In support of this Application, Ernst & Young represents as follows:

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number are: Briggs & Stratton Corporation (2330), Billy Goat Industries, Inc. (4442), Allmand Bros., Inc. (4710), Briggs & Stratton International, Inc. (9957), and Briggs & Stratton Tech, LLC (2102). The address of the Debtors' corporate headquarters is 12301 West Wirth Street, Wauwatosa, Wisconsin 53222.

Background

1. On July 20, 2020 (the "**Petition Date**"), Debtors commenced their reorganization cases (the "**Chapter 11 Cases**") by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Since the Petition Date, Debtors have operated their businesses and managed their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

2. On July 21, 2020, this Court entered an order [Doc. 117], authorizing and directing the joint administration and procedural consolidation of Debtors' Chapter 11 Cases pursuant to sections 105(a) and 342(c)(1) of the Bankruptcy Code, Bankruptcy Rule 1015(b), and Local Bankruptcy Rule 1015(b). No trustee or examiner has been appointed in Debtors' Chapter 11 Cases.

3. On August 5, 2020, the United States Trustee for the Eastern District of Missouri (the "**U.S. Trustee**") appointed an official committee of unsecured creditors (the "**Creditors' Committee**") pursuant to section 1102 of the Bankruptcy Code [Doc. 304].

Jurisdiction

4. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C.§§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Retention of Ernst & Young

5. On July 20, 2020, the Debtors filed the *Debtors' Application for Entry of an Order (I) Authorizing Employment and Retention of Ernst & Young LLP as Financial and Tax Advisor to the Debtors, Effective as of the Petition Date, and (II) Modifying Certain*

Requirements Under Local Rule 2016-2 [D.I. 42] (the "Retention Application"). The Retention Application was approved effective as of July 20, 2020 pursuant to this Court's Order dated August 24, 2020 [D.I. 568] (the "Retention Order"). The Retention Order authorizes EY LLP to be compensated for services rendered and to be reimbursed for actual and necessary out-of-pocket expenses.

6. Local Bankruptcy Rule 2016-2 adopted by this Court authorizes a debtor in a chapter 11 case to "pay 80% of a professional's fees and 100% of the professional's expenses on a monthly basis in accordance with this Rule" and in compliance with the Court's Guidelines for Compensation attached as an Appendix to its Procedures Manual. L.R. 2016-2(B).

7. During the First Interim Fee Period, in accordance with the procedural requirements set forth in Local Bankruptcy Rule 2016-2(B) and the Guidelines for Compensation establishing the rules for monthly billing statements related to compensation and reimbursement of expenses incurred by professionals retained by Debtors, EY LLP prepared statements for its fees and expenses incurred each month (the "**Monthly Fee Statements**") and has served copies of such Monthly Fee Statements upon Debtors as well as those parties identified in the certain Master Service List identified with these Chapter 11 Cases (collectively, the "**Notice Parties**").

8. To date, EY LLP has received no objections from Notice Parties to any Monthly Fee Statements.

9. To date, EY LLP has received payments from the Debtors (the "**Monthly Fee Payments**") made pursuant to the Monthly Fee Statements, of compensation in the amount of $3,918,921.20 (representing 80% of its total fees from 7/20/20 through 9/30/20) and reimbursement of expenses in the amount of $0.00 (representing 100%), for a combined total of $3,918,921.20 for the First Interim Fee Period. The Monthly Fee Statements and Monthly Fee

Payments are summarized in detail as follows:

Monthly Fee Statements		Fees and Expenses Incurred for Each Month		Monthly Fee and Expense Amounts Requested		Monthly Fee Payments Paid by Debtors	Balance Due and Payable Thru Fee Application
Date Requested	Period Covered	Fees (100%)	Expenses (100%)	Fees (80%)	Expenses (100%)		
9/25/20	7/20/2020 through 8/31/20	$3,185,350.50	$0.00	$2,548,280.40	$0.00	$2,548,280.40[2]	$637,070.10
11/12/20	9/1/2020 through 9/30/2020	$1,713,301.00	$0.00	$1,370,640.80	$0.00	$1,307,640.80	$342,660.20
12/5/20	10/1/2020 through 10/31/2020	$1,014,543.00	$0.00	$811,634.40	$0.00	$0.00	$1,014,543.00
	TOTALS:	**$5,913,194.50**	**$0.00**	**$4,730,555.60**	**$0.00**	**$3,918,921.20**	**$1,994,273.30**

