**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION**

In re:	§	Chapter 11
	§	
COBALT INTERNATIONAL ENERGY, INC., et al.,¹	§	Case No. 17-36709 (MI)
	§	
Debtors.	§	(Jointly Administered)
	§	

**ANNEX TO PROOF OF CLAIM OF ACM LTD. AND CERTAIN OF ITS
AFFILIATES AGAINST COBALT INTERNATIONAL ENERGY, INC., et al.**

Background

1. On December 14, 2017 (the “Petition Date”), Cobalt International Energy, Inc. (“Cobalt”) and certain of its affiliates, as debtors and debtors in possession (collectively, the “Debtors”), filed voluntary petitions for relief under Chapter 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of Texas Houston Division (the “Court”). The cases are being jointly administered under Chapter 11 Case No. 17-36709.

2. On February 22, 2018, the Court entered that certain *Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment under Section 503(b)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filing Proofs of Claim, Including Section 503(b)(9) Requests, and (IV) Approving Notice of Bar Dates* [Docket No. 469] (the “Bar Date Order”), which, among

¹ The Debtors in these Chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Cobalt International Energy, Inc. (1169); Cobalt International Energy GP, LLC (7374); Cobalt International Energy, L.P. (2411); Cobalt GOM LLC (7188); Cobalt GOM # 1 LLC (7262); and Cobalt GOM # 2 LLC (7316). The Debtors’ service address is: 920 Memorial City Way, Suite 100, Houston, Texas 77024.

other things, establishes March 19, 2018 at 5:00 p.m. (CT) as the general deadline (the “Bar Date”) for each person or entity to file proofs of claim based on prepetition claims against the Debtors.

3. ACM Ltd.² and certain of its affiliates³ (the “ACM Affiliates” and, together with ACM Ltd., the “Claimants”), file this proof of claim (the “Proof of Claim”) against each of the Debtors.⁴

4. In 2005, Cobalt was formed as a private company in Houston, Texas. Over time, the Debtors’ operations came to include deepwater oil and gas exploration and production in the Gulf of Mexico and West Africa.

5. On December 15, 2009, Cobalt undertook an initial public offering of equity. To facilitate this transaction, KERN Cobalt Co-Invest Partners AP LP, Cobalt, and other parties entered into a Registration Rights Agreement (the “Registration Rights Agreement”). Pursuant to section 2.9 of the Registration Rights Agreement, Cobalt and each of its subsidiaries agreed to indemnify and hold harmless each “Holder” as defined therein, including the indemnitees under the agreement and their affiliates, “from and against any and all losses, claims, damages or liabilities, joint or several, actions or proceedings . . . and expenses” in connection with actions under the Securities Act or otherwise in respect of any registration and/or offering of securities of Cobalt pursuant to the Registration Rights Agreement.

² At the time of the Registration Rights Agreement (as defined below), ACM Ltd. was known as KERN Partners Ltd.

³ The ACM Affiliates are: KERN Cobalt Co-Invest Partners AP LP and KERN Cobalt Group Management Ltd.

⁴ Documentation supporting this Proof of Claim, including the Registration Rights Agreement, complaints in the Securities Action and Derivative Action, and invoices for defense fees and expenses are voluminous and have not been filed as attachments. These documents are available upon request from ACM Ltd.’s counsel.

6. On November 30, 2014, plaintiffs commenced a putative class action entitled *In re Cobalt International Energy, Inc. Securities Litigation*, No. 4:14-cv-3428 (S.D. Tex.) against The Goldman Sachs Group, Inc., Riverstone Holdings LLC, FRC Founders Corporation, and ACM Ltd. (collectively, the “Equity Sponsors”), Cobalt, and others, in connection with registrations and/or offerings of securities pursuant to the Registration Rights Agreement (the “Securities Action”). Plaintiffs in the Securities Action seek damages based upon alleged false and misleading statements contained in materials prepared in connection with public offerings of securities by Cobalt. The plaintiffs allege that the Equity Sponsors exercised control over Cobalt and violated insider trading laws by selling Cobalt stock while in possession of the same material nonpublic information that made Cobalt’s public offering materials misleading.

