Case Status Summary

10. During the Fee Period, the Debtors and their advisors have worked to resolve complex issues in these chapter 11 cases to preserve the Debtors' business and to maximize value for the Debtors' stakeholders. The Debtors, with the assistance of their advisors, have accomplished a great deal during the Fee Period, from both an administrative and operational perspective including, among other things: (a) conducting and completing an in-court marketing process that began prepetition; (b) engaging in numerous discussions with potential bidders regarding legal and operational matters; (c) reaching an agreement with the Purchaser, regarding the sale of substantially all of the Debtors' assets; (d) successfully negotiating a global settlement with the Committee and acquiring their support for the Plan; (e) obtaining Court approval of the sale of substantially all of the Debtors' assets to the Purchaser through the Plan; and (f) consummating the sale transaction to the Purchaser for a purchase price of \$775 million, subject to certain adjustments, thereby maximizing the value of the Debtors' estates and ensuring the smooth transition of operations and customers to the Purchaser.

11. The Debtors, as advised by K&E, were able to work with stakeholders consensually to resolve nearly all issues throughout these chapter 11 cases and therefore appeared in court on only three occasions: the first day hearing, the Disclosure Statement Hearing, and the Confirmation Hearing. Given the Debtors' accomplishments during the Fee Period and the complexities of these chapter 11 cases, K&E submits that the compensation and expense reimbursement sought herein for the necessary and beneficial professional services K&E provided to the Debtors during the Fee Period is reasonable and appropriate, commensurate with the scale, nature, and complexity of these chapter 11 cases, and should be approved.

The Debtors' Retention of K&E

12. On July 18, 2023, the Court entered the *Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023* [Docket No. 289] (the "Retention Order"), attached hereto as **Exhibit B** and incorporated by reference. The Retention Order authorizes the Debtors to compensate and reimburse K&E in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and the Administrative Fee Order. The Retention Order also authorizes the Debtors to compensate K&E at K&E's hourly rates charged for services of this type and to reimburse K&E for K&E's actual and necessary out-of-pocket expenses incurred, subject to application to this Court. The particular terms of K&E's engagement are detailed in the engagement letter by and between K&E and the Debtors, effective as of March 7, 2023, and attached hereto as **Exhibit C** (the "Engagement Letter").

13. The Retention Order authorizes K&E to provide the following services consistent with and in furtherance of the services enumerated above:

- a. advising the Debtors with respect to their powers and duties as debtors-in-possession in the continued management and operation of their businesses and properties;

- b. preparing pleadings, including motions, applications, answers, orders, reports, and papers necessary or otherwise beneficial to the administration of the Debtors' estates and consistent with the services identified in the Retention Order;
- c. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates before those courts in connection with the services in the Retention Order; and
- d. performing all other legal services reasonably necessary or otherwise beneficial for the Debtors in connection with these chapter 11 cases.

Disinterestedness of K&E

14. To the best of the Debtors' knowledge and as disclosed in the *Declaration of Christopher Marcus in Support of the Debtors' Application for the Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023*, attached as Exhibit B to the Retention Application (as defined herein); the *Supplemental Declaration of Christopher Marcus in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023* [Docket No. 481]; the *Second Supplemental Declaration of Christopher Marcus in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023* [Docket No. 752]; the *Third Supplemental Declaration of Christopher Marcus in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023* [Docket No. 798]; and the *Fourth Supplemental Declaration of Christopher Marcus in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of*

Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023, filed contemporaneously herewith (collectively, the “K&E Declarations”), (a) K&E is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors’ estates and (b) K&E has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the K&E Declarations.

15. K&E may have in the past represented, may currently represent, and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these chapter 11 cases. In the K&E Declarations, K&E disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts.

16. K&E performed the services for which it is seeking compensation on behalf of the Debtors and their estates, and not on behalf of any committee, creditor, or other entity.

17. Except to the extent of the advance payments paid to K&E that K&E previously disclosed to this Court in the K&E Declarations, K&E has received no payment and no promises for payment from any source other than the Debtors for services provided or to be provided in any capacity whatsoever in connection with these chapter 11 cases.

18. Pursuant to Bankruptcy Rule 2016(b), K&E has not shared, nor has K&E agreed to share (a) any compensation it has received or may receive with another party or person other than with the partners, counsel, and associates of K&E or (b) any compensation another person or party has received or may receive.

Summary of Compliance with Administrative Fee Order

19. This Fee Application has been prepared in accordance with the Administrative Fee Order, Article II.C of the Plan, and the Confirmation Order.

20. In accordance with the Administrative Fee Order, as of the date hereof, K&E has received payments totaling \$10,684,016.93 (\$10,505,639.20 of which was for services provided and \$178,377.73 of which was for reimbursement of expenses) for the Fee Period. Accordingly, by this Fee Application, and to the extent such amounts have not been paid by the time of the hearing on this Fee Application, K&E seeks payment of the remaining \$3,969,247.68, which amount represents the entire amount of unpaid fees and expenses incurred between June 4, 2023, and November 17, 2023.²

21. K&E seeks final allowance and approval of compensation for professional services rendered to the Debtors during the Fee Period in the aggregate amount of \$14,459,426.00 and reimbursement of actual expenses incurred in connection with such services in the aggregate amount of \$193,838.61, for a total allowance of \$14,653,264.61 for fees and expenses incurred. To date, K&E has received total payment of \$10,505,639.20 for legal services rendered to the Debtors and \$178,377.73 for related expenses during the Fee Period pursuant to the Administrative Fee Order.

