| **Events of Default** | The events of default in the Loan Documents shall be usual and customary for a DIP Loan of this nature including, without limitation, failure to make debt-service or other payments when due pursuant to the Loan Documents; failure of the Debtors to make deposits into the required accounts for which the Debtors are required to make such deposits; breach of any covenant; breach of representations and warranties; any action by the U.S. Department of Justice to initiate forfeiture proceedings against any asset owned either partially or entirely by any Debtor; judgments and attachments; making payments outside of the Approved Budget; failure to file and confirm the Chapter 11 Plan; and the filing of a chapter 11 plan inconsistent with this Term Sheet. |
| **Bankruptcy Court Filings** | As soon as practicable in advance of filing with the Bankruptcy Court, Debtors shall furnish to the DIP Lender (i) the motion seeking approval of and proposed form of the DIP Orders, which motion shall be in form and substance reasonably satisfactory to the DIP Lender; (ii) as applicable, any motions seeking approval of bidding procedures and any section 363 sale, and the proposed forms of orders related thereto, which shall be in form and substance reasonably satisfactory to the DIP Lender; and (iii) any motion and proposed form of order filed with the Bankruptcy Court relating to any management equity plan, incentive, retention or severance plan, and/or the assumption, rejection, modification or amendment of any material contract (each of which must be in form and substance reasonably satisfactory to the DIP Lender). |

The foregoing indemnity shall include, without limitation, any costs and expenses incurred in the enforcement of any binding provisions of this Term Sheet. This indemnification provision shall survive in the event the Bankruptcy Court fails to approve the DIP Facility.<br><br>The consideration for this indemnification and release is the DIP Lender's agreement, subject to approval by the Bankruptcy Court, to enter into the DIP Facility as provided in this Term Sheet. |
| **Third-Party Release of Indemnified Parties** | The Debtors agree that the Chapter 11 Plan filed with the Bankruptcy Court will include a third-party release of the Indemnified Parties subject to the right of third parties affected by such release to "opt out" of the release. For the avoidance of any doubt, the Debtors shall not be obligated under this Term Sheet to file or seek approval of a chapter 11 plan that includes a non-consensual third-party release of any person or entity. |
| **Stalking Horse Purchase Agreement** | The DIP Lender shall be entitled, subject to approval by the Bankruptcy Court, to enter into a stalking horse purchase agreement with respect to the Kelly Hamilton Debtor's assets under section 363 of the Bankruptcy Code. Subject to entry of the Interim Order and execution of a stalking horse purchase agreement for the Debtors' assets under section 363 of the Bankruptcy Code or the Chapter 11 Plan, the Debtors agree to seek approval of a reasonable stalking horse break-up fee of $250,000 to the DIP Lender to compensate the DIP Lender for out of pocket due diligence expenses, among other costs. |
| **Fiduciary Duties** | No term of this Term Sheet to the contrary, the Debtors shall have the right to take any action (or to refuse to take any action) to the extent that the Debtors determine that taking any such action (or declining to take any such action) is consistent with the Debtors' fiduciary duties. |

*Additional Agreement Terms*

**Closing Fees, Costs, and Expenses:** Subject to approval of the DIP Facility by the Bankruptcy Court, whether or not the transaction contemplated herein closes, subject to available liquidity, the Kelly Hamilton Debtor shall be obligated to pay all of DIP Lender's out-of-pocket fees, costs and expenses (in each case, without markup) related to this transaction, including, without limitation, the fees and expenses of DIP Lender's outside counsel, title report fees and costs, survey costs, and costs incurred in obtaining and/or reviewing due diligence materials, including, without limitation, environmental and engineering reports and travel costs of DIP Lender's personnel or representatives.

**Waiver of Right to Trial by Jury**: Debtors, and by its acceptance hereof, DIP Lender, hereby expressly waive any right to trial by jury of any claim, demand, action or cause of action (1) arising under this Term Sheet, loan or DIP Funding or any other instrument, document or agreement executed or delivered in connection therewith, including, without limitation, any present or future modification thereof or (2) in any way connected with or related or incidental to the dealings of the parties hereto or any of them with respect to this Term Sheet (as now or hereafter modified) or the transaction related hereto, in each case whether such claim, demand, action or cause of action is new existing or hereafter arising, and whether sounding in contract or tort of otherwise; and each party hereby agrees and consents that any such claim, demand or cause of action shall be decided by a court trial without a jury.

**Break-up Fee:** In the event the Bankruptcy Court authorizes the Kelly Hamilton Debtor to obtain financing secured by the Kelly Hamilton Property from an alternative DIP lender (an "**Approved Alternative Financing Transaction**"), the Kelly Hamilton Debtor will immediately pay to the DIP Lender $250,000 (the "**Break-up Fee**"), which shall be an obligation of the Kelly Hamilton Debtor and payable upon, and solely from the proceeds of, the Approved Alternative Financing Transaction. Subject to approval of the DIP Facility by the Bankruptcy Court, the obligation of the Kelly Hamilton Debor to pay the Break-up Fee shall survive the termination of this Term Sheet.

DIP Lender has specifically advised Debtors that it is devoting considerable internal resources to successfully consummate a transaction as contemplated in this Term Sheet and as such, it is not only expending meaningful costs and expenses in addition to reimbursable third-party out-of-pocket expenses, but, also and more importantly, foregoing other investment opportunities. To address this significant financial commitment to be made by DIP Lender, prior to the execution of this Term Sheet, the parties hereto have (i) discussed a potential determination of DIP Lender's damages in the event that Debtors were to breach the exclusivity provision set forth herein, and (ii) concluded that such determination is difficult and impractical as of the date of this Term Sheet. Therefore, given such discussions between the parties, which are hereby expressly acknowledged and confirmed, Debtors agree that the amount of the applicable Break-up Fee is a reasonable estimate of DIP Lender's damages as of the date of this Term Sheet and provides a satisfactory alternative to Debtor's performance of its obligations under the "Exclusivity" paragraph set forth above and is not intended as a penalty.

**Miscellaneous**: This Term Sheet shall be governed, construed and interpreted in accordance with the laws of the State of New York and any action brought regarding this Term Sheet must be brought in a state or federal court in New York, New York. The United States Bankruptcy Court for the District of New Jersey shall have exclusive jurisdiction over any matters involving this Term Sheet or the transactions contemplated by this Term Sheet. The Debtors hereby represent, warrant, covenant and agree that: (i) each Debtor has the power and authority to execute this Term Sheet, to bind Debtors hereunder, (ii) the proposed transaction described herein is not the subject of a commitment or term sheet executed by Debtors from another lender; and (iii) no other party has a right of refusal or other option which could cause the DIP Facility not to be consummated.

IN WITNESS WHEREOF, the parties hereto have executed and agree to be bound by the terms set forth in this Term Sheet or caused the same to be executed by their respective duly authorized officers as of the day and year first above written.

THE COURT: Okay. Good morning, everyone -- or good afternoon. It's morning where I am, but good afternoon. Hope everyone is doing well. As this is a remote hearing, I'll ask you all to make sure you use the raise-hand function to be heard. I'll call upon you.

I assume you all can hear me. Everybody give me a thumbs up. Yep, there.

MR. PESCE: Yes, Your Honor.

THE COURT: You just never know. All right.

So we are going to hear the CBRM, *et al.*, matters. My understanding from looking at the agenda that was filed is that there are essentially three matters on for the calendar. Let me turn to debtor's counsel.

Good afternoon, Mr. Pesce.

MR. PESCE: Thank you, Your Honor. Gregory Pesce, White & Case. Can you hear me okay?

THE COURT: Yes, I can.

MR. PESCE: All right. Thank you for making time during your trip here and for your time here today remotely. There's three things that are up for approval today.

THE COURT: I'm having a little trouble --

MR. PESCE: Think the main -- the main --

THE COURT: Mr. Pesce, I'm having a little trouble. I'm getting feedback. I don't know if others can hear it, as well. I don't know if it's because you're using a phone plus

an iPad or --

MR. PESCE: Let me -- just bear with me for one second here.

THE COURT: Sure.

MR. PESCE: Is that any better, Your Honor?

THE COURT: That's works.

MR. PESCE: Right. All right.

THE COURT: I appreciate it. Thank you.

MR. PESCE: Thank you. Sorry for that.

So we've three things on the agenda today. The main attraction, so to speak, is the DIP motion. We -- when we were before you for our first -- I guess our first, first day hearing, we had a number of operational matters up and then we also talked to you about the case. We let you know then that we had two different DIP facilities in process and underway. Those two DIP facilities have now been formalized and finalized. In short, the debtors basically have two sets of assets. One is a property near Pittsburgh called Kelly Hamilton, so yours refer to the Kelly Hamilton property. That's the one in Pennsylvania.

Separately, we have four different properties in and around the city of New Orleans, Louisiana. Those are what we call the Nola properties or the New Orleans properties. The structure here is quite complex. As I mentioned at the first day hearing, Crown Capital, one of the lead debtors, issued

notes. For complicated reasons, those notes were issued by one or more of the New Orleans entities, even those -- even though those entities were historically owned by Mr. Silber, the founder of the company that I mentioned at the first day hearing. As Mr. Antonoff might mention in connection with the motion to dismiss that has been filed, the current ownership of those entities is a matter of some -- you know, some controversy and I imagine in the near future we're going to have a hearing to deal with the motion to dismiss in those related issue.

In a nutshell, though, the two DIP facilities would provide 17 million dollars of new money. There's also a roll-up for one of them and a refinancing for one of them. Those two facilities are critically important, as you can imagine, for the company to continue to operate, run the restructuring, provide tenants with safe housing and the like. So that's the main attraction.

The two other matters that we have are the -- are notice and claims agent motion for Verita. That was filed originally at docket number 37. We filed a new order at docket number 97.

And then finally, at the first day hearing we had deferred the -- one of our operational motions. We're continuing to work with the United States Trustee to provide some information regarding that. We would like to go forward

today, though, with one aspect of it, which is ensuring that our tenant reimbursement obligations, so those are the amounts that the company, the property basically reimburses tenants or sets off their rent obligations because it's a low-income housing project. We'd like to get that approved at a relatively *de minimis* number.

So I think, you know, in order of, you know, ease, it's probably easiest for us to deal with the Verita claims agent matter and then the one specific piece of the reimbursement motion and then turn to the DIP facility, because I don't know, it might be a bit more complicated, but I'm happy to proceed in whatever order Your Honor sees the most efficient.

THE COURT: Let's knock off the easier ones. Kurtzman Carson, the noticing agent. You want to deal with that?

MR. PESCE: (No audible response.)

THE COURT: Mr. Pesce?

MR. PESCE: Yeah.

THE COURT: Okay.

MR. PESCE: Sorry. You froze up there for a second, Your Honor. All right. So we'll start with the Verita motion.

So as I mentioned, we're seeking to hire Verita, formerly known as KCC, as our noticing claims agent. We filed that at docket number 37 originally. We appreciate Mr. Jeffrey

Sponder from the United States Trustee programs help with us there. We filed a new form of order for that one at docket number 97 that makes a variety of clarifying changes requested by the United States Trustee. A bunch of those changes, in a nutshell, are predicated on the fact that, as I mentioned, the first day hearing company doesn't have access to commercial banks because of Mr. Silber's, you know, technical ownership interest in the company. Our noticing claims agent helped facilitate us opening a new series of bank accounts at Western Alliance Bank and those changes are intended to address that matter.

THE COURT: All right. Mr. Sponder, do you wish to be heard?

MR. SPONDER: Thank you, Your Honor. Jeff Sponder from the Office of the United States Trustee.

Your Honor, we did review the application to retain Verita provided various comments and revisions, all of which have been incorporated in the most recent order that was filed on the docket. So I would just assume that debtor's counsel is going to forward that to chambers and if there are no changes, the United States Trustee no longer has any objections or any other revisions. Thank you, Your Honor.

THE COURT: All right. Thank you, Mr. Sponder.

Is there anyone else who wishes to be heard on this matter?

(No response.)

Then I'm going to mark the application granted, order to be submitted.

MR. PESCE: Thank you, Your Honor. So turning to the next topic on the agenda, as I mentioned at the first day hearing we had sort of a consolidated operational motion filed at docket number 37. We deferred it after that hearing to address some questions that Mr. Sponder has raised to us.

The one piece we would like to go forward on today is a portion relating to tenant reimbursements. As I mentioned a few minutes ago, the tenants effectively are reimbursed by the property for a portion of their rental obligations. We essentially get money from the Government or other public service organizations to pay rent on behalf of the tenants and then we pay -- we effectively pay the tenants or net off their rental obligations.

There's around $70,000 of pre-bankruptcy tenant reimbursement obligations that are outstanding that will be -- or owing or will become owing prior to June 16th when we have our second day hearing -- our official second day hearing, I guess I should say, for the final orders. We'd like to submit the order to permit us to take that one small piece. At the next hearing or at another date we will deal with the property taxes, insurance and vendor aspects of that motion, which we are not having heard today.

THE COURT: All right. So in essence, these funds don't necessarily equitably belong to the debtor, correct? They go back to the tenants after --

MR. PESCE: Correct.

THE COURT: -- the Government has paid.

Mr. Sponder, are -- do you have any concerns with this small portion?

MR. SPONDER: Thank you, Your Honor. Jeff Sponder from the Office of the United States Trustee.

Your Honor, first, the United States Trustee was not aware that the debtor would be going forward with any part of this motion until filing of the notice of agenda earlier today, which I had a chance to look at probably about 15 minutes prior to the hearing.

So with that said, Your Honor, we discussed at the first, first day hearing the -- this --

THE COURT: (Sneezes.)

MR. SPONDER: Bless you, Your Honor.

THE COURT: Thank you.

MR. SPONDER: The status of the committee and the like. We have sent out solicitation and we are going to conduct interviews tomorrow. I don't -- this has already gone on, you know, a week or so. I would appreciate not entering an order just yet and perhaps pushing it off to the next hearing. I do understand -- I don't totally understand the tenant

reimbursements. You know, I don't think I'm objecting as of right now, Your Honor, but it was my understanding that that whole motion was going to be heard, I thought, at the next hearing. But I think a committee should have the opportunity, if we are able to put in a committee, to take a look at it and I'm not sure anyone is harmed, unless Mr. Pesce has tenants that are jumping up and down at the property. Thank you, Your Honor.

THE COURT: Thank you, Mr. Sponder.

Let me go back to Mr. Pesce.

MR. PESCE: Yeah.

THE COURT: Because I am concerned given the nature of the tenants. In depressed real estate areas these dollars can be important and overall the scheme of this case, $70,000 is not going to be a factor.

Mr. Pesce?

MR. PESCE: Yeah, that's exactly right. Effectively, these tenants are sort of in limbo because we're not setting off their rent, so we'd like to basically give them the -- make -- taking a step back, when you live in an affordable housing project, it's not like a -- in other real estate situations. You sort of -- your utilities or rents are sort of one or both are paid effectively on your behalf and we hold that money to pay those amounts.

We are supposed to basically advance or set off

basically $70,000 of those obligations. We'd like to do that. The whole -- we were deferring, I should say, any employee issues, any taxes, any property taxes, which were, you know, I think over a million dollars in the original motion. So if -- we'd like to get at least this done. If -- and because the tenants are, you know, they are where the properties are in bankruptcy and we are getting a lot of calls to make sure that the -- their -- the thing they care most about, which is like are they getting their reimbursements and are they -- is their rent and utilities being paid, we'd like to at least get that squared away.

If a committee has questions, if one is seated, you know, we can obviously -- we have a portion that would still be due for the final hearing. That portion will be deferred, as will all the other portions of the motion.

THE COURT: Thank you, Mr. Pesce.

I appreciate the concerns of the U.S. T, especially with the committee having yet to be formed. My concern is, frankly, the cost to the professionals and to the estate to address the tenant concerns will outweigh the dollars that we're talking about here.

So I'm going to grant limited the -- limited relief to authorize the reimbursements in advance of the final hearing and I'll ask that you submit an order.

MR. PESCE: Sure. We'll share that with Mr. Sponder

and the other major -- and the lenders and whatnot after the hearing and send that in.

THE COURT: All right.

MR. PESCE: All right. So that takes us to the main portion of the hearing today. We scheduled this hearing, you know, given all of the scheduling issues here, you know, designed to be an uncontested hearing. There is one actual -- or there's one live objection that, you know, is not capable of resolution today, which I can address in a moment.

But we've also spent quite a bit of time over the last week with a number of other parties, including Mr. Sponder including over the weekend for which we have regret interfering with over his weekend in particular, but also with our bondholder group, with UBS O'Connor, which is one of our prepetition purportedly secured creditors, with our *ad hoc* noteholder group represented by Mr. Millar at the Faegre law firm, and as well as two different DIP lenders. So there's quite a bit of moving pieces here.

Like I said, Mr. Antonoff on behalf of one of our other prepetition purported secured creditors has objected. I'll turn to that in a moment, but let me sort of address the financing and the different accommodations that we're working out here. I'll let the other parties speak for themselves, but I can represent that I think either the objections are, in fact, completely resolved or with a little bit of time today to

flip through the pages, I think will be substantially resolved, save for maybe a few bespoke issues.

But like I said, in a nutshell the debtors have spent the better part of a year looking for capital here. It was impossible to get capital because of the ownership structure, which is, as you can imagine, you know, filling out a mortgage application or opening a bank account. Listing yourself as a convicted felon is quite an impediment to getting people to lend you money.

In addition, given the overlay of the, you know, criminal justice proceedings that are ongoing involving Mr. Silber and one of his co-defendants, there was questions about whether the United States Government would seek forfeiture or restitution involving the debtor's assets. And as you can imagine, a lender is not interest in sort of lending money with the risk that that money would sort of be pulled back as a forfeiture or the company would have to liquidate assets to satisfy a judgment of a -- you know, of an individual who's pled guilty to federal offenses involving, to be clear, another property.

So at Ms. LaPuma, independent fiduciary's direction, White & Case, along with Island Dundon, which is a joint venture between Island Capital and Dundon Advisors, have been working to find capital for the properties. In a future date, we hope that other properties will be brought into the mix here

to expand the value provided to the bondholders, who sit at the top of the structure.

Standing here today, we have two capital solutions. So first, the Kelly Hamilton Homes project in Pittsburgh, Pennsylvania. Prepetition it had roughly three-and-a-half-million dollars of term debt with an affiliate of its asset manager and its property manager. So, in other words, the organization, Lynd Living, which is one of the nation's best known affordable home operators, was providing the books and records back office support for the property or asset management, and then it was also acting as the property manager for the property.

The comp -- the project needed financing in the fall of 2024. The Lynd organization provided a term loan of roughly three-and-a-half-million dollars at that time. That term loan is -- basically depleted that amount of money, which was supposed to be sort of a short-term bridge solution. The Lynd organization, it has partnered with REIT 3650, which is one of the nation's leading real estate developers, to now provide capital for the Kelly Hamilton project. It's roughly a nine million-dollar DIP facility that we're seeking approval of today. Roughly three-and-a-half-million dollars of that will be used to refinance the existing term loan that the Lynd organization had provided and that will be retired at the closing of the DIP facility.

The rest of the funding will go towards capital expenditures for the property, paying professional fees, and then importantly, getting $473,000 to start to develop causes of actions against Mr. Silber and the -- and one of his various -- his other co-defendants or potential co-defendants.

So in other words, it's sort of a down payment on the future Chapter 11 plan that will be filed here. So, in a nutshell, on the Kelly Hamilton side we have REIT 3650 that is the main capital provider partnering with our existing asset manger and property manager, the Lynd organization, through its affiliates to refinance that loan and then provide for funding for the bankruptcy case. So that's the Kelly Hamilton project.

Separately, in -- we have the New Orleans debtors. The New Orleans debtors prepetition had a number of different obligations. The challenges with the New Orleans properties were even more complex than on the Kelly Hamilton side because like Kelly Hamilton, you have the issue that the ownership exchange runs up to Mark Silber, you know, who has now pled guilty to federal crimes.

In addition, for complicated reasons, the prepetition lender to that property effectively had a guarantee of another credit facility for another project that is non-Chapter 11. It's called Bankwell. It's in the Pittsburgh area. They had effectively recoursed to the New Orleans property to the extent their guarantee of this other unrelated Pittsburgh property was

called.

So in essence, the New Oceans properties were sort of in limbo because of the concern that the bank to the Bankwell properties located in Pittsburgh would sort of call their guarantee against the lender and that lender would then have recourse to the New Orleans properties. In addition, the properties also had from that same lender, an affiliate thereof, their own mortgage debt.

And then finally, and this relates to Mr. Antonoff's client, you know, in the last couple of months a mortgage was placed on one of the New Orleans properties called Lakewind. The debtors dispute. They think that that mortgage was placed there improperly. That'll be an issue for another day. So when you kind of mix that stew together in the witch's caldron here, you have, you know, just an insurmountable number of issues related to the organizational structure and in the existing capital structure.

So once we had reached terms on the Kelly Hamilton financing, the number of parties came out of the -- into the mix to try to provide a solution for the New Orleans properties, which are widely viewed as the most valuable, if not one of the most valuable in the Crown portfolio. Through those efforts we were able to reach an agreement with CK -- affiliated entities called CKD. It's like Charlie Kenneth Daniel, CKD. And DH1. That's like David Harry, number one.

They're two affiliated financial organiza -- or investors. They are -- they are the prepetition lenders at the top of the structure in New Orleans. They have agreed to provide roughly eight million dollars of new financing and in conjunction with that would be rolling up their prepetition -- portion of their prepetition debt at the property.

In addition, we'll be also dealing with this contingent guarantee issue that I mentioned a few minutes ago. The roll-up is roughly on a one-to-one basis for new money to the -- to the prepetition that is being rolled up, and then we'll have an additional roll-up and additional funding at the final hearing.

The New Orleans side of the house has, you know, a number of other constituents that we worked very hard to resolve our issues with. So again, I'll give kudos to Mr. Sponder for letting us burden him over the weekend and I think we are exceptionally close to being -- to totally resolving his issues, but I'll -- we'll run through those with him later and deal with that.

Separate and apart from that, we spent a significant amount of time dealing with the objections of an organization called O'Connor Capital, which is a subsidiary of the -- for the time being, subsidiary of UBS. O'Connor made a prepetition loan to Mr. Silber. Mr. Silber apparently defaulted on that loan and the UBS O'Connor organization has been pursuing

litigation against him.

By virtue of that litigation, they have a claim against the CBRM entity on the one side of the house and maybe a residual economic interest holder on the New Orleans side, because any value of those properties would flow up to Mr. Silber and, in their estimation, flow to UBS O'Connor. That's sort of his largest or one of his largest creditors.

The involvement of the UBS O'Connor team, which is represented by Andrew Sherman of the Sills Cummis firm and Adam Rogoff of Kramer & Levin, for which we are very appreciative, we were able to reach an accommodation to resolve a potential objection there, which I can detail. So to get the DH1 loan done, in essence we have to deal with not only that lender, but also to deal with UBS O'Connor and, of course, Mr. Sponder's office.

You know, in terms of where we are to try to get this done, this is -- you're obviously -- we're all remote today. We're not in Trenton or Camden or Newark, so we're trying to make this as consensual as possible. I think we're sort of cutting through it. To the extent Mr. Sponder's issues with the -- you know, issues are resolved on the Kelly Hamilton side, I think the Kelly Hamilton loan is uncontested and we should be able to have the order hopefully entered once we run through those changes that Mr. Sponder had asked for.

On the New Orleans side, we have an agreement with

the UBS O'Connor folks to resolve their issues. In short, we're going to defer some of the funding at the interim hearing to a later date and we're going to clarify that the CBRM entity is not a borrower and that the lien of Crown Capital -- well, lien against Crown Capital, that is, for purposes of the DIP, is junior. So we have an agreement with them.

And then so setting aside the U.S. Trustee issue, I think the only main issue here is really sort of a sneak preview to a forthcoming motion to dismiss one of the bankruptcy cases. So the one live objection for today is the -- is from CIF, Cleveland International Fund. Cleveland International Fund is one of the creditors to -- there's four New Orleans properties. It's one of the creditors. It's a creditor to one of them called Lakewind.

In short, you know, the debtor's position -- all the parties will have to speak -- you know, will have their own views. In the debtor's view, there's nothing that sort of prevents this facility from being approved today. Your Honor will have a hearing or trial on motion -- a motion to dismiss the Lakewind debtor. So that's one debtor out of the roughly ten that filed. We'll have a hearing to dismiss that debtor on the grounds of whether Ms. LaPuma had corporate authority to file the case or not.

And at that time, you know, the parties' rights are whatever the parties' rights are and Your Honor can craft a

remedy, if any is necessary, to deal with any kind of financing that is provided in the interim. But standing here today, the property does need money. All the properties need money. The case needs administration paid for. And we think that the debtor's view is that we could have a -- you know, sort of defer that issue for another day. Entry of the DIP order shouldn't affect anybody's rights. It will obviously involve money going to the property but, you know, we don't think this is an issue that can't be sort of deferred and kicked down the road to a later date.

So I know that's -- for such 17 million dollars, I know you're dealing with a number of big Marquis mega cases right now. I know this is quite a complicated financing, but a lot of people went -- spent a lot of time to get it done, want to make sure you have all the context, so I'm happy at this point to take any questions Your Honor has.

THE COURT: All right. Thank you, Mr. Pesce. Just a question on the Nola properties, the financing. It's roughly eight million, because I think it totals around 17 million --

MR. PESCE: It's --

THE COURT: -- of the other kind?

MR. PESCE: Yes, that's correct.

THE COURT: And how much is going in -- you had said dollar for dollar in a roll-up in the interim. What's anticipated in the interim before a final?

MR. PESCE: The interim draw is approximately 4.6 or 4.5, 4.6 million dollars and the roll-up is almost a commensurate amount. If you'll you bear with me for just five seconds here I'll just get my notes out, but it's basically a one for one on that.

THE COURT: But of the 4.6, how much of that is going to -- is going on the prepetition loans and how much would be available?

MR. PESCE: The prepetition loan is eight or nine million dollars, so we're rolling up basically half of -- half of the loan that is going to get rolled up would get rolled up at the interim, Your Honor.

THE COURT: Okay. All right.

MR. PESCE: Yeah. So I'll just -- yeah. For the record of completeness here, so the New Orleans facility, it's 8.2 million, so $8,211,524 in the aggregate. That's the new money. $4,960,725, so 4.96 million will be available at the interim. At the final, 3.5 million will be available. We're looking for a 4.96 roll-up at the interim and then a 4 million-dollar roll-up at the final. So it's almost dollar for dollar at the roll-up and then the -- at the final it's 3.5 new money versus 4 million. In the aggregate it should bring out -- you know, the DIP facility with the roll-up and the new money would be a total of 17 -- basically 17.1 million dollars.

THE COURT: All right. Could you just bear with me?

We need to get one party, trying to get access.

MR. PESCE: Sure.

THE COURT: Becca, I'm texting you a request from the McCarter & English firm. Thank you.

MR. PESCE: Yeah. They -- yeah, McCarter represents our Kelly Hamilton lender -- or Kelly Hamilton DIP provider.

THE COURT: All right. So just to go back on the second -- on the Nola piece. Of the 4.6 million in the interim, at least from my understanding, you're not carving out amounts for case administration or the litigation trust from those funds?

MR. PESCE: Yeah. So from that 4.9 -- I'm sorry, 4.9 figure --

THE COURT: Yeah.

MR. PESCE: -- we will kick back a portion of the -- we'll kick back -- we're going to defer -- we were originally going to defer -- or original -- sorry. We were originally going to fund the entire 2.4 million dollars of professional fees. We were going to fund $250,000 to the litigation trust. Those amounts are going to be sort of held in abeyance, so to speak, under our agreement with UBS O'Connor, so $250,000 that was going to come in and be sort of segregated for the litigation trusts preparation work. That's going to be deferred.

And then separately instead of funding the full 12

weeks of -- or I'm sorry, 16 weeks of professional funding, we would be doing roughly six weeks. So from May the 19th, the amounts that are incurred from May the 19th through June the 30th because out -- you know, it's kind -- our second day hearing, final hearing is supposed to be sort of smack-dab in the middle of June.

THE COURT: All right. Let me turn to what other counsel wish to be heard.

Let me start with Mr. Sponder and then I'll turn to Mr. Antonoff.

MR. SPONDER: Thank you, Your Honor. Good afternoon again, Jeff Sponder from the Office of the United States Trustee.

Your Honor, similar to what happened in the Rite Aid case, everything is going very quickly, very fast. I don't want to get stuck like I did in the Rite Aid case with providing comments like I have and believing that most, if not all, are going to be entered to find out later that some were not. I don't want to be in that situation again.

My understanding, as I told Mr. Pesce on either Friday, Saturday or Sunday, was that if there was an objection to the motions, then the hearing would be Thursday, not today. And I advised him that we object and objected mainly with the timeline and to the fact that the Kelly Hamilton document DIP wasn't even on the order -- proposed order wasn't even on the

docket until recently.

So with that, Your Honor, we did -- the United States Trustee did provide comments to both DIP orders. I understand from Mr. Pesce that most have been, you know, agreed to, but I have not had a chance to look over any of those other redlines to confirm that.

I will note, I think there's one issue, Your Honor, that I just want to advise and that is it's one of -- it's a finding that you're going to make in both motions that Ms. LaPuma, as the independent fiduciary, has full corporate authority on -- to act on behalf and legally bind the debtor, borrowers and Kelly Hamilton. We -- the United States added in that the debtor borrowers assert that and I think that's an issue for debtor -- for the debtor and debtor's counsel. I just don't think that Your Honor is prepared or has enough information to make that finding without more information, so that's why I had originally put in that the debtor asserts it. So at least it's -- you know, there's something there, but that was on both.

I will say, Your Honor, with respect to the roll-up we did request some language that we request in other cases with roll-ups, that the -- that there's an opportunity for the Court to fashion a remedy if a challenge is successful. I'm not sure if that's included or not, but I do know that the United States Trustee did include it.

So with that said, Your Honor, we're not opposed to the entry of the DIP orders, other than just making sure that the comments that we provided are going to be included or at least give us the opportunity before a final hearing to address those with Your Honor. Thank you, Your Honor.

THE COURT: All right. Thank you, Mr. Sponder.

MR. PESCE: And I was just going to say, to the extent -- for Mr. Sponder in particular because he's -- you know, gave us significant comments, I think, you know, over 90 percent are non-controversial. There might be some word-smithing issues and then I think, you know, the DIP lender, I think their main issue is just making sure their fees can get approved subject to the review process, of course, prior to the final hearing.

You know, if it's helpful for Mr. Sponder, I mean, we could -- I don't know what Your Honor's schedule is but, you know, we could I'm sure kind of work through it and like in the afternoon or the morning or something, if need be, to kind of like give comfort on that -- in that regard, but we can find a way to make sure his comments are here. We don't want to leave him out in the cold. And obviously, it's subject to the right, him and everyone else, to object at the final hearing.

THE COURT: All right. Let me move on -- thank you, Mr. Pesce. Let me move on to Mr. Antonoff.

MR. ANTONOFF: Thank you, Your Honor. For the

record, Rick Antonoff from FisherBroyles, LLP, on behalf of the Cleveland International Fund.

Our interest in this case is limited to just the Lakewind debtor, which is one of the proposed Nola DIP borrowers. Our objection is threefold. One has to do with really the *bona fides* and validity of the CKD prepetition debt, which with any luck Mr. Sponder will be able to form a committee and they can investigate whether that was at an appropriate occurrence of debt and grant of a mortgage by Lakewind.

The second part of our concern here is adequate protection at CIF's interests in the Lakewind property is not being adequately protected at all. In fact, I was somewhat confused by the use of the -- proposed use of what I thought I heard was 4.6 million dollars under the Nola DIP facility being requested on an interim basis. It sounded like all of that was being used for the roll-up. And then at other times it sounded like maybe some of it wasn't being used for the roll-up, so I'm not sure about that.

But even on an interim basis, putting another five million dollars on top of Lakewind debt structure is far from adequate protection. It actually destroys CIS interest in the property. They should call it adequate destruction and not adequate protection.

And then finally, there's the question of our motion

to dismiss and whether Lakewind is even properly before the Court in the first instance. So we are certainly -- I have had discussions in exchanging emails with Mr. Pesce over the weekend and CIF certainly remains open to discussing a way to resolve our objection on a portion we're not able to do that before today's CRO.

And you know, I think when it comes to adequate protection, the gist of our concern is the joint and several -- proposed joint and several liability of Lakewind for the debt that's being incurred, which at final is supposed to be 17 million dollars without any demonstration of what sort of -- what value resides in the Lakewind property, whether there is currently any equity above the two mortgages that are -- that are on the property, and just without that information I don't think it would be appropriate to approve this, even on an interim basis as to Lakewind without some kind of allocation of how much of the roll-up is attributable to Lakewind and have its liability for repayment of that amount be limited to what is repaid for Lakewind's portion of the prepetition debt and allocation of how the post-petition new money will benefit Lakewind, as opposed to the four -- the four other Nola debtors.

So that's really our concern and I think in the absence of adequate protection and I don't think the continued operation of the company serves adequate protection. Certainly

the junior liens and junior administrative expense claims on the face of it, it seems like they're worthless but, again, we haven't seen any demonstration of value here at all.

THE COURT: All right. I appreciate your concerns.

Anyone else before I go back to debtor's counsel?

MR. SHERMAN: Yes, Your Honor. It's Andrew Sherman, Sills Cummins, for Spano.

THE COURT: Yes.

MR. SHERMAN: Thank you, Your Honor. I just want to correct a couple points for my end. The lender here, Your Honor, is Spano Investors. I think Mr. Pesce a few times referred to it as UBS or O'Connor. Just so the record is clear, the judgments are held by an entity called Spano Investors. So it may be affiliates of UBS or O'Connor, but just so the record is clear, as far as the actual creditor.

We did have a number of discussions with Mr. Pesce over the weekend and -- I think it's a Friday and just -- and we got the forms of order. I guess they were filed in the last hour, so we haven't actually conformed the forms of order to the changes. We'll do that.

But effectively, Your Honor, on Kelly Hamilton there were two changes. The primary change was that the lending as it relates to Spano will be on a subordinate basis, so our first lien in an entity called CBRM, which is the debtor, will be subordinate to those interests.

There's also a conversion right in the Kelly Hamilton DIP that was in the term sheet or converting the debt into equity. The modification we've agreed upon is that that will -- any conversion will be subject to further court order, so there's not going to be an automatic conversion right, Your Honor. You'll actually have to rule on the propriety or impropriety of that.

On the Nola side, Your Honor, there were three changes. There was -- I think it was -- Mr. Pesce alluded to the fact that certain of the dollars being spent under the DIP are being limited. Certain dollars, I think professional fees and litigation funding, will be set in an escrow which will be subject to further order of the Court, so those costs are going to be limited.

Importantly, under New Orleans, CBRM is not going to be a borrower. That's our judgment debtor. That's being excluded. I think -- I don't know where we landed on this with Mr. Pesce, but I think there's a reservation to potentially have CBRM on a final, which we would object to. But that was sort of -- for the interim relief, Your Honor, CBRM is not a borrower on the New Orleans order.

And then the last piece, Your Honor, we are concerned with Crown Capital incurring debt. I think for the purposes of the interim it will allow it. We're not object to it. We don't have the permiss -- yeah, only Your Honor can allow, so

we understand it's significance, our non-objection.

But to the extent at a final, Crown Capital will continue to incur debt on the Nola side. We continue to have concerns, so I believe the form of order will have a reservation of rights, which will have the right to object at the final to Crown incurring further debt on the Nola side. But if Mr. Pesce could confirm those five points that will be embodied in the form of order, we do not object to the entry of the DIP orders, Your Honor.

THE COURT: All right. Thank you, Mr. Sherman.

MR. PESCE: Yeah, I can represent that's correct and we'll -- we can submit it to chambers with Mr. Sherman copied once he sees the final version that was on the docket to memorialize that representation.

THE COURT: All right. Anyone else wish to be heard?

MR. GOODMAN: Yes, Your Honor, if I can.

THE COURT: Yes, Mr. Goodman.

MR. GOODMAN: Thank you, Your Honor. Brett Goodman, ArentFox Schiff on behalf of the Nola DIP lenders. And I just wanted to clarify. I think Mr. Pesce had said that there are two DIP lenders on the Nola side, DH1 and CKD. There are actually -- and I think this is important, also relative to Mr. Antonoff's comments -- there are three co-lenders here: DH1 Holdings, LLC, and CKD Funding, LLC, which were both prepetition first lien secured lenders; and then there is CKD

Investor Penn. That is the co-lender -- co-DIP lender that has the mortgage on the Nola properties that is -- kind of springs out of the guarantee on the Bankwell properties -- the non-debtor Bankwell properties that Mr. Pesce noted. So those were -- are all prepetition secured liens and each of those entities is a DIP lender on Nola.

I think if you look at the objection filed by the Cleveland International Fund, they are conflating in some respects the two CKD entities with respect to the mortgages on the Nola properties. So I think it's just important to note that there are actually two different CKD entities, each of which is a DIP lender here.

And then with respect to Mr. Sherman's comments, which Mr. Pesce already confirmed, yes, CBRM is no longer going to be a borrower under the facility and the Crown Capital debtor is a borrower under the facility that would be subject to the interim order and all rights are being reserved with respect to Mr. Sherman's clients for the final order. So I hope that's helpful.

THE COURT: All right. It is. Thank you.

Anyone else before I want to turn back to Mr. Pesce? It seems that the Court would certainly be in a position to approve on an interim basis the Kelly Hamilton portion.

MR. TESTA: Your Honor, this is Jeffrey Testa. I apologize. We had a few issues getting on Zoom. I thank your

chambers for your accommodation. I know Ms. Hoffman is on and Mr. Lubertazzi is on. I think they -- I know Ms. Hoffman at least would like --

THE COURT: Oh, okay. I didn't see that.

MR. TESTA: Thank you, Your Honor.

MS. HOFFMAN: And thank you, Judge. I appear as a duplicate of Mr. Testa here and I appreciate his courtesies in helping us and your chambers, as well, and I apologize that we had the technical difficulties that we did.

THE COURT: No problem.

MS. HOFFMAN: Thank you, Your Honor. And I just wanted to address one issue and it was brought up by the United States Trustee's Office as well, Your Honor.

Ms. LaPuma, who has the irrevocable proxy from Mr. Silber, the -- and she's signed the bankruptcy petitions, if there is a question about her authority here, I think that's really going to be an impediment to the loans in their -- in the ability of the debtor to get them. If there isn't some acknowledgment that she has the authority for the borrowing, I don't know how we move past that here this morning.

And so I don't want to throw a complete monkey wrench in the system, but if Mister -- if the Court isn't going to find that there's any authority for her to sign the documents and to enter into these agreements and that would then obviously call into question the validity of the filings, I

just wanted to make sure I understood what the United States Trustee's concerns were there, Your Honor.

THE COURT: All right. Fair enough.

Mr. Antonoff, you also want to be heard again?

MR. ANTONOFF: Yes, just very quickly. Thank you. Rick Antonoff from FisherBroyles on behalf of Cleveland International Fund.

Just to point out on the point that I mentioned about allocation and the concern about Lakewind becoming jointly and severely liable for both the roll-up refinancing and the new money, to the extent there is new money going to the Nola debtors in this interim finan -- in this interim stage, these debtors are not subsequently consolidated and that was also a reason I think for concern about having joint and several liabilities among them. I just wanted to get that on the record as well. Thank you.

THE COURT: All right. Thank you.

MR. TESTA: Your Honor, Mr. Lubertazzi is on as well. I'm not sure if his line is open, if he has anything else he'd like to add. Thank you.

THE COURT: Mr. Lubertazzi, good afternoon.

MR. LUBERTAZZI: Good day, Your Honor. Good day, Your Honor. I've been --

THE COURT: Yes.

MR. LUBERTAZZI: -- listening and so I didn't want to

add to the chatter.

THE COURT: All right. And if you have anything to add now is your opportunity.

MR. LUBERTAZZI: No, Your Honor. Ms. Hoffman expressed my primary concern, which is the ability of Ms. LaPuma to sign loan documents.

THE COURT: All right. I appreciate that. Thank you.

So let me turn back to Mr. Pesce now.

As I was saying, there are clearly fewer issues with the Kelly Hamilton portion. I don't -- based on the record I have in front of me -- have an issue with recognizing the authority of Ms. LaPuma to execute the documents. I have seen nothing to suggest she doesn't have authority. Quite the contrary. With all of the documents related to the filings, this Court can indeed take judicial notice of the docket in prior filings in related cases in which there was extensive documentation going into the authority granted, the mechanism putting Ms. LaPuma in place and the extent of her authority.

That's not to say that there cannot be challenges, but for purposes of authorizing the lending, the Court is not going to insist on prefatory language as to assertions, rather than the Court recognizes the authority. If it turns out that there are issues, the Court has remedies. There are -- parties have remedies, but at this juncture I can make that finding

based on interim. And again, I'm comfortable with the interim.

What I'm not comfortable at this point based on doing Zoom from a hotel room with argument is a -- is the contested portion that Mr. Antonoff has raised and the objections. I can -- we can continue that portion where at least I have the ability to take evidence or there could be more opportunity for discussions or examination of the record. We can continue on Thursday afternoon when I am back. And I do recognize that I think we're scheduled for final hearings on the 17th. This is a short time period. I'm not sure that it's critical to authorize on an interim basis the entire both DIP loans, at least as of today, later this week.

Mr. Pesce, my concern is to ensure that the adequate protection issues are addressed to the extent they exist. It's just difficult, and I'm going to be very candid, to really get my hands around a record as it's evolving for everybody.

MR. PESCE: I see.

THE COURT: Just being filed. We'll set up a briefing schedule, a dismissal.

The Court is confident that there are remedies. We're all very creative here. That should something -- should it turn out that I grant the motion down the road on a dismissal motion, we can address some of the impact of the financing. But let me have your thoughts, Mr. Pesce.

MR. PESCE: Well, I think just to clarify. So I

think Mr. Antonoff raised the question of whether the debtor had authority to file the bankruptcy petition. We're going to have a hearing on that. As I understand it, there's an adequate protection issue as to whether his client is adequately protected to the extent they have a secured claim in the Lakewind property.

And then I think the other portion is just maybe the necessity of the amount of the financing for the interim period. If that's the issue, maybe I -- if that's Your Honor's understanding, I mean, it would be good to confirm that and then maybe we could -- Mr. Goodman, Mr. Antonoff and I could maybe speak for 15, 20 minutes and try to see if there's some interim resolution we could reach here pending the dismissal hearing and then pending the final hearing on June 16th or 17th.

THE COURT: I'm comfortable those are the issues that are of concern. I think a conversation, brief conversation probably would be worthwhile. We can -- well, let's see. It's 1:53 your time?

MR. PESCE: Yeah.

THE COURT: We can reconvene at 2:30? Do you want to do that?

MR. PESCE: Why don't we -- yeah, why don't we try to do that and see if we can narrow some of this if Mr. Goodman and Mr. Antonoff are willing, that is.

MR. GOODMAN: I'm available.

MR. PESCE: Yeah.

THE COURT: All right. Counsel, are both of you available?

MR. ANTONOFF: Yes, I'm available. This is Rick Antonoff. I'm available. I can't speak for the availability of any decision-makers that I might need to sign off on anything. I also just want to take this opportunity to ask whether we should, while we have everyone here, set a briefing and hearing schedule on the motion to dismiss.

THE COURT: That's fine. I certainly was going to get to it whether we reconvene or not. I'm fine doing it now. Have you addressed it preliminarily or do you want to wait and give some time and have that as part of your discussions when you're offline?

MR. ANTONOFF: It's fine to wait until after we discuss.

MR. PESCE: Let me -- let me -- it'd be great to confirm the probable witnesses of my litigation colleagues, but we'll -- we can take that offline.

THE COURT: All right.

MR. PESCE: All right. So we could maybe reconvene in 35 minutes at 2:30 and then --

THE COURT: That will be fine.

MR. PESCE: -- Mr. Goodman and Scott Lepene and Rick,

I'll send you an invite here in a minute.

THE COURT: Thank you. Use the same Zoom information and we'll be back --

MR. PESCE: We'll rejoin shortly.

THE COURT: -- at 2:30. Thank you.

ATTORNEYS: Thank you, Your Honor.

MR. LUBERTAZZI: Your Honor?

THE COURT: Yes.

MR. LUBERTAZZI: It's Joe Lubertazzi. Do you need the Kelly Hamilton parties back at 2:30?

THE COURT: At this juncture, I don't believe so. I think we're -- the focus is on Mr. Antonoff's clients and his issues.

MS. HOFFMAN: Thank you, Judge. I just wanted to just confirm. I think we -- I'll get with Mr. Pesce. I didn't know if he was going to recirculate an order or whether United States Trustee has any further comments, but we'll do that offline and the Kelly Hamilton order should be able to be submitted today.

THE COURT: All right. If not, I'm here tomorrow.

MS. HOFFMAN: Thank you, Judge.

THE COURT: Okay. Thank you.

MR. GOODMAN: Thank you, Your Honor.

Your Honor?

(Recess from 1:56 p.m. to 2:30 p.m.)

THE COURT: All right. We're back. Would everybody adjust their screens?

MR. PESCE: Yes.

THE COURT: Mr. Pesce, any luck moving this forward?

MR. PESCE: We have a way forward. I would prefer to do it -- is Mr. Antonoff on the line yet?

THE COURT: Oh, let me take a look. Hold on. I don't see him yet.

MR. PESCE: Okay.

THE COURT: Why don't we just hold up then?

MR. PESCE: Sure.

THE COURT: I don't see him.

MR. PESCE: All right.

MS. HOFFMAN: Judge, this is Leigh Hoffman --

THE COURT: Yes.

MS. HOFFMAN: -- of Lippes Mathias. The Kelly Hamilton folks jumped back on the call and since we're waiting on the Nola folks, I just wanted to be sure that we had the terms that the Court was expecting to hear from us in this order.

And Mr. Pesce, I took good notes. Mr. Lubertazzi did. And I'm just not sure that we fully understand what you're expecting to see. Is this a full funding of the DIP order and you're only drawing partial amounts or is there a partial funding of the DIP order under the interim order?

MR. PESCE: I think we might want to take this offline. I don't think there's a funding reduction for the Kelly Hamilton order. There was a funding reduction proposed to address one of the issues on the New Orleans order and not on the Kelly Hamilton side.

THE COURT: Okay. Thanks. We just wanted to be sure, Judge, that you were expecting the same thing from us.

That's fine, Mr. Pesce. We'll do the entire order -- the entire funding in the interim order.

MR. PESCE: Yeah.

THE COURT: That's consistent with my understanding and I'll let you both work out the details. I still don't see Mr. Antonoff yet, so --

MR. SPONDER: Your Honor --

THE COURT: Yes, Mr. Sponder.

MR. SPONDER: This is Jeff Sponder from the Office of the United States Trustee.

I had a chance to look over briefly the redlines that were filed, so one of the issues that was not changed was the challenge period in both of the -- both orders. The challenge period as requested is 60 days after entry of the interim order for all parties, other than the committee, and then 45 days after the appointment of the committee.

The request from the United States Trustee's Office was 60 days from the final order for all parties in interest

and 60 days from a committee appointment. We think the 60 days from the -- I mean, there's no -- I mean, in the most recent case that Your Honor and I were involved in there were exigencies that required it to be lessened. We don't think that's the case here, but I just wanted to alert Your Honor because that -- they didn't make the changes and we do object.

MR. PESCE: Okay. So sorry, just so I understand, Mr. Sponder. So 60 days from the UCC is what you're asking?

MR. SPONDER: No, 60 days for all parties, other than the committee from the date of the final order, final DIP order, and then 60 days from the date of appointment of a committee.

MR. PESCE: The debtor -- we'll speak to the DIP lenders after this. I think as long as it's -- I'm not sure what our plan confirmation schedule is, Your Honor, so if the plan confirmation objection deadline is prior to that date, I would just ask that to be the outside date for one of those challenges and then they can take it up with the confirmation or plan -- or a sale hearing, you know. So the debtor doesn't object provided there's a -- it doesn't run past like a plan confirmation.

THE COURT: Right, it doesn't go past plan confirmation which will make sense and it will be wrapped into the confirmation if there are issues at that point.

MR. PESCE: That would be my suggestion. We can talk

to the two lender lawyers after this.

THE COURT: Okay.

MR. SPONDER: The other thing, Your Honor, is I made many revisions to the challenge paragraphs and it doesn't look like any of those revisions have been included, including the roll-up reservation of rights as to the roll-up is not included in the Nola document, so I really don't want an interim order. I don't want to be in the same place as I was with Rite Aid, an interim order entered when objections had been made and language is said to -- 90 percent is in there. Well, I found the other ten percent right off the bat. It's in -- with respect to the roll-up and the challenge period.

MR. GOODMAN: Your Honor, obviously -- this is Brett Goodman for the Nola DIP lender.

Your Honor, obviously there have been a lot of moving drafts, I think, you know, through a weekend period and I think everyone on this call appreciates the U.S. Trustee being available and willing to provide those comments.

What I would propose is to the extent we are able to work the other piece of this out, we would obviously make sure that we have approval of anything, any order from the U.S. Trustee --

THE COURT: Yes.

MR. GOODMAN: -- and then just submit it under certification.

THE COURT: Yeah, let me be clear. We're --

MR. GOODMAN: Not --

THE COURT: I'm not going to enter the order unless Mr. Sponder has signed off or had an opportunity to hear you all.

Mr. Sponder, does that do it for you?

MR. SPONDER: Thank you, Your Honor. I appreciate it.

MR. PESCE: All right. We'll work out those pieces and then when Mr. Antonoff comes on, we can take that up.

THE COURT: I don't know if anybody has a cell number to reach out for him to see if he's on his way?

MR. PESCE: I mean, I'll go off camera for a minute and try to call him and then I'll ....

(Pause)

MR. PESCE: I just tried his number, but we can -- it's important enough, so we'll take as much as -- oh, here. He just dialed in.

THE COURT: There you are. All right. There's Mr. Antonoff. And we need you to unmute Mr. Antonoff --

MR. ANTONOFF: I am back. I'm still on the phone with my clients as well.

THE COURT: Okay.

MR. ANTONOFF: Just going to take another couple of minutes here.

MR. PESCE: Do you want to reconvene?

THE COURT: All right. How about --

MR. PESCE: We can do whatever is most efficient for Your Honor and Mr. Antonoff.

THE COURT: Well, I -- listen, a minute or two I'm not -- I don't want to -- I want to afford you the opportunity, everyone, to speak with their clients.

Just take a five-minute break, all right?

MR. PESCE: You got it.

MR. ANTONOFF: Yes, thank you.

(Recess from 2:38 p.m. to 2:42 p.m.)

MR. ANTONOFF: -- rights reserved and we can revisit these issues for the final. For purposes of the interim, JF will accept --

THE COURT: I'm sorry, let me --

MR. ANTONOFF: I didn't know you were there, Judge. Sorry.

THE COURT: No, I wasn't. I didn't know if -- is this something you want me to hear or not?

MR. ANTONOFF: I wanted to give Mr. Pesce the benefit of a preview, but we're -- basically we discussed a proposal offline and I was able to persuade my clients to accept it for purposes of the interim hearing, as long as all rights are reserved to revisit these and whatever issues may arise for the final.

THE COURT: All right. Well, then fair enough.

Let me hear -- thank you, Mr. Antonoff, for working with your client, but let me hear from Mr. Pesce what the game plan is.

MR. PESCE: Sure. Sure. So the original funding in the account for today was 4.96 million dollars. And that was going to be accompanied by a one-to-one roll-up against the four New Orleans properties. So dollar for dollar, 496 of new money, 496 of a roll-up. We are going to reduce the interim draw by a total of $900,000 to reflect that we're not drawing the $250,000 of professional funding and we are reducing the originally 1.55 million of -- I'm sorry. I apologize -- $250,000 of litigation trust funding, we're going to defer that.

In addition, there was 1.55 million of interim professional funding New Orleans. We're going to reduce that to the amount needed through basically June 30th, so that's a reduction of $650,000 on the 1.55.

So all in, you would get the -- we'd be reducing the amount drawn by roughly $900,000. The roll-up effectively would go down by $900,000. In addition, the roll-up as to the Lakewind entity will only be 1.4 million dollars and that is effectively the amount attributable to Lakewind's portion of the prepetition loan that is getting rolled up.

So rather than -- even though it's a joint and

several obligation as to the four properties prepetition, we're only going to roll up the portion attributable to Lakewind during this hearing. So Mr. Antonoff's client will -- you know, there'll be less roll-up and less overall funding.

THE COURT: As to Lakewind, as to their --

MR. PESCE: As to Lakewind. Correct. And then in addition, there's roughly $38,000 of interest at the non-default rate that is payable every month.

We will escrow the -- escrow one month of post-petition interest through the final hearing. I have to speak with Mr. Antonoff after this hear -- after this. It would probably make sense to do, even though it's short, to do the dismissal hearing at the final hearing or have the final hearing otherwise coincide with the dismissal hearing so that we don't sort of have this herky-jerky, you know, if it's dismissed or if it isn't dismissed sort of dichotomy.

In addition, on adequate protection in addition to escrowing the post-petition interest at the non-default rate, we will give a junior super priority claim junior to the carveout, the new money and the roll-up, and we will give a replacement lien -- the super priority claim that is junior and that super priority claim, it sort of has the same commensurate priority relative to the carveout and the DIP and the roll-up.

And then finally, provided there's a, you know, confidential arrangement, we will give them the standard

reporting package that we're going to give to the DIP lender, the U.S. Trustee, the bondholder group and the Creditors' Committee's advisors if and when a Creditors' Committee is hired -- appointed.

THE COURT: All right. I appreciate that. Thank you.

Mr. Goodman, your clients on board?

MR. GOODMAN: Yes, Your Honor.

THE COURT: And Mr. Antonoff, it's consistent with what you were expecting?

MR. ANTONOFF: It is. The only concern I have about Mr. Pesce's remarks is having the dismissal hearing the same as the final. I understand the efficiency of knowing if Lakewind is in or out at that point. I just wonder if two weeks is enough time for briefing and frankly, there may be discovery here. I don't know yet, but I don't know if it's a reasonable time --

MR. PESCE: We can take that up. I think what I have -- what I think the lender is willing to provide is one month of post-petition interest, so we'll either have the final hearing on the 16th or 17th of June and have to reach a different accommodation for the post-final hearing period before the dismissal hearing. We'll have them at the same time. You know, it would be nice not to have too many trials on the matter in close conjunction, but maybe I'll rescind the

comment about the timing of the hearing. We'll give one month -- we'll give post-petition interest through the final hearing. We'll work out a schedule, Mr. Antonoff, and your chambers, Your Honor, that works for the dismissal.

THE COURT: As of this point, though, we're looking at a final hearing on the 17th? That's what I blocked.

MR. PESCE: Yes.

THE COURT: 1:00 p.m.

MR. PESCE: Great.

THE COURT: And --

MR. PESCE: So --

THE COURT: Okay.

MR. PESCE: Right, 17th. I'm sorry. I just --

THE COURT: The 17th at 1:00 p.m.

I have dates I can offer you in case you want when you're making your scheduling just to -- well, I have a June 26th date and then -- I mean, I was looking at omnibus dates about a month later, July 22nd. So let me just give you the June 26th date. Try to work out a schedule.

MR. PESCE: Sure.

THE COURT: And reach out to my chambers and we'll try to make sure it works.

MR. PESCE: Right. Well, we really appreciate your time; Mr. Antonoff's time. The -- we'll -- I don't know if it's going to be today, but in hopefully the next 24 hours

we'll send a certified copy to reflect Mr. Sponder's comments, the changes necessary on the budget to address both Spano and CIF, and then the other changes necessitated by CIF on the New Orleans order. I hope we can get the Kelly Hamilton one entered sooner. That just has the dealing with Mr. Sponder's comments to that, but hopefully we can get that Kelly Hamilton to you today and then this either today or early tomorrow for New Orleans.

THE COURT: So as of now, we're -- we do not have anything scheduled for this Thursday.

MR. PESCE: Yeah, I --

THE COURT: Once you get the orders down, we'll get them entered. To the extent there's a language issue or wording that you just can't seem to overcome the dispute, I can arrange -- we can have a quick call, a Zoom call, whether it will be tomorrow or on Thursday. Wednesday is a travel day for me. It will be a little harder.

MR. PESCE: Understand.

THE COURT: But if we need, just reach out for chambers and we'll --

MR. PESCE: I appreciate it.

THE COURT: We will schedule it, all right?

Can I assist anyone else? Are there any other concerns or issues?

MR. ANTONOFF: Just if I may ask. Will Mr. Pesce be

circulating a revised interim order on the Nola DIP?

MR. PESCE: Yeah, that's what I was saying. Let us -- we'll get something to the parties later today and then let's work with you to get that done as soon as we can today or tomorrow.

MR. ANTONOFF: Okay.

THE COURT: All right.

MR. PESCE: We will not -- we will copy Andrew Sherman, Mr. Antonoff, Mr. Goodman, Sponder -- Mr. Sponder and make sure I'm not missing anyone else on the New Orleans side, and then we'll make sure the U.S. Trustee and the Kelly Hamilton DIP lender are on the other one, too, so -- all right.

THE COURT: All right.

MR. PESCE: Thank you, Your Honor.

THE COURT: I'll wait -- can you -- just getting a note. Could you also resend it to my chambers the most recent claims agent order so we know we have the final version?

MR. PESCE: Absolutely. We'll send that to you with Mr. Sponder and copy shortly.

THE COURT: And if you all make use of the June 26th date, just know that it's at 1:00 p.m., all right?

MR. PESCE: All right. You got it.

THE COURT: All right.

MR. ANTONOFF: Thank you, Your Honor.

MR. PESCE: Thanks for the call.

THE COURT: Appreciate your time and efforts. Thank you.

## Background

### A. Overview of the Chapter 11 Cases

6. On May 19, 2025 (the "**Petition Date**"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code commencing the above-captioned chapter 11 cases. Each Debtor is operating their businesses and managing their properties as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. These chapter 11 cases are being jointly administered pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

7. A detailed description of the Debtors and their business, including the facts and circumstances giving rise to the Debtors' chapter 11 cases, is set forth in the *Declaration of Matthew Dundon, Principal of IslandDundon LLC, In Support of Debtors' Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**") [Docket No. 44].

8. On September 26, 2024, the Debtors' independent fiduciary – Elizabeth A. LaPuma (the "**Independent Fiduciary**") – was appointed as the sole manager of Debtors CBRM Realty Inc. and Crown Capital Holdings LLC, which Debtors subsequently appointed the Independent Fiduciary as the sole director or manager, as applicable, of the other Debtors and certain non-Debtor affiliates owned or controlled by the Debtors. First Day Decl. ¶ 13.

9. On May 28, 2025, the Debtors filed the *Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief* (the "**DIP Motion**") [Docket No. 61], seeking entry of interim and final orders authorizing, among other things, certain of the Debtors to enter into a debtor-in-possession financing facility the ("**Kelly Hamilton DIP Facilit**y") with 3650 SS1 Pittsburgh LLC (the "**Kelly Hamilton DIP Lender**").

10. On June 4, 2025, the Bankruptcy Court entered the *Interim Order (I) Authorizing the Kelly Hamilton DIP Loan Parties to Obtain Senior Secured Priming Superprority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief* [Docket No. 108] (the "**Kelly Hamilton Interim DIP Order**"), approving the Debtors' entry into the Kelly Hamilton DIP Facility on an interim basis.

**B. The Prior Service Agreements**

11. The Debtors, together with their non-Debtor affiliates (collectively, the "**Company**"), own a real estate portfolio comprised of over fifty properties across the United States. Dundon Decl. ¶ 5. To operate and maintain their real estate portfolio, the Company relies on a set of interrelated agreements, including (i) a property management and service agreement, which appoints a property manager responsible for the day-to-day operations, tenant relations, staffing, and maintenance of the Debtors' properties, and (ii) an asset management agreement, which appoints an asset manager to oversee the property manager and the operation, maintenance, and management of the Debtors' properties. *Id.*

12. The asset manager's duties generally include: (i) contracting with professionals, including property managers and contractors, and monitoring their performance, (ii) managing and disbursing funds, establishing reserves, and recommending cash resource investment strategies; (iii) reviewing and monitoring the property manager's operations, including staffing, financial reports, and budgets; (iv) preparing strategic asset and marketing plans, (v) recommending and overseeing major repairs, replacements, and critical improvements at the Debtors' properties, and (vi) providing information for annual financial statements and tax returns. Dundon Decl. ¶ 6.

13. Prior to the commencement of the Debtors' chapter 11 cases, the Debtors engaged LAGSP LLC and Lynd Management Group LLC to provide asset management and property management services, respectively, to the Debtors' multifamily properties in Pittsburgh, Pennsylvania and New Orleans, Louisiana under various asset management, property management, and related agreements (collectively, the "**Prior Service Agreements**"). Dundon Decl. ¶ 7. LAGSP LLC and Lynd Management Group are affiliates of The Lynd Group, a Texas-based real estate management organization (collectively, the "**Manager**"). Dundon Decl. ¶ 8. The Manger is a leading, national full-service real estate operating enterprise that offers property management, asset management, and affordable housing compliance services with expertise focused on multifamily housing. Dundon Decl. ¶ 9.

14. Prior to the Petition Date, the Manager accrued approximately $953,000 in unpaid fees under the Prior Service Agreements. Dundon Decl. ¶ 10.

**C. The Amended and Restated Agreements**

15. The Kelly Hamilton DIP Lender is affiliated with the Manager. First Day Decl. ¶ 22; Dundon Decl. ¶ 11.

16. In connection with negotiation of the Kelly Hamilton DIP Facility, the Debtors, at the direction of the Independent Fiduciary, and the Manager engaged in negotiations regarding certain modifications to the Prior Service Agreements, which the Kelly Hamiliton DIP Lender required in order to enter into the Kelly Hamilton DIP Facility. Dundon Decl. ¶ 12. These negotiations resulted in the Debtors seeking to assume the Amended and Restated Agreements. Dundon Decl. ¶ 12.

17. The Kelly Hamilton DIP Facility provides that the Debtors shall seek to assume the Amended and Restated Agreements under section 365(a) of the Bankruptcy Code. DIP Motion, Ex. A at 3.

18. Moreover, in connection with the Kelly Hamilton DIP Facility, the Debtors and Manager agreed that the Debtors would seek to assume the Amended and Restated Agreements, subject to cure costs totaling $953,000 (the "**Cure Amount**"), which Cure Amount shall be satisfied (i) in cash in the amount of $328,000, within five (5) business days of entry of the Proposed Order and (ii) as an administrative expense priority claim under section 503(b) of the Bankruptcy Code asserted by LAGSP LLC in the amount of $625,000 (the "**Manager Administrative Expense Claim**"), *provided, however,* that the Manager Administrative Expense Claim shall be satisfied upon consummation of the Kelly Hamilton Restructuring Transaction (as defined in the Kelly Hamilton Interim DIP Order), without any further approval or action by any person or entity, as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing dated May 26, 2025*, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order; *provided,* further, however, that if the Kelly Hamilton Restructuring Transaction is not consummated as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing dated May 26, 2025*, annexed as Exhibit A to the Kelly Hamilton Interim

DIP Order, then, the Manager Administrative Expense Claim shall be satisfied at the time of closing of a transaction other than the Kelly Hamilton Restructuring Transaction or otherwise in a manner otherwise agreed to in writing by the Debtors and the Manager. Dundon Decl. ¶ 13.

19. By this Motion, the Debtors seek to assume the Amended and Restated Agreements and satisfy the Cure Amount associated therewith. As set forth in the Dundon Declaration, assumption of the Amended and Restated Agreements was negotiated by the Debtors, under the direction of the Independent Fiduciary in connection with negotiation of the Kelly Hamilton DIP Facility. The Debtors' assumption of the Amended and Restated Agreements will not only allow the Debtors to continue operating and maintaining their real estate portfolio, but will also ensure compliance with the terms and conditions of the Kelly Hamilton DIP Facility.

**Basis for Relief**

20. The Bankruptcy Code provides that a debtor may assume or reject any executory contract or unexpired lease, subject to the court's approval. 11 U.S.C. § 365(a). The decision to assume or reject executory contracts is squarely within the Debtors' business judgment. *See, e.g.*, *NLRB v. Bildisco and Bildisco*, 465 U.S. 513, 523 (1984) (describing business judgment test as "traditional"); *In re Group of Inst. Investors, Inc. v. Chicago, Milwaukee, St. Paul and Pac. R.R. Co.*, 318 U.S. 523, 550 (1943) ("the question [of assumption] is one of business judgment"); *In re Market Square Inn, Inc.*, 978 F.2d 116, 131 (3d Cir. 1992) (The "resolution of [the] issue of assumption or rejection will be a matter of business judgment by the bankruptcy court."); *In re Cent. Jersey Airport Servs., LLC*, 282 B.R. 176, 183 (Bankr. D.N.J. 2002) ("Although the code does not provide the standard to be applies in determining the propriety of the trustee or DIP's decision, most Circuits, including the Third Circuit have adopted the business judgment test.")

21. A debtor exercises sound business judgment with respect to its decision to assume or reject an executory contract or unexpired lease upon a good-faith determination that the proposed action will benefit the estate. *See In re Central Jersey Airport Serv., LLC*, 282 B.R. 176, 183 (Bankr. D.N.J. 2002). Courts will defer to a debtor's decision to assume or reject an executory contract upon finding that the debtor has exercised its sound business judgment in making such determination. *See In re III Enterprises Inc. V*, 163 B.R. 453, 469 (Bankr. E. D. Pa 1994) ("Generally, a court will give great deference to a debtor's decision to assume or reject the contract. A debtor need only show that its decision to assume or reject the contract is an exercise of sound business judgment – a standard which we have concluded many times is not difficult to meet."); *see also City of Rockford v. Mallinckrodt PLC (In re Mallinckrodt PLC)*, 2022 U.S. Dist. LEXIS 54785, at *19 (D. Del. Mar. 28, 2022) ("The legal standard to . . . 365(a) is the business judgment test, under which a bankruptcy court will authorize debtor-initiated actions if the debtor shows that a sound business purpose justifies such actions. The test considers the benefit to the debtor's estate and, if a valid business justification exists, then a strong presumption follows that the agreement was negotiated in good faith and is in the best interests of the estate."); *In re Caribbean Petroleum Corp*., 444 B.R. 263, 268 (Bankr. D. Del. 2010) ("Courts normally leave the decision to reject a contract to the debtor's sound business judgment.").

22. The Debtors have determined, in the exercise of their business judgment, that it is in the best interests of their estates to assume the Amended and Restated Agreements. As explained above and in the Dundon Declaration, the Debtors agreed to assume the Amended and Restated Agreements, and satisfy the Cure Amount associated therewith, in connection with their negotiation of the Kelly Hamilton DIP Facility, at the direction of the Independent Fiduciary. *See generally* Dundon Decl. As a result, the Debtors' assumption of the Amended and Restated

Agreements is a condition precedent to closing the Kelly Hamiliton DIP Facility and is necessary to avoid a default under the Kelly Hamilton DIP Facility. Dundon Decl. ¶¶ 12, 14; DIP Motion, Ex. A at 12; *see also* DIP Motion, Ex. C, Art. 1.1 (providing that the Interim Order shall require the Debtors to assume all Amended and Restated Service Agreements); *id.*, Ex. C, Art. 4.1(g) (providing that the Debtors shall have received authority to assume all Amended and Restated Agreements, as a condition precedent to the Kelly Hamilton DIP Facility). Accordingly, financing from the Kelly Hamilton DIP Lender remains subject to the Debtors' assumption of the Amended and Restated Agreements and satisfaction of the Cure Amount. *See id.*

23. Moreover, the Debtors already rely on the Manager to provide critical property management and asset management services. Dundon Decl. ¶ 7, 14. The Manager is qualified and experienced in providing such services and helps to ensure that the Debtors' properties have the staffing and resources necessary to provide residents with safe and clean homes. Dundon Decl. ¶ 14. Accordingly, the Debtors believe that the suspension or termination of the Manger's services could have a disastrous impact on the Debtor's ability to maintain and operate their properties. *Id*. As a result, the Debtors have concluded, in the exercise of their business judgment, that assumption of the Amended and Restated Agreements is the best way to ensure that the Debtors maintain the liquidity and services necessary to continue operating their real estate portfolio. Dundon Decl. ¶¶ 15-16.

24. When assuming an executory contract, section 365(b) of the Bankruptcy Code requires the debtor to cure any defaults under the contract. *See* 11 U.S.C. 365(b)(1)(A). The Debtors and Manager agreed that assumption of the Amended and Restated Agreements would be subject to satisfaction of the Cure Amount, which is payable (i) in cash in the amount of $328,000, within five (5) business days of entry of the Proposed Order, and (ii) as the Manager

Administrative Expense Claim at the conclusion of the chapter 11 cases, unless the Debtors effectuate a sale, recapitalization or reorganization related to the Kelly Hamilton Debtor, in which case the Manager Administrative Expense Claim shall be satisfied as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing*, dated May 26, 2025. Dundon Decl. ¶ 13; *see* DIP Motion, Ex. A at 3.

25. For the reasons set forth herein, the Debtors believe that they have satisfied the requirements for assumption of the Amended and Restated Agreements under section 365 of the Bankruptcy Code. The Debtors therefore submit that the relief requested herein is a condition precedent to, and necessary to secure, the Kelly Hamilton DIP Facility, is in the best interests of their estates, is a sound exercise of their business judgment, and should be approved by the Court.

**Waiver of Bankruptcy Rule 6004(a) and 6004(h)**

26. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen (14) day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

**Waiver of Memorandum of Law**

27. The Debtors respectfully request that the Court waive the requirement to file a separate memorandum of law pursuant to Local Rule 9013-1(a)(3) because the legal basis upon which the Debtors rely is set forth herein and this motion does not raise any novel issues of law.

**Reservation of Rights**

28. Nothing contained in this motion or any order granting the relief requested in this motion, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with any such order), is intended as or shall be construed or deemed to be: (a) a waiver of any other party in interest's right to dispute any claim on any grounds; (b) a promise

or requirement to pay any particular claim; (c) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this motion or any order granting the relief requested by this motion except as otherwise set forth in the motion; (d) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estate.