7. On May 6, 2016, an alleged Cobalt shareholder commenced a putative derivative action entitled *Gaines v. Bryant*, No. 2016-29850 (Harris Cty., Tex. Dist. Ct.) against Cobalt and the Equity Sponsors, as well as other affiliates of ACM Ltd., in connection with registrations and/or offerings of securities pursuant to the Registration Rights Agreement (the “Derivative Action”). See Second Amended Disclosure Statement, at 32-33 [Docket No. 465].

The Claims

8. Indemnification. The Claimants hereby assert claims against all Debtors for contractual, statutory, and common law rights of indemnity, contribution, reimbursement, set-off, and liability against the Debtors arising from or related to the registration and/or offering of any securities of Cobalt, including under the Registration Rights Agreement. Section 2.9 of the Registration Rights Agreement entitles ACM Ltd. and the ACM Affiliates, among others, to indemnity and reimbursement from Cobalt and its affiliates for, among other things, any and all losses, fees or expenses relating to any action under the Securities Act or otherwise in respect of

any registration and/or offering of securities of Cobalt pursuant to the Registration Rights Agreement. Those include, without limiting the foregoing, all losses, defense costs, fees or expenses relating to the Securities Action and the Derivative Action.

9. As of the date of this Proof of Claim, the Equity Sponsors, including ACM Ltd., have incurred over \$3,798,579 in legal fees and expenses, as well as over \$380,000 in other fees and expenses, for which they are entitled to indemnification but have not been paid. ACM Ltd. and the other Equity Sponsors seek recovery of that aggregate amount from each of the Debtors.

10. In addition, all Claimants assert a claim against each Debtor for any and all future fees and expenses that are subject to indemnification pursuant to the Registration Rights Agreement, as well as a claim for any and all future losses or liability resulting from either the Securities Action or the Derivative Action.

11. The Equity Sponsors expect to incur significant additional fees and expenses in connection with the defense of the Securities Action and/or the Derivative Action. In addition, although Claimants deny that they have any liability in the Securities Action or the Derivative Action, based on plaintiffs' public filings, plaintiffs are asserting claims in those actions for amounts exceeding \$1 billion. Claimants thus assert contingent claims against each Debtor for all such amounts, subject to amendment based on future events.

12. Additional Claims. The Claimants further assert against the Debtors any and all other claims, rights, and/or remedies (including, without limitation and to the extent permitted by law, any and all claims for postpetition interest and costs, fees and expenses (including, without limitation, the costs, fees and expenses of counsel)), known or unknown, that they have or may have under the Registration Rights Agreement, together with any other agreements, documents, exhibits, schedules and appendices delivered pursuant to or in connection therewith or

evidencing any claim, as well as any and all other claims, rights and/or remedies under applicable law or equity and/or arising under, in connection with or related to any and all transactions or transfers between or involving the Claimants and any Debtor.

13. Claims against Non-Debtors. Under the Registration Rights Agreement, Claimants have indemnity and reimbursement claims against various subsidiaries of Cobalt that are not Debtors (collectively, the “Non-Debtor Affiliates”).⁵ For the avoidance of doubt, this filing does not affect any such claims, including a claim to payment from the proceeds of the settlement entered between certain Non-Debtor Affiliates and the Angolan National Concessionaire Sociedade Nacional de Combustíveis de Angola — Empresa Pública (“Sonangol”). In addition, to the extent any of the Non-Debtor Affiliates, including Cobalt International Energy Angola Ltd., makes any transfer to any Debtor without reserving all amounts necessary to meet all of the Non-Debtor Affiliate’s obligations to Claimants, Claimants preserve a claim against each of the Debtors for recovery of the full amount of such transfer.