Fees and Expenses Incurred During Fee Period

A. Customary Billing Disclosures.

22. K&E's hourly rates are set at a level designed to compensate K&E fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates and corresponding rate structure utilized by K&E in these chapter 11 cases are equivalent to the hourly rates and corresponding rate structure used by K&E for other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such

² This amount also reflects the 20% holdback for the Fee Period.

restructuring and other complex matters typically are national in scope and typically involve great complexity, high stakes, and severe time pressures. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit D** is a summary of blended hourly rates for timekeepers who billed to non-bankruptcy matters and blended hourly rates for timekeepers who billed to the Debtors during the Fee Period.

B. Fees Incurred During Fee Period.

23. In the ordinary course of K&E's practice, K&E maintains computerized records of the time expended to render the professional services required by the Debtors and their estates. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit E** is a summary of fees incurred and hours expended during the Fee Period, setting forth the following information:

- the name of each attorney and paraprofessional for whose work on these chapter 11 cases compensation is sought;
- each attorney's year of bar admission and area of practice concentration;
- the aggregate time expended and fees billed by each attorney and each paraprofessional during the Fee Period;
- the hourly billing rate for each attorney and each paraprofessional at K&E's current billing rates;
- the hourly billing rate for each attorney and each paraprofessional as disclosed in the first interim application;
- the number of rate increases since the inception of the case; and
- a calculation of total compensation requested using the rates disclosed in the *Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP and Kirkland & Ellis International LLP as Attorneys for the Debtors and Debtors in Possession Effective as of June 4, 2023* [Docket No. 194] (the "**Retention Application**").

C. Expenses Incurred During Fee Period.

24. In the ordinary course of K&E's practice, K&E maintains a record of expenses incurred in the rendition of the professional services required by the Debtors and their estates and for which reimbursement is sought. K&E currently charges \$0.16 per page for standard duplication in its offices in the United States. Notwithstanding the foregoing and consistent with the Local Bankruptcy Rules, K&E charged no more than \$0.10 per page for standard duplication services in these chapter 11 cases. K&E does not charge its clients for incoming facsimile transmissions.

25. For the convenience of the Court and all parties in interest, attached hereto as **Exhibit F** is a summary for the Fee Period, setting forth the total amount of reimbursement sought with respect to each category of expenses for which K&E is seeking reimbursement.

Summary of Legal Services Rendered During the Fee Period

26. As discussed above, during the Fee Period, K&E provided extensive and important professional services to the Debtors in connection with these chapter 11 cases. These services were often performed under severe time constraints and were necessary to address a multitude of critical issues both unique to these chapter 11 cases and typically faced by large corporate debtors in similar cases of this magnitude and complexity.

27. To provide a meaningful summary of K&E's services provided on behalf of the Debtors and their estates, K&E has established, in accordance with its internal billing procedures, certain subject matters categories (each, a "Matter Category") in connection with these chapter 11 cases. The following is a summary of the fees and hours billed for each Matter Category in the

³ In certain instances, K&E may have billed the same amount of fees, but different number of hours to different Matter Categories. This difference is the result of different staffing of each such Matter Category.

28. The following is a summary, by Matter Category, of the most significant professional services provided by K&E during the Fee Period. This summary is organized in accordance with K&E's internal system of matter numbers. The detailed descriptions demonstrate that K&E was heavily involved in performing services for the Debtors on a daily basis, often including night and weekend work, to meet the needs of the Debtors' estates in these chapter 11 cases. A schedule setting forth a description of the Matter Categories utilized in this case, the number of hours expended by K&E partners, associates and paraprofessionals by matter, and the aggregate fees associated with each matter is attached hereto as **Exhibit G**.

29. In addition, K&E's computerized records of time expended providing professional services to the Debtors and their estates are attached hereto as **Exhibit H**, and K&E's records of expenses incurred during the Fee Period in the rendition of professional services to the Debtors and their estates are attached as **Exhibit I**.

(a) **Chapter 11 Filing [Matter No. 4]**

Total Fees: \$357,497.50
Total Hours: 391.70

30. This Matter Category includes time spent by K&E attorneys and paraprofessionals providing services related to the filing of the Debtors' chapter 11 petitions and various "first day" pleadings and related notices during the initial days of these chapter 11 cases, including, without limitation, (a) reviewing and revising the Debtors' petitions and "first day" motions, proposed orders, affidavits and notices; and (b) preparing for the "first day" hearing, including drafting hearing notes and related materials and preparing potential witnesses in connection with certain of the first day motions.

31. Specifically, the Debtors filed several motions seeking orders authorizing the Debtors to pay various prepetition claims. Entry of these orders eased the strain on the Debtors'

relationships with employees, vendors, customers, and taxing authorities as a consequence of the commencement of these chapter 11 cases. Actual and Necessary Expenses Incurred by K&E

61. As set forth in **Exhibit H** attached hereto, and as summarized in **Exhibit F** attached hereto, K&E has incurred a total of \$193,838.61 in expenses on behalf of the Debtors during the Fee Period. These charges are intended to reimburse K&E's direct operating costs, which are not incorporated into the K&E hourly billing rates. K&E charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit H** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by K&E

A. Reasonable and Necessary Fees Incurred in Providing Services to the Debtors.

62. The foregoing professional services provided by K&E on behalf of the Debtors during the Fee Period were reasonable, necessary, and appropriate to the administration of these chapter 11 cases and related matters.

63. Many of the services performed by partners and associates of K&E were provided by K&E's Restructuring Group. K&E has a prominent practice in this area and enjoys a national and international reputation for its expertise in financial reorganizations and restructurings of troubled companies, with over 175 attorneys focusing on this area of the law. The attorneys at K&E have represented either the debtor or the creditors' committee or have acted as special counsel in many large chapter 11 cases.

