COMPLAINT FOR DECLARATORY JUDGMENT

IEH Auto Parts Holding LLC, and its wind-down debtor affiliates (collectively, “Plaintiffs” or “IEH”), file this complaint for declaratory judgment against Elliott Auto Supply Co., Inc. d/b/a Factory Motor Parts Co. (“Defendant” or “FMP”).

I. PRELIMINARY STATEMENT

1. In connection with a purchase price adjustment dispute, IEH seeks a declaratory judgment concerning an independent accounting expert’s dispute resolution duties under the parties’ contract. Because the interpretation of the parties’ contract presents a legal question, and

² The Wind-Down Debtor entities, along with the last four digits of each Wind-Down Debtor entity’s federal tax identification number, are: IEH Auto Parts Holding LLC (6529); AP Acquisition Company Clark LLC (4531); AP Acquisition Company Gordon LLC (5666); AP Acquisition Company Massachusetts LLC (7581); AP Acquisition Company Missouri LLC (7840); AP Acquisition Company New York LLC (7361); AP Acquisition Company North Carolina LLC (N/A); AP Acquisition Company Washington LLC (2773); Auto Plus Auto Sales LLC (6921); IEH AIM LLC (2233); IEH Auto Parts LLC (2066); IEH Auto Parts Puerto Rico, Inc. (4539); and IEH BA LLC (1428).

the parties disagree over the proper interpretation of the contract, a ripe and justiciable controversy exists that this Court should resolve through a declaratory judgment.

2. IEH was an auto parts supplier. FMP purchased a substantial amount of IEH's inventory in a Chapter 11 bankruptcy auction sale. The parties executed two asset purchase agreements with substantially similar terms (as further described below) to effectuate the sale of that inventory (collectively, the "APA").³ The purchase price for the inventory was adjusted at Closing under the APA based on a comparison of IEH's inventory value at Closing (which value the parties currently dispute) against an estimated inventory number contained in the APA. The APA sets forth the methodology that must be used to calculate the value of the inventory sold, which methodology the APA defined as the "Inventory Methodology."⁴ The APA also provided deadlines for the parties to exchange their respective inventory valuations. First, IEH was to provide FMP with IEH's inventory valuation at least 3 Business Days prior to Closing, which initial valuation the APA defined as the "Estimated Closing Inventory Amount." Within 30 days following the Closing, FMP was to then provide its inventory valuation, which the APA defined as the "Closing Inventory Amount Statement." The parties' inventory valuations determine the price that FMP will ultimately pay to IEH for the benefit of its creditors for the inventory FMP purchased.

3. The APA also established a dispute resolution process if the parties' respective inventory valuations did not match. The dispute resolution process required IEH to provide any objections to FMP's inventory valuation contained in FMP's Closing Inventory Amount Statement, which objections the APA defined as IEH's "Statement of Objections." If IEH provided a Statement of Objections, the APA then required the parties to negotiate in good faith

³ A copy of the APA is attached hereto as Exhibit A.

⁴ Defined terms not otherwise defined herein shall have the meaning ascribed to them in the APA.

to attempt to resolve their dispute, and if the dispute could not be resolved, the APA provided for the appointment of an independent accounting expert (the “Independent Accountant”) to determine which party’s inventory valuation should be adopted.⁵

4. Consistent with the APA, IEH provided FMP with its Estimated Closing Inventory Amount. IEH followed the Inventory Methodology in preparing that valuation. FMP then provided its Closing Inventory Amount Statement to IEH. Although Section 3.2(b)(1) of the APA required FMP to prepare its Closing Inventory Amount “based upon and consistent with the Inventory count taken” by IEH – i.e., following the Inventory Methodology – FMP did *not* follow the Inventory Methodology in preparing its inventory valuation. The difference between the parties’ inventory valuations is approximately \$8 million.⁶

5. After receiving FMP’s inventory valuation, IEH provided its Statement of Objections. Among other objections, IEH objected to FMP’s inventory valuation because FMP did not follow the Inventory Methodology in calculating the value of the inventory it purchased. Thereafter, the parties negotiated in good faith, but could not reach a resolution. The parties then agreed on an Independent Accountant to determine which party’s inventory valuation to adopt.

6. In the course of preparing the Independent Accountant’s engagement letter and discussing procedures that the parties and Independent Accountant would follow to resolve the dispute, it became clear that the parties have a fundamental disagreement over the scope of the Independent Accountant’s duties under the APA. IEH contends that the Independent Accountant must determine whether FMP followed the APA’s requirements in preparing its Closing Inventory Amount Statement, including whether FMP followed the Inventory Methodology. Ex. B (2/21/24

⁵ Under the APA, the Independent Accountant’s valuation determination “must be within the range of values assigned” by the parties. APA § 3.2(c)(ii), Ex. A hereto.

⁶ The approximately \$8 million in dispute is held in an escrow account, and cannot be accessed by either party until the dispute is resolved.

IEH Letter). FMP disagrees. FMP contends that “[n]either Section 3.2 nor any other provision of the APA” requires the Independent Accountant to consider whether the parties followed the Inventory Methodology. Ex. C (2/26/24 FMP Letter).

7. While the Independent Accountant is empowered under the APA to resolve accounting issues and determine which party’s inventory valuation to adopt, the Independent Accountant does not have the authority to resolve legal issues, such as the proper legal interpretation of the Independent Accountant’s duties under the APA. This Court must resolve legal issues concerning the scope and interpretation of the APA.

8. The language of the APA provides no support for FMP’s position. The APA expressly requires the Independent Accountant to determine whether FMP followed the Inventory Methodology in preparing its Closing Inventory Amount Statement. The APA provides that if the parties fail to resolve “all of the matters set forth in the Statement of Objections” the Independent Accountant shall “decide the specific items under dispute by the parties[.]” Ex. A §§ 3.2(c)(i) & (ii). One of the specific “matters” and “items” that IEH raised in its Statement of Objections that remains in dispute is whether FMP’s inventory valuation should be rejected because FMP did not follow the Inventory Methodology in preparing its Closing Inventory Amount Statement. Because that item remains in dispute, under the plain language of the APA the Independent Accountant must determine whether FMP prepared its inventory statement in accordance with the Inventory Methodology.

9. Other provisions in the APA also make clear that the Independent Accountant cannot determine which party’s inventory valuation should be adopted without considering whether each party followed the Inventory Methodology in preparing that inventory valuation. Pursuant to Section 3.2(c) of the APA, the Independent Accountant must make a determination

with respect to the “Disputed Amounts” of the parties’ respective closing inventory amounts, including any “adjustments to the Closing Inventory Amount Statement.” Ex. A § 3.2(c). The APA provides that the parties’ “Closing Inventory Amounts” and FMP’s “Closing Inventory Amount Statement” in particular, must be prepared “*in accordance with the Inventory Methodology.*” *Id.* §§ 1.1, 3.2(b)(ii).⁷ Thus, as part of determining the “Disputed Amounts” and any adjustments to FMP’s “Closing Inventory Amount Statement,” the Independent Accountant must necessarily determine whether the parties followed the “Inventory Methodology” in calculating their closing inventory amounts.

10. For these reasons, the Court should enter an order declaring that in reaching a decision on the “Disputed Amounts,” the Independent Accountant has a duty under Section 3.2(b) & (c) of the APA to determine whether the parties followed the APA’s requirements in preparing their respective inventory statements, including whether each party followed the Inventory Methodology. The Independent Accountant cannot determine which party’s inventory valuation to adopt unless it has clear guidance concerning its duties under the APA. The scope of those duties is a legal issue for this Court to resolve.

14. This Court has jurisdiction to grant declaratory relief under the Declaratory Judgment Act, 28 U.S.C. § 2201(a), which grants the Court “the power to declare the rights and other legal relations of any interested party seeking such declaration.” *Sommers v. (“This Court retains exclusive jurisdiction to (c) interpret, implement, and enforce the provisions of the Transaction Documents.”).

16. Ex. A § 9.10(a).

IV. FACTS

A. IEH's Bankruptcy Petition and Inventory Auction

17. On January 31, 2023, Plaintiffs and its affiliates filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of Texas (the "Court").

18. On February 10, 2023, Plaintiffs filed a motion [Docket No. 96, Case No. 23-90054] with the Court seeking entry of orders, among other things, authorizing and approving the sale of the assets free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests except to the extent otherwise set forth in the purchase agreement executed by IEH and the winning bidder or backup bidder.

19. On May 10–11, 2023, IEH held an auction for Lots 1–9(c). On May 15, 2023, IEH filed the *Notice of Winning Bids* [Docket No. 514, Case No. 23-90054] identifying the winning bidders and backup bidders. On May 19, 2023, IEH filed the *Notice of Designation of Backup Bidder as Winning Bidder* [Docket No. 571, Case No. 23-90054], which designated FMP, formerly the backup bidder for certain lots, as the winning bidder for such lots.

20. On May 19, 2023, the Court signed the First Sale Order, approving the contemplated sale of assets to FMP in the first auction.

21. All of the IEH profit centers that were not designated for purchase in the first auction were compiled into Lot 9(d). On May 23, 2023, IEH filed the *Notice of Winning Bids for Lot 9(d)* [Docket No. 591, Case No. 23-90054], identifying the winning bidders for the Lot 9(d) profit centers. On May 23, 2023, the Debtors filed the *Amended Notice of Winning Bids for Lot 9(d)* [Docket No. 593, Case No. 23-90054]. On May 24, 2023, the Court entered the *Second Sale Order*.

B. The Terms of the APA

22. On June 2, 2023, IEH entered into the first Asset Purchase Agreement with FMP to effectuate the sale of certain of IEH's assets, which was then amended by the First Amendment, dated as of June 12, 2023, and further amended by the Second Amendment, dated as of July 7, 2023 (the "Primary APA").

23. On June 29, 2023, the parties entered into a second Asset Purchase Agreement for Location #10058 (the "Secondary APA").

24. The terms under the Primary APA and Secondary APA are substantially the same, and those two agreements are collectively referred to herein as the APA.

25. Pursuant to Section 3.2(b)(i) of the APA, IEH was required to deliver to FMP, at least three (3) business days prior to each closing date, a statement certifying in reasonable detail IEH's good faith estimate of the Closing Inventory Amount for the acquired assets related to the closing lots (the "Estimated Closing Inventory Amount"). Ex. A § 3.2(b)(i).

26. Pursuant to Section 3.2(b)(ii) of the APA, within 30 days after the applicable closing date, FMP was required to prepare and deliver to IEH a statement setting forth its calculation of Closing Inventory Amount for the acquired closing lots, "based upon and consistent with the Inventory count taken pursuant to Section 3.2(b)(i) [i.e., with the methodology IEH used for its Inventory count in the Estimated Closing Inventory Amount], which statement shall include the type of inventory, the amount of such inventory, the estimated market price and basis, as appropriate, assumed for such inventory (the 'Closing Inventory Amount Statement')." *Id.* § 3.2(b)(ii).

27. In addition, pursuant to Section 3.2(b)(ii), IEH's Estimated Closing Inventory Amount and FMP's Closing Inventory Amount Statement, and the "individual elements thereof," must be determined in accordance with the "Inventory Methodology." *Id.* Section 3.2(b)(ii) states:

Each Closing Inventory Amount Statement (and the individual elements thereof, as applicable) *shall be determined in accordance with the Inventory Methodology.*”

28. The APA defines Inventory Methodology as the “past procedures and practices of the Business and commercially reasonable procedures sufficient to produce a proper count of such Inventory...” *Id.* § 1.1.

29. Section 3.2(c)(i) of the APA provides that after IEH receives FMP’s Closing Inventory Amount Statement, IEH has 30 days to provide objections to that statement (the “Statement of Objections”). *Id.* § 3.2(c)(i). If IEH provides a Statement of Objections to FMP’s Closing Inventory Amount Statement, the parties then must negotiate for 30 days to attempt to resolve those objections (the “Resolution Period”). *Id.*

30. Under Section 3.2(c)(i) of the APA, if the parties fail to resolve “all of the matters set forth in the Statement of Objections before the expiration of the Resolution Period, then any amounts remaining in dispute (‘Disputed Amounts’)” must be submitted to an Independent Accountant for resolution. *Id.* The APA provides that the Independent Accountant “shall only decide the specific items under dispute by the parties[.]” *Id.* § 3.2(c)(ii). Further, the Independent Accountant’s valuation determination “must be within the range of values assigned” by the parties. *Id.*

C. The Parties Exchange Closing Inventory Amount Statements

31. On May 27, 2023 and June 9, 2023 respectively, IEH timely provided FMP with its Estimated Closing Inventory Amounts for each of the closings. Pursuant to the APA, IEH calculated the Estimated Closing Inventory Amount as \$17,724,987.16 for the First Closing, \$135,570,809.68 for the Second Closing, and \$1,153,679.44 under the Third Closing. IEH followed the APA’s definition of Inventory Methodology in making those calculations.

32. FMP provided IEH with its Closing Inventory Amount Statement for the first and second closings on July 3, 2023, and for the third closing on July 12, 2023. In its Closing Inventory Amount Statements, FMP claimed that IEH's inventory valuation was overstated by approximately \$8 million. Importantly, FMP's Closing Inventory Amount Statements were not calculated by following the Inventory Methodology that the parties agreed in the APA they would follow.

33. In accordance with Section 3.2(c)(i) of the APA, IEH timely objected to each of the items and amounts in FMP's Closing Inventory Amount Statements by submitting a Statement of Objections on August 4, 2023 and August 10, 2023, respectively. Exs. D. Among other objections, IEH objected that FMP's Closing Inventory Amount Statements did not comply with Section 3.2 of the APA because FMP did not follow the Inventory Methodology under the APA. *Id.* In other words, FMP's calculation of the Closing Inventory Amount was not based on "the past procedures and practices of the Business and commercially reasonable procedures sufficient to produce a proper count of such Inventory, in all such cases as reflected in the Seller Inventory File."

34. Thereafter, the parties negotiated to attempt to resolve their dispute and agreed to extend the deadline under the APA to submit the dispute to the Independent Accountant for resolution so that the parties could continue their discussions.

35. The parties eventually failed to reach an agreement with respect to the matters set forth in IEH's Statement of Objections and, as a result, the parties retained an agreed-upon Independent Accountant.

36. In the course of preparing the Independent Accountant's engagement letter and discussing procedures that the parties and Independent Accountant would follow to resolve the

dispute, it became clear that the parties have a fundamental disagreement over the scope of the Independent Accountant's duties under the APA. IEH contends that to reach a determination of which party's inventory valuation to adopt, the Independent Accountant must determine whether FMP followed the APA's requirements in preparing its Closing Inventory Amount Statement, including whether FMP followed the Inventory Methodology. Ex. B. FMP disagrees. FMP contends that "[n]either Section 3.2 nor any other provision of the APA" requires the Independent Account to consider whether the parties followed the Inventory Methodology. Ex. C.