Counterclaims and Setoffs

14. Upon information and belief, no portion of the claims is subject to any setoffs, defenses or counterclaims by any of the Debtors.

Proof of Claim Timely

15. This Proof of Claim is timely submitted by the Claimants in accordance with the Bar Date Order.

⁵ Based on public filings, at least 13 Cobalt affiliates have not filed for bankruptcy protection. The Non-Debtor Affiliates include: Cobalt International Energy Overseas Ltd.; Cobalt International Energy Germany Verwaltungs GmbH; Cobalt International Energy Germany GmbH & Co. KG; Cobalt International Energy Angola Ltd.; CIE Angola Block 9 Ltd.; CIE Angola Block 20 Ltd.; CIE Angola Block 21 Ltd.; Cobalt International Energy Gabon Ltd.; CIE Gabon Diaba Ltd.; CIE Mexico, LLC; CIE Mexico 2, LLC; Cobalt Energia de Mexico, S. de R.L.; and Kwanza Basin Limited.

Reservation of Rights

16. The assertion of the claims by the Claimants is not a concession or admission as to the correct characterization or treatment of any such claims, nor a waiver of any rights, remedies or defenses of the Claimants, all of which are expressly reserved. In addition, the execution and filing of the Proof of Claim does not constitute: (i) a waiver or release of the Claimants' rights against any other entity or person liable for all or part of the claims, including Non-Debtor Affiliates of Cobalt; (ii) a consent by the Claimants to the jurisdiction of this Court with respect to any proceeding commenced against or otherwise involving the Claimants; (iii) a consent by the Claimants to the treatment of any non-core claim against it as a core claim; (iv) a waiver of the right to move to withdraw the reference with respect to the subject matter of the claims or otherwise, including, without limitation, any objection or other proceedings commenced with respect thereto, or any other proceedings commenced against or otherwise involving the Claimants; (v) a waiver of any right to have any claims constitutionally required to be determined by the District Court be determined therein; (vi) a waiver of any right to the subordination, in favor of the Claimants, of indebtedness or liens held by other creditors of the Debtors; (vii) an election of remedies that waives or otherwise affects any other remedies or a waiver of any right to pursue or assert alternative or simultaneous rights or remedies; (viii) a waiver of any right to arbitration or other alternative dispute resolution mechanism that is otherwise applicable; or (ix) a waiver of any right with respect to property of the Claimants held by a Debtor.

17. The Claimants expressly reserve their right to amend, correct or supplement this Proof of Claim, including to specify (and further quantify) damages, costs, fees, expenses and other charges or claims incurred by the Claimants and to file additional or amended proofs of

claim, including (i) claims for post-petition interest, legal fees and related expenses and (ii) claims arising from or relating to the avoidance of transfers made to the Claimants or any other entity. The Claimants do not waive, and hereby expressly reserve, the Claimants' rights to pursue claims, including the claims described herein, against the Debtors or any non-debtors based upon any and all alternative legal theories. The Claimants also expressly reserve their right to file any separate or additional proof of claim with respect to claims set forth herein or otherwise (which proof of claim, if so filed, shall not be deemed to supersede this Proof of Claim), or to file additional proofs of claim in respect of any other claim against or liability of the Debtors, or for any other reason. Moreover, the Claimants specifically reserve the right to conduct discovery with respect to this matter in accordance with the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure.

18. To the extent any of the claims set forth herein, in whole or in part, or any component thereof, arise or relate in any manner to the period on or after the Petition Date, the Claimants assert that such claims (or any portions thereof) are entitled to priority pursuant to sections 503 and 507 of the Bankruptcy Code. The Claimants reserve the right to file one or more requests for payment of administrative expenses pursuant to section 503(a) of the Bankruptcy Code, with respect to any administrative expense claim that the Claimants may now have or hereafter hold or acquire against the Debtors or their estates.