64. In addition, due to the facts and circumstances of these chapter 11 cases, attorneys from K&E's litigation, corporate, and tax groups were heavily involved with K&E's representation

of the Debtors. These practice groups also enjoy a national and international reputation for their expertise. Overall, K&E brings to these chapter 11 cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

B. Reasonable and Necessary Expenses Incurred in Providing Services to the Debtors.

65. The time constraints imposed by the circumstances of these chapter 11 cases required K&E attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of the Debtors. These services were essential to meet deadlines, respond to daily inquiries from various creditors and other parties in interest on a timely basis, and satisfy the demands of the Debtors' businesses and ensure the orderly administration of their estates. Consistent with firm policy, and as further disclosed in the Retention Application, K&E attorneys and other K&E employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. K&E's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

66. In addition, due to the location of the Debtors' businesses, co-counsel, creditors, and other parties in interest in relation to K&E's offices, frequent multi-party telephone conferences involving numerous parties were required. On many occasions, the exigencies and circumstances of these chapter 11 cases required overnight delivery of documents and other materials. The disbursements for such services are not included in K&E's overhead for the purpose of setting billing rates and K&E has made every effort to minimize its disbursements in these chapter 11 cases. The actual expenses incurred in providing professional services were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors in these chapter 11 cases.

67. Among other things, K&E makes sure that all overtime meals, travel meals, hotel rates, and airfares are reasonable and appropriate expenses for which to seek reimbursement. Specifically, K&E regularly reviews its bills to ensure that the Debtors are only billed for services that were actual and necessary and, where appropriate, prorates expenses. In that regard, K&E will waive certain fees and reduce its expenses if necessary. In the Fee Period, K&E voluntarily reduced its fees by \$183,732.50 and expenses by \$1,352.50. Consequently, K&E does not seek payment of such fees or reimbursement of such expenses in the Fee Application.

K&E’s Requested Compensation and Reimbursement Should be Allowed

68. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (e) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and expertise in the bankruptcy field; and
- (f) whether the compensation is reasonable based on

the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

69. In determining the reasonableness of fees, courts routinely “employ the twelve factors set forth in *Johnson v. Ga. Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974).” *Staiano v. Cain (In re Lan Assocs. XI, L.P.)*, 192 F.3d 109, 123 (3d Cir. 1999); *see In re Redington*, No. 16-18407, 2018 WL 6444387, at *8 (Bankr. D.N.J. Dec. 6, 2018) (applying the *Johnson* factors). These factors include: (1) the time and labor required; (2) the novelty and difficulty of the questions; (3) the skill requisite to perform the legal service properly; (4) the preclusion of employment by the attorney due to acceptance of the case; (5) the customary fee; (6) whether the fee is fixed or contingent; (7) time limitations imposed by client or the circumstances; (8) the amount involved and the results obtained; (9) the experience, reputation and ability of the attorneys; (10) the undesirability of the case; (11) the nature and length of the professional relationship with the client; and (12) awards in similar cases. *Lan Assocs.*, 192 F.3d at 123 n.8.

70. In addition, Section 331 of the Bankruptcy Code provides that a debtor’s attorney employed under section 327 of the Bankruptcy Code may apply to the Court for interim compensation not more than once every 120 days after an order for relief in a case under chapter 11. *See* 11 U.S.C. § 331.

71. In the instant case, K&E devoted a substantial amount of time and effort to addressing the numerous issues involved in these chapter 11 cases. K&E respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, believed to be necessary to effectively represent the Debtors, and were performed economically, effectively, and efficiently. Because K&E’s services benefitted the Debtors’ estates, K&E respectfully submits that it performed “actual and necessary” services compensable under Section

330 of the Bankruptcy Code.

72. Further, K&E submits that consideration of the relevant factors enumerated in *Lan Assocs.*, 192 F.3d at 123 n.8, establishes that the compensation requested is reasonable in light of the nature, extent, and value of such services to the Debtor:

- a. *The Time and Labor Required.* The professional services rendered by K&E on behalf of the Debtors have required the expenditure of substantial time and effort, as well as a high degree of professional competence and expertise, in order to address the many complex issues encountered by the Debtors in these cases with skill and dispatch. K&E respectfully represents that the services rendered by it were performed efficiently, effectively and economically.
- b. *The Novelty and Difficulty of Questions.* These large, although efficient and non-contentious, cases presented several complex questions of law, both generally and with respect to other comparable bankruptcy cases. For instance, K&E guided and advised the Debtors on: (i) maintaining customer services and business operations while effectuating a multinational lease footprint optimization process; (ii) receiving an aggregate of \$785 million in recovery to the Debtors' estates through facilitation of the disposition of the Debtors' assets through two sale transactions and multiple lease amendments; and (iii) negotiating and achieving Court approval of the continuation of the receivables program, thereby ensuring the Debtors' access to an important source of liquidity. K&E's efforts in the face of these unique and complex challenges faced by the Debtors resulted in confirmation of a chapter 11 plan that had the support of nearly all of the Debtors' key stakeholders.
- c. *The Skill Required to Perform the Legal Services Properly.* K&E believes that its recognized expertise in the area of insolvency proceedings and reorganization contributes to the efficient and effective representation of the Debtors in these chapter 11 cases.
- d. *The Preclusion of Other Employment by Applicant Due to Acceptance of the Case.* K&E's representation of the Debtors did not preclude its acceptance of new clients. However, the complex issues that arose in these cases required attention on a continuing basis, requiring K&E's professionals to commit significant portions of their time to these chapter 11 cases.
- e. *The Customary Fee.* The fee sought herein is based on K&E's normal hourly rates for services of this kind. K&E respectfully submits that the hourly rates of its professionals are not unusual given the time expended in attending to the representation of the Debtors. K&E's hourly rates and the

fees requested herein are commensurate with fees K&E has been awarded in other chapter 11 cases, as well as with fees charged by other attorneys of comparable experience.

