7. Pursuant to Sections 10.6 and 23.1 of the Lease, the Debtor is required to operate and return the Aircraft free of liens, tax charges and other Security Interests.

8. Pursuant to Sections 10, 11, 12 and 23 of the Lease, for the Debtor's obligations to maintain, keep and repair the Aircraft in accordance with the terms thereof, including obligations with respect to, and limitations upon, subleasing, the requirement to maintain the Aircraft in airworthy condition and in compliance with the Maintenance Programme, and the requirement to maintain and return proper and complete Aircraft Documentation.

9. Pursuant to Section 12.5 of the Lease, the Debtor is required to replace any Part removed from the Aircraft in accordance with the terms and provisions of such Section 12.5.

10. Pursuant to Section 16 of the Lease, the Debtor is responsible for, and is required to keep the Claimant harmless, for any and all costs associated or incurred in connection with the operation of the Aircraft.

11. The Debtor is required to return the Aircraft to the Claimant in accordance with the redelivery terms set forth therein in Section 23 (the "Return Conditions") and pay end of lease adjustments.

12. Pursuant to Section 15 of the Lease, any contingent and/or unliquidated claims now or hereafter arising with respect to applicable tax indemnities, which payments are required to gross-up to protect against the impact of taxes upon such indemnified amounts pursuant to Section 15 of the Lease.

13. Pursuant to Section 26.5 of the Lease, the Debtor is responsible for all re-lease or sale costs (including marketing costs and commissions) and all costs associated with repossessing, maintaining, preserving, insuring, repairing and storing the Aircraft pending the re-lease or sale of the Aircraft. Given the current economic dislocations caused by the COVID-19 pandemic, especially with respect to the airline industry and the markets in which the Debtor operates, the Claimant estimates that this remarketing period may take up to two years to re-lease or sell the Aircraft, during which time the Claimant is entitled to make a claim for all such preservation, maintenance and repair costs and/or to offset from the future income all such amounts.

C. Pursuant to that certain *Order Authorizing Debtors to (I) Reject Certain Aircraft Leases and (II) Abandon Certain Aircraft*, entered by the Bankruptcy Court on June 11, 2020 [Docket No. 277] (the "Rejection Order"), the Lease and the other Operative Documents were rejected by Avianca (the "Rejection"). Pursuant to the indemnification provisions of the Lease, the Debtor is liable to the Claimant for any costs incurred by the Claimant in effecting the return of the Aircraft. The Debtor also is obligated regarding certain additional matters, including, without limitation, the manner in which the Debtor returned the Aircraft and the documents and records related thereto, which obligations are required to be in accordance with the terms of the Lease. The Claimant expressly reserves any and all rights to assert that the Debtor is liable to the Claimant for any failure to comply with the Rejection Order and the Lease.

D. Due to the Rejection, Debtor is obligated to pay damages (including, as applicable, the claims and obligations set forth in this Paragraph 3 and as set forth in Schedule 1 hereto) and additional amounts upon the exercise of the Claimant's rights and remedies under the Lease, in accordance with the terms thereof, which damages, as applicable, are calculated as of the Petition Date in accordance with section 365(g)(1) of the Bankruptcy Code.

E. Due to the Rejection, the Claimant is entitled to and hereby is claiming claims and obligations set forth in this Paragraph 3 and as set forth in Schedule 1 hereto. Many of the damages from obligations provided under the Lease, including the rejection damages caused by the Rejection and the Debtors' failure to return the Aircraft in accordance with the Return Conditions and other requirements under the Lease, are currently unliquidated and/or are contingent and the Claimant reserves the rights to amend this Claim to set forth additional amounts as they become fixed and/or liquidated.

F. The Rejection Order approved the rejection of the Lease for the Aircraft effective on May 10, 2020 (the "Lease Effective Rejection Date"). The Rejection Order expressly provides that the automatic stay under Bankruptcy Code Section 362 "is hereby modified to allow the Debtors and the applicable lessors and lenders to effectuate the provisions of this Order and to transfer, move or dispose of the abandoned property and property subject to rejected leases." *See* Rejection Order, Decretal Paragraph 8. Among the rights and remedies provided for under the Lease is the right to apply the Security Deposit (as defined in the Lease) under the Lease against the outstanding obligations thereunder. *See* Lease, at Section 26.3.2(ix). The Claimant hereby asserts its rights, to the full extent permitted under the Rejection Order and as permitted under applicable law, including, without limitation, Sections 365 and 554 of the Bankruptcy Code, including, without limitation, matters relating property subject to the rejected Lease, *see* Rejection Order, Decretal Paragraph 8, which rights under the Transaction Documents includes this Claim regarding the application of the Security Deposit. Based upon the foregoing, Claimant intends to, and shall, so apply the Security Deposit as contemplated in such Section 26.3.2(ix) of the Lease and reflects such application herein and in the delineation of the amounts being claimed hereunder as set forth in Schedule 1 hereto relating to the rejection damages and other amounts that remain owing under the Lease. The portion of the Claimant's claim described hereunder that is satisfied by such Security Deposit is a secured claim.

