Counsel to the Debtors and Debtors in Possession

EXHIBIT A-1**Brookfield Zoo Asset Transfer Summary¹****i. Description and Location of the Miscellaneous Assets to be Transferred**

Name	ID #	Age/Birthdate	Color	Sex	Breed	Purchase Price
Noelani (the “ Transferred Dolphin ”)	NOA0006157	10/30/2003 (22 years old)	Gray	Female	<i>Tursiops truncatus</i> (common bottlenose dolphin)	\$10,000

The Debtors are proposing to transfer ownership of one common bottlenosed dolphin, Noelani, to the Brookfield Zoo Chicago (“**Brookfield Zoo**”) pursuant to an animal transfer agreement, attached hereto as **Schedule 1** (the “**ATA**”), in exchange for cash consideration in the amount of \$10,000. The Transferred Dolphin is already in the custody and care of Brookfield Zoo, a private nonprofit organization that operates a public zoological park located at 3300 Golf Road, Brookfield, IL 60513, pursuant to a loan agreement entered into by the parties prior to the filing of the Debtors’ chapter 11 cases. Therefore, no transport of the Transferred Dolphin will occur as a result of the proposed transaction.

ii. Summary of the Material Terms of the Proposed Miscellaneous Asset Sale

Pursuant to a prepetition animal loan agreement between and among the Brookfield Zoo and the Debtors, Brookfield Zoo is currently in possession of the Transferred Dolphin and is responsible for the care and welfare of the Transferred Dolphin.

Brookfield Zoo is accredited by the Association of Zoos & Aquariums. Brookfield Zoo’s mission is to inspire conservation leadership by connecting people to wildlife and nature. In accordance with the ATA, Brookfield Zoo has represented and warranted, among other things, that it (i) is in material compliance with all applicable laws relating to the care of the Transferred Dolphin, (ii) has obtained and will maintain all necessary licenses, permits, and approvals required for the acquisition, ownership, and care of the Transferred Dolphin, and (iii) will provide the Transferred Dolphin with humane care and living conditions.

As the Transferred Dolphin is currently in the custody of Brookfield Zoo, it will not need to be physically transported, and the parties do not anticipate incurring any transportation costs or expenses in connection with the proposed transaction. The Transferred Dolphin has an existing medical condition that requires medical treatment, and Brookfield Zoo will continue to provide the requisite care and support for the Transferred Dolphin.

¹ Capitalized terms used but not defined herein shall have the meaning given such terms in the *Declaration of Steven Robert Strom in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* [Docket No. 10].

As the Debtors are winding down or otherwise transitioning their operations, they do not and will not have the means to provide care and support for the Transferred Dolphin. Therefore, the Debtors believe that transfer of the ownership of the Transferred Dolphin to Brookfield Zoo, which will mitigate substantial costs, is in the best interest of all parties, including creditors and stakeholders in the Debtors' chapter 11 cases.

After a thorough marketing process, as detailed in the attached declaration of Robert Wagstaff, the Debtors have not received any offers for the purchase or other transfer of the Transferred Dolphin other than the offer received by Brookfield Zoo. As consideration for the Transferred Dolphin, Brookfield Zoo shall pay to the Debtors the sum of ten thousand dollars (\$10,000.00). Brookfield Zoo will also indemnify and hold harmless the Debtors for any and all claims and causes of action that may be brought in the future related to the Transferred Dolphin.

iii. The Identity of Any Non-Debtor Party to the Proposed Miscellaneous Asset Sale

Brookfield Zoo is not an "affiliate" or "insider" of the Debtors, as those terms are defined under section 101 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532.

The ATA has been negotiated at arm's-length, with the benefit of competent counsel, and in consultation with the Debtors' advisors, counsel for the Official Committee of Unsecured Creditors, and counsel for the Debtors' DIP Lenders.

iv. The Identity of Parties, if Any, Holding Liens, Claims, Encumbrances or Other Interests in the Miscellaneous Assets

To the extent that the Debtors' DIP Lenders have valid, liens, claims, encumbrances, or other interests (collectively, "**Encumbrances**") with respect to the Transferred Dolphin, such lenders do not object to the transfer of the Transferred Dolphin pursuant to the terms of the ATA and the proposed sale order, with any such Encumbrances attaching to the sale proceeds of the transaction.

2.5 Transferee Conditions to Closing.

- (b) The Bankruptcy Court shall have entered the Transfer Order and such Transfer Order shall not have been reversed, modified, amended, or stayed.

2.8 Transferor's Rights if Transferor Conditions Are Not Satisfied.

If, on or before the Closing Date, any of Transferor Conditions have not been satisfied, Transferor shall elect to either: (i) waive such of those conditions as are unsatisfied and close; or (ii) terminate this Agreement, at which time neither Party shall have any further obligation to the other, except for those obligations that specifically survive the termination of this Agreement.

Transferee shall reimburse Transferor for and shall indemnify, defend, and hold Transferor harmless from and against any and all losses or damages sustained by, liability imposed on, and claims or causes of action asserted against Transferor arising in whole or in part out of or by reason of the transfer, removal, and transportation of the Transferred Animals from the Transferor's Facility to the Transferee Facility and any and all claims that may be asserted against Transferor related to the Transferred Animals as of and following the Transfer of the Transferred Animals.

Transferor shall use commercially reasonable efforts to obtain entry of the Transfer Order by December 15, 2025, and Transferee shall support entry of the Transfer Order by the Bankruptcy Court. Both Transferee’s and Transferor’s obligations to consummate the transactions contemplated in this Agreement are conditioned upon the Bankruptcy Court’s entry of the Transfer Order.

