to refrain from taking any action or to withhold any approval under any of the Loan Documents until they shall have received such instructions from the Required Lenders. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents).

Section 10.04 Reliance. Each Agent shall be entitled to rely upon any written notices, statements, certificates, orders or other documents or any telephone message believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person, and with respect to all matters pertaining to this Agreement or any of the other Loan Documents and its duties hereunder or thereunder, upon advice of counsel selected by it.

Section 10.05 Indemnification. To the extent that any Agent or any Related Party of the foregoing is not reimbursed and indemnified by any Loan Party, and whether or not such Agent has made demand on any Loan Party for the same, the Lenders will, within five (5) days of written demand by such Agent, reimburse such Agent and such Related Parties for and indemnify such Agent and such Related Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, client charges and expenses of counsel or any other advisor to such Agent and such Related Parties), advances or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Agent and the Related Parties in any way relating to or arising out of this Agreement or any of the other Loan Documents or any action taken or omitted by such Agent and such Related Parties under this Agreement or any of the other Loan Documents, in proportion to each Lender's Pro Rata Share, including, without limitation, advances

and disbursements made pursuant to Section 10.08; provided, however, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, advances or disbursements for which there has been a final non-appealable judicial determination that such liability resulted from such Agent's or such Related Party's gross negligence or willful misconduct. The obligations of the Lenders under this Section 10.05 shall survive the payment in full of the Loans and the termination of this Agreement.

Section 10.06 Agents Individually. With respect to its Pro Rata Share of the Total Commitment hereunder and the Loans made by it, each Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and to the extent set forth herein for any other Lender or maker of a Loan. The terms "Lenders" or "Required Lenders" or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity as a Lender or one of the Required Lenders. Each Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Borrower as if it were not acting as an Agent pursuant hereto without any duty to account to the other Lenders.

Section 10.07 Successor Agent. (a) Any Agent may at any time give at least 30 days prior written notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right to appoint a successor Agent. If no such successor Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent. Whether or not a successor Agent has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) With effect from the Resignation Effective Date, (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any Collateral held by such Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security until such time as a successor Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through such retiring Agent shall instead be made by or to each Lender directly, until such time, if any, as a successor Agent shall have been appointed as provided for above. Upon the acceptance of a successor's Agent's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article, Section 12.04 and Section 12.15 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by it while the retiring Agent was acting as Agent.

Section 10.08 Collateral Matters.

(a) The Collateral Agent may from time to time make such disbursements and advances ("Collateral Agent Advances") which the Collateral Agent, in its sole discretion, deems necessary or desirable to preserve, protect, prepare for sale or lease or dispose of the Collateral or any portion thereof, to enhance the likelihood or maximize the amount of repayment by the Borrower of the Loans and other Obligations or to pay any other amount chargeable to the Borrower pursuant to the terms

of this Agreement, including, without limitation, costs, fees and expenses as described in Section 10.18 and Section 12.04. The Collateral Agent Advances shall be repayable on demand and be secured by the Collateral and shall bear interest at a rate per annum equal to the rate then applicable to Revolving Loans that are Reference Rate Loans. The Collateral Agent Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 4.01. The Collateral Agent shall notify each Lender and the Borrower in writing of each such Collateral Agent Advance, which notice shall include a description of the purpose of such Collateral Agent Advance. Without limitation to its obligations pursuant to Section 10.05, each Lender agrees that it shall make available to the Collateral Agent, upon the Collateral Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Collateral Agent Advance. If such funds are not made available to the Collateral Agent by such Lender, the Collateral Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to the Collateral Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Reference Rate.

(b) The Lenders hereby irrevocably authorize the Collateral Agent, at its option and in its discretion, to release any Lien granted to or held by the Collateral Agent upon any Collateral upon termination of the Total Commitment and payment and satisfaction of all Loans and all other Obligations (other than Contingent Indemnity Obligations) in accordance with the terms hereof; or constituting property being sold or disposed of in the ordinary course of any Loan Party's business or otherwise in compliance with the terms of this Agreement and the other Loan Documents; or constituting property in which the Loan Parties owned no interest at the time the Lien was granted or at any time thereafter; or if approved, authorized or ratified in writing by the Lenders in accordance with Section 12.02. Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 10.08(b).

(c) Without in any manner limiting the Collateral Agent's authority to act without any specific or further authorization or consent by the Lenders (as set forth in Section 10.08(b)), each Lender agrees to confirm in writing, upon request by the Collateral Agent, the authority to release Collateral conferred upon the Collateral Agent under Section 10.08(b). Upon receipt by the Collateral Agent of confirmation from the Lenders of its authority to release any particular item or types of Collateral, and upon prior written request by any Loan Party, the Collateral Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to the Collateral Agent for the benefit of the Agents and the Lenders upon such Collateral; provided, however, that (i) the Collateral Agent shall not be required to execute any such document on terms which, in the Collateral Agent's opinion, would expose the Collateral Agent to liability or create any obligations or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Lien upon (or obligations of any Loan Party in respect of) all interests in the Collateral retained by any Loan Party.

(d) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Loan Parties, each Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral under any Loan Document or to enforce any Guaranty, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Collateral Agent for the benefit of the Lenders in accordance with the terms thereof, (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender may be the

purchaser of any or all of such Collateral at any such sale and (iii) the Collateral Agent, as agent for and representative of the Agents and the Lenders (but not any other Agent or any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled (either directly or through one or more acquisition vehicles) for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral to be sold (A) at any public or private sale, (B) at any sale conducted by the Collateral Agent under the provisions of the Uniform Commercial Code (including pursuant to Sections 9-610 or 9-620 of the Uniform Commercial Code), (C) at any sale or foreclosure conducted by the Collateral Agent (whether by judicial action or otherwise) in accordance with applicable law or (D) any sale conducted pursuant to the provisions of any Debtor Relief Law (including Section 363 of the Bankruptcy Code), to use and apply all or any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale.

(e) The Collateral Agent shall have no obligation whatsoever to any Lender to assure that the Collateral exists or is owned by the Loan Parties or is cared for, protected or insured or has been encumbered or that the Lien granted to the Collateral Agent pursuant to this Agreement or any other Loan Document has been properly or sufficiently or lawfully created, perfected, protected or enforced or is entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 10.08 or in any other Loan Document, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to any other Lender, except as otherwise provided herein.

Section 10.09 Agency for Perfection. Each Agent and each Lender hereby appoints each other Agent and each other Lender as agent and bailee for the purpose of perfecting the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the Uniform Commercial Code, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and each Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Agents and the Lenders as secured party. Should the Administrative Agent or any Lender obtain possession or control of any such Collateral, the Administrative Agent or such Lender shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or in accordance with the Collateral Agent's instructions. In addition, the Collateral Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

Section 10.10 No Reliance on any Agent's Customer Identification Program. Each Lender acknowledges and agrees that neither such Lender, nor any of its Affiliates, participants or assignees, may rely on any Agent to carry out such Lender's, Affiliate's, participant's or assignee's customer identification program, or other requirements imposed by the USA PATRIOT Act or the regulations issued thereunder, including the regulations set forth in 31 C.F.R. §§ 1010.100(yy), (iii), 1020.100, and 1020.220 (formerly 31 C.F.R. § 103.121), as hereafter amended or replaced ("CIP Regulations"), or any other Anti-Money Laundering Laws, including any programs involving any of the

following items relating to or in connection with any of the Loan Parties, their Affiliates or their agents, the Loan Documents or the transactions hereunder or contemplated hereby: (1) any identity verification procedures, (2) any recordkeeping, (3) comparisons with government lists, (4) customer notices or (5) other procedures required under the CIP Regulations or other regulations issued under the USA PATRIOT Act. Each Lender, Affiliate, participant or assignee subject to Section 326 of the USA PATRIOT Act will perform the measures necessary to satisfy its own responsibilities under the CIP Regulations.

Section 10.11 No Third Party Beneficiaries. The provisions of this Article are solely for the benefit of the Secured Parties, and no Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 10.12 No Fiduciary Relationship. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 10.13 Reports; Confidentiality; Disclaimers. By becoming a party to this Agreement, each Lender:

(a) is deemed to have requested that each Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report with respect to Holdings or any of its Subsidiaries (each, a "Report") prepared by or at the request of such Agent, and each Agent shall so furnish each Lender with each such Report,

(b) expressly agrees and acknowledges that the Agents (i) do not make any representation or warranty as to the accuracy of any Reports, and (ii) shall not be liable for any information contained in any Reports,

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that any Agent or other party performing any audit or examination will inspect only specific information regarding Holdings and its Subsidiaries and will rely significantly upon Holdings' and its Subsidiaries' books and records, as well as on representations of their personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Holdings and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 12.19, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold any Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower, and (ii) to pay and protect, and indemnify, defend and hold any Agent and any other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by any such Agent and any such other Lender preparing a Report as

the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

Section 10.14 Collateral Custodian. Upon the occurrence and during the continuance of any Default or Event of Default, the Collateral Agent or its designee may at any time and from time to time employ and maintain on the premises of any Loan Party a custodian selected by the Collateral Agent or its designee who shall have full authority to do all acts necessary to protect the Agents' and the Lenders' interests. Each Loan Party hereby agrees to, and to cause its Subsidiaries to, cooperate with any such custodian and to do whatever the Collateral Agent or its designee may reasonably request to preserve the Collateral. All costs and expenses incurred by the Collateral Agent or its designee by reason of the employment of the custodian shall be the responsibility of the Borrower and charged to the Loan Account.

Section 10.15 Intercreditor Agreement. Each Lender hereby grants to the Collateral Agent all requisite authority to enter into or otherwise become bound by, and to perform its obligations and exercise its rights and remedies under and in accordance with the terms of, the Intercreditor Agreement and to bind the Lenders thereto by the Collateral Agent's entering into or otherwise becoming bound thereby, and no further consent or approval on the part of any Lender is or will be required in connection with the performance by the Collateral Agent of the Intercreditor Agreement.

Section 10.16 Collateral Agent May File Proofs of Claim

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Secured Parties (including any claim for the compensation, expenses, disbursements and advances of the Secured Parties and their respective agents and counsel and all other amounts due the Secured Parties hereunder and under the other Loan Documents) allowed in such judicial proceeding; and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Collateral Agent and, in the event that the Collateral Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel, and any other amounts due the Collateral Agent hereunder and under the other Loan Documents.

Section 10.17 Erroneous Distribution. If all or any part of any payment or other distribution by or on behalf of the Administrative Agent to the Borrower, Lender, or other Person is determined by the Administrative Agent in its sole discretion to have been made in error as determined by the Administrative Agent (any such distribution, an "Erroneous Distribution"), then the Borrower,

~~136841510_1~~

136841510_9

Lender, or other Person shall forthwith on written demand (accompanied by a reasonably detailed calculation of such Erroneous Distribution) repay to the Administrative Agent the amount of such Erroneous Distribution received by such Person. Any determination by the Administrative Agent, in its sole discretion, that all or a portion of any distribution to the Borrower, a Lender, or other Person was an Erroneous Distribution shall be conclusive absent manifest error. Each Borrower, Lender, and other potential recipient of an Erroneous Distribution hereunder waives any claim of discharge for value and any other claim of entitlement to, or in respect of, any Erroneous Distribution.

ARTICLE XI

GUARANTY

Section 11.01 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Obligations of the Borrower now or hereafter existing under any Loan Document, whether for principal, interest (including, without limitation, all interest that accrues after the commencement of any Insolvency Proceeding of the Borrower, whether or not a claim for post-filing interest is allowed in such Insolvency Proceeding) fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by the Borrower, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including reasonable counsel fees and expenses) incurred by the Secured Parties in enforcing any rights under the guaranty set forth in this Article XI. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Borrower to the Secured Parties under any Loan Document but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving the Borrower. Notwithstanding any of the foregoing, Guaranteed Obligations shall not include any Excluded Swap Obligations. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any Debtor Relief Law.

Section 11.02 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Loan Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Parties with respect thereto. Each Guarantor agrees that this Article XI constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by any Agent or any Lender to any Collateral. The obligations of each Guarantor under this Article XI are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any Loan Party or whether any Loan Party is joined in any such action or actions. The liability of each Guarantor under this Article XI shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of any Loan Document or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to

departure from any Loan Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Loan Party or otherwise;

(c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(d) the existence of any claim, set-off, defense or other right that any Guarantor may have at any time against any Person, including, without limitation, any Secured Party;

(e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Loan Party; or

(f) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Parties that might otherwise constitute a defense available to, or a discharge of, any Loan Party or any other guarantor or surety.