37. While the Independent Accountant is empowered under the APA to resolve accounting issues and determine which party's inventory valuation to adopt, the Independent Accountant does not have the authority to resolve legal issues, such as its duties under the APA and the proper legal interpretation of the parties' rights and obligations under the APA. This Court must resolve legal issues concerning the scope and interpretation of the APA.

38. Before the Independent Accountant can determine which party's inventory valuation is appropriate, the legal issue concerning the proper scope of the Independent Accountant's assignment in reaching that determination must be resolved.

D. FMP's Interpretation of the APA Is Wrong

39. FMP's position that the Independent Accountant is not required under the APA to determine whether the parties followed the APA's requirements in preparing their respective inventory statements, including whether each party followed the Inventory Methodology, finds no support in the APA.

40. The APA expressly provides that if the parties fail to resolve "all of the matters set forth in the Statement of Objections" the Independent Accountant shall "decide the specific items under dispute by the parties[.]" Ex. A §§ 3.2(c)(i) & (ii). One of the specific "matters" or "items" that IEH raised in its Statement of Objections that remains in dispute is whether IEH properly

followed the Inventory Methodology in preparing its inventory statement. Under the plain language of the APA, the Independent Accountant must resolve that item in dispute in determining which party's inventory methodology to adopt.

41. Other provisions of the APA also make clear that the Independent Accountant cannot determine which party's inventory valuation should be adopted without considering whether each party followed the Inventory Methodology in preparing that inventory valuation. Pursuant to Section 3.2(c) of the APA, the Independent Accountant must make a determination with respect to the "Disputed Amounts" of the parties' respective closing inventory amounts, including any "adjustments to the Closing Inventory Amount Statement." Ex. A § 3.2(c). The APA provides that the parties' "Closing Inventory Amounts" and FMP's "Closing Inventory Amount Statement" in particular, must be prepared "*in accordance with the Inventory Methodology.*" *Id.* § 3.2(b)(ii) ("Each Closing Inventory Amount Statement (and the individual elements thereof, as applicable) shall be determined in accordance with the Inventory Methodology."); *Id.* § 1.1 ("Closing Inventory Amount" means the dollar value of Inventory determined in accordance with the Inventory Methodology as 12:00.01 A.M. Eastern Time on the applicable Closing Date."). As part of determining the "Disputed Amounts" and any adjustments to FMP's "Closing Inventory Amount Statement," the Independent Accountant must necessarily determine whether the parties followed the "Inventory Methodology" in calculating their closing inventory amounts under Section 3.2 of the APA.

42. This threshold legal issue concerning the scope of the Independent Accountant's duties under the APA must be resolved before the matter is submitted to the Independent Accountant for resolution. FMP has suggested that the parties simply submit their positions on this legal issue to the Independent Accountant as part of their submissions. But the Independent

Accountant does not have authority under the APA to resolve that legal issue. For that reason, IEH requests this Court enter an order declaring that in resolving the Disputed Amounts, the APA requires the Independent Accountant to determine whether the parties followed the APA's requirements in preparing their respective inventory statements, including whether each party followed the Inventory Methodology.

**V. CAUSE OF ACTION
DECLARATORY JUDGMENT**

43. IEH repeats and realleges the allegations set forth in the preceding paragraphs of this Complaint as if fully set forth herein.

44. An actual and justiciable controversy exists between IEH and FMP regarding the interpretation of the terms of the APA, and the Independent Accountant's duties pursuant to the APA.

45. The parties' controversy is ripe for the Court's resolution. The instant dispute is not remote, hypothetical, speculative or abstract, but present and existing.

46. IEH is entitled to a declaration of the Independent Accountant's duties under the APA. Specifically, IEH is entitled to a judgment declaring that in reaching a decision on the Disputed Amounts, the Independent Accountant has a duty under Section 3.2 of the APA to determine whether the parties followed the APA's requirements in preparing their respective inventory statements, including whether each party followed the Inventory Methodology.

VI. PRAYER FOR RELIEF

47. IEH requests that the Court grant the following relief in its favor and against FMP:

- a. Enter an order declaring that in reaching a decision on the Disputed Amounts, the Independent Accountant has a duty under Section 3.2 of the APA to determine whether the parties followed the APA's requirements in preparing their respective inventory statements, including whether each party followed the Inventory Methodology;

- b. Award IEH its attorneys' fees and costs; and
- c. Award such other and further relief to which IEH may be entitled.

(i) Examination and Objections; Initial Release. After receipt of the applicable Closing Inventory Amount Statement, Sellers shall have 30 days (the “Review Period”) to review such Closing Inventory Amount Statement. On or prior to the last day of the Review Period, Seller may object to such Closing Inventory Amount Statement by delivering to Buyer a written statement (the “Statement of Objections”) setting forth Sellers’ objections in reasonable detail, indicating each disputed item or amount and the basis for Sellers’ disagreement therewith, together with a proposed Shortfall Amount (“Initial Shortfall Amount”) calculated as if each such disagreement was determined in favor of Buyer. If Sellers fail to deliver the Statement of Objections before the expiration of the Review Period, such Closing Inventory Amount Statement and the related Inventory Adjustment, as the case may be, reflected in such Closing Inventory Amount Statement shall be deemed to have been accepted by Sellers. If Sellers deliver the Statement of Objections before the expiration of the Review Period, Buyer and Sellers (i) shall, within two (2) Business Days following the delivery of the Statement of Objections, provide joint written instruction to the Escrow Agent instructing the Escrow Agent to pay to Sellers an amount equal to the sum of (A) the First Inventory Escrow Amount or Second Inventory Amount, as applicable, minus (B) the Initial Shortfall Amount and (ii) shall negotiate in good faith to resolve such objections within 30 days after the delivery of the Statement of Objections (the “Resolution Period”), and, if the same are so resolved within the Resolution Period, the Inventory Adjustment and the Closing Inventory Amount Statement with such changes as may have been previously agreed in writing by Buyer and Sellers, shall be final and binding.

If Sellers and Buyer fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (“Disputed Amounts” and any amounts not so disputed, the “Undisputed Amounts”) shall be promptly (but in no event later than 10 days following the expiration of the Resolution Period) submitted for resolution to the office of EisnerAmper LLP or, if EisnerAmper LLP is unable to serve, Buyer and Sellers shall promptly (but in no event later than 10 days following the expiration of the Resolution Period) appoint by mutual agreement the office of an impartial nationally recognized firm of independent certified public accountants other than Sellers’ Accountants or Buyer’s Accountants (the “Independent Accountants”) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to the Inventory Adjustment, as the case may be, and the Closing Inventory Amount Statement; provided, however, that if Buyer and Sellers

are unable to agree upon the Independent Accounts prior to the expiration of such 10 day period, on such 10th day, each shall engage an impartial nationally recognized firm of independent certified public accountants and each Party's designated accountant shall agree upon a third firm meeting such criteria, which such firm shall be designated the Independent Accountants. The fees and expenses of the Independent Accountant shall be paid by Sellers, on the one hand, and by Buyer, on the other hand, based upon the percentage that the amount actually contested but not awarded to Sellers or Buyer, respectively, bears to the aggregate amount actually contested by Sellers and Buyer. If Sellers shall be required to pay any such fees or expenses, such fees and/or expenses shall be paid solely out of the Inventory Escrow Amount.

(iv) Determination by Independent Accountants. The Independent Accountants shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the applicable Closing Inventory Amount Statement and/or the Inventory Adjustment shall be conclusive and binding upon the parties hereto.

(d) Payments of Inventory Adjustment. The inventory adjustment shall be an amount equal to the product of (i) the sum of (A) the Closing Inventory Amount (as the Closing Inventory Amount is finally determined pursuant to this Section 3.2) minus (B) the Estimated Closing Inventory Amount multiplied by (ii) the Buyer Inventory Valuation Percentage (the "Inventory Adjustment"). If the Inventory Adjustment is a positive number, there shall be no Inventory Adjustment. If the Inventory Adjustment is a negative number (such difference, the "Shortfall Amount"), then Buyer and Seller shall, no later than two (2) Business Days after such final determination, instruct the Escrow Agent to pay to Buyer, out of the balance of the Inventory Escrow Account, an amount equal to such finally determined Shortfall Amount less any amounts distributed pursuant to Section 3.2(c)(i) (and such Shortfall Amount shall be paid solely out of the balance of the Inventory Escrow Account, whether or not such Shortfall Amount is greater than the Inventory Escrow Amount). In the event that the unpaid portion of the Shortfall Amount is less than the remaining First Inventory Escrow Amount or Second Inventory Escrow Amount, as applicable, Buyer and Seller shall, within two (2) Business Days after the final determination, instruct the Escrow Agent to distribute from the balance of the Inventory Escrow Account an amount that is equal to the First Inventory Escrow Amount or Second Inventory Escrow Amount, as applicable, minus the Shortfall Amount to Seller. For the avoidance of doubt, the Inventory Escrow Amount shall provide the sole and exclusive source of funding to Buyer for any amount payable to Buyer pursuant to this Section 3.2.

3.3 **Deposit.**

(a) Upon the execution of this Agreement, Buyer has deposited an aggregate amount equal to \$960,000.00 in cash into the Deposit Escrow Account (the “Deposit”). 3.4 **Allocation of Purchase Price.** (a) The sum of the Purchase Price and the amount of the Assumed Liabilities (to the extent properly taken into account under the Code) shall be allocated among Sellers and (b) the amount allocated to the Acquired Assets sold by each such Seller shall be further allocated among such Acquired Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (the “Allocation”).

3.5 **Prorations.** The following items shall be prorated between Sellers and Buyer as of the First Closing Date with respect to items related to the First Closing Lots and the Second Closing Date with respect to items related to the Second Closing Lots, as applicable: (a) applicable real property taxes and personal property taxes (other than Transfer Taxes), (b) utilities, (c) lease payments under any Leases that are Assumed Leases, and (d) any prepaid expenses of Sellers relating to any of the Assumed Contracts or Assumed Leases. Unless otherwise stated herein, all prorations shall be on an accrual basis in accordance with GAAP, and based on the actual number of days in each month. Sellers shall be responsible for amounts relating to the period prior to the applicable Closing Date, and Buyer shall be responsible for amounts relating from and after the applicable Closing Date. Property Taxes on Acquired Assets will be prorated using applicable property tax rates if known, and if not known, applicable property tax rates from the last known period shall be utilized but subject to later adjustments for actual property tax rates. The net amount of all prorations owed to Buyer and Sellers under this Section 3.5 shall be referred to as the “Buyer Proration Amount” if owed to Buyer or the “Seller Proration Amount” if owed to Sellers. To the extent Seller pays any Buyer Proration Amount, Buyer shall promptly reimburse Seller for such payment following Seller’s written request. To the extent Buyer pays any Seller Proration Amount, Seller shall promptly reimburse Buyer for such payment following Buyer’s written request.

4.4 **No Conflicts.** Except for consents set forth on Section 4.4 of the Disclosure Schedules, and assuming the Sale Order has been entered by the Bankruptcy Court and subject to requisite Bankruptcy Court approvals, the execution, delivery and performance by each Seller of any Transaction Document to which such Seller is (or will become at the applicable Closing) a party, and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default)

under, or give rise to any right of termination, acceleration or cancellation of any right or obligation or to a loss of any benefit under any provision of any Material Contracts and Leases set forth on Section 2.5(a) of the Disclosure Schedules, or (c) result in a violation of any Law or Order applicable to it., except, in the case of clauses (b) and/or (c), as would not, individually or in the aggregate, be, or reasonably be expected to have a Seller Material Adverse Effect.

4.5 **Acquired Assets.** Upon the terms and subject to the conditions contained in this Agreement and subject to requisite Bankruptcy Court approvals and the terms of the Sale Order, at the applicable Closing, subject to any Permitted Liens, the Sellers will have good and valid title to, or the right to use, all tangible Acquired Assets. Sellers have not received any written notice of or been charged with the violation of any Laws, except where such violation would not be reasonably expected to have a Seller Material Adverse Effect. Sellers have all Permits which are required for the operation of the Business as presently conducted, except where such failure to have Permit would not reasonably be expected to have a Seller Material Adverse Effect. Sellers are not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit to which they are parties, except where such default or violation would not be reasonably expected to have a Seller Material Adverse Effect.

4.9 **Contracts and Leases.** Section 4.9 of the Disclosure Schedules sets forth a true and complete list of all executory Contracts and unexpired Leases of each Profit Center, as of the

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF BUYER

Except as set forth on the Disclosures Schedules delivered by the Buyer to the Sellers, Buyer hereby represents and warrants to Sellers, as of the Effective Date, as follows:

5.1 **Organization.** Buyer is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and in the other jurisdictions in which it is required to register or qualify to do business.

5.2 **Due Authorization, Execution and Delivery; Enforceability.** Buyer has all requisite corporate power and authority to execute and deliver this Agreement and the other Transaction Documents to which it is (or will become at the applicable Closing) a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance by Buyer of this Agreement and the other Transaction Documents to which it is (or will become at the applicable Closing) a party and the consummation of the Transactions have been duly and validly authorized by all requisite corporate action on the part of Buyer and no other corporate action on the part of Buyer is necessary to authorize this Agreement and such other Transaction Documents and to consummate the Transactions (subject, in the case of the obligation to consummate the Transactions, to the entry of the Sale Order). This Agreement and the other

Transaction Documents to which Buyer is (or will become at the applicable Closing) party have been (or will be) duly and validly executed and delivered by Buyer and (assuming the due authorization, execution and delivery by all parties hereto and thereto, other than Buyer) constitute (or will constitute) valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms (subject to the entry of the Sale Order), in each case except as enforceability may be limited by applicable bankruptcy, insolvency or similar Laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

5.3 **Governmental Approvals.** No notice to, consent, approval, Permit or authorization of or designation, declaration or filing with any Governmental Entity is required by Buyer with respect to Buyer's execution and delivery of any Transaction Document to which it is (or will become at the applicable Closing) a party or the consummation of the Transactions, except (a) the Sale Order having been entered by the Bankruptcy Court and (b) any consent, approval or authorization of or designation, declaration or filing with any Governmental Entity the failure of which to be made or obtained would not, individually or in the aggregate, be reasonably expected to result in a Buyer Material Adverse Effect.

5.4 **No Conflicts.** The execution, delivery and performance by Buyer of any Transaction Document to which Buyer is (or will become at the applicable Closing) a party and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, acceleration or cancellation under, any material Contract of Buyer, or (c) result in a violation of any Law or Order applicable to it, except, in the case of clauses (b) and (c), as would not, individually or in the aggregate, result in a Buyer Material Adverse Effect.