**Notice**

29. for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

## ARTICLE 2. TERM AND CONDITION FOR EFFECTIVENESS

2.01 The Agreement shall continue for a period of one year (the "**Initial Term**"), unless terminated as provided in Article 18. This Agreement shall automatically extend for additional one-year terms unless either Owner or Manager deliver a written notice to the other not later than sixty (60) days prior to the expiration of the then current term. The terms of this Agreement shall otherwise remain the same unless amended pursuant to Section 20.6 of this Agreement.

2.02 This Agreement shall be effective upon (i) the Bankruptcy Court's entry of an order (the "**Approval Order**") and (ii) the Debtors' payment, within five (5) business days of entry of the Approval Order, of the Cure Amount (as defined herein). The Approval Order shall (1) authorize the Debtors to assume the Amended and Restated Agreements under section 365 of the Bankruptcy Code, subject to the Debtors' agreement that the aggregate cure costs associated with the Amended and Restated Agreements equal $953,000 (the "**Cure Amount**"), (2) authorize the Debtors to satisfy $328,000 of such aggregate cure costs in cash within 5 business days' of the entry of the Approval Order, and (3) authorize and allow an administrative expense priority claim under section 503(b) of the Bankruptcy Code by the Asset Manager (as defined below) of the balance of such cure claim in the aggregate amount of $625,000 (the "**Manager Administrative Expense Claim**"), *provided, however*, that the Manager Administrative Expense Claim shall be satisfied upon consummation of the Kelly Hamilton Restructuring Transaction (as defined in the Kelly Hamilton Interim DIP Order), without any further approval or action by any person or entity, as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order; *provided, further, however*, that if the Kelly Hamilton Restructuring Transaction is not consummated as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order, then, the Manager Administrative Expense Claim shall be satisfied at the time of closing of a transaction other than the Kelly Hamilton Restructuring Transaction or otherwise in a manner otherwise agreed to in writing by the Debtors and the Manager.

## ARTICLE 3. DESCRIPTION OF PROPERTY

The Property subject to this Agreement is more particularly described in **Exhibit A** attached hereto and by this reference made a part of this Agreement and is known by the common name set forth in **Exhibit A**.

## ARTICLE 4. APPOINTING MANAGER AS OWNER'S AGENT

4.01 Owner appoints Manager as its sole and exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the responsibility of Manager, which is in all respects the employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s) providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or affiliates of Manager, and

Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein. All duties to be performed by Manager under this Agreement shall be for and on behalf of Owner, in Owner's name, and for Owner's account.

4.02 Manager will have the duty to keep Owner's property separate from Manager's property and to avoid receiving any unauthorized benefit from operating, managing or using Owner's property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

4.03 Manager understands that Owner has engaged LAGSP, LLC, a Delaware limited liability company ("**Asset Manager**"), pursuant to an Asset Management Agreement between Owner and Asset Manager dated June 10, 2025, to act as Owner's representative with respect to the day-to-day operations of the Property. Notwithstanding the obligations of Manager to Owner as set forth herein, Manager shall report all daily, monthly, quarterly, and annual operations and accounting with respect to the Property to Asset Manager on behalf of Owner. In addition, subject to any limitations set forth herein, Manager shall take operational direction from Asset Manager, on behalf of Owner, with respect to the Property, as if the same direction had been given directly by the Owner to Manager hereunder. In the event that Asset Manager is terminated or replaced by Owner, Owner shall give notice of the same to Manager and all deliveries to be given to Asset Manager hereunder shall instead be given to Owner. Notwithstanding the terms of this provision, the written consent of the Owner (and not Asset Manager) shall be required for any adoption of or amendment to any Budget with respect to the Property.

## ARTICLE 5. PROFESSIONAL MANAGEMENT SERVICES

5.01 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles. Manager will comply with all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

5.02 Should Owner wish Manager to perform services which are not otherwise governed by the terms and provisions of this Agreement, the parties shall meet to discuss and to agree upon the scope of such additional services and the additional compensation to be paid by Owner to Manager for such additional services. Owner may elect to contract with entities in which Manager has a financial interest or other affiliation, including certain insurance services or utility services. Any relationship Owner may enter into with an entity related to Manager does not constitute an agency relationship between Owner and the related entity. Manager's related business entities are for-profit enterprises which may receive compensation, incentives, commissions and/or coordination fees from third parties in connection with the services offered.

5.03 Manager shall be authorized to enter into agreements, as agent for Owner and in Owner's name, for all utility and other services provided to the Property. Any agreement which cannot be terminated by Owner or Manager on thirty (30) days' notice without the payment of any penalty or premium or which has a total contract value of more than $5,000 must be approved by Owner.

## ARTICLE 6. ON-SITE MANAGEMENT FACILITIES

Owner shall provide rent-free space at the Property for the exclusive use of the Manager in a location

sufficient for the use of Manager to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and telephone services. The Property shall provide suitable apartment units within the Property for the use of the resident manager and such assistant managers or maintenance personnel in accordance with the Budget or as otherwise approved in writing by Owner. Manager shall be entitled to provide such employees with such rental and utility concessions as Manager may deem appropriate under the circumstances, subject to the Budget.

## ARTICLE 7. MANAGER'S DUTIES RELATING TO LEASING AND TENANTS

7.01 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial leases and renewals, modifications, and terminations of existing leases. Manager will set and change rental rates and the amounts of other tenant charges relating to the Property in accordance with the budget. Manager may not execute any lease for a period exceeding twenty-four (24) months without securing Owner's prior consent. All costs of leasing shall be paid out of the operating account for the Property in accordance with the budget.

7.02 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any leases for commercial or residential space at the Property. Owner shall immediately forward all inquiries about leases or rental agreements to Manager. Manager is the Owner's exclusive agent in leasing the Property.

7.03 Manager may advertise the availability of rental space at the Property by using appropriate communications media. All advertising expenses will be expenses of the Property.

7.04 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

7.05 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee. Manager may require a lesser Administrative Fee if Manager determines that (1) the Administrative Fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

7.06 Manager will use its best efforts to collect, deposit and disburse cash security deposits according to each lease and the requirements of the law. Manager will deposit cash security deposits in an escrow account opened by Manager in the name of the Property (the "**Security Deposit Account**") and shall retain on deposit in such account an amount sufficient to meet anticipated refund requirements and such amounts as required by law. Manager shall be an authorized signatory on the Security Deposit Account. All cash security deposits shall be returned to the resident per applicable laws and timeframes. Owner agrees that Manager will not transfer any cash security deposit to Owner unless such transfer is made in accordance with applicable legal requirements. Any interest on cash security deposits not required by law to be paid to tenants shall be paid to the Owner. In the event that the Owner maintains an alternate to cash security deposits, Manager will use best efforts to confirm any such non-cash security deposits and keep reasonable records of such non-cash deposits.

7.07 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Such receipts will be deposited in an account in the name of the Property (the "**Property**

**Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property

7.08 Manager may, in its sole discretion, institute in Owner's name all legal actions or proceedings for the enforcement of any rental term, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of rental agreements, including the collection of rent and other income. Manager may settle, compromise and release such legal actions or suits or to reinstate such tenancies without the prior consent of Owner, if such settlement, compromise, or release shall involve an amount in controversy of Two Thousand Dollars ($2,000.00), or less. Where the amount in controversy is in excess of Two Thousand Dollars ($2,000.00), Manager shall first obtain the written authorization of Owner, which may be in the form of an email, before entering into any compromise, settlement, or release of legal actions. Reasonable attorney's fees for outside counsel, filing fees, court costs, travel expense, other necessary expenditures, and administrative costs incurred by Manager's in-house legal department in connection with such action shall be paid out of the Property Operating Account or shall be reimbursed directly to Manager by Owner. All funds recovered from tenants shall be deposited into the Property Operating Account. Unless otherwise directed by Owner, Manager may select the attorney or attorneys to handle any and all such litigation or utilize its in-house legal department. However, in the event of an emergency, Manager may authorize any expenditure which, in Manager's reasonable opinion, is necessary to preserve and protect the Property, to alleviate a condition adverse to human or animal life, to take such actions as may be ordered by any federal, state or local government agency. Manager shall promptly notify Owner or Owner's agent of the nature of any such emergency and the action taken and expenses incurred in connection therewith

7.09 Manager will comply with all applicable federal, state and local laws prohibiting discrimination in leasing that are now in effect or come into effect during the term of this Agreement.

## ARTICLE 8. FINANCIAL MANAGEMENT

8.01 Upon the commencement of the Initial Term, Owner shall remit to Manager the amounts necessary to fully fund the Property Operating Account and the Security Deposit Account. Owner and its designated representative, and Manager and its designated employees shall be the only signatories on the Property Operating Account and any other bank accounts for the Property.

8.02 If the Property is to be developed or is under construction, Owner shall fund the Property Operating Account with an amount equal to four (4) months of the projected Management Fee and operating expenses for the Property no later than four (4) months before the projected date of first occupancy. Manager will use those funds to cover Manager's expenses to set up the management facilities at the Property and other initial costs for a newly constructed Property.

8.03 Manager shall have no liability to Owner for any loss of funds contained in the Property's bank accounts, including but not limited to any loss due to third party fraud or due to the insolvency of the bank or financial institution in which its accounts are kept; provided, however, that Manager shall be liable to Owner in the event such loss arises from the gross negligence or willful misconduct of Manager's employees. All Property bank accounts shall be enrolled, at Owner's expense, in the Manager's depository institution's fraud prevention program.

8.04 A cash reserve in the amount of Twenty-Five Thousand Dollars ($25,000) shall be maintained in the Property Operating Account by Owner and shall be readily available to Manager during

the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Working Capital Reserve**").

8.05 A cash reserve in the amount of two (2) weeks of estimated payroll expenses, shall be maintained in the Property's payroll account by Owner and shall be readily available to Manager during the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Payroll Reserve**").

8.06 If at any time during the Term the Working Capital Reserve and/or the Payroll Reserve is diminished, Manager will request, in writing to Owner, that the necessary additional funds be deposited by Owner in an amount sufficient to maintain the reserve amounts required above. Owner will deposit the additional funds requested by Manager within ten (10) days of receiving such written request. In the event Owner does not adequately replenish such reserve funds within said period, Manager may elect to terminate this Agreement in accordance with Article 18 of this Agreement. Exercise of such termination right shall be Manager's sole remedy for any breach by Owner of this Article 8.

8.07 Within sixty (60) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget to Manager. Manager shall have thirty (30) days to review and provide comments to the submitted budget ("**Review Period**"). If Manager does not provide comments to the Budget during the Review Period, Manager shall be deemed to have accepted the budget and shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Owner's proposed budget. Thereafter annually Owner and Manager shall establish mutually agreeable annual budgets no later than thirty (30) days before commencement of the year to be covered by such budget (the "**Budget Due Date**"). The initial approved budget as agreed to in writing between Owner and Manager. If the parties are unable to agree on subsequent budgets or Owner fails to provide approval or instructions on such subsequent budgets, the budget then in effect shall govern but each line item shall be increased by five (5%). Owner acknowledges that the Budget is intended only to be a reasonable estimate of the Property's income and expenses for the applicable calendar year, and Manager shall not be deemed to have made any guarantee, warranty or representation whatsoever in connection with the Budget. Owner will not unreasonably withhold approval of necessary expenditures in excess of budgeted amounts. Owner shall be deemed to have granted its consent or to have given its approval for any expenditure requiring Owner's consent or approval under this Agreement which is provided for in an approved Budget up to the amount therein provided for.

8.08 When the following items are payable, Manager will make the disbursements promptly from the funds deposited to the Property Operating Account subject to necessary funds being made available by Owner. From the Property Operating Account, Manager is authorized to pay or to reimburse Manager for all expenses and costs of operating the Property and for all other sums due Manager under this Agreement, including Manager's compensation which is described and set forth in Article 14 hereof. Manager has sole responsibility for the timely payment of all authorized expenses of the Property. Owner shall provide sufficient funds to ensure that the Property Operating Account shall at all times contain funds sufficient to meet the operating requirements of the Property. Expenses will be paid in the following order should collected funds be insufficient to satisfy the current debts and obligations of the Property:

(a) Any payments in connection with any mortgages for the Property, including but not limited to amounts due for principal amortization, interest, mortgage insurance premiums, ground rents, taxes and assessments, and fire- and other hazard-insurance premiums if not previously paid;

(b) Compensation payable to Manager as provided in this Agreement;

(c) All sums otherwise due and payable by Owner as expenses of the Property that Manager authorizes to be incurred under this Agreement; and then

(d) Net proceeds due to Owner.

8.09 Manager will disclose all rebates, discounts, or commissions collected by Manager, or credited to Manager's use, for obtaining goods or services for the Property, and Manager will credit the rebates, discounts, or commissions to the Property Operating Account. Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, AC Captive Services LLC, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, and Leasing Desk Insurance Services. Manager also discloses that it has an ownership interest in a utility billing company called Resynergy and an asset management/construction manager, Lynd Acquisitions Group LLC and intends to utilize those services in connection with the Property. Lastly, Manager also discloses that it may receive revenue sharing from its preferred vendors and, additionally, may receive contributions from its preferred vendors for its leadership, training, and other events.

8.10 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

8.11 Manager will keep Owner informed of any actual or projected deviation from the receipts or disbursements stated in the approved budget. Except for the disbursements authorized in this Agreement or by the approved budget, funds will be disbursed from the accounts described herein only as Owner may direct from time to time.

8.12 If the balance in the Property Operating Account is insufficient to pay projected disbursements due and payable within a 30-day period, Manager will promptly notify Owner of that fact. The notice will describe in detail funds available and projected income and expenses. Promptly after receiving this notice, but no later than ten (10) days, Owner will remit to Manager sufficient funds to cover the deficiency provided such deficiency arises from expenditures provided for in the approved budget. Manager is not required to use its own funds to cover any such deficiency.

8.13 Except as otherwise specifically provided, all costs and expenses incurred by Manager in fulfilling its duties to Owner, including, but not limited to the charges and fees for work performed at the Property (whether contracted for by Owner or by Manager) shall be for the account of and on behalf of Owner. Such costs and expenses shall include reasonable wages and salaries and other employee-related expenses of all on-site and off- site employees of Manager who are engaged in the operation, management, maintenance and leasing or access control of the Property, including, without limitation, taxes, insurance and benefits relating to such employees and legal, travel and other out-of-pocket expenses which are directly related to the management of the Property. All costs and expenses for which Owner is responsible under this Agreement shall be paid by Manager out of the Property Operating Account. In the event said account does not contain sufficient funds to pay all said expenses, Owner shall promptly fund all sums necessary to meet such additional costs and expenses. Manager shall have no responsibility to use its own funds to cover or pay for any such costs or expenses.

8.14 All purchases, expenses and other obligations incurred in connection with the operation of the Property shall be the sole cost and expense of Owner. All such purchases shall be made by Manager solely on behalf of Owner as its agent and not as a principal. Manager shall be under no duty to utilize or apply Manager's own funds for the payment of any such debt or obligation. In the event that there are insufficient funds in the Property Operating Account, Manager may advance its own funds for such purpose, in which event Owner shall promptly repay to Manager all such sums expended, together with interest at eight percent (8%) per annum calculated from the date of Manager's advancement of funds to the date of repayment from Owner.

8.15 Manager may lease no more than two apartments located at the Property for use by on-site personnel at a twenty percent (20%) discount of the then-current fair market rental value upon Owner's prior written approval, which approval shall not be unreasonably withheld.

## ARTICLE 9. OPERATING AND MAINTAINING THE PROPERTY

9.01 Manager is authorized to cause the Property to be maintained and repaired according to this Agreement. Maintenance and repair includes, but is not limited to, cleaning, painting, decorating, plumbing, carpentry, masonry, electrical maintenance, grounds care, and any other maintenance and repair work that may be necessary. On behalf of Owner and as its agent, Manager is authorized to buy all materials, equipment, tools, appliances, supplies, and services necessary, in Manager's reasonable judgment, for properly maintaining and repairing the Property, all of which are expenses of the Property.

9.02 Manager, as agent of Owner, will perform the following specific duties:

(a) Give attention to preventive maintenance at the Property. The services of Premise's regular maintenance employees will be used to the extent feasible in Manager's reasonable judgment. Perform preventative maintenance on a quarterly basis and provide Owner with written confirmation of the work performed.

(b) Contract with qualified independent contractors for maintaining and repairing air-conditioning and heating systems, and for extraordinary repairs beyond the capability of regular maintenance employees.

(c) Contract for water, gas, electricity, extermination, laundry facilities, cable television, telephone service, and other goods and services necessary in operating and maintaining of the Property to the extent not previously contracted for. Manager may institute or contract to an affiliate for a "RUBS" or similar system to recover as much of the utility costs as can be passed on to tenants, consistent with local law and the local market.

(d) Receive and investigate all service requests from tenants, taking such action thereon as may be reasonably justified, and keeping records of the requests and services provided. Manager will make arrangements to receive and respond to emergency requests on a 24-hours-a-day, seven days-a-week basis. After investigation, Manager will report serious maintenance problems to Owner.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with known applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any federal, state or local authorities. Manager will comply with all applicable governmental requirements. With Owner's prior written consent, Manager may appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not

an expert or consultant regarding the Property's compliance with government requirements; accordingly, Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. Owner indemnifies and defends Manager from any liability incurred by Manager for complying with an instruction from Owner that is contrary to any federal, state, or local governmental requirement, including any requirement of any performance based contract administrator.

(f) To the extent the applicable lender requirements have been disclosed to Manager in writing, Manager shall comply with the operation and maintenance plans for (i) asbestos, and (ii) mold and moisture.

9.03 Regardless of the other provisions of this Agreement, Manager may not authorize any expenditure in any instance for labor, materials, or otherwise in connection with maintaining and repairing the Property in excess of Two Thousand Dollars ($2,000.00) without Owner's prior approval. This limitation does not apply to (1) recurring expenses within the limits of the approved budget, (2) emergency repairs involving manifest danger to persons or property, or (3) expenses necessary to avoid imminent suspension of any necessary service to the Property. If Manager makes an expenditure exceeding the limit in compliance with this paragraph, Manager will inform Owner of the facts as promptly as reasonably possible.

9.04 Manager may not authorize any structural changes or major alterations to the Property without Owner's prior written consent.

9.05 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on Owner's behalf, which Manager shall supervise as a vendor; however, Manager will not be responsible for the acts or omissions of the work of said security service provider.

9.06 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

9.07 Manager is not responsible for providing security services to the Property. Subject to Owner's approval, Manager will, in Owner's name and at Owner's expense, contract with a third party to provide security services to the Property. In no event shall Manager have any liability to Owner or any other party for criminal acts of any kind committed by tenants or third parties on or with respect to the Property.

## ARTICLE 10. RECORDKEEPING AND REPORTING

10.01 Manager will maintain accurate, complete, and separate books and records according to standards and procedures sufficient to respond to Owner's reasonable financial information requirements. The records will show income and expenditures relating to operation of the Property and will be maintained so that individual items and aggregate amounts of accounts payable and accounts receivable, available cash, and other assets and liabilities relating to the Property may be readily determined at any time.

10.02 Manager will make available to the Owner, upon request, copies of each check written on the Property Operating Account and will furnish Owner with the monthly report herein described, as required by Owner at Owner's expense.

10.03 Manager will furnish to Owner a Monthly Report of all receipts, disbursements, occupancies vacancies and any other reasonable reporting as requested by Owner on or before the 15th day

of each month covering the previous month's activity (the "**Monthly Report Date**"). Reports will be prepared and transmitted to the Owner in electronic PDF format, unless otherwise specified by Owner.

10.04 To the extent the applicable lender requirements have been disclosed to Manager in writing, prepare and timely deliver reports required to be delivered to any lender holding a mortgage loan or mezzanine loan with respect to the Property pursuant to the terms of the loan documents evidencing and securing such loan.

10.05 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person which regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

10.06 If required by Owner, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property or Owner.

10.07 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may inspect the books and records kept by Manager relating to the Property, which records will be maintained at Manager's corporate headquarters, including but not limited to all checks, bills, invoices, statements, vouchers, cash receipts, correspondence and all other records dealing with the management of the Property. The cost of any such inspection shall be an expense of the Property. Owner consents to all of Manager's decision to keep all books and records in electronic files in any format, electronic or otherwise, as Manager elects.

10.08 At any reasonable time during normal business hours with advance notice by Owner to Manager, Owner may have an audit made of all account books and records relating to management of the Property. The cost of any audit is an expense of the Property.

10.09 In the event Owner requests analysis or reporting in addition to Manager's reporting obligations under this Agreement, Manager may, in its sole discretion, perform the additional analysis or reporting, and, in each case, Owner shall pay to Manager (i) a minimum fee of Two Hundred Fifty and No/100 Dollars ($250.00) for the first hour and (ii) a fee of One Hundred Twenty-Five and No/100 Dollars ($125.00) for each subsequent hour Manager works to create the analysis or report. The cost of any analysis or reporting under this Section 10.09 is an expense of the Owner.

## ARTICLE 11. INSURANCE

11.01 It is the intention of the parties hereto to secure the broadest and most cost-effective insurance available to insure, defend and protect Owner and Manager in the operation, improvement and enhancement of the Property, including any project or construction management services performed relating to the Property. This has customarily been accomplished by insuring both parties under the same policy and/or policies of insurance. Thus, subject to any higher or stricter requirements of Owner's lender, Owner shall maintain, at its expense, during the Term of this Agreement:

(a) Commercial Property Insurance "All-risk" direct damage property insurance on replacement cost terms for the full value of the structure and improvements, including builder's risk insurance and demolition, debris removal, loss adjustment expense, and increased cost coverage where

applicable, to cover physical loss or damage to the Property from all perils, including but not limited to fire, flood, windstorm, earthquake, equipment breakdown, vandalism and malicious mischief;

(b) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The policy will include contractual liability with defense provided in addition to policy limits for indemnities of the named insured. Owner shall ensure that such commercial general liability insurance extends coverage for occurrences and offenses arising out of the Manager's own conduct and does not limit coverage to occurrences or offenses arising out of the Owner's conduct. This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("SIR") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required.

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000. Coverage shall be excess of CGL (including products and completed operations coverage).

(d) During the Term of this Agreement, subject to commercially reasonable availability, all policies providing the coverages set forth in this Article11, shall waive all the insurer's and insureds' individual and/or mutual rights of subrogation against Manager and its affiliates and their respective employees, insurers, shareholders and authorized agents, and shall include Manager and its employees (within the scope and course of their employment) as additional insureds by definition or endorsement.

(e) Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

(f) Owner shall make no material change to any policy without ten (10) days prior written notice to Manager. All policies shall be placed with insurers authorized to do business in the state where the Property is located, having a rating of AVIII or better as reported by Best's Property & Casualty Reports Key Rating Guide for the most current reporting period.

(g) Owner hereby indemnifies, defends, and holds Manager harmless from Owner's failure to obtain and maintain the insurance required under this Agreement.

(h) Manager recommends to Owner that resident liability insurance be required of each tenant at the Property, at the tenant's cost, unless such a requirement is in violation of any Applicable Law or regulation. Notwithstanding anything to the contrary contained in this Agreement, Manager shall not be responsible for tracking information related to renter's insurance or similar policies of insurance which may be carried by tenants of the Property. Manager shall not be responsible for, and Owner hereby

waives any and all claims against Manager with respect to damages or expenses incurred by Owner as a result of failure of any tenant of the Property to carry such policy(s) of insurance.

11.02 Manager will obtain and cause to remain in effect during the term of this Agreement (a) Workers Compensation Insurance, as required by the law of the State where the Property is located, covering all of Manager's employees, (b) Employers' Liability Insurance with limits of not less than $500,000 for bodily injury by accident and $500,000 for bodily injury by disease, (c) Commercial Crime and/or Employee Dishonesty Insurance in the amount of $1,000,000 against misapplication of Property funds by Manager and its employees and by all other employees who participate directly or indirectly in the management and maintenance of the Property, (d) Professional Liability Insurance, covering errors and omissions of Manager's employees, with limits of not less than $1,000,000, and (e) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The premiums for all such coverage shall be an expense of the Property.

11.03 Manager, at Owner's option indicated immediately below this paragraph 11.03, shall obtain the insurance coverage set forth in Section 11.01 hereof for the Property. Such policies may be on Manager's blanket policies and such cost shall be an expense of the Property. When Manager is requested to place Owner's insurance on Manager's blanket policies, pursuant to this Section, the insurance maintained under Section 11.01(b) shall satisfy the obligations set forth in Section 11.2(e). Owner acknowledges that the amounts payable by Owner under the master insurance program includes administrative charges in excess of the actual insurance premiums charged by the underlying insurance carriers. All insurance coverage provided under the master insurance program shall be terminated when this Agreement ends. Owner may elect to have Manager procure the insurance coverage required in Section 11.01 by initialing that option on **Exhibit B** attached hereto.

21.02 This Agreement will bind and inure to the benefit of the parties to this Agreement and their respective heirs, executors, administrators, legal representatives, successors and assigns, except as this Agreement states otherwise.

21.03 Time is of the essence in this Agreement.

21.04 No delay or failure to exercise a right under this Agreement, nor a partial or single exercise of a right under this Agreement, will waive that right or any other under this Agreement.

21.05 This Agreement constitutes the parties' sole agreement and supersedes any prior understandings or written or oral agreements between them relating to its subject matter. Except as otherwise herein provided, any and all amendments, additions to or deletions from this Agreement or any Exhibits shall be null and void unless approved by the parties in writing.

21.06 This Agreement and the Exhibits attached hereto (which Exhibits are incorporated herein by this reference for all purposes) supersede and take the place of any and all previous management agreements entered into between the parties hereto relating to the Properties. 21.07 If a court of competent jurisdiction holds any one or more of the provisions of this Agreement to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision of this Agreement, which will be construed as if it had never contained such illegal, invalid or unenforceable provision.

21.08 All headings herein are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Agreement.

21.09 If there is a dispute between the parties, the parties agree that all questions as to the respective rights and obligations of the parties hereunder are subject to arbitration, which shall be governed by the rules of the American Arbitration Association (the "AAA Rules"). Any arbitration shall be strictly confidential between the parties, any arbitrator, and their respective attorneys and necessary and participating witnesses. In addition:

(a) If a dispute should arise under this Agreement, either party may within thirty (30) days make a demand for arbitration by filing a demand in writing with the other party.

(b) The parties may agree on one arbitrator, but in the event that they cannot agree, there shall be three arbitrators, one named in writing by each of the parties within fifteen (15) days after the demand for arbitration is made and a third to be chosen by the two named. Should either party refuse or

## ARTICLE 1. CONSIDERATION

This Agreement is made in consideration of the foregoing and the covenants contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

## ARTICLE 2. TERM AND CONDITION FOR EFFECTIVENESS

2.01 The Agreement shall continue for a period of one year (the "**Initial Term**"), unless terminated as provided in Article 18. This Agreement shall automatically extend for additional one-year terms unless either Owner or Manager deliver a written notice to the other not later than sixty (60) days prior to the expiration of the then current term. The terms of this Agreement shall otherwise remain the same unless amended pursuant to Section 20.6 of this Agreement.

2.02. This Agreement shall be effective upon (i) the Bankruptcy Court's entry of an order (the "**Approval Order**") and (ii) the Debtors' payment, within five (5) business days of entry of the Approval Order, of the Cure Amount (as defined herein). ## ARTICLE 3. DESCRIPTION OF PROPERTY

The Property subject to this Agreement is more particularly described in **Exhibit A** attached hereto and by this reference made a part of this Agreement and is known by the common name set forth in **Exhibit A**.

## ARTICLE 4. APPOINTING MANAGER AS OWNER'S AGENT

4.01 Owner appoints Manager as its sole and exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the responsibility of

Manager, which is in all respects the employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s) providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or affiliates of Manager, and Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein. All duties to be performed by Manager under this Agreement shall be for and on behalf of Owner, in Owner's name, and for Owner's account.

4.02 Manager will have the duty to keep Owner's property separate from Manager's property and to avoid receiving any unauthorized benefit from operating, managing or using Owner's property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

4.03 Manager understands that Owner has engaged LAGSP, LLC, a Delaware limited liability company ("**Asset Manager**"), pursuant to an Amended and Restated Asset Management Agreement between Owner and Asset Manager dated June 10, 2025, to act as Owner's representative with respect to the day-to-day operations of the Property. Notwithstanding the obligations of Manager to Owner as set forth herein, Manager shall report all daily, monthly, quarterly, and annual operations and accounting with respect to the Property to Asset Manager on behalf of Owner. In addition, subject to any limitations set forth herein, Manager shall take operational direction from Asset Manager, on behalf of Owner, with respect to the Property, as if the same direction had been given directly by the Owner to Manager hereunder. In the event that Asset Manager is terminated or replaced by Owner, Owner shall give notice of the same to Manager and all deliveries to be given to Asset Manager hereunder shall instead be given to Owner. Notwithstanding the terms of this provision, the written consent of the Owner (and not Asset Manager) shall be required for any adoption of or amendment to any Budget with respect to the Property.

## ARTICLE 5. PROFESSIONAL MANAGEMENT SERVICES

5.01 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles. Manager will comply with all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

5.02 Should Owner wish Manager to perform services which are not otherwise governed by the terms and provisions of this Agreement, the parties shall meet to discuss and to agree upon the scope of such additional services and the additional compensation to be paid by Owner to Manager for such additional services. Owner may elect to contract with entities in which Manager has a financial interest or other affiliation, including certain insurance services or utility services. Any relationship Owner may enter into with an entity related to Manager does not constitute an agency relationship between Owner and the related entity. Manager's related business entities are for-profit enterprises which may receive compensation, incentives, commissions and/or coordination fees from third parties in connection with the services offered.

5.03 Manager shall be authorized to enter into agreements, as agent for Owner and in Owner's name, for all utility and other services provided to the Property. Any agreement which cannot be terminated by Owner or Manager on thirty (30) days' notice without the payment of any penalty or premium or which

has a total contract value of more than $5,000 must be approved by Owner.

## ARTICLE 6. ON-SITE MANAGEMENT FACILITIES

Owner shall provide rent-free space at the Property for the exclusive use of the Manager in a location sufficient for the use of Manager to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and telephone services. The Property shall provide suitable apartment units within the Property for the use of the resident manager and such assistant managers or maintenance personnel in accordance with the Budget or as otherwise approved in writing by Owner. Manager shall be entitled to provide such employees with such rental and utility concessions as Manager may deem appropriate under the circumstances, subject to the Budget.

## ARTICLE 7. MANAGER'S DUTIES RELATING TO LEASING AND TENANTS

7.01 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial leases and renewals, modifications, and terminations of existing leases. Manager will set and change rental rates and the amounts of other tenant charges relating to the Property in accordance with the budget. Manager may not execute any lease for a period exceeding twenty-four (24) months without securing Owner's prior consent. All costs of leasing shall be paid out of the operating account for the Property in accordance with the budget.

7.02 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any leases for commercial or residential space at the Property. Owner agrees to promptly forward all inquiries about leases or rental agreements to Manager. Manager is the Owner's exclusive agent in leasing the Property.

7.03 Manager may advertise the availability of rental space at the Property by using appropriate communications media. All advertising expenses will be expenses of the Property.

7.04 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

7.05 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee. Manager may require a lesser Administrative Fee if Manager determines that (1) the Administrative Fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

7.06 Manager will use its best efforts to collect, deposit and disburse cash security deposits according to each lease and the requirements of the law. Manager will deposit cash security deposits in an escrow account opened by Manager in the name of the Property (the "**Security Deposit Account**") and shall retain on deposit in such account an amount sufficient to meet anticipated refund requirements. Manager shall be an authorized signatory on the Security Deposit Account. All cash security deposits shall be returned to the resident per applicable laws and timeframes. Owner agrees that Manager will not transfer any cash security deposit to Owner unless such transfer is made in accordance with applicable legal requirements. Any interest on cash security deposits not required by law to be paid to tenants shall be paid to the Owner. In the event that the Owner maintains an alternate to cash security deposits, Manager will use

best efforts to confirm any such non-cash security deposits and keep reasonable records of such non-cash deposits.

7.07 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Such receipts will be deposited in an account in the name of the Property (the "**Property Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property

7.08 Manager may, in its sole discretion, institute in Owner's name all legal actions or proceedings for the enforcement of any rental term, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of rental agreements, including the collection of rent and other income. 8.07 Within sixty (60) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget to Manager. Manager shall have thirty (30) days to review and provide comments to the submitted budget ("**Review Period**"). Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, AC Captive Services LLC, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, and Leasing Desk Insurance Services. Lastly, Manager also discloses that it may receive revenue sharing from its preferred vendors and, additionally, may receive contributions from its preferred vendors for its leadership, training, and other events.

8.10 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

After investigation, Manager will report serious maintenance problems to Owner.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with known applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any

federal, state or local authorities. Manager will comply with all applicable governmental requirements. With Owner's prior written consent, Manager may appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not an expert or consultant regarding the Property's compliance with government requirements; accordingly, Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. 9.05 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on Owner's behalf, which Manager shall supervise as a vendor; however, Manager will not be responsible for the acts or omissions of the work of said security service provider.

9.06 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

9.07 Manager is not responsible for providing security services to the Property. 10.05 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person which regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

10.06 If required, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property or Owner.

The cost of any analysis or reporting under this Section 10.09 is an expense of the Owner.

## ARTICLE 11. INSURANCE

11.01 It is the intention of the parties hereto to secure the broadest and most cost-effective insurance available to insure, defend and protect Owner and Manager in the operation, improvement and enhancement of the Property, including any project or construction management services performed relating to the Property. This has customarily been accomplished by insuring both parties under the same policy and/or policies of insurance. Thus, subject to any higher or stricter requirements of Owner's lender, Owner shall maintain, at its expense, during the Term of this Agreement:

This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("SIR") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required.

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000. Coverage shall be excess of CGL (including products and completed operations coverage).

(d) During the Term of this Agreement, subject to commercially reasonable availability, all policies providing the coverages set forth in this Article11, shall waive all the insurer's and insureds' individual and/or mutual rights of subrogation against Manager and its affiliates and their respective employees, insurers, shareholders and authorized agents, and shall include Manager and its employees (within the scope and course of their employment) as additional insureds by definition or endorsement.

(e) Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

(f) Owner shall make no material change to any policy without ten (10) days prior written notice to Manager. All policies shall be placed with insurers authorized to do business in the state where the Property is located, having a rating of AVIII or better as reported by Best's Property & Casualty Reports Key Rating Guide for the most current reporting period.

(g) Owner hereby agrees to indemnify and hold Manager harmless from Owner's failure to obtain and maintain the insurance required under this Agreement.

(h) Manager recommends to Owner that resident liability insurance be required of each tenant at the Property, at the tenant's cost, unless such a requirement is in violation of any Applicable Law or regulation. Notwithstanding anything to the contrary contained in this Agreement, Manager shall

not be responsible for tracking information related to renter's insurance or similar policies of insurance which may be carried by tenants of the Property. Manager shall not be responsible for, and Owner hereby waives any and all claims against Manager with respect to damages or expenses incurred by Owner as a result of failure of any tenant of the Property to carry such policy(s) of insurance.

The premiums for all such coverage shall be an expense of the Property.

11.03 Manager, at Owner's option indicated immediately below this paragraph 11.03, shall obtain the insurance coverage set forth in Section 11.01 hereof for the Property. Such policies may be on Manager's blanket policies and such cost shall be an expense of the Property. When Manager is requested to place Owner's insurance on Manager's blanket policies, pursuant to this Section, the insurance maintained under Section 11.01(b) shall satisfy the obligations set forth in Section 11.2(e). Owner acknowledges that the amounts payable by Owner under the master insurance program includes administrative charges in excess of the actual insurance premiums charged by the underlying insurance carriers. Owner shall indemnify and hold harmless Manager from any and all such claims with respect to such infectious diseases.

## ARTICLE 16. INDEMNITY

16.01 Except in the event of Manager's gross negligence, willful misconduct, Owner hereby agrees to indemnify, defend and hold harmless Manager, its shareholders, officers, directors, affiliates, agents and employees harmless from any and all costs, expenses, penalties, interest, reasonable attorney's fees, accounting fees, expert witness fees, suits, liabilities, damages, demand losses, recoveries, settlements or claims for damages, including but without limitation claims based in tort, personal injury, or any action or claim (collectively, "**Liabilities**") which in any way pertains to the management and operation of the Property, whether such action is brought by Owner or any third party. ***This duty of indemnity shall also apply as to all cases in which Manager has followed the written directions of Owner with regard to the management of the Property.*** In the event Manager deems it necessary to procure independent legal representation due to a conflict between Manager and Owner in any such proceeding, Manager shall have the right to select its own attorneys. Regardless of Manager's conduct, Manager shall be indemnified by Owner to the extent of available insurance proceeds. Owner shall also be responsible for the payment of any deductible payments incurred by Manager in the defense of any such claim that is covered by Owner's insurance.

16.02 MANAGER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS OWNER FROM LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES, TO THE EXTENT THAT SUCH LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES ARE NOT FULLY REIMBURSED BY INSURANCE AND ARE INCURRED BY OWNER BY REASON OF MANAGER'S DELIBERATE DISHONESTY, WILLFUL MISFEASANCE OR GROSS NEGLIGENCE.

16.03 In addition to the foregoing, each party shall indemnify, defend and save the other party harmless from any and all claims, proceeding or liabilities as well as all cost and expenses thereof (including, but not limited to, fines, penalties, and reasonable attorneys' fees) involving an alleged or actual violation by the party of any statute, rule or regulation pertaining to the Property, the management or the operation.

16.04 If one party indemnifies the other under any provision of this Agreement, the indemnifying party will defend and hold the other harmless, and the indemnifying party will pay the indemnified party's reasonable attorney's fees and costs; however, no indemnified party shall settle any claim without the indemnifying party's prior written consent.

16.05 Nothing in this Article 16 shall be deemed to affect any party's rights under any insurance policy procured by such party or under which such party is an insured or an additional insured. It is the intention of the parties that Manager be included as an insured under Owner's commercial general liability policy to cover inherent and operational hazards associated with the Property. It is thus understood that if bodily injury, property damage or personal injury liability claims are brought or made against Manager or Owner, or both, based upon the alleged actions of Manager in performing its services hereunder, which are covered by Owner's commercial general liability insurance, such coverage for Manager shall not be impaired, reduced or barred by the above indemnity provisions. All indemnities contained in this Agreement shall survive the expiration or termination of this Agreement.

## ARTICLE 17. INTEGRATION OF AGREEMENTS AND ASSUMPTION AND ASSIGNMENT

17.01 The parties acknowledge and agree that this Agreement, together with the Amended and Restated Agreements listed on **Exhibit C** attached hereto, constitute a single, integrated contractual arrangement between the parties. The Amended and Restated Agreements are interdependent and form one indivisible contract, such that: (i) each of the Amended and Restated Agreements is an essential and material component of the parties' overall contractual relationship; (ii) the Amended and Restated Agreements must be assumed and cured as a single unit; and (iii) any assumption or rejection of the Amended and Restated Agreements by the Debtors in their chapter 11 cases shall apply to all agreements collectively and may not be applied to individual agreements separately.

17.02 Except as otherwise provided herein, neither party may assign this Agreement without the prior written consent of the other party. Notwithstanding the preceding sentence, Manager may assign this Agreement without the consent of Owner in connection with a merger, consolidation, reorganization or sale of all or substantially all of the assets of its business. This provision does not limit either party's right to assign this Agreement to an affiliate or related person or entity when the obligations assigned will be performed by substantially the same persons. Any unauthorized assignment is void.

17.03 Owner may but shall not be obligated to assign its rights and obligations under this Agreement to a buyer of the entire Property without Manager's consent, provided that the buyer expressly assumes the obligations of Owner under this Agreement.

## ARTICLE 18. TERMINATION

18.01 This Agreement may be terminated by either party upon sixty (60) days written termination notice from the terminating party to the other party. This Agreement may be terminated by Owner upon the sale of the Property to an unaffiliated third party**.**

18.02 If either party (1) voluntarily files for bankruptcy or other relief under statutes or rules relating to insolvency, (2) makes an assignment for the benefit of creditors, or (3) is adjudicated bankrupt, the other party may terminate this Agreement without notice.

18.03 This Agreement will terminate if the Property is destroyed totally or to an extent that they are substantially unusable for their intended uses.

18.04 This Agreement may be terminated by the non-breaching party in the event the breaching party commits a material breach of this Agreement which is not cured within 5 days after giving written notice for the failure to pay money when required and otherwise within 20 days after giving written notice of such other material breach.

18.05 When this Agreement terminates, the following will apply:

(a) Manager will promptly deliver to Owner in electronic format all books, records and funds in Manager's possession relating to the Property, all keys to the Property, and all other items or property owned by Owner and in Manager's possession. Any documents shipped to Owner shall be at Owner's expense. Manager is entitled to retain copies of all documents referred to in this Article 18.5(1), but Manager shall have no obligation to maintain any books or records relating to the Property for more than sixty (60) days after termination, unless Manager is required by law to maintain the books and records for a longer period, in which case, Manager shall maintain such books and records of the duration required by law.

(b) Manager will vacate any space at the Property except as occupied under a separate lease with the Owner.

(c) Manager's right to compensation will cease, but Manager will be entitled to be compensated for services rendered before the termination date along with budgeted reimbursable expenses, and to receive the additional compensation herein provided in 18.5(f) and 18.5(g), to the extent earned. Manager shall be authorized to pay Manager all amounts due under this Article 18.5(c) from the Property Operating Account immediately upon termination.

(d) The agency created under this Agreement will cease, and Manager will have no further right or authority to act for Owner.

(e) Owner assigns to Manager any rent moneys received by Manager through third party collection efforts one year after termination. For collections made within one (1) year after termination, Owner assigns to Manager any rent moneys received through third party collection efforts. Manager shall be entitled to retain a fee equal to five percent (5%) of the gross amounts collected by such third party collections, and shall remit the balance to Owner.

(f) The indemnity provisions of this Agreement will remain in effect.

(g) Notwithstanding anything in this Agreement to the contrary, if Owner terminates this Agreement in the first year of the initial one-year term of this Agreement for any reason other than pursuant to Articles 18.2, 18.3 or 18.4, Owner shall within two (2) business days after the date of such termination pay Manager as liquidated damages the Early Termination Fee set forth in **Exhibit B** (the "**Early Termination Fee**"). Manager shall be authorized to pay Manager the Early Termination Fee from the Property Operating Account immediately upon termination.

(h) Manager's post-closing duties and obligations may span a period not to exceed sixty (60) days. During this period, Owner shall pay Manager the monthly Post – Closing Management Fee set forth in **Exhibit B** (the "**Post – Closing Management Fee**"). Post-closing duties and obligations include, but are not limited to, entering invoices and cutting checks, recording post-closing entries and preparing financial statements, reconciling bank statements, and consulting with tax preparers or auditors. Manager shall be authorized to pay Manager the Post - Closing Management Fee from the Property Operating Account immediately upon termination.

(i) Manager will submit to Owner an estimate of the additional funds required to pay all obligations incurred by the Property through the termination date. Owner shall promptly remit all additional funds required. Manager will not be obligated to advance Manager's funds for payment of obligations incurred on behalf of the Owner. Owner shall provide Manager with such security as reasonably determined by Manager against all unfunded obligations or liabilities which Manager may have properly incurred on behalf of Owner hereunder.

## ARTICLE 19. NONSOLICITATION

Owner recognizes that Manager has a substantial investment in its employees and therefore agrees that Owner shall not, during the term of this Agreement or, without the written consent of Manager, for a period of one (1) year after termination of this Agreement for any reason, directly or indirectly, (i) solicit, recruit or hire any existing or former employee of Manager or (ii) encourage any existing or former employee of Manager to terminate his/her relationship with Manager for any reason. An employee of Manager shall no longer be considered a former employee if his/her relationship with Manager terminated more than twelve (12) months prior to the conduct in question.

## ARTICLE 20. PATRIOT ACT COMPLIANCE

Manager and Owner hereby make the following additional representations, warranties and covenants, all of which shall survive the execution and delivery of this Agreement.

(a) Neither Manager nor Owner are now or shall be at any time during the term of the Agreement a Person with whom a U.S. Person is prohibited from transacting business of the type contemplated by this Agreement, whether such prohibition arises under U.S. law, regulation, executive orders or the Lists.

(b) Neither Manager nor Owner (i) is under investigation by any governmental authority for, or has been charged with, or convicted of, money laundering, drug trafficking, terrorist related activities, any crimes which in the U.S. would be predicate crimes to money laundering, or any violation of any Anti-Money Laundering Laws; (ii) has been assessed civil or criminal penalties under any Anti-Money Laundering Laws; or (iii) has had any of its funds seized or forfeited in any action under any Anti-Money Laundering Laws.

(f) If Manager obtains knowledge that any tenant at the Property has become listed on the Lists, is arrested (and such charges are not dismissed within thirty (30) days thereafter), convicted, pleads nolo contendere, indicted, arraigned, or custodially detained on charges involving Anti-Money Laundering Laws, Manager shall immediately notify Owner and, upon notice from Owner, proceeds from rents of such tenant shall not be deposited in the Operating Account hereunder and Manager shall provide Owner with such representations and verifications as Owner shall reasonably request that such rents are not being so used.

(g) A "U.S. Person" is a United States citizen, entity organized under the laws of the United States or its territories or entity having its principal place of business within the United States or any of its territories. "Lists" mean any lists publicly published by OFAC, (including those executive orders and lists published by OFAC with respect to Persons that have been designated by executive order or by the sanction regulations of OFAC as Persons with whom U.S. Persons may not transact business or must limit their interactions to types approved by OFAC) including the Specially Designated Nationals and Blocked Persons list. Any party to this Agreement may change the address which all such communications and notices shall be sent hereunder by addressing such notices, as provided for herein.

21.02 This Agreement will bind and inure to the benefit of the parties to this Agreement and their respective heirs, executors, administrators, legal representatives, successors and assigns, except as this Agreement states otherwise.

21.03 Time is of the essence in this Agreement.

21.04 No delay or failure to exercise a right under this Agreement, nor a partial or single exercise of a right under this Agreement, will waive that right or any other under this Agreement.

21.05 This Agreement constitutes the parties' sole agreement and supersedes any prior understandings or written or oral agreements between them relating to its subject matter. Except as otherwise herein provided, any and all amendments, additions to or deletions from this Agreement or any Exhibits shall be null and void unless approved by the parties in writing.

21.06 This Agreement and the Exhibits attached hereto (which Exhibits are incorporated herein by this reference for all purposes) supersede and take the place of any and all previous management agreements entered into between the parties hereto relating to the Properties. This Agreement may be executed concurrently in one or more counterparts, each of which will be considered an original, but all of which together constitute one instrument.

21.07 If a court of competent jurisdiction holds any one or more of the provisions of this Agreement to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision of this Agreement, which will be construed as if it had never contained such illegal, invalid or unenforceable provision.

21.08 All headings herein are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Agreement.

21.09 If there is a dispute between the parties, the parties agree that all questions as to the respective rights and obligations of the parties hereunder are subject to arbitration, which shall be governed by the rules of the American Arbitration Association (the "AAA Rules"). Any arbitration shall be strictly confidential between the parties, any arbitrator, and their respective attorneys and necessary and participating witnesses. In addition:

(a) If a dispute should arise under this Agreement, either party may within thirty (30) days make a demand for arbitration by filing a demand in writing with the other party.

(b) The parties may agree on one arbitrator, but in the event that they cannot agree, there shall be three arbitrators, one named in writing by each of the parties within fifteen (15) days after the demand for arbitration is made and a third to be chosen by the two named. Should either party refuse or neglect to join in the appointment of the arbitrators, the arbitrators shall be appointed in accordance with the provisions of the AAA Rules.

(c) All arbitration hearings, and all judicial proceedings to enforce any of the provisions of this agreement, shall take place in Bexar County, Texas. The hearing before the arbitrators on the matter to be arbitrated shall be at the time and place within Bexar County, Texas as selected by the arbitrators. Notice shall be given and the hearing conducted in accordance with the provisions of the AAA Rules. The arbitrators shall hear and determine the matter and shall execute and acknowledge their award in writing and deliver a copy to each of the parties by registered or certified mail.

(d) In reaching any determination or award, the arbitrator will apply the laws of the state in which the Property is located without giving effect to any principles of conflict of laws under the laws of that state. The arbitrator's award will be limited to actual damages and will not include consequential, punitive or exemplary damages.

(e) If there is only one arbitrator, the decision of such arbitrator shall be binding and conclusive on the parties. If there are three arbitrators, the decision of any two shall be binding and conclusive. (f) If the arbitrators selected pursuant to Section 21.09(b) above shall fail to reach an agreement within ten (10) days, they shall be discharged, and three new arbitrators shall be appointed and shall proceed in the same manner, and the process shall be repeated until a decision is finally reached by two of the three arbitrators selected.

The Approval Order shall (1) authorize the Debtors to assume the Amended and Restated Agreements under section 365 of the Bankruptcy Code, subject to the Debtors' agreement that the aggregate cure costs associated with the Amended and Restated Agreements equal $953,000 (the "**Cure Amount**"), (2) authorize the Debtors to satisfy $328,000 of such aggregate cure costs in cash within 5 business days' of the entry of the Approval Order, and (3) authorize and allow an administrative expense priority claim under section 503(b) of the Bankruptcy Code by the Asset Manager (as defined below) of the balance of such cure claim in the aggregate amount of $625,000 (the "**Manager Administrative Expense Claim**"), *provided, however*, that the Manager Administrative Expense Claim shall be satisfied upon consummation of the Kelly Hamilton Restructuring Transaction (as defined in the Kelly Hamilton Interim DIP Order), without any further approval or action by any person or entity, as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order; *provided, further, however*, that if the Kelly Hamilton Restructuring Transaction is not consummated as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order, then, the Manager Administrative Expense Claim shall be satisfied at the time of closing of a transaction other than the Kelly Hamilton Restructuring Transaction or otherwise in a manner otherwise agreed to in writing by the Debtors and the Manager.

## ARTICLE 3. DESCRIPTION OF PROPERTY

The Property subject to this Agreement is more particularly described in **Exhibit A** attached hereto and by this reference made a part of this Agreement and is known by the common name set forth in **Exhibit A**.

## ARTICLE 4. APPOINTING MANAGER AS OWNER'S AGENT

4.01 Owner appoints Manager as its sole and exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the responsibility of Manager, which is in all respects the employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s)

providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or affiliates of Manager, and Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein. All duties to be performed by Manager under this Agreement shall be for and on behalf of Owner, in Owner's name, and for Owner's account.

4.02 Manager will have the duty to keep Owner's property separate from Manager's property and to avoid receiving any unauthorized benefit from operating, managing or using Owner's property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

4.03 Manager understands that Owner has engaged LAGSP, LLC, a Delaware limited liability company ("**Asset Manager**"), pursuant to an Amended and Restated Asset Management Agreement between Owner and Asset Manager dated June 10, 2025, to act as Owner's representative with respect to the day-to-day operations of the Property. Notwithstanding the obligations of Manager to Owner as set forth herein, Manager shall report all daily, monthly, quarterly, and annual operations and accounting with respect to the Property to Asset Manager on behalf of Owner. In addition, subject to any limitations set forth herein, Manager shall take operational direction from Asset Manager, on behalf of Owner, with respect to the Property, as if the same direction had been given directly by the Owner to Manager hereunder. In the event that Asset Manager is terminated or replaced by Owner, Owner shall give notice of the same to Manager and all deliveries to be given to Asset Manager hereunder shall instead be given to Owner. Notwithstanding the terms of this provision, the written consent of the Owner (and not Asset Manager) shall be required for any adoption of or amendment to any Budget with respect to the Property.

## ARTICLE 5. PROFESSIONAL MANAGEMENT SERVICES

5.01 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles. Manager will comply with all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

5.02 Should Owner wish Manager to perform services which are not otherwise governed by the terms and provisions of this Agreement, the parties shall meet to discuss and to agree upon the scope of such additional services and the additional compensation to be paid by Owner to Manager for such additional services. Owner may elect to contract with entities in which Manager has a financial interest or other affiliation, including certain insurance services or utility services. Any relationship Owner may enter into with an entity related to Manager does not constitute an agency relationship between Owner and the related entity. Manager's related business entities are for-profit enterprises which may receive compensation, incentives, commissions and/or coordination fees from third parties in connection with the services offered.

5.03 Manager shall be authorized to enter into agreements, as agent for Owner and in Owner's name, for all utility and other services provided to the Property. Any agreement which cannot be terminated by Owner or Manager on thirty (30) days' notice without the payment of any penalty or premium or which has a total contract value of more than $5,000 must be approved by Owner.

## ARTICLE 6. ON-SITE MANAGEMENT FACILITIES

Owner shall provide rent-free space at the Property for the exclusive use of the Manager in a location sufficient for the use of Manager to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and telephone services. The Property shall provide suitable apartment units within the Property for the use of the resident manager and such assistant managers or maintenance personnel in accordance with the Budget or as otherwise approved in writing by Owner. Manager shall be entitled to provide such employees with such rental and utility concessions as Manager may deem appropriate under the circumstances, subject to the Budget.

## ARTICLE 7. MANAGER'S DUTIES RELATING TO LEASING AND TENANTS

7.01 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial leases and renewals, modifications, and terminations of existing leases. Manager will set and change rental rates and the amounts of other tenant charges relating to the Property in accordance with the budget. Manager may not execute any lease for a period exceeding twenty-four (24) months without securing Owner's prior consent. All costs of leasing shall be paid out of the operating account for the Property in accordance with the budget.

7.02 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any leases for commercial or residential space at the Property. Owner agrees to promptly forward all inquiries about leases or rental agreements to Manager. Manager is the Owner's exclusive agent in leasing the Property.

7.03 Manager may advertise the availability of rental space at the Property by using appropriate communications media. All advertising expenses will be expenses of the Property.

7.04 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

7.05 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee. Manager may require a lesser Administrative Fee if Manager determines that (1) the Administrative Fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

7.06 Manager will use its best efforts to collect, deposit and disburse cash security deposits according to each lease and the requirements of the law. Manager will deposit cash security deposits in an escrow account opened by Manager in the name of the Property (the "**Security Deposit Account**") and shall retain on deposit in such account an amount sufficient to meet anticipated refund requirements. Manager shall be an authorized signatory on the Security Deposit Account. All cash security deposits shall be returned to the resident per applicable laws and timeframes. Owner agrees that Manager will not transfer any cash security deposit to Owner unless such transfer is made in accordance with applicable legal requirements. Any interest on cash security deposits not required by law to be paid to tenants shall be paid to the Owner. In the event that the Owner maintains an alternate to cash security deposits, Manager will use best efforts to confirm any such non-cash security deposits and keep reasonable records of such non-cash deposits.

7.07 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Such receipts will be deposited in an account in the name of the Property (the "**Property**

**Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property

7.08 Manager may, in its sole discretion, institute in Owner's name all legal actions or proceedings for the enforcement of any rental term, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of rental agreements, including the collection of rent and other income. Manager may settle, compromise and release such legal actions or suits or to reinstate such tenancies without the prior consent of Owner, if such settlement, compromise, or release shall involve an amount in controversy of Two Thousand Dollars ($2,000.00), or less. Where the amount in controversy is in excess of Two Thousand Dollars ($2,000.00), Manager shall first obtain the written authorization of Owner, which may be in the form of an email, before entering into any compromise, settlement, or release of legal actions. Reasonable attorney's fees for outside counsel, filing fees, court costs, travel expense, other necessary expenditures, and administrative costs incurred by Manager's in-house legal department in connection with such action shall be paid out of the Property Operating Account or shall be reimbursed directly to Manager by Owner. All funds recovered from tenants shall be deposited into the Property Operating Account. Unless otherwise directed by Owner, Manager may select the attorney or attorneys to handle any and all such litigation or utilize its in-house legal department. However, in the event of an emergency, Manager may authorize any expenditure which, in Manager's reasonable opinion, is necessary to preserve and protect the Property, to alleviate a condition adverse to human or animal life, to take such actions as may be ordered by any federal, state or local government agency. Manager shall promptly notify Owner and Asset Manager of the nature of any such emergency and the action taken and expenses incurred in connection therewith

7.09 Manager will comply with all applicable federal, state and local laws prohibiting discrimination in leasing that are now in effect or come into effect during the term of this Agreement.

## ARTICLE 8. FINANCIAL MANAGEMENT

8.01 Upon the commencement of the Initial Term, Owner shall remit to Manager the amounts necessary to fully fund the Property Operating Account and the Security Deposit Account. Manager and its designated employees shall be the only signatories on the Property Operating Account and any other bank accounts for the Property.

8.02 If the Property is to be developed or is under construction, Owner shall fund the Property Operating Account with an amount equal to four (4) months of the projected Management Fee and operating expenses for the Property no later than four (4) months before the projected date of first occupancy. Manager will use those funds to cover Manager's expenses to set up the management facilities at the Property and other initial costs for a newly constructed Property.

8.03 Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program. Owner hereby agrees that Manager shall have no liability for any loss of funds contained in the Property's bank accounts, including but not limited to any loss due to third party fraud or due to the insolvency of the bank or financial institution in which its accounts are kept; provided, however, that Manager shall be liable to Owner in the event such loss arises from the gross negligence or willful misconduct of Manager's employees. Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program.

8.04 A cash reserve in the amount of Twenty-Five Thousand Dollars ($25,000) shall be maintained in the Property Operating Account by Owner and shall be readily available to Manager during

the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Working Capital Reserve**").

8.05 A cash reserve in the amount of (2) weeks of estimated payroll expenses, shall be maintained in the Property's payroll account by Owner and shall be readily available to Manager during the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Payroll Reserve**").

8.06 If at any time during the Term the Working Capital Reserve and/or the Payroll Reserve is diminished, Manager will request, in writing to Owner, that the necessary additional funds be deposited by Owner in an amount sufficient to maintain the reserve amounts required above. Owner will deposit the additional funds requested by Manager within ten (10) days of receiving such written request. In the event Owner does not adequately replenish such reserve funds within said period, Manager may elect to terminate this Agreement in accordance with Article 18 of this Agreement. Exercise of such termination right shall be Manager's sole remedy for any breach by Owner of this Article 8.

8.07 Within sixty (60) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget to Manager. Manager shall have thirty (30) days to review and provide comments to the submitted budget ("**Review Period**"). If Manager does not provide comments to the Budget during the Review Period, Manager shall be deemed to have accepted the budget and shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Owner's proposed budget. Thereafter annually Owner and Manager shall establish mutually agreeable annual budgets no later than thirty (30) days before commencement of the year to be covered by such budget (the "**Budget Due Date**"). The initial approved budget as agreed to in writing between Owner and Manager. If the parties are unable to agree on subsequent budgets or Owner fails to provide approval or instructions on such subsequent budgets, the budget then in effect shall govern but each line item shall be increased by 5%. Owner acknowledges that the Budget is intended only to be a reasonable estimate of the Property's income and expenses for the applicable calendar year, and Manager shall not be deemed to have made any guarantee, warranty or representation whatsoever in connection with the Budget. Owner will not unreasonably withhold approval of necessary expenditures in excess of budgeted amounts. Owner shall be deemed to have granted its consent or to have given its approval for any expenditure requiring Owner's consent or approval under this Agreement which is provided for in an approved Budget up to the amount therein provided for.

8.08 When the following items are payable, Manager will make the disbursements promptly from the funds deposited to the Property Operating Account subject to necessary funds being made available by Owner. From the Property Operating Account, Manager is authorized to pay or to reimburse Manager for all expenses and costs of operating the Property and for all other sums due Manager under this Agreement, including Manager's compensation which is described and set forth in Article 14 hereof. Owner has sole responsibility for the timely payment of all authorized expenses of the Property. Owner shall provide sufficient funds to ensure that the Property Operating Account shall at all times contain funds sufficient to meet the operating requirements of the Property. Expenses will be paid in the following order should collected funds be insufficient to satisfy the current debts and obligations of the Property:

(a) Any payments in connection with any mortgages for the Property, including but not limited to amounts due for principal amortization, interest, mortgage insurance premiums, ground rents, taxes and assessments, and fire- and other hazard-insurance premiums if not previously paid;

(b) Compensation payable to Manager as provided in this Agreement;

(c) All sums otherwise due and payable by Owner as expenses of the Property that Manager authorizes to be incurred under this Agreement; and then

(d) Net proceeds due to Owner.

8.09 Manager will disclose all rebates, discounts, or commissions collected by Manager, or credited to Manager's use, for obtaining goods or services for the Property, and Manager will credit the rebates, discounts, or commissions to the Property Operating Account. Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, AC Captive Services LLC, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, and Leasing Desk Insurance Services. Manager also discloses that it has an ownership interest in a utility billing company called Resynergy and an asset management/construction manager, Lynd Acquisitions Group LLC and intends to utilize those services in connection with the Property. Lastly, Manager also discloses that it may receive revenue sharing from its preferred vendors and, additionally, may receive contributions from its preferred vendors for its leadership, training, and other events.

8.10 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

8.11 Manager will keep Owner informed of any actual or projected deviation from the receipts or disbursements stated in the approved budget. Except for the disbursements authorized in this Agreement or by the approved budget, funds will be disbursed from the accounts described herein only as Owner may direct from time to time.

8.12 If the balance in the Property Operating Account is insufficient to pay projected disbursements due and payable within a 30-day period, Manager will promptly notify Owner of that fact. The notice will describe in detail funds available and projected income and expenses. Promptly after receiving this notice, but no later than ten (10) days, Owner will remit to Manager sufficient funds to cover the deficiency provided such deficiency arises from expenditures provided for in the approved budget. Manager is not required to use its own funds to cover any such deficiency.

8.13 Except as otherwise specifically provided, all costs and expenses incurred by Manager in fulfilling its duties to Owner, including, but not limited to the charges and fees for work performed at the Property (whether contracted for by Owner or by Manager) shall be for the account of and on behalf of Owner. Such costs and expenses shall include reasonable wages and salaries and other employee-related expenses of all on-site and off- site employees of Manager who are engaged in the operation, management, maintenance and leasing or access control of the Property, including, without limitation, taxes, insurance and benefits relating to such employees and legal, travel and other out-of-pocket expenses which are directly related to the management of the Property. All costs and expenses for which Owner is responsible under this Agreement shall be paid by Manager out of the Property Operating Account. In the event said account does not contain sufficient funds to pay all said expenses, Owner shall promptly fund all sums necessary to meet such additional costs and expenses. Manager shall have no responsibility to use its own funds to cover or pay for any such costs or expenses.

8.14 All purchases, expenses and other obligations incurred in connection with the operation of the Property shall be the sole cost and expense of Owner. All such purchases shall be made by Manager solely

on behalf of Owner as its agent and not as a principal. Manager shall be under no duty to utilize or apply Manager's own funds for the payment of any such debt or obligation. In the event that there are insufficient funds in the Property Operating Account, Manager may advance its own funds for such purpose, in which event Owner shall promptly repay to Manager all such sums expended, together with interest at eight percent (8%) per annum calculated from the date of Manager's advancement of funds to the date of repayment from Owner.

8.15 Manager may lease apartments located at the Property for use by on-site personnel at a twenty percent (20%) discount of the then-current fair market rental value upon Owner's prior written approval, which approval shall not be unreasonably withheld.

## ARTICLE 9. OPERATING AND MAINTAINING THE PROPERTY

9.01 Manager is authorized to cause the Property to be maintained and repaired according to this Agreement. Maintenance and repair includes, but is not limited to, cleaning, painting, decorating, plumbing, carpentry, masonry, electrical maintenance, grounds care, and any other maintenance and repair work that may be necessary. On behalf of Owner and as its agent, Manager is authorized to buy all materials, equipment, tools, appliances, supplies, and services necessary, in Manager's reasonable judgment, for properly maintaining and repairing the Property, all of which are expenses of the Property.

9.02 Manager, as agent of Owner, will perform the following specific duties:

(a) Give attention to preventive maintenance at the Property. The services of Premise's regular maintenance employees will be used to the extent feasible in Manager's reasonable judgment.

(b) Contract with qualified independent contractors for maintaining and repairing air-conditioning and heating systems, and for extraordinary repairs beyond the capability of regular maintenance employees.

(c) Contract for water, gas, electricity, extermination, laundry facilities, cable television, telephone service, and other goods and services necessary in operating and maintaining of the Property to the extent not previously contracted for. Manager may institute or contract to an affiliate for a "RUBS" or similar system to recover as much of the utility costs as can be passed on to tenants, consistent with local law and the local market.

(d) Receive and investigate all service requests from tenants, taking such action thereon as may be reasonably justified, and keeping records of the requests and services provided. Manager will make arrangements to receive and respond to emergency requests on a 24-hours-a-day, seven days-a-week basis. After investigation, Manager will report serious maintenance problems to Owner.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with known applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any federal, state or local authorities. Manager will comply with all applicable governmental requirements. With Owner's prior written consent, Manager may appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not an expert or consultant regarding the Property's compliance with government requirements; accordingly, Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. Owner will indemnify and defend Manager from any liability

incurred by Manager for complying with an instruction from Owner that is contrary to a governmental requirement.

(f) To the extent the applicable lender requirements have been disclosed to Manager in writing, Manager shall comply with the operation and maintenance plans for (i) asbestos, and (ii) mold and moisture.

9.03 Regardless of the other provisions of this Agreement, Manager may not authorize any expenditure in any instance for labor, materials, or otherwise in connection with maintaining and repairing the Property in excess of Two Thousand Dollars ($2,000.00) without Owner's prior approval. This limitation does not apply to (1) recurring expenses within the limits of the approved budget, (2) emergency repairs involving manifest danger to persons or property, or (3) expenses necessary to avoid imminent suspension of any necessary service to the Property. If Manager makes an expenditure exceeding the limit in compliance with this paragraph, Manager will inform Owner of the facts as promptly as reasonably possible.

9.04 Manager may not authorize any structural changes or major alterations to the Property without Owner's prior written consent.

9.05 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on Owner's behalf, which Manager shall supervise as a vendor; however, Manager will not be responsible for the acts or omissions of the work of said security service provider.

9.06 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

9.07 Manager is not responsible for providing security services to the Property. Subject to Owner's approval, Manager will, in Owner's name and at Owner's expense, contract with a third party to provide security services to the Property. In no event shall Manager have any liability to Owner or any other party for criminal acts of any kind committed by tenants or third parties on or with respect to the Property.

## ARTICLE 10. RECORDKEEPING AND REPORTING

10.01 Manager will maintain accurate, complete, and separate books and records according to standards and procedures sufficient to respond to Owner's reasonable financial information requirements. The records will show income and expenditures relating to operation of the Property and will be maintained so that individual items and aggregate amounts of accounts payable and accounts receivable, available cash, and other assets and liabilities relating to the Property may be readily determined at any time.

10.02 Manager will make available to the Owner, upon request, copies of each check written on the Property Operating Account and will furnish Owner with the monthly report herein described, as required by Owner at Owner's expense.

10.03 Manager will furnish to Owner a Monthly Report of all receipts, disbursements, occupancies and vacancies on or before the 15th day of each month covering the previous month's activity (the "**Monthly Report Date**"). Reports will be prepared and transmitted to the Owner in electronic PDF format, unless otherwise specified by Owner.

10.04 To the extent the applicable lender requirements have been disclosed to Manager in writing, prepare and timely deliver reports required to be delivered to any lender holding a mortgage loan or

mezzanine loan with respect to the Property pursuant to the terms of the loan documents evidencing and securing such loan.

10.05 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person which regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

10.06 If required, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property or Owner.

10.07 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may inspect the books and records kept by Manager relating to the Property, which records will be maintained at Manager's corporate headquarters, including but not limited to all checks, bills, invoices, statements, vouchers, cash receipts, correspondence and all other records dealing with the management of the Property. The cost of any such inspection shall be an expense of the Property. Owner acknowledges and agrees that much if not all of such books and records may be in Manager's electronic files.

10.08 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may have an audit made of all account books and records relating to management of the Property. The cost of any audit is an expense of the Property.

10.09 In the event Owner requests analysis or reporting in addition to Manager's reporting obligations under this Agreement, Manager may, in its sole discretion, perform the additional analysis or reporting, and, in each case, Owner shall pay to Manager (i) a minimum fee of Two Hundred Fifty and No/100 Dollars ($250.00) and (ii) a fee of One Hundred Twenty-Five and No/100 Dollars ($125.00) for each subsequent hour Manager works to create the analysis or report. The cost of any analysis or reporting under this Section 10.09 is an expense of the Owner.

## ARTICLE 11. INSURANCE

11.01 It is the intention of the parties hereto to secure the broadest and most cost-effective insurance available to insure, defend and protect Owner and Manager in the operation, improvement and enhancement of the Property, including any project or construction management services performed relating to the Property. This has customarily been accomplished by insuring both parties under the same policy and/or policies of insurance. Thus, subject to any higher or stricter requirements of Owner's lender, Owner shall maintain, at its expense, during the Term of this Agreement:

(a) Commercial Property Insurance "All-risk" direct damage property insurance on replacement cost terms for the full value of the structure and improvements, including builder's risk insurance and demolition, debris removal, loss adjustment expense, and increased cost coverage where applicable, to cover physical loss or damage to the Property from all perils, including but not limited to fire, flood, windstorm, earthquake, equipment breakdown, vandalism and malicious mischief;

(b) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and

including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The policy will include contractual liability with defense provided in addition to policy limits for indemnities of the named insured. Owner shall ensure that such commercial general liability insurance extends coverage for occurrences and offenses arising out of the Manager's own conduct and does not limit coverage to occurrences or offenses arising out of the Owner's conduct. This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("SIR") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required.

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000. Coverage shall be excess of CGL (including products and completed operations coverage).

(d) During the Term of this Agreement, subject to commercially reasonable availability, all policies providing the coverages set forth in this Article11, shall waive all the insurer's and insureds' individual and/or mutual rights of subrogation against Manager and its affiliates and their respective employees, insurers, shareholders and authorized agents, and shall include Manager and its employees (within the scope and course of their employment) as additional insureds by definition or endorsement.