10. In accordance with the procedural requirements set forth in Local Bankruptcy Rule 2016-2(C) and the Guidelines for Compensation establishing the rules for payment of interim compensation and reimbursement of expenses incurred by professionals retained by Debtors, EY LLP now submits its Application for approval of fees and expenses incurred during the First Interim Fee Period, including approval of all payments made pursuant to EY LLP's Monthly Fee Statements, as well as for allowance of payment of the remaining 20% of compensation held back from the Monthly Fee Payments in the total amount of $1,994,273.30.

11. Consistent with the terms of Engagement Letter, the Retention Application, and the Monthly Fee Statements, EY LLP drew down on and fully exhausted its pre-petition retainer before applying post-petition Monthly Fee Payments to the outstanding balance due from Debtors.

[2] Upon the expiration of the Objection Period for its First Monthly Fee Statement, Ernst & Young LLP applied the balance of its retainer totaling $125,498.00 to the requested 80% of Fees and 100% of Expenses.

Basis for Relief Requested

12. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code that govern the Court's award of such compensation. See 11 U.S.C. § 331. Section 330 provides that the Court may award a professional employed under section 327 "reasonable compensation for actual, necessary services" and "reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330(a)(3) also outlines specific criteria that the Court shall consider in determining the amount of reasonable compensation, including:

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A)-(F).

13. In addition to the factors set forth in Section 330(a)(3) of the Bankruptcy Code, in evaluating the reasonableness of professional fees, Local Rule 2016-1(B)(1) (by) reference to the "Guidelines for Compensation" located in the Procedures Manual that accompanies the Local Bankruptcy Rules) requires that all professional fee applications analyze the 12 factors for allowance of compensation as set forth in *Johnson v. Georgia Highway Express*, 388 F.2d 714 (5th Cir. 1974) (the "**Johnson Factors**"); see also *P.A. Novelly v. Palans*, 960 F.2d 728 (8th Cir. 1992); see also *Chamberlain v. Kula*, 213 B.R. 729, 736-39 (B.A.P. 8th Cir. 1997).

14. EY LLP submits that its Application satisfies the Johnson factors, as outlined below:

(A) *The time and labor required* – EY LLP's representation of the Debtors has required extensive time and effort given the complexity of the Debtors' cases.

(B) *The novelty and difficulty of the questions* – The Debtors' cases are multifaceted and involved a large number of creditors and parties in interest.

(C) *The skill requisite to perform services properly* – EY LLP's believes that its professionals possess the knowledge and have demonstrated the skills necessary to vigorously represent the Debtors' interest in these cases.

(D) *The preclusion of other employment by the attorney due to acceptance of the case* – Acceptance of these chapter 11 cases has not precluded EY LLP from other employment.

(E) *The customary fee* – The rates charged by EY LLP are commensurate with

the rates it charges for similar clients on similar matters.

(F) *Whether the fee is fixed or contingent* – The fees requested herein are requested on an hourly basis.

(G) *Time limitations imposed by the client or the circumstances* – These cases have presented time limitations typical of a chapter 11 case of this size and complexity.

(H) *The amount involved and the results obtained* – The fee requested is reasonable given the size and complexity of the chapter 11 cases and the results obtained. During the Compensation Period and as evidenced by the detailed time records, EY LLP has assisted in obtaining numerous favorable results for the Debtors and has been diligent in its representation.

(I) *The experience, reputation, and ability of the attorneys* – EY LLP is widely recognized as one of the premier financial advisors in the country. EY LLP professionals working on this matter have substantial experience with high complex restructuring matters.

(J) *The "undesirability" of the case* – EY LLP does not consider the Debtors' bankruptcy cases to be undesirable. EY LLP is privileged to have had the opportunity to represent the Debtors.

(K) *The nature of the professional relationship with the client* – EY LLP is representing the Debtors. In these matters, EY LLP's professionals have worked with the Debtors' management and other professionals and, as a result, have become well acquainted with the Debtors' history, business
