**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (the “Debtors”), with the assistance of their court-appointed advisors, have prepared their respective schedules of assets and liabilities (the “Schedules”) and statements of financial affairs (the Statements”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). The Schedules and Statements are unaudited. While management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors or omissions may exist in the Schedules and Statements. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are wholly accurate and complete. Nothing contained in the Schedules and Statements shall constitute a waiver of any right of the Debtors, specifically the Debtors’ right to amend these Schedules and Statements and any right with respect to any issues relating to substantive consolidation, equitable subordination, defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws. These Global Notes and Statement of Limitations, Methods and Disclaimer Regarding Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.³

² The Debtors are the following entities (with the last four digits of their federal tax identification numbers in parentheses): Cynergy Data, LLC (8677); Cynergy Data Holdings, Inc. (8208); Cynergy Prosperity Plus, LLC (4265). The mailing address for the Debtors is 30-30 47th Avenue, 9th Floor, Long Island City, New York 11101.

³ These Global Notes are in addition to the specific notes contained in the Debtors’ Schedules and Statements. The fact that the Debtors have prepared a Global Note with respect to a particular Schedule (or Statement) and not to others does not reflect, and should not be interpreted as, a decision by the Debtors to exclude the
(Footnote continued on next page)

Global Notes for the Schedules and Statements

1) Case - On September 1, 2009 (the “Petition Date”), the Debtors filed their voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the “Bankruptcy Code”). Unless otherwise indicated, the information provided is as of the close of business on the Petition Date. On October 9, 2009, the Court entered an Order (the “Sale Order”) approving a sale of substantially all of the Debtors’ assets to purchaser Cynergy Holdings, LLC (“Holdings”).

2) Confidentiality. There may be instances within the Schedules and Statements where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtors and the third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtors may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts. To the extent that certain addresses are withheld, the Debtors will make such address available upon reasonable request.

3) Amendments - The Debtors reserve their right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, to liability, or to classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Any failure to designate a claim as “contingent,” “unliquidated,” or “disputed” does not constitute an admission.

4) Assumptions - The preparation of the Schedules and Statements requires the Debtors to make assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements and the reported amounts of revenues and expenses during the reporting period.

5) Excluded Assets and Liabilities. The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: Petty Cash, QM Reserve Cash Account and related Owed Merchant Funds liabilities that offset each other, Prepaid Transitchex, Intangible Assets (including Residual Buy-Outs that are wholly owned by the Debtors), Leasehold Improvements, Residual Commissions Accrued. Other immaterial assets and liabilities may also have been excluded.

6) Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a. Paid Claims. Pursuant to certain first-day orders issued by the Bankruptcy Court (collectively, the “First Day Orders”), the Bankruptcy Court has authorized (but

(Footnote continued from previous page)

applicability of such Global Note to any or all of the Debtors’ remaining Schedules (or Statements), as appropriate.

not directed) the Debtors to pay certain outstanding prepetition claims, such as certain employee wages and benefit claims, claims for taxes and fees, and other payments made within the ordinary course. These Schedules may reflect prepetition obligations that may have been satisfied pursuant to such First Day Orders. To the extent claims listed on the Schedules are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate. Moreover, certain of the First Day Orders preserve the rights of parties in interest to dispute any amounts paid pursuant to First Day Orders. Nothing herein shall be deemed to alter the rights of any party in interest to contest a payment made pursuant to a First Day Order that preserves such right to contest.

- b. Current Market Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values for assets as of August 31, 2009 are reflected in the Debtors' Schedules and Statements. For this reason, amounts ultimately realized may vary from net book value and such variance may be material.
- c. Contingent Assets. The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action or in any way prejudice or impair the assertion of such claims.

7) Classifications. Listing a claim (a) on Schedule D as "secured," (b) on Schedule E as "priority" or (c) on Schedule F as "unsecured nonpriority," or listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract. In particular, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.

8) Disputed, Contingent and/or Unliquidated Claims. Schedules D, E and F permit each of the Debtors to designate a claim as "disputed," "contingent" and/or "unliquidated." Any failure to designate a claim on the Debtors' Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated" or that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an

admission of liability by the Debtors.

9) Schedule A - Real Property. The Debtors have do not own real property.

10) Schedule B - Personal Property. Personal property owned by any of the Debtors is listed in Schedule B for that individual Debtor. Except as otherwise noted, personal property is scheduled at the value that the Debtors carried on their books as of August 31, 2009.