- f. Whether the Fee is Fixed or Contingent. Not applicable.
- g. Time Limitations Imposed by Client or other Circumstances. Not applicable.
- h. The Amount Involved and Results Obtained. K&E respectfully submits that the amount of fees for which compensation is sought is reasonable under the circumstances given the numerous, complex issues that had to be addressed during the Fee Period.
- i. The Experience, Reputation and Ability of the Attorneys. K&E is a professional association that practices extensively in the fields of, among many others, bankruptcy and corporate restructuring, litigation, real estate, tax, corporate, finance, and employment. K&E has represented debtors, creditors, fiduciaries, and numerous other parties in hundreds of cases in various Bankruptcy Courts throughout the country.
- j. The Undesirability of the Case. Not applicable.
- k. The Nature and Length of Professional Relationship. K&E represented the Debtors and certain of their affiliates in connection with certain corporate matters, as well as in certain restructuring transactions and these bankruptcy cases, since November 2021.
- l. Awards in Similar Cases. As previously indicated, the fees sought herein are commensurate with fees K&E has been awarded in other chapter 11 cases.

73. K&E respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. K&E further believes that it performed the services for the Debtors economically, effectively, and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the Debtors' constituents. K&E further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

74. During the Fee Period, K&E's hourly billing rates for attorneys ranged from

\$685.00 to \$2,245.00. The hourly rates and corresponding rate structure utilized by K&E in these chapter 11 cases are equivalent to the hourly rates and corresponding rate structure used by K&E for restructuring, workout, bankruptcy, insolvency, and comparable matters, and similar complex corporate, securities, and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. K&E strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes, and severe time pressures—all of which were present in these chapter 11 cases.

75. Moreover, K&E's hourly rates are set at a level designed to compensate K&E fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

76. In sum, K&E respectfully submits that the professional services provided by K&E on behalf of the Debtors and their estates during these chapter 11 cases were necessary and appropriate given the complexity of these chapter 11 cases, the time expended by K&E, the nature and extent of K&E's services provided, the value of K&E's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, K&E respectfully submits that approval of the compensation sought herein is warranted and should be approved.

77. No previous application for the relief sought herein has been made to this or any other Court.

Reservation of Rights and Notice

78. It is possible that some professional time expended, or expenses incurred, during

the Fee Period are not reflected in the Fee Application. K&E reserves the right to include such amounts in future fee applications. In addition, the Debtors have provided notice of this Fee Application to: (a) the U.S. Trustee for the District of New Jersey; (b) Gibson, Dunn & Crutcher LLP, as counsel to the Ad Hoc First Lien Group of the Debtors' prepetition term loan facilities; (c) the Committee; (d) the agents under each of the Debtors' prepetition secured credit facilities and counsel thereto; (e) the office of the attorney general for each of the states in which the Debtors operate; (f) the United States Attorney's Office for the District of New Jersey; (g) the Securities and Exchange Commission; (h) the Internal Revenue Service; and (i) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "Notice Parties"). Pursuant to the Administrative Fee Order, any party, other than the Notice Parties, that wishes to object to the Fee Application, must file its objection with the Court, with a copy to Chambers and serve it on the affected professional and the Notice Parties so that it is actually received on or before February 8, 2024, at 4:00 p.m. (Prevailing Eastern Time).

No Prior Request

79. No prior application for the relief requested herein has been made to this or any other court.

[Remainder of Page Intentionally Left Blank]

WHEREFORE, K&E respectfully requests that the Court enter an order (a) awarding K&E final allowance and approval of compensation for professional and paraprofessional services provided during the Fee Period in the amount of \$14,459,426.00, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$193,838.61; (b) authorizing and directing the Debtors to remit payment to K&E for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

Re: Retention to Provide Legal Services

Dear Mr. Semah:

We are very pleased that you have asked us to represent Cyxtera Technologies Inc. and each of its wholly or partially owned subsidiaries (collectively, "Client") in connection with a potential restructuring. Please note, the Firm's representation is only of Client; the Firm does not and will not represent any direct or indirect shareholder, director, officer, partner, employee, affiliate, or joint venturer of Client or of any other entity.

General Terms. This retention letter (this "Agreement") sets forth the terms of Client's retention of Kirkland & Ellis LLP (and its affiliated entity Kirkland & Ellis International LLP (collectively, the "Firm")) to provide legal services and constitutes an agreement between the Firm and Client (the "Parties"). This Agreement (notwithstanding any guidelines for outside counsel that Client may provide to the Firm) sets forth the Parties' entire agreement for rendering professional services for the current matter, as well as for all other existing or future matters (collectively, the "Engagement"), except where the Parties otherwise agree in writing.

Fees. The Firm will bill Client for fees incurred at its regular hourly rates and in quarterly increments of an hour (or in smaller time increments as otherwise required by a court). The Firm reserves the right to adjust the Firm's billing rates from time to time in the ordinary course of the Firm's representation of Client.

Although the Firm will attempt to estimate fees to assist Client in Client's planning if requested, such estimates are subject to change and are not binding unless otherwise expressly and unequivocally stated in writing.

secretarial overtime, and other overtime expenses, postage, express mail, and messenger charges, deposition costs, computerized legal research charges, and other computer services, and miscellaneous other charges. Client shall pay directly (and is solely responsible for) certain larger costs, such as consultant or expert witness fees and expenses, and outside suppliers' or contractors' charges, unless otherwise agreed by the Parties. By executing this Agreement below, Client agrees to pay for all charges in accordance with the Firm's schedule of charges, a copy of which is attached hereto at Schedule I, as revised from time to time.

Billing Procedures. The Firm's statements of fees and expenses are typically delivered monthly, but the Firm reserves the right to alter the timing of delivering its statements depending on circumstances. Client may have the statement in any reasonable format it chooses, but the Firm will select an initial format for the statement unless Client otherwise requests in writing. Depending on the circumstances, however, estimated or summary statements may be provided, with time and expense details to follow thereafter.