(e) Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

(f) Owner shall make no material change to any policy without ten (10) days prior written notice to Manager. All policies shall be placed with insurers authorized to do business in the state where the Property is located, having a rating of AVIII or better as reported by Best's Property & Casualty Reports Key Rating Guide for the most current reporting period.

(g) Owner hereby agrees to indemnify and hold Manager harmless from Owner's failure to obtain and maintain the insurance required under this Agreement.

(h) Manager recommends to Owner that resident liability insurance be required of each tenant at the Property, at the tenant's cost, unless such a requirement is in violation of any Applicable Law or regulation. Notwithstanding anything to the contrary contained in this Agreement, Manager shall not be responsible for tracking information related to renter's insurance or similar policies of insurance which may be carried by tenants of the Property. Manager shall not be responsible for, and Owner hereby waives any and all claims against Manager with respect to damages or expenses incurred by Owner as a result of failure of any tenant of the Property to carry such policy(s) of insurance.

11.02 Manager will obtain and cause to remain in effect during the term of this Agreement (a) Workers Compensation Insurance, as required by the law of the State where the Property is located, covering all of Manager's employees, (b) Employers' Liability Insurance with limits of not less than $500,000 for bodily injury by accident and $500,000 for bodily injury by disease, (c) Commercial Crime and/or Employee Dishonesty Insurance in the amount of $1,000,000 against misapplication of Property

funds by Manager and its employees and by all other employees who participate directly or indirectly in the management and maintenance of the Property, (d) Professional Liability Insurance, covering errors and omissions of Manager's employees, with limits of not less than $1,000,000, and (e) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The premiums for all such coverage shall be an expense of the Property.

Owner authorizes Manager to disclose the ownership of the Property to any such officials and agrees to indemnify and hold Manager, it representatives, servants, and employees harmless of and from all loss, cost, expense and liability whatsoever which may be imposed by reason of any present or future violation or alleged violation of such laws, ordinances, statutes or regulations; provided, indemnity shall not be applicable if Manager has actual knowledge of any such violation or alleged violation but fails to give notice to Owner, as provided under the terms and provision of this Agreement.

It is thus understood that if bodily injury, property damage or personal injury liability claims are brought or made against Manager or Owner, or both, based upon the alleged actions of Manager in performing its services hereunder, which are covered by Owner's commercial general liability insurance, such coverage for Manager shall not be impaired, reduced or barred by the above indemnity provisions. F. The Kelly Hamilton DIP Facility requires that the Debtors seek to assume this Agreement and the agreements identified on **Exhibit C** attached hereto (collectively, the "**Amended and Restated Agreements**") pursuant to section 365(a) of the title 11 of the United States Code (the "**Bankruptcy Code**").

NOW, THEREFORE, in consideration of the premises, mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and Manager agree as follows:

---

[1] The Owner and certain of its affiliates are debtors and debtors in possession (collectively, the "**Debtors**") in the jointly administered chapter 11 cases entitled *In re CBRM Realty Inc.*, Case No. 25-15343 (MBK), which are pending in the United States Bankruptcy Court for the District of New Jersey (the "**Bankruptcy Court**").

## ARTICLE 1. CONSIDERATION

This Agreement is made in consideration of the foregoing and the covenants contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

## ARTICLE 2. TERM AND CONDITION FOR EFFECTIVENESS

2.01. The Agreement shall continue for a period of one year (the "**Initial Term**"), unless terminated as provided in Article 18. This Agreement shall automatically extend for additional one-year terms unless either Owner or Manager deliver a written notice to the other not later than sixty (60) days prior to the expiration of the then current term. The terms of this Agreement shall otherwise remain the same unless amended pursuant to Section 20.6 of this Agreement.

2.02. This Agreement shall be effective upon (i) the Bankruptcy Court's entry of an order (the "**Approval Order**") and (ii) the Debtors' payment, within five (5) business days of entry of the Approval Order, of the Cure Amount (as defined herein). The Approval Order shall (1) authorize the Debtors to assume the Amended and Restated Agreements under section 365 of the Bankruptcy Code, subject to the Debtors' agreement that the aggregate cure costs associated with the Amended and Restated Agreements equal $953,000 (the "**Cure Amount**"), (2) authorize the Debtors to satisfy $328,000 of such aggregate cure costs in cash within 5 business days' of the entry of the Approval Order, and (3) authorize and allow an administrative expense priority claim under section 503(b) of the Bankruptcy Code by the Asset Manager (as defined below) of the balance of such cure claim in the aggregate amount of $625,000 (the "**Manager Administrative Expense Claim**"), *provided, however*, that the Manager Administrative Expense Claim shall be satisfied upon consummation of the Kelly Hamilton Restructuring Transaction (as defined in the Kelly Hamilton Interim DIP Order), without any further approval or action by any person or entity, as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order; *provided, further, however*, that if the Kelly Hamilton Restructuring Transaction is not consummated as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order, then, the Manager Administrative Expense Claim shall be satisfied at the time of closing of a transaction other than the Kelly Hamilton Restructuring Transaction or otherwise in a manner otherwise agreed to in writing by the Debtors and the Manager.

## ARTICLE 3. DESCRIPTION OF PROPERTY

The Property subject to this Agreement is more particularly described in **Exhibit A** attached hereto and by this reference made a part of this Agreement and is known by the common name set forth in **Exhibit A**.

## ARTICLE 4. APPOINTING MANAGER AS OWNER'S AGENT

4.01 Owner appoints Manager as its sole and exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the responsibility of Manager, which is in all respects the employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner,

collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s) providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or affiliates of Manager, and Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein. All duties to be performed by Manager under this Agreement shall be for and on behalf of Owner, in Owner's name, and for Owner's account.

4.02 Manager will have the duty to keep Owner's property separate from Manager's property and to avoid receiving any unauthorized benefit from operating, managing or using Owner's property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

4.03 Manager understands that Owner has engaged LAGSP, LLC, a Delaware limited liability company ("**Asset Manager**"), pursuant to an Amended and Restated Asset Management Agreement between Owner and Asset Manager dated June 10, 2025, to act as Owner's representative with respect to the day-to-day operations of the Property. Notwithstanding the obligations of Manager to Owner as set forth herein, Manager shall report all daily, monthly, quarterly, and annual operations and accounting with respect to the Property to Asset Manager on behalf of Owner. In addition, subject to any limitations set forth herein, Manager shall take operational direction from Asset Manager, on behalf of Owner, with respect to the Property, as if the same direction had been given directly by the Owner to Manager hereunder. In the event that Asset Manager is terminated or replaced by Owner, Owner shall give notice of the same to Manager and all deliveries to be given to Asset Manager hereunder shall instead be given to Owner. Notwithstanding the terms of this provision, the written consent of the Owner (and not Asset Manager) shall be required for any adoption of or amendment to any Budget with respect to the Property.

## ARTICLE 5. PROFESSIONAL MANAGEMENT SERVICES

5.01 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles. Manager will comply with all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

5.02 Should Owner wish Manager to perform services which are not otherwise governed by the terms and provisions of this Agreement, the parties shall meet to discuss and to agree upon the scope of such additional services and the additional compensation to be paid by Owner to Manager for such additional services. Owner may elect to contract with entities in which Manager has a financial interest or other affiliation, including certain insurance services or utility services. Any relationship Owner may enter into with an entity related to Manager does not constitute an agency relationship between Owner and the related entity. Manager's related business entities are for-profit enterprises which may receive compensation, incentives, commissions and/or coordination fees from third parties in connection with the services offered.

5.03 Manager shall be authorized to enter into agreements, as agent for Owner and in Owner's name, for all utility and other services provided to the Property. Any agreement which cannot be terminated by Owner or Manager on thirty (30) days' notice without the payment of any penalty or premium or which has a total contract value of more than $5,000 must be approved by Owner.

## ARTICLE 6. ON-SITE MANAGEMENT FACILITIES

Owner shall provide rent-free space at the Property for the exclusive use of the Manager in a location sufficient for the use of Manager to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and telephone services. The Property shall provide suitable apartment units within the Property for the use of the resident manager and such assistant managers or maintenance personnel in accordance with the Budget or as otherwise approved in writing by Owner. Manager shall be entitled to provide such employees with such rental and utility concessions as Manager may deem appropriate under the circumstances, subject to the Budget.

## ARTICLE 7. MANAGER'S DUTIES RELATING TO LEASING AND TENANTS

7.01 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial leases and renewals, modifications, and terminations of existing leases. Manager will set and change rental rates and the amounts of other tenant charges relating to the Property in accordance with the budget. Manager may not execute any lease for a period exceeding twenty-four (24) months without securing Owner's prior consent. All costs of leasing shall be paid out of the operating account for the Property in accordance with the budget.

7.02 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any leases for commercial or residential space at the Property. Owner agrees to promptly forward all inquiries about leases or rental agreements to Manager. Manager is the Owner's exclusive agent in leasing the Property.

7.03 Manager may advertise the availability of rental space at the Property by using appropriate communications media. All advertising expenses will be expenses of the Property.

7.04 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

7.05 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee. Manager may require a lesser Administrative Fee if Manager determines that (1) the Administrative Fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

7.06 Manager will use its best efforts to collect, deposit and disburse cash security deposits according to each lease and the requirements of the law. Manager will deposit cash security deposits in an escrow account opened by Manager in the name of the Property (the "**Security Deposit Account**") and shall retain on deposit in such account an amount sufficient to meet anticipated refund requirements. Manager shall be an authorized signatory on the Security Deposit Account. All cash security deposits shall be returned to the resident per applicable laws and timeframes. Owner agrees that Manager will not transfer any cash security deposit to Owner unless such transfer is made in accordance with applicable legal requirements. Any interest on cash security deposits not required by law to be paid to tenants shall be paid to the Owner. In the event that the Owner maintains an alternate to cash security deposits, Manager will use best efforts to confirm any such non-cash security deposits and keep reasonable records of such non-cash deposits.

7.07 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Such receipts will be deposited in an account in the name of the Property (the "**Property Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property

7.08 Manager may, in its sole discretion, institute in Owner's name all legal actions or proceedings for the enforcement of any rental term, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of rental agreements, including the collection of rent and other income. Manager may settle, compromise and release such legal actions or suits or to reinstate such tenancies without the prior consent of Owner, if such settlement, compromise, or release shall involve an amount in controversy of Two Thousand Dollars ($2,000.00), or less. Where the amount in controversy is in excess of Two Thousand Dollars ($2,000.00), Manager shall first obtain the written authorization of Owner, which may be in the form of an email, before entering into any compromise, settlement, or release of legal actions. Reasonable attorney's fees for outside counsel, filing fees, court costs, travel expense, other necessary expenditures, and administrative costs incurred by Manager's in-house legal department in connection with such action shall be paid out of the Property Operating Account or shall be reimbursed directly to Manager by Owner. All funds recovered from tenants shall be deposited into the Property Operating Account. Unless otherwise directed by Owner, Manager may select the attorney or attorneys to handle any and all such litigation or utilize its in-house legal department. However, in the event of an emergency, Manager may authorize any expenditure which, in Manager's reasonable opinion, is necessary to preserve and protect the Property, to alleviate a condition adverse to human or animal life, to take such actions as may be ordered by any federal, state or local government agency. Manager shall promptly notify Owner and Asset Manager of the nature of any such emergency and the action taken and expenses incurred in connection therewith

7.09 Manager will comply with all applicable federal, state and local laws prohibiting discrimination in leasing that are now in effect or come into effect during the term of this Agreement.

## ARTICLE 8. FINANCIAL MANAGEMENT

8.01 Upon the commencement of the Initial Term, Owner shall remit to Manager the amounts necessary to fully fund the Property Operating Account and the Security Deposit Account. Manager and its designated employees shall be the only signatories on the Property Operating Account and any other bank accounts for the Property.

8.02 If the Property is to be developed or is under construction, Owner shall fund the Property Operating Account with an amount equal to four (4) months of the projected Management Fee and operating expenses for the Property no later than four (4) months before the projected date of first occupancy. Manager will use those funds to cover Manager's expenses to set up the management facilities at the Property and other initial costs for a newly constructed Property.

8.03 Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program. Owner hereby agrees that Manager shall have no liability for any loss of funds contained in the Property's bank accounts, including but not limited to any loss due to third party fraud or due to the insolvency of the bank or financial institution in which its accounts are kept; provided, however, that Manager shall be liable to Owner in the event such loss arises from the gross negligence or willful misconduct of Manager's employees. Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program.

8.04 A cash reserve in the amount of Twenty-Five Thousand Dollars ($25,000) shall be maintained in the Property Operating Account by Owner and shall be readily available to Manager during the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Working Capital Reserve**").

8.05 A cash reserve in the amount of (2) weeks of estimated payroll expenses, shall be maintained in the Property's payroll account by Owner and shall be readily available to Manager during the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Payroll Reserve**").

8.06 If at any time during the Term the Working Capital Reserve and/or the Payroll Reserve is diminished, Manager will request, in writing to Owner, that the necessary additional funds be deposited by Owner in an amount sufficient to maintain the reserve amounts required above. Owner will deposit the additional funds requested by Manager within ten (10) days of receiving such written request. In the event Owner does not adequately replenish such reserve funds within said period, Manager may elect to terminate this Agreement in accordance with Article 18 of this Agreement. Exercise of such termination right shall be Manager's sole remedy for any breach by Owner of this Article 8.

8.07 Within sixty (60) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget to Manager. Manager shall have thirty (30) days to review and provide comments to the submitted budget ("**Review Period**"). If Manager does not provide comments to the Budget during the Review Period, Manager shall be deemed to have accepted the budget and shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Owner's proposed budget. Thereafter annually Owner and Manager shall establish mutually agreeable annual budgets no later than thirty (30) days before commencement of the year to be covered by such budget (the "**Budget Due Date**"). The initial approved budget as agreed to in writing between Owner and Manager. If the parties are unable to agree on subsequent budgets or Owner fails to provide approval or instructions on such subsequent budgets, the budget then in effect shall govern but each line item shall be increased by 5%. Owner acknowledges that the Budget is intended only to be a reasonable estimate of the Property's income and expenses for the applicable calendar year, and Manager shall not be deemed to have made any guarantee, warranty or representation whatsoever in connection with the Budget. Owner will not unreasonably withhold approval of necessary expenditures in excess of budgeted amounts. Owner shall be deemed to have granted its consent or to have given its approval for any expenditure requiring Owner's consent or approval under this Agreement which is provided for in an approved Budget up to the amount therein provided for.

8.08 When the following items are payable, Manager will make the disbursements promptly from the funds deposited to the Property Operating Account subject to necessary funds being made available by Owner. From the Property Operating Account, Manager is authorized to pay or to reimburse Manager for all expenses and costs of operating the Property and for all other sums due Manager under this Agreement, including Manager's compensation which is described and set forth in Article 14 hereof. Owner has sole responsibility for the timely payment of all authorized expenses of the Property. Owner shall provide sufficient funds to ensure that the Property Operating Account shall at all times contain funds sufficient to meet the operating requirements of the Property. Expenses will be paid in the following order should collected funds be insufficient to satisfy the current debts and obligations of the Property:

(a) Any payments in connection with any mortgages for the Property, including but not limited to amounts due for principal amortization, interest, mortgage insurance premiums, ground rents, taxes and assessments, and fire- and other hazard-insurance premiums if not previously paid;

(b) Compensation payable to Manager as provided in this Agreement;

(c) All sums otherwise due and payable by Owner as expenses of the Property that Manager authorizes to be incurred under this Agreement; and then

(d) Net proceeds due to Owner.

8.09 Manager will disclose all rebates, discounts, or commissions collected by Manager, or credited to Manager's use, for obtaining goods or services for the Property, and Manager will credit the rebates, discounts, or commissions to the Property Operating Account. Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, AC Captive Services LLC, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, and Leasing Desk Insurance Services. Manager also discloses that it has an ownership interest in a utility billing company called Resynergy and an asset management/construction manager, Lynd Acquisitions Group LLC and intends to utilize those services in connection with the Property. Lastly, Manager also discloses that it may receive revenue sharing from its preferred vendors and, additionally, may receive contributions from its preferred vendors for its leadership, training, and other events.

8.10 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

8.11 Manager will keep Owner informed of any actual or projected deviation from the receipts or disbursements stated in the approved budget. Except for the disbursements authorized in this Agreement or by the approved budget, funds will be disbursed from the accounts described herein only as Owner may direct from time to time.

8.12 If the balance in the Property Operating Account is insufficient to pay projected disbursements due and payable within a 30-day period, Manager will promptly notify Owner of that fact. The notice will describe in detail funds available and projected income and expenses. Promptly after receiving this notice, but no later than ten (10) days, Owner will remit to Manager sufficient funds to cover the deficiency provided such deficiency arises from expenditures provided for in the approved budget. Manager is not required to use its own funds to cover any such deficiency.

8.13 Except as otherwise specifically provided, all costs and expenses incurred by Manager in fulfilling its duties to Owner, including, but not limited to the charges and fees for work performed at the Property (whether contracted for by Owner or by Manager) shall be for the account of and on behalf of Owner. Such costs and expenses shall include reasonable wages and salaries and other employee-related expenses of all on-site and off- site employees of Manager who are engaged in the operation, management, maintenance and leasing or access control of the Property, including, without limitation, taxes, insurance and benefits relating to such employees and legal, travel and other out-of-pocket expenses which are directly related to the management of the Property. All costs and expenses for which Owner is responsible under this Agreement shall be paid by Manager out of the Property Operating Account. In the event said account does not contain sufficient funds to pay all said expenses, Owner shall promptly fund all sums necessary to meet such additional costs and expenses. Manager shall have no responsibility to use its own funds to cover or pay for any such costs or expenses.

8.14 All purchases, expenses and other obligations incurred in connection with the operation of the Property shall be the sole cost and expense of Owner. All such purchases shall be made by Manager solely on behalf of Owner as its agent and not as a principal. Manager shall be under no duty to utilize or apply Manager's own funds for the payment of any such debt or obligation. In the event that there are insufficient funds in the Property Operating Account, Manager may advance its own funds for such purpose, in which event Owner shall promptly repay to Manager all such sums expended, together with interest at eight percent (8%) per annum calculated from the date of Manager's advancement of funds to the date of repayment from Owner.

8.15 Manager may lease apartments located at the Property for use by on-site personnel at a twenty percent (20%) discount of the then-current fair market rental value upon Owner's prior written approval, which approval shall not be unreasonably withheld.

## ARTICLE 9. OPERATING AND MAINTAINING THE PROPERTY

9.01 Manager is authorized to cause the Property to be maintained and repaired according to this Agreement. Maintenance and repair includes, but is not limited to, cleaning, painting, decorating, plumbing, carpentry, masonry, electrical maintenance, grounds care, and any other maintenance and repair work that may be necessary. On behalf of Owner and as its agent, Manager is authorized to buy all materials, equipment, tools, appliances, supplies, and services necessary, in Manager's reasonable judgment, for properly maintaining and repairing the Property, all of which are expenses of the Property.

9.02 Manager, as agent of Owner, will perform the following specific duties:

(a) Give attention to preventive maintenance at the Property. The services of Premise's regular maintenance employees will be used to the extent feasible in Manager's reasonable judgment.

(b) Contract with qualified independent contractors for maintaining and repairing air-conditioning and heating systems, and for extraordinary repairs beyond the capability of regular maintenance employees.

(c) Contract for water, gas, electricity, extermination, laundry facilities, cable television, telephone service, and other goods and services necessary in operating and maintaining of the Property to the extent not previously contracted for. Manager may institute or contract to an affiliate for a "RUBS" or similar system to recover as much of the utility costs as can be passed on to tenants, consistent with local law and the local market.

(d) Receive and investigate all service requests from tenants, taking such action thereon as may be reasonably justified, and keeping records of the requests and services provided. Manager will make arrangements to receive and respond to emergency requests on a 24-hours-a-day, seven days-a-week basis. After investigation, Manager will report serious maintenance problems to Owner.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with known applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any federal, state or local authorities. Manager will comply with all applicable governmental requirements. With Owner's prior written consent, Manager may appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not an expert or consultant regarding the Property's compliance with government requirements; accordingly,

Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. Owner will indemnify and defend Manager from any liability incurred by Manager for complying with an instruction from Owner that is contrary to a governmental requirement.

(f) To the extent the applicable lender requirements have been disclosed to Manager in writing, Manager shall comply with the operation and maintenance plans for (i) asbestos, and (ii) mold and moisture.

9.03 Regardless of the other provisions of this Agreement, Manager may not authorize any expenditure in any instance for labor, materials, or otherwise in connection with maintaining and repairing the Property in excess of Two Thousand Dollars ($2,000.00) without Owner's prior approval. This limitation does not apply to (1) recurring expenses within the limits of the approved budget, (2) emergency repairs involving manifest danger to persons or property, or (3) expenses necessary to avoid imminent suspension of any necessary service to the Property. If Manager makes an expenditure exceeding the limit in compliance with this paragraph, Manager will inform Owner of the facts as promptly as reasonably possible.

9.04 Manager may not authorize any structural changes or major alterations to the Property without Owner's prior written consent.

9.05 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on Owner's behalf, which Manager shall supervise as a vendor; however, Manager will not be responsible for the acts or omissions of the work of said security service provider.

9.06 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

9.07 Manager is not responsible for providing security services to the Property. Subject to Owner's approval, Manager will, in Owner's name and at Owner's expense, contract with a third party to provide security services to the Property. In no event shall Manager have any liability to Owner or any other party for criminal acts of any kind committed by tenants or third parties on or with respect to the Property.

## ARTICLE 10. RECORDKEEPING AND REPORTING

10.01 Manager will maintain accurate, complete, and separate books and records according to standards and procedures sufficient to respond to Owner's reasonable financial information requirements. The records will show income and expenditures relating to operation of the Property and will be maintained so that individual items and aggregate amounts of accounts payable and accounts receivable, available cash, and other assets and liabilities relating to the Property may be readily determined at any time.

10.02 Manager will make available to the Owner, upon request, copies of each check written on the Property Operating Account and will furnish Owner with the monthly report herein described, as required by Owner at Owner's expense.

10.03 Manager will furnish to Owner a Monthly Report of all receipts, disbursements, occupancies and vacancies on or before the 15th day of each month covering the previous month's activity (the "**Monthly Report Date**"). Reports will be prepared and transmitted to the Owner in electronic PDF format, unless otherwise specified by Owner.

10.04 To the extent the applicable lender requirements have been disclosed to Manager in writing, prepare and timely deliver reports required to be delivered to any lender holding a mortgage loan or mezzanine loan with respect to the Property pursuant to the terms of the loan documents evidencing and securing such loan.

10.05 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person which regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

10.06 If required, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property or Owner.

10.07 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may inspect the books and records kept by Manager relating to the Property, which records will be maintained at Manager's corporate headquarters, including but not limited to all checks, bills, invoices, statements, vouchers, cash receipts, correspondence and all other records dealing with the management of the Property. The cost of any such inspection shall be an expense of the Property. Owner acknowledges and agrees that much if not all of such books and records may be in Manager's electronic files.

10.08 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may have an audit made of all account books and records relating to management of the Property. The cost of any audit is an expense of the Property.

10.09 In the event Owner requests analysis or reporting in addition to Manager's reporting obligations under this Agreement, Manager may, in its sole discretion, perform the additional analysis or reporting, and, in each case, Owner shall pay to Manager (i) a minimum fee of Two Hundred Fifty and No/100 Dollars ($250.00) and (ii) a fee of One Hundred Twenty-Five and No/100 Dollars ($125.00) for each subsequent hour Manager works to create the analysis or report. The cost of any analysis or reporting under this Section 10.09 is an expense of the Owner.

## ARTICLE 11. INSURANCE

11.01 It is the intention of the parties hereto to secure the broadest and most cost-effective insurance available to insure, defend and protect Owner and Manager in the operation, improvement and enhancement of the Property, including any project or construction management services performed relating to the Property. This has customarily been accomplished by insuring both parties under the same policy and/or policies of insurance. Thus, subject to any higher or stricter requirements of Owner's lender, Owner shall maintain, at its expense, during the Term of this Agreement:

(a) Commercial Property Insurance "All-risk" direct damage property insurance on replacement cost terms for the full value of the structure and improvements, including builder's risk insurance and demolition, debris removal, loss adjustment expense, and increased cost coverage where applicable, to cover physical loss or damage to the Property from all perils, including but not limited to fire, flood, windstorm, earthquake, equipment breakdown, vandalism and malicious mischief;

(b) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The policy will include contractual liability with defense provided in addition to policy limits for indemnities of the named insured. Owner shall ensure that such commercial general liability insurance extends coverage for occurrences and offenses arising out of the Manager's own conduct and does not limit coverage to occurrences or offenses arising out of the Owner's conduct. This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("SIR") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required.

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000. Coverage shall be excess of CGL (including products and completed operations coverage).

(d) During the Term of this Agreement, subject to commercially reasonable availability, all policies providing the coverages set forth in this Article11, shall waive all the insurer's and insureds' individual and/or mutual rights of subrogation against Manager and its affiliates and their respective employees, insurers, shareholders and authorized agents, and shall include Manager and its employees (within the scope and course of their employment) as additional insureds by definition or endorsement.

(e) Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

(f) Owner shall make no material change to any policy without ten (10) days prior written notice to Manager. All policies shall be placed with insurers authorized to do business in the state where the Property is located, having a rating of AVIII or better as reported by Best's Property & Casualty Reports Key Rating Guide for the most current reporting period.

(g) Owner hereby agrees to indemnify and hold Manager harmless from Owner's failure to obtain and maintain the insurance required under this Agreement.

(h) Manager recommends to Owner that resident liability insurance be required of each tenant at the Property, at the tenant's cost, unless such a requirement is in violation of any Applicable Law or regulation. Notwithstanding anything to the contrary contained in this Agreement, Manager shall not be responsible for tracking information related to renter's insurance or similar policies of insurance which may be carried by tenants of the Property. Manager shall not be responsible for, and Owner hereby waives any and all claims against Manager with respect to damages or expenses incurred by Owner as a result of failure of any tenant of the Property to carry such policy(s) of insurance.

11.02 Manager will obtain and cause to remain in effect during the term of this Agreement (a) Workers Compensation Insurance, as required by the law of the State where the Property is located, covering all of Manager's employees, (b) Employers' Liability Insurance with limits of not less than $500,000 for bodily injury by accident and $500,000 for bodily injury by disease, (c) Commercial Crime and/or Employee Dishonesty Insurance in the amount of $1,000,000 against misapplication of Property funds by Manager and its employees and by all other employees who participate directly or indirectly in the management and maintenance of the Property, (d) Professional Liability Insurance, covering errors and omissions of Manager's employees, with limits of not less than $1,000,000, and (e) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The premiums for all such coverage shall be an expense of the Property.

11.03 Manager, at Owner's option indicated immediately below this paragraph 11.03, shall obtain the insurance coverage set forth in Section 11.01 hereof for the Property. Such policies may be on Manager's blanket policies and such cost shall be an expense of the Property. When Manager is requested to place Owner's insurance on Manager's blanket policies, pursuant to this Section, the insurance maintained under Section 11.01(b) shall satisfy the obligations set forth in Section 11.2(e). Owner acknowledges that the amounts payable by Owner under the master insurance program includes administrative charges in excess of the actual insurance premiums charged by the underlying insurance carriers. All insurance coverage provided under the master insurance program shall be terminated when this Agreement ends. Owner may elect to have Manager procure the insurance coverage required in Section 11.01 by initialing that option on **Exhibit B** attached hereto.

Owner's election to have Manager procure certain insurance:

_____ By initialing here, Owner elects the option to have Manager procure the insurance coverage required under Section 11.01 in accordance with the terms of Section 11.03.

Owner shall provide Manager with updated copies of policies and descriptions annually on renewal, or at any point Manger requests a copy.

Manager is authorized to investigate, hire, supervise, pay and discharge all servants, employees, or contractors as reasonably necessary to perform the obligations of this Agreement. Employees hired by Manager to manage and maintain the Property are Manager's employees. All wages, fringe benefits, and all other forms of compensation, payable to or for the benefit of such employees of Manager and all local, state and federal taxes and assessments (including, but not limited to, health insurance and workers' compensation insurance, for the benefit of all of its employees, including its employees at the Property, payments to and administration of fringe benefits, Worker's Compensation, Social Security taxes and Unemployment Insurance) incident to the employment of all such personnel, shall be treated as an expense of the Property and shall be paid by Manager from Owner's funds from the Property Operating Account, subject to the approved budget. Such payments shall also include all awards of back pay and overtime

compensation which may be awarded to any such employee in any legal proceeding, or in settlement of any action or claim which has been asserted by any such employee. Manager will comply with all applicable federal, state and local laws regarding the hiring, compensation (including all pay-roll related taxes), and working conditions of its employees.

## ARTICLE 13. LEGAL AND ACCOUNTING SERVICES

13.01 Manager may consult with an attorney or accountant if needed to comply with this Agreement. Manager will refer matters relating to the Property that require legal or accounting services to qualified professionals. Manager will select the attorneys and accountants retained to provide the services. The cost of legal and accounting services obtained by Manager in its capacity as Owner's agent are an expense of the Property and may be paid by Manager from the Property Operating Account. Notwithstanding the forgoing, Manager may elect to utilize an in-house legal department to comply with this Agreement or for certain matters relating to the Property if Manager's and Owner's interests are congruent. Matters related to the Property will be evaluated on a case by case basis and limited to the following: vendor attorney demands, fair housing complaints, lawsuits, legal actions or proceedings for the enforcement of any rental term, and the dispossession of tenants or other persons from the Property. Services provided by Manager's in-house legal department shall be on a gratuity basis, subject to the reimbursement of direct administrative costs. Manager agrees not to exert pressure against the independent judgment of its in-house legal department, nor shall it seek to further its own economic, political, or social goals. Owner will be encouraged to obtain its own legal counsel if there is any conflict of interest. No reimbursement of any administrative costs will be sought if the claim, demand, or lawsuit arises out of Manager's negligence, or its failure to fulfill its duties stated in this Agreement.

13.02 Owner is responsible for preparing its income tax return(s). Manager will maintain the records and prepare reports relating to the Property in a manner convenient for Owner's accountant for use in preparing Owner's income tax return.

## ARTICLE 14. COMPENSATION FOR MANAGER'S SERVICES

14.01 Commencing on the Effective Date, and each calendar month thereafter during the term of this Agreement, Owner shall pay Manager the percentage of gross collected rental at the Premises during the previous calendar month set forth in **Exhibit B** of this Agreement (the "**Management Fee**") plus all reimbursable charges, costs, expenses and other liabilities Manager is entitled to hereunder and/or identified in **Exhibit B** of this Agreement. For purposes of calculating the Management Fee, the gross collected rental and other income at the Property shall include, without limitation, rents, parking fees, laundry income, forfeited security deposits, pet deposits, late charges, interest, rent claim settlements, litigation recoveries net of litigation expenses, lease termination payments, vending machine revenues, business interruption insurance proceeds, other fees and other miscellaneous income. 14.02 Manager shall also earn a one-time Two Hundred Dollars ($200.00) per unit payment ("**Unit Turn Fee**") for the coordination and completion of each renovated unit interior approved by Owner or Asset Manager each quarter until 100% of the units have been renovated. Mere turnover maintenance shall not be considered to be interior renovation.

14.03 The compensation provided in this Agreement constitutes the total compensation that Owner will pay Manager for performing the services required by this Agreement. All services rendered by Manager to Owner or for Owner's benefit outside of the services required by this Agreement shall be compensated on a mutually agreeable basis.

## ARTICLE 15. WARRANTIES / NO LIABILITY

15.01 Owner represents and warrants as follows: (a) Owner has the full power and authority to enter into this Agreement, and the person executing this Agreement is authorized to do so; (b) there are no written or oral agreements affecting the Property other than the tenant leases or rental agreements, copies of which have been furnished to Manager; (c) all permits for the operation of the Property have been secured and are current; and (d) at the time of execution of this Agreement, to the best of Owner's actual knowledge, the Property comply with all legal requirements, including but not limited to zoning regulation, building codes, and health and safety requirements.

15.02 Manager represents and warrants as follows: (a) the officers of Manager have the full power and authority to enter into this Agreement; and (b) there are no written or oral agreements by Manager that will be breached by, or agreements in conflict with, Manager's performance under this Agreement.

15.03 Manager assumes no liability whatsoever for any acts or omissions of Owner or any previous owners of the Property, or any previous property managers or other agents of either Owner or Manager. Manager assumes no liability for any failure or default by any tenant in the payment of any rent or other charges due Owner or in the performance of any obligations owed by any tenant to Owner pursuant to any rental agreement or otherwise unless solely caused by willful misfeasance of Manager. Nor does Manager assume any liability for previously unknown violations environmental or other regulations which may become known during the period this Agreement is in effect. Any such environmental violations or hazards discovered by Manager shall be brought to the attention of Owner in writing, and Owner shall be responsible for such violations or hazards. Manager also assumes no liability for any failure of computer hardware or software of miscellaneous computer systems to accurately process data (including, but not limited to, calculating, comparing, and sequencing).

15.04 Manager does not assume and is given no responsibility for compliance of the Property or any building thereon or any equipment therein with the requirements of any building codes or with any statute, ordinance, law or regulation of any governmental body or of any public authority or official thereof having jurisdiction, except to notify Owner promptly or forward to Owner promptly any complaints, warnings, notices or summons received by Manager relating to such matters. Owner authorizes Manager to disclose the ownership of the Property to any such officials and agrees to indemnify and hold Manager, it representatives, servants, and employees harmless of and from all loss, cost, expense and liability whatsoever which may be imposed by reason of any present or future violation or alleged violation of such laws, ordinances, statutes or regulations; provided, indemnity shall not be applicable if Manager has actual knowledge of any such violation or alleged violation but fails to give notice to Owner, as provided under the terms and provision of this Agreement.

15.05 The compensation provided in this Agreement constitutes the total compensation that Owner will pay Manager for performing the services required by this Agreement. All services rendered by Manager to Owner or for Owner's benefit outside of the services required by this Agreement shall be compensated on a mutually agreeable basis.

15.06 Manager specifically disclaims, does not assume and is given no responsibility for any personal injury, disability, illness, damage, loss, claim, liability or expense of any kind resulting from or in connection with any infectious disease occurring on the Property, including such diseases as may be categorized as a worldwide pandemic by the World Health Organization or the Centers for Disease Control and Prevention within the United States Department of Health and Human Services. Owner shall indemnify and hold harmless Manager from any and all such claims with respect to such infectious diseases.

## ARTICLE 16. INDEMNITY

16.01 Except in the event of Manager's gross negligence, willful misconduct, Owner hereby agrees to indemnify, defend and hold harmless Manager, its shareholders, officers, directors, affiliates, agents and employees harmless from any and all costs, expenses, penalties, interest, reasonable attorney's fees, accounting fees, expert witness fees, suits, liabilities, damages, demand losses, recoveries, settlements or claims for damages, including but without limitation claims based in tort, personal injury, or any action or claim (collectively, "**Liabilities**") which in any way pertains to the management and operation of the Property, whether such action is brought by Owner or any third party. ***This duty of indemnity shall also apply as to all cases in which Manager has followed the written directions of Owner with regard to the management of the Property.*** In the event Manager deems it necessary to procure independent legal representation due to a conflict between Manager and Owner in any such proceeding, Manager shall have the right to select its own attorneys. Regardless of Manager's conduct, Manager shall be indemnified by Owner to the extent of available insurance proceeds. Owner shall also be responsible for the payment of any deductible payments incurred by Manager in the defense of any such claim that is covered by Owner's insurance.

16.02 MANAGER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS OWNER FROM LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES, TO THE EXTENT THAT SUCH LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES ARE NOT FULLY REIMBURSED BY INSURANCE AND ARE INCURRED BY OWNER BY REASON OF MANAGER'S DELIBERATE DISHONESTY, WILLFUL MISFEASANCE OR GROSS NEGLIGENCE.

16.03 In addition to the foregoing, each party shall indemnify, defend and save the other party harmless from any and all claims, proceeding or liabilities as well as all cost and expenses thereof (including, but not limited to, fines, penalties, and reasonable attorneys' fees) involving an alleged or actual violation by the party of any statute, rule or regulation pertaining to the Property, the management or the operation.

16.04 If one party indemnifies the other under any provision of this Agreement, the indemnifying party will defend and hold the other harmless, and the indemnifying party will pay the indemnified party's reasonable attorney's fees and costs; however, no indemnified party shall settle any claim without the indemnifying party's prior written consent.

16.05 Nothing in this Article 16 shall be deemed to affect any party's rights under any insurance policy procured by such party or under which such party is an insured or an additional insured. It is the intention of the parties that Manager be included as an insured under Owner's commercial general liability policy to cover inherent and operational hazards associated with the Property. It is thus understood that if bodily injury, property damage or personal injury liability claims are brought or made against Manager or Owner, or both, based upon the alleged actions of Manager in performing its services hereunder, which are covered by Owner's commercial general liability insurance, such coverage for Manager shall not be impaired, reduced or barred by the above indemnity provisions. All indemnities contained in this Agreement shall survive the expiration or termination of this Agreement.

## ARTICLE 17. INTEGRATION OF AGREEMENTS AND ASSUMPTION AND ASSIGNMENT

17.01 The parties acknowledge and agree that this Agreement, together with the Amended and Restated Agreements listed on **Exhibit C** attached hereto, constitute a single, integrated contractual arrangement between the parties. The Amended and Restated Agreements are interdependent and form one indivisible contract, such that: (i) each of the Amended and Restated Agreements is an essential and material

component of the parties' overall contractual relationship; (ii) the Amended and Restated Agreements must be assumed and cured as a single unit; and (iii) any assumption or rejection of the Amended and Restated Agreements by the Debtors in their chapter 11 cases shall apply to all agreements collectively and may not be applied to individual agreements separately.

17.02 Except as otherwise provided herein, neither party may assign this Agreement without the prior written consent of the other party. Notwithstanding the preceding sentence, Manager may assign this Agreement without the consent of Owner in connection with a merger, consolidation, reorganization or sale of all or substantially all of the assets of its business. This provision does not limit either party's right to assign this Agreement to an affiliate or related person or entity when the obligations assigned will be performed by substantially the same persons. Any unauthorized assignment is void.

17.03 Owner may but shall not be obligated to assign its rights and obligations under this Agreement to a buyer of the entire Property without Manager's consent, provided that the buyer expressly assumes the obligations of Owner under this Agreement.

18.02 If either party (1) voluntarily files for bankruptcy or other relief under statutes or rules relating to insolvency, (2) makes an assignment for the benefit of creditors, or (3) is adjudicated bankrupt, the other party may terminate this Agreement without notice.

18.03 This Agreement will terminate if the Property is destroyed totally or to an extent that they are substantially unusable for their intended uses.

18.04 This Agreement may be terminated by the non-breaching party in the event the breaching party commits a material breach of this Agreement which is not cured within 5 days after giving written notice for the failure to pay money when required and otherwise within 20 days after giving written notice of such other material breach.

18.05 When this Agreement terminates, the following will apply:

(a) Manager will promptly deliver to Owner in electronic format all books, records and funds in Manager's possession relating to the Property, all keys to the Property, and all other items or property owned by Owner and in Manager's possession. Any documents shipped to Owner shall be at Owner's expense. Manager is entitled to retain copies of all documents referred to in this Article 18.5(1), but Manager shall have no obligation to maintain any books or records relating to the Property for more than sixty (60) days after termination, unless Manager is required by law to maintain the books and records for a longer period, in which case, Manager shall maintain such books and records of the duration required by law.

(b) Manager will vacate any space at the Property except as occupied under a separate lease with the Owner.

(c) Manager's right to compensation will cease, but Manager will be entitled to be compensated for services rendered before the termination date along with budgeted reimbursable expenses, and to receive the additional compensation herein provided in 18.5(f) and 18.5(g), to the extent earned.

Manager shall be authorized to pay Manager all amounts due under this Article 18.5(c) from the Property Operating Account immediately upon termination.

(d) The agency created under this Agreement will cease, and Manager will have no further right or authority to act for Owner.

(e) Owner assigns to Manager any rent moneys received by Manager through third party collection efforts one year after termination. For collections made within one (1) year after termination, Owner assigns to Manager any rent moneys received through third party collection efforts. Manager shall be entitled to retain a fee equal to five percent (5%) of the gross amounts collected by such third party collections, and shall remit the balance to Owner.

(f) The indemnity provisions of this Agreement will remain in effect.

(g) Notwithstanding anything in this Agreement to the contrary, if Owner terminates this Agreement in the first year of the initial one-year term of this Agreement for any reason other than pursuant to Articles 18.2, 18.3 or 18.4, Owner shall within two (2) business days after the date of such termination pay Manager as liquidated damages the Early Termination Fee set forth in **Exhibit B** (the "**Early Termination Fee**"). Manager shall be authorized to pay Manager the Early Termination Fee from the Property Operating Account immediately upon termination.

(h) Manager's post-closing duties and obligations may span a period not to exceed sixty (60) days. During this period, Owner shall pay Manager the monthly Post – Closing Management Fee set forth in **Exhibit B** (the "**Post – Closing Management Fee**"). Post-closing duties and obligations include, but are not limited to, entering invoices and cutting checks, recording post-closing entries and preparing financial statements, reconciling bank statements, and consulting with tax preparers or auditors. Manager shall be authorized to pay Manager the Post - Closing Management Fee from the Property Operating Account immediately upon termination.

(i) Manager will submit to Owner an estimate of the additional funds required to pay all obligations incurred by the Property through the termination date. Owner shall promptly remit all additional funds required. Manager will not be obligated to advance Manager's funds for payment of obligations incurred on behalf of the Owner. Owner shall provide Manager with such security as reasonably determined by Manager against all unfunded obligations or liabilities which Manager may have properly incurred on behalf of Owner hereunder.

## ARTICLE 19. NONSOLICITATION

Owner recognizes that Manager has a substantial investment in its employees and therefore agrees that Owner shall not, during the term of this Agreement or, without the written consent of Manager, for a period of one (1) year after termination of this Agreement for any reason, directly or indirectly, (i) solicit, recruit or hire any existing or former employee of Manager or (ii) encourage any existing or former employee of Manager to terminate his/her relationship with Manager for any reason. An employee of Manager shall no longer be considered a former employee if his/her relationship with Manager terminated more than twelve (12) months prior to the conduct in question.

21.06 This Agreement and the Exhibits attached hereto (which Exhibits are incorporated herein by this reference for all purposes) supersede and take the place of any and all previous management agreements entered into between the parties hereto relating to the Properties. This Agreement may be executed concurrently in one or more counterparts, each of which will be considered an original, but all of which together constitute one instrument.

21.07 If a court of competent jurisdiction holds any one or more of the provisions of this Agreement to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision of this Agreement, which will be construed as if it had never contained such illegal, invalid or unenforceable provision.

21.08 All headings herein are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Agreement.

21.09 If there is a dispute between the parties, the parties agree that all questions as to the respective rights and obligations of the parties hereunder are subject to arbitration, which shall be governed by the rules of the American Arbitration Association (the "AAA Rules"). Any arbitration shall be strictly confidential between the parties, any arbitrator, and their respective attorneys and necessary and participating witnesses. In addition:

(a) If a dispute should arise under this Agreement, either party may within thirty (30) days make a demand for arbitration by filing a demand in writing with the other party.

(b) The parties may agree on one arbitrator, but in the event that they cannot agree, there shall be three arbitrators, one named in writing by each of the parties within fifteen (15) days after the demand for arbitration is made and a third to be chosen by the two named. Should either party refuse or neglect to join in the appointment of the arbitrators, the arbitrators shall be appointed in accordance with the provisions of the AAA Rules.

(c) All arbitration hearings, and all judicial proceedings to enforce any of the provisions of this agreement, shall take place in Bexar County, Texas. The hearing before the arbitrators on the matter to be arbitrated shall be at the time and place within Bexar County, Texas as selected by the arbitrators. Notice shall be given and the hearing conducted in accordance with the provisions of the AAA Rules. The arbitrators shall hear and determine the matter and shall execute and acknowledge their award in writing and deliver a copy to each of the parties by registered or certified mail.

(d) In reaching any determination or award, the arbitrator will apply the laws of the state in which the Property is located without giving effect to any principles of conflict of laws under the laws of that state. The arbitrator's award will be limited to actual damages and will not include consequential, punitive or exemplary damages.

(e) If there is only one arbitrator, the decision of such arbitrator shall be binding and conclusive on the parties. If there are three arbitrators, the decision of any two shall be binding and conclusive. The submission of a dispute to the arbitrators and the rendering of their decision shall be a condition precedent to any right of legal action on the dispute. A judgment confirming the award of the arbitrators may be rendered by any court having jurisdiction; or the court may vacate, modify, or correct the award.

(f) If the arbitrators selected pursuant to Section 21.09(b) above shall fail to reach an agreement within ten (10) days, they shall be discharged, and three new arbitrators shall be appointed and shall proceed in the same manner, and the process shall be repeated until a decision is finally reached by two of the three arbitrators selected.

(g) The costs and expenses of arbitration, including the fees of the arbitrators, shall be borne by the losing party or in such proportions as the arbitrators shall determine.

(h) Each party waives the right to litigate any issue concerning any dispute that may arise out of or relate to this Agreement or the breach of this Agreement, including any right of appeal with respect to a binding decision issued by any arbitrator with respect to any arbitration initiated pursuant to this Section 20.11

21.10 If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret this Agreement, the prevailing party is entitled to recover reasonable attorneys' fees and costs from the other in addition to any other relief that may be awarded.

21.12 Any legal suit, action or proceeding between the parties arising out of or relating to this Agreement shall be instituted in any federal or state court of competent jurisdiction located in San Antonio, Bexar County, Texas, and the parties hereby irrevocably submit to the jurisdiction of any such court in any suit, action or proceeding. Further, the parties consent and agree to service of any summons, complaint or other legal process in any such suit, action or proceeding by registered or certified U.S. Mail, postage prepaid, at the addresses for notice described in Section 21.01 hereof, and consent and agree that such service shall constitute in every respect valid and effective service.

21.13 Owner hereby expressly acknowledges that Manager and/or its affiliated entities may possess an interest in any other project or business, including but not limited to, the ownership, financing, leasing, operation, management, and/or sale of real estate projects, including apartment projects, other than the Property, whether or not such other projects or businesses are competitive with the Property. Owner hereby acknowledges that Owner shall have no claim whatsoever, of any kind, with respect to such Manager's involvement in such projects or businesses.

21.14 Manager shall not be responsible for any delay or failure of performance caused by fire or other casualty, labor dispute, government or military action, terrorism, transportation delay, inclement weather, Act of God, epidemics, act or omission of Owner, or any other cause beyond Manager's reasonable control.

21.15 **OWNER AND MANAGER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER IN CONTRACT OR TORT) BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER IN RESPECT OF ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR PERFORMANCE HEREUNDER**

## ARTICLE 1. CONSIDERATION

This Agreement is made in consideration of the foregoing and the covenants contained herein, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

## ARTICLE 2. TERM AND CONDITION FOR EFFECTIVENESS

2.01 The Agreement shall continue for a period of one year (the "**Initial Term**"), unless terminated as provided in Article 18. This Agreement shall automatically extend for additional one-year terms unless either Owner or Manager deliver a written notice to the other not later than sixty (60) days prior to the expiration of the then current term. The terms of this Agreement shall otherwise remain the same unless amended pursuant to Section 20.6 of this Agreement.

2.02 This Agreement shall be effective upon (i) the Bankruptcy Court's entry of an order (the "**Approval Order**") and (ii) the Debtors' payment, within five (5) business days of entry of the Approval Order, of the Cure Amount (as defined herein). The Approval Order shall (1) authorize the Debtors to assume the Amended and Restated Agreements under section 365 of the Bankruptcy Code, subject to the Debtors' agreement that the aggregate cure costs associated with the Amended and Restated Agreements equal $953,000 (the "**Cure Amount**"), (2) authorize the Debtors to satisfy $328,000 of such aggregate cure costs in cash within 5 business days' of the entry of the Approval Order, and (3) authorize and allow an administrative expense priority claim under section 503(b) of the Bankruptcy Code by the Asset Manager (as defined below) of the balance of such cure claim in the aggregate amount of $625,000 (the "**Manager Administrative Expense Claim**"), *provided, however*, that the Manager Administrative Expense Claim shall be satisfied upon consummation of the Kelly Hamilton Restructuring Transaction (as defined in the Kelly Hamilton Interim DIP Order), without any further approval or action by any person or entity, as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order; *provided, further, however*, that if the Kelly Hamilton Restructuring Transaction is not consummated as set forth in the *Binding Term Sheet for Senior Secured, Superpriority Debtor-in-Possession Financing* dated May 26, 2025, annexed as Exhibit A to the Kelly Hamilton Interim DIP Order, then, the Manager Administrative Expense Claim shall be satisfied at the time of closing of a transaction other than the Kelly Hamilton Restructuring Transaction or otherwise in a manner otherwise agreed to in writing by the Debtors and the Manager.

## ARTICLE 3. DESCRIPTION OF PROPERTY

The Property subject to this Agreement is more particularly described in **Exhibit A** attached hereto and by this reference made a part of this Agreement and is known by the common name set forth in **Exhibit A**.

## ARTICLE 4. APPOINTING MANAGER AS OWNER'S AGENT

4.01 Owner appoints Manager as its sole and exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the responsibility of Manager, which is in all respects the employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s)

providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or affiliates of Manager, and Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein. All duties to be performed by Manager under this Agreement shall be for and on behalf of Owner, in Owner's name, and for Owner's account.

4.02 Manager will have the duty to keep Owner's property separate from Manager's property and to avoid receiving any unauthorized benefit from operating, managing or using Owner's property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

4.03 Manager understands that Owner has engaged LAGSP, LLC, a Delaware limited liability company ("**Asset Manager**"), pursuant to an Amended and Restated Asset Management Agreement between Owner and Asset Manager dated June 10, 2025, to act as Owner's representative with respect to the day-to-day operations of the Property. Notwithstanding the obligations of Manager to Owner as set forth herein, Manager shall report all daily, monthly, quarterly, and annual operations and accounting with respect to the Property to Asset Manager on behalf of Owner. In addition, subject to any limitations set forth herein, Manager shall take operational direction from Asset Manager, on behalf of Owner, with respect to the Property, as if the same direction had been given directly by the Owner to Manager hereunder. In the event that Asset Manager is terminated or replaced by Owner, Owner shall give notice of the same to Manager and all deliveries to be given to Asset Manager hereunder shall instead be given to Owner. Notwithstanding the terms of this provision, the written consent of the Owner (and not Asset Manager) shall be required for any adoption of or amendment to any Budget with respect to the Property.

## ARTICLE 5. PROFESSIONAL MANAGEMENT SERVICES

5.01 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles. Manager will comply with all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

5.02 Should Owner wish Manager to perform services which are not otherwise governed by the terms and provisions of this Agreement, the parties shall meet to discuss and to agree upon the scope of such additional services and the additional compensation to be paid by Owner to Manager for such additional services. Owner may elect to contract with entities in which Manager has a financial interest or other affiliation, including certain insurance services or utility services. Any relationship Owner may enter into with an entity related to Manager does not constitute an agency relationship between Owner and the related entity. Manager's related business entities are for-profit enterprises which may receive compensation, incentives, commissions and/or coordination fees from third parties in connection with the services offered.

5.03 Manager shall be authorized to enter into agreements, as agent for Owner and in Owner's name, for all utility and other services provided to the Property. Any agreement which cannot be terminated by Owner or Manager on thirty (30) days' notice without the payment of any penalty or premium or which has a total contract value of more than $5,000 must be approved by Owner.

## ARTICLE 6. ON-SITE MANAGEMENT FACILITIES

Owner shall provide rent-free space at the Property for the exclusive use of the Manager in a location sufficient for the use of Manager to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and telephone services. The Property shall provide suitable apartment units within the Property for the use of the resident manager and such assistant managers or maintenance personnel in accordance with the Budget or as otherwise approved in writing by Owner. Manager shall be entitled to provide such employees with such rental and utility concessions as Manager may deem appropriate under the circumstances, subject to the Budget.

## ARTICLE 7. MANAGER'S DUTIES RELATING TO LEASING AND TENANTS

7.01 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial leases and renewals, modifications, and terminations of existing leases. Manager will set and change rental rates and the amounts of other tenant charges relating to the Property in accordance with the budget. Manager may not execute any lease for a period exceeding twenty-four (24) months without securing Owner's prior consent. All costs of leasing shall be paid out of the operating account for the Property in accordance with the budget.

7.02 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any leases for commercial or residential space at the Property. Owner agrees to promptly forward all inquiries about leases or rental agreements to Manager. Manager is the Owner's exclusive agent in leasing the Property.

7.03 Manager may advertise the availability of rental space at the Property by using appropriate communications media. All advertising expenses will be expenses of the Property.

7.04 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

7.05 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee. Manager may require a lesser Administrative Fee if Manager determines that (1) the Administrative Fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

7.06 Manager will use its best efforts to collect, deposit and disburse cash security deposits according to each lease and the requirements of the law. Manager will deposit cash security deposits in an escrow account opened by Manager in the name of the Property (the "**Security Deposit Account**") and shall retain on deposit in such account an amount sufficient to meet anticipated refund requirements. Manager shall be an authorized signatory on the Security Deposit Account. All cash security deposits shall be returned to the resident per applicable laws and timeframes. Owner agrees that Manager will not transfer any cash security deposit to Owner unless such transfer is made in accordance with applicable legal requirements. Any interest on cash security deposits not required by law to be paid to tenants shall be paid to the Owner. In the event that the Owner maintains an alternate to cash security deposits, Manager will use best efforts to confirm any such non-cash security deposits and keep reasonable records of such non-cash deposits.

7.07 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Such receipts will be deposited in an account in the name of the Property (the "**Property**

**Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property

7.08 Manager may, in its sole discretion, institute in Owner's name all legal actions or proceedings for the enforcement of any rental term, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of rental agreements, including the collection of rent and other income. Manager may settle, compromise and release such legal actions or suits or to reinstate such tenancies without the prior consent of Owner, if such settlement, compromise, or release shall involve an amount in controversy of Two Thousand Dollars ($2,000.00), or less. Where the amount in controversy is in excess of Two Thousand Dollars ($2,000.00), Manager shall first obtain the written authorization of Owner, which may be in the form of an email, before entering into any compromise, settlement, or release of legal actions. Reasonable attorney's fees for outside counsel, filing fees, court costs, travel expense, other necessary expenditures, and administrative costs incurred by Manager's in-house legal department in connection with such action shall be paid out of the Property Operating Account or shall be reimbursed directly to Manager by Owner. All funds recovered from tenants shall be deposited into the Property Operating Account. Unless otherwise directed by Owner, Manager may select the attorney or attorneys to handle any and all such litigation or utilize its in-house legal department. However, in the event of an emergency, Manager may authorize any expenditure which, in Manager's reasonable opinion, is necessary to preserve and protect the Property, to alleviate a condition adverse to human or animal life, to take such actions as may be ordered by any federal, state or local government agency. Manager shall promptly notify Owner and Asset Manager of the nature of any such emergency and the action taken and expenses incurred in connection therewith

7.09 Manager will comply with all applicable federal, state and local laws prohibiting discrimination in leasing that are now in effect or come into effect during the term of this Agreement.

## ARTICLE 8. FINANCIAL MANAGEMENT

8.01 Upon the commencement of the Initial Term, Owner shall remit to Manager the amounts necessary to fully fund the Property Operating Account and the Security Deposit Account. Manager and its designated employees shall be the only signatories on the Property Operating Account and any other bank accounts for the Property.

8.02 If the Property is to be developed or is under construction, Owner shall fund the Property Operating Account with an amount equal to four (4) months of the projected Management Fee and operating expenses for the Property no later than four (4) months before the projected date of first occupancy. Manager will use those funds to cover Manager's expenses to set up the management facilities at the Property and other initial costs for a newly constructed Property.

8.03 Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program. Owner hereby agrees that Manager shall have no liability for any loss of funds contained in the Property's bank accounts, including but not limited to any loss due to third party fraud or due to the insolvency of the bank or financial institution in which its accounts are kept; provided, however, that Manager shall be liable to Owner in the event such loss arises from the gross negligence or willful misconduct of Manager's employees. Owner agrees that all Property bank accounts shall be enrolled, at Owner's expense, in the depository institution's fraud prevention program.

8.04 A cash reserve in the amount of Twenty-Five Thousand Dollars ($25,000) shall be maintained in the Property Operating Account by Owner and shall be readily available to Manager during

the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Working Capital Reserve**").

8.05 A cash reserve in the amount of (2) weeks of estimated payroll expenses, shall be maintained in the Property's payroll account by Owner and shall be readily available to Manager during the Term to be used in connection with the operation of the Property in accordance with the terms of this Agreement (the "**Payroll Reserve**").

8.06 If at any time during the Term the Working Capital Reserve and/or the Payroll Reserve is diminished, Manager will request, in writing to Owner, that the necessary additional funds be deposited by Owner in an amount sufficient to maintain the reserve amounts required above. Owner will deposit the additional funds requested by Manager within ten (10) days of receiving such written request. In the event Owner does not adequately replenish such reserve funds within said period, Manager may elect to terminate this Agreement in accordance with Article 18 of this Agreement. Exercise of such termination right shall be Manager's sole remedy for any breach by Owner of this Article 8.

8.07 Within sixty (60) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget to Manager. Manager shall have thirty (30) days to review and provide comments to the submitted budget ("**Review Period**"). If Manager does not provide comments to the Budget during the Review Period, Manager shall be deemed to have accepted the budget and shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Owner's proposed budget. Thereafter annually Owner and Manager shall establish mutually agreeable annual budgets no later than thirty (30) days before commencement of the year to be covered by such budget (the "**Budget Due Date**"). The initial approved budget as agreed to in writing between Owner and Manager. If the parties are unable to agree on subsequent budgets or Owner fails to provide approval or instructions on such subsequent budgets, the budget then in effect shall govern but each line item shall be increased by 5%. Owner acknowledges that the Budget is intended only to be a reasonable estimate of the Property's income and expenses for the applicable calendar year, and Manager shall not be deemed to have made any guarantee, warranty or representation whatsoever in connection with the Budget. Owner will not unreasonably withhold approval of necessary expenditures in excess of budgeted amounts. Owner shall be deemed to have granted its consent or to have given its approval for any expenditure requiring Owner's consent or approval under this Agreement which is provided for in an approved Budget up to the amount therein provided for.

8.08 When the following items are payable, Manager will make the disbursements promptly from the funds deposited to the Property Operating Account subject to necessary funds being made available by Owner. From the Property Operating Account, Manager is authorized to pay or to reimburse Manager for all expenses and costs of operating the Property and for all other sums due Manager under this Agreement, including Manager's compensation which is described and set forth in Article 14 hereof. Owner has sole responsibility for the timely payment of all authorized expenses of the Property. Owner shall provide sufficient funds to ensure that the Property Operating Account shall at all times contain funds sufficient to meet the operating requirements of the Property. Expenses will be paid in the following order should collected funds be insufficient to satisfy the current debts and obligations of the Property:

(a) Any payments in connection with any mortgages for the Property, including but not limited to amounts due for principal amortization, interest, mortgage insurance premiums, ground rents, taxes and assessments, and fire- and other hazard-insurance premiums if not previously paid;

(b) Compensation payable to Manager as provided in this Agreement;

(c) All sums otherwise due and payable by Owner as expenses of the Property that Manager authorizes to be incurred under this Agreement; and then

(d) Net proceeds due to Owner.

8.09 Manager will disclose all rebates, discounts, or commissions collected by Manager, or credited to Manager's use, for obtaining goods or services for the Property, and Manager will credit the rebates, discounts, or commissions to the Property Operating Account. Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, AC Captive Services LLC, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, and Leasing Desk Insurance Services. Manager also discloses that it has an ownership interest in a utility billing company called Resynergy and an asset management/construction manager, Lynd Acquisitions Group LLC and intends to utilize those services in connection with the Property. Lastly, Manager also discloses that it may receive revenue sharing from its preferred vendors and, additionally, may receive contributions from its preferred vendors for its leadership, training, and other events.

8.10 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

8.11 Manager will keep Owner informed of any actual or projected deviation from the receipts or disbursements stated in the approved budget. Except for the disbursements authorized in this Agreement or by the approved budget, funds will be disbursed from the accounts described herein only as Owner may direct from time to time.

8.12 If the balance in the Property Operating Account is insufficient to pay projected disbursements due and payable within a 30-day period, Manager will promptly notify Owner of that fact. The notice will describe in detail funds available and projected income and expenses. Promptly after receiving this notice, but no later than ten (10) days, Owner will remit to Manager sufficient funds to cover the deficiency provided such deficiency arises from expenditures provided for in the approved budget. Manager is not required to use its own funds to cover any such deficiency.

8.13 Except as otherwise specifically provided, all costs and expenses incurred by Manager in fulfilling its duties to Owner, including, but not limited to the charges and fees for work performed at the Property (whether contracted for by Owner or by Manager) shall be for the account of and on behalf of Owner. Such costs and expenses shall include reasonable wages and salaries and other employee-related expenses of all on-site and off- site employees of Manager who are engaged in the operation, management, maintenance and leasing or access control of the Property, including, without limitation, taxes, insurance and benefits relating to such employees and legal, travel and other out-of-pocket expenses which are directly related to the management of the Property. All costs and expenses for which Owner is responsible under this Agreement shall be paid by Manager out of the Property Operating Account. In the event said account does not contain sufficient funds to pay all said expenses, Owner shall promptly fund all sums necessary to meet such additional costs and expenses. Manager shall have no responsibility to use its own funds to cover or pay for any such costs or expenses.

8.14 All purchases, expenses and other obligations incurred in connection with the operation of the Property shall be the sole cost and expense of Owner. All such purchases shall be made by Manager solely

on behalf of Owner as its agent and not as a principal. Manager shall be under no duty to utilize or apply Manager's own funds for the payment of any such debt or obligation. In the event that there are insufficient funds in the Property Operating Account, Manager may advance its own funds for such purpose, in which event Owner shall promptly repay to Manager all such sums expended, together with interest at eight percent (8%) per annum calculated from the date of Manager's advancement of funds to the date of repayment from Owner.

8.15 Manager may lease apartments located at the Property for use by on-site personnel at a twenty percent (20%) discount of the then-current fair market rental value upon Owner's prior written approval, which approval shall not be unreasonably withheld.

## ARTICLE 9. OPERATING AND MAINTAINING THE PROPERTY

9.01 Manager is authorized to cause the Property to be maintained and repaired according to this Agreement. Maintenance and repair includes, but is not limited to, cleaning, painting, decorating, plumbing, carpentry, masonry, electrical maintenance, grounds care, and any other maintenance and repair work that may be necessary. On behalf of Owner and as its agent, Manager is authorized to buy all materials, equipment, tools, appliances, supplies, and services necessary, in Manager's reasonable judgment, for properly maintaining and repairing the Property, all of which are expenses of the Property.

9.02 Manager, as agent of Owner, will perform the following specific duties:

(a) Give attention to preventive maintenance at the Property. The services of Premise's regular maintenance employees will be used to the extent feasible in Manager's reasonable judgment.

(b) Contract with qualified independent contractors for maintaining and repairing air-conditioning and heating systems, and for extraordinary repairs beyond the capability of regular maintenance employees.

(c) Contract for water, gas, electricity, extermination, laundry facilities, cable television, telephone service, and other goods and services necessary in operating and maintaining of the Property to the extent not previously contracted for. Manager may institute or contract to an affiliate for a "RUBS" or similar system to recover as much of the utility costs as can be passed on to tenants, consistent with local law and the local market.

(d) Receive and investigate all service requests from tenants, taking such action thereon as may be reasonably justified, and keeping records of the requests and services provided. Manager will make arrangements to receive and respond to emergency requests on a 24-hours-a-day, seven days-a-week basis. After investigation, Manager will report serious maintenance problems to Owner.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with known applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any federal, state or local authorities. Manager will comply with all applicable governmental requirements. With Owner's prior written consent, Manager may appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not an expert or consultant regarding the Property's compliance with government requirements; accordingly, Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. Owner will indemnify and defend Manager from any liability

incurred by Manager for complying with an instruction from Owner that is contrary to a governmental requirement.

(f) To the extent the applicable lender requirements have been disclosed to Manager in writing, Manager shall comply with the operation and maintenance plans for (i) asbestos, and (ii) mold and moisture.

9.03 Regardless of the other provisions of this Agreement, Manager may not authorize any expenditure in any instance for labor, materials, or otherwise in connection with maintaining and repairing the Property in excess of Two Thousand Dollars ($2,000.00) without Owner's prior approval. This limitation does not apply to (1) recurring expenses within the limits of the approved budget, (2) emergency repairs involving manifest danger to persons or property, or (3) expenses necessary to avoid imminent suspension of any necessary service to the Property. If Manager makes an expenditure exceeding the limit in compliance with this paragraph, Manager will inform Owner of the facts as promptly as reasonably possible.

9.04 Manager may not authorize any structural changes or major alterations to the Property without Owner's prior written consent.

9.05 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on Owner's behalf, which Manager shall supervise as a vendor; however, Manager will not be responsible for the acts or omissions of the work of said security service provider.

9.06 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

9.07 Manager is not responsible for providing security services to the Property. Subject to Owner's approval, Manager will, in Owner's name and at Owner's expense, contract with a third party to provide security services to the Property. In no event shall Manager have any liability to Owner or any other party for criminal acts of any kind committed by tenants or third parties on or with respect to the Property.

## ARTICLE 10. RECORDKEEPING AND REPORTING

10.01 Manager will maintain accurate, complete, and separate books and records according to standards and procedures sufficient to respond to Owner's reasonable financial information requirements. The records will show income and expenditures relating to operation of the Property and will be maintained so that individual items and aggregate amounts of accounts payable and accounts receivable, available cash, and other assets and liabilities relating to the Property may be readily determined at any time.

10.02 Manager will make available to the Owner, upon request, copies of each check written on the Property Operating Account and will furnish Owner with the monthly report herein described, as required by Owner at Owner's expense.

10.03 Manager will furnish to Owner a Monthly Report of all receipts, disbursements, occupancies and vacancies on or before the 15th day of each month covering the previous month's activity (the "**Monthly Report Date**"). Reports will be prepared and transmitted to the Owner in electronic PDF format, unless otherwise specified by Owner.

10.04 To the extent the applicable lender requirements have been disclosed to Manager in writing, prepare and timely deliver reports required to be delivered to any lender holding a mortgage loan or

mezzanine loan with respect to the Property pursuant to the terms of the loan documents evidencing and securing such loan.

10.05 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person which regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

10.06 If required, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property or Owner.

10.07 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may inspect the books and records kept by Manager relating to the Property, which records will be maintained at Manager's corporate headquarters, including but not limited to all checks, bills, invoices, statements, vouchers, cash receipts, correspondence and all other records dealing with the management of the Property. The cost of any such inspection shall be an expense of the Property. Owner acknowledges and agrees that much if not all of such books and records may be in Manager's electronic files.

10.08 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may have an audit made of all account books and records relating to management of the Property. The cost of any audit is an expense of the Property.

10.09 In the event Owner requests analysis or reporting in addition to Manager's reporting obligations under this Agreement, Manager may, in its sole discretion, perform the additional analysis or reporting, and, in each case, Owner shall pay to Manager (i) a minimum fee of Two Hundred Fifty and No/100 Dollars ($250.00) and (ii) a fee of One Hundred Twenty-Five and No/100 Dollars ($125.00) for each subsequent hour Manager works to create the analysis or report. The cost of any analysis or reporting under this Section 10.09 is an expense of the Owner.

## ARTICLE 11. INSURANCE

11.01 It is the intention of the parties hereto to secure the broadest and most cost-effective insurance available to insure, defend and protect Owner and Manager in the operation, improvement and enhancement of the Property, including any project or construction management services performed relating to the Property. This has customarily been accomplished by insuring both parties under the same policy and/or policies of insurance. Thus, subject to any higher or stricter requirements of Owner's lender, Owner shall maintain, at its expense, during the Term of this Agreement:

(a) Commercial Property Insurance "All-risk" direct damage property insurance on replacement cost terms for the full value of the structure and improvements, including builder's risk insurance and demolition, debris removal, loss adjustment expense, and increased cost coverage where applicable, to cover physical loss or damage to the Property from all perils, including but not limited to fire, flood, windstorm, earthquake, equipment breakdown, vandalism and malicious mischief;

(b) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and

including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The policy will include contractual liability with defense provided in addition to policy limits for indemnities of the named insured. Owner shall ensure that such commercial general liability insurance extends coverage for occurrences and offenses arising out of the Manager's own conduct and does not limit coverage to occurrences or offenses arising out of the Owner's conduct. This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("SIR") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required.

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000. Coverage shall be excess of CGL (including products and completed operations coverage).

(d) During the Term of this Agreement, subject to commercially reasonable availability, all policies providing the coverages set forth in this Article11, shall waive all the insurer's and insureds' individual and/or mutual rights of subrogation against Manager and its affiliates and their respective employees, insurers, shareholders and authorized agents, and shall include Manager and its employees (within the scope and course of their employment) as additional insureds by definition or endorsement.

(e) Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

(f) Owner shall make no material change to any policy without ten (10) days prior written notice to Manager. All policies shall be placed with insurers authorized to do business in the state where the Property is located, having a rating of AVIII or better as reported by Best's Property & Casualty Reports Key Rating Guide for the most current reporting period.

(g) Owner hereby agrees to indemnify and hold Manager harmless from Owner's failure to obtain and maintain the insurance required under this Agreement.

(h) Manager recommends to Owner that resident liability insurance be required of each tenant at the Property, at the tenant's cost, unless such a requirement is in violation of any Applicable Law or regulation. Notwithstanding anything to the contrary contained in this Agreement, Manager shall not be responsible for tracking information related to renter's insurance or similar policies of insurance which may be carried by tenants of the Property. Manager shall not be responsible for, and Owner hereby waives any and all claims against Manager with respect to damages or expenses incurred by Owner as a result of failure of any tenant of the Property to carry such policy(s) of insurance.