G. The Claimant is also entitled to assert, and hereby does assert, claims for its out of pocket expenses and other indemnification costs due from the Debtor. The Claimant hereby requests that the Debtor make its payment on this Claim as of the effective date under any chapter 11 plan or upon such other date that claims receives distributions from this (or successor) estate (or, if later, upon the date that this Claim becomes allowed).

H. Claimant reserves any and all rights to adjust any amount claimed herein depending on whether the Debtor, to the extent applicable, enters into another agreement that affects any amount claimed herein, including, without limitation, to assert additional claims given the facts and circumstances that may exist at any time hereafter.

I. Claimant expressly reserves all of its rights to assert rights to adequate protection. The total amount of such adequate protection claims, if any, cannot reasonably be calculated or estimated at this time, but Claimant does not waive its rights thereto for any additional amounts by not stating a specific amount at this time.

J. The Claimant expressly reserves any and all rights to assert that Debtor is liable to Claimant for further amounts for any failure to comply with any applicable agreements between the parties, including under the Lease.

K. The Aircraft may be subject to the Convention on International Interests in Mobile Equipment (the "Convention") and the Protocol to the Convention on International Interests in Mobile Equipment on Matters Specific to Aircraft Equipment (the "Protocol", and, along with the Convention, the "Cape Town Treaty"). The Claimant hereby asserts to the full extent applicable all rights held for their benefit under the Cape Town Treaty, including all requirements for the Debtors to comply with all maintenance and return and other terms of the Lease and other Transaction Documents through the date that the Aircraft is returned to the Claimant. To the full extent required by the Cape Town Treaty, all such obligations against the Debtor are entitled to administrative priority treatment and/or specific performance and the Claimant hereby asserts and fully preserves all their rights and protections provided under the Cape Town Treaty.

L. Nothing herein shall prejudice any rights that the Claimant may have against any other person or entity, including, without limitation, any of the other debtors, any of their officers or directors and/or any guarantor, pursuant to the terms of the Transaction Documents or any applicable law.

M. Some or all of the amounts listed on the Schedule 1 hereto may be entitled to administrative expense priority or other priority status. To the extent not otherwise addressed in the Rejection Order, the Claimant reserves the right to assert claims for administrative expense priority for such amounts, postpetition rent and other postpetition obligations.

N. The Claimant is also the assignee of the Debtor's interest in various insurance policies. If and to the extent of the assigned insurance policies, the Claimant hereby asserts a secured claim entitled to any such collateral. Accordingly, if there are any claims covered by such assigned insurance policies, the value of the portion of the Claimant's claims covered by such assigned insurance policies is a secured claim.

O. The Claimant is the assignee of the Debtor's interest in airframe warranties and engine warranties from the manufacturers of the engines and airframe that comprise the Aircraft. If and to the extent of the assigned airframe warranties and engine warranties, the Claimant hereby asserts a secured claim entitled to any such collateral. Accordingly, if there are any claims covered by such assigned airframe warranties and engine warranties, the value of the portion of the Claimant's claims covered by such warranties is a secured claim.

P. Debtor is liable to the Claimant for any obligations arising under the Transaction Documents, including, but not limited to, the obligations described in Paragraphs 2 and 3 hereof. The amount of Debtor's obligations to the Claimant described above are summarized on Schedule 1 hereto. The total amount of such Claim (including, but not limited, to Reimbursable Expenses) cannot reasonably be calculated or estimated at this time, but the Claimant does not waive its rights thereto for any additional amounts by not stating a specific amount at this time.

4. No judgment has been rendered upon the Claim or any part thereof.

5. The amount of all payments set forth in this Claim has been credited and deducted for the purpose of making this Proof of Claim.

6. Except as described in Section 3 and/or in Schedule 1 hereto, to the knowledge of the undersigned, the Claim is not subject to any valid right of setoff or counterclaim by Debtor.