The Debtors are proposing to transfer possession and ownership of the animals listed above (the “**Transferred Animals**”) to Miami-Dade County “Zoo Miami” (“**Zoo Miami**”) pursuant to an animal transfer agreement, attached hereto as **Schedule 1** (the “**ATA**”). Zoo Miami operates a public zoological park located at 12400 SW 152 Street, Miami, FL 33177. The Transferred Animals are currently located at the Debtors’ Miami Seaquarium facility. Pursuant to the *Order (I) Approving Assumption and Assignment of the Miami Seaquarium Lease Free and Clear of Liens and Other Encumbrances, and (II) Granting Related Relief* [Docket No. 607], the Debtors have ceased their operations at the Miami Seaquarium and are currently implementing a transaction to assume and assign the Debtors’ leasehold interests with respect to such facility. Pursuant to the ATA, Miami Zoo will be responsible for and shall transport the Transferred Animals to Miami Zoo’s facility upon approval of the proposed transfer.

ii. Summary of the Material Terms of the Proposed Miscellaneous Asset Sale

Zoo Miami (also known as The Miami-Dade Zoological Park and Gardens) is the largest zoo in Florida and the fifth largest in the United States. The unique climate in South Florida allows Zoo Miami to care for a wide variety of animals from Asia, Australia, Africa, and the Americas representing a broad mix of species. Zoo Miami is accredited by the Association of Zoos and Aquariums (“**AZA**”), which means it has passed a rigorous application and inspection process and meet or exceed the AZA’s standards for animal health and welfare, fundraising, zoo staffing, and involvement in global conservation efforts. Zoo Miami is an active leader in many global wildlife and environmental conservation initiatives.

In accordance with the ATA, Zoo Miami has represented and warranted, among other things, that it (i) is in material compliance with all applicable laws relating to the care of the Transferred Animals, (ii) has obtained and will maintain all necessary licenses, permits,

¹ Capitalized terms used but not defined herein shall have the meaning given such terms in the *Declaration of Steven Robert Strom in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* [Docket No. 10], or the ATA, as applicable.

and approvals required for the acquisition, ownership, and care of the Transferred Animals, and (iii) will provide the Transferred Animals with humane care and living conditions.

As noted above, Zoo Miami is solely responsible for (i) arranging for the removal and transfer of the Transferred Animals from the Debtors' facility to Zoo Miami's facility, (ii) effectuating the removal and transfer of the Transferred Animals from the Debtors' facility to Zoo Miami's facility, (iii) paying any and all costs and expenses related to the removal and transfer of the Transferred Animals from the Debtors' facility to Zoo Miami's facility.

Zoo Miami will indemnify and hold harmless the Debtors for any and all claims and causes of action that may be brought in the future related to the Transferred Animals.

iii. The Identity of Any Non-Debtor Party to the Proposed Miscellaneous Asset Sale

Zoo Miami is not an "affiliate" or "insider" of the Debtors as those terms are defined under section 101 of title 11 of the United States Code, 11 U.S.C §§ 101–1532.

The ATA has been negotiated at arm's-length, with the benefit of competent counsel, and in consultation with the Debtors' advisors, counsel for the Official Committee of Unsecured Creditors, and counsel for the Debtors' DIP Lenders.

iv. The Identity of Parties, if Any, Holding Liens, Claims, Encumbrances or Other Interests in the Miscellaneous Assets

To the extent that the Debtors' DIP Lenders have valid, liens, claims, encumbrances, or other interests with respect to the Transferred Animals, such lenders do not object to the transfer of the Transferred Animals pursuant to the terms of the ATA and the proposed sale order.

(b) Title. granted herein; and this Court having determined that the relief requested is in the best interests of the Debtors, their estates, their creditors, and all parties in interest,

THE COURT HEREBY FINDS THAT:³

I. Jurisdiction, Final Order, and Statutory Predicates.

A. This Court has jurisdiction to consider the First Misc. Asset Transfer Notice pursuant to 28 U.S.C. §§ 157 and 1334, and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated as of February 29, 2012. Venue of the Chapter 11 Cases and the First Misc. Asset Transfer Notice is proper in this District and in the Court pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding under 28 U.S.C. § 157(b).

B. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). This Court may enter a final order with respect to the First Misc. Asset Transfer Notice, the Transfers, and all related relief, in each case, consistent with Article III of the United States Constitution. Notwithstanding Rules 6004(h) and 6006(d) of the Federal Rules of Bankruptcy Procedures (the “**Bankruptcy Rules**”), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order, and, thus, waives any stay and expressly directs that this Order be effective immediately upon entry.

³ These findings and determinations constitute this Court’s findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. Where appropriate, findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact. All findings of fact and conclusions of law announced by this Court at the Hearing in relation to the Notice are hereby incorporated herein to the extent not inconsistent herewith.

C. The statutory and legal bases for the relief requested in the First Misc. Asset Transfer Notice are sections 105(a) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 9007, and 9014, and Local Rules 2002-1 and 6004-1.

II. Notice.

D. Due, proper, timely, adequate, and sufficient notice of the First Misc. Asset Transfer Notice, the Transfers, and all deadlines related thereto, has been provided to all interested parties and entities in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Miscellaneous Asset Sale Procedures Order. The aforementioned notice was and is timely, proper, sufficient, appropriate, fair, and equitable under the circumstances, and reasonably calculated to provide interested parties with timely and proper notice under the circumstances of the Chapter 11 Cases. No other or further notice with respect to such matters is, or shall be, required.

E. A reasonable opportunity to object and be heard with respect to the First Misc. Asset Transfer Notice and the relief requested therein has been afforded to all interested parties.

F. The disclosures made by the Debtors concerning the First Misc. Asset Transfer Notice, the Transfer Agreements, and the Miscellaneous Asset Sale Procedures were good, complete, and adequate.

III. Business Justification.

G. The Debtors have demonstrated compelling circumstances and a good, sufficient, and sound business purpose and justification for entering into the Transfer Agreements. The Debtors have, among other things, determined in their business judgment that, under the circumstances, the benefits of consummating the Transfers on the terms and conditions embodied in the Transfer Agreements are in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

IV. Compliance with Miscellaneous Asset Sale Procedures and the Miscellaneous Asset Sale Procedures Order

H. As demonstrated by the Wagstaff Declaration, the Debtors have adequately marketed their assets, including the Transferred Animals, and such sale and marketing process was conducted in a non-collusive, fair, and good-faith manner. The Debtors have afforded interested parties a full and fair opportunity to participate in the sale process for the Transferred Animals and to make higher or otherwise better offers. In accordance with the Miscellaneous Asset Sale Procedures and the Miscellaneous Asset Sale Procedures Order, the Debtors determined that the Transfers, as memorialized by the Transfer Agreements is the highest or otherwise best disposition for the Transferred Animals under the circumstances.

