**GLOBAL NOTES AND STATEMENTS OF
LIMITATIONS, METHODOLOGY, AND DISCLAIMERS
REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Briggs & Stratton Corporation and its debtor affiliates, as debtors and debtors in possession (collectively, the “**Debtors**” and, together with their non-Debtor affiliates, the “**Company**”), are filing their respective Schedules of Assets and Liabilities (each, a “**Schedule**” and, collectively, the “**Schedules**”) and Statements of Financial Affairs (each, a “**Statement**” or “**SOFA**” and, collectively, the “**Statements**” or “**SOFAs**”) with the United States Bankruptcy Court for the Eastern District of Missouri (the “**Bankruptcy Court**”) pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).¹

These global notes and statements of limitations, methodology and disclaimers regarding the Debtors’ Schedules and Statements (collectively, the “**Global Notes**”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the “**Specific Notes**” and, together with the Global Notes, the “**Notes**”). These Global Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements.

The Debtors’ management team prepared the Schedules and Statements with the assistance of their advisors and other professionals and have relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors’ advisors and other professionals. Given the scale of the Debtors’ businesses, the Debtors’ management, including the Debtors’ Chief Financial Officer, who has executed the Schedules and Statements of each of the Debtors, has not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

¹ Capitalized terms used but not defined herein shall have the respective meanings ascribed to such terms in the *Declaration of Jeffrey Ficks, Financial Advisor of Briggs & Stratton Corporation, in Support of the Debtors’ Chapter 11 Petitions and First Day Relief* [Docket No. 51] (the “**Ficks Declaration**”).

The Schedules and Statements are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors' management team and advisors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances; however, the receipt or discovery of subsequent information may result in material changes to the Schedules or Statements and/or inadvertent errors, omissions, or inaccuracies may exist in the Schedules or Statements. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the Schedules and Statements.

The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability, classification, identity of debtor or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases, including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or recharacterization of contracts and leases, assumption or rejection of contracts and leases under the provisions of chapter 3 of the Bankruptcy Code, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, or any other relevant applicable laws to recover assets or avoid transfers.

The Schedules, Statements, and Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

1. **Description of the Cases.** On July 20, 2020 (the "**Petition Date**"), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On July 21, 2020, the Bankruptcy Court entered an order authorizing the joint administration of the cases pursuant to Bankruptcy Rule 1015(b). On August 5, 2020, the United States Trustee for the Eastern District of Missouri (the "**U.S. Trustee**") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the "**Creditors' Committee**").
2. **Basis of Presentation.** For financial reporting purposes, the Debtors historically have prepared consolidated financial statements, which include financial information for the Debtors and certain non-debtor affiliates. The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting

Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the applicable Debtor entity. However, because the Debtors’ accounting systems, policies, and practices were developed for consolidated reporting purposes, rather than reporting by individual legal entity, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time before or after the Petition Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or any time prior to or after the Petition Date.

3. **Reporting Date.** Unless otherwise noted, the Schedules and Statements generally reflect the Debtors’ books and records as of the Petition Date and generally do not account for authorized payments under the First Day Orders (as defined below).
4. **Current Values.** Other than estimated bank cash balances, the assets and liabilities of each Debtor are listed on the basis of the book value of the asset or liability in the respective Debtor’s accounting books and records. Unless otherwise noted, the book value ascribed in the Debtor’s books is reflected in the Schedules and Statements.
5. **Confidentiality.** To protect the privacy of certain parties, including, among others, the Debtors’ employees and board of directors, certain identifying information, such as mailing addresses, was excluded from the Schedules and Statements.² In addition, there may be instances where certain information was not included due to the nature of the agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or to protect the privacy of an individual.

² This is consistent with the authority granted to the Debtors in the *Order (I) Extending the Time to File Schedules and Statements; (II) Extending the Time to Schedule the Meeting of Creditors; (III) Waiting the Requirements to File Equity Lists and Provide Notice to Equity Security Holders; (IV) Authorizing the Debtors to File a Consolidated List of the Debtors’ Thirty (30) Largest Unsecured Creditors; (V) Authorizing the Debtors to File a Consolidated and Redacted Creditor Matrix; and (VI) Approving the Manner of Service of Notice of Case Management* [Docket No. 149] (the “**Creditor Matrix Order**”).

6. **Intercompany Transactions and Claims.** The Debtors have reported for each Debtor the aggregate net intercompany balance between such Debtors and each other Debtor and/or non-Debtor as assets on Schedule A/B or as liabilities on Schedule E/F, as appropriate, as of the Petition Date. Due to the volume of intercompany accounts payable and receivable, multiple sources and accounting software systems involved, and the complex nature of the Debtors' business, these amounts have not been fully reconciled as of the Petition Date. The listing in the Schedules and Statement (including, without limitation, Schedule A/B or Schedule E/F) by the Debtors of any obligation between a Debtor and another Debtor and/or non-Debtor is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a claim or how much obligations may be classified and/or characterized in a plan of reorganization or otherwise by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

Intercompany transactions arise in the ordinary course and are primarily related to: (i) procurements, (ii) commissioned sales, (iii) royalties, (iv) dividend payments, and (v) warranty payments. Intercompany transactions between Company entities result in intercompany receivables and payables and short term or long term notes. The intercompany balances recorded in the Schedules reflect activity through the fiscal year ended June 30, 2020. Accordingly, the Debtors reserve their rights to amend the Schedules and Statements, if applicable. The Company does review its intercompany transactions on a monthly basis to verify both payables and receivables are reflected and that any variance is below a \$50,000 threshold amount, but does not undergo a full reconciliation process.

