Q. PSZJ Compensation

39. Time billed to this category relates to preparation of the Firm's monthly fee statements.

Fees: \$14,680.00 Hours: 21.60

R. PSZJ Retention

40. Time billed to this category relates to the preparation of the Firm's retention application and attention to various issues with respect to the same.

Fees: \$7,146.50 Hours: 8.40

S. Travel

41. During the Final Application Period, the Firm incurred non-working time while traveling on case matters. Such time is billed at one-half the normal rate.

Fees: \$797.50 Hours: 2.20

42. The nature of work performed by PSZJ is fully set forth in the Monthly Fee Statements. These are PSZJ's normal hourly rates for work of this character. The reasonable value of the services rendered by PSZJ for the Committee during the Final Application Period is \$1,121,539.00.

43. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by PSZJ is fair and reasonable given (a) the complexity of the cases, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under the Bankruptcy Code. Moreover, PSZJ has reviewed the requirements of the Local Rules and the Administrative Order, and believes that this Application complies with such rule and order.

Actual and Necessary Expenses Incurred by PSZJ

44. As summarized in **Exhibit F** attached hereto, PSZJ has incurred a total of \$10,405.49 in expenses on behalf of the Committee during the Final Application Period for which it seeks reimbursement.

45. PSZJ customarily charges \$0.10 per page for photocopying expenses and \$0.10 per

page for scanning and printing charges. PSZJ's photocopying machines automatically record the number of copies made when the person that is doing the copying enters the client's account number into a device attached to the photocopier. PSZJ summarizes each client's photocopying charges on a daily basis.

46. PSZJ charges \$1.00 per page for out-going facsimile transmissions. There is no additional charge for long distance telephone calls on faxes. The charge for outgoing facsimile transmissions reflects PSZJ's calculation of the actual costs incurred by PSZJ for the machines, supplies and extra labor expenses associated with sending telecopies and is reasonable in relation to the amount charged by outside vendors who provide similar services. PSZJ does not charge the Committee for the receipt of faxes in these Cases.

47. With respect to providers of on-line legal research services (*e.g.*, LEXIS and Westlaw), PSZJ charges the standard usage rates these providers charge for computerized legal research. PSZJ bills its clients the actual amounts charged by such services, with no premium. Any volume discount received by PSZJ is passed on to the client.

48. PSZJ believes the foregoing rates are the market rates that the majority of law firms charge clients for such services. In addition, PSZJ believes that such charges are in accordance with the American Bar Association's ("ABA") guidelines, as set forth in the ABA's Statement of Principles, dated January 12, 1995, regarding billing for disbursements and other charges.

**PSZJ'S REQUESTED COMPENSATION
AND REIMBURSEMENT SHOULD BE ALLOWED**

49. Section 330(a)(1) of the Bankruptcy Code provides that a court may award a professional employed in a case under section 1103 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." Section 330(a)(3), in pertinent part, provides further guidelines for awarding such fees

and expenses:

In determining the amount of reasonable compensation to be awarded..., the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (E) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3). Additional factors courts consider when awarding fees include the time and labor required, the novelty and difficulty of questions, the skill requisite to perform the legal services properly, the preclusion of other employment by the applicant due to acceptance of the current case, the customary fee, whether the fee is fixed or contingent, time limitations imposed by the client or other circumstances, the amount involved and results obtained, the experience, reputation and ability of the attorneys, the “undesirability” of the case, and the nature and length of the professional relationship. *See, e.g., In re First Colonial Corp. of America*, 544 F.2d 1291, 1298–99 (5th Cir. 1977); *In re Nine Assocs., Inc.*, 76 B.R. 943, 945 (S.D.N.Y. 1987).

COMPLIANCE WITH UST GUIDELINES

50. PSZJ submits that this Application substantially complies with the Local Rules, the Administrative Order and the Appendix B Guidelines for fee applications in cases such as these. To the extent there has not been material compliance with any particular rule or guideline, PSZJ respectfully requests a waiver or an opportunity to cure.

51. This is PSZJ's final fee application pursuant to sections 330 and 331 of the Bankruptcy Code for allowance of fees and reimbursement of expenses in these cases.

COMPENSATION PAID AND ITS SOURCE

52. All services for which PSZJ requests compensation were performed for or on behalf of the Committee. PSZJ has received no payment and no promises for payment from any source other than the Debtors for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Application. There is no agreement or understanding between PSZJ and any other person other than the partners of PSZJ for the sharing of compensation to be received for services rendered in these cases. PSZJ has not received a retainer in these cases.

RESERVATION OF RIGHTS

53. PSZJ estimates that it will incur additional fees and expenses for which entries have not been made to its accounting system and reserves the right to file a supplemental fee application to submit additional fees and expenses not previously included in the Application but incurred prior to the date of the hearing on the Application for fees in connection with case closing matters and preparation, filing, and prosecuting this Application.

NO PRIOR REQUEST

54. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, PSZJ respectfully requests that this Court enter an order (i) allowing on a final basis: (a) compensation in the amount of \$1,121,539.00 for fees on account of reasonable and necessary professional services rendered to the Committee by PSZJ and reimbursement of actual and necessary costs and expenses in the amount of \$10,405.49 for the period from June 23, 2023, through January 12, 2024; (b) compensation in the estimated amount of \$25,000.00 for future billing in connection with the preparation, prosecution and review of final fee applications; (c) authorizing and directing the Debtors to pay to PSZJ the outstanding amount of such sums; and (d) granting any other relief that this Court deems necessary and appropriate.