Retainer. Client agrees to provide to the Firm an "advance payment retainer," as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct, *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007), and *In re Caesars Entm't Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein), in the amount of \$500,000. In addition, Client agrees to provide one or more additional advance payment retainers upon request by the Firm so that the amount of any advance payment retainers remains at or above the Firm's estimated fees and expenses. The Firm may apply the advance payment retainers to any outstanding fees as services are rendered and to expenses as they are incurred. Client understands and acknowledges that any advance payment retainers are earned by the Firm upon receipt, any advance payment retainers become the property of the Firm upon receipt, Client no longer has a property interest in any advance payment retainers upon the Firm's receipt, any advance payment retainers will be placed in the Firm's general account and will not be held in a client trust account, and Client will not earn any interest on any advance payment retainers; provided, however, that solely to the extent required under applicable law, at the conclusion of the Engagement, if the amount of any advance payment retainers held by the Firm is in excess of the amount of the Firm's outstanding and estimated fees, expenses, and costs, the Firm will pay to Client the amount by which any advance payment retainers exceed such fees, expenses, and costs. Client further understands and acknowledges that the use of advance payment retainers is an integral condition of the Engagement, and is necessary to ensure that: Client continues to have access to the Firm's services; the Firm is compensated for its representation of Client; the Firm is not a pre-petition creditor in the event of a Restructuring Case; and that in light of the foregoing, the provision of the advance payment retainers is in Client's best interests. The fact that Client has provided the Firm with an advance payment retainer does not affect Client's right to terminate the client-lawyer relationship.

CONFIDENTIAL

Please be advised that there is another type of retainer known as a “security retainer,” as defined in *Dowling v. Chicago Options Assoc.*, 875 N.E.2d at 1018, and *In re Caesars Entm’t Operating Co., Inc.*, No. 15-01145 (ABG) (Bankr. N.D. Ill. May 28, 2015) (and cases cited therein). A security retainer remains the property of the client until the lawyer applies it to charges for services that are actually rendered and expenses that are incurred. Any unearned funds are then returned to the client. In other circumstances not present here, the Firm would consider a security retainer and Client’s funds would be held in the Firm’s segregated client trust account until applied to pay fees and expenses. Funds in a security retainer, however, can be subject to claims of Client’s creditors and, if taken by creditors, may leave Client unable to pay for ongoing legal services, which may result in the Firm being unable to continue the Engagement. Moreover, a security retainer creates clawback risks for the Firm in the event of an insolvency proceeding. The choice of the type of retainer to be used is Client’s choice alone, but for the Engagement and for the reasons set forth above, the Firm is unwilling to represent Client in the Engagement without using the advance payment retainer.

Termination. The Engagement may be terminated by either Party at any time by written notice by or to Client. The Engagement will end at the earliest of (a) Client’s termination of the Engagement, (b) the Firm’s withdrawal, and (c) the substantial completion of the Firm’s substantive work. If permission for withdrawal is required by a court, the Firm shall apply promptly for such permission, and termination shall coincide with the court order for withdrawal. If this Agreement or the Firm’s services are terminated for any reason, such termination shall be effective only to terminate the Firm’s services prospectively and all the other terms of this Agreement shall survive any such termination.

Upon cessation of the Firm’s active involvement in a particular matter (even if the Firm continues active involvement in other matters on Client’s behalf), the Firm will have no further duty to inform Client of future developments or changes in law as may be relevant to such matter. Further, unless the Parties mutually agree in writing to the contrary, the Firm will have no obligation to monitor renewal or notice dates or similar deadlines that may arise from the matters for which the Firm had been retained.

Cell Phone and E-Mail Communication. The Firm hereby informs Client and Client hereby acknowledges that the Firm’s attorneys sometimes communicate with their clients and their clients’ professionals and agents by cell telephone, that such communications are capable of being intercepted by others and therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client does not wish the Firm to discuss privileged matters on cell telephones with Client or Client’s professionals or agents.

The Firm hereby informs Client and Client hereby acknowledges that the Firm’s attorneys sometimes communicate with their clients and their clients’ professionals and agents by unencrypted e-mail, that such communications are capable of being intercepted by others and

therefore may be deemed no longer protected by the attorney-client privilege, and that Client must inform the Firm if Client wishes to institute a system to encode all e-mail between the Firm and Client or Client's professionals or agents.

File Retention. All records and files will be retained and disposed of in compliance with the Firm's policy in effect from time to time. Subject to future changes, it is the Firm's current policy generally not to retain records relating to a matter for more than five years. Upon Client's prior written request, the Firm will return client records that are Client's property to Client prior to their destruction. Although we will return your records (i.e., your client file) to you at any time upon your written request, you agree that your client file will not include our Firm's internal files including administrative materials, internal communications, and drafts. It is not administratively feasible for the Firm to advise Client of the closing of a matter or the disposal of records. The Firm recommends, therefore, that Client maintain Client's own files for reference or submit a written request for Client's client files promptly upon conclusion of a matter. Notwithstanding anything to the contrary herein, Client acknowledges and agrees that any applicable privilege of Client (including any attorney-client and work product privilege or any duty of confidentiality) (collectively, the "Privileges") belongs to Client alone and not to any successor entity (including without limitation the Client after a change in control or other similar restructuring or non-restructuring transaction (including without limitation a reorganized Client after the effective date of a plan of reorganization), whether through merger, asset or equity sale, business combination, or otherwise, irrespective of whether such transaction occurs in a Restructuring Case or on an out-of-court basis (in each case, a "Transaction")). Client hereby waives any right, title, and interest of such successor entity to all information, data, documents, or communications in any format covered by the Privileges that is in the possession of the Firm ("Firm Materials"), to the extent that such successor entity had any right, title, and interest to such Firm Materials. For the avoidance of doubt, Client agrees and acknowledges that after a Transaction, such successor entity shall have no right to claim or waive the Privileges or request the return of any such Firm Materials; instead, such Firm Materials shall remain in the Firm's sole possession and control for its exclusive use, and the Firm will (a) not waive any Privileges or disclose the Firm Materials, (b) take all reasonable steps to ensure that the Privileges survive and remain in full force and effect, and (c) assert the Privileges to prevent disclosure of any Firm Materials.