V. Transfer in Best Interests.

I. Approval of the Transfers and all related transactions pursuant to the Transfer Agreement is appropriate under the circumstances of the Chapter 11 Cases and is in the best interests of the Debtors, their estates and creditors, and all other parties in interest. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications, and (ii) compelling circumstances for the Transfers, pursuant to section 363(b) of the Bankruptcy Code, in that, among other things, the immediate consummation of the Transfers is necessary and appropriate to maximize the value of the Debtors' estates.

J. The Debtors determined, in their reasonable business judgment, in a manner consistent with their fiduciary duties that the Transfers constitute the highest or otherwise best disposition for the Transferred Animals under the circumstances.

VI. Good Faith of Buyer.

K. The Debtors and the Buyer, and their respective counsel and other advisors, have not engaged in any conduct that would cause or permit the Transfer Agreements or the

consummation of the Transfers to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code. The Transferees have not acted in a collusive manner with any person, and the consideration provided to the Debtors in connection with the Transfers was not controlled by any agreement among bidders, all of whom acted in good faith, at arm's length, and in a non-collusive manner. The Transfer Agreements were negotiated, proposed, and entered into by the Debtors and the Transferees without collusion, in good faith, and from arm's-length bargaining positions.

L. None of the Debtors or the Transferees has engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code. Among other things, (i) the Transferees recognized that the Debtors were free to deal with any other party interested in acquiring the Transferred Animals; (ii) the Debtors and the Transferees complied with the provisions of the Miscellaneous Asset Sale Procedures and the Miscellaneous Asset Sale Procedures Order; (iii) the Transfers were negotiated after an open, competitive bidding process; (iv) any payments to be made by the Transferees in connection with the Transfers have been disclosed; and (v) no common identity of directors or controlling stockholders exists between any of the Transferees, on the one hand, and the Debtors, on the other hand.

M. The Transferees are obtaining ownership of the Transferred Animals in good faith and for fair and reasonable consideration, and none of the Transferees is an "insider" of any Debtor (as defined under section 101(31) of the Bankruptcy Code). The Transferees are therefore entitled to the full rights, benefits, privileges, and protections afforded under section 363(m) of the Bankruptcy Code and any other applicable or similar bankruptcy and nonbankruptcy law in connection with this proceeding, the Transfers, the Transfer Agreements (and any ancillary documents executed in connection therewith), and this Order.

VII. Highest or Otherwise Best Offer

N. As demonstrated by the Wagstaff Declaration, the Debtors' marketing and sale process with respect to substantially all of the Debtors' assets, including the Transferred Animals, afforded a full, fair, and reasonable opportunity for any person to make a higher or otherwise better offer for the Transferred Animals.

O. As demonstrated by the Wagstaff Declaration, the Debtors' determination that the Transfers maximize value for the benefit of the Debtors' estates and constitute the highest or otherwise best disposition of the Transferred Animals constitutes a valid and sound exercise of the Debtors' business judgment. The Transfer Agreements provide fair and reasonable terms for the transfer of the Transferred Animals.

P. Approval of the Transfers and the prompt consummation of the transactions contemplated thereby will maximize the value of each of the Debtors' estates and are in the best interests of the Debtors, their estates, their creditors, and other parties in interest.

VIII. Corporate Authority.

Q. Each applicable Debtor (i) has full requisite corporate or other organizational power and authority to execute, deliver, and perform the Transfer Agreements, and to consummate the Transfers contemplated thereby, and such execution, delivery, and performance have been duly and validly authorized by all necessary corporate or other organizational action of each applicable Debtor, and (ii) has taken all requisite corporate or other organizational action and formalities necessary to authorize and approve the execution, delivery, and performance of the Transfer Agreements and the consummation by the Debtors of the Transfers contemplated thereby, including as required by their respective organizational documents, and, upon execution thereof, each such agreement executed by such Debtor will be duly and validly executed and delivered by such Debtor and enforceable against such Debtor in accordance with its terms and, assuming due

authorization, execution, and delivery thereof by the other parties thereto, will constitute a valid and binding obligation of such Debtor.

IX. No Merger; Buyer Not an Insider; No Successor Liability.

R. None of the Transferees are a “successor” to, a mere continuation of, or an alter ego of the Debtors or their estates, and there is no continuity of enterprise or common identity between any Transferee and the Debtors by reason of any theory of law or equity. None of the Transfers amount to a consolidation, succession, merger, mere continuation of, combination of, or de facto merger of any Transferee and the Debtors. Immediately prior to the closing date, none of the Transferees was an “insider” or “affiliate” of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders existed between the Debtors and the Transferees. The transfer of the Transferred Animals to the Transferees, except as otherwise explicitly set forth in the Transfer Agreements or this Order, does not, and will not, subject the Transferees to any liability whatsoever, with respect to the Debtors or the operation of the Debtors’ businesses prior to the closing of the Transfers or by reason of such transfer, including under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, or any foreign jurisdiction, based, in whole or in part, directly or indirectly, on any, or any theory of, successor, vicarious, antitrust, environmental, revenue, pension, tax, de facto merger, business continuation, substantial continuity, alter ego, derivative, transferee, veil piercing, escheat, continuity of enterprise, mere continuation, product line, products liability, or other applicable law, rule, or regulation (including filing requirements under any such law, rule, or regulation), or theory of liability, whether now known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether matured or unmatured, whether liquidated or unliquidated, whether arising prior to or subsequent to March 31, 2025 (the “**Commencement Date**”), whether imposed

by agreement, understanding, law, equity, or otherwise, including, but not limited to, liabilities on account of warranties, loans, and receivables among the Debtors, and any taxes, arising, accruing, or payable under, out of, in connection with, or in any way relating to the cancellation of debt of the Debtors, or in any way relating to the Transferred Animals prior to the closing (collectively, the “**Successor or Other Liabilities**”).

X. Binding and Valid Transfer.

S. The transfer of the Transferred Animals to the Transferees will be a legal, valid, and effective transfer of the Transferred Animals, and will vest each Transferee with all right, title, and interest of the Debtors to the Transferred Animal free and clear, to the fullest extent permitted by law, of all Interests (as defined below), as set forth in the Transfer Agreements. Immediately prior to consummating the Transfers, the Transferred Animals constitute property of the Debtors’ estates, good title is vested in the Debtors’ estates within the meaning of section 541(a) of the Bankruptcy Code, and the Debtors are the sole and rightful owners of the Transferred Animals. Upon and following the consummation of the Transfers, the Transferees shall be vested with good and marketable title to the Transferred Animals and shall be the sole and rightful owner of the Transferred Animals.

