III. SUMMARY OF SERVICES RENDERED BY RCD

12. Attached hereto as Exhibits A-1 through A-4 are detailed descriptions of the services performed and expenses incurred by Applicant from June 1, 2025 through September 30, 2025. In summary, Applicant expended 313.90 hours in rendering necessary legal services involving this Chapter 11 proceeding for the period June 1, 2025 through September 30, 2025. The fees total \$158,849.50 for the period June 1, 2025 through September 30, 2025 (consisting of \$12,087.50 for the month of June, 2025; \$47,496.00 for the month of July, 2025; \$56,055.00 for the month of August, 2025 and \$43,211.00 for the month of September, 2025). Applicant further incurred costs in regard to this proceeding in the amount of \$2,525.21 for the period from June 1, 2025 through September 30, 2025 (consisting of \$0.00 for the month of June, 2025, \$642.87 for the month of July, 2025; \$1,814.84 for the month of August, 2025 and \$67.50 for the month of September, 2025). On Exhibit B, RCD has categorized its time by the project categories recommended by the Guidelines for Compensation and Expense Reimbursement of Professionals (the "Compensation Guidelines") referenced in Rule 2016-1 of the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules"). On Exhibit C, RCD has itemized the costs and expenses incurred on behalf of the Debtors that were billed during the Interim Period.

13. RCD believes that its billing rates for the Interim Period for these cases, which reflect RCD's customary billing rates for the year 2025, should be deemed "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

14. Attached hereto as Exhibit D is a summary of this Applicant's prior fee applications.

15. A summary of the professionals/paraprofessionals that have rendered services to the Debtors, which includes each professional's or paraprofessional's title, hourly rate, total number of hours billed and the fees billed, is attached hereto as Exhibit E.

16. Attached as Exhibit F is a background summary of each professional included in this Application.

17. Attached hereto as Exhibits A-1 through A-4 are RCD's detailed invoices for the Interim Period which show on a daily basis the professionals recording time for these cases, how much time was charged for each professional and a description of the services rendered. Whenever in the attached time records, more than one RCD professional is involved or the RCD professionals show interaction with other professionals for the Debtors, each of the RCD professionals are performing distinct tasks for the Debtors and/or work to effectively and efficiently represent the Debtors. Services are provided for each month of the Interim Period and are divided by category of the task performed. To the extent that charges for services rendered or expenses incurred relate to the Interim Period but were not processed prior to the preparation of, or otherwise included in, this Application, RCD reserves the right to request additional compensation for such services and reimbursement of such expenses in future applications.

18. RCD believes that the services it provided to the Debtors during this Interim Period were necessary to the administration of and beneficial to the Debtors' estates. RCD further believes that the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the task addressed.

IV. DESCRIPTION OF SERVICES RENDERED DURING INTERIM PERIOD

20. RCD grouped its services using the eight categories set forth below in accordance with the recommendation of the Compensation Guidelines. RCD attempted to place the services provided in the category that best related to such services. Because some services may overlap categories, services pertaining to one category may in fact be included in another category. The services provided are generally described below by category.

- (e) RCD assisted the Debtors in other administrative tasks, including preparing agendas for hearings and coordination of notice and service of all motions.
- (f) RCD assisted Jones Day and the Debtors in analyzing potential options for the next steps in these Chapter 11 Cases and participated in various meetings with co-counsel and other case parties regarding same.
- (g) RCD assisted the Debtors and Jones Day in analysis of matters and developments in other proceedings potentially impacting strategic options for these cases, and corresponded with co-counsel and client representatives regarding these developments.