5.6 **Sufficiency of Funds.** Buyer has as of the date hereof and will have at the Closing sufficient funds in an aggregate amount necessary to pay the Purchase Price, to pay, perform and discharge the Assumed Liabilities as they become due in accordance with their terms and to consummate all of the other transactions contemplated by this Agreement, including the payment of all fees, expenses and other amounts required to be paid by Buyer in connection with the transactions contemplated by this Agreement. Buyer is and shall be capable of satisfying the conditions contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assumed Contracts and the related Assumed Liabilities.

5.7 **Solvency.** Immediately after giving effect to the transactions contemplated hereby, Buyer shall be solvent and shall: (a) be able to pay its debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay its debts (including a reasonable estimate of the amount of all contingent liabilities); and (c) have adequate capital to

5.8 **Legal Proceedings.** There are no actions, suits, claims, investigations or other legal proceedings pending or, to Buyer's knowledge, threatened against or by Buyer or any Affiliate of Buyer that challenge or seek to prevent, enjoin or otherwise delay the transactions contemplated by this Agreement.

5.9 **Adequate Assurances Regarding Executory Contracts.** Buyer is and will be capable of satisfying the conditions contained in section 365 of the Bankruptcy Code with respect to the Assumed Contracts and Assumed Leases.

5.10 **Exclusive Representations and Warranties.** Except for the representations and warranties contained in this Article 5 (as modified by the Disclosure Schedules), none of Buyer, its Affiliates, nor any of their respective Representatives, makes or has made any other representation or warranty on behalf of Buyer. Except for the representations and warranties contained in this Article 5 (as modified by the Disclosure Schedules), Buyer disclaims all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Sellers or their Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Sellers by any Representative of Buyer or any of their respective Affiliates). The disclosure of any matter or item in any schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter would result in a Buyer Material Adverse Effect.

ARTICLE 6 COVENANTS OF THE PARTIES

6.1 **Conduct of Business Pending the Closing.** During the period from the date of this Agreement and continuing until the earlier of (i) the termination of this Agreement in accordance with its terms, and (ii) the applicable Closing (such period of time, the "Interim Period"), except as may be required by Order of the Bankruptcy Court (provided that Sellers have not directly or indirectly petitioned, sought, requested or moved for such order of the Bankruptcy Court or authorized, supported or directed any other Person to petition, seek, request or move for such Order of the Bankruptcy Court) and applicable Law, Sellers shall carry on the Business in the Ordinary Course of Business, except to the extent otherwise agreed in writing by the Buyer (such consent not to be unreasonably withheld). Notwithstanding the foregoing, nothing contained in this Agreement is intended to give Buyer or its Affiliates, directly or indirectly, the right to control or direct the business of Sellers prior to the applicable Closing.

6.2 **Access.** Subject to applicable Law, during the Interim Period, Sellers shall give Buyer and its Representatives reasonable access during normal business hours to the offices, properties, officers, employees, accountants, auditors, counsel and other representatives, data, books and records of Sellers to the extent relating to the Acquired Assets, as Buyer reasonably

deems necessary in connection with effectuating the transactions contemplated by this Agreement. Buyer agrees that any on-site inspections of any of the Acquired Assets, shall be conducted in the presence of Sellers or their Representatives. All inspections shall be conducted so as not to interfere unreasonably with the use of any of the Acquired Assets by Sellers, or operation of the Business, and shall not violate any applicable Law or confidentiality obligations of any Seller. Notwithstanding the foregoing, Buyer and its Representatives shall not be entitled to any records or information pursuant to this Section 6.2, or otherwise, that is subject to legal privilege or that would or could trigger a breach or violation of any obligations under any confidentiality or privacy provision or privacy rule, to which any Seller is subject.

6.3 **Public Announcements.** Buyer and Sellers will consult with each other before issuing, and provide each other the opportunity to review and comment upon, any press release or public announcement of this Agreement and the Transactions, but neither Buyer nor Sellers shall issue any press release without the prior written approval of the other Party, in each case except as may be required by Law, court process (including the filing of this Agreement with the Bankruptcy Court as an exhibit to the Sale Motion) or by obligations pursuant to any listing agreement with any national securities exchange, in which case the non-disclosing party will have the right to review and comment on such release, announcement or communication prior to publication. Buyer and Sellers shall cause their respective Affiliates and Representatives to comply with this Section 6.3.

6.4 **Tax Matters.**

(a) All Transfer Taxes arising out of the transfer of the Acquired Assets pursuant to this Agreement shall be borne by Buyer. Buyer shall timely prepare and file any Tax Returns relating to such Transfer Taxes, including any Claim for exemption or exclusion from the application or imposition of any Transfer Taxes. Buyer shall file all necessary documentation and returns with respect to such Transfer Taxes when due, and shall promptly, following the filing thereof, furnish a copy of such return or other filing and a copy of a receipt showing payment of any such Transfer Tax to the other Parties hereto. Buyer shall pay all such Transfer Taxes when due. Buyer shall provide Seller duly completed and signed resale certificates with respect to all Inventory included in the Acquired Assets transferred to Buyer using forms promulgated by each state where such Inventory is located at the applicable Closing.

(b) Each of Buyer, on the one hand, and Sellers, on the other hand, shall cooperate fully, as and to the extent reasonably requested, in connection with the preparation and filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes and shall furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets and the Business as is reasonably necessary for filing of all Tax Returns, including any Claim for exemption or exclusion from the application or imposition of any Taxes, the preparation for any audit by any Tax Authority and the prosecution or defense of any Proceeding relating to any Tax Return.

6.5 **Reasonable Best Efforts.**

(a) Subject to the terms and conditions of this Agreement, each Party shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done,

and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable under applicable Law to consummate and make effective the Transactions. Without limiting the generality of the foregoing, the Parties will use their respective reasonable best efforts to (i) take all actions necessary to transfer the Acquired Assets, (ii) take all actions necessary to cause all conditions set forth in Article 7 to be satisfied as soon as practicable, (iii) lift or rescind any existing Order preventing, prohibiting or delaying the consummation of the Transactions, (iv) effect all necessary registration, applications, notices and other filings required by applicable Law, including, as applicable to Sellers, under the Bankruptcy Code, and (v) execute and deliver any additional instruments necessary to fully carry out the purposes of this Agreement. Buyer shall not and shall cause its Affiliates and Representatives not to, take any action that would reasonably be expected to prevent or materially delay the approval of any Governmental Entity of any of the filings referred to in this Section 6.5(a). The “reasonable best efforts” of the Sellers or Buyer will not, except as expressly required hereunder, require the Sellers, Buyer or any of their respective Affiliates or Representatives to expend any money, to remedy any breach of any representation or warranty, to commence any Claim, to waive or surrender any right, to modify any Contract or to waive or forego any right, remedy or condition hereunder.

(b) To the extent Buyer comes into the possession of any Personally Identifiable Information, Buyer shall immediately deliver such information to Sellers and destroy and/or delete all copies of such information and provide Sellers with evidence of such destruction.

6.6 **Further Assurances.** From and after the Closings, the Parties agree to, at the requesting Party’s sole cost and expense, (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents, and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Transaction Documents; provided that nothing in this Section 6.6 or this Agreement shall prohibit any Seller from ceasing operations or winding up their affairs following the Closings.

6.7 **Bankruptcy Court Matters.**

(a) Buyer and Sellers acknowledge that this Agreement and the Transactions contemplated hereby are subject to the Bidding Procedures and Bidding Procedures Order, and approval by the Bankruptcy Court and, as applicable, entry of the Sale Order. In the event of any discrepancy between this Agreement and the Bidding Procedures Order and the Sale Order, the Bidding Procedures Order and Sale Order shall govern.

(b) In the event of any discrepancy or conflict between the Bidding Procedures Order and the Sale Order, the Sale Order will govern.

(c) Buyer and Sellers shall use their reasonable best efforts to have the Bankruptcy Court hold the Sale Hearing and enter the Sale Order as promptly as practicable.

(d) From and after the date hereof, Sellers shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Bidding Procedures Order or, if Buyer is a Successful Bidder at the Auction, the Sale Order. Buyer has not colluded in connection with its

offer or negotiation of this Agreement. From and after the date hereof, Buyer shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Bidding Procedures Order, or if Buyer is a Successful Bidder at the Auction, the Sale Order or consummation of the transactions contemplated hereby.

(e) If an Auction is conducted, and Buyer is not a Successful Bidder for the Acquired Assets, Buyer shall, in accordance with and subject to the Bidding Procedures, be required to serve as the back-up bidder if Buyer is the next highest or otherwise best bidder for the Acquired Assets at the Auction (the party that is the next highest or otherwise best bidder at the Auction after such Successful Bidder, the “Back-Up Bidder”) and, if Buyer is the Back-Up Bidder, Buyer shall, notwithstanding Section 8.1(b)(ii) and Section 8.1(d), be required to keep its bid to consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) open and irrevocable until forty-five (45) days after the conclusion of the Auction or this Agreement is otherwise terminated pursuant to Article 8. Following the Auction, if a Successful Bidder fails to consummate the applicable Alternative Transaction as a result of a breach or failure to perform on the part of such Successful Bidder, then Buyer, if Buyer is the Back-Up Bidder, will be deemed to have the new prevailing bid, and Sellers may seek authority to consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may be improved upon by Buyer in the Auction) with the Back-Up Bidder.

6.8 **Cure Costs**. Sellers shall sell, transfer and assign, all Assumed Contracts and Assumed Leases to Buyer, and Buyer shall purchase and assume all Assumed Contracts and Assumed Leases from Sellers, as of the applicable Closing Date pursuant to sections 363 and 365 of the Bankruptcy Code and the Sale Order. In connection with debts incurred or the assignment and assumption of the Assumed Contracts and Assumed Leases, Buyer shall cure any monetary defaults of the debts incurred or under the Assumed Contracts and Assumed Leases by payment of any Cure Costs as determined in accordance with the Bidding Procedures Order and Sale Order. Seller shall reimburse Buyer for Excess Cure Costs within forty-five (45) days after the Second Closing. Buyer shall be responsible for demonstrating and establishing adequate assurance of future performance before the Bankruptcy Court with respect to the Assumed Contracts and Assumed Leases.

6.9 **Preservation of Books and Records; Cooperation**. For a period of the later of (a) a period consistent with Buyer’s records retention policy in effect from time to time, (b) the retention period required by applicable Law, (c) the conclusion of all proceedings relating to the Chapter 11 Cases, or (d) a period of three (3) years after the Second Closing Date (such period, the “Record Period”), Buyer shall provide to Sellers and their respective Representatives (after reasonable notice and during normal business hours and without undue interference to the business operations of Buyer) reasonable access to, including the right to make copies of, all books and records included in and otherwise related to the Acquired Assets and shall preserve such books and records until the end of the Record Period. Such access shall include access to any information in electronic form to the extent reasonably available. Buyer acknowledges that Sellers have the right to retain originals or copies of all of books and records included in or related to the Acquired Assets for periods prior to the applicable Closing. Without limiting the generality of the foregoing,

from and after the Closings, Buyer will provide Sellers with reasonable assistance, support and cooperation with Sellers' wind-down and related activities.

6.10 **Notification of Certain Matters.** To the extent permitted by applicable Law, Sellers and Buyer will give prompt written notice to the other Parties of (a) the existence of any fact or circumstance, or the occurrence of any event, of which it has Knowledge that would reasonably be likely to cause a condition to a Party's obligations to consummate the Transactions set forth in Article 7 not to be satisfied as of any date, or (b) the receipt of any notice or other communication from any Governmental Entity in connection with the Transactions; provided, however, that the delivery of any such notice pursuant to this Section 6.10 shall not be deemed to amend or supplement this Agreement and the failure to deliver any such notice shall not constitute a waiver of any right or condition to the consummation of the Transactions by any Party.

6.11 **Confidentiality.**

(a) From and after the Closings, Sellers shall keep confidential all non-public information regarding the Business and the Acquired Assets, except for (i) such public disclosure as Sellers and their counsel may reasonably determine to be required under any applicable Law, regulation or Order, (ii) to the extent disclosure is necessary to assert any right or defend any claim arising under this Agreement or any other Transaction Document, and (iii) disclosure to another Seller or to the Representatives (including any prospective or actual financing sources, whether debt or equity) and Affiliates of the Sellers as long as such parties agree to be bound by confidentiality obligations no less protective than those set forth in this Section 6.11(a).

(b) The Parties hereby acknowledge and agree that the NDA is enforceable in accordance with its terms.

6.12 **Employees.** Buyer shall make reasonable best efforts to offer employment to all of the Employees as defined in Section 1.1 above, subject to the terms set forth below. At least one (1) Business Day prior to each Closing Date, Buyer shall provide Sellers a list of any Employees that Buyer would like to make an offer of employment. Each Employee who accepts such offer shall be deemed a "Transferred Employee". Any such offer of employment will be effective as of the applicable Closing Date and contingent upon the respective Closing, and a satisfactory background and drug test, and with respect to each of the Transferred Employees who is then employed by Sellers, Buyer shall make reasonable best efforts to keep such employment at the same location, and provide the Transferred Employees, in the aggregate, with compensation and benefit terms that are consistent with Buyer's compensation and benefit terms immediately prior to such Closing. With respect to any employee benefit plan maintained by Buyer or an Affiliate of Buyer for the benefit of any Transferred Employee, effective as of the applicable Closing, Buyer shall, or shall cause its Affiliate to, recognize all service of the Transferred Employees with Seller, except for 401(k), profit sharing, and similar benefits; provided, however, such service shall not be recognized to the extent that (x) such recognition would result in a duplication of benefits or (y) such service was not recognized under the corresponding Seller Benefit Plan. To the extent permitted by Law, Sellers shall deliver a notice, which, at the option of Buyer, may be a joint notice by Buyer and Sellers, to each of the Transferred Employees in a form reasonably satisfactory to Buyer (i) informing such Transferred Employees about the sale of

the Acquired Assets to Buyer, and (ii) terminating their employment with Sellers. Buyer shall not be responsible for, and shall have no obligation to pay out to Transferred Employees, all unused vacation and other time and benefits accrued prior to the applicable Closing. For the avoidance of doubt, Sellers shall be responsible for all Liabilities (if any) with respect to compensation and benefits accrued prior to the applicable Closing. Sellers shall permit Buyer to concurrently send a notice to each of the Transferred Employees in a form reasonably satisfactory to Sellers describing their offer of employment by Buyer, if any, and providing contact information for any questions.