This Article XI shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by Secured Parties or any other Person upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payment had not been made.

Section 11.03 Waiver. Each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Article XI and any requirement that the Secured Parties exhaust any right or take any action against any Loan Party or any other Person or any Collateral, (iii) any right to compel or direct any Secured Party to seek payment or recovery of any amounts owed under this Article XI from any one particular fund or source or to exhaust any right or take any action against any other Loan Party, any other Person or any Collateral, (iv) any requirement that any Secured Party protect, secure, perfect or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any Loan Party, any other Person or any Collateral, and (v) any other defense available to any Guarantor. Each Guarantor agrees that the Secured Parties shall have no obligation to marshal any assets in favor of any Guarantor or against, or in payment of, any or all of the Obligations. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 11.03 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Article XI, and acknowledges that this Article XI is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 11.04 Continuing Guaranty; Assignments. This Article XI is a continuing guaranty and shall (a) remain in full force and effect until the later of the cash payment in full of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by the Secured Parties and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), any Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Commitments, its Loans owing to it) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted such Lender herein or otherwise, in each case as provided in Section 12.07.

Section 11.05 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against any Loan Party or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Article XI, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Parties against any Loan Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Loan Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI shall have been paid in full in cash and the Final Maturity Date shall have occurred. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the payment in full in cash of the Guaranteed Obligations (other than Contingent Indemnity Obligations) and all other amounts payable under this Article XI and the Final Maturity Date, such amount shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article XI, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Article XI thereafter arising. If (i) any Guarantor shall make payment to the Secured Parties of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article XI shall be paid in full in cash and (iii) the Final Maturity Date shall have occurred, the Secured Parties will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

Section 11.06 Contribution. All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Article XI. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Article XI such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Article XI in respect of the Guaranteed Obligations. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Article XI that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 11.06, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Article XI(including, without limitation, in respect of this Section 11.06), minus (B) the aggregate amount of all payments received on or before such date by such Guarantor from the other Guarantors as contributions

~~136841510_1~~

136841510_9

under this Section 11.06. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 11.06 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 11.06.

(b) Electronic Communications.

(i) Each Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Agents, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Agents that it is incapable of receiving notices under such Article by electronic communication.

Section 12.02 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document (excluding the Fee Letter), and no consent to any departure by any Loan Party therefrom, shall in any event be effective unless the same shall be in writing and signed (a) in the case of an amendment, consent or waiver to cure any ambiguity, omission, defect or inconsistency or granting a new Lien for the benefit of the Agents and the Lenders or extending an existing Lien over additional property, by the Agents and the Borrower, (b) in the case of any other waiver or consent, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and (c) in the case of any other amendment, by the Required Lenders (or by the Collateral Agent with the consent of the Required Lenders) and the Borrower, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no amendment, waiver or consent shall:

(i) increase the Commitment of any Lender, reduce the principal of, or interest on, the Loans payable to any Lender, reduce the amount of any fee payable for the account of any Lender, or postpone or extend any scheduled date fixed for any payment of principal of, or interest or fees on, the Loans payable to any Lender, in each case, without the written consent of such Lender;

(ii) increase the Total Commitment without the written consent of each Lender;

(iii) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Loans that is required for the Lenders or any of them to take any action hereunder without the written consent of each Lender;

(iv) amend the definition of "Required Lenders" or "Pro Rata Share" without the written consent of each Lender;

(v) release all or a substantial portion of the Collateral (except as otherwise provided in this Agreement and the other Loan Documents), subordinate any Lien granted in favor of the Collateral Agent for the benefit of the Agents and the Lenders, or release the Borrower or any Guarantor (except in connection with a Disposition of the Equity Interests thereof permitted by Section 7.02(c)(ii)), in each case, without the written consent of each Lender; provided, that the Required Lenders may elect to release all or a substantial portion of the Collateral without the requirement to obtain the written consent of each Lender if such release is in connection with (x) an exercise of remedies by the Collateral Agent at the direction of the Required Lenders pursuant to Section 9.01 or (y) any Disposition of all or a substantial portion of the Collateral by one or more of the Loan Parties with the consent of the Required Lenders after the occurrence and during the continuance of an Event of Default so long as such

~~136841510_1~~

136841510_9

Disposition is conducted in a commercially reasonable manner as if such Disposition were a disposition of collateral by a secured creditor in accordance with Article 9 of the UCC; or

(vi) amend, modify or waive Section 4.02, Section 4.03 or this Section 12.02 of this Agreement without the written consent of each Lender.

(b) Notwithstanding anything to the contrary in Section 12.02(a):

(i) no amendment, waiver or consent shall, unless in writing and signed by an Agent, affect the rights or duties of such Agent (but not in its capacity as a Lender) under this Agreement or the other Loan Documents;

(ii) any amendment, waiver or consent to any provision of this Agreement (including Sections 4.01 and 4.02) that permits any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates to purchase Loans on a non-pro rata basis, become an eligible assignee pursuant to Section 12.07 and/or make offers to make optional prepayments on a non-pro rata basis shall require the prior written consent of the Required Lenders rather than the prior written consent of each Lender directly affected thereby;

(iii) any Control Agreement, Guaranty, Mortgage, Security Agreement, collateral access agreement, landlord waiver or other agreement or document purporting to create or perfect a security interest in any of the Collateral (a "Collateral Document") may be amended, waived or otherwise modified with the consent of the applicable Agent and the applicable Loan Party without the need to obtain the consent of any Lender or any other Person if such amendment, modification, supplement or waiver is delivered in order (A) to comply with local Requirements of Law (including foreign law or regulatory requirements) or advice of local counsel, (B) to cure any ambiguity, inconsistency, omission, mistake or defect or (C) to cause such Collateral Document to be consistent with this Agreement and the other Loan Documents, and if the Administrative Agent and the Borrower shall have jointly identified an ambiguity, inconsistency, omission, mistake or defect, in each case, in any provision of any Loan Document (other than a Collateral Document), then the Administrative Agent and the Borrower shall be permitted to amend such provision; any amendment, waiver or modification pursuant to this paragraph shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof;

(iv) no consent of any Loan Party shall be required to change any order of priority set forth in Section 2.06(d) and Section 4.03;

(v) the Administrative Agent and the Borrower may enter into an amendment to this Agreement pursuant to Section 2.08(g) to reflect an alternate service or index rate and such other related changes to this Agreement as may be applicable; and

(vi) no Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates that is a Lender shall have any right to approve or disapprove any amendment, waiver or consent under the Loan Documents and any Loans held by such Person for purposes hereof shall be automatically deemed to be voted pro rata according to the Loans of all other Lenders in the aggregate (other than such Defaulting Lender, Loan Party, Permitted Holder (or other equity holder of Holdings) or Affiliate).

136841510_9

(c) If any action to be taken by the Lenders hereunder requires the consent, authorization, or agreement of all of the Lenders or any Lender affected thereby, and a Lender other than the Collateral Agent and the Administrative Agent and their respective Affiliates and Related Funds (the "Holdout Lender") fails to give its consent, authorization, or agreement, then the Collateral Agent, upon at least five (5) Business Days prior irrevocable notice to the Holdout Lender, may permanently replace the Holdout Lender with one or more substitute lenders (each, a "Replacement Lender"), and the Holdout Lender shall have no right to refuse to be replaced hereunder. Such notice to replace the Holdout Lender shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given. Prior to the effective date of such replacement, the Holdout Lender and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Holdout Lender being repaid its share of the outstanding Obligations without any premium or penalty of any kind whatsoever. If the Holdout Lender shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, the Holdout Lender shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Holdout Lender shall be made in accordance with the terms of Section 12.07. Until such time as the Replacement Lenders shall have acquired all of the Obligations, the Commitments, and the other rights and obligations of the Holdout Lender hereunder and under the other Loan Documents, the Holdout Lender shall remain obligated to make its Pro Rata Share of Loans.

Section 12.03 No Waiver; Remedies, Etc. No failure on the part of any Agent or any Lender to exercise, and no delay in exercising, any right hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right under any Loan Document preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Agents and the Lenders provided herein and in the other Loan Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Agents and the Lenders under any Loan Document against any party thereto are not conditional or contingent on any attempt by the Agents and the Lenders to exercise any of their rights under any other Loan Document against such party or against any other Person.

Section 12.04 Expenses; Taxes; Attorneys' Fees. The Borrower will pay on demand, all costs and expenses incurred by or on behalf of each Agent (and, in the case of clauses (b) through (m) below, each Lender), regardless of whether the transactions contemplated hereby are consummated, including, without limitation, reasonable fees, costs, client charges and expenses of FTI and of counsel for each Agent (and, in the case of clauses (b) through (m) below, each Lender), accounting, due diligence, periodic field audits, physical counts, valuations, investigations, searches and filings, monitoring of assets, appraisals of Collateral, the rating of the Loans, title searches and reviewing environmental assessments, miscellaneous disbursements, examination, travel, lodging and meals, arising from or relating to: (a) the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, without limitation, the preparation of any additional Loan Documents pursuant to Section 7.01(b) or the review of any of the agreements, instruments and documents referred to in Section 7.01(f)), (b) any requested amendments, waivers or consents to this Agreement or the other Loan Documents whether or not such documents become effective or are given, (c) the preservation and protection of the Agents' or any of the Lenders' rights under this Agreement or the other Loan Documents, (d) the defense of any claim or action asserted or brought against any Agent or any Lender by any Person that arises from or relates to this Agreement, any other Loan Document, the Agents' or the Lenders' claims against any Loan Party, or any and all matters in connection therewith, (e) the commencement or defense of, or intervention in, any court proceeding arising from or related to this Agreement or any other Loan Document, (f) the filing of any petition,

complaint, answer, motion or other pleading by any Agent or any Lender, or the taking of any action in respect of the Collateral or other security, in connection with this Agreement or any other Loan Document, (g) the protection, collection, lease, sale, taking possession of or liquidation of, any Collateral or other security in connection with this Agreement or any other Loan Document, (h) any attempt to enforce any Lien or security interest in any Collateral or other security in connection with this Agreement or any other Loan Document, (i) any attempt to collect from any Loan Party, (j) any Environmental Claim, Environmental Liability or Remedial Action arising from or in connection with the past, present or future operations of, or any property currently, formerly or in the future owned, leased or operated by, any Loan Party, any of its Subsidiaries or any predecessor in interest, (k) any Environmental Lien, (l) the rating of the Loans by one or more rating agencies in connection with any Lender's Securitization, or (m) the receipt by any Agent or any Lender of any advice from professionals with respect to any of the foregoing. Without limitation of the foregoing or any other provision of any Loan Document: (x) the Borrower agrees to pay all broker fees that may become due in connection with the transactions contemplated by this Agreement and the other Loan Documents and (y) if the Borrower fail to perform any covenant or agreement contained herein or in any other Loan Document, any Agent may itself perform or cause performance of such covenant or agreement, and the expenses of such Agent incurred in connection therewith shall be reimbursed on demand by the Borrower. The obligations of the Borrower under this Section 12.04 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

Section 12.05 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, any Agent or any Lender may, and is hereby authorized to, at any time and from time to time, without notice to any Loan Party (any such notice being expressly waived by the Loan Parties) and to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Agent or such Lender or any of their respective Affiliates to or for the credit or the account of any Loan Party against any and all obligations of the Loan Parties either now or hereafter existing under any Loan Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of set-off, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 4.04 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Agents and the Lenders, and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Agent and each Lender agrees to notify such Loan Party promptly after any such set-off and application made by such Agent or such Lender or any of their respective Affiliates provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Agents and the Lenders under this Section 12.05 are in addition to the other rights and remedies (including other rights of set-off) which the Agents and the Lenders may have under this Agreement or any other Loan Documents of law or otherwise.

Section 12.06 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 12.07 Assignments and Participations.

(a) This Agreement and the other Loan Documents shall be binding upon and inure to the benefit of each Loan Party and each Agent and each Lender and their respective successors and assigns; provided, however, that none of the Loan Parties may assign or transfer any of its rights hereunder or under the other Loan Documents without the prior written consent of each Lender and any such assignment without the Lenders' prior written consent shall be null and void.