RCD's services provided during the Interim Period under this category include the preparation of monthly compensation statements for RCD for the months of May 2025 through August 2025, as well as preparing RCD's fifteenth interim fee application for the period from the February 1, 2025 through May 31, 2025. RCD also assisted in the coordination and filing of other interim fee applications for the Debtors' professionals, preparation of orders approving the interim fee applications, review of parties' fee requests, and review of supplemental affidavits as needed. RCD assisted in coordination and circulation of other Debtor professionals' monthly compensation statements as well as assisting other case professionals with questions on fee and engagement procedures. RCD assisted Jones Day in analyzing and advising the Debtors regarding questions on professional engagement issues and filing of Ordinary Course Professionals reports. RCD also assisted the Debtors and Jones Day in analyzing certain monthly professional fee requests and analyzing potential objections to such requests. RCD assisted Jones Day and the Debtors in analyzing the ACC's objection to the retention of the FCR's estimation expert and in preparing a response to that objection.

D. Financing and Relief from Stay Proceedings

24. RCD did not provide significant services in this category during the Interim Period.

E. Litigation

25. RCD assisted co-counsel in addressing matters related to certain litigation brought derivatively by the ACC as well as the ACC's litigation seeking substantive consolidation of the Debtors and certain non-debtor affiliates (collectively, the "Restructuring Litigation"), including in addressing open issues related to ongoing discovery in that litigation. RCD assisted co-counsel in addressing issues related to proposed amendments to the case management order for the Restructuring Litigation, including conducting requested research, assisting in developing strategy for proposed amendments including arguments in opposition to such amendment. RCD further assisted Jones Day and the Debtors in drafting a motion to stay the Restructuring Litigation. RCD assisted in the preparation and filing of a joint status report related to the stayed appeal of denial of a motion to lift the automatic stay filed by certain

claimants. RCD performed certain research related to the estimation proceeding in these cases at Jones Day's request, and reviewed and analyzed the preliminary expert reports of the Debtors, ACC and FCR exchanged in the estimation proceeding. RCD assisted in drafting and filing a consolidated brief on behalf of the Debtors and Bestwall in the consolidated motion for leave to appeal the Bankruptcy Court's denial of motions to dismiss filed in these cases and Bestwall, now pending before visiting District Court Judge Volk. RCD assisted the Debtors and Jones Day in analyzing and developing strategy regarding issues associated with the ACC's request to replace committee members, the Debtors' limited objection to such relief, and analyzing potential options to address committee membership and governance issues.

F. Plan and Disclosure

26. RCD did not provide significant services in this category during the Interim Period.

G. Claim Administration

27. RCD did not provide significant services in this category during the Interim Period.

H. Miscellaneous Assistance or Other

28. This category is to be used for services that do not otherwise fall into the categories described above and was not used during the Interim Period.

29. As noted above, during the Interim Period, RCD provided services to facilitate the Debtors' discharge of their administrative duties as debtors in possession and to maximize value of the estates for the benefit of creditors, stakeholders and other parties in interest. In addition to the services provided above, RCD responded to numerous inquiries of parties in interest regarding the status of the case. RCD believes that all of these services have helped to ensure the efficient administration of these cases and compliance with the requirements of the Bankruptcy Code.

V. DESCRIPTION OF DISBURSEMENTS AND EXPENSES INCURRED DURING THE INTERIM PERIOD

30. It is RCD's policy with respect to expenses to charge its clients in all areas of practice for expenses incurred in connection with each client's case. The customary expenses charged to clients include, among other things, filing and court fees, regular and express mail charges, special or hand delivery charges, photocopying charges, travel expenses, expenses for "working meals," computerized research charges, and transcription costs.

31. RCD requests reimbursement for its actual and necessary expenses incurred during the Interim Period in the amount of \$2,525.21. A detailed breakdown of such expenses is provided in RCD's invoices attached hereto as Exhibits A-1 through A-4. The expenses RCD incurred in the rendition of professional services were necessary and reasonable under the circumstances to serve the needs of the Debtors.

Eckerhart, 461 U.S. 424 (1983); Blum v. Stenson, 465 U.S. 886 (1984); Pennsylvania v. Delaware Valley Cit. Council, 107 S.C. 3078 (1987); Lilly v.
