EXHIBIT A

Schedule of Assumed or Assumed and Assigned Executory Contracts and Unexpired Leases¹

The following sets forth a list of Executory Contracts and Unexpired Leases to be assumed or assumed and assigned pursuant to the Plan. This Exhibit A is qualified in its entirety, and is subject to, the procedures set forth in the Plan. In the event of any inconsistency between this Exhibit A and the Plan, the Plan shall govern. Please review Article V of the Plan, regarding the treatment of Executory Contracts and Unexpired Leases under the Plan pursuant to sections 365 and 1123 of the Bankruptcy Code.

Except as otherwise provided in the Plan, as of the Effective Date, all Executory Contracts and Unexpired Leases listed on this Schedule of Assumed Executory Contracts and Unexpired Leases, will be deemed, with respect to each Executory Contract and Unexpired Lease to which the Debtors are a party: (1) assumed by the applicable Debtor for the benefit of the Plan Administrator in accordance with, and subject to the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code all in accordance with the terms of the Plan or (2) assumed or assumed and assigned by the applicable Debtor to the Purchaser or another third party, as applicable, in connection with the Sale Transaction Documentation in accordance with the Plan, each as set forth and referenced on Exhibit A attached hereto.

With respect to each of the Executory Contracts and Unexpired Leases identified on this Exhibit A, in accordance with the Plan, contemporaneously with the filing of this Plan Supplement, the Debtors are causing notice of proposed assumption and proposed Cure Claims to be sent to applicable counterparties. Any objection by such counterparty regarding such proposed assumption, proposed Cure Claims, or otherwise must be Filed, served, and actually received by the Debtors not later than seven (7) days after service of notice of the Debtors' proposed assumption and associated Cure Claims. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or Cure Claim will be deemed to have assented to such assumption or Cure Claim.

Any Cure Claims under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Claim in Cash on the Effective Date or as soon as reasonably practicable thereafter, subject to the limitations described below, by the Debtors as an Administrative Claim or by the Purchaser in accordance with the Sale Transaction Documentation, as applicable, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Debtors' Estates or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the Cure Claims required

¹ Capitalized terms used but not defined in this Exhibit A shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the "Plan").

by section 365(b)(1) of the Bankruptcy Code shall be satisfied following the entry of a Final Order or Orders resolving the dispute and approving the assumption.

The Debtors' assumption or rejection of any Executory Contract or Unexpired Lease pursuant to the Plan shall be subject in all respects to any Purchaser's rights and obligations, including any Cure Claims assumed by the Purchaser in accordance with the Sale Transaction Documentation, with respect to any such Executory Contracts or Unexpired Leases that are assumed by the Purchaser pursuant Sale Transaction Documentation.

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan—or the right of first refusal or other such interest is otherwise subject to a stipulation by the Debtors and the counterparties.

Assumption (or assumption and assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure Claims, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the effective date of assumption and/or assignment. **Any liabilities reflected in the Schedules and any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed and assigned shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.**

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the list of Executory Contracts and Unexpired Leases to be assumed pursuant to the Plan contained in this Plan Supplement, nor anything else in the Plan or the Sale Transaction Documentation, shall constitute an admission by the Debtors or any other Entity, as applicable, that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that either any Debtor or any other Entity, as applicable, has any liability thereunder.

For the avoidance of doubt, the Debtors may amend, revise, or supplement this Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

EXHIBIT B

Schedule of Rejected Executory Contracts and Unexpired Leases¹

The following sets forth a list of Executory Contracts and Unexpired Leases to be rejected pursuant to the Plan. This **Exhibit B** is qualified in its entirety, and is subject to, the procedures set forth in the Plan. In the event of any inconsistency between this **Exhibit B** and the Plan, the Plan shall govern. Please review Article V of the Plan, regarding the treatment of Executory Contracts and Unexpired Leases under the Plan pursuant to sections 365 and 1123 of the Bankruptcy Code.