T. Each Transfer Agreement is a valid and binding contract between the Debtors and the applicable Transferee. The Transfer Agreements were not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, or the District of Columbia, or foreign jurisdiction. As demonstrated by the Wagstaff Declaration, the consideration provided by the Transferees in respect of the Transfers (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Transferred Animals, and (iii) constitutes fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia, and any

foreign jurisdiction (including the Uniform Fraudulent Conveyance Act, the Uniform Voidable Transactions Act, the Uniform Fraudulent Transfer Act, and similar laws and acts). Neither the Debtors nor the Transferees are entering into the Transfers contemplated by the Transfer Agreements fraudulently for the purpose of statutory and common-law fraudulent conveyance and fraudulent transfer claims.

XI. Section 363(f) Is Satisfied.

U. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full with respect to each Interest in the Transferred Animals; therefore, the Debtors may transfer the Transferred Animals free and clear of all Interests, including, but not limited to, the Successor or Other Liabilities.

V. The Buyer would not have entered into the Transfer Agreements and would not consummate the transactions contemplated thereby if (i) the sale of the Transferred Animals to the Transferees was not free and clear of all Interests of any kind or nature whatsoever, or (ii) if the Transferees would, or in the future could, be liable for any of the Interests. The Transferees will not consummate the transactions contemplated by the Transfer Agreements unless this Court expressly orders that none of the Transferees or their affiliates or subsidiaries or any of their respective officers, directors, partners, principals, direct and indirect shareholders, parents, divisions, agents, professionals, representatives, successors, or assigns (collectively, the “**Transferee Parties**” and each a “**Transferee Party**”), or their respective assets or properties, including, without limitation, the Transferred Animals will have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or in equity, or by payment, or otherwise, directly or indirectly, any Interests, including rights or claims based on any Successor or Other Liabilities.

W. Not transferring the Transferred Animals free and clear of all Interests, including rights or claims based on any successor, transferee, derivative, or vicarious liability or any similar theory and/or applicable state, federal, or foreign law or otherwise, would adversely impact the Debtors' efforts to maximize the value of their estates, and the transfer of the Transferred Animals other than pursuant to a transfer that is free and clear of all Interests of any kind or nature whatsoever would be of substantially less benefit to the Debtors' estates.

X. The Debtors may transfer the Transferred Animals free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. Those holders of Interests that did not timely object to the Transfers or withdrew objections to the Transfers are deemed to have consented to the Transfers and the First Misc. Asset Transfer Notice pursuant to section 363(f)(2) of the Bankruptcy Code. All other Interests fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code. All holders of Interests are adequately protected by having their Interests, if any, in each instance against the Debtors, their estates, or any of the Transferred Animals attach to the net cash proceeds of the Transfers ultimately attributable to the Transferred Animals in which such holder alleges an Interest, in the same order of priority, with the same validity, force, and effect that such Interest had prior to the Transfers, subject to any claims and defenses the Debtors and their estates may possess thereto.

XII. Not a *Sub Rosa* Plan.

Y. The Transfers do not constitute a *sub rosa* chapter 11 plan or an element of such plan for which approval has been sought without the protection that a disclosure statement would afford. The Transfers neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a liquidating plan for any of the Debtors.

XIII. Necessity of Order.

Z. The consummation of the Transfers pursuant to this Order and the Transfer Agreements is necessary for the Debtors to maximize the value of their estates for creditors and all other parties in interest.

XIV. Compelling Circumstances for an Immediate Sale.

AA. The Debtors' decision to enter into the Transfer Agreements and to consummate the Transfers represents an exercise of sound business judgment. The Debtors have demonstrated both (i) good, sufficient, and sound business purposes and justifications for approving the Transfer Agreements and (ii) compelling circumstances for the immediate approval and consummation of the Transfers contemplated by the Transfer Agreements outside the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code because the prompt consummation of the Transfers to the Transferees is necessary and appropriate to maximize the value of the Debtors' estates and to expedite cash distributions to creditors. Accordingly, there is cause to lift the stay contemplated by Bankruptcy Rules 6004 and 6006 with respect to the transaction contemplated by this Order.

XV. Final Order.

BB. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rule 6004(h), and to the extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order and expressly directs entry of judgment as set forth herein.

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

I. General Provisions.

1. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the Chapter 11 Cases pursuant to Bankruptcy Rule 9014. To the extent that any of the findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the conclusions of law constitute findings of fact, they are adopted as such.

2. The Transfers and the transactions contemplated thereby are approved. The Debtors and the Transferees are authorized to effectuate the terms of the Transfer Agreements and the transactions contemplated thereby.

3. All objections to, reservations of rights regarding, or other responses to the First Misc. Asset Transfer Notice, the Transfer Agreements, the Transfers, the entry of this Order, or the relief granted herein, that have not been withdrawn, waived, or settled, or that have not otherwise been resolved pursuant to the terms hereof are hereby denied and overruled on the merits with prejudice. Those parties who did not timely object to the First Misc. Asset Transfer Notice or the entry of this Order, or who withdrew their objections thereto, are deemed to have consented to the relief granted herein for all purposes, including without limitation, pursuant to section 363(f)(2) of the Bankruptcy Code.

II. Authorization to Enter into the Transfer Agreements.

4. Pursuant to sections 105(a) and 363 of the Bankruptcy Code, the Debtors are authorized and empowered to take any and all actions necessary or appropriate to (a) consummate the Transfers pursuant to and in accordance with the terms and conditions of the Transfer Agreements and this Order, and (b) execute and deliver, perform under, consummate, implement, and take any and all other acts or actions as may be reasonably necessary or appropriate to the

performance of their obligations as contemplated by the Transfer Agreements, in each case without further notice to or order of this Court and including any actions that otherwise would require further approval by shareholders, members, or boards of directors or managers, or similar governing bodies, as the case may be, without the need of obtaining such approvals, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Transfer Agreements and the Transfers.