11.02 Manager will obtain and cause to remain in effect during the term of this Agreement (a) Workers Compensation Insurance, as required by the law of the State where the Property is located, covering all of Manager's employees, (b) Employers' Liability Insurance with limits of not less than $500,000 for bodily injury by accident and $500,000 for bodily injury by disease, (c) Commercial Crime and/or Employee Dishonesty Insurance in the amount of $1,000,000 against misapplication of Property

funds by Manager and its employees and by all other employees who participate directly or indirectly in the management and maintenance of the Property, (d) Professional Liability Insurance, covering errors and omissions of Manager's employees, with limits of not less than $1,000,000, and (e) Commercial General Liability Insurance ("CGL"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The premiums for all such coverage shall be an expense of the Property.

11.03 Manager, at Owner's option indicated immediately below this paragraph 11.03, shall obtain the insurance coverage set forth in Section 11.01 hereof for the Property. Such policies may be on Manager's blanket policies and such cost shall be an expense of the Property. When Manager is requested to place Owner's insurance on Manager's blanket policies, pursuant to this Section, the insurance maintained under Section 11.01(b) shall satisfy the obligations set forth in Section 11.2(e). Owner acknowledges that the amounts payable by Owner under the master insurance program includes administrative charges in excess of the actual insurance premiums charged by the underlying insurance carriers. All insurance coverage provided under the master insurance program shall be terminated when this Agreement ends. Owner may elect to have Manager procure the insurance coverage required in Section 11.01 by initialing that option on **Exhibit B** attached hereto.

Owner's election to have Manager procure certain insurance:

_____ By initialing here, Owner elects the option to have Manager procure the insurance coverage required under Section 11.01 in accordance with the terms of Section 11.03.

11.04 Owner's Insurance. Owner will provide Manager with the names of the companies who carry Owner's insurance policies and the descriptions and limits of such policies of insurance on or before the date Owner signs this Agreement. Owner shall provide Manager with updated copies of policies and descriptions annually on renewal, or at any point Manger requests a copy.

## ARTICLE 12. EMPLOYEES

Manager is authorized to investigate, hire, supervise, pay and discharge all servants, employees, or contractors as reasonably necessary to perform the obligations of this Agreement. Employees hired by Manager to manage and maintain the Property are Manager's employees. All wages, fringe benefits, and all other forms of compensation, payable to or for the benefit of such employees of Manager and all local, state and federal taxes and assessments (including, but not limited to, health insurance and workers' compensation insurance, for the benefit of all of its employees, including its employees at the Property, payments to and administration of fringe benefits, Worker's Compensation, Social Security taxes and Unemployment Insurance) incident to the employment of all such personnel, shall be treated as an expense of the Property and shall be paid by Manager from Owner's funds from the Property Operating Account, subject to the approved budget. Such payments shall also include all awards of back pay and overtime compensation which may be awarded to any such employee in any legal proceeding, or in settlement of any action or claim which has been asserted by any such employee. Manager will comply with all applicable federal, state and local laws regarding the hiring, compensation (including all pay-roll related taxes), and working conditions of its employees.

## ARTICLE 13. LEGAL AND ACCOUNTING SERVICES

13.01 Manager may consult with an attorney or accountant if needed to comply with this Agreement. Manager will refer matters relating to the Property that require legal or accounting services to qualified professionals. Manager will select the attorneys and accountants retained to provide the services. The cost of legal and accounting services obtained by Manager in its capacity as Owner's agent are an expense of the Property and may be paid by Manager from the Property Operating Account. Notwithstanding the forgoing, Manager may elect to utilize an in-house legal department to comply with this Agreement or for certain matters relating to the Property if Manager's and Owner's interests are congruent. Matters related to the Property will be evaluated on a case by case basis and limited to the following: vendor attorney demands, fair housing complaints, lawsuits, legal actions or proceedings for the enforcement of any rental term, and the dispossession of tenants or other persons from the Property. Services provided by Manager's in-house legal department shall be on a gratuity basis, subject to the reimbursement of direct administrative costs. Manager agrees not to exert pressure against the independent judgment of its in-house legal department, nor shall it seek to further its own economic, political, or social goals. Owner will be encouraged to obtain its own legal counsel if there is any conflict of interest. No reimbursement of any administrative costs will be sought if the claim, demand, or lawsuit arises out of Manager's negligence, or its failure to fulfill its duties stated in this Agreement.

13.02 Owner is responsible for preparing its income tax return(s). Manager will maintain the records and prepare reports relating to the Property in a manner convenient for Owner's accountant for use in preparing Owner's income tax return.

## ARTICLE 14. COMPENSATION FOR MANAGER'S SERVICES

14.01 Commencing on the Effective Date, and each calendar month thereafter during the term of this Agreement, Owner shall pay Manager the percentage of gross collected rental at the Premises during the previous calendar month set forth in **Exhibit B** of this Agreement (the "**Management Fee**") plus all reimbursable charges, costs, expenses and other liabilities Manager is entitled to hereunder and/or identified in **Exhibit B** of this Agreement. For purposes of calculating the Management Fee, the gross collected rental and other income at the Property shall include, without limitation, rents, parking fees, laundry income, forfeited security deposits, pet deposits, late charges, interest, rent claim settlements, litigation recoveries net of litigation expenses, lease termination payments, vending machine revenues, business interruption insurance proceeds, other fees and other miscellaneous income. 14.02 Manager shall also earn a one-time Two Hundred Dollars ($200.00) per unit payment ("**Unit Turn Fee**") for the coordination and completion of each renovated unit interior approved by Owner or Asset Manager each quarter until 100% of the units have been renovated. Mere turnover maintenance shall not be considered to be interior renovation.

14.03 The compensation provided in this Agreement constitutes the total compensation that Owner will pay Manager for performing the services required by this Agreement. All services rendered by Manager to Owner or for Owner's benefit outside of the services required by this Agreement shall be compensated on a mutually agreeable basis.

## ARTICLE 15. WARRANTIES / NO LIABILITY

15.01 Owner represents and warrants as follows: (a) Owner has the full power and authority to enter into this Agreement, and the person executing this Agreement is authorized to do so; (b) there are no written or oral agreements affecting the Property other than the tenant leases or rental agreements, copies of which have been furnished to Manager; (c) all permits for the operation of the Property have been secured and are current; and (d) at the time of execution of this Agreement, to the best of Owner's actual knowledge,

the Property comply with all legal requirements, including but not limited to zoning regulation, building codes, and health and safety requirements.

15.02 Manager represents and warrants as follows: (a) the officers of Manager have the full power and authority to enter into this Agreement; and (b) there are no written or oral agreements by Manager that will be breached by, or agreements in conflict with, Manager's performance under this Agreement.

15.03 Manager assumes no liability whatsoever for any acts or omissions of Owner or any previous owners of the Property, or any previous property managers or other agents of either Owner or Manager. Manager assumes no liability for any failure or default by any tenant in the payment of any rent or other charges due Owner or in the performance of any obligations owed by any tenant to Owner pursuant to any rental agreement or otherwise unless solely caused by willful misfeasance of Manager. Nor does Manager assume any liability for previously unknown violations environmental or other regulations which may become known during the period this Agreement is in effect. Any such environmental violations or hazards discovered by Manager shall be brought to the attention of Owner in writing, and Owner shall be responsible for such violations or hazards. Manager also assumes no liability for any failure of computer hardware or software of miscellaneous computer systems to accurately process data (including, but not limited to, calculating, comparing, and sequencing).

15.04 Manager does not assume and is given no responsibility for compliance of the Property or any building thereon or any equipment therein with the requirements of any building codes or with any statute, ordinance, law or regulation of any governmental body or of any public authority or official thereof having jurisdiction, except to notify Owner promptly or forward to Owner promptly any complaints, warnings, notices or summons received by Manager relating to such matters. Owner authorizes Manager to disclose the ownership of the Property to any such officials and agrees to indemnify and hold Manager, it representatives, servants, and employees harmless of and from all loss, cost, expense and liability whatsoever which may be imposed by reason of any present or future violation or alleged violation of such laws, ordinances, statutes or regulations; provided, indemnity shall not be applicable if Manager has actual knowledge of any such violation or alleged violation but fails to give notice to Owner, as provided under the terms and provision of this Agreement.

15.05 The compensation provided in this Agreement constitutes the total compensation that Owner will pay Manager for performing the services required by this Agreement. All services rendered by Manager to Owner or for Owner's benefit outside of the services required by this Agreement shall be compensated on a mutually agreeable basis.

15.06 Manager specifically disclaims, does not assume and is given no responsibility for any personal injury, disability, illness, damage, loss, claim, liability or expense of any kind resulting from or in connection with any infectious disease occurring on the Property, including such diseases as may be categorized as a worldwide pandemic by the World Health Organization or the Centers for Disease Control and Prevention within the United States Department of Health and Human Services. Owner shall indemnify and hold harmless Manager from any and all such claims with respect to such infectious diseases.

## ARTICLE 16. INDEMNITY

16.01 Except in the event of Manager's gross negligence, willful misconduct, Owner hereby agrees to indemnify, defend and hold harmless Manager, its shareholders, officers, directors, affiliates, agents and employees harmless from any and all costs, expenses, penalties, interest, reasonable attorney's fees, accounting fees, expert witness fees, suits, liabilities, damages, demand losses, recoveries, settlements or claims for damages, including but without limitation claims based in tort, personal injury, or any action or claim (collectively, "**Liabilities**") which in any way pertains to the management and operation of the Property, whether such action is brought by Owner or any third party. ***This duty of indemnity shall also***

***apply as to all cases in which Manager has followed the written directions of Owner with regard to the management of the Property.*** In the event Manager deems it necessary to procure independent legal representation due to a conflict between Manager and Owner in any such proceeding, Manager shall have the right to select its own attorneys. Regardless of Manager's conduct, Manager shall be indemnified by Owner to the extent of available insurance proceeds. Owner shall also be responsible for the payment of any deductible payments incurred by Manager in the defense of any such claim that is covered by Owner's insurance.

16.02 MANAGER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS OWNER FROM LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES, TO THE EXTENT THAT SUCH LIABILITY, CLAIMS, DAMAGES, LOSSES AND RELATED EXPENSES ARE NOT FULLY REIMBURSED BY INSURANCE AND ARE INCURRED BY OWNER BY REASON OF MANAGER'S DELIBERATE DISHONESTY, WILLFUL MISFEASANCE OR GROSS NEGLIGENCE.

16.03 In addition to the foregoing, each party shall indemnify, defend and save the other party harmless from any and all claims, proceeding or liabilities as well as all cost and expenses thereof (including, but not limited to, fines, penalties, and reasonable attorneys' fees) involving an alleged or actual violation by the party of any statute, rule or regulation pertaining to the Property, the management or the operation.

16.04 If one party indemnifies the other under any provision of this Agreement, the indemnifying party will defend and hold the other harmless, and the indemnifying party will pay the indemnified party's reasonable attorney's fees and costs; however, no indemnified party shall settle any claim without the indemnifying party's prior written consent.

16.05 Nothing in this Article 16 shall be deemed to affect any party's rights under any insurance policy procured by such party or under which such party is an insured or an additional insured. It is the intention of the parties that Manager be included as an insured under Owner's commercial general liability policy to cover inherent and operational hazards associated with the Property. It is thus understood that if bodily injury, property damage or personal injury liability claims are brought or made against Manager or Owner, or both, based upon the alleged actions of Manager in performing its services hereunder, which are covered by Owner's commercial general liability insurance, such coverage for Manager shall not be impaired, reduced or barred by the above indemnity provisions. All indemnities contained in this Agreement shall survive the expiration or termination of this Agreement.

## ARTICLE 17. INTEGRATION OF AGREEMENTS AND ASSUMPTION AND ASSIGNMENT

17.01 The parties acknowledge and agree that this Agreement, together with the Amended and Restated Agreements listed on **Exhibit C** attached hereto, constitute a single, integrated contractual arrangement between the parties. The Amended and Restated Agreements are interdependent and form one indivisible contract, such that: (i) each of the Amended and Restated Agreements is an essential and material component of the parties' overall contractual relationship; (ii) the Amended and Restated Agreements must be assumed and cured as a single unit; and (iii) any assumption or rejection of the Amended and Restated Agreements by the Debtors in their chapter 11 cases shall apply to all agreements collectively and may not be applied to individual agreements separately.

17.02 Except as otherwise provided herein, neither party may assign this Agreement without the prior written consent of the other party. Notwithstanding the preceding sentence, Manager may assign this Agreement without the consent of Owner in connection with a merger, consolidation, reorganization or sale of all or substantially all of the assets of its business. This provision does not limit either party's right to

assign this Agreement to an affiliate or related person or entity when the obligations assigned will be performed by substantially the same persons. Any unauthorized assignment is void.

17.03 Owner may but shall not be obligated to assign its rights and obligations under this Agreement to a buyer of the entire Property without Manager's consent, provided that the buyer expressly assumes the obligations of Owner under this Agreement.

## ARTICLE 18. TERMINATION

18.01 This Agreement may be terminated by either party upon sixty (60) days written termination notice from the terminating party to the other party. This Agreement may be terminated by Owner upon the sale of the Property to an unaffiliated third party.

18.02 If either party (1) voluntarily files for bankruptcy or other relief under statutes or rules relating to insolvency, (2) makes an assignment for the benefit of creditors, or (3) is adjudicated bankrupt, the other party may terminate this Agreement without notice.

18.03 This Agreement will terminate if the Property is destroyed totally or to an extent that they are substantially unusable for their intended uses.

18.04 This Agreement may be terminated by the non-breaching party in the event the breaching party commits a material breach of this Agreement which is not cured within 5 days after giving written notice for the failure to pay money when required and otherwise within 20 days after giving written notice of such other material breach.

18.05 When this Agreement terminates, the following will apply:

(a) Manager will promptly deliver to Owner in electronic format all books, records and funds in Manager's possession relating to the Property, all keys to the Property, and all other items or property owned by Owner and in Manager's possession. Any documents shipped to Owner shall be at Owner's expense. Manager is entitled to retain copies of all documents referred to in this Article 18.5(1), but Manager shall have no obligation to maintain any books or records relating to the Property for more than sixty (60) days after termination, unless Manager is required by law to maintain the books and records for a longer period, in which case, Manager shall maintain such books and records of the duration required by law.

(b) Manager will vacate any space at the Property except as occupied under a separate lease with the Owner.

(c) Manager's right to compensation will cease, but Manager will be entitled to be compensated for services rendered before the termination date along with budgeted reimbursable expenses, and to receive the additional compensation herein provided in 18.5(f) and 18.5(g), to the extent earned. Manager shall be authorized to pay Manager all amounts due under this Article 18.5(c) from the Property Operating Account immediately upon termination.

(d) The agency created under this Agreement will cease, and Manager will have no further right or authority to act for Owner.

(e) Owner assigns to Manager any rent moneys received by Manager through third party collection efforts one year after termination. For collections made within one (1) year after termination, Owner assigns to Manager any rent moneys received through third party collection efforts.

Manager shall be entitled to retain a fee equal to five percent (5%) of the gross amounts collected by such third party collections, and shall remit the balance to Owner.

(f) The indemnity provisions of this Agreement will remain in effect.

(g) Notwithstanding anything in this Agreement to the contrary, if Owner terminates this Agreement in the first year of the initial one-year term of this Agreement for any reason other than pursuant to Articles 18.2, 18.3 or 18.4, Owner shall within two (2) business days after the date of such termination pay Manager as liquidated damages the Early Termination Fee set forth in **Exhibit B** (the "**Early Termination Fee**"). Manager shall be authorized to pay Manager the Early Termination Fee from the Property Operating Account immediately upon termination.

(h) Manager's post-closing duties and obligations may span a period not to exceed sixty (60) days. During this period, Owner shall pay Manager the monthly Post – Closing Management Fee set forth in **Exhibit B** (the "**Post – Closing Management Fee**"). ## ARTICLE 19. NONSOLICITATION

21.02 This Agreement will bind and inure to the benefit of the parties to this Agreement and their respective heirs, executors, administrators, legal representatives, successors and assigns, except as this Agreement states otherwise.

21.03 Time is of the essence in this Agreement.

21.04 No delay or failure to exercise a right under this Agreement, nor a partial or single exercise of a right under this Agreement, will waive that right or any other under this Agreement.

21.05 This Agreement constitutes the parties' sole agreement and supersedes any prior understandings or written or oral agreements between them relating to its subject matter. Except as otherwise herein provided, any and all amendments, additions to or deletions from this Agreement or any Exhibits shall be null and void unless approved by the parties in writing.

21.06 This Agreement and the Exhibits attached hereto (which Exhibits are incorporated herein by this reference for all purposes) supersede and take the place of any and all previous management agreements entered into between the parties hereto relating to the Properties. 21.09 If there is a dispute between the parties, the parties agree that all questions as to the respective rights and obligations of the parties hereunder are subject to arbitration, which shall be governed by the rules of the American Arbitration Association (the "AAA Rules"). Any arbitration shall be strictly confidential between the parties, any arbitrator, and their respective attorneys and necessary and participating witnesses. In addition:

(a) If a dispute should arise under this Agreement, either party may within thirty (30) days make a demand for arbitration by filing a demand in writing with the other party.

(b) The parties may agree on one arbitrator, but in the event that they cannot agree, there shall be three arbitrators, one named in writing by each of the parties within fifteen (15) days after the demand for arbitration is made and a third to be chosen by the two named. Should either party refuse or neglect to join in the appointment of the arbitrators, the arbitrators shall be appointed in accordance with the provisions of the AAA Rules.

(c) All arbitration hearings, and all judicial proceedings to enforce any of the provisions of this agreement, shall take place in Bexar County, Texas. The hearing before the arbitrators on the matter to be arbitrated shall be at the time and place within Bexar County, Texas as selected by the arbitrators. Notice shall be given and the hearing conducted in accordance with the provisions of the AAA Rules. The arbitrators shall hear and determine the matter and shall execute and acknowledge their award in writing and deliver a copy to each of the parties by registered or certified mail.

**BASED UPON THE RECORD ESTABLISHED AT THE INTERIM HEARING AND THIS FINAL HEARING, THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW**:[4]

A. *Petition Date*. On May 19, 2025 (the "**Petition Date**"), the Kelly Hamilton DIP Loan Parties filed voluntary petitions under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the District of New Jersey ("**Court**"), commencing these Chapter 11 Cases.

B. *Debtors in Possession*. The Kelly Hamilton DIP Loan Parties continue to manage and operate their businesses and properties as debtors in possession pursuant to sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these Chapter 11 Cases. Elizabeth A. LaPuma, as the independent fiduciary and authorized representative for each of the Kelly Hamilton DIP Loan Parties (the "**Independent Fiduciary**"), has full corporate authority to act on behalf of, and legally bind, each of the Kelly Hamilton DIP Loan Parties in the DIP Documents.

[4] Findings of fact shall be construed as conclusions of law, and conclusions of law shall be construed as findings of fact, pursuant to Bankruptcy Rule 7052.

C. *Jurisdiction and Venue*. The Court has jurisdiction over the Motion, these Chapter 11 Cases, and the parties and property affected hereby pursuant to 28 U.S.C. § 1334. Venue for these Chapter 11 Cases is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b) and this Court may enter a final order consistent with Article III of the United States Constitution. The bases for the relief sought in the Motion and granted in this Final Order are sections 105, 361, 362, 363, 364, 503, 506, 507 and 552 of the Bankruptcy Code, Bankruptcy Rules 2002, 4001, 6004, and 9014, and Local Rule 4001-3.

D. *Committee*. As of the date hereof, no official committee of unsecured creditors has been appointed in these Chapter 11 Cases pursuant to section 1102 of the Bankruptcy Code (any such committee, the "**Official Committee**").

E. *Purpose and Necessity of Financing*. The Kelly Hamilton DIP Loan Parties require the financing described in the Motion and as expressly provided in the DIP Documents, the Interim Order and this Final Order (i) to pay costs, fees and expenses of the DIP Secured Parties, as provided for in the DIP Documents, the Interim Order and this Final Order, as well as all scheduled payments of interest and principal thereunder, (ii) to provide working capital for operations and real property improvements and for other general corporate purposes of the Kelly Hamilton DIP Loan Parties, and (iii) to satisfy the administrative expenses of these Chapter 11 Cases and other claims or amounts allowed by this Court. If this Final Order is not entered, the Kelly Hamilton DIP Loan Parties and hundreds of tenants subsidized by the U.S. Department of Housing and Urban Development ("**HUD**") will suffer immediate and irreparable harm.

F. *No Credit Available on More Favorable Terms*. The Kelly Hamilton DIP Loan Parties are unable to obtain financing or other financial accommodations from sources other than the DIP Lender on terms more favorable than those provided under the DIP Facility, the DIP Documents, the Interim Order and this Final Order. The Kelly Hamilton DIP Loan Parties are unable to obtain adequate unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code. The Kelly Hamilton DIP Loan Parties are also unable to obtain adequate secured credit for money borrowed under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Kelly Hamilton DIP Loan Parties granting (a) the DIP Liens as first priority priming liens on all DIP Collateral, (b) the Superpriority Claims, and (c) the rights, benefits and protections to the DIP Secured Parties. After considering all available alternatives, the Kelly Hamilton DIP Loan Parties have concluded, in the exercise of their sound business judgment, that the DIP Facility represents the best source of debtor-in-possession financing available to them at this time. Additionally, the terms of the DIP Facility are fair and reasonable and reflect the Kelly Hamilton DIP Loan Parties' exercise of prudent business judgment consistent.

G. *Kelly Hamilton DIP Loan Parties' Stipulations, Releases and Acknowledgements Regarding DIP Secured Parties*. Without prejudice to the rights of any other party in interest (but subject to the limitations thereon contained in paragraph 17 below), and after consultation with their attorneys, and in exchange for and as a material inducement for receiving this DIP Facility, the Kelly Hamilton DIP Loan Parties, for themselves, their estates and all representatives of such estates, admit, stipulate, acknowledge and agree as follows in this paragraph G:

a. *No Control*. b. *Priming DIP Liens*. Pursuant to sections 364(d) of the Bankruptcy Code, the DIP Liens shall be valid, binding, continuing, enforceable, non-avoidable, fully and automatically perfected liens and security interests in all DIP Collateral (other than as described in subparagraph (a) above), which DIP Liens (a) shall be subject and subordinate only to the Carve-Out and the Purported Spano Judgment Lien, and (b) shall be senior to any and all other liens and security interests in DIP Collateral, including, without limitation, all liens and security interests in any DIP Collateral that would otherwise be subject to the Prepetition Liens. For the avoidance of doubt, the DIP Liens are senior to and prime any and all other liens and security interests in the Kelly Hamilton Property, with the understanding that the indebtedness secured by the Prepetition Liens held by KH Lender will be paid in full contemporaneously with the draw of the DIP Facility Amount under the DIP Facility and from proceeds of the DIP Facility.

c. *DIP Liens Senior to Other Liens*. Except to the extent expressly permitted hereunder, subject to the Carve-Out and the Purported Spano Judgment Lien, the DIP Liens and the Superpriority Claims shall not be made subject to or pari passu with (a) any lien, security interest, or claim granted in any of the Chapter 11 Cases or any Successor Cases, including any lien or security interest granted in favor of any federal, state, municipal, or other governmental unit (including any regulatory body), commission, board or court for any liability of the Kelly Hamilton DIP Loan Parties, (b) any lien or security interest that is avoided and preserved for the benefit of the Kelly Hamilton DIP Loan Parties and their estates under section 551 of the

Bankruptcy Code or otherwise, (c) any intercompany or affiliate claim, lien or security interest of the Kelly Hamilton DIP Loan Parties or their affiliates, or (d) any other lien, security interest or claim arising under section 363 or 364 of the Bankruptcy Code granted on or after the date hereof.

10. ***Maintenance of DIP Collateral***. Until such time as all DIP Obligations are paid in full (or as otherwise agreed in writing by the DIP Lender), the Kelly Hamilton DIP Loan Parties shall continue to maintain all property, operational, and other insurance as required and as specified in the DIP Documents. Effective immediately upon entry of the Interim Order and this Final Order, the DIP Agent, for the benefit of itself and the applicable DIP Secured Parties, shall automatically be deemed to be named as additional insured and lender loss payee under each insurance policy maintained by the Kelly Hamilton DIP Loan Parties that in any way relates to the DIP Collateral (including all property damage and business interruption insurance policies of the Kelly Hamilton DIP Loan Parties, whether expired, currently in place, or to be put in place in the future), and shall act in that capacity.

11. ***Cash Management***. Until such time as all DIP Obligations and Prepetition Obligations are paid in full, the Kelly Hamilton DIP Loan Parties shall also maintain the cash management system in effect as of the Petition Date, as modified by this Final Order and any order of the Court authorizing the continued use of the cash management system that is reasonably acceptable to the DIP Lender. The Kelly Hamilton DIP Loan Parties shall open the new deposit or securities accounts provided in the DIP Documents and make deposits in accordance with the DIP Documents, including the Escrow Account. The Kelly Hamilton DIP Loan Parties shall not open

any new deposit or securities account that is not subject to the liens and security interests of each of the DIP Secured Parties; provided, however, if the Kelly Hamilton DIP Loan Parties do open such accounts then, in each case they shall be subject to the lien priorities and other provisions set forth in this Final Order.

12. ***Fees***. Effective immediately upon the entry of the Interim Order and this Final Order, all fees paid and payable and costs or expenses reimbursed or reimbursable by the Kelly Hamilton DIP Loan Parties to the DIP Secured Parties are hereby approved. The Kelly Hamilton DIP Loan Parties are hereby authorized and directed to promptly pay all such fees, costs, and expenses (including, without limitation, all due diligence, transportation, computer, duplication, messenger, audit, insurance, appraisal, valuation and consultant costs and expenses, and all search, filing and recording fees, incurred or sustained by the DIP Lender and its counsel and professional advisors in connection with the DIP Facility, the DIP Documents or the transactions contemplated thereby, the administration of the DIP Facility and any amendment or waiver of any provision of the DIP Documents) on demand, without the necessity of any further application with the Court for approval or payment of such fees, costs or expenses, subject to receiving a written invoice thereof. Notwithstanding anything to the contrary herein, the fees, costs and expenses of the DIP Secured Parties under the terms of the DIP Documents, whether incurred prior to or after the Petition Date are deemed fully earned, non-refundable, irrevocable, and non-avoidable as of the date of the entry of this Final Order. All unpaid fees, costs, and expenses shall be included and constitute part of the principal amount of the DIP Obligations and be secured by the DIP Liens.

None of such fees, costs, expenses or other amounts shall be subject to further application to or approval of this Court, and shall not be subject to allowance or review by this Court or subject to the U.S. Trustee's fee guidelines, and no attorney or advisor to the DIP Lender shall be required to file an application seeking compensation for services or reimbursement of expenses with this Court; *provided, however*, that copies of any such invoices shall be provided contemporaneously to the U.S. Trustee and counsel to any Official Committee (if one exists) (together with the Kelly Hamilton DIP Loan Parties and counsel to the Ad Hoc Group of Holders of Crown Capital Notes, the "**Review Parties**") and such invoices shall include a general description of the nature of the matters worked on, a list of professionals who worked on the matter, their hourly rate (if such professionals bill at an hourly rate), the number of hours each professional billed and, with respect to the invoices of law firms, the year of law school graduation for each attorney; provided, however, that the U.S. Trustee reserves the right to seek copies of invoices containing the detailed time entries of any professional; *provided further, however*, that such invoices may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute a waiver of the attorney-client privilege or any benefits of the attorney work product doctrine (the U.S. Trustee shall be provided with unredacted copies of such invoices upon request). Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the affected professional within ten (10) calendar days after delivery of such invoices

to the Review Parties (such ten (10) day calendar period, the "**Review Period**"). If no written objection is received prior to the expiration of the Review Period from the Review Parties, the Kelly Hamilton DIP Loan Parties shall pay such invoices within five (5) calendar days following the expiration of the Review Period. If an objection is received within the Review Period, the Kelly Hamilton DIP Loan Parties shall promptly pay the undisputed amount of the invoice within five (5) calendar days, and the disputed portion of such invoice shall not be paid until such dispute is resolved by agreement between the affected professional and the objecting party or by order of this Court. Any hearing to consider such an objection to the payment of any fees, costs or expenses set forth in a professional fee invoice hereunder shall be limited to the reasonableness of the fees, costs and expenses that are the subject of such objection. All such unpaid fees, costs, expenses and other amounts owed or payable to the DIP Lender shall be secured by the DIP Collateral and afforded all of the priorities and protections afforded in the DIP Loan Documents) and this Final Order. Notwithstanding anything to the contrary herein, subject to and effective upon entry of the Final Order granting such relief, and subject to the above concerning payments to attorneys or advisors to the DIP Lender, the fees, costs and expenses of the DIP Secured Parties under the terms of the DIP Documents, whether incurred prior to or after the Petition Date shall be deemed fully earned, non-refundable, irrevocable, and non-avoidable . All unpaid fees, costs, and expenses shall be included and constitute part of the principal amount of the DIP Obligations and be secured by the DIP Liens.

13. ***Authority to Execute and Deliver Necessary Documents***.

a. Effective immediately upon the entry of the Interim Order and this Final Order, all of the DIP Liens shall be effective and perfected and without the necessity of the execution of mortgages, security agreements, pledge agreements, financing statements, or other agreements.

b. Each of the Kelly Hamilton DIP Loan Parties are hereby further authorized and directed to (i) promptly perform all of its obligations under the DIP Documents and this Final Order, and such other agreements as may be required by the DIP Documents and this Final Order to give effect to the terms of the financing provided for therein and in this Final Order, and (ii) perform all acts required under the DIP Documents and this Final Order.

c. The Kelly Hamilton DIP Loan Parties shall promptly execute all documents and take all actions required to effectuate the DIP Documents and this Final Order, including, without limitation, executing all instruments which may be requested by the DIP Secured Parties and in accordance with the DIP Documents.

d. All obligations under the DIP Documents, the Interim Order and this Final Order shall constitute valid and binding obligations of each of the Kelly Hamilton DIP Loan Parties enforceable against each of them, and each of their successors and assigns, in accordance with their terms and the terms of this Final Order. No obligation, payment, transfer, or grant of a security interest under the DIP Documents, the Interim Order or this Final Order shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law or

subject to avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance, impairment, or any Challenge.

14. ***Amendments, Consents, Waivers, and Modifications***. The Kelly Hamilton DIP Loan Parties, with the express written consent of the DIP Lender, may enter into any amendments, consents, waivers, supplements, or modifications to the DIP Documents without the need for further notice and hearing or any order of this Court, provided that such amendments, consents, waivers, or modifications do not shorten the Maturity Date (as defined below), increase commitments or the rate of interest payable under the DIP Documents and this Final Order, require the payment of a fee, change any Event of Default, add any covenants, or amend the covenants in the DIP Documents and this Final Order to be materially more restrictive; *provided*, *however*, that the Debtors shall provide notice (which shall be provided through electronic mail) to counsel to the Official Committee (if appointed), to the U.S. Trustee, and counsel to the Ad Hoc Group of Holders of Crown Capital Notes (collectively, the "**Amendment Notice Parties**"), each of whom shall have five (5) business days from the date of such notice to object in writing to any such amendment, consent, waiver, supplement, or other modification. If all Amendment Notice Parties indicate that they have no objection to the amendment, modification or supplement (or if no objections are timely received), the Debtors may proceed to execute the amendment, modification or supplement, which shall become effective immediately upon execution. If an Amendment Notice Party timely objects to such amendment, modification or supplement, approval of the Court

(which may be sought on an expedited basis) will be necessary to effectuate the amendment, modification or supplement; provided that such amendment, modification or supplement shall be without prejudice to the right of any party in interest to be heard. Any modification, amendment, or supplement that becomes effective in accordance with this paragraph shall be filed with the Court.

15. ***Approved Budget; Use of Proceeds and Cash Collateral***. Subject to the terms and conditions of this Final Order and the DIP Documents, the Kelly Hamilton DIP Loan Parties shall be and are hereby authorized to use Cash Collateral in accordance with, and solely and exclusively for the disbursements set forth in, the Approved Budget attached to **Exhibit C** to this Final Order. The DIP Lender's consent to the use of Cash Collateral is subject to the Kelly Hamilton DIP Loan Parties' compliance with the Approved Budget, which budget shall depict, on a weekly basis and line item basis, (i) projected cash receipts, (ii) projected disbursements, and (iii) net cash flow, for the first thirteen (13) week period from the Petition Date. The budget shall be updated, modified, or supplemented by the Kelly Hamilton DIP Loan Parties not less than one time in each four (4) consecutive week period, and each such updated, modified, or supplemented budget shall be approved in writing (including by email) by, and shall be in form and substance satisfactory to, the DIP Lender, and no such updated, modified or supplemented budget shall be effective until so approved. The Kelly Hamilton DIP Loan Parties shall not permit aggregate expenditures under the Approved Budget to exceed one hundred and fifteen percent (115%) of the total budgeted expenses or aggregate cash receipts under the Approved Budget to be less than eighty-five percent (85%) of

the total budgeted cash receipts ("**Permitted Variances**"), in each case calculated on a rolling two-week basis commencing as of the Petition Date; *provided*, *however*, that the cash disbursements considered for determining compliance with this covenant shall exclude disbursements in respect of (x) restructuring professional fees and expenses and (y) restructuring charges arising on account of the Chapter 11 Cases, including payments made to vendors that qualify as "Critical Vendors" and interest due under the existing mortgage on the Kelly Hamilton Property. Any material modifications to the Approved Budget must be filed with the Court on notice to parties-in-interest, and any non-material modifications to the Approved Budget shall be sent to the U.S. Trustee and counsel to the Official Committee (if any).

16. ***Financial Reporting***. After entry of the Final Order, the Kelly Hamilton DIP Loan Parties shall provide to the DIP Lender, counsel to the Official Committee (if any), and counsel to the Ad Hoc Group of Crown Capital Notes, as soon as available but no later than 5:00 p.m. Eastern Time on the last Friday of the rolling two-week period, a budget variance and reconciliation report ("**Financial Report**") setting forth: (i) a comparative reconciliation, on a line-by-line basis, of actual cash receipts and disbursements against the cash receipts and disbursements forecast in the Approved Budget, and (ii) the percentage variance of the aggregate receipts and aggregate disbursements, for (A) the rolling two-week period ended on (and including) the last Sunday of the two-week reporting period and (B) the cumulative period to date, (iii) projections for the following nine weeks, including a rolling cash receipts and disbursements forecast for such period and (iv) such other information requested from time to time by DIP Lender in accordance with the

terms and conditions of the DIP Documents.

17. ***Effect of Stipulations on Third Parties***.

a. Effective immediately upon entry of the Interim Order and this Final Order the Kelly Hamilton DIP Loan Parties' stipulations, admissions, waivers, releases, and indemnities with respect to the Released Parties, shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases and any other person or entity acting or seeking to act on behalf of the Kelly Hamilton DIP Loan Parties' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Kelly Hamilton DIP Loan Parties, in all circumstances and for all purposes unless: (i) such committee or any other party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, inter alia, in this paragraph) by the earlier of (a) the deadline to object to confirmation of the chapter 11 plan for the Kelly Hamilton Debtors or a sale of all or substantially all of the Kelly Hamilton Debtors' assets and (b) sixty (60) calendar days after entry of the Final Order (the "**Challenge Period**"); *provided* that any party in interest and the Official Committee, if any, reserves the right to seek relief to modify the Challenge Period or oppose such requested relief; *provided further* that if, prior to the end of the Challenge Period, (x) the cases convert to chapter 7, or (y) if a chapter 11 trustee is appointed, then, in each such case, the Challenge Period shall be extended for the Chapter 7 trustee or the Chapter 11 trustee to forty-five

(45) days after their appointment or (B) such other time as ordered by the Court solely with respect to any such trustee, commencing on the occurrence of either of the events discussed in the foregoing clauses (x) and (y); (ii) such committee or any other party in interest with requisite standing (subject in all respects to any agreement or applicable law that may limit or affect such entity's right or ability to do so) has timely filed an adversary proceeding or contested matter (subject to the limitations contained herein, including, inter alia, in this paragraph) seeking to avoid, object to, or otherwise challenge the findings or Kelly Hamilton DIP Loan Parties' Stipulations regarding: (a) the validity, enforceability, extent, priority, or perfection of the mortgages, security interests, and liens of the Prepetition Lender; (b) the validity or enforceability of any releases or indemnities contained in this Final Order; or (c) the validity, enforceability, allowability, priority, secured status, or amount of the Prepetition Secured Obligations (any such claim, a "**Challenge**"); and (iii) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge in any such timely filed adversary proceeding or contested matter; *provided*, *however*, that any pleadings filed in connection with any Challenge shall set forth with specificity the basis for such challenge or claim and any challenges or claims not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released and barred.

obligations of the Prepetition Secured Obligations shall constitute allowed claims not subject to defense, claim, counterclaim, recharacterization, subordination, recoupment, offset or avoidance, for all purposes in the Chapter 11 Cases, and any subsequent chapter 7 case(s); (iii) the Prepetition Liens on the Prepetition Secured Debt Collateral shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance or other defense; and (iv) the Prepetition Secured Obligations and the Prepetition Liens on the Prepetition Collateral shall not be subject to any other or further claim or challenge by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party in interest acting or seeking to act on behalf of the Kelly Hamilton DIP Loan Parties' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Kelly Hamilton DIP Loan Parties) and any defenses, claims, causes of action, counterclaims and offsets by any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases or any other party acting or seeking to act on behalf of the Kelly Hamilton DIP Loan Parties' estates, including, without limitation, any successor thereto (including, without limitation, any chapter 7 trustee or chapter 11 trustee or examiner appointed or elected for any of the Kelly Hamilton DIP Loan Parties), whether arising under the Bankruptcy Code or otherwise, against any of the Released Parties arising out of or relating to any of the Prepetition Secured Obligations, the Prepetition Liens and the Prepetition Collateral shall be deemed forever waived, released and barred.

c. If any such Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases with respect to the Released Parties contained in this Final Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any statutory or nonstatutory committee appointed or formed in the Chapter 11 Cases and on any other person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Final Order vests or confers on any Person (as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Kelly Hamilton DIP Loan Parties or their estates, including, without limitation, Challenges with respect to the Prepetition Secured Obligations, or the Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay the Chapter 11 Cases or confirmation of any plan of reorganization.

d. For the avoidance of doubt, any trustee appointed or elected in these Chapter 11 Cases shall, until the expiration of the period provided herein for asserting Challenges, and thereafter for the duration of any adversary proceeding or contested matter commenced pursuant to this paragraph (whether commenced by such trustee or commenced by any other party in interest on behalf of the Debtors' estates), be deemed to be a party other than the Debtors and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgments, admissions, confirmations and stipulations of the Debtors in this Final Order.

Nothing in this Final Order vests or confers on any person (as defined in the Bankruptcy Code), including, without limitation, any Official Committee appointed in the Chapter 11 Cases, standing or authority to pursue any cause of action belonging to the Kelly Hamilton Debtors or their estates, including, without limitation any challenges (including a Challenge) with respect to the Prepetition Liens, or Prepetition Secured Obligations, and a separate order of the Court conferring such standing on any Official Committee or party-in-interest shall be a prerequisite for the prosecution of a Challenge by such Official Committee (if any) or such other party-in-interest. The filing of a motion seeking standing to file a Challenge action before the Challenge Period, which attaches a proposed Challenge action, shall extend the Challenge Period with respect to that party until two (2) business days after the Court approves the standing motion, or such other time period ordered by the Court in approving the standing motion. The DIP Lenders stipulate and agree that each of the DIP Lenders will not raise as a defense in connection with any Challenge the ability of creditors to file derivative suits on behalf of limited liability companies. For the avoidance of doubt, as to the Debtors, upon entry of this Final Order, all Challenges, and any right to assert any Challenge, are hereby irrevocably waived and relinquished as of the Petition Date, and the Debtors' Stipulations shall be binding in all respects on the Debtors irrespective of the filing of any Challenge.

18. ***Maturity Date***. The maturity date ("**Maturity Date**") shall be the earliest to occur of (i) November 30, 2025; (ii) the closing date following entry of one or more final orders approving the Kelly Hamilton Restructuring Transaction (as defined below); (iii) the acceleration

of any of the outstanding DIP Obligations following the occurrence of an Event of Default; (iv) the filing of a chapter 11 plan which is inconsistent with terms of this Final Order or the DIP Documents; or (v) entry of an order by the Court in the Chapter 11 Cases either (a) dismissing one or more Chapter 11 Cases or converting one or more Chapter 11 Cases to chapter 7 of the Bankruptcy Code, (b) determining not to authorize or approve the DIP Liens or the DIP Documents in accordance with their terms, or (c) appointing a chapter 11 trustee or an examiner with enlarged powers relating to the operation of the business of the Kelly Hamilton DIP Loan Parties (*i.e.*, powers beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code), in each case without the consent of the DIP Lender; *provided, however*, that to the extent that the Kelly Hamilton DIP Loan Parties, with the DIP Lender's prior written consent, effectuate a Kelly Hamilton Restructuring Transaction as a sale under section 363 of the Bankruptcy Code, rather than under the Chapter 11 Plan, the Maturity Date shall be abated pending confirmation of the Chapter 11 Plan and consummation of the Chapter 11 Plan. All amounts outstanding under the DIP Facility shall be due and payable in full, and the DIP Commitments thereunder shall terminate on the Maturity Date.

19. ***Events of Default***. Subject to any applicable grace period, the occurrence of any of the following events, unless waived, as applicable and in accordance with the terms of the applicable DIP Documents, by the DIP Secured Parties, shall constitute an event of default (each, an "**Event of Default**" and collectively, the "**Events of Default**") under the DIP Facility: (a) the failure of the Kelly Hamilton DIP Loan Parties to perform, in any material respect, any of the

terms, provisions, conditions, covenants, or obligations under this Final Order; or (b) the occurrence of an "Event of Default" under the DIP Credit Agreement and/or the DIP Loan Documents.

20. ***Remedies Upon Event of Default***. Upon the occurrence of and during the continuance of an Event of Default, (i) the Kelly Hamilton DIP Loan Parties shall be bound by all restrictions, prohibitions and other terms as provided in this Final Order and the DIP Documents, and (ii) the DIP Secured Parties, shall be entitled to take any act or exercise any right or remedy as provided in this Final Order or the DIP Documents, including, without limitation, suspending or immediately terminating the DIP Facility; *provided*, *however*, that in the case of the enforcement of rights pursuant to this paragraph, the DIP Secured Parties shall provide counsel to the Kelly Hamilton DIP Loan Parties, counsel to any Official Committee (if any), counsel to the Ad Hoc Group of Crown Notes, and the U.S. Trustee with five (5) business days' prior written notice (such period, the "**Remedies Notice Period**"). Immediately upon the expiration of the Remedies Notice Period, the Court shall hold an emergency hearing when the Court is available (the "**Enforcement Hearing**") at which the Kelly Hamilton DIP Loan Parties, any Official Committee, and/or any other party in interest shall be entitled to seek a determination from the Court solely as to whether an Event of Default has occurred, and at the conclusion of the Enforcement Hearing, the Court may fashion an appropriate remedy that is consistent with the terms of this Final Order. Notwithstanding anything to the contrary herein, no enforcement rights set forth in this paragraph shall be exercised prior to the Court holding an Enforcement Hearing, subject to Court availability,

and the expiration of the Remedies Notice Period, and the Remedies Notice Period shall not expire until the conclusion of the Enforcement Hearing and the issuance of a ruling by the Court if such Enforcement Hearing is conducted by the Court.

21. ***No Waiver by Failure to Seek Relief***. The failure or delay of the DIP Lender to seek relief or otherwise exercise its respective rights and remedies under the Interim Order, this Final Order, the DIP Documents, or applicable law, shall not constitute a waiver of any rights.

22. ***Automatic Stay Modified***. Effective immediately upon the entry of the Interim Order and this Final Order, the automatic stay provisions of section 362 of the Bankruptcy Code hereby are, to the extent applicable, vacated, and modified to the extent necessary without the need for any further order of this Court, to permit: (a) the Kelly Hamilton DIP Loan Parties to grant the DIP Liens and the Superpriority Claims, and to perform such acts as the DIP Secured Parties may request to assure the perfection and priority of the DIP Liens; (b) the Kelly Hamilton DIP Loan Parties to incur all liabilities and obligations, including all of the DIP Obligations, to the DIP Secured Parties as contemplated under this Final Order and the DIP Documents; (c) the Kelly Hamilton DIP Loan Parties to pay all amounts required hereunder and under the DIP Documents; (d) the DIP Secured Parties to retain and apply payments made in accordance with the terms of this Final Order and the DIP Documents; (e) subject to the Remedies Notice Period, the DIP Secured Parties to exercise, upon the occurrence and during the continuance of any Event of Default, all rights and remedies provided for in this Final Order, the DIP Documents, or applicable law; (f) to perform under this Final Order and the DIP Documents, and to take any and all other

actions that may be required, necessary, or desirable for the performance by the Kelly Hamilton DIP Loan Parties under this Final Order and the DIP Documents and the implementation of the transactions contemplated hereunder and thereunder, and (g) the implementation of all of the terms, rights, benefits, privileges, remedies, and provisions of this Final Order and the DIP Documents.

23. ***Subsequent Reversal or Modification***. This Final Order is entered pursuant to section 364 of the Bankruptcy Code, and Bankruptcy Rules 4001(b) and (c), granting the DIP Secured Parties all protections afforded by section 364(e) of the Bankruptcy Code. The reversal or modification on appeal of an authorization under this section to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

24. ***Collateral Rights***. In the event that any person or entity that holds a lien or security interest in DIP Collateral of the Kelly Hamilton DIP Loan Parties or their estates that is junior or subordinate to the DIP Liens in such DIP Collateral of the Kelly Hamilton DIP Loan Parties or their estates receives or is paid the proceeds of such DIP Collateral of the Kelly Hamilton DIP Loan Parties or their estates, or receives any other payment with respect thereto from any other source, other than the payment in full of the Prepretition Lender as contemplated herein and the Prepetition Lender's subsequent use of such funds, prior to indefeasible payment in full in cash

and the complete satisfaction of all DIP Obligations under the DIP Documents and this Final Order, and termination of the commitments in accordance with the DIP Documents and this Final Order, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such DIP Collateral of the Kelly Hamilton DIP Loan Parties or their estates in trust for the DIP Secured Parties, and shall immediately turnover such proceeds to the DIP Secured Parties for application in accordance with the DIP Documents and this Final Order.

25. ***No Third Party Beneficiary***. Except as explicitly set forth herein, no rights are created hereunder for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

26. ***Rights Under Section 363(k)***. The DIP Lender shall have the right to credit bid all or any portion of the DIP Loan balance in any sale under section 363 of the Bankruptcy Code or the Chapter 11 Plan as provided for in section 363(k) of the Bankruptcy Code, in accordance with the terms of the DIP Documents and this Final Order without the need for further Court order authorizing the same, which purchase shall include the right of the DIP Lender to request that the Kelly Hamilton DIP Loan Parties assume the HAP Contract (as defined in the DIP Term Sheet) and assign the HAP Contract to the DIP Lender (subject to HUD approval).

27. ***Limitation on Charging Expenses Against DIP Collateral***. Effective as of the Petition Date, no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (except to the

extent of the Carve-Out) or the DIP Secured Parties, pursuant to sections 105(a) or 506(c) of the Bankruptcy Code or any similar principle of law or equity, without the prior written consent of the DIP Secured Parties, and no such consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties.

28. ***No Marshaling***. Effective as of the Petition Date, the DIP Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral, and proceeds of the DIP Collateral shall be received and applied pursuant to this Final Order and the DIP Documents, notwithstanding any other agreement or provision to the contrary; *provided*, *however*, that proceeds from the DIP Lender Litigation Claims shall be used to satisfy the DIP Obligations only after the exhaustion of all other DIP Collateral.

29. ***Equities of the Case***. The DIP Secured Parties shall be entitled to all the rights and benefits of section 552(b) of the Bankruptcy Code with respect to proceeds, product, offspring, or profits of any of the DIP Collateral, and, effective as of the Petition Date but subject to and effective upon entry of the Final Order granting such relief and the terms thereof, the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the DIP Secured Parties with respect to proceeds, product, offspring, or profits of any of the DIP Collateral.

30. ***Indemnification***. Subject only to the rights and limitations of any third party under paragraph 17 of this Final Order, effective upon the entry of this Final Order, the Kelly Hamilton DIP Loan Parties shall protect, defend, indemnify, and hold harmless the Indemnified Parties for, from and against any and all claims, suits, liabilities, losses, costs, expenses (including reasonable,

out-of-pocket attorneys' fees and costs) imposed upon or incurred by or asserted against any Indemnified Party arising out of or relating to the Kelly Hamilton DIP Loan Parties (and any successors and assigns, and any subsidiaries or affiliates), prior loans, mortgages, all Avoidance Actions, the DIP Documents or the transactions contemplated thereby, except for those arising out of the fraud, willful misconduct or gross negligence of an Indemnified Party as determined by a non-appealable court order. Indemnification under this provision shall include the right of advancement for any indemnified claim or expense, subject to prompt notice by DIP Lender and approval by the Court after notice and a hearing, and any costs and expenses incurred in the enforcement of any binding provisions of the DIP Documents.

31. ***Release***. | **Events of Default** | The events of default in the Loan Documents shall be usual and customary for a DIP Loan of this nature including, without limitation, failure to make debt-service or other payments when due pursuant to the Loan Documents; failure of the Debtors to make deposits into the required accounts for which the Debtors are required to make such deposits; breach of any covenant; breach of representations and warranties; any action by the U.S. Department of Justice to initiate forfeiture proceedings against any asset owned either partially or entirely by any Debtor; judgments and attachments; making payments outside of the Approved Budget; failure to file and confirm the Chapter 11 Plan; and the filing of a chapter 11 plan inconsistent with this Term Sheet. |
| **Bankruptcy Court Filings** | As soon as practicable in advance of filing with the Bankruptcy Court, Debtors shall furnish to the DIP Lender (i) the motion seeking approval of and proposed form of the DIP Orders, which motion shall be in form and substance reasonably satisfactory to the DIP Lender; (ii) as applicable, any motions seeking approval of bidding procedures and any section 363 sale, and the proposed forms of orders related thereto, which shall be in form and substance reasonably satisfactory to the DIP Lender; and (iii) any motion and proposed form of order filed with the Bankruptcy Court relating to any management equity plan, incentive, retention or severance plan, and/or the assumption, rejection, modification or amendment of any material contract (each of which must be in form and substance reasonably satisfactory to the DIP Lender). |

The foregoing indemnity shall include, without limitation, any costs and expenses incurred in the enforcement of any binding provisions of this Term Sheet. This indemnification provision shall survive in the event the Bankruptcy Court fails to approve the DIP Facility.<br><br>The consideration for this indemnification and release is the DIP Lender's agreement, subject to approval by the Bankruptcy Court, to enter into the DIP Facility as provided in this Term Sheet. |
| **Third-Party Release of Indemnified Parties** | The Debtors agree that the Chapter 11 Plan filed with the Bankruptcy Court will include a third-party release of the Indemnified Parties subject to the right of third parties affected by such release to "opt out" of the release. For the avoidance of any doubt, the Debtors shall not be obligated under this Term Sheet to file or seek approval of a chapter 11 plan that includes a non-consensual third-party release of any person or entity. |
| **Stalking Horse Purchase Agreement** | The DIP Lender shall be entitled, subject to approval by the Bankruptcy Court, to enter into a stalking horse purchase agreement with respect to the Kelly Hamilton Debtor's assets under section 363 of the Bankruptcy Code. Subject to entry of the Interim Order and execution of a stalking horse purchase agreement for the Debtors' assets under section 363 of the Bankruptcy Code or the Chapter 11 Plan, the Debtors agree to seek approval of a reasonable stalking horse break-up fee of $250,000 to the DIP Lender to compensate the DIP Lender for out of pocket due diligence expenses, among other costs. |
| **Fiduciary Duties** | No term of this Term Sheet to the contrary, the Debtors shall have the right to take any action (or to refuse to take any action) to the extent that the Debtors determine that taking any such action (or declining to take any such action) is consistent with the Debtors' fiduciary duties. |

*Additional Agreement Terms*

**Closing Fees, Costs, and Expenses:** Subject to approval of the DIP Facility by the Bankruptcy Court, whether or not the transaction contemplated herein closes, subject to available liquidity, the Kelly Hamilton Debtor shall be obligated to pay all of DIP Lender's out-of-pocket fees, costs and expenses (in each case, without markup) related to this transaction, including, without limitation, the fees and expenses of DIP Lender's outside counsel, title report fees and costs, survey costs, and costs incurred in obtaining and/or reviewing due diligence materials, including, without limitation, environmental and engineering reports and travel costs of DIP Lender's personnel or representatives.

**Waiver of Right to Trial by Jury**: Debtors, and by its acceptance hereof, DIP Lender, hereby expressly waive any right to trial by jury of any claim, demand, action or cause of action (1) arising under this Term Sheet, loan or DIP Funding or any other instrument, document or agreement executed or delivered in connection therewith, including, without limitation, any present or future modification thereof or (2) in any way connected with or related or incidental to the dealings of the parties hereto or any of them with respect to this Term Sheet (as now or hereafter modified) or the transaction related hereto, in each case whether such claim, demand, action or cause of action is new existing or hereafter arising, and whether sounding in contract or tort of otherwise; and each party hereby agrees and consents that any such claim, demand or cause of action shall be decided by a court trial without a jury.

**Break-up Fee:** In the event the Bankruptcy Court authorizes the Kelly Hamilton Debtor to obtain financing secured by the Kelly Hamilton Property from an alternative DIP lender (an "**Approved Alternative Financing Transaction**"), the Kelly Hamilton Debtor will immediately pay to the DIP Lender $250,000 (the "**Break-up Fee**"), which shall be an obligation of the Kelly Hamilton Debtor and payable upon, and solely from the proceeds of, the Approved Alternative Financing Transaction. Subject to approval of the DIP Facility by the Bankruptcy Court, the obligation of the Kelly Hamilton Debor to pay the Break-up Fee shall survive the termination of this Term Sheet.

DIP Lender has specifically advised Debtors that it is devoting considerable internal resources to successfully consummate a transaction as contemplated in this Term Sheet and as such, it is not only expending meaningful costs and expenses in addition to reimbursable third-party out-of-pocket expenses, but, also and more importantly, foregoing other investment opportunities. To address this significant financial commitment to be made by DIP Lender, prior to the execution of this Term Sheet, the parties hereto have (i) discussed a potential determination of DIP Lender's damages in the event that Debtors were to breach the exclusivity provision set forth herein, and (ii) concluded that such determination is difficult and impractical as of the date of this Term Sheet. Therefore, given such discussions between the parties, which are hereby expressly acknowledged and confirmed, Debtors agree that the amount of the applicable Break-up Fee is a reasonable estimate of DIP Lender's damages as of the date of this Term Sheet and provides a satisfactory alternative to Debtor's performance of its obligations under the "Exclusivity" paragraph set forth above and is not intended as a penalty.

**Miscellaneous**: This Term Sheet shall be governed, construed and interpreted in accordance with the laws of the State of New York and any action brought regarding this Term Sheet must be brought in a state or federal court in New York, New York. The United States Bankruptcy Court for the District of New Jersey shall have exclusive jurisdiction over any matters involving this Term Sheet or the transactions contemplated by this Term Sheet. The Debtors hereby represent, warrant, covenant and agree that: (i) each Debtor has the power and authority to execute this Term Sheet, to bind Debtors hereunder, (ii) the proposed transaction described herein is not the subject of a commitment or term sheet executed by Debtors from another lender; and (iii) no other party has a right of refusal or other option which could cause the DIP Facility not to be consummated.

IN WITNESS WHEREOF, the parties hereto have executed and agree to be bound by the terms set forth in this Term Sheet or caused the same to be executed by their respective duly authorized officers as of the day and year first above written.

# SENIOR SECURED SUPER PRIORITY DEBTOR-IN-POSSESSION CREDIT AGREEMENT

THIS SENIOR SECURED SUPER PRIORITY DEBTOR-IN-POSSESSION CREDIT AGREEMENT (this "**Agreement**") is made as of June [20], 2025, by and among 3650 SS1 Pittsburgh LLC, a Delaware limited liability company ("**Lender**"), and CBRM Realty Inc., a New York corporation ("**CBRM**"), Crown Capital Holdings, LLC, a Delaware limited liability company ("**Crown Capital**"), Kelly Hamilton Apts, LLC, a Delaware limited liability company ("**Kelly Hamilton Debtor**") and Kelly Hamilton Apts MM LLC ("**KH MM**"; together with CBRM, Crown Capital and Kelly Hamilton Debtor, collectively, the "**Borrowers**" and each, a "**Borrower**").

## RECITALS

**WHEREAS**, on May 19, 2025 (the "**Petition Date**"), CBRM (a "**Debtor**" and together with the other Borrowers, the "**Debtors**") filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the District of New Jersey (the "**Bankruptcy Court**"), commencing chapter 11 proceedings (collectively, the "**Chapter 11 Cases**"). The Chapter 11 Cases are being jointly administered under Case No. 25-15343;

**WHEREAS**, from and after the Petition Date, the Debtors continue to operate their business and manage their property as debtors and debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code;

**WHEREAS**, prior to the Petition Date, Kelly Hamilton Lender LLC, a Delaware limited liability company, as lender (in such capacity, the "**Prepetition Lender**"), provided certain financing to certain Borrowers, as borrowers (in such capacity, the "**Prepetition Borrowers**"), pursuant to that certain Loan and Security Agreement, dated as of September 20, 2024, (as amended, restated, amended and restated, supplemented or otherwise modified from time to time through the date hereof but prior to giving effect to this Agreement, the "**Prepetition Loan Agreement**").

**WHEREAS**, as of the Petition Date, the Prepetition Lender under the Prepetition Loan Agreements is owed $3,624,625 with respect to the Prepetition Loan Obligations (defined herein);

**WHEREAS**, Debtors seek to obtain and Lender has agreed to make available a senior secured, super-priority post-petition debtor-in-possession credit financing consisting of a new credit facility in an aggregate amount not to exceed $9,705,162 in accordance with the terms and conditions set forth in this Agreement and the Loan Documents (defined below) (collectively, the "**DIP Facility**") to provide the Debtors with the funds necessary to meet their working capital needs, repay certain of the Prepetition Loan Obligations, pay professional fees and expenses, and pay other expenses, all as set forth in the Budget;

**WHEREAS**, as security for the repayment of the loans made available pursuant hereto and payment of the other obligations of Debtors hereunder, Debtors have agreed to provide to Lender,

in each case, subject and subordinate to the Carve Out (as defined below), valid, perfected, and enforceable superpriority Liens (as defined below) on the Collateral (as defined below), senior to all other security interests in the Collateral, pursuant to section 364(c)(1) and (d)(1) of the Bankruptcy Code, which Liens are a material and necessary condition of Lender's willingness to provide the credit contemplated herein; and

**WHEREAS**, Lender's willingness to extend financial accommodations to Debtors as more fully set forth in this Agreement and the other Loan Documents, is done solely as an accommodation to Debtors and at Debtors' request and in furtherance of Debtors' enterprise.

## AGREEMENT

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Lender and Borrowers agree as follows:

## ARTICLE 1
## DEFINITIONS

1.1 Definition of Certain Terms. As used in this Agreement, the following terms shall have the meanings set forth below:

"Account Agreement" shall have the meaning set forth in Section 7.3(a) hereof.

"Advance" shall mean the Loan proceeds, or any part thereof, which may be disbursed by Lender to or for the account of Debtors pursuant to this Agreement, including, without limitation, the Initial Advance.

"Affiliate" of any Person shall mean (a) any other Person that, directly or indirectly, controls or is controlled by or is under common control with such Person, (b) intentionally omitted, and (c) with respect to Lender, any Person administered or managed by Lender, or an Affiliate or investment advisor thereof and that is engaged in making, purchasing, holding or otherwise investing in commercial loans. A Person shall be deemed to be "controlled" by another Person if such other Person possesses, directly or indirectly, power to direct or cause the direction of the management and policies of such Person whether by contract, ownership of voting securities, membership interests or otherwise (it being acknowledged that a Person shall not be deemed to lack control of another Person even though certain decisions may be subject to "major decision" consent or approval rights of limited partners, shareholders or non-managing members or representative body or bodies of the foregoing, as applicable).

(a) Loan. The Loan covered by this Agreement consists of Advances in the amount up to the Commitment Amount, in each such case conditioned upon there being no Event

of Default. All Advances shall be made in accordance with the Budget and shall include funds to establish the Escrow Account. The Loan and Advances shall be subject to the terms and conditions of this Agreement, the other Loan Documents and the Financing Orders. The Initial Advance and all subsequent Advances shall accrue interest at the Interest Rate (or Default Interest Rate, as applicable), and shall be repaid in accordance with this Agreement. The Loan is not a revolving credit loan, and Debtors are not entitled to any re-advances of any portion of the Loan that they may (or is otherwise required to) prepay pursuant to the provisions of this Agreement. Notwithstanding anything to the contrary set for in this Agreement or any of the other Loan Documents, Lender shall not be obligated to fund Advances in excess of the Commitment Amount.

(b) Note. The Loan shall be evidenced by a promissory note of even date herewith of Debtors, payable to Lender, in the aggregate principal amount of up to $9,705,162.00 (the "**Note**").

(c) Loss, Theft, Destruction or Mutilation of Note. In the event of the loss, theft or destruction of the Note, upon Debtors' receipt of an indemnification agreement and lost note affidavit executed in favor of Debtors by the holder of such Note, or in the event of the mutilation of the Note, upon the surrender of such mutilated Note by the holder thereof to Debtors, Debtors shall execute and deliver to such holder a new replacement Note in lieu of the lost, stolen, destroyed, or mutilated Note. Such replacement Note shall not be deemed a novation of the Loan and shall not negate the then-existing priority of the Security Instrument or any other of the Loan Documents.

(d) Use of Proceeds. Debtors shall use the proceeds of the Loan as set forth in Section 6.13.

2.2 Interest Rate.

(a) Interest Rate. Interest shall accrue on the outstanding principal balance of the Loan, together with any and all other amounts due and owing from Debtors to Lender, inclusive of the accrued interest, at the Interest Rate (such sums accrued, the "**Interest**"). Interest shall commence accruing under the Note as of the Interest Commencement Date.

(b) Calculation of Interest. Interest owing for each month shall be computed on the basis of a fraction, the denominator of which is three hundred sixty (360) and the numerator of which is the actual number of days elapsed from the first day of such month (or, for the month in which the Closing Date occurs, from the date of such advance). Debtors understand and acknowledge that such interest accrual method results in more interest accruing on the Loan than if the actual number of days and a three hundred sixty five (365) day year were used to compute the accrual of interest on the Loan.

(c) Late Fees. If Debtors fail to make any payment of interest or principal on the date on which the same is due (but excluding the failure to pay the outstanding principal amount on the Maturity Date), Borrower shall pay to Lender a late charge on such past due amount, as liquidated damages and not as a penalty, equal to five percent (5%) of such amount; however, in no event shall the interest charged exceed the maximum rate of interest allowed by applicable Legal Requirements, as amended from time to time. The foregoing late charge is intended to

compensate Lender for the expenses incident to handling any such delinquent payment and for the losses incurred by Lender as a result of such delinquent payment. Debtors agree that, considering all of the circumstances existing on the date this Agreement is executed, the late charge represents a reasonable estimate of the costs and losses Lender will incur by reason of late payment. Debtors and Lender further agree that proof of actual losses would be costly, inconvenient, impracticable, and extremely difficult to fix. Acceptance of the late charge shall not constitute a waiver of the default arising from the overdue installment and shall not prevent Lender from exercising any other rights or remedies available to Lender.

(d) Default Interest Rate. At all times after the occurrence and during the continuance of an Event of Default, interest on overdue payments and interest accruing during the continuance of an Event of Default shall accrue and bear interest at the Default Interest Rate.

(e) Maximum Rate. In the event that the application of any fee or other amount would cause the effective rate of interest on the Loan to be greater than the Maximum Rate, such fees shall be reduced such that the effective rate of interest on the Loan is equal to the Maximum Rate. For the avoidance of doubt, the fees shall not be included in the calculation of the Maximum Rate unless otherwise required by applicable Legal Requirements.

2.3 Terms of Payment.

(a) Interest Generally. For the period commencing on the Interest Commencement Date up to and including the Maturity Date, the outstanding principal balance and Interest shall be payable as follows:

(i) PIK Interest. PIK Interest on the Loan will accrue at the PIK Rate and be payable by increasing the principal balance of the Loan by an amount equal to the amount of PIK Interest for the applicable monthly interest period (the "**PIK Amount**"). Following an increase in the principal balance of the Loan as a result of the addition of the PIK Amount, the Loan will bear interest at the Interest Rate.

(ii) Current Pay Interest. Borrower shall pay to Lender, accrued, but unpaid, interest on the outstanding principal balance of the Loan (as the same may be increased in accordance with clause (a) above) at the Current Pay Rate ("**Current Pay Interest**") from the Interest Commencement Date through and including June 30, 2025. Commencing on August 1, 2025, and continuing on each payment date thereafter, Borrower shall pay Current Pay Interest in arrears in cash until all amounts due under the Loan Documents are paid in full.

(b) No Principal Amortization. The Loan shall be an interest only loan and Debtor shall not be required to make any regularly scheduled principal amortization payments.

(c) Maturity. On the Maturity Date, Debtors shall pay to Lender all outstanding principal, accrued and unpaid Interest, and any other amounts due under the Loan Documents.

(d) Application of Payments. So long as no Event of Default is continuing, except as otherwise expressly set forth herein or the other Loan Documents, all payments received by Lender under the Loan Documents shall be applied in the following order: (a) to any fees and

expenses due to Lender under the Loan Documents, including the Make-Whole Premium, if applicable; (b) to amounts owed under any Reserves (c) to any Current Pay Interest or late charges as provided in Section 2.3; (d) to accrued and unpaid interest; (e) to any other amounts due under the Loan Documents; and (f) to the outstanding principal balance. While any Event of Default is continuing, Lender may apply all payments to amounts then owing in any manner and in any order as determined by Lender.

(e) Place of Payment. All payments in respect of the Loan shall be paid by Borrower to Lender to the account or other place of payment designated by Lender in writing. Lender shall have the right to change the account to which payment is to be made or other place of payment from time to time in Lender's sole and absolute discretion, provided such change will not be effective as to Debtors until Debtors receive notice of such change in accordance with the notice provisions of this Agreement.

(f) Credit for Payments. Any payment made upon the outstanding principal balance of the Loan, or the accrued Interest thereon, shall be credited as of the Business Day received, provided that such payment is made by Debtors no later than 1:00 p.m. (New York Standard Time or New York Daylight Time, as applicable) and constitutes immediately available funds. Any payment made after such time or which does not constitute immediately available funds shall be credited as of the next Business Day upon such funds having become unconditionally and immediately available to Lender.

(g) Source of Payments. All payments in respect of this Agreement to be made by Debtors shall be made from an account solely in Debtors' name or an escrow to which Debtors are a party. If Lender receives payments from any other account or escrow, Lender may in its sole and absolute discretion, return the payment to such other Person or Persons having made such payment. Payments from accounts not solely in Debtors' name or an escrow to which Debtors are a party shall be deemed non-payment and Lender shall have all rights and remedies for such non-payment, including, without limitation, the continuing accrual of Interest at the applicable Interest Rate.

2.4 Prepayment.

(a) Optional Prepayments. Debtors may prepay the Loan in whole or in part at any time upon delivery of written notice to Lender no later than 5:00 p.m. (New York Standard Time or New York Daylight Time, as applicable) three (3) Business Days prior to the date of such prepayment (or such later time as Lender may agree to in writing in its sole discretion). Any amounts so prepaid may not be reborrowed.

(b) Mandatory Prepayments. Until the Loan and the Obligations have been indefeasibly paid and performed in full, Borrowers shall pay the following amounts over to Lender upon receipt as follows, provided that any sale or resolution of an insurance claim shall require the advance written consent of the Lender in its sole and absolute discretion:

(i) 100% of the net cash proceeds of a Sale Transaction, or any other sale or disposition of all or substantially all of any Debtor's assets pursuant to section 363 of the Bankruptcy Code;

(ii) 100% of the net cash proceeds of any other sale or other disposition by any Debtor of any assets outside the ordinary course of business;

(iii) 100% of the net cash proceeds from any casualty event or in connection with any eminent domain or condemnation proceeding (or settlement thereof);

(iv) 100% of the net cash proceeds of extraordinary receipts (including tax refunds, indemnity payments and insurance proceeds not included as proceeds of asset dispositions) by any Debtor; and

(v) 100% of the net cash proceeds from any indebtedness incurred after the Closing Date that is not permitted hereunder or under the other Loan Documents or on account of a Qualified Estate Litigation Assets Transaction.

(c) Prepayments Generally. In the event of any such prepayment of the Loan, any amounts prepaid shall be retired from the credit extended pursuant to this Agreement, and the Commitment Amount shall be reduced by the amount of principal that is prepaid. In the event that Debtors prepay the Loan, such prepayment shall first be applied in accordance with Section 2.3(d). If Debtors are prepaying the Loan in full, then, in addition to the outstanding principal amount of the Loan, Borrower shall also pay: (i) the Make-Whole Premium, if applicable; (ii) any other fees or expenses then due and payable; and (iii) accrued, but unpaid Interest on the outstanding principal amount of the Loan as of the Prepayment Date.

No Borrower will take any action that might cause this Agreement, the other Loan Documents, the Financing Orders or any document or instrument delivered pursuant hereto or thereto to violate any regulation of the Board of Governors of the Federal Reserve System of the United States.

5.20 ERISA. As of the date hereof, no Borrower has any material liabilities with respect to any (a) Title IV plans, or (b) multiemployer plans. On the date hereof, no ERISA Event has occurred in connection with which material obligations or liabilities of Borrowers are outstanding.