7. Except as set forth herein, this Proof of Claim is being filed as an unsecured claim.

8. To the extent not otherwise addressed in the Rejection Order, the Claimant reserves the right to claim that all or any part of the obligations of Debtor to the Claimant incurred after the Petition Date are administrative expenses entitled to a first priority under Sections 507(a)(1) and 503(b) of the Bankruptcy Code, including, but not limited to, costs and expenses (including attorneys' fees and disbursements) incurred by the Claimant and rent and other amounts accruing after the Petition Date under the Transaction Documents, and/or post-petition damages for failure to perform any obligations on its part to be performed under any of the Transaction Documents. Without limiting the generality of the foregoing, nothing contained herein shall be deemed to be or construed as a waiver of any administrative expense claim or right to specific performance that the Claimant has or may have against Debtor or any claims or obligations of any type that the Claimant has or may have against any other person or entity.

9. In accordance with Decretal Paragraphs 4(e) and (j) of the *Order (I) Establishing Bar Dates for Filing Proofs of Claim, (II) Approving Proof of Claim Form, Bar Date Notices, and Mailing and Publication Procedures, (III) Implementing Uniform Procedures Regarding 503(b)(9) Claims, and (IV) Providing Certain Supplemental Relief* [Docket No. 1180] (the "Bar Date Order"), because the supporting agreements and other documentation are in excess of one-hundred pages) (indeed, the Lease by itself is well over one-hundred pages), the Claimant has provided the summary of the documents and agreements upon which this Claim is based. Due to the voluminous nature of the Transaction Documents and confidentiality restrictions set forth in such Transaction Documents, the Claimant has provided the foregoing summary of certain provisions of several of the Transaction Documents and other documents. Upon appropriate request from a party in interest (in the case of parties other than the Debtor, subject to complying with or otherwise addressing any applicable confidentiality restrictions in a manner acceptable to the Claimant and Debtor), the Transaction Documents and other documents

will be furnished by the Claimant (whether by an amendment to this Proof of Claim or otherwise) in accordance with the terms of the Bar Date Order.

10. The Claimant does not waive any setoff rights, any right to any security that might be held by it or for its benefit, or any right to claim specific assets, or any other right or rights of action that the Claimant has or may have against Debtor or any other persons or entities, and the Claimant expressly reserves all such rights. The Claimant also reserves the right to amend or supplement this Proof of Claim at any time and for any reason, including, but not limited to, (a) to increase or amend the Claim, because of new information or otherwise, (b) to amend the specification of precise amounts claimed to be due in lieu of sums that are contingent, unliquidated or undetermined as of the date hereof, (c) to amend this Proof of Claim in respect of a claim or claims for damages for any amount due or to become due under the Transaction Documents or other agreements related thereto, including, but not limited to, sums due as indemnification for taxes and continuing costs and expenses (including legal fees and disbursements) arising in relation to the Transaction Documents or any such agreement, and (d) to add or amend documents and other information on, and to describe further, any security interests and liens of the Claimant. The filing of this Proof of Claim is not: (x) a waiver or release of the Claimant's rights against any person, entity or property, (y) an election of remedy or (z) a waiver of any past, present or future default or event of default. In filing the Proof of Claim, the Claimant does not submit itself to the jurisdiction of this Bankruptcy Court for any purpose other than with respect to the claims asserted herein. The Claimant does not waive (1) its right to have final orders in non-core matters entered only after de novo review by a United States District Judge, (2) its right to trial by jury in any proceeding so triable in these cases or any case, controversy, or proceeding related to these cases, (3) its right to request the United States District Court to withdraw the reference or to abstain in any matter subject to mandatory or discretionary withdrawal or abstention, or (4) any other rights, claims, actions, defenses, setoffs, or recoupments to which it is or may be entitled under agreements, in law, in equity, or otherwise, all of which rights, claims, actions, defenses, setoffs, and recoupments are expressly reserved.

11. The Claimant requests that all notices, pleadings, and other communications of any kind regarding the Claim or this Proof of Claim be given to and served upon (a) the Claimant, c/o AerCap, 10250 Constellation Blvd., Suite 1500, Los Angeles, CA 90067, Attn: Timothy Gloege, Vice President Legal Leasing; Tel.: +1 310 557-4925; E-Mail: tgloege@aercap.com; and (b) counsel for Claimant, at (i) Vedder Price P.C., 1633 Broadway, 31<sup>st</sup> Floor, New York, New York 10019, Attn: Michael Edelman, Esq. & Jeremiah Vandermark, Tel.: (212) 407-7700, Fax: (212) 407-7799, E-Mail: MJEdelman@VedderPrice.com & JVandermark@VedderPrice.com and (ii) Vedder Price P.C., 222 North LaSalle Street, Chicago, Illinois 60601, Attn: William Thorsness; Tel.: (312) 609-7500, E-Mail: WThorsness@VedderPrice.com.
