Notes to Post-Confirmation Report

Quarter Ending Date: 6/30/2025

On September 12, 2022, Borrego Community Health Foundation (the “Debtor”) filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”), which commenced Case No. 22-02384 (the “Bankruptcy Case”) before the Honorable Judge Laura S. Taylor in the United States Bankruptcy Court for the Southern District of California (the “Bankruptcy Court”). On November 21, 2023, the Bankruptcy Court entered an order (i) authorizing the debtor to file the combined disclosure statement and plan and (ii) scheduling a combined confirmation hearing and setting deadlines related thereto [Docket No. 1138] (the “Motion”). On January 25, 2024, the Bankruptcy Court entered an order [Docket No. 1273] (the “Confirmation Order”) confirming the First Amended Joint Combined Disclosure Statement and Chapter 11 Plan of Liquidation of Borrego Community Health Foundation [Docket No. 1168] (the “Plan”). On February 15, 2024, the Debtor filed a *Notice of Effective Date* [Docket No. 1310] and the Plan became effective on February 14, 2024.

The BCHF Liquidating Trust is filing this quarterly post-confirmation report (the “PCR”) solely for the purposes of reporting to the Office of the United States Trustee for the Southern District of California (the “U.S. Trustee”) in accordance with the Instructions for UST Form 11-PCR -- Post-confirmation Report (12/07/22) (“PCR Instructions”). The following notes, statements, and limitations should be referred to and referenced in connection with any review of the PCR. Capitalized terms used but not otherwise defined herein have the meanings given to them in the Plan.

Part 1: Summary of Post-confirmation Transfers: On January 25, 2024, the Bankruptcy Court entered an order [Docket No. 1273] (the “Confirmation Order”) confirming the First Amended Joint Combined Disclosure Statement and Chapter 11 Plan of Liquidation of Borrego Community Health Foundation [Docket No. 1168] (the “Plan”). On February 14, 2024 (the “Effective Date”), pursuant to the Plan and the BCHF Liquidating Trust Agreement, the Debtor’s assets vested with the BCHF Liquidating Trust, for the purpose of liquidating the estates, free and clear of all liens, claims, charges, or other encumbrances. After the Effective Date, the Reorganized Debtor transferred in excess of \$50 million to the Trust to fund the Trust and certain claims reserves pursuant to the Plan.

The Trustee of the BCHF Liquidating Trust (“Trust”), pursuant to the BCHF Liquidating Trust Agreement, is responsible for including the activity of the Trust and the Reorganized Debtor in the

PCR, and for paying all required statutory fees associated with these disbursements. To that end, the activity of the Trust and the Reorganized Debtor are included herein on a consolidated basis. However, the disbursements reported herein do not include: i) inter-company transfers between the Reorganized Debtor and the Trust and ii) transfers made by the Reorganized Debtor on account of, and required by, the Asset Purchase Agreement by and between the Debtor and Desert AIDS Project d/b/a DAP Health (the “Purchaser” of the Debtor’s assets). Although the receipts and disbursements associated with the Asset Purchase Agreement flow through the bank accounts of the Reorganized Debtor, they are not property of the Trust, the Debtor, the Debtor’s estate, and/or the Reorganized Debtor, and therefore have been excluded from the PCR.

Part 2: Pre-confirmation Professional Fees and Expenses: All preconfirmation professional fees for retained professionals are included in Part 2.a. of the PCR. For professionals that were required to seek specific approval of fees and expenses, the “Approved Current Quarter” and “Approve Cumulative” columns reflect the final fee order or certificate of no objection entered by the court. For professionals that were not required to seek specific approval of fees and expenses, the “Approved Current Quarter” and “Approve Cumulative” columns reflect zero.

Kurtzman Carson Consultants LLC (“KCC”) was retained as Claims and Noticing Agent [Docket Nos 55] by the Debtors. KCC was not required to seek specific approval of Claims and Noticing Agent fees and expenses, and for simplicity all professional fees regardless if approval was or was not required are included in Part 2.a. of the PCR.

All preconfirmation professional fees for ordinary course professionals, as set forth in the *Order on Debtor’s Motion for an Order Authorizing the Debtor to Retain and Compensate Professionals Utilized by the Debtor in the Ordinary Course of Business [Docket No 400]* (“OCP Order”), are included in Part 2.b. the PCR.

Part 3: Recoveries of the Holders of Claims and Interests Under Confirmed Plan: The instructions to the PCR provide that for each class of claims and interests included in the PCR, “the total anticipated payments as disclosed in the plan” should be provided. The Trust is unable to provide total anticipated payments for the relevant classes at this time due primarily to potential objections to claims and uncertain outcome of pending litigation. The PCR sets forth (i) the total anticipated payments listed as zero, (ii) the total amounts paid by the Trust in the quarter, (iii) the total cumulative amounts paid by the Trust since the Trust was established, and (iv) the aggregate allowed amount of claims in each class.

The BCHF Liquidating Trust continues to reconcile claims. As such, the value of “Allowed Claims” is reported as the current estimate of the aggregate value of Allowed claims for each class of claim.

Pursuant to the Plan and the Trust Agreement, the Trust is responsible for reconciling and resolving all claims for the Debtor and making distributions to holders of such claims to the extent they are deemed Allowed (as defined in the Plan). The Allowed Claims include the Allowed DHCS Balance Claim (as defined in the Plan), which is subordinated to the GUC Class. All such distributions made in the relevant time period are included in the PCR.

Reservation of Rights: Given the complexity of the Debtor's books and records, the Asset Purchase Agreement, and the ongoing administration of the Reorganized Debtor and the Trust, inadvertent errors or omissions may have occurred. The Trustee reserves all rights to amend or supplement the PCR in all respects as may be necessary or appropriate. Nothing contained in this PCR shall constitute an admission of any kind or nature or a waiver of any rights of the Trustee, all of which are expressly reserved in full.

The post-confirmation report was executed by Scott Rinaldi, Managing Director of Ankura Consulting Group, LLC, solely in its capacity as Trustee of the BCHF Liquidating Trust.