III. Transfer of the Transferred Animals.

5. Pursuant to sections 105(a), 363(b), and 363(f) of the Bankruptcy Code, the Debtors shall transfer the Transferred Animals to the applicable Transferees in accordance with the terms of the Transfer Agreements; such transfers shall constitute legal, valid, binding, and effective transfers of such Transferred Animal, subject to any applicable non-bankruptcy law; and the Buyer shall take title to and possession of such Transferred Animals free and clear of all Interests. Any and all valid and perfected Interests in the Transferred Animals shall attach solely to the net proceeds, if any, of the Transfers with the same validity, force, and effect, if any, and in the same order of priority, that they have now as against the Transferred Animals, subject to any rights, claims, and defenses the Debtors or their estates, as applicable, may possess with respect thereto.

6. The transfer of the Transferred Animals to the Transferees in accordance with the terms of the Transfer Agreements will be a legal, valid, enforceable, and effective transfer of the Transferred Animals and will vest the Transferees, as applicable, with all legal, equitable, and beneficial right, title, and interest of the Debtors to the Transferred Animals free and clear of all Interests of any kind or nature whatsoever, including, without limitation, rights or claims based on any Successor or Other Liabilities.

7. The transfer of the Transferred Animals to the Transferees will be a legal, valid, and effective transfer of the Transferred Animals, which transfer vests or will vest each Transferee

with all right, title, and interest to the applicable Transferred Animals free and clear of (i) all liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising any time prior to the Closing Date (collectively, the “**Liens**”), and (ii) all debts (as that term is defined in section 101(12) of the Bankruptcy Code) arising under, relating to, or in connection with any act of the Debtors or claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options in favor of third parties, rights, contractual commitments, restrictions, interests, mortgages, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, licenses, deeds of trust, security interests or similar interests, conditional sale or other title retention agreements and other similar impositions, restrictions on transfer or use, pledges, judgments, claims for reimbursement, contribution, indemnity, exoneration, infringement, products liability, alter ego liability, suits, credits, allowances, options, limitations, causes of action, choses in action, rights of first refusal or first offer, rebates, chargebacks, credits, or returns, proxies, voting trusts or agreements or transfer restriction under any shareholder or similar agreement or encumbrance, easements, rights of way, encroachments, and matters of any kind and nature, whether arising prior to or subsequent to the Commencement Date, whether known or unknown, legal or equitable, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, asserted or unasserted, whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, rights with respect to Claims (as defined below) and liens (including any Liens) (A) that purport to give to any party a right or option to effect any forfeiture, modification, profit sharing interest, right of first refusal, purchase or repurchase right or option, or termination of, any of the Debtors’ or the Buyer’s interests in the Animal, or any similar rights, if any, or (B) in respect of taxes, restrictions, rights

of first refusal, charges of interests of any kind or nature, if any, including without limitation, any restriction of use, voting, transfer, receipt of income, or other exercise of any attribute of ownership) (collectively, as defined in this clause (ii), the “**Claims**,” and together with the Liens and any other interests of any kind or nature whatsoever, the “**Interests**”), relating to, accruing, or arising any time prior to the Closing Date or from and after the Closing but which arise out of relate to any act, omission, circumstances, breach, default, or other event occurring prior to the Closing.

8. The transfer of the Transferred Animals to the Transferees will not subject the Transferees to any liability whatsoever which may become due or owing prior to the Closing Date, or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, or foreign jurisdiction, based, in whole or in part, directly or indirectly, on any theory of law or equity, including any Successor or Other Liabilities.

9. Each Transfer Agreement is a valid and binding contract between the Debtors and the applicable Transferee and shall be enforceable pursuant to its terms. The Transfer Agreements, the Transfers, and the consummation thereof shall also be specifically enforceable against and binding in all respects upon (without posting any bond), without limitation, the Debtors, their estates, all creditors, all holders of equity interests in any Debtor, all holders of Claims (whether known or unknown) against the Debtors, all holders of Liens (as defined below) or other Interests against, in, or on all or any portion of the Animal, the Buyer, and all successors and assigns of each of the foregoing, including, without limitation, any trustee subsequently appointed in the Chapter 11 Cases or upon a conversion of the Chapter 11 Cases to cases under chapter 7 under the Bankruptcy Code, and any Person seeking to assert rights on behalf of any of the foregoing or that belong to the Debtors’ estates, and shall not be subject to rejection or avoidance by the foregoing parties or any other Person.

10. The Transfer Agreements were not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, or the District of Columbia, or foreign jurisdiction. As demonstrated by the Wagstaff Declaration, the Transfers and the transactions contemplated thereby (i) are fair and reasonable, (ii) constitute the highest or otherwise best offers for the Transferred Animals, and (iii) provide fair consideration for the Transferred Animals under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia, and any foreign jurisdiction (including the Uniform Fraudulent Conveyance Act, the Uniform Voidable Transactions Act, the Uniform Fraudulent Transfer Act, and similar laws and acts). None of the Debtors or the Transferees is entering into the transactions contemplated by the Transfer Agreements with any fraudulent or otherwise improper purpose, including for the purpose of statutory and common-law fraudulent conveyance and fraudulent transfer.

11. Each and every federal, state, local, and other governmental agency, governmental department, filing agent, filing officer, title agent, recording agency, secretary of state, federal, state, and local official, and any other persons and entity who may be required by operation of law, the duties of their office or contract, to accept, file, register, or otherwise record or release any documents or instruments or who may be required to report or insure any title in or to the Transferred Animals, is hereby authorized to accept any and all documents and instruments necessary and appropriate to consummate the Transfers contemplated by the Transfer Agreements. None of the Debtors or the Transferees shall be required to execute or file releases, termination statements, assignments, consents, or other instruments or documents in order to effectuate, consummate, and implement the provisions of this Order. The Transferees may, but shall not be

required to, file a certified copy of this Order in any filing or recording office in any federal, state, county, or other territory or jurisdiction in which any of the Debtors or their affiliates is incorporated or has real or personal property, or with any other appropriate clerk or recorder with any other appropriate recorder, and such filing or recording shall be accepted and shall be sufficient to release, discharge, and terminate any of the Interests as set forth in this Order as of the Closing Date.

