I. INTRODUCTION

Reference is made to the *Joint Chapter 11 Plan of CBRM Realty Inc. and Certain of its Debtor Affiliates* (the “**Plan**”), a copy of which is attached hereto as **Exhibit A**. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. CBRM Realty Inc. (“**CBRM**”), Crown Capital Holdings LLC (“**Crown Capital**”), Kelly Hamilton Apts MM LLC, and Kelly Hamilton Apts LLC (“**Kelly Hamilton**”) submit this disclosure statement (the “**Disclosure Statement**”), pursuant to section 1125 of the Bankruptcy Code, to holders of Claims against and Interests in the Debtors² in connection with the solicitation of votes for acceptance of the Plan. The Plan constitutes a separate chapter 11 plan for each Debtor.

II. PRELIMINARY STATEMENT

The Debtors own and operate the Kelly Hamilton Apartments, a multifamily affordable housing complex located in Pittsburgh, Pennsylvania (the “**Kelly Hamilton Property**”). The property provides rent-restricted housing to low-income residents and is supported in part by government housing programs. Preserving this property is critical not only to maximizing the value of the Debtors’ estates, but also to protecting a vital affordable housing resource in the local community.

The Debtors along with their affiliates RH Chenault Creek LLC, RH Windrun LLC, RH Copper Creek LLC, RH Lakewind East LLC, RH New Orleans Holdings LLC, and RH New Orleans Holdings MM LLC commenced these chapter 11 cases (the “**Chapter 11 Cases**”) on May 19, 2025 (the “**Petition Date**”), amid severe operational, financial, and governance challenges stemming from mismanagement of the broader Crown Capital Portfolio (defined below) and the criminal conviction of its ultimate equity owner, Mark “Moshe” Silber. These issues contributed to liquidity constraints, declining property performance, and creditor enforcement actions. Since the Petition Date, and under the leadership of an independent fiduciary (the “**Independent Fiduciary**”), the Debtors have stabilized operations, obtained postpetition financing, and taken steps to initiate a court-supervised marketing process aimed at maximizing value for the benefit of all stakeholders.

To support this process, the Debtors secured a \$9.7 million senior secured, superpriority debtor-in-possession credit facility (the “**Kelly Hamilton DIP Facility**”) from 3650 SS1 Pittsburgh LLC (the “**Kelly Hamilton DIP Lender**” or the “**Kelly Hamilton Purchaser**”), a vehicle created by entities within The Lynd Group, a Texas-based real estate management organization (“**Lynd Living**”), and 3650 REIT, a national institutional real estate investment and lending platform with deep experience in affordable housing. Prior to the Petition Date, an affiliate of Lynd Living, Kelly Hamilton Lender LLC (the “**Kelly Hamilton Lender**”), provided a \$3.5 million term loan to Debtor Kelly Hamilton Apts LLC. Two affiliates of Lynd Living, Lynd Management Group LLC (“**Lynd Management**”) and LAGSP LLC (“**LAGSP**”), also served as the Debtors’ property manager and asset manager, respectively, before the Petition Date and continue in those roles pursuant to amended and restated postpetition agreements. The Kelly Hamilton DIP Lender’s prepetition lending relationship, operational familiarity with the Kelly Hamilton Property, and continued involvement in its management enabled it to provide urgently needed financing on an expedited basis during a period of substantial uncertainty.

With the Kelly Hamilton DIP Facility in place, operations stabilized, and following over a month of arm’s-length negotiations with the Kelly Hamilton Purchaser, the Debtors are proceeding with a chapter 11 plan that contemplates a court-approved sale of the Kelly Hamilton Property as the cornerstone of their

² For purposes of the Plan and this Disclosure Statement, “Debtors” shall mean CBRM, Kelly Hamilton Apts MM LLC, Kelly Hamilton, and, to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated or the NOLA DIP Lenders and the Independent Fiduciary agree in writing or as otherwise ordered by the Bankruptcy Court, Crown Capital.

restructuring strategy (the “**Kelly Hamilton Sale Transaction**”). To that end, Debtor Kelly Hamilton will enter into certain Purchase and Sale Agreement, dated July 11, 2025, with the Kelly Hamilton Purchaser (the “**Kelly Hamilton Purchase Agreement**”). The Kelly Hamilton Purchase Agreement, which is subject to approval by the Bankruptcy Court, provides for a purchase price equal to the outstanding obligations under the Kelly Hamilton DIP Facility, subject to customary adjustments. The agreement also contemplates the potential assumption of certain contracts and liabilities, along with other forms of consideration. As part of the agreed-upon bid protections, the Kelly Hamilton Purchase Agreement provides for a \$250,000 breakup fee payable to the Kelly Hamilton Purchaser if the Debtors ultimately consummate an alternative transaction through the Court-supervised auction process.

In connection with the filing of the Plan and this Disclosure Statement, the Debtors filed a motion seeking entry of an order (a) establishing bidding and auction procedures, (b) scheduling an auction and sale hearing, (c) approving the form and manner of notice related thereto, and (d) authorizing the Debtors’ entry into the Kelly Hamilton Purchase Agreement (the “**Bidding Procedures Motion**”). The auction process contemplated by the Bidding Procedures Motion (the “**Sale Process**”) will permit interested parties to submit competing bids for the Kelly Hamilton Property, thereby preserving flexibility to capture the highest and best value for stakeholders. The Sale Process will ensure transparency and market testing while adhering to the tight milestones and liquidity constraints imposed under the Kelly Hamilton DIP Facility. The milestones require, among other things, approval of this Disclosure Statement, commencement of solicitation, and entry of a confirmation order by September 4, 2025.

The Plan contemplates the following stakeholder recoveries:

- All Allowed Other Priority Claims will be paid in full in Cash on the Effective Date, or as soon as practicable thereafter;
- All Allowed Other Secured Claims will be (a) paid in full in Cash, (b) reinstated, (c) receive the return of applicable collateral securing such Allowed Other Secured Claims, or (d) otherwise receive treatment that renders such Claims Unimpaired under the Bankruptcy Code;
- Each Holder of an Allowed Kelly Hamilton Go-Forward Trade Claim will receive a treatment determined by the Kelly Hamilton Purchaser in accordance with the terms of the Kelly Hamilton Purchase Agreement;
- Each Holder of an Allowed Other Kelly Hamilton Unsecured Claim will receive its Pro Rata share of the Debtors’ Cash on hand as of the Effective Date following the payment of all Allowed General Administrative Claims, Allowed Priority Tax Claims, Allowed Kelly Hamilton DIP Claims, Allowed Other Priority Claims, and Allowed Secured Claims in full;
- Each Holder of an Allowed Crown Capital Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust, established for the benefit of the Holders of Allowed Crown Capital Unsecured Claims and Allowed CBRM Unsecured Claims and funded with a combination of DIP Facility proceeds, contributed claims, and retained causes of action;
- Each Holder of an Allowed CBRM Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust solely to the extent that all Allowed Crown Capital Unsecured Claims have been paid in full;
- In full and final satisfaction, compromise, settlement, release, and discharge of and in exchange for such Spano CBRM Claim, the Holder of the Spano CBRM Claim shall receive, solely to the extent that each Allowed Claim against Crown Capital is paid in full as provided in the Plan: (i) to the

extent all or any portion of the Spano CBRM Claim is Allowed as a Secured Claim against CBRM pursuant to the Spano Adversary Proceeding or otherwise, solely to the extent that each Allowed Crown Capital Unsecured Claim is first paid in full, the Spano CBRM Claim shall receive, at the election of Spano Investor LLC, (a) payment in full in Cash of such Secured Claim from the Distributable Value of the Creditor Recovery Trust prior to any Distribution of Distributable Value of the Creditor Recovery Trust being made to any Holder of a CBRM Unsecured Claim, or (b) transfer of the Crown Capital Interests to Spano Investor LLC free and clear of all Liens, Claims and encumbrances; or (ii) to the extent all or any portion of the Spano CBRM Claim is Allowed as an Unsecured Claim against CBRM pursuant to the Spano Adversary Proceeding or otherwise, its Pro Rata share of the Distributable Value of the Creditor Recovery Trust; *provided, however*, that, if the Bankruptcy Court determines pursuant to a Final Order in the Spano Adversary Proceeding that the Spano CBRM Claim is not an Allowed Claim, the Holder of the Spano CBRM Claim shall receive no Distribution on account of such Spano CBRM Claim, which shall be canceled, released, and extinguished and of no further force or effect without further action by the Debtors;

- Except as otherwise provided in the Plan Supplement, all Intercompany Claims will be canceled, released, and extinguished as of the Effective Date without any distribution on account of such Claims;
- Except as otherwise provided in the Plan Supplement, all Intercompany Interests will be canceled, released, and extinguished as of the Effective Date without any distribution on account of such Interests;
- All Interests in CBRM Realty Inc. will be transferred to the Creditor Recovery Trust without any distribution on account of such Interests;
- On the Effective Date, each Crown Capital Interest shall be transferred to the Creditor Recovery Trust as provided in the Plan; *provided, however*, that the Crown Capital Interests shall remain subject to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. unless otherwise ordered by the Bankruptcy Court pursuant to a Final Order or agreed to by Spano Investor LLC; *provided, further, however*, that Spano Investor LLC shall not directly or indirectly seek to exercise any legal, equitable, or other rights against such Crown Capital Interests or other assets of any Debtor or subsidiary of any Debtor that may constitute collateral of Spano Investor LLC with respect to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. pending further order of the Bankruptcy Court or a Final Order of the Bankruptcy Court in the Spano Adversary Proceeding; *provided, further, however*, that notwithstanding the foregoing, nothing in this Plan shall limit or affect Spano Investor LLC's rights to enforce its prepetition judgment and exercise any remedies against non-Debtors Fox Capital LLC, CBCC 1 LLC, CBCC 2 LLC, CBCC 3 LLC, CBCC 4 LLC, CBCC 5 LLC, Westwood Jackson Apts MM LLC, or Westwood Jackson Apts LLC, or any assets of such non-Debtor entities; and
- All Section 510(b) Claims, if any, will be canceled, released, and extinguished as of the Effective Date without any distribution on account of such Claims.

The Debtors strongly believe that the Plan is in the best interests of the Debtors' estates, and represents the best available alternative at this time. For these reasons, the Debtors strongly recommend that Holders of Claims and Interests entitled to vote to accept or reject the Plan vote to accept the Plan.

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE PLAN

A. What is chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 promotes equality of treatment for creditors and similarly situated equity interest holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the date the chapter 11 case is commenced. The Bankruptcy Code provides that the debtor may continue to operate its business and remain in possession of its property as a “debtor in possession.”

Consummating a chapter 11 plan is the principal objective of a chapter 11 case. A bankruptcy court’s confirmation of a chapter 11 plan binds the debtor, any person acquiring property under the plan, any creditor or equity interest holder of the debtor (whether or not such creditor or equity interest holder voted to accept the plan), and any other entity as may be ordered by the bankruptcy court. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor’s liabilities in accordance with the terms of the confirmed plan.

B. Why are the Debtors sending me this Disclosure Statement?

The Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Before soliciting acceptances of the Plan, section 1125 of the Bankruptcy Code requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all holders of Claims and Interests whose votes on the Plan are being solicited. This Disclosure Statement is being submitted in accordance with these requirements.

C. Am I entitled to vote on the Plan?

Your ability to vote on, and your distribution under, the Plan, if any, depends on what type of Claim or Interest you hold. Each category of holders of Claims or Interests, as set forth in Article III of the Plan pursuant to section 1122(a) of the Bankruptcy Code, is referred to as a “Class.” Each Class’s respective voting status is set forth below:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Priority Claims	Unimpaired	Note Entitled to Vote (Presumed to Accept)
Class 2	Other Secured Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 3	Kelly Hamilton Go-Forward Trade Claims	Impaired	Entitled to Vote
Class 4	Other Kelly Hamilton Unsecured Claims	Impaired	Entitled to Vote
Class 5	Crown Capital Unsecured Claims	Impaired	Entitled to Vote
Class 6A	CBRM Unsecured Claims	Impaired	Entitled to Vote

Class 6B	Spano CBRM Claim	Impaired	Entitled to Vote
Class 7	Intercompany Claims	Unimpaired / Impaired	Not Entitled to Vote
Class 8	Intercompany Interests	Unimpaired / Impaired	Not Entitled to Vote
Class 9	CBRM Interests	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 10	Crown Capital Interests	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 11	Section 510(b) Claims	Impaired	Not Entitled to Vote (Deemed to Reject)

D. What will I receive from the Debtors if the Plan is consummated?

The following chart provides a summary of the anticipated recovery to Holders of Claims and Interests under the Plan. Any estimates of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court. Your ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain Confirmation and meet the conditions necessary to consummate the Plan.

Each Holder of an Allowed Claim shall receive under the Plan the treatment described below in full and final satisfaction, settlement, release, and discharge of and in exchange for such Holder's Claim, except to the extent different treatment is agreed to by the Debtors and the Holder of such Allowed Claim. Unless otherwise indicated, the Holder of an Allowed Claim shall receive such treatment on the Effective Date or as soon as reasonably practicable thereafter. Projected recoveries included in the summary table below reflect the Debtors' analysis of anticipated Claims.

THE PROJECTED RECOVERIES SET FORTH IN THE TABLE BELOW ARE ESTIMATES ONLY AND THEREFORE ARE SUBJECT TO CHANGE. FOR A COMPLETE DESCRIPTION OF THE DEBTORS' CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS, REFERENCE SHOULD BE MADE TO THE ENTIRE PLAN.

E. What will I receive from the Debtors if I hold a General Administrative Claim or a Priority Tax Claim?

General Administrative Claims and Priority Tax Claims have not been placed in a Class in the Plan, consistent with section 1123(a)(1) of the Bankruptcy Code. Article II.A of the Plan sets forth the treatment for General Administrative Claims and provides in part that such Claims will be satisfied in full in an amount of Cash equal to the amount of such Allowed General Administrative Claim. Article II.E of the Plan sets forth the treatment for Priority Tax Claims, which states that an Allowed Priority Tax Claim will be treated in accordance with section 1129(a)(9)(C) of the Bankruptcy Code.

F. Are any regulatory approvals required to consummate the Plan?

Other than approvals that may be required in the ordinary course of business in connection with the continued operation of the Kelly Hamilton Property, the Debtors are not aware of any material U.S. regulatory approvals required to consummate the Plan. However, the sale of the Kelly Hamilton Property pursuant to the Plan is subject to entry of a final, non-appealable order of the Bankruptcy Court confirming the Plan. In addition, the assignment of the existing Housing Assistance Payments contract (the “**HAP Contract**”) requires execution by the U.S. Department of Housing and Urban Development (“**HUD**”), which may involve procedural approvals but is not expected to present a material impediment to closing.

G. What happens if the Kelly Hamilton Sale Transaction is not consummated?

The Plan is premised on the consummation of the Kelly Hamilton Sale Transaction, which the Debtors believe represents the best available path to maximize value and facilitate an orderly Wind-Down of the Estates. However, if the Kelly Hamilton Sale Transaction is not consummated, the Debtors would work expeditiously to evaluate and pursue an alternative transaction structure, which could include, if required and feasible, a reorganization of one or more Debtors, though no such transaction has been proposed or developed to date and may not be viable given the Debtors’ financial condition.

While no such alternative restructuring has been negotiated or proposed as of the date of this Disclosure Statement, the Debtors believe there may be value-preserving alternatives that could be developed and implemented through a revised chapter 11 plan, subject to further diligence, market conditions, and creditor support. In such a scenario, the treatment of Claims and Interests could differ from that set forth in the current Plan and would be determined based on the structure of any such alternative transaction.

Although the Debtors are confident in the benefits of the Kelly Hamilton Sale Transaction, they are committed to pursuing a value-maximizing outcome for all stakeholders and would remain focused on achieving that objective if circumstances require an alternative path. If no viable transaction can be implemented, however, the Debtors may need to consider a conversion to chapter 7, which could result in lower recoveries than those estimated under the Plan.

H. What happens to my recovery if the Plan is not confirmed or does not go effective?

If the Plan is not confirmed or does not go effective, there is no assurance that the Debtors will be able to implement an alternative transaction that would provide recoveries equal to or greater than those contemplated by the Plan. The Plan is based on the consummation of the Kelly Hamilton Sale Transaction and the orderly wind-down of the Debtors’ Estates. The Debtors do not have an alternative transaction or plan of reorganization currently negotiated or proposed.

If the Kelly Hamilton Sale Transaction cannot be completed and the Plan cannot be confirmed, the Debtors would evaluate potential alternatives. However, there can be no assurance that a viable alternative

transaction could be identified, negotiated, and implemented in a timely or cost-effective manner. In such a scenario, the Debtors may be required to convert these Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, which the Debtors believe would likely result in significantly lower recoveries for Holders of Allowed Claims.

For a more detailed description of the potential consequences of a failure to confirm or consummate the Plan, see Article XI.B of this Disclosure Statement, entitled “Best Interests of Creditors Test,” which begins on page 45.

I. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation”?

“Confirmation” of the Plan refers to approval of the Plan by the Bankruptcy Court. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan by the Bankruptcy Court, there are conditions that need to be satisfied or waived so that the Plan can go effective. Initial distributions to holders of Allowed Claims and Interests will only be made on the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. See Article IX of the Plan. “Consummation” means the occurrence of the Effective Date.

J. What are the sources of Cash and other consideration required to fund the Plan?

The Debtors intend to fund distributions under the Plan through a combination of (a) proceeds from the Kelly Hamilton Sale Transaction; (b) the Creditor Recovery Trust Assets; and (c) other available assets, as further described in the Plan.

The Kelly Hamilton Sale Transaction contemplates the sale of substantially all assets of Debtor Kelly Hamilton to the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement provides for, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption of certain liabilities, and the payment of cure amounts for assigned executory contracts. The agreement also includes bid protections to be approved by the Bankruptcy Court. If the Kelly Hamilton Purchase Agreement is terminated and an alternative transaction is consummated through the Sale Process, the Plan will be funded using the consideration provided by the successful bidder in accordance with the Court-approved bidding procedures.

In addition to the proceeds from the Kelly Hamilton Sale Transaction, the Debtors will fund certain Plan distributions and obligations using: (i) Cash on hand as of the Effective Date, including proceeds from the Kelly Hamilton DIP Facility; (ii) the Creditor Recovery Trust Amount—consisting of (a) \$443,734 in proceeds from the Kelly Hamilton DIP Facility, and (b) to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated, or the NOLA DIP Lenders and the Independent Fiduciary otherwise agree in writing, or as ordered by the Bankruptcy Court, \$1,000,000 in proceeds from the NOLA DIP Facility—to be transferred to the Creditor Recovery Trust on the Effective Date; and (iii) any proceeds from retained Causes of Action and Contributed Claims administered by the Creditor Recovery Trust. The Creditor Recovery Trust Amount will be distributed first to Holders of Allowed Crown Capital Unsecured Claims, and if such Claims are paid in full, to Holders of Allowed CBRM Unsecured Claims, in accordance with the Creditor Recovery Trust Agreement and the Plan.

For the avoidance of doubt, the Creditor Recovery Trust Causes of Action shall include any Claim or Cause of Action, including any Avoidance Action, held by the Debtors or their Estates and the proceeds thereof,

against any of the following (each, an “**Excluded Party**” and collectively, the “**Excluded Parties**”): (a) Moshe (Mark) Silber; (b) Frederick Schulman; (c) Piper Sandler & Co.; (d) Mayer Brown LLP; (e) Rhodium Asset Management LLC; (f) Syms Construction LLC; (g) Rapid Improvements LLC; (h) NB Affordable Foundation Inc.; (i) any title agencies; (j) any independent real estate appraisal firms; (k) any other current or former Insiders of the Debtors; (l) any party listed on the Schedule of Excluded Parties, which shall be filed as part of the Plan Supplement (as the same may be amended, modified, or supplemented from time to time); and (m) with respect to each of the foregoing, each Person’s or Entity’s Affiliates, partners, members, managers, officers, directors, and agents that are not specifically identified in the Plan as a Released Party.

Certain administrative expenses, including Allowed Professional Compensation Claims will be funded from a dedicated Fee Escrow Account. The specific allocation of consideration and other assets to Classes of Claims and Interests, including any adjustments resulting from a higher or better offer received through the Sale Process, will be set forth in the Plan Supplement.

K. Will there be releases and exculpation granted to parties in interest as part of the Plan?

Yes, the Plan provides for releases and exculpation of the Debtors and other parties in interest as set forth in Article VIII of the Plan.

Prior to the Petition Date, the Debtors faced escalating operational and financial distress stemming from broader issues within the Crown Capital Portfolio, including the criminal conviction of its ultimate equity owner, disputes among insiders, and a breakdown in governance and oversight. These failures contributed to cash flow shortfalls, unpaid obligations, and deterioration in property performance, placing the long-term viability of the Kelly Hamilton Property at serious risk. Following the appointment of the Independent Fiduciary in April 2024, the Debtors and their professionals undertook an extensive review of potential estate claims, insider transactions, and restructuring alternatives.

As part of that assessment, the Independent Fiduciary and the Debtors’ professionals evaluated prepetition financial dealings involving insiders and affiliated entities, as well as the conduct surrounding the historical governance and financial condition of the Debtors. Based on that review, the Independent Fiduciary directed the Debtors to preserve all potential Claims and Causes of Action—including, without limitation, Avoidance Actions under chapter 5 of the Bankruptcy Code and any claims for breach of fiduciary duty, mismanagement, or other actionable misconduct—against each Excluded Party. These parties are expressly excluded from the definitions of both “Released Parties” and “Exculpated Parties” under the Plan. Accordingly, the Plan does not, and shall not be construed to, release, exculpate, or otherwise impair any Claims or Causes of Action against these parties, all of which are expressly preserved. The Debtors, through the Independent Fiduciary and, on and after the Effective Date, the Creditor Recovery Trustee, retain and reserve all such Causes of Action for the benefit of the Debtors’ Estates and their stakeholders, and such Causes of Action will be transferred to the Creditor Recovery Trust for potential pursuit by the Creditor Recovery Trustee in accordance with the Plan and the Creditor Recovery Trust Agreement.

In contrast, the Independent Fiduciary has determined that releases are appropriate for the following parties: (a) the Independent Fiduciary; (b) the Kelly Hamilton Purchaser; (c) LAGSP; (d) Lynd Management; (e) the Kelly Hamilton DIP Lender; (f) the Ad Hoc Group of Holders of Crown Capital Notes and each of its members; (g) with respect to each of the foregoing entities in clauses (b) through (f), such Entity’s current and former Affiliates, and such Entity’s and its current and former Affiliates’ subsidiaries, officers, directors, managers, principals, members, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals; and (h) with respect to the Debtors and the Debtors’ non-Debtor subsidiaries, White & Case LLP as counsel, IslandDundon LLC as

financial advisor, Ken Rosen Advisors PC as New Jersey counsel and co-counsel, and the Claims and Noticing Agent. These parties are collectively defined in the Plan as the “Released Parties.”

In addition to the estate releases, the Plan includes a customary third-party release that applies only to Holders of Claims or Interests who affirmatively consent to grant such release. A Holder of a Claim in Class 3, Class 4, Class 5, or Class 6A affirmatively consents to grant the third-party release set forth in Article VIII of the Plan if the Holder either (a) votes to accept the Plan, or (b) abstains or does not affirmatively vote to accept the Plan but checks the box on the Holder’s Ballot indicating that the Holder opts to grant the release. Holders of Claims or Interests in Class 1, Class 2, Class 7, Class 8, Class 9, Class 10, and Class 11, which are not entitled to vote, may affirmatively consent to grant the release by submitting a completed Opt-In Form and checking the box indicating their consent. Only those Holders who take one of these specified affirmative actions will grant the third-party release under the Plan. For the avoidance of doubt, Spano shall not constitute a Releasing Party under the Plan.

The Plan also includes an exculpation provision that applies to (a) each Debtor solely in its capacity as a debtor and debtor in possession following the Petition Date and excluding such Debtor for the period prior to the Petition Date, (b) the Independent Fiduciary, (c) LAGSP, (d) Lynd Management, and (e) with respect to the Debtors and the Debtors’ non-Debtor subsidiaries, White & Case LLP as counsel, IslandDundon LLC as financial advisor, Ken Rosen Advisors PC as New Jersey counsel and co-counsel, and the Claims and Noticing Agent. These parties are exculpated from any liability for any act or omission arising as of or following the Petition Date through the Effective Date in connection with, relating to, or arising out of the Chapter 11 Cases, the Plan, the Kelly Hamilton Sale Transaction, or Restructuring Transactions, the formulation, preparation, dissemination, negotiation of any document in connection with the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the pursuit of Consummation, the Restructuring Transactions, the administration and implementation of the Plan, or the distribution of property pursuant to the Plan.

The Debtors believe that the release, exculpation, and related injunction provisions are necessary and appropriate in light of the contributions made by the Released and Exculpated Parties, and consistent with applicable law, including precedent established by the United States Court of Appeals for the Third Circuit. The Debtors intend to present evidence at the Confirmation Hearing in support of the necessity and propriety of these Plan provisions.

IMPORTANTLY, ONLY HOLDERS OF CLAIMS OR INTERESTS THAT AFFIRMATIVELY OPT TO GRANT THE THIRD-PARTY RELEASES CONTAINED IN THE PLAN WILL BE SUBJECT TO SUCH RELEASES. A HOLDER WILL BE CONSIDERED TO HAVE AFFIRMATIVELY CONSENTED TO THE THIRD-PARTY RELEASES ONLY IF THAT HOLDER: (A) IS A HOLDER OF A CLAIM IN CLASS 3, CLASS 4, CLASS 5, OR CLASS 6A AND VOTES TO ACCEPT THE PLAN; (B) IS A HOLDER OF A CLAIM IN CLASS 3, CLASS 4, CLASS 5, OR CLASS 6A, ABSTAINS OR DOES NOT AFFIRMATIVELY VOTE TO ACCEPT THE PLAN, AND CHECKS THE BOX ON THE BALLOT INDICATING THAT SUCH HOLDER OPTS TO GRANT THE RELEASES; OR (C) IS A HOLDER OF A CLAIM OR INTEREST IN CLASS 1, CLASS 2, CLASS 7, CLASS 8, CLASS 9, CLASS 10, OR CLASS 11 AND CHECKS THE BOX ON THE OPT-IN FORM INDICATING THAT SUCH HOLDER OPTS TO GRANT THE RELEASES. HOLDERS WHO DO NOT AFFIRMATIVELY OPT TO GRANT THE RELEASES WILL NOT BE BOUND BY THEM. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PLAN. FOR THE AVOIDANCE OF DOUBT, SPANO SHALL NOT CONSTITUTE A RELEASING PARTY UNDER THE PLAN.

L. What are the potential claims and causes of action against Silber and his affiliates?

The Debtors, through their Independent Fiduciary, are continuing to investigate potential Estate Claims and Causes of Action against Mark Silber, Frederick Schulman, and other individuals and entities associated with their historical control, management, or influence over the Debtors prior to the Petition Date. These investigations include potential claims for breach of fiduciary duty, mismanagement, corporate waste, fraudulent transfers, and other conduct that may have harmed the Debtors or their stakeholders.

With the assistance of advisors, the Independent Fiduciary is reviewing numerous prepetition transactions and governance actions involving these insiders. The areas of focus include the mismanagement of the Debtors' real estate assets, the potential misuse of financing proceeds, neglect of regulatory obligations, and other conduct potentially involving self-dealing, fraud, or improper diversion of estate value. The Debtors are also evaluating whether the misconduct that formed the basis of Silber's and Schulman's criminal convictions may have impacted the Debtors or their creditors.

As a result of this ongoing review, the Independent Fiduciary has directed the Debtors to preserve all related Claims and Causes of Action, including those against Silber, Schulman, entities they owned or controlled, and any other individuals or firms that may have facilitated or benefited from the conduct in question. These individuals and entities are expressly excluded from the Plan's definitions of "Released Parties" and "Exculpated Parties," and therefore are not receiving any release or exculpation under the Plan.

All such Claims and Causes of Action are being preserved under the Plan and, as of the Effective Date, will vest in the Creditor Recovery Trust and may be pursued by the Creditor Recovery Trustee in accordance with the Creditor Recovery Trust Agreement. The Creditor Recovery Trustee will serve as the post-effective date fiduciary responsible for investigating and, where appropriate, prosecuting such retained Claims and Causes of Action for the benefit of unsecured creditors.