On the Effective Date, except as otherwise provided in the Plan and without limitation by this **Exhibit B**, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned, including, without limitation, any employee benefit plans, severance plans, and other Executory Contracts under which employee obligations arise, shall be automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (1) is specifically described in the Plan as to be assumed in connection with confirmation of the Plan, or is specifically scheduled to be assumed or assumed and assigned pursuant to the Plan or this Plan Supplement; (2) is subject to a pending motion to assume such Unexpired Lease or Executory Contract as of the Effective Date; (3) is to be assumed or assumed and assigned to the Purchaser or another third party, as applicable, in connection with a Sale Transaction; (4) is a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan; or (5) is a D&O Liability Insurance Policy.

Executory Contracts and Unexpired Leases shall be treated in the manner set forth in Article V of the Plan and the Confirmation Order.

The Executory Contracts and Unexpired Leases listed herein shall be rejected in connection with confirmation of the Plan, effective as of the Effective Date of the Plan or as otherwise provided herein or as otherwise agreed by the parties.

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be Filed with the Bankruptcy Court by the later of: (1) the Claims Bar Date, Administrative Claims Bar Date, or the Governmental Bar Date, as applicable; and (2) 4:00 p.m., prevailing Central Time, on the date that is thirty (30) days following the entry of an Order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, their Estates, the Plan Administrator, and/or the Purchaser, or property of the foregoing parties, without the need for any objection by the Debtors, their Estates, the Plan Administrator, and/or the Purchaser and without the need for any further

¹ Capitalized terms used but not defined in this **Exhibit B** shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the "**Plan**").

notice to, or action, order, or approval of the Bankruptcy Court. Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III of the Plan, as applicable.

Rejection or repudiation of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors under such contracts or leases as modified, amended, supplemented, or restated. In particular, notwithstanding any non-bankruptcy law to the contrary, the Plan Administrator expressly reserves and does not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts or Unexpired Leases.

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the list of Executory Contracts and Unexpired Leases to be rejected pursuant to the Plan contained in this Plan Supplement, nor anything else in the Plan or the Sale Transaction Documentation, shall constitute an admission by the Debtors or any other Entity, as applicable, that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that either any Debtor or any other Entity, as applicable, has any liability thereunder.

For the avoidance of doubt, the Debtors may amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

EXHIBIT C

Schedule of Retained Causes of Action²

The documents contained in this **Exhibit C** and the Plan Supplement may remain subject to continuing negotiations among the Debtors and interested parties with respect thereto. The Debtors may amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

Article VIII.B of the Plan provides for a Debtor release pursuant to which the Debtors and their Estates are deemed to release and discharge the Released Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing entities, from any and all Causes of Action, including any derivative claims, asserted on behalf of the Debtors, that the Debtors or their Estates would have been legally entitled to assert in their own right (whether individually or collectively), or on behalf of the holder of any Claim against, or Interest in, a Debtor or other Entity, as set forth in more detail therein. Notwithstanding anything contained in the Plan to the contrary, the release set forth in Article VIII.B of the Plan does not release any obligations of any party under the Plan or any document, instrument, or agreement executed to implement the Plan.

Pursuant to Article IV.D of the Plan, among other things, the Plan Administrator shall be responsible for pursuing or otherwise commencing and litigating any Causes of Action (other than those released pursuant to the Plan or pursuant to any prior settlement approved by the Bankruptcy Court), and only to the extent the benefits of such enforcement or prosecution are reasonably believed by the Plan Administrator to outweigh the costs associated therewith. The Plan Administrator shall be deemed to be substituted as the party-in-lieu of the Debtors and the Estates in all matters, including (i) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (ii) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Except as otherwise provided in the Plan including the release provisions set forth in Article VIII of the Plan, the Debtors and Plan Administrator reserve the right to commence and pursue any and all Causes of Action against any Entity, including Causes of Action that are not expressly identified in this Schedule of Retained Causes of Action. Confirmation of the Plan shall not in any way affect such right.