5.23 Security Interest.

(a) This Agreement and the other Loan Documents, upon execution and delivery thereof by the parties thereto and entry of the Interim Order (and subject to the terms therein), will create in favor of Lender a legal, valid and enforceable security interest in the Collateral described therein and the proceeds thereof, which security interest shall be deemed valid and perfected as of the Closing Date by entry of the Interim Order with respect to each Borrower and that shall constitute continuing Liens on the Collateral pursuant to 364(c(2), (3) and (d), having

priority over all other Liens on the Collateral, securing all the Obligations, other than the Carve Out and as otherwise set forth in the Financing Orders. Lender shall not be required to file or record (but shall have the option and authority to file or record) any financing statements, mortgages, notices of Lien or similar instruments, in any jurisdiction or filing office or to take any other action in order to validate, perfect or establish the priority of the Liens and security interest granted by or pursuant to this Agreement, any other Loan Document or the Financing Orders.

5.24 HAP Contract. The HAP Contract is in full force and effect. There is no material default, breach or violation existing thereunder, and, to Debtors' knowledge, no event has occurred (other than payments due but not yet delinquent) that, with the passage of time or the giving of notice, or both, would constitute a default, breach or violation thereunder, by either party thereto. The Debtors shall continue to comply with the terms and conditions of the HAP Contract and shall use best efforts to ensure that the HAP Contract continues in full force and effect and shall promptly cure any breaches or events of default under the same within any notice or cure period provided therein.

There are no claims for payment for work, labor or materials affecting the Property which are or may become Liens prior to, or of equal priority with, the Liens created by the Loan Documents. None of the Permitted Liens, individually or in the aggregate, materially interferes with the benefits of the security intended to be provided by the Security Instrument and this Agreement, materially and adversely affects the value of the Property, impairs the use or operations of the Property or impairs Borrower's ability to pay their obligations in a timely manner.

6.8 Payment of Taxes and Other Claims. Subject to the Budget, each Borrower shall pay and discharge promptly before interest and penalties accrue, all taxes, assessments and other governmental charges or levies at any time imposed upon it or upon its income, revenues or property, as well as all claims of any kind (including claims for labor, material or supplies) that, if unpaid, might by applicable Legal Requirements reasonably be expected to become a Lien upon all or any part of its income, revenues or property other than Permitted Liens, to the extent that payment and/or enforcement thereof is not stayed as a result of the Chapter 11 Cases.

6.9 Payment of Obligations. Borrowers will duly and punctually pay or cause to be paid the Obligations under this Agreement.

6.10 Governmental Consents and Approvals.

(a) Each Borrower will obtain all such approvals, consents, orders, authorizations and licenses from, give all such notices promptly to, register, enroll or file all such agreements, instruments or documents promptly with, and promptly take all such other action with respect to, any Governmental Authority, regulatory agency or official or any central bank or other fiscal or monetary authority, agency or official, as may be required from time to time under any provision of any applicable Legal Requirement:

(i) for the performance by such Borrower of any of its agreements or obligations under this Agreement or any other Loan Document to which it is a party or for the payment by such Borrower to Lender at its Head Office of any sums that shall become due and payable by such Borrower thereunder;

(ii) to ensure the continuing legality, validity, binding effect or enforceability of this Agreement and any other Loan Document;

(iii) to continue the proper operation of the business and operations of such Borrower.

6.11 Intentionally Omitted.

6.12 Further Assurances; Maintenance of Liens.

(a) Borrowers shall execute and deliver, or cause to be executed and delivered, such agreements, documents and instruments in furtherance of this Agreement, the other Loan Documents and the Financing Orders as Lender may from time to time reasonably request (i) to carry out more effectively the purposes of this Agreement, the other Loan Documents and the Financing Orders, (ii) to subject to the liens created hereby any of the Collateral, (iii) to perfect and maintain the validity, effectiveness and priority of the Liens created hereby and (iv) to better assure, convey, grant, assign, transfer, preserve, protect and confirm to Lender the rights granted or now or hereafter intended to be granted to Lender under this Agreement, the other Loan Documents and the Financing Orders. Borrowers shall maintain the security interest created under the Loan Documents as a perfected security interest having at least the priority required hereby and defend such security interest against all other claims and demands.

(b) Pursuant to the terms of the Financing Orders, no filings or other action (including the taking of possession or control) will be necessary to perfect or protect the Liens and security interests created pursuant to this Agreement, the Financing Orders or any other Security Agreement. Upon entry by the Bankruptcy Court, the Liens and security interests created by the Financing Orders shall automatically constitute fully perfected first priority Liens on, and security interests in, all right, title and interest of Borrowers in the Collateral covered thereby (including after-acquired Collateral), in each case free of all Liens other than Permitted Liens, and prior and superior to all other Liens other than as provided in the Financing Orders. Notwithstanding the foregoing, upon the reasonable request of Lender, Borrowers and each of their Subsidiaries shall take any additional actions requested, with respect to any property of Borrowers, in each case constituting Collateral, to cause such property to be subject to a Lien pursuant to the Financing Orders or any Security Agreement or to evidence the Lien on such property, including to execute

and deliver such security documents (in proper form for filing, registration or recordation, as applicable) as are requested by Lender, and take such actions necessary or advisable to subject such property to a Lien or evidence of the Lien on such property pursuant to the Financing Orders or any Security Agreement.

6.13 Use of Proceeds.

(b) The proceeds of the Loan may not be used for any other purpose, including but not limited to personal, family or household purposes. Unless previously set forth in the Budget, no portion of the proceeds of the Loan or any cash collateral subject to the liens of Lender may be utilized for the payment of professional fees and disbursements incurred in connection with any challenge to (a) the amount, extent, priority, validity, perfection or enforcement of the indebtedness of Debtors owing to Lender, or (b) liens or security interests in the collateral securing such indebtedness, including challenges to the perfection, priority or validity of the liens granted in favor of Lender with respect thereto; provided, notwithstanding anything to the contrary herein, no more than an aggregate of $25,000 of the Carve-Out may be used by the Committee to investigate the matters described in the foregoing clauses (a) and (b) prior to the date of the hearing to approve the Sale Transaction. Collateral shall not be used to commence any action against Lender, Kelly Hamilton Lender LLC, The Lynde Group Holdings, LLC, Lynd Management Group LLC, Lynd Acquisitions Group, LLC LAGSP, LLC or their Affiliates, employees, directors, officers or principals.

(c) No Borrower shall knowingly transfer any cash or other proceeds of the DIP Facility to Silber, Schulman, any professional attorney, representative, or other agent of Silber, Schulman or any "relative" (as such term is defined under Section 101(45) of the Bankruptcy Code) of either Silber or Schulman or any "entity" (as such term is defined under Section 101(15) of the Bankruptcy Code) that is owned or controlled by Silber, Schulman or any "affiliate" (as defined under Section 101(2) of the Bankruptcy Code) of either Silber or Schulman.

(d) As soon as reasonably practicable following entry of the Interim Order, Borrowers shall cause the Chief Restructuring Officer (to the extent in her possession) or any other counsel or advisor engaged by or on behalf of Borrowers to provide any information reasonably requested by the United States of America regarding: (i) the projected uses of the DIP Facility (including any payments or other transfer to any Borrower or any non-Borrower affiliate); or (ii) any potential violation of federal criminal law involving Silber or Schulman.

(e) Notwithstanding anything to the contrary in the Interim Order or this Agreement, the foregoing shall not prohibit, restrict or otherwise affect (or be deemed to prohibit, restrict or otherwise affect) Borrowers from making any payment or other transfer contemplated by the Budget or that is otherwise approved by the Bankruptcy Court after notice and a hearing (in all cases subject to Lender's consent and the limitations provided in the Budget), including, without

limitation,: (i) any payments or other transfer by Borrowers or on behalf of any professional retained by (or proposed to be retained by Borrowers or any non-Borrower affiliate), including, without limitation, White & Case, LLP (in its capacity as counsel to Borrowers and certain non-Borrower affiliates), IslandDundon, LLC (in its capacity as financial advisor to Borrowers and certain non-Borrower affiliates), LAGSP, LLC and Lynd Management Group LLC (in their capacity as property manager and asset manager to Borrowers and certain non-Borrower affiliates), or Verita Global (in its capacity as noticing and claims agent to Borrowers); (ii) Elizabeth A. LaPuma (in her capacity as independent fiduciary); (iii) the United States Trustee; or (iv) Lender or any affiliate thereof, including counsel to Lender and LAGSP, LLC or any of their respective designated affiliates.

(b) Each Borrower shall provide to Lender, immediately upon receipt, copies of any correspondence, notice, pleading, citation, indictment, complaint, order, decree, or other document from any source asserting or alleging a circumstance or condition that requires or may reasonably be expected to require a material financial contribution by such Borrower or any of its Affiliates or a cleanup, removal, remedial action, or other response by or on the part of such Borrower or any of its Affiliates under applicable Environmental Laws or which seeks material damages or civil, criminal or punitive penalties from such Borrower or any of its Affiliates for an alleged violation of Environmental Laws.

(c) Each Borrower shall promptly notify Lender in writing as soon as it becomes aware of any condition or circumstance which makes the environmental warranties contained in this Agreement incomplete or inaccurate in any material respect as of any date.

(d) Each Borrower hereby indemnifies, saves and holds Lender and each of its past, present and future officers, directors, managers, shareholders, members, employees, representatives and consultants harmless from any and all loss, damages, suits, penalties, costs, liabilities and expenses (including but not limited to reasonable investigation, environmental audit(s), and legal expenses) arising out of any claim, loss or damage of any property, injuries to or death of persons, contamination of or adverse effects on the environment, or any violation of any applicable Environmental Laws, caused by or in any way related to any property owned, leased or operated by such Borrower, or due to any acts of such Borrower, or any of its Affiliates or any of their officers, directors, shareholders, employees, consultants and/or representatives. In no event shall any Borrower be liable hereunder for any loss, damages, suits, penalties, costs, liabilities or expenses (i) arising from any act of gross negligence or willful misconduct of Lender, or its agents or employees or (ii) arising from any action taken by Lender while it is in sole possession of any such property.

(e) Each Borrower has and shall maintain all permits, licenses and approvals required under applicable Environmental Laws.

(f) Each Borrower shall promptly conduct and complete, at such Borrower's expense, all such investigations, studies, samplings and testings as may be reasonably requested by Lender or any Governmental Authority relative to any Hazardous Material at or affecting any property or any facility owned, leased or used by such Borrower.

(g) The provisions of this Section 6.14 shall survive the repayment of the Loan and the termination, expiration or satisfaction of this Agreement and shall not be affected by Lender's acquisition of any interest in any of the assets of any Borrower, whether by foreclosure or otherwise.

6.15 Acquisition of Margin Securities. No Borrower shall use the proceeds of the Loan to purchase or acquire (or enter into any contract to purchase or acquire) any "margin security" as defined by any regulation of the Federal Reserve Board as now in effect or as the same may hereafter be in effect.

6.16 Payment of Claims; Encumbrances. Each Borrower shall (a) keep the Collateral free of any Lien, encumbrance, charge or claim (other than the Permitted Liens and except for the Liens arising under the Loan Documents); and (b) other than Permitted Liens, not encumber its assets, whether now owned or hereafter acquired, or any portion thereof or interest therein, permit any Lien to be made or filed against its assets, whether now owned or hereafter acquired, or any portion thereof or interest therein or permit any receiver or assignee for the benefit of creditors to be appointed to take possession of its assets, whether now owned or hereafter acquired, or any portion thereof.

6.17 Borrowers' Organizational Documents; Name Changes. No Borrower shall modify, amend or terminate any of Borrowers' Organizational Documents (including, without limitation, to change its name), or permit any of Borrowers' Organizational Documents to be modified, amended or terminated (including, without limitation, to change its name) which materially and adversely affect the rights and remedies of Lender (and provided that such modification, amendment or termination does not (with the provision of notice or the passage of time, or both) violate any provision of this Agreement), without the prior written consent of Lender. Lender's consent to any such modification, amendment or termination shall not be unreasonably withheld, provided (a) that there shall be no Event of Default at the time of such Borrower's request for such consent, and (b) the proposed modification, amendment or termination does not (with the provision of notice or the passage of time, or both) violate any provision of this Agreement. No Borrower shall appoint or permit the appointment of any officer, director or manager without the prior written consent of Lender.

6.18 Prohibition of Assignments, Transfers and Encumbrances. No Borrower shall, directly or indirectly (a) except in the ordinary course of business, sell, transfer, lease or otherwise dispose of all or any portion of its assets or any interest therein, or seek authority of the Bankruptcy Court to do any of the foregoing, without the prior written consent of Lender; (b) except for Permitted Liens, encumber, hypothecate, create a security interest or create or permit any Lien upon or affecting the Collateral; (c) assign, transfer or encumber any interest of any Borrower under this Agreement or under any other Loan Document, or delegate any of any Borrower's duties or obligations hereunder or thereunder; make any material change in its capital structure except as expressly permitted herein; (e) change its name without providing 30 days' prior written notice to

Lender, or consolidate with or merge into any other Person or permit any other Person to merge into it (except where a Borrower is the surviving entity); (f) or enter into any sale-leaseback transaction.

6.19 Prohibition of Other Indebtedness. Without Lender's prior written consent, which may be withheld or conditioned in Lender's sole discretion, no Borrower shall directly or indirectly, become or remain obligated for any indebtedness for borrowed money, or for any indebtedness incurred in connection with the acquisition of any property, real or personal, tangible or intangible.

6.20 Loans, Acquisitions, Guaranties, Affiliate Transactions. 6.21 Dividends; Distributions. Without the prior written consent of Lender and the Bankruptcy Court, no Borrower shall (a) make any transfers of cash or other property to any Persons that are not Borrowers hereunder or (b) pay any Dividends on its Capital Securities.

6.22 Expenses; Taxes; Indemnity.

(a) Borrowers hereby agree to pay all reasonable and documented professional fees and out-of-pocket expenses incurred by Lender in connection with the establishment of the DIP Facility, including, without limitation, the negotiation, preparation, execution, delivery, performance and administration of this Agreement and the other Loan Documents (including, but not limited to, the fees and expenses of Lender's counsel), and including expenses incurred in connection with defending the validity and enforceability of Obligations or any of the liens or adequate protection securing the same, shall be promptly paid by Borrowers on no less than a monthly basis.

(b) Borrowers hereby agree to pay all stamp, document, transfer, recording, filing, registration, search, sales and excise fees and taxes and all similar impositions (excluding taxes on the overall net income or gross receipts of Lender) now or hereafter determined by Lender to be payable in connection with this Agreement or any other Loan Document or any other documents, instruments or transactions pursuant to or in connection herewith or therewith, and each Borrower agrees to save Lender harmless from and against any and all present or future claims, liabilities or losses with respect to or resulting from any omission to pay or delay in paying any such fees, taxes or impositions. All payments of the Loan shall be made by Borrowers to Lender free and clear of and without deduction or withholding for or on account of any taxes whatsoever, withholdings or other deductions. If any taxes are required to be withheld or paid, then Borrowers shall pay such taxes to the applicable Governmental Authority and Borrowers shall send the original or a certified copy of the receipt evidencing such tax payment, within five (5) Business Days of its receipt of the same. Borrowers shall pay and indemnify and hold Lender

harmless from and against, any taxes that may at any time be asserted in respect of the Loan, unless resulting from the gross negligence or willful misconduct of Lender as determined by final and non appealable judgment of a court of competent jurisdiction.

(c) Borrowers hereby agree that Lender shall have no liability for, and to reimburse and indemnify the Indemnified Parties from and against, any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever (including, without limitation, the fees and disbursements of counsel for such Indemnified Party in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnified Party shall be designated a party thereto) that may at any time be imposed on, asserted against or incurred by such Indemnified Party as a result of, or arising out of, or in any way related to or by reason of, this Agreement or any other Loan Document or any transaction from time to time contemplated hereby including, without limitation, with respect to any Hazardous Materials or a violation of Environmental Laws, but excluding any such losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements resulting solely from the gross negligence or willful misconduct of such Indemnified Party, as finally determined by a court of competent jurisdiction.

(d) All out-of-pocket costs and expenses of Lender relating to the DIP Facility and the Chapter 11 Case, including without limitation, prepetition and post-petition reasonable and documented fees, costs, expenses and disbursements of Akerman LLP and McCarter & English LLP, as counsel to Lender, and Island Dundon, as financial advisors to Lender, and as necessary, other counsel and advisors (collectively, the "**DIP Professionals**"), shall be payable by Borrowers promptly upon written demand without reference to the Budget, subject to the Financing Orders, including any notice and objection procedures set forth therein.

(e) This Section 6.22 shall survive the repayment of the Obligations (and the termination of all commitments hereunder), any foreclosure under, or any modification, release or discharge of, or termination of, this Agreement and the other Loan Documents.

6.23 Pension or Profit Sharing Plans. No Borrower shall allow any fact, condition or event to occur or exist with respect to any employee pension or profit sharing plan established or maintained by such Borrower which might reasonably be expected to constitute grounds for termination of any such plan or for the court appointment of a trustee to administer any such plan; or permit any such plan to be the subject of termination proceedings (whether voluntary or involuntary) which may reasonably be expected to result in a liability of such Borrower to the PBGC which, in the reasonable opinion of Lender, could reasonably be expected to have a Material Adverse Effect.

6.24 Field Audits. Each Borrower agrees that Lender may conduct audits of such Borrower and its operations, the results of which shall be reasonably satisfactory to Lender, and the costs of which shall be paid by Borrowers. Such audits will be conducted no more than one (1) time per calendar year absent an Event of Default. Lender may conduct a field examination of the Collateral at Borrowers' expense (such expense not to exceed $15,000), no more than one (1) time per year absent an Event of Default.

6.25 Collateral. Borrowers shall maintain in good working order all material Properties used in the business of Borrowers (other than ordinary wear and tear, casualty and condemnation and to the extent not causing a material adverse effect), as and to the extent in good working order as of the Petition Date.

6.26 Change in Control. No Borrower shall consummate a Change in Control.

6.27 Qualified Estate Litigation Assets Transaction.

(a) Following the Petition Date, Borrowers shall have the right to solicit proposals from litigation financing investors with respect to any claims or causes of action held by Borrowers against any person or entity (other than any Indemnified Party), including, for the avoidance of any doubt, the Estate Litigation Assets.

(b) Lender shall be entitled to submit a proposal to provide financing to Borrowers with respect to the Estate Litigation Assets and Borrowers shall consider any such proposal in good faith. Borrowers shall, and shall cause their professionals to provide, reasonable information and updates if requested by Lender regarding Borrowers' efforts to obtain financing with respect to the Estate Litigation Assets.

(c) Provided that the steering committee of certain holders of notes issued by Crown Capital Holdings LLC that is represented by Faegre Drinker Biddle & Reath LLP (the "**Steering Committee of Noteholders**") does not object to the DIP Facility or the transactions contemplated thereby and executes a general Release in favor of Lender, Lender shall be deemed to agree to release any liens securing the DIP Facility with respect to the Estate Litigation Assets (i) if Borrowers obtain approval by the Bankruptcy Court to enter into a financing transaction with respect to the Estate Litigation Assets (a "**Qualified Estate Litigation Assets Transaction**"); or (ii) if Borrowers transfer the Estate Litigation Assets to a trust or other entity established under the Chapter 11 Plan for the benefit of Borrowers unsecured creditors (the "**Creditor Recovery Trust**").

(d) No portion of the DIP Facility shall be used to fund the Creditor Recovery Trust.

(e) Borrowers shall have the sole and exclusive right to determine the terms and conditions of the Creditor Recovery Trust, including the identity and compensation of any fiduciary appointed under the Chapter 11 Plan to administer the Creditor Recovery Trust, and the priority of distributions from the Creditor Recovery Trust to Borrowers' unsecured creditors, including whether to subordinate any such distributions to the payment of any fees, expenses, and costs of Borrowers' counsel, Borrowers' financial advisor, and counsel to the Steering Committee of Noteholders, in each case, to the extent that any such fees, expenses, and costs are not paid in full in cash as of the effective date of the Chapter 11 Plan.

(f) Notwithstanding anything in this Agreement to the contrary, and for the avoidance of any doubt, as material consideration for Lender's commitment to provide the DIP Facility as provided under this Agreement, Borrowers and Lender agree that:

(i) the Estate Litigation Assets shall not include any claims or causes of action under Chapter 5 of the Bankruptcy Code or applicable non-bankruptcy law against any Indemnified Party;

(ii) Borrowers shall not transfer or seek to transfer any claims or causes of action against an Indemnified Paty under Chapter 5 of the Bankruptcy Code or applicable non-bankruptcy law, to the Creditor Recovery Trust; and

(iii) all claims or causes of action under Chapter 5 of the Bankruptcy Code or applicable non-bankruptcy law against any Indemnified Party shall constitute and remain Lender's Collateral for purposes of the DIP Facility.

(a) the motion seeking approval of any proposed form of Final Order, which motion shall be in form and substance reasonably satisfactory to Lender;

(b) as applicable, any motions seeking approval of bidding procedures and any Section 363 sale, and the proposed forms of orders related thereto, which shall be in form and substance reasonably satisfactory to Lender;

(c) any motion and proposed form of order filed with the Bankruptcy Court relating to any management equity plan, incentive, retention or severance plan, and/or the assumption, rejection, modification or amendment of any material contract (each of which must be in form and substance reasonably satisfactory to Lender); and

(d) any Disclosure Statement or Plan of Reorganization.

6.32 Inspection. Borrowers shall permit Lender and its representatives and designees to visit and inspect the properties, books and records of Borrowers upon reasonable notice; *provided* that no disclosure of information by Borrowers to Lender in connection with any such inspection shall be required to the extent that such disclosure would result in the breach of any confidentiality obligations to which Borrowers are subject or if such disclosure would compromise attorney-client privilege or require the disclosure of attorney work product.

6.33 Budget.

(a) Commencing on August 31, 2025 (pursuant to the Interim Order) for the 13-week period ending November 30, 2025 and continuing no less frequently than every four weeks thereafter (and if such date is not a Business Day, the following Business Day), Borrowers

shall furnish to Lender a supplement to the initial Budget, updating and/or extending the period covered by the initial Budget (or the previously supplemented Budget) so that it covers at least the period ending 13 weeks from the week in which the supplement is delivered. Such supplemental Budgets shall be subject to Lender's approval in its sole and absolute discretion, in consultation with the Committee, and without further order of the Bankruptcy Court. The approved Budget shall remain the Budget in effect with respect to the period covered by such Budget until such time as Lender approves such supplemental Budget.

(b) Borrowers shall not make or commit to make any payments other than those identified in the Budget. Borrowers shall not permit aggregate expenditures under the Budget to exceed one hundred and fifteen percent (115%) of the total budgeted expenses or aggregate cash receipts under the Budget to be less than eighty-five percent (85%) of the total budgeted cash receipts, in each case calculated on a rolling two-week basis commencing as of the Petition Date, with the first such testing to begin two weeks after the Petition Date; *provided* that the cash disbursements considered for determining compliance with this covenant shall exclude disbursements in respect of (x) restructuring professional fees and expenses and (y) restructuring charges arising on account of the Chapter 11 Cases, including payments made to vendors that qualify as "Critical Vendors" and interest due under the existing mortgage on the Collateral.

(c) Subject to the provisions of this Agreement, budgeted expenditures and cash receipts may be paid and received, as applicable, in an earlier or later period in the reasonable discretion of Borrowers, in which event, the Budget shall be deemed so amended for the purpose of calculating variances.

(d) Borrowers shall provide to Lender such other financial and operational reporting as reasonably requested by Lender from time to time.

6.34 Single Purpose Entity. Each Borrower is and has at all times since its formation been a Single Purpose Entity. In addition, each Borrower agrees that in no event shall such Borrower modify, during the term of the Loan, its organizational documents with respect to such status as a Single Purpose Entity.

6.35 Intentionally Omitted.

(g) directly or indirectly, by operation of law or otherwise, acquire any material assets or equity interests of another person, merge, consolidate or dissolve (other than acquisitions of assets contemplated by and consistent with the Budget or permitted (with prior written consent) by Lender);

(i) engage in any transactions with affiliates, except as set forth in the Budget, transactions in the ordinary course of business upon fair and reasonable terms no less favorable to Borrowers and their Subsidiaries than would be obtained in a comparable arm's length transaction with a non-affiliate or otherwise as permitted (with prior written consent) by Lender;

## ARTICLE 7
## RESERVES AND CASH MANAGEMENT

7.1 Reserves. The following reserves (together with any other reserves or escrows required under the Loan Documents, each a "**Reserve**" and collectively, the "**Reserves**") shall be required in connection with the Loan:

(a) Servicing Reserve. As part of the Initial Advance, Lender shall fund an amount equal to $45,000 into a reserve held by or on behalf of Lender (the "**Servicing Reserve Account**") for the Servicing Fee due on a monthly basis. So long as no Event of Default is continuing, Lender shall apply funds from the Servicing Reserve Account to the payment of all Servicing Fees due and payable on the Loan. For avoidance of doubt, Borrowers shall be obligated to pay the Servicing Fee, when due, whether or not the amount on deposit and available in the Servicing Reserve Account is available or sufficient to pay such Servicing Fee. If at any time Lender reasonably determines that the amounts on deposit in the Servicing Reserve Account will not be sufficient to pay the Servicing Fee through the Maturity Date, Lender shall notify Borrowers and Borrowers will deposit with or on behalf of Lender the amount of such insufficiency within five (5) Business Days after its receipt of such notice from Lender. Other deposits by Borrower into the Servicing Reserve Account shall be made to the extent required by this Agreement.

(b) Interest Reserve. As part of the Initial Advance, Lender shall fund an amount equal to $370,252 into a reserve held by or on behalf of Lender (the "**Interest Reserve Account**") for the interest due on a monthly basis. So long as no Default exists and no Event of Default is continuing, Lender shall apply funds from the Interest Reserve Account to the payment of all Interest due and payable on the Loan. For avoidance of doubt, Borrowers shall be obligated to pay Interest, when due, whether or not the amount on deposit and available in the Interest Reserve Account is available or sufficient to pay such Interest. If at any time Lender reasonably determines that the amounts on deposit in the Interest Reserve Account will not be sufficient to pay Interest through the Maturity Date, Lender shall notify Borrowers and Borrowers will deposit with or on behalf of Lender the amount of such insufficiency within five (5) Business Days after

its receipt of such notice from Lender. Other deposits by Borrowers into the Interest Reserve Account shall be made to the extent required by this Agreement.

(c) Tax and Insurance Reserve. At Closing, Lender shall establish a reserve held by or on behalf of Lender (the "**Tax and Insurance Reserve**") for (i) Property Taxes anticipated to come due through the end of 2025 and (ii) Insurance Premiums. On each payment date, Borrowers shall fund into the Tax and Insurance Reserve an amount that Lender determines is necessary in order to accumulate sufficient funds to pay all such Property Taxes and Insurance Premiums required hereby at least thirty (30) days prior to their respective due dates (*i.e.*, one-twelfth (1/12) of the estimated annual Property Taxes and Insurance Premiums) (the "**Monthly Tax and Insurance Deposit**"). With respect to the Insurance Premiums, Borrowers shall be required to provide evidence to Lender by no later than the yearly anniversary of the Effective Date that Borrowers have paid the Insurance Premiums for the following twelve (12)-month period. Borrowers shall furnish Lender with bills for the Property Taxes and Insurance Premiums for which Tax and Insurance Reserve funds are required at least thirty (30) days prior to the date on which such Property Taxes or Insurance Premiums become due. So long as (i) no Event of Default is continuing, (ii) the amount on deposit in the Tax and Insurance Reserve is sufficient to pay such Property Taxes and Insurance Premiums, and (iii) Lender has received a bill for such Property Taxes and Insurance Premiums (if applicable) from Borrower, Lender shall pay (or provide Borrower with funds from the Tax and Insurance Reserve to pay) such Property Taxes and Insurance Premiums (if applicable). Borrowers shall be required to pay Property Taxes in accordance with Section 6.8 and Insurance Premiums regardless of whether amounts on deposit in the Tax and Insurance Reserve are sufficient or available to pay such Property Taxes and Insurance Premiums. If at any time Lender reasonably determines that the amounts on deposit in the Tax and Insurance Reserve will not be sufficient to pay the Property Taxes and such Insurance Premiums, Lender shall notify Borrowers and Borrowers will deposit with or on behalf of Lender the amount of such insufficiency within five (5) Business Days after its receipt of such notice from Lender.

(d) CapEx Reserve.

(i) As part of the Initial Advance, Lender shall fund an amount equal to $1,300,000 into a reserve held by or on behalf of Lender (the "**CapEx Reserve**") for the replacements and repairs required to be made to the Property during the term of the Loan (collectively, the "**Replacements**") and working capital. Amounts deposited pursuant to this Section 7.1(d) are referred to herein as the "**CapEx Reserve Funds.**"

(ii) Lender shall disburse to Borrowers the CapEx Reserve Funds only for Replacements upon satisfaction of each of the following conditions: (i) Borrowers shall submit a request for payment to Lender at least five (5) Business Days prior to the date on which Borrowers request such payment be made, which request shall specify the Replacements to be made using the CapEx Reserve Funds being requested; (ii) on the date such request is received by Lender and on the date such payment is to be made, no Event of Default shall be continuing, (iii) Lender shall have received a certificate from Borrowers (A) stating that the items to be funded by the requested disbursement are Replacements, (B) stating that the Replacements to be funded by the requested disbursement have been completed (or completed to the extent of the requested

disbursement) in a good and workmanlike manner and in accordance with all applicable Legal Requirements, such certificate to be accompanied by a copy of any license, permit or other approval required by any Governmental Authority in connection with the Replacements, (C) identifying each Person that supplied materials or labor in connection with the Replacements to be funded by the requested disbursement, and (D) stating that each such Person has been paid in full or will be paid in full upon such disbursement, such certificate to be accompanied by lien waivers, invoices and/or other evidence of payment reasonably satisfactory to Lender; (iv) at Lender's option, a title search for the Property indicating that the Property is free from all Liens, claims and other encumbrances other than Permitted Liens; (v) at Lender's option, if the cost of any individual Replacement exceeds $25,000.00 or is structural in nature, Lender shall have received a report satisfactory to Lender in its reasonable discretion from an architect or engineer approved by Lender in respect of such architect or engineer's inspection of the required repairs; provided, however, that if Borrowers are required to generate such a report in connection with the issuance of any building permit for the construction or installation of the Replacement, Borrowers shall also provide such report to Lender upon request; (vi) Borrowers shall have paid any actual out of pocket costs incurred by Lender or Servicer, if applicable, and (vii) Lender shall have received such other evidence as Lender shall reasonably request that the Replacements at the Property to be funded by the requested disbursement have been completed and are paid for or will be paid upon such disbursement to Borrowers. Lender shall not be required to disburse CapEx Reserve Funds more frequently than once each calendar month.

(iii) Nothing in this Section 7.1(d) shall (i) make Lender responsible for making or completing the Replacements; (ii) require Lender to expend funds in addition to the CapEx Reserve Funds to complete any Replacements; (iii) obligate Lender to approve or proceed with the Replacements (other than the funding thereof pursuant to this Section 7.1(d)); or (iv) obligate Lender to demand from Borrower additional sums to complete any Replacements.

(iv) Upon reasonable prior written notice by Lender to Borrower, Borrower shall permit Lender and Lender's agents and representatives (including Lender's engineer, architect, or inspector) or third parties to enter onto the Property during normal business hours (subject to the rights of tenants under their leases) to inspect the progress of any Replacements and all materials being used in connection therewith and to examine all plans and shop drawings relating to such Replacements. Borrowers shall cause all contractors and subcontractors to cooperate with Lender and Lender's representatives and such other Persons described above in connection with inspections described in this Section 7.1(d).

(e) Excess Cash Flow Reserve. All Excess Cash Flow Funds shall be deposited into an account controlled by Lender (the "**Excess Cash Flow Reserve**") to be held as additional collateral for the Loan, which funds shall be held and disbursed by Lender, as determined by Lender in Lender's sole and absolute discretion. Borrowers agree to timely pay all fees and expenses in connection with the Excess Cash Flow Reserve, such fees and expenses are established from time to time; provided, however, that absent and Event of Default, Lender shall make such amounts available for emergency repairs and capital expenditures reasonably approved by Lender. In addition, unpaid fees due under the Service Agreements in the amount of Three Hundred Twenty-Eight Thousand and 00/100 Dollars ($328,000) (the "**Unpaid Service Fees**") shall be paid out of the Excess Cash Flow Reserve in a lump sum to the extent that funds are available in the Excess Cash Flow Reserve. If sufficient funds are not available in the Excess Cash Flow Reserve

to pay the Unpaid Service Fees in a lump sum, any amounts available in the Excess Cash Flow Reserve shall be used to pay the Unpaid Services Fees, with the remaining amount of Unpaid Services Fees due and payable to be paid with amounts in the Excess Cash Flow Reserve as soon as the same become available.

7.2 General Provisions Regarding Reserves. All funds deposited in the Reserves shall be held by Lender and shall accrue interest at the Interest Rate or Default Interest Rate, as applicable, to and for the benefit of Lender and may be commingled with Lender's general funds. To secure the Loan, Borrowers hereby grant to Lender a first-priority security interest in all funds deposited in the Reserves. While an Event of Default is continuing, Lender shall have no obligation to disburse any funds from the Reserves and Lender shall be entitled, without notice to, or consent of, Borrowers, to apply any funds in the Reserves to satisfy the Liabilities in such order and manner as Lender shall determine, but no such application shall be deemed to have been made by operation of law or otherwise until actually made by Lender. Upon repayment of the Obligations in full, Lender shall return any remaining amounts escrowed in the Reserves to Borrowers, net of any expenses owed to Lender, by crediting such amount against the payoff amount.

7.3 Cash Management.

(a) Establishment of Certain Accounts. On or prior to the Closing Date, Lender shall establish a restricted lockbox account for the benefit of the Lender with the Cash Management Account Bank (the "**Cash Management Account**"), whereby all revenue generated from the Kelly Hamilton Property (including, but not be limited to, pre-petition unpaid HUD rent monies owed to Borrowers) shall be deposited into and Lender shall use funds on deposit in the Cash Management Account as necessary to pay debt service on the Loan, fund required reserves, to pay approved operating expenses of the Property, amounts due under the Loan Documents, Replacements, alterations and other capital expenditures reasonably approved by Lender. Borrower shall also establish an operating account (the "**Operating Account**"), which operating account shall be subject to a blocked account control agreement between Borrowers, Lender and the Operating Account Bank (the "**Account Agreement**"), whereby all funds released by Lender from the Reserves or payment of approved operating expenses shall be funded into and paid from and all remaining cash flow shall be deposited in the Excess Cash Flow Reserve. Except during the existence of an Event of Default, Borrower and Lynd Management Group LLC (in its capacity as property manager) may make withdrawals from the Operating Account in order to pay all such operating expenses and payments required for any release of funds from the Reserves; however, during the existence of an Event of Default, Borrower and Lynd Management Group LLC (in its capacity as property manager) shall have no right or ability to effect withdrawals from the Operating Account without Lender's prior written consent, which may be withheld in Lender's sole and absolute discretion, and shall have no right to exercise dominion or control over the Operating Account

(i) Neither Borrowers nor any other Person shall open any other such account with respect to the direct deposit of income or security deposits in connection with the Property. Borrowers warrant and covenant that they shall not rescind, withdraw or change any notices or instructions required to be sent by it pursuant to this Section 7.3 without Lender's prior written consent. If, notwithstanding the provisions of this Section 7.3, Borrowers receive any rents or security deposits or other income from the Property, then (X) such amounts shall be deemed to

be collateral for the Loan and shall be held in trust for the benefit, and as the property, of Lender, (Y) such amounts shall not be commingled with any other funds or property of Borrowers or any other Person, and (Z) Borrowers shall deposit (or cause to be deposited) such amounts in the Cash Management Account within three (3) Business Days of receipt.

(b) Disbursements from the Cash Management Account.

(i) Upon the occurrence of and during the continuance of any Event of Default, all funds on deposit in the Cash Management Account shall be applied by Lender as follows:

(A) First, funds sufficient to pay the Monthly Tax Deposit (and if applicable any amounts required to pay for the Insurance Premiums) due for the then applicable payment date, if any, shall be deposited in the Tax and Insurance Reserve;

(B) Second, to the extent then applicable, funds sufficient to pay any interest accruing under the Loan at the Default Interest Rate and late payment charges, if any, in respect of the Loan shall be deposited with or as directed by Lender;

(C) Third, funds sufficient to pay the debt service due on the then applicable payment date shall be deposited with or as directed by Lender;

(D) Fourth, funds sufficient to pay any other amounts due and owing to Lender pursuant to the terms hereof and/or of the other Loan Documents, if any (other than the outstanding principal balance of the Loan), shall be deposited with or as directed by Lender;

(E) Fifth, funds sufficient to pay the Servicing Fee due on the then applicable payment date;

(F) Sixth, to the payment and/or replenishment of any Reserves (other than the Tax and Insurance Reserve) in accordance with Section 7.1; and

(G) Seventh, any remaining funds (the "**Excess Cash Flow Funds**") shall be deposited into the Excess Cash Flow Reserve.

(ii) So long as any portion of the Obligations remains outstanding, neither Borrowers nor any other Person acting on behalf of, or claiming through, Borrowers, shall have any right or authority to change the identity, name, location, account number, bank location or other feature or attribute of the Operating Account, without the prior written consent of Lender, which consent may be withheld by Lender in its sole and absolute discretion.

(c) Default Generally. Notwithstanding any other provision of this Agreement or of the other Loan Documents, Lender reserves the right, exercisable at its sole option, to (i) take such enforcement actions (including acceleration and foreclosure of the Collateral) as it deems appropriate under the Loan Documents or otherwise under law or in equity, and/or (ii) apply all

sums on deposit in or deposited into the Accounts and any other sums deposited by Borrower with Lender to the payment of the Obligations, in such order, manner, amounts and times as Lender in its sole discretion determines, and such reserved rights shall be in addition to all other rights and remedies provided to Lender under this Agreement and the other Loan Documents. Nothing in this Section 7.3 shall limit, reduce or otherwise affect Borrower's obligations to make any and all payments due under this Agreement and under the other Loan Documents, whether or not rents or revenue are available to make such payments.

(d) Security Interest. Borrower does hereby and has granted to Lender a first-priority security interest in the Operating Account, the Cash Management Account, and the sums on deposit therein. Without limitation of any other provisions of this Agreement, the Security Instrument, or the other Loan Documents, during the continuance of an Event of Default, Lender may use the Operating Account, the Cash Management Account, and/or any sums on deposit in either of them for any or all of the following purposes: (i) repayment of the Loan, including interest, principal and any prepayment premium or fee applicable to any such full or partial prepayment, (ii) reimbursement of Lender for all losses, fees, costs and expenses (including legal fees and disbursements) suffered or incurred by Lender as a result of such Event of Default, (iii) payment of any amount expended in exercising any or all rights and remedies available to Lender at law or in equity or under this Agreement or any of the other Loan Documents, (iv) payment of any item as required or permitted by this Agreement or any of the other Loan Documents, or (v) any other purpose permitted by applicable Legal Requirements; provided, however, that any such application of funds shall not cure or be deemed to waive any Event of Default. Without limiting any other provisions hereof, each of the remedial actions described in the immediately preceding sentence shall be deemed to be a commercially reasonable exercise of Lender's rights and remedies as a secured party with respect to the Operating Account, the Excess Cash Flow Reserve, the Cash Management Account, and any sums on deposit in any of them and shall not in any event be deemed to constitute a setoff or a foreclosure of a statutory banker's lien. Nothing in this Agreement shall obligate Lender to apply all or any portion of the Operating Account or Cash Management Account to effect a cure of any Event of Default, or to pay the Loan in any specific order of priority. The exercise of any or all of Lender's rights and remedies under this Agreement with respect to the Operating Account, the Excess Cash Flow Reserve, the Cash Management Account, and/or the sums on deposit therein shall not in any way prejudice or affect Lender's right to initiate and complete a foreclosure under the Security Instrument or exercise any other remedy available to Lender under the Loan Documents or pursuant to applicable Legal Requirements.

(e) Indemnification by Borrowers. Lender shall be responsible for the performance only of such duties with respect to the Operating Account, the Excess Cash Flow Reserve, and Cash Management Account as are specifically set forth herein, and no duty shall be implied from any provision hereof. Lender shall not be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. Lender shall not be liable for any acts, omissions, errors in judgment or mistakes of fact or law, including with respect to proceeds on deposit in the Operating Account, the Excess Cash Flow Reserve or Cash Management Account. Borrowers shall indemnify and hold Lender, its successors, assigns, shareholders, directors, officers, employees, and agents (including any Servicers) harmless from and against any actual loss, cost or damage (including reasonable attorneys' fees and disbursements) incurred by such parties in connection with the Operating Account, the Excess Cash Flow Reserve, the Cash Management

Account or the investment by Lender of amounts in the Cash Management Account, other than such as result from the gross negligence or willful misconduct of Lender or intentional nonperformance by Lender of its obligations under this Agreement.

(f) Fees, Costs, and Expenses. Borrower agrees to timely pay all fees and expenses of the Operating Account Bank and the Cash Management Account Bank in connection with the Operating Account and Cash Management Account, as such fees and expenses are established from time to time. In the event that any such bank seeks reimbursement of any item deposited into any such account but returned or disallowed or reimbursement of any other monetary sum pursuant to the agreements governing such accounts, Borrowers shall promptly and timely pay such sum. Failure of Borrowers to pay any sum due and payable to the Operating Account Bank and the Cash Management Account Bank in connection with such accounts within ten (10) Business Days after written demand by Lender shall constitute an Event of Default under this Agreement.

(g) Escrow Account. $2,450,000 of the Initial Advance shall be deposited into the Escrow Account. If an Event of Default occurs or if the DIP Facility is terminated after the funding of the Initial Advance, then the Lender shall be entitled to all funds remaining in the Escrow Account after deduction of an amount equal to the fees, costs, and expenses of the Debtors' counsel, Debtors' financial advisor, Debtors' notice and claims agent, and Elizabeth A. LaPuma as independent fiduciary as of the date of the Event of Default or termination of the DIP Facility, to the extent provided in the approved Budget.

(i) comprehensive all risk "special form" insurance ("**Special Form**") including, but not limited to, loss caused by any type of windstorm or hail on the Property, (A) in an amount equal to one hundred percent (100%) of the "**Full Replacement Cost,**" which for purposes of the Security Instrument shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation; (B) containing an agreed amount endorsement with respect to the Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of One Hundred Thousand and No/100 Dollars ($100,000.00) for all such insurance coverage; provided, however, with respect to windstorm and earthquake coverage, providing for a deductible not to exceed five percent (5%) of the total insurable value of the Property; and (D) if any of the improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, and coverage for demolition costs and coverage for increased costs of construction in an amount not less than ten percent (10%) of the Full Replacement Cost. In

The amount of such business income insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding twelve (12) month period. All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the Debt from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the Debt on the respective dates of payment provided for in the Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the property and liability coverage forms do not otherwise apply, (A) commercial general liability and umbrella/excess liability insurance, covering claims related to the structural construction, repairs or alterations being made at the Property which are not covered by or under the terms or provisions of the below mentioned commercial general liability insurance and umbrella/excess liability insurance policies; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) including permission to occupy the Property, (3) against all risks insured against pursuant to subsection (i) above, (4) including in addition to the insured against pursuant to subsection (i) above, coverage for hard costs of construction as well as coverage for property in transit, off-site storage, soft costs that are recurring costs, including one hundred percent (100%) of construction loan interest and delayed completion, and (5) with an agreed amount endorsement waiving co-insurance provisions;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars ($2,000,000.00) in the aggregate and One Million and No/100 Dollars ($1,000,000.00) per occurrence per location; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; and (4) blanket contractual liability for all written contracts on a policy form to be approved by Lender's insurance consultant;

(viii) follow form umbrella and excess liability insurance in an amount not less than Five Million and No/100 Dollars ($5,000,000.00) per occurrence per location on terms consistent with the commercial general liability insurance policy required under subsection (v) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, as applicable, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(ix) pollution liability insurance coverage in the name of Lender in an amount to be determined by Lender for the term of the Loan;

(x) the insurance required under this Section 8.1(a)(i), (ii), (v) and (viii) above shall cover perils of terrorism and acts of terrorism and Borrower shall maintain insurance for loss resulting from perils and acts of terrorism on terms (including amounts) consistent with those required under Section 8.1(a)(i), (ii), (v) and (viii) above at all times during the term of the Loan; and

(xi) upon sixty (60) days' written notice, such other reasonable insurance such as sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 8.1(a) hereof, shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), shall be satisfactory in form and substance to Lender and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies (i) shall be issued by financially sound and responsible insurance companies approved by Lender and authorized or licensed to do business in the state where the Property is located, with a claims paying ability rating of "A" or better by Standard & Poor's Corporation or a rating of "A:VIII" or better in the current Best's Insurance Reports; (ii) except for the Policy referenced in Section 6.1(a)(vii), shall name Borrower as the insured, shall name the Lender as a loss payee and shall name the Lender as an additional insured with respect to liability coverage required hereunder; (iii) in the case of property policies, including, but not limited to, terrorism, boiler and machinery, flood and earthquake insurance, shall contain a standard non-contributory mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of the Loan without cost to Lender; (vi) shall be assigned and the originals (or duplicate originals certified to be true and correct by the related insurer) delivered to Lender upon issuance; and (vii) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements providing that neither Borrower, Lender nor any other party shall be a co-insurer under said Policies and that Lender shall receive at least thirty (30) days prior written notice of any cancellation other than a cancellation due to non-payment of premiums, in which case Lender shall receive at least ten (10) days prior written notice of such cancellation. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder or shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 8.1(a). Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Servicer). If Borrower does not furnish such evidence and receipts at least thirty (30) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 8.1(a) hereof.

(d) All Policies provided for or contemplated by Section 8.1(a) hereof, shall name Borrower as the insured and Lender and its successors and assigns as a loss payee and as an additional insured with respect to liability coverage required hereunder, as its interests may appear, and in the case of property policies, including but not limited to, terrorism, boiler and machinery, flood and earthquake insurance, shall contain a standard non-contributing mortgagee clause in

favor of Lender and its successors and assigns providing that the loss thereunder shall be payable to Lender and its successors and assigns.

(e) All Policies shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be canceled without at least thirty (30) days' prior written notice to Lender, other than a cancellation due to non-payment of premiums, in which case Lender shall receive at least ten (10) days prior written notice of such cancellation;

(iii) the issuers thereof shall give written notice to Lender if the Policy has not been renewed thirty (30) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate after three (3) Business Days' notice to Borrower if prior to the date upon which any such coverage will lapse or at any time Lender deems necessary (regardless of prior notice to Borrower) to avoid the lapse of any such coverage. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Security Instrument and shall bear interest at the Default Interest Rate.

8.2 Casualty. If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**") Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property substantially the same to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be approved by Lender (the "**Restoration**") and otherwise in accordance with Section 8.4 hereof. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim without the consent of Borrower, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) Borrowers may adjust losses aggregating not in excess of $500,000 if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred and be continuing, Lender shall not settle or adjust any such claim without the consent of Borrowers, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the expenses reasonably incurred by Lender in the adjustment and collection of insurance proceeds

shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

8.3 Condemnation. Borrowers shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of the Property and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through condemnation or otherwise (including, but not limited to, any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. If any portion of the Property is taken by a condemning authority, Borrowers shall promptly commence and diligently prosecute, or cause to be promptly commenced and prosecuted, the Restoration of the Property pursuant to Section 8.5 hereof and otherwise comply with the provisions of Section 8.4 hereof. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the award, or a portion thereof sufficient to pay the Debt.

8.4 Application of Loss Proceeds. Loss Proceeds shall be one hundred (100%) applied to the payment of the Loan, unless Lender, in its sole discretion, agrees to make such Loss Proceeds available to Borrowers for Restoration or other purposes. Borrowers, upon request by Lender, shall execute all instruments requested to confirm the assignment of the Loss Proceeds to Lender, free and clear of all liens, charges or encumbrances. Notwithstanding anything to the contrary set forth herein, any Loss Proceeds applied to the payment of Loan in accordance with this Section 8.4 shall not be subject to the Make-Whole Premium.

8.5 Restoration. Promptly after the occurrence of any damage or destruction to all or any portion of the Property, Borrowers shall commence, and diligently prosecute, or cause to be commenced and diligently prosecuted, to completion, the repair, Restoration and rebuilding of the Property so damaged, destroyed or remaining free and clear of any and all Liens except Permitted Encumbrances.

## ARTICLE 9
## DEFAULTS AND REMEDIES

9.1 Events of Default. Any of the following events shall constitute an "**Event of Default**" under this Agreement:

(a) Any "Event of Default" identified in the Financing Orders.

(b) Any Borrower shall fail to perform or comply with any term, condition, covenant or Obligation contained in this Agreement, any other Loan Document, or the Financing Orders, unless such failure to perform or comply is remedied within five (5) Business Days; or

(c) Any representation or warranty made by any Borrower in this Agreement, any other Loan Document, or the Financing Orders shall prove untrue in any material respect or materially misleading; provided, however, that for purposes of this paragraph, any materiality qualifier (but not a "Material Adverse Effect" qualifier) included in any representation or warranty made by Borrowers in this Agreement or in any other Loan Document shall be disregarded; provided, (x) that if such untrue representation or warranty is unintentional, non-recurring, and susceptible of being cured or corrected, Borrower shall have the right to cure or correct such representation or warranty within fifteen (15) days of the earlier of: (A) receipt of notice from Lender to Borrower or (B) Borrower's obtaining of knowledge thereof; or

(d) The cessation of the DIP Facility or any provision of this Agreement, any other Loan Document, or the Financing Orders being in full force and effect or the DIP Facility or any provision of this Agreement, any other Loan Document, the Financing Orders being declared by the Bankruptcy Court to be null and void or the validity or enforceability of any provision of the DIP Facility or this Agreement, any other Loan Document, the Financing Orders being contested by any Borrower or any Borrower denying in writing that it has any further liability or obligation under any provision of the DIP Facility, this Agreement, any other Loan Document, or the Financing Orders, or Lender ceasing to have the benefit of the Liens granted by the Loan Documents or the Financing Orders; or

(e) Any of the Financing Orders being amended or modified without the prior written consent of Lender; or

No right, remedy,

power or privilege conferred on or reserved to Lender under any of the Loan Documents, in equity or at law is intended to be exclusive of any other right, remedy, power or privilege which may then be, or may thereafter become, available to Lender. All rights, remedies, powers and privileges available to Lender shall be cumulative; any of the same may be exercised at such time or times and in such order and manner as Lender shall (in its sole discretion) deem expedient.

On May 19, 2025, the above-captioned debtors and debtors-in-possession (collectively, the "**Debtors**") filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the District of New Jersey (the "**Court**").

The Debtors are seeking to assume and assign certain of their executory contracts and unexpired leases in connection with the proposed sale of substantially all of the multi-family housing assets (the "**Kelly Hamilton Property**") owned by Kelly Hamilton Apts LLC under a chapter 11 plan (the "**Sale Transaction**"). The Debtors currently propose that the Sale Transaction will be approved pursuant to a chapter 11 plan (the "**Plan**"). The Sale Transaction will be free and clear of liens, claims, and encumbrances, to the maximum extent permissible under applicable law, the Plan, and the order approving confirmation of the Plan and Sale Transaction. In connection with the Sale Transaction, Kelly Hamilton Apts LLC (the "**Kelly Hamilton Debtor**") has entered into that certain Purchase and Sale Agreement (as amended, supplemented or otherwise modified by the parties thereto, and including any exhibits attached thereto, the "**Stalking Horse Agreement**"), dated July 11, 2025, with 3650 SS1 Pittsburgh LLC (the "**Kelly Hamilton DIP Lender**") or a nominee designated in accordance with the Stalking Horse Agreement[2] (such nominee, together with the Kelly Hamilton DIP Lender, as applicable, the "**Stalking Horse Bidder**") to acquire the Kelly Hamilton Property. The Stalking Horse Agreement remains subject to the Debtors' acceptance of higher or otherwise better offers in accordance with the Bidding Procedures (as defined herein).

On July 24, 2025, the Court entered an order [Docket No. 325] (the "**Order**"),[3] (a) approving the bidding and auction procedures attached to the Order as Exhibit 1 (the "**Bidding Procedures**"); (b) approving the selection of the Stalking Horse Bidder as the stalking horse bidder; (c) authorizing the Kelly Hamilton Debtor to enter into the Stalking Horse Agreement; (d) authorizing the Debtors to conduct an auction (the "**Auction**") to consider competing bids for the purchase of the Kelly Hamilton Property in accordance with the Bidding Procedures; (e) approving the Assumption and Assignment Procedures set forth in the Order; and (f) granting related relief. **All interested bidders should carefully read the Bidding Procedures.**

The Debtors' Sale timeline is as follows:

- The deadline to submit a bid for the Kelly Hamilton Property is **August 14, 2025 at 4:00 p.m. (ET).**

- The Auction for the Kelly Hamilton Property, unless cancelled or adjourned in accordance with the Bidding Procedures Order, will be held on **August 18, 2025 at 10:00 a.m. (prevailing Eastern Time)** at the offices of White & Case LLP, 1221

[2] The nominee shall be a special purpose entity under common control by the Stalking Horse Bidder which the Stalking Horse Bidder shall designate to acquire the Kelly Hamilton Property in accordance with the Stalking Horse Agreement.

[3] Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Order or the Bidding Procedures, as applicable.

Avenue of the Americas, New York, NY 10020 and/or a virtual room hosted by the Debtors' counsel, or such other place and time as the Debtors shall notify the Qualifying Bidders. In accordance with these Bidding Procedures, the Debtors will provide instructions for accessing the Auction by videoconference to the Stalking Horse Bidder and the Qualifying Bidders prior to any Auction. Only the Stalking Horse Bidder and Qualifying Bidders will be entitled to make any bids at the Auction.

- Except as otherwise set forth in the Order, any objections to consummation or approval of the Debtors' Plan and the Sale Transaction, must (a) be in writing; (b) conform to the applicable provisions of the Bankruptcy Rules and the Local Rules; (c) state with particularity the legal and factual bases for the objection and the specific grounds therefor; and (d) be filed with the Court and served upon (i) counsel to the Debtors, (ii) counsel to the Stalking Horse Bidder, and (iii) any other party that has filed a notice of appearance in the chapter 11 cases, so as to be actually received no later than **August 26, 2025, at 4:00 p.m., prevailing Eastern Time**.

- Except as otherwise set forth in the Order, objections, if any, to the Cure Payment or proposed assumption and assignment of the Assumed Contracts to the Stalking Horse Bidder, must (i) be in writing, (ii) comply with the applicable provisions of the Bankruptcy Rules and the Local Rules, (iii) state with specificity the nature of the objection and, if the objection pertains to the proposed amount of the Cure Payment, the correct cure amount alleged by the objecting counterparty, together with any applicable and appropriate documentation in support thereof, and (iv) be filed with the Court and served upon, so as to be actually received by (a) counsel to the Debtors, (b) counsel to the Stalking Horse Bidder, and (c) any other party that has filed a notice of appearance in these chapter 11 cases, so as to be **actually received on or before August 11, 2025 at 4:00 p.m., prevailing Eastern Time or three (3) business days after service of the Supplemental Assumption Notice at 4:00 p.m., prevailing Eastern Time (such date, as applicable the "Cure Objection Deadline").** In the event the Stalking Horse Bidder is not the Successful Bidder, the deadline to object to the proposed assumption and assignment of an Assumed Contract to the Successful Bidder (that is not the Stalking Horse Bidder), solely on account of (x) the identity of the Successful Bidder and (y) adequate assurance of future performance of the Successful Bidder (that is not the Stalking Horse Bidder), is the Confirmation and Sale Objection Deadline (as defined below).[4]

- Unless adjourned, the Bankruptcy Court will conduct a hearing to consider approval of the Debtors' Plan and the Sale on **September 4, 2025 at 11:30 a.m., prevailing Eastern Time**, subject to the Bankruptcy Court's availability.

[4] For the avoidance of doubt, all objections to the Cure Payment and assumption and assignment of the Assumed Contracts to the Stalking Horse Bidder, including objections to the adequate assurance of the Stalking Horse Bidder, must be filed by the applicable Cure Objection Deadline regardless of whether the Stalking Horse Bidder is the Successful Bidder.

Copies of the Order, the Bidding Procedures, the Stalking Horse Agreement, and all other documents filed with the Court may be obtained by visiting the Debtors' restructuring website at: https://www.veritaglobal.net/cbrm. A separate notice will be provided to counterparties to Executory Contracts or Unexpired Leases with the Debtors that may be assumed and assigned in connection with the Sale. There will also be a separate notice with additional details regarding the proposed Plan.

**CONSEQUENCES OF FAILING TO TIMELY MAKE AN OBJECTION**

**ANY PARTY OR ENTITY WHO FAILS TO TIMELY MAKE AN OBJECTION TO THE SALE TRANSACTION ON OR BEFORE THE APPLICABLE OBJECTION DEADLINES IN ACCORDANCE WITH THE BIDDING PROCEDURES ORDER SHALL BE FOREVER BARRED FROM ASSERTING ANY OBJECTION TO THE SALE TRANSACTION, INCLUDING WITH RESPECT TO THE TRANSFER OF THE KELLY HAMILTON PROPERTY FREE AND CLEAR OF ALL LIENS, CLAIMS, ENCUMBRANCES, AND OTHER INTERESTS, EXCEPT AS MAY BE SET FORTH IN THE APPLICABLE PURCHASE AGREEMENT OR THE PLAN, AS APPLICABLE.**

D-1 Declaration of Matthew Dundon 35

THE COURT: Okay. Good afternoon, everyone. It's Judge Kaplan. And we're going to address the CBRM Realty Inc. matters. Let me adjust screens. As this is a remote hearing, the usual admonishments apply. If you wish to be heard, please use the "raise hand" function. We have a somewhat limited calendar agenda this afternoon. So -- I say that now, we'll see.

Let me turn to debtor's counsel. Good -- I see Mr. Rosen, I see Ms. Lingle. Good afternoon.

MS. LINGLE: Good afternoon, Your Honor. Barrett Lingle, White & Case, counsel to the debtors.

THE COURT: All right. How would you like to begin?

MS. LINGLE So, we are here today, Your Honor, to present our bidding procedures motion, as well as the motion for conditional approval of our disclosure statement for one silo of the debtors.

Additionally, we have two administrative matters that are uncontested at this point, approval of interim compensation procedures, as well as procedures to retain and compensate the debtor's ordinary course professionals.

Before we turn to the agenda, I would first like to provide an update with respect to the Chapter 11 cases overall.

THE COURT: Yes, please.

MS. LINGLE: Okay. So, in the months since we were last before Your Honor, we have been predominantly focused on

our path to emergence for Chapter 11 for the Kelly Hamilton side. Specifically, we saw the plan for four of the debtors on June 30th. And according to the milestone under the Kelly Hamilton DIP order, which provides for the implementation of the sale of the debtor's Kelly Hamilton property in Pittsburgh, Pennsylvania, as well as the creation of a creditor recovery trust for the benefit of the unsecured creditors of Crown Capital and CBRM Realty.

Following since the discussions, we've also entered into an agreement for the Kelly Hamilton DIP lender or a designated nominee to acquire the Kelly Hamilton property, pursuant to a credit bid of the Kelly Hamilton DIP facility obligation. The Kelly Hamilton DIP lender would serve as a stalking horse bidder for our sale process.

In connection with the marketing process for the Kelly Hamilton property, we are also finalizing a retention application for the broker that will be assisting with that sale process.

On the NOLA side, we continue discussions with the NOLA DIP lenders with respect to a transaction property process for the four properties in New Orleans. We're also finalizing a retention application for the broker assisting on that side of the house. And we'll be filing bidding procedures early next week.

We are also working on a Chapter 11 to be filed prior

to the August 17th milestone, a Chapter 11 plan to be filed by then under the NOLA DIP order. And looking ahead, we will also continue to consult with the Ad Hoc Group, the NOLA DIP lenders, and Spano Investor LLC, regarding the mechanics of the creditor recovery trust that's going to be established under the plan and the selection of the trustee.

Finally, we also intend to respond to the Rule 2004 discovery that was filed this week by Mark Silver, the former principal of the portfolio.

So, that's kind of an overview, Your Honor, where things stand. And unless there's any questions, I propose we move to today's agenda.

THE COURT: That would be fine. Thank you.

MS. LINGLE: The first item on the agenda is the debtor's motion for approval of bidding and auction procedures for the Kelly Hamilton properties, which is owned by debtor, Kelly Hamilton Apartments LLC. That motion was filed at Docket Number 281.

The debtors' proposed sale of the Kelly Hamilton property will be effectuated under the Chapter 11 plan and will provide certain extensive benefits to the debtors, as well as their estates, including the elimination of the obligations under the Kelly Hamilton DIP facility, preservation of the property as a going concern in a historic area of Pittsburgh, and funding the company the Chapter 11 plan.

The debtors seek the Court's approval to authorize the debtors to, subject to the outcome of the auction process, enter into the stalking horse agreement with the Kelly Hamilton DIP lender, establish a timeline to solicit bids, approve the debtors' selection of the Kelly Hamilton DIP lender as a stalking horse bidder, and approve a limited bid protection of $250,000 in light of the benefits that the proposed sale provides to the estates.

The debtors will use the committed bid from the Kelly Hamilton DIP lender as a four in the debtor's ongoing sale process in accordance with the timelines that were in the motion, through the highest and best bid for the Kelly Hamilton property. The debtors believe that approval of the bidding procedures and entry into the stalking horse agreement is in the best interest of the debtors, their estates, and all stakeholders.

In support of the motion, the debtor submitted a declaration at Docket Number 313 of Matthew Dundon, the principal of IslandDundon LLC, the proposed financial advisors for the debtor. I would move to submit his declaration into evidence at this time. Mr. Dundon is also on the line.

THE COURT: All right. Let me hear from counsel for any other party in interest. Is there any objection into -- as to the declaration coming into evidence by Mr. Dundon? And does any counsel wish the opportunity to cross examine Mr.

Dundon?

(No audible response)

THE COURT: All right. So, we'll mark that as D-1. And --

MS. LINGLE: Thank you.

THE COURT: -- admit it into evidence.

MS. LINGLE: Thank you. Prior to today's hearing, we received informal comments from the United States Trustee, all of which have been incorporated or otherwise resolved. Prior to the hearing, we filed a revised proposed order at Docket Number 319. Unless Your Honor has any questions, we request entry of the order.

THE COURT: I have two questions. Well, first -- maybe my questions are answered. Ms. Bielskie, I see your hand raised.

MS. BIELSKIE: Thank you, Your Honor. Lauren Bielskie with the Office of the United States Trustee. Yes, as counsel stated, we did speak prior to this hearing with regard to the language that requested by the U.S. Trustee, and those were incorporated into the proposed order.

We did just want to briefly address the break-up fee. We want to be on record as saying that we usually object to pre-approval of break-up fees. But, in light of the facts of this case, the amount of the break-up fee being less than three percent, and the fact that there's no expense reimbursements,

we are not taking a position with regard to the break-up fee in this case.

THE COURT: All right. I appreciate the views of the U.S. Trustee. My question were two-fold. One, I thought I read that the transaction contemplated not having a confirma -- a sale confirmation hearing separate and apart from the plan process. Was that true or did I misread it?

MS. LINGLE: That's true, Your Honor. We're proposing to do a joint sale and confirmation hearing on September 4.

THE COURT: All right. And then the other question. I also thought I read where what's included in the sale are the avoidance actions. And I don't know if that's correct or not. My understanding, this is essentially a sale of real estate and a credit bid.

I don't know how I'm evaluating or approving the value, what are the -- the value of the avoidance actions and what's being paid for them and what's actually being sold. Is that still contemplated? It may be an issue down the road at confirmation. But, I'm a little unclear how the avoidance actions fit in.

MS. LINGLE: The avoidance action, we'll need to look at what's filed there. It's intended it's just the property, Your Honor, that's being sold.

THE COURT: All right.

MS. LINGLE: Those should be all carved out in what's going over to the trust that's going to be established pursuant to the plan.

THE COURT: Maybe I misread it. I thought I saw included in one of the bidding terms was the avoidance action. But --

MS. LINGLE: We will -- we'll take a look at that though, Your Honor.

THE COURT: Double check it. I do see -- Ms. Hoffman, I see a raised hand.

MS. HOFFMAN: Thank you, Judge. Yes. Those avoidance actions were being transferred to the buyer. They are avoidance actions against the buyer. Everyone, including debtor's counsel, the bond counsel, has looked at this, Your Honor. There aren't really any causes of action. But, they are a part of this sale, Your Honor.

THE COURT: All right. Maybe just be more specific. Because I didn't know if it included other -- your typical avoidance actions on preference or --

MS. HOFFMAN: It does not, Your Honor. It is very specific --

THE COURT: It makes sense.

MS. HOFFMAN: -- as to the lender and 3650. So, in the event that we need to refine that, Ms. Lingle and I will work on an order and make sure that the U.S. Trustee's aware of

who the -- who the intended target, should there have been any, would be, and that is only the --

THE COURT: Claims against the purchaser.

MS. HOFFMAN: -- the Lynd entities and 3651, Your Honor. And thank you.

MS. LINGLE: No, I'll thank Ms. Hoffman for that clarification. We may need to just clear that up there. I think in a plan, it's a little bit clearer about which actions are carved out in the claims that way. But, we'll take a -- we'll double check that.

THE COURT: All right. I thank you for that clarification. The Court -- I have no further questions, and I don't see any objections. I think I'm comfortable with the timing. So, the Court will -- do I have a final version of the order? Has it been sent down, Ms. Lingle?

MS. LINGLE: It's the final version that was filed this morning at Docket Number 319, Your Honor.

THE COURT: All right. Then we'll have that entered.

MS. LINGLE: Thank you.

THE COURT: Document 319. Thank you.

MS. LINGLE: Thank you.

THE COURT: The motion will be granted.

MS. LINGLE: The next item on the agenda is the debtor's disclosure statement motion, which was filed at Docket Number 283. By this motion the debtors seek entry of an order

conditionally approving the disclosure statement.

It's containing adequate information, pursuant to Section 1125 of the Bankruptcy Code, approving proposed solicitation and voting procedures with respect to confirmation of the plan, approving the form of ballots and notes in connection therewith, and finally, settling the timeline for confirmation of the plan for the Kelly Hamilton silo of debtors. And that's specifically debtors PBRM Realty, Inc., Kelly Hamilton Apartments LLC, and Kelly Hamilton Apartments MMLLC.

The disclosure statement provides adequate information with respect to the plan and ensures that holders of claims entitled to vote on the plan will receive information of a kind and in sufficient details to make an informed judgment regarding acceptance or rejection of the plan, including the risk thereof.

The proposed case in connection with confirmation, as well as the solicitation and voting procedures, will move these Chapter 11 cases forward in a timely manner, while respecting the due process and other procedural safeguards mandated under the Bankruptcy Code and the local rules. Importantly, the proposed timeline will ensure that the plan is confirmed by the September 4th milestone negotiated with the Kelly Hamilton DIP lender.

Prior to the hearing, so I'm sure you've not had the

chance to look, I think they just hit the docket, we filed a revised disclosure statement and plan. The revised documents provide for, among other things, updated tax disclosures and certain edits that were negotiated with the United States Trustee to the plan's releases and explanation provision.Current playtime

Specifically, we have now implemented an opt-in release structure. We understand with these revisions that we are resolved with the United States Trustee. We are working to incorporate these mechanics into the solicitation materials, so we would propose to file a revised form of order and those exhibits following today's hearing.

Finally, the debtors have also been working extensively with counsel to Spano Investor LLC over the last few days to resolve Spano's objection to the disclosure statement motion. I'm pleased to report that the debtors and Spano have reached an agreement with respect to the terms to resolve that objection. These terms will be included in a stipulation, an agreed order, and additionally, that agreement will be reflected in a revised plan.

I understand -- I know that Mr. Sherman's on the line, and I understand that I think the plan was for him to read those terms into the record today.

THE COURT: All right. I was going to ask. Is this a resolution of the objection to disclosure, or is it -- or the

bigger picture, the dispute between Spano and the debtors?

MS. LINGLE: It's not a resolution of the overall dispute for now. That litigation will be abated for the time being, and it will -- I was about to say, I can either read those terms back or --

THE COURT: I'll hear from Mr. -- thank you. I'll hear from Mr. Sherman. Let me just, before I go to Mr. Sherman, I see Ms. Bielskie. Ms. Bielskie, your hand's up again?

MS. BIELSKIE: Thank you, Your Honor. Yes. Lauren Bielskie with the Office of the United States Trustee. With regards to the objection that our office filed to the motion for conditional approval, we are resolved, the changes to both the release and the exculpation. We have not though had a chance to look at the revised documents that were filed, and we did not exchange language prior to this hearing.

So, I would like an opportunity to look at that. And I just want to be clear that our resolution is as to the pending motion, but we still reserve our rights to raise any objections I'd like to hold for confirmation and the like.

THE COURT: Fair enough. And, thank you, Ms. Bielskie. And, Mr. Sherman, tell me about Spano.

MR. SHERMAN: So, Your Honor, we negotiated, what I'll call sort of a piece plan, but not actual pieces as Your Honor referred to. It's a means to get there. And then we'll

see how the -- everything evolves.

And just to give the Court a little context, Spano's claims are up at the CBRM level, which is the -- effectually, the parent of Crown. Crown is where the $200 million worth of debt is. And then Crown holds the operating entities, including the Kelly Hamilton entities that we talked about earlier today, or discussed earlier today.

So, if we sort of look at how these cases will evolve, Spano's interests become ripe when Crown can satisfy its claims. So, when the adversary was filed, we sort of looked at it and said, is there a better way through this trap, rather than litigating issues that may or may not come to pass? Because the only way they come to pass is if the Crown creditors get paid in full.

So, recognizing that, we worked with debtor's counsel to create the structure that I referred to, sort of as the piece plan. And we articulated it in nine bullet points that I can sort of read into the record or tell the Court.

THE COURT: Yes, please.