M. What is the Creditor Recovery Trust?

The Creditor Recovery Trust is a trust that will be established on the Effective Date of the Plan for the benefit of Holders of Allowed Crown Capital Unsecured Claims and, solely to the extent that such Claims are paid in full, Holders of Allowed CBRM Unsecured Claims. Pursuant to the Plan, the Debtors will transfer certain assets—referred to as the "Creditor Recovery Trust Assets"—to the Creditor Recovery Trust. These assets include, among other things: (i) to the extent not expended prior to the Effective Date solely with respect to the development and investigation of Claims and Causes of Action held by the Debtors or their Estates to be pursued for the benefit of creditors, \$443,734 in proceeds from the Kelly Hamilton DIP Facility; (ii) to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated, or the NOLA DIP Lenders and the Independent Fiduciary otherwise agree in writing, or as ordered by the Bankruptcy Court, \$1,000,000 in proceeds from the NOLA DIP Facility—to be transferred to the Creditor Recovery Trust on the Effective Date; (iii) the Contributed Claims; (iv) the Insurance Causes of Action; (v) all retained Claims or Causes of Action, including Avoidance Actions, held by the Debtors or their Estates as of the Effective Date against any Excluded Party; (vi) the CBRM Interests; (vii) the Crown Capital Interests; and (viii) the Transferred Subsidiaries. The "Transferred Subsidiaries" consist of one or more Entities directly or indirectly owned by a Debtor that will be transferred to the Creditor Recovery Trust for administration, liquidation, or other resolution in accordance with the Plan and the Plan Supplement.

The Creditor Recovery Trust will be administered by one or more trustees selected by the Debtors, in consultation with the Ad Hoc Group of Holders of Crown Capital Notes, the NOLA DIP Lenders, and Spano. The Creditor Recovery Trustee will be responsible for administering, prosecuting, settling, or

monetizing the Creditor Recovery Trust Assets and making distributions in accordance with the Plan and the Creditor Recovery Trust Agreement. The Creditor Recovery Trust is intended to maximize recoveries for unsecured creditors.

N. What is the Wind-Down and who is responsible?

Following the consummation of the Kelly Hamilton Sale Transaction and the Effective Date of the Plan, the Debtors will no longer operate an ongoing business and will instead wind down their affairs. A Wind-Down Officer will be selected by the Debtors to oversee the wind down, dissolution, and liquidation of the Estates following the Effective Date in accordance with Article IV.C of the Plan.

O. What is the deadline to vote on the Plan?

The Voting Deadline is **August 26, 2025, at 4:00 p.m. (prevailing Eastern Time)**.

P. How do I vote for or against the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to Holders of Claims and Interests that are entitled to vote on the Plan. For your vote to be counted, you must submit your ballot in accordance with the instructions provided in Article IV.D of this Disclosure Statement. **BALLOTS SENT BY FAX OR EMAIL ARE NOT ALLOWED AND WILL NOT BE COUNTED.**

Q. Why is the Bankruptcy Court holding a Confirmation Hearing?

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a hearing on confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. The Confirmation Hearing will be scheduled by the Bankruptcy Court shortly after the commencement of the Chapter 11 Cases. All parties in interest will be served notice of the time, date, and location of the Confirmation Hearing once scheduled.

R. What is the purpose of the Confirmation Hearing?

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

The deadline by which all objections to the Plan must be filed with the Bankruptcy Court and served so as to be actually received by the appropriate notice parties is **August 26, 2025, at 4:00 p.m. (prevailing Eastern Time)**.

T. Do the Debtors recommend voting in favor of the Plan?

Yes. The Debtors strongly recommend that all eligible creditors vote to accept the Plan. The Plan provides for the sale of the Kelly Hamilton Property through a competitive, court-supervised Sale Process, establishes a Creditor Recovery Trust to administer recoveries to the Holders of Crown Capital Unsecured Claims and CBRM Unsecured Claims, and establishes a process to wind down the Debtors' Estates. This structure is designed to maximize value and ensure fair and efficient distributions to creditors.

The Debtors believe that the Plan is in the best interests of all Holders of Claims and Interests under the circumstances. Other alternatives would likely involve significant delays, increased administrative costs, and lower recoveries. In contrast, the Plan offers a clear, well-supported path forward to monetize remaining assets, preserve potential litigation value, and conclude these Chapter 11 Cases in an orderly manner.

IV. SOLICITATION AND VOTING PROCEDURES

This Disclosure Statement, which is accompanied by a ballot (the "**Ballot**") to be used for voting on the Plan, is being distributed to the Holders of Claims in the Classes entitled to vote to accept or reject the Plan.

A. Holders of Claims and Interests Entitled to Vote on the Plan

The Debtors are soliciting votes to accept or reject the Plan only from Holders of Claims and Interests in Classes 3, 4, 5, and 6 (the "**Voting Classes**"). The Holders of Claims and Interests in the Voting Classes are Impaired under the Plan and may, in certain circumstances, receive a distribution under the Plan. Accordingly, Holders of Claims and Interests in the Voting Classes have the right to vote to accept or reject the Plan. The Debtors are not soliciting votes from Holders of Claims or Interests in Classes 1, 2, 7, 8, 9, and 10.

B. Votes Required for Acceptance by a Class

Under the Bankruptcy Code, acceptance by a class of claims requires an affirmative vote of more than one-half in number of total allowed claims that have voted and an affirmative vote of at least two-thirds in dollar amount of the total allowed claims that have voted. Acceptance by a class of interests requires an affirmative vote of at least two-thirds in amount of the total allowed interests that have voted.

C. Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all Holders of Claims entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan and include, among other things:

- unless otherwise specifically indicated, the financial information contained in the Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and the Disclosure Statement;
- although the Debtors believe that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan;
- the Debtors may request Confirmation without the acceptance of the Plan by all Impaired Classes in accordance with section 1129(b) of the Bankruptcy Code; and
- any delays of either Confirmation or Consummation could result in, among other things, increased Administrative Claims and Professional Fee Claims.

While these factors could affect distributions available to Holders of Allowed Claims and Interests under the Plan, the occurrence or impact of such factors may not necessarily affect the validity of the vote of the Voting Classes or necessarily require a re-solicitation of the votes of Holders of Claims and Interests in the Voting Classes pursuant to section 1127 of the Bankruptcy Code.

For a further discussion of risk factors, please refer to “Risk Factors” described in Article X of this Disclosure Statement.

D. Solicitation Procedures

1. Claims and Noticing Agent

The Debtors have retained the Claims and Noticing Agent, Verita, to act as, among other things, the Claims and Noticing Agent in connection with the solicitation of votes to accept or reject the Plan.

2. Solicitation Package

The following materials constitute the solicitation package (collectively, the “**Solicitation Package**”) distributed to Holders of Claims and Interests in the Voting Classes:

- a cover letter describing the contents of the Solicitation Package and urging the Holders of Claims and Interests in each of the Voting Classes to vote to accept the Plan;
- notice of the Confirmation Hearing;
- a customized paper Ballot;
- the Disclosure Statement (including the Plan and all exhibits) and the Disclosure Statement Order; and
- any other materials ordered by the Bankruptcy Court to be included as part of the Solicitation Package.

3. Distribution of the Solicitation Package and Plan Supplement

V. OVERVIEW OF THE COMPANY'S OPERATIONS

A. The Debtors' Business Operations

The Debtors own and operate the Kelly Hamilton Property, a 110-unit multifamily residential apartment complex located in Pittsburgh, Pennsylvania. The Kelly Hamilton Property serves low-income tenants and participates in various government-supported housing programs, including HUD housing assistance and rent-restricted programs under applicable regulatory agreements. The Debtors' primary business is the ownership, financing, and operation of this single affordable housing asset.

The Kelly Hamilton Property is a vital affordable housing resource in its local community. Rent payments from tenants (including subsidies paid directly by government programs) represent the Debtors' primary source of revenue. The Debtors do not have employees of their own and instead rely on third-party professionals to manage and operate the Kelly Hamilton Property.

An organizational chart depicting the Company's overall ownership structure as, well as identifying those entities that are Debtors in these Chapter 11 Cases, is attached hereto as **Exhibit B**.

B. Property Management and Operations

Prior to these Chapter 11 Cases, the Debtors engaged Lynd Management to serve as the Property Manager for the Kelly Hamilton Property, pursuant to that certain Amended and Restated Property Management Agreement dated as of March 1, 2024. Lynd Management provides on-site personnel and oversees all day-to-day property-level functions, including leasing, maintenance, compliance with regulatory obligations, and the coordination of services for residents.

In addition, LAGSP serves as asset manager for the Debtors pursuant to that certain Asset Management Agreement dated as of March 1, 2024. LAGSP provides strategic oversight of the Kelly Hamilton Property's operations, ensures compliance with financing and regulatory obligations, and assists in capital planning and financial reporting.

All rent and subsidy collections are deposited into operating accounts controlled by the Debtors. In the ordinary course, these funds are used to pay property-level operating expenses, taxes, insurance, and debt service obligations. Prior to the Petition Date, limited liquidity, capital needs, and the legacy deferred maintenance burden impaired the Debtors' ability to stabilize operations and maintain compliance with regulatory standards.

C. Founder Misconduct and Breakdown in Governance

The Debtors are part of a larger real estate portfolio indirectly owned by CBRM and formed by real estate investor Moshe "Mark" Silber and certain affiliated parties (the "**Crown Capital Portfolio**"). The Crown Capital Portfolio holds dozens of multifamily housing projects across the United States, including the Kelly Hamilton Property, and has been historically funded, at least in part, by the federal government's housing assistance programs, such as Section 8. Ultimately, the Crown Capital Portfolio raised hundreds of millions of dollars of financing, including (i) over \$200 million from the sale of bonds issued by Crown Capital and guaranteed by CBRM (the "**Notes**") and (ii) approximately \$450 million of property-level mortgage loans provided by an array of different financing sources.

Silber and certain of his co-investors, including Frederick Schulman, have been targets of extensive investigations by the federal government and certain state authorities. On April 17, 2024, Silber entered into a plea agreement in connection with defrauding the federal government in connection with an affordable housing project (which does not have a presently-identified connection to the Debtors or their past or present activities) (the "**Silber Prosecution-Related Property**"). The plea agreement was entered into with the Fraud Section of the Department of Justice and the United States Attorney for the District of New Jersey for conspiracy to commit wire fraud affecting an institution pursuant to 18 U.S.C. § 371. Schulman also entered into a plea agreement around the same time. Silber was sentenced to 30 months in prison and Schulman was sentenced to 12 months and one day in prison, to be followed by nine months of home confinement. Both have agreed to pay restitution.

A considerable share of the Debtors' distress arises from the fact that many, if not all, of the properties of the Debtors and their affiliates are likely worth much less today than the appraised values which supported the issuance of the Notes and certain of the property-level mortgage loans. Although the reasons for this depreciation remain the subject of active investigation, it may be explained by three factors alone or in combination. First, commencing in 2023, if not earlier, perhaps in part or in whole due to the distraction of the government investigations and eventual prosecution, Silber and Schulman neglected the management of the Crown Capital Portfolio, causing numerous properties or property-holding Debtors or their affiliates

to fall into operational and/or physical disarray, jeopardize their eligibility for affordable housing programs which pay or subsidize all or most of the rent rolls, suffer declining occupancy rates, default on their obligations under their respective loan agreements, allow property-level mortgage loans to mature, fail to defend lawsuits (including the Acquiom litigation discussed *infra*) and become subject to default judgments, and/or become subject to receivership proceedings. Second, the government successfully prosecuted Silber and Schulman in connection with the Silber Prosecution-Related Property for using false or misleading property-level information to obtain inflated appraisals for certain properties, obtaining excessive financing, and then siphoning the surplusage out of Crown Capital. The Debtors are investigating what relevance, if any, this misconduct has to them. Third, many of the properties of the Debtors and their affiliates were valued for the purposes of the issuance of the Notes and some of the property-level mortgages in a period of time — 2021 and 2022 — when multi-family projects such as the Debtors’ were at all-time high values in part due to low interest rates and high investor demand during and after the COVID pandemic — and those properties would likely be worth less today even in the absence of management negligence or intentional misconduct.

D. Appointment of Independent Fiduciary

Once Silber’s plea became public, Silber, as a convicted felon, was effectively disqualified from continuing to manage the Crown Capital Portfolio. The Crown Capital Portfolio’s stakeholders, including investors who purchased the Notes (the “**Noteholders**”), expressed concern about these developments because the Crown Capital Portfolio’s value supported the payment of principal and interest under the Notes.

Following discussions between Mr. Silber’s counsel and the Noteholders’ counsel (Faegre Drinker Biddle & Reath LLP) and financial advisers (at the time, IslandDundon), on August 29, 2024, the parties entered into a forbearance agreement (the “**Forbearance Agreement**”). The Forbearance Agreement addressed various matters involving pending defaults under the Notes and Mr. Silber’s go-forward involvement with the portfolio and established a process to ensure the Crown Capital Portfolio had sufficient fiduciary oversight. The Forbearance Agreement, among other things, required Mr. Silber to appoint an independent fiduciary acceptable to the Noteholders as the sole director of CBRM and Crown Capital and provide that individual with an irrevocable proxy for so long as the obligations under the Forbearance Agreement remained pending.

Thereafter, the Noteholders’ advisors identified numerous potential candidates to serve as independent fiduciary as required by the Forbearance Agreement. On September 26, 2024, the bondholders party to the Forbearance Agreement consented to the appointment of Ms. Elizabeth A. LaPuma—a restructuring professional who for over 20 years has worked as an investment banker and corporate director, including for companies in distress—as the Independent Fiduciary for CBRM and Crown Capital. Since that time, Ms. LaPuma has acted in a fiduciary capacity for those entities and the dozens of other entities directly or indirectly owned by CBRM, including the Debtors.

E. Factors Precipitating the Debtors’ Chapter 11 Filings

Following her appointment, the Independent Fiduciary immediately got to work to maximize the value of the portfolio. The Independent Fiduciary ordered a review of all litigation involving the portfolio, including the systematic identification of defaults, lawsuits, and judgments entered against the properties. In addition, the Independent Fiduciary, with the assistance of entities within Lynd Management, began the process of ensuring that each property owned by the portfolio had sufficient staffing and other resources, with the goal of ensuring that residents had safe, clean homes.

The Independent Fiduciary also took steps to ensure that she and the portfolio had the internal resources to maximize value for all stakeholders. Among other things, she obtained director and officer insurance

(which the Crown Capital Portfolio inexplicably never obtained prior to the Independent Fiduciary's appointment) to enable her to fulfill her duties. The Independent Fiduciary also began providing periodic updates to the Noteholder advisers and steering committee (including weekly calls), engaged an investment advisor to seek refinancing and new capital opportunities for certain portfolio properties, and engaged with other creditors.

These efforts, however, required a pause in any negative enforcement actions contemplated by creditors of the Crown Capital Portfolio, including the Noteholders. Thus, following her appointment, the Independent Fiduciary worked constructively with her advisors and the Noteholders' advisors to extend the Forbearance Agreement in order to allow additional time to restructure the portfolio in a manner which would maximize value for all stakeholders. The Noteholders agreed to extend the Forbearance Agreement through April 14, 2025. However, prior to the expiration of that extension, the Noteholders informed the Independent Fiduciary's advisors that they would not extend the Forbearance Agreement any further.

Around the same time, one of the Debtors' judgment creditors similarly expressed its intent to execute on the Debtors' assets. Specifically, in June 2022, Mr. Silber purportedly entered into that certain Credit Agreement, dated June 2, 2022, between UBS O'Connor LLC, as lender ("**UBS**"), and Acquiom Agency Services LLC ("**Acquiom**"), as administrative agent (the "**Silber Credit Agreement**"). The Silber Credit Agreement was purportedly guaranteed by, among others, CBRM, and was purportedly secured by a pledge by CBRM of its equity in Crown Capital. On March 6, 2024, Acquiom sent a letter to Mr. Silber asserting that a default had occurred under the Silber Credit Agreement resulting from Mr. Silber's failure to timely make certain interest payments which Acquiom asserted were properly due under the Silber Credit Agreement. On May 2, 2024, after failing to receive a response to its letter, Acquiom filed a lawsuit against, among others, Silber and CBRM (the "**UBS Defendants**") to recover the total aggregate principal balance under the Silber Credit Agreement in a suit captioned *Acquiom Agency Services LLC v. Fox Capital LLC et. al.*, Index No. 652265/2024, Supreme Court of the State of New York County of New York, Commercial Division Part 45 (May 2, 2024).

On August 2, 2024, the Supreme Court of the State of New York (the "**New York Court**") granted Acquiom's summary judgment motion and required that Silber repay the amounts outstanding under the Silber Credit Agreement in an amount totaling \$19,185,000 plus interest. On September 5, 2024, the New York Court entered a judgment against the UBS Defendants in the amount of \$21,020,452.60. On September 9, 2024, Acquiom assigned the right to collect on this judgment to Spano. After the assignment, on December 14, 2024, the New York Court entered a property execution order requiring the UBS Defendants to satisfy the judgment and authorizing the Spano to foreclose and collect upon certain assets in satisfaction of its judgment, including CBRM's right, title, and interest in Crown Capital. The Rockland County sheriff was scheduled to conduct a sheriff's sale of certain assets of CBRM, including its equity interest in Crown Capital, on Thursday, May 22, 2025. The sheriff's sale, had it proceeded, would have allowed a prepetition creditor to exercise remedies against CBRM's interest in Crown Capital, the entity overseen by the Independent Fiduciary (a) that issued the Notes, (b) holds significant potential claims and causes of action against Silber and other affiliates, and (c) holds CBRM's interests in the Crown Capital Portfolio. The sheriff's sale, if it had proceeded, would have, therefore, allowed a single prepetition judgment creditor receive a recovery at the expense of other creditors (particularly the Noteholders). The Debtors commenced these chapter 11 cases to maximize value for all of CBRM's creditors.

F. The Debtors' Prepetition Secured Indebtedness

As of the Petition Date, the Debtors' prepetition secured indebtedness consisted of a term loan in the original principal amount of \$3,500,000 (the "**Prepetition Kelly Hamilton Loan**") pursuant to that certain Loan and Security Agreement, dated as of September 20, 2024, between Debtor Kelly Hamilton, as Borrower, and the Kelly Hamilton Lender, as Lender, evidenced by that certain Term Note, dated as of September 20,

2024, by Kelly Hamilton Debtor in favor of the Kelly Hamilton Lender, and secured by an Open-End Commercial Mortgage, Security Agreement and Assignment of Leases and Rents, dated as of September 20, 2024.

G. Prepetition Unsecured Obligations

As of the Petition Date, the Debtors' prepetition unsecured indebtedness consisted of: (a) the Notes, which are a series of three bond issuances, each made under a purported exemption from registration under the Securities Act of 1933, each of which is structured as a series of economically-identical bilateral agreements between the issuer and guarantor thereof, on the one hand, and each note purchaser (principally consisting of insurance companies and wealth management firms), on the other hand, and none of which possesses a trust indenture nor indenture trustee; (b) the obligations under the Silber Credit Agreement to the extent its obligations are validated; (c) operating trade obligations; and (d) obligations to Lynd Management, LAGSP, and providers of professional services to or the payment of which was guaranteed by the Debtors.

VI. OVERVIEW OF THE CHAPTER 11 CASES

A. Commencement of Chapter 11 Cases

On the Petition Date, the Debtors commenced the Chapter 11 Cases. The Debtors continue to manage their properties and operate their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

B. Joint Administration of the Chapter 11 Cases

On May 20, 2025, the Debtors filed a motion seeking joint administration of their Chapter 11 Cases for procedural purposes only [Docket No. 7]. On May 27, 2025, the Bankruptcy Court entered an order granting the motion and directing that the cases be jointly administered under the lead case, *In re CBRM Realty Inc.*, Case No. 25-15343 [Docket No. 51].

C. Complex Chapter 11 Case Designation and Procedures

On May 20, 2025, the Debtors submitted an application to designate the Chapter 11 Cases as complex Chapter 11 cases [Docket No. 10]. On May 28, 2025, the Bankruptcy Court entered an order granting the designation [Docket No. 57]. Subsequently, on June 9, 2025, the Bankruptcy Court entered an order implementing the *Chapter 11 Complex Case Procedures* [Docket No. 122].

D. Cash Management System

On May 23, 2025, the Debtors filed a motion seeking authority to continue using their existing cash management system, maintain their existing bank accounts and business forms, honor related obligations in the ordinary course of business, and continue conducting intercompany transactions. The motion also requested that postpetition intercompany balances be granted superpriority administrative expense status pursuant to sections 503(b) and 507(b) of the Bankruptcy Code [Docket No. 30].

On May 28, 2025, the Bankruptcy Court entered an interim order approving the requested relief on an interim basis [Docket No. 60]. Following a final hearing, the Bankruptcy Court entered a final order on June 18, 2025, authorizing the Debtors to continue operating their cash management system and related practices on a final basis [Docket No. 165]. Pursuant to the final order, the Debtors were authorized to maintain their prepetition cash management structure, including all bank accounts and intercompany funding arrangements, and to continue using their existing checks and business forms, provided that they include a "Debtor in Possession" designation.

E. Authorization of Tenant Reimbursement and Business Operations

On May 23, 2025, the Debtors filed a motion seeking authority to continue to operate their businesses in the ordinary course, including authority to pay certain prepetition obligations that are essential to ongoing operations and necessary to preserve the value of the estates (the “**Ordinary Course Motion**”) [Docket No. 34]. This relief was critical to maintaining stable operations during the early stages of the Chapter 11 Cases and ensuring continuity of services across the Debtors’ real estate portfolio.

Included within the scope of the Ordinary Course Motion was authorization for the Debtors to honor prepetition obligations to tenants, including obligations related to tenant reimbursements. Many of the Debtors’ commercial leases contain provisions requiring the landlords to reimburse tenants for specific capital expenditures or tenant improvements, subject to defined lease terms and conditions. These reimbursements, while prepetition in origin, were viewed as essential to maintaining positive tenant relationships, avoiding litigation, and preserving the ongoing viability of tenancy arrangements that are foundational to the Debtors’ revenue stream.

On June 18, 2025, following notice and a hearing, the Bankruptcy Court entered a final order granting the Debtors authority to make tenant reimbursement payments consistent with the terms of applicable leases, and to continue administering and satisfying those obligations on a go-forward basis without the need for further Court approval [Docket No. 166]. On June 27, 2025, the Court entered a final order granting the Debtors authority to continue their prepetition business operations, policies, and practices, including the authorization to pay taxes and fees, vendor claims, and insurance obligations in the ordinary course of business on a postpetition basis [Docket No. 226].

F. Retention of Chapter 11 Professionals

The Debtors have obtained authority to retain various professionals to assist them in carrying out their duties under the Bankruptcy Code during these Chapter 11 Cases. The Debtors’ professionals include: (i) White & Case LLP as bankruptcy counsel; (ii) Ken Rosen Advisors PC as New Jersey special counsel; (iii) Verita as claims and noticing agent and administrative agent; and (iv) IslandDundon Partners LLC as restructuring advisor and investment banker. The Debtors may seek to retain additional professionals.

G. DIP Financing Motion

On May 28, 2025, the Debtors filed a motion [Docket No. 61] seeking authority to obtain two senior secured superpriority debtor-in-possession (“**DIP**”) financing facilities from the Kelly Hamilton DIP Lender and the NOLA DIP Lenders, respectively.

On June 19, 2025, the Bankruptcy Court approved the Kelly Hamilton DIP Facility on a final basis [Docket No. 178] (the “**Kelly Hamilton DIP Order**”). Pursuant to the Senior Secured Superpriority Debtor-in-Possession Credit Agreement, dated June 23, 2025, the Kelly Hamilton DIP Facility provides up to \$9,705,162 in postpetition financing to the Debtors. The proceeds are to be used, among other things, to pay accrued and unpaid prepetition obligations to the prior secured lender, fund working capital, pay administrative and professional expenses in these Chapter 11 Cases, and preserve the value of low-income, HUD-subsidized multifamily housing owned by the Debtors.

The Kelly Hamilton DIP Facility is secured by first-priority, priming liens on substantially all assets of the Debtors (excluding certain litigation trust assets) and includes superpriority administrative expense claims under section 364(c)(1) of the Bankruptcy Code. The facility provides that the obligations owed to the Kelly

Hamilton DIP Lender are subject only to a defined Carve-Out and a limited reservation of rights respecting the Purported Spano Judgment Lien (as defined in the Kelly Hamilton DIP Order).

On July 2, 2025, the Bankruptcy Court approved the NOLA DIP Facility on a final basis [Docket No. 251] (the “**NOLA DIP Order**”). Pursuant to the Senior Secured Superpriority Debtor-in-Possession Credit Agreement, the NOLA DIP Facility provides for up to \$17,422,728 in postpetition financing to Debtors Crown Capital, RH Chenault Creek LLC, RH Windrun LLC, RH Copper Creek LLC, and RH Lakewind East LLC. Of that amount, approximately \$8,461,524 constitutes new money loans, with the remaining \$8,961,204 representing a roll-up of obligations under the NOLA Debtors’ prepetition first lien loan facilities. The proceeds of the NOLA DIP Facility are to be used to fund working capital, pay administrative and professional expenses in these Chapter 11 Cases, satisfy critical prepetition obligations, and preserve and stabilize the value of the NOLA Debtors’ low-income multifamily properties in New Orleans.

The NOLA DIP Facility is secured by first-priority, priming liens on substantially all assets of the NOLA Debtors and includes superpriority administrative expense claims under section 364(c)(1) of the Bankruptcy Code. The obligations under the NOLA DIP Facility are subject only to a defined Carve-Out and are governed by a budget and reporting protocol similar to the Kelly Hamilton DIP Facility. The final DIP order also provides for the roll-up of prepetition debt upon entry of the final order, without a novation or impairment of existing liens, and reserves certain rights with respect to potential litigation trust assets. For the avoidance of doubt, except to the extent that the NOLA DIP Facility has been indefeasibly repaid in full in Cash or the NOLA DIP Lenders and the Independent Fiduciary otherwise agree in writing, the Plan does not modify or otherwise affect any obligations of the Debtors arising under or related to the NOLA DIP Facility.

H. Utilities Motion

On June 10, 2025, the Debtors filed a motion seeking entry of interim and final orders to establish adequate assurance procedures and to prevent utility companies from altering, refusing, or discontinuing service due to the commencement of the Chapter 11 Cases (the “**Utilities Motion**”) [Docket No. 125]. The Utilities Motion was critical to ensuring uninterrupted utility services to the Debtors’ affordable housing projects across multiple states. The Debtors proposed to deposit approximately \$67,025 into a segregated account as adequate assurance for utility providers, in addition to maintaining their historical payment practices.

On July 10, 2025, the Bankruptcy Court entered a final order granting the relief requested in the Utilities Motion [Docket No. 279].

I. Lynd Management and LAGSP Contract Assumption

On June 11, 2025, the Debtors filed a motion [Docket No. 128] seeking authority to assume critical prepetition property management and staffing contracts with Lynd Management and LAGSP, which provided essential onsite and centralized services to the Debtors’ multifamily housing portfolio. The Debtors determined that assumption of these contracts was necessary to preserve value and maintain operational stability, particularly given Lynd Management and LAGSP’s provision of critical property management and asset management services that are essential to maintaining compliance with regulatory requirements (including HUD requirements) and safeguarding resident health and safety. Continued engagement of Lynd Management and LAGSP was also integral to preserving the value of the Kelly Hamilton Property and ensuring uninterrupted, compliant operations throughout the chapter 11 process.

On June 18, 2025, the Court entered an order [Docket No. 171] authorizing assumption of the contracts. In connection with that assumption, the Debtors agreed to pay a total cure amount of \$953,240.81 to Lynd

Management and LAGSP. Of that amount, \$275,000 was payable in cash upon entry of the order, with the remaining \$678,240.81 to be treated as an allowed administrative expense under sections 365(b) and 503(b) of the Bankruptcy Code and paid in accordance with the Plan's treatment of General Administrative Claims.

This arrangement provided immediate liquidity to Lynd Management and LAGSP and preserved its continued postpetition services while deferring the balance of the cure costs in a manner that aligned with the Debtors' liquidity constraints. The assumption of the Lynd Management and LAGSP contracts helped ensure continuity in essential property operations while supporting the Debtors' broader restructuring efforts.

J. Schedules and Statements and Claims Bar Dates

On June 27, 2025, the Court entered an order [Docket No. 227] approving the establishment of deadlines for filing proofs of claim. The order established: (i) 5:00 p.m. (prevailing Eastern Time) on July 28, 2025, as the general bar date for all non-governmental creditors to file proofs of claim against the Debtors (the "**Claims Bar Date**"); (ii) 5:00 p.m. (prevailing Eastern Time) on November 17, 2025, as the deadline for governmental units to file claims (the "**Governmental Bar Date**"); (iii) the later of (a) the Claims or Governmental Bar Date, as applicable, or (b) 30 days after entry of an order authorizing rejection of an executory contract or unexpired lease, as the deadline for claims arising from such rejection (the "**Rejection Damages Bar Date**"); and (iv) the later of (a) the Claims or Governmental Bar Date, as applicable, or (b) 21 days following service of an amendment to a Debtor's Schedules, as the deadline for affected creditors to file claims in response (the "**Amended Schedules Bar Date**").