6.13 **Bulk Transfer Laws.** The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Transferred Assets shall be free and clear of any security interests in the Transferred Assets, including any Liens or claims arising out of the bulk transfer Laws, and the Parties shall take such steps as may be reasonably necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws in all applicable jurisdictions in respect of the Transactions. This Section 6.13 shall not affect any obligation of the Sellers with respect to Excluded Liabilities or Excluded Assets

6.14 **Exclusive Representations and Warranties.** Except for the representations and warranties contained in Article 4 (as modified by the Disclosure Schedules, the “Express Representations”), none of Sellers, nor any of their respective Representatives, makes or has made any other representation or warranty on behalf of Sellers. Except for the representations and warranties contained in Article 4 (as modified by the Disclosure Schedules), Sellers are selling the Acquired Assets “as is-where is” and disclaim all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Buyer or its Affiliates or Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any Representative of any Seller). The disclosure of any matter or item in any schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter would result in a Seller Material Adverse Effect.

6.15 **No Outside Reliance; Investigation by Buyer.**

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that the Express Representations (including limitations and exclusions of this Agreement) are the sole and exclusive representations, warranties and statements of any kind made to Buyer and on which Buyer may rely in connection with the transactions contemplated by this Agreement. Buyer acknowledges and agrees that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than to the extent expressly set forth in the Express Representations), including in any information presentation, the Dataroom, any projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in any information presentation, Dataroom, management meetings, etc.) (collectively, “Projections”) or in any meetings, calls or correspondence with management of the Company and its Subsidiaries or any other Person on behalf of the Company, its Subsidiaries or any of their respective Affiliates,

and (b) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of the Company or any of its Subsidiaries, or the quality, quantity or condition of the Company's or its Subsidiaries' assets, are, in each case specifically disclaimed by Sellers and that Buyer (i) has not relied on any such representations, warranties or statements and (ii) has relied on, is relying on and will rely on only the Express Representations. Buyer acknowledges and agrees that (i) the Projections are being provided solely for the convenience of Buyer to facilitate its own independent investigation of the Company and its Subsidiaries, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Buyer is familiar with such uncertainties, and (iv) Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections). Buyer acknowledges that it has conducted to its satisfaction an independent investigation and verification of the business including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of the Company and its Subsidiaries, and, in making its determination to proceed with the transactions contemplated by this Agreement, Buyer has relied solely on the results of its own independent investigation and verification, and has not relied on, is not relying on, and will not rely on, any Seller, any Subsidiary, any information presentation, any Projections or any information, statements, disclosures, documents, projections, forecasts or other material made available to Buyer or any of its Affiliates in the Dataroom or otherwise, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or the Company, its Subsidiaries or any of their respective Affiliates, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations (it being understood that Buyer has relied only on the Express Representations). Without limiting the generality of the foregoing, Buyer hereby waives, all rights and claims it or they may have against any Seller with respect to the accuracy of, any omission or concealment of, or any misstatement with respect to, (A) any potentially material information regarding the Company, its Subsidiaries or any of their respective assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations, and (B) any warranty or representation (whether in written, electronic or oral form), express or implied, as to the quality, merchantability, fitness for a particular purpose, or condition of the Company's or its Subsidiaries' business, operations, assets, Liabilities, prospects or any portion thereof, except, in each case, solely to the extent expressly set forth in the Express Representations. Nothing in this Section 6.15 shall limit any rights or remedies available to Buyer in respect of a claim for Fraud.

(b) BUYER FURTHER ACKNOWLEDGES THAT SHOULD THE CLOSING OCCUR, BUYER WILL ACQUIRE THE ACQUIRED ASSETS AND ASSUME THE ASSUMED LIABILITIES IN AN "AS IS" CONDITION AND ON A "WHERE IS" BASIS, WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED (INCLUDING ANY WITH RESPECT TO ENVIRONMENTAL, HEALTH OR SAFETY MATTERS) OTHER THAN THE EXPRESS REPRESENTATIONS.

(c) Buyer agrees that the covenants and agreements contained in this Section 6.15 (i) require performance after the Closings to the maximum extent permitted by applicable Law and will survive the Closings indefinitely, and (ii) are an integral part of the

transactions contemplated by this Agreement and that, without the agreements set forth in this Section 6.15, Sellers would not enter into this Agreement.

7.3 Conditions Precedent to Obligations of Buyer for the Second Closing. The obligation of Buyer to consummate the Transactions related to the Second Closing Lots is subject to the satisfaction (or written waiver by Buyer) at or prior to the Second Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of Sellers set forth in Article 4 related to the Second Closing Lots shall be true and correct, except where the failure of such representations or warranties to be true and correct would not reasonably be expected to have a Seller Material Adverse Effect, as of the Effective Date and at and as of the Second Closing as though made at and as of the Second Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) Performance of Obligations. Sellers shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by them after the First Closing Date but on or prior to the Second Closing Date, including all deliveries required under Section 3.1(e).

(c) Sale Order. The Bankruptcy Court shall have entered the Sale Order, and no Order staying, reversing, modifying or amending such Sale Order shall be in effect on the Second Closing Date.

(d) Officer's Certificate. Buyer shall have received a certificate, dated as of the Second Closing Date, executed by an executive officer of each Seller to the effect that the conditions specified in Section 7.3(a) and Section 7.3(b) above have been fulfilled.

(e) No Order. No court or other Governmental Entity shall have issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

7.4 **Conditions Precedent to the Obligations of Sellers for the Second Closing.** The obligation of Sellers to consummate the Transactions related to the Second Closing Lots is subject to the satisfaction (or written waiver by Sellers) at or prior to the Second Closing Date of each of the following conditions:

(a) **Accuracy of Representations and Warranties.** The representations and warranties of Buyer set forth in Article 5 shall be true and correct, except where the failure of such representations or warranties to be true and correct would not reasonably be expected to have a Buyer Material Adverse Effect, as of the Effective Date and at and as of the Second Closing as though made at and as of the Second Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) **Performance of Obligations.** Buyer shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it after the First Closing Date but on or prior to the Second Closing Date, including all deliveries required under Section 3.1(f).

(c) **Sale Order.** The Bankruptcy Court shall have entered the Sale Order, and no Order staying, reversing, modifying or amending such Sale Order shall be in effect on the Second Closing Date.

(d) **Officer's Certificate.** Sellers shall have received a certificate, dated as of the Second Closing Date, executed by an executive officer of Buyer to the effect that the conditions specified in Section 7.4(a) and Section 7.4(b) above have been fulfilled.

(e) **No Order.** No court or other Governmental Entity has issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

7.5 **Frustration of Conditions Precedent.** Neither Buyer nor Sellers may rely on the failure of any condition set forth in this Article 7, as applicable, to be satisfied if such failure was caused by such Party's failure to use, as required by this Agreement, its reasonable best efforts to consummate the Transactions.

ARTICLE 8 TERMINATION

8.1 **Termination of Agreement.** This Agreement may be terminated and the Transactions abandoned at any time prior to the applicable Closing:

(a) by written agreement of Sellers and Buyer;

(b) by either Sellers or Buyer:

(i) if there shall be any Law that makes consummation of the Transactions illegal or otherwise prohibited, or if any Order permanently restraining, prohibiting

or enjoining Buyer or Sellers from consummating the Transactions is entered and such Order shall become final, provided, however, that no termination may be made by a Party under this Section 8.1(b)(i) if the issuance of such Order was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party; or

(ii) upon Sellers consummating an Alternative Transaction.

(c) by Buyer by giving written notice to each Seller if there has been a breach by any Seller of any representation, warranty, covenant, or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Buyer at Closing set forth in Section 7.1(a) and Section 7.1(b) or Section 7.3(a) and Section 7.3(b), and such breach has not been waived by Buyer, or, if such breach is curable, cured by such Seller prior to the earlier to occur of (A) fourteen (14) days after receipt of Buyer's notice of such breach, and (B) the First Outside Date or Second Outside Date, as applicable; provided, that Buyer shall not have a right of termination pursuant to this Section 8.1(c) if Sellers could, at such time, terminate this Agreement pursuant to Section 8.1(f);

(d) by Buyer if (i) Sellers consummate an Alternative Transaction, or (ii) Buyer is neither the Successful Bidder nor the Back-Up Bidder following the Auction;

(e) by Sellers if the applicable Closing shall not have occurred on or before the First Outside Date or Second Outside Date, as applicable (or such later date as provided in Section 6.7(e) to the extent applicable) or by Buyer if the applicable Closing shall not have occurred on or before August 12, 2023 (or such later date as provided in Section 6.7(e) to the extent applicable), provided, however that no termination may be made by a Party under this Section 8.1(e) if the failure to close on or before the First Outside Date, Second Outside Date, or August 12, 2023, as applicable (or such later date as provided in Section 6.7(e) to the extent applicable) was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party;

(f) by Sellers by giving written notice to Buyer if there has been a breach by the Buyer of any representation, warranty, covenant or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Sellers at Closing set forth in Section 7.2(a) and Section 7.2(b) or Section 7.4(a) and Section 7.4(b), and such breach has not been waived by Sellers, or, if such breach is curable, cured by such Buyer prior to the earlier to occur of (A) fourteen (14) days after receipt of Sellers' notice of such breach, and (B) the applicable First Outside Date or Second Outside Date, as applicable; provided, that Sellers shall not have a right of termination pursuant to this Section 8.1(f) if Buyer could, at such time, terminate this Agreement pursuant to Section 8.1(c); or

(g) by Sellers if, notwithstanding the Sale Order, the governing body of any Seller determines, upon advice from outside legal counsel, that proceeding with the Transactions or failing to terminate this Agreement would violate its or such governing body's fiduciary obligations or applicable Law, including to pursue an Alternative Transaction. For the avoidance of doubt, Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers' business judgment, will maximize the value of their estates.

8.2 **Consequences of Termination.** In the event of any termination of this Agreement by either or both of Buyer and Sellers pursuant to Section 8.1, written Notice thereof shall be given by the terminating Party to the other Parties hereto, specifying the provision hereof pursuant to which such termination is made, this Agreement shall thereupon terminate and become void and of no further force and effect solely with respect to the First Closing Lots or Second Closing Lots, as applicable (other than Section 3.3 (*Deposit*), Section 6.3 (*Public Announcements*), this Section 8.2 (*Consequences of Termination*) and Article 9 (*Miscellaneous*) and to the extent applicable in respect of such Sections and Article, Article 1 (*Definitions*)), and the Transactions related to the First Closing Lots or Second Closing Lots, as applicable, shall be abandoned without further action or Liability of any of the Parties hereto, except that such termination shall not relieve any Party of any Liability for Fraud or breach of this Agreement prior to such termination; provided that, notwithstanding anything to the contrary herein, (i) the sole and exclusive remedies of Buyer for any breach of this Agreement by Sellers shall be, if applicable, to terminate this Agreement pursuant to Section 8.1(c), and (ii) in no event shall Sellers be liable for monetary damages in connection with this Agreement and the Transactions.

ARTICLE 9 MISCELLANEOUS

9.1 **Expenses.** Except as set forth in this Agreement and whether or not the Transactions are consummated, each Party hereto shall bear all costs and expenses incurred or to be incurred by such Party in connection with this Agreement and the consummation of the Transactions.

9.2 **Assignment.** Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Sellers without the prior written consent of Buyer, or by Buyer without the prior written consent of Sellers; provided that Buyer may, without the consent of any other Party, assign this Agreement and its rights and obligations hereunder in whole or in part to any Affiliate of Buyer; provided further, that Buyer shall remain jointly and severally liable with such Affiliates for Buyer's and such Affiliates' obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns, including any liquidating trustee, responsible Person or similar representative for Sellers or Sellers' estate appointed in connection with the Chapter 11 Cases.

9.3 **Parties in Interest.** This Agreement shall be binding upon and inure solely to the benefit of Sellers (and their estates), Buyer and their respective successors or permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein.

9.4 **Notices.** All notices, demands, requests, consents, approvals or other communications (collectively, "Notices") required or permitted to be given hereunder or that are given with respect to this Agreement shall be in writing and shall be personally served, delivered by a nationally recognized overnight delivery service with charges prepaid, or transmitted by hand delivery, or facsimile or electronic mail, addressed as set forth below, or to such other address as such Party shall have specified most recently by written Notice. Notice shall be deemed given on

the date of service or transmission if personally served or transmitted by facsimile or electronic mail with confirmation of receipt; provided that if delivered or transmitted on a day other than a Business Day or after 5:00 p.m. EDT, notice shall be deemed given on the next Business Day. Notice otherwise sent as provided herein shall be deemed given on the next Business Day following timely deposit of such Notice with an overnight delivery service:

Rejection of or refusal to accept any Notice, or the inability to deliver any Notice because of changed address of which no Notice was given, shall be deemed to be receipt of the Notice as of the date of such rejection, refusal or inability to deliver.

9.5 **Choice of Law.** Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement shall be construed and interpreted, and the rights of the Parties shall be determined, in accordance with the Laws of the State of Delaware, without giving effect to any provision thereof that would require or permit the application of the substantive laws of any other jurisdiction.

9.6 **Entire Agreement; Amendments and Waivers.** This Agreement, the Sale Order, and all Transaction Documents and all certificates and instruments delivered pursuant hereto and thereto constitute the entire agreement among the Parties pertaining to the subject matter hereof and supersede all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties. Subject to Section 2.1(a), this Agreement may be amended, supplemented or modified, and any of the terms, covenants, representations, warranties or conditions may be waived, only by a written instrument executed by Buyer and Sellers, or in the case of a waiver, by the Party waiving compliance. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided. For the avoidance of doubt, any amendment to Exhibit A that removes Designated Profit Centers and/or Designated Lots with respect to which a Seller Material Adverse Event has occurred shall not require the consent or approval of Buyer.

9.7 **Counterparts; Facsimile and Electronic Signatures.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Counterparts to this Agreement may be executed via physical or electronic signature and delivered via facsimile, electronic mail, or other means of electronic transmission. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the Party against whom enforcement is sought.

9.8 **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

9.9 **Headings.** The table of contents and the headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

9.10 **Exclusive Jurisdiction; Specific Performance.**

(a) Subject to Section 9.10(b), without limiting any Party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all Proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive Notices at such locations as indicated in Section 9.4. For the avoidance of doubt, this Section 9.10 shall not apply to any Claims that Buyer or its Affiliates may have against any third party following the applicable Closing.

(b) Notwithstanding anything herein to the contrary, in the event the Chapter 11 Cases of Sellers are closed or dismissed, the Parties hereby agree that all Claims or disputes

which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, shall be heard and determined exclusively in any federal court sitting in the Southern District of Texas or, if that court does not have subject matter jurisdiction, in any state court located in Texas (and, in each case, any appellate court thereof), and the Parties hereby consent to and submit to the jurisdiction and venue of such courts.