7. **Accuracy.** Although the Debtors have made good faith reasonable efforts to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary or appropriate.
8. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. As such, wherever possible, unless otherwise indicated, net book values are presented as of the Petition Date. When necessary, the Debtors have indicated that the value of certain assets is "Unknown" or "Undetermined." Amounts ultimately realized

may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements. As applicable, fixed assets and leasehold improvement assets that have been fully depreciated, amortized or impaired, or were expensed for GAAP accounting purposes, have no net book value, and, therefore, are not included in the Schedules and Statements or are listed with a zero-value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value.

9. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated. Currency conversions are generally as of the Petition Date. To the extent information has been provided in local currency for specific Schedule and Statement responses, approximate foreign exchange rates have been utilized as of the date of the transaction for conversion to U.S. dollars.
10. **Payment of Prepetition Claims Pursuant to First Day Orders.** Following the Petition Date, the Bankruptcy Court entered various orders on an interim and final basis (the "**First Day Orders**"), authorizing, but not directing, the Debtors to, among other things, pay certain prepetition: (i) service fees and charges assessed by the Debtors' banks; (ii) insurance and surety bond obligations; (iii) obligations to critical vendors; (iv) claims of shippers and warehousemen; (v) customer program obligations; (vi) employee wages, salaries, and related items (including, employee benefit programs and independent contractor obligations); and (vii) taxes and assessments. Where the Schedules and Statements list creditors and set forth the Debtors' scheduled amounts attributable to such claims, such scheduled amounts reflect balances owed as of the Petition Date. To the extent any adjustments are necessary for any payments made on account of such claims following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such adjustments may be included within the Schedules and Statements. The Debtors reserve the right to update the Schedules and Statements to reflect payments made pursuant to the First Day Orders that may not be represented in the attached Schedules and Statements.
11. **Other Paid Claims.** To the extent the Debtors reach any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to Bankruptcy Court approval if necessary. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

12. **Setoffs.** The Debtors routinely incur setoffs from customers and suppliers in the ordinary course of business. Such ordinary course setoffs can arise from various items including, but not limited to, billing discrepancies, customer programs, returns, warranties, refunds, rebates, certain intercompany transactions, and other disputes between the Debtors and their customers and/or suppliers. These routine setoffs are consistent with the ordinary course of business in the Debtors' industry, and, therefore, can be particularly voluminous, unduly burdensome, and costly for the Debtors to regularly document. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and, as such, are or may be excluded from the Schedules and Statements. Any setoff of a prepetition debt to be applied against the Debtors is subject to the automatic stay and must comply with section 553 of the Bankruptcy Code.
13. **Accounts Receivable.** The accounts receivable information listed on the Schedules includes receivables from the Debtors' customers and is calculated net of any amounts that, as of the Petition Date, may be owed to such customers in the form of offsets or other price adjustments pursuant to the Debtors' customer program policies and day-to-day operating policies and any applicable Bankruptcy Court order.
14. **Inventory.** Inventories are reported based on the net book value on the Debtors' balance sheet as of the Petition Date.
15. **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto. The inventories, property and equipment listed in the Schedules are presented without consideration of any mechanics' or other liens.
16. **Excluded Assets and Liabilities.** Certain liabilities resulting from accruals, liabilities recognized in accordance with GAAP, and/or estimates of long-term liabilities either are not payable at this time or have not yet been reported. Therefore, they do not represent specific claims as of the Petition Date and are not otherwise set forth in the Schedules. Additionally, certain deferred assets, charges, accounts or reserves recorded for GAAP reporting purposes only, and certain assets with a net book value of zero are not included in the Schedules. Excluded categories of assets and liabilities include, but are not limited to, deferred tax assets and liabilities, deferred income, deferred charges, self-insurance reserves, favorable lease rights, and unfavorable lease liabilities. Other immaterial assets and liabilities may have been excluded.

17. **Reservation of Rights.** Nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, the following:
- a. Any failure to designate a claim listed on the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on its Schedules as to amount, liability, and classification, and to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”
 - b. Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
 - c. Amounts that were not readily quantifiable by the Debtors may be reported as “unknown”, “TBD”, or “undetermined”, and is not intended to reflect upon the materiality of such amount.
 - d. The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.
 - e. The listing of a claim (i) on Schedule D as “secured,” or (ii) on Schedule E/F as “priority unsecured,” and the listing a contract or lease on Schedule G as “executory” or “unexpired”, does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim, contract or lease pursuant to a schedule amendment, claim objection, or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors’ assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Bankruptcy Court, the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor’s claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor’s claim.
 - f. In the ordinary course of their business, the Debtors lease property and equipment from certain third-party lessors for use in the daily operation of

their business. Any such leases are set forth in Schedule G and any current amount due under such leases that was outstanding as of the Petition Date is listed on Schedule E/F. Nothing in the Statements or Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues, including, the recharacterization thereof.