The Debtors intend to serve all required Bar Date Notices promptly upon entry of the Bar Date Order and have engaged Verita to facilitate notice and claims administration.

On June 24, 2025, the Debtors filed their Schedules of Assets and Liabilities and Statements of Financial Affairs (the "**Schedules and Statements**") pursuant to section 521 of the Bankruptcy Code. These filings included individual Schedules and Statements for CBRM, Crown Capital, Kelly Hamilton MM LLC, and Kelly Hamilton [Docket Nos. 188-191].⁶ The Schedules and Statements were prepared based on information available to the Debtors as of the Petition Date and are subject to further amendment or supplementation as discovery continues.

K. Motion to Dismiss the Chapter 11 Case of RH Lakewind East LLC

On June 1, 2025, Cleveland International Fund – NRP West Edge Ltd. ("**CIF**") filed a motion to dismiss the Chapter 11 case of RH Lakewind East LLC ("**Lakewind**") pursuant to sections 1112(b) and 305(a) of the Bankruptcy Code [Docket No. 87]. CIF alleged that Lakewind's bankruptcy petition was not filed in good faith and that dismissal was warranted based on purported bad faith and lack of legitimate reorganization purpose.

Following negotiations among the Debtors, CIF, and other stakeholders, and in connection with the settlement embodied in the NOLA DIP Order, CIF agreed to withdraw the motion with prejudice. Pursuant to paragraph 9 of the NOLA DIP Order, entry of that order constituted CIF's agreement to permanently withdraw its motion to dismiss and to waive further litigation or objection concerning the subject matter of

⁶ The Schedules for CBRM Realty Inc. were amended on July 2, 2025 [Docket No. 252] to reflect updates to Schedules D, E/F, and the Summary of Assets and Liabilities for Non-Individuals. Additional amendments may be made as necessary.

that motion. Accordingly, the motion to dismiss was deemed withdrawn with prejudice upon entry of the NOLA DIP Order.

L. Adversary Proceeding Commenced by Cleveland International Fund

On June 25, 2025, CIF commenced the adversary proceeding styled *Cleveland International Fund – NRP West Edge Ltd. and Laguna Reserve Apts Investor LLC v. CKD Funding, LLC and CKD Investor Penn LLC*, Adv. Proc. No. 25-01269, asserting claims related to the financing structure of certain Crown Capital Portfolio entities.

The Debtors and other stakeholders disputed CIF's standing to prosecute the claims asserted in the adversary proceeding. Before any responsive pleadings were filed, CIF voluntarily dismissed the adversary proceeding on the basis that it lacked standing to pursue the asserted claims.

Thereafter, as part of the settlement embodied in the NOLA DIP Order, CIF agreed to waive and release any further challenges related to the subject matter of the adversary proceeding. Pursuant to paragraph 9 of the NOLA DIP Order, CIF also agreed not to initiate or pursue further litigation or objections concerning the Debtors' governance structure or restructuring process to the extent addressed in the adversary proceeding or resolved in connection with the settlement.

M. Bidding Procedures and Stalking Horse Motion

On July 11, 2025, the Debtors filed the Bidding Procedures Motion [Docket No. 281] seeking entry of an order (the "**Bidding Procedures Order**"), among other things, approving bidding procedures (the "**Bidding Procedures**") in connection with the proposed sale of the Kelly Hamilton Property pursuant to the Plan. The Bidding Procedures are designed to provide a transparent, competitive, and court-supervised process through which interested parties may submit proposals to acquire the Kelly Hamilton Property or sponsor an alternative plan transaction. The process ensures that all qualified bids are solicited, reviewed, and evaluated in a manner consistent with the milestones and confirmation timeline outlined in the motion to approve this Disclosure Statement and the associated solicitation procedures.

In connection with the Bidding Procedures, the Debtors also sought authority to enter into the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement establishes the baseline bid for the Kelly Hamilton Property and sets forth the proposed terms of the Kelly Hamilton Sale Transaction, including a credit bid of the Kelly Hamilton DIP Claims, the potential assumption or refinancing of certain liabilities, and other related considerations. The Bidding Procedures Motion also sought customary bid protections for the Kelly Hamilton Purchaser, including a break-up fee of \$250,000, as provided in the Kelly Hamilton Purchase Agreement.

On July 24, 2025, the Bankruptcy Court entered the Bidding Procedures Order [Docket No. 325], approving the Bidding Procedures, the Kelly Hamilton Purchase Agreement, the bid protections, and all related relief requested in the Bidding Procedures Motion. The Bidding Procedures establish a value-maximizing process through which interested parties may submit competing proposals to acquire the Kelly Hamilton Property or to sponsor an alternative plan transaction. If one or more qualifying bids are received, the Debtors will conduct an auction on August 18, 2025, to determine the highest or otherwise best offer. The deadline to submit bids is August 14, 2025 at 4:00 p.m. (prevailing Eastern Time). A hearing to consider confirmation of the Plan and approval of the sale transaction is scheduled for September 4, 2025.

N. Retention and Compensation of Professionals

On July 8, 2025, the Debtors filed the *Debtors' Motion for Entry of an Order Authorizing Employment and Payment of Professionals Utilized in the Ordinary Course of Business* [Docket No. 270] (the “**Ordinary Course Professionals Motion**”). Pursuant to the Ordinary Course Professionals Motion, the Debtors sought authority to retain and compensate certain professionals utilized in the ordinary course of business without the need to file individual retention applications for each such professional, subject to certain procedures and monthly payment caps. On July 24, 2025, the Court entered an order granting the relief requested in the Ordinary Course Professionals Motion [Docket No. 270].

Also on July 8, 2025, the Debtors filed the *Debtors' Motion for Entry of an Administrative Fee Order Establishing Procedures for the Allowance and Payment of Interim Compensation and Reimbursement of Expenses of Professionals Retained by Order of the Court* [Docket No. 272] (the “**Interim Compensation Motion**”). The Interim Compensation Motion requested approval of procedures for the interim allowance and payment of fees and reimbursement of expenses of professionals retained pursuant to sections 327 and 1103 of the Bankruptcy Code. On July 24, 2025, the Court entered an order granting the relief requested in the Interim Compensation Motion [Docket No. 324].

O. Disputed Spano CBRM Claim and Spano Adversary Proceeding

As described in greater detail above, Acquiom obtained a prepetition judgment against CBRM in connection with guarantees provided under the Silber Credit Agreement, which judgment was subsequently assigned to Spano. That judgment included, among other actions, a scheduled sheriff's sale of CBRM's equity interests in Crown Capital that was stayed by the commencement of these Chapter 11 Cases.

On July 15, 2025, Spano filed a proof of claim against CBRM (Claim No. 4), asserting a secured claim in the amount of approximately \$21.1 million based on the prepetition judgment and a purported lien. In response, on July 18, 2025, CBRM filed a complaint in the Bankruptcy Court against Spano and Acquiom, initiating an adversary proceeding captioned *CBRM Realty Inc. v. Spano Investor LLC (In re CBRM Realty Inc.)*, Adv. Pro. No. 25-01295, Case No. 25-15343 (Bankr. D.N.J. July 18, 2025) (the “**Spano Adversary Proceeding**”) [Docket No. 1] (the “**Complaint**”).

The Complaint alleges, among other things, that in June 2022, Mr. Silber entered into a credit agreement with Acquiom and certain lenders and subsequently received an aggregate amount of \$19 million of loan proceeds prior to November 2023. In November 2023, Mr. Silber caused CBRM to become a guarantor under the credit agreement via an amendment to the governing guaranty agreement. Mr. Silber also received an additional \$7.75 million of loan proceeds under the credit agreement. In May 2025, Acquiom filed suit against the guarantors in New York state court under the relevant loan documents. On September 5, 2024, Acquiom received a judgment against the guarantors, including CBRM, in the amount of approximately \$21 million. Acquiom subsequently assigned the judgment to Spano. On or around December 13, 2024, Spano delivered a property execution letter to the Rockland County Sheriff, resulting in a purported judgment lien on CBRM's property. The corresponding levy was served on CBRM's counsel, White & Case LLP, on January 15, 2025. The Complaint alleges that the levy expired 90 days after service if CBRM's property was not transferred to the sheriff—and that no such transfer occurred.

The Complaint seeks to avoid CBRM's guaranty as a constructively fraudulent transfer pursuant to sections 544 and 548 of the Bankruptcy Code and to avoid the purported judgment lien as unperfected as of the Petition Date under section 544 of the Bankruptcy Code. In addition, the Complaint seeks disallowance of Spano's proof of claim in its entirety or, in the alternative, a determination that Spano holds only an unsecured claim.

The Complaint asserts five causes of action, including: (i) avoidance and recovery of the guaranty as a constructively fraudulent transfer under sections 544, 548, 550, and 551, against Spano and Acquiom; (ii) avoidance and recovery of the purported lien under sections 544, 550, and 551, against Spano and Acquiom; (iii) disallowance of the defendants' claims under section 502(d), against Spano and Acquiom; (iv) disallowance of Spano's claim under section 502(b), against Spano; and (v) recharacterization and/or disallowance of Spano's claim as unsecured under sections 502 and 506, against Spano.

Spano disputes all of the allegations asserted in the Spano Adversary Proceeding and has expressly reserved all rights, claims, and defenses in connection therewith.

On July 30, 2025, the Debtors, Spano, and Acquiom executed the Spano Stipulation, which was filed with the Bankruptcy Court and will become effective upon entry of an order approving it. Pursuant to the Spano Stipulation, the Spano CBRM Claim shall be deemed Allowed in the amount of \$21,118,881.01 solely for voting purposes under section 1126 of the Bankruptcy Code, without prejudice to Spano's position that its Claim is secured and supported by valid, enforceable liens and security interests. The Plan has been amended to provide for a separate class for the Spano CBRM Claim, and Spano has agreed to vote to accept the Plan in that class. The Spano Stipulation expressly reserves all parties' rights with respect to the classification, allowability, priority, and secured status of the Spano CBRM Claim.

The Spano Adversary Proceeding and related claim objections will be stayed in their entirety and may resume only if, after the Effective Date, the Creditor Recovery Trustee makes a good-faith determination that value is available for distribution to creditors of CBRM after the payment in full of all Allowed Claims against CBRM's subsidiaries. Spano will receive thirty (30) days' advance written notice of such determination and may file an objection with the Bankruptcy Court within thirty (30) days of receiving such notice. If the Creditor Recovery Trustee determines no such value is available, the Spano Adversary Proceeding shall be dismissed with prejudice. If value is determined to be available, the Spano Adversary Proceeding shall resume in accordance with a mutually agreed-upon schedule, unless otherwise resolved.

Spano has also agreed to support confirmation and consummation of the Plan by timely submitting a ballot accepting the Plan. Under the Spano Stipulation, Spano is entitled to consultation rights regarding the identity of the Creditor Recovery Trustee and will receive quarterly reports regarding the administration of the Creditor Recovery Trust, subject to confidentiality obligations. While expressly reserving all rights against Moshe (Mark) Silber and other non-Debtors, Spano has agreed to use commercially reasonable efforts to respond to inquiries from the Creditor Recovery Trustee regarding potential claims against non-released parties, including Excluded Parties. Spano has no obligation to respond if doing so would interfere with its rights or violate a confidentiality obligation, and shall not be required to incur costs unless the Creditor Recovery Trustee pays or agrees to reimburse them. Each party will bear its own costs and expenses in connection with the Spano Stipulation. For the avoidance of doubt, Spano shall not be treated as a Contributing Claimant under the Plan, and nothing in the Plan or Spano Stipulation shall affect or impair Spano's rights or claims against Moshe (Mark) Silber or any other non-Debtor.

VII. SUMMARY OF THE MATERIAL TERMS OF THE PLAN

The Kelly Hamilton Sale Transaction will be implemented through the Plan via a court-approved sale of substantially all assets of Debtor Kelly Hamilton to the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement, or, if applicable, to a higher or otherwise better bidder selected through the Court-approved auction process.

The Kelly Hamilton Purchase Agreement contemplates, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption or refinancing of certain

liabilities, and the payment of cure amounts for assigned executory contracts, as well as other forms of consideration. If the Kelly Hamilton Purchase Agreement is terminated and an alternative transaction is consummated through the auction, the Plan will be funded using the consideration provided by the successful bidder.

Proceeds from the Kelly Hamilton Sale Transaction, together with other available assets—including Cash on hand, proceeds from the Kelly Hamilton DIP Facility, and other consideration realized in connection with the Sale Process—will be used to fund distributions to creditors in accordance with the Plan. The Plan also contemplates the establishment of the Creditor Recovery Trust.

The specific sources and uses of consideration, including any modifications resulting from the outcome of the auction or changes to the Kelly Hamilton Sale Transaction, will be set forth in the Plan Supplement.

IX. CERTAIN TAX CONSEQUENCES OF THE PLAN

A. General Tax Considerations

The following discussion is a summary of certain material U.S. federal income tax consequences from the consummation of the Plan to Holders entitled to vote to accept or reject the Plan and the Creditor Recovery Trust, is for general information purposes only, and should not be relied upon for purposes of determining the specific tax consequences of the Plan with respect to a particular Holder of a Claim. This discussion does not purport to be a complete analysis or listing of all potential tax considerations. This discussion does

not address aspects of U.S. federal income taxation that may be relevant to a particular Holder of a Claim subject to special treatment under U.S. federal income tax laws (such as broker dealers; traders in securities that elect to use a mark-to-market method of accounting for securities holdings; banks; thrifts; insurance companies; financial institutions; regulated investment companies; real estate investment trusts; pension plans; partnerships (or other entities or arrangements treated as a partnership for U.S. federal income tax purposes) or a partner, member or owner therein; persons that hold a Claim as part of a straddle or a hedging, conversion or constructive sale transaction; persons whose functional currency is not the U.S. dollar and other tax exempt investors). This summary does not discuss any aspects of state, local or foreign tax laws or any U.S. federal estate or gift tax considerations. Furthermore, this summary does not address all of the U.S. federal income tax consequences that may be relevant to a Holder of a Claim, such as the potential application of the alternative minimum tax.

This discussion is based on existing provisions of the Internal Revenue Code of 1986, as amended (the “IRC”), existing and proposed Treasury Regulations promulgated thereunder, and current administrative rulings and court decisions. Legislative, judicial, or administrative changes or interpretations enacted or promulgated after the date hereof could alter or modify the analyses set forth below with respect to the federal income tax consequences of the Plan. Any such changes or interpretations may be retroactive and could significantly affect the federal income tax consequences of the Plan.

No ruling has been or will be requested or obtained from the Internal Revenue Service (the “IRS”) with respect to any tax aspects of the Plan and no opinion of counsel has been or will be sought or obtained with respect thereto. No representations or assurances are being made to the Holders of Claims or Interests with respect to the U.S. federal income tax consequences described herein.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING OR ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A PARTICULAR HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS STRONGLY URGED TO CONSULT WITH ITS OWN TAX ADVISORS REGARDING THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. INCOME, ESTATE, AND OTHER TAX CONSEQUENCES OF THE PLAN.

B. U.S. Federal Income Tax Consequences to Holders of Claims

1. Consequences of U.S. Holders of Claims

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of a Claim that is, for U.S. federal income tax purposes:

- an individual citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States, any state therein or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all substantial decisions of the trust or otherwise if the trust has a valid election in effect under current Treasury regulations to be treated as a United States person.

A “Non-U.S. Holder” is any Holder that is not a U.S. Holder or a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes). If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder of a Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or other beneficial owner) and the activities of the partner (or other beneficial owner) and the entity. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Claims should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

The federal income tax consequences of the implementation of the Plan to a U.S. Holder of Claims will depend, among other things, upon the origin of the Holder’s Claim, when the Holder receives payment in respect of such Claim, whether the Holder reports income using the accrual or cash method of tax accounting, whether the Holder acquired its Claim at a discount and whether the Holder has taken a bad debt deduction with respect to such Claim.

(a) Kelly Hamilton Go-Forward Trade Claims

Each holder of a Kelly Hamilton Go-Forward Trade Claim will be entitled to receive substantially all assets of Debtor Kelly Hamilton pursuant to the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement provides for, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption of certain liabilities, and the payment of cure amounts for assigned executory contracts.

Holders of Kelly Hamilton Go-Forward Trade Claims generally will recognize gain or loss on the receipt of such assets in exchange for the Kelly Hamilton DIP Facility in an amount equal to the difference between (i) the fair market value on the date of the exchange of such assets, less any liabilities (other than in consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder’s taxable income). Holders of Kelly Hamilton Go-Forward Trade Claims are expected to have a fair market value tax basis in the assets acquired.

(b) Other Kelly Hamilton Unsecured Claims

Each Holder of an Allowed Other Kelly Hamilton Unsecured Claim will receive its Pro Rata share of the Debtors’ Cash on hand as of the Effective Date following the payment of all Allowed General Administrative Claims, Allowed Priority Tax Claims, Allowed Kelly Hamilton DIP Claims, Allowed Other Priority Claims, and Allowed Secured Claims in full.

Holders of Allowed Other Kelly Hamilton Unsecured Claims generally will recognize gain or loss in an amount equal to the difference between (i) the amount of any Cash received by the Holder (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder’s taxable income).

(c) Crown Capital Unsecured Claims and CBRM Unsecured Claims

Each Holder of an Allowed Crown Capital Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust, and, solely to the extent that each Allowed Crown Capital Unsecured Claim is paid in full, each Holder of an Allowed CBRM Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust.

As described more fully below, Holders of Allowed Crown Capital Unsecured Claim and Allowed CBRM Unsecured Claims generally will recognize gain or loss in an amount equal to the difference between (i) the fair market value of each Holder's Pro Rata Share of the Creditor Recovery Trust Assets (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder's taxable income).

When gain or loss is recognized, such gain or loss may be long-term capital gain or loss if the Claim disposed of is a capital asset in the hands of the U.S. Holder and has been held for more than one year (subject to the rules discussed below regarding market discount). Each U.S. Holder of a Claim should consult its own tax advisor to determine whether gain or loss recognized by such Holder will be long-term capital gain or loss and the specific tax effect thereof on such Holder.

(i) Character of Gain or Loss

When gain or loss is recognized by a U.S. Holder, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss is determined by a number of factors, including the tax status of the U.S. Holder, whether the U.S. Holder's Claim constitutes a capital asset in the hands of the U.S. Holder and how long it has been held, whether such Claim was acquired at a market discount, and whether and to what extent the U.S. Holder previously claimed a bad debt deduction in respect of the Claim. Each U.S. Holder of a Claim should consult its own tax advisor to determine whether gain or loss recognized by such Holder will be long-term capital gain or loss and the specific tax effect thereof on such Holder.

(ii) Accrued but Unpaid Interest

Pursuant to Article VI.F of the Plan, all distributions in respect of Allowed Claims will be allocated first to the principal amount of the Allowed Claim (as determined for federal income tax purposes), with any excess allocated to accrued but unpaid interest. However, there is no assurance that such allocation would be respected by the IRS for federal income tax purposes. In general, to the extent any amount received (whether cash or other property) by a U.S. Holder of a debt instrument is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the Holder as interest income (if not previously included in the Holder's gross income under the Holder's normal method of accounting). Conversely, a U.S. Holder generally recognizes a deductible loss to the extent any accrued interest claimed was previously included in its gross income and is not paid in full. Each U.S. Holder of Claims is urged to consult its own tax advisor regarding the allocation of consideration and the taxation or deductibility of unpaid interest for tax purposes.

(iii) Market Discount

U.S. Holders of Claims receive Cash or other property in respect of their Claims may be affected by the "market discount" provisions of the sections 1276 through 1278 of the IRC. Under these rules, some or all of the gain realized by a U.S. Holder may be treated as ordinary income (instead of capital gain), to the extent of the amount of "market discount" on such Claims.

In general, a debt obligation with a fixed maturity of more than one year that is acquired by a holder on the secondary market (or, in certain circumstances, upon original issuance) is considered to be acquired with "market discount" as to that holder if the debt obligation's stated redemption price at maturity (or revised issue price, in the case of a debt obligation issued with original issue discount) exceeds the tax basis of the debt obligation in the holder's hands immediately after its acquisition. However, a debt obligation will not be a "market discount bond" if such excess is less than a statutory de minimis amount (equal to 0.25 percent

of the debt obligation's stated redemption price at maturity or revised issue price, in the case of a debt obligation issued with original issue discount).

Any gain recognized by a U.S. Holder on the taxable disposition of Claims (determined as described above) that were acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while the Claims were considered to be held by a U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued).

(iv) Limitation on Use of Capital Losses

A U.S. Holder who recognizes capital losses will be subject to limits on their use of capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods) plus ordinary income to the extent of the lesser of (a) \$3,000 (\$1,500 for married individuals filing separate returns) or (b) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them to capital gains and a portion of their ordinary income for an unlimited number of years. For corporate U.S. Holders, losses from the sale or exchange of capital assets may only be used to offset capital gains. A corporate U.S. Holder who has more capital losses than can be used in a tax year may be allowed to carry over the excess capital losses for use in succeeding tax years. Corporate U.S. Holders may only carry over unused capital losses for the five years following the capital loss year, but are allowed to carry back unused capital losses to the three years preceding the capital loss year.

(v) Medicare Tax

Certain U.S. Holders that are individuals, estates, or trusts are required to pay an additional 3.8 percent tax on, among other things, interest, dividends and gains from the sale or other disposition of capital assets. U.S. Holders that are individuals, estates, or trusts should consult their own tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of any consideration to be received under the Plan.

2. Consequences to Non-U.S. Holders of Claims.

The following discussion addresses some of the U.S. federal income tax consequences to a beneficial owner of a Claim is a Non-U.S. Holder. The following discussion includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders. This discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Each Non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, local, non-U.S., and non-income tax consequences of the consummation of the Plan to such Non-U.S. Holder.

(a) Gain Realized / Income Allocated to Non-U.S. Holders

Whether a non-U.S. Holder realizes gain or loss on the exchange and the amount of such gain or loss is generally determined in the same manner as set forth above in connection with U.S. Holders.

(b) Gain/Income Recognition by Non-U.S. Holders

Any gain realized by a Non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless: (a) except as otherwise covered by clause (b) below, (i) with respect to capital gains, the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Plan becomes effective and certain other conditions are met or

(ii) with respect to income other than capital gains, the income is otherwise deemed to be derived from U.S. sources, or (b) such gain and/or income is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and, if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business in the United States in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a Non-U.S. Holder is a corporation, it may be subject to a "branch profits tax" equal to 30 percent (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

(c) Accrued Interest

Subject to the discussion of backup withholding and FATCA below, payments to a Non-U.S. Holder that are attributable to accrued but unpaid interest with respect to the Claims generally will not be subject to U.S. federal income or withholding tax; provided that the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the Non-U.S. Holder is not a U.S. person, unless:

- the Non-U.S. Holder actually or constructively owns 10 percent or more of the capital or profits interest in the "regarded" owner of the applicable Debtor for U.S. federal income tax purposes;
- the Non-U.S. Holder is a "controlled foreign corporation" that is a "related person" with respect to the Owner (each, within the meaning of the IRC);
- the Non-U.S. Holder is a bank receiving interest described in IRC Section 881(c)(3)(A); or
- such interest is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States (in which case, provided the Non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the Non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued interest at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty)).

A Non-U.S. Holder that does not qualify for the exemption from withholding tax with respect to accrued but unpaid interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a 30% rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on any payments that are attributable to accrued but unpaid interest. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business. In addition, a corporate Non-U.S. Holder may, under certain circumstances, be subject to an additional "branch profits tax" at a 30 percent rate (or such lower rate provided by an applicable income tax treaty) on its effectively connected earnings and profits attributable to such interest (subject to adjustments).

The certifications described above must be provided to the applicable withholding agent prior to the payment of interest. Non-U.S. Holders that do not timely provide the applicable withholding agent with the required certification, but that qualify for a reduced rate under an applicable income tax treaty, may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS. Non-U.S. Holders should consult their tax advisors regarding their entitlement to benefits under any applicable income tax treaty.

(d) FATCA

Under the Foreign Account Tax Compliance Act (“FATCA”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.”

For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding. Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules on such Non-U.S. Holder’s exchange of its Claim.

3. Creditor Recovery Trust

Subject to any applicable law or definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Debtors expect to treat the Creditor Recovery Trust as a “liquidating trust” under section 301.7701-4(d) of the Treasury Regulations and a grantor trust under section 671 of the IRC, and the trustee of the Creditor Recovery Trust will take a position on the Creditor Recovery Trust’s tax return accordingly. For U.S. federal income tax purposes, the transfer of assets to the Creditor Recovery Trust will be deemed to occur as (a) a first-step transfer of the Creditor Recovery Trust Assets to the Holders of the applicable Claims, and (b) a second-step transfer by such Holders to the Creditor Recovery Trust.

No request for a ruling from the IRS is expected to be sought on the classification of the Creditor Recovery Trust. Accordingly, there can be no assurance that the IRS would not take a contrary position regarding the classification of the Creditor Recovery Trust. If the IRS were to successfully challenge the classification of the Creditor Recovery as a grantor trust, the federal income tax consequences to the Creditor Recovery Trust and the Creditor Recovery Trust beneficiaries could vary from those discussed in the Plan (including the potential for an entity-level tax). For example, the IRS could characterize the Creditor Recovery Trust as a so-called “complex trust” subject to a separate entity-level tax on its earnings, except to the extent that such earnings are distributed during the taxable year.

As soon as possible after the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust, the trustee(s) of the Creditor Recovery Trust shall make a good faith valuation of the Creditor Recovery Trust Assets. This valuation will be made available from time to time, as relevant for tax reporting purposes. Each of the Debtors, the trustee(s) of the Creditor Recovery Trust, and the Holders of Claims receiving interests in the Creditor Recovery Trust shall take consistent positions with respect to the valuation of the Creditor Recovery Trust Assets, and such valuations shall be utilized for all U.S. federal income tax purposes.

Allocations of taxable income and loss of the Creditor Recovery Trust among the Creditor Recovery Trust beneficiaries shall be determined, as closely as possible, by reference to the amount of distributions that would be received by each such beneficiary if the Creditor Recovery Trust had sold all of the Creditor Recovery Trust Assets at their tax book value and distributed the proceeds to the Creditor Recovery Trust beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent

distributions from the Creditor Recovery Trust. The tax book value of the Creditor Recovery Trust Assets shall equal their fair market value on the date of the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust, adjusted in accordance with tax accounting principles prescribed by the IRC, applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

The Creditor Recovery Trust shall in no event be dissolved later than five (5) years from the creation of such Creditor Recovery Trust unless the Bankruptcy Court, upon motion within the six (6) month period prior to the fifth (5th) anniversary (or within the six (6) month period prior to the end of an extension period), determines that a fixed period extension (not to exceed five (5) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the trustee(s) of the Creditor Recovery Trust that any further extension would not adversely affect the status of the trust as a Creditor Recovery trust for U.S. federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Creditor Recovery Trust Assets.

The Creditor Recovery Trust will file annual information tax returns with the IRS as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations that will include information concerning certain items relating to the holding or disposition (or deemed disposition) of the Creditor Recovery Trust Assets (e.g., income, gain, loss, deduction, and credit). Each Creditor Recovery Trust beneficiary holding a beneficial interest in the Creditor Recovery Trust will receive a copy of the information returns and must report on its federal income tax return its share of all such items. The information provided by the Creditor Recovery Trust will pertain to Creditor Recovery Trust beneficiaries who receive their interests in the Creditor Recovery Trust in connection with the Plan.

4. Information Reporting and Backup Withholding

Under the backup withholding rules, a Holder of a Claim may be subject to backup withholding with respect to Distributions or payments made pursuant to the Plan unless that Holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact, or (b) provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional tax, but merely an advance payment that may be refunded to the extent it results in an overpayment of tax.

The foregoing discussion is intended only as a summary of certain income tax consequences of the Plan and is not a substitute for careful tax planning with a tax professional. The above discussion is for informational purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a Holder's particular circumstances. Accordingly, Holders are urged to consult their tax advisors about the United States federal, state and local, and applicable foreign income and other tax consequences of the Plan.