(b) Subject to the conditions set forth in clause (c) below, each Lender may assign to one or more other lenders or other entities all or a portion of its rights and obligations under this Agreement with respect to:

(i) all or a portion of its Term Loan Commitment and any Term Loan made by it with the written consent of the Borrower (such consent not to be unreasonably withheld) and each Agent, and

(ii) all or a portion of its Revolving Credit Commitment and the Revolving Loans made by it with the written consent the Borrower (such consent not to be unreasonably withheld) and each Agent;

provided, however, that no written consent of the Borrower, the Collateral Agent or the Administrative Agent shall be required (A) in connection with any assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) if such assignment is in connection with any merger, consolidation, sale, transfer, or other disposition of all or any substantial portion of the business or loan portfolio of such Lender; provided further, that under this Section 12.07(b), the consent of the Borrower shall not be required if an Event of Default has occurred and is continuing.

(c) Assignments shall be subject to the following additional conditions:

(i) Each such assignment shall be in an amount which is at least $5,000,000 or a multiple of $1,000,000 in excess thereof (or the remainder of such Lender's Commitment) (except such minimum amount shall not apply to an assignment by a Lender to (A) a Lender, an Affiliate of such Lender or a Related Fund of such Lender or (B) a group of new Lenders, each of whom is an Affiliate or Related Fund of each other to the extent the aggregate amount to be assigned to all such new Lenders is at least $5,000,000 or a multiple of $1,000,000 in excess thereof);

(ii) The parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance, an Assignment and Acceptance, together with any promissory note subject to such assignment and such parties shall deliver to the Collateral Agent, for the benefit of the Administrative Agent, a processing and recordation fee of $5,000 (except the payment of such fee shall not be required in connection with an assignment by a Lender to a Lender, an Affiliate of such Lender or a Related Fund of such Lender) and all documentation and other information that such Lender reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering or terrorist financing rules and regulations, including the USA PATRIOT Act; and

(iii) No such assignment shall be made to (A) any Loan Party, any Permitted Holder (or other equity holder of Holdings) or any of their respective Affiliates or (B) any Defaulting

136841510_9

Lender or any of its Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B).

(d) Upon such execution, delivery and acceptance, from and after the recordation date of each Assignment and Acceptance on the Register, , (A) the assignee thereunder shall become a "Lender" hereunder and, in addition to the rights and obligations hereunder held by it immediately prior to such effective date, have the rights and obligations hereunder that have been assigned to it pursuant to such Assignment and Acceptance and (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(e) By executing and delivering an Assignment and Acceptance, the assigning Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, the assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto; (ii) the assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or any of its Subsidiaries or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with such other documents and information it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the assigning Lender, any Agent or any Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes the Agents to take such action as agents on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agents by the terms hereof and thereof, together with such powers as are reasonably incidental hereto and thereto; and (vi) such assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(f) The Administrative Agent shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain, or cause to be maintained at one of its offices, a copy of each Assignment and Acceptance delivered to and accepted by it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitments of, and the principal amount of the Loans (and stated interest thereon)owing to each Lender from time to time. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior written notice.

(g) Upon receipt by the Administrative Agent of a completed Assignment and Acceptance, and subject to any consent required from the Borrower, Administrative Agent or the

Collateral Agent pursuant to Section 12.07(b) (which consent of the applicable Agent and Borrower must be evidenced by such Agent's or Borrower's execution of an acceptance to such Assignment and Acceptance), the Administrative Agent shall accept such assignment, record the information contained therein in the Register (as adjusted to reflect any principal payments on or amounts capitalized and added to the principal balance of the Loans and/or Commitment reductions made subsequent to the effective date of the applicable assignment, as confirmed in writing by the corresponding assignor and assignee in conjunction with delivery of the assignment to the Administrative Agent) and provide to the Collateral Agent a copy of the fully executed Assignment and Acceptance.

(h) A Loan (and the note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each note shall expressly so provide). Any assignment or sale of all or part of a Loan (and the note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register or the Register, together with the surrender of the note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s).

(i) If any Lender sells participations in a Loan, such Lender shall, acting for this purpose as a non-fiduciary agent on behalf of the Borrower, maintain, or cause to be maintained, a register, on which it enters the name of all participants in the Loans held by it and the principal amount (and stated interest thereon) of the portion of the Loan that is the subject of the participation (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under the Code or Treasury Regulations, including without limitation, Section 5f.103-1(c) of the United States Treasury Regulations. A Loan (and the note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each note shall expressly so provide). Any participation of such Loan (and the note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(j) Any Person who purchases or is assigned or participates in any portion of such Loan shall comply with Section 2.10(d).

(k) Each Lender may sell participations to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of its Commitments and the Loans made by it); provided, that (i) such Lender's obligations under this Agreement (including without limitation, its Commitments hereunder) and the other Loan Documents shall remain unchanged; (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents; and (iii) a participant shall not be entitled to require such Lender to take or omit to take any action hereunder except (A) action directly effecting an extension of the maturity dates or decrease in the principal amount

~~136841510_1~~

136841510_9

of the Loans, (B) action directly effecting an extension of the due dates or a decrease in the rate of interest payable on the Loans or the fees payable under this Agreement, or (C) actions directly effecting a release of all or a substantial portion of the Collateral or any Loan Party (except as set forth in Section 10.08 of this Agreement or any other Loan Document). The Loan Parties agree that each participant shall be entitled to the benefit of Section 2.10 and Section 2.11 of this Agreement with respect to its participation in any portion of the Commitments and the Loans as if it were a Lender; provided that a participant shall not be entitled to receive any greater payment under Section 2.10 or Section 2.11 with respect to its participation than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participant acquired the applicable participation.

(l) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or loans made to, or other indebtedness issued by, such Lender pursuant to a securitization transaction (including any structured warehouse credit facility, collateralized loan obligation transaction or similar facility or transaction, and including any further securitization of the indebtedness or equity issued under such a transaction) (a "Securitization"); provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. The Loan Parties shall cooperate with such Lender and its Affiliates to effect a Securitization, including, without limitation, by providing such information as may be reasonably requested by such Lender in connection with the rating of its Loans or any Securitization.

Section 12.08 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by telecopier or electronic mail shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telecopier or electronic mail also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document *mutatis mutandis*.

Section 12.09 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (UNLESS EXPRESSLY PROVIDED TO THE CONTRARY IN ANOTHER LOAN DOCUMENT IN RESPECT OF SUCH OTHER LOAN DOCUMENT) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN THE STATE OF NEW YORK.

Section 12.10 CONSENT TO JURISDICTION; SERVICE OF PROCESS AND VENUE.

(a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK IN THE COUNTY OF NEW YORK OR OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE

~~136841510_1~~

136841510_9

JURISDICTION OF THE AFORESAID COURTS. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS AND IN ANY SUCH ACTION OR PROCEEDING BY ANY MEANS PERMITTED BY APPLICABLE LAW, INCLUDING, WITHOUT LIMITATION, BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH IN SECTION 12.01, SUCH SERVICE TO BECOME EFFECTIVE 10 DAYS AFTER SUCH MAILING. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE AGENTS AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY LOAN PARTY IN ANY OTHER JURISDICTION. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) Each Loan Party irrevocably and unconditionally agrees that it will not commence any action or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against any Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof.

Section 12.11 WAIVER OF JURY TRIAL, ETC. EACH LOAN PARTY, EACH AGENT AND EACH LENDER HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM CONCERNING ANY RIGHTS UNDER THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, OR UNDER ANY AMENDMENT, WAIVER, CONSENT, INSTRUMENT, DOCUMENT OR OTHER AGREEMENT DELIVERED OR WHICH IN THE FUTURE MAY BE DELIVERED IN CONNECTION THEREWITH, OR ARISING FROM ANY FINANCING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREES THAT ANY SUCH ACTION, PROCEEDINGS OR COUNTERCLAIM SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH LOAN PARTY CERTIFIES THAT NO OFFICER, REPRESENTATIVE, AGENT OR ATTORNEY OF ANY AGENT OR ANY LENDER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT ANY AGENT OR ANY LENDER WOULD NOT, IN THE EVENT OF ANY ACTION, PROCEEDING OR COUNTERCLAIM, SEEK TO ENFORCE THE FOREGOING WAIVERS. EACH LOAN PARTY

HEREBY ACKNOWLEDGES THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS AND THE LENDERS ENTERING INTO THIS AGREEMENT.

Section 12.12 Consent by the Agents and Lenders. Except as otherwise expressly set forth herein to the contrary or in any other Loan Document, if the consent, approval, satisfaction, determination, judgment, acceptance or similar action (an "Action") of any Agent or any Lender shall be permitted or required pursuant to any provision hereof or any provision of any other agreement to which any Loan Party is a party and to which any Agent or any Lender has succeeded thereto, such Action shall be required to be in writing and may be withheld or denied by such Agent or such Lender, in its sole discretion, with or without any reason, and without being subject to question or challenge on the grounds that such Action was not taken in good faith.

Section 12.13 No Party Deemed Drafter. Each of the parties hereto agrees that no party hereto shall be deemed to be the drafter of this Agreement.

Section 12.14 Reinstatement; Certain Payments. If any claim is ever made upon any Secured Party for repayment or recovery of any amount or amounts received by such Secured Party in payment or on account of any of the Obligations, such Secured Party shall give prompt notice of such claim to each other Agent and Lender and the Borrower, and if such Secured Party repays all or part of such amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such Secured Party or any of its property, or (ii) any good faith settlement or compromise of any such claim effected by such Secured Party with any such claimant, then and in such event each Loan Party agrees that (A) any such judgment, decree, order, settlement or compromise shall be binding upon it notwithstanding the cancellation of any Indebtedness hereunder or under the other Loan Documents or the termination of this Agreement or the other Loan Documents, and (B) it shall be and remain liable to such Secured Party hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by such Secured Party.

Section 12.15 Indemnification; Limitation of Liability for Certain Damages.

(a) In addition to each Loan Party's other Obligations under this Agreement, each Loan Party agrees to, jointly and severally, defend, protect, indemnify and hold harmless each Secured Party and all of their respective Related Parties (collectively called the "Indemnitees") from and against any and all losses, damages, liabilities, obligations, penalties, fees, reasonable costs and expenses (including, without limitation, reasonable attorneys' fees, costs and expenses) incurred by such Indemnitees, whether prior to or from and after the Effective Date, whether direct, indirect or consequential, as a result of or arising from or relating to or in connection with any of the following: (i) the negotiation, preparation, execution or performance or enforcement of this Agreement, any other Loan Document, of any Environmental Claim or any other document executed in connection with the transactions contemplated by this Agreement, (ii) any Agent's or any Lender's furnishing of funds to the Borrower under this Agreement or the other Loan Documents, including, without limitation, the management of any such Loans or the Borrower's use of the proceeds thereof, (iii) the Agents and the Lenders relying on any instructions of the Borrower or the handling of the Loan Account and Collateral of the Borrower as herein provided, (iv) any matter relating to the financing transactions contemplated by this Agreement or the other Loan Documents or by any document executed in connection with the transactions contemplated by this Agreement or the other Loan Documents, or (v) any claim, including any Environmental litigation, investigation or proceeding relating to or arising out of any of the foregoing, whether or not any Indemnitee is a party thereto (collectively, the "Indemnified Matters"); provided, however, that the Loan Parties shall not have any obligation to any Indemnitee under this

subsection (a) for any Indemnified Matter caused by the gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction.

(b) The indemnification for all of the foregoing losses, damages, fees, costs and expenses of the Indemnitees set forth in this Section 12.15 are chargeable against the Loan Account. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section 12.15 may be unenforceable because it is violative of any law or public policy, each Loan Party shall, jointly and severally, contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all Indemnified Matters incurred by the Indemnitees.

(c) No Loan Party shall assert, and each Loan Party hereby waives, any claim against the Indemnitees, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Loan Party hereby waives, releases and agrees not to sue upon any such claim or seek any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

(d) The indemnities and waivers set forth in this Section 12.15 shall survive the repayment of the Obligations and discharge of any Liens granted under the Loan Documents.

(e) Section 12.15 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 12.16 Records. The unpaid principal of and interest on the Loans, the interest rate or rates applicable to such unpaid principal and interest, the duration of such applicability, the Commitments, and the accrued and unpaid fees payable pursuant to Section 2.07 hereof, shall at all times be ascertained from the records of the Agents, which shall be conclusive and binding absent manifest error.

Section 12.17 Binding Effect. This Agreement shall become effective when it shall have been executed by each Loan Party, each Agent and each Lender and when the conditions precedent set forth in Section 5.01 hereof have been satisfied or waived in writing by the Agents, and thereafter shall be binding upon and inure to the benefit of each Loan Party, each Agent and each Lender, and their respective successors and assigns, except that the Loan Parties shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of each Agent and each Lender, and any assignment by any Lender shall be governed by Section 12.07 hereof.