- g. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.
- h. The Debtors' businesses are part of a complex enterprise. Although the Debtors have exercised their reasonable efforts to ensure the accuracy of their Schedules and Statements, they nevertheless may contain errors and omissions. The Debtors hereby reserve all of their rights to dispute the validity, status, and enforceability of any contracts, agreements, and leases set forth on the Schedules and Statements, and to amend and supplement the Schedules and Statements as necessary.
- i. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on the Schedules and Statements, including, but not limited to, the right to dispute and challenge the characterization or the structure of any transaction, document, and instrument related to a creditor's claim.
- j. The Debtors exercised their reasonable efforts to locate and identify guarantees and other secondary liability claims (the "**Guarantees**") in their secured financings, debt instruments, and other agreements. However, a review of these agreements, specifically the Debtors' unexpired leases and executory contracts, is ongoing. Where such Guarantees have been identified, they are included in the relevant Schedules and Statements. Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements inadvertently may have been omitted. The Debtors have reflected the obligations under the Guarantees for both the primary obligor and the guarantors with respect to their secured financings and debt instruments on Schedule H. Guarantees with respect to the Debtors' executory contracts and unexpired leases are not included on Schedule H and the Debtors believe that certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financing, debt instruments and similar agreements may exist and, to the extent they do, will be identified upon further review. Thus, the Debtors

reserve their rights to amend and supplement the Schedules and Statements to the extent that additional Guarantees are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements to recharacterize and reclassify any such contract or claim.

- k. Listing a contract or lease on the Schedules and Statements shall not be deemed an admission that such contract is an executory contract, such lease is an unexpired lease, or that either necessarily is binding, valid, and enforceable. The Debtors hereby expressly reserve the right to assert that any contract listed on the Schedules and Statements does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code, as well as the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of section 365 of the Bankruptcy Code.
 - l. Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
 - m. To timely close the books and records of the Debtors as of the Petition Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Petition Date. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, revenue and expense to reflect changes in those estimates and assumptions.
18. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as “unknown” or “undetermined.” If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals. Where a claim or other amount is marked as “unliquidated,” but the Debtors also report a dollar value, such dollar value may indicate only the known or determined amount of such claim or amount, the balance of which is unliquidated.
19. **Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities

1. **Schedule-Specific Disclosures.** Each of Schedules A/B, D, E/F, G, and H contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. The asset totals listed on the Schedules represent all known amounts included in the Debtors' books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.

2. **Schedules A/B**

a. **Part 1.** As set forth in the Cash Management Motion,³ the Company conducts its operations through an extensive network of bank accounts managed globally. Amounts listed in Question 3 reflect the actual bank account balances in the respective accounts as of the Petition Date and may vary from the Debtors' books and records amounts. The Debtors also maintain three (3) lock boxes where customer checks are directed.

Briggs & Stratton Corporation makes payments on behalf of Briggs & Stratton International, Inc. and Briggs & Stratton Tech, LLC, and therefore bank accounts and transactions for these entities are reflected in the Briggs & Stratton Corporation schedules and statements.

b. **Part 2.** The Debtors maintain certain deposits in the conduct of their business operations. These deposits are included in the Schedules for the appropriate legal entity. Types of deposits include, among other things, lease deposits, security deposits, royalties, and equipment deposits. Certain prepaid or amortized assets are listed in Part 2 in accordance with the Debtors' books and records. The amounts listed in Part 2 do not necessarily reflect assets that the Debtors will be able to collect or realize. These amounts listed in Part 2 include, among other things, prepaid rent, professional services retainers, New Market Tax Credit insurance costs, prepaid subscription fees, prepaid marketing expenses, utilities deposits, and prepaid trade show deposits.

c. **Part 3.** The Debtors' accounts receivable information includes receivables from the Debtors' customers, vendors, or third parties, which are calculated net of any amounts that, as of the Petition Date, may be owed to such parties in the form of offsets or other price adjustments pursuant to the Debtors'

³ The "Cash Management Motion" means the *Motion of Debtors for Entry of Orders (I) Authorizing Debtors to (A) Continue Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related to the Use Thereof, and (C) Continue Intercompany Transactions and Provide Administrative Expense Priority for Postpetition Intercompany Claims, and (D) Continue Supply Chain Financing; (II) Waiving Requirements of Section 345(b) of the Bankruptcy Code; and (III) Granting Related Relief* [Docket No 17].

customer programs and day-to-day operations or may, in the Debtors' opinion, be difficult to collect from such parties due to the passage of time or other circumstances. The Debtors do not indicate the age of accounts receivables in these Schedules and Statements.

As described in the Cash Management Motion, the Debtors are tracking postpetition intercompany transactions on a Debtor-by-Debtor basis.

- d. **Part 4.** Equity interests in subsidiaries and affiliates primarily arise from common stock ownership. For purposes of these Schedules and Statements, the Debtors have listed an undetermined value for the equity interests on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors, and may differ significantly from their net book value. Additionally, the Debtors report investments in subsidiaries on an aggregate basis, which incorporates all international subsidiaries. To determine the individual investment for each individual subsidiary would be unduly burdensome given the complex nature of the Debtors operations.
- e. **Part 5.** Inventory is stated at book value as of the Petition Date. Inventory reserves for Briggs & Stratton Corporation are applied on a pro-rated basis across all inventory categories. Inventory reserves for Allmand Bros., Inc. are applied proportionally to semi-finished goods and finished goods only. Inventory reserves for Billy Goat Industries, Inc. are applied exclusively to finished goods.

Amounts presented as inventory receipts within twenty days of the Petition Date have not been reduced to reflect inventory received under cash in advance payments or payments made postpetition under certain First Day Orders. The amounts listed in Part 5 should not be interpreted as an estimate of outstanding section 503(b)(9) balances.