(c) Buyer acknowledges that Sellers would be damaged irreparably in the event that the terms of this Agreement are not performed by Buyer in accordance with its specific terms or otherwise breached or Buyer fails to consummate the Closings and that, in addition to any other remedy that Sellers may have under law or equity, Sellers shall be entitled to seek injunctive relief to prevent breaches of the terms of this Agreement and to seek to enforce specifically the terms and provisions hereof that are required to be performed by Buyer. Buyer further agrees that Sellers shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10, and irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

9.11 **WAIVER OF RIGHT TO TRIAL BY JURY.** SELLERS AND BUYER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). FOR THE AVOIDANCE OF DOUBT, THIS SECTION 9.11 SHALL NOT APPLY TO ANY CLAIMS THAT BUYER OR ITS AFFILIATES MAY HAVE AGAINST ANY THIRD PARTY FOLLOWING THE APPLICABLE CLOSING.

9.12 **Survival.** Each and every representation and warranty contained in this Agreement related to the First Closing Lots shall expire and be of no further force and effect at the First Closing. Each and every representation and warranty contained in this Agreement related to the Second Closing Lots shall expire and be of no further force and effect at the Second Closing. Each and every covenant and agreement contained in this Agreement (other than the covenants contained in this Agreement which by their terms are to be performed (in whole or in part) by the Parties following the First Closing or Second Closing, as applicable (each, a “Post-Closing Covenant”)) shall expire and be of no further force and effect as of the applicable Closing. Each Post-Closing Covenant shall survive the applicable Closing until the earlier of (a) performance of such Post-Closing Covenant in accordance with this Agreement, or (b) (i) if time for performance of such Post-Closing Covenant is specified in this Agreement, sixty (60) days following the expiration of the time period for such performance, or (ii) if time for performance of such Post-Closing Covenant is not specified in this Agreement, sixty (60) days following the expiration of the applicable statute of limitations with respect to any claim for any failure to perform such Post-Closing Covenant; provided that if a written notice of any claim with respect to any Post-Closing Covenant is given prior to the expiration thereof then such Post-Closing Covenant shall survive until, but only for purposes of, the resolution of such claim by final, non-appealable judgment or settlement.

9.13 **Non-Recourse.** No past, present or future director, manager, officer, employee, incorporator, member, partner or equity holder of Buyer or Sellers shall have any Liability for any Liabilities of Buyer or Sellers, respectively, under this Agreement or for any Claim based on, in respect of, or by reason of the Transactions. This Agreement may only be enforced against, and any Claim, action (including in the Chapter 11 Case), suit, Proceeding or investigation based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement.

9.14 **Disclosure Schedules.** Except as set forth in this Agreement, the inclusion of any information (including dollar amounts) in Disclosure Schedules shall not be deemed to be an admission or acknowledgment by any Party that such information is required to be listed on such section of the relevant schedule or is material to or outside the Ordinary Course of Business of any Person. The information contained in this Agreement, the exhibits hereto and the Disclosure Schedules is disclosed solely for purposes of this Agreement, and no information contained herein or therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever (including any violation of any Law or breach of contract). Unless the context otherwise requires, all capitalized terms used in the Disclosure Schedules shall have the respective meanings assigned in this Agreement. The Disclosure Schedules set forth items of disclosure with specific reference to the particular Section or subsection of this Agreement to which the information in the Disclosure Schedules relates; provided, however, that any information set forth in one Section of the Disclosure Schedules will be deemed to apply to each other section or subsection thereof to which its relevance is reasonably apparent on its face.

9.15 **Mutual Drafting.** This Agreement is the result of the joint efforts of Buyer and Sellers, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the Parties and there is to be no construction against any Party based on any presumption of that Party's involvement in the drafting thereof.

9.16 **Fiduciary Obligations.** Nothing in this Agreement, or any document related to the Transactions, will require Sellers or any of its governing bodies, directors, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law.

9.17 **No Right of Set-off.** Buyer and its respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment, or similar rights that Buyer or any of its successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Buyer pursuant to this Agreement, any Transaction Documents or any other document or instrument delivered by Buyer in connection herewith.

BILL OF SALE AND ASSIGNMENT AND ASSUMPTION AGREEMENT

This Bill of Sale and Assignment and Assumption Agreement (this “Agreement”) is entered into as of May [___], 2023 (the “Effective Date”) by and between Elliott Auto Supply Co., Inc., a Minnesota corporation (“Buyer”), and IEH Auto Parts Holding LLC, a Delaware limited liability company (the “Company”), and each of the Company’s Subsidiaries listed on the signature pages hereto (together with the Company, “Sellers” and each, a “Seller”). WHEREAS, Buyer and Sellers are parties to that certain Asset Purchase Agreement dated May [___], 2023 (the “Purchase Agreement”), pursuant to which Sellers agreed to sell, assign, transfer, convey and deliver to Buyer, and Buyer has agreed to purchase, acquire and accept from Sellers, all of the right, title and interest of Seller in and to all of the Acquired Assets and, in connection therewith, Buyer has agreed to assume the Assumed Liabilities.

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, do hereby agree as follows:

1. Subject to the terms, conditions and limitations set forth in the Purchase Agreement, Sellers hereby irrevocably sell, convey, transfer, assign and deliver all of Sellers’ right, title and interest in and to the Acquired Assets, free and clear of all Liens (except for the Permitted Liens) to Buyer (and/or Buyer Assignees as shown on the attached schedules hereto prepared by Buyer), and its successors and assigns, to its and their own use and benefit forever.

2. 3. Subject to the terms, conditions and limitations set forth in the Purchase Agreement, Seller hereby assigns the Assumed Liabilities to Buyer (and/or Buyer Assignees as shown on the attached schedules hereto prepared by Buyer), and Buyer (and/or Buyer Assignees as shown on the attached schedules hereto prepared by Buyer) hereby accepts such assignment and assumes and agrees to observe and perform all of the duties, obligations, terms and provisions and covenants of and to pay and discharge, as and when due, all of the Assumed Liabilities; provided that Buyer (and any Buyer Assignees) shall not assume or undertake to assume and shall have no responsibility for the Excluded Liabilities.

4. Nothing herein is intended to limit, expand or supersede in any way the terms set forth in the Purchase Agreement. Wherever the provisions in this Agreement and the Purchase Agreement conflict, the provisions of the Purchase Agreement will control.

6. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. It is the express intent of the parties to be bound by the exchange of signatures on this Agreement via telecopy or electronic email through scanned signature pages in the portable document format (“PDF”).

7. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to the conflicts of laws principles thereof.

If Sellers shall be required to pay any such fees or expenses, such fees and/or expenses shall be paid solely out of the Inventory Escrow Amount.

(iv) Determination by Independent Accountants. The Independent Accountants shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Closing Inventory Amount Statement and/or the Inventory Adjustment shall be conclusive and binding upon the parties hereto.

(d) Payments of Inventory Adjustment. The inventory adjustment shall be an amount equal to the product of (i) the sum of (A) the Closing Inventory Amount (as the Closing Inventory Amount is finally determined pursuant to this Section 3.2) minus (B) the Estimated Closing Inventory Amount multiplied by (ii) the Buyer Inventory Valuation Percentage (the “Inventory Adjustment”). If the Inventory Adjustment is a positive number, there shall be no Inventory Adjustment. If the Inventory Adjustment is a negative number (such difference, the “Shortfall Amount”), then Buyer and Seller shall, no later than two (2) Business Days after such final determination, instruct the Escrow Agent to pay to Buyer, out of the balance of the Inventory Escrow Account, an amount equal to such finally determined Shortfall Amount less any amounts distributed pursuant to Section 3.2(c)(c)(i) (and such Shortfall Amount shall be paid solely out of the balance of the Inventory Escrow Account, whether or not such Shortfall Amount is greater than the Inventory Escrow Amount). In the event that the unpaid portion of the Shortfall Amount

is less than the remaining Inventory Escrow Amount, Buyer and Seller shall, within two (2) Business Days after the final determination, instruct the Escrow Agent to distribute from the balance of the Inventory Escrow Account an amount that is equal to the Inventory Escrow Amount minus the Shortfall Amount to Seller. For the avoidance of doubt, the Inventory Escrow Amount shall provide the sole and exclusive source of funding to Buyer for any amount payable to Buyer pursuant to this Section 3.2.

3.3 **Allocation of Purchase Price.** (a) The sum of the Purchase Price and the amount of the Assumed Liabilities (to the extent properly taken into account under the Code) shall be allocated among Sellers and (b) the amount allocated to the Acquired Assets sold by each such Seller shall be further allocated among such Acquired Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (the "Allocation").

3.4 **Prorations.** The following items shall be prorated between Sellers and Buyer as of the Closing: (a) applicable real property taxes and personal property taxes (other than Transfer Taxes), (b) utilities, (c) lease payments under any Leases that are Assumed Leases, and (d) any prepaid expenses of Sellers relating to any of the Assumed Contracts or Assumed Leases. Unless otherwise stated herein, all prorations shall be on an accrual basis in accordance with GAAP, and based on the actual number of days in each month. Sellers shall be responsible for amounts relating to the period prior to the Closing Date, and Buyer shall be responsible for amounts relating from and after the Closing Date. Property Taxes on Acquired Assets will be prorated using applicable property tax rates if known, and if not known, applicable property tax rates from the last known period shall be utilized but subject to later adjustments for actual property tax rates. The net amount of all prorations owed to Buyer and Sellers under this Section 3.4 shall be referred to as the "Buyer Proration Amount" if owed to Buyer or the "Seller Proration Amount" if owed to Sellers. To the extent Seller pays any Buyer Proration Amount, Buyer shall promptly reimburse Seller for such payment following Seller's written request. To the extent Buyer pays any Seller Proration Amount, Seller shall promptly reimburse Buyer for such payment following Buyer's written request.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the Disclosure Schedules delivered by the Sellers to the Buyer on the Effective Date, the Sellers hereby represent and warrant to Buyer, as of the Effective Date, as follows:

4.1 **Organization.** Each Seller is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and has, subject to the necessary authority from the Bankruptcy Court, all requisite limited liability company or corporate power, as applicable, and authority to own and hold its assets, rights and properties and to conduct its Business as now owned, held and conducted in its jurisdiction of organization and in the other jurisdictions in which it is required to register or qualify to do business, except where the failure

to be so organized, existing or in good standing or have such power and authority would not reasonably be expected to have a Seller Material Adverse Effect.

4.2 **Authorization of Transaction.** Subject to the Bankruptcy Court's entry of the Sale Order, each Seller has full power and authority (including full limited liability company or corporate power, as applicable, and authority) to execute and deliver this Agreement and all other agreements contemplated hereby to which it is a party and to perform its obligations hereunder and thereunder. The execution, delivery, and performance of this Agreement and all other agreements contemplated hereby to which each Seller is a party have been duly authorized by such Seller. Upon due execution hereof by each Seller, this Agreement (assuming due authorization and delivery by Buyer) shall constitute, subject to the Bankruptcy Court's entry of the Sale Order, the valid and legally binding obligation of such Seller, enforceable against such Seller in accordance with its terms and conditions, subject to applicable bankruptcy, insolvency, moratorium, or other similar laws relating to creditors' rights and general principles of equity.

4.3 **Governmental Consents.** Other than as required by, or pursuant to, the Bankruptcy Code or the Sale Order, no Seller is required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Entity in order for the Parties to consummate the transactions contemplated by this Agreement or any Transaction Document, except where the failure to give notice, file or obtain such authorization, consent or approval would not, individually or in the aggregate, reasonably be expected to have a Seller Material Adverse Effect or prevent or materially impair or delay any Seller's ability to consummate the transactions contemplated hereby or perform its obligations hereunder on a timely basis.

4.4 **No Conflicts.** Except for consents set forth on Section 4.4 of the Disclosure Schedules, and assuming the Sale Order has been entered by the Bankruptcy Court and subject to requisite Bankruptcy Court approvals, the execution, delivery and performance by each Seller of any Transaction Document to which such Seller is (or will become at Closing) a party, and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, acceleration or cancellation of any right or obligation or to a loss of any benefit under any provision of any Material Contracts and Leases set forth on Section 2.5(a) of the Disclosure Schedules, or (c) result in a violation of any Law or Order applicable to it., except, in the case of clauses (b) and/or (c), as would not, individually or in the aggregate, be, or reasonably be expected to have a Seller Material Adverse Effect.

4.5 **Acquired Assets.** Upon the terms and subject to the conditions contained in this Agreement and subject to requisite Bankruptcy Court approvals and the terms of the Sale Order, at the Closing, subject to any Permitted Liens, the Sellers will have good and valid title to, or the right to use, all tangible Acquired Assets. Pursuant, and subject, to the Sale Order, Sellers shall convey such title to or rights to use, all of the tangible Acquired Assets, free and clear of all Liens (other than Permitted Liens).

4.6 **Litigation; Orders.** Except for the Chapter 11 Cases and any adversary proceedings or contested motions commenced in connection therewith, there is no Claim, Proceeding or Order pending, outstanding or, to any Sellers' Knowledge, threatened against any Seller that seeks to restrain or prohibit or otherwise challenge the consummation, legality or validity of the transactions contemplated hereby.

4.7 **Employment Matters.**

(a) To Sellers' Knowledge, no Employee is covered by, and no Seller is bound by, a collective bargaining or other labor-related agreement with any union or employee organization. No Seller is a party to, or otherwise bound by, any Order, consent decree with, or citation by, any Governmental Entity relating to employees or employment practices

(b) To Sellers' Knowledge, and except as would not reasonably be expected to have a Seller Material Adverse Effect, Sellers are in compliance in all material respects with all applicable laws and contracts relating to employment.

(c) The representations and warranties set forth in this Section 4.7 are the Sellers' sole and exclusive representations and warranties regarding employment matters.

4.8 **Compliance with Laws; Permits.** To Sellers' Knowledge, Sellers are in compliance with all Laws applicable to the Business or where the failure to be in compliance would not be reasonably expected to have a Seller Material Adverse Effect. Sellers have not received any written notice of or been charged with the violation of any Laws, except where such violation would not be reasonably expected to have a Seller Material Adverse Effect. Sellers have all Permits which are required for the operation of the Business as presently conducted, except where such failure to have Permit would not reasonably be expected to have a Seller Material Adverse Effect. Sellers are not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit to which they are parties, except where such default or violation would not be reasonably expected to have a Seller Material Adverse Effect.

4.9 **Contracts and Leases.** Section 4.9 of the Disclosure Schedules sets forth a true and complete list of all executory Contracts and unexpired Leases of each Profit Center, as of the Effective Date that, to the Knowledge of Sellers, are material to the Business (the "Material Contracts and Leases"). Sellers have delivered to Buyer true and complete copies of all such Leases in the possession of Sellers which constitute Assumed Leases.

