22 **SUPPLEMENTAL DECLARATION OF ISAAC LEE**

23 1. I, Isaac Lee, submit this supplemental declaration (the "Supplemental
24 Declaration") in further support of the *Debtor's Application to Employ Ankura*
25 *Consulting Group, LLC to (I) Provide the Debtor with a Chief Restructuring Officer*
26 *and Certain Other Personnel; and (II) Designating Isaac Lee as Chief Restructuring*
27 *Officer for the Debtor* (the "Application") [Docket No. 87]. This Supplemental
28

1 Declaration supplements my prior declaration in support of the Application (the
2 “Original Declaration”)¹ [Docket No. 87] by, among other things, including a further
3 exhibit and schedules in support of the Application.

4 2. I am an individual over the age of majority and am competent to testify
5 as to the facts set forth in this declaration. If called upon to testify, I could and would
6 testify to the facts set forth herein. I am authorized by the Debtor to submit this
7 declaration.

8 3. As provided in the Original Declaration, Ankura is well-qualified to
9 serve the Debtor as provided in the Application. A copy of Ankura’s “firm resume”
10 is attached hereto as Exhibit A. As provided in the Engagement Agreement,
11 Ankura’s services are expected to include, but are not limited to:

- 12 a. Providing Isaac Lee to serve as Chief Restructuring Officer;
- 13 b. Providing additional resources as required and approved by the Debtor;
- 14 c. Advising and assisting the Debtor in connection with the Debtor’s
- 15 identification, evaluation, development and implementation of financial
- 16 and operational performance improvement and restructuring strategies;
- 17 d. Advising and assisting the Debtor in the Debtor’s efforts to monitor,
- 18 measure and track the results of its performance improvement and
- 19 restructuring implementation;
- 20 e. Advising and assisting the Debtor in the Debtor’s continued efforts to
- 21 develop a short-term and long-term financial projection model and
- 22 liquidity forecast;
- 23 f. Advising and assisting the Debtor in connection with the Debtor’s
- 24 communications and negotiations including, but not limited to,
- 25
- 26

How Our Services Add Value

DUE DILIGENCE

Throughout any restructuring process, a high level of information must be reviewed, evaluated and assessed. Having worked with companies who are confronted with a wide array of financial, operational and legal challenges, our restructuring professionals are uniquely positioned to **identify pitfalls that impact the enterprise**. Ankura's extensive experience can provide our clients a **comprehensive and detailed review of the company's information both at a strategic and granular level**.

BUSINESS PLAN

A long-term business plan is an essential component of the restructuring process as various alternatives and strategies are explored. With varying interests from stakeholders, **assessing and evaluating the company's business plan is invaluable** during the negotiation process. Ankura's restructuring professionals assist our clients in determining the validity of any proposed business plan utilized to **facilitate building consensus** among all parties.

STRATEGIC PLANNING

Restructuring strategies presented by the Company or any of its constituency can vary greatly and impact recoveries to secured stakeholders. Understanding company and industry dynamics are critical to determining an appropriate value and debt capacity of the enterprise. By partnering with Ankura, our clients can leverage our professionals' experience and expertise to **explore and develop alternative options that maximize the value** of the enterprise and recoveries.

CHAPTER 11 AND DIP ASSESSMENT

In the event a Chapter 11 filing is the appropriate alternative, Ankura's professionals are fully versed in all aspects of Chapter 11 and are **prepared to assist our clients through the bankruptcy process**: (i) DIP assessment and sizing, (ii) Exit financing assessment and sizing, and (iii) POR and Exit review and evaluation.

SHORT-TERM CASH/ LIQUIDITY

While every restructuring situation differs, a company's ability to maintain an **adequate level of liquidity is essential** to limit operational disruption. By leveraging our expertise, our restructuring professionals can assist our clients in **evaluating, assessing and monitoring** the company's liquidity in order to preserve enterprise value and provide optionality throughout the process.

Focus of Interim Management & CRO Advisory Services

Our focus for companies facing unique challenges is process-driven and aims to evaluate **PEOPLE, PROCEDURE & PRIORITIES** under the status quo to find areas for changes that will immediately impact the company's situation and performance and build consensus among stakeholders.

PEOPLE

- Evaluate existing personnel to identify both shortcomings and opportunities
- Every company has quality people that given the right responsibilities and support can drive improved performance
- Every distressed company has personnel who are simply not capable of performance their current assigned tasks
- Key is to effectively utilized existing personnel in the right positions with optimal support

PROCEDURE

- Distressed companies often have procedures and processes that inhibit high quality performance
- Other procedures may provide too little guidance/oversight/control that are needed to ensure positive results
- Identifying & correcting the procedural shortcomings in the status quo can lead to immediate improvement
- Steam-lining reporting & decision-making during distress can make a critical difference in performance

PRIORITIES

- Status quo priorities may no longer be valid in distressed situations
- Revise individual priorities to ensure consistency with company priorities throughout the organization
- Re-order priorities often result in increase efficiency and effectiveness of personnel
- Communication of priorities is also a critical component to effective implementation