Article IV.H of the Plan preserves the following Causes of Action for the benefit of the Plan Administrator:

² Capitalized terms used but not defined in this **Exhibit C** shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the "**Plan**").

Unless any Cause of Action against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Debtors shall convey to the Plan Administrator all rights to commence, prosecute or settle, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, which shall vest in the Plan Administrator pursuant to the terms of the Plan. The Plan Administrator may enforce all rights to commence, prosecute, or settle, as appropriate, any and all such Causes of Action, whether arising before or after the Petition Date, and the Plan Administrator's rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Plan Administrator may, in its reasonable business judgment, pursue such Causes of Action and may retain and compensate professionals in the analysis or pursuit of such Causes of Action to the extent the Plan Administrator deems appropriate, including on a contingency fee basis. No Entity may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Plan Administrator will not pursue any and all available Causes of Action against them. The Debtors and the Plan Administrator expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan; *provided* that the Debtors before the Effective Date or the Plan Administrator after the Effective Date may prosecute any such Cause of Action against any party only in connection with their objection to and resolution of any Claim asserted by such party. Unless any Cause of Action against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Plan Administrator expressly reserves all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation. The Plan Administrator reserves and shall retain the foregoing Causes of Action notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. The Plan Administrator shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court.

Pursuant to Article IV.M of the Plan, on the Effective Date, and except to the extent otherwise reserved in the Plan Supplement, the Debtors, on behalf of themselves and their estates, shall release any and all Avoidance Actions and the Debtors, and any of their successors or assigns and any Entity acting on behalf of the Debtors shall be deemed to have waived the right to pursue any and all Avoidance Actions. No Avoidance Actions shall revert to creditors of the Debtors.

Further, notwithstanding and without limiting the generality of Article IV.H of the Plan, the Debtors and Plan Administrator, as applicable, expressly reserve their rights with respect to all Causes of Action that are not expressly released under the Plan, including the following matters, each as set forth on **Exhibit C-1** through **Exhibit C-3** attached hereto.

1. Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings.

Unless otherwise released by, or transferred pursuant to, the Plan, the Debtors and the Plan Administrator, as applicable, expressly reserve all Causes of Action against any Entity to whom or for whose benefit the Debtors provided deposits, made adequate assurance payments, or posted other collateral, including but not limited to, those entities identified on **Exhibit C-1**.

2. Claims, Defenses, Cross-Claims, and Counter-Claims Related to Litigation and Potential Litigation.

Unless otherwise released by the Plan, the Debtors and the Plan Administrator, as applicable, expressly reserve all Causes of Action against or related to all entities that are party to or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, or judicial or non-judicial, including those litigation, arbitration, or other types of adversarial proceedings or dispute resolution proceedings identified on the Schedules filed by the Debtors in the chapter 11 cases on January 29, 2018, regardless of whether such Entity is specifically identified in the Plan, the Plan Supplement, the Disclosure Statement, the Debtors' Schedules, or any amendments thereto. Without limiting the generality of the foregoing, the Debtors and the Plan Administrator, as applicable, expressly reserve all Causes of Action against the entities identified on **Exhibit C-2** attached hereto.

In addition, **Exhibit C-2** attached hereto includes claims and Causes of Action the Debtors expressly retain based in whole or in part upon any and all contracts and leases to which any Debtor is a party or pursuant to which any Debtor or the Plan Administrator has any rights whatsoever, unless such Executory Contract or Unexpired Lease is assigned to a Purchaser pursuant to the Sale Transaction Documentation. Notwithstanding the foregoing, the Debtors retain all such claims and Causes of Action regardless of whether such contract or lease is included on **Exhibit C-2**. The claims and Causes of Actions reserved include, without limitation, Causes of Action against vendors, suppliers of goods or services, or any other parties: (a) for overpayments, back charges, duplicate payments, improper holdbacks, deposits, warranties, guarantees, indemnities, recoupment, or setoff; (b) for wrongful or improper termination, suspension of services or supply of goods, or failure to meet other contractual or regulatory obligations; (c) for failure to fully