4.10 **Real Property.** No Seller owns any Real Property.

4.11 **Intellectual Property.**

(a) Section 4.11(a) of the Disclosure Schedules sets forth a true, correct and complete list of all Intellectual Property used in connection with the operations of the Profit Centers, owned by a Seller, that is, as of the Effective Date, issued, registered, or subject to an application for registration (the "Registered IP").

(b) Sellers own, or have the right to use, all Registered IP free and clear of all Liens (other than Permitted Liens).

(c) To Sellers' Knowledge, the operation of the Business does not infringe, misappropriate or otherwise violate any Intellectual Property of any other Person except as would not, individually or in the aggregate, be, or reasonably be expected to be, a Seller Material Adverse Effect. To Sellers' Knowledge, no Person is infringing, misappropriating or otherwise violating the Registered IP or other Intellectual Property owned by Sellers.

4.12 **Brokers' Fees and Commissions.** Except as set forth on Section 4.12 of the Disclosure Schedules, no agent, broker, Person or firm acting on behalf of any Seller or under any Seller's authority is or will be entitled to any advisory, commission or broker's or finder's fee or commission from any of the parties hereto in connection with any of the Transactions.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF BUYER

Except as set forth on the Disclosures Schedules delivered by the Buyer to the Sellers, Buyer hereby represents and warrants to Sellers, as of the Effective Date, as follows:

5.1 **Organization.** Buyer is duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization and in the other jurisdictions in which it is required to register or qualify to do business.

5.2 **Due Authorization, Execution and Delivery; Enforceability.** Buyer has all requisite corporate power and authority to execute and deliver this Agreement and the other Transaction Documents to which it is (or will become at Closing) a party and to perform its obligations hereunder and thereunder. The execution, delivery and performance by Buyer of this Agreement and the other Transaction Documents to which it is (or will become at Closing) a party and the consummation of the Transactions have been duly and validly authorized by all requisite corporate action on the part of Buyer and no other corporate action on the part of Buyer is necessary to authorize this Agreement and such other Transaction Documents and to consummate the Transactions (subject, in the case of the obligation to consummate the Transactions, to the entry of the Sale Order). This Agreement and the other Transaction Documents to which Buyer is (or will become at Closing) party have been (or will be) duly and validly executed and delivered by Buyer and (assuming the due authorization, execution and delivery by all parties hereto and thereto, other than Buyer) constitute (or will constitute) valid and binding obligations of Buyer enforceable against Buyer in accordance with their terms (subject to the entry of the Sale Order), in each case except as enforceability may be limited by applicable bankruptcy, insolvency or similar Laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

5.3 **Governmental Approvals.** No notice to, consent, approval, Permit or authorization of or designation, declaration or filing with any Governmental Entity is required by Buyer with respect to Buyer's execution and delivery of any Transaction Document to which it is (or will become at Closing) a party or the consummation of the Transactions, except (a) the Sale Order having been entered by the Bankruptcy Court and (b) any consent, approval or authorization

of or designation, declaration or filing with any Governmental Entity the failure of which to be made or obtained would not, individually or in the aggregate, be reasonably expected to result in a Buyer Material Adverse Effect.

5.4 **No Conflicts.** The execution, delivery and performance by Buyer of any Transaction Document to which Buyer is (or will become at Closing) a party and the consummation of the Transactions, does not and will not (a) conflict with or result in any breach of any provision of its certificate of incorporation or bylaws or comparable governing documents, (b) conflict with or result in the breach of the terms, conditions or provisions of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give rise to any right of termination, acceleration or cancellation under, any material Contract of Buyer, or (c) result in a violation of any Law or Order applicable to it, except, in the case of clauses (b) and (c), as would not, individually or in the aggregate, result in a Buyer Material Adverse Effect.

5.5 **Brokers' Fees and Commissions.** Except as set forth on Section 5.5 of the Disclosure Schedules, no agent, broker, Person or firm acting on behalf of Buyer or under Buyer's authority is or will be entitled to any advisory, commission or broker's or finder's fee or commission from any of the parties hereto in connection with any of the Transactions.

5.6 **Sufficiency of Funds.** Buyer has as of the date hereof and will have at the Closing sufficient funds in an aggregate amount necessary to pay the Purchase Price, to pay, perform and discharge the Assumed Liabilities as they become due in accordance with their terms and to consummate all of the other transactions contemplated by this Agreement, including the payment of all fees, expenses and other amounts required to be paid by Buyer in connection with the transactions contemplated by this Agreement. Buyer is and shall be capable of satisfying the conditions contained in sections 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Assumed Contracts and the related Assumed Liabilities.

5.7 **Solvency.** Immediately after giving effect to the transactions contemplated hereby, Buyer shall be solvent and shall: (a) be able to pay its debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay its debts (including a reasonable estimate of the amount of all contingent liabilities); and (c) have adequate capital to carry on its business. No transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated hereby with the intent to hinder, delay or defraud either present or future creditors of Buyer or any Seller. In connection with the transactions contemplated hereby, Buyer has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

5.8 **Legal Proceedings.** There are no actions, suits, claims, investigations or other legal proceedings pending or, to Buyer's knowledge, threatened against or by Buyer or any Affiliate of Buyer that challenge or seek to prevent, enjoin or otherwise delay the transactions contemplated by this Agreement.

5.9 **Adequate Assurances Regarding Executory Contracts.** Buyer is and will be capable of satisfying the conditions contained in section 365 of the Bankruptcy Code with respect to the Assumed Contracts and Assumed Leases.

5.10 **Exclusive Representations and Warranties.** Except for the representations and warranties contained in this Article 5 (as modified by the Disclosure Schedules), none of Buyer, its Affiliates, nor any of their respective Representatives, makes or has made any other representation or warranty on behalf of Buyer. Except for the representations and warranties contained in this Article 5 (as modified by the Disclosure Schedules), Buyer disclaims all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Sellers or their Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Sellers by any Representative of Buyer or any of their respective Affiliates). The disclosure of any matter or item in any schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter would result in a Buyer Material Adverse Effect.

ARTICLE 6 COVENANTS OF THE PARTIES

6.1 **Conduct of Business Pending the Closing.** During the period from the date of this Agreement and continuing until the earlier of (i) the termination of this Agreement in accordance with its terms, and (ii) the Closing (such period of time, the “Interim Period”), except as may be required by Order of the Bankruptcy Court (provided that Sellers have not directly or indirectly petitioned, sought, requested or moved for such order of the Bankruptcy Court or authorized, supported or directed any other Person to petition, seek, request or move for such Order of the Bankruptcy Court) and applicable Law, Sellers shall carry on the Business in the Ordinary Course of Business, except to the extent otherwise agreed in writing by the Buyer (such consent not to be unreasonably withheld). Notwithstanding the foregoing, nothing contained in this Agreement is intended to give Buyer or its Affiliates, directly or indirectly, the right to control or direct the business of Sellers prior to the Closing.

6.2 **Access.** Subject to applicable Law, during the Interim Period, Sellers shall give Buyer and its Representatives reasonable access during normal business hours to the offices, properties, officers, employees, accountants, auditors, counsel and other representatives, data, books and records of Sellers to the extent relating to the Acquired Assets, as Buyer reasonably deems necessary in connection with effectuating the transactions contemplated by this Agreement. Buyer agrees that any on-site inspections of any of the Acquired Assets, shall be conducted in the presence of Sellers or their Representatives. All inspections shall be conducted so as not to interfere unreasonably with the use of any of the Acquired Assets by Sellers, or operation of the Business, and shall not violate any applicable Law or confidentiality obligations of any Seller. Notwithstanding the foregoing, Buyer and its Representatives shall not be entitled to any records or information pursuant to this Section 6.2, or otherwise, that is subject to legal privilege or that would or could trigger a breach or violation of any obligations under any confidentiality or privacy provision or privacy rule, to which any Seller is subject.

6.3 **Public Announcements.** Buyer and Sellers will consult with each other before issuing, and provide each other the opportunity to review and comment upon, any press release or public announcement of this Agreement and the Transactions, but neither Buyer nor Sellers shall issue any press release without the prior written approval of the other Party, in each case except as

may be required by Law, court process (including the filing of this Agreement with the Bankruptcy Court as an exhibit to the Sale Motion) or by obligations pursuant to any listing agreement with any national securities exchange, in which case the non-disclosing party will have the right to review and comment on such release, announcement or communication prior to publication. Buyer and Sellers shall cause their respective Affiliates and Representatives to comply with this Section 6.3.

6.4 **Tax Matters.**

(a) All Transfer Taxes arising out of the transfer of the Acquired Assets pursuant to this Agreement shall be borne by Buyer. Buyer shall timely prepare and file any Tax Returns relating to such Transfer Taxes, including any Claim for exemption or exclusion from the application or imposition of any Transfer Taxes. Buyer shall file all necessary documentation and returns with respect to such Transfer Taxes when due, and shall promptly, following the filing thereof, furnish a copy of such return or other filing and a copy of a receipt showing payment of any such Transfer Tax to the other Parties hereto. Buyer shall pay all such Transfer Taxes when due. Buyer shall provide Seller duly completed and signed resale certificates with respect to all Inventory included in the Acquired Assets transferred to Buyer using forms promulgated by each state where such Inventory is located at the Closing.

(b) Each of Buyer, on the one hand, and Sellers, on the other hand, shall cooperate fully, as and to the extent reasonably requested, in connection with the preparation and filing of Tax Returns and any audit, litigation or other proceeding with respect to Taxes and shall furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets and the Business as is reasonably necessary for filing of all Tax Returns, including any Claim for exemption or exclusion from the application or imposition of any Taxes, the preparation for any audit by any Tax Authority and the prosecution or defense of any Proceeding relating to any Tax Return.

6.5 **Reasonable Best Efforts.**

(a) Subject to the terms and conditions of this Agreement, each Party shall use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable under applicable Law to consummate and make effective the Transactions. Without limiting the generality of the foregoing, the Parties will use their respective reasonable best efforts to (i) take all actions necessary to transfer the Acquired Assets, (ii) take all actions necessary to cause all conditions set forth in Article 7 to be satisfied as soon as practicable, (iii) lift or rescind any existing Order preventing, prohibiting or delaying the consummation of the Transactions, (iv) effect all necessary registration, applications, notices and other filings required by applicable Law, including, as applicable to Sellers, under the Bankruptcy Code, and (v) execute and deliver any additional instruments necessary to fully carry out the purposes of this Agreement. Buyer shall not and shall cause its Affiliates and Representatives not to, take any action that would reasonably be expected to prevent or materially delay the approval of any Governmental Entity of any of the filings referred to in this Section 6.5(a). The “reasonable best efforts” of the Sellers or Buyer will not, except as expressly required hereunder, require the Sellers, Buyer or any of their respective

Affiliates or Representatives to expend any money, to remedy any breach of any representation or warranty, to commence any Claim, to waive or surrender any right, to modify any Contract or to waive or forego any right, remedy or condition hereunder.

(b) To the extent Buyer comes into the possession of any Personally Identifiable Information, Buyer shall immediately deliver such information to Sellers and destroy and/or delete all copies of such information and provide Sellers with evidence of such destruction.

6.6 **Further Assurances.** From and after the Closing, the Parties agree to, at the requesting Party's sole cost and expense, (a) furnish upon request to each other such further information, (b) execute, acknowledge and deliver to each other such other documents, and (c) do such other acts and things, all as the other Party may reasonably request for the purpose of carrying out the intent of this Agreement and the Transaction Documents; provided that nothing in this Section 6.6 or this Agreement shall prohibit any Seller from ceasing operations or winding up their affairs following the Closing.

6.7 **Bankruptcy Court Matters.**

(a) Buyer and Sellers acknowledge that this Agreement and the Transactions contemplated hereby are subject to the Sale Motion, and approval by the Bankruptcy Court and, as applicable, entry of the Sale Order. In the event of any discrepancy between this Agreement and the Sale Order, the Sale Order shall govern.

(b) Buyer and Sellers shall use their reasonable best efforts to have the Bankruptcy Court enter the Sale Order as promptly as practicable.

(c) From and after the date hereof, Sellers shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Sale Order. Buyer has not colluded in connection with its offer or negotiation of this Agreement. From and after the date hereof, Buyer shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Sale Order or consummation of the transactions contemplated hereby.

6.8 **Cure Costs.** Sellers shall sell, transfer and assign, all Assumed Contracts and Assumed Leases to Buyer, and Buyer shall purchase and assume all Assumed Contracts and Assumed Leases from Sellers, as of the Closing Date pursuant to sections 363 and 365 of the Bankruptcy Code and the Sale Order. In connection with debts incurred or the assignment and assumption of the Assumed Contracts and Assumed Leases, Buyer shall cure any monetary defaults of the debts incurred or under the Assumed Contracts and Assumed Leases by payment of any Cure Costs as determined in accordance with the Sale Order. Seller shall reimburse Buyer for Excess Cure Costs within forty-five (45) days after the Closing. Buyer shall be responsible for demonstrating and establishing adequate assurance of future performance before the Bankruptcy Court with respect to the Assumed Contracts and Assumed Leases.

6.9 **Preservation of Books and Records; Cooperation.** For a period of the later of (a) a period consistent with Buyer's records retention policy in effect from time to time, (b) the

retention period required by applicable Law, (c) the conclusion of all proceedings relating to the Chapter 11 Cases, or (d) a period of three (3) years after the Closing Date (such period, the “Record Period”), Buyer shall provide to Sellers and their respective Representatives (after reasonable notice and during normal business hours and without undue interference to the business operations of Buyer) reasonable access to, including the right to make copies of, all books and records included in and otherwise related to the Acquired Assets and shall preserve such books and records until the end of the Record Period. Such access shall include access to any information in electronic form to the extent reasonably available. Buyer acknowledges that Sellers have the right to retain originals or copies of all of books and records included in or related to the Acquired Assets for periods prior to the Closing. Without limiting the generality of the foregoing, from and after the Closing, Buyer will provide Sellers with reasonable assistance, support and cooperation with Sellers’ wind-down and related activities.

6.10 **Notification of Certain Matters.** To the extent permitted by applicable Law, Sellers and Buyer will give prompt written notice to the other Parties of (a) the existence of any fact or circumstance, or the occurrence of any event, of which it has Knowledge that would reasonably be likely to cause a condition to a Party’s obligations to consummate the Transactions set forth in Article 7 not to be satisfied as of any date, or (b) the receipt of any notice or other communication from any Governmental Entity in connection with the Transactions; provided, however, that the delivery of any such notice pursuant to this Section 6.10 shall not be deemed to amend or supplement this Agreement and the failure to deliver any such notice shall not constitute a waiver of any right or condition to the consummation of the Transactions by any Party.