Accounts receivable listed on B16 is comprised mostly of the amount due from Harris Bank that is the monthly revenue file received on or about the 6th day of each month for the prior month's merchant processing services. The entire amount is listed as due from Harris Bank, instead of from the specific merchants, because Harris Bank ultimately provides the Debtors with those funds every month. The other accounts receivable listed on Schedule B are miscellaneous amounts due from, for example, ISO's, merchants, or agents.

Schedule B18 contains certain loans made to shareholders of the Debtors that remained outstanding as of 9/1/2009. The shareholder loan due from Andres Ordonez is included in the assets purchased by ComVest and is no longer owed to the Debtors. Also on this Schedule are two loans made to ISO's, various pre-paid expenses, and Settlement Assets. These Settlement Assets consist of amounts potentially owed to Cynergy from various merchants due to chargebacks, rejects, fines, and fees. The Settlement Assets listed on B18 are net of various funds owed to merchants and may ultimately be payable to the ISO rather than the Debtors.

Schedule B22. Patents, Copyrights, and Other Intellectual Property. Please refer to Exhibit A of the Global Notes for descriptions of these assets. All of these assets were included in the sale to Holdings.

Schedule B35. Other Personal Property. The Debtors believe they may be entitled to tax refunds because there was most likely an overpayment of taxes from prior years on behalf of certain of the Debtors' Shareholders.

11) Schedule D - Creditors Holding Secured Claims. The Debtors list these amounts as disputed because there is a slight variance between the Debtors' and Lenders' loan balance calculations. This variance is due to certain interest calculations and other fees. Please refer to Exhibit B for a description of Liens for each secured debt.

12) Schedule E - Creditors Holding Unsecured Priority Claims. The Debtors listed amounts owed as of the filing date to employees including; wage claims and earned unused vacation days. The amounts listed here are contingent because the Debtors may not be liable for these amounts if the purchaser assumes these liabilities. The amounts are also disputed because the Debtors cannot guarantee the accuracy of these amounts because they may not have been entirely earned by the employee as of the filing date.

13) Schedule F - Creditors Holding Unsecured Nonpriority Claims. The Debtors may owe amounts to: certain vendors for goods and services provided; merchants for unfunded rolling reserves; ISO's for commissions that have been withheld and unfunded EP Reserves; and a

former shareholder for amounts owed to him. There is also a Letter of Credit from Comerica Bank for \$165,000 that is scheduled as a contingent liability. All unsecured nonpriority items are listed as disputed because the Debtors cannot be certain that these amounts are accurate and are due and owing.

14) Schedule G - Unexpired Leases and Executory Contracts. The Debtors listed all contracts to which they may be a party. The Debtors lose merchants on a daily basis; therefore this list may reflect contracts that have been terminated.

15) Schedule H - Co-Debtors. Cynergy Data Holdings, Inc. is the parent company of Cynergy Data, LLC and is a Co-Debtor to all secured Debts owed by Cynergy Data, LLC. Cynergy Data, LLC wholly owns Cynergy Prosperity, LLC and is a Co-Debtor to the secured amounts owed by Cynergy Prosperity, LLC. Marcelo Paladini has a personal guarantee of up to \$10,000,000 of the secured debts listed on Schedule D.

16) Statements- Question 3 Payments to Creditors. 3(b) The Debtors attached five (5) check registers for each of their bank accounts that show all transfers made within ninety (90) days of the Petition Date. 3(c) The Debtors listed all transfers to or on behalf of each of the four current and former shareholders. These amounts consist of wages, housing payments, car payments, and payments made to various tax authorities to cover amounts owed by these shareholders. In most cases, the transfers were not made to the shareholder but instead directly to the payee on behalf of such shareholder. Other transfers may have been made on behalf of these shareholders that are not scheduled here.

17) Statements - Question 4(a) Suits and Administrative Proceedings. Attached as Exhibit C is a summary description of any litigation to which the Debtors have been a party in the past year.

18) Statements - Question 9 Payments Related to Debt Counseling or Bankruptcy. Transfers in this schedule include all payments made to those professionals that were retained in connection with these bankruptcy cases and FTI Consulting.

19) Statements - Question 10(a) Property Transferred within Two Years. The Debtors listed two transactions that occurred outside the ordinary course of business within the past two years. The first is the sale of 20% of the Debtors 37.5% stake in Transworks, LLC to Transworks, LLC for \$800,000. The second is the Debtors' purchase of John Martillo's remaining shares in the Debtors for \$31,500,000. Prior to this transaction with John Martillo, the Debtors purchased a large portion of his shares in April 2007 for \$15,000,000. This transaction is not listed here because it occurred more than two years prior to the Petition Date.