- f. **Part 7.** The value of office furniture and fixtures, office equipment, and machinery are reflected at the net book value as of the Petition Date. Debtors have listed all relevant assets, including those that are fully depreciated.
- g. **Part 8, Question 47.** Actual realizable values of the identified leased or owned vehicles may vary significantly relative to net book values as of the Petition Date. The majority of the vehicles operated by the Debtors are leased. As the total book value of the owned vehicles is only approximately five percent (5%) of the total leased vehicle value, aggregate information for all leased vehicles has been provided (rather than detailed information by vehicle). For the purposes of the Schedules, the Debtors have listed information regarding the leased vehicles on the Schedules for Briggs & Stratton Corporation.

- h. **Part 8, Question 50.** Assets under construction primarily relate to capital expenditures and primarily refer to equipment and tooling not yet in production. As these assets are not yet in production, they are not yet being utilized or depreciated.
- i. **Part 9.** For the Debtors that own real property, such owned real estate is reported, except where otherwise noted, at book value as of the Petition Date. The Debtors may have listed certain assets as real property when such assets were in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. The Debtors reserve all rights to recharacterize their interests in real property at a later date. The value of leased properties is reflected as undetermined.
- j. **Part 10.** Part 10 identifies the various trademarks, patents, and licenses owned and maintained by the Debtors. Part 10 also includes a best effort listing of the Debtors' registered internet domains and websites. The act of not listing any specific domain or website is not a relinquishing of ownership. Certain of the Debtors have customer information from ordinary course business activities which contains personally identifiable information (as defined in section 101(41A) and 107 of the Bankruptcy Code). As of the Petition Date, the Debtors' books and records included balances for various intangible assets. The Schedules do not list the book balances of intangible assets because they may not be reflective of realizable values.

Goodwill reflects the costs of acquisitions in excess of fair values assigned to identifiable net assets acquired. Goodwill is assigned to reporting units based upon the expected benefit of the synergies of the acquisition. Other Intangible Assets reflect identifiable intangible assets that arose from purchase acquisitions or license agreements. Assets are primarily composed of trade names, patents and customer relationships. Goodwill and tradenames, which are considered to have indefinite lives, are not amortized; however, both must be tested for impairment at least annually.

- k. **Part 11.** In the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, cross-claims, setoffs, refunds with their customers and suppliers, and potential warranty claims against their suppliers, among other claims. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as plaintiffs, or counter-claims and/or cross-claims as defendants.

Despite exercising their reasonable efforts to identify all such assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. Unless otherwise noted on specific responses, items reported on Schedule B

are reported from the Debtors' books and records as of the Petition Date. Any amounts reported typically reflect amounts seeking to be recovered and/or costs incurred pursuing causes of action, and may not reflect ultimate recoverable amounts. The Debtors reserve all of their rights with respect to any claims and causes of action, or avoidance actions they may have and neither the Notes nor the Schedules shall be deemed a waiver of any such claims or causes of action, or avoidance actions, or in any way prejudice or impair the assertion thereof in any way.

1. **Part 11, Question 72.** The estimate of federal net operating losses ("NOLs") reported as of fiscal year ended June 30, 2020 reflects the impact of amended U.S. federal income tax returns to be filed postpetition to carryback NOLs to the years ended June 30, 2014, June 30, 2015, and June 30, 2016. This carryback is anticipated to have the effect of decreasing the available U.S. Federal NOLs by approximately \$93 million, while increasing certain other tax attributes (i.e., foreign tax and general business credit carryforwards) and generating a U.S. federal income tax refund receivable. The gross non-tax effected NOL carryforward value as of June 30, 2020 prior to filing of the amended U.S. federal income tax returns was initially estimated at \$110 million. Although the U.S. federal NOL carryforwards may have been generated by multiple debtors, for ease of administration and reporting, all NOLs are reflected under Briggs & Stratton Corporation. Taxable income or NOLs from the current year's activity is estimated and subject to change.
 - m. **Part 11, Question 73.** The Debtors maintain a variety of insurance policies. The Debtors have not made a determination as to the surrender or refund value of each of the insurance policies. Therefore, the Debtors' insurance policies are listed with an undetermined value.
 - n. **Part 11, Question, 75.** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, refunds with their customers and suppliers, or potential warranty claims against their suppliers. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B Question 75.
 - o. **Part 12, Question 82.** Intercompany receivables have been listed as "Other property" under Schedule A/B, Question 77.
3. **Schedule D.** The claims listed on Schedule D, as well as the guarantees of those claims listed on Schedule H, arose and were incurred on various dates. A determination of the date on which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each claim. To the best of the Debtors' knowledge, all claims listed

on Schedule D arose, or were incurred, before the Petition Date. The amounts on Schedule D are consistent with the Debtors' stipulations set forth in the DIP Order, which are subject to investigation and challenge by the Creditors' Committee or other parties in interest, all as more fully set forth in the DIP Order.

Except as otherwise agreed or stated pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court that is or becomes final, the Debtors and/or their estates reserve their right to dispute and challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor and, subject to the foregoing limitations, note as follows: (a) although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken; (b) the Debtors reserve all rights to dispute and challenge the secured nature of any creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim; and (c) the descriptions provided on Schedule D are intended to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Detailed descriptions of the Debtors' prepetition debt structure, guarantees, and descriptions of collateral relating to each debt contained on Schedule D are contained in the Ficks Declaration.