perform or to condition performance on additional requirements under contracts with any one or more of the Debtors; (d) for payments, deposits, holdbacks, reserves, or other amounts owed by any creditor, supplier, vendor, insurer, surety, factor, lessor, or other party; (e) for any liens, including mechanic's, artisan's, materialmen's, possessory, or statutory liens held by any one or more of the Debtors; (f) arising out of environmental or contaminant exposure matters against landlords, lessors, environmental consultants, environmental agencies, or suppliers of environmental services or goods; (g) counter-claims and defenses related to any contractual obligations; and (h) for unfair competition, interference with contract or potential business advantage, breach of contract, infringement of intellectual property, or any business tort claims. Additionally, on January 29, 2018, each of the Debtors filed its Schedules, which included, among other things, claims and Causes of Action each of the Debtors had reflected as a liability on its books and records, as well as certain information regarding each Debtor's property. Unless otherwise released under Article VIII of the Plan, the Debtors expressly reserve all claims and Causes of Action against any Entity listed on any of its Schedules, including schedule A/B, schedule D, schedule E, schedule F, schedule G, schedule H of each Debtor, as well as the statement of financial affairs of each Debtor, in each case to the extent such Entities owe or may in the future owe money to the Debtors or the Plan Administrator.

Exhibit C-2 includes insurance contracts and policies to which one or more Debtors are a party. Unless otherwise released under Article VIII of the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all insurance contracts, insurance policies, occurrence policies, and occurrence contracts to which any Debtor or the Plan Administrator is a party or pursuant to which any Debtor or the Plan Administrator has any rights whatsoever, regardless of whether such contract or policy is included on **Exhibit C-2**, including Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters. Additionally, on January 29, 2018, each of the Debtors filed its Schedules, which included, among other things, claims and Causes of Action each of the Debtors had reflected as a liability on its books and records. The Debtors expressly reserve all claims and Causes of Action related to the insurance contracts and policies listed on schedule A/B and schedule G for each of the Debtors to the extent the Debtors or the Plan Administrator may have claims and Causes of Action against such insurance contracts and policies now or in the future.

3. Claims Related to Taxes, Fees, and Tax Refunds or Credits.

Unless otherwise released by the Plan, the Debtors and the Plan Administrator, as applicable, expressly reserve all Causes of Action against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtors or the Plan Administrator, regardless of whether such Entity is specifically identified herein. Furthermore, the Debtors and the Plan Administrator, as applicable, expressly reserve all Causes of Action against or related to all Entities who assert or may assert that the Debtors and the Plan Administrator owe taxes to them.

Without limiting the generality of the foregoing, the Debtors and the Plan Administrator expressly reserve all Causes of Action against: the United States of America or any other Federal,

state, or local taxing authorities, including those identified on **Exhibit C-3** attached hereto.

4. Claims Related to Accounts Receivable and Accounts Payable.

Unless otherwise released under Article VIII of the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities that owe or that may in the future owe money to the Debtors or the Plan Administrator regardless of whether such Entity is included on this **Exhibit C**. Additionally, on January 29, 2018, each of the Debtors filed its Schedules, which included, among other things, claims and Causes of Action each of the Debtors had reflected as a liability on its books and records. The Debtors expressly reserve all claims and Causes of Action against any Entity listed on schedule A/B, schedule D, schedule E, and schedule F of each Debtor to the extent such Entities owe or may in the future owe money to the Debtors or the Plan Administrator. Furthermore, unless otherwise released under Article VIII of the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities who assert or may assert that the Debtors or the Plan Administrator owe money to them. An exhibit or schedule regarding Claims related to accounts receivable and accounts payable is not attached hereto.

5. Claims Related to Environmental Matters.

Unless otherwise released under Article VIII of the Plan, the Debtors and Plan Administrator expressly reserve any and all Causes of Action related to environmental matters, including any Causes of Action arising out of environmental or contaminant exposure matters, including but not limited to liabilities related to decommissioning and plugging and abandonment, against landlords, lessors, environmental consultants, environmental agencies or suppliers of environmental services or goods, and any other interested parties thereto. An exhibit or schedule regarding Claims related to environmental matters is not attached hereto.