Data Protection. You further agree that, if you provide us with personal data, you have complied with applicable data protection legislation and that we may process such personal data in accordance with our Data Transfer and Privacy Policy at www.kirkland.com. We process your personal data in order to (i) carry out work for you; (ii) share the data with third parties such as expert witnesses and other professional advisers if our work requires; (iii) comply with applicable laws and regulations and (iv) provide you with information relating to our Firm and its services.

Conflicts of Interest. As is customary for a law firm of the Firm's size, there are numerous business entities, with which Client currently has relationships, that the Firm has represented or currently represents in matters unrelated to Client. The Firm notes that the Firm currently represents or has represented BC Partners Advisors LP and/or their affiliates (collectively, the "Interested Parties") and will continue to do so in such unrelated matters. Because Client is engaged in activities (and may in the future engage in additional activities) in which Client's interests may diverge from those of the Interested Parties or the Firm's other clients, the possibility exists that the Interested Parties or one of the Firm's clients may take positions adverse to Client.

Further, in undertaking the representation of Client, the Firm wants to be fair not only to Client's interests but also to those of the Firm's other clients. Because Client is engaged in activities (and may in the future engage in additional activities) in which its interests may diverge from those of the Firm's other clients, the possibility exists that one of the Firm's current or future clients may take positions adverse to Client (including litigation or other dispute resolution mechanisms) in a matter in which such other client may have retained the Firm or one of Client's adversaries may retain the Firm in a matter adverse to another entity or person.

In the event a present conflict of interest exists between Client and the Firm's other clients or in the event one arises in the future, Client agrees to waive any such conflict of interest or other objection that would preclude the Firm's representation of another client (a) in other current or future matters substantially unrelated to the Engagement or (b) other than during a Restructuring Case (as defined below), in other matters related to Client (such representation an "Allowed Adverse Representation"). By way of example, such Allowed Adverse Representations might take the form of, among other contexts: litigation (including arbitration, mediation and other forms of dispute resolution); transactional work (including consensual and non-consensual merger, acquisition, and takeover situations, financings, and commercial agreements); counseling (including advising direct adversaries and competitors); and restructuring (including bankruptcy, insolvency, financial distress, recapitalization, equity and debt workouts, and other transactions or adversarial adjudicative proceedings related to any of the foregoing and similar matters).

Client also agrees that it will not, for itself or any other entity or person, assert that either (i) the Firm's representation of Client or any of Client's affiliates in any past, present, or future matter or (ii) the Firm's actual or possible possession of confidential information belonging to Client or any of Client's affiliates is a basis to disqualify the Firm from representing another entity or person in any Allowed Adverse Representation. Client further agrees that any Allowed Adverse Representation does not breach any duty that the Firm owes to Client or any of Client's affiliates. Client also agrees that the Firm's representation in the Engagement is solely of Client and that no member or other entity or person related to it (such as a shareholder, parent,

KIRKLAND & ELLIS LLP

Victor Semah

Page 6

CONFIDENTIAL

subsidiary, affiliate, director, officer, partner, employee, or joint venturer) has the status of a client for conflict of interest purposes.

In addition, if a waiver of a conflict of interest necessary to allow the Firm to represent another client in a matter that is not substantially related to the Engagement is not effective for any reason, Client agrees that the Firm may withdraw from the Engagement. Should that occur, Client will not, for itself or any other entity or person, seek to preclude such termination of services or assert that either (a) the Firm's representation of Client or any of Client's affiliates in any past, present, or future matter or (b) the Firm's actual or possible possession of confidential information belonging to Client or any of Client's affiliates is a basis to disqualify the Firm from representing such other client or acting on such adverse matter.

It is important that you review this letter carefully and consider all of the advantages and disadvantages of waiving certain conflicts of interests that would otherwise bar the Firm from representing parties with interests adverse to you during the time in which the Firm is representing you. You also understand that because this waiver includes future issues and future clients that are unknown and unknowable at this time, it is impossible to provide you with any more details about those prospective clients and matters. Thus, in choosing to execute this waiver, you have recognized the inherent uncertainty about the array of potential matters and clients the Firm might take on in matters that are adverse to you but have nonetheless decided it is in your interest to waive conflicts of interest regarding the Allowed Adverse Representations and waive rights to prohibit the Firm's potential withdrawal should a conflict waiver prove ineffectual.

The Firm informs Client that certain entities owned by current or former Firm attorneys and senior staff ("attorney investment entities") have investments in funds or companies that may, directly or indirectly, be affiliated with Client, hold investments in Client's debt or equity securities, may be adverse to Client, or conduct commercial transactions with Client (each, a "Passive Holding"). The attorney investment entities are passive and have no management or other control rights in such funds or companies. The Firm notes that other persons may in the future assert that a Passive Holding creates, in certain circumstances, a conflict between the Firm's exercise of its independent professional judgment in rendering advice to Client and the financial interest of Firm attorneys participating in the attorney investment entities, and such other persons might seek to limit Client's ability to use the Firm to advise Client on a particular matter. While the Firm cannot control what a person might assert or seek, the Firm believes that the Firm's judgment will not be compromised by virtue of any Passive Holding. Please let us know if Client has any questions or concerns regarding the Passive Holdings. By executing this letter, Client acknowledges the Firm's disclosure of the foregoing.