The Debtors have listed only the administrative agent for their funded secured indebtedness, but these secured claims are owned or beneficially controlled by a number of parties that may not be identified in the Schedules and Statements.

Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties which may hold security deposits or other security interests have not been listed on Schedule D. The Debtors have not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights.

4. **Schedules E/F**

- a. **Part 1.** The claims listed on Part 1 arose and were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, no such dates are included for each claim listed on Part 1. To the best of the Debtors' knowledge, all claims listed on Part 1 arose or were incurred before the Petition Date.

The Debtors have not listed any tax, wage or wage-related obligations that the Debtors have paid pursuant to the First Day Orders on Part 1. The Debtors believe that all such claims for wages, salaries, expenses, benefits

and other compensation as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Schedule E/F are entitled to priority status pursuant to sections 503 and 507 of the Bankruptcy Code.

Claims owing to various taxing authorities to which the Debtors potentially may be liable are included on the Debtors' Schedule E/F. Certain of such claims, however, may be subject to ongoing audits and the Debtors otherwise are unable to determine with certainty the amount of the remaining claims listed on Schedule E/F. Therefore, the Debtors have listed all such claims as disputed, contingent, and unliquidated, pending final resolution of ongoing audits or other outstanding issues.

Schedule E/F, Part 1 also includes estimates related to employee incentive compensation plans. This information is not comprehensive. While the Debtors have multiple cash bonus plans, at the time of the filing and preparation of the Schedules, only amounts associated with the employee Sales Incentive Plan have been determined. The amounts to be awarded under the Annual Incentive Plan and the Hourly Employee Incentive Plan are currently being assessed as specified in the Employee Wage Motion. Therefore, these amounts have not been incorporated. The Debtors reserve their rights, but undertake no obligations, to amend Schedules E/F as they receive this information.

Schedule E/F, Parts 1 & 2 includes estimates related to employee PTO obligations. These estimates are marked as unliquidated as the exact amount may vary from the most recent payroll records received from the Debtors. Additionally, these claims are also marked as contingent as the Debtors do not seek the authority to "cash out" accrued but unpaid PTO unless required by applicable non-bankruptcy law and as vacation is taken post filing by each employee.

The Debtors reserve the right to assert that any claim listed on Schedule E/F does not constitute a priority claim under the Bankruptcy Code.

Part 2. The Debtors have exercised their reasonable efforts to list all liabilities on Schedule E/F of each applicable Debtor's Schedule. As a result of the Debtors' consolidated operations, however, the reader should review Schedule E/F for all Debtors in these cases for a complete understanding of the unsecured debts of the Debtors. Certain creditors listed on Schedule E/F may owe amounts to the Debtors, and, as such, the Debtors may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Schedule E/F may not reflect any such right of setoff or recoupment, and the Debtors reserve all rights to assert the

same and to dispute and challenge any setoff and recoupment rights that may be asserted against the Debtors by a creditor. Additionally, certain creditors may assert mechanic's, materialman's, or other similar liens against the Debtors for amounts listed on Schedule E/F. The Debtors reserve their rights to dispute and challenge the validity, perfection, and immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor. In addition, certain claims listed on Schedule E/F (Part 2) may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

The Debtors have made reasonable efforts to include all unsecured creditors on Schedule E/F including, but not limited to, lease counterparties, taxing authorities, trade creditors, and service providers. The amounts listed in Schedule E/F with respect to certain trade creditors do not convey the Debtors' stipulations set forth in each such creditor's ongoing trade agreement, as applicable.⁴ The Debtors have made reasonable efforts to include certain balances on Schedule E/F, including deferred liabilities, accruals, or general reserves, but may not have included all balances where impracticable. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made reasonable efforts to include as contingent, unliquidated and disputed the claim of any party not included on the Debtors' open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

Schedule E/F also contains information regarding pending litigation involving the Debtors. Each of the litigations are listed in the Schedules for Briggs & Stratton Corporation. In certain instances, the relevant Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is included on that Debtor's Schedule E/F. The amounts for these potential claims are listed as undetermined and marked as contingent, unliquidated, and disputed in the Schedules.

The aggregate net intercompany payable amounts listed in Schedule E/F may or may not result in allowed or enforceable claims by or against a given Debtor, and listing these payables is not an admission on the part of the

⁴ Further information and a form of the Debtors' ongoing trade agreements is set forth in the *Motion of Debtors for Interim and Final Orders (I) Authorizing Debtors to Pay Prepetition Obligations in the Ordinary Course of Business to (A) Critical Vendors, (B) Foreign Creditors, and (C) 503(b)(9) Claimants; and (II) Granting Related Relief* [Docket No. 30] and *Motion of Debtors for Order (I) Authorizing Payment of Prepetition Claims of Shippers, Warehouseman, Import/Export Providers, and Other Lien Claimants, (II) Confirming Administrative Expense Priority of Undisputed Prepetition Orders, (III) Authorizing Payment of Such Obligation in the Ordinary Course of Business, and (IV) Granting Related Relief* [Docket No. 150].

Debtors that the intercompany claims are enforceable or collectable. The intercompany payables also may be subject to recoupment, netting, or other adjustments made pursuant to intercompany policies and arrangements not reflected in the Schedules.