Section 12.18 Highest Lawful Rate. It is the intention of the parties hereto that each Agent and each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the transactions contemplated hereby or by any other Loan Document would be usurious as to any Agent or any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Agent or such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in this Agreement or any other Loan Document or any agreement entered into in connection with or as security for the Obligations, it is agreed as follows: (i) the aggregate of all

consideration which constitutes interest under law applicable to any Agent or any Lender that is contracted for, taken, reserved, charged or received by such Agent or such Lender under this Agreement or any other Loan Document or agreements or otherwise in connection with the Obligations shall under no circumstances exceed the maximum amount allowed by such applicable law, any excess shall be canceled automatically and if theretofore paid shall be credited by such Agent or such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender, as applicable, to the Borrower); and (ii) in the event that the maturity of the Obligations is accelerated by reason of any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Agent or any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall, subject to the last sentence of this Section 12.18, be canceled automatically by such Agent or such Lender, as applicable, as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Agent or such Lender, as applicable, on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Agent or such Lender to the Borrower). All sums paid or agreed to be paid to any Agent or any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Agent or such Lender, be amortized, prorated, allocated and spread throughout the full term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (x) the amount of interest payable to any Agent or any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Agent or such Lender pursuant to this Section 12.18 and (y) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Agent or such Lender would be less than the amount of interest payable to such Agent or such Lender computed at the Highest Lawful Rate applicable to such Agent or such Lender, then the amount of interest payable to such Agent or such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Agent or such Lender until the total amount of interest payable to such Agent or such Lender shall equal the total amount of interest which would have been payable to such Agent or such Lender if the total amount of interest had been computed without giving effect to this Section 12.18.

For purposes of this Section 12.18, the term "applicable law" shall mean that law in effect from time to time and applicable to the loan transaction between the Borrower, on the one hand, and the Agents and the Lenders, on the other, that lawfully permits the charging and collection of the highest permissible, lawful non-usurious rate of interest on such loan transaction and this Agreement, including laws of the State of New York and, to the extent controlling, laws of the United States of America.

The right to accelerate the maturity of the Obligations does not include the right to accelerate any interest that has not accrued as of the date of acceleration.

Section 12.19 Confidentiality. Each Agent and each Lender agrees (on behalf of itself and its Related Parties) to use reasonable precautions to keep confidential, in accordance with its customary procedures for handling confidential information of this nature and in accordance with safe and sound practices of comparable commercial finance companies, any non-public information supplied to it by the Loan Parties pursuant to this Agreement or the other Loan Documents which is identified in writing by the Loan Parties as being confidential at the time the same is delivered to such Person (and

which at the time is not, and does not thereafter become, publicly available or available to such Person from another source not known to be subject to a confidentiality obligation to such Person not to disclose such information), provided that nothing herein shall limit the disclosure by any Agent or any Lender of any such information (i) to its Affiliates, its Related Parties or the Related Parties of any Person described in clause (ii) or (iii) below) (it being understood that the Persons to whom such disclosure is made either will be informed of the confidential nature of such information and instructed to keep such information confidential in accordance with this Section 12.19 or is subject to other customary confidentiality obligations); (ii) to any other party hereto; (iii) to any assignee or participant (or prospective assignee or participant) or any party to a Securitization, so long as such assignee or participant (or prospective assignee or participant) or party to a Securitization agrees, in writing, to be bound by or is otherwise subject to customary confidentiality obligations (including, without limitation, confidentiality provisions similar in substance to this Section 12.19); (iv) to the extent required by any Requirement of Law or judicial process or as otherwise requested by any Governmental Authority; (v) to the National Association of Insurance Commissioners or any similar organization, any examiner, auditor or accountant or any nationally recognized rating agency; (vi) in connection with any litigation to which any Agent or any Lender is a party; (vii) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (viii) to any other Person if such information is general portfolio information that does not identity the Loan Parties, or (ix) with the consent of the Borrower. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to any Agent or any Lender in connection with the administration of this Agreement, the other Loan Documents and the Commitments.

Section 12.20 Public Disclosure. Each Loan Party agrees that neither it nor any of its Affiliates will now or in the future issue any press release or other public disclosure using the name of an Agent, any Lender or any of their respective Affiliates or referring to this Agreement or any other Loan Document without the prior written consent of such Agent or such Lender, except to the extent that such Loan Party or such Affiliate is required to do so under applicable law (in which event, such Loan Party or such Affiliate will consult with such Agent or such Lender before issuing such press release or other public disclosure). Each Loan Party hereby authorizes each Agent and each Lender, after consultation with the Borrower, to advertise the closing of the transactions contemplated by this Agreement, and to make appropriate announcements of the financial arrangements entered into among the parties hereto, as such Agent or such Lender shall deem appropriate, including, without limitation, on a home page or similar place for dissemination of information on the Internet or worldwide web, or in announcements commonly known as tombstones, in such trade publications, business journals, newspapers of general circulation and to such selected parties as such Agent or such Lender shall deem appropriate.

Section 12.21 Integration. This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

Section 12.22 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the entities composing the Borrower, which information includes the name and address of each such entity and other information that will allow such Lender to identify the entities composing the Borrower in accordance with the USA PATRIOT Act. Each Loan Party agrees to take such action and execute, acknowledge and

(a) Representations and Warranties; No Event of Default. (i) Except for (A) Section 6.01(h)(iii) of the Financing Agreement to the extent such section relates to the Specified Defaults, or as a result of certain other defaults on Material Contracts disclosed in writing to the Agents prior to the Amendment No. 5 Effective Date and (B) Section 6.01(t) of the Financing Agreement to the extent relating to the period on or prior to the Amendment No. 7 Effective Date (collectively, the "Representation Exceptions"), the representations and warranties herein, in Article VI of the Financing Agreement and in each other Loan Document are true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties are true and correct in all respects subject to such qualification) on and as of the Amendment No. 7 Effective Date as though made on and as of such dates, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty is true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties are true and correct in all respects subject to such qualification) on and as of such earlier date), and (ii) except for the Specified Defaults, no Default or Event of Default has occurred and is continuing as of the Amendment No. 7 Effective Date or would result from this Amendment becoming effective in accordance with its terms.

(b) Solvency. That, on and as of the Amendment No. 7 Effective Date, the Loan Parties (on a consolidated basis) are Solvent (as defined below). For purposes of this clause (b) and Section 4(d)(iii) below, "Solvent" means, with respect to any Person on a particular date, that on such date (i) the fair value of the property of such Person is not less than the total amount of the liabilities of such Person, (ii) the fair salable value of the assets of such Person is not less than the amount that will be required to pay the probable liability of such Person on its

existing debts as they become absolute and matured, (iii) such Person is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and other commitments as they mature in the normal course of business other than any debts subject to forbearance, current balances in accounts payable disclosed to such Person's lenders (or such lenders' agent) (the "Lender Parties") and certain tax liabilities disclosed to the Lender Parties prior to the Amendment No. 6 Effective Date, (iv) such Person does not intend to, and does not believe that it will, incur debts or liabilities beyond such Person's ability to pay as such debts and liabilities mature except as set forth in the most recent 13-Week Cash Flow Forecast disclosed to the Lender Parties, and (v) such Person is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which such Person's property would constitute unreasonably small capital. For purposes of this clause (b), the amount of any contingent obligations at any time shall be computed as the amount that, in light of all the facts and circumstances existing at such time, would reasonably be expected to become an actual and matured liability.

(c) Organization, Good Standing, Etc. Each Loan Party (i) is a corporation, limited liability company or *sociedad anonima* duly organized, validly existing and, other than the Mexican Loan Parties, in good standing under the laws of the jurisdiction of its organization, (ii) has all requisite power and authority to conduct its business as now conducted and as presently contemplated, and to execute and deliver this Amendment, and to consummate the transactions contemplated by this Amendment, the Financing Agreement and the other Loan Documents, and (iii) is duly qualified to do business in, and is in good standing in, each jurisdiction where the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except (solely for the purposes of this subclause (iii)) where the failure to be so qualified and be in good standing could not reasonably be expected to have a Material Adverse Effect.

(d) Authorization, Etc. The execution and delivery by each Loan Party of this Amendment and the performance by it of this Amendment, the Financing Agreement and the other Loan Documents, (i) have been duly authorized by all necessary action, (ii) do not and will not contravene (A) any of its Governing Documents, (B) any applicable material Requirement of Law, or (C) any Contractual Obligation binding on or otherwise affecting it or any of its properties, (iii) do not and will not result in or require the creation of any Lien (other than pursuant to any Loan Document) upon or with respect to any of its properties, and (iv) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any permit, license, authorization or approval applicable to its operations or any of its properties.

(e) Enforceability of Loan Documents. This Amendment, the Financing Agreement, and each other Loan Document to which any Loan Party is or will be a party, is and will be a legal, valid and binding obligation of each Loan Party party thereto, enforceable against such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

(f) Governmental Approvals. No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority is required in connection with the due execution, delivery and performance by any Loan Party of this Amendment or any other Loan Document to which it is or will be a party.

(g) Security Agreement Compliance. (i) The representations and warranties in Sections 5(b), (f) and (k) of the Security Agreement are true and correct in all material respects on and as of the Amendment No. 7 Effective Date as though made on and as of such date and (ii) each Loan Party is in compliance with that certain obligation under Section 4(a) of the Security Agreement to deliver all Pledged Interests (as defined in the Security Agreement) from time to time required to be pledged to the Collateral Agent pursuant to the terms of the Security Agreement or the Financing Agreement.

(g) No Duress. This Amendment has been entered into without force or duress, in the free will of each Loan Party. Each Loan Party's decision to enter into this Amendment is a fully informed decision and such Loan Party is aware of all legal and other ramifications of such decision.

(h) Counsel. Each Loan Party has read and understands this Amendment, has consulted with and been represented by legal counsel in connection herewith, and has been advised by its counsel of its rights and obligations hereunder.

4. Conditions to Effectiveness. This Amendment shall become effective only upon satisfaction in full, in a manner satisfactory to the Agents, of the following conditions precedent (the first date upon which all such conditions shall have been satisfied being hereinafter referred to as the "Amendment No. 7 Effective Date"):

(a) Payment of Fees, Etc. The Borrowers shall have paid on or before the date hereof, (i) all fees, costs and expenses then due and payable, if any, pursuant to Section 2.07 or 12.04 of the Financing Agreement and (ii) any fees due and payable as of the Amendment No. 7 Effective Date pursuant to the Amendment No. 7 Fee Letter (as defined below), which fees, in the case of this clause (ii), shall be paid in kind by capitalizing such fees and adding such capitalized amount to the outstanding principal amount of the Term Loans in accordance therewith.

(b) Representations and Warranties. Except for the Representation Exceptions, the representations and warranties contained in this Amendment and in Article VI of the Financing Agreement and in each other Loan Document shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) on and as of the Amendment No. 7 Effective Date as though made on and as of such date, except to the extent that any such representation or warranty expressly relates solely to an earlier date (in which case such representation or warranty shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any

such representation or warranty that already is qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representation and warranty shall be true and correct in all respects subject to such qualification) on and as of such earlier date).

(c) No Default; Event of Default. Except for the Specified Defaults, no Default or Event of Default shall have occurred and be continuing on the Amendment No. 7 Effective Date or result from this Amendment becoming effective in accordance with its terms.