X. RISK FACTORS

Before voting to accept or reject the Plan, Holders of Claims or Interests entitled to vote should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Plan or its implementation.

A. Risks Relating to the Debtors' Business Operations and Financial Condition

1. General Economic Conditions

The Debtors' ability to consummate the Kelly Hamilton Sale Transaction may be affected by broader macroeconomic conditions, including rising interest rates, inflationary pressures, labor market disruptions, volatility in the housing market, investor sentiment, and geopolitical instability. Such factors may negatively impact real estate valuations, the availability of financing, and the willingness of potential purchasers to consummate transactions on favorable terms. While the Plan assumes a relatively stable economic environment, no assurance can be given that such conditions will continue through the expected closing.

2. Risk of Failure to Consummate the Sale Transaction

The Plan is premised on the successful completion of the Kelly Hamilton Sale Transaction, either with the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement or with a higher or otherwise higher bidder selected through the Sale Process. If the Debtors are unable to consummate a transaction—whether due to failure to satisfy closing conditions, lack of Court approval, or an unsuccessful auction process—the Debtors could face immediate liquidity constraints. In such event, the Debtors may be forced to pursue an alternative restructuring or wind-down strategy, which could result in materially lower recoveries for creditors.

3. Limited Continuing Operations

Following the consummation of the Kelly Hamilton Sale Transaction, the Debtors do not expect to continue operations as going concerns. As a result, many risks typically associated with ongoing business activities—such as tenant turnover, market competition, or long-term access to capital—are less relevant. However, operational issues arising prior to the Effective Date, including delays in closing or transitional disruptions, could adversely impact Plan implementation and creditor recoveries.

4. Performance of Property Manager

The Debtors rely on their property manager, Lynd Management, to manage day-to-day operations of the Kelly Hamilton Property. Any failure by Lynd Management to perform its obligations under the property management agreement—whether due to operational, financial, or staffing issues—could impair property performance, impact tenant relations, and reduce the attractiveness of the Property to potential buyers. Such issues could, in turn, delay or reduce proceeds from the Kelly Hamilton Sale Transaction.

5. Risk Related to HUD HAP Contract Assignment

A portion of the Kelly Hamilton Property's revenue is derived from a HAP Contract administered by HUD. The Kelly Hamilton Purchase Agreement contemplates the assignment of the HAP Contract to the Kelly Hamilton Purchaser. However, such assignment requires HUD's review and approval, which may be subject to procedural delays or substantive issues. There is no assurance that HUD will act promptly or consent to the assignment on the timeline contemplated by the Sale Transaction. Any delay or failure to assign the HAP Contract could jeopardize the transaction, reduce the value of the Property, or adversely impact Plan recoveries.

B. Risks Related to Bankruptcy Law

1. Risk of Non-Confirmation of the Plan

Although the Debtors believe that the Plan satisfies all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtors can make no assurances that they will receive the requisite acceptances to confirm the Plan, and even if all Voting Classes vote in favor of the Plan or the requirements for “cram down” are met with respect to any Class that rejects or is deemed to reject the Plan, the Bankruptcy Court may exercise discretion as a court of equity and choose not to confirm the Plan. If the Plan is not confirmed, it is unclear what distributions Holders of Claims or Interests would ultimately receive with respect to their Claims or Interests in a subsequent plan of reorganization or otherwise.

2. Non-Consensual Confirmation

If any impaired class of Claims or Interests does not accept or is deemed not to accept a plan of reorganization, a Bankruptcy Court may nevertheless confirm such plan at the proponent’s request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any “insider” in such class), and as to each impaired class that has not accepted the plan, the Bankruptcy Court determines that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting impaired classes. If any Class votes to reject or is deemed to reject the Plan, then these requirements must be satisfied with respect to such rejecting Class. The Debtors believe that the Plan satisfies these requirements.

3. Risk of Failure to Consummate the Kelly Hamilton Sale Transaction

The Plan is predicated on the consummation of the Kelly Hamilton Sale Transaction. If the sale is not consummated, including due to termination of the Kelly Hamilton Purchase Agreement, the Debtors may be required to pursue an alternative transaction or, if none is viable, consider converting the Chapter 11 Cases to chapter 7. There is no assurance that an alternative transaction could be proposed, supported by stakeholders, or successfully implemented in time to avoid value erosion or liquidation.

4. Risk Related to Wind-Down and Plan Implementation

The Plan contemplates a Wind-Down of the Debtors’ Estates following consummation of the Kelly Hamilton Sale Transaction, including the creation of the Creditor Recovery Trust. Execution of the Wind-Down and administration of post-Effective Date responsibilities depends on various factors, including sufficient funding and the ability of the Creditor Recovery Trustee to realize value from retained causes of action. Delays, disputes, or unforeseen liabilities could reduce the proceeds ultimately available to distribute to creditors.

5. Risk That the NOLA DIP Proceeds May Not Be Available for the Creditor Recovery Trust

The Plan contemplates that, under certain conditions, \$1,000,000 in proceeds from the NOLA DIP Facility may be included in the Creditor Recovery Trust Amount and transferred to the Creditor Recovery Trust on the Effective Date. However, this transfer is subject to the consummation of a NOLA Restructuring Transaction (as defined in the NOLA DIP Order), the written agreement of the NOLA DIP Lenders and the Independent Fiduciary, or further order of the Bankruptcy Court. If none of these conditions are satisfied, such proceeds will not become part of the Creditor Recovery Trust Assets. The unavailability of this potential funding could materially reduce the resources available to the Creditor Recovery Trust, which

may adversely affect its ability to administer its responsibilities, pursue retained Causes of Action or Contributed Claims, or make distributions in accordance with the Plan and the Creditor Recovery Trust Agreement.

6. Allowed Claims Could Exceed Estimates

There can be no assurance that the Allowed amount of Claims participating in distributions will not be significantly more than projected, which in turn, could cause the value of distributions to Holders of Allowed Claims whose treatment is limited to distributions from a specified recovery source to be reduced. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results and total amount of Claims against the Debtors' Estates. Therefore, the actual amount of Allowed Claims may vary from the Debtors' projections and feasibility analysis, and the variation may be material.

7. U.S. Federal Income Tax Risks

The tax consequences of the Plan to the Debtors and to Holders of Claims and Interests may vary depending on the individual's tax situation and are subject to significant uncertainties. Parties in interest should consult their own tax advisors regarding the U.S. federal, state, local, and non-U.S. income and other tax consequences of the Plan, including any income that may arise from the receipt of distributions or interests in the Creditor Recovery Trust. For a discussion of certain U.S. federal income tax consequences from the consummation of the Plan to Holders entitled to vote to accept or reject the Plan and the Creditor Recovery Trust, see Article IX of this Disclosure Statement.

8. Risk of Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date will occur soon after the Confirmation Date, there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article IX.B of the Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Plan, the Debtors and all Holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to Claims and Interests would remain unchanged.

9. Conversion into Chapter 7 Cases

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of Holders of Claims and Interests, some or all of the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code.

10. Parties in Interest May Object to the Plan's Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

11. The Debtors May Fail to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the Holders of Allowed Claims and Interests as those proposed in the Plan.

12. Continued Risk upon Confirmation

Following the Kelly Hamilton Sale Transaction, the Debtors will not continue operating as a going concern. Instead, their primary role will be to implement the Wind-Down and transfer assets to the Creditor Recovery Trust. The cessation of operations may limit the Debtors' ability to address unanticipated claims, disputes, or liabilities that arise post-Effective Date.

13. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes. The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

14. Disruption from Competing Plans or Proposals

Although no competing plan has been proposed to date, parties in interest may seek to propose an alternative chapter 11 plan. The pursuit of such a competing plan could delay Confirmation, increase administrative costs, or result in lower recoveries for creditors.

15. Releases, Injunctions, and Exculpations Provisions May Not Be Approved

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

C. Additional Factors

1. The Debtors Could Withdraw the Plan

Subject to, and without prejudice to, the rights of any party in interest, the Plan may be revoked or withdrawn before the Confirmation Date by the Debtors.

2. The Debtors Have No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. Additionally, the Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

3. No Representations Outside this Disclosure Statement Are Authorized

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

4. No Legal or Tax Advice Is Provided by this Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each Holder of a Claim or Interest should consult its own legal counsel and accountant as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

5. No Admission Made

Nothing contained herein or in the Plan shall constitute an admission of, or shall be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or Holders of Claims or Interests.

XI. CONFIRMATION OF THE PLAN

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the plan is (a) accepted by all impaired classes of claims and interests entitled to vote or, if rejected or deemed rejected by an impaired class, that the plan “does not discriminate unfairly” and is “fair and equitable” as to such class; (b) in the “best interests” of the holders of claims and interests impaired under the plan; and (c) feasible.

A. Acceptance of the Plan

The Bankruptcy Code defines “acceptance” of a plan by a class of (i) claims as acceptance by creditors in that class that hold at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the claims that cast ballots for acceptance or rejection of the plan and (ii) interests as acceptance by interest holders in that class that hold at least two-thirds (2/3) in amount of the interests that cast ballots for acceptance or rejection of the plan. Holders of claims or interests that fail to vote are not counted in determining the thresholds for acceptance of the plan.

If any impaired class of claims or interests does not accept the plan (or is deemed to reject the plan), the Bankruptcy Court may still confirm the plan at the request of the Debtors if, as to each impaired class of claims or interests that has not accepted the plan (or is deemed to reject the plan), the plan “does not discriminate unfairly” and is “fair and equitable” under the so-called “cram down” provisions set forth in section 1129(b) of the Bankruptcy Code. The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the plan. A chapter 11 plan

does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured; claims versus interests) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to the dissenting class, the test sets different standards that must be satisfied in order for the Plan to be confirmed, depending on the type of claims or interests in such class. The following sets forth the “fair and equitable” test that must be satisfied as to each type of class for a plan to be confirmed if such class rejects the plan:

- **Secured Creditors.** Each holder of an impaired secured claim either (a) retains its liens on the property, to the extent of the allowed amount of its secured claim, and receives deferred cash payments having a value, as of the effective date of the plan, of at least the allowed amount of such secured claim, (b) has the right to credit bid the amount of its claim if its property is sold and retains its lien on the proceeds of the sale, or (c) receives the “indubitable equivalent” of its allowed secured claim.
- **Unsecured Creditors.** Either (a) each holder of an impaired unsecured claim receives or retains under the plan, property of a value, as of the effective date of the plan, equal to the amount of its allowed claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan.
- **Interests.** Either (a) each equity interest holder will receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such equity interest and (ii) the value of the equity interest or (b) the holders of interests that are junior to the interests of the dissenting class will not receive or retain any property under the plan.

The Debtors believe the Plan satisfies the “fair and equitable” requirement with respect to any rejecting Class.

IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE CONFIRMATION HEARING, THE DEBTORS WILL ASK THE BANKRUPTCY COURT TO RULE THAT THE PLAN MAY BE CONFIRMED ON THE GROUNDS THAT THE SECTION 1129(B) REQUIREMENTS HAVE BEEN SATISFIED.

B. Best Interests of Creditors Test

The Bankruptcy Code requires that each holder of an impaired claim or interest either (1) accepts the plan or (2) receives or retains under the plan property of a value, as of the effective date, that is not less than the value such holder would receive if the debtor were liquidated under chapter 7 of the Bankruptcy Code. This requirement is customarily referred to as the “best interests of creditors” test. As demonstrated in the liquidation analysis attached hereto as Exhibit C, the Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Plan.

C. Feasibility

The Debtors believe that the Plan satisfies the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code. The Plan is predicated on the consummation of the Kelly Hamilton Sale Transaction and the subsequent Wind-Down of the Debtors’ Estates. Following the sale closing and transfer of the

Creditor Recovery Trust Assets on the Effective Date, the Debtors will no longer engage in business operations and will instead proceed with an orderly Wind-Down consistent with the terms of the Plan.

The Debtors do not anticipate the need for any further reorganization or restructuring of their affairs following Confirmation. Moreover, the Debtors expect to have sufficient resources—including the proceeds of the Kelly Hamilton Sale Transaction, Cash on hand, and other Plan funding sources—to satisfy all obligations required to be performed under the Plan and to fund the Wind-Down and the administration of the Creditor Recovery Trust. As such, the Debtors believe that Confirmation of the Plan is not likely to be followed by liquidation (other than as expressly contemplated), or by the need for further financial reorganization of the Debtors or any successor thereto under the Plan.

D. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Confirmation Hearing is scheduled for September 4, 2025 at 11:30 a.m. (prevailing Eastern Time). The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Confirmation Hearing, at any subsequent continued Confirmation Hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the local rules of the Bankruptcy Court, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtors' estates or properties, the basis for the objection and the specific grounds therefor, and must be filed with the Bankruptcy Court and served no later than the Confirmation Objection Deadline.

XII. CONCLUSION AND RECOMMENDATION

The Debtors believe the Plan is in the best interests of all stakeholders and urge the Holders of Claims and Interests entitled to vote on the Plan to vote in favor thereof.

The Creditor Recovery Trustee shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto.

No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation. (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

J. Election to Contribute Claims.

Because aggregating all Contributed Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its Ballot, to contribute its Contributed Claims to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of the Holders that elected to contribute such Claims. Contributed Claims and the proceeds thereof will not be included within the Distributable Value of the Creditor Recovery Trust. Rather, as provided in the Creditor Recovery Trust Agreement, any value attributable to such Contributed Claims will be segregated and only available for disbursement to those Holders that elected to contribute such Claims. By electing such option on its Ballot, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the appointment of the Creditor Recovery Trustee, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Claims to the Creditor Recovery Trust, and (ii) to have agreed to execute any documents reasonably requested by the Creditor Recovery Trustee to memorialize and effectuate such contribution.

K. Contribution of Contributed Claims.

On the Effective Date, all Contributed Claims will be irrevocably contributed to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of the Holders of Claims entitled to receive the Distributable Value of the Creditor Recovery Trust and shall thereafter be Creditor Recovery Trust Assets for all purposes. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Creditor Recovery Trust Agreement, the Plan Supplement, or any other document as any indication that the Creditor Recovery Trustee will or will not pursue any and all available Contributed Claims against such Person. The Creditor Recovery Trustee shall have, retain, reserve, and be entitled to assert all Contributed Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Claims shall not include the rights of any of the Contributing Claimants to receive the Distributions under the Plan on account of their Claims or Interests and shall not include any claims that cannot be assigned under applicable law.

L. Funding of Creditor Recovery Trust Amount.

On the Effective Date, the Creditor Recovery Trust Amount shall be funded in Cash.

M. CBRM-Crown Capital Intercompany Settlement.

In full settlement of any Intercompany Claims arising in connection with the proceeds of the Kelly Hamilton DIP Facility being used to fund the restructuring of Debtor CBRM pursuant to this Plan, (1) any Claims and Causes of Action held by CBRM shall constitute Creditor Recovery Trust Causes of Action, and (2) CBRM agrees that the Wind-Down Officer shall have the sole authority to wind down, dissolve, and liquidate its Estate and the Creditor Recovery Trustee shall have the sole authority to effectuate Distributions to the Holders of CBRM Unsecured Claims to the extent the Holders of Crown Capital Unsecured Claims receive payment in full.

**ARTICLE V
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. Assumption and Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases (including all Executory Contracts and Unexpired Leases identified on the Rejected Executory Contract and Unexpired Lease List) will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that previously were assumed or rejected by the Debtors or those that are subject to a pending motion to

assume or assign such Executory Contract or Unexpired Lease. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections.

B. Claims Based on Rejection of Executory Contracts and Unexpired Leases.

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after entry of the Confirmation Order. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to this Plan not filed within such time shall be disallowed, forever barred, estopped, and enjoined from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, or property thereof, without the need for any objection by the Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged.** All Allowed Claims arising from the rejection of any Executory Contracts or Unexpired Leases shall constitute and be treated as Unsecured Claims. Nothing herein shall constitute an extension of any Claims Bar Date otherwise applicable to a Claim arising from an Executory Contract or Unexpired Lease that was previously rejected by the Debtors.

C. Treatment of Insurance Policies.

Notwithstanding anything to the contrary herein, each of the Insurance Policies and any agreements, documents, or instruments relating thereto issued to or entered into by the Debtors prior to the Petition Date shall not be considered Executory Contracts and shall neither be assumed nor rejected by the Debtors; *provided, however*, that to the extent any such Insurance Policy is determined by Final Order to be an Executory Contract, then, notwithstanding anything contained in the Plan to the contrary, the Plan will constitute a motion to assume such Insurance Policy and assign the same to the Creditor Recovery Trust. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order will constitute approval of such assumption and assignment pursuant to section 365 of the Bankruptcy Code. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Insurance Policy, and prior payments for premiums or other charges made prior to the Petition Date under or with respect to any Insurance Policy shall be indefeasible.

D. Effect of Confirmation on D&O Liability Insurance Policies.

From and after the Effective Date, the D&O Liability Insurance Policies shall remain in place on terms for coverage and amounts no less favorable than the Debtors' current directors' and officers' insurance policies. The D&O Liability Insurance Policies shall be Creditor Recovery Trust Assets and shall be maintained for the benefit of the beneficiaries thereunder. The Debtors and the Creditor Recovery Trust shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, and any current and former directors, officers, managers, and employees of the Debtors and their Affiliates who served in such capacity at any time before or after the Effective Date shall be entitled to the full benefits of any such policy or policies for the full term of such policy or policies regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date.

ARTICLE VI PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed.

Except as (1) otherwise provided herein, (2) directed by a Final Order, or (3) as otherwise agreed to by the Debtors or the Wind-Down Officer, as the case may be, and the Holder of the applicable

Claim, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Distribution Agent.

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan and the Plan Supplement; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan and the Plan Supplement, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan and the Plan Supplement.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by the Distribution Agent shall be paid in Cash by the Wind-Down Officer from the Wind-Down Account.

C. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

Except as otherwise provided herein, the Distribution Agent shall make all distributions required under the Plan. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be paid from the Wind-Down Account.

In the event that either (a) a distribution to any Holder is returned as undeliverable, (b) the Holder of an Allowed Claim does not respond in writing to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution within sixty (60) days or otherwise complete the actions necessary to facilitate a distribution as identified to the Holder within ninety (90) days of the Distribution Agent's request, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is six months after (a) the date of the distribution, if a distribution is made, or (b) the date that a request for information or action is sent by the Distribution Agent. After such date, all unclaimed property or interests in property shall revert to the Creditor Recovery Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall be released and forever barred.

D. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy, including any D&O Liability Insurance Policy. Nothing contained in the Plan shall

constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

E. Distributions to Unsecured Claims.

Notwithstanding anything to the contrary herein, all Crown Capital Unsecured Claims and CBRM Unsecured Claims shall be administered by the Creditor Recovery Trust pursuant to and in accordance with the Creditor Recovery Trust Agreement.

F. Allocation Between Principal and Accrued Interest

Except as otherwise provided herein, the aggregate consideration paid to Holders on account of their Allowed Claims pursuant to the Plan shall be treated as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim, if any.

**ARTICLE VII
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Allowance of Claims.

After the Effective Date, the Wind-Down Officer and the Creditor Recovery Trustee shall have and shall retain any and all available rights and defenses the applicable Debtor had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code; *provided* that neither the Wind-Down Officer nor the Creditor Recovery Trustee shall have the right to object to any Professional Fee Claims or fees of the Independent Fiduciary. For the avoidance of doubt, the Creditor Recovery Trustee shall have the right to object to and otherwise reconcile any and all Claims that seek recovery from the Creditor Recovery Trust other than Professional Fee Claims and fees of the Independent Fiduciary. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

No payment or distribution provided under the Plan shall be made on account of a Disputed Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

B. Automatic Disallowance and Expungement of Certain Claims.

On the Effective Date, all Claims Filed after the Claims Bar Date that were required to be Filed in advance of the Claims Bar Date under its terms shall be expunged and disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

C. Distributions After Allowance.

To the extent a Disputed Claim ultimately becomes an Allowed Claim, as soon as practicable, the Debtors shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous Distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim.

ARTICLE VIII
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Settlement, Compromise, and Release of Claims and Interests.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete settlement, compromise, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by agents or representatives of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt, right, Claim, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the settlement, compromise, and release of all Claims and Interests subject to the Effective Date occurring.²

B. Release of Liens.

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estate shall be fully released, settled, and compromised.

C. Releases by the Debtors.

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released by the Debtors and their Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that the Debtors or their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Chapter 11 Cases, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11

² Notwithstanding anything to the contrary herein, the discharge and releases provided in this Article VIII shall not discharge any Claims or Causes of Action against Crown Capital arising under or in connection with the NOLA DIP Facility. Additionally, the releases provided in this Article VII are without duplication to the releases provided under the Kelly Hamilton DIP Order.

Cases, the negotiation, formulation, or preparation of the Restructuring Documents or related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date.

D. Releases by Holders of Claims and Interests.

As of the Effective Date, except as otherwise provided in the Plan, the Releasing Parties are deemed to have released the Debtors, their Estates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any direct Claims held by any of the Releasing Parties against the Debtors, their Estates, and/or the Released Parties or derivative Claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that each Releasing Party would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Restructuring Documents, or related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

E. Exculpation.

Except as otherwise specifically provided in the Plan, each Debtor and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action, or liability for any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects each Debtor and each Exculpated Party shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities pursuant to the Plan. The Debtors, their Estates, and the Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of the Plan and distributions pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

F. Injunction.

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.B of the Plan or Article VIII.D of the Plan, compromised and settled pursuant to Article VIII.A of the Plan, or are subject to exculpation pursuant to Article VIII.E of the Plan are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claim or Interest; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such

Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests.

ARTICLE IX CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

A. Conditions Precedent to the Effective Date.

It shall be a condition to Consummation that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.B of the Plan:

1. the Bankruptcy Court shall have entered the Confirmation Order and it shall have become a Final Order; *provided, however*, that in accordance with Bankruptcy Rules 3020(e), 6004(h), and 6006(d) (and notwithstanding any other provision of the Bankruptcy Code or the Bankruptcy Rules), the Confirmation Order shall not be stayed and shall be effective immediately upon its entry;

2. all documents and agreements necessary to implement the Plan, including any documents related to the Kelly Hamilton Sale Transaction and Restructuring Transactions shall have (a) all conditions precedent to the effectiveness of such documents and agreements satisfied or waived pursuant to the terms of such documents or agreements, (b) been tendered for delivery, and (c) been effected or executed;

3. all governmental and material third-party approvals and consents, including Bankruptcy Court approval, necessary in connection with the transactions contemplated by the Plan shall have been obtained, not be subject to unfulfilled conditions and be in full force and effect, and all applicable waiting periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on such transactions; and

ARTICLE X MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments.

Except as otherwise provided in the Plan, the Debtors reserve the right to modify the Plan, whether materially or immaterially, including by adding a non-Debtor entity that becomes a debtor and debtor in possession under chapter 11 of the Bankruptcy Code to, or removing a Debtor from, the Plan, and seek Confirmation, in each instance, to the extent permitted under the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the Debtors reserve their right to alter, amend, or modify materially the Plan, one or more times, after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or

remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

B. Effect of Confirmation on Modifications.

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan occurring after the solicitation thereof and before the Confirmation Date are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of the Plan.

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date or the Effective Date and to File subsequent plans of reorganization, in which case the Plan shall be null and void in all respects.

**ARTICLE XI
RETENTION OF JURISDICTION**

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, the Bankruptcy Court shall retain such jurisdiction over the Chapter 11 Cases and all matters, arising out of, or related to, the Chapter 11 Cases and the Plan, including jurisdiction to:

1. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any General Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests;

All injunctions or stays contained in the Plan or the Confirmation Order (including the Injunction) shall remain in full force and effect in accordance with their terms.

J. Nonseverability of Plan Provisions.

If, before Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the consent of the Debtors; and (3) nonseverable and mutually dependent.

K. Waiver or Estoppel.

Liquidation Analysis

LIQUIDATION ANALYSIS

A. Overview

Section 1129(a)(7) of the Bankruptcy Code requires that each Holder of an Impaired Allowed Claim or Impaired Allowed Interest either (a) accepts the Plan or (b) receives or retains under the Plan property of a value, as of the Effective Date, that is not less than the value such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code (“**Chapter 7**”) on the Effective Date. This legal standard is known as the “best interests” test.

The Debtors have prepared this liquidation analysis (“**Liquidation Analysis**”)¹ based on a hypothetical liquidation under Chapter 7. It is assumed, among other things, that the Debtors’ estates are not substantively consolidated and that the hypothetical liquidation under Chapter 7 would commence under the direction of a court-appointed trustee (the “**Liquidating Trustee**” or the “**Trustee**”) and would continue for a period of time, during which all of the Debtors’ material assets would be sold or tendered to their respective lien holders, and the cash proceeds, net of liquidation-related costs, would be distributed to creditors in accordance with applicable law.

The Liquidation Analysis has been prepared assuming that the Debtors filed for Chapter 11 bankruptcy on May 19, 2025 (the “**Petition Date**”), and the cases were subsequently converted to a Chapter 7 liquidation on or about September 4, 2025 (the “**Conversion Date**”).

The determination of the costs of, and proceeds from, the liquidation of the Debtors’ assets in Chapter 7 is an uncertain process involving the extensive use of estimates and assumptions that, although considered reasonable by the Debtors, are inherently subject to significant business, economic, and competitive uncertainties, and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual Chapter 7 liquidation, and unanticipated events and circumstances could affect the ultimate results in an actual Chapter 7 liquidation.

All limitations and risk factors set forth in the Disclosure Statement are applicable to this Liquidation Analysis and are incorporated by reference herein. The underlying financial information in the Liquidation Analysis was not compiled or examined by independent accountants or auditors.

THE LIQUIDATION ANALYSIS IS NOT INTENDED AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THE LIQUIDATION ANALYSIS DOES NOT PURPORT TO BE A VALUATION OF THE DEBTORS’ ASSETS AS A GOING CONCERN, AND THERE MAY BE A SIGNIFICANT DIFFERENCE BETWEEN THE LIQUIDATION ANALYSIS AND THE VALUES THAT MAY BE REALIZED IN AN ACTUAL LIQUIDATION. THIS LIQUIDATION ANALYSIS ASSUMES “LIQUIDATION VALUES” BASED ON THE DEBTORS’ BUSINESS JUDGMENT.

THE UNDERLYING FINANCIAL INFORMATION IN THE LIQUIDATION ANALYSIS WAS NOT COMPILED OR EXAMINED BY ANY INDEPENDENT ACCOUNTANTS. NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATIONS OR WARRANTIES THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY.

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Plan and Disclosure Statement to which this Liquidation Analysis is attached.

In this Liquidation Analysis, it is assumed that a Chapter 7 trustee would promptly market and sell the Debtors' assets, including the Kelly Hamilton Property, following conversion of the Chapter 11 Cases on or about September 4, 2025. Given the nature of the Debtors' assets, which primarily consist of the Kelly Hamilton Property and related rights, the liquidation process is assumed to occur over a relatively short period. The analysis contemplates a sale of the Kelly Hamilton Property and subsequent resolution of claims, with distributions made following the payment of administrative and wind-down expenses. No assumptions are made regarding continued business operations.

Further, no value is attributed in this Liquidation Analysis to potential recoveries from retained causes of action, including claims for avoidance, breach of fiduciary duty, or other litigation rights preserved under the Plan or assigned to the Creditor Recovery Trust. Although such claims may be pursued post-Effective Date for the benefit of creditors, their value in a hypothetical Chapter 7 liquidation is speculative and dependent on numerous factors, including cost, collectability, and legal outcomes. Accordingly, for purposes of this analysis, potential recoveries from such actions are excluded.