Additionally, the Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain unsecured claims, pursuant to the First Day Orders. To the extent practicable, each Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date, however, some amounts may reflect postpetition payments of some or all of the Bankruptcy Court approved payments. Certain Debtors may pay additional claims listed on Schedule E/F during these chapter 11 cases pursuant to these and other orders of the Bankruptcy Court and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such claim. Additionally, Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that have been, or may be, rejected.

Schedule E/F, Part 2 includes estimates for potential claims related to the Debtors' retirement plans, including, but not limited to, the Briggs & Stratton Key Employee Savings and Investment Plan and the Briggs & Stratton Supplemental Employee Retirement Plan.

The Debtors' accounting system tracks vendors using a number and unique name assigned to each vendor. Because many vendors service multiple business areas for the Debtors, there are many instances in which the same vendor has been assigned multiple vendor numbers and variations of the vendor's name. For purposes of Part 2, the Debtors have, to the best of their knowledge, aggregated claims for the same vendor under the same vendor number. However, instances may exist where not all claims for a single vendor have been aggregated, and, conversely, some claims may have been unknowingly aggregated into a single vendor number whereas they should be separate vendors. Instances may exist where not all such claims have been identified and the Debtors may have separately listed potentially duplicative claims of such vendors under multiple vendor numbers. The Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

The Debtors have listed only the indenture trustee for their funded unsecured indebtedness, but these unsecured claims are owned or beneficially controlled by a number of parties that may not be identified in the Schedules and Statements.

5. **Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the “**Agreements**”), the Debtors’ review process of the Agreements is ongoing and inadvertent errors, omissions, or over-inclusion may have occurred. All information provided is based on the Debtors’ contract repository software and is subject to material change. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as dealer agreements, confidentiality agreements, service agreements, sales agreements, equipment leases, tooling products agreements, and other agreements that may be included in Schedule G. In addition, as described herein, certain non-disclosure agreements have been omitted. The Debtors reserve all of their rights with respect to such agreements.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted Agreements. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements that may not be listed on Schedule G. Executory agreements that are oral in nature have not been included in Schedule G. Any and all of the Debtors’ rights, claims and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Debtors hereby reserve all of their rights to (a) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G, (b) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor’s claim, including, but not limited to, the Agreements listed on Schedule G and (c) to amend or supplement such Schedule as necessary. Certain of the Agreements listed on Schedule G may have been entered into on behalf of more than one of the Debtors. Additionally, the specific Debtor obligors to certain of the Agreements may not have been specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtor’s Schedule G on which to list the Agreement and, where a contract party remained uncertain, such Agreement may have been listed on a different Debtor’s Schedule G.

Certain of the Agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, statements of work, change orders, letters and other documents that may not be listed separately on Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts. Additionally, relationships between the Debtors and their customers are often governed by a

master services agreement, under which customers also place work and purchase orders, which may be considered executory contracts. Disclosure of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent the Debtors have determined to disclose master services agreements in Schedule G, purchase and work orders placed thereunder have been omitted.

In addition, certain of the Agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claims. Finally, certain of the executory agreements may not have been memorialized and could be subject to dispute.

Any and all of the Debtors' rights, claims, and causes of action with respect to the Agreements listed on this schedule are hereby reserved and preserved. Similarly, the listing of an Agreement on this schedule does not constitute admission that such document is not a secured financing.

6. **Schedule H.** The Debtors are party to various debt agreements which were executed by multiple Debtors and certain of their non-Debtor affiliates. The guaranty obligations under prepetition secured credit agreements are noted on Schedule H for each individual Debtor. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. To the extent such claims are listed elsewhere in the Schedules of each applicable Debtor, they have not been set forth individually on Schedule H. Furthermore, the Debtors may not have identified on Schedule H certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. Due to their voluminous nature, and to avoid unnecessary duplication, the Debtors have not included on Schedule H debts for which more than one Debtor may be liable if such debts were already reflected on Schedule E/F or Schedule G for the respective Debtors subject to such debt. To the extent these Notes include notes specific to Schedules D-G, such Notes also apply to the co-Debtors listed in Schedule H. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Specific Notes With Respect to the Debtors' Statements of Financial Affairs

1. **SOFA Part 1.** The income stated in the Debtors' response to SOFA 1 is consistent with the consolidated sales disclosed in compliance with GAAP and, for purposes of the Schedules and Statements, does not include revenue derived from Intercompany transactions. The Debtors' fiscal year ends on or near June 30 each year:
 - **FY 2018:** Comprised of 52 weeks ending July 1, 2018.
 - **FY 2019:** Comprised of 52 weeks ending June 30, 2019.
 - **FY 2020:** Comprised of 52 weeks ending June 28, 2020.

2. **SOFA 3.** Attachment 3 includes any disbursement or other transfer made by the Debtors except for those made to bankruptcy professionals, employees in the ordinary course, and insiders. Transfers to bankruptcy professionals are included on Attachment 11. Transfers to insiders are included in Attachment 4. Additionally, intercompany transfers are excluded from Attachment 3. The payments contained in Attachment 3 reflect activity from April 20, 2020 through July 20, 2020 collected from various sources, including, the accounts payable system, payments initiated directly by Treasury, as well as direct debits.⁵ All direct debits are made out of Briggs & Stratton Corporation and are reflected on Attachment 3 for that legal entity. Payments identified and reflected on Attachment 3 are on a cash basis and were made through the Debtors' cash management system. The Debtors have, to the best of their knowledge aggregated claims for the same vendor under the same vendor number. However, instances may exist where not all claims for a single vendor have been aggregated, and, conversely, some claims may have been unknowingly aggregated into a single vendor number whereas they should be separate vendors. The Debtors reserve all rights to amend and supplement the Schedules and Statements and take any other action necessary.