(d) Delivery of Documents. The Agents shall have received on or before the Amendment No. 7 Effective Date the following, in form and substance satisfactory to the Agents, unless indicated otherwise, dated the Amendment No. 7 Effective Date:

(i) this Amendment, duly executed and delivered by the Loan Parties, each Agent, the Required Lenders and the Second Additional Term Loan Lenders, in form and substance satisfactory to the Agents;

(ii) a certificate of an Authorized Officer of each Loan Party, certifying (A) as to copies of the Governing Documents of such Loan Party, together with all amendments thereto, confirming that such Governing Documents have not been amended or modified since the Effective Date, (B) as to a copy of the resolutions or written consents of such Loan Party authorizing (1) the transactions contemplated by this Amendment and the Amendment No. 7 Fee Letter, (2) the execution, delivery and performance by such Loan Party of this Amendment and the Amendment No. 7 Fee Letter, and (3) the execution, delivery and performance of the other documents to be delivered by such Person in connection with this Amendment, (C) the names and true signatures of the representatives of such Loan Party authorized to sign this Amendment, the Amendment No. 7 Fee Letter and the other documents to be executed and delivered by such Loan Party in connection herewith, together with evidence of the incumbency of such Authorized Officers and (D) as to the matters set forth in subsections (b) and (c) of this Section 4;

(iii) a certificate of the chief financial officer of Holdings, certifying on behalf of the Loan Parties that the Loan Parties (on a consolidated basis), after giving effect to any Loans made on the Amendment No. 7 Effective Date, are Solvent;

(iv) a fully executed copy of the Fee Letter, dated the Amendment No. 7 Effective Date, among the Borrower and the Agents (the "Amendment No. 7 Fee Letter");

(v) fully executed copies of (A) the Amendment Agreement, dated as of the Amendment No. 7 Effective Date, to the Non-Possessory Pledge Agreement dated as of January 6, 2023, among AgileThought Digital Solutions, S.A.P.I. de C.V. and the Collateral Agent (the "Non-Possessory Pledge Amendment") and (B) the Amendment Agreement, dated as of the Amendment No. 7 Effective Date, to the Mexican Pledge Agreement, among the Pledgors (as defined therein) and the Collateral Agent; and

(v) a fully executed copy of Amendment No. 3 to Subordination and Intercreditor Agreement, in form and substance satisfactory to the Agents, dated as of the Amendment No. 7 Effective Date, among the Administrative Agent, the Existing Second Lien Collateral Agent and GLAS USA LLC, as administrative agent under the Existing Second Lien Credit Facility, and acknowledged by each of the Loan Parties.

(e) Approvals. All consents, authorizations and approvals of, and filings and registrations with, and all other actions in respect of, any Governmental Authority or other Person required in connection with any Loan Document or the transactions contemplated thereby or the conduct of the Loan Parties' business shall have been obtained or made and shall be in full force and effect. There shall exist no claim, action, suit, investigation, litigation or proceeding (including, without limitation, shareholder or derivative litigation) pending or, to the knowledge of any Loan Party, threatened in any court or before any arbitrator or Governmental Authority which (i) relates to the Loan Documents or the transactions contemplated thereby, or (ii) could reasonably be expected to have a Material Adverse Effect.

5. Condition Subsequent to Effectiveness of this Agreement. The Loan Parties agree that, in addition to all other terms, conditions and provisions set forth in this Agreement, including, without limitation, those conditions to the Amendment No. 7 Effective Date set forth herein, AgileThought Digital Solutions, S.A.P.I. de C.V. shall, within two (2) Business Days after the Amendment No. 7 Effective Date (or such later date as may be agreed by the Administrative Agent in its sole discretion), ratify the Non-Possessory Pledge Amendment before a Mexican notary public and shall cause such notary public to record the Non-Possessory Pledge Amendment in the Registro Único De Garantías Mobiliarias (it being understood that the failure by AgileThought Digital Solutions, S.A.P.I. de C.V. to perform or cause to be performed such condition subsequent shall constitute an immediate Event of Default (without giving effect to any grace periods set forth in the Financing Agreement)).

6. Acknowledgments by Loan Parties. Each Loan Party acknowledges and agrees as follows:

(a) Acknowledgment of Debt. As of the close of business on the Amendment No. 7 Effective Date, each Loan Party is indebted, jointly and severally, to the Lenders and the Agents, without defense, deduction, setoff, claim or counterclaim, of any nature, under the Financing Agreement and the other Loan Documents in the aggregate principal amount of not less than $93,640,057.55 (inclusive of all fees due and payable under the Amendment No. 7 Fee letter and capitalized as of the date hereof), plus accrued and continually accruing interest and all fees, costs and expenses in accordance with the Loan Documents.

(b) Acknowledgment of the Specified Defaults. On and as of the date hereof: (i) each of the Events of Default enumerated on Schedule 1 attached hereto (the "Specified Defaults") has occurred and is continuing; (ii) the Agents and Lenders have not waived in any respect any Specified Defaults; (iii) the Agents and Lenders have not waived any of their rights

and remedies with respect to the Specified Defaults; and (iv) the Agents and Lenders are permitted immediately to accelerate the Obligations and exercise all rights and remedies available under the Loan Documents, applicable law and/or otherwise as a result of any of the Specified Defaults. For the avoidance of doubt, none of this Amendment, the availability of the Second Additional Term Loan Commitments or the funding by the Second Additional Term Loan Lenders of the Second Additional Term Loan shall be construed (A) as a waiver, forbearance or standstill of any of the rights and remedies of the Agents and Lenders with respect to any of the Specified Defaults or any other Event of Default that has occurred, is continuing or may occur after the date hereof or (B) as an obligation or commitment by the Lenders to fund additional Loans after the date hereof.

(c) Acknowledgment that Liabilities Continue in Full Force and Effect. The Loans and all other liabilities and Obligations of the Loan Parties under the Financing Agreement and each other Loan Document remain in full force and effect, and shall not be released, impaired, diminished or in any other way modified or amended as a result of the execution and delivery of this Amendment or by the agreements and undertakings of the parties contained herein.

(d) Acknowledgment of Perfection of Security Interest. As of the date hereof, the security interests and Liens granted to the Collateral Agent, for its benefit and the benefit of the Lenders, under the Loan Documents securing the Obligations are in full force and effect, are properly perfected and are enforceable in accordance with the terms of the Loan Documents.

7. Continued Effectiveness of the Financing Agreement and Other Loan Documents. Each Loan Party hereby (a) acknowledges and consents to this Amendment, (b) confirms and agrees that the Financing Agreement and each other Loan Document to which it is a party is, and shall continue to be, in full force and effect and is hereby ratified and confirmed in all respects, except that on and after the Amendment No. 7 Effective Date, all references in any such Loan Document to "the Financing Agreement", the "Agreement", "thereto", "thereof", "thereunder" or words of like import referring to the Financing Agreement shall mean the Financing Agreement as amended by this Amendment, and (c) confirms and agrees that, to the extent that any such Loan Document purports to assign or pledge to the Collateral Agent, for the benefit of the Agents and the Lenders, or to grant to the Collateral Agent, for the benefit of the Agents and the Lenders, a security interest in or Lien on any Collateral as security for the Obligations of the Loan Parties from time to time existing in respect of the Financing Agreement (as amended by this Amendment) and the other Loan Documents, such pledge, assignment and/or grant of the security interest or Lien is hereby ratified and confirmed in all respects. This Amendment does not and shall not affect any of the obligations of the Loan Parties, other than as expressly provided herein, including, without limitation, the Loan Parties' obligations to repay the Loans in accordance with the terms of Financing Agreement or the obligations of the Loan Parties under any Loan Document to which they are a party, all of which obligations shall remain in full force and effect. Except as expressly provided herein, the execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any right, power or remedy of any Agent or any Lender under the Financing Agreement or any other

Loan Document nor constitute a waiver of any provision of the Financing Agreement or any other Loan Document.

8. No Representations by Agents or Lenders. Each Loan Party hereby acknowledges that it has not relied on any representation, written or oral, express or implied, by any Agent or any Lender, other than those expressly contained herein, in entering into this Amendment.

9. No Novation. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Financing Agreement or instruments securing the same, which shall remain in full force and effect, except as modified hereby.

10. Release. Each Loan Party hereby acknowledges and agrees that: (a) neither it nor any of its Subsidiaries has any claim or cause of action against any Agent or any Lender (or any of the directors, officers, employees, agents, attorneys or consultants of any of the foregoing), and (b) the Agents and the Lenders have heretofore properly performed and satisfied in a timely manner all of their obligations to the Loan Parties, and all of their Subsidiaries and Affiliates. Notwithstanding the foregoing, the Agents and the Lenders wish (and the Loan Parties agree) to eliminate any possibility that any past conditions, acts, omissions, events or circumstances would impair or otherwise adversely affect any of their rights, interests, security and/or remedies. Accordingly, for and in consideration of the agreements contained in this Amendment and other good and valuable consideration, each Loan Party (for itself and its Subsidiaries and Affiliates and the successors, assigns, heirs and representatives of each of the foregoing) (collectively, the "Releasors") does hereby fully, finally, unconditionally and irrevocably release, waive and forever discharge the Agents and the Lenders, together with their respective Affiliates and Related Funds, and each of the directors, officers, employees, agents, attorneys and consultants of each of the foregoing (collectively, the "Released Parties"), from any and all debts, claims, allegations, obligations, damages, costs, attorneys' fees, suits, demands, liabilities, actions, proceedings and causes of action, in each case, whether known or unknown, contingent or fixed, direct or indirect, and of whatever nature or description, and whether in law or in equity, under contract, tort, statute or otherwise, which any Releasor has heretofore had or now or hereafter can, shall or may have against any Released Party by reason of any act, omission or thing whatsoever done or omitted to be done, in each case, on or prior to the Amendment No. 7 Effective Date directly arising out of, connected with or related to this Amendment, the Financing Agreement or any other Loan Document, or any act, event or transaction related or attendant thereto, or the agreements of any Agent or any Lender contained therein, or the possession, use, operation or control of any of the assets of any Loan Party, or the making of any Loans or other advances, or the management of such Loans or other advances or the Collateral (other than, for the avoidance of doubt, any failure by any Second Additional Term Loan Lender to make the Second Additional Term Loans pursuant to Section 2.01(a)(iv) of the Financing Agreement on the Amendment No. 7 Effective Date upon the effectiveness of this Amendment). Each Loan Party represents and warrants that it has no knowledge of any claim by any Releasor against any Released Party or of any facts or acts or omissions of any Released Party which on the date hereof would be the basis of a claim by any Releasor against any Released Party which would not be released hereby.

11. Further Assurances. The Loan Parties shall execute any and all further documents, agreements and instruments, and take all further actions, as may be required under Applicable Law or as any Agent may reasonably request, in order to effect the purposes of this Amendment.

12. Reaffirmation of Security Interests. Each Loan Party (a) affirms that each of the Liens granted in or pursuant to the Loan Documents are valid, perfected, first priority (unless otherwise expressly permitted under the Loan Documents) Liens, and (b) agrees that this Amendment and all documents executed in connection herewith shall in no manner impair or otherwise adversely affect any of the Liens granted in or pursuant to the Loan Documents. Guarantors' Acknowledgment. Each Guarantor hereby acknowledges and agrees to this Amendment and confirms and agrees that its Guaranty (as modified and supplemented in connection with this Amendment) is and shall continue to be in full force and effect and is hereby ratified and confirmed in all respects. Although the Administrative Agent has informed the Guarantors of the matters set forth above, and each Guarantor has acknowledged the same, each Guarantor understands and agrees that the Agents and the Lenders have no duty under the Financing Agreement, or any other agreement with any Guarantor, to so notify any Guarantor or to seek such an acknowledgement, and nothing contained herein is intended to or shall create such a duty as to any transaction hereafter.

14. Miscellaneous.

(a) This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Amendment by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart of this Amendment.

(b) Section and paragraph headings herein are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose.

(c) This Amendment shall be governed by, and construed in accordance with, the laws of the State of New York.

(d) Each Loan Party hereby acknowledges and agrees that this Amendment constitutes a "Loan Document" under the Financing Agreement. Accordingly, it shall be an immediate Event of Default under the Financing Agreement if (i) any representation or warranty made by any Loan Party under or in connection with this Amendment shall have been incorrect in any material respect when made or deemed made, or (ii) any Loan Party shall fail to perform or observe any term, covenant or agreement contained in this Amendment.

(e) Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such

prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(f) Sections 12.10 and 12.11 (*Consent to Jurisdiction; Services of Process and Venue;* and *Waiver of Jury Trial, Etc.*) of the Financing Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

[*Remainder of page intentionally left blank.*]

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed and delivered as of the date set forth on the first page hereof.

If any such payment is a prepayment of the principal amount of any Loans and made at a time when the conditions set forth in Section 12.2 are satisfied, then that payment will be applied solely to prepay the Loans of all Lenders that are not Defaulting Lenders *pro rata* prior to being applied to the prepayment of any Loans of any Defaulting Lender.

