Re: City of Detroit Bankruptcy -- Brokerage Account Form

Dear Mr. Carter:

In September of 2019, the City filed its *Motion to Implement Distributions of B Notes to Holders of Allowed Class 14 Claims under the City's Confirmed Plan of Adjustment* ("Motion") with the Bankruptcy Court. In the Motion, the City sought authorization to provide "Class 14 Claimants"¹ who will or may receive distributions under the plan with notice and instructions to complete and return (1) a Brokerage Account Form ("Brokerage Form") and (2) a W-9 Form ("Tax Form") and together with the Brokerage Form, the "Forms"). The City asked the Court to require that the Forms be returned by no later than June 24, 2020. A claimant's failure to return the Forms by the deadline would result in forfeiture of the claimant's claim. The Court agreed and authorized the City to proceed as requested.

You previously returned completed Forms to the City. However, you recently contacted us and told us that you would be establishing a new brokerage account. As you requested, I am thus providing you with this letter and a blank Brokerage Form so that you may provide updated account information.

PLEASE TAKE NOTICE. The City is providing this letter and additional time to submit a new Brokerage Form until March 1, 2024.

Please take any actions necessary to ensure that (1) your brokerage account is established and able to receive distributions and (2) return a properly completed Brokerage Form by no later

¹ This term is defined in the Motion and in the City's confirmed plan and generally refers to unsecured creditors in the City's bankruptcy case with claims against the City in excess of \$25,000. For additional details, please refer to these documents which may be found on the City's bankruptcy website (<http://www.kccllc.net/detroit>), or consult with your counsel.