Restructuring Cases. If it becomes necessary for Client to commence a restructuring case under chapter 11 of the U.S. Bankruptcy Code (a "Restructuring Case"), the Firm's ongoing

employment by Client will be subject to the approval of the court with jurisdiction over the petition. If necessary, the Firm will take steps necessary to prepare the disclosure materials required in connection with the Firm's retention as lead restructuring counsel. In the near term, the Firm will begin conflicts checks on potentially interested parties as provided by Client.

If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties (the "Disclosure Schedule"). The Firm will give Client a draft of the Disclosure Schedule once it is available. Although the Firm believes that these relationships do not constitute actual conflicts of interest, these relationships must be described and disclosed in Client's application to the court to retain the Firm.

If in the Firm's determination a conflict of interest arises in Client's Restructuring Case requiring separate conflicts counsel, then Client will be required to use separate conflicts counsel in those matters.

No Guarantee of Success. It is impossible to provide any promise or guarantee about the outcome of Client's matters. Nothing in this Agreement or any statement by Firm staff or attorneys constitutes a promise or guarantee. Any comments about the outcome of Client's matter are simply expressions of judgment and are not binding on the Firm.

Consent to Use of Information. In connection with future materials that, for marketing purposes, describe facets of the Firm's law practice and recite examples of matters the Firm handles on behalf of clients, Client agrees that, if those materials avoid disclosing Client's confidences and secrets as defined by applicable ethical rules, they may identify Client as a client, may contain factual synopses of Client's matters, and may indicate generally the results achieved.

Reimbursement of Fees and Expenses. Client agrees to promptly reimburse the Firm for all internal or external fees and expenses, including the amount of the Firm's attorney and paralegal time at normal billing rates, as incurred by the Firm in connection with participating in, preparing for, or responding to any action, claim, objection, suit, or proceeding brought by or against any third-party that relates to the legal services provided by the Firm under this Agreement. Without limiting the scope of the foregoing, and by way of example only, this paragraph extends to all such fees and expenses incurred by the Firm: in responding to document subpoenas, and preparing for and testifying at depositions and trials; and with respect to the filing, preparation, prosecution or defense of any applications by the Firm for approval of fees and expenses in a judicial, arbitral, or similar proceeding. Further, Client understands, acknowledges, and agrees that in connection with a Restructuring Case, if Client has not objected to the payment of a Firm invoice or to a Firm fee and expense application, has in fact paid such invoice, or has approved such fee and expense application, then Client waives its right (and the

right of any successor entity as a result of a Transaction or otherwise) to subsequently object to the payment of fees and expenses covered by such invoice or fee application.

LLP. Kirkland & Ellis LLP is a limited liability partnership organized under the laws of Illinois, and Kirkland & Ellis International LLP is a limited liability partnership organized under the laws of Delaware. Pursuant to those statutory provisions, an obligation incurred by a limited liability partnership, whether arising in tort, contract or otherwise, is solely the obligation of the limited liability partnership, and partners are not personally liable, directly or indirectly, by way of indemnification, contribution, assessment or otherwise, for such obligation solely by reason of being or so acting as a partner.

Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois, without giving effect to the conflicts of law principles thereof.

Miscellaneous. This Agreement sets forth the Parties' entire agreement for rendering professional services. It can be amended or modified only in writing and not orally or by course of conduct. Each Party signing below is jointly and severally responsible for all obligations due to the Firm and represents that each has full authority to execute this Agreement so that it is binding. This Agreement may be signed in one or more counterparts and binds each Party countersigning below, whether or not any other proposed signatory ever executes it. If any provision of this Agreement or the application thereof is held invalid or unenforceable, the invalidity or unenforceability shall not affect other provisions or applications of this Agreement which can be given effect without such provisions or application, and to this end the provisions of this Agreement are declared to be severable. Any agreement or waiver contained herein by Client extends to any assignee or successor in interest to Client, including without limitation the reorganized Client upon and after the effective date of a plan of reorganization in a Restructuring Case.

This Agreement is the product of arm's-length negotiations between sophisticated parties, and Client acknowledges that it is experienced with respect to the retention of legal counsel. Therefore, the Parties acknowledge and agree that any otherwise applicable rule of contract construction or interpretation which provides that ambiguities shall be construed against the drafter (and all similar rules of contract construction or interpretation) shall not apply to this Agreement. The Parties further acknowledge that the Firm is not advising Client with respect to this Agreement because the Firm would have a conflict of interest in doing so, and that Client has consulted (or had the opportunity to consult) with legal counsel of its own choosing. Client further acknowledges that Client has entered into this Agreement and agreed to all of its terms and conditions voluntarily and fully-informed, based on adequate information and Client's own independent judgment. The Parties further acknowledge that they intend for this Agreement to be effective and fully enforceable upon its execution and to be relied upon by the Parties.

CLIENT-REIMBURSABLE EXPENSES AND OTHER CHARGES

Effective 01/01/2023

The following outlines Kirkland & Ellis LLP's ("K&E LLP") policies and standard charges for various services performed by K&E LLP and/or by other third parties on behalf of the client which are often ancillary to our legal services. Services provided by in-house K&E LLP personnel are for the convenience of our clients. Given that these services are often ancillary to our legal services, in certain instances it may be appropriate and/or more cost efficient for these services to be outsourced to a third-party vendor. If services are provided beyond those outlined below, pricing will be based on K&E LLP's approximate cost and/or comparable market pricing.

- **Duplicating, Reprographics and Printing:** The following list details K&E LLP's charges for duplicating, reprographics and printing services:

 - Large Format Printing - \$1.00 per sq. ft.
- **Secretarial and Word Processing:** Clients are not charged for secretarial and word processing activities incurred on their matters during standard business hours.
- **Overtime Charges:** Clients will be charged for overtime costs for secretarial and document services work if either (i) the client has specifically requested the after-hours work or (ii) the nature of the work being done for the client necessitates out-of-hours overtime and such work could not have been done during normal working hours. If these conditions are satisfied, costs for related overtime meals and transportation also will be charged.