(b) If the Administrative Agent and the Borrowers each agrees that a Defaulting Lender has adequately remedied all matters that caused that Lender to be a Defaulting Lender, then that Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent determines is necessary in order for that Lender to hold those Loans in accordance with its Pro Rata Share (as determined pursuant to clause (a) of the definition of "Pro Rata Share"). No Defaulting Lender will have any right to approve or disapprove any amendment, waiver, consent, or any other action the Lenders or the Required Lenders have taken or may take under this Agreement (including any consent to any amendment or waiver pursuant to Section 15.1) but any waiver, amendment, or modification requiring the consent of all Lenders or each directly affected Lender that affects a Defaulting Lender differently than other affected Lenders will require the consent of that Defaulting Lender.

EVIDENCING OF LOANS

Section 3.1 Notes. Each Tranche A-1 Loan shall be evidenced by a Tranche A-1 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (ii) each Tranche A-2 Loan shall be evidenced by a Tranche A-2 Note (which qualifies as a *pagaré* under Mexican law), executed by AgileThought Mexico as issuer and each Mexican Loan Party, *por aval*; (iii) each Tranche B-1 Loan shall be evidenced by a Tranche B-1 Note, executed by Ultimate Holdings as issuer; (iv) each Tranche B-2 Loan shall be evidenced by a Tranche B-2 Note, executed by Ultimate Holdings as issuer; (v) each Tranche C Loan shall be evidenced by a Tranche C Note, executed by Ultimate Holdings as issuer; and (vi) each Tranche D Loan shall be evidenced by a Tranche D Note, executed by Ultimate Holdings as issuer. The Notes shall be delivered to each Lender for the benefit of such Lender on or before the Closing Date, appropriately completed. Each Loan and interest thereon shall at all times (including after assignment pursuant to Section 15.6) be represented by one or more Notes in such form payable to the payee named therein. Each

Lender shall be entitled to have its Notes substituted, exchanged or subdivided for Notes of lesser denominations in connection with a permitted assignment of all or any portion of such Lender's Loans and Notes pursuant to Section 15.6. In case of theft, partial or complete destruction or mutilation of any Note, the relevant Lender shall be entitled to request to the Borrowers, and the Borrowers shall promptly (but in any event within ten days of such notice) execute and deliver in lieu thereof a new Note, dated the same date as the lost, stolen, destructed or mutilated Note.

Section 3.2 Recordkeeping. The Administrative Agent, on behalf of each Lender, shall record in its records, the date and amount of each Loan made by each Lender and each repayment or conversion (if permissible) thereof. The aggregate unpaid principal amount so recorded will be rebuttably presumptive evidence of the principal amount of the Loans owing and unpaid. The failure to so record any such amount or any error in so recording any such amount will not, however, limit or otherwise affect the Obligations of the Borrowers under this Agreement or under any Note to repay the principal amount of the Loans under this Agreement, together with all interest accruing thereon.

ARTICLE IV

INTEREST

Section 4.1 Interest Rates.

(a) (i) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-1 Loan for the period commencing on the date that Tranche A-1 Loan is made until that Tranche A-1 Loan is paid in full at a rate per annum equal to 11.00%; (ii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche A-2 Loan for the period commencing on the date that Tranche A-2 Loan is made until that Tranche A-2 Loan is paid in full at a rate per annum equal to 17.41%; (iii) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-1 Loan for the period commencing on the date that Tranche B-1 Loan is made until that Tranche B-1 Loan is paid in full at a rate per annum equal to 11.00%; (iv) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche B-2 Loan for the period commencing on the date that Tranche B-2 Loan is made until that Tranche B-2 Loan is paid in full at a rate per annum equal to 17.41%; (v) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche C Loan for the period commencing on the date that Tranche C Loan is made until that Tranche C Loan is paid in full at a rate per annum equal to 11.00%; and (vi) Borrowers jointly and severally agree to pay interest on the unpaid principal amount of each Tranche D Loan for the period commencing on the date that Tranche D Loan is made until that Tranche D Loan is paid in full at a rate per annum equal to 11.00%.

As between AgileThought Mexico and the Peso Lenders only, and for information purposes only, the interest rate applicable to the Peso Loans has been agreed giving due regard to factors that would make the rate the substantial equivalent to the interest rate applicable to the Dollar Loans.

(b) Notwithstanding the foregoing, at any time an Event of Default exists, the interest rate applicable to each Loan will be increased by 2% during the existence of an Event of Default (and, in the case of Obligations not bearing interest, those Obligations will, during the existence of an Event of Default, bear interest at the highest interest rate applicable to the Loans plus 2%), but any such increase may be rescinded by Required Lenders, notwithstanding Section 15.1. Notwithstanding the foregoing, upon the occurrence of an Event of Default under Sections 13.1.1 or 13.1.4, the increase provided for in this Section 4.1 will occur automatically. In no event will interest payable by the Borrowers to any Lender under this Agreement exceed the maximum rate permitted under applicable law, and if any such provision of this Agreement is in contravention of any such law, then that provision will be deemed modified to limit that interest to the maximum rate permitted under that law.

Section 4.2 Interest Payment Dates; Payment-in-Kind.

(a) Tranche A-1 Loans.

(i) Accrued interest on each Tranche A-1 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche A-1 Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-1 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-1 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-1 Loans, and such interest amount (together with any principal of the Tranche A-1 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-1 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-1 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-1 Loan maintained by such Tranche A-1 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-1 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-1 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-1 Lenders,

the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-1 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-1 Loans as provided in this Section 4.2(a)(ii).

(b) Tranche A-2 Loans.

(i) Accrued interest on each Tranche A-2 Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche A-2 Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche A-2 Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche A-2 Loans, and such interest amount (together with any principal of the Tranche A-2 Loans prior to giving effect to the provisions of this Section 4.2(a)(ii)) thereafter shall form part of the Tranche A-2 Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche A-2 Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche A-2 Loan maintained by such Tranche A-2 Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche A-2 Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche A-2 Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche A-2 Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche A-2 Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche A-2 Loans as provided in this Section 4.2(a)(ii).

(c) Tranche B-1 Loans.

(i) Accrued interest on each Tranche B-1 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-1 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-1 Loans shall be increased such that the Tranche B-1 Lenders receive an amount on account of interest on the Tranche B-1 Loans equal to the amount that would have resulted if interest on the Tranche B-1 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-1 Loans.

(d) Tranche B-2 Loans.

(i) Accrued interest on each Tranche B-2 Loan shall be payable upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche B-2 Loans shall be payable on demand.

(ii) If the Borrowers are required under this Agreement or under any other Loan Document to make a payment of interest in cash on the Loans on any date, then the sum payable by the Borrowers in respect of interest on the Tranche B-2 Loans shall be increased such that the Tranche B-2 Lenders receive an amount on account of interest on the Tranche B-2 Loans equal to the amount that would have resulted if interest on the Tranche B-2 Loans shall have been capitalized on each Interest Payment Date (other than the Maturity Date) and such capitalized amount added to the then outstanding principal amount of Tranche B-2 Loans. Funds due in pesos will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the Closing Date.

(e) Tranche C Loans.

(i) Accrued interest on each Tranche C Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche C Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche C Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche C Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche C Loans, and such interest amount (together with any principal of the Tranche C Loans prior to giving effect to the provisions of this Section 4.2(e)(ii)) thereafter shall form part of the Tranche C Loans and shall itself bear

interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche C Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche C Loan maintained by such Tranche C Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche C Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche C Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche C Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche C Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche C Loans as provided in this Section 4.2(e)(ii).

(f) Tranche D Loans.

(i) Accrued interest on each Tranche D Loan shall be payable in arrears on each Interest Payment Date, upon a prepayment of such Loan, and on the date on which all or any portion of the Obligations are accelerated, and at maturity. After maturity, and at any time an Event of Default exists, accrued interest on all Tranche D Loans shall be payable on demand.

(ii) So long as no Default or Event of Default shall have occurred and be continuing and unless otherwise consented by the Tranche D Lenders, on each Interest Payment Date (other than the Maturity Date), interest on the Tranche D Loans shall be paid by capitalizing such interest and adding such capitalized interest to the then outstanding principal amount of the Tranche D Loans, and such interest amount (together with any principal of the Tranche D Loans prior to giving effect to the provisions of this Section 4.2(f)(ii)) thereafter shall form part of the Tranche D Loans and shall itself bear interest as provided in Section 4.1; provided, that so long as the Total Leverage Ratio of the Consolidated Group for the Computation Period most recently ended prior to such Interest Payment Date is not greater than 2.00:1.00, each Tranche D Lender shall have the right (but shall not be obligated) to elect, by written notice to the Administrative Agent and the Borrower Representative delivered not earlier than three Business Days prior to such Interest Payment Date, to require that all or any portion of the interest on the Tranche C Loan maintained by such Tranche C Lender remain due and payable in cash (in which case such interest (or portion thereof, as applicable) shall not be so capitalized or added to the principal but shall instead remain payable in cash); provided, further that

if a Default shall have occurred and be continuing on any date on which such interest is due, the Tranche D Lenders shall be entitled to elect, by notice to the Borrower Representative, either to have such interest be capitalized and added to principal as set forth herein (in which case such payment shall be so capitalized and added to principal) or to require that it remain due and payable in cash (in which case such payment shall not be so capitalized or added to principal but shall instead remain payable in cash) and, in either case, such payment shall bear interest until paid in full as provided in Section 4.1. Each such determination by the Tranche D Lenders shall be conclusive and binding on all parties hereto. If requested by the Tranche D Lenders, the Borrowers shall, within 15 days after such request, cause new Notes to be issued to the Tranche D Lenders, duly executed and delivered by the Borrowers, evidencing the obligation to pay the increased principal amount of the Tranche D Loans as provided in this Section 4.2(f)(ii).

(g) The provisions of this Section 4.2 represent the sole and entire agreement of the parties to capitalize interest and accept payment of interest other than in cash; provided, that such agreement is subject to the terms of the Reference Subordination Agreement. Any interest not capitalized and added to principal pursuant to Section 4.2 shall continue to be payable in cash in accordance with the terms of this Agreement and the Notes, and if unpaid when due, shall bear interest at the applicable rate provided in Section 4.1.

Section 4.4 Intent to Limit Charges to Maximum Lawful Rate. In no event will any interest rate payable under this Agreement (including, without limitation, under Section 4.1 plus any other amounts paid in connection herewith), exceed the highest rate permissible under any law that a court of competent jurisdiction, in a final determination, deems applicable. Borrowers and the Lenders, in executing and delivering this Agreement, intend legally to agree upon the rates of interest and manner of payment stated within this Agreement; provided that, notwithstanding any provision of this Agreement to the contrary, if any such rate of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, each Borrower is and will be liable only for the payment of such maximum amount as is allowed by law, and payment received from such Borrower in excess of such legal maximum, whenever received, will be applied to reduce the principal balance of the Obligations to the extent of that excess.

Section 6.3 Manner and Application of Prepayments. All prepayments of the Loans under Section 6.2 shall be subject to the Reference Subordination Agreement and to Section 8.7 and shall be accompanied by payment of all accrued interest on the Loans (or portion thereof) being prepaid. The election of any Lender to agree to such extension shall not obligate any other Lender to so agree.

(c) The Administrative Agent shall notify the Borrowers of each Lender's determination under this Section no later than the date five days prior to the Existing Maturity Date (or, if such date is not a Business Day, on the following Business Day).

(d) As a condition precedent to any such extension, the Borrowing Agent shall deliver to the Administrative Agent (y) a certificate of each Loan Party dated as of the Existing Maturity Date (in sufficient copies for each Lender) signed by an authorized signatory of such Loan Party (i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such extension and (ii) certifying that, before and after giving effect to such extension, (A) the representations and warranties contained in Article IX and the other Loan Documents are true and correct on and as of the Existing Maturity Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 6.6, the representations and warranties contained in Section 9.4 shall be deemed to refer to the most recent statements furnished pursuant to Section 10.1.1 and Section 10.1.2, and (B) no Default or Event of Default exists, and *(z)* evidence in form and substance satisfactory to Administrative Agent and the Lenders that (i) each of the Mexican Collateral Agreements has been acknowledged and ratified by the parties thereto consenting to the extension of the Existing Maturity Date, and (ii) proper registration of the acknowledgement and ratification of each of the Mexican Collateral Agreements has been carried out before the Sole Registry of Liens over Movable Assets (*Registro Único de Garantías Mobiliarias*) and before the Mexican Industrial

Property Institute (*Instituto Mexicano de la Propiedad Industrial*), in terms of each Mexican Collateral Agreement, respectively.

ARTICLE VII

MAKING AND PRORATION OF PAYMENTS; SETOFF; TAXES

Section 7.1 Making of Payments.