6. Claims Related to Other Bankruptcy Cases.

Unless otherwise released by Article VIII of the Plan, the Debtors and Plan Administrator expressly reserve all Causes of Action against or related to any Entity that is or may in the future become a debtor in a case under title 11 of the United States Code, regardless of whether such Entity is specifically identified in the Plan, this Plan Supplement, or any amendments thereto. An exhibit or schedule regarding Claims related to other bankruptcy cases is not attached hereto.

7. Plan Documents.

The Debtors and Plan Administrator, as applicable, retain all rights and obligations under the Plan and the Plan Supplement documents.

8. Claims Related to Creditor Matrix Parties.

On January 4, 2018, the Debtors filed a list of creditors upon whom the *Notice of Chapter 11 Bankruptcy Case* was served, on a consolidated basis for all of the Debtors [Docket No. 159] (the "Creditor Matrix"). In addition to the following Exhibit C-1 through Exhibit C-3, to the extent not released pursuant to the Plan, the Debtors or Plan Administrator, as applicable, expressly retain all claims and Causes of Action against any Entity listed in the Creditor Matrix, regardless of whether such Entity is set forth in the following Exhibit C-1 through Exhibit C-3, to the extent such Entity or Entities owe or may in the future owe money to the Debtors or the Plan Administrator, as applicable.

In the event of any inconsistency between the releases of Entities pursuant to the Plan or a Final Order and the attached Exhibit C-1 through Exhibit C-3, such releases granted pursuant to the Plan or Final Order shall govern.

THE DEBTORS MAY AMEND, MODIFY, OR SUPPLEMENT THIS EXHIBIT C AT ANY TIME BEFORE THE EFFECTIVE DATE OF THE PLAN, OR ANY SUCH OTHER DATE AS MAY BE PROVIDED FOR BY THE PLAN OR BY ORDER OF THE BANKRUPTCY COURT.

EXHIBIT D

Identity of the Plan Administrator and Form of Plan Administrator Agreement¹

Certain documents and information contained in this **Exhibit D** and the Plan Supplement, including the identity of the proposed Plan Administrator and form of agreement governing such proposed Plan Administrator, remain subject to continuing negotiations among the Debtors and (a) certain consultation parties thereto, specifically the Committee, the Second Lien Ad Hoc Group, and the Second Lien Indenture Trustee, and (b) other interested parties with respect thereto. The Debtors may amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

¹ Capitalized terms used but not defined in this **Exhibit D** shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the "**Plan**").

EXHIBIT E

Disputed Claims Reserve Amount¹

Pursuant to Article IV.D of the Plan, on the Effective Date (or as soon thereafter as is reasonably practicable), the Plan Administrator shall deposit in the Disputed Claims Reserve the Disputed Claims Reserve Amount. For the avoidance of doubt, there shall be no reserve required for Claims against the Debtors, to the extent such Claims are Assumed Liabilities or are released, discharged, or otherwise extinguished pursuant to the Plan, nor shall there be any reserves, holdbacks, escrows, or indemnities arising from the Sale Transaction Documentation or otherwise relating to the Sale Transaction.

Pursuant to Article I.A. of the Plan, “Disputed Claims Reserve Amount” means the amount of assets determined by the Debtors that would likely have been distributed to the holders of all applicable Disputed Claims as if such Disputed Claims had been Allowed Claims on the Effective Date, with the amount of such Allowed Claims to be determined, solely for the purposes of establishing reserves and for maximum distribution purposes, to be (a) the lesser of (i) the asserted amount of each Disputed Claim against the Debtors as set forth on the applicable Schedule or Schedules or, if and solely to the extent a non-duplicative Proof of Claim was filed in an asserted amount greater than the scheduled amount, the asserted amount filed with the Bankruptcy Court as set forth in such non-duplicative Proof of Claim or as provided by the parties to the Debtors as further information with respect to the Proof of Claim, and (ii) the amount, if any, estimated by the Bankruptcy Court pursuant to section 502(c) of the Bankruptcy Code or ordered by other order of the Bankruptcy Court, or (b) the amount otherwise agreed to by Debtors and the holder of such Disputed or unliquidated Claim for reserve purposes.