12. On the Closing Date, each of the Debtors' creditors is authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release its Liens, if any, in the Transferred Animals, as such Liens may otherwise exist. If any Person that has filed a financing statement, mortgage, mechanic's lien, *lis pendens*, or other statement, document, or agreement evidencing an Interest in any portion of the Transferred Animals shall not have delivered to the Debtors prior to the Closing, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases, and/or other similar documents necessary for the purpose of documenting the release of all Interests that such Person has in the Transferred Animals, then (i) the Debtors are hereby authorized to execute and file such statements, instruments, releases, and/or other similar documents on behalf of such Person with respect to the Transferred Animals, (ii) each Transferee is hereby authorized to file, register, or otherwise record a certified copy of this Order that, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests of any kind or nature in the Transferred Animal, and (iii) each Transferee may seek in this Court, or any other court of appropriate jurisdiction, to compel the appropriate parties to execute termination statements, instruments of satisfaction, releases, and/or other similar documents with respect to all Interests that such Person has in the Transferred Animals. This Order is deemed to be in recordable form

sufficient to be placed in the filing or recording system of each and every federal, state, or local government agency, department, or office.

13. The Debtors and the Transferees shall have no obligation to proceed with the Closing until all conditions precedent to their obligations to proceed have been met, satisfied, or waived in accordance with the terms of the Transfer Agreements.

14. Subject to the terms of this Order, all Persons are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to transfer the Transferred Animals to the Transferees in accordance with the terms of the Transfer Agreements and this Order. Following the Closing, no holder of an Interest in the Debtors shall interfere with the Transferees' title to the Transferred Animals based on or related to such Interest or any actions that the Debtors may take in the Chapter 11 Cases.

15. This Order is and shall be binding upon and govern the acts of all Persons (including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons or entities) who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease; and each of the foregoing Persons shall accept for filing any and all of the documents and instruments necessary and appropriate to release, discharge, and terminate any of the Interests or to otherwise consummate the transactions contemplated by the Transfer Agreements and this Order.

IV. No Successor Liability; Prohibition of Actions Against the Buyer.

16. None of the Transferees are a "successor" to, a mere continuation of, or an alter ego of, any of the Debtors or their estates, and there is no continuity of enterprise or common identity

between the Transferees and the Debtors by reason of any theory of law or equity. The transfer of the Transferred Animals by the Transferees will not cause the Transferees to be deemed a successor to, combination of, or alter ego of, in any respect, any of the Debtors or the Debtors' businesses, or incur any liability derived therefrom within the meaning of any foreign, federal, state, or local revenue, tax, antitrust, environmental, de facto merger, business continuation, substantial continuity, successor, vicarious, alter ego, derivative, transferee, veil piercing, escheat, continuity of enterprise, mere continuation, product line, or other law, rule, regulation (including filing requirements under any such laws, rules, or regulations), or doctrine with respect to the Debtors' liability under such law, rule, or regulation or doctrine, whether now known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether matured or unmatured, whether contingent or noncontingent, whether liquidated or unliquidated, whether arising prior to or subsequent to the Commencement Date, whether imposed by agreement, understanding, law, equity, or otherwise, including, but not limited to, liabilities on account of warranties, intercompany loans, and receivables among the Debtors, and any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the cancellation of debt of the Debtors or their affiliates, or in any way relating to the operation of any of the Transferred Animals or ratings experience of the Debtors prior to the Closing Date.

17. The Transferees shall not have, assume, or be deemed to assume, or in any way be responsible for, any liability or obligation of any of the Debtors or their estates, or any of the Debtors' predecessors or affiliates with respect to the Transferred Animals or otherwise. Without limiting the generality of the foregoing, and except as otherwise specifically agreed in the Transfer Agreements, the Transferees shall not have any liability, responsibility, or obligation for any

Interests of the Debtors or their estates, including any claims, liabilities, or other obligations related to the Transferred Animals, including, for the avoidance of doubt, and without limiting the generality of the foregoing, any Successor or Other Liabilities, which may become due or owing (a) prior to the Closing Date or (b) from and after the Closing Date but which arise out of or relate to any act, omission, circumstance, breach, default, or other event occurring prior to the Closing Date.

18. As specifically set forth in the Transfer Agreements, all Persons (including but not limited to, all debt holders, equity security holders, governmental, tax and regulatory authorities, lenders, trade creditors, litigation claimants, contract counterparties, customers, landlords, licensors, employees, and other holders of Interests against or in any of the Debtors or the Transferred Animals (whether legal or equitable, secured or unsecured, matured or unmatured, known or unknown, contingent or noncontingent, liquidated or unliquidated, senior or subordinate, asserted or unasserted, whether arising prior to or subsequent to the Commencement Date, whether imposed by agreement, understanding, law, equity, or otherwise), arising under or out of, in connection with, or in any way relating to, the Debtors, the Transferred Animals, the operation of the Debtors' business prior to the Closing, or the transfer of the Transferred Animals to the Transferees (including without limitation any Successor or Other Liabilities or rights or claims based thereon)) shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing against the Transferees or any Transferee Party, or their respective assets or properties, including, without limitation, the Transferred Animals, any Interests of any kind or nature whatsoever that such Person had, has, or may have against or in the Debtors, their estates, officers, directors, shareholders, or the Transferred Animals, including, without limitation, the following actions: (a) commencing or continuing in any manner any action

or other proceeding, the employment of process, or any act (whether in law or equity, in any judicial, administrative, arbitral, or other proceeding) against the Transferee or any Transferee Party, or their respective assets or properties, including the Transferred Animals; (b) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree, or order against the Transferee or any Transferee Party, or their respective assets or properties, including the Transferred Animals; (c) creating, perfecting, or enforcing any Interest against the Transferee or any Transferee Party, or their respective assets or properties, including the Transferred Animals; (d) asserting any setoff (to the extent not taken prepetition), or right of subrogation, of any kind against any obligation due the Transferee or any Transferee Party, or their respective assets or properties, including the Transferred Animal; (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of the Court, or the agreements or actions contemplated or taken in respect thereof; or (f) to the extent prohibited by section 525 of the Bankruptcy Code, revoking, terminating, or failing or refusing to transfer or renew any license, permit, or authorization to operate any of the Animal or conduct any of the businesses operated with the Animal.

