**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,  
METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES  
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

---

On April 1, 2024 (the "Petition Date"), Eiger BioPharmaceuticals, Inc. and its affiliated debtors in the above-captioned chapter 11 cases (each a "Debtor" and, collectively, the "Debtors") commenced voluntary cases (the "Chapter 11 Cases") under chapter 11 of title 11, United States Code, §§ 101 *et seq.* (the "Bankruptcy Code") in the United States Bankruptcy Court for the Northern District of Texas (the "Court").

The Debtors continue to operate their businesses and manage their properties as debtors and debtors in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered under case number 24-80040 (SGJ).

The Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements") were prepared pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") by management of the Debtors with unaudited information available as of the Petition Date.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules and Statements of Financial Affairs* (the "Global Notes") are incorporated by reference in, and comprise an integral part of, each Debtor's respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. The Debtors, and

<sup>1</sup> The Debtors in these chapter 11 cases, together with the last four digits of each Debtor's federal tax identification number, are: Eiger BioPharmaceuticals, Inc. (1591); EBPI Merger Inc. (9986); EB Pharma LLC (8352); Eiger BioPharmaceuticals Europe Limited (N/A); and EigerBio Europe Limited (N/A). The Debtors' service address is 2100 Ross Avenue, Dallas, Texas 75201.

their agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. For the avoidance of doubt, the Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtors, or their agents, attorneys, and advisors, be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, or advisors are advised of the possibility of such damages.

Given, among other things, the uncertainty surrounding the valuation and nature of certain assets and liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that such Debtor was solvent on the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, it is not an admission that such Debtor was insolvent on the Petition Date or any time prior to the Petition Date.

Douglas Staut has signed each set of the Schedules and Statements. Mr. Staut serves as the Chief Restructuring Officer (“CRO”) of the Debtors, and he is an authorized signatory for each of the Debtors in these Chapter 11 Cases. In reviewing and signing the Schedules and Statements, Mr. Staut has necessarily relied upon the efforts, statements, advice, and representations of the Debtors and their advisors. Mr. Staut has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

### **Global Notes and Overview of Methodology**

1. In the ordinary course of business, the Debtors routinely engage in intercompany transactions (collectively, the “Intercompany Transactions”) with one another, which result in intercompany receivables and payables (collectively, the “Intercompany Claims”). Intercompany Transactions and Intercompany Claims arise from relationships and historical practice, or certain intercompany agreements and intercompany loans (collectively, the “Intercompany Relationships” or “Intercompany Agreements”) to support operations and shared service functions, including product development services, software sales, software licensing, provision of management services, revenue sharing arrangements, back-office support transactions and intercompany loan and interest payments. The Debtors manually track and allocate receivables and payables across the corporate enterprise.

2. **EB Pharma LLC**. EB Pharma LLC (“EB Pharma”) is a wholly-owned subsidiary of Eiger BioPharmaceuticals, Inc. (“Eiger”), which is the primary operating entity. EB Pharma had no operations in the year prior to the Petition Date other than tax filings. EB Pharma has no

sales receipts. All vendors supporting its tax filings are paid by Eiger. Accordingly, the Debtors have reported the only assets owned by EB Pharma, which includes licenses and interests in insurance policies. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

3. **Eiger BioPharmaceuticals Europe Limited.** Eiger BioPharmaceuticals Europe Limited (“Eiger BioPharmaceuticals Europe”) is a wholly-owned subsidiary of Eiger. Eiger BioPharmaceuticals Europe had no operations in the year prior to the Petition Date other than tax filings. Eiger BioPharmaceuticals Europe has no sales receipts. All vendors supporting its tax filings are paid by Eiger. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

4. **EBPI Merger Inc.** EBPI Merger Inc. (“EBPI Merger”) is a wholly-owned subsidiary of Eiger. EBPI Merger had no operations in the year prior to the Petition Date other than tax filings. EBPI Merger has no sales receipts. Tax liabilities for EBPI Merger are paid through Eiger’s operating accounts. Accordingly, the Debtors have reported the only assets owned by EBPI Merger, which includes intellectual property and interests in insurance policies or annuities. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