MR. SHERMAN: But, the idea is simply that, there'll be a separate class of creditor -- of claims to address Spano. Spano will have an allowed claim of $21 million for voting purposes. And then we created a structure such that, if and when the creditor trustee or the creditor recovery trustee determines that they'll be able to -- he or she will be able to

satisfy the Crown claims in full, there'll be a opportunity to restart the litigation.

Hopefully that doesn't happen, because at least the way we were looking at it, the monies only has to flow up to CBRM, and we're the main creditor there. But, that'll be for another day, which is why it's a piece plan and not a piece resolution.

THE COURT: All right. Thanks.

MR. SHERMAN: But, if --

THE COURT: As I still may have a chance to address CPLR issues, it brings me back to my early days practicing in New York. I wouldn't want to miss out on that.

MR. SHERMAN: I -- it -- that could come to pass. We hope it doesn't, that, I know Your Honor has a lot on his plate on other matters. So, hopefully we'll avoid that. But, let me just -- just clean this up, and I'll just sort of read in where the parties got to.

THE COURT: Sure.

MR. SHERMAN: Spano's claim shall be allowed in the amount of $21 million for voting purposes only. The plan shall be amended provide -- to provide for a separate class of the Spano claim, and specifically the priority of such claim, whether secured or unsecured, and the allowability for distribution purposes shall be determined at a later date to the extension there's a good faith determination by the

creditor recovery trustee that there is value to be distributed to creditors of CBRM after payment in full of claims against CBRM subsidiaries.

Pending any determination -- any such determination, the Spano claim and any asserted means and security interest shall be unaffected by the plan. Then Spano shall be granted consultation rights with regard to the identity of the creditor recovery trustee. Spano shall agree to vote in favor of the plan and support confirmation.

The adversary proceeding shall be stayed pending that such good faith determination by the creditor recovery trustee that there's value to be distributed to creditors of CBRM after payment in full of the claims against CBRM subsidiaries. Such determination of the creditor or trustee shall be -- not be subject to bankruptcy court approval, provided however that Spano will have the right to object to the determination and come back to Your Honor if there's a dispute.

Spano shall be provided 30 days written notice of such determination, and any objection shall be instituted within that 30-day notice period, subject to extension by the parties upon consent. Each party is covering their own cost and fees.

Then -- we have four more bullets, Your Honor. Subject to Spano's interest in collecting its claims against Moshe Mark Silver or other non-debtors, Spano agrees to use

commercially reasonable efforts to respond to inquiries of the creditor recovery trustee with respect to claims contributed to the creditor recovery trust, that the creditor recovery trustee may pursue against parties who are not released under the plan, including for the avoidance of doubt any claim or cause of action held by the debtors or their estates against any excluded party as defined in a plan.

Provided in no case shall Spano have any duty to respond if Spano believes that such response could, a) Could reasonably deemed to interfere with or harm any claims or obligations due to Spano or its affiliates, or b) Would breach the terms of any confidentiality agreement -- confidentiality obligation of Spano or its affiliates.

To the extent to response by Spano would require Spano to incur any expense, Spano shall so advise the creditor recovery trustee and Spano shall have no obligation to respond unless at the discretion of Spano, the creditor recovery trustee either provides payment in advance for the expense or agrees in writing to promptly reimburse Spano for the expense with a demonstration that the creditor recovery trust has the financial wherewithal to so reimburse.

The last two. Creditor recovery trustee -- the creditor recovery trustee shall provide reasonable reporting to Spano on a quarterly basis subject to the current non-disclosure agreement.

And last, Your Honor, not withstanding anything to the contrary in the plan, nothing in the plan shall effect any of Spano's rights and claims against Moshe Mark Silver or any other non-debtor. But, the avoidance of doubt, Spano shall not be a contributing claimant as defined in a plan, and Spano shall not contribute any of its claims to the creditor recovery trust.

With those nine bullets, Your Honor, that satisfies the Spano objection, and hopefully creates a path forward, such that, hopefully all claims against Crown -- or I'm sorry, Crown is able to satisfy the claims against all its creditors, maybe at that point, Your Honor, can dig into the CPLR if necessary. Hopefully not. But, that's sort of where we are on our resolution.

THE COURT: All right. Well, I thank you for that recitation. Thank you for your work, all professionals. Keep it in bullet points and not have one big block paragraph that has all that, we'll all be happy. And we can move forward. All right. Any other issues relative to the disclosure -- additionally approving the disclosure statement?

(No audible response)

THE COURT: Then the Court will approve same, and wait for the proposed order to come down after it's been circulated as necessary. And I think --

MS. LINGLE: Thank you, Your Honor.

THE COURT: I think that just leaves a couple of administrative matters.

MS. LINGLE: It does. That just -- that leaves us with two final matters. I think we are fully resolved there. But, the last two items are the debtor's motion seeking orders authorizing the employment and payment of professionals utilized in the ordinary course of business, as well as a motion establishing procedures for the payment of interim compensation. The motions were filed at Docket Numbers 270 and 272, respectively.

We received informal comments from the United States Trustee to both motions prior to the hearing, all of which have been incorporated into revised form of orders. We saw the revised ordinary course professionals order under certification at Docket Number 311 and the revised interim compensation order under certification at Docket Number 312. Unless Your Honor has any questions, we request entry of those orders.

THE COURT: I do not. I don't see any raised hands. The Court grants both motions. We will enter Docket 311 and 312 later today or tomorrow morning.

And I think that concludes the agenda. Unless anybody has any issues to bring to the Court's attention, I think we are done for the afternoon.

(No audible response)

THE COURT: Great. Take care, everyone.

MR. SHERMAN: Thank you.

THE COURT: Be well.

MS. HOFFMAN: Thank you, Judge.

THE COURT: Thank you.

MR. SHERMAN: Thank you, Your Honor.

MS. LINGLE: Thank you, Your Honor.

THE COURT: We are adjourned.

# GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

## INTRODUCTION

The above-captioned debtors and debtors-in-possession (the "Debtors") hereby file their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and, with the Schedules, the "Schedules and Statements") in the United States Bankruptcy Court for the District of New Jersey (the "Court"). The Debtors, with the assistance of their advisors and professionals, prepared the Schedules and Statements in accordance with section 521 of title 11 of chapter 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code"), and rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

These *Global Notes and Statement of Limitations, Methodology and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and Statements.[2]

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflects the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. **The Schedules and Statements and these Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors.**

While the Debtors have made all reasonable efforts to ensure that the Schedules and Statements are accurate and complete as possible based on the information that was available and accessible at the time of preparation, subsequent information or discovery may result in material changes to the Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. The subsequent receipt, discovery, or review of any additional information not used in preparation of the Schedules and Statements may result in changes to the financial data and other information contained in such Schedules and Statements. Accordingly, the Debtors reserve all rights to amend or supplement the Schedules and Statements in all respects, as may be necessary or appropriate. Notwithstanding any subsequent information or discovery, the Debtors and their agents, attorneys, and financial advisors do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re- categorized. In no event shall the

[2] These Global Notes supplement and are in addition to any specific notes contained in each Debtor's Schedules or Statements. The fact that the Debtors may reference an individual Debtor's Schedules and Statements and not those of another Debtor should not be interpreted as a decision by the Debtors to exclude the applicability of such reference to any of the Schedules and Statements of any other Debtor, as applicable.

Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or unforeseeable and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

In the event that the Schedules or Statements differ from any of the Global Notes, the Global Notes shall control.

The Debtors indirectly own a large real estate portfolio (the "Crown Capital Portfolio"), which was formed by Moshe "Mark" Silber ("Silber") and certain affiliated parties consisting of dozens of multifamily housing projects across the United States, with nearly 10,000 individual units. The Crown Capital Portfolio's multifamily housing projects have been historically funded, at least in part, by the federal government's housing assistance programs, such as Section 8. Ultimately, the Crown Capital Portfolio raised hundreds of millions of dollars of financing, including (i) over $200 million from the sale of bonds issued by Debtor Crown Capital Holdings LLC ("Crown") and guaranteed by Debtors CBRM and RH New Orleans MM LLC (the "Notes") and (ii) approximately $450 million of property-level mortgage loans provided by myriad financing sources.

Silber and certain of his co-investors, including Frederick Schulman (together with Silber, the "Former Principals of Crown Capital"), have been targets of extensive investigations by the federal government and certain state authorities in connection with certain transactions unrelated to the Crown Capital Portfolio. On April 17, 2024, Silber entered into a plea agreement in connection with an affordable housing project (which does not have a presently identified connection to the Debtors or to their past or present activities) with the Fraud Section of the Department of Justice and the United States Attorney for the District of New Jersey for conspiracy to commit wire fraud affecting an institution pursuant to 18 U.S.C. § 371. Schulman also entered into a plea agreement around the same time. Silber was sentenced to thirty months in prison and Schuman was sentenced to twelve months and one day in prison, to be followed by nine months of home confinement. Both have agreed to restitution, including but not limited to relinquishing ownership of the Crown Capital Portfolio. Once Silber's plea became public, Silber, as a convicted felon, was effectively disqualified from continuing to manage the Crown Capital Portfolio. The Crown Capital Portfolio's stakeholders, including investors who purchased the Notes (the "Noteholders"), expressed concern about these developments because the Crown Capital Portfolio's value supported the payment of principal and interest under the Notes. Following discussions between Mr. Silber's counsel and the Noteholders' counsel (Faegre Drinker Biddle & Reath LLP) and financial advisers (at the time, IslandDundon), on August 29, 2024, the parties entered into a forbearance agreement (the "Forbearance Agreement"). The Forbearance Agreement addressed various matters involving pending defaults under the Notes and Mr. Silber's go-forward involvement with the portfolio and established a process to ensure the Crown Capital Portfolio had sufficient fiduciary oversight. The Forbearance Agreement, among other things, required Mr. Silber to appoint an independent fiduciary acceptable to the Noteholders as the sole director of CBRM and Crown and provide that individual with an irrevocable proxy for so long as the obligations under the Forbearance

Agreement remained pending.

Thereafter, the Noteholders' advisors identified numerous potential candidates to serve as independent fiduciary as required by the Forbearance Agreement. On September 26, 2024, the bondholders party to the Forbearance Agreement consented to the appointment of Ms. Elizabeth A. LaPuma—a restructuring professional who for over 20 years has worked as an investment banker and corporate director, including for companies in distress—as the independent fiduciary for CBRM and Crown (the "Independent Fiduciary"). Since that time, Ms. LaPuma has acted in a fiduciary capacity for those entities and the dozens of other entities directly or indirectly owned by CBRM, including the Debtors.

IslandDundon has been engaged by the Debtors as their financial adviser and will soon file its retention application with the Court. IslandDundon has reviewed and reconciled the Debtors' financial records with the assistance of The Lynd Group ("Lynd Living"), a Texas-based real estate management organization engaged as the property manager and asset manager for several of the Debtors' and non-Debtor affiliates' real estate properties. Due to the nature of fraud involving the Former Principals of Crown Capital, there can be no assurance that the data contained in the financials, books and records, and information received by Lynd Living in its capacity as property manager and asset manager is complete and accurate. For example, several accounts related to the Debtors' general ledger are missing supporting documentation, which are discussed in greater detail herein.

## GENERAL DISCLOSURES APPLICABLE TO SCHEDULES AND STATEMENTS

**1. Reservation of Rights**. Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may have occurred. The Debtors reserve all rights to: (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to the description, designation, or the Debtor against which any claim (each, a "Claim")[3] is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) to object to the extent, validity, enforceability, priority or allowance of any Claim (regardless of whether of such Claim is designated in the Schedules and Statements as "disputed," "contingent," or "unliquidated"). Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" shall not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim shall not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the other Debtors. Further, nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any of the Debtors' rights with respect to their chapter 11 cases including, but not limited to, any issues involving Claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts

[3] For the purpose of these Global Notes, the term "Claim" shall have the meaning as defined under section 101(5) of the Bankruptcy Code.

under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers. Moreover, the Debtors reserve their rights to amend or supplement the voluntary petition filed by Debtor RH Lakewind East LLC subject to the Court's hearing on *Cleveland International Fund – NRP West Edge, Ltd.'s Motion to Dismiss the Chapter 11 Case of RH Lakewind East LLC* [Docket No. 87]. Any specific reservation of rights contained elsewhere in these Global Notes shall not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

**2. Description of the Cases and "As Of" Information Date**. On May 19, 2025 (the "Petition Date"), the Debtors each filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code.

On May 27, 2025, the Court entered the *Order Directing Joint Administration of Chapter 11 Cases* [Docket No. 51] (the "Joint Administration Order"). The Joint Administration Order authorized the joint administration of the Debtors' chapter 11 cases under lead case number 25-15343 for procedural purposes only. Accordingly, each Debtor has filed its own Schedules and Statements.

The income, loss, and asset and liability information provided in the Schedules and Statements is presented as of the Petition Date. The amounts of the Debtors' funded debt obligations and certain amounts related to the Debtors' requests for "first day" relief are also represented as of the Petition Date. Procedures are in place to clearly delineate pre- and post-petition liabilities.

**3. Net Book Value of Assets**. In many instances, current market valuations are neither maintained by nor readily available to the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests that are not maintained or readily available. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book values ("NBV"), rather than current market values, of the Debtors' assets as of the Petition Date and may not reflect the net realizable value. For this reason, amounts ultimately realized will vary, at times materially, from net book value.

**4. No Admission**. Nothing contained in the Schedules and Statements is intended, or should be construed as, an admission or stipulation of the validity of any Claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors' rights to dispute any Claim or assert any cause of action or defense against any party.

**5. Insiders**. For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code. However, parties referenced as "insiders" have been included for informational purposes only and such listing is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved. The Debtors have attempted to identify parties who could properly be considered "insiders" at any point during the applicable periods identified in the Schedules and Statements. The Debtors were inclusive in their interpretation of what may constitute an

"insider." However, the Debtors do not take any position with respect to (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

**6. Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate. The liabilities listed on the Schedules do not reflect a complete analysis of Claims rights to be treated as an administrative claim under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted administrative Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

**7. Excluded Assets and Liabilities**. Liabilities resulting from accruals and/or estimates of long-term liabilities do not represent specific claims as of the Petition Date and are not otherwise set forth in the Schedules and Statements. Additionally, certain deferred charges, accounts or reserves recorded for GAAP reporting purposes only and certain assets with a net book value of zero are not included in the Debtors' Schedules. Excluded categories of assets and liabilities include accrued expenses. Other immaterial assets and liabilities may also have been excluded.

**8. Summary of Significant Reporting Policies**. The following is a summary of certain significant reporting policies:

a. **Setoffs**. To the extent the Debtors incurred any ordinary course setoffs from customers/vendors such ordinary course setoffs are excluded from the Schedules and Statements.

b. **Credits and Adjustments**. Claims of creditors are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to same.

c. **Holdco Debtors**. For the purpose of these reports, and since separate financials for all non-operating Debtors, CBRM Realty Inc., Crown Capital Holdings LLC, Kelly Hamilton Apts MM LLC, RH New Orleans Holdings LLC, and RH New Orleans Holdings MM LLC (collectively, the "Holdco Debtors" and each, a "Holdco Debtor"), do not exist, financials were not rolled up and/or consolidated for the Holdco Debtors. Instead, the only asset of each respective Holdco Debtor is such Holdco Debtor's equity interests in its respective subsidiary.

**9. Undetermined Amounts**. Where a description of an amount is left blank or listed as "unknown," "undetermined," or "to be determined," such response is not intended to reflect upon the materiality of such amount.

**10. Estimates**. The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions that affected the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and the reported amounts of revenue and expenses. Actual reports could differ materially from these estimates. Further, certain immaterial assets and liabilities may have been excluded from the Schedules and Statements. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, reported revenue and expenses to reflect changes in those estimates and assumptions.

**11. Recharacterization**. The Debtors have made reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtors reserve their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate.

**12. Classifications**. Listing a Claim (a) on Schedule D as "secured," (b) on Schedule E as "priority," (c) on Schedule F as "unsecured priority," or (d) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of any claimant, or a waiver of the Debtors' rights to recharacterize or reclassify any Claim or contract or to setoff such Claims. For the avoidance of doubt, the Debtors reserve all rights to dispute the amount and/or the priority status of any Claim on any basis at any time

**11. Claims Description**. Any failure to designate a Claim on a given Debtor's Schedule as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve all rights to dispute, or to assert any offsets or defenses to, any claim reflected on their respective Schedules on any grounds including, without limitation, amount, liability, validity, priority or classification, or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.

**12**. **Contingent Assets and Causes of Action**. Each of the Debtors hold significant potential Claims and causes of action, including Claims and causes of action under chapter 5 of the Bankruptcy Code or applicable non-bankruptcy law, against Silber, Frederick Schulman, Piper Sandler & Co., Mayer Brown LLP, Rhodium Asset Management LLC and its affiliates,[4] Syms Construction LLC, Rapid Improvements LLC, NB Affordable Foundation Inc., title agencies, independent real estate appraisal firms, other current or former insiders of the Debtors,

[4] Based on the Debtors' books and records, non-Debtor affiliates owned and controlled by the Former Principals of Crown Capital purportedly include but may not be limited to: Rhodium Asset Management LLC; Rhodium Capital Advisors, LLC; Rhodium Management; Rhodium Development, LLC; Rhodium Group; RHODIUM CT GP LLC; RHODIUM CT LP LLC; RHODIUM FC CT LP; and RH FC 14 CT GP LLC.

and each of the aforementioned entities' affiliates, partners, members, managers, officers, directors, and agents. The Debtors may not have listed all of their respective causes of action or potential causes of action against third parties as assets in their Schedules and Statement, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any causes of action, avoidance actions, controversy, right of set-off, cross claim, counterclaim, or recoupment, and any Claim in connection with any contract, breach of duty imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such Claims, causes of actions, or avoidance actions or in any way prejudice or impair the assertion of such Claims.

**13. Executory Contracts.** Although efforts have been made to accurately reflect each Debtor's executory contracts in the Schedules and Statements, inadvertent errors or omission may have occurred. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using reasonable efforts. Listing a contract or agreement in the Schedules and Statements does not constitute an admission that such contract or agreement (a) is an executory contract, (b) was in effect on the Petition Date, or (c) is valid or enforceable. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G.

Although the Debtors made diligent attempts to attribute each executory contract to the correct Debtor, the Debtors may have inadvertently failed to do so. Certain confidentiality and non-compete agreements may not be listed on Schedule G. The contracts and agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments and other documents that may not be listed despite the Debtors' use of reasonable efforts to identify such documents. Certain of the contracts and agreements listed on Schedule G may also consist of several parts, including purchase orders, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. Unless otherwise specified on Schedule G, each executory contract listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, purchase orders, statements of work, requests for service, or other agreements made directly or indirectly. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single or integrated contract or agreement, multiple contracts or agreements, or severable or separate contracts or agreements.

The Debtors expressly reserve their rights, Claims, and causes of actions with respect to the executory contracts, including the right to dispute or challenge the characterization of any agreement on Schedule G as executory.

**14. Guarantees**: The Debtors have used their reasonable best efforts to locate and identify guarantees and other secondary liability Claims (collectively, "Guarantees") in each of their executory contracts, unexpired leases, secured financings, debt instruments, and other similar agreements. Where such Guarantees have been identified, they have been included in the relevant Schedules of the Debtor or Debtors affected by such Guarantees. Where a Guarantee exists, co-obligors are listed on a Debtor's Schedule H to the extent the Debtor is either the primary obligor or the guarantor of the relevant obligation. To the extent that a Debtor is a guarantor, such Guarantees are also listed on its Schedule D or E/F, as appropriate, and listed as "contingent" and "unliquidated" unless otherwise specified. Further, it is possible that certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. Thus, the Debtors reserve their rights to amend the Schedules and Statements to the extent that additional Guarantees are identified. In addition, the Debtors reserve the right to amend the Schedules and Statements to recharacterize, reclassify, add, or remove any such contract or Claim.

**15. Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

**15**. **Confidentiality**: There are instances within the Schedules and Statements where names, addresses, or amounts have been left blank. Due to the nature of an agreement between the Debtors and a third party, concerns of confidentiality, or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses, and amounts.

**16**. **First Day Orders**: The Court has authorized (each, a "First Day Order") the Debtors to pay, in whole or in part, various outstanding prepetition Claims, including but not limited to, payments relating to prepetition tenant reimbursements and utilities. Given that certain of these Claims are anticipated to be paid in accordance with the First Day Orders, such Claims may not be listed in the Schedules, or may otherwise be listed as "unknown" or "to be determined." Accordingly, the scheduled Claims may not reflect those prepetition expenses that have been or will be paid in accordance with the First Day Orders and other orders of the Court.

**17. Signatory**. The Schedules and Statements have been signed by Elizabeth LaPuma, in her capacity as Independent Fiduciary. In reviewing and signing the Schedules and Statements, she has necessarily relied upon the efforts, statements and representations of various of the Debtors' personnel and professionals. She has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

**18. Limitation of Liability.** The Debtors and their officers, employees, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy, completeness, or correctness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused, in whole or in part, by the acts, errors, or omissions, whether negligent or otherwise, in

procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors and their officers, employees, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or, except to the extent required by applicable law or an order of the Court, to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their officers, employees, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential Claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused.

## SPECIFIC DISCLOSURES WITH RESPECT TO THE DEBTORS' SCHEDULES

**1.** **Schedule A/B Assets—Real and Personal Property**. Each Debtor's assets in Schedule A/B are listed at net book value as of the Petition Date, unless otherwise noted, and may not necessarily reflect the market or recoverable value of these assets as of the Petition Date.

- The Debtors' balance sheet indicates that multiple operating accounts exist at each Debtor entity. Certain bank accounts that appear on the Debtors' financial statements are not listed in the Schedules as such bank accounts were inherited from the Debtors' previous ownership and the Debtors do not believe that any such bank account existed as of the Petition Date or currently exists. After the Petition Date, the Debtors opened several new bank accounts, which accounts are not listed on the Debtors' Schedules.

- The Debtors' accounts receivable from tenants are collected in the ordinary course of business, and due to the nature of the books and records, IslandDundon is still in the process of classifying accounts receivable from tenants based on days outstanding. Therefore, IslandDundon has currently classified all account receivables from tenants as less than 90 days outstanding.

- There also exist outstanding accounts receivable from when the Debtors were managed by the Former Principals of Crown Capital, for which there is no substantive detail. The Debtors do not believe any of these receivables are collectable and hence have all been classified as over 90 days outstanding.

- Equity interests in all of the Debtors are reflected as undetermined.

- All real personal property and improvements for each applicable Debtor is listed on an individualized basis and represents the NBV of the respective building and building improvement. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests that are not maintained or readily available.

- Rhodium Asset Management LLC booked intercompany accounts receivables between the Debtor entities for which no supporting documentation exists. These entries have been maintained, but the Debtors do not believe that any of these intercompany accounts receivables are collectable.

2. **Schedule D — Creditors Holding Secured Claims**. Except as otherwise agreed pursuant to a stipulation, agreed order or general order entered by the Court that is or becomes final, the Debtors and/or their estates reserve their right to dispute or challenge the amount, validity, perfection, priority or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Further, although the Debtors may have scheduled Claims of various creditors as secured Claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken. The Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's Claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's Claim. The descriptions provided in Schedule D are intended to be only a summary.

Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of liens. Detailed descriptions of the Debtors' prepetition debt structure and descriptions of collateral relating to the debt contained on Schedule D are contained in the *Declaration of Matthew Dundon, Principal of IslandDundon LLC, in Support of Debtors' Chapter 11 Petitions and First Day Pleadings* [D.I. 44].

Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all of their rights to amend Schedule D to the extent that the Debtors determine that any Claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of any claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claim or contract. Moreover, the Debtors have not included on Schedule D parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.

3. **Schedule E/F—Creditors with Priority Unsecured Claims**. Pursuant to the *Interim Order Authorizing the Debtors to Continue Their Prepetition Business Operations, Policies, and Practices and Pay Related Claims in the Ordinary Course of Business on a Postpetition Basis* [Docket No. 136], the Debtors have been granted the authority to pay certain tax liabilities that accrued prepetition. Accordingly, any priority unsecured Claim based upon prepetition tax accruals that have been paid pursuant to such order are not listed on Schedule E. To the extent the Debtors have listed the Claims or potential Claims of various taxing authorities, such listing of a Claim on Schedule E does not constitute an admission by the Debtors that such Claim is entitled to priority under section 507 of the Bankruptcy Code. The Debtors reserve the right to dispute the priority status of any claim on any basis.

4. **Schedule E/F— Creditors with Nonpriority Unsecured Claims**. The liabilities identified on Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made reasonable efforts to set forth their unsecured obligations, but the actual Claims and amounts against the Debtors may differ from the liabilities listed on Schedule E/F Part 2. In certain instances, the date or dates on which a Claim listed on Schedule E/F, Part 2, arose, accrued, or was incurred are unknown to the Debtors or subject to dispute. Where the determination of the date on which a Claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such Claim. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed Claim. In addition, certain Clams listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9).

The Debtors have made best efforts to include all creditors on Schedule F; however, the Debtors believe there may be instances where vendors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates.

5. **Schedule G—Executory Contracts**. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively the "Agreements"), a review of such Agreements is ongoing and inadvertent errors, omissions or over-inclusion may have occurred. For example, Lynd Living is still gathering and reconciling contracts related to Debtor Kelly Hamilton Apts LLC. Pursuant to the *Order Authorizing the Assumption of Certain Amended and Restated Property Management Agreements and Asset Management Agreement* [Docket No. 171], the Court has approved the Debtors' assumption of certain executory contracts with Lynd Living, which contracts are included on the Debtors' Schedules. The Debtors may have entered into various Agreements in the ordinary course of their business, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements, which may not be set forth in Schedule G. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted Agreements. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed on Schedule G.

Any and all of the Debtors' rights, claims and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Debtors hereby reserve all of their rights to: (i) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G; (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's Claim, including, but not limited to, the Agreements listed on Schedule G; and (iii) amend or supplement such Schedule as necessary.

## NOTES TO THE DEBTORS' STATEMENTS

**1.** **Statement Part 1, Question 1: Revenue**. Revenue is shown for the fiscal years ending 2023, 2024, and 2025 through the Petition Date.

**2.** **Statement Part 2, Question 4(a): Payments to Insiders**. The Debtors' listing of individuals as "insiders" is subject to the methodology and reservations of rights described in paragraph 5 hereof. In the interest of disclosure, the Debtors have listed all payments during the applicable period to parties that may have qualified as an insider at any point during such period. On April 30, 2025, White & Case LLP, on behalf of Crown Capital Holdings LLC, paid certain expenses owed to the Independent Fiduciary. The Debtors' records reflect multiple categories of payments made to Lynd Living and certain of its affiliated entities prior to the Petition Date for a range of operational and administrative functions undertaken in its capacity as property manager and real estate asset manager. These payments include: (i) payroll disbursements for on-site and shared services personnel employed or administered through Lynd Living-affiliated entities; (ii) management fees paid pursuant to pre-existing property management agreements; and (iii) reimbursements for accounts receivable related to third-party expenses Lynd Living initially paid on the Debtors' behalf. The reimbursed expenses include, but are not limited to, postage and mail handling, software licenses, marketing expenditures, and other general administrative overheads incurred during the normal course of operations.

**3.** **Statement Part 6, Question 11: Payments Related to Bankruptcy.** On April 23, 2025, the Debtors deposited with White & Case LLP, proposed counsel to the Debtors, a retainer of $141,680.00. On April 30, 2025, White & Case LLP paid certain expenses of the Debtors in the amount of $60,000.00 from such retainer. Additional information regarding the Debtors' retention of professional service firms is more fully described in individual retention applications.

**4.** **Statement Part 3, Question 7: Legal Actions**. The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors or any affiliates of the Debtors. The Debtors also reserve their right to assert that neither the Debtors nor any affiliates of the Debtors are an appropriate party to such actions or proceedings. The Debtors have made reasonable best efforts to identify all current pending litigation involving the Debtors; however, certain omissions may have occurred. In the ordinary course of business, the Debtors file unlawful detainer or forcible entry and detainer actions, as necessary, against individual tenants. The Debtors may have been involved in a number of such actions in the year preceding the Petition Date, but no such action has been listed on the Debtors' Statements.

**5.** **Statement Part 7, Question 14: Previous Addresses.** Due to the consolidated nature of the Debtors' operations, the same address may be listed on the schedules of multiple Debtors.

**6.** **Statement Part 13, Question 26(b): Firms or Individuals Who Have Audited, Compiled, or Reviewed Debtors' Books**. The Debtors have not engaged any auditors within the two years preceding the Petition Date. The most recent party involved in preparing the Debtors' financial information was the tax preparer responsible for the 2022 return. While a

draft 2023 return was reportedly completed, it has not been released to the Debtors due to nonpayment. As of the date hereof, the Debtors have been unable to verify whether the 2023 return was finalized or filed with the appropriate reporting agencies. Other third parties may have audited, compiled, or reviewed the Debtors' books but are not included in the Debtors' responses to Statement Question 26(b).

**7. Statement Part 13, Question 26(c): Firms or Individuals in Possession of Debtor's Books of Account and Records**. Lynd Living assumed primary responsibility for maintaining the books and records for the Debtor Borrowers under the NOLA DIP Facility[5] and Debtor Kelly Hamilton Apts LLC in 2025. This transition occurred after the Former Principals of Crown Capital became the subject of a federal investigation described at length earlier herein. Prior to this transition, the Debtors' book and records were exclusively managed by non-debtor affiliates owned and controlled by the Former Principals of Crown Capital, including Rhodium Asset Management LLC, whose Chief Financial Officer temporarily assisted Lynd Living during the early phases of the transition. Lynd Living has continued to manage the Debtors' books and records through the Petition Date. The current books and records in the Debtors' possession represent the extent of the information that it has for the Crown Capital Portfolio. Other third parties besides those listed may possess a subset of the Debtors' books and records but are not included in the Debtors' responses to Statement Question 26c.

[5] "Debtor Borrowers" and "NOLA DIP Facility" shall have the meaning ascribed to such terms in the *Interim Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief* [Docket No. 110].

R. BANKR. P. 2004(C) AND 9016**

I, Matthew Dundon, pursuant to 28 U.S.C. § 1746, hereby declare that the following is true and correct to the best of my knowledge, information, and belief:

1. I am a Principal of Dundon Advisers LLC ("**Dundon**") and its real estate restructuring affiliate IslandDundon LLC ("**IslandDundon**"), the proposed financial advisor for the above-captioned debtors and debtors-in-possession (collectively, the "**Debtors**"). Based on my work with the Debtors, my review of relevant documents, and my discussions with members of the Debtors' management team and other professionals, including the Independent Fiduciary,[2] I am familiar with the Debtors' day-to-day operations and business affairs. I submit this supplemental declaration (this "**Declaration**") in support of the *Debtors' Limited Objection to Motion of Party in Interest Moshe ("Mark") Silber for Issuance of a Subpoena Duces Tecum Pursuant to Fed. R. Bankr. P. 2004(C) and 9016* and *Debtors' Objection to Motion of Party in Interest Moshe ("Mark") Silber for Appointment of an Equity Security Holders Committee or, in the Alternative, Appointment of Counsel* (the "**Objections**").

2. Except as otherwise indicated herein, all facts set forth in this Declaration are based upon: (a) my personal knowledge of the Debtors' operations and finances; (b) information learned from my review of relevant documents; (c) information supplied to me by the Debtors'

In re CBRM Realty Inc., et al., c/o White & Case LLP, 1221 Avenue of the Americas, New York, New York 10020.

professional advisors; or (d) my opinion based on my experience, knowledge, and information concerning the Debtors' operations and financial condition. I previously submitted the *Declaration of Matthew Dundon, Principal of IslandDundon LLC, in Support of Debtors' Chapter 11 Petition and First Day Pleadings* [Docket No. 44] (the "**First Day Declaration**").

3. I am over the age of 18 and authorized to submit this Declaration on behalf of the Debtors. I am not being compensated for this testimony other than through payments received by IslandDundon as a professional engaged by the Debtors; none of those payments are specifically payable on account of this testimony. If called upon to testify, I could and would testify competently to the statements set forth in this Declaration, as the information in this Declaration is complete and accurate to the best of my knowledge.

4. I have reviewed the Rule 2004 Motion and the Equity Motion. The factual allegations in those motions are meritless and are based in an incomplete, false and misleading narrative regarding the facts and circumstances leading up to the Debtors' chapter 11 filings.

5. Additionally, there is simply no plausible scenario in which these cases can provide a dividend to equity.

**Supplemental Declaration**

6. As explained in further detail in the First Day Declaration, on August 29, 2024, Mr. Silber and the Noteholders entered into the Forbearance Agreement because the Debtors and the Crown Capital Portfolio did not have sufficient capital and liquidity to manage the portfolio or pay interest payments to the Noteholders. Many of the properties were in a state of disrepair and required substantial capital to improve and maintain. As a result, Kelly Hamilton Lender LLC, an affiliate of Lynd, agreed to loan Kelly Hamilton Apts LLC approximately $3 million to fund necessary expenses for the Crown Capital Portfolio. Mr. Silber signed the loan documents, as well

as the property management agreements and asset management agreements, with the appropriate Lynd affiliates.

7. On September 26, 2024, the Noteholders party to the Forbearance Agreement consented to the appointment of Ms. LaPuma as the Independent Fiduciary. Mr. Silber's repeated insistence in the Rule 2004 Motion and Equity Motion that the Crown Capital Portfolio, or any material portion of it, was in good operating or financial condition on that date is simply false. Many properties had low occupancy rates and accordingly weak or negative cash flow even before costs of debt service. Units in such poor repair as to be uninhabitable were common. Enforcement action by or on behalf of defaulted-upon mortgagees was occurring at many properties.

8. Soon after Ms. LaPuma's appointment, Mr. Silber began to unwind the existing management structure for the Crown Capital Portfolio, including laying off many of his employees. Mr. Silber's actions caused turnover issues, a lack of continuity in (or, in some cases, a complete absence of) employees, and a lapse in company recordkeeping, thus undermining the portfolio's ability to maintain its value. For example, for certain entities, Lynd received organizational charts that were inaccurate or did not receive any organizational charts at all. This lapse in information made it difficult for the new advisors to manage the Crown Capital Portfolio.

9. In light of this situation, following Ms. LaPuma's appointment, Lynd created an asset recovery plan. In connection with that plan, Lynd conducted a thorough analysis of the Debtors' properties to determine which, if any, had value in excess of their mortgage balances that could support unsecured creditor recoveries or even dividends upon equity. Lynd determined as a result of its analysis that most of the properties in the Crown Capital Portfolio which had a chance of being worth more than their respective mortgage balances could only realize that incremental value with substantial additional capital investment. Any rent collections within the portfolio

exceeding day-to-day operating costs were used to maintain units. IslandDundon reviewed Lynd's analyses, conducted its own analyses, and reached the same conclusions.

10. This situation was exacerbated by the guilty pleas by Mr. Silber and his co-conspirator, Mr. Schulman, which made obtaining financing for the Debtors and the Crown Capital Portfolio nearly impossible. As a general matter, lenders and other financing parties do not want to provide capital or financing to counterparties controlled by parties with felony convictions. Mr. Silber is the sole equityholder of CBRM, which is the parent entity of the Crown Capital Portfolio. Additionally, Mr. Silber, and in some instances, Mr. Schulman, had direct or indirect equity interests in many of the entities of the Crown Capital Portfolio. As such, Mr. Silber's and Mr. Schulman's felony convictions and refusal to forfeit their equity interests made it impossible for the Debtors and other entities within the Crown Capital Portfolio to obtain prepetition financing. Additionally, Mr. Silber and Mr. Schulman still retained control of multiple managing member entities within the Crown Capital Portfolio and did not give that control of such entities to the Independent Fiduciary. This retention of control by Mr. Silber and Mr. Schulman caused serious issues with obtaining financing from lenders and funding from the Department of Housing and Urban Development, with respect to certain properties within the Crown Capital Portfolio.

11. Despite these challenges, the Debtors sought to implement Lynd's asset recovery plan by commencing these chapter 11 cases. The Debtors are seeking to salvage value through an in-court restructuring of the properties that have been identified as potentially retaining equity value, and are on the verge of what the Debtors believe is a value-maximizing transaction in connection with certain of those properties.

12. The extent of the Debtors' distress is such that I do not believe there is anything anyone can do to bring equity into the money, to say the least of anything that can be done by the

Mr. Silber, the very author of that distress. The Rule 2004 discovery and the formation of an equity committee he seeks to compel would each impose great administrative expense at the burden of, and with no benefit for, the estates.

13. Mr. Silber alleges that he has not been informed of the key milestones in the Debtors' chapter 11 cases. That is not true. Affidavits of service reflect that Mr. Silber has been promptly served with key filings in connection with these cases, including the notice of commencement of the cases, bar date notice, the Disclosure Statement Order, and notice of the confirmation hearing scheduled for CBRM and certain of its Debtor affiliates on September 4, 2025. Dkt. Nos. 274, 296. I also understand from the Debtors' claims and noticing agent that Mr. Silber was served with the plan solicitation package.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

Chapter 11

Case No. 25-15343 (MBK)
(Jointly Administered)

MOTION OF PARTY IN INTEREST MOSHE ("MARK") SILBER FOR APPOINTMENT OF AN EQUITY SECURITY HOLDERS COMMITTEE OR, IN THE ALTERNATIVE, APPOINTMENT OF COUNSEL

I, party in interest Moshe ("Mark") Silber, hereby move pro se pursuant to 11 U.S.C. §1102(a)(2) for appointment of a committee of equity security holders in the above-captioned bankruptcy case, or in the alternative, for appointment of counsel pursuant to 28 U.S.C. §1915(e)(1). In support hereof, I state as follows:

INTRODUCTION

1. I am the sole shareholder of Debtor CBRM Realty Inc. ("CBRM"), the top-level entity in the roughly 15,000-unit real estate portfolio that I built over years, which is now the subject of this bankruptcy case. I am also currently incarcerated, having pled guilty in July 2024 to one count of conspiracy to commit wire fraud affecting a financial institution, in violation of 18 U.S.C. §371.

2. Although I am indisputably a party in interest in this bankruptcy case, I have been shut out of it. I received no prior notice that the case would be filed. I have not received notices under Rule 2002. No filings have been served on or sent to me by Debtors. Owing to my incarceration, my access to filings has been sporadic, informal, and often weeks (or more) delayed. I have not had the opportunity to be heard or to appear on numerous issues, lacking sufficient notice of them. And I have only recently learned that the case has proceeded in a manner that lays virtually all of the fault for Debtors' difficulties at my feet.

3. That is a false narrative. Notwithstanding my criminal conviction, the real estate business I built was fundamentally sound as of mid-2024, when I was forced to turn day-to-day control of it over to the independent fiduciary, Elizabeth LaPuma ("LaPuma"). If I had access to the business's records and the ability to participate meaningfully in this case with the assistance of counsel, I believe I could prove that the portfolio had equity value at that point, and that it still may. And if it does not, then I believe the decisions and actions of LaPuma and the property and asset managers she hired, Lynd Management Group LLC ("LMG") and LAGSP LLC ("LAGSP", and together with LMG, "Lynd"), deserve careful scrutiny in this case. On their watch, numerous portfolio properties have fallen into disrepair

and numerous violations have gone unaddressed, to the estate's significant detriment.

4. Now, a proposed plan of reorganization (Docket No. 246) has been hastily proposed that would essentially immunize LaPuma and Lynd from responsibility for lost estate value, sell a valuable estate asset to a Lynd affiliate for what appears (to me) to be a generous discount, and wipe me out while targeting me as potentially liable to the estate for damages. Meanwhile, filings on behalf of the Debtors in this case contain significant inaccuracies that appear calculated to gloss over LaPuma and Lynd's deficient performance and to misrepresent the true nature and value of the Debtors' sizeable real estate portfolio. Indeed, some filings seem to reflect that Debtors' management does not even know what properties the business owns.

5. I need a seat at the table to ensure that these issues do no get swept under the rug. It is not too late for me to make a valuable contribution to this case that, first, assists creditors in securing a full recovery so that, second, equity may share in a distribution. I respectfully request that the Court give me that opportunity by exercising its discretion to direct the United States Trustee to appoint an equity committee empowered to hire counsl and advocte for and protect the interests of equity, since those interests are not otherwise adequately represented in this case. In the alternative, I ask that counsel be appointed to represent me pursuant to 28 U.S.C. §1915(e)(1).

FACTS

6. I am the sole shareholder of CBRM, the top-level entity in the real estate portfolio I assembled and managed for years. As of mid-2024, that portfolio comprised roughly 15,000 residential units across dozens of properties spread throughout the United States, each owned by a direct or indirect subsidiary of CBRM.

The Government's Investigation of Me

7. In or around September 2023, I was notified that I was the subject of a federal criminal investigation centered on a mortgage loan conspiracy. It is my

understanding that in connection with that investigation, the government subpoenaed and reviewed all of the loans in the real estate portfolio. Ultimately, the government's attention focused on the Williamsburg of Cincinnati loan transaction (see below). To my understanding, the investigation did not identify any other grounds to charge me. I was prosecuted only with respect to that single loan transaction.

My Guilty Plea and Incarceration

8. On July 9, 2024, I pled guilty in the United States District Court for the District of New Jersey to one count of conspiracy to commit wire fraud affecting a financial institution, in violation of 18 U.S.C. §371. The conviction arose out of a loan transaction involving a property owned by Williamsburg of Cincinnati Apts, LLC ("Williamsburg of Cincinnati"), a subsidiary of (now-Debtor) Crown Capital Holdings LLC ("Crown"), which itself is a wholly-owned subsidiary of CBRM. No other debtor-affiliated entity or property was implicated or involved in that transaction or my plea.

9. In March 2025, I was sentenced to 30 months of imprisonment, three years of supervised release, and to pay a yet-to-be-determined amount of restitution. I have been in custody since February 28, 2025.

10. I am currently incarcerated at FCI Danbury, a low-security federal prison in Danbury, Connecticut. My legal and practical resources here in prison are extremely limited. Although I have access to an electronic law library of federal case law and statutes, I do not have access to the internet or, by extension, the Court's electronic case filing ("ECF") system. I have not been served with or directly received formal notice of any filings in this case. I cannot receive emails from the ECF system. What I know about the case I have learned by relying on contacts outside prison to mail me voluminous paper copies of filings - a slow, cumbersome, unreliable process that means I routinely receive thousands of pages of case material weeks (or more) after they are filed. For example, I only just last week received the First Day Declaration of Matthew Dundon (Docket No. 44), the

proposed plan of reorganization (Docket No. 246), and the proposed disclosure statement (Docket No. 247).

11. In prison, I also have no access to standard word processing or communication technology of the sort I would need to participate effectively in this case as a pro se litigant. This motion, for instance, was typed on a typewriter. I have no ability to scan documents or to send or receive them by email. I cannot receive unscheduled telephone calls. I cannot review documents in electronic format, such as a .pdf or .xls file. To my understanding, while the prison can connect with federal courtroom video systems, it cannot connect to proceedings held over Zoom.

12. For all intents and purposes, I am foreclosed by my circumstances from meaningful participation in this bankruptcy case. My efforts to stay informed about and be heard in it have felt like driving a golf cart in a Formula 1 race - it's impossible to keep up and I keep getting lapped by deadlines, decisions, and developments that I only learn about after it is too late for me to appear and be heard on them. For example, I did not learn of the deadline for objecting to interim approval of the proposed disclosure statement until less than 24 hours before a submission would have been due - far too little time to assemble a response given the limitations I face.

Effect of My Guilty Plea on My Real Estate Business

13. My guilty plea precipitated a crisis for my real estate business by making CBRM, Crown, and their dozens of subsidiaries unbankable while I remained in control of them. This left the business unable to access capital and credit it needed to perform day-to-day operations and pay expenses such as maintenance, repairs, wages, salaries, and debt service.

14. To alleviate the crisis, and at the insistence of a group of bondholders of Crown, I agreed to relinquish control over my business while retaining my equity interest in it. Pursuant to a series of agreements and corporate resolutions executed on September 26, 2024 after months of painstaking negotiations, I turned

control over the operation and management of the real estate portfolio to LaPuma, who agreed to act as an independent fiduciary. LaPuma's engagement was to last up to three years. She was to be paid $60,000 per month for her services.

15. Upon taking control of the business, LaPuma retained LMG and LAGSP to act as the property and asset manager, respectively for the real estate portfolio. LaPuma committed the business to paying Lynd $200,000 per month for its services. In addition, Lynd separately charged and received well over $1 million to prepare and implement an asset recovery plan for the business - a plan that to my knowledge has never been implemented.

LaPuma and Lynd's Apparent Mismanagement of the Portfolio

16. Serious questions have arisen about LaPuma and Lynd's performance as fiduciaries and/or managers of the large real estate portfolio they control. In addition to their apparent failure to implement the asset recovery plan for which Lynd was paid over $1 million, LaPuma and Lynd appear to have allowed valuable estate assets to be lost or diminished, and to have supplied their financial advisor, IslandDundon, with inaccurate information that has been repeated in filings in this bankruptcy case.

17. For example, after LaPuma took control over the portfolio, Spano Investor LLC ("Spano"), identified as a judgment creditor in this case, foreclosed on the equity of Westwood Apts LLC ("Westwood"), a subsidiary of CBRM. At the foreclosure sale, which was minimally advertised, Spano reportedly credit bid just a few thousand dollars for that equity, despite the fact that Westwood owned property worth nearly ten million dollars. To my knowledge, LaPuma and Lynd took no steps to prevent Spano from obtaining this windfall.

18. LaPuma and Lynd have also apparently failed to prevent, cure, or otherwise address problematic conditions at multiple other portfolio properties, costing the business millions. For example, they have failed to correct conditions at Mon View Heights Apartments, a portfolio property located in Allegheny County, Pennsylvania,

which is owned by Mon View Apts LLC ("Mon View"), a non-debtor subsidiary of CBRM and/or Crown. In November 2024, Allegheny County filed criminal complaints against Mon View arising out of uncured violations at the property. LaPuma and Lynd failed to respond to those complaints or to fix the underlying issues (falsely claiming they somehow lacked authority to do so), resulting in the imposition of over $232,000 in fines.

19. As a direct result of that apparent mismanagement of Mon View, on or about February 4, 2025, Allegheny County also lodged a criminal complaint against me personally, citing allegedly poor conditions at Mon View Heights Apartments that LaPuma and Lynd had failed to address. Those charges were eventually dropped against me, but not before they resulted in a violation of my bail terms that led to me being taken into custody early, and to my being tarred in the local press as a "slumlord" (a false allegation that reflected negatively on the entire portfolio). To my knowledge, the conditions at Mon View Heights Apartments that precipitated those charges remain unaddressed.

20. Other portfolio properties have had similar problems on LaPuma and Lynd's watch. The City of New Orleans has tagged the business's New Orleans portfolio - consisting of six properties and 2,204 unit that Lynd has managed since 2019 - with hundreds of violations since September 2024. And the business's Creekwood and Forester properties in Tuscaloosa, Alabama are currently being pursued by local authorities there for violations arising out of conditions LaPuma and Lynd have apparently failed to address.

21. These examples, which cover affordable and market-rate projects alike, hint at potentially more-widespread mismanagement of the portfolio that may have already cost - and may continue to cost - the estate, its creditors, and equity millions in lost value.

The Debtors' Inaccurate Bankruptcy Filings

22. On May 19, 2025, LaPuma filed Chapter 11 bankruptcy petitions for CBRM, Crown, RH New Orleans MM LLC, and seven of their subsidiaries. On July 8, 2025, LaPuma filed a revised Chapter 11 petition for RH Lakewind East LLC (Docket No. 265).

23. Many more subsidiaries wholly or majority-owned by CBRM and/or Crown remain under LaPuma and Lynd's control, but have not been made debtors in this bankruptcy case. The equity of those entities is, however, property of the estate, by virtue of being held by CBRM, Crown, or another debtor.

24. Filings in this jointly administered bankruptcy case have contained significant inaccuracies that gloss over LaPuma and Lynd's deficient performance, misrepresent the nature and value of Debtors' real estate portfolio, and mischaracterize my legal troubles and their effect on the business and its stakeholders.

25. The First Day Declaration of Matthew Dundon is one such filing, and inaccuracies it contains are repeated in the proposed disclosure statement. It would appear that Dundon received incomplete and inaccurate from LaPuma and Lynd. Had Dundon spoken with me instead, those errors would not likely have occurred.

26. For example, Dundon's Declaration inaccurately claims that I was prosecuted for manipulating the value of property appraisals and "siphoning the surplusage" of "excessive financing" out of Crown. Dundon Decl. at ¶10; see also Proposed Disclosure Statement ("PDS") at 17. Those allegations, were they true, might tend to call into question the valuations of portfolio properties produced while I was in control of th e business. That is certainly what they appear intended to convey, insofar as Dundon makes them (and the proposed disclosure statement repeats them) in the context of alleging that "many, if not all" of the portfolio properties are "likely worth much less today than the appraised value that supported issuance of the [Crown] Notes and certain of the property-level mortgage loans." Dundon Decl. at ¶10; PDS at 16.

27. But those allegations are not true. I was not "successfully prosecuted" for "using false or misleading property-level information to obtain inflated appraisals for certain properties, obtaining excessive financing, and then siphoning the surplusage out of Crown." Dundon Decl. at ¶10; PDS at 17. I was prosecuted in connection with a single loan transaction involving Williamsburg of Cincinnati. Nor have I ever misappropriated so much as a dollar out of Crown; and the implication that I did so to the Crown Noteholders' detriment is particularly egregious, given that the Notes were not even issue until years after the loan transaction took place. Further, Dundon wrongly describes Williamsburg of Cincinnati as an "affordable housing project" when, in fact, it is a market-rate asset, and he seems never to have been told that it was a Crown subsidiary. See Dundon Decl. at ¶7.

28. Dundon also incorrectly claims, and the proposed disclosure statement repeats, that "due to the distraction of the government investigations and eventual prosecution," I "neglected the management of the [portfolio], causing numerous properties and property-holding Debtors and Debtor affiliates to fall into operational and/or physical disarray" and to suffer all manner of other legal and financial calamities. Dundon Decl. at ¶10; PDS at 16-17. That, too, is not true. Under my management, issues that arose in the portfolio were promptly addressed and significant investments were continuously made in maintaining and upgrading assets. No real estate operation with 15,000 units can avoid the occasional violation at a property, of course. But on my watch, the business never experienced anything like the hundreds of violations that have occurred at individual properties since LaPuma and Lynd took over, nor was it ever subject to serial lawsuits or criminal complaints, as it has been since I surrendered control.

29. Dundon's Declaration is not alone in containing striking inaccuracies. The proposed disclosure statement paints an inaccurate picture of the Debtors' business and real estate portfolio by claiming that CBRM and Crown's "primary business is the ownership, financing, and operation of [the] single affordable

housing asset" referred to as the Kelly Hamilton Property (a 110-unit apartment complex). PDS at 15. An exhibit to the proposed disclosure statement purports to show Kelly Hamilton-related entities as the only subsidiaries of CBRM and Crown. Id. at Ex. B. That badly mischaracterizes the portfolio and business I built and handed over to LaPuma last year. As of mid-2024, CBRM and/or Crown owned roughly 15,000 units at buildings across the United States. Its "primary business" was managing and operating all of them, not a single, 110-unit complex. I have no reason to think the composition of the portfolio has changed so dramatically in the past ten months that it has shrunk to a single asset.

30. Given that inaccuracy, the proposed disclosure statement and plan amount to promoting a sideshow as the main event. They cast the sale of the Kelly Hamilton Property as the centerpiece of the reorganization strategy, while referring only obliquely (if at all) to the plan for the remaining 90-plus percent of the portfolio. This seeming obfuscation cannot be anything but intentional. All parties in interest deserve to know why it was made, and I fear that they will not if the equity is not given the opportunity to have its interests adequately represented.

## DISCUSSION

### I. THE COURT SHOULD APPOINT AN EQUITY COMMITTEE

31. Bankruptcy Code §1102(a)(2) provides:

> On request of a party in interest, the court may order the appointment of additional committees of creditors or equity security holders if necessary to assure adequate representation of creditors or equity security holders. The United States Trustee shall appoint any such committee.

11 U.S.C. §1102(a)(2). The Bankruptcy Code does not define "adequate representation". Rather, the Court "has discretion to appoint an additional committee based on the facts of the case." In re: Spansion, Inc., 421 B.R. 151, 156 (Bankr. D.Del. 2009).

32. The right of adequate representation is rooted in Code §1109(b), which provides that any "party in interest... may raise and may appear and be heard on any issue in a case under [Chapter 11]." 11 U.S.C. §1109(b). As the Third Circuit

has held, that Code section "has been construed to create a broad right of participation in Chapter 11 cases". In re: Combustion Eng'g, Inc., 391 F.3d 190, 214 n.21 (3d Cir. 2004); see also In re: Amatex Corp., 755 F.2d 1034, 1042 (3d Cir. 1985) (holding that §1109(b) "continues a pattern of permitting interested parties in bankruptcy cases the absolute right to be heard and to insure their fair representation") (emphasis supplied).

33. In weighing whether to appoint a committee of equity holders to "insure their fair representation", Amatex, 755 F.2d at 1042, the Court may consider a wide range of factors, such as: (1) whether the shares are widely held and publicly traded; (2) the size and complexity of the Chapter 11 case; (3) the delay and additional cost that would result if the Court grants the motion; (4) the likelihood whether the debtors are insolvent; (5) the timing of the motion relative to the status of the Chapter 11 case; and (6) other factors relevant to the adequate representation issue. See In re: Kalvar Microfilm, Inc., 195 B.R. 599, 600 (Bankr. D.Del. 1995). "No one factor is dispositive, and the amount of weight that the court should place on each factor may depend on the circumstances of the particular Chapter 11 case." Id. at 600-601; see also In re: Celcius Network LLC, 645 B.R. 165, 171 (Bankr. S.D.N.Y. 2022) (bankruptcy court has "absolute discretion" to determine whether equity committee is warranted "under the specific facts and circumstances of each case").

34. I seek appointment of an equity committee because without it the equity will be denied its "absolute right" to adequate representation in this case. Amatex, 755 F.2d at 1042. At present, the interests of equity are not adequately represented by any other party, and I am unable to adequately represent them by myself as a pro se litigant. Whereas an independent fiduciary might normally be expected to represent those interests in seeking to maximize the value of the estate, here LaRuma cannot be reasonably expected to do so. Debtors, under her control, have made it abundantly clear that they consider me an adversary from whom the estate may

seek recovery, rather than an interest holder who may share in distributions under a value-maximizing plan. Moreover, as I have described, Lapuma and Lynd have an interest in laying blame for Debtors' circumstances entirely at my feet and in glossing over their own role in any loss of value. Lynd, an insider, also stands to benefit from the plan as presently conceived through its affiliate's purchase of the Kelly Hamilton Property at what appears (to me) to be a generous discount.

35. No other party could be expected to represent the interests of equity, either. The plan as currently conceived would not afford any recovery to equity. See PDS at 6. The only classes of impaired claims senior to equity that are not slated to realize a potential 100% recovery are intercompany claims and interests among debtors and non-debtor affiliates that are all controlled by LaPuma. Thus, no class of creditors or interest holders appears to have any incentive to explore whether value exists for equity, to question the amounts and classifications of intercompany claims and interests, or to raise, appear, and be heard on other matters that bear upon whether equity is fairly treated.

36. Turning to the factors articulated in Kalvar that the Court may consider, the first factor is inapposite. Although the shares of CBRM are not widely held or publicly traded - which would normally cut against appointment of an equity committee - here it is precisely the fact that I am the only equity holder, and that I am persona non grata to the estate and have been effectively shut out of participating in this case to date, that explains why equity's interests are not adequately represented. In effect, the unique combination of circumstances in this case - my conviction and incarceration, the role of LaPuma and Lynd, the speed at which this case has proceeded, the inaccuracies in Debtors' filings - are conspiring to deprive me of my right under §1109(b) to "appear and be heard on any issue". 11 U.S.C. §1109(b). Critically, as noted above, deadlines and decisions are passing me by simply because I lack the access necessary to learn of and respond to them in a timely and thorough manner. I would not face those challenges if a committee

were appointed that could hire counsel to assist me.

37. I acknowledge that committees typically have multiple members. But "there is no Code provision or Rule that disallows a one-member committee." In re: Washington Prime Grp., Inc., No. 21-31948, 2022 Bankr.LEXIS 2952 (Bankr. S.D.Tex. Oct. 18, 2022). Nor is it the case that a committee may not represent a class that presently comprises just one holder. C.f., In re: Imerys Talc Am., Inc. v. Cyprus Historical Excess Ins., 38 F.4th 361, ___ (3d Cir. 2021) (analogizing a future claim representative, who acts on behalf of holders of claims not yet asserted, to a "creditors committee of one"); In re: Shelby Motel Grp., Inc., 123 B.R. 99, 101 (Bankr. N.D.Ala. 1990) (permitting a single creditor to pursue a claim on behalf of the estate where creditor is only party available to do so, liking that creditor to a "committee of one").

38. The second Kalvar factor is in my favor. While not massive dollar-wise, this case is complex and has been designated as such by the Court. However, the inaccuracies contained in Debtors' filings, highlighted above, suggest that LaPuma and her advisors do not have, or have chosen not to present, a complete picture of the business she was entrusted to manage and operate as an independent fiduciary. As the founder of that business and someone with intimate knowledge of it, my participation on behalf of equity via a committee is likely to be critical in assisting Debtors' financial advisor and in maximizing the estate's value.

39. The third and fifth Kalvar factors, having to do with the timing of this motion and the potential delay and cost involved in appointing an equity committee, should not deter the Court from granting relief. Thi case has been on an accelerated timetable. The proposed plan was filed within two months of the petition date. The delay for counsel for an equity committee to get up to speed would not be significant, and the cost would likely pale in comparison to the $350,000 per month Debtors have requested for their financial advisor. Moreover, I have not delayed filing this motion. I only learned of the proposed plan last week and have

diligently since then to try to make my voice heard.

40. The fourth Kalvar factor, examining whether the estate is solvent, admittedly presents a challenge to this motion. I cannot, at present, prove that the estate is substantially likely to be solvent. How could I? I am incarcerated without access to the evidence and tools I would need to do so as a pro se litigant. My inability to advocate for the value of the business I know so well in the face of inaccuracies and a seemingly rushed plan process is precisely the reason why I have filed this motion.

41. What I can say about the solvency of the estate is this: I know my business. As of when I relinquished control of it to LaPuma, the equity of numerous of CBRM's and/or Crown's property-owning subsidiaries had significant value. The Cap One portfolio, for instance, was particularly valuable. I have not been privy to the operational or financial details of those properties since I handed over the keys to LaPuma, not least because there has been virtually no mention of them in Debtors' filings to date. But if they are still part of the estate (and I have no reason to think they are not), then it is critical they be taken into account in formulating and articulating a plan - something that does not appear to have been done thus far. All parties in interest deserve a thorough and transparent analysis of the value represented by the entire portfolio, not just a single asset.

42. Debtors should not be permitted to rush through a plan that fails to maximize value for all stakeholders while ignoring the interests of equity and mischaracterizing the facts. For the foregoing reasons, I respectfully request that the Court exercise its discretion to direct the United States Trustee to appoint a committee of equity security holders forthwith.

II. IN THE ALTERNATIVE, THE COURT SHOULD APPOINT COUNSEL FOR ME

43. In the alternative, the Court should appoint counsel to represent me in this bankruptcy case. The Court has authority to do so under 28 U.S.C. §1915(e)(1), by virtue of the referral of cases from the district court to this Court. See

In re: Schaefer Salt Recovery Inc., 542 F.3d 90, 105 (3d Cir. 2008) (referral order from district court to bankruptcy court in District of New Jersey gives bankruptcy court authority under statutes applicable in a "court of the United States"); Fisher v. CFC Capital Corp., 97 B.R. 437, 438-39 (Bankr. N.D.Ill. 1989) (finding bankruptcy court has authority under 28 U.S.C. §1915(e)(1) to appoint counsel for an indigent); see also Boles v. Collins (In re: Collins), No. 17-10049 (MEW), 2017 Bankr.LEXIS 651 (Bankr. S.D.N.Y. March 10, 2017) (collecting cases recognizing bankruptcy court's authority under 28 U.S.C. §1915).

44. 28 U.S.C. §1915(e)(1) provides that "[t]he court may request an attorney to represent any person unable to afford counsel." 28 U.S.C. §1915(e)(1). I am such a person. Accordingly, if the Court declines to appoint an equity committee in this case, I respectfully request that it appoint counsel for me so that I may exercise my right under Code §1109(b) to participate in this matter in a meaningful and timely manner.

CONCLUSION

45. WHEREFORE, for the reasons set forth above, I respectfully request that the Court:

a. direct the United States Trustee to appoint a committee of equity security holders; or, in the alternative,

b. appoint counsel to represent me in this bankruptcy case.

Respectfully submitted,

# PROPERTY MANAGEMENT AGREEMENT

This PROPERTY MANAGEMENT AGREEMENT (this "**Agreement**"), is made and entered into as of this 16th day of September, 2019 (the "**Effective Date**"), by and between RH LAKEWIND EAST LLC, a Delaware limited liability company ("**Owner**"), and THE LYND COMPANY, a Texas corporation ("**Manager**").

**WHEREAS**, Owner is the owner of the Property, which is commonly known as Lakewind East Apartments, having 348 units and located at 5131 Bundy Road, New Orleans, LA, 70127, and more fully described in Exhibit A attached hereto and incorporated herein by reference (the "**Property**");

**WHEREAS**, Manager is engaged in the business of operating and managing multi-family real property; and

**WHEREAS**, Owner desires to engage Manager as an independent contractor to rent, lease, operate and manage the Property subject to the terms and conditions set forth below, and Manager desires to accept such engagement.

**NOW, THEREFORE**, in consideration of the premises, mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Owner and Manager agree as follows:

## ARTICLE 1.
## TERM

1.1 Unless terminated in accordance with ARTICLE 16 hereof, the term of this Agreement shall continue for a period of one year from the Effective Date (the "**Initial Term**"), and shall automatically extend for additional one year terms (each such additional one year term, an "**Additional Term**"). The terms of this Agreement shall otherwise remain the same for each Additional Term unless amended pursuant to Section 19.5 of this Agreement.

## ARTICLE 2.
## APPOINTING MANAGER AS OWNER'S AGENT

2.1 Owner appoints Manager as its exclusive agent for managing the Property, and Manager accepts the appointment, subject to this Agreement. During the term of this Agreement, Manager may accept work performing similar services with respect to other property. Manager shall have in its employ at all times a sufficient number of employees to enable it to properly, adequately, safely and economically manage, operate, lease, maintain, and account for the Property in accordance with terms of this Agreement. All matters pertaining to the employment, supervision, compensation, promotion and discharge of such employees, including, but not limited to, the immigration status of each employee, are the sole responsibility of Manager, which is in all respects the sole employer of such employees. Manager shall negotiate with any union lawfully entitled to represent such employees and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Except for third-party vendor(s) providing services pursuant to a service contract(s), all personnel responsible for providing services pursuant to the terms of this Agreement shall be direct employees of Manager or Affiliates of Manager, and Manager shall, for purposes of such employment relationship, be acting as an independent contractor and not as an agent or employee of Owner. Manager will not be considered a partner or joint venturer with Owner and thus will not be liable for financial losses relating to ownership or operation of the Property, including losses relating, but not limited, to default in tenant obligations or to expenses mandated by government regulations except as otherwise expressly provided herein.

2.2 Manager will have the duty to keep Owner's property separate from Manager's property and shall not receive any unauthorized benefit from operating, managing or using Owner's property, including the Property. Except as Owner specifically authorizes, Manager will clearly identify itself as Owner's agent in all dealings with third parties.

**ARTICLE 3.**
**PROFESSIONAL MANAGEMENT SERVICES**

3.1 Manager will furnish the services of its organization in managing the Property consistent with commercially reasonable management principles for similar properties in similar locations. Manager will comply with Owner's loan documents and all federal, state and local laws, ordinances, regulations, orders and other legal requirements that now or during the term of this Agreement apply to the services provided by Manager under this Agreement.

**ARTICLE 4.**
**ON-SITE MANAGEMENT FACILITIES**

4.1 During the term of this Agreement, Owner shall provide rent-free office space at the Property for the exclusive use of the Manager, in a location determined by Owner, to conduct the business of the management of the Property consistent with that used for such purposes by similarly situated properties. Owner shall pay all reasonable expenses related to such office, including, but not limited to, furnishings, maintenance, equipment, postage, office supplies, electricity, other utilities, and local telephone services.

**ARTICLE 5.**
**MANAGER'S DUTIES RELATING TO LEASING AND TENANTS**

5.1 Manager will use commercially reasonable efforts to procure tenants for the Property. As Owner's agent, Manager will be authorized to negotiate and execute initial lease or rental agreements with tenants for commercial or residential space at the Property (such agreements, "**Leases**"), and renewals, modifications, and terminations of existing Leases. Manager will set and change rental rates, commissions, and the amounts of other tenant charges relating to the Property in accordance with the Approved Budget (as defined in Section 6.1). Manager may not execute any Lease for a period exceeding twelve (12) months without securing Owner's prior written consent. All costs of leasing shall be paid out of the Property Operating Account (as defined in Section 5.7 below) subject to and in accordance with the Approved Budget.

5.2 During the term of this Agreement, Owner shall not authorize any other person, firm or corporation to negotiate or act as leasing agent with respect to any Leases. Owner agrees to promptly forward all inquiries about Leases to Manager. Manager is the Owner's exclusive agent in leasing the Property. Manager shall keep Owner apprised of all commercial Lease negotiations.

5.3 Manager may advertise the availability of rental space at the Property by using appropriate communications media, subject to Owner's review and written approval as to content, placement and costs. In addition, all advertising expenses will be expenses of the Property subject to the Approved Budget.

5.4 Manager may obtain credit reports about prospective tenants from reputable credit-reporting agencies. The cost of such reports is an expense of the Property. Manager may impose a charge on prospective tenants to pay for such cost, if permitted by local law.

5.5 As permitted by applicable local law, rules and regulations as part of the application for a Lease, Manager will require each prospective tenant to pay an administration fee, which fee may be reduced or waived by Manager if Manager determines that (1) the administrative fee is a material consideration in a prospective tenant's decision to lease, (2) it is unlikely that the apartment to be leased by other than the prospective tenant within a reasonable time, and (3) the prospective tenant's financial condition and integrity present a small risk of loss to Owner.

5.6 Manager will use its best efforts to collect, deposit and disburse security deposits in accordance with each Lease and applicable laws or regulations. Subject to the terms of Owner's loan documents or if otherwise directed by Owner, Manager will deposit security deposits in an escrow account opened by Manager in the name of Manager as Owner's agent (the "**Security Deposit Account**") and shall retain on deposit in such account an amount

sufficient to meet anticipated refund requirements. Manager shall be an authorized signatory on the Security Deposit Account. All security deposits shall be returned to the tenant in the manner and within the timeframes set forth in such tenant's respective Lease or required by applicable law or regulation. Owner agrees that Manager will not transfer any security deposit to Owner unless such transfer is made in accordance with applicable law or regulation. Any interest on security deposits not required by law to be paid to tenants shall be paid to the Owner.

5.7 Manager will collect when due all rents, charges, and other amounts due to Owner relating to the Property. Subject to the terms of Owner's loan documents or if otherwise directed by Owner, such receipts will be deposited in an account in the name of Manager as Owner's agent (the "**Property Operating Account**"), on which account Manager shall be an authorized signatory. Under no circumstances shall Manager be liable to Owner for any uncollected rents, any other income or any bad debt resulting from operations at the Property (collectively, an "**Operating Loss**"), unless such Operating Loss directly or indirectly resulted from Manager's gross negligence or willful misconduct.

5.8 Manager (i) may, in its discretion and consultation with Owner, or (ii) must, if instructed by owner, in each case (i) and (ii), institute in Owner's name all legal actions or proceedings for the enforcement of any Lease, for the collection of rent or other income due to the Property, or for the eviction of dispossession of tenants or other persons from the Property. Manager is authorized to sign and serve such notices as Manager or Owner deem necessary for the enforcement of Leases, including the collection of rent and other income. Manager may settle, compromise and release such legal actions or suits or to reinstate such tenancies without the prior consent of Owner, if such settlement, compromise, or release shall involve an amount in controversy of One Thousand Dollars ($1,000.00), or less. Where the amount in controversy is in excess of One Thousand Dollars ($1,000.00), Manager shall obtain the Owner's prior written consent, which may be in the form of an email, before entering into any compromise, settlement, or release of legal actions. Reasonable attorney's fees for outside counsel, filing fees, court costs, travel expense, other necessary expenditures, and administrative costs incurred by Manager's in-house legal department in connection with such action shall be paid out of the Property Operating Account or shall be reimbursed directly to Manager by Owner. All funds recovered from tenants shall be deposited into the Property Operating Account. Unless otherwise directed by Owner, Manager may select the attorney or attorneys to handle any and all such litigation or utilize its in-house legal department.

5.9 Manager will comply with all applicable federal, state and local laws and regulations that are now in effect or come into effect during the term of this Agreement relating to the Property itself, or the maintenance or operation thereof, including any laws prohibiting discrimination in, or otherwise affecting, leasing.

## ARTICLE 6.
## FINANCIAL MANAGEMENT

6.1 Manager will manage the Property in accordance with the then-current Approved Budget. Within thirty (30) days of the execution of this Agreement, Owner (or its prior management company) shall provide a budget (the "**Initial Proposed Budget**") to Manager. The Initial Proposed Budget shall cover the period from the Effective Date through the last day of the next calendar year. Manager shall have thirty (30) days to review and provide comments (a "**Budget Review Period**") to the Initial Proposed Budget. If Manager does not provide comments to the Initial Proposed Budget during the Budget Review Period, Manager shall be deemed to have accepted the Initial Proposed Budget, and such Initial Proposed Budget shall be deemed the approved budget and incorporated herein as Exhibit B (the "**Approved Budget**"), and Manager shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Initial Proposed Budget in the form approved by Owner, and Manager shall have the right to terminate this Agreement in accordance with Section 16.1(b).