Additionally, certain creditors received payments in their capacity as a third-party intermediary for the Debtors; these payments are included as payments to the creditor. Ceridian HCM, Inc. ("**Ceridian**") is the Debtors' payroll administrator and Attachment 3 reflects disbursements made to Ceridian on account of the Debtors' payroll obligations, including current and former officers, which Ceridian ultimately disburses to the Debtors' employees or to other employment-related parties with respect to deductions made against the employees' gross wages. As well, the Debtors use an expense management system, Concur Technologies, Inc. ("**Concur**") to help track and process claims by Employees for Reimbursable Expenses. Attachment 3 reflects disbursements made to Concur on account of individual employee reimbursements that are charged on corporate credit cards. Other reimbursable expenses incurred by employees using their own

⁵ Activity may reflect credits as well as debits, showing net activity paid out.

funds that are reimbursed directly to employees are reflected on SOFA 3.

3. **SOFA 4.** Solely for the purposes of the Schedules and Statements, the Debtors define “insiders” as (a) officers, directors, and anyone in control of a corporate debtor and their relatives; and (b) controlled affiliates of the Debtor and insiders of such affiliates. Individuals listed in the Statements as insiders have been included for informational purposes only. The Debtors do not take any position with respect to (i) such individual’s influence over the control of the Debtors; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether such individual could successfully argue that he or she is not an insider under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose. As such, the Debtors reserve all rights to dispute whether someone identified is in fact an “insider” as defined in section 101(31) of the Bankruptcy Code. For more information regarding each Debtor’s officers and directors, please see SOFA 28.

Home addresses for directors, former directors, employees, and former employees identified as insiders have not been included in the Statements for privacy reasons.⁶ Amounts still owed to creditors will appear on the Schedules for each of the Debtors, as applicable. Transfers listed on SOFA 4 are excluded from SOFA 3. Intercompany receivables have been listed as “Other Property” under Schedule A/B, Question 77.

4. **SOFA 6.** The Debtors incur certain offsets and other similar rights in the ordinary course of business. Offsets in the ordinary course can arise from various items including, but not limited to, billing discrepancies, customer programs, returns, promotional funding, warranties, refunds, certain intercompany transactions and other disputes between the Debtors and their customers and/or suppliers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors’ industry and are not tracked separately. Therefore, such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules.
5. **SOFA 7.** Information provided on SOFA 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. While the Debtors believe they were diligent in their efforts, it is possible that certain suits and proceedings may have been inadvertently excluded in the Debtors’ response to SOFA 7. The Debtors reserve all of their rights to amend or supplement their response to SOFA 7.

The listing of any such proceeding shall not be a binding representation of the Debtors’ liabilities with respect to any of the legal disputes and/or administrative proceedings identified therein or an admission that the proceedings were correctly filed against the Debtors or any affiliates of the Debtors. The Debtors

⁶ The Court has allowed similar relief in the Creditor Matrix Order.

also reserve their rights to assert that neither any Debtor nor any non-Debtor affiliate is an appropriate party to such proceedings.

The actual amount of any recovery related to the proceedings listed in Question 7 is contingent on the outcome of the cases. The Debtors routinely participate in administrative actions and appeals in the ordinary course of their businesses.

The information provided in Attachment 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. Since the Debtors do not track corporate entity information at a case level, all litigation matters listed in SOFA 7 are reflected under Briggs & Stratton Corporation. In the Debtors' attempt to provide full disclosure, to the extent a legal dispute or administrative proceedings is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Debtors have identified such matters on Schedule F.

6. **SOFA 9.** The donations and/or charitable contributions listed in response to SOFA 9 represent payments made by Briggs & Stratton Corporation to third parties during the applicable timeframe that were recorded as such within the Debtors' books and records. All charitable contributions are classified as "donations" as it would be unduly burdensome to provide specific details given the way these transactions are recorded in the Debtors books and records. In addition to the charitable contributions listed in Attachment 9, the Debtors may make *de minimis* gifts or gifts in kind from time to time.
7. **SOFA 10.** The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' business or are not reported for insurance purposes.
8. **SOFA 11.** All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date are listed on the applicable Debtor's response to SOFA 11. Some of the professionals listed on Attachment 11 were providing professional services to the Debtors on a consolidated basis beyond debt counseling or restructuring services, As such, certain of the fees listed may include amounts not associated with the bankruptcy process. Transactions represent payment on outstanding bills as well as retainers. Additional information regarding the Debtors' retention of professional service firms is more fully described in individual retention applications and related orders. The Debtors have listed payments made to professionals retained by the Debtors, but not payments made to advisors of their pre- or postpetition lenders or other parties.