5. **EigerBio Europe Limited.** EigerBio Europe Limited (“EigerBio Europe”) is a wholly-owned subsidiary of Eiger. EigerBio Europe incurs rent and other operating expenses. Cash collections from any sales in Germany are deposited into EigerBio Europe’s bank account. The Debtors have reported the assets owned by EigerBio Europe. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

6. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors’ rights or an admission of any kind with respect to these Chapter 11 Cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.
- (b) **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the

Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired post-petition. Disclosure of information in one or more Schedules, Statements, or one or more exhibits or attachments thereto, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

- (c) **Classifications.** Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract or to setoff such claim.
- (d) **Claims Description.** Any failure to designate a claim on the Debtors’ Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” Each Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim reflected on its respective Schedules and Statements on any grounds, including, without limitation, liability, or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent,” or “unliquidated” or object to the extent, validity, enforceability, or priority of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtors against which the claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.
- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified all current and potential causes of action the Debtors may have against third parties in their respective Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action.

- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property from the Schedules and Statements should not be construed as an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property rights in the Schedules and Statements should not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Executory Contracts and Unexpired Leases.** Although the Debtors made diligent efforts to identify contracts and unexpired leases as executory within the scope of section 365 of the Bankruptcy Code and to attribute an executory contract to its rightful Debtors, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights with respect to the inclusion or exclusion of executory contracts and unexpired leases, as well as the named parties to any and all executory contracts and unexpired leases, including the right to amend Schedule G at any time during the pendency of these Chapter 11 Cases.
- (i) **Insiders.** In the circumstance where the Schedules and Statements require information regarding "insiders," the Debtors have included information with respect to certain individuals who served as officers and directors, as the case may be, during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for: (i) the purposes of determining (A) control of the Debtors; (B) the extent to which any individual exercised management responsibilities or functions; (C) corporate decision-making authority over the Debtors; or (D) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (ii) any other purpose.

- 7. **Description of Cases and "As Of" Information Date.** On April 1, 2024, or the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Court. The Debtors continue to operate their business. The information provided herein, except as otherwise noted, is reported as of the Petition Date of each respective Debtor, as appropriate.
- 8. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”) nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.
- (b) **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have endeavored to only list such assets, liabilities, and prepetition payments once.
- (c) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of the Petition Date. Market values may vary, in some instances, materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements, or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.
- (d) **Undetermined Amounts.** The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- (e) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as “unliquidated.”
- (f) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total.
- (g) **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to various orders entered by the Court. The Debtors scheduled such amounts as of the Petition Date and noted such amounts as contingent. To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should

be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest.

- (h) **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (i) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars. Some bank accounts in EigerBio Europe may be held in Euro but converted to the U.S. Dollar equivalent as of the Petition Date.
- (j) **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this and all other regards.
- (k) **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including, but not limited to: certain deferred charges, investments in subsidiaries, reserves recorded only for purposes of complying with the requirements of GAAP, and deferred tax assets, and deferred tax liabilities. The Debtors have also excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage claims exist. Other immaterial assets and liabilities may also have been excluded.
- (l) **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and critical vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a postpetition basis.
- (m) **Setoffs.** The Debtors may periodically incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

9. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
10. **Specific Schedules Disclosures.**
- (a) **Schedules Summary.** Except as otherwise noted, the asset totals represent amounts as of the Petition Date and liability information provided herein represents the Debtors' liabilities as of the Petition Date.
  - (b) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Eiger's ownership interests in subsidiaries have been listed in Schedule A/B, Part 4, as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors, and may differ significantly from their net book value.
  - (c) **Schedule A/B, Part 5 – Inventory.** The Debtors' products have three- or four-year shelf lives. The Debtors' inventory is managed by third parties.
  - (d) **Schedule A/B, Part 7 – Office furniture, fixtures, and equipment; and collectibles.** The Debtors have used book values as of April 1, 2024 for reporting office furniture and equipment. There have been no valuations on any of such assets. These amounts may include leasehold improvements. The Debtors reserve all of their rights to re-categorize and/or re-characterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.
  - (e) **Schedule A/B, Part 9 – Real Property.** The Debtors lease all of their real properties and, as such, the leased properties' value have been marked as undetermined. Furthermore, certain of the property leases reflected on Schedule A/B 55 may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B 55. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule A/B 55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B 55, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument, including any intercompany agreement.
  - (f) **Schedule A/B, Part 10 – Intangibles and Intellectual Property.** The value of the Debtors' intangible assets is listed as undetermined. The Debtors are not able to provide a schedule with values specific to its intellectual property (including but not limited to, patents, trademarks, internet domains, and licenses).

- (g) **Schedule A/B, Part 11 – All Other Assets.** Eiger has incurred significant net operating losses (“NOLs”) and research and development credits (“R&D Credits”) (together, the “Tax Attributes”) since its inception. As of December 31, 2023, Eiger has generated federal NOLs of \$322.5 million. The Debtors also has \$47.1 million of state NOLs, \$15.5 million of federal orphan drug tax credits, \$4.0 million of state R&D Credits and \$1.6 million of federal R&D Credits. Further, the Debtors estimate that they may generate additional Tax Attributes in the 2024 tax year. Such Tax Attributes have not been valued as of the Petition Date and may be restricted in their use.
- (h) **Schedule D – Creditors Who Have Claims Secured by Property.** The Debtors have made reasonable efforts to report all secured claims against the Debtors on Schedule D based on the Debtors’ books and records as of the Petition Date. However, the actual value of claims against the Debtors may vary significantly from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any secured creditor’s allowed claims or the correct amount of all secured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of the aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated financial information and data the Debtors believe to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout these Chapter 11 Cases.

Except as specifically stated herein, lessors of real property and equipment, utility companies, and any other parties which may hold security deposits or other security interests, have not been listed on Schedule D. The Debtors have also not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, or advance payments.

Although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any creditor’s claim or the characterization of the structure of any transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor’s claim (except as otherwise agreed to or stated pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court that is or becomes final). The Debtors have not included on Schedule D the claims of any parties that may believe their claims are secured through setoff rights or inchoate statutory lien rights.

The descriptions provided on Schedule D are intended only as a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or in the Schedules and Statements shall be deemed a modification, interpretation, or an acknowledgment of the terms of such agreements or related documents.

(i) **Schedule E/F – Creditors Who Have Unsecured Claims.**

The Debtors have made reasonable efforts to report all priority and general unsecured claims against the Debtors on Schedule E/F based on the Debtors' books and records as of the Petition Date. However, the actual value of claims against the Debtors may vary significantly from the represented liabilities. Certain claims on E/F may have been satisfied post-petition by the Debtors (including employee wages in the ordinary course) or third parties. Furthermore, accrued interest for some claims may not have been possible to determine. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of the aggregate asset values and aggregate liabilities set forth in the Schedules. Parties in interest should consult their own professionals and advisors with respect to pursuing a claim. Although the Debtors and their professionals have generated financial information and data the Debtors believe to be reasonable, actual liabilities (and assets) may deviate significantly from the Schedules due to certain events that occur throughout these Chapter 11 Cases.

The claims listed on Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the date upon which claims listed in Schedule E/F were incurred or arose, updating that date for each claim in Schedule E/F would be unduly burdensome and cost-prohibitive and, therefore, the Debtors have not listed a date for each claim listed on Schedule E/F.