The Disputed Claims Reserve Amount, as determined by the Debtors pursuant to the Plan in consultation with the First Lien Ad Hoc Group, the First Lien Indenture Trustee, the Second Lien Ad Hoc Group, the Second Lien Indenture Trustee, the Unsecured Notes Ad Hoc Committee, and the Committee, shall be: \$21,153,846.

Subject to the terms of the Plan, the Debtors, subject to the consultation rights of the foregoing parties as set forth in the Plan, reserve the right to modify the Disputed Claims Reserve Amount set forth in this Exhibit E, at any time before the Effective Date, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

¹ Capitalized terms used but not defined in this Exhibit E shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the “Plan”).

EXHIBIT F

Wind-Down Budget¹

The Wind Down Budget, in accordance with the Plan, includes budgeted amounts related to or on account of, among other things, professional fees and expenses, costs and expenses related to employee obligations or other staffing expenses, and other operating costs and expenses incurred in connection with the process to (a) wind down the Debtors' businesses and affairs as expeditiously as reasonably possible; (b) liquidate, settle, compromise, resolve, or otherwise maximize the value of, any of the following, each of which shall vest in the Plan Administrator on the Effective Date unless otherwise provided by the Plan or the Sale Transaction Documentation: (i) all Excluded Assets and (ii) all other Plan Administrator Assets; (c) resolve Disputed Claims; (d) make all distributions to holders of Allowed Claims in accordance with the Plan; (d) prosecute, liquidate, compromise, settle or resolve Retained Causes of Action that are not compromised, settled, resolved, released, discharged, or enjoined pursuant to the Plan; (e) pursue or otherwise commence and litigate any other Causes of Action (other than those released pursuant to the Plan or any prior settlement approved by the Bankruptcy Court), and only to the extent the benefits of such enforcement or prosecution are reasonably believed by the Plan Administrator to outweigh the costs associated therewith; and (f) filing appropriate tax returns; and (g) administering the Plan in an efficacious manner.

The Debtors may amend, revise, or supplement this **Exhibit F** at any time before the Effective Date, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

The aggregate amount of the Wind Down Budget for the 12-month period following the Effective Date is \$8,099,170, as set forth in greater detail in the following chart:

¹ Capitalized terms used but not defined in this **Exhibit F** shall have the meanings ascribed to them in the *Fourth Amended Joint Chapter 11 Plan of Cobalt International Energy, Inc. and its Debtor Affiliates* [Docket No. 561] (as may be amended, supplemented, or modified from time to time, the "**Plan**").

² On December 19, 2017 certain non-Debtor subsidiaries reached a settlement agreement with Sociedade Nacional de Combustíveis de Angola—Empresa Pública and Sonangol Pesquisa e Produção, S.A (collectively, “Sonangol”) to resolve all disputes and transition their interests in Blocks 20 and 21 offshore Angola to Sonangol for \$500.0 million. Pursuant to the *Order Approving Debtors’ Motion for Entry of an Order (I) Authorizing Performance under Settlement Agreement, (II) Approving Settlement Agreement, and (III) Granting Related Relief* [Docket No. 127] (the “9019 Order”), the settlement was authorized and approved by the Bankruptcy Court. In February 2018, Sonangol made a first installment payment of \$150 million in accordance with the settlement, and the final \$350 million payment is to be received no later than July 1, 2018. If Sonangol fails to remit the second installment, the non-Debtor subsidiaries party to the settlement will pursue claims against Sonangol in arbitration. The costs of such arbitration will be funded by the non-Debtors’ cash on hand, including the first Sonangol settlement payment.