6.11 **Confidentiality.**

(a) From and after the Closing, Sellers shall keep confidential all non-public information regarding the Business and the Acquired Assets, except for (i) such public disclosure as Sellers and their counsel may reasonably determine to be required under any applicable Law, regulation or Order, (ii) to the extent disclosure is necessary to assert any right or defend any claim arising under this Agreement or any other Transaction Document, and (iii) disclosure to another Seller or to the Representatives (including any prospective or actual financing sources, whether debt or equity) and Affiliates of the Sellers as long as such parties agree to be bound by confidentiality obligations no less protective than those set forth in this Section 6.11(a).

(b) The Parties hereby acknowledge and agree that the NDA is enforceable in accordance with its terms.

6.12 **Employees.** Buyer shall make reasonable best efforts to offer employment to all of the Employees as defined in Section 1.1 above, subject to the terms set forth below. At least one (1) Business Day prior to each Closing Date, Buyer shall provide Sellers a list of any Employees that Buyer would like to make an offer of employment. Each Employee who accepts such offer shall be deemed a “Transferred Employee”. Any such offer of employment will be effective as of the Closing Date and contingent upon the Closing, and a satisfactory background and drug test, and with respect to each of the Transferred Employees who is then employed by Sellers, Buyer shall make reasonable best efforts to keep such employment at the same location, and provide the Transferred Employees, in the aggregate, with compensation and benefit terms

that are consistent with Buyer's compensation and benefit terms immediately prior to the Closing. With respect to any employee benefit plan maintained by Buyer or an Affiliate of Buyer for the benefit of any Transferred Employee, effective as of the Closing, Buyer shall, or shall cause its Affiliate to, recognize all service of the Transferred Employees with Seller, except for 401(k), profit sharing, and similar benefits; provided, however, such service shall not be recognized to the extent that (x) such recognition would result in a duplication of benefits or (y) such service was not recognized under the corresponding Seller Benefit Plan. To the extent permitted by Law, Sellers shall deliver a notice, which, at the option of Buyer, may be a joint notice by Buyer and Sellers, to each of the Transferred Employees in a form reasonably satisfactory to Buyer (i) informing such Transferred Employees about the sale of the Acquired Assets to Buyer, and (ii) terminating their employment with Sellers. Buyer shall not be responsible for, and shall have no obligation to pay out to Transferred Employees, all unused vacation and other time and benefits accrued prior to the Closing. For the avoidance of doubt, Sellers shall be responsible for all Liabilities (if any) with respect to compensation and benefits accrued prior to the Closing. Sellers shall permit Buyer to concurrently send a notice to each of the Transferred Employees in a form reasonably satisfactory to Sellers describing their offer of employment by Buyer, if any, and providing contact information for any questions.

6.13 **Bulk Transfer Laws.** The Parties intend that pursuant to Section 363(f) of the Bankruptcy Code, the transfer of the Transferred Assets shall be free and clear of any security interests in the Transferred Assets, including any Liens or claims arising out of the bulk transfer Laws, and the Parties shall take such steps as may be reasonably necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives, to the fullest extent permitted by applicable Law, compliance by the Parties with the "bulk sales," "bulk transfers" or similar Laws in all applicable jurisdictions in respect of the Transactions. This Section 6.13 shall not affect any obligation of the Sellers with respect to Excluded Liabilities or Excluded Assets

6.14 **Exclusive Representations and Warranties.** Except for the representations and warranties contained in Article 4 (as modified by the Disclosure Schedules, the "Express Representations"), none of Sellers, nor any of their respective Representatives, makes or has made any other representation or warranty on behalf of Sellers. Except for the representations and warranties contained in Article 4 (as modified by the Disclosure Schedules), Sellers are selling the Acquired Assets "as is-where is" and disclaim all liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to Buyer or its Affiliates or Representatives (including any opinion, information, projection, or advice that may have been or may be provided to Buyer by any Representative of any Seller). The disclosure of any matter or item in any schedule hereto will not be deemed to constitute an acknowledgment that any such matter is required to be disclosed or is material or that such matter would result in a Seller Material Adverse Effect.

6.15 **No Outside Reliance; Investigation by Buyer.**

(a) Notwithstanding anything contained in this Agreement to the contrary, Buyer acknowledges and agrees that the Express Representations (including limitations and exclusions of this Agreement) are the sole and exclusive representations, warranties and statements

of any kind made to Buyer and on which Buyer may rely in connection with the transactions contemplated by this Agreement. Buyer acknowledges and agrees that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than to the extent expressly set forth in the Express Representations), including in any information presentation, the Dataroom, any projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in any information presentation, Dataroom, management meetings, etc.) (collectively, “Projections”) or in any meetings, calls or correspondence with management of the Company and its Subsidiaries or any other Person on behalf of the Company, its Subsidiaries or any of their respective Affiliates, and (b) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of the Company or any of its Subsidiaries, or the quality, quantity or condition of the Company’s or its Subsidiaries’ assets, are, in each case specifically disclaimed by Sellers and that Buyer (i) has not relied on any such representations, warranties or statements and (ii) has relied on, is relying on and will rely on only the Express Representations. Buyer acknowledges and agrees that (i) the Projections are being provided solely for the convenience of Buyer to facilitate its own independent investigation of the Company and its Subsidiaries, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Buyer is familiar with such uncertainties, and (iv) Buyer is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections). Buyer acknowledges that it has conducted to its satisfaction an independent investigation and verification of the business including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental compliance, employee matters, regulatory compliance, business risks and prospects of the Company and its Subsidiaries, and, in making its determination to proceed with the transactions contemplated by this Agreement, Buyer has relied solely on the results of its own independent investigation and verification, and has not relied on, is not relying on, and will not rely on, any Seller, any Subsidiary, any information presentation, any Projections or any information, statements, disclosures, documents, projections, forecasts or other material made available to Buyer or any of its Affiliates in the Dataroom or otherwise, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or the Company, its Subsidiaries or any of their respective Affiliates, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations (it being understood that Buyer has relied only on the Express Representations). Without limiting the generality of the foregoing, Buyer hereby waives, all rights and claims it or they may have against any Seller with respect to the accuracy of, any omission or concealment of, or any misstatement with respect to, (A) any potentially material information regarding the Company, its Subsidiaries or any of their respective assets (including the Acquired Assets), Liabilities (including the Assumed Liabilities) or operations, and (B) any warranty or representation (whether in written, electronic or oral form), express or implied, as to the quality, merchantability, fitness for a particular purpose, or condition of the Company’s or its Subsidiaries’ business, operations, assets, Liabilities, prospects or any portion thereof, except, in each case, solely to the extent expressly set forth in the Express Representations. Nothing in this Section 6.15 shall limit any rights or remedies available to Buyer in respect of a claim for Fraud.

(b) BUYER FURTHER ACKNOWLEDGES THAT SHOULD THE CLOSING OCCUR, BUYER WILL ACQUIRE THE ACQUIRED ASSETS AND ASSUME THE ASSUMED LIABILITIES IN AN “AS IS” CONDITION AND ON A “WHERE IS” BASIS, WITHOUT ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED (INCLUDING ANY WITH RESPECT TO ENVIRONMENTAL, HEALTH OR SAFETY MATTERS) OTHER THAN THE EXPRESS REPRESENTATIONS.

(c) Buyer agrees that the covenants and agreements contained in this Section 6.15 (i) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing indefinitely, and (ii) are an integral part of the transactions contemplated by this Agreement and that, without the agreements set forth in this Section 6.15, Sellers would not enter into this Agreement.

ARTICLE 7 CONDITIONS TO OBLIGATIONS OF THE PARTIES

7.1 **Conditions Precedent to Obligations of Buyer.** The obligation of Buyer to consummate the Transactions is subject to the satisfaction (or written waiver by Buyer) at or prior to the Closing Date of each of the following conditions:

(a) **Accuracy of Representations and Warranties.** The representations and warranties of Sellers set forth in Article 4 shall be true and correct, except where the failure of such representations or warranties to be true and correct would not reasonably be expected to have a Seller Material Adverse Effect, as of the Effective Date and at and as of the Closing as though made at and as of the Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) **Performance of Obligations.** Sellers shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by them on or prior to the Closing Date, including all deliveries required under Section 3.1(b).

(c) **Sale Order.** The Bankruptcy Court shall have entered the Sale Order, and no Order staying, reversing, modifying or amending such Sale Order shall be in effect on the Closing Date.

(d) **Officer’s Certificate.** Buyer shall have received a certificate, dated as of the Closing Date, executed by an executive officer of each Seller to the effect that the conditions specified in Section 7.1(a), and Section 7.1(b) above have been fulfilled.

(e) **No Order.** No court or other Governmental Entity shall have issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

7.2 **Conditions Precedent to the Obligations of Sellers.** The obligation of Sellers to consummate the Transactions is subject to the satisfaction (or written waiver by Sellers) at or prior to the Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. The representations and warranties of Buyer set forth in Article 5 shall be true and correct, except where the failure of such representations or warranties to be true and correct would not reasonably be expected to have a Buyer Material Adverse Effect, as of the Effective Date and at and as of the Closing as though made at and as of the Closing (in each case, except to the extent expressly made as of another date, in which case as of such date as if made at and as of such date).

(b) Performance of Obligations. Buyer shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it on or prior to the Closing Date, including all deliveries required under Section 3.1(c).

(c) Sale Order. The Bankruptcy Court shall have entered the Sale Order, and no Order staying, reversing, modifying or amending such Sale Order shall be in effect on the Closing Date.

(d) Officer's Certificate. Sellers shall have received a certificate, dated as of the Closing Date, executed by an executive officer of Buyer to the effect that the conditions specified in Section 7.2(a) and Section 7.2(b) above have been fulfilled.

(e) No Order. No court or other Governmental Entity has issued, enacted, entered, promulgated or enforced any Law or Order (that is final and non-appealable and that has not been vacated, withdrawn or overturned) restraining, enjoining or otherwise prohibiting the Transactions.

7.3 Frustration of Conditions Precedent. Neither Buyer nor Sellers may rely on the failure of any condition set forth in this Article 7, as applicable, to be satisfied if such failure was caused by such Party's failure to use, as required by this Agreement, its reasonable best efforts to consummate the Transactions.

ARTICLE 8 TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing:

- (a) by written agreement of Sellers and Buyer;
- (b) by either Sellers or Buyer:

(i) if there shall be any Law that makes consummation of the Transactions illegal or otherwise prohibited, or if any Order permanently restraining, prohibiting or enjoining Buyer or Sellers from consummating the Transactions is entered and such Order shall become final, provided, however, that no termination may be made by a Party under this Section 8.1(b)(i) if the issuance of such Order was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party; or

- (ii) upon Sellers consummating an Alternative Transaction.

(c) by Buyer by giving written notice to each Seller if there has been a breach by any Seller of any representation, warranty, covenant, or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Buyer at Closing set forth in Section 7.1(a) and Section 7.1(b), and such breach has not been waived by Buyer, or, if such breach is curable, cured by such Seller prior to the earlier to occur of (A) fourteen (14) days after receipt of Buyer's notice of such breach, and (B) the Outside Date; provided, that Buyer shall not have a right of termination pursuant to this Section 8.1(c) if Sellers could, at such time, terminate this Agreement pursuant to Section 8.1(f);

(d) by Buyer if (i) Sellers consummate an Alternative Transaction;

(e) by Sellers if the Closing shall not have occurred on or before the Outside Date or by Buyer if the Closing shall not have occurred on or before August 12, 2023, provided, however that no termination may be made by a Party under this Section 8.1(e) if the failure to close on or before the Outside Date or August 12, 2023, as applicable, was caused by the material breach of any representations, warranties, covenants or agreements contained in this Agreement by such Party;

(f) by Sellers by giving written notice to Buyer if there has been a breach by the Buyer of any representation, warranty, covenant or agreement contained in this Agreement that would prevent the satisfaction of the conditions to the obligations of Sellers at Closing set forth in Section 7.2(a) and Section 7.2(b), and such breach has not been waived by Sellers, or, if such breach is curable, cured by such Buyer prior to the earlier to occur of (A) fourteen (14) days after receipt of Sellers' notice of such breach, and (B) the Outside Date; provided, that Sellers shall not have a right of termination pursuant to this Section 8.1(f) if Buyer could, at such time, terminate this Agreement pursuant to Section 8.1(c); or

(g) by Sellers if, notwithstanding the Sale Order, the governing body of any Seller determines, upon advice from outside legal counsel, that proceeding with the Transactions or failing to terminate this Agreement would violate its or such governing body's fiduciary obligations or applicable Law, including to pursue an Alternative Transaction. For the avoidance of doubt, Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers' business judgment, will maximize the value of their estates.

8.2 Consequences of Termination. In the event of any termination of this Agreement by either or both of Buyer and Sellers pursuant to Section 8.1, written Notice thereof shall be given by the terminating Party to the other Parties hereto, specifying the provision hereof pursuant to which such termination is made, this Agreement shall thereupon terminate and become void and of no further force and effect (other than Section 6.3 (Public Announcements), this Section 8.2 (Consequences of Termination) and Article 9 (Miscellaneous) and to the extent applicable in respect of such Sections and Article, Article 1 (Definitions)), and the Transactions shall be abandoned without further action or Liability of any of the Parties hereto, except that such termination shall not relieve any Party of any Liability for Fraud or breach of this Agreement prior to such termination; provided that, notwithstanding anything to the contrary herein, (i) the sole and exclusive remedies of Buyer for any breach of this Agreement by Sellers shall be, if applicable, to

terminate this Agreement pursuant to Section 8.1(c), and (ii) in no event shall Sellers be liable for monetary damages in connection with this Agreement and the Transactions.

ARTICLE 9 MISCELLANEOUS

9.1 **Expenses.** Except as set forth in this Agreement and whether or not the Transactions are consummated, each Party hereto shall bear all costs and expenses incurred or to be incurred by such Party in connection with this Agreement and the consummation of the Transactions.

9.2 **Assignment.** Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Sellers without the prior written consent of Buyer, or by Buyer without the prior written consent of Sellers; provided that Buyer may, without the consent of any other Party, assign this Agreement and its rights and obligations hereunder in whole or in part to any Affiliate of Buyer; provided further, that Buyer shall remain jointly and severally liable with such Affiliates for Buyer's and such Affiliates' obligations hereunder. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns, including any liquidating trustee, responsible Person or similar representative for Sellers or Sellers' estate appointed in connection with the Chapter 11 Cases.

9.3 **Parties in Interest.** This Agreement shall be binding upon and inure solely to the benefit of Sellers (and their estates), Buyer and their respective successors or permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein.