- **Travel Expenses:** We charge clients our out-of-pocket costs for travel expenses including associated travel agency fees. We charge coach fares (business class for international flights) unless the client has approved business-class, first-class or an upgrade. K&E LLP personnel are instructed to incur only reasonable airfare, hotel and meal expenses. K&E LLP negotiates, uses, and passes along volume discount hotel and air rates whenever practicable. However, certain retrospective rebates may not be passed along.
- **Catering Charges:** Clients will be charged for any in-house catering service provided in connection with client matters.
- **Communication Expenses:** We do not charge clients for telephone calls, conference calls, videoconferences or faxes made from K&E LLP's offices.

Charges incurred for conference calls, videoconferences, cellular telephones, and calls made from other third-party locations will be charged to the client at the actual cost incurred. Further, other telecommunication expenses incurred at third-party locations (e.g., phone lines at trial sites, Internet access, etc.) will be charged to the client at the actual cost incurred.

- **Overnight Delivery/Postage:** We charge clients for the actual cost of overnight and special delivery (e.g., Express Mail, FedEx, and DHL), and U.S. postage for materials mailed on the client's behalf. K&E LLP negotiates, uses, and passes along volume discount rates whenever practicable.
- **Messengers:** We charge clients for the actual cost of a third-party vendor messenger.
- **Library Research Services:** Library Research staff provides research and document retrieval services at the request of attorneys, and clients are charged per hour for these services. Any expenses incurred in connection with the request, such as outside retrieval service or online research charges, are passed on to the client at cost, including any applicable discounts.
- **Online Research Charges:** K&E LLP charges for costs incurred in using third-party online research services in connection with a client matter. K&E LLP negotiates and uses discounts or special rates for online research services whenever possible and practicable and passes through the full benefit of any savings to the client based on actual usage.
- **Inter-Library Loan Services:** Our standard client charge for inter-library loan services when a K&E LLP library employee borrows a book from an outside source is \$25 per title. There is no client charge for borrowing books from K&E LLP libraries in other cities or from outside collections when the title is part of the K&E LLP collection but unavailable.

- **Off-Site Legal Files Storage:** Clients are not charged for off-site storage of files unless the storage charge is approved in advance.
- **Electronic Data Storage:** K&E LLP will not charge clients for costs to store electronic data and files on K&E LLP's systems if the data stored does not exceed 100 gigabytes (GB). If the data stored for a specific client exceeds 100GB, K&E LLP will charge clients \$6.00 per month/per GB for all network data stored until the data is either returned to the client or properly disposed of. For e-discovery data on the Relativity platform, K&E LLP will also charge clients \$6.00 per month/per GB until the data is either returned to the client or properly disposed of.
- **Tax Filings:** Clients will be charged a fixed fee for certain tax filings. Our standard charge is \$400 per Form 8832 election; \$250 per Form 83(b) election for the first 20 forms, \$100 per form for any additional forms; \$1,000 each for Form SS-4 (Foreign); \$100 each for Form SS-4 (Domestic); and \$75 for each FIRPTA certificate.
- **Calendar Court Services:** Our standard charge is \$25 for a court filing and other court services or transactions.
- **Supplies:** There is no client charge for standard office supplies. Clients are charged for special items (e.g., a minute book, exhibit tabs/indexes/dividers, binding, etc.) and then at K&E LLP's actual cost.
- **Contract Attorneys and Contract Non-Attorney Billers:** If there is a need to utilize a contract attorney or contract non-attorney on a client engagement, clients will be charged a standard hourly rate for these billers unless other specific billing arrangements are agreed between K&E LLP and client.
- **Expert Witnesses, Experts of Other Types, and Other Third Party Consultants:** If there is a need to utilize an expert witness, expert of other type, or other third party consultant such as accountants, investment bankers, academicians, other attorneys, etc. on a client engagement, clients will be requested to retain or pay these individuals directly unless specific billing arrangements are agreed between K&E LLP and client.
- **Third Party Expenditures:** Third party expenditures (e.g., corporate document and lien searches, lease of office space at Trial location, IT equipment rental, SEC and regulatory filings, etc.) incurred on behalf of a client, will be passed through to the client at actual cost. If the invoice exceeds \$50,000, it is K&E LLP's policy that wherever possible such charges will be directly billed to the client. In those circumstances where this is not possible, K&E LLP will seek reimbursement from our client prior to paying the vendor.

Unless otherwise noted, charges billed in foreign currencies are determined annually based on current U.S. charges at an appropriate exchange rate.

Exhibit D

Voluntary Rate Disclosures

- The blended hourly rate for all K&E domestic timekeepers (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the 12-month period beginning on December 1, 2022, and ending on November 30, 2023 (the “Comparable Period”) was, in the aggregate, approximately **\$1,155.94** per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all K&E timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately **\$1,150.02** per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at K&E	Debtor Blended Hourly Rate for This Fee Application	Non-Bankruptcy Blended Hourly Rate
Partners	1,603.91	1,555.78
Associates	1,014.47	977.78
Paralegals	423.56	457.70
Junior Paralegals	325.00	290.15
Support Staff	436.13	480.22
Attorneys & Paraprofessionals	1,150.02	1,155.94

¹ It is the nature of K&E’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within K&E’s Restructuring Group. Accordingly, “Non-Bankruptcy Matters” consist of matters for which K&E domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters include time billed by K&E domestic timekeepers who work primarily within K&E’s Restructuring Group.

² K&E calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by K&E domestic timekeepers to the Non-Bankruptcy Matters during the Comparable Period.

³ K&E calculated the blended rate for timekeepers who billed to the Debtors by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.