19. Except as provided in the Transfer Agreements and without limiting other applicable provisions of this Order, the Transferees are not, by virtue of the consummation of the Transfers, assuming, nor shall they be liable or responsible for any liabilities, debts, commitments, or obligations (whether known or unknown, disclosed or undisclosed, absolute, contingent, inchoate, fixed, or otherwise) in any way whatsoever relating to or arising from the Debtors, the Transferred Animals, or the Debtors' operation of their businesses on or prior to the Closing Date or any such liabilities, debts, commitments, or obligations that in any way whatsoever relate to

periods on or prior to the Closing Date or are to be observed, paid, discharged, or performed on or prior to the Closing Date.

V. Other Provisions.

20. The transactions contemplated by the Transfer Agreements and this Order are undertaken by the Transferee without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Transfers shall not alter, affect, limit, or otherwise impair the validity of the Transfers, unless such authorization and consummation of the Transfers are duly stayed pending such appeal. Each Transferee is entitled to, and hereby granted, the full rights, benefits, privileges, and protections of section 363(m) of the Bankruptcy Code. None of the Transferees has not entered into any agreement with any other potential bidders and has not colluded with any potential or actual bidders, and therefore, neither the Debtors nor any successor in interest to the Debtors' estates shall be entitled to bring an action against the Transferees, and the Transfers may not be avoided, pursuant to section 363(n) of the Bankruptcy Code. The Transfer Agreements shall not be subject to rejection or avoidance under any circumstances.

21. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the transactions contemplated under the Transfer Agreements.

22. For cause shown, pursuant to Bankruptcy Rules 6004(h), and 9014, this Order shall not be stayed after the entry hereof, but shall be effective and enforceable immediately upon entry, and the stays provided in Bankruptcy Rules 6004(h) and 6004(d) are hereby expressly waived and shall not apply. Accordingly, the Debtors and Transferees are authorized and empowered to close the Transfers immediately upon entry of this Order.

23. The failure to include or specifically reference any particular provision of the Transfer Agreements in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Transfer Agreements be authorized and approved in their entirety.

24. To the extent that this Order is inconsistent with the First Misc. Asset Transfer Notice, the terms of this Order shall control and govern. To the extent that there are any inconsistencies between the terms of this Order, on the one hand, and the Transfer Agreements on the other hand, the terms of this Order shall control and govern.

25. The Transfer Agreements may be modified, amended, or supplemented in a writing signed by the parties thereto and in accordance with the terms thereof, in consultation with the Committee, the DIP Lenders, and the Prepetition First Lien Noteholders, without further notice to or order of the Court; provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates, does not otherwise conflict with this Order, and does not impact third parties without their consent.

26. The automatic stay pursuant to section 362 of the Bankruptcy Code is hereby lifted to the extent necessary, without further order of the Court, to allow the Transferees and the Debtors to take any and all actions permitted under the Transfer Agreements.

27. From time to time, as and when requested by the other, the Debtors and the Transferees, as the case may be, shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take, or cause to be taken, all such further or other actions as such other party may reasonably deem necessary or desirable to consummate the Transfers, including, such actions as may be necessary to vest, perfect or confirm, or record or

otherwise, in each Transferee its right, title and interest in and to the Transferred Animal, as applicable, subject to the provisions of the applicable Transfer Agreements.

28. The Court shall retain jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order, the Transfer Agreements, and any amendments thereto and any waivers and consents given thereunder, and to adjudicate, if necessary, any and all disputes concerning or in any way relating to the Transfers, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Transferred Animal to the Transferees, (b) interpret, implement, and enforce the provisions of this Order, including but not limited to the injunctions and limitations of liability set forth in this Order, and specifically to enjoin the commencement or continuation of any action seeking to impose successor liability or bulk sale liability on the Transferee, (c) decide any disputes concerning this Order and the Transfer Agreements, or the rights and duties of the parties hereunder or thereunder or any issues relating to the Transfer Agreements and this Order including, but not limited to, the interpretation of the terms, conditions, and provisions hereof and thereof, the status, nature, and extent of the Transferred Animals and all issues and disputes arising in connection with the relief authorized herein, inclusive of those concerning the transfer of the assets free and clear of all Interests, and (d) enter any orders under sections 105 and 363 of the Bankruptcy Code, or otherwise, with respect to the Transferred Animals.

29. This Order shall be deemed a separate Order with respect to the Transfer of the applicable Transferred Animals to each Transferee and the corresponding Transfer Agreement.

**THE DEBTORS' CHAPTER 11 CASES AND NEED TO
TRANSFER THE TRANSFERRED ANIMALS**

A. General Background

6. On March 31, 2025, certain of the Debtors filed voluntary petitions for relief pursuant to chapter 11 of the Bankruptcy Code. On April 16, 2025 and May 4, 2025, Controladora Dolphin, S.A. de C.V. and Embassy of the Seas Limited, respectively, also filed voluntary petitions for relief pursuant to chapter 11 of the Bankruptcy Code.³ The Chapter 11 Cases are being jointly administered for procedural purposes only. *See* Docket Nos. 32, 68 & 126.

7. On May 6, 2025, the Office of the United States Trustee for the District of Delaware (the "**U.S. Trustee**") appointed an official committee of unsecured creditors (the "**Committee**").

8. Additional information regarding the Debtors, including their business operations, their corporate and capital structure, and the events leading to the commencement of the Chapter 11 Cases, are set forth in detail in the *Declaration of Steven Robert Strom in Support*

³ Capitalized terms used but not defined herein have the meaning given to them in the *Debtors' Motion for an Order Establishing Procedures for Sales of Certain Miscellaneous Assets Outside of the Ordinary Course of Business Free and Clear of All Liens, Claims, Interests and Encumbrances Pursuant to Section 363 of the Bankruptcy Code* [Docket No. 298].

of the Debtors' Chapter 11 Petitions and First Day Pleadings [Docket No. 10] (the “**First Day Declaration**”).