9.4 **Notices.** All notices, demands, requests, consents, approvals or other communications (collectively, "Notices") required or permitted to be given hereunder or that are given with respect to this Agreement shall be in writing and shall be personally served, delivered by a nationally recognized overnight delivery service with charges prepaid, or transmitted by hand delivery, or facsimile or electronic mail, addressed as set forth below, or to such other address as such Party shall have specified most recently by written Notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by facsimile or electronic mail with confirmation of receipt; provided that if delivered or transmitted on a day other than a Business Day or after 5:00 p.m. EDT, notice shall be deemed given on the next Business Day. Notice otherwise sent as provided herein shall be deemed given on the next Business Day following timely deposit of such Notice with an overnight delivery service:

Rejection of or refusal to accept any Notice, or the inability to deliver any Notice because of changed address of which no Notice was given, shall be deemed to be receipt of the Notice as of the date of such rejection, refusal or inability to deliver.

9.5 **Choice of Law.** Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement shall be construed and interpreted, and the rights of the Parties shall be determined, in accordance with the Laws of the State of Delaware, without giving effect to any provision thereof that would require or permit the application of the substantive laws of any other jurisdiction.

9.6 **Entire Agreement; Amendments and Waivers.** This Agreement, the Sale Order, and all Transaction Documents and all certificates and instruments delivered pursuant hereto and thereto constitute the entire agreement among the Parties pertaining to the subject matter hereof and supersede all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties. Subject to Section 2.1(a), this Agreement may be amended, supplemented or modified, and any of the terms, covenants, representations, warranties or conditions may be waived, only by a written instrument executed by Buyer and Sellers, or in the case of a waiver, by the Party waiving compliance. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided. For the avoidance of doubt, any amendment to Exhibit A that removes Designated Profit Centers with respect to which a Seller Material Adverse Event has occurred shall not require the consent or approval of Buyer.

9.7 **Counterparts; Facsimile and Electronic Signatures.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Counterparts to this Agreement may be executed via physical or electronic signature and delivered via facsimile, electronic mail, or other means of electronic transmission. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the Party against whom enforcement is sought.

9.8 **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by a court or other tribunal of competent jurisdiction to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

9.9 **Headings.** The table of contents and the headings of the Articles and Sections herein are inserted for convenience of reference only and are not intended to be a part of, or to affect the meaning or interpretation of, this Agreement.

9.10 **Exclusive Jurisdiction; Specific Performance.**

(a) Subject to Section 9.10(b), without limiting any Party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all Proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive Notices at such locations as indicated in Section 9.4. For the avoidance of doubt, this Section 9.10 shall not apply to any Claims that Buyer or its Affiliates may have against any third party following the Closing.

(b) Notwithstanding anything herein to the contrary, in the event the Chapter 11 Cases of Sellers are closed or dismissed, the Parties hereby agree that all Claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, shall be heard and determined exclusively in any federal court sitting in the Southern District of Texas or, if that court does not have subject matter jurisdiction, in any state court located in Texas (and, in each case, any appellate court thereof), and the Parties hereby consent to and submit to the jurisdiction and venue of such courts.

(c) Buyer acknowledges that Sellers would be damaged irreparably in the event that the terms of this Agreement are not performed by Buyer in accordance with its specific terms or otherwise breached or Buyer fails to consummate the Closing and that, in addition to any other remedy that Sellers may have under law or equity, Sellers shall be entitled to seek injunctive relief to prevent breaches of the terms of this Agreement and to seek to enforce specifically the terms and provisions hereof that are required to be performed by Buyer. Buyer further agrees that Sellers shall not be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10, and irrevocably waives

any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

9.11 **WAIVER OF RIGHT TO TRIAL BY JURY.** SELLERS AND BUYER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). FOR THE AVOIDANCE OF DOUBT, THIS SECTION 9.11 SHALL NOT APPLY TO ANY CLAIMS THAT BUYER OR ITS AFFILIATES MAY HAVE AGAINST ANY THIRD PARTY FOLLOWING THE CLOSING.

9.12 **Survival.** Each and every representation and warranty contained in this Agreement shall expire and be of no further force and effect at the Closing. Each and every covenant and agreement contained in this Agreement (other than the covenants contained in this Agreement which by their terms are to be performed (in whole or in part) by the Parties following the Closing (each, a “Post-Closing Covenant”)) shall expire and be of no further force and effect as of the Closing. Each Post-Closing Covenant shall survive the Closing until the earlier of (a) performance of such Post-Closing Covenant in accordance with this Agreement, or (b) (i) if time for performance of such Post-Closing Covenant is specified in this Agreement, sixty (60) days following the expiration of the time period for such performance, or (ii) if time for performance of such Post-Closing Covenant is not specified in this Agreement, sixty (60) days following the expiration of the applicable statute of limitations with respect to any claim for any failure to perform such Post-Closing Covenant; provided that if a written notice of any claim with respect to any Post-Closing Covenant is given prior to the expiration thereof then such Post-Closing Covenant shall survive until, but only for purposes of, the resolution of such claim by final, non-appellable judgment or settlement.

9.13 **Non-Recourse.** No past, present or future director, manager, officer, employee, incorporator, member, partner or equity holder of Buyer or Sellers shall have any Liability for any Liabilities of Buyer or Sellers, respectively, under this Agreement or for any Claim based on, in respect of, or by reason of the Transactions. This Agreement may only be enforced against, and any Claim, action (including in the Chapter 11 Case), suit, Proceeding or investigation based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement.

9.14 **Disclosure Schedules.** Except as set forth in this Agreement, the inclusion of any information (including dollar amounts) in Disclosure Schedules shall not be deemed to be an admission or acknowledgment by any Party that such information is required to be listed on such section of the relevant schedule or is material to or outside the Ordinary Course of Business of any Person. The information contained in this Agreement, the exhibits hereto and the Disclosure Schedules is disclosed solely for purposes of this Agreement, and no information contained herein or therein shall be deemed to be an admission by any Party to any third party of any matter whatsoever (including any violation of any Law or breach of contract). Unless the context otherwise requires, all capitalized terms used in the Disclosure Schedules shall have the respective meanings assigned in this Agreement. The Disclosure Schedules set forth items of disclosure with

specific reference to the particular Section or subsection of this Agreement to which the information in the Disclosure Schedules relates; provided, however, that any information set forth in one Section of the Disclosure Schedules will be deemed to apply to each other section or subsection thereof to which its relevance is reasonably apparent on its face.

9.15 **Mutual Drafting**. This Agreement is the result of the joint efforts of Buyer and Sellers, and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the Parties and there is to be no construction against any Party based on any presumption of that Party's involvement in the drafting thereof.

9.16 **Fiduciary Obligations**. Nothing in this Agreement, or any document related to the Transactions, will require Sellers or any of its governing bodies, directors, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law.

9.17 **No Right of Set-off**. Buyer and its respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment, or similar rights that Buyer or any of its successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Buyer pursuant to this Agreement, any Transaction Documents or any other document or instrument delivered by Buyer in connection herewith.

4. Nothing herein is intended to limit, expand or supersede in any way the terms set forth in the Purchase Agreement. Wherever the provisions in this Agreement and the Purchase Agreement conflict, the provisions of the Purchase Agreement will control.

5. This Agreement shall be binding upon and enforceable against the parties hereto and their successors and permitted assigns.

Re: IEH Auto Parts Holding LLC/ Elliott Auto Supply Co., Inc.; Inventory Dispute Resolution Procedures

Dear Mr. Flom:

As you know, Jackson Walker represents the Plan Agent¹ for IEH Auto Parts Holding LLC (“Auto Plus”) in connection with the sale of certain assets to Elliott Auto Supply Co., Inc. (“FMP”) pursuant to the parties’ Asset Purchase Agreement dated as of June 2, 2023, Asset Purchase Agreement dated as of June 29, 2023, and subsequent amendments (“APA”). Please direct all future communications regarding this matter to me.

In an effort to resolve the parties’ closing inventory amount dispute, the parties have been working towards preparing dispute resolution procedures for the agreed-upon independent accountant, Kevin Bandoian (the “Procedures”). We are in receipt of FMP’s latest draft of the Procedures, dated January 29, 2024, in which FMP struck out the following language:

Within 20 Business Days after Submission #2, the Independent Accountant shall issue a reasoned and binding written decision that includes a ruling on whether the methods used by each Party to calculate the Closing Inventory Amount complied with the Inventory Methodology and a ruling on all Disputed Amounts, including a determination of any adjustments required to be made to the Inventory Adjustment in accordance with the Purchase Agreement and the proper application of the Inventory Methodology (“Inventory Methodology Decision”).

Based on our telephone call on February 14, 2024, it appears that the parties are at an impasse regarding the scope of Mr. Bandoian’s duties under the APA.

¹ Patrick J. Bartels Jr. of Redan Advisors LLC is the plan agent under the Third Amended Combined Disclosure Statement and Joint Plan of Liquidation of IEH Auto Parts Holding LLC and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code.

February 21, 2024

Page 2

It is our position that pursuant to Section 3.2(c) of the APA, Mr. Bandoian must make a determination with respect to the “Disputed Amounts” of the parties’ respective closing inventory amounts, including any “adjustments to the Closing Inventory Amount Statement.” The APA further provides that the parties’ “Closing Inventory Amounts” and FMP’s “Closing Inventory Amount Statement” be prepared “in accordance with the Inventory Methodology.” *E.g.*, APA § 3.2(b)(ii) (“Each Closing Inventory Amount Statement (and the individual elements thereof, as applicable) shall be determined in accordance with the Inventory Methodology.”); APA § 1.1 (“Closing Inventory Amount” means the dollar value of Inventory determined in accordance with the Inventory Methodology as 12:00.01 A.M. Eastern Time on the applicable Closing Date.”). Inventory Methodology is defined as Auto Plus’s “past procedures and practices” and “commercially reasonable procedures sufficient to produce a proper count of such Inventory, in all such cases as reflected in the Seller Inventory File.”

Thus, as part of determining the “Disputed Amounts” and any adjustments to FMP’s “Closing Inventory Amount Statement”, Mr. Bandoian must necessarily determine whether the parties followed the “Inventory Methodology” in calculating their closing inventory amounts under Section 3.2 of the APA. Preparation of the Closing Inventory Amount in accordance with Auto Plus’s “past procedures and practices” and the “Seller Inventory File” is required under the APA.

Please confirm that FMP agrees that Mr. Bandoian’s duties under Section 3.2 of the APA include a determination as to whether the parties followed the “Inventory Methodology.” If FMP disagrees that Mr. Bandoian must determine whether the parties followed the “Inventory Methodology” in reaching a decision on the “Disputed Amounts”—which is a threshold legal issue concerning the proper interpretation of the APA—Auto Plus will have no choice but to seek judicial resolution of this dispute.

We look forward to receiving your response within **five business days** from the date of this letter. If Auto Plus does not hear from FMP within five business days, Auto Plus will consider this an impasse and seek judicial resolution of this dispute.

Sincerely,

Christopher R. Bankler

Re: IEH Auto Parts Holding LLC/Elliott Auto Supply Co., Inc., dba Factory Motor Parts ("FMP"); Inventory Dispute Resolution Process

Dear Mr. Bankler:

This responds to the February 21, 2024 letter you sent to me on behalf of your client, the Plan Agent for IEH Auto Parts Holding LLC ("Auto Plus").

In your letter, Auto Plus clings to the position that "Mr. Bandoian's duties under Section 3.2 of the APA include a determination as to whether the parties followed the 'Inventory Methodology'." Neither Section 3.2 nor any other provision of the APA say any such thing. As FMP has repeatedly pointed out, Section 3.2(b)(ii) governs Kevin Bandoian's role, and expressly states that the Independent Accountant "shall only decide the specific items under dispute by the parties and [his] decision for each Disputed Amount must be within the range of values assigned to each item in the applicable Closing Inventory Amount Statement and Statement of Objections, respectively."

As we made clear during our telephone conference of February 14, 2024, FMP fully expects that Auto Plus will be arguing its position on "Inventory Methodology" in its submissions to Mr. Bandoian. FMP will be doing the same. "Inventory Methodology" is one of dozens of defined terms in the APA¹. Indeed, your letter references other APA defined terms that will be relevant to Mr. Bandoian's analysis, including "Seller Inventory File," "Closing Inventory Amount," and "Closing Inventory Amount Statement." Additional APA defined terms are also referenced in Section 3.2 and are relevant to the dispute, including "Statement of Objections" and "Initial Shortfall Amount." Do Mr. Bandoian's duties include separate determinations as to whether the parties followed the requirements of each of these APA defined terms, and any others that may be relevant? I think we can agree the answer is no.

FMP has proposed a standard process of initial submissions, rebuttal submissions, and reply submissions, with Mr. Bandoian's role defined simply by the express terms of the APA. FMP is understandably disappointed and frustrated that it is going on three months since Mr. Bandoian's retention without agreement on basic procedure. FMP is not swayed by Auto Plus' threat to seek judicial resolution, and we instead recommend an alternative course. We have agreed on retaining Mr. Bandoian as a qualified, experienced and reputable Independent Accountant -- if we cannot reach agreement, FMP proposes submitting the procedure dispute to

¹ For the record, we note that the description in your letter of what "Inventory Methodology" requires is incomplete.

Mr. Bandoian for his guidance. FMP reserves all of its rights and remedies, including the right to seek Mr. Bandoian's guidance.

INSTRUCTIONS

The filing of a bankruptcy case creates an “estate” under the jurisdiction of the bankruptcy court which consists of all of the property of the debtor, wherever that property is located. Because the bankruptcy estate is so extensive and the jurisdiction of the court so broad, there may be lawsuits over the property or property rights of the estate. There also may be lawsuits concerning the debtor’s discharge. If such a lawsuit is filed in a bankruptcy court, it is called an adversary proceeding.

A party filing an adversary proceeding must also must complete and file Form 1040, the Adversary Proceeding Cover Sheet, unless the party files the adversary proceeding electronically through the court’s Case Management/Electronic Case Filing system (CM/ECF). (CM/ECF captures the information on Form 1040 as part of the filing process.) When completed, the cover sheet summarizes basic information on the adversary proceeding. The clerk of court needs the information to process the adversary proceeding and prepare required statistical reports on court activity.

The cover sheet and the information contained on it do not replace or supplement the filing and service of pleadings or other papers as required by law, the Bankruptcy Rules, or the local rules of court. The cover sheet, which is largely self-explanatory, must be completed by the plaintiff’s attorney (or by the plaintiff if the plaintiff is not represented by an attorney). A separate cover sheet must be submitted to the clerk for each complaint filed.

Plaintiffs and Defendants. Give the names of the plaintiffs and defendants exactly as they appear on the complaint.

Attorneys. Give the names and addresses of the attorneys, if known.

Party. Check the most appropriate box in the first column for the plaintiffs and the second column for the defendants.