6.2 Owner has the right to amend the Approved Budget at any time. If Owner amends the Approved Budget (such amendment, a "**Budget Amendment**"), Manager shall be permitted to review and provide comments to the Budget Amendment during the Budget Review Period. If Manager does not provide comments to the Budget Amendment during the Budget Review Period, Manager shall be deemed to have accepted the Budget Amendment,

and such Budget Amendment shall be deemed to amend Exhibit B hereto and shall become part of the Approved Budget, and Manager shall operate the Property in accordance therewith. If Manager provides comments and such comments are not accepted by Owner, then Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Owner's Budget Amendment, and Manager shall have the right to terminate this Agreement in accordance with Section 16.1(b).

6.3 Manager shall submit to Owner for approval an annual budget (a "**Proposed Budget**") for each subsequent calendar year not later than September 30th (the "**Budget Due Date**") of the calendar year for which the then existing Approved Budget is about to expire. If Owner approves the Proposed Budget, or fails to provide comments to the Proposed Budget during the Budget Review Period, then such Proposed Budget shall be deemed to be the Approved Budget as of January 1st of the year to be covered by such Proposed Budget, and incorporated herein by amendment to Exhibit B hereto. If Owner provides comments and such comments are not accepted by Manager, then: (i) Such Proposed Budget, as revised by Owner, shall be deemed to amend Exhibit B hereto and shall be the Approved Budget for such calendar year to be covered by such Proposed Budget; (ii) Manager shall use commercially reasonable efforts to operate the Property with funds and staffing then available based on the Proposed Budget, as revised by Owner; and (iii) Manager shall have the right to terminate this Agreement in accordance with Section 16.1(b).

6.4 Owner shall provide sufficient funds to ensure that the Property Operating Account shall at all times contain funds sufficient to meet the operating requirements of the Property. When any of the items set forth in Subsections (a)-(d) of this Section 6.4 becomes due and payable, Manager will, , subject to Section 6.8 hereof, promptly disburse the funds relating to such item from then-available funds in the Property Operating Account. Owner has sole responsibility for the timely payment of all authorized expenses of the Property. To the extent the Property Operating Account does not contain sufficient funds to funds be insufficient to satisfy the current debts and obligations of the Property:

(a) Any payments in connection with any mortgages for the Property, including but not limited to unpaid amounts due for principal amortization, interest, mortgage insurance premiums, ground rents, taxes and assessments, and fire- and other hazard-insurance premiums.

(c) All sums otherwise due and payable by Owner as expenses of the Property that Manager authorizes to be incurred in accordance with the terms of this Agreement.

(d) Net proceeds due to Owner.

6.5 Manager will disclose to Owner all rebates, discounts, or commissions collected by Manager, or credited to Manager's use, for obtaining goods or services for the Property, and Manager will credit the rebates, discounts, or commissions to the Property Operating Account. Manager is not required to disclose or credit to Owner any rebates, discounts, or commissions for expenses borne by Manager and not reimbursed to Manager by Owner. Manager hereby discloses that its current preferred vendors for supplies, renters insurance and products are: HD Supply, Maintenance Supply Headquarters, Moen, Sherwin Williams, IDA Construction, M&M Contracting, RealPage, Resynergy, Iron Born Asset Management, LLC and Leasing Desk Insurance Services. Manager also discloses that it has an ownership interest in a utility billing company called Resynergy and an asset management/construction manager, Iron Born Asset Management LLC and intends to utilize those services in connection with the Property, pursuant to arms-length, competitive agreements, subject to prior review and approval of Owner.

6.6 Manager will organize and maintain a system of controls to ensure that obligations will be incurred only if authorized by this Agreement. The control system will also ensure that bills, invoices, and other charges are timely paid from the Property Operating Account, to the extent funds are available in such account, only if the appropriate value has actually been received and such expense or charge is authorized by this Agreement. In carrying

out this responsibility, Manager will authorize only its supervisory personnel to incur obligations and authorize payment for goods and services related to the Property.

6.7 Manager will keep Owner informed of any actual or projected deviation from the receipts or disbursements stated in the Approved Budget. Except for the disbursements authorized in this Agreement or by the Approved Budget, funds will be disbursed from the accounts described herein only as Owner may direct from time to time.

6.8 If the balance of funds in the Property Operating Account is insufficient to pay projected disbursements due and payable within a 30-day period, Manager will promptly notify Owner of that fact. The notice will describe in detail funds available and projected income and expenses. Promptly after receiving this notice, but no later than ten (10) business days, Owner will remit to Manager sufficient funds to cover the deficiency provided such deficiency arises from expenditures provided for in the Approved Budget. Manager is not required to use its own funds to cover any such deficiency, and shall make the payment as soon as possible after Owner has deposited the necessary funds in the Property Operating Account.

6.9 Except as otherwise specifically provided, all costs and expenses incurred by Manager in fulfilling its duties to Owner shall be for the account of and on behalf of Owner. Such costs and expenses shall include: (i) reasonable wages and salaries and other employee-related expenses of all on-site and off-site employees of Manager who are engaged in the operation, management, maintenance and leasing or access control of the Property, including, without limitation, taxes, insurance and benefits relating to such employees; and (ii) legal, travel and other out-of-pocket expenses which are directly related to the management of the Property, in each case (i) and (ii), pursuant to the Approved Budget.

6.10 All purchases, expenses and other obligations incurred in connection with the operation of the Property in accordance with this Agreement shall solely be the obligation of Owner. All such purchases, expenses, or other obligations shall be made by Manager solely on behalf of Owner as its agent and not as a principal. Manager shall be under no duty to utilize or apply Manager's own funds for the payment thereof. In the event that there are insufficient funds in the Property Operating Account, Manager may advance its own funds for such purpose, in which event, Owner shall reimburse Manager all such sums expended within thirty (30) days of receiving a request for reimbursement therefor, including copies of any receipts; *provided*, however, that if Owner fails to reimburse Manager for any such sums within thirty (30) days of receiving the request for reimbursement from Manager, then Owner shall be obligated to pay Manager such sums together with interest at eight percent (8%) per annum calculated from the date of Manager's advancement of funds to the date of repayment from Owner.

6.11 Manager may lease apartments located at the Property for use by on-site personnel, as selected by Owner its sole discretion, at a ten percent (10%) discount of the then-current fair market rental value upon Owner's prior written approval, which approval shall not be unreasonably withheld, and any such discount shall be factored into such personnel's compensation.

Manager will make arrangements to receive and respond to emergency requests on a 24-hours-a-day, seven days-a-week basis. After investigation, Manager will report to Owner serious or material maintenance problems the repair cost of which is estimated to be in excess of $1,000 per month.

(e) Use reasonable efforts to require that all maintenance and repairs be done in material compliance with applicable building codes and zoning regulations. Manager will notify Owner promptly of all written orders, notices and other communications received by Manager from any federal, state or local authorities. Manager will comply with all applicable governmental requirements. Subject to receipt of Owner's prior written consent, Manager shall be permitted to appeal from any governmental requirement that Manager considers unreasonable and invalid, and Manager may compromise or settle any dispute regarding any governmental requirement with Owner's prior written consent. Owner acknowledges that Manager is not an expert or consultant regarding the Property's compliance with government requirements and, therefore, Manager's obligations hereunder are limited to taking action with respect to matters that Manager is actually aware do not comply with such requirements. Owner will indemnify and defend Manager from any liability incurred by Manager for complying with an instruction from Owner that is contrary to a governmental requirement; *provided*, however, that if Manager is aware that such instruction is contrary to a governmental requirement, Manager shall disclose same to Owner and shall not have the benefit of such indemnity.

If Manager makes an expenditure exceeding the limit in compliance with this Section 7.3, Manager will immediately inform Owner of such expenditure and the facts and circumstances relating thereto.

7.4 Manager may not authorize any structural changes or major alterations to the Property without Owner's prior written consent.

7.5 Manager shall assist Owner in identifying and soliciting available security service companies from which Owner may select a security service provider and which Owner may direct Manager to contract with on

Owner's behalf, which Manager shall supervise as a vendor; *provided*, however, that Manager will not be responsible for the acts or omissions of the work of said security service provider.

7.6 Manager will use commercially reasonable efforts to adequately staff the Property with qualified personnel at all times.

## ARTICLE 8.
## RECORDKEEPING AND REPORTING

8.1 Manager will maintain accurate, complete, and separate books and records according to standards and procedures sufficient to respond to Owner's reasonable financial information requirements and any requirements of Owner's lender. The records will show income and expenditures relating to operation of the Property and will be maintained so that individual items and aggregate amounts of accounts payable and accounts receivable, available cash, and other assets and liabilities relating to the Property may be readily determined at any time.

8.2 Manager will furnish to Owner a monthly report of all receipts, disbursements, occupancies and vacancies (the "**Monthly Report**") on or before the 15th day of each calendar month covering the previous calendar month's activity (the "**Monthly Report Date**"). Reports will be prepared and transmitted to the Owner in electronic PDF format, unless otherwise specified by Owner. Manager will also make available to the Owner, upon request, copies of each check written on either the Property Operating Account or the Security Deposit Account.

8.4 To the extent regulatory agreements have been disclosed to Manager in writing, Manager shall cooperate and assist in the reporting and preparation of any materials requested by, or required to be delivered to, any governmental authority. As the term is used herein, regulatory agreements means all documents and instruments for the benefit of any governmental authority or other person with authority to regulate, restrict or otherwise govern the rental of any units at, or the operation of, the Property.

8.5 If required, for each fiscal year ending during the term of this Agreement, Owner will arrange for a certified public accountant to prepare an annual financial report based on such accountant's examination of the books and records maintained by Manager. The accountant will certify the report, which will be submitted to the Owner and to the Manager within 90 days after the end of the fiscal year. Compensation for the accountant's services is an expense of the Property.

8.6 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may inspect the books and records kept by Manager relating to the Property, which records will be maintained at Manager's corporate headquarters, including but not limited to all checks, bills, invoices, statements, vouchers, cash receipts, correspondence and all other records dealing with the management of the Property. The cost of any such inspection shall be an expense of the Property.

8.7 At any reasonable time during normal business hours posted at the Property with advance notice by Owner to Manager, Owner may have an audit made of all account books and records relating to management of the Property. The cost of any audit is an expense of the Property.

To the extent exposures are present at the Property, such policies shall include (i) boiler and machinery insurance, and (ii) business interruption insurance, including loss of rental income coverage for loss of rents caused by an insured peril;

(b) Commercial General Liability Insurance ("**CGL**"), written on an occurrence form, including coverage for bodily injury (including coverage for death and mental anguish), products and completed operations, blanket contractual liability, personal injury and broad form property damage, and including cross liability and severability of interests, with limits of not less than $1,000,000 each occurrence, $2,000,000 general aggregate per location for bodily injury and property damage liability, $1,000,000 for personal injury and advertising injury liability, and $2,000,000 for products and completed operations liability. The policy will include contractual liability with defense provided in addition to policy limits for indemnities of the named insured. This policy shall name Manager as an additional insured, and will be primary and will not seek contribution from any insurance that Manager may maintain in its own discretion. Should any self- insured retention ("**SIR**") or deductible be incorporated within the policy of insurance, the responsibility to fund such financial obligations shall rest entirely with Owner and the application of coverage within this SIR/deductible shall be deemed covered in accordance with the CGL form required;

(c) Umbrella/Excess Liability Insurance on a follow form basis with a per occurrence and annual aggregate limit of $5,000,000 for liabilities in excess of coverage provided by the CGL (including products and completed operations coverage);

(g) Professional Liability Insurance, covering errors and omissions of Manager's employees, with limits of not less than $1,000,000.

9.2 Owner shall provide Manager with a duplicate copy of the original policies, and Owner shall duly and punctually pay or instruct Manager in writing to pay as an expense of the Property all premiums with respect thereto, before there is any policy lapse due to nonpayment. Manager shall also receive a copy of all notices issued under any of the applicable policies. Owner acknowledges that if evidence of insurance coverage is not timely furnished as set forth herein, Manager may, at Owner's expense, but shall not be obligated to, obtain such coverage on Owner's behalf with reasonable prior notice.

9.3 Manager, at Owner's option indicated immediately below this Section 9.3, shall obtain the insurance policies set forth, and in accordance with the coverage and other requirements detailed, in Section 9.1 hereof. Such policies may be on Manager's blanket policies and the proportional costs and premiums of such policies shall be payable from the Property Operating Account as an expense of the Property. Owner acknowledges that the amounts payable by Owner under the master insurance program includes administrative charges in excess of the

actual insurance premiums charged by the underlying insurance carriers. All insurance coverage provided under the master insurance program shall be terminated upon the termination of this Agreement.

_____ By initialing here, Owner elects the option to have Manager procure the insurance coverage set forth in Section 9.1 in accordance with this Section 9.3.

**ARTICLE 10.**
**EMPLOYEES**

10.1 Manager is authorized to investigate, hire, supervise, pay and discharge all servants, employees, or contractors as reasonably necessary to perform the obligations of this Agreement. Employees hired by Manager to manage and maintain the Property are solely Manager's employees. Manager will comply with all applicable federal, state and local laws regarding the hiring, compensation (including all pay-roll related taxes), and working conditions of its employees and indemnify and hold Owner harmless for and from any claims made by any employee or governmental agencies in connection therewith. The indemnity set forth in this Section shall survive the expiration or sooner termination of this Agreement.

**ARTICLE 11.**
**LEGAL AND ACCOUNTING SERVICES**

11.1 Manager may consult with an attorney or accountant if needed to comply with this Agreement. Manager will refer matters relating to the Property that require legal or accounting services to qualified professionals. Manager will select the attorneys and accountants retained to provide the services. The cost of legal and accounting services obtained by Manager in its capacity as Owner's agent are an expense of the Property and may be paid by Manager from the Property Operating Account, subject to the Approved Budget. Notwithstanding the forgoing, Manager may elect to utilize its in-house legal department to comply with this Agreement or for certain matters relating to the Property if Manager's and Owner's interests are congruent. Manager assumes no liability for any failure or default by any tenant in the payment of any rent or other charges due Owner or in the performance of any obligations owed by any tenant to Owner pursuant to any rental agreement or otherwise unless solely caused by willful misfeasance of Manager, or its negligence. Nor does Manager assume any liability for previously unknown violations environmental or other regulations which may become known during the period this Agreement is in effect. It is thus understood that if bodily injury, property damage or personal injury liability claims are brought or made against Manager or Owner, or both, based upon the alleged actions of Manager in performing its services hereunder, which are covered by Owner's commercial general liability insurance, such coverage for Manager shall not be impaired, reduced or barred by the above indemnity provisions. All indemnities contained in this Agreement shall survive the termination of this Agreement.

**ARTICLE 15.**

(b) Manager will vacate any space at the Property except as occupied under a separate lease at full price (and not discounted rent) with the Owner.

(c) Manager's right to compensation will cease, but Manager will be entitled to be compensated for services rendered before the termination date along with budgeted reimbursable expenses, and to receive the additional compensation herein provided in Subsections, to the extent earned. Manager shall be authorized to pay Manager all amounts due under this Subsection (c) from the Property Operating Account immediately upon termination, provided such termination is not a result of Manager's breach of this Agreement.

(d) The agency created under this Agreement will cease, and Manager will have no further right or authority to act for Owner.

(e) Manager assigns to Owner any rent moneys received by Manager through third party collection efforts after termination.

(f) The indemnity provisions of this Agreement will remain in effect.

(g) Notwithstanding anything to the contrary in this Agreement, if Owner terminates this Agreement during the Initial Term for any reason other than pursuant to Sections 16.1(c) or 16.2, then Owner shall within ten (10) business days after the date of such termination pay Manager as liquidated damages the "**Early Termination Fee**" set forth in Exhibit C. Manager shall be authorized to pay Manager the Early Termination Fee from the Property Operating Account immediately upon termination.

1.7 Preservation of Rights and Remedies. On the Termination Date (defined below), all of Purchasers' rights and remedies under the NPA Documents and at law and in equity shall be available without restriction or modification, as if the forbearance had not occurred.

1.8 Purchaser Conduct. Purchasers have fully and timely performed all of their obligations and duties in compliance with the NPA Documents and applicable law, and have acted reasonably, in good faith, and appropriately under the circumstances.

2. Required Holders' Forbearance.

2.1 Forbearance Period. Subject to compliance by the Transaction Entities with the terms and conditions of this Agreement, the Required Holders hereby agree to forbear from exercising their rights and remedies against the Transaction Entities under the NPA Documents with respect to the Existing Defaults during the period (the "**Forbearance Period**") commencing on the Effective Date (as defined in Section 3) and ending on the earlier to occur of (i) January 14, 2025 and (ii) the date that any Forbearance Default (as defined in Section 9) occurs. The Required Holders' forbearance, as provided herein, shall immediately and automatically cease without notice or further action on the earlier to occur of (i) or (ii) (the "**Termination Date**"). On and from the Termination Date, the Purchasers may, in their sole discretion, exercise any and all remedies available to them under the NPA Documents by reason of the occurrence of any Events of Default thereunder or the continuation of any Existing Default.

2.2 Extension of Forbearance Period. In the sole discretion of the Required Holders, and without obligation, after the Termination Date, they may renew or extend the Forbearance Period, or grant additional forbearance periods.

2.3 Scope of Forbearance. During the Forbearance Period, the Required Holders will not (i) accelerate the maturity of the obligations pursuant to the Notes or initiate proceedings to collect the obligations pursuant to the Notes; or (ii) initiate or join in filing any involuntary bankruptcy petition with respect to the Transaction Entities under the Bankruptcy Code, or otherwise file or participate in any insolvency, reorganization, moratorium, receivership, or other similar proceedings against the Transaction Entities under the laws of the United States.

3. Effective Date. This Agreement shall become effective on the date (the "**Effective Date**") that the parties exchange signature pages.

4. Representations and Warranties. Each Transaction Entity represents and warrants as to itself that all representations and warranties relating to it contained in the NPA Documents are true and correct as of the Effective Date, except to the extent that such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date. The Transaction Entities further represent and warrant to the Purchasers as follows:

4.1 Authorization. The execution, delivery, and performance of this Agreement are within its corporate power and have been duly authorized by all necessary corporate action.

4.2 Enforceability. This Agreement constitutes a valid and legally binding Agreement enforceable against the Transaction Entities in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, and similar laws affecting creditors' rights generally and to general principles of equity.

4.3 No Violation. The execution, delivery, and performance of this Agreement do not and will not (i) violate any law, regulation, or court order to which the Transaction Entities are subject; (ii) conflict with the Transaction Entities' organizational documents; or (iii) result in the creation or imposition of any lien, security interest, or encumbrance on any property of the Transaction Entities or any of their subsidiaries, whether now owned or hereafter acquired, other than liens in favor of the Purchasers.

4.4 Advice of Counsel. The Transaction Entities have freely and voluntarily entered into this Agreement with the advice of legal counsel of their choosing, or have knowingly waived the right to do so.

4.5 Affiliated Loans. The Transaction Entities do not have any outstanding loans or other obligations to any Insider or Affiliate (as that term is defined in 11 U.S.C. sec. 101)

4.6 Information. All documents and information delivered to Purchasers are true, correct, and complete in all material respects as of the date delivered and as of the Effective Date.

4.7 Subsidiary Guarantor. Schedule A is a true and complete list of Subsidiary Guarantors.

5. Covenants. In addition, in order to induce the Purchasers to forbear from the exercise of their rights and remedies as set forth above, the Transaction Entities hereby covenant and agree that at all times during the Forbearance Period, unless the Purchasers otherwise consent in writing, as follows:

5.1 Reporting of Information.

(a) Financial and Information Reporting. The Transaction Entities shall promptly provide to the Purchasers, with an ongoing duty to continue to provide and update, the information requests on Schedule B. Such reporting may be provided by Lynd Management Group LLC and/or Mr. Kenneth Munkacy pursuant to a separate agreement between the Transaction Entities, Purchasers, and Lynd Management Group LLC and/or Ken Munkacy.

(b) Other Financial Information. The Transaction Entities each shall promptly provide to the Purchasers such financial and other information as the Purchasers may reasonably request.

5.2 Compliance with NPA Documents. The Transaction Entities shall continue to perform and observe all covenants, terms, and conditions, and other obligations contained in all of the NPA Documents and this Agreement, except with respect to the Existing Defaults.

Within 10 calendar days of the Effective Date, Issuer shall engage, at its own expense, the services of an individual (reasonably satisfactory to the Required Holders, on terms and conditions satisfactory to Required Holders) to function as an independent fiduciary (the "Independent Fiduciary") with authority to make all decisions on behalf of the Transaction Entities and, through appropriate corporate governance mechanisms, all of the Transaction Entities (the "Fiduciary Agreement"). The parties expressly agree that Mr. Kenneth

Munkacy is reasonably acceptable to the Purchasers. Any engagement by any of the Transaction Entities of a manger, operator or the like for the properties and/or assets of any of the Transaction Entities (specifically including Lynd Management Group LLC ("Lynd") and any companies affiliated with him) shall be on terms and conditions similar to other Property Management Agreements effective as of the date of this Agreement. Property Management Agreements effective as of the date of this Agreement are satisfactory to the Required Holders.

5.4 Sale or Encumbrance of Assets/Loans. The Transaction Entities shall not sell, convey, transfer, assign, lease, abandon, or otherwise dispose of, or grant, pledge or allow the fixing of any lien, charge, mortgage or any other encumbrance upon, any of its assets, tangible or intangible (including but not limited to sale, assignment, discount, or other disposition of accounts, contract rights, chattel paper, or general intangibles with or without recourse), or borrow any money, whether in a new loan, a new draw on an existing loan, or refinancing, without the Required Holders' prior written consent after the Required Holders review of a "sources and uses" statement with regard to the sale proceeds and such other information as the Required Holders may reasonably request. Notwithstanding the foregoing, subject to the terms and conditions of the Fiduciary Agreement, Transaction Entities shall be permitted to borrow one time up to Twenty Five Million and No/100 Dollars ($25,000,000.00) under a new loan approved by the Independent Fiduciary (after reviewing all requested financial due diligence and, specifically, a sources and uses statement) as advised or arranged by Lynd and Concord Summit Capital, which loan may be secured by the following properties owned by the Transaction Entities: Carmel Brook, Carmel Spring, Laguna Creek, and Laguna Reserve (together "NOLA-4"), provided that (i) such sums are used in furtherance of the operation, maintenance, and improvement of the property, or repayment of senior secured debt, owned by the Transaction Entities (individually or collectively, a "Stabilization Loan"), (ii) a sources and uses statement is provided to the Required Holders within 14 calendar days before the closing of such Stabilization Loan, and (iii) the funding of the loan is not in any way connected to or originated by the Lender or those that invest in or are otherwise affiliated with the Lender.

5.5 Professional Fees. The Transaction Entities shall pay the professional fees of the Purchasers as provided in Section 11.12 of this Agreement.

5.6 Notice of Adverse Claims. If the Transaction Entities shall become aware that any person or entity is asserting any lien, encumbrance, security interest, or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution, or similar process or any claim of control) against any of them or any of their property which exceeds $100,000 in value (each, an **"Adverse Claim"**), they shall promptly notify the Purchasers in writing thereof, and provide to the Purchasers all documentation and other information it may request regarding such Adverse Claim. Specifically, and without limiting the forgoing, the Transaction Entities shall promptly provide, but in no event less than 48 hours after becoming aware of any such activities, complete information regarding any and all collection activities of Acquiom Agency Services LLC, the Plaintiff in the lawsuit in the Supreme Court of the State of New York, Country of New York, Index No. 652265/2024 No. (or any entity acting or purporting to act on its behalf).

5.7 Payments to Affiliates. The Transactions Entities shall not make any payments to any insiders or affiliates (as those terms are defined in title 11 of the United States

Code) of any of the Transaction Entities, including Mark Silber and any entities controlled by him, without the Required Holders' prior written consent.

5.8 Maintenance of Computers. The Transaction Entities shall retain possession of and otherwise maintain their existing computers, hard drives and other information storage devices. The Independent Fiduciary shall be granted access to all such information and Mark Silber's access shall be terminated.

5.9 Further Assurances. Promptly upon the request of the Purchasers, the Transaction Entities shall take any and all actions of any kind or nature whatsoever, and execute and deliver additional documents, that relate to this Agreement and the transactions contemplated herein.

5.10 Resolution with the Lender. The Transaction Entities shall not resolve any loan with the Lender through a deed in lieu of foreclosure or similar process.

6. Reaffirmation of Guaranty. Each Guarantor hereby ratifies and reaffirms (i) the validity, legality, and enforceability of the Guarantee; (ii) that its reaffirmation of the Guarantee is a material inducement to the Purchasers to enter into this Agreement; and (iii) that its obligations under the Guarantee shall remain in full force and effect until all the obligations pursuant to the Notes have been paid in full.

7. Release of Claims and Waiver of Defenses. In further consideration of the Required Holders' execution of this Agreement, the Transaction Entities, on behalf of themselves and their successors, assigns, parents, subsidiaries, affiliates, officers, directors, employees, agents, and attorneys hereby forever, fully, unconditionally and irrevocably waive and release Purchasers and their successors, assigns, parents, subsidiaries, affiliates, officers, directors, employees, attorneys, and agents (collectively, the "**Releasees**") from any and all claims, liabilities, obligations, debts, causes of action (whether at law or in equity or otherwise), defenses, counterclaims, setoffs, of any kind, whether known or unknown, whether liquidated or unliquidated, matured or unmatured, fixed or contingent, directly or indirectly arising out of, connected with, resulting from, or related to any act or omission by any Purchaser or any other Releasee with respect to the NPA Documents, other than any Purchaser's willful acts or omissions, on or before the date of this Agreement (collectively, the "**Claims**"). The Transaction Entities further agree that Issuer shall not commence, institute, or prosecute any lawsuit, action, or other proceeding, whether judicial, administrative, or otherwise, to collect or enforce any Claim.

8. Indemnification. The Transaction Entities hereby expressly acknowledge, agree, and reaffirm their indemnification obligations to Purchasers and the other Indemnitees as set forth in Section 15 of each of the Note Purchase Agreements. The Transaction Entities further acknowledge, agree, and reaffirm that all such indemnification obligations set forth in Section 15 of each of the Note Purchase Agreements shall survive the expiration of the Forbearance Period and the termination of this Agreement, each of the Note Purchase Agreements, the other NPA Documents, and the payment in full of the obligations pursuant to the Notes. Notwithstanding the foregoing, such indemnity shall not be available to the extent that such claims, damages, losses,

liabilities, or related expenses result solely from a Purchaser or other Releasee's gross negligence or willful misconduct.

9. Forbearance Default. The occurrence of one or more of the following shall constitute a "**Forbearance Default**" under this Agreement:

9.1 The occurrence of the Termination Date.

9.2 The Transaction Entities shall fail to abide by or observe any term, condition, covenant, or other provision contained in this Agreement or any document related to or executed in connection with this Agreement.

9.3 A default or event of default shall occur under any NPA Document or any document related to or executed in connection with this Agreement or any of the NPA Documents (other than the Existing Defaults).

9.4 Any Guarantor ceases to exist or revokes or terminates its liability under its Guarantee, or challenges the validity or enforceability of its Guarantee, or denies any further liability or obligation thereunder.

9.5 Any Transaction Entity:

(d) ceases to conduct business in the ordinary course.

9.6 Any Transaction Entity, or any of their respective creditors commences a case, proceeding, or other action against any Purchaser relating to any of the obligations pursuant to the Notes, NPA Documents, this Agreement, or any action or omission by Purchasers or their agents in connection with any of the foregoing.

9.7 Any representation or warranty of the Transaction Entities made herein shall be false, misleading, or incorrect in any material respect when made.

9.8 Any entity takes any collection action, including without limitation garnishing of bank accounts, levy and execution against personal property, recording or otherwise imposing of liens against real or personal property, and foreclosure proceedings (whether or not by way of court proceeding), against any of the assets or other property of any of the Transaction Entities that seeks to collect on a debt in excess of $100,000.

9.9 Any Transaction Entity takes an action, or any event or condition occurs or exists, which Purchasers reasonably believe in good faith is inconsistent in any material respect with any provision of this Agreement, or impairs, or is likely to impair, the prospect of payment or performance by Issuer of its obligations under this Agreement or any of the NPA Documents.

9.10 A default or event of default shall occur under any obligation owed to the Lender.

10. Remedies. Immediately upon the occurrence of a Forbearance Default:

10.1 The Forbearance Period shall immediately and automatically cease without notice or further action without notice to, or action by, any party.

10.2 The Purchasers shall be entitled to exercise any or all of their rights and remedies under the NPA Documents, this Agreement, or any stipulations or other documents executed in connection with or related to this Agreement or any of the NPA Documents, or applicable law, including, without limitation, the appointment of a receiver.

11. Miscellaneous.

11.1 Notices. Any notices with respect to this Agreement shall be given in the manner provided for in Section 18 of each of the Note Purchase Agreements. The Transaction Entities shall promptly provide any updates to those notice provisions.

11.2 Integration; Modification of Agreement. This Agreement and the NPA Documents embody the entire understanding between the parties hereto and supersedes all prior agreements and understandings (whether written or oral) relating to the subject matter hereof and thereof. The terms of this Agreement may not be waived, modified, altered, or amended except by agreement in writing signed by all the parties hereto. This Agreement shall not be construed against the drafter hereof.

11.3 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

11.4 Full Force and Effect. The NPA Documents shall remain unchanged, in full force and effect and continue to govern and control the relationship between the parties hereto, except to the extent they are inconsistent with, superseded, or expressly modified herein. To the extent of any inconsistency, amendment, or superseding provision, this Agreement shall govern and control.

11.5 Successors and Assigns. This Agreement is binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors, and assigns, provided that the Transaction Entities' rights under this Agreement are not assignable. 11.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to conflict of laws principles thereof.

11.7 No Waiver. No failure to exercise and no delay in exercising, on the part of the Purchasers any right, remedy, power, or privilege hereunder or under the NPA Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. Further, the Purchasers' acceptance of payment on account of the obligations pursuant to the Notes or other performance by the Transaction Entities after the occurrence of an Event of Default shall not be construed as a waiver of such Event of Default, any other Event of Default, or any of the Purchasers' rights or remedies.

11.8 Cumulative Rights. The rights, remedies, powers, and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.

11.9 Recommendation of Counsel. The Transaction Entities acknowledge that the Purchasers have recommended that they each consult with counsel prior to execution of this Agreement and represent that they either have done so or have knowingly waived the right to do so despite the express recommendation of the Purchasers.

11.10 Consent to Jurisdiction; Venue; Service of Process.

(a) **Consent to Jurisdiction.** The Transaction Entities each hereby irrevocably and unconditionally consent to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of all New York state courts, for the purpose of bringing any litigation, actions, or proceedings in any manner relating to or arising out of this Agreement or any of the NPA Documents. Nothing herein or in any NPA Document shall affect any right that the Purchasers may otherwise have to bring any action or proceeding relating to this Agreement or any NPA Document against the Transaction Entities or its properties in the courts of any jurisdiction.

(b) **Waiver of Venue.** The Transaction Entities hereby each waive any objection they may now or hereafter have to the laying of venue in such court and irrevocably waive, to the fullest extent permitted by applicable law, the defense of forum non conveniens to the maintenance of such action or proceeding in any such court.

(c) **Service of Process.** The Transaction Entities each hereby irrevocably consent to the service of process by certified or registered mail sent to the address

provided for notices in Section 11.1 and agree that nothing herein will affect the right of the Purchasers to serve process in any other manner permitted by applicable law.

11.11 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY RELATING TO THIS AGREEMENT OR ANY NPA DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER THEORY. EACH PARTY HERETO (A) CERTIFIES THAT NO AGENT, ATTORNEY, REPRESENTATIVE, OR ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF LITIGATION, AND (B) ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO THIS AGREEMENT.

11.12 Reimbursement of Costs and Expenses. Each of the Transaction Entities agree to pay all reasonable costs, fees, and expenses of the Purchasers (including attorneys' fees), expended or incurred by the Purchasers in connection with the negotiation, preparation, administration, and enforcement of this Agreement, the NPA Documents, the Notes, and all fees, costs, and expenses incurred in connection with any bankruptcy or insolvency proceeding (including, without limitation, any adversary proceeding, contested matter, or motion brought by the Purchasers or any other person). Without in any way limiting the foregoing, the Transaction Entities hereby reaffirm their agreement under the applicable NPA Documents to pay or reimburse the Purchasers for certain costs and expenses incurred by the Purchasers. In addition, and for the avoidance of doubt, the Transaction Entities shall promptly pay (i) the reasonable attorneys' fees and costs incurred by Faegre Drinker Biddle & Reath LLP, as counsel to the Purchasers, from March 1, 2024 and continue to pay such fees and costs on a monthly basis and (ii) the reasonable fees and costs incurred by IslandDundon, as financial advisor to the Purchasers, from June 1, 2024 and continue to pay such fees and costs on a monthly basis. Furthermore, and for the avoidance of doubt, the Transaction Entities and the Purchasers acknowledge that the engagement letter (the "Piper Sandler Engagement Letter") entered into among the Issuer, the Parent Guarantor and Piper Sandler & Co. ("Piper Sandler"), dated as of March 4, 2024, shall remain in full and effect, and the Transaction Entities shall promptly pay any fees and/or expenses due and payable to Piper Sandler pursuant to such Piper Sandler Engagement Letter. The Transaction Entities are jointly and severally liable for their obligations under this Section 11.12 and, anything to the contrary herein notwithstanding, each of Faegre Drinker, Biddle & Reath LLC, IslandDundon and Piper Sandler are third party beneficiaries of this provision of this Agreement.

11.13 Headings. The section headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

11.14 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts, each of which shall be an original, and all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

RE: Laguna Reserve Apts Investor LLC;
Notice of Default and Reservation of Rights

Dear Mr. Silber:

Reference is hereby made to that certain credit agreement dated April 25, 2023 (the "Credit Agreement") by and between Laguna Reserve Apts Investor LLC, a Delaware limited liability company ("Borrower"), and Cleveland International Fund – NRP West Edge, Ltd., an Ohio limited liability company ("Lender"), and the Guaranty and Loan Documents identified therein. Capitalized terms used herein without definition will have the meaning given such terms in the Credit Agreement. As of November 27, 2024, the outstanding principal balance of the Loan equals $4,500,000.00 and accrued but unpaid interest equals $33,287.67.

Section 9.1(j) the Credit Agreement provides, in part:

> "…the occurrence of … the following will constitute a "Default" under this Agreement and the Loan Documents: [t]he occurrence of any change in the management of Borrower or Lakewind except as permitted or required under the operating agreement of Borrower or Lakewind, respectively, or as otherwise permitted or required pursuant to the terms of this Agreement."

Lender has come to learn (without disclosure by Borrower as required under the Credit Agreement) that a change in Borrower's management has occurred; specifically, Lender has learned that Mark Silber is no longer acting (or authorized to act) in his capacity as Borrower's manager following the insertion of Elizabeth LaPuma as a fiduciary for Crown Capital Holdings LLC, Borrower's only other member, pursuant to a forbearance agreement between Crown Capital Holdings LLC and certain of its creditors. Neither the Credit Agreement nor Borrower's operating agreement permit a change in Borrower's management; to the contrary, subsection 22 of Schedule 4.1(d) of Borrower's operating agreement specifically prohibits the appointment of a trustee, receiver, conservator, assignee, sequester, custodian, liquidator (or other similar official) with respect to Borrower or its manager, a moratorium upon Borrower's manager, or any action by Borrower in furtherance of any of the foregoing absent Lender's consent.

Lender did not consent to Mr. Silber's displacement as Borrower's manager or a moratorium upon his authority to act in such capacity and has requested a copy of the aforementioned forbearance agreement without response; according, Lender has determined a Default exists pursuant to Section 9.1(j) of the Credit Agreement (the "Identified Default").

The Identified Default is unremedied and continuing beyond any right to cure; accordingly, Lender hereby declares Borrower to be in Default under the Credit Agreement and elects to increase the Interest Rate to the Default Rate as provided in Section 2.2(b) of the Credit Agreement. The Identified Default may not be the only Default under the Loan Documents.

Lender does not waive and hereby expressly reserves all other rights and remedies to which it is entitled under the Credit Agreement, the Loan Documents, the Guaranty, at law, or in equity, and may exercise any or all of such rights and remedies at any time; Lender's forbearance or failure to exercise any such rights or remedies prior to the date of this letter is not intended to constitute, nor will it be deemed to constitute, an agreement to defer or forbear or a waiver of the Identified Default or said rights and remedies.

You are hereby advised that Lender's past or future acceptance and application of any payments with respect to the Loan Documents, whether timely or late or full or partial, is not intended to waive and will not be deemed in any way to waive any Default or Lender's right to full and timely payment of all amounts due.

You are further advised that, in addition to all of Borrower's existing obligations to pay Lender's costs and expenses and other items under the terms of the Loan Documents, Borrower is liable for all attorneys' fees, costs and expenses incurred by Lender in connection with the enforcement of its rights and remedies under the Loan Documents and applicable law. Furthermore, any discussions between or among you and Lender, if any, will not cause a modification of the Loan Documents or the Guaranty, nor will any such discussions establish a custom or course of dealing or serve to waive, limit, or condition Lender's rights and remedies under the Loan Documents, the Guaranty, or at law or in equity, all of which rights and remedies Lender expressly reserves.

Sincerely,

Re: Laguna Reserve Apts Investor LLC; Termination of Manager Appointment and Appointment of New Manager

Dear Mr. Strnisha:

Reference is made to the Operating Agreement of Laguna Reserve Apts Investor LLC (the "**Company**"), dated April 25, 2023 (the "**Operating Agreement**"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Operating Agreement.

As you are aware, on November 27, 2024, Cleveland International Fund – NRP West Edge, Ltd. (the "**Class B Member**") sent the Company a Notice of Default and Reservation of Rights (the "**Notice**") alleging that the Company was in default of that certain credit agreement dated April 25, 2023 (the "**Credit Agreement**"). The Notice asserted that the Company violated Section 9.1(j) of the Credit Agreement, which prohibits any change in the "management" of the Company, because Moshe "Mark" Silber, the original Manager of the Company and ultimate owner of Crown Capital Holdings LLC (the "**Class A Member**"), was allegedly no longer acting in his capacity as Manager following the Class A Member's appointment of Elizabeth A. LaPuma as a fiduciary for the Class A Member. Pursuant to Section 12.4 of the Operating Agreement, the Class B Member appointed itself as Manager of the Company until the alleged default is cured.

The Notice was defective and was of no legal effect. Among other things, at all relevant times prior to and following the issuance of the Notice and alleged default, Lynd Management Group LLC ("**Lynd**") had been designated by Mr. Silber (who subsequently executed an irrevocable proxy in favor of Elizabeth A. LaPuma) to manage the Company and its properties. Lynd served as the Company's management at all relevant times and, therefore, the Company did not violate Section 9.1(j) of the Credit Agreement, as no change in "management" occurred.

Nevertheless, and out of an abundance of caution, the Class A Member has appointed Elizabeth A. LaPuma as the new Manager of the Company pursuant to Section 4.1(e) of the Operating

Agreement, which provides that the Class A Member may remove any Manager (including the Class B Member) with or without cause at any time and that such vacancy shall be filled by one or more new Managers selected by the Class A Member.

Accordingly, pursuant to the Written Consent of Crown Capital Holdings LLC, dated April 24, 2025, attached hereto as **Exhibit A**, and pursuant to the authority granted to the Class A Member under Section 4.1(e) of the Operating Agreement, the Class B Member is hereby removed as Manager of the Company and Elizabeth A. LaPuma shall serve as the new Manager of the Company, effective immediately.

Ms. LaPuma is now the sole authorized Manager of the Company with all powers and authority as set forth in the Operating Agreement. Any further actions taken by you or the Class B Member purporting to act as Manager of the Company are unauthorized and shall be deemed void *ab initio*.

We request that you immediately transfer to Ms. LaPuma all Company books, records, accounts, funds, assets, and other property in your possession or control.

Nothing contained herein shall be deemed to constitute a waiver of any rights, remedies, powers, claims, or causes of action that the Class A Member or the Company may have against the Class B Member under the Operating Agreement, the Credit Agreement, or applicable law, all of which are expressly reserved.

Sincerely,

**Gregory F. Pesce**

**WHEREAS**, the Notice asserted that the Company violated Section 9.1(j) of the Credit Agreement, which prohibits any change in the "management" of the Company, because the Prior Manager was no longer acting in his capacity as Manager of the Company following the Class A Member's appointment of the Independent Fiduciary;

**NOW, THEREFORE, BE IT RESOLVED**, that the Independent Fiduciary is hereby appointed as Manager of the Company in accordance with the Class A Member's rights under the Operating Agreement.

**FURTHER RESOLVED**, that all acts and deeds performed prior to the date of this written consent by the Authorized Person or other authorized agent of the Class A Member, for and on behalf of the Class A Member, that are within the authority conferred by the foregoing resolutions, are hereby approved, ratified and confirmed in all respects as the authorized acts and deeds of the Class A Member.

**FURTHER RESOLVED**, that the undersigned hereby waives any and all irregularities of notice, with respect to the time and place of meeting, and consent to the transaction of all business represented by this written consent.

**FURTHER RESOLVED**, that a copy of this written consent be filed in the minute book of each Member Entity.

**FURTHER RESOLVED**, that this written consent may be delivered by facsimile transmission or by portable document format (PDF) via electronic mail, with the same effect as the delivery of an originally executed counterpart in person.

9.4 Any Guarantor ceases to exist or revokes or terminates its liability under its Guarantee, or challenges the validity or enforceability of its Guarantee, or denies any further liability or obligation thereunder.

9.5 Any Transaction Entity:

(a) Intentionally Omitted

This Agreement shall not be construed against the drafter hereof.

11.3 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

11.4 Full Force and Effect. No failure to exercise and no delay in exercising, on the part of the Purchasers any right, remedy, power, or privilege hereunder or under the NPA Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. Further, the Purchasers' acceptance of payment on account of the obligations pursuant to the Notes or other performance by the Transaction Entities after the occurrence of an Event of Default shall not be construed as a waiver of such Event of Default, any other Event of Default, or any of the Purchasers' rights or remedies.

(b) **Waiver of Venue.** The Transaction Entities hereby each waive any objection they may now or hereafter have to the laying of venue in such court and irrevocably waive, to the fullest extent permitted by applicable law, the defense of forum non conveniens to the maintenance of such action or proceeding in any such court.

EACH PARTY HERETO (A) CERTIFIES THAT NO AGENT, ATTORNEY, REPRESENTATIVE, OR ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT SEEK TO ENFORCE THE FOREGOING WAIVER IN THE EVENT OF LITIGATION, AND (B) ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO THIS AGREEMENT.

11.12 Reimbursement of Costs and Expenses. Each of the Transaction Entities agree to pay all reasonable costs, fees, and expenses of the Purchasers (including attorneys' fees), expended or incurred by the Purchasers in connection with the negotiation, preparation, administration, and enforcement of this Agreement, the NPA Documents, the Notes, and all fees, costs, and expenses incurred in connection with any bankruptcy or insolvency proceeding (including, without limitation, any adversary proceeding, contested matter, or motion brought by the Purchasers or any other person). # Experts assail RFK Jr.'s mRNA vaccine crackdown

## Contend loss of millions in research funding imperils nation's ability to counter future pandemics

By Carolyn Y. Johnson and Lauren Weber
The Washington Post

The Trump administration's decision to terminate hundreds of millions of dollars to develop mRNA vaccines and treatments imperils the country's ability to fight future pandemics and is built on false or misleading claims about the technology, public health experts said.

Vaccine development is typically a yearslong process, but mRNA technology paired with massive injections of federal funding during the coronavirus pandemic drastically slashed the timeline.

The first COVID-19 shots, based on mRNA, were in people's arms less than a year after the United States recorded its first coronavirus case — a signature achievement of the first Trump administration.

The flexible technology provided a road map for how to quickly respond to pathogens that are constantly evolving, including H5N1 avian bird flu, a candidate to spark the next pandemic.

But research into H5N1 mRNA vaccines were among nearly two dozen mRNA projects supported by the government's biodefense agency that were terminated or altered, according to a Department of Health and Human Services statement released Tuesday. The moves affect $500 million in projects, according to HHS, including COVID-19 and flu therapeutics and vaccines.

"This represents a significant setback for our preparedness efforts in responding to infectious-disease outbreaks," said Dawn O'Connell, the former assistant secretary of preparedness and response at HHS during the Biden administration. If viruses change, mRNA can be quickly rebooted and manufactured.

But HHS Secretary Robert F. Kennedy Jr. has criticized mRNA vaccines, arguing that they are ineffective at fighting upper respiratory infections and keeping up with the mutations of a virus.

Mr. Kennedy has a history of disparaging the mRNA coronavirus vaccines, in 2021 falsely calling them the "deadliest vaccine ever made." He has also said there was a "poison" in it — claims refuted by medical experts. He has also been under pressure from anti-vaccine activists who say he has not done enough to remove mRNA vaccines from the market.

### Future unclear

The full scope of mRNA projects terminated was not immediately clear. Multiple companies mentioned by HHS did not immediately respond to questions. A spokesman for Moderna, which previously lost funding to develop an mRNA bird flu vaccine, said the company was not aware of new contract cancellations.

The AstraZeneca program that HHS is restructuring is an RNA-based pandemic influenza vaccine that is in early stages of development. The company is exploring options for next steps, a spokeswoman said.

An inhaled mRNA treatment for flu and COVID-19 being developed at Emory University was terminated. Some late-stage projects are proceeding, such as early human testing of an mRNA-based H5N1 candidate being developed by Arcturus Therapeutics "to preserve prior taxpayer investment," according to HHS.

Gritstone Bio, which HHS said had a project proposal rejected, already ceased operating earlier this year after declaring bankruptcy.

Mark Thiessen/Associated Press
In a statement on Tuesday, Health and Human Services Secretary Robert F. Kennedy Jr. announced that 22 projects totaling $500 million to develop vaccines using mRNA technology would be halted.

A terminated contract to Tiba Biotech was for a H1N1 flu treatment that was not based on mRNA, but a different RNA technology. The company received a stop work order late Tuesday afternoon.

"This comes as a surprise given the Department's stated goal of winding down mRNA vaccine development," Jasdave Chahal, Tiba's chief scientific officer, said in an email. "Our project does not involve the development of an mRNA product and is a therapeutic rather than a vaccine."

"It's going to deter innovations," said Dorit Reiss, a professor at the University of California College of the Law at San Francisco, whose research focuses on vaccine law and policy. "Why invest in new technologies if the government can not only refuse to fund them, but if it's going to cancel already promised contracts?"

HHS said in its statement that "other uses of mRNA technology," such as cancer treatments, are not affected by the announcement. But researchers worried that the Trump administration's criticism of the mRNA technology would have a chilling effect on one of the most promising fields in medicine. In 2023, Katalin Kariko and Drew Weissman shared the Nobel Prize in medicine for fundamental work on mRNA that enabled the development of coronavirus vaccines.

"It's absolutely perplexing why this is happening," said Jeff Coller, a professor of RNA biology and therapeutics at Johns Hopkins University who has studied mRNA for more than three decades. "You have to sort of scratch your head to wonder why the secretary is directing these sort of actions against probably one of the most powerful platforms in medicine that has come along in the last 20 years."

Six scientific and medical experts said Mr. Kennedy and HHS offered misleading assessments of mRNA technology as they announced the termination of research.

### Flagged issues

• "The data show these vaccines fail to protect effectively against upper respiratory infections like COVID and flu," Mr. Kennedy said in a statement.

It's true that mRNA vaccines can be ineffective at preventing coronavirus infections, although data from the Centers for Disease Control and Prevention shows they still offer some protection. But several scientific experts noted the primary purpose of vaccination is to prevent hospitalizations and death, which the mRNA vaccines have effectively done, according to CDC data.

The FDA has not approved an mRNA flu vaccine, so experts said it was premature to make sweeping claims about its potential efficacy.

•"One mutation and the vaccine becomes ineffective," Mr. Kennedy said in a video.

COVID-19 keeps evolving in a way that makes it easier to infect people who have some immunity from vaccination or prior infection. But medical experts said the mRNA vaccines have been resilient in maintaining protection against severe outcomes. Manufacturers have also been able to update formulas annually to better target new variants.

"That is actually one of the most powerful aspects of mRNA vaccines: that you can, in real time, develop new mRNAs against the virus as the virus changes," Mr. Coller said. "I'm not sure why that would be considered a bad thing."

• "We've seen now these epidemics of myocarditis," Mr. Kennedy said at a news conference.

Coronavirus vaccines designed using mRNA carry a very small risk of myocarditis, which is inflammation of the heart, from the coronavirus vaccine, particularly in young men. However, medical experts said the data shows there is not an "epidemic" of the condition; in fact, the rates of myocarditis and other heart illness are much higher from the virus instead of the vaccine.

Dr. Jessica Malaty Rivera, an infectious-disease epidemiologist, said this rhetoric was part of the pandemic revisionist "revenge tour."

"Calling it an epidemic is absolutely misleading," she said.

• "Technologies that were funded during the emergency phase but failed to meet current scientific standards will be phased out in favor of evidence-based, ethically grounded solutions — like whole-virus vaccines and novel platforms." — HHS statement

Scientific experts said a variety of vaccine types are often required to fight emerging infectious diseases. In some cases, whole-virus vaccines have been known to have serious side effects.

Dr. Peter Hotez, a physician and co-director of the Texas Children's Hospital Center for Vaccine Development, said he was surprised to hear HHS tout whole-virus vaccines because China had used a whole-virus vaccine for coronavirus that was "pretty mediocre," Dr. Hotez said.

Mr. Kennedy is "pushing a technology that is actually probably the most problematic of all vaccines we could pick," Dr. Hotez said.

# Shooting at Georgia Army post leaves several soldiers wounded

**SHOOTING**, FROM A-1

This latest act of violence on a U.S. military installation — sites that are supposed to be among the most secure in the country — again raised concerns about safety and security within the armed forces' own walls.

The Army said it's investigating the shooting. There were still many unanswered questions, including the scope of the injuries and the shooter's motive.

The injured were taken to the hospital and three underwent surgery, officials said.

A telephone number listed for Sgt. Radford in public records rang unanswered.

Army records released to the Associated Press show that Sgt. Radford enlisted in January 2018. He worked as a supply sergeant and has not been deployed.

Sgt. Radford faced an Aug. 20 hearing in Hinesville, a small town near the base, on accusations of driving under the influence and running a red light just after 1 a.m. May 18, according to a citation and court filing. He was given a blood test and freed on a $1,818 bond, the documents said.

Attorney Sneh Patel is representing Sgt. Radford in the traffic case but not the shooting as of Wednesday, he said in an email. He cited attorney-client privilege in declining to comment about any his conversations with Sgt. Radford.

Law enforcement was sent to the 2nd Armored Brigade Combat Team complex shortly before 11 a.m. The shooter was arrested at 11:35 a.m., officials said.

The lockdown lasted about an hour. After it was lifted, cars began to move through the normal security checkpoint at the fort's main gate.

The Army's 2nd Armored Brigade Combat Team was created in 2016 when the service added more than 200 vehicles to an infantry unit of roughly 4,200 soldiers. Also known as the "Spartan Brigade," the Army has called the unit its "most modern land fighting force."

Located about 40 miles southwest of Savannah, Fort Stewart is the largest Army post east of the Mississippi River by land area. It's home to thousands of soldiers assigned to the Army's 3rd Infantry Division and family members.

President Donald Trump called the shooter a "horrible person" in comments to reporters at the White House.

The FBI was at the fort to help investigate, said Deputy Director Dan Bongino.

Among the deadliest acts of violence on U.S. military bases was a 2009 attack. A U.S. Army psychiatrist killed 13 people in a shooting that left more than 30 wounded at Fort Hood, a military installation in Texas.

In 2013, a defense contract worker and former Navy reservist killed 12 people at Washington Navy Yard. He was then killed in a gun battle with police.

In 2014, a soldier opened fire on his fellow service members at Fort Hood, killing three people and wounding more than a dozen others before the gunman killed himself.

In 2019, an aviation student opened fire in a classroom at Naval Air Station Pensacola in Florida, killing three people and injuring another dozen people including two sheriff's deputies.

Just days earlier, a U.S. Navy sailor shot two people to death before killing himself at Pearl Harbor, the Naval station in Hawaii.

*C. Wind Down and Dissolution of the Debtors.*

1. **Appointment of the Wind-Down Officer**.

On the Effective Date, the Wind-Down Officer shall be appointed by the Debtors for the purpose of conducting the Wind-Down and shall succeed to such powers and privileges as would have been applicable to the Debtors' officers, directors, and shareholders, and the Debtors. Upon the conclusion of the Wind-Down, the Debtors shall be dissolved by the Wind-Down Officer. The Wind-Down Officer shall act for the Debtors in the same fiduciary capacity as applicable to a board of directors or managers and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, articles of incorporation or by-laws, and related documents, as applicable, are deemed amended pursuant to the Plan to permit and authorize the same). From and after the Effective Date, the Wind-Down Officer shall be a representative of and shall act for the post-Effective Date Debtors and their Estates.

Among other things, the Wind-Down Officer shall be responsible for: (a) implementing the Wind-Down as expeditiously as reasonably possible and administering the liquidation of the post-Effective Date Debtors and their Estates and of any assets held by the post-Effective Date Debtors and their Estates after consummation of the Kelly Hamilton Sale Transaction, (b) resolving any Disputed Wind-Down Claims and undertaking a good faith effort to reconcile and settle Disputed Wind-Down Claims, (c) making distributions on account of Allowed Wind-Down Claims in accordance with the Plan, (d) filing appropriate tax returns, and (e) otherwise administering the Plan, in each case to the extent set forth in the Wind-Down Agreement.

On and after the Effective Date, the Wind-Down Officer shall cause the Debtors to comply with, and abide by, the terms of the Plan, and take such other reasonable actions as the Wind-Down Officer may determine to be necessary or desirable to carry out the purposes of the Plan. Except to the extent necessary to carry out the purposes of the Plan or complete the Wind-Down, from and after the Effective Date, the Debtors (a) for all purposes, shall be deemed to have withdrawn their business operations from any state or province in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action to effectuate such withdrawal, (b) shall be deemed to have cancelled pursuant to this Plan all Interests, and (c) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. Any funds remaining in the Debtors at the time of dissolution shall be transferred to the Creditor Recovery Trust, subject to any reversionary interests of the Kelly Hamilton DIP Lender in the Fee Escrow solely to the extent that the Bankruptcy Court determines that the Kelly Hamilton DIP Facility has not been indefeasibly repaid in full in Cash or otherwise satisfied in full by the Kelly Hamilton Sale Transaction.

*D. Creditor Recovery Trust.*

1. **Establishment of the Creditor Recovery Trust**.

On or before the Effective Date, the Creditor Recovery Trust Agreement shall be executed, and all other necessary steps shall be taken to create the Creditor Recovery Trust. From and after the Effective Date, the Creditor Recovery Trust shall succeed to all rights, privileges, and powers of the Debtors and their Estates with respect to the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action. The Creditor Recovery Trust shall be substituted and will replace the Debtors and their Estates in all Creditor Recovery Trust Causes of Action and Insurance Causes of Action, whether or not such claims are pending in filed litigation.

2. **Certain Tax Matters Related to the Creditor Recovery Trust**.

The Creditor Recovery Trust shall be established to liquidate the Creditor Recovery Trust Assets and make distributions in accordance with the Plan, Confirmation Order, and Creditor Recovery Trust Agreement, and in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary

to, and consistent with, the liquidating purpose of the Creditor Recovery Trust. The Creditor Recovery Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, and thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Internal Revenue Code. Accordingly, the beneficiaries of the Creditor Recovery Trust shall be treated for U.S. federal income tax purposes (1) as direct recipients of undivided interests in the respective claims each has that constitute the Creditor Recovery Trust Assets (other than to the extent the Creditor Recovery Trust Assets are allocable to Disputed Claims) and as having immediately contributed such assets to the Creditor Recovery Trust, and (2) thereafter, as the grantors and deemed owners of the Creditor Recovery Trust and thus, the direct owners of an undivided interest in the Creditor Recovery Trust Assets (other than such Creditor Recovery Trust Assets that are allocable to Disputed Claims).

The Creditor Recovery Trustee shall file tax returns for the Creditor Recovery Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a) and in accordance with the Plan. The Creditor Recovery Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items in respect of any assets allocable to, or retained on account of, Disputed Claims) will be allocated to each holder in accordance with their relative ownership of Creditor Recovery Trust interests. As soon as possible after the Effective Date, the Creditor Recovery Trustee shall make a good faith valuation of the Creditor Recovery Trust Assets and such valuation shall be used consistently by all parties for all U.S. federal income tax purposes. The Creditor Recovery Trustee may request an expedited determination of taxes on the Creditor Recovery Trust under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Creditor Recovery Trust for all taxable periods through the dissolution of the Creditor Recovery Trust. The Creditor Recovery Trustee (1) may timely elect to treat any Creditor Recovery Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulations Section 1.468B-9 if and to the extent the Creditor Recovery Trustee determines such assets so qualify, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including the Creditor Recovery Trustee and the holders of Creditor Recovery Trust interests) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing. The Creditor Recovery Trustee shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto.

Following the establishment of the Creditor Recovery Trust, no Person or Entity shall have the right under the Bankruptcy Code or applicable non-bankruptcy law to obtain standing on behalf of any Debtor, any Debtor's Estate, or the Creditor Recovery Trust to take any action, or fail to take any action, with respect to any matter directly or indirectly involving the Creditor Recovery Trust (including the right to obtain standing to pursue any Creditor Recovery Trust Causes of Action, any Avoidance Action, or any Causes of Action).

4. **Funding of the Creditor Recovery Trust**.

On the Effective Date, the Creditor Recovery Trust shall be funded with the Creditor Recovery Trust Assets. Notwithstanding anything to the contrary in the Plan, the Creditor Recovery Trustee may, in its reasonable discretion, without approval by the Bankruptcy Court but subject to approval from the Advisory Committee, (i) enter into any financing arrangement to fund the Creditor Recovery Trust (including funding provided by litigation finance parties), or (ii) enter into an engagement letter on behalf of the Creditor Recovery Trust with an attorney, law firm, or other professional pursuant to which the Creditor Recovery Trust will retain such attorney, law firm, or other professional to pursue the Creditor Recovery Trust Causes of Action on a contingency or special-fee-award basis.

5. **Privileged Information of the Creditor Recovery Trust**.

On the Effective Date, any attorney-client privilege, work-product privilege, common-interest communications with Insurance Companies, protection or privilege granted by joint defense, common interest, and/or other privilege or immunity of the Debtors relating, in whole or in part, to the Crown Capital Unsecured Claims, the RH New Orleans Unsecured Claims, the CBRM Unsecured Claims, the Creditor Recovery Trust Assets (including the Creditor Recovery Trust Causes of Action), or the Insurance Causes of Actions shall be irrevocably transferred to and vested in the Creditor Recovery Trust. The Creditor Recovery Trust shall have the same rights as the Debtors in Privileged Information relating to the Crown Capital Unsecured Claims, the RH New Orleans Unsecured Claims, the CBRM Unsecured Claims and the Creditor Recovery Trust Assets. The Creditor Recovery Trust's rights in the Privileged Information will remain subject to the rights of third parties under applicable law, including any rights arising from the common interest doctrine, the joint defense doctrine, joint attorney-client representation, or any agreement; *provided, however*, that prior to taking any action that could affect any privilege in which a third party may have rights, the Creditor Recovery Trust shall provide such third party with reasonable written notice.

6. **Creditor Recovery Trustee**.

The Creditor Recovery Trust shall be governed exclusively by the Creditor Recovery Trustee. The powers and duties of the Creditor Recovery Trustee shall include, but shall not be limited to, those powers, duties and responsibilities vested in the Creditor Recovery Trustee pursuant to the terms of the Creditor Recovery Trust Agreement, and shall include the authority to: (a) hold, manage, protect, and monetize the Creditor Recovery Trust Assets; (b) carry out the provisions of the Plan relating to the Creditor Recovery Trust, including commencing, prosecuting, and settling all Creditor Recovery Trust Causes of Action and Insurance Causes of Action; and (c) perform all actions and execute all agreements, instruments and other documents necessary to effectuate the purpose of the Creditor Recovery Trust. The preceding list of powers, duties, and responsibilities of the Creditor Recovery Trustee is non-exclusive and the powers, rights and responsibilities of the Creditor Recovery Trustee shall be further specified in the Creditor Recovery Trust Agreement.

7. **Creditor Recovery Trust Advisory Committee**.

8. **Vesting of the Creditor Recovery Trust Assets**.

As of the Effective Date, the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action, shall vest in the Creditor Recovery Trust, free and clear of all Liens, Claims, Encumbrances, charges or other interests to the extent permitted by section 1141 of the Bankruptcy

Code. Notwithstanding anything herein to the contrary, the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust shall not diminish, and fully preserves, any defenses the Debtors would have if such assets had been retained by the Debtors. The Creditor Recovery Trust and the Creditor Recovery Trustee, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce the Creditor Recovery Trust Causes of Action vested, transferred, or assigned to such entity on behalf of both the Creditor Recovery Trust. The Creditor Recovery Trust or the Creditor Recovery Trustee, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Creditor Recovery Trust Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, subject to the provisions of this Plan, the Creditor Recovery Trust Assets will not be deemed property of the Debtors or their Estates and the Creditor Recovery Trust shall not be deemed to be a successor of the Debtors for purposes of any Distribution made by the Creditor Recovery Trust.

United Jersey Bank*, 848 F.2d 414 (3d Cir. 1988) such that no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), shall apply to prevent the Creditor Recovery Trust or the Wind-Down Officer from initiating, filing, prosecuting, enforcing, abandoning, settling, compromising, releasing, withdrawing, or litigating to judgment any such Causes of Action.

*E. Cancellation of Securities and Agreements*.

On the Effective Date, except to the extent otherwise provided in the Plan, all notes, instruments, certificates, and other documents evidencing, or in any way related to, Claims or Interests shall be canceled as against the Debtors and each Released Party and the obligations of the Debtors thereunder or in any way related thereto shall be released, settled, and compromised.

*I. Preservation of Rights of Action*.

On the Effective Date, (i) the Creditor Recovery Trust Causes of Action shall vest in the Creditor Recovery Trust in accordance with the Creditor Recovery Trust Agreement, and (ii) the Wind-Down Retained Causes of Action shall vest in the post-Effective Date Debtors under the authority of the Wind-Down Officer, in each case free and clear of all Claims, Liens, Encumbrances and other interests. The Creditor Recovery Trust Causes of Action shall become Creditor Recovery Trust Assets and the Wind-Down Retained Causes of Action shall become Wind-Down Assets. On and after the Effective Date, the Creditor Recovery Trustee shall have sole and exclusive discretion to pursue and dispose of the Creditor Recovery Trust Causes of Action and the Wind-Down Officer shall have sole and exclusive discretion to pursue the Wind-Down Retained Causes of Action. No Person or Entity may rely on the absence of a specific reference in the Plan or Disclosure Statement as to any Cause of Action as any indication that the Debtor, and on and after the Effective Date, the Creditor Recovery Trustee, or Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation. Prior to the Effective Date, the Debtors and, on and after the Effective Date, the Creditor Recovery Trustee, subject to the oversight, approval, consultation and consent of the Advisory Committee as set forth in the Creditor Recovery Trust Agreement, and the Wind-Down Officer, as applicable, shall retain and shall have, through their authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

**No Person or Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Creditor Recovery Trustee or the Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action**. Unless and until any such Causes of Action against any Person or Entity are expressly waived, relinquished, exculpated, released, compromised, or assigned, or settled

under the Plan or a Final Order, the Creditor Recovery Trustee and Wind-Down Officer, as applicable, expressly reserve all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

*J. Election to Contribute Claims.*

Because aggregating all Contributed Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its Ballot, to contribute its Contributed Claims to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of Contributing Claimants. Rather, as provided in the Creditor Recovery Trust Agreement, any value attributable to such Contributed Claims will be segregated and only available for disbursement to those Holders that elected to contribute such Claims. By electing such option on its Ballot, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the appointment of the Creditor Recovery Trustee, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Claims to the Creditor Recovery Trust, and (ii) to have agreed to execute any documents reasonably requested by the Creditor Recovery Trustee to memorialize and effectuate such contribution.

*K. Contribution of Contributed Claims.*

On the Effective Date, all Contributed Claims will be irrevocably contributed to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of the Contributing Claimants. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Creditor Recovery Trust Agreement, the Plan Supplement, or any other document as any indication that the Creditor Recovery Trustee will or will not pursue any and all available Contributed Claims against such Person. The Creditor Recovery Trustee shall have, retain, reserve, and be entitled to assert all Contributed Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Claims shall not include the rights of any of the Contributing Claimants to receive the Distributions under the Plan on account of their Claims or Interests and shall not include any claims that cannot be assigned under applicable law.

*L. Funding of Creditor Recovery Trust Amount.*

On the Effective Date, the Creditor Recovery Trust Amount shall be funded in Cash.

*M. CBRM-Crown Capital Intercompany Settlement.*

In full settlement of any Intercompany Claims arising in connection with the proceeds of the Kelly Hamilton DIP Facility being used to fund the restructuring of Debtor CBRM pursuant to this Plan, (1) any Claims and Causes of Action held by CBRM shall constitute Creditor Recovery Trust Causes of Action, and (2) CBRM agrees that the Wind-Down Officer shall have the sole authority to wind down, dissolve, and liquidate its Estate and the Creditor Recovery Trustee shall have the sole authority to effectuate Distributions to the Holders of CBRM Unsecured Claims to the extent the Holders of Crown Capital Unsecured Claims receive payment in full.

## ARTICLE V
## TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

*A. Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases (including all Executory Contracts and Unexpired Leases identified on the Rejected Executory Contract and Unexpired Lease List) will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that previously were assumed or rejected by the Debtors or those that are subject to a pending motion to

assume or assign such Executory Contract or Unexpired Lease. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections.

*B. Claims Based on Rejection of Executory Contracts and Unexpired Leases.*

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after entry of the Confirmation Order. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to this Plan not filed within such time shall be disallowed, forever barred, estopped, and enjoined from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, or property thereof, without the need for any objection by the Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged.** All Allowed Claims arising from the rejection of any Executory Contracts or Unexpired Leases shall constitute and be treated as Unsecured Claims. Nothing herein shall constitute an extension of any Claims Bar Date otherwise applicable to a Claim arising from an Executory Contract or Unexpired Lease that was previously rejected by the Debtors.

*C. Treatment of Insurance Policies*.

Notwithstanding anything to the contrary herein, each of the Insurance Policies and any agreements, documents, or instruments relating thereto issued to or entered into by the Debtors prior to the Petition Date shall not be considered Executory Contracts and shall neither be assumed nor rejected by the Debtors; *provided*, *however*, that to the extent any such Insurance Policy is determined by Final Order to be an Executory Contract, then, notwithstanding anything contained in the Plan to the contrary, the Plan will constitute a motion to assume such Insurance Policy and assign the same to the Creditor Recovery Trust. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order will constitute approval of such assumption and assignment pursuant to section 365 of the Bankruptcy Code. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Insurance Policy, and prior payments for premiums or other charges made prior to the Petition Date under or with respect to any Insurance Policy shall be indefeasible.

*D. Effect of Confirmation on D&O Liability Insurance Policies.*

From and after the Effective Date, the D&O Liability Insurance Policies shall remain in place on terms for coverage and amounts no less favorable than the Debtors' current directors' and officers' insurance policies. From and after the Effective Date, the D&O Liability Insurance Policies shall be maintained for the benefit of the beneficiaries thereunder and shall not be transferred to the Creditor Recovery Trust nor become Creditor Recovery Trust Assets. The Debtors shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, and the Independent Fiduciary shall be entitled to the full benefits of any such policy or policies for the full term of such policy or policies.

## ARTICLE VI
## PROVISIONS GOVERNING DISTRIBUTIONS

*A. Timing and Calculation of Amounts to Be Distributed.*

Except as (1) otherwise provided herein, (2) directed by a Final Order, or (3) as otherwise agreed to by the Debtors or the Wind-Down Officer, as the case may be, and the Holder of the applicable Claim, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall

receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

*B. Distribution Agent*.

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan and the Plan Supplement; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan and the Plan Supplement, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan and the Plan Supplement.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by the Distribution Agent shall be paid in Cash by the Wind-Down Officer from the Wind-Down Account.

*C. Delivery of Distributions and Undeliverable or Unclaimed Distributions*.

Except as otherwise provided herein, the Distribution Agent shall make all distributions required under the Plan. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be paid from the Wind-Down Account.

In the event that either (a) a distribution to any Holder is returned as undeliverable, (b) the Holder of an Allowed Claim does not respond in writing to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution within sixty (60) days or otherwise complete the actions necessary to facilitate a distribution as identified to the Holder within ninety (90) days of the Distribution Agent's request, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is six months after (a) the date of the distribution, if a distribution is made, or (b) the date that a request for information or action is sent by the Distribution Agent. After such date, all unclaimed property or interests in property shall revert to the Creditor Recovery Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall be released and forever barred.

*D. Claims Payable by Third Parties*.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy, including any D&O Liability Insurance Policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the

Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

*E. Distributions to Unsecured Claims*.

Notwithstanding anything to the contrary herein, all CBRM Unsecured Claims shall be administered by the Creditor Recovery Trust pursuant to and in accordance with the Creditor Recovery Trust Agreement.

*F. Allocation Between Principal and Accrued Interest*

Except as otherwise provided herein, the aggregate consideration paid to Holders on account of their Allowed Claims pursuant to the Plan shall be treated as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim, if any.

## ARTICLE VII
## PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

*A. Allowance of Claims.*

After the Effective Date, the Wind-Down Officer and the Creditor Recovery Trustee shall have and shall retain any and all available rights and defenses the applicable Debtor had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code; *provided* that neither the Wind-Down Officer nor the Creditor Recovery Trustee shall have the right to object to any Professional Fee Claims or fees of the Independent Fiduciary. For the avoidance of doubt, the Creditor Recovery Trustee shall have the right to object to and otherwise reconcile any and all Claims that seek recovery from the Creditor Recovery Trust other than Professional Fee Claims and fees of the Independent Fiduciary. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

No payment or distribution provided under the Plan shall be made on account of a Disputed Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

*B. Automatic Disallowance and Expungement of Certain Claims*.