7.1.1 Borrowers shall make all payments of principal or interest on the Loans, and of all fees, to the Administrative Agent in immediately available funds to the account designated by the Administrative Agent for such purpose, not later than 12:00 P.M. (Mexico City time) on the date due, and funds received after that time shall be deemed to have been received by the Administrative Agent on the following Business Day, with the exception that funds due in pesos for the Peso Loans will be deposited to an account with the Administrative Agent by 10:00 a.m., New York Time one Business Day prior to the date due. Borrowers shall make all payments to the Agents and the Lenders without set-off, counterclaim, recoupment, deduction, or other defense. Subject to Section 2.5, Administrative Agent shall promptly remit to each Lender and the Collateral Agent its share of all such payments received in collected funds by Administrative Agent for the account of such Lender and the Collateral Agent. Notwithstanding the foregoing, Borrowers shall make all payments under Section 8.1 directly to the Lender entitled thereto.

7.1.2 Except to the extent otherwise provided herein (i) each payment or prepayment of principal of the Loans shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans and Tranche D Loans, and within each Type shall be made for the account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Loans of such Type held by the respective Lenders and (ii) each payment of interest by the Borrowers shall be made for the account of the Lenders of each Type *pro rata* in accordance with the Dollar Amount of the respective unpaid principal amounts of the Tranche A-1 Loans, Tranche A-2 Loans, Tranche B-1 Loans, Tranche B-2 Loans, Tranche C Loans and Tranche D Loans, and within each Type shall be made for account of the Lenders of such Type *pro rata* in accordance with the Dollar Amount of interest on the Loans of that same Type then due and payable to the Lenders of such Type.

Section 7.2 Application of Certain Payments.

7.2.1 So long as no Default or Event of Default has occurred and is continuing, mandatory prepayments shall be applied as set forth in Section 6.3.

7.2.2 Subject to any written agreement among Administrative Agent and the Lenders:

(a) [Reserved].

(b) After the occurrence and during the continuance of an Event of Default, the Administrative Agent, acting upon the written direction of the Required Lenders, shall apply all payments in respect of any Obligations and all proceeds of the Collateral, subject to the provisions of this Agreement, as follows: (i) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Agents until paid in full; (ii) second, ratably to pay the Obligations in respect of any fees and indemnities then due and payable to the Lenders until paid in full; (iii) third, ratably to pay interest then due and payable in respect of the Loans until paid in full based on the Dollar Amount thereof; (iv) fourth, ratably to pay principal of the Loans until paid in full based on the Dollar Amount thereof; (v) fifth, to the ratable payment of all other Obligations then due and payable.

(c) For purposes of Section 7.2.2(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after, or that would have accrued but for, the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a direct conflict between the priority provisions of this Section 7.2.2 and other provisions contained in any other Loan Document, it is the intention of the parties to this Agreement that all such priority provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 7.2.2 shall control and govern.

Section 7.3 Due Date Extension. If any payment of principal or interest with respect to any of the Loans, or of any fees, falls due on a day which is not a Business Day, then such due date shall be extended to the immediately following Business Day unless the result of that extension would cause such due date to occur in another calendar month, in which case such due date shall be the immediately preceding Business Day and, in the case of principal, additional interest shall accrue and be payable for the period of any such extension.

Section 7.4 Setoff. All payments made by Borrowers hereunder or under any Loan Documents shall be made without setoff, counterclaim, or other defense. Each Borrower, for itself and each other Loan Party, agrees that each Agent and each Lender have all rights of set-off and bankers' lien provided by applicable law, and in addition thereto, each Borrower, for itself and each other Loan Party, agrees that at any time any Event of Default exists, each Agent and each Lender may apply to the payment of any Obligations of each Borrower and each other Loan Party under this Agreement, whether or not then due, any and all balances, credits, deposits, accounts, or moneys of each Borrower and each other Loan Party then or thereafter with that Agent or that Lender.

Section 7.5 Proration of Payments. Except as provided in Section 2.5, if any Lender obtains any payment or other recovery (whether voluntary, involuntary, by application of offset or otherwise), on account of principal of or interest on any Loan (but excluding (a) any payment pursuant to Section 8 or 15.6, or (b) payments of interest on any Affected Loan) in excess of its

applicable Pro Rata Share of payments and other recoveries obtained by all Lenders on account of principal of and interest on the Loans, then held by them, then that Lender shall purchase from the other Lenders such participations in the Loans held by them as are necessary to cause that purchasing Lender to share the excess payment or other recovery ratably with each of them, but if all or any portion of the excess payment or other recovery is thereafter recovered from that purchasing Lender, then that purchase will be rescinded and the purchase price restored to the extent of that recovery.

Section 7.6 Taxes.

7.6.1 The Loan Parties shall make all payments under this Agreement or under any Loan Documents without setoff, counterclaim, or other defense. All payments under this Agreement or under the Loan Documents (including any payment of principal, interest, or fees and including, for the avoidance of doubt, any payment that results from the delivery of Conversion Payment Shares) to, or for the benefit, of any Person will be made by the Loan Parties free and clear of and without deduction or withholding for, or account of, any Taxes now or hereafter imposed by any taxing authority, except as required by applicable law.

7.6.2 If Borrowers make any payment (including, for the avoidance of doubt, that results from the exercise of the conversion rights under Article XVIII) under this Agreement or under any other Loan Document in respect of which any Borrower is required by applicable law to deduct or withhold any Taxes, then (i) the Borrower shall be entitled to deduct or withhold from such payment the amount of such Taxes, (ii) the Borrower shall timely pay the full amount deducted or withheld to the relevant taxing authority in accordance with applicable law and (iii) if such Tax is an Indemnified Tax, the sum payable by such Borrower shall be increased such that after the reduction for the amount of Indemnified Taxes withheld (and any Indemnified Taxes withheld or imposed with respect to the additional payments required under this Section 7.6.2), the recipient of the payment receives an amount equal to the sum it would have received had no such withholding been made. To the extent Borrowers withhold any Taxes on payments under this Agreement or under any other Loan Document, Borrowers shall deliver to Administrative Agent within 30 days after Borrowers have made payment to that taxing authority a receipt issued by that taxing authority (or other evidence reasonably satisfactory to Administrative Agent) evidencing the payment of all amounts so required to be deducted or withheld from that payment.

7.6.3 If any Lender or Agent or other recipient is required by law to make any payments of any Indemnified Taxes on or in relation to any amounts received or receivable under this Agreement or under any other Loan Document, or any Indemnified Tax is assessed against a Lender or Agent or other recipient with respect to amounts received or receivable under this Agreement or under any other Loan Document, Borrowers will indemnify that Person against (i) that Indemnified Tax and (ii) any Indemnified Taxes imposed as a result of the receipt of the payment under this Section 7.6.3. A certificate prepared in good faith as to the amount of any such payment by that Lender or Agent or other recipient will, absent manifest error, be final, conclusive, and binding on all parties.

7.6.4 Notwithstanding anything to the contrary in Sections 7.6.2 and 7.6.3, the Borrowers shall in no event be required to pay the Tranche B-1 Lender or the Tranche B-2

Lender additional amounts under clause (iii) of Section 7.6.2 with respect to U.S. federal withholding Taxes ("U.S. Withholding Tax Additional Amounts") or to indemnify the Tranche B-1 Lender or the Tranche B-2 Lender under Section 7.6.3 against Indemnified Taxes that are U.S. federal withholding Taxes ("U.S. Withholding Tax Indemnity Payments") to the extent the sum of any U.S. Withholding Tax Additional Amounts and any U.S. Withholding Tax Indemnity Payments paid by the Borrowers to the Tranche B-1 Lender and the Tranche B-2 Lender exceeds, in the aggregate, U.S.$250,000.

7.6.5 (a) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any Loan Document shall use its best efforts to deliver to the Borrower Representative and the Administrative Agent, such properly and completed executed documentation reasonably requested by the Borrower Representative or the Administrative Agent as will permit such payment to be made without withholding or at a reduced rate of withholding.

(b) Without limiting the generality of the foregoing:

(A) each Lender that is not a United States person within the meaning of Code Section 7701(a)(30) (a "Non-U.S. Lender") shall use its best efforts to deliver to Borrower Representative and Administrative Agent on the earlier of (i) the date that is six (6) months after the Closing Date (or in the case of a Lender that is an Assignee, on the date of the assignment) and (ii) the date of delivery of Conversion Payment Shares, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY (or any successor or other applicable form prescribed by the IRS) for each such Lender and, as applicable, two accurate and complete original signed copies of IRS Form W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable form prescribed by the IRS) for each of its partners or other beneficial owners certifying to the entitlement to a complete exemption from, or reduction in, U.S. federal withholding tax on interest payments to be made under this Agreement or under any Loan Document, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers or the Administrative Agent to determine the withholding or deduction to be made. If a Lender or one of its partners or other beneficial owners is claiming a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c), then that Lender shall deliver (along with two accurate and complete original signed copies of IRS Form W-8IMY, W-8BEN or W-8BEN-E, as applicable) a certificate in form and substance reasonably acceptable to Borrower Representative and Administrative Agent to the effect that such Person is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (any such certificate, a "Withholding Certificate"). To the extent a Lender (or its partners or other beneficial owners, as applicable) would be entitled to claim a complete exemption from withholding on interest pursuant to Code Sections 871(h) or 881(c) with respect to payments received under this Agreement or under

the Loan Documents, and such Lender takes any action that could reasonably be expected to result in the loss of such exemption, the Borrowers shall not be required to pay to such Lender amounts pursuant to Section 7.6 in excess of the maximum amount that the Borrowers would have been required to pay pursuant to the Laws in effect on the date of this Agreement had the Lender not taken such action. In addition, each Non-U.S. Lender shall, from time to time after the Closing Date (or in the case of a Lender that is an Assignee, after the date of the assignment to that Lender) when a lapse in time (or change in circumstances occurs) renders the prior certificates delivered under this Agreement obsolete or inaccurate in any material respect, use its best efforts to deliver to Borrower Representative and Administrative Agent two new and accurate and complete original signed copies of IRS Forms W-8BEN, W-8BEN-E, W-8ECI, W-8IMY or W-9 (or any successor or other applicable forms prescribed by the IRS), and if applicable, a new Withholding Certificate, to confirm or establish the entitlement of such Lender (or its respective partner or other beneficial owner) to an exemption from, or reduction in, United States withholding tax on interest payments to be made under this Agreement or with respect to any Loan (or such Lender shall otherwise promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to deliver such forms and/or Withholding Certificate).

(B) Each Lender that is not a Non-U.S. Lender shall provide two properly completed and duly executed copies of IRS Form W-9 (or any successor or other applicable form) to Borrower Representative and Administrative Agent certifying that that Lender is exempt from United States backup withholding Tax. To the extent that a form provided pursuant to this Section 7.6.5(b) is rendered obsolete or inaccurate in any material respect as result of change in circumstances with respect to the status of a Lender or Administrative Agent, then that Lender or Administrative Agent shall, to the extent permitted by applicable law, deliver to Borrower Representative and, as applicable, Administrative Agent revised forms necessary to confirm or establish the entitlement to that Lender's exemption from United States backup withholding Tax (or such Lender or Administrative Agent shall otherwise promptly notify the Borrower Representative and, as applicable, the Administrative Agent in writing of its legal inability to deliver such forms).

7.6.6 Each Lender shall indemnify Administrative Agent and hold Administrative Agent harmless for the full amount of any and all present or future Taxes and related liabilities (including penalties, interest, additions to Tax and expenses, and any Taxes imposed by any jurisdiction on amounts payable to Administrative Agent under this Section 7.6) which are imposed on or with respect to principal, interest, or fees payable to that Lender under this Agreement and which are not paid by Borrowers pursuant to this Section 7.6, whether or not those Taxes or related liabilities were correctly or legally asserted. This indemnification must be made within 30 days from the date Administrative Agent makes written demand therefor.

7.6.7 If an Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrowers or with

respect to which the Borrowers have paid additional amounts pursuant to this Section 7.6, then that Agent or that Lender, as applicable, shall pay over that refund to the Borrowers (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrowers under this Section 7.6 with respect to the Indemnified Taxes giving rise to that refund), net of any Taxes imposed by reason of receipt of that refund and all out-of-pocket expenses of that Agent or that Lender, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to that refund, which interest must be paid to the Borrowers). Upon the request of any such Agent or any such Lender, Borrowers shall repay any amount paid to the Borrowers (plus any penalties, interest, or other charges imposed by the relevant Governmental Authority) to that Agent or that Lender in the event that Agent or that Lender is required to repay any such refund to any such Governmental Authority. Nothing in this Section 7.6.7 is to be construed to require any Agent or any Lender to make available its tax returns (or any other information which it deems confidential) to any Borrower or any other Person.