B. Summary Notes to Liquidation Analysis

1. *Dependence on assumptions.* The Liquidation Analysis depends on estimates and assumptions that, although developed and considered reasonable by the Debtors and their advisors, are subject to significant uncertainties and contingencies beyond their control. The analysis reflects the Debtors' best judgment regarding the hypothetical resolution of various matters in a Chapter 7 liquidation. Actual results could differ materially, positively or negatively, from those presented in this analysis.
2. *Additional claims.* A Chapter 7 liquidation could give rise to additional claims not present under the Plan, including administrative expenses, rejection damages, and litigation-related claims. Such claims could be significant, potentially reducing recoveries to creditors.
3. *Dependence on unaudited financial statements.* This Liquidation Analysis is based on financial data and estimates as of the Petition Date. The underlying information has not been audited or reviewed by independent accountants, and actual results may vary.
4. *Preference or fraudulent transfers.* No value has been attributed to potential recoveries from avoidance actions under chapter 5 of the Bankruptcy Code (including preference or fraudulent transfer claims) due to uncertainty regarding their outcome, cost, and timing. The Liquidation Analysis excludes any litigation recoveries related to such claims.
5. *Chapter 7 liquidation costs and process duration.* The Liquidation Analysis assumes that a Chapter 7 trustee would be appointed shortly after conversion of the cases on or about September 4, 2025, and would oversee the monetization of the Debtors' primary asset — the Kelly Hamilton Property — along with any remaining cash or value. The process is expected to be relatively short given the limited scope of assets and operations. Chapter 7 administrative expenses (including trustee fees and professional costs) are estimated in accordance with applicable guidelines and based on assumed sale proceeds. The actual costs and timing of liquidation could vary and materially impact creditor recoveries.
6. *Claims estimates.* Claims are estimated based on known or projected liabilities as of the Petition Date and reflect adjustments for known developments and filed claims as of the Claims Bar Date, unless otherwise noted. The estimates used in this Liquidation Analysis are for illustrative purposes only and should not be relied upon for any other purpose, including, without limitation, determining the value of any distribution to be made under the Plan. Where applicable, the analysis presents a

range of low to high estimates. The actual amount of Allowed Claims could differ materially from the estimates set forth herein.

7. *Distribution of net proceeds.* In a Chapter 7 liquidation, the proceeds from the sale of the Debtors' assets would first be used to pay Chapter 7 administrative expenses, including trustee commissions and professional fees. Trustee fees are calculated in accordance with section 326(a) of the Bankruptcy Code, based on a percentage of disbursements, subject to statutory caps. Chapter 7 professional fees—including legal, financial advisory, accounting, and brokerage services—are assumed to be capped at 1.5% of gross asset proceeds, consistent with customary liquidation practice. After payment of administrative expenses and DIP financing obligations, any remaining proceeds would be distributed in accordance with the priority scheme set forth in the Bankruptcy Code. Based on the Liquidation Analysis, the Debtors project insufficient proceeds in a Chapter 7 liquidation to fully satisfy administrative expenses and DIP financing obligations, and no recoveries are projected for any junior classes of claims or interests. The Liquidation Analysis thus reflects the application of the absolute priority rule, under which no junior class receives any distribution unless all senior claims are paid in full.

Conclusion: Based on the Liquidation Analysis, the Debtors have determined that confirmation of the Plan will result in each holder of an Allowed Claim in an Impaired Class receiving or retaining value that is not less than the amount such holder would receive or retain in a hypothetical liquidation of the Debtors under Chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the “best interests” test set forth in section 1129(a)(7) of the Bankruptcy Code.

Specific Notes to Liquidation Analysis

1. **Cash Balance.** Estimated cash balance as of September 4, 2025, based on the existing Approved Budget (as defined in the Kelly Hamilton DIP Order). The estimated cash balance is inclusive of all forecasted operating costs and professional fees.
2. **Proceeds Generated from Sale of the Kelly Hamilton Property.** Low Chapter 11 recovery scenario contemplates a credit bid by the Kelly Hamilton Purchaser, while high Chapter 11 recovery scenario contemplates another bidder making a superior qualified bid for the Kelly Hamilton Property.
3. **Deposits and Prepayments.** Debtors are not expected to collect these amounts.
4. **Creditor Recovery Trust Assets.** As defined in the Plan, the Creditor Recovery Trust Assets include, (a) the Creditor Recovery Trust Amount, (b) the Creditor Recovery Trust Causes of Action, (c) the Insurance Causes of Action, (d) the Contributed Claims (if any), (e) the NewCo Distributable Value (if any), (f) the CBRM Interests, (g) the Crown Capital Interests, and (h) the Transferred Subsidiaries. Except for the Creditor Recovery Trust Amount, these assets have not been ascribed a value for the purposes of the Liquidation Analysis.
5. **Broker Fee.** The Broker Fee is calculated as 5% of the aggregate cash consideration received by the Kelly Hamilton Debtor in consideration of the Kelly Hamilton Property. No Broker Fee shall be payable in connection with the sale of the Kelly Hamilton Property to the Kelly Hamilton DIP Lender, unless such sale (1) indefeasibly satisfies (through a credit bid or otherwise) the outstanding obligations under the Kelly Hamilton DIP Facility, (2) includes additional cash consideration in an amount at least equal to (i) the \$250,000 breakup fee due to the Kelly Hamilton DIP Lender as Stalking Horse Purchaser (as defined in the Bidding Procedures Order), and (ii) any commission payable to any broker for the Kelly Hamilton Property.
6. **Breakup Fee.** Breakup Fee is calculated at \$250,000.
7. **Chapter 7 Trustee Fees.** Chapter 7 trustee fees are calculated under section 326(a) of the Bankruptcy Code reflecting a \$53,350 fee on the first \$1,000,000 of disbursements, plus 3% on the net distributions thereafter. The calculation shown is not inclusive of the value of the Creditor Recovery Trust Assets and therefore is significantly lower than such fees that will be realized in Chapter 7.
8. **Chapter 7 Professional Fees.** Chapter 7 professional fees, which are assumed not to exceed 1.5% of the gross asset proceeds consistent with customary liquidation practice, include fees of attorneys, financial advisors, accountants, brokers and other professionals retained by a chapter 7 trustee. The calculation shown is not inclusive of the value of the Creditor Recovery Trust Assets and therefore is significantly lower than such fees that will be realized in Chapter 7.
9. **Chapter 11 Professional Fees.** Accrued and unpaid Chapter 11 professional fees as of the Conversion Date were budgeted for and reserved with the use of proceeds from the Kelly Hamilton DIP Facility in accordance with the Kelly Hamilton DIP Order.

10. **UST Fees.** Accrued and unpaid fees of the U.S. Trustee as of the Conversion Date are assumed to be paid using cash on hand and proceeds from the Kelly Hamilton DIP Facility in accordance with the Kelly Hamilton DIP Order.
11. **Priority Tax Claims & Class 1 – Other Priority Claims.** All known Priority Tax Claims and Other Priority Claims as of the Petition Date were paid in full with the use of proceeds from the Kelly Hamilton DIP Facility in accordance with the Kelly Hamilton DIP Order.
12. **Class 2 – Other Secured Claims.** The prepetition loan provided by Kelly Hamilton Lender LLC in the amount of \$3,575,000.00 was paid in full with the use of proceeds from the Kelly Hamilton DIP Facility in accordance with the Kelly Hamilton DIP Order. No other known Secured Claims remain as of the Conversion Date.
13. **Class 3 – Kelly Hamilton Go-Forward Trade Claims.** Each Holder of an Allowed Kelly Hamilton Go-Forward Trade Claim shall receive a treatment determined by the Kelly Hamilton Purchaser in accordance with the terms of the Kelly Hamilton Purchase Agreement.
14. **Class 4 – Other Kelly Hamilton Unsecured Claims.** Estimated Claim Allowed is net of all tenant reimbursement claims as of the Petition Date which were paid in full with the use of proceeds from the Kelly Hamilton DIP Facility in accordance with the order entered by the Bankruptcy Court on June 18, 2025 [Docket No. 166].
15. **Consideration of Creditor Recovery Trust Assets.** The recovery rates and values displayed do not take into consideration the value of the Creditor Recovery Trust Assets.
16. **Class 6B – Spano CBRM Claim.** The amount of, priority of, and recovery for the Spano CBRM Claim (if any) shall be determined in accordance with the Spano Stipulation.
17. **Class 7 – Intercompany Claims.** Pursuant to the Debtors' books and records, there are no known intercompany claims at Debtors Kelly Hamilton Apts LLC, Crown Capital Holdings LLC, Kelly Hamilton Apts MM LLC, or CBRM Realty Inc.

I. INTRODUCTION

Reference is made to the *Joint Chapter 11 Plan of CBRM Realty Inc. and Certain of its Debtor Affiliates* (the “**Plan**”), a copy of which is attached hereto as **Exhibit A**. Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Plan. CBRM Realty Inc. (“**CBRM**”), Crown Capital Holdings LLC (“**Crown Capital**”), Kelly Hamilton Apts MM LLC, and Kelly Hamilton Apts LLC (“**Kelly Hamilton**”) submit this disclosure statement (the “**Disclosure Statement**”), pursuant to section 1125 of the Bankruptcy Code, to holders of Claims against and Interests in the Debtors² in connection with the solicitation of votes for acceptance of the Plan. The Plan constitutes a separate chapter 11 plan for each Debtor.

II. PRELIMINARY STATEMENT

The Debtors own and operate the Kelly Hamilton Apartments, a multifamily affordable housing complex located in Pittsburgh, Pennsylvania (the “**Kelly Hamilton Property**”). The property provides rent-restricted housing to low-income residents and is supported in part by government housing programs. Preserving this property is critical not only to maximizing the value of the Debtors’ estates, but also to protecting a vital affordable housing resource in the local community.

The Debtors along with their affiliates RH Chenault Creek LLC, RH Windrun LLC, RH Copper Creek LLC, RH Lakewind East LLC, RH New Orleans Holdings LLC, and RH New Orleans Holdings MM LLC commenced these chapter 11 cases (the “**Chapter 11 Cases**”) on May 19, 2025 (the “**Petition Date**”), amid severe operational, financial, and governance challenges stemming from mismanagement of the broader Crown Capital Portfolio (defined below) and the criminal conviction of its ultimate equity owner, Mark “Moshe” Silber. These issues contributed to liquidity constraints, declining property performance, and creditor enforcement actions. Since the Petition Date, and under the leadership of an independent fiduciary (the “**Independent Fiduciary**”), the Debtors have stabilized operations, obtained postpetition financing, and taken steps to initiate a court-supervised marketing process aimed at maximizing value for the benefit of all stakeholders.

To support this process, the Debtors secured a \$9.7 million senior secured, superpriority debtor-in-possession credit facility (the “**Kelly Hamilton DIP Facility**”) from 3650 SS1 Pittsburgh LLC (the “**Kelly Hamilton DIP Lender**” or the “**Kelly Hamilton Purchaser**”), a vehicle created by entities within The Lynd Group, a Texas-based real estate management organization (“**Lynd Living**”), and 3650 REIT, a national institutional real estate investment and lending platform with deep experience in affordable housing. Prior to the Petition Date, an affiliate of Lynd Living, Kelly Hamilton Lender LLC (the “**Kelly Hamilton Lender**”), provided a \$3.5 million term loan to Debtor Kelly Hamilton Apts LLC. Two affiliates of Lynd Living, Lynd Management Group LLC (“**Lynd Management**”) and LAGSP LLC (“**LAGSP**”), also served as the Debtors’ property manager and asset manager, respectively, before the Petition Date and continue in those roles pursuant to amended and restated postpetition agreements. The Kelly Hamilton DIP Lender’s prepetition lending relationship, operational familiarity with the Kelly Hamilton Property, and continued involvement in its management enabled it to provide urgently needed financing on an expedited basis during a period of substantial uncertainty.

With the Kelly Hamilton DIP Facility in place, operations stabilized, and following over a month of arm’s-length negotiations with the Kelly Hamilton Purchaser, the Debtors are proceeding with a chapter

² For purposes of the Plan and this Disclosure Statement, “Debtors” shall mean CBRM, Kelly Hamilton Apts MM LLC, Kelly Hamilton, and, to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated or the NOLA DIP Lenders and the Independent Fiduciary agree in writing or as otherwise ordered by the Bankruptcy Court, Crown Capital.

11 plan that contemplates a court-approved sale of the Kelly Hamilton Property as the cornerstone of their restructuring strategy (the “**Kelly Hamilton Sale Transaction**”). To that end, Debtor Kelly Hamilton will enter into certain Purchase and Sale Agreement, dated July 11, 2025, with the Kelly Hamilton Purchaser (the “**Kelly Hamilton Purchase Agreement**”). The Kelly Hamilton Purchase Agreement, which is subject to approval by the Bankruptcy Court, provides for a purchase price equal to the outstanding obligations under the Kelly Hamilton DIP Facility, subject to customary adjustments. The agreement also contemplates the potential assumption of certain contracts and liabilities, along with other forms of consideration. As part of the agreed-upon bid protections, the Kelly Hamilton Purchase Agreement provides for a \$250,000 breakup fee payable to the Kelly Hamilton Purchaser if the Debtors ultimately consummate an alternative transaction through the Court-supervised auction process.

In connection with the filing of the Plan and this Disclosure Statement, the Debtors filed a motion seeking entry of an order (a) establishing bidding and auction procedures, (b) scheduling an auction and sale hearing, (c) approving the form and manner of notice related thereto, and (d) authorizing the Debtors’ entry into the Kelly Hamilton Purchase Agreement (the “**Bidding Procedures Motion**”). The auction process contemplated by the Bidding Procedures Motion (the “**Sale Process**”) will permit interested parties to submit competing bids for the Kelly Hamilton Property, thereby preserving flexibility to capture the highest and best value for stakeholders. The Sale Process will ensure transparency and market testing while adhering to the tight milestones and liquidity constraints imposed under the Kelly Hamilton DIP Facility. The milestones require, among other things, approval of this Disclosure Statement, commencement of solicitation, and entry of a confirmation order by September 4, 2025.

The Plan contemplates the following stakeholder recoveries:

- All Allowed Other Priority Claims will be paid in full in Cash on the Effective Date, or as soon as practicable thereafter;
- All Allowed Other Secured Claims will be (a) paid in full in Cash, (b) reinstated, (c) receive the return of applicable collateral securing such Allowed Other Secured Claims, or (d) otherwise receive treatment that renders such Claims Unimpaired under the Bankruptcy Code;
- Each Holder of an Allowed Kelly Hamilton Go-Forward Trade Claim will receive a treatment determined by the Kelly Hamilton Purchaser in accordance with the terms of the Kelly Hamilton Purchase Agreement;
- Each Holder of an Allowed Other Kelly Hamilton Unsecured Claim will receive its Pro Rata share of the Debtors’ Cash on hand as of the Effective Date following the payment of all Allowed General Administrative Claims, Allowed Priority Tax Claims, Allowed Kelly Hamilton DIP Claims, Allowed Other Priority Claims, and Allowed Secured Claims in full;
- Each Holder of an Allowed Crown Capital Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust, established for the benefit of the Holders of Allowed Crown Capital Unsecured Claims and Allowed CBRM Unsecured Claims and funded with a combination of DIP Facility proceeds, contributed claims, and retained causes of action;
- Each Holder of an Allowed CBRM Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust solely to the extent that all Allowed Crown Capital Unsecured Claims have been paid in full;

- In full and final satisfaction, compromise, settlement, release, and discharge of and in exchange for such Spano CBRM Claim, the Holder of the Spano CBRM Claim shall receive, solely to the extent that each Allowed Claim against Crown Capital is paid in full as provided in the Plan: (i) to the extent all or any portion of the Spano CBRM Claim is Allowed as a Secured Claim against CBRM pursuant to the Spano Adversary Proceeding or otherwise, solely to the extent that each Allowed Crown Capital Unsecured Claim is first paid in full, the Spano CBRM Claim shall receive, at the election of Spano Investor LLC, (a) payment in full in Cash of such Secured Claim from the Distributable Value of the Creditor Recovery Trust prior to any Distribution of Distributable Value of the Creditor Recovery Trust being made to any Holder of a CBRM Unsecured Claim, or (b) transfer of the Crown Capital Interests to Spano Investor LLC free and clear of all Liens, Claims and encumbrances; or (ii) to the extent all or any portion of the Spano CBRM Claim is Allowed as an Unsecured Claim against CBRM pursuant to the Spano Adversary Proceeding or otherwise, its Pro Rata share of the Distributable Value of the Creditor Recovery Trust; *provided, however*, that, if the Bankruptcy Court determines pursuant to a Final Order in the Spano Adversary Proceeding that the Spano CBRM Claim is not an Allowed Claim, the Holder of the Spano CBRM Claim shall receive no Distribution on account of such Spano CBRM Claim, which shall be canceled, released, and extinguished and of no further force or effect without further action by the Debtors;
- ~~All~~Except as otherwise provided in the Plan Supplement, all Intercompany Claims ~~and Intercompany Interests~~will be canceled, released, and extinguished as of the Effective Date without any distribution on account of such Claims ~~or Interests~~;
- Except as otherwise provided in the Plan Supplement, all Intercompany Interests will be canceled, released, and extinguished as of the Effective Date without any distribution on account of such Interests;
- All Interests in CBRM Realty Inc. will be transferred to the Creditor Recovery Trust without any distribution on account of such Interests;
- ~~All Interests in Crown Capital will be transferred to the Creditor Recovery Trust without any distribution on account of such Interests; and~~
- On the Effective Date, each Crown Capital Interest shall be transferred to the Creditor Recovery Trust as provided in the Plan; *provided, however*, that the Crown Capital Interests shall remain subject to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. unless otherwise ordered by the Bankruptcy Court pursuant to a Final Order or agreed to by Spano Investor LLC; *provided, further, however*, that Spano Investor LLC shall not directly or indirectly seek to exercise any legal, equitable, or other rights against such Crown Capital Interests or other assets of any Debtor or subsidiary of any Debtor that may constitute collateral of Spano Investor LLC with respect to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. pending further order of the Bankruptcy Court or a Final Order of the Bankruptcy Court in the Spano Adversary Proceeding; *provided, further, however*, that notwithstanding the foregoing, nothing in this Plan shall limit or affect Spano Investor LLC's rights to enforce its prepetition judgment and exercise any remedies against non-Debtors Fox Capital LLC, CBCC 1 LLC, CBCC 2 LLC, CBCC 3 LLC, CBCC 4 LLC, CBCC 5 LLC, Westwood Jackson Apts MM LLC, or Westwood Jackson Apts LLC, or any assets of such non-Debtor entities; and

- All Section 510(b) Claims, if any, will be ~~cancelled~~canceled, released, and extinguished as of the Effective Date without any distribution on account of such Claims.

The Debtors strongly believe that the Plan is in the best interests of the Debtors' estates, and represents the best available alternative at this time. For these reasons, the Debtors strongly recommend that Holders of Claims and Interests entitled to vote to accept or reject the Plan vote to accept the Plan.

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE PLAN

A. What is chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 promotes equality of treatment for creditors and similarly situated equity interest holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the date the chapter 11 case is commenced. The Bankruptcy Code provides that the debtor may continue to operate its business and remain in possession of its property as a "debtor in possession."

Consummating a chapter 11 plan is the principal objective of a chapter 11 case. A bankruptcy court's confirmation of a chapter 11 plan binds the debtor, any person acquiring property under the plan, any creditor or equity interest holder of the debtor (whether or not such creditor or equity interest holder voted to accept the plan), and any other entity as may be ordered by the bankruptcy court. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor's liabilities in accordance with the terms of the confirmed plan.

B. Why are the Debtors sending me this Disclosure Statement?

The Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Before soliciting acceptances of the Plan, section 1125 of the Bankruptcy Code requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all holders of Claims and Interests whose votes on the Plan are being solicited. This Disclosure Statement is being submitted in accordance with these requirements.

C. Am I entitled to vote on the Plan?

Your ability to vote on, and your distribution under, the Plan, if any, depends on what type of Claim or Interest you hold. Each category of holders of Claims or Interests, as set forth in Article III of the Plan pursuant to section 1122(a) of the Bankruptcy Code, is referred to as a "Class." Each Class's respective voting status is set forth below:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Priority Claims	Unimpaired	Note Entitled to Vote (Presumed to Accept)
Class 2	Other Secured Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)

Class 3	Kelly Hamilton Go-Forward Trade Claims	Impaired	Entitled to Vote

<u>Class 6B</u>	<u>Spano CBRM Claim</u>	<u>Impaired</u>	<u>Entitled to Vote</u>
Class 7	Intercompany Claims	Unimpaired / Impaired	Not Entitled to Vote
Class 8	Intercompany Interests	Unimpaired / Impaired	Not Entitled to Vote
Class 9	CBRM Interests	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 10	Crown Capital Interests	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 11	Section 510(b) Claims	Impaired	Not Entitled to Vote (Deemed to Reject)

D. What will I receive from the Debtors if the Plan is consummated?

The following chart provides a summary of the anticipated recovery to Holders of Claims and Interests under the Plan. Any estimates of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court. Your ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain Confirmation and meet the conditions necessary to consummate the Plan.

Each Holder of an Allowed Claim shall receive under the Plan the treatment described below in full and final satisfaction, settlement, release, and discharge of and in exchange for such Holder's Claim, except to the extent different treatment is agreed to by the Debtors and the Holder of such Allowed Claim. Unless otherwise indicated, the Holder of an Allowed Claim shall receive such treatment on the Effective Date or as soon as reasonably practicable thereafter. Projected recoveries included in the summary table below reflect the Debtors' analysis of anticipated Claims.

THE PROJECTED RECOVERIES SET FORTH IN THE TABLE BELOW ARE ESTIMATES ONLY AND THEREFORE ARE SUBJECT TO CHANGE. FOR A COMPLETE DESCRIPTION OF THE DEBTORS' CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS, REFERENCE SHOULD BE MADE TO THE ENTIRE PLAN.

³ Recoveries to Holders of Class 5 Crown Capital Unsecured Claims are dependent upon the Distributable Value of the Creditor Recovery Trust. There can be no assurance of the validity of, the amount of, or the chance of recovery on account of these Claims and Causes of Action. Defenses may also be available. Accordingly, recoveries are uncertain.

E. What will I receive from the Debtors if I hold a General Administrative Claim or a Priority Tax Claim?

General Administrative Claims and Priority Tax Claims have not been placed in a Class in the Plan, consistent with section 1123(a)(1) of the Bankruptcy Code. Article II.A of the Plan sets forth the treatment for General Administrative Claims and provides in part that such Claims will be satisfied in full in an amount of Cash equal to the amount of such Allowed General Administrative Claim. Article II.E of the Plan sets forth the treatment for Priority Tax Claims, which states that an Allowed Priority Tax Claim will be treated in accordance with section 1129(a)(9)(C) of the Bankruptcy Code.

F. Are any regulatory approvals required to consummate the Plan?

Other than approvals that may be required in the ordinary course of business in connection with the continued operation of the Kelly Hamilton Property, the Debtors are not aware of any material U.S. regulatory approvals required to consummate the Plan. However, the sale of the Kelly Hamilton Property pursuant to the Plan is subject to entry of a final, non-appealable order of the Bankruptcy Court confirming the Plan. In addition, the assignment of the existing Housing Assistance Payments contract (the “**HAP Contract**”) requires execution by the U.S. Department of Housing and Urban Development (“**HUD**”), which may involve procedural approvals but is not expected to present a material impediment to closing.

G. What happens if the Kelly Hamilton Sale Transaction is not consummated?

The Plan is premised on the consummation of the Kelly Hamilton Sale Transaction, which the Debtors believe represents the best available path to maximize value and facilitate an orderly Wind-Down of the Estates. However, if the Kelly Hamilton Sale Transaction is not consummated, the Debtors would work expeditiously to evaluate and pursue an alternative transaction structure, which could include, if required and feasible, a reorganization of one or more Debtors, though no such transaction has been proposed or developed to date and may not be viable given the Debtors’ financial condition.

While no such alternative restructuring has been negotiated or proposed as of the date of this Disclosure Statement, the Debtors believe there may be value-preserving alternatives that could be developed and implemented through a revised chapter 11 plan, subject to further diligence, market conditions, and creditor support. In such a scenario, the treatment of Claims and Interests could differ from that set forth in the current Plan and would be determined based on the structure of any such alternative transaction.

Although the Debtors are confident in the benefits of the Kelly Hamilton Sale Transaction, they are committed to pursuing a value-maximizing outcome for all stakeholders and would remain focused on achieving that objective if circumstances require an alternative path. If no viable transaction can be implemented, however, the Debtors may need to consider a conversion to chapter 7, which could result in lower recoveries than those estimated under the Plan.

H. What happens to my recovery if the Plan is not confirmed or does not go effective?

If the Plan is not confirmed or does not go effective, there is no assurance that the Debtors will be able to implement an alternative transaction that would provide recoveries equal to or greater than those contemplated by the Plan. The Plan is based on the consummation of the Kelly Hamilton Sale Transaction and the orderly wind-down of the Debtors’ Estates. The Debtors do not have an alternative transaction or plan of reorganization currently negotiated or proposed.

If the Kelly Hamilton Sale Transaction cannot be completed and the Plan cannot be confirmed, the Debtors would evaluate potential alternatives. However, there can be no assurance that a viable alternative transaction could be identified, negotiated, and implemented in a timely or cost-effective manner. In such a scenario, the Debtors may be required to convert these Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, which the Debtors believe would likely result in significantly lower recoveries for Holders of Allowed Claims.

For a more detailed description of the potential consequences of a failure to confirm or consummate the Plan, see Article XI.B of this Disclosure Statement, entitled “Best Interests of Creditors Test,” which begins on page ~~44~~45.

I. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation”?

“Confirmation” of the Plan refers to approval of the Plan by the Bankruptcy Court. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan by the Bankruptcy Court, there are conditions that need to be satisfied or waived so that the Plan can go effective. Initial distributions to holders of Allowed Claims and Interests will only be made on the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. See Article IX of the Plan. “Consummation” means the occurrence of the Effective Date.

J. What are the sources of Cash and other consideration required to fund the Plan?

The Debtors intend to fund distributions under the Plan through a combination of (a) proceeds from the Kelly Hamilton Sale Transaction; (b) the Creditor Recovery Trust Assets; and (c) other available assets, as further described in the Plan.

The Kelly Hamilton Sale Transaction contemplates the sale of substantially all assets of Debtor Kelly Hamilton to the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement provides for, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption of certain liabilities, and the payment of cure amounts for assigned executory contracts. The agreement also includes bid protections to be approved by the Bankruptcy Court. If the Kelly Hamilton Purchase Agreement is terminated and an alternative transaction is consummated through the Sale Process, the Plan will be funded using the consideration provided by the successful bidder in accordance with the Court-approved bidding procedures.

In addition to the proceeds from the Kelly Hamilton Sale Transaction, the Debtors will fund certain Plan distributions and obligations using: (i) Cash on hand as of the Effective Date, including proceeds from the Kelly Hamilton DIP Facility; (ii) the Creditor Recovery Trust Amount—consisting of (a) \$443,734 in proceeds from the Kelly Hamilton DIP Facility, and (b) to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated, or the NOLA DIP Lenders and the Independent Fiduciary otherwise agree in writing, or as ordered by the Bankruptcy Court, \$1,000,000 in proceeds from the NOLA DIP Facility—to be transferred to the Creditor Recovery Trust on the Effective Date; and (iii) any proceeds from retained Causes of Action and Contributed Claims administered by the Creditor Recovery Trust. The Creditor Recovery Trust Amount will be distributed first to Holders of Allowed Crown Capital Unsecured Claims, and if such Claims are paid in full, to Holders of Allowed CBRM Unsecured Claims, in accordance with the Creditor Recovery Trust Agreement and the Plan.

For the avoidance of doubt, the Creditor Recovery Trust Causes of Action shall include any Claim or Cause of Action, including any Avoidance Action, held by the Debtors or their Estates and the proceeds thereof, against any of the following (each, an “**Excluded Party**” and collectively, the “**Excluded Parties**”): (a) Moshe (Mark) Silber; (b) Frederick Schulman; (c) Piper Sandler & Co.; (d) Mayer Brown LLP; (e) Rhodium Asset Management LLC; (f) Syms Construction LLC; (g) Rapid Improvements LLC; (h) NB Affordable Foundation Inc.; (i) any title agencies; (j) any independent real estate appraisal firms; (k) any other current or former Insiders of the Debtors; (l) any party listed on the Schedule of Excluded Parties, which shall be filed as part of the Plan Supplement (as the same may be amended, modified, or supplemented from time to time); and (m) with respect to each of the foregoing, each Person’s or Entity’s Affiliates, partners, members, managers, officers, directors, and agents that are not specifically identified in the Plan as a Released Party.

Certain administrative expenses, including Allowed Professional Compensation Claims will be funded from a dedicated Fee Escrow Account. The specific allocation of consideration and other assets to Classes of Claims and Interests, including any adjustments resulting from a higher or better offer received through the Sale Process, will be set forth in the Plan Supplement.

K. Will there be releases and exculpation granted to parties in interest as part of the Plan?

Yes, the Plan provides for releases and exculpation of the Debtors and other parties in interest as set forth in Article VIII of the Plan.

Prior to the Petition Date, the Debtors faced escalating operational and financial distress stemming from broader issues within the Crown Capital Portfolio, including the criminal conviction of its ultimate equity owner, disputes among insiders, and a breakdown in governance and oversight. These failures contributed to cash flow shortfalls, unpaid obligations, and deterioration in property performance, placing the long-term viability of the Kelly Hamilton Property at serious risk. Following the appointment of the Independent Fiduciary in April 2024, the Debtors and their professionals undertook an extensive review of potential estate claims, insider transactions, and restructuring alternatives.