In the ordinary course of business, the Debtors generally receive invoices for goods and services after the delivery of such goods or services. As of the filing of the Schedules and Statements, the Debtors may not have received all invoices for payables, expenses, or liabilities that may have accrued before the Petition Date. Furthermore, payments to vendors and lienholders made subsequent to the filing of these Schedules will not be reflected in these Schedules. The Debtors reserve the right, but are not required, to amend Schedules E/F if they receive such invoices and/or make such payments. The claims of individual creditors are generally listed at the amounts recorded on the Debtors' books and records and may not reflect all credits or allowances due from the creditor. The Debtors reserve all of their rights concerning credits or allowances.

***Part 1 - Creditors with Priority Unsecured Claims.*** The Debtors included certain claims related to severance. The Debtors also included certain claims owing to various taxing authorities to which the Debtors may be liable. Priority unsecured tax claims are listed as contingent since they have been paid through first day relief.

Moreover, the inclusion of any amounts owed to taxing authorities does not constitute an admission by the Debtors of such liability.

The Debtors reserve the right to assert that any claim listed on Schedule E/F does not constitute a priority claim under the Bankruptcy Code.

***Part 2 - Creditors with Nonpriority Unsecured Claims.*** The Debtors have used reasonable efforts to report all general unsecured claims against the Debtors in Schedule E/F, Part 2, based upon the Debtors' books and records as of the Petition Date. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities, which have been listed on a gross accounts payable basis, may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Prepetition amounts that may be paid in accordance with court orders, are marked as contingent. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

- (j) **Schedule G – Executory Contracts and Unexpired Leases.** The Debtors hereby reserve all rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement Schedule G as necessary. Additionally, the placing of a contract or lease onto Schedule G shall not be deemed an admission that such contract is an executory contract or unexpired lease, or that it is necessarily a binding, valid, and enforceable contract. Any and all of the Debtors' rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved. In addition, the Debtors are continuing their review of all relevant documents and expressly reserve their right to amend all Schedules at a later time as necessary and/or to challenge the classification of any agreement as an executory contract or unexpired lease in any appropriate filing.

The names of employees and consultants and other individuals have been redacted for privacy purposes.

Certain information, such as the contact information or addresses of the counterparty, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. Expired contracts and leases may have also

been inadvertently included. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreements, which documents may not be set forth in Schedule G. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

The Debtors have reserved all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

Although the Debtors have made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of its rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contract or agreement is not impaired by the omission. Certain Debtors are guarantors and parties to guaranty agreements regarding the Debtors' prepetition credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and F only.

11. **Specific Statements Disclosures.**

- (a) **Statements, Part 1, Question 1 – Gross Revenue from business.** The Debtors recognize GAAP revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers ("ASC 606"). Under ASC 606, an entity recognizes revenue when its customer obtains control of promised goods or services in an amount that reflects the consideration which the entity expects to receive in exchange for those goods or services. The Debtors recognize product revenue when a customer obtains control of the Debtors' product, which occurs at a point in time, typically upon delivery to a customer as the delivery of the product is the only performance obligation.

The product is distributed through an exclusive third-party logistics, or 3PL, distribution agent that does not take title to the product. The 3PL distributes Zokinvy to the customers, specialty pharmacies and specialty distributors (collectively referred to as "customers"), who then distribute the product to

healthcare providers and patients. Taxes collected from the customer relating to product sales and remitted to governmental authorities are excluded from revenue.

Revenues from product sales are recorded at the net sales price, or the transaction price, which includes estimates of variable consideration for which reserves are established and which result from discounts, returns, co-pay assistance, chargebacks, rebates, and other allowances that are offered within contracts between us and customers, healthcare providers and other indirect customers relating to the sale of Zokinvy. These reserves are based on the amounts earned or to be claimed on the related sales and are classified as reductions of accounts receivable or a current liability. Where appropriate, these estimates take into consideration a range of possible outcomes that are probability-weighted for relevant factors such as historical experience, current contractual and statutory requirements, specific known market events and trends, industry data and forecasted customer buying and payment patterns. Overall, these reserves reflect best estimates of the amount of consideration to which the Debtors are entitled based on the terms of the contract.