7.6.8 The Borrowers agree to pay to any Mexican Lender all applicable present and future value added taxes (*Impuesto al Valor Agregado*) in respect of any and all payments by or on account of any obligation of the Borrowers hereunder or under any other Loan Document (including, without limitation, in respect of any capitalized interest under Section 4.2(a)(ii)).

7.6.9 If a payment made to a Lender under any Loan Document would be subject to U.S. federal income withholding Tax imposed by FATCA if that Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), then that Lender shall deliver to Administrative Agent (or, in the case of a Participant, to the Lender granting the participation only) at the time or times prescribed by law and at any other time or times reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) all documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and all additional documentation reasonably requested by Administrative Agent (or, in the case of a Participant, the Lender granting the participation) as is necessary for Administrative Agent or Borrowers to comply with their obligations under FATCA and to determine that that Lender has complied with that Lender's obligations under FATCA or to determine the amount to deduct and withhold from that payment. Solely for purposes of this Section 7.6.9, "FATCA" is deemed to include any amendments made to FATCA after the date of this Agreement.

7.6.10 For purposes of this Section 7.6, the term "applicable law" includes FATCA. Each party's obligations under this Section 7.6 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

ARTICLE VIII

INCREASED COSTS

Section 8.1 Increased Costs.

(a) If any Change in Law (i) imposes, modifies, or deems applicable any reserve (including any reserve imposed by the FRB), special deposit, or similar requirement against assets of, deposits with, or for the account of, or credit extended by, any Lender; (ii) subjects any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (c) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, its Note(s) or its obligations to make Loans, or (iii) imposes on any Lender any other condition (other than Taxes) affecting its Loans, its Note(s), or its obligation to make Loans, and the result of anything described in clauses (i) through (iii) above is to increase the cost to (or to impose a cost on) that Lender of making or maintaining any Loan, or to reduce the amount of any sum received or receivable by that Lender under this Agreement or under its Note(s) with respect thereto, then upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay directly to that Lender such additional amount as will compensate that Lender for that increased cost or that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

(b) If any Lender reasonably determines that any change in, or the adoption or phase-in of, any applicable law, rule, or regulation regarding capital adequacy, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, or comparable agency charged with the interpretation or administration thereof, or the compliance by any Lender or any Person controlling any Lender with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank, or comparable agency, has or would have the effect of reducing the rate of return on that Lender's or that controlling Person's capital as a consequence of that Lender's obligations under this Agreement to a level below that which that Lender or that controlling Person could have achieved but for that change, adoption, phase-in, or compliance (taking into consideration that Lender's or that controlling Person's policies with respect to capital adequacy) by an amount deemed by that Lender or that controlling Person to be material, then from time to time, upon demand by that Lender (which demand must be accompanied by a statement setting forth the basis for that demand and a calculation of the amount thereof in reasonable detail, a copy of which must be furnished to Administrative Agent), Borrowers shall pay to that Lender that additional amount as will compensate that Lender or that controlling Person for that reduction, so long as the applicable amounts have accrued on or after the day that is 180 days prior to the date on which that Lender first made demand therefor.

Section 8.2 [Reserved].

Section 8.3 Changes in Law Rendering Loans Unlawful. If, after the date of this Agreement, any change in, or the adoption of any new, law or regulation, or any change in the

interpretation of any applicable law or regulation by any Governmental Authority or other regulatory body charged with the administration thereof, makes it (or in the good faith judgment of any Lender causes a substantial question as to whether it is) unlawful for any Lender to make, maintain, or fund loans in Dollars, then that Lender shall promptly notify each of the other parties to this Agreement and that Lender will not be required to make or maintain any Loan in Dollars.

Section 8.4 Right of Lenders to Fund through Other Offices. Each Lender may, if it so elects, fulfill its commitment as to any Loan by causing a foreign branch or Affiliate of that Lender to make that Loan, but each such Loan will be deemed to have been made by that Lender and the obligation of Borrowers to repay that Loan will be to that Lender and will be deemed held by the Lender, to the extent of that Loan, for the account of that branch or Affiliate.

Section 8.5 Mitigation of Circumstances; Replacement of Lenders.

(a) Each Lender shall promptly notify Borrower Representative and Administrative Agent of any event of which it has knowledge that will result in, and will use reasonable commercial efforts available to it (and not, in that Lender's sole judgment, otherwise disadvantageous to that Lender) to mitigate or avoid (i) any obligation by Borrowers to pay any amount pursuant to Section 7.6 or 8.1 or (ii) the occurrence of any circumstances described in Section 8.3 (and, if any Lender has given notice of any such event described in clauses (i) or (ii) and thereafter that event ceases to exist, that Lender shall promptly so notify Borrower Representative and Administrative Agent). Without limiting the foregoing, each Lender shall designate a different funding office if that designation will avoid (or reduce the cost to Borrowers of) any event described in clauses (i) or (ii) and that designation will not, in that Lender's sole judgment, be otherwise disadvantageous to that Lender.

(b) If Borrowers become obligated to pay additional amounts to any Lender pursuant to Section 8.1, or any Lender gives notice of the occurrence of any circumstances described in Section 8.3, or any Lender becomes a Defaulting Lender, then Borrower Representative may designate another financial institution that is acceptable to Administrative Agent in its reasonable discretion (a "Replacement Lender") to purchase the Loans of that Lender and that Lender's rights under this Agreement, without recourse to or warranty by, or expense to, that Lender, for a purchase price equal to the outstanding principal amount of the Loans payable to that Lender plus any accrued but unpaid interest on those Loans and all accrued but unpaid fees owed to that Lender and any other amounts owed to that Lender under this Agreement and any other Loan Document, and to assume all the obligations of that Lender under this Agreement. Upon any such purchase and assumption (pursuant to an Assignment Agreement), the applicable Lender will no longer be a party to this Agreement or have any rights under this Agreement (other than rights with respect to indemnities and similar rights applicable to that Lender prior to the date of that purchase and assumption) and will be relieved from all obligations to Borrowers under this Agreement, and the Replacement Lender will succeed to the rights and obligations of that Lender under this Agreement.

Section 8.6 Conclusiveness of Statements; Survival of Provisions. Determinations and statements of any Lender pursuant to Section 8.1 or 8.3 shall be conclusive absent demonstrable error. Lenders may use reasonable averaging and attribution methods in

determining compensation under Section 8.1, and the provisions of such Section 8.1 will survive repayment of the Obligations, cancellation of any Note(s) and termination of this Agreement.

Section 8.7 Funding Losses. Each Borrower shall, upon demand by any Lender (which demand must be accompanied by a statement setting forth the basis for the amount being claimed, a copy of which must be furnished to Administrative Agent), indemnify that Lender against any net loss or expense (including amounts incurred to terminate, settle or re-establish hedging arrangements or related trading positions (irrespective of the currency thereof)) which that Lender sustains or incurs, as reasonably determined by that Lender, as a result of any failure of any Borrower to borrow any Loan on a date specified therefor in a notice of borrowing pursuant to this Agreement. For this purpose, all notices to Administrative Agent pursuant to this Agreement will be deemed to be irrevocable.

ARTICLE IX

REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to induce the Lenders to make Loans under this Agreement, each Loan Party represents and warrants to the Agents and the Lenders, on behalf of itself and each of its Subsidiaries, that on the Closing Date after giving effect to the consummation of the Loan Documents and on any other date required in any Loan Document:

Section 9.2 Authorization; No Conflict.

(a) Each Loan Party is duly authorized to execute and deliver each Loan Document to which it is a party, each Borrower is duly authorized to borrow monies under this Agreement, and each Loan Party is duly authorized to perform its Obligations under each Loan Document to which it is a party.

(b) The execution, delivery, and performance by each Loan Party of each Loan Document to which it is a party, and the borrowings by each Borrower under this Agreement, do not and will not (i) require any consent or approval of any governmental agency or authority (other than any consent or approval that has been obtained and is in full force and effect), (ii) conflict with (x) any provision of law, (y) the organizational documents or governing documents of any Loan Party, of (z) any agreement, indenture, instrument, or other document, or any judgment, order, or decree, that is binding upon any Loan Party or any of their respective properties, or (iii) require, or result in, the creation or imposition of any Lien on any asset of any Loan Party (other than Liens in favor of Collateral Agent created pursuant to the Collateral Documents or, in the case of the Mexican Collateral Agreements, the Lenders).

Section 9.3 Validity and Binding Nature. Each of this Agreement and each other Loan Document to which any Loan Party or Subsidiary thereof is a party is the legal, valid, and binding obligation of that Person, enforceable against that Person in accordance with its terms, subject to bankruptcy, insolvency, and similar laws affecting the enforceability of creditors' rights generally and to general principles of equity.

Section 9.6 Litigation and Contingent Liabilities. No litigation (including derivative actions), arbitration proceeding or governmental investigation or proceeding is pending or, to each Loan Party's knowledge, threatened against any Loan Party or Subsidiary thereof which could reasonably be expected to have a Material Adverse Effect, except as set forth in Schedule 9.6. Other than any liability incident to such litigation or proceedings, no Loan Party or Subsidiary thereof has any material contingent liabilities which (a) are not listed on Schedule 9.6, or (b) do not constitute Permitted Debt.

Section 9.7 Ownership of Properties; Liens. Each Loan Party and Subsidiary thereof owns good title to (and, in the case of (a) real property owned in fee simple, marketable title to, or (b) in the case of leased real property, a valid leasehold interest in) all of its properties and assets, real and personal, tangible and intangible, of any nature whatsoever (including patents, trademarks, trade names, service marks and copyrights), free and clear of all Liens, charges, and claims (including infringement claims with respect to any registered or issued patents, trademarks, service marks, and copyrights owned by that Loan Party and/or that Subsidiary), except for Permitted Liens. No financing statement or other public notice with respect to all or any part of the Collateral is on file or of record in any public office, except filings evidencing Permitted Liens and filings for which termination statements have been delivered to Administrative Agent.

Section 9.8 Equity Ownership; Subsidiaries. All issued and outstanding Equity Interests of each Loan Party and Subsidiary thereof are duly authorized and validly issued, fully paid and non-assessable. All issued and outstanding Equity Interests of each Loan Party and Subsidiary thereof are free and clear of all Liens, other than Permitted Liens, and all such Equity Interests were issued in compliance with all applicable state and federal laws concerning the issuance of securities. Schedule 9.8 sets forth the authorized Equity Interests of each Loan Party and Subsidiary thereof as of the date hereof and the date of each Compliance Certificate (as such Schedule may be supplemented thereby) delivered in connection with financial statements provided pursuant to Section 10.1.1. Schedule 9.8 sets forth the Excluded Foreign Subsidiaries

as of the date hereof. All of the issued and outstanding Equity Interests of each Loan Party and Subsidiary thereof are owned as set forth on Schedule 9.8 as of the date hereof and the date of each Compliance Certificate (as such Schedule may be supplemented thereby) delivered in connection with financial statements provided pursuant to Section 10.1.1, and all of the issued and outstanding Equity Interests of each Subsidiary thereof is, directly or indirectly, owned by Ultimate Holdings, except for the Equity Interest of (a) Anzen Soluciones S.A. de C.V. of which 92% are directly or indirectly owned by Intermediate Holdings and (b) AgileThought Digital Solutions, S.A.P.I. de C.V. of which 1% are directly or indirectly owned by Invertis S.A. de C.V. Section 9.9 Pension Plans. No Loan Party or Subsidiary thereof sponsors or maintains, and no Loan Party or Subsidiary thereof (or other member of the Controlled Group) has any liability with respect to a Pension Plan or a Multiemployer Pension Plan. In the event any Loan Party or Subsidiary thereof (or other member of the Controlled Group) sponsors, maintains or has any liability with respect to a Pension Plan or a Multiemployer Pension Plan, then:

(a) The Unfunded Liability of all Pension Plans does not in the aggregate exceed twenty percent of the Total Plan Liability for all such Pension Plans. Each Pension Plan complies in all material respects with all applicable requirements of law and regulations. No contribution failure under Section 430 of the Code, Section 303 of ERISA or the terms of any Pension Plan has occurred with respect to any Pension Plan, sufficient to give rise to a Lien under Section 303(k) of ERISA, or otherwise to have a Material Adverse Effect.