B. Specific Background

i. The Debtors' Florida Assets

9. The Debtors operated four animal habitats and marine parks domestically (collectively, the “**Florida Properties**”)—(i) Miami Seaquarium, located in Miami, Florida (“**Miami Seaquarium**”); (ii) Gulf World Marine Park, located in Panama City Beach, Florida (“**Gulf World**”); (iii) Marineland Dolphin Adventure, located in St. Augustine, Florida (“**Marineland**”); and (iv) Dolphin Connection, located in Hawk’s Cay, Florida. At each of the Florida Properties, the Debtors provided educational programming and promoted conservation and environmental stewardship through interactions with marine and other animal species. The Florida Properties house various species of animals, including dolphins, seals, sea turtles, rays, fish, eels, exotic birds and reptiles.

ii. Sale and Marketing Process

10. As part of the Debtors’ efforts to maximize value of the Debtors’ assets, the Debtors commenced a postpetition sale and marketing process for substantially all of their assets. In July 2025, the Debtors engaged Greenhill & Co., LLC (“**Greenhill**”) as their investment banker and Keen-Summit Capital Partners LLC (“**Keen**”) as their real estate advisor and broker in the Chapter 11 Cases to market all or substantially all of the Debtors’ assets and otherwise explore potential transactions to maximize the value of the Debtors’ assets. *See* Docket Nos. 300 & 301. The Debtors directed Greenhill and Keen to jointly market certain of the Debtors’ assets, as either a going concern or a real property sale, to maximize exposure to the market and generate interest in the Debtors’ assets. Following a thorough process, which involved (i) outreach to more than

20,000 contacts, (ii) print and electronic media advertisements, (iii) execution of more than 180 non-disclosure agreements for access to a confidential data room for access to diligence information, (iv) touring the Debtors' properties with parties in interest, and (v) otherwise engaging with parties regarding the Debtors and their assets, the Debtors determined to sell or assign their interests in Miami Seaquarium, Gulf World, and Marineland properties, as applicable. The Court has entered orders approving such transactions. *See* Docket Nos. 607, 665, and 740. Other than as disclosed in the Misc. Asset Sale Notice, the Debtors did not receive any offers for the purchase of the Transferred Animals. As the Debtors are winding down or otherwise transitioning their operations, the Debtors must, among other things, rehome the animals that currently reside at the Debtors' Miami Seaquarium facility. For months, the Debtors have been working to locate, and have now identified, several licensed and accredited institutions who are well positioned to receive the Debtors' animals.

11. Specifically, the Debtors have engaged in arm's length negotiations with the Transferees regarding the terms of the transfer of the Transferred Animals. In all cases, the Transferees have agreed to assume sole and exclusive responsibility for the transport of the Transferred Animals to the Transferees' respective facilities, and the Debtors will not incur any costs associated with the transport of the Transferred Animals to the Transferees. In addition, the Transferees have each represented and warranted that they (i) are in material compliance with all applicable laws relating to the care of the Transferred Animals; (ii) have obtained and will maintain all necessary licenses, permits, and approvals required for the acquisition, ownership, and care of the Transferred Animals; and (iii) will provide the Transferred Animals with humane care and living conditions. Approval of the Proposed Transfers will mitigate the substantial costs to care

for and support the Transferred Animals, thereby providing the Debtors and their creditors with significant value.

THE PROPOSED TRANSFERS

12. A summary of the terms of each of the Proposed Transfers is set forth in the Misc. Asset Sale Notice, which is incorporated herein by reference.

13. The Riveron team supporting me in my role as CRO of the Debtors has been working directly with the Debtors' management and veterinarian staff, the Transferees and their counsel, as applicable, the Debtors' animal transfer consultant, regulatory agencies, regulatory counsel, and other interested parties to, as applicable, identify the Transferees, coordinate on the number and types of animals to be transported to each facility, document the Proposed Transfers, and coordinate the logistics of transfer.

14. The Debtors have considered all relevant circumstances regarding the transfer of the Transferred Animals, including the Debtors' duty to maximize value for the Debtors' estates, the need to mitigate the costs and expenses of caring for the animals as the Debtors continue to manage liquidity constraints, the Transferred Animals' welfare, the need to promptly move the animals to acceptable homes in accordance with applicable law, and the need to transition the Debtors' leasehold interests in the Miami Seaquarium in accordance with various contractual obligations. I believe that the Proposed Transfers will mitigate substantial cost to the Debtors' estates and will provide the Debtors' estates, creditors, and stakeholders with the highest possible value under the circumstances.

CORPORATE AUTHORITY AND TITLE TO THE ASSETS

15. I believe that the Debtors, as applicable, have (i) full requisite corporate or other organizational power and authority to consummate the Proposed Transfers, execute the Transfer Agreements, and perform all related obligations; and (ii) taken all requisite corporate or

other organizational action and formalities necessary to authorize and approve the execution, delivery, and performance of the Animal Transfers and the consummation by the Debtors, including as required by their respective organizational documents.

16. I also believe that, immediately prior to consummating the Proposed Transfers, the Debtors, as applicable, are the sole and rightful owners of the Transferred Animals.

THE TERMS OF THE PROPOSED SALES SHOULD BE APPROVED

17. I believe that the Debtors and the Transferees negotiated the terms of the Proposed Transfers at arm's-length, in good faith, and without collusion. The Debtors did not enter into the Transfer Agreements for the purpose of hindering, delaying, or defrauding present or future creditors of the Debtors. I do not believe that the Debtors or the Transferees have engaged in any conduct that would cause or permit the Transfer Agreements to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code.

18. Finally, it is my understanding that none of the Transferees or any affiliate of the Transferees is a successor to any of the Debtors or their estates, and the Proposed Transfers do not amount to a consolidation, merger, or *de facto* merger of the Transferees or any of their affiliates with or into any of the Debtors. I understand that (i) Transferees in no way induced or caused any chapter 11 filing by the Debtors; and (ii) all payments to be made by the Transferees in connection with the Proposed Transfers have been disclosed. I believe that the Transferees are consummating the Proposed Transfers in good faith. I also understand that none of the Transferees is not an "insider" of the Debtors, as that term is defined in section 101(31) of the Bankruptcy Code.

CONCLUSION

19. For the foregoing reasons, I believe that consummating the Proposed Transfers on the terms set forth in the Transfer Agreements is fair and reasonable, is in the best interests of the Debtors and their estates and represents a sound exercise of the Debtors' business judgment.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.