As part of that assessment, the Independent Fiduciary and the Debtors’ professionals evaluated prepetition financial dealings involving insiders and affiliated entities, as well as the conduct surrounding the historical governance and financial condition of the Debtors. Based on that review, the Independent Fiduciary directed the Debtors to preserve all potential Claims and Causes of Action—including, without limitation, Avoidance Actions under chapter 5 of the Bankruptcy Code and any claims for breach of fiduciary duty, mismanagement, or other actionable misconduct—against each Excluded Party. These parties are expressly excluded from the definitions of both “Released Parties” and “Exculpated Parties” under the Plan. Accordingly, the Plan does not, and shall not be construed to, release, exculpate, or otherwise impair any Claims or Causes of Action against these parties, all of which are expressly preserved. The Debtors, through the Independent Fiduciary and, on and after the Effective Date, the Creditor Recovery Trustee, retain and reserve all such Causes of Action for the benefit of the Debtors’ Estates and their stakeholders, and such Causes of Action will be transferred to the Creditor Recovery Trust for potential pursuit by the Creditor Recovery Trustee in accordance with the Plan and the Creditor Recovery Trust Agreement.

In contrast, the Independent Fiduciary has determined that releases are appropriate for the following parties: (a) the Independent Fiduciary; (b) the Kelly Hamilton Purchaser; (c) LAGSP; (d) Lynd Management; (e) the Kelly Hamilton DIP Lender; (f) the Ad Hoc Group of Holders of Crown Capital Notes and each of its members; (g) with respect to each of the foregoing entities in clauses (b) through (f), such Entity’s current and former Affiliates, and such Entity’s and its current and former Affiliates’ subsidiaries, officers, directors, managers, principals, members, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals; and

(h) with respect to the Debtors and the Debtors' non-Debtor subsidiaries, White & Case LLP as counsel, IslandDundon LLC as financial advisor, Ken Rosen Advisors PC as New Jersey counsel and co-counsel, and the Claims and Noticing Agent. These parties are collectively defined in the Plan as the "Released Parties."

In addition to the estate releases, the Plan includes a customary third-party release ~~by that applies only to~~ Holders of Claims or Interests. ~~Specifically, each Holder of a Claim or Interest will only grant the third-party release set forth in Article VIII.D of the Plan if such Holder affirmatively opts to do so. Holders of Claims in Classes 3, 4, 5, and 6 may opt~~ who affirmatively consent to grant such release. A Holder of a Claim in Class 3, Class 4, Class 5, or Class 6A affirmatively consents to grant the third-party release ~~by checking the applicable box on their Ballot set forth in Article VIII of the Plan if the Holder either (a) votes to accept the Plan, or (b) abstains or does not affirmatively vote to accept the Plan but checks the box on the Holder's Ballot indicating that the Holder opts to grant the release.~~ Holders of Claims or Interests in ~~Classes~~ Class 1, Class 2, Class 7, Class 8, Class 9, Class 10, and Class 11, which are not entitled to vote, may ~~opt~~ affirmatively consent to grant the release by ~~checking the box on the separate Opt In Form. Holders that do not affirmatively opt in via their Ballot or Opt In Form, as applicable, will not be deemed to have granted~~ submitting a completed Opt-In Form and checking the box indicating their consent. Only those Holders who take one of these specified affirmative actions will grant the third-party release under the Plan. For the avoidance of doubt, Spano shall not constitute a Releasing Party under the Plan.

The Plan also includes an exculpation provision that applies to (a) each Debtor solely in its capacity as a debtor and debtor in possession following the Petition Date and excluding such Debtor for the period prior to the Petition Date, (b) the Independent Fiduciary, (c) LAGSP, (d) Lynd Management, and (e) with respect to the Debtors and the Debtors' non-Debtor subsidiaries, White & Case LLP as counsel, IslandDundon LLC as financial advisor, Ken Rosen Advisors PC as New Jersey counsel and co-counsel, and the Claims and Noticing Agent. These parties are exculpated from any liability for any act or omission arising as of or following the Petition Date through the Effective Date in connection with, relating to, or arising out of the Chapter 11 Cases, the Plan, the Kelly Hamilton Sale Transaction, or Restructuring Transactions, the formulation, preparation, dissemination, negotiation of any document in connection with the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Plan, the pursuit of Consummation, the Restructuring Transactions, the administration and implementation of the Plan, or the distribution of property pursuant to the Plan.

The Debtors believe that the release, exculpation, and related injunction provisions are necessary and appropriate in light of the contributions made by the Released and Exculpated Parties, and consistent with applicable law, including precedent established by the United States Court of Appeals for the Third Circuit. The Debtors intend to present evidence at the Confirmation Hearing in support of the necessity and propriety of these Plan provisions.

IMPORTANTLY, ONLY HOLDERS OF CLAIMS OR INTERESTS THAT AFFIRMATIVELY OPT TO GRANT THE THIRD-PARTY RELEASES CONTAINED IN THE PLAN—EITHER (A) BY CHECKING THE BOX ON THEIR BALLOT INDICATING THEIR CONSENT TO SUCH RELEASES (IF ENTITLED TO VOTE), OR (B) BY CHECKING THE BOX ON THE OPT IN FORM INDICATING THEIR CONSENT TO SUCH RELEASES (IF NOT ENTITLED TO VOTE)— WILL BE DEEMED TO HAVE EXPRESSLY, UNCONDITIONALLY, GENERALLY, INDIVIDUALLY, AND COLLECTIVELY CONSENTED TO THE RELEASE AND DISCHARGE OF ALL CLAIMS AND CAUSES OF ACTION AGAINST THE DEBTORS AND THE RELEASED PARTIES WILL BE SUBJECT TO SUCH RELEASES. A HOLDER WILL BE CONSIDERED TO HAVE AFFIRMATIVELY CONSENTED TO THE THIRD-PARTY RELEASES ONLY IF THAT HOLDER: (A) IS A HOLDER OF A CLAIM IN CLASS 3, CLASS

4, CLASS 5, OR CLASS 6A AND VOTES TO ACCEPT THE PLAN; (B) IS A HOLDER OF A CLAIM IN CLASS 3, CLASS 4, CLASS 5, OR CLASS 6A, ABSTAINS OR DOES NOT AFFIRMATIVELY VOTE TO ACCEPT THE PLAN, AND CHECKS THE BOX ON THE BALLOT INDICATING THAT SUCH HOLDER OPTS TO GRANT THE RELEASES; OR (C) IS A HOLDER OF A CLAIM OR INTEREST IN CLASS 1, CLASS 2, CLASS 7, CLASS 8, CLASS 9, CLASS 10, OR CLASS 11 AND CHECKS THE BOX ON THE OPT-IN FORM INDICATING THAT SUCH HOLDER OPTS TO GRANT THE RELEASES. HOLDERS WHO DO NOT AFFIRMATIVELY OPT ~~IN~~ TO GRANT THE RELEASES WILL NOT BE BOUND BY THEM. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PLAN. FOR THE AVOIDANCE OF DOUBT, SPANO SHALL NOT CONSTITUTE A RELEASING PARTY UNDER THE PLAN.

L. What are the potential claims and causes of action against Silber and his affiliates?

The Debtors, through their Independent Fiduciary, are continuing to investigate potential Estate Claims and Causes of Action against Mark Silber, Frederick Schulman, and other individuals and entities associated with their historical control, management, or influence over the Debtors prior to the Petition Date. These investigations include potential claims for breach of fiduciary duty, mismanagement, corporate waste, fraudulent transfers, and other conduct that may have harmed the Debtors or their stakeholders.

With the assistance of advisors, the Independent Fiduciary is reviewing numerous prepetition transactions and governance actions involving these insiders. The areas of focus include the mismanagement of the Debtors' real estate assets, the potential misuse of financing proceeds, neglect of regulatory obligations, and other conduct potentially involving self-dealing, fraud, or improper diversion of estate value. The Debtors are also evaluating whether the misconduct that formed the basis of Silber's and Schulman's criminal convictions may have impacted the Debtors or their creditors.

As a result of this ongoing review, the Independent Fiduciary has directed the Debtors to preserve all related Claims and Causes of Action, including those against Silber, Schulman, entities they owned or controlled, and any other individuals or firms that may have facilitated or benefited from the conduct in question. These individuals and entities are expressly excluded from the Plan's definitions of "Released Parties" and "Exculpated Parties," and therefore are not receiving any release or exculpation under the Plan.

All such Claims and Causes of Action are being preserved under the Plan and, as of the Effective Date, will vest in the Creditor Recovery Trust and may be pursued by the Creditor Recovery Trustee in accordance with the Creditor Recovery Trust Agreement. The Creditor Recovery Trustee will serve as the post-effective date fiduciary responsible for investigating and, where appropriate, prosecuting such retained Claims and Causes of Action for the benefit of unsecured creditors.

M. What is the Creditor Recovery Trust?

The Creditor Recovery Trust is a trust that will be established on the Effective Date of the Plan for the benefit of Holders of Allowed Crown Capital Unsecured Claims and, solely to the extent that such Claims are paid in full, Holders of Allowed CBRM Unsecured Claims. Pursuant to the Plan, the Debtors will transfer certain assets—referred to as the "Creditor Recovery Trust Assets"—to the Creditor Recovery Trust. These assets include, among other things: (i) to the extent not expended prior to the Effective Date solely with respect to the development and investigation of Claims and Causes of Action held by the Debtors or their Estates to be pursued for the benefit of creditors, \$443,734 in proceeds from the Kelly Hamilton DIP Facility; (ii) to the extent that a NOLA Restructuring Transaction (as defined in the NOLA DIP Order) has been consummated, or the NOLA DIP Lenders and the Independent Fiduciary

otherwise agree in writing, or as ordered by the Bankruptcy Court, \$1,000,000 in proceeds from the NOLA DIP Facility—to be transferred to the Creditor Recovery Trust on the Effective Date; (iii) the Contributed Claims; (iv) the Insurance Causes of Action; (v) all retained Claims or Causes of Action, including Avoidance Actions, held by the Debtors or their Estates as of the Effective Date against any Excluded Party; (vi) the CBRM Interests; (vii) the Crown Capital Interests; and (viii) the Transferred Subsidiaries. The “Transferred Subsidiaries” consist of one or more Entities directly or indirectly owned by a Debtor that will be transferred to the Creditor Recovery Trust for administration, liquidation, or other resolution in accordance with the Plan and the Plan Supplement.

The Creditor Recovery Trust will be administered by one or more trustees selected by the Debtors, in consultation with the Ad Hoc Group of Holders of Crown Capital Notes ~~and~~, the NOLA DIP Lenders, and Spano. The Creditor Recovery Trustee will be responsible for administering, prosecuting, settling, or monetizing the Creditor Recovery Trust Assets and making distributions in accordance with the Plan and the Creditor Recovery Trust Agreement. The Creditor Recovery Trust is intended to maximize recoveries for unsecured creditors.

N. What is the Wind-Down and who is responsible?

Following the consummation of the Kelly Hamilton Sale Transaction and the Effective Date of the Plan, the Debtors will no longer operate an ongoing business and will instead wind down their affairs. A Wind-Down Officer will be selected by the Debtors to oversee the wind down, dissolution, and liquidation of the Estates following the Effective Date in accordance with Article IV.C of the Plan.

O. What is the deadline to vote on the Plan?

The Voting Deadline is August ~~22~~26, 2025, at 4:00 p.m. (prevailing Eastern Time).

P. How do I vote for or against the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to Holders of Claims and Interests that are entitled to vote on the Plan. For your vote to be counted, you must submit your ballot in accordance with the instructions provided in Article IV.D of this Disclosure Statement. BALLOTS SENT BY FAX OR EMAIL ARE NOT ALLOWED AND WILL NOT BE COUNTED.

Q. Why is the Bankruptcy Court holding a Confirmation Hearing?

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a hearing on confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. The Confirmation Hearing will be scheduled by the Bankruptcy Court shortly after the commencement of the Chapter 11 Cases. All parties in interest will be served notice of the time, date, and location of the Confirmation Hearing once scheduled.

R. What is the purpose of the Confirmation Hearing?

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and

provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

The deadline by which all objections to the Plan must be filed with the Bankruptcy Court and served so as to be actually received by the appropriate notice parties is August ~~22~~26, 2025, at 4:00 p.m. (prevailing Eastern Time).

S. Who do I contact if I have additional questions with respect to this Disclosure Statement or the Plan?

If you have any questions regarding this Disclosure Statement or the Plan, please contact the Debtors' Claims and Noticing Agent, Kurtzman Carson Consultants, LLC dba Verita Global ("Verita"), by submitting an inquiry to <https://www.veritaglobal.net/cbrm/inquiry> (with "CBRM Solicitation Inquiry" in the subject line).

Copies of the Plan and the Disclosure Statement: (a) are available on the Debtors' restructuring website, free of charge, at <https://www.veritaglobal.net/cbrm>; (b) may be obtained upon request of the Claims and Noticing Agent by writing to CBRM Realty Inc., et al. Ballot Processing, c/o KCC dba Verita Global, 222 N. Pacific Coast Highway, Suite 300, El Segundo, CA 90245 or by submitting an inquiry to <https://www.veritaglobal.net/cbrm/inquiry> (with "CBRM Solicitation Inquiry" in the subject line); and (c) will be available for inspection for a fee on the Bankruptcy Court's website at <https://www.njb.uscourts.gov>.

T. Do the Debtors recommend voting in favor of the Plan?

Yes. The Debtors strongly recommend that all eligible creditors vote to accept the Plan. The Plan provides for the sale of the Kelly Hamilton Property through a competitive, court-supervised Sale Process, establishes a Creditor Recovery Trust to administer recoveries to the Holders of Crown Capital Unsecured Claims and CBRM Unsecured Claims, and establishes a process to wind down the Debtors' Estates. This structure is designed to maximize value and ensure fair and efficient distributions to creditors.

The Debtors believe that the Plan is in the best interests of all Holders of Claims and Interests under the circumstances. Other alternatives would likely involve significant delays, increased administrative costs, and lower recoveries. In contrast, the Plan offers a clear, well-supported path forward to monetize remaining assets, preserve potential litigation value, and conclude these Chapter 11 Cases in an orderly manner.

IV. SOLICITATION AND VOTING PROCEDURES

This Disclosure Statement, which is accompanied by a ballot (the "**Ballot**") to be used for voting on the Plan, is being distributed to the Holders of Claims in the Classes entitled to vote to accept or reject the Plan.

A. Holders of Claims and Interests Entitled to Vote on the Plan

The Debtors are soliciting votes to accept or reject the Plan only from Holders of Claims and Interests in Classes 3, 4, 5, and 6 (the "**Voting Classes**"). The Holders of Claims and Interests in the Voting Classes are Impaired under the Plan and may, in certain circumstances, receive a distribution under the Plan. Accordingly, Holders of Claims and Interests in the Voting Classes have the right to vote to accept or

reject the Plan. The Debtors are not soliciting votes from Holders of Claims or Interests in Classes 1, 2, 7, 8, 9, and 10.

B. Votes Required for Acceptance by a Class

Under the Bankruptcy Code, acceptance by a class of claims requires an affirmative vote of more than one-half in number of total allowed claims that have voted and an affirmative vote of at least two-thirds in dollar amount of the total allowed claims that have voted. Acceptance by a class of interests requires an affirmative vote of at least two-thirds in amount of the total allowed interests that have voted.

C. Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all Holders of Claims entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan and include, among other things:

- unless otherwise specifically indicated, the financial information contained in the Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and the Disclosure Statement;
- although the Debtors believe that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan;
- the Debtors may request Confirmation without the acceptance of the Plan by all Impaired Classes in accordance with section 1129(b) of the Bankruptcy Code; and
- any delays of either Confirmation or Consummation could result in, among other things, increased Administrative Claims and Professional Fee Claims.

While these factors could affect distributions available to Holders of Allowed Claims and Interests under the Plan, the occurrence or impact of such factors may not necessarily affect the validity of the vote of the Voting Classes or necessarily require a re-solicitation of the votes of Holders of Claims and Interests in the Voting Classes pursuant to section 1127 of the Bankruptcy Code.

For a further discussion of risk factors, please refer to “Risk Factors” described in Article X of this Disclosure Statement.

D. Solicitation Procedures

1. Claims and Noticing Agent

The Debtors have retained the Claims and Noticing Agent, Verita, to act as, among other things, the Claims and Noticing Agent in connection with the solicitation of votes to accept or reject the Plan.

2. Solicitation Package

The following materials constitute the solicitation package (collectively, the “**Solicitation Package**”) distributed to Holders of Claims and Interests in the Voting Classes:

- notice of the Confirmation Hearing;
- a customized paper Ballot;

- the Disclosure Statement (including the Plan and all exhibits) and the Disclosure Statement Order; and
- any other materials ordered by the Bankruptcy Court to be included as part of the Solicitation Package.

3. Distribution of the Solicitation Package and Plan Supplement

V. OVERVIEW OF THE COMPANY'S OPERATIONS

A. The Debtors' Business Operations

The Debtors own and operate the Kelly Hamilton Property, a 110-unit multifamily residential apartment complex located in Pittsburgh, Pennsylvania. The Kelly Hamilton Property serves low-income tenants and participates in various government-supported housing programs, including HUD housing assistance and rent-restricted programs under applicable regulatory agreements. The Debtors' primary business is the ownership, financing, and operation of this single affordable housing asset.

The Kelly Hamilton Property is a vital affordable housing resource in its local community. Rent payments from tenants (including subsidies paid directly by government programs) represent the Debtors' primary source of revenue. The Debtors do not have employees of their own and instead rely on third-party professionals to manage and operate the Kelly Hamilton Property.

An organizational chart depicting the Company's overall ownership structure as, well as identifying those entities that are Debtors in these Chapter 11 Cases, is attached hereto as **Exhibit B**.

B. Property Management and Operations

Prior to these Chapter 11 Cases, the Debtors engaged Lynd Management to serve as the Property Manager for the Kelly Hamilton Property, pursuant to that certain Amended and Restated Property Management Agreement dated as of March 1, 2024. Lynd Management provides on-site personnel and oversees all day-to-day property-level functions, including leasing, maintenance, compliance with regulatory obligations, and the coordination of services for residents.

In addition, LAGSP serves as asset manager for the Debtors pursuant to that certain Asset Management Agreement dated as of March 1, 2024. LAGSP provides strategic oversight of the Kelly Hamilton Property's operations, ensures compliance with financing and regulatory obligations, and assists in capital planning and financial reporting.

All rent and subsidy collections are deposited into operating accounts controlled by the Debtors. In the ordinary course, these funds are used to pay property-level operating expenses, taxes, insurance, and debt service obligations. Prior to the Petition Date, limited liquidity, capital needs, and the legacy deferred maintenance burden impaired the Debtors' ability to stabilize operations and maintain compliance with regulatory standards.

C. Founder Misconduct and Breakdown in Governance

The Debtors are part of a larger real estate portfolio indirectly owned by CBRM and formed by real estate investor Moshe “Mark” Silber and certain affiliated parties (the “**Crown Capital Portfolio**”). The Crown Capital Portfolio holds dozens of multifamily housing projects across the United States, including the Kelly Hamilton Property, and has been historically funded, at least in part, by the federal government’s housing assistance programs, such as Section 8. Ultimately, the Crown Capital Portfolio raised hundreds of millions of dollars of financing, including (i) over \$200 million from the sale of bonds issued by Crown Capital and guaranteed by CBRM (the “**Notes**”) and (ii) approximately \$450 million of property-level mortgage loans provided by an array of different financing sources.

Silber and certain of his co-investors, including Frederick Schulman, have been targets of extensive investigations by the federal government and certain state authorities. On April 17, 2024, Silber entered into a plea agreement in connection with defrauding the federal government in connection with an affordable housing project (which does not have a presently-identified connection to the Debtors or their past or present activities) (the “**Silber Prosecution-Related Property**”). The plea agreement was entered into with the Fraud Section of the Department of Justice and the United States Attorney for the District of New Jersey for conspiracy to commit wire fraud affecting an institution pursuant to 18 U.S.C. § 371. Schulman also entered into a plea agreement around the same time. Silber was sentenced to 30 months in prison and Schulman was sentenced to 12 months and one day in prison, to be followed by nine months of home confinement. Both have agreed to pay restitution.

A considerable share of the Debtors’ distress arises from the fact that many, if not all, of the properties of the Debtors and their affiliates are likely worth much less today than the appraised values which supported the issuance of the Notes and certain of the property-level mortgage loans. Although the reasons for this depreciation remain the subject of active investigation, it may be explained by three factors alone or in combination. First, commencing in 2023, if not earlier, perhaps in part or in whole due to the distraction of the government investigations and eventual prosecution, Silber and Schulman neglected the management of the Crown Capital Portfolio, causing numerous properties or property-holding Debtors or their affiliates to fall into operational and/or physical disarray, jeopardize their eligibility for affordable housing programs which pay or subsidize all or most of the rent rolls, suffer declining occupancy rates, default on their obligations under their respective loan agreements, allow property-level mortgage loans to mature, fail to defend lawsuits (including the Acquiom litigation discussed *infra*) and become subject to default judgments, and/or become subject to receivership proceedings. Second, the government successfully prosecuted Silber and Schulman in connection with the Silber Prosecution-Related Property for using false or misleading property-level information to obtain inflated appraisals for certain properties, obtaining excessive financing, and then siphoning the surplusage out of Crown Capital. The Debtors are investigating what relevance, if any, this misconduct has to them. Third, many of the properties of the Debtors and their affiliates were valued for the purposes of the issuance of the Notes and some of the property-level mortgages in a period of time — 2021 and 2022 — when multi-family projects such as the Debtors’ were at all-time high values in part due to low interest rates and high investor demand during and after the COVID pandemic — and those properties would likely be worth less today even in the absence of management negligence or intentional misconduct.

D. Appointment of Independent Fiduciary

Once Silber’s plea became public, Silber, as a convicted felon, was effectively disqualified from continuing to manage the Crown Capital Portfolio. The Crown Capital Portfolio’s stakeholders, including investors who purchased the Notes (the “**Noteholders**”), expressed concern about these developments because the Crown Capital Portfolio’s value supported the payment of principal and

interest under the Notes.

Following discussions between Mr. Silber's counsel and the Noteholders' counsel (Faegre Drinker Biddle & Reath LLP) and financial advisers (at the time, IslandDundon), on August 29, 2024, the parties entered into a forbearance agreement (the "**Forbearance Agreement**"). The Forbearance Agreement addressed various matters involving pending defaults under the Notes and Mr. Silber's go-forward involvement with the portfolio and established a process to ensure the Crown Capital Portfolio had sufficient fiduciary oversight. The Forbearance Agreement, among other things, required Mr. Silber to appoint an independent fiduciary acceptable to the Noteholders as the sole director of CBRM and Crown [Capital](#) and provide that individual with an irrevocable proxy for so long as the obligations under the Forbearance Agreement remained pending.

Thereafter, the Noteholders' advisors identified numerous potential candidates to serve as independent fiduciary as required by the Forbearance Agreement. On September 26, 2024, the bondholders party to the Forbearance Agreement consented to the appointment of Ms. Elizabeth A. LaPuma—a restructuring professional who for over 20 years has worked as an investment banker and corporate director, including for companies in distress—as the Independent Fiduciary for CBRM and Crown [Capital](#). Since that time, Ms. LaPuma has acted in a fiduciary capacity for those entities and the dozens of other entities directly or indirectly owned by CBRM, including the Debtors.

E. Factors Precipitating the Debtors' Chapter 11 Filings

Following her appointment, the Independent Fiduciary immediately got to work to maximize the value of the portfolio. The Independent Fiduciary ordered a review of all litigation involving the portfolio, including the systematic identification of defaults, lawsuits, and judgments entered against the properties. In addition, the Independent Fiduciary, with the assistance of entities within Lynd Management, began the process of ensuring that each property owned by the portfolio had sufficient staffing and other resources, with the goal of ensuring that residents had safe, clean homes.

The Independent Fiduciary also took steps to ensure that she and the portfolio had the internal resources to maximize value for all stakeholders. Among other things, she obtained director and officer insurance (which the Crown Capital Portfolio inexplicably never obtained prior to the Independent Fiduciary's appointment) to enable her to fulfill her duties. The Independent Fiduciary also began providing periodic updates to the Noteholder advisers and steering committee (including weekly calls), engaged an investment advisor to seek refinancing and new capital opportunities for certain portfolio properties, and engaged with other creditors.

These efforts, however, required a pause in any negative enforcement actions contemplated by creditors of the Crown Capital Portfolio, including the Noteholders. Thus, following her appointment, the Independent Fiduciary worked constructively with her advisors and the Noteholders' advisors to extend the Forbearance Agreement in order to allow additional time to restructure the portfolio in a manner which would maximize value for all stakeholders. The Noteholders agreed to extend the Forbearance Agreement through April 14, 2025. However, prior to the expiration of that extension, the Noteholders informed the Independent Fiduciary's advisors that they would not extend the Forbearance Agreement any further.

Around the same time, one of the Debtors' judgment creditors similarly expressed its intent to execute on the Debtors' assets. Specifically, in June 2022, Mr. Silber purportedly entered into that certain Credit Agreement, dated June 2, 2022, between UBS O'Connor LLC, as lender ("**UBS**"), and Acquiom Agency Services LLC ("**Acquiom**"), as administrative agent (the "**Silber Credit Agreement**"). The Silber Credit Agreement was purportedly guaranteed by, among others, CBRM, and was purportedly secured by

a pledge by CBRM of its equity in Crown Capital. On March 6, 2024, Acquiom sent a letter to Mr. Silber asserting that a default had occurred under the Silber Credit Agreement resulting from Mr. Silber's failure to timely make certain interest payments which Acquiom asserted were properly due under the Silber Credit Agreement. On May 2, 2024, after failing to receive a response to its letter, Acquiom filed a lawsuit against, among others, Silber and CBRM (the "**UBS Defendants**") to recover the total aggregate principal balance under the Silber Credit Agreement in a suit captioned *Acquiom Agency Services LLC v. Fox Capital LLC et. al.*, Index No. 652265/2024, Supreme Court of the State of New York County of New York, Commercial Division Part 45 (May 2, 2024).

On August 2, 2024, the Supreme Court of the State of New York (the "**New York Court**") granted Acquiom's summary judgment motion and required that Silber repay the amounts outstanding under the Silber Credit Agreement in an amount totaling \$19,185,000 plus interest. On September 5, 2024, the New York Court entered a judgment against the UBS Defendants in the amount of \$21,020,452.60. On September 9, 2024, Acquiom assigned the right to collect on this judgment to Spano. After the assignment, on December 14, 2024, the New York Court entered a property execution order requiring the UBS Defendants to satisfy the judgment and authorizing the Spano to foreclose and collect upon certain assets in satisfaction of its judgment, including CBRM's right, title, and interest in Crown Capital. The Rockland County sheriff was scheduled to conduct a sheriff's sale of certain assets of CBRM, including its equity interest in Crown Capital, on Thursday, May 22, 2025. The sheriff's sale, had it proceeded, would have allowed a prepetition creditor to exercise remedies against CBRM's interest in Crown Capital, the entity overseen by the Independent Fiduciary (a) that issued the Notes, (b) holds significant potential claims and causes of action against Silber and other affiliates, and (c) holds CBRM's interests in the Crown Capital Portfolio. The sheriff's sale, if it had proceeded, would have, therefore, allowed a single prepetition judgment creditor receive a recovery at the expense of other creditors (particularly the Noteholders). The Debtors commenced these chapter 11 cases to maximize value for all of CBRM's creditors.

F. The Debtors' Prepetition Secured Indebtedness

As of the Petition Date, the Debtors' prepetition secured indebtedness consisted of a term loan in the original principal amount of \$3,500,000 (the "**Prepetition Kelly Hamilton Loan**") pursuant to that certain Loan and Security Agreement, dated as of September 20, 2024, between Debtor Kelly Hamilton, as Borrower, and the Kelly Hamilton Lender, as Lender, evidenced by that certain Term Note, dated as of September 20, 2024, by Kelly Hamilton Debtor in favor of the Kelly Hamilton Lender, and secured by an Open-End Commercial Mortgage, Security Agreement and Assignment of Leases and Rents, dated as of September 20, 2024.

