1. **Basis of Presentation.** The Debtor is filing its MOR solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases. The MOR is in a format acceptable to the U.S. Trustee. The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. This MOR is unaudited and has not been prepared in accordance with accounting principles generally accepted in the United States of America (“**U.S. GAAP**”) and does not include all of the information and footnotes required by U.S. GAAP. The MOR is not intended to reconcile to any financial statements otherwise prepared or distributed by the Debtors. The financial information contained herein is presented per the Debtor’s books and records without, among other things, all adjustments or reclassification that may be necessary or typical with respect to consolidating financial statements or in accordance with U.S. GAAP. Because the Debtors’ accounting systems, policies, and practices were developed to produce consolidated financial statements by business unit, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income or expenses have been recorded on the correct legal entity. This information has not been subjected to procedures that would typically be applied to financial information presented in accordance with U.S. GAAP or any other recognized financial reporting framework, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, and these changes could be material. The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated

results of operations and financial position of the Debtors in the future. For the reasons discussed above, there can be no assurance that the consolidated financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR. AN Global and its subsidiaries have represented to the company's financial advisors, Teneo, that the company maintains its books and records in accordance with GAAP and other similar conventions in filing the company's reports with the SEC. Teneo is unaware of any departures from such conventions but has not audited or performed any other form of review on the company's financial reporting and internal control procedures. Teneo has prepared the MORs on a non-consolidated basis. Reflecting transactions for each of the affiliates on a stand-alone basis

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period (on an accrual basis). Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
3. **Accounts Payable and Disbursement Systems.** Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Maintain Their Existing Cash Management System, Bank Accounts, and Business Forms, (B) Honor Certain Prepetition Obligations Related Thereto, and (C) Continue to Perform Ordinary Course Intercompany Transactions; (II) Granting Administrative Expense Status to Ordinary Course Postpetition Intercompany Claims; and (III) Granting Related Relief* [Docket No. 9].
4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors and their advisors are not liable for and undertake no responsibility to indicate variations from securities laws herein or for any evaluations of the Debtors based on this financial information or any other information. Reliance on information contained in the MOR, if any, must include a review of the General Notes, subject to the limitations and caveats contained therein.
5. **Payment of Prepetition Claims Pursuant to First Day Orders.** Between August 28, 2023 and August 30, 2023 the Bankruptcy Court entered interim orders (the "**First Day Orders**") authorizing, but not directing, the Debtors to pay, on an interim basis, certain prepetition (a) employee wages, salaries, other compensation, reimbursable expenses and payments to continue employee benefit programs; (b) claims of lien claimants, foreign vendors, and critical vendors; (c) taxes and fees; (d) insurance expenses, associated brokerage fees, and associated premiums; and (e) amounts to maintain and administer existing customer programs and honor certain prepetition obligations related thereto. To

the extent any payments were made on account of prepetition claims following the commencement of these Chapter 11 Cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in cash disbursements in the MOR. The company has received authority to pay, and has paid, certain severance obligations which by their nature include the payment of prepetition obligations.

6. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their Chapter 11 Cases.

7. **Specific MOR Disclosures.**

Notes to Part 2:

- Note that each individual Debtor may have large accounts receivable and / or large accounts payable balances. This is due to each individual Debtor's intercompany activity (prepetition balance) between others Debtors which would be eliminated on a consolidated basis

Notes to Part 4:

- This MOR Statement of Operations was prepared for activity that occurred for the period from April 1, 2024 through April 30, 2024.

Notes to Part 5:

- On October 3, 2023 the Bankruptcy Court entered the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [D.I. 169].