On the Effective Date, all Claims Filed after the Claims Bar Date that were required to be Filed in advance of the Claims Bar Date under its terms shall be expunged and disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

*C. Distributions After Allowance*.

To the extent a Disputed Claim ultimately becomes an Allowed Claim, as soon as practicable, the Debtors shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous Distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim.

## ARTICLE VIII
## SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

*A. Settlement, Compromise, and Release of Claims and Interests.*

To the extent provided for by the Bankruptcy Code, and in consideration for the distributions and other benefits provided pursuant to the Plan, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by agents or representatives of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt, right, Claim, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date.[2]

*B. Release of Liens.*

**Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estate shall be fully released, settled, and compromised.**

*C. Releases by the Debtors.*

**Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released by the Debtors and their Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that the Debtors or their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Chapter 11 Cases, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Restructuring Documents or related agreements, instruments, or other documents, or upon any other act or omission, transaction,**

[2] The releases provided in this Article VIII are without duplication to the releases provided under the Kelly Hamilton DIP Order.

**agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date.**

*D. Releases by Holders of Claims and Interests*.

**As of the Effective Date, except as otherwise provided in the Plan, the Releasing Parties are deemed to have released the Debtors, their Estates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any direct Claims held by any of the Releasing Parties against the Debtors, their Estates, and/or the Released Parties or derivative Claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that each Releasing Party would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Restructuring Documents, or related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, (1) the releases set forth above do not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan and (2) except as to any member of the Ad Hoc Group of Holders of Crown Capital Notes who opted to grant the releases contained in Article VIII.D of the Plan, the Ad Hoc Group of Holders of Crown Capital Notes and each of its members (whether or not any such member affirmatively voted to accept the Plan) shall not release nor be deemed to release any claim or cause of action that any such holders may hold against the Kelly Hamilton Purchaser, the Asset Manager, the Property Manager, or the Kelly Hamilton DIP Lender and such Entity's current and former subsidiaries, officers, directors, managers, principals, members, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals. For the avoidance of doubt, the language in clause (2) in the foregoing sentence does not revive any prior releases issued by the Debtors under the Kelly Hamilton DIP Order.**

*E. Exculpation.*

**Except as otherwise specifically provided in the Plan, each Debtor and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action, or liability for any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects each Debtor and each Exculpated Party shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities pursuant to the Plan. The Debtors, their Estates, the Independent Fiduciary, and the Debtors' professionals including White & Case LLP, IslandDundon LLC, Ken Rosen Advisors PC, and Kurtzman Carson Consultants, LLC dba Verita Global have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of the Plan and distributions pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.**

*F. Injunction.*

**Pursuant to section 362(c)(1) of the Bankruptcy Code, the automatic stay of an act against property of the Debtors' estates will continue until such property is no longer property of the**

**Debtors' estates, and pursuant to section 362(c)(2) of the Bankruptcy Code, the stay of any other act described in section 362(a) of the Bankruptcy Code continues until the earlier of the closure or dismissal of these Chapter 11 Cases. In addition, as of the Effective Date and subject to the occurrence of the Effective Date, except as otherwise specifically provided in this Plan or the Confirmation Order, all Persons and Entities who have held, hold, or may hold Claims or Interests that are fully satisfied pursuant to the Plan or any Claim or Interest that is subject to the releases and exculpations set forth in the Plan shall be precluded and permanently enjoined on and after the Effective Date from enforcing, pursuing, or seeking any setoff or relief with respect to such Claims or Interests, except for the receipt of the payments or Distributions that are contemplated by the Plan.**

**For the avoidance of doubt, the foregoing relief may include (but is not limited to): (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claim or Interest; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such released, compromised, settled, or exculpated Claims or Interests.**

**For the avoidance of doubt, this Article VIII.F shall not constitute a discharge under section 1141(d) of the Bankruptcy Code.**

## ARTICLE IX

*A. Conditions Precedent to the Effective Date*.

It shall be a condition to Consummation that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.B of the Plan:

1. the Bankruptcy Court shall have entered the Confirmation Order and it shall have become a Final Order;

2. all documents and agreements necessary to implement the Plan, including any documents related to the Kelly Hamilton Sale Transaction and Restructuring Transactions shall have (a) all conditions precedent to the effectiveness of such documents and agreements satisfied or waived pursuant to the terms of such documents or agreements, (b) been tendered for delivery, and (c) been effected or executed;

3. all governmental and material third-party approvals and consents, including Bankruptcy Court approval, necessary in connection with the transactions contemplated by the Plan shall have been obtained, not be subject to unfulfilled conditions and be in full force and effect, and all applicable waiting periods shall have expired without any action being taken or threatened by any competent authority that would restrain, prevent, or otherwise impose materially adverse conditions on such transactions; and

## ARTICLE X
## MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

*A. Modification and Amendments*.

Except as otherwise provided in the Plan, the Debtors reserve the right to modify the Plan, whether materially or immaterially, including by adding a non-Debtor entity that becomes a debtor and debtor in possession under chapter 11 of the Bankruptcy Code to, or removing a Debtor from, the Plan, and seek Confirmation, in each instance, to the extent permitted under the Bankruptcy Code. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the Debtors reserve their right to alter, amend, or modify materially the Plan, one or more times, after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

*B. Effect of Confirmation on Modifications*.

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan occurring after the solicitation thereof and before the Confirmation Date are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

*C. Revocation or Withdrawal of the Plan.*

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date or the Effective Date and to File subsequent plans of reorganization, in which case the Plan shall be null and void in all respects.

## ARTICLE XI

On and after the Effective Date, except as otherwise provided in the Plan, the Debtors or the Kelly Hamilton Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. *C. Wind Down and Dissolution of the Debtors*.

1. **Appointment of the Wind-Down Officer**.

On the Effective Date, the Wind-Down Officer shall be appointed by the Debtors for the purpose of conducting the Wind-Down and shall succeed to such powers and privileges as would have been applicable to the Debtors' officers, directors, and shareholders, and the Debtors. Upon the conclusion of the Wind-Down, the Debtors shall be dissolved by the Wind-Down Officer. The Wind-Down Officer shall act for the Debtors in the same fiduciary capacity as applicable to a board of directors or managers and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, articles of incorporation or by-laws, and related documents, as applicable, are deemed amended pursuant to the Plan to permit and authorize the same). From and after the Effective Date, the Wind-Down Officer shall be a representative of and shall act for the post-Effective Date Debtors and their Estates.

Among other things, the Wind-Down Officer shall be responsible for: (a) implementing the Wind-Down as expeditiously as reasonably possible and administering the liquidation of the post-Effective Date Debtors and their Estates and of any assets held by the post-Effective Date Debtors and their Estates after consummation of the Kelly Hamilton Sale Transaction, (b) resolving any Disputed Wind-Down Claims and undertaking a good faith effort to reconcile and settle Disputed Wind-Down Claims, (c) making distributions on account of Allowed Wind-Down Claims in accordance with the Plan, (d) filing appropriate tax returns, and (e) otherwise administering the Plan, in each case to the extent set forth in the Wind-Down Agreement.

On and after the Effective Date, the Wind-Down Officer shall cause the Debtors to comply with, and abide by, the terms of the Plan, and take such other reasonable actions as the Wind-Down Officer may determine to be necessary or desirable to carry out the purposes of the Plan. Except to the extent necessary to carry out the purposes of the Plan or complete the Wind-Down, from and after the Effective Date, the Debtors (a) for all purposes, shall be deemed to have withdrawn their business operations from any state or province in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action to effectuate such withdrawal, (b) shall be deemed to have cancelled pursuant to this Plan all Interests, and (c) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. Any funds remaining in the Debtors at the time of dissolution shall be transferred to the Creditor Recovery Trust, subject to any reversionary interests of the Kelly Hamilton DIP Lender in the Fee Escrow solely to the extent that the Bankruptcy Court determines that the Kelly Hamilton DIP Facility has not been indefeasibly repaid in full in Cash or otherwise satisfied in full by the Kelly Hamilton Sale Transaction.

*D. Creditor Recovery Trust.*

1. **Establishment of the Creditor Recovery Trust**.

On or before the Effective Date, the Creditor Recovery Trust Agreement shall be executed, and all other necessary steps shall be taken to create the Creditor Recovery Trust. On the Effective Date, the Creditor Recovery Trust shall be automatically appointed as a representative of the Debtors' Estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code. From and after the Effective Date, the Creditor Recovery Trust shall succeed to all rights, privileges, and powers of the Debtors and their Estates with respect to the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action. The Creditor Recovery Trust shall be substituted and will replace the Debtors and their Estates in all Creditor Recovery Trust Causes of Action and Insurance Causes of Action, whether or not such claims are pending in filed litigation.

2. **Certain Tax Matters Related to the Creditor Recovery Trust**.

The Creditor Recovery Trust shall be established to liquidate the Creditor Recovery Trust Assets and make distributions in accordance with the Plan, Confirmation Order, and Creditor Recovery Trust Agreement, and in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Creditor Recovery Trust. The Creditor Recovery Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, and thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Internal Revenue Code. Accordingly, the beneficiaries of the Creditor Recovery Trust shall be treated for U.S. federal income tax purposes (1) as direct recipients of undivided interests in the respective claims each has that constitute the Creditor Recovery Trust Assets (other than to the extent the Creditor Recovery Trust Assets are allocable to Disputed Claims) and as having immediately contributed such assets to the Creditor Recovery Trust, and (2) thereafter, as the grantors and deemed owners of the Creditor Recovery Trust and thus, the direct owners of an undivided interest in the Creditor Recovery Trust Assets (other than such Creditor Recovery Trust Assets that are allocable to Disputed Claims).

The Creditor Recovery Trustee shall file tax returns for the Creditor Recovery Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a) and in accordance with the Plan. The Creditor Recovery Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items in respect of any assets allocable to, or retained on account of, Disputed Claims) will be allocated to each holder in accordance with their relative ownership of Creditor Recovery Trust interests. As soon as possible after the Effective Date, the Creditor Recovery Trustee shall make a good faith valuation of the Creditor Recovery Trust Assets and such valuation shall be used consistently by all parties for all U.S. federal income tax purposes. The Creditor Recovery Trustee may request an expedited determination of taxes on the Creditor Recovery Trust under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Creditor Recovery Trust for all taxable periods through the dissolution of the Creditor Recovery Trust. The Creditor Recovery Trustee (1) may timely elect to treat any Creditor Recovery Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulations Section 1.468B-9 if and to the extent the Creditor Recovery Trustee determines such assets so qualify, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including the Creditor Recovery Trustee and the holders of Creditor Recovery Trust interests) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing. The Creditor Recovery Trustee shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto.

3. **Purpose of the Creditor Recovery Trust**.

The Creditor Recovery Trust shall have the exclusive power and authority to, among other things, in accordance with the Creditor Recovery Trust Agreement: (i) hold, manage, protect and monetize Creditor Recovery Trust Assets; (ii) commence, prosecute, and settle all Creditor Recovery Trust Causes of Action; and (iii) perform all actions and execute all agreements, instruments and other documents necessary to effectuate the purpose of the Creditor Recovery Trust and carry out the provisions of the Plan relating to the Creditor Recovery Trust. Following the establishment of the Creditor Recovery Trust, no Person or Entity shall have the right under the Bankruptcy Code or applicable non-bankruptcy law to obtain standing on behalf of any Debtor, any Debtor's Estate, or the Creditor Recovery Trust to take any action, or fail to take any action, with respect to any matter directly or indirectly involving the Creditor Recovery Trust (including the right to obtain standing to pursue any Creditor Recovery Trust Causes of Action, any Avoidance Action, or any Causes of Action).

4. **Funding of the Creditor Recovery Trust**.

On the Effective Date, the Creditor Recovery Trust shall be funded with the Creditor Recovery Trust Assets. Notwithstanding anything to the contrary in the Plan, the Creditor Recovery Trustee may, in its reasonable discretion, without approval by the Bankruptcy Court but subject to approval from the Advisory Committee, (i) enter into any financing arrangement to fund the Creditor Recovery Trust (including funding provided by litigation finance parties), or (ii) enter into an engagement letter on behalf of the Creditor Recovery Trust with an attorney, law firm, or other professional pursuant to which the Creditor Recovery Trust will retain such attorney, law firm, or other professional to pursue the Creditor Recovery Trust Causes of Action on a contingency or special-fee-award basis.

5. **Privileged Information of the Creditor Recovery Trust**.

On the Effective Date, any attorney-client privilege, work-product privilege, common-interest communications with Insurance Companies, protection or privilege granted by joint defense, common interest, and/or other privilege or immunity of the Debtors relating, in whole or in part, to the Crown Capital Unsecured Claims, the RH New Orleans Unsecured Claims, the CBRM Unsecured Claims, the Creditor Recovery Trust Assets (including the Creditor Recovery Trust Causes of Action), or the Insurance Causes of Actions shall be irrevocably transferred to and vested in the Creditor Recovery Trust. The Creditor Recovery Trust shall have the same rights as the Debtors in Privileged Information relating to the Crown Capital Unsecured Claims, the RH New Orleans Unsecured Claims, the CBRM Unsecured Claims and the Creditor Recovery Trust Assets. The Creditor Recovery Trust's rights in the Privileged Information will remain subject to the rights of third parties under applicable law, including any rights arising from the common interest doctrine, the joint defense doctrine, joint attorney-client representation, or any agreement; *provided*, *however*, that prior to taking any action that could affect any privilege in which a third party may have rights, the Creditor Recovery Trust shall provide such third party with reasonable written notice.

6. **Creditor Recovery Trustee**.

The Creditor Recovery Trust shall be governed exclusively by the Creditor Recovery Trustee. The powers and duties of the Creditor Recovery Trustee shall include, but shall not be limited to, those powers, duties and responsibilities vested in the Creditor Recovery Trustee pursuant to the terms of the Creditor Recovery Trust Agreement, and shall include the authority to: (a) hold, manage, protect, and monetize the Creditor Recovery Trust Assets; (b) carry out the provisions of the Plan relating to the Creditor Recovery Trust, including commencing, prosecuting, and settling all Creditor Recovery Trust Causes of Action and Insurance Causes of Action; and (c) perform all actions and execute all agreements, instruments and other documents necessary to effectuate the purpose of the Creditor Recovery Trust. The preceding list of powers, duties, and responsibilities of the Creditor Recovery Trustee is non-exclusive and the powers, rights and responsibilities of the Creditor Recovery Trustee shall be further specified in the Creditor Recovery Trust Agreement.

7. **Creditor Recovery Trust Advisory Committee**.

On the Effective Date and pursuant to the Creditor Recovery Trust Agreement, the Advisory Committee (as defined in the Creditor Recovery Trust Agreement) shall be established. The Advisory Committee shall serve in a fiduciary capacity in the administration of the Creditor Recovery Trust and have such rights of with respect to oversight, approval, consultation and consent as set forth in the Creditor Recovery Trust Agreement. The members of the Advisory Committee shall be entitled to compensation for their services in an amount to be agreed by, if prior to the Confirmation Hearing, the Debtors, or if on or after the Effective Date, the Creditor Recovery Trustee.

8. **Vesting of the Creditor Recovery Trust Assets**.

As of the Effective Date, the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action, shall vest in the Creditor Recovery Trust, free and clear of all Liens, Claims, Encumbrances, charges or other interests to the extent permitted by section 1141 of the Bankruptcy Code. Notwithstanding anything herein to the contrary, the transfer of the Creditor Recovery Trust Assets to the Creditor Recovery Trust shall not diminish, and fully preserves, any defenses the Debtors would have if such assets had been retained by the Debtors. The Creditor Recovery Trust and the Creditor Recovery Trustee, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce the Creditor Recovery Trust Causes of Action vested, transferred, or assigned to such entity on behalf of both the Creditor Recovery Trust. The Creditor Recovery Trust or the Creditor Recovery Trustee, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Creditor Recovery Trust Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt,

subject to the provisions of this Plan, the Creditor Recovery Trust Assets will not be deemed property of the Debtors or their Estates and the Creditor Recovery Trust shall not be deemed to be a successor of the Debtors for purposes of any Distribution made by the Creditor Recovery Trust.

9. **Abandonment of the Abandoned Entities**

United Jersey Bank*, 848 F.2d 414 (3d Cir. 1988) such that no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), shall apply to prevent the Creditor Recovery Trust or the Wind-Down Officer from initiating, filing, prosecuting, enforcing, abandoning, settling, compromising, releasing, withdrawing, or litigating to judgment any such Causes of Action.

*E. Cancellation of Securities and Agreements.*

On the Effective Date, except to the extent otherwise provided in the Plan, all notes, instruments, certificates, and other documents evidencing, or in any way related to, Claims or Interests shall be canceled as against the Debtors and each Released Party and the obligations of the Debtors thereunder or in any way related thereto shall be released, settled, and compromised.

*F. Corporate Action.*

Notwithstanding any requirements under applicable nonbankruptcy law, upon the Effective Date, all actions contemplated by the Plan shall be deemed authorized and approved in all respects, including the implementation of the Restructuring Transactions and the Kelly Hamilton Sale Transaction. All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by any Person or Entity or any further notice to or action, order, or approval of the Bankruptcy Court.

On and after the Effective Date, the Debtors and their directors, managers, partners, officers, authorized persons, and members thereof (including the Independent Fiduciary) are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the securities issued pursuant to the Plan in the name of and on behalf of the Debtors, without the need for any approvals, authorizations, or consents, except for those expressly required pursuant to the Plan, or any further notice to or action, order, or approval of the Bankruptcy Court.

*G. Independent Fiduciary.*

As of the Effective Date, notwithstanding any agreement, proxy, resolution, shareholders' agreement, or other document to the contrary, the Creditor Recovery Trust shall own the CBRM Interests and shall have the sole authority and power to control the corporate governance actions of CBRM; *provided, however*, that, except as provided in the Crown Capital Plan, the foregoing shall not affect nor be deemed to affect the corporate governance actions or other actions of Crown Capital, which shall, under the sole and exclusive direction of the Independent Fiduciary, have the authority to act on behalf of any Entity directly or indirectly owned by Crown Capital, including each

Entity identified on Schedule 1 attached hereto, in each case under the sole and exclusive authority of the Independent Fiduciary.

*H. Exemption from Certain Taxes and Fees*.

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property or any Interests pursuant to the Plan, including the Kelly Hamilton Sale Transaction, the recording of any amendments to such transfers, or any new mortgages or liens placed on the property in connection with such transfers, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, registration tax, mortgage tax, stamp act, real estate, transfer tax, mortgage recording tax, or other similar tax, fees, charges, or governmental assessment (including any penalties and interest), and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment to the maximum extent covered by section 1146 of the Bankruptcy Code.

*I. Preservation of Rights of Action*.

On the Effective Date, (i) the Creditor Recovery Trust Causes of Action shall vest in the Creditor Recovery Trust in accordance with the Creditor Recovery Trust Agreement, and (ii) the Wind-Down Retained Causes of Action shall vest in the post-Effective Date Debtors under the authority of the Wind-Down Officer, in each case free and clear of all Claims, Liens, Encumbrances and other interests. The Creditor Recovery Trust Causes of Action shall become Creditor Recovery Trust Assets and the Wind-Down Retained Causes of Action shall become Wind-Down Assets. On and after the Effective Date, the Creditor Recovery Trustee shall have sole and exclusive discretion to pursue and dispose of the Creditor Recovery Trust Causes of Action and the Wind-Down Officer shall have sole and exclusive discretion to pursue the Wind-Down Retained Causes of Action. No Person or Entity may rely on the absence of a specific reference in the Plan or Disclosure Statement as to any Cause of Action as any indication that the Debtor, and on and after the Effective Date, the Creditor Recovery Trustee, or Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation. Prior to the Effective Date, the Debtors and, on and after the Effective Date, the Creditor Recovery Trustee, subject to the oversight, approval, consultation and consent of the Advisory Committee as set forth in the Creditor Recovery Trust Agreement, and the Wind-Down Officer, as applicable, shall retain and shall have, through their authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

**No Person or Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Creditor Recovery Trustee or the Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action**. Unless and until any such Causes of Action against any Person or Entity are expressly waived, relinquished, exculpated, released, compromised, or assigned, or settled under the Plan or a Final Order, the Creditor Recovery Trustee and Wind-Down Officer, as applicable, expressly reserve all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

*J. Election to Contribute Claims.*

Because aggregating all Contributed Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its Ballot, to contribute its Contributed Claims to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of Contributing Claimants. Rather, as provided in the Creditor Recovery Trust Agreement, any value attributable to such Contributed Claims will be segregated and only available for disbursement to those Holders that elected to contribute such Claims. By electing such option on its Ballot, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the appointment of the Creditor Recovery Trustee, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Claims to the Creditor Recovery Trust, and (ii) to have agreed to execute any documents reasonably requested by the Creditor Recovery Trustee to memorialize and effectuate such contribution.

*K. Contribution of Contributed Claims.*

On the Effective Date, all Contributed Claims will be irrevocably contributed to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of the ~~Holders of Claims entitled to receive the Distributable Value of the Creditor Recovery Trust and shall thereafter be Creditor Recovery Trust Assets for all purposes~~Contributing Claimants. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Creditor Recovery Trust Agreement, the Plan Supplement, or any other document as any indication that the Creditor Recovery Trustee will or will not pursue any and all available Contributed Claims against such Person. The Creditor Recovery Trustee shall have, retain, reserve, and be entitled to assert all Contributed Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Claims shall not include the rights of any of the Contributing Claimants to receive the Distributions under the Plan on account of their Claims or Interests and shall not include any claims that cannot be assigned under applicable law.

*L. Funding of Creditor Recovery Trust Amount.*

On the Effective Date, the Creditor Recovery Trust Amount shall be funded in Cash.

*M. CBRM-Crown Capital Intercompany Settlement.*

In full settlement of any Intercompany Claims arising in connection with the proceeds of the Kelly Hamilton DIP Facility being used to fund the restructuring of Debtor CBRM pursuant to this Plan, (1) any Claims and Causes of Action held by CBRM shall constitute Creditor Recovery Trust Causes of Action, and (2) CBRM agrees that the Wind-Down Officer shall have the sole authority to wind down, dissolve, and liquidate its Estate and the Creditor Recovery Trustee shall have the sole authority to effectuate Distributions to the Holders of CBRM Unsecured Claims to the extent the Holders of Crown Capital Unsecured Claims receive payment in full.

*A. Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases (including all Executory Contracts and Unexpired Leases identified on the Rejected Executory Contract and Unexpired Lease List) will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that previously were assumed or rejected by the Debtors or those that are subject to a pending motion to assume or assign such Executory Contract or Unexpired Lease. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections.

*B. Claims Based on Rejection of Executory Contracts and Unexpired Leases.*

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after entry of the Confirmation Order. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to this Plan not filed within such time shall be disallowed, forever barred, estopped, and enjoined from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, or property thereof, without the need for any objection by the Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged.** All Allowed Claims arising from the rejection of any Executory Contracts or Unexpired Leases shall constitute and be treated as Unsecured Claims. Nothing herein shall constitute an extension of any Claims Bar Date otherwise applicable to a Claim arising from an Executory Contract or Unexpired Lease that was previously rejected by the Debtors.

*C. Treatment of Insurance Policies.*

Notwithstanding anything to the contrary herein, each of the Insurance Policies and any agreements, documents, or instruments relating thereto issued to or entered into by the Debtors prior to the Petition Date shall not be considered Executory Contracts and shall neither be assumed nor rejected by the Debtors; *provided*, *however*, that to the extent any such Insurance Policy is determined by Final Order to be an Executory Contract, then, notwithstanding anything contained in the Plan to the contrary, the Plan will constitute a motion to assume such Insurance Policy and assign the same to the Creditor Recovery Trust. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order will constitute approval of such assumption and assignment pursuant to section 365 of the Bankruptcy Code. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Insurance Policy, and prior payments for premiums or other charges made prior to the Petition Date under or with respect to any Insurance Policy shall be indefeasible.

*D. Effect of Confirmation on D&O Liability Insurance Policies.*

From and after the Effective Date, the D&O Liability Insurance Policies shall remain in place on terms for coverage and amounts no less favorable than the Debtors' current directors' and officers' insurance policies. ~~The~~From and after the Effective Date, the D&O Liability Insurance Policies shall be ~~Creditor Recovery Trust Assets and shall be~~ maintained for the benefit of the beneficiaries thereunder~~. The Debtors~~ and shall not be transferred to the Creditor Recovery Trust nor become Creditor Recovery Trust Assets. The Debtors shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, and ~~any current and former directors, officers, managers, and employees of the Debtors and their Affiliates who served in such capacity at any time before or after the Effective Date~~the Independent Fiduciary shall be entitled to the full benefits of any such policy or policies for the full term of such policy or policies~~ regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date~~.

## ARTICLE VI
## PROVISIONS GOVERNING DISTRIBUTIONS

*A. Timing and Calculation of Amounts to Be Distributed.*

Except as (1) otherwise provided herein, (2) directed by a Final Order, or (3) as otherwise agreed to by the Debtors or the Wind-Down Officer, as the case may be, and the Holder of the applicable Claim, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date,

on the next Distribution Date after such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

*B. Distribution Agent*.

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan and the Plan Supplement; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan and the Plan Supplement, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan and the Plan Supplement.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by the Distribution Agent shall be paid in Cash by the Wind-Down Officer from the Wind-Down Account.

*C. Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

Except as otherwise provided herein, the Distribution Agent shall make all distributions required under the Plan. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be paid from the Wind-Down Account.

In the event that either (a) a distribution to any Holder is returned as undeliverable, (b) the Holder of an Allowed Claim does not respond in writing to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution within sixty (60) days or otherwise complete the actions necessary to facilitate a distribution as identified to the Holder within ninety (90) days of the Distribution Agent's request, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is six months after (a) the date of the distribution, if a distribution is made, or (b) the date that a request for information or action is sent by the Distribution Agent. After such date, all unclaimed property or interests in property shall revert to the Creditor Recovery Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall be released and forever barred.

*D. Claims Payable by Third Parties*.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any

applicable insurance policy, including any D&O Liability Insurance Policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

*E. Distributions to Unsecured Claims.*

Notwithstanding anything to the contrary herein, all CBRM Unsecured Claims shall be administered by the Creditor Recovery Trust pursuant to and in accordance with the Creditor Recovery Trust Agreement.

*F. Allocation Between Principal and Accrued Interest*

Except as otherwise provided herein, the aggregate consideration paid to Holders on account of their Allowed Claims pursuant to the Plan shall be treated as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim, if any.

## PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

For the avoidance of doubt, the Creditor Recovery Trustee shall have the right to object to and otherwise reconcile any and all Claims that seek recovery from the Creditor Recovery Trust other than Professional Fee Claims and fees of the Independent Fiduciary. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

No payment or distribution provided under the Plan shall be made on account of a Disputed Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

*B. Automatic Disallowance and Expungement of Certain Claims.*

On the Effective Date, all Claims Filed after the Claims Bar Date that were required to be Filed in advance of the Claims Bar Date under its terms shall be expunged and disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

*C. Distributions After Allowance.*

To the extent a Disputed Claim ultimately becomes an Allowed Claim, as soon as practicable, the Debtors shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous Distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim.

## ARTICLE VIII
## SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

*A. Settlement, Compromise, and Release of Claims and Interests.*

1. **Appointment of the Creditor Recovery Trust**.

On the Effective Date, the Creditor Recovery Trust shall be automatically appointed as a representative of the Debtors' Estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code. From and after the Effective Date, the Creditor Recovery Trust shall succeed to all rights, privileges, and powers of the Debtors and their Estates with respect to the NOLA Debtor Contributed Creditor Recovery Trust Assets transferred to the Creditor Recovery Trust, which NOLA Debtor Contributed Creditor Recovery Trust Assets shall, upon such transfer, become Creditor Recovery Trust Assets (as defined in the CBRM Plan); *provided, however*, that the transfer of the NOLA Debtor Contributed Creditor Recovery Trust Assets to the Creditor Recovery Trust shall not (i) affect nor be deemed to affect the corporate governance actions or other actions of Crown Capital nor (ii) divest the Independent Fiduciary of her control of Crown Capital and any Entity directly or indirectly owned by Crown Capital. The Creditor Recovery Trust shall be substituted and will replace the Debtors and their Estates in all NOLA Debtor Contributed Creditor Recovery Trust Causes of Action and NOLA Debtor Contributed Insurance Causes of Action, whether or not such claims are pending in filed litigation. The Creditor Recovery Trust shall operate as set forth in and be subject to the tax provisions of the CBRM Plan.

2. **Vesting of the Creditor Recovery Trust Assets**.

As of the Effective Date, the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action, shall vest in the Creditor Recovery Trust, free and clear of all Liens, Claims, Encumbrances, charges or other interests to the extent permitted by section 1141 of the Bankruptcy Code; *provided, however*, that the Crown Capital Interests shall remain subject to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. unless otherwise ordered by the Bankruptcy Court pursuant to a Final Order or agreed to by Spano Investor LLC; *provided, further, however*, that Spano Investor LLC shall not directly or indirectly seek to exercise any legal, equitable, or other rights against such Crown Capital Interests or other assets of any Debtor or subsidiary of any Debtor that may constitute collateral of Spano Investor LLC with respect to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. pending further order of the Bankruptcy Court or a Final Order of the Bankruptcy Court in the Spano Adversary Proceeding; *provided, further, however*, that notwithstanding the foregoing, nothing in this Plan shall limit or affect Spano Investor LLC's rights to enforce its prepetition judgment and exercise any remedies against non-Debtors Fox Capital LLC, CBCC 1 LLC, CBCC 2 LLC, CBCC 3 LLC, CBCC 4 LLC, CBCC 5 LLC, Westwood Jackson Apts MM LLC, or Westwood Jackson Apts LLC, or any assets of such non-Debtor entities.

For the avoidance of doubt, subject to the provisions of this Plan, the Creditor Recovery Trust Assets will not be deemed property of the Debtors or their Estates and the Creditor Recovery Trust shall not be deemed to be a successor of the Debtors for purposes of any Distribution made by the Creditor Recovery Trust.

3. **Creditor Recovery Trust Executory Contracts**.

On the Effective Date, the Creditor Recovery Trust Executory Contracts shall be deemed assumed by the Debtors and assigned to the Creditor Recovery Trust in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving such assumption and assignment. Except as otherwise set forth herein, the assumption and assignment of a Creditor Recovery Trust Executory Contract pursuant to the Plan shall be effective as of the Effective Date. Any monetary defaults under each Creditor Recovery Trust Executory Contract to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount in Cash by the Creditor Recovery Trust.

Except as otherwise provided in the Plan, the Debtors shall, on or before the date of filing of the Plan Supplement, cause the Cure and Assumption Notices to be served on counterparties to Creditor Recovery Trust Executory Contracts to be assumed and assigned pursuant to the Plan. Any objection by a non-Debtor counterparty to an Creditor Recovery Trust Executory Contract to the assumption and assignment, the related Cure Amount, or adequate assurance must be filed, served, and actually received by the Debtors on or prior to the deadline for filing objections to the Plan (or such later date as may be provided in the applicable Cure and Assumption Notice); *provided* that each counterparty to a Creditor Recovery Trust Executory Contract (a) that the Debtors later determine to assume and assign or (b) as to which the Debtors modify the applicable Cure Amount, must object to the assumption and assignment or Cure Amount, as applicable, by the earlier of: (i) fourteen (14) days after the Debtors serve such counterparty with a corresponding Cure and Assumption Notice; and (ii) the Confirmation Hearing.

Any counterparty to a Creditor Recovery Trust Executory Contract that fails to timely object to the proposed assumption of any Creditor Recovery Trust Executory Contract shall be forever barred, estopped, and enjoined from contesting the Debtors' assumption and assignment of the applicable Creditor Recovery Trust Executory Contract and from requesting payment of a Cure Amount that differs from the amount paid or proposed to be paid by the Creditor Recovery Trust, without the need for any objection by the Creditor Recovery Trust or any further notice to or action, order, or approval of the Bankruptcy Court. The Creditor Recovery Trust may settle any dispute regarding a Cure Amount without any further notice to or action, order, or approval of the Bankruptcy Court.

To the maximum extent permitted by law, to the extent any provision in any Creditor Recovery Trust Executory Contract assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or would be deemed breached by, the assumption and assignment of such Creditor Recovery Trust Executory Contract (including any change of control or similar provision), then such provision shall be deemed pre-empted and modified such that neither the Debtors' assumption and assignment of the Creditor Recovery Trust Executory Contract nor any of the transactions contemplated by the Plan shall entitle the non-Debtor counterparty to terminate or modify such Creditor Recovery Trust Executory Contract or to exercise any other purported default-related rights thereunder.

The Debtors' assumption and assignment of any Creditor Recovery Trust Executory Contract pursuant to the Plan or otherwise, and payment of any applicable Cure Amount in accordance with the procedures set forth in this Article IV.D, shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed and assigned Creditor Recovery Trust Executory Contract at any time prior to the effective date of assumption and assignment.

In the event of a timely filed objection regarding: (1) a Cure Amount; (2) the ability of the Creditor Recovery Trust or any assignee to provide adequate assurance of future performance within the meaning of section 365 of the Bankruptcy Code under the Creditor Recovery Trust Executory Contract to be assumed and assigned; or (3) any other matter pertaining to assumption and assignment or the requirements of section 365(b)(1) of the Bankruptcy Code, such dispute shall be resolved by a

Final Order of the Bankruptcy Court (which may be the Confirmation Order) or as may be agreed upon by the Creditor Recovery Trust and the counterparty to the Creditor Recovery Trust Executory Contract. The Creditor Recovery Trust shall pay the applicable Cure Amount as soon as reasonably practicable after entry of a Final Order resolving such dispute and approving such assumption and assignment, or as may otherwise be agreed upon by the Creditor Recovery Trust and the counterparty to the Creditor Recovery Trust Executory Contract. To the extent that a dispute regarding the applicable Cure Amount is resolved or determined unfavorably to the Creditor Recovery Trust, the Creditor Recovery Trust may, in its discretion, reject the applicable Creditor Recovery Trust Executory Contract after such determination, which rejection shall supersede, nullify, and render of no force or effect any earlier assumption and assignment. Under no circumstances shall the status of payment of a Cure Amount required by section 365(b)(1) of the Bankruptcy Code following the entry of a Final Order resolving the dispute and approving the assumption and assignment prevent or delay implementation of the Plan or the occurrence of the Effective Date.

*E. Cancellation of Securities and Agreements*.

On the Effective Date, except to the extent otherwise provided in the Plan, all notes, instruments, certificates, and other documents evidencing, or in any way related to, Claims or Interests shall be canceled as against the Debtors and each Released Party and the obligations of the Debtors thereunder or in any way related thereto shall be released, settled, and compromised.

*F. Corporate Action.*

Notwithstanding any requirements under applicable nonbankruptcy law, upon the Effective Date, all actions contemplated by the Plan shall be deemed authorized and approved in all respects, including the implementation of the Restructuring Transactions and, to the extent not approved pursuant to a Sale Order, the NOLA Sale Transaction. All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by any Person or Entity or any further notice to or action, order, or approval of the Bankruptcy Court.

On and after the Effective Date, the Debtors and their directors, managers, partners, officers, authorized persons, and members thereof (including the Independent Fiduciary) are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the securities issued pursuant to the Plan in the name of and on behalf of the Debtors, without the need for any approvals, authorizations, or consents, except for those expressly required pursuant to the Plan, or any further notice to or action, order, or approval of the Bankruptcy Court.

*G. Independent Fiduciary*.

As of the Effective Date, notwithstanding any agreement, proxy, resolution, shareholders' agreement, or other document to the contrary or the transfer of the Crown Capital Interests to the Creditor Recovery Trust, the Independent Fiduciary shall have the sole authority and power to control the corporate governance actions of Crown Capital and any Entity directly or indirectly owned by Crown Capital.

*H. Exemption from Certain Taxes and Fees*.

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property or any Interests, including the Transferred Subsidiaries, pursuant to the Plan, including, to the extent applicable, the NOLA Sale Transaction, the recording of any amendments to such transfers, or any new mortgages or liens placed on the property in connection with such transfers, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, registration tax, mortgage tax, stamp act, real estate, transfer tax, mortgage recording tax, or other similar tax, fees, charges, or

governmental assessment (including any penalties and interest), and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment to the maximum extent covered by section 1146 of the Bankruptcy Code.

*I. Preservation of Rights of Action*.

On the Effective Date, (i) the NOLA Debtor Contributed Creditor Recovery Trust Causes of Action shall vest in the Creditor Recovery Trust, and (ii) the Wind-Down Retained Causes of Action shall vest in the post-Effective Date Debtors under the authority of the Wind-Down Officer, in each case free and clear of all Claims, Liens, Encumbrances and other interests. The NOLA Debtor Contributed Creditor Recovery Trust Causes of Action shall be transferred to the Creditor Recovery Trust and shall, upon such transfer, become Creditor Recovery Trust Assets (as defined in the CBRM Plan) and the Wind-Down Retained Causes of Action shall become Wind-Down Assets. On and after the Effective Date, the Creditor Recovery Trustee shall have sole and exclusive discretion to pursue and dispose of the Creditor Recovery Trust Causes of Action (including the NOLA Debtor Contributed Creditor Recovery Trust Causes of Action) and the Wind-Down Officer shall have sole and exclusive discretion to pursue the Wind-Down Retained Causes of Action. No Person or Entity may rely on the absence of a specific reference in the Plan or Disclosure Statement as to any Cause of Action as any indication that the Debtor, and on and after the Effective Date, the Creditor Recovery Trustee, or Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation. Prior to the Effective Date, the Debtors and, on and after the Effective Date, the Creditor Recovery Trustee, subject to the oversight, approval, consultation and consent of the Advisory Committee as set forth in the Creditor Recovery Trust Agreement, and the Wind-Down Officer, as applicable, shall retain and shall have, through their authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

**No Person or Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Creditor Recovery Trustee or the Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action**. Unless and until any such Causes of Action against any Person or Entity are expressly waived, relinquished, exculpated, released, compromised, or assigned, or settled under the Plan or a Final Order, the Creditor Recovery Trustee and Wind-Down Officer, as applicable, expressly reserve all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

*J. Election to Contribute Claims.*

Because aggregating all Contributed Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its Ballot, to contribute its Contributed Claims to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of Contributing Claimants. Rather, as provided in the Creditor Recovery Trust Agreement, any value attributable to such Contributed Claims will be segregated and only available for disbursement to those Holders that elected to contribute such Claims. By electing such option on its Ballot, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the appointment of the Creditor Recovery Trustee, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Claims to the Creditor Recovery Trust,

and (ii) to have agreed to execute any documents reasonably requested by the Creditor Recovery Trustee to memorialize and effectuate such contribution.

*K. Contribution of Contributed Claims.*

On the Effective Date, all Contributed Claims will be irrevocably contributed to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of Contributing Claimants. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Creditor Recovery Trust Agreement, the Plan Supplement, or any other document as any indication that the Creditor Recovery Trustee will or will not pursue any and all available Contributed Claims against such Person. The Creditor Recovery Trustee shall have, retain, reserve, and be entitled to assert all Contributed Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Claims shall not include the rights of any of the Contributing Claimants to receive the Distributions under the Plan on account of their Claims or Interests and shall not include any claims that cannot be assigned under applicable law.

## ARTICLE V
## TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

*A. Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases (including all Executory Contracts and Unexpired Leases identified on the Rejected Executory Contract and Unexpired Lease List) will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that previously were assumed or rejected by the Debtors or those that are subject to a pending motion to assume or assign such Executory Contract or Unexpired Lease. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections.

*B. Claims Based on Rejection of Executory Contracts and Unexpired Leases.*

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after entry of the Confirmation Order. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to this Plan not filed within such time shall be disallowed, forever barred, estopped, and enjoined from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, or property thereof, without the need for any objection by the Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged.** All Allowed Claims arising from the rejection of any Executory Contracts or Unexpired Leases shall constitute and be treated as Unsecured Claims. Nothing herein shall constitute an extension of any Claims Bar Date otherwise applicable to a Claim arising from an Executory Contract or Unexpired Lease that was previously rejected by the Debtors.

*C. Treatment of Insurance Policies.*

Notwithstanding anything to the contrary herein, each of the Insurance Policies and any agreements, documents, or instruments relating thereto issued to or entered into by the Debtors prior to the Petition Date shall not be considered Executory Contracts and shall neither be assumed nor rejected by the Debtors; *provided*, *however*, that to the extent any such Insurance Policy is determined by Final Order to be an Executory Contract, then, notwithstanding anything contained in the Plan to the contrary, the Plan will constitute a motion to assume such Insurance Policy and assign the same to the Creditor Recovery Trust. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order will constitute approval of such assumption and assignment pursuant to section 365 of the Bankruptcy

Code. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Insurance Policy, and prior payments for premiums or other charges made prior to the Petition Date under or with respect to any Insurance Policy shall be indefeasible.

*D. Effect of Confirmation on D&O Liability Insurance Policies.*

From and after the Effective Date, the D&O Liability Insurance Policies shall remain in place on terms for coverage and amounts no less favorable than the Debtors' current directors' and officers' insurance policies. From and after the Effective Date, the D&O Liability Insurance Policies shall be maintained for the benefit of the beneficiaries thereunder and shall not be transferred to the Creditor Recovery Trust nor become Creditor Recovery Trust Assets (as defined in the CBRM Plan). The Debtors shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, and the Independent Fiduciary shall be entitled to the full benefits of any such policy or policies for the full term of such policy or policies.

## ARTICLE VI
## PROVISIONS GOVERNING DISTRIBUTIONS

*A. Timing and Calculation of Amounts to Be Distributed.*

Except as (1) otherwise provided herein, (2) directed by a Final Order, or (3) as otherwise agreed to by the Debtors or the Wind-Down Officer, as the case may be, and the Holder of the applicable Claim, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

*B. Distribution Agent.*

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan and the Plan Supplement; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan and the Plan Supplement, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan and the Plan Supplement.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by the Distribution Agent shall be paid in Cash by the Wind-Down Officer from the Wind-Down Account.

*C. Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

Except as otherwise provided herein, the Distribution Agent shall make all distributions required under the Plan. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be paid from the Wind-Down Account.

In the event that either (a) a distribution to any Holder is returned as undeliverable, (b) the Holder of an Allowed Claim does not respond in writing to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution within sixty (60) days or otherwise complete the actions necessary to facilitate a distribution as identified to the Holder within ninety (90) days of the Distribution Agent's request, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is six months after (a) the date of the distribution, if a distribution is made, or (b) the date that a request for information or action is sent by the Distribution Agent. After such date, all unclaimed property or interests in property shall revert to the Creditor Recovery Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall be released and forever barred.

*D. Claims Payable by Third Parties*.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy, including any D&O Liability Insurance Policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

*E. Distributions to Unsecured Claims*.

Notwithstanding anything to the contrary herein, all Crown Capital Unsecured Claims and RH New Orleans Unsecured Claims shall be administered by the Creditor Recovery Trust pursuant to and in accordance with the Creditor Recovery Trust Agreement.

*F. Allocation Between Principal and Accrued Interest*

Except as otherwise provided herein, the aggregate consideration paid to Holders on account of their Allowed Claims pursuant to the Plan shall be treated as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim, if any.

## ARTICLE VII
## PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

*A. Allowance of Claims*.

After the Effective Date, the Wind-Down Officer and the Creditor Recovery Trustee shall have and shall retain any and all available rights and defenses the applicable Debtor had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code; *provided* that neither the Wind-Down Officer nor the Creditor Recovery Trustee shall have the right to object to any Professional Fee Claims or fees of the Independent Fiduciary. For the avoidance of doubt, the Creditor Recovery Trustee shall have the right to object to and otherwise reconcile any and all Claims that seek recovery from the Creditor Recovery Trust other than Professional Fee Claims and fees of the Independent Fiduciary. Except as expressly provided in the Plan or in any order entered in the Chapter

11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

No payment or distribution provided under the Plan shall be made on account of a Disputed Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

*B. Automatic Disallowance and Expungement of Certain Claims*.

On the Effective Date, all Claims Filed after the Claims Bar Date that were required to be Filed in advance of the Claims Bar Date under its terms shall be expunged and disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

*C. Distributions After Allowance*.

To the extent a Disputed Claim ultimately becomes an Allowed Claim, as soon as practicable, the Debtors shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous Distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim.

## ARTICLE VIII
## SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

*A. Settlement, Compromise, and Release of Claims and Interests*.

To the extent provided for by the Bankruptcy Code, and in consideration for the distributions and other benefits provided pursuant to the Plan, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by agents or representatives of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt, right, Claim, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately before or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date.

*B. Release of Liens.*

**Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estate shall be fully released, settled, and compromised.**

*C. Releases by the Debtors.*

**Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released by the Debtors and their Estates from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative Claims, asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that the Debtors or their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Chapter 11 Cases, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Restructuring Documents or related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date.**

*D. Releases by Holders of Claims and Interests.*

**As of the Effective Date, except as otherwise provided in the Plan, the Releasing Parties are deemed to have released the Debtors, their Estates, and the Released Parties from any and all Claims, Interests, obligations, rights, suits, damages, Causes of Action, remedies and liabilities whatsoever, including any direct Claims held by any of the Releasing Parties against the Debtors, their Estates, and/or the Released Parties or derivative Claims asserted on behalf of the Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, that each Releasing Party would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Affiliates, the Debtors' restructuring, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between the Debtors and any Released Party, the restructuring of Claims and Interests before or in the Chapter 11 Cases, the negotiation, formulation, or preparation of the Restructuring Documents, or related agreements, instruments, or other documents, or upon any other act or omission, transaction, agreement, event, or other occurrence relating to the Debtors taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, (1) the releases set forth above do not release any post-Effective Date obligations of any party under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan and (2) except as to any member of the Ad Hoc Group of Holders of Crown Capital Notes who opted to grant the releases contained in Article VIII.D of the Plan, the Ad Hoc Group of Holders of Crown Capital Notes and each of its members (whether or not any such member affirmatively voted to accept the Plan) shall not release nor be deemed to release any claim or cause of action that any such holders may hold against the Asset Manager or the Property Manager and such Entity's current and former subsidiaries, officers, directors, managers, principals, members, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals.**

*E. Exculpation.*

**Except as otherwise specifically provided in the Plan, each Debtor and each Exculpated Party is hereby released and exculpated from any Claim, obligation, Cause of Action, or liability for any Exculpated Claim, except for gross negligence or willful misconduct, but in all respects**

**each Debtor and each Exculpated Party shall be entitled to reasonably rely upon the advice of counsel with respect to its duties and responsibilities pursuant to the Plan. The Debtors, their Estates, the Independent Fiduciary, and the Debtors' professionals including White & Case LLP, IslandDundon LLC, Ken Rosen Advisors PC, and Kurtzman Carson Consultants, LLC dba Verita Global have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of the Plan and distributions pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.**

*F. Injunction*.

**Pursuant to section 362(c)(1) of the Bankruptcy Code, the automatic stay of an act against property of the Debtors' estates will continue until such property is no longer property of the Debtors' estates, and pursuant to section 362(c)(2) of the Bankruptcy Code, the stay of any other act described in section 362(a) of the Bankruptcy Code continues until the earlier of the closure or dismissal of these Chapter 11 Cases. *E.* ~~*D.*~~ *Subordinated Claims*.

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve the right to re-classify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

## ARTICLE IV
## MEANS FOR IMPLEMENTATION OF THE PLAN

*A. NOLA Sale Transaction, Restructuring Transactions, and Sources of Consideration for Plan Distributions.*

The Confirmation Order shall be deemed to authorize the Debtors, among other things, to take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including the Restructuring Transactions and, to the extent not approved pursuant to a Sale Order, the NOLA Sale Transaction. On and after the Effective Date, except as otherwise provided in the Plan, the Debtors or the NOLA Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Neither the NOLA Purchaser nor any of its Affiliates shall be deemed to be a successor to the Debtors.

2. **Payment of Sale Proceeds by NOLA Purchaser**.

To the extent the NOLA Sale Transaction is not approved pursuant to a Sale Order, on the Effective Date, the NOLA Purchaser shall pay to the Debtors the Sale Proceeds as and to the extent provided for in the NOLA Purchase Agreement.

3. **Restructuring Transactions**.

On the Effective Date, the Debtors and the NOLA Purchaser, to the extent applicable, shall implement the Restructuring Transactions. The actions to implement the Restructuring Transactions may include: (a) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or provincial law; and (d) all other actions that the Debtors or the NOLA Purchaser, to the extent applicable, determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law in connection with the Plan. Without limiting the foregoing, prior to the Effective Date, the Debtors, acting at the sole and exclusive direction of the Independent Fiduciary, shall have the right to establish a trust, special purpose vehicle, or other Entity to hold Crown Capital and any Entity directly or indirectly owned by Crown Capital.

*B. General Settlement of Claims.*

~~Pursuant to section 1123 of~~To the extent provided for by the Bankruptcy Code ~~and Bankruptcy Rule 9019~~, and in consideration for the classification, ~~distributions~~Distributions, releases,

and other benefits provided under the Plan, on the Effective Date, certain of the provisions of the Plan shall constitute a good-faith compromise and settlement of ~~all~~certain Claims, Interests, Causes of Action, and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan.

*C. Wind Down and Dissolution of the Debtors.*

1. **Appointment of the Wind-Down Officer**.

On the Effective Date, the Wind-Down Officer appointed under the CBRM Plan shall be appointed by the Debtors for the purpose of conducting the Wind-Down and shall have all powers, privileges, and responsibilities provided to the Wind-Down Officer under Article IV.C of the CBRM Plan with respect to these Debtors subject to the provisions of Article IV.A.3 and Article IV.G herein with respect to Crown Capital and any Entity directly or indirectly owned by Crown Capital.

2. **Termination of Wind-Down Officer's Duties; Dissolution of Debtors**.

Upon a certification to be Filed with the Bankruptcy Court by the Wind-Down Officer of all distributions having been made and completion of all its duties under the Plan and entry of a final decree closing the last of the Chapter 11 Cases, the Wind-Down Officer shall be discharged without any further action, including the filing of any documents with the secretary of state for the state in which the Debtors are formed or any other jurisdiction. Notwithstanding the foregoing, the Wind-Down Officer shall retain the authority to take all necessary actions to dissolve the Debtors in, and withdraw the Debtors from, applicable states and provinces to the extent required by applicable law, without the necessity for any other or further actions to be taken by or on behalf of such dissolving Entity or any payments to be made in connection therewith, other than the filing of a certificate of dissolution with the appropriate governmental authorities. Any funds remaining in the Debtors at the time of dissolution shall be transferred to the Creditor Recovery Trust, subject to any reversionary interests of the NOLA DIP Lender in the Fee Escrow solely to the extent that the Bankruptcy Court determines that the NOLA DIP Facility has not been indefeasibly repaid in full in Cash or otherwise satisfied in full by the NOLA Sale Transaction.

*D. Creditor Recovery Trust.*

1. **Appointment of the Creditor Recovery Trust**.

On the Effective Date, the Creditor Recovery Trust shall be automatically appointed as a representative of the Debtors' Estates pursuant to sections 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code. From and after the Effective Date, the Creditor Recovery Trust shall succeed to all rights, privileges, and powers of the Debtors and their Estates with respect to the NOLA Debtor Contributed Creditor Recovery Trust Assets transferred to the Creditor Recovery Trust, which NOLA Debtor Contributed Creditor Recovery Trust Assets shall, upon such transfer, become Creditor Recovery Trust Assets (as defined in the CBRM Plan); *provided, however*, that the transfer of the NOLA Debtor Contributed Creditor Recovery Trust Assets to the Creditor Recovery Trust shall not (i) affect nor be deemed to affect the corporate governance actions or other actions of Crown Capital nor (ii) divest the Independent Fiduciary of her control of Crown Capital and any Entity directly or indirectly owned by Crown Capital. The Creditor Recovery Trust shall be substituted and will replace the Debtors and their Estates in all NOLA Debtor Contributed Creditor Recovery Trust Causes of Action and NOLA Debtor Contributed Insurance Causes of Action, whether or not such claims are pending in filed litigation. The Creditor Recovery Trust shall operate as set forth in and be subject to the tax provisions of the CBRM Plan.

2. **Vesting of the Creditor Recovery Trust Assets**.

As of the Effective Date, the Creditor Recovery Trust Assets, including the Creditor Recovery Trust Causes of Action, shall vest in the Creditor Recovery Trust, free and clear of all Liens, Claims, Encumbrances, charges or other interests to the extent permitted by section 1141 of the Bankruptcy Code; *provided, however*, that the Crown Capital Interests shall remain subject to the

alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. unless otherwise ordered by the Bankruptcy Court pursuant to a Final Order or agreed to by Spano Investor LLC; *provided, further, however*, that Spano Investor LLC shall not directly or indirectly seek to exercise any legal, equitable, or other rights against such Crown Capital Interests or other assets of any Debtor or subsidiary of any Debtor that may constitute collateral of Spano Investor LLC with respect to the alleged lien arising from the prepetition judgment, levy and property execution of Spano Investor LLC against CBRM Realty Inc. pending further order of the Bankruptcy Court or a Final Order of the Bankruptcy Court in the Spano Adversary Proceeding; *provided, further, however*, that notwithstanding the foregoing, nothing in this Plan shall limit or affect Spano Investor LLC's rights to enforce its prepetition judgment and exercise any remedies against non-Debtors Fox Capital LLC, CBCC 1 LLC, CBCC 2 LLC, CBCC 3 LLC, CBCC 4 LLC, CBCC 5 LLC, Westwood Jackson Apts MM LLC, or Westwood Jackson Apts LLC, or any assets of such non-Debtor entities.

For the avoidance of doubt, subject to the provisions of this Plan, the Creditor Recovery Trust Assets will not be deemed property of the Debtors or their Estates and the Creditor Recovery Trust shall not be deemed to be a successor of the Debtors for purposes of any Distribution made by the Creditor Recovery Trust.

3. ~~2.~~ **Creditor Recovery Trust Executory Contracts**.

On the Effective Date, the Creditor Recovery Trust Executory Contracts shall be deemed assumed by the Debtors and assigned to the Creditor Recovery Trust in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code. Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving such assumption and assignment. Except as otherwise set forth herein, the assumption and assignment of a Creditor Recovery Trust Executory Contract pursuant to the Plan shall be effective as of the Effective Date. Any monetary defaults under each Creditor Recovery Trust Executory Contract to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Amount in Cash by the Creditor Recovery Trust.

Except as otherwise provided in the Plan, the Debtors shall, on or before the date of filing of the Plan Supplement, cause the Cure and Assumption Notices to be served on counterparties to Creditor Recovery Trust Executory Contracts to be assumed and assigned pursuant to the Plan. Any objection by a non-Debtor counterparty to an Creditor Recovery Trust Executory Contract to the assumption and assignment, the related Cure Amount, or adequate assurance must be filed, served, and actually received by the Debtors on or prior to the deadline for filing objections to the Plan (or such later date as may be provided in the applicable Cure and Assumption Notice); *provided* that each counterparty to a Creditor Recovery Trust Executory Contract (a) that the Debtors later determine to assume and assign or (b) as to which the Debtors modify the applicable Cure Amount, must object to the assumption and assignment or Cure Amount, as applicable, by the earlier of: (i) fourteen (14) days after the Debtors serve such counterparty with a corresponding Cure and Assumption Notice; and (ii) the Confirmation Hearing.

Any counterparty to a Creditor Recovery Trust Executory Contract that fails to timely object to the proposed assumption of any Creditor Recovery Trust Executory Contract shall be forever barred, estopped, and enjoined from contesting the Debtors' assumption and assignment of the applicable Creditor Recovery Trust Executory Contract and from requesting payment of a Cure Amount that differs from the amount paid or proposed to be paid by the Creditor Recovery Trust, without the need for any objection by the Creditor Recovery Trust or any further notice to or action, order, or approval of the Bankruptcy Court. The Creditor Recovery Trust may settle any dispute regarding a Cure Amount without any further notice to or action, order, or approval of the Bankruptcy Court.

To the maximum extent permitted by law, to the extent any provision in any Creditor Recovery Trust Executory Contract assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or would be deemed breached by, the assumption and

assignment of such Creditor Recovery Trust Executory Contract (including any change of control or similar provision), then such provision shall be deemed pre-empted and modified such that neither the Debtors' assumption and assignment of the Creditor Recovery Trust Executory Contract nor any of the transactions contemplated by the Plan shall entitle the non-Debtor counterparty to terminate or modify such Creditor Recovery Trust Executory Contract or to exercise any other purported default-related rights thereunder.

The Debtors' assumption and assignment of any Creditor Recovery Trust Executory Contract pursuant to the Plan or otherwise, and payment of any applicable Cure Amount in accordance with the procedures set forth in this Article IV.D, shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed and assigned Creditor Recovery Trust Executory Contract at any time prior to the effective date of assumption and assignment.

In the event of a timely filed objection regarding: (1) a Cure Amount; (2) the ability of the Creditor Recovery Trust or any assignee to provide adequate assurance of future performance within the meaning of section 365 of the Bankruptcy Code under the Creditor Recovery Trust Executory Contract to be assumed and assigned; or (3) any other matter pertaining to assumption and assignment or the requirements of section 365(b)(1) of the Bankruptcy Code, such dispute shall be resolved by a Final Order of the Bankruptcy Court (which may be the Confirmation Order) or as may be agreed upon by the Creditor Recovery Trust and the counterparty to the Creditor Recovery Trust Executory Contract. The Creditor Recovery Trust shall pay the applicable Cure Amount as soon as reasonably practicable after entry of a Final Order resolving such dispute and approving such assumption and assignment, or as may otherwise be agreed upon by the Creditor Recovery Trust and the counterparty to the Creditor Recovery Trust Executory Contract. To the extent that a dispute regarding the applicable Cure Amount is resolved or determined unfavorably to the Creditor Recovery Trust, the Creditor Recovery Trust may, in its discretion, reject the applicable Creditor Recovery Trust Executory Contract after such determination, which rejection shall supersede, nullify, and render of no force or effect any earlier assumption and assignment. Under no circumstances shall the status of payment of a Cure Amount required by section 365(b)(1) of the Bankruptcy Code following the entry of a Final Order resolving the dispute and approving the assumption and assignment prevent or delay implementation of the Plan or the occurrence of the Effective Date.

*E. Cancellation of Securities and Agreements.*

On the Effective Date, except to the extent otherwise provided in the Plan, all notes, instruments, certificates, and other documents evidencing, or in any way related to, Claims or Interests shall be canceled as against the Debtors and each Released Party and the obligations of the Debtors thereunder or in any way related thereto shall be released, settled, and compromised.

*F. Corporate Action.*

Notwithstanding any requirements under applicable nonbankruptcy law, upon the Effective Date, all actions contemplated by the Plan shall be deemed authorized and approved in all respects, including the implementation of the Restructuring Transactions and, to the extent not approved pursuant to a Sale Order, the NOLA Sale Transaction. All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by any Person or Entity or any further notice to or action, order, or approval of the Bankruptcy Court.

On and after the Effective Date, the Debtors and their directors, managers, partners, officers, authorized persons, and members thereof (including the Independent Fiduciary) are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the securities issued

pursuant to the Plan in the name of and on behalf of the Debtors, without the need for any approvals, authorizations, or consents, except for those expressly required pursuant to the Plan, or any further notice to or action, order, or approval of the Bankruptcy Court.

*G. Independent Fiduciary*~~.~~.

As of the Effective Date, notwithstanding any agreement, proxy, resolution, shareholders' agreement, or other document to the contrary or the transfer of the Crown Capital Interests to the Creditor Recovery Trust, the Independent Fiduciary ~~may in her reasonable discretion authorize another Person or Entity to act on behalf of the Independent Fiduciary or assume the powers of the Independent Fiduciary.~~shall have the sole authority and power to control the corporate governance actions of Crown Capital and any Entity directly or indirectly owned by Crown Capital.

*H. Exemption from Certain Taxes and Fees*.

Pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property or any Interests, including the Transferred Subsidiaries, pursuant to the Plan, including, to the extent applicable, the NOLA Sale Transaction, the recording of any amendments to such transfers, or any new mortgages or liens placed on the property in connection with such transfers, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, registration tax, mortgage tax, stamp act, real estate, transfer tax, mortgage recording tax, or other similar tax, fees, charges, or governmental assessment (including any penalties and interest), and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment to the maximum extent covered by section 1146 of the Bankruptcy Code.

*I. Preservation of Rights of Action*.

On the Effective Date, (i) the NOLA Debtor Contributed Creditor Recovery Trust Causes of Action shall vest in the Creditor Recovery Trust, and (ii) the Wind-Down Retained Causes of Action shall vest in the post-Effective Date Debtors under the authority of the Wind-Down Officer, in each case free and clear of all Claims, Liens, Encumbrances and other interests. The NOLA Debtor Contributed Creditor Recovery Trust Causes of Action shall be transferred to the Creditor Recovery Trust and shall, upon such transfer, become Creditor Recovery Trust Assets (as defined in the CBRM Plan) and the Wind-Down Retained Causes of Action shall become Wind-Down Assets. On and after the Effective Date, the Creditor Recovery Trustee shall have sole and exclusive discretion to pursue and dispose of the Creditor Recovery Trust Causes of Action (including the NOLA Debtor Contributed Creditor Recovery Trust Causes of Action) and the Wind-Down Officer shall have sole and exclusive discretion to pursue the Wind-Down Retained Causes of Action. No Person or Entity may rely on the absence of a specific reference in the Plan or Disclosure Statement as to any Cause of Action as any indication that the Debtor, and on and after the Effective Date, the Creditor Recovery Trustee, or Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action against them. No preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation. Prior to the Effective Date, the Debtors and, on and after the Effective Date, the Creditor Recovery Trustee, subject to the oversight, approval, consultation and consent of the ~~Trust~~ Advisory Committee as set forth in the Creditor Recovery Trust Agreement, and the Wind-Down Officer, as applicable, shall retain and shall have, through their authorized agents or representatives, the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

**No Person or Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication**

**that the Creditor Recovery Trustee or the Wind-Down Officer, as applicable, will not pursue any and all available Causes of Action**. Unless and until any such Causes of Action against any Person or Entity are expressly waived, relinquished, exculpated, released, compromised, or assigned, or settled under the Plan or a Final Order, the Creditor Recovery Trustee and Wind-Down Officer, as applicable, expressly reserve all such Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of *res judicata*, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

*J. Election to Contribute Claims.*

Because aggregating all Contributed Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its Ballot, to contribute its Contributed Claims to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of ~~the Holders that elected to contribute such Claims. Contributed Claims and the proceeds thereof will not be included within the Distributable Value (as defined in the CBRM Plan) of the Creditor Recovery Trust~~Contributing Claimants. Rather, as provided in the Creditor Recovery Trust Agreement, any value attributable to such Contributed Claims will be segregated and only available for disbursement to those Holders that elected to contribute such Claims. By electing such option on its Ballot, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the appointment of the Creditor Recovery Trustee, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Claims to the Creditor Recovery Trust, and (ii) to have agreed to execute any documents reasonably requested by the Creditor Recovery Trustee to memorialize and effectuate such contribution.

*K. Contribution of Contributed Claims.*

On the Effective Date, all Contributed Claims will be irrevocably contributed to the Creditor Recovery Trust for the Creditor Recovery Trustee to prosecute on behalf of ~~the Holders of Claims entitled to receive the Distributable Value (as defined in the CBRM Plan) of the Creditor Recovery Trust and shall thereafter be Creditor Recovery Trust Assets (as defined in the CBRM Plan) for all purposes~~Contributing Claimants. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Creditor Recovery Trust Agreement, the Plan Supplement, or any other document as any indication that the Creditor Recovery Trustee will or will not pursue any and all available Contributed Claims against such Person. The Creditor Recovery Trustee shall have, retain, reserve, and be entitled to assert all Contributed Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Claims shall not include the rights of any of the Contributing Claimants to receive the Distributions under the Plan on account of their Claims or Interests and shall not include any claims that cannot be assigned under applicable law.

## ARTICLE V
## TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

*A. Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided in the Plan, all Executory Contracts or Unexpired Leases (including all Executory Contracts and Unexpired Leases identified on the Rejected Executory Contract and Unexpired Lease List) will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that previously were assumed or rejected by the Debtors or those that are subject to a pending motion to assume or assign such Executory Contract or Unexpired Lease. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections.

*B. Claims Based on Rejection of Executory Contracts and Unexpired Leases.*

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after entry of the Confirmation Order. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease pursuant to this Plan not filed within such time shall be disallowed, forever barred, estopped, and enjoined from assertion, and shall not be enforceable against, as applicable, the Debtors, the Estates, or property thereof, without the need for any objection by the Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged.** All Allowed Claims arising from the rejection of any Executory Contracts or Unexpired Leases shall constitute and be treated as Unsecured Claims. Nothing herein shall constitute an extension of any Claims Bar Date otherwise applicable to a Claim arising from an Executory Contract or Unexpired Lease that was previously rejected by the Debtors.

*C. Treatment of Insurance Policies.*

Notwithstanding anything to the contrary herein, each of the Insurance Policies and any agreements, documents, or instruments relating thereto issued to or entered into by the Debtors prior to the Petition Date shall not be considered Executory Contracts and shall neither be assumed nor rejected by the Debtors; *provided*, *however*, that to the extent any such Insurance Policy is determined by Final Order to be an Executory Contract, then, notwithstanding anything contained in the Plan to the contrary, the Plan will constitute a motion to assume such Insurance Policy and assign the same to the Creditor Recovery Trust. Subject to the occurrence of the Effective Date, the entry of the Confirmation Order will constitute approval of such assumption and assignment pursuant to section 365 of the Bankruptcy Code. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed by the parties thereto prior to the Effective Date, no payments are required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to any Insurance Policy, and prior payments for premiums or other charges made prior to the Petition Date under or with respect to any Insurance Policy shall be indefeasible.

*D. Effect of Confirmation on D&O Liability Insurance Policies.*

From and after the Effective Date, the D&O Liability Insurance Policies shall remain in place on terms for coverage and amounts no less favorable than the Debtors' current directors' and officers' insurance policies. From and after the Effective Date, the D&O Liability Insurance Policies shall be maintained for the benefit of the beneficiaries thereunder and shall not be transferred to the Creditor Recovery Trust ~~and, upon such transfer, shall~~nor become Creditor Recovery Trust Assets (as defined in the CBRM Plan)~~, which D&O Liability Insurance Policies shall be maintained for the benefit of the beneficiaries thereunder~~. The Debtors ~~and the Creditor Recovery Trust~~ shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect on or prior to the Effective Date, and ~~any current and former directors, officers, managers, and employees of the Debtors and their Affiliates who served in such capacity at any time before or after the Effective Date~~the Independent Fiduciary shall be entitled to the full benefits of any such policy or policies for the full term of such policy or policies~~ regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date~~.

## ARTICLE VI
## PROVISIONS GOVERNING DISTRIBUTIONS

*A. Timing and Calculation of Amounts to Be Distributed.*

Except as (1) otherwise provided herein, (2) directed by a Final Order, or (3) as otherwise agreed to by the Debtors or the Wind-Down Officer, as the case may be, and the Holder of the

applicable Claim, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

*B. Distribution Agent*.

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan and the Plan Supplement; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan and the Plan Supplement, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan and the Plan Supplement.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by the Distribution Agent shall be paid in Cash by the Wind-Down Officer from the Wind-Down Account.

*C. Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

Except as otherwise provided herein, the Distribution Agent shall make all distributions required under the Plan. The Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be paid from the Wind-Down Account.

In the event that either (a) a distribution to any Holder is returned as undeliverable, (b) the Holder of an Allowed Claim does not respond in writing to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution within sixty (60) days or otherwise complete the actions necessary to facilitate a distribution as identified to the Holder within ninety (90) days of the Distribution Agent's request, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is six months after (a) the date of the distribution, if a distribution is made, or (b) the date that a request for information or action is sent by the Distribution Agent. After such date, all unclaimed property or interests in property shall revert to the Creditor Recovery Trust automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall be released and forever barred.

*D. Claims Payable by Third Parties*.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. Except as otherwise provided in the

Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy, including any D&O Liability Insurance Policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained in the Plan constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

*E. Distributions to Unsecured Claims.*

Notwithstanding anything to the contrary herein, all Crown Capital Unsecured Claims and RH New Orleans Unsecured Claims shall be administered by the Creditor Recovery Trust pursuant to and in accordance with the Creditor Recovery Trust Agreement.

*F. Allocation Between Principal and Accrued Interest*

Except as otherwise provided herein, the aggregate consideration paid to Holders on account of their Allowed Claims pursuant to the Plan shall be treated as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim, if any.

## ARTICLE VII
## PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

*A. Allowance of Claims.*

After the Effective Date, the Wind-Down Officer and the Creditor Recovery Trustee shall have and shall retain any and all available rights and defenses the applicable Debtor had with respect to any Claim immediately before the Effective Date, including, without limitation, the right to assert any objection to Claims based on the limitations imposed by section 502 of the Bankruptcy Code; *provided* that neither the Wind-Down Officer nor the Creditor Recovery Trustee shall have the right to object to any Professional Fee Claims or fees of the Independent Fiduciary. For the avoidance of doubt, the Creditor Recovery Trustee shall have the right to object to and otherwise reconcile any and all Claims that seek recovery from the Creditor Recovery Trust other than Professional Fee Claims and fees of the Independent Fiduciary. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim.

No payment or distribution provided under the Plan shall be made on account of a Disputed Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

*B. Automatic Disallowance and Expungement of Certain Claims.*

On the Effective Date, all Claims Filed after the Claims Bar Date that were required to be Filed in advance of the Claims Bar Date under its terms shall be expunged and disallowed without any further notice to or action, order, or approval of the Bankruptcy Court.

*C. Distributions After Allowance.*

To the extent a Disputed Claim ultimately becomes an Allowed Claim, as soon as practicable, the Debtors shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous Distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim.

## ARTICLE VIII
## SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

*A. Settlement, Compromise, and Release of Claims and Interests.*