9. **SOFA 13.** Transfers identified in the response to Question 13 reflect transactions made outside of the ordinary course of business and are arms-length transactions.
10. **SOFA 16.** Subject to the Debtors' privacy policy, in the ordinary course of business, the Debtors collect certain customer information from various sources. Examples of the types of information collected by the Debtors include, among other things, name, mailing address, telephone number, fax number, email address, insurance claim information and credit card information. The Debtors retain such information as long as is necessary for the Debtors to comply with business, tax, and legal requirements.
11. **SOFA 17.** Prior to acquisition by Briggs & Stratton Corporation, Allmand Bros., Inc. and Billy Goat Industries, Inc. had separate 401(k) plans for employees administered through third-party providers. These 401(k) plans were merged into the Briggs & Stratton Consolidated Retirement & Savings Plan in 2016.
12. **SOFA 21.** In the ordinary course of business, the Debtors utilize leased property in the conduct of their business. Such leases are listed on Schedule G.

Consignment inventory listed on SOFA 21 reflects property held as of the Petition Date and is part of ordinary course operations. Due to the nature of the Debtors' business, the amount of consignment inventory held at their various plant locations is often voluminous. As it would be unduly burdensome to provide line item detail with respect to consignment inventory, this information has been reflected on an aggregate basis by location.

13. **SOFA 22–24.** The Debtors have provided information related to environmental proceedings based on their books and records over the last 10 years. The Debtors presently have no outstanding environmental proceedings and have worked diligently to resolve and settle all environmental proceedings in a timely manner. All environmental information related to Attachments 22, 23, and 24 are recorded on the respective attachment for Briggs & Stratton Corporation.
14. **SOFA 25.** The Debtors report investments in subsidiaries on an aggregate basis, which incorporates all international subsidiaries. The Company is comprised of approximately fifty (50) separate legal entities. Due to the volume of legal entities enterprise-wide, the Debtors believe it would be prohibitively difficult to track every change in the capital structure over the six (6) years prior to the Petition Date. Thus, Attachment 25 includes exhibits reflecting the capital structure of the Company as it existed at the end of each of fiscal year 2014, 2015, 2016, 2017, 2018, 2019, and 2020.
15. **SOFA 26d.** The Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing and other reasons. Recipients include, among others, regulatory agencies, financial institutions, investment banks, equityholders, debtholders and their legal and financial advisors. Financial statements have also been provided to other parties

as requested, subject to customary non-disclosure requirements where applicable.

Briggs & Stratton Corporation has provided financial statements in the ordinary course of business to numerous financial institutions, creditors, and other parties within two (2) years immediately before the Petition Date. Additionally, Briggs & Stratton Corporation has provided financial statements to numerous parties conducting due diligence during the last twelve (12) months in connection with the Debtors' prepetition capital raise, sale process, restructuring, and other processes requiring due diligence. Considering the number of such recipients and the possibility that in some cases such information may have been shared with parties without the Debtors' knowledge or consent, the Debtors have not disclosed any parties that may have received such financial statements for the purposes of SOFA 26d.

Briggs & Stratton Corporation is a registrant with the Securities and Exchange Commission ("SEC") and as such files periodic reports on Form 8-K, Form 10-Q, and Form 10-K. Additionally, financial information for Briggs can be found on its website at <http://www.basco.com>. Due to the fact the SEC filings and Briggs & Stratton Corporation's website are of public record, Briggs & Stratton Corporation does not maintain records of those parties that have requested or obtained copies of any of the reports from the SEC or Briggs & Stratton Corporation.

16. **SOFA 27.** The count dates and amounts are reflective of physical inventory counts only and exclude cycle counting throughout the year. The results may not correspond to financial accounting for reporting purposes. The Debtors have provided information and estimates related to the value of such inventory where possible.
17. **SOFA 28.** The percent of interest listed for each of the directors and officers in SOFA 28 is as of the Petition Date and represents interests held individually, rather than beneficial ownership. Where "nm" ("not meaningful") appears on Attachment 28 a director or officer holds a percent of interest less than 0.1%.
18. **SOFA 30.** Any and all known disbursements to insiders have been listed in response to SOFA 4.

Name

Part 12: Details About Environmental Information

For the purpose of Part 12, the following definitions apply:

- *Environmental law* means any statute or governmental regulation that concerns pollution, contamination, or hazardous material, regardless of the medium affected (air, land, water, or any other medium).
- *Site* means any location, facility, or property, including disposal sites, that the debtor now owns, operates, or utilizes or that the debtor formerly owned, operated, or utilized.
- *Hazardous material* means anything that an environmental law defines as hazardous or toxic, or describes as a pollutant, contaminant, or a similarly harmful substance.

Report all notices, releases, and proceedings known, regardless of when they occurred.

22. Has the debtor been a party in any judicial or administrative proceeding under any environmental law? Include settlements and orders.

- No
- Yes. Provide details below.

Case title	Court or agency name and address	Nature of the case	Status of case
22.1 See Attachment 22	Name _____ Street _____		<input type="checkbox"/> Pending <input type="checkbox"/> On appeal <input type="checkbox"/> Concluded
Case Number	City State ZIP Code _____ Country _____		

23. Has any governmental unit otherwise notified the debtor that the debtor may be liable or potentially liable under or in violation of an environmental law?

- No
- Yes. Provide details below.

Site name and address	Governmental unit name and address	Environmental law, if known	Date of notice
23.1 See Attachment 23	Name _____ Street _____		
	City State ZIP Code _____ Country _____		

Name

24. Has the debtor notified any governmental unit of any release of hazardous material?

- No
- Yes. Provide details below.

Site name and address	Governmental unit name and address	Environmental law, if known	Date of notice
24.1 See Attachment 24			
Name	Name		
Street	Street		
City State ZIP Code	City State ZIP Code		
Country	Country