The components of variable consideration related to product revenue were detailed in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Honor and Continue Certain Customer Programs and Customer Obligations in the Ordinary Course of Business, and (II) Authorizing Banks to Honor and Process Checks and Electronic Transfer Requests Related Thereto* [Docket No. 17] and are customary in the pharmaceutical industry.

- (b) **Statements, Part 2, Question 4 – Payments and Transfers to Certain Insiders within 1 year before the filing.** The Debtors reported payments to non-officer and officer insiders within the year prior to the Petition Date. Out of an abundance of caution, payments made to Alvarez & Marsal are reported both on Statements Question 4 and Question 11 due to the firm's relationship to the Debtors as Chief Restructuring Officer. Payments made to Danforth Advisors LLC are also included out of an abundance of caution due to the Chief Financial Officer's involvement with the company. Payments made to Eiger Group International, Inc. are also included out of an abundance of caution due to a former Director's involvement with the company. The Debtors reserve all rights with respect to the determination or status of a person as an "insider" as defined in section 101(13) of the Bankruptcy Code.
- (c) **Statements, Part 3, Question 7 – Legal Actions or Assignments.** The Debtors have made reasonable best efforts to identify all current pending litigation and legal proceedings involving the Debtors. The Debtors reserve all of their rights and defenses with respect to any and all listed lawsuits and legal proceedings. The listing of such suits and proceedings shall not constitute an admission by the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors.

- (d) **Statements, Part 4, Question 9 – Gifts or Charitable Contributions within 2 years before the filing.** Research grants are not considered in the context of this question. Research grants differ from a charitable contribution since both parties benefit.
- (e) **Statements, Part 9, Question 16 – Collect and Retain personally identifiable information of customers.** The Debtors collect a limited amount of information about customers. Examples of the types of information collected by the Debtors include, among other things, name, mailing address, telephone number, email and addresses.  
  
Please see the Debtor’s privacy policy at <https://www.eigerbio.com/privacy-policy/>.
- (f) **Statements, Part 9, Question 17– ERISA Plan as an Employee Benefit.** The Debtors sponsor a 401(k) plan for their employees.
- (g) **Statements, Part 10, Question 20 – Off-premises storage.** The Debtors use certain third parties, including, for example, storage of product samples, raw materials, and finished goods. The Debtors perform inventory counts at Eiger to ensure accurate inventory records.
- (h) **Statements, Part 13, Question 25 – Businesses in Which the Debtors Have an Interest.** Eiger BioPharmaceuticals, Inc. has a 100% interest in EB Pharma LLC, Eiger BioPharmaceuticals Europe Limited, EBPI Merger Inc., and EigerBio Europe Limited.
- (i) **Statements, Part 13, Question 26 – Books, records, and financial statements.** The Debtors’ common stock was publicly traded on the Nasdaq stock exchange. As of April 11, 2024, the Debtor’s common stock was suspended from trading. Prior to the suspension of trading on the Nasdaq, the Debtors reported their financial results directly to the U.S. Securities and Exchange Commission (the “SEC”) for compliance with regulations. Because the SEC filings and the website are public record, the Debtors do not maintain records of the parties that requested or obtained copies of any of the SEC filings from the SEC or the debtors.
- (j) **Statements, Part 13, Question 27 – Inventories – Supervisor and Dates of Inventories Taken Within 2 years.** The Debtors perform inventory counts of raw materials and finished goods inventories on an annual basis or as needed for operational reasons. The information included in response to Question 27 reflects the last five (5) inventory dates.
- (k) **Statements, Part 13, Question 28 and 29 – Current and Former Officer and Directors.** While the Debtors have made reasonable best efforts to list all applicable officers and directors for each Debtor in response to Statement Questions 28 and 29, some may have been omitted. Disclosures relate specifically to terminated job titles or positions and are not indicative of the individuals’ current employment status with the Debtors.

- (1) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals to Insiders.** Refer to Statement Question 4 for this item.