G. Prepetition Unsecured Obligations

As of the Petition Date, the Debtors' prepetition unsecured indebtedness consisted of: (a) the Notes, which are a series of three bond issuances, each made under a purported exemption from registration under the Securities Act of 1933, each of which is structured as a series of economically-identical bilateral agreements between the issuer and guarantor thereof, on the one hand, and each note purchaser (principally consisting of insurance companies and wealth management firms), on the other hand, and none of which possesses a trust indenture nor indenture trustee; (b) the obligations under the Silber Credit Agreement to the extent its obligations are validated; (c) operating trade obligations; and (d) obligations to Lynd Management, LAGSP, and providers of professional services to or the payment of which was guaranteed by the Debtors.

VI. OVERVIEW OF THE CHAPTER 11 CASES

A. Commencement of Chapter 11 Cases

On the Petition Date, the Debtors commenced the Chapter 11 Cases. The Debtors continue to manage their properties and operate their businesses as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

B. Joint Administration of the Chapter 11 Cases

On May 20, 2025, the Debtors filed a motion seeking joint administration of their Chapter 11 Cases for procedural purposes only [Docket No. 7]. On May 27, 2025, the Bankruptcy Court entered an order granting the motion and directing that the cases be jointly administered under the lead case, *In re CBRM Realty Inc.*, Case No. 25-15343 [Docket No. 51].

C. Complex Chapter 11 Case Designation and Procedures

On May 20, 2025, the Debtors submitted an application to designate the Chapter 11 Cases as complex Chapter 11 cases [Docket No. 10]. On May 28, 2025, the Bankruptcy Court entered an order granting the designation [Docket No. 57]. Subsequently, on June 9, 2025, the Bankruptcy Court entered an order implementing the *Chapter 11 Complex Case Procedures* [Docket No. 122].

D. Cash Management System

On May 23, 2025, the Debtors filed a motion seeking authority to continue using their existing cash management system, maintain their existing bank accounts and business forms, honor related obligations in the ordinary course of business, and continue conducting intercompany transactions. The motion also requested that postpetition intercompany balances be granted superpriority administrative expense status pursuant to sections 503(b) and 507(b) of the Bankruptcy Code [Docket No. 30].

On May 28, 2025, the Bankruptcy Court entered an interim order approving the requested relief on an interim basis [Docket No. 60]. Following a final hearing, the Bankruptcy Court entered a final order on June 18, 2025, authorizing the Debtors to continue operating their cash management system and related practices on a final basis [Docket No. 165]. Pursuant to the final order, the Debtors were authorized to maintain their prepetition cash management structure, including all bank accounts and intercompany funding arrangements, and to continue using their existing checks and business forms, provided that they include a “Debtor in Possession” designation.

E. Authorization of Tenant Reimbursement and Business Operations

On May 23, 2025, the Debtors filed a motion seeking authority to continue to operate their businesses in the ordinary course, including authority to pay certain prepetition obligations that are essential to ongoing operations and necessary to preserve the value of the estates (the “**Ordinary Course Motion**”) [Docket No. 34]. This relief was critical to maintaining stable operations during the early stages of the Chapter 11 Cases and ensuring continuity of services across the Debtors’ real estate portfolio.

Included within the scope of the Ordinary Course Motion was authorization for the Debtors to honor prepetition obligations to tenants, including obligations related to tenant reimbursements. Many of the Debtors’ commercial leases contain provisions requiring the landlords to reimburse tenants for specific capital expenditures or tenant improvements, subject to defined lease terms and conditions. These reimbursements, while prepetition in origin, were viewed as essential to maintaining positive tenant

relationships, avoiding litigation, and preserving the ongoing viability of tenancy arrangements that are foundational to the Debtors' revenue stream.

On June 18, 2025, following notice and a hearing, the Bankruptcy Court entered a final order granting the Debtors authority to make tenant reimbursement payments consistent with the terms of applicable leases, and to continue administering and satisfying those obligations on a go-forward basis without the need for further Court approval [Docket No. 166]. On June 27, 2025, the Court entered a final order granting the Debtors authority to continue their prepetition business operations, policies, and practices, including the authorization to pay taxes and fees, vendor claims, and insurance obligations in the ordinary course of business on a postpetition basis [Docket No. 226].

F. Retention of Chapter 11 Professionals

The Debtors have obtained authority to retain various professionals to assist them in carrying out their duties under the Bankruptcy Code during these Chapter 11 Cases. The Debtors' professionals include: (i) White & Case LLP as bankruptcy counsel; (ii) Ken Rosen Advisors PC as New Jersey special counsel; (iii) Verita as claims and noticing agent and administrative agent; and (iv) IslandDundon Partners LLC as restructuring advisor and investment banker. The Debtors may seek to retain additional professionals.

G. DIP Financing Motion

On May 28, 2025, the Debtors filed a motion [Docket No. 61] seeking authority to obtain two senior secured superpriority debtor-in-possession ("**DIP**") financing facilities from the Kelly Hamilton DIP Lender and the NOLA DIP Lenders, respectively.

On June 19, 2025, the Bankruptcy Court approved the Kelly Hamilton DIP Facility on a final basis [Docket No. 178] (the "**Kelly Hamilton DIP Order**"). Pursuant to the Senior Secured Superpriority Debtor-in-Possession Credit Agreement, dated June 23, 2025, the Kelly Hamilton DIP Facility provides up to \$9,705,162 in postpetition financing to the Debtors. The proceeds are to be used, among other things, to pay accrued and unpaid prepetition obligations to the prior secured lender, fund working capital, pay administrative and professional expenses in these Chapter 11 Cases, and preserve the value of low-income, HUD-subsidized multifamily housing owned by the Debtors.

The Kelly Hamilton DIP Facility is secured by first-priority, priming liens on substantially all assets of the Debtors (excluding certain litigation trust assets) and includes superpriority administrative expense claims under section 364(c)(1) of the Bankruptcy Code. The facility provides that the obligations owed to the Kelly Hamilton DIP Lender are subject only to a defined Carve-Out and a limited reservation of rights respecting the Purported Spano Judgment Lien (as defined in the Kelly Hamilton DIP Order).

On July 2, 2025, the Bankruptcy Court approved the NOLA DIP Facility on a final basis [Docket No. 251] (the "**NOLA DIP Order**"). Pursuant to the Senior Secured Superpriority Debtor-in-Possession Credit Agreement, the NOLA DIP Facility provides for up to \$17,422,728 in postpetition financing to Debtors Crown [Capital](#), RH Chenault Creek LLC, RH Windrun LLC, RH Copper Creek LLC, and RH Lakewind East LLC. Of that amount, approximately \$8,461,524 constitutes new money loans, with the remaining \$8,961,204 representing a roll-up of obligations under the NOLA Debtors' prepetition first lien loan facilities. The proceeds of the NOLA DIP Facility are to be used to fund working capital, pay administrative and professional expenses in these Chapter 11 Cases, satisfy critical prepetition obligations, and preserve and stabilize the value of the NOLA Debtors' low-income multifamily properties in New Orleans.

The NOLA DIP Facility is secured by first-priority, priming liens on substantially all assets of the NOLA Debtors and includes superpriority administrative expense claims under section 364(c)(1) of the Bankruptcy Code. The obligations under the NOLA DIP Facility are subject only to a defined Carve-Out and are governed by a budget and reporting protocol similar to the Kelly Hamilton DIP Facility. The final DIP order also provides for the roll-up of prepetition debt upon entry of the final order, without a novation or impairment of existing liens, and reserves certain rights with respect to potential litigation trust assets. For the avoidance of doubt, except to the extent that the NOLA DIP Facility has been indefeasibly repaid in full in Cash or the NOLA DIP Lenders and the Independent Fiduciary otherwise agree in writing, the Plan does not modify or otherwise affect any obligations of the Debtors arising under or related to the NOLA DIP Facility.

H. Utilities Motion

On June 10, 2025, the Debtors filed a motion seeking entry of interim and final orders to establish adequate assurance procedures and to prevent utility companies from altering, refusing, or discontinuing service due to the commencement of the Chapter 11 Cases (the “**Utilities Motion**”) [Docket No. 125]. The Utilities Motion was critical to ensuring uninterrupted utility services to the Debtors’ affordable housing projects across multiple states. The Debtors proposed to deposit approximately \$67,025 into a segregated account as adequate assurance for utility providers, in addition to maintaining their historical payment practices.

On July 10, 2025, the Bankruptcy Court entered a final order granting the relief requested in the Utilities Motion [Docket No. 279].

I. Lynd Management and LAGSP Contract Assumption

On June 11, 2025, the Debtors filed a motion [Docket No. 128] seeking authority to assume critical prepetition property management and staffing contracts with Lynd Management and LAGSP, which provided essential onsite and centralized services to the Debtors’ multifamily housing portfolio. The Debtors determined that assumption of these contracts was necessary to preserve value and maintain operational stability, particularly given Lynd Management and LAGSP’s provision of critical property management and asset management services that are essential to maintaining compliance with regulatory requirements (including HUD requirements) and safeguarding resident health and safety. Continued engagement of Lynd Management and LAGSP was also integral to preserving the value of the Kelly Hamilton Property and ensuring uninterrupted, compliant operations throughout the chapter 11 process.

On June 18, 2025, the Court entered an order [Docket No. 171] authorizing assumption of the contracts. In connection with that assumption, the Debtors agreed to pay a total cure amount of \$953,240.81 to Lynd Management and LAGSP. Of that amount, \$275,000 was payable in cash upon entry of the order, with the remaining \$678,240.81 to be treated as an allowed administrative expense under sections 365(b) and 503(b) of the Bankruptcy Code and paid in accordance with the Plan’s treatment of General Administrative Claims.

This arrangement provided immediate liquidity to Lynd Management and LAGSP and preserved its continued postpetition services while deferring the balance of the cure costs in a manner that aligned with the Debtors’ liquidity constraints. The assumption of the Lynd Management and LAGSP contracts helped ensure continuity in essential property operations while supporting the Debtors’ broader restructuring efforts.

J. Schedules and Statements and Claims Bar Dates

On June 27, 2025, the Court entered an order [Docket No. 227] approving the establishment of deadlines for filing proofs of claim. The order established: (i) 5:00 p.m. (prevailing Eastern Time) on July 28, 2025, as the general bar date for all non-governmental creditors to file proofs of claim against the Debtors (the “**Claims Bar Date**”); (ii) 5:00 p.m. (prevailing Eastern Time) on November 17, 2025, as the deadline for governmental units to file claims (the “**Governmental Bar Date**”); (iii) the later of (a) the Claims or Governmental Bar Date, as applicable, or (b) 30 days after entry of an order authorizing rejection of an executory contract or unexpired lease, as the deadline for claims arising from such rejection (the “**Rejection Damages Bar Date**”); and (iv) the later of (a) the Claims or Governmental Bar Date, as applicable, or (b) 21 days following service of an amendment to a Debtor’s Schedules, as the deadline for affected creditors to file claims in response (the “**Amended Schedules Bar Date**”).

The Debtors intend to serve all required Bar Date Notices promptly upon entry of the Bar Date Order and have engaged Verita to facilitate notice and claims administration.

On June 24, 2025, the Debtors filed their Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Schedules and Statements**”) pursuant to section 521 of the Bankruptcy Code. These filings included individual Schedules and Statements for CBRM, Crown Capital, Kelly Hamilton MM LLC, and Kelly Hamilton [Docket Nos. 188-191].³⁶ The Schedules and Statements were prepared based on information available to the Debtors as of the Petition Date and are subject to further amendment or supplementation as discovery continues.

K. Motion to Dismiss the Chapter 11 Case of RH Lakewind East LLC

On June 1, 2025, Cleveland International Fund – NRP West Edge Ltd. (“**CIF**”) filed a motion to dismiss the Chapter 11 case of RH Lakewind East LLC (“**Lakewind**”) pursuant to sections 1112(b) and 305(a) of the Bankruptcy Code [Docket No. 87]. CIF alleged that Lakewind’s bankruptcy petition was not filed in good faith and that dismissal was warranted based on purported bad faith and lack of legitimate reorganization purpose.

Following negotiations among the Debtors, CIF, and other stakeholders, and in connection with the settlement embodied in the NOLA DIP Order, CIF agreed to withdraw the motion with prejudice. Pursuant to paragraph 9 of the NOLA DIP Order, entry of that order constituted CIF’s agreement to permanently withdraw its motion to dismiss and to waive further litigation or objection concerning the subject matter of that motion. Accordingly, the motion to dismiss was deemed withdrawn with prejudice upon entry of the NOLA DIP Order.

L. Adversary Proceeding Commenced by Cleveland International Fund

On June 25, 2025, CIF commenced the adversary proceeding styled *Cleveland International Fund – NRP West Edge Ltd. and Laguna Reserve Apts Investor LLC v. CKD Funding, LLC and CKD Investor Penn LLC*, Adv. Proc. No. 25-01269, asserting claims related to the financing structure of certain Crown Capital Portfolio entities.

The Debtors and other stakeholders disputed CIF’s standing to prosecute the claims asserted in the adversary proceeding. Before any responsive pleadings were filed, CIF voluntarily dismissed the adversary proceeding on the basis that it lacked standing to pursue the asserted claims.

³⁶ The Schedules for CBRM Realty Inc. were amended on July 2, 2025 [Docket No. 252] to reflect updates to Schedules D, E/F, and the Summary of Assets and Liabilities for Non-Individuals. Additional amendments may be made as necessary.

Thereafter, as part of the settlement embodied in the NOLA DIP Order, CIF agreed to waive and release any further challenges related to the subject matter of the adversary proceeding. Pursuant to paragraph 9 of the NOLA DIP Order, CIF also agreed not to initiate or pursue further litigation or objections concerning the Debtors' governance structure or restructuring process to the extent addressed in the adversary proceeding or resolved in connection with the settlement.

M. Bidding Procedures and Stalking Horse Motion

On July 11, 2025, the Debtors filed the Bidding Procedures Motion [Docket No. 281] seeking entry of an order (the "**Bidding Procedures Order**"), among other things, approving bidding procedures (the "**Bidding Procedures**") in connection with the proposed sale of the Kelly Hamilton Property pursuant to the Plan. The Bidding Procedures are designed to provide a transparent, competitive, and court-supervised process through which interested parties may submit proposals to acquire the Kelly Hamilton Property or sponsor an alternative plan transaction. The process ensures that all qualified bids are solicited, reviewed, and evaluated in a manner consistent with the milestones and confirmation timeline outlined in the motion to approve this Disclosure Statement and the associated solicitation procedures.

In connection with the Bidding Procedures, the Debtors also sought authority to enter into the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement establishes the baseline bid for the Kelly Hamilton Property and sets forth the proposed terms of the Kelly Hamilton Sale Transaction, including a credit bid of the Kelly Hamilton DIP Claims, the potential assumption or refinancing of certain liabilities, and other related considerations. The Bidding Procedures Motion also sought customary bid protections for the Kelly Hamilton Purchaser, including a break-up fee of \$250,000, as provided in the Kelly Hamilton Purchase Agreement.

On July 24, 2025, the Bankruptcy Court entered the Bidding Procedures Order [Docket No. 325], approving the Bidding Procedures, the Kelly Hamilton Purchase Agreement, the bid protections, and all related relief requested in the Bidding Procedures Motion. The Bidding Procedures establish a value-maximizing process through which interested parties may submit competing proposals to acquire the Kelly Hamilton Property or to sponsor an alternative plan transaction. If one or more qualifying bids are received, the Debtors will conduct an auction on August 18, 2025, to determine the highest or otherwise best offer. The deadline to submit bids is August 14, 2025 at 4:00 p.m. (prevailing Eastern Time). A hearing to consider confirmation of the Plan and approval of the sale transaction is scheduled for September 4, 2025.

N. Retention and Compensation of Professionals

On July 8, 2025, the Debtors filed the *Debtors' Motion for Entry of an Order Authorizing Employment and Payment of Professionals Utilized in the Ordinary Course of Business* [Docket No. 270] (the "**Ordinary Course Professionals Motion**"). Pursuant to the Ordinary Course Professionals Motion, the Debtors sought authority to retain and compensate certain professionals utilized in the ordinary course of business without the need to file individual retention applications for each such professional, subject to certain procedures and monthly payment caps. On July 24, 2025, the Court entered an order granting the relief requested in the Ordinary Course Professionals Motion [Docket No. 270].

Also on July 8, 2025, the Debtors filed the *Debtors' Motion for Entry of an Administrative Fee Order Establishing Procedures for the Allowance and Payment of Interim Compensation and Reimbursement of Expenses of Professionals Retained by Order of the Court* [Docket No. 272] (the "**Interim Compensation Motion**"). The Interim Compensation Motion requested approval of procedures for the interim allowance and payment of fees and reimbursement of expenses of professionals retained pursuant

to sections 327 and 1103 of the Bankruptcy Code. On July ~~12~~²⁴, 2025, the Court entered an order granting the relief requested in the Interim Compensation Motion [Docket No. ~~324~~³²⁴].

O. Disputed Spano CBRM Claim and Spano Adversary Proceeding

As described in greater detail above, Acquiom obtained a prepetition judgment against CBRM in connection with guarantees provided under the Silber Credit Agreement, which judgment was subsequently assigned to Spano. That judgment included, among other actions, a scheduled sheriff's sale of CBRM's equity interests in Crown Capital that was stayed by the commencement of these Chapter 11 Cases.

On July 15, 2025, Spano filed a proof of claim against CBRM (Claim No. 4), asserting a secured claim in the amount of approximately \$21.1 million based on the prepetition judgment and a purported lien. In response, on July 18, 2025, CBRM filed a complaint in the Bankruptcy Court against Spano and Acquiom, initiating an adversary proceeding captioned *CBRM Realty Inc. v. Spano Investor LLC (In re CBRM Realty Inc.)*, Adv. Pro. No. 25-01295, Case No. 25-15343 (Bankr. D.N.J. July 18, 2025) (the "Spano Adversary Proceeding") [Docket No. 1] (the "**Complaint**").

The Complaint alleges, among other things, that in June 2022, Mr. Silber entered into a credit agreement with Acquiom and certain lenders and subsequently received an aggregate amount of \$19 million of loan proceeds prior to November 2023. In November 2023, Mr. Silber caused CBRM to become a guarantor under the credit agreement via an amendment to the governing guaranty agreement. Mr. Silber also received an additional \$7.75 million of loan proceeds under the credit agreement. In May 2025, Acquiom filed suit against the guarantors in New York state court under the relevant loan documents. On September 5, 2024, Acquiom received a judgment against the guarantors, including CBRM, in the amount of approximately \$21 million. Acquiom subsequently assigned the judgment to Spano. On or around December 13, 2024, Spano delivered a property execution letter to the Rockland County Sheriff, resulting in a purported judgment lien on CBRM's property. The corresponding levy was served on CBRM's counsel, White & Case LLP, on January 15, 2025. The Complaint alleges that the levy expired 90 days after service if CBRM's property was not transferred to the sheriff—and that no such transfer occurred.

The Complaint seeks to avoid CBRM's guaranty as a constructively fraudulent transfer pursuant to sections 544 and 548 of the Bankruptcy Code and to avoid the purported judgment lien as unperfected as of the Petition Date under section 544 of the Bankruptcy Code. In addition, the Complaint seeks disallowance of Spano's proof of claim in its entirety or, in the alternative, a determination that Spano holds only an unsecured claim.

The Complaint asserts five causes of action, including: (i) avoidance and recovery of the guaranty as a constructively fraudulent transfer under sections 544, 548, 550, and 551, against Spano and Acquiom; (ii) avoidance and recovery of the purported lien under sections 544, 550, and 551, against Spano and Acquiom; (iii) disallowance of the defendants' claims under section 502(d), against Spano and Acquiom; (iv) disallowance of Spano's claim under section 502(b), against Spano; and (v) recharacterization and/or disallowance of Spano's claim as unsecured under sections 502 and 506, against Spano.

~~The outcome of the Adversary Proceeding may affect the classification and ultimate treatment of Spano's claim under the Plan.~~

Spano disputes all of the allegations asserted in the Spano Adversary Proceeding and has expressly reserved all rights, claims, and defenses in connection therewith.

On July 30, 2025, the Debtors, Spano, and Acquiom executed the Spano Stipulation, which was filed with the Bankruptcy Court and will become effective upon entry of an order approving it. Pursuant to

the Spano Stipulation, the Spano CBRM Claim shall be deemed Allowed in the amount of \$21,118,881.01 solely for voting purposes under section 1126 of the Bankruptcy Code, without prejudice to Spano's position that its Claim is secured and supported by valid, enforceable liens and security interests. The Plan has been amended to provide for a separate class for the Spano CBRM Claim, and Spano has agreed to vote to accept the Plan in that class. The Spano Stipulation expressly reserves all parties' rights with respect to the classification, allowability, priority, and secured status of the Spano CBRM Claim.

The Spano Adversary Proceeding and related claim objections will be stayed in their entirety and may resume only if, after the Effective Date, the Creditor Recovery Trustee makes a good-faith determination that value is available for distribution to creditors of CBRM after the payment in full of all Allowed Claims against CBRM's subsidiaries. Spano will receive thirty (30) days' advance written notice of such determination and may file an objection with the Bankruptcy Court within thirty (30) days of receiving such notice. If the Creditor Recovery Trustee determines no such value is available, the Spano Adversary Proceeding shall be dismissed with prejudice. If value is determined to be available, the Spano Adversary Proceeding shall resume in accordance with a mutually agreed-upon schedule, unless otherwise resolved.

Spano has also agreed to support confirmation and consummation of the Plan by timely submitting a ballot accepting the Plan. Under the Spano Stipulation, Spano is entitled to consultation rights regarding the identity of the Creditor Recovery Trustee and will receive quarterly reports regarding the administration of the Creditor Recovery Trust, subject to confidentiality obligations. While expressly reserving all rights against Moshe (Mark) Silber and other non-Debtors, Spano has agreed to use commercially reasonable efforts to respond to inquiries from the Creditor Recovery Trustee regarding potential claims against non-released parties, including Excluded Parties. Spano has no obligation to respond if doing so would interfere with its rights or violate a confidentiality obligation, and shall not be required to incur costs unless the Creditor Recovery Trustee pays or agrees to reimburse them. Each party will bear its own costs and expenses in connection with the Spano Stipulation. For the avoidance of doubt, Spano shall not be treated as a Contributing Claimant under the Plan, and nothing in the Plan or Spano Stipulation shall affect or impair Spano's rights or claims against Moshe (Mark) Silber or any other non-Debtor.

VII. SUMMARY OF THE MATERIAL TERMS OF THE PLAN

The Kelly Hamilton Sale Transaction will be implemented through the Plan via a court-approved sale of substantially all assets of Debtor Kelly Hamilton to the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement, or, if applicable, to a higher or otherwise better bidder selected through the Court-approved auction process.

The Kelly Hamilton Purchase Agreement contemplates, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption or refinancing of certain liabilities, and the payment of cure amounts for assigned executory contracts, as well as other forms of consideration. If the Kelly Hamilton Purchase Agreement is terminated and an alternative transaction is consummated through the auction, the Plan will be funded using the consideration provided by the successful bidder.

Proceeds from the Kelly Hamilton Sale Transaction, together with other available assets—including Cash on hand, proceeds from the Kelly Hamilton DIP Facility, and other consideration realized in connection with the Sale Process—will be used to fund distributions to creditors in accordance with the Plan. The Plan also contemplates the establishment of the Creditor Recovery Trust.

The specific sources and uses of consideration, including any modifications resulting from the outcome of the auction or changes to the Kelly Hamilton Sale Transaction, will be set forth in the Plan Supplement.

VIII. SUMMARY OF THE RELEASES, INJUNCTION, EXCULPATION, AND DISCHARGE CONTEMPLATED BY THE PLAN

A. Settlement, Compromise, and Release of Claims and Interests

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete settlement, compromise, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by agents or representatives of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt, right, Claim, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the settlement, compromise, and release of all Claims and Interests subject to the Effective Date occurring.⁴⁷

B. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estate shall be fully released, settled, and compromised.

C. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released by the Debtors and their Estates from any and all Claims, obligations,

⁴⁷ Notwithstanding anything to the contrary herein, the discharge and releases provided in this Article VIII shall not discharge any Claims or Causes of Action against Crown Capital arising under or in connection with the NOLA DIP Facility. Additionally, the releases provided in Article VII of the Plan are without duplication to the releases provided under the Kelly Hamilton DIP Order.

Except as otherwise specifically provided in the Plan, each Debtor and each ~~Released~~Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action, or liability for any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects each Debtor and each ~~Released~~Exculpated Party shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities pursuant to the Plan. The Debtors, their Estates, and the ~~Released~~Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of the Plan and distributions pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

F. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan, all Entities who have held, hold, or may hold Claims or Interests that have been released pursuant to Article VIII.B of the Plan or Article VIII.D of the Plan, compromised and settled pursuant to Article VIII.A of the Plan, or are subject to exculpation pursuant to Article VIII.E of the Plan are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claim or Interest; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests.

IX. CERTAIN TAX CONSEQUENCES OF THE PLAN

A. General Tax Considerations

The following discussion is a summary of certain material U.S. federal income tax consequences from the consummation of the Plan to Holders entitled to vote to accept or reject the Plan and the Creditor Recovery Trust, is for general information purposes only, and should not be relied upon for purposes of determining the specific tax consequences of the Plan with respect to a particular Holder of a Claim. This discussion does not purport to be a complete analysis or listing of all potential tax considerations. This discussion does not address aspects of U.S. federal income taxation that may be relevant to a particular Holder of a Claim subject to special treatment under U.S. federal income tax laws (such as broker dealers; traders in securities that elect to use a mark-to-market method of accounting for securities

holdings; banks; thrifts; insurance companies; financial institutions; regulated investment companies; real estate investment trusts; pension plans; partnerships (or other entities or arrangements treated as a partnership for U.S. federal income tax purposes) or a partner, member or owner therein; persons that hold a Claim as part of a straddle or a hedging, conversion or constructive sale transaction; persons whose functional currency is not the U.S. dollar and other tax exempt investors). This summary does not discuss any aspects of state, local or foreign tax laws or any U.S. federal estate or gift tax considerations. Furthermore, this summary does not address all of the U.S. federal income tax consequences that may be relevant to a Holder of a Claim, such as the potential application of the alternative minimum tax.

This discussion is based on existing provisions of the Internal Revenue Code of 1986, as amended (the “IRC”), existing and proposed Treasury Regulations promulgated thereunder, and current administrative rulings and court decisions. Legislative, judicial, or administrative changes or interpretations enacted or promulgated after the date hereof could alter or modify the analyses set forth below with respect to the federal income tax consequences of the Plan. Any such changes or interpretations may be retroactive and could significantly affect the federal income tax consequences of the Plan.

No ruling has been or will be requested or obtained from the Internal Revenue Service (the “IRS”) with respect to any tax aspects of the Plan and no opinion of counsel has been or will be sought or obtained with respect thereto. No representations or assurances are being made to the Holders of Claims or Interests with respect to the U.S. federal income tax consequences described herein.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING OR ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A PARTICULAR HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS STRONGLY URGED TO CONSULT WITH ITS OWN TAX ADVISORS REGARDING THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. INCOME, ESTATE, AND OTHER TAX CONSEQUENCES OF THE PLAN.

B. U.S. Federal Income Tax Consequences to Holders of Claims

1. Consequences of U.S. Holders of Claims

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of a Claim that is, for U.S. federal income tax purposes:

- an individual citizen or resident of the United States;
- a corporation, or other entity taxable as a corporation, created or organized in or under the laws of the United States, any state therein or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all substantial decisions of the trust or otherwise if the trust has a valid election in effect under current Treasury regulations to be treated as a United States person.

A “Non-U.S. Holder” is any Holder that is not a U.S. Holder or a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes). If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder of a Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon

the status of the partner (or other beneficial owner) and the activities of the partner (or other beneficial owner) and the entity. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Claims should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

The federal income tax consequences of the implementation of the Plan to a U.S. Holder of Claims will depend, among other things, upon the origin of the Holder's Claim, when the Holder receives payment in respect of such Claim, whether the Holder reports income using the accrual or cash method of tax accounting, whether the Holder acquired its Claim at a discount and whether the Holder has taken a bad debt deduction with respect to such Claim.

(a) Kelly Hamilton Go-Forward Trade Claims

Each holder of a Kelly Hamilton Go-Forward Trade Claim will be entitled to receive substantially all assets of Debtor Kelly Hamilton pursuant to the Kelly Hamilton Purchase Agreement. The Kelly Hamilton Purchase Agreement provides for, among other things, a credit bid of all obligations outstanding under the Kelly Hamilton DIP Facility, the potential assumption of certain liabilities, and the payment of cure amounts for assigned executory contracts.

Holders of Kelly Hamilton Go-Forward Trade Claims generally will recognize gain or loss on the receipt of such assets in exchange for the Kelly Hamilton DIP Facility in an amount equal to the difference between (i) the fair market value on the date of the exchange of such assets, less any liabilities (other than in consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder's taxable income). Holders of Kelly Hamilton Go-Forward Trade Claims are expected to have a fair market value tax basis in the assets acquired.