20) Statements - Question 13 Setoffs. On or about 6/26/2009, Harris Bank setoff \$6,665,607.86 to cover the underfunded QM reserve balance held at Harris Bank. This amount was setoff from the Debtors' monthly revenue received from Harris Bank each month.

21) Statements - Question 18 Ownership in Entities. All of the entities listed are partially owned by the Debtors and were included in the sale to Holdings.

22) Statements - Questions 19(a)(b)(c)(d) Bookkeeping, Accounting, Financial Statements. The Debtors listed those accounting and finance employees that held the position of either Controller or CFO within the past two years, those accounting and consulting firms that either audited or assisted with the preparation of financial statements within the past two years, the individuals and firms that were in possession of the books and records as of the filing date, and the lenders that were provided copies of the Debtors' financial statements. Please note that the Debtors did not include those firms and individuals that provided the Debtors' financial statements during the sale process.

23) Statements - Questions 21(b) and 22(b) Current and Former Directors, Officers, and Stockholders Owning more than 5%. Marcelo Paladini owns more than 5% of the Debtors and is a director of the Debtors. Andres Ordonez and Gustavo Ceballos own less than 5% but are managers of the Debtors and are therefore listed here.

24) Statements - Question 25 Pension Funds. The Debtors do not contribute to a Pension Fund but do participate in a 401(k) plan with their employees that is not listed here.

Exhibit C Litigation Overview

With approximately 72,000 merchants and over 500 active Independent Sales Organizations, it is not uncommon for Cynergy Data to receive claim letters from its clients seeking reimbursement of certain fees or losses. The vast majority of these claims are due to misunderstandings or miscommunications that are quickly resolved. Occasionally, some of the matters that cannot be resolved lead to litigation. Following is a summary of the material litigations which are currently pending:

(1) In June, 2009, Tribul Merchant Services, LLC, Second Source Funding, LLC and Sam Chanin (collectively ("Plaintiffs") filed suit in state court in New York, New York against Cynergy Data, LLC Cynergy Data's wholly owned subsidiary, Cynergy Prosperity Plus, LLC and three Cynergy Data executives. Plaintiffs' lawsuit was filed after Cynergy Prosperity Plus, LLC commenced foreclosure proceedings with regard to an \$8,000,000.00 loan to Second Source Funding, LLC that was in default. Plaintiffs' complaint seeks a judgment declaring that such default did not occur, seeks an accounting of fees and costs charged by Defendants to Plaintiffs and contains allegations of tortious interference with contractual relations. The Complaint seeks in excess of \$10,000,000.00 in compensatory damages. The Court dismissed this case on September 8, 2009, on administrative grounds. It is not presently known whether Plaintiffs will seek to restore the case or re-file, nor has Cynergy Data determined whether it will commence litigation against the Plaintiffs.

(2) In March, 2009, Kassap Family Limited Partnership and several related parties (collectively "Plaintiffs") commenced a lawsuit against Cynergy Data and various other defendants in state court in Baltimore, Maryland. Plaintiffs allege that Cynergy Data purchased a portfolio of merchants and a corresponding commission income stream that were subject to a security interest held by Plaintiffs. Those merchants are alleged to have served as a portion of the collateral for a loan that Plaintiffs made to Shimgil Holding ("Shimgil"), one of Cynergy Data's Independent Sales Organizations. The Complaint thus seeks a judgment declaring that the Plaintiffs have a first-priority security interest in the merchant commission income and that Cynergy Data must surrender proceeds generated from the income stream until such time as the Plaintiffs loans to Shimgil are paid in full. Cynergy Data has denied all allegations and contends that there was no evidence of a perfected security interest at the time Cynergy Data purchased the merchant portfolio at issue. The Plaintiffs' loans to Shimgil total \$2,150,000.00.

(3) On August 13, 2009, Cynergy Data received a Summons and Complaint from Merchant Processing Services Corp. ("MPS"), one of its Independent Sales Organizations ("ISO"), referable to an action commenced in state court in New York, New York. MPS alleges, *inter alia*, breach of its ISO Conduit Processing Agreement with Cynergy Data, dated September 27, 2007, and breach of a Settlement and Modification Agreement, dated June 24, 2009, and seeks damages amounting to \$340,481.18. Although a final determination has not yet been made, it is anticipated that Cynergy Data will, in its answer to the Complaint, assert a counterclaim in the amount of approximately \$1,550,000 by virtue of MPS's alleged failure to perform pursuant to a Residual Purchase Agreement entered into between the parties on October 15, 2008.

SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m). Do not include claims listed in Schedules D and E. If all creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H - Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "HWJC."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of all claims listed on this schedule in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding unsecured nonpriority claims to report on this Schedule F.
