² Capitalized terms used but not defined herein have the meanings given to such terms in the Motion.

III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and the First Day Declaration and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and the First Day Declaration and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. All Utility Providers are prohibited from altering, refusing, or discontinuing services on account of any unpaid prepetition charges, the commencement of these chapter 11 cases, or any perceived inadequacy of the Proposed Adequate Assurance.
3. The following Adequate Assurance Procedures are hereby approved on a final basis:
 - a. The Debtors will serve a copy of this Motion and the order granting the relief requested herein to each Utility Provider within two (2) business days after entry of this Final Order by the Court.
 - a. Subject to sections (e)–(i) of this paragraph, the Debtors will deposit the Adequate Assurance Deposit, in the aggregate amount of \$285,000, in the Adequate Assurance Account within 20 days of the Petition Date.
 - b. The amount of the Adequate Assurance Deposit allocated to each Utility Provider shall be set forth on the Utility Providers List, attached to this final order as **Exhibit A**, in the column labeled "Proposed Adequate Assurance."

- c. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an “Additional Assurance Request”) on the following parties: (i) the Debtors, Akorn, Inc., 1925 W. Field Court, Lake Forest, Illinois 60045 Attn: Joseph Bonaccorsi; (ii) proposed counsel to the Debtors, Kirkland & Ellis LLP, Kirkland & Ellis LLP, 300 North LaSalle Street, Chicago, Illinois 60654, Attn: Patrick J. Greenberg and Steven A. Domanowski (collectively, the “Notice Parties”).
- d. Any Additional Assurance Request must: (i) be in writing; (ii) identify the location for which the Utility Services are provided and the related account number(s); (iii) include the alleged outstanding balance for the affected account(s); (iv) certify the amount that is equal to one-half the monthly cost of the Utility Services the applicable Utility Provider supplies to the Debtors, calculated as a historical average over the twelve-month period ending February 2020; (v) certify that the Utility Provider does not already hold a deposit equal to or greater than one-half the monthly cost of the Utility Services; (vi) provide evidence that the Debtors have a direct obligation to the Utility Provider; and (vii) explain why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- e. Any Additional Assurance Request may be made at any time. If a Utility Provider fails to serve an Additional Assurance Request as set forth herein, the Utility Provider shall be forbidden from discontinuing, altering, or refusing Utility Services to, or discriminating against, the Debtors on account of any unpaid prepetition charges, or requiring additional assurance of payment other than the Proposed Adequate Assurance.
- f. Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors shall promptly negotiate with the Utility Provider to resolve the Utility Provider’s Additional Assurance Request.
- g. Without further order of the Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider serving an Additional Assurance Request if the Debtors determine that the Additional Assurance Request is reasonable.

- h. If the Debtors determine that the Additional Assurance Request is not reasonable and the Debtors are unable to reach an alternative resolution with the Utility Provider, within twenty-one (21) days, the Debtors will request a hearing (a "Determination Hearing") before the Court to determine the adequacy of assurance of payment with respect to that Utility Provider pursuant to section 366(c)(3) of the Bankruptcy Code.
- i. Pending resolution of such dispute at a Determination Hearing, the relevant Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of: (i) unpaid charges for prepetition services; (ii) a pending Additional Assurance Request; or (iii) any objections to the Proposed Adequate Assurance.
- j. The Adequate Assurance Deposit deposited into the Adequate Assurance Account on behalf of any Utility Provider (including any additional amount deposited upon request of any applicable Utility Provider), or any portion thereof, shall be returned to the Debtors by no later than five (5) business days following the earlier of the date upon which (i) a chapter 11 plan becomes effective after being confirmed in these chapter 11 cases or (ii) the Debtors provide notice to a Utility Provider that services provided to the Debtors by such Utility Provider will no longer be needed or will be reduced. The Debtors may reduce the amount of the Adequate Assurance Deposit allocated to a particular Utility Provider to the extent consistent with any alternative assurance arrangements agreed to by the Debtors and the affected Utility Provider.

4. The Utility Providers are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures.

5. The Debtors will cause a copy of this Final Order, including the Adequate Assurance Procedures, to be served on any subsequently identified Utility Provider and any such Utility Provider shall be bound by the Adequate Assurance Procedures.

6. Any deposit provided to a Utility Provider by the Debtors prior to the Petition Date must be returned to the Debtors within twenty-one (21) days of receiving a notice that the services provided to the Debtors by such Utility Provider will no longer be needed, or such other period as may be specified in any agreement between the Debtors and such Utility Provider.

7. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the

validity, priority, or amount of any particular claim against a Debtor entity; (b) a waiver of the Debtors' or any other party-in-interest's right to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Final Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver of the Debtors' or any other party-in-interest's right to dispute whether any of the Utility Providers listed on the Utility Providers List or subsequently identified by the Debtors are or are not "utilities" within the meaning of Bankruptcy Code section 366(a); (g) a waiver or limitation of the Debtors' or any other party-in-interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors or any other party-in-interest that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Final Order are valid and the Debtors and all other parties-in-interest expressly reserve their rights to contest the extent, validity, or perfection or to seek avoidance of all such liens. Any payment made pursuant to this Final Order should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party-in-interest's right to subsequently dispute such claim.

8. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order without any duty of further inquiry and without liability for following the Debtors' instructions.

9. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Utility Services.

10. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

11. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

12. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

13. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

1. The Motion is granted on a final basis as set forth herein.

2. ~~1.~~ All Utility Providers are prohibited from altering, refusing, or discontinuing services on account of any unpaid prepetition charges, the commencement of these chapter 11 cases, or any perceived inadequacy of the Proposed Adequate Assurance.

3. ~~2.~~ The following Adequate Assurance Procedures are hereby approved on a final basis:

- a. The Debtors will serve a copy of this Motion and the order granting the relief requested herein to each Utility Provider within two (2) business days after entry of this Final Order by the Court.
- a. Subject to sections (e)–(i) of this paragraph, the Debtors will deposit the Adequate Assurance Deposit, in the aggregate amount of \$285,000, in the Adequate Assurance Account within 20 days of the Petition Date.
- b. The amount of the Adequate Assurance Deposit allocated to each Utility Provider shall be set forth on the Utility Providers List ~~-,~~ [attached to](#)

[this final order as Exhibit A](#), in the column labeled “Proposed Adequate Assurance.”

- c. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an “Additional Assurance Request”) on the following parties: (i) the Debtors, Akorn, Inc., 1925 W. Field Court, Lake Forest, Illinois 60045 Attn: Joseph Bonaccorsi; (ii) proposed counsel to the Debtors, Kirkland & Ellis LLP, Kirkland & Ellis LLP, 300 North LaSalle Street, Chicago, Illinois 60654, Attn: Patrick J. - d. Any Additional Assurance Request must: (i) be in writing; (ii) identify the location for which the Utility Services are provided and the related account number(s); (iii) include the alleged outstanding balance for the affected account(s); (iv) certify the amount that is equal to one-half the monthly cost of the Utility Services the applicable Utility Provider supplies to the Debtors, calculated as a historical average over the twelve-month period ending February 2020; (v) certify that the Utility Provider does not already hold a deposit equal to or greater than one-half the monthly cost of the Utility Services; (vi) provide evidence that the Debtors have a direct obligation to the Utility Provider; and (vii) explain why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- e. Any Additional Assurance Request may be made at any time. If a Utility Provider fails to serve an Additional Assurance Request as set forth herein, the Utility Provider shall be forbidden from discontinuing, altering, or refusing Utility Services to, or discriminating against, the Debtors on account of any unpaid prepetition charges, or requiring additional assurance of payment other than the Proposed Adequate Assurance.
- f. Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors shall promptly negotiate with the Utility Provider to resolve the Utility Provider’s Additional Assurance Request.

- g. Without further order of the Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider serving an Additional Assurance Request if the Debtors determine that the Additional Assurance Request is reasonable.
- h. If the Debtors determine that the Additional Assurance Request is not reasonable and the Debtors are unable to reach an alternative resolution with the Utility Provider, within twenty-one (21) days, the Debtors will request a hearing (a “Determination Hearing”) before the Court to determine the adequacy of assurance of payment with respect to that Utility Provider pursuant to section 366(c)(3) of the Bankruptcy Code.
- i. Pending resolution of such dispute at a Determination Hearing, the relevant Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of: (i) unpaid charges for prepetition services; (ii) a pending Additional Assurance Request; or (iii) any objections to the Proposed Adequate Assurance.
- j. The Adequate Assurance Deposit deposited into the Adequate Assurance Account on behalf of any Utility Provider (including any additional amount deposited upon request of any applicable Utility Provider), or any portion thereof, shall be returned to the Debtors by no later than five (5) business days following the earlier of the date upon which (i) a chapter 11 plan becomes effective after being confirmed in these chapter 11 cases or (ii) the Debtors provide notice to a Utility Provider that services provided to the Debtors by such Utility Provider will no longer be needed or will be reduced. The Debtors may reduce the amount of the Adequate Assurance Deposit allocated to a particular Utility Provider to the extent consistent with any alternative assurance arrangements agreed to by the Debtors and the affected Utility Provider.

4. ~~3.~~The Utility Providers are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures.

5. ~~4.~~The Debtors will cause a copy of this Final Order, including the Adequate Assurance Procedures, to be served on any subsequently identified Utility Provider and any such Utility Provider shall be bound by the Adequate Assurance Procedures.

6. ~~5.~~Any deposit provided to a Utility Provider by the Debtors prior to the Petition Date must be returned to the Debtors within twenty-one (21) days of receiving a notice that the

services provided to the Debtors by such Utility Provider will no longer be needed, or such other period as may be specified in any agreement between the Debtors and such Utility Provider.

7. ~~6.~~ Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the validity, priority, or amount of any particular claim against a Debtor entity; (b) a waiver of the Debtors' or any other party-in-interest's right to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Final Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver of the Debtors' or any other party-in-interest's right to dispute whether any of the Utility Providers listed on the Utility Providers List or subsequently identified by the Debtors are or are not "utilities" within the meaning of Bankruptcy Code section 366(a); (g) a waiver or limitation of the Debtors' or any other party-in-interest's rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors or any other party-in-interest that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Final Order are valid and the Debtors and all other parties-in-interest expressly reserve their rights to contest the extent, validity, or perfection or to seek avoidance of all such liens. Any payment made pursuant to this Final Order should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party-in-interest's right to subsequently dispute such claim.

8. ~~7.~~ The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when

presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order without any duty of further inquiry and without liability for following the Debtors' instructions.

9. ~~8.~~The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Utility Services.

10. ~~9.~~Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

11. ~~10.~~Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

12. ~~11.~~The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

13. ~~12.~~This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.