(b) Other Kelly Hamilton Unsecured Claims

Each Holder of an Allowed Other Kelly Hamilton Unsecured Claim will receive its Pro Rata share of the Debtors' Cash on hand as of the Effective Date following the payment of all Allowed General Administrative Claims, Allowed Priority Tax Claims, Allowed Kelly Hamilton DIP Claims, Allowed Other Priority Claims, and Allowed Secured Claims in full.

Holders of Allowed Other Kelly Hamilton Unsecured Claims generally will recognize gain or loss in an amount equal to the difference between (i) the amount of any Cash received by the Holder (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder's taxable income).

(c) Crown Capital Unsecured Claims and CBRM Unsecured Claims

Each Holder of an Allowed Crown Capital Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust, and, solely to the extent that each Allowed Crown Capital Unsecured Claim is paid in full, each Holder of an Allowed CBRM Unsecured Claim will receive its Pro Rata share of the Distributable Value of the Creditor Recovery Trust.

As described more fully below, Holders of Allowed Crown Capital Unsecured Claim and Allowed CBRM Unsecured Claims generally will recognize gain or loss in an amount equal to the difference between (i) the fair market value of each Holder's Pro Rata Share of the Creditor Recovery Trust Assets (other than any consideration attributable to a Claim for accrued but unpaid interest) and (ii) the adjusted

tax basis of the Claim exchanged therefor (other than basis attributable to accrued but unpaid interest previously included in the Holder's taxable income).

When gain or loss is recognized, such gain or loss may be long-term capital gain or loss if the Claim disposed of is a capital asset in the hands of the U.S. Holder and has been held for more than one year (subject to the rules discussed below regarding market discount). Each U.S. Holder of a Claim should consult its own tax advisor to determine whether gain or loss recognized by such Holder will be long-term capital gain or loss and the specific tax effect thereof on such Holder.

(i) Character of Gain or Loss

When gain or loss is recognized by a U.S. Holder, the character of such gain or loss as long-term or short-term capital gain or loss or as ordinary income or loss is determined by a number of factors, including the tax status of the U.S. Holder, whether the U.S. Holder's Claim constitutes a capital asset in the hands of the U.S. Holder and how long it has been held, whether such Claim was acquired at a market discount, and whether and to what extent the U.S. Holder previously claimed a bad debt deduction in respect of the Claim. Each U.S. Holder of a Claim should consult its own tax advisor to determine whether gain or loss recognized by such Holder will be long-term capital gain or loss and the specific tax effect thereof on such Holder.

(ii) Accrued but Unpaid Interest

Pursuant to Article VI.F of the Plan, all distributions in respect of Allowed Claims will be allocated first to the principal amount of the Allowed Claim (as determined for federal income tax purposes), with any excess allocated to accrued but unpaid interest. However, there is no assurance that such allocation would be respected by the IRS for federal income tax purposes. In general, to the extent any amount received (whether cash or other property) by a U.S. Holder of a debt instrument is received in satisfaction of accrued interest during its holding period, such amount will be taxable to the Holder as interest income (if not previously included in the Holder's gross income under the Holder's normal method of accounting). Conversely, a U.S. Holder generally recognizes a deductible loss to the extent any accrued interest claimed was previously included in its gross income and is not paid in full. Each U.S. Holder of Claims is urged to consult its own tax advisor regarding the allocation of consideration and the taxation or deductibility of unpaid interest for tax purposes.

(iii) Market Discount

U.S. Holders of Claims receive Cash or other property in respect of their Claims may be affected by the "market discount" provisions of the sections 1276 through 1278 of the IRC. Under these rules, some or all of the gain realized by a U.S. Holder may be treated as ordinary income (instead of capital gain), to the extent of the amount of "market discount" on such Claims.

In general, a debt obligation with a fixed maturity of more than one year that is acquired by a holder on the secondary market (or, in certain circumstances, upon original issuance) is considered to be acquired with "market discount" as to that holder if the debt obligation's stated redemption price at maturity (or revised issue price, in the case of a debt obligation issued with original issue discount) exceeds the tax basis of the debt obligation in the holder's hands immediately after its acquisition. However, a debt obligation will not be a "market discount bond" if such excess is less than a statutory de minimis amount (equal to 0.25 percent of the debt obligation's stated redemption price at maturity or revised issue price, in the case of a debt obligation issued with original issue discount).

Any gain recognized by a U.S. Holder on the taxable disposition of Claims (determined as described above) that were acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while the Claims were considered to be held by a U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued).

(iv) Limitation on Use of Capital Losses

A U.S. Holder who recognizes capital losses will be subject to limits on their use of capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods) plus ordinary income to the extent of the lesser of (a) \$3,000 (\$1,500 for married individuals filing separate returns) or (b) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them to capital gains and a portion of their ordinary income for an unlimited number of years. For corporate U.S. Holders, losses from the sale or exchange of capital assets may only be used to offset capital gains. A corporate U.S. Holder who has more capital losses than can be used in a tax year may be allowed to carry over the excess capital losses for use in succeeding tax years. Corporate U.S. Holders may only carry over unused capital losses for the five years following the capital loss year, but are allowed to carry back unused capital losses to the three years preceding the capital loss year.

(v) Medicare Tax

Certain U.S. Holders that are individuals, estates, or trusts are required to pay an additional 3.8 percent tax on, among other things, interest, dividends and gains from the sale or other disposition of capital assets. U.S. Holders that are individuals, estates, or trusts should consult their own tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of any consideration to be received under the Plan.

2. Consequences to Non-U.S. Holders of Claims.

The following discussion addresses some of the U.S. federal income tax consequences to a beneficial owner of a Claim is a Non-U.S. Holder. The following discussion includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders. This discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Each Non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, local, non-U.S., and non-income tax consequences of the consummation of the Plan to such Non-U.S. Holder.

(a) Gain Realized / Income Allocated to Non-U.S. Holders

Whether a non-U.S. Holder realizes gain or loss on the exchange and the amount of such gain or loss is generally determined in the same manner as set forth above in connection with U.S. Holders.

(b) Gain/Income Recognition by Non-U.S. Holders

Any gain realized by a Non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless: (a) except as otherwise covered by clause (b) below, (i) with respect to capital gains, the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Plan becomes effective and certain other conditions are met or (ii) with respect to income other than capital gains, the income is otherwise deemed to be derived from U.S. sources, or (b) such gain and/or income is effectively connected with the conduct by such Non-U.S.

Holder of a trade or business in the United States (and, if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business in the United States in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a Non-U.S. Holder is a corporation, it may be subject to a "branch profits tax" equal to 30 percent (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

(c) Accrued Interest

Subject to the discussion of backup withholding and FATCA below, payments to a Non-U.S. Holder that are attributable to accrued but unpaid interest with respect to the Claims generally will not be subject to U.S. federal income or withholding tax; provided that the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the Non-U.S. Holder is not a U.S. person, unless:

- the Non-U.S. Holder actually or constructively owns 10 percent or more of the capital or profits interest in the "regarded" owner of the applicable Debtor for U.S. federal income tax purposes;
- the Non-U.S. Holder is a "controlled foreign corporation" that is a "related person" with respect to the Owner (each, within the meaning of the IRC);
- the Non-U.S. Holder is a bank receiving interest described in IRC Section 881(c)(3)(A); or
- such interest is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States (in which case, provided the Non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the Non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued interest at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty)).

A Non-U.S. Holder that does not qualify for the exemption from withholding tax with respect to accrued but unpaid interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a 30% rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on any payments that are attributable to accrued but unpaid interest. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business. In addition, a corporate Non-U.S. Holder may, under certain circumstances, be subject to an additional "branch profits tax" at a 30 percent rate (or such lower rate provided by an applicable income tax treaty) on its effectively connected earnings and profits attributable to such interest (subject to adjustments).

The certifications described above must be provided to the applicable withholding agent prior to the payment of interest. Non-U.S. Holders that do not timely provide the applicable withholding agent with the required certification, but that qualify for a reduced rate under an applicable income tax treaty, may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS. Non-U.S. Holders should consult their tax advisors regarding their entitlement to benefits under any applicable income tax treaty.

(d) FATCA

Under the Foreign Account Tax Compliance Act (“FATCA”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.”

For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding. Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules on such Non-U.S. Holder’s exchange of its Claim.

3. Creditor Recovery Trust

Subject to any applicable law or definitive guidance from the IRS or a court of competent jurisdiction to the contrary, the Debtors expect to treat the Creditor Recovery Trust as a “liquidating trust” under section 301.7701-4(d) of the Treasury Regulations and a grantor trust under section 671 of the IRC, and the trustee of the Creditor Recovery Trust will take a position on the Creditor Recovery Trust’s tax return accordingly. For U.S. federal income tax purposes, the transfer of assets to the Creditor Recovery Trust will be deemed to occur as (a) a first-step transfer of the Creditor Recovery Trust Assets to the Holders of the applicable Claims, and (b) a second-step transfer by such Holders to the Creditor Recovery Trust.

No request for a ruling from the IRS is expected to be sought on the classification of the Creditor Recovery Trust. Accordingly, there can be no assurance that the IRS would not take a contrary position regarding the classification of the Creditor Recovery Trust. If the IRS were to successfully challenge the classification of the Creditor Recovery as a grantor trust, the federal income tax consequences to the Creditor Recovery Trust and the Creditor Recovery Trust beneficiaries could vary from those discussed in the Plan (including the potential for an entity-level tax). For example, the IRS could characterize the Creditor Recovery Trust as a so-called “complex trust” subject to a separate entity-level tax on its earnings, except to the extent that such earnings are distributed during the taxable year.

As soon as possible after the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust, the trustee(s) of the Creditor Recovery Trust shall make a good faith valuation of the Creditor Recovery Trust Assets. This valuation will be made available from time to time, as relevant for tax reporting purposes. Each of the Debtors, the trustee(s) of the Creditor Recovery Trust, and the Holders of Claims receiving interests in the Creditor Recovery Trust shall take consistent positions with respect to the valuation of the Creditor Recovery Trust Assets, and such valuations shall be utilized for all U.S. federal income tax purposes.

Allocations of taxable income and loss of the Creditor Recovery Trust among the Creditor Recovery Trust beneficiaries shall be determined, as closely as possible, by reference to the amount of distributions that would be received by each such beneficiary if the Creditor Recovery Trust had sold all of the Creditor Recovery Trust Assets at their tax book value and distributed the proceeds to the Creditor

Recovery Trust beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Creditor Recovery Trust. The tax book value of the Creditor Recovery Trust Assets shall equal their fair market value on the date of the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust, adjusted in accordance with tax accounting principles prescribed by the IRC, applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

The Creditor Recovery Trust shall in no event be dissolved later than five (5) years from the creation of such Creditor Recovery Trust unless the Bankruptcy Court, upon motion within the six (6) month period prior to the fifth (5th) anniversary (or within the six (6) month period prior to the end of an extension period), determines that a fixed period extension (not to exceed five (5) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the trustee(s) of the Creditor Recovery Trust that any further extension would not adversely affect the status of the trust as a Creditor Recovery trust for U.S. federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Creditor Recovery Trust Assets.

The Creditor Recovery Trust will file annual information tax returns with the IRS as a grantor trust pursuant to section 1.671-4(a) of the Treasury Regulations that will include information concerning certain items relating to the holding or disposition (or deemed disposition) of the Creditor Recovery Trust Assets (e.g., income, gain, loss, deduction, and credit). Each Creditor Recovery Trust beneficiary holding a beneficial interest in the Creditor Recovery Trust will receive a copy of the information returns and must report on its federal income tax return its share of all such items. The information provided by the Creditor Recovery Trust will pertain to Creditor Recovery Trust beneficiaries who receive their interests in the Creditor Recovery Trust in connection with the Plan.

4. Information Reporting and Backup Withholding

Under the backup withholding rules, a Holder of a Claim may be subject to backup withholding with respect to Distributions or payments made pursuant to the Plan unless that Holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact, or (b) provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding because of a failure to report all dividend and interest income. Backup withholding is not an additional tax, but merely an advance payment that may be refunded to the extent it results in an overpayment of tax.

The foregoing discussion is intended only as a summary of certain income tax consequences of the Plan and is not a substitute for careful tax planning with a tax professional. The above discussion is for informational purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a Holder's particular circumstances. Accordingly, Holders are urged to consult their tax advisors about the United States federal, state and local, and applicable foreign income and other tax consequences of the Plan.

X. RISK FACTORS

Before voting to accept or reject the Plan, Holders of Claims or Interests entitled to vote should read and carefully consider the risk factors set forth below, in addition to the information set forth in this Disclosure Statement together with any attachments, exhibits, or documents incorporated by reference hereto. The factors below should not be regarded as the only risks associated with the Plan or its implementation.

A. Risks Relating to the Debtors' Business Operations and Financial Condition

1. General Economic Conditions

The Debtors' ability to consummate the Kelly Hamilton Sale Transaction may be affected by broader macroeconomic conditions, including rising interest rates, inflationary pressures, labor market disruptions, volatility in the housing market, investor sentiment, and geopolitical instability. Such factors may negatively impact real estate valuations, the availability of financing, and the willingness of potential purchasers to consummate transactions on favorable terms. While the Plan assumes a relatively stable economic environment, no assurance can be given that such conditions will continue through the expected closing.

2. Risk of Failure to Consummate the Sale Transaction

The Plan is premised on the successful completion of the Kelly Hamilton Sale Transaction, either with the Kelly Hamilton Purchaser pursuant to the Kelly Hamilton Purchase Agreement or with a higher or otherwise higher bidder selected through the Sale Process. If the Debtors are unable to consummate a transaction—whether due to failure to satisfy closing conditions, lack of Court approval, or an unsuccessful auction process—the Debtors could face immediate liquidity constraints. In such event, the Debtors may be forced to pursue an alternative restructuring or wind-down strategy, which could result in materially lower recoveries for creditors.

3. Limited Continuing Operations

Following the consummation of the Kelly Hamilton Sale Transaction, the Debtors do not expect to continue operations as going concerns. As a result, many risks typically associated with ongoing business activities—such as tenant turnover, market competition, or long-term access to capital—are less relevant. However, operational issues arising prior to the Effective Date, including delays in closing or transitional disruptions, could adversely impact Plan implementation and creditor recoveries.

4. Performance of Property Manager

The Debtors rely on their property manager, Lynd Management, to manage day-to-day operations of the Kelly Hamilton Property. Any failure by Lynd Management to perform its obligations under the property management agreement—whether due to operational, financial, or staffing issues—could impair property performance, impact tenant relations, and reduce the attractiveness of the Property to potential buyers. Such issues could, in turn, delay or reduce proceeds from the Kelly Hamilton Sale Transaction.

5. Risk Related to HUD HAP Contract Assignment

A portion of the Kelly Hamilton Property's revenue is derived from a HAP Contract administered by HUD. The Kelly Hamilton Purchase Agreement contemplates the assignment of the HAP Contract to the Kelly Hamilton Purchaser. However, such assignment requires HUD's review and approval, which may be subject to procedural delays or substantive issues. There is no assurance that HUD will act promptly or consent to the assignment on the timeline contemplated by the Sale Transaction. Any delay or failure to assign the HAP Contract could jeopardize the transaction, reduce the value of the Property, or adversely impact Plan recoveries.

B. Risks Related to Bankruptcy Law

1. Risk of Non-Confirmation of the Plan

Although the Debtors believe that the Plan satisfies all requirements necessary for confirmation by the Bankruptcy Court, there can be no assurance that the Bankruptcy Court will reach the same conclusion or that modifications to the Plan will not be required for confirmation or that such modifications would not necessitate re-solicitation of votes. Moreover, the Debtors can make no assurances that they will receive the requisite acceptances to confirm the Plan, and even if all Voting Classes vote in favor of the Plan or the requirements for “cram down” are met with respect to any Class that rejects or is deemed to reject the Plan, the Bankruptcy Court may exercise discretion as a court of equity and choose not to confirm the Plan. If the Plan is not confirmed, it is unclear what distributions Holders of Claims or Interests would ultimately receive with respect to their Claims or Interests in a subsequent plan of reorganization or otherwise.

2. Non-Consensual Confirmation

If any impaired class of Claims or Interests does not accept or is deemed not to accept a plan of reorganization, a Bankruptcy Court may nevertheless confirm such plan at the proponent’s request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any “insider” in such class), and as to each impaired class that has not accepted the plan, the Bankruptcy Court determines that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting impaired classes. If any Class votes to reject or is deemed to reject the Plan, then these requirements must be satisfied with respect to such rejecting Class. The Debtors believe that the Plan satisfies these requirements.

3. Risk of Failure to Consummate the Kelly Hamilton Sale Transaction

The Plan is predicated on the consummation of the Kelly Hamilton Sale Transaction. If the sale is not consummated, including due to termination of the Kelly Hamilton Purchase Agreement, the Debtors may be required to pursue an alternative transaction or, if none is viable, consider converting the Chapter 11 Cases to chapter 7. There is no assurance that an alternative transaction could be proposed, supported by stakeholders, or successfully implemented in time to avoid value erosion or liquidation.

4. Risk Related to Wind-Down and Plan Implementation

The Plan contemplates a Wind-Down of the Debtors’ Estates following consummation of the Kelly Hamilton Sale Transaction, including the creation of the Creditor Recovery Trust. Execution of the Wind-Down and administration of post-Effective Date responsibilities depends on various factors, including sufficient funding and the ability of the Creditor Recovery Trustee to realize value from retained causes of action. Delays, disputes, or unforeseen liabilities could reduce the proceeds ultimately available to distribute to creditors.

5. Risk That the NOLA DIP Proceeds May Not Be Available for the Creditor Recovery Trust

The Plan contemplates that, under certain conditions, \$1,000,000 in proceeds from the NOLA DIP Facility may be included in the Creditor Recovery Trust Amount and transferred to the Creditor Recovery Trust on the Effective Date. However, this transfer is subject to the consummation of a NOLA Restructuring Transaction (as defined in the NOLA DIP Order), the written agreement of the NOLA DIP Lenders and the Independent Fiduciary, or further order of the Bankruptcy Court. If none of these conditions are satisfied, such proceeds will not become part of the Creditor Recovery Trust Assets. The

unavailability of this potential funding could materially reduce the resources available to the Creditor Recovery Trust, which may adversely affect its ability to administer its responsibilities, pursue retained Causes of Action or Contributed Claims, or make distributions in accordance with the Plan and the Creditor Recovery Trust Agreement.

6. Allowed Claims Could Exceed Estimates

There can be no assurance that the Allowed amount of Claims participating in distributions will not be significantly more than projected, which in turn, could cause the value of distributions to Holders of Allowed Claims whose treatment is limited to distributions from a specified recovery source to be reduced. Inevitably, some assumptions will not materialize, and unanticipated events and circumstances may affect the ultimate results and total amount of Claims against the Debtors' Estates. Therefore, the actual amount of Allowed Claims may vary from the Debtors' projections and feasibility analysis, and the variation may be material.

7. U.S. Federal Income Tax Risks

The tax consequences of the Plan to the Debtors and to Holders of Claims and Interests may vary depending on the individual's tax situation and are subject to significant uncertainties. Parties in interest should consult their own tax advisors regarding the U.S. federal, state, local, and non-U.S. income and other tax consequences of the Plan, including any income that may arise from the receipt of distributions or interests in the Creditor Recovery Trust. For a discussion of certain U.S. federal income tax consequences from the consummation of the Plan to Holders entitled to vote to accept or reject the Plan and the Creditor Recovery Trust, see Article IX of this Disclosure Statement.

8. Risk of Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date will occur soon after the Confirmation Date, there can be no assurance as to the timing of the Effective Date. If the conditions precedent to the Effective Date set forth in the Plan have not occurred or have not been waived as set forth in Article IX.B of the Plan, then the Confirmation Order may be vacated, in which event no distributions would be made under the Plan, the Debtors and all Holders of Claims or Interests would be restored to the status quo as of the day immediately preceding the Confirmation Date, and the Debtors' obligations with respect to Claims and Interests would remain unchanged.

9. Conversion into Chapter 7 Cases

If no plan of reorganization can be confirmed, or if the Bankruptcy Court otherwise finds that it would be in the best interest of Holders of Claims and Interests, some or all of the Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code, pursuant to which a trustee would be appointed or elected to liquidate the Debtors' assets for distribution in accordance with the priorities established by the Bankruptcy Code.

10. Parties in Interest May Object to the Plan's Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are

substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

11. The Debtors May Fail to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the Holders of Allowed Claims and Interests as those proposed in the Plan.

12. Continued Risk upon Confirmation

Following the Kelly Hamilton Sale Transaction, the Debtors will not continue operating as a going concern. Instead, their primary role will be to implement the Wind-Down and transfer assets to the Creditor Recovery Trust. The cessation of operations may limit the Debtors' ability to address unanticipated claims, disputes, or liabilities that arise post-Effective Date.

13. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes. The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

14. Disruption from Competing Plans or Proposals

Although no competing plan has been proposed to date, parties in interest may seek to propose an alternative chapter 11 plan. The pursuit of such a competing plan could delay Confirmation, increase administrative costs, or result in lower recoveries for creditors.

15. Releases, Injunctions, and Exculpations Provisions May Not Be Approved

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

C. Additional Factors

1. The Debtors Could Withdraw the Plan

Subject to, and without prejudice to, the rights of any party in interest, the Plan may be revoked or withdrawn before the Confirmation Date by the Debtors.

2. The Debtors Have No Duty to Update

The statements contained in this Disclosure Statement are made by the Debtors as of the date hereof, unless otherwise specified herein, and the delivery of this Disclosure Statement after that date does not imply that there has been no change in the information set forth herein since that date. Additionally, the Debtors have no duty to update this Disclosure Statement unless otherwise ordered to do so by the Bankruptcy Court.

3. No Representations Outside this Disclosure Statement Are Authorized

No representations concerning or related to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than those contained in, or included with, this Disclosure Statement should not be relied upon in making the decision to accept or reject the Plan.

4. No Legal or Tax Advice Is Provided by this Disclosure Statement

The contents of this Disclosure Statement should not be construed as legal, business, or tax advice. Each Holder of a Claim or Interest should consult its own legal counsel and accountant as to legal, tax, and other matters concerning their Claim or Interest.

This Disclosure Statement is not legal advice to you. This Disclosure Statement may not be relied upon for any purpose other than to determine how to vote on the Plan or object to confirmation of the Plan.

5. No Admission Made

Nothing contained herein or in the Plan shall constitute an admission of, or shall be deemed evidence of, the tax or other legal effects of the Plan on the Debtors or Holders of Claims or Interests.

XI. CONFIRMATION OF THE PLAN

The Bankruptcy Court will confirm the Plan only if all of the requirements of section 1129 of the Bankruptcy Code are met. Among the requirements for confirmation are that the plan is (a) accepted by all impaired classes of claims and interests entitled to vote or, if rejected or deemed rejected by an impaired class, that the plan “does not discriminate unfairly” and is “fair and equitable” as to such class; (b) in the “best interests” of the holders of claims and interests impaired under the plan; and (c) feasible.

A. Acceptance of the Plan

The Bankruptcy Code defines “acceptance” of a plan by a class of (i) claims as acceptance by creditors in that class that hold at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the claims that cast ballots for acceptance or rejection of the plan and (ii) interests as acceptance by interest holders in that class that hold at least two-thirds (2/3) in amount of the interests that cast ballots for acceptance or rejection of the plan. Holders of claims or interests that fail to vote are not counted in determining the thresholds for acceptance of the plan.

If any impaired class of claims or interests does not accept the plan (or is deemed to reject the plan), the Bankruptcy Court may still confirm the plan at the request of the Debtors if, as to each impaired class of claims or interests that has not accepted the plan (or is deemed to reject the plan), the plan “does not discriminate unfairly” and is “fair and equitable” under the so-called “cram down” provisions set forth in section 1129(b) of the Bankruptcy Code. The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under the plan. A chapter 11 plan

does not discriminate unfairly, within the meaning of the Bankruptcy Code, if the legal rights of a dissenting class are treated in a manner consistent with the treatment of other classes whose legal rights are substantially similar to those of the dissenting class and if no class of claims or interests receives more than it legally is entitled to receive for its claims or interests. The test does not require that the treatment be the same or equivalent, but that such treatment be “fair.” The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured; claims versus interests) and includes the general requirement that no class of claims receive more than 100% of the allowed amount of the claims in such class. As to the dissenting class, the test sets different standards that must be satisfied in order for the Plan to be confirmed, depending on the type of claims or interests in such class. The following sets forth the “fair and equitable” test that must be satisfied as to each type of class for a plan to be confirmed if such class rejects the plan:

- **Secured Creditors.** Each holder of an impaired secured claim either (a) retains its liens on the property, to the extent of the allowed amount of its secured claim, and receives deferred cash payments having a value, as of the effective date of the plan, of at least the allowed amount of such secured claim, (b) has the right to credit bid the amount of its claim if its property is sold and retains its lien on the proceeds of the sale, or (c) receives the “indubitable equivalent” of its allowed secured claim.
- **Unsecured Creditors.** Either (a) each holder of an impaired unsecured claim receives or retains under the plan, property of a value, as of the effective date of the plan, equal to the amount of its allowed claim or (b) the holders of claims and interests that are junior to the claims of the dissenting class will not receive any property under the plan.
- **Interests.** Either (a) each equity interest holder will receive or retain under the plan property of a value equal to the greater of (i) the fixed liquidation preference or redemption price, if any, of such equity interest and (ii) the value of the equity interest or (b) the holders of interests that are junior to the interests of the dissenting class will not receive or retain any property under the plan.

The Debtors believe the Plan satisfies the “fair and equitable” requirement with respect to any rejecting Class.

IF ALL OTHER CONFIRMATION REQUIREMENTS ARE SATISFIED AT THE CONFIRMATION HEARING, THE DEBTORS WILL ASK THE BANKRUPTCY COURT TO RULE THAT THE PLAN MAY BE CONFIRMED ON THE GROUNDS THAT THE SECTION 1129(B) REQUIREMENTS HAVE BEEN SATISFIED.

B. Best Interests of Creditors Test

The Bankruptcy Code requires that each holder of an impaired claim or interest either (1) accepts the plan or (2) receives or retains under the plan property of a value, as of the effective date, that is not less than the value such holder would receive if the debtor were liquidated under chapter 7 of the Bankruptcy Code. This requirement is customarily referred to as the “best interests of creditors” test. As demonstrated in the liquidation analysis attached hereto as Exhibit C, the Debtors believe that liquidation under chapter 7 would result in smaller distributions to creditors than those provided for in the Plan.

C. Feasibility

The Debtors believe that the Plan satisfies the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code. The Plan is predicated on the consummation of the Kelly Hamilton Sale Transaction and the subsequent Wind-Down of the Debtors' Estates. Following the sale closing and transfer of the Creditor Recovery Trust Assets on the Effective Date, the Debtors will no longer engage in business operations and will instead proceed with an orderly Wind-Down consistent with the terms of the Plan.

The Debtors do not anticipate the need for any further reorganization or restructuring of their affairs following Confirmation. Moreover, the Debtors expect to have sufficient resources—including the proceeds of the Kelly Hamilton Sale Transaction, Cash on hand, and other Plan funding sources—to satisfy all obligations required to be performed under the Plan and to fund the Wind-Down and the administration of the Creditor Recovery Trust. As such, the Debtors believe that Confirmation of the Plan is not likely to be followed by liquidation (other than as expressly contemplated), or by the need for further financial reorganization of the Debtors or any successor thereto under the Plan.

D. Confirmation Hearing

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a confirmation hearing upon appropriate notice to all required parties. The Confirmation Hearing is scheduled for September 4, 2025 at 11:30 a.m. (prevailing Eastern Time). The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for the announcement of the continuation date made at the Confirmation Hearing, at any subsequent continued Confirmation Hearing, or pursuant to a notice filed on the docket for the Chapter 11 Cases.

Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to the confirmation of a plan. Any objection to confirmation of the Plan must be in writing, must conform to the Bankruptcy Rules and the local rules of the Bankruptcy Court, must set forth the name of the objector, the nature and amount of Claims or Interests held or asserted by the objector against the Debtors' estates or properties, the basis for the objection and the specific grounds therefor, and must be filed with the Bankruptcy Court and served no later than the Confirmation Objection Deadline.

XII. CONCLUSION AND RECOMMENDATION

The Debtors believe the Plan is in the best interests of all stakeholders and urge the Holders of Claims and Interests entitled to vote on the Plan to vote in favor thereof.
