**IN THE UNITED STATES BANKRUPTCY COURT
 FOR THE EASTERN DISTRICT OF VIRGINIA
 ALEXANDRIA DIVISION**

In re:)	Chapter 11
ENVIVA INC., <i>et al.</i> ,)	Case No. 24-10453 (BFK)
Debtors. ¹)	(Jointly Administered)

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS,
 METHODOLOGY, AND DISCLAIMERS REGARDING THE
 DEBTORS' MONTHLY OPERATING REPORT FOR MAY 2024**

On March 12, 2024 (the "*Petition Date*"), Enviva Inc. ("*Enviva*") and certain of its subsidiaries (such subsidiaries, each a "*Debtor*," collectively with Enviva, the "*Debtors*"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "*Bankruptcy Code*") in the United States Bankruptcy Court for the Eastern District of Virginia (the "*Bankruptcy Court*"), thereby commencing the instant cases (the "*Chapter 11*")

* Subject to pending proceedings pursuant to 11 U.S.C. § 327.

¹ Due to the large number of Debtors in these jointly administered chapter 11 cases, a complete list of the Debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list may be obtained on the website of the Debtors' claims and noticing agent at www.kcellc.net/enviva. The location of the Debtors' corporate headquarters is: 7272 Wisconsin Avenue, Suite 1800, Bethesda, MD 20814.

Cases”). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 14, 2024, the Bankruptcy Court entered an order authorizing the joint administration of these Chapter 11 Cases pursuant to rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”). On March 25, 2024, the Office of the United States Trustee for the Eastern District of Virginia (the “*U.S. Trustee*”) appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code.

The following notes and statements of limitations should be referred to, and referenced in connection with, any review of the MORs (as defined below).

1. Basis of Presentation. Each of the Debtors is filing its monthly operating report (each an “*MOR*” and, collectively, the “*MORs*”) solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ Chapter 11 Cases. The MORs are in a format acceptable to the U.S. Trustee. The MORs should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

The MORs are unaudited and have not been prepared in accordance with accounting principles generally accepted in the United States of America (“*U.S. GAAP*”) and do not include all the information and footnotes required by U.S. GAAP. The MORs are not intended to reconcile to any other financial statements of Enviva, any of the Debtors, or any of their affiliates.

The financial information contained herein is presented per the Debtors’ books and records without, among other things, all adjustments or reclassification that may be necessary or typical with respect to consolidating financial statements or in accordance with U.S. GAAP. Because the Debtors’ accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income or expenses have been recorded on the correct legal entity. Amounts reported in the MORs do not include intercompany eliminations for account balances and activity among Debtors and non-Debtor affiliates. In certain cases, tax provisions for the Debtors are calculated on a consolidated basis. In such cases, related tax balances and activities are included in Enviva’s MOR.

This information has not been subjected to procedures that would typically be applied to financial information presented in accordance with U.S. GAAP or any other recognized financial reporting framework, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, and these changes could be material.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

For the reasons discussed above, there can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MORs.

2. **Reporting Period.** Unless otherwise noted herein, the MORs generally reflect the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
3. **Accounts Payable and Disbursement Systems.** Cash is received and disbursed by the Debtors in a manner consistent with the Debtors' historical cash management practices, as described in the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Maintain the Cash Management System, (B) Continue Using Existing Business Forms, and (C) Continue Intercompany Transfers, (II) Providing Administrative Expense Priority Status for Postpetition Intercompany Claims, and (III) Granting Related Relief* [Docket No. 13].
4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy laws or in lieu of complying with any periodic reporting requirements thereunder. To the extent applicable, persons and entities trading, or otherwise purchasing, selling, or transferring the claims against or equity interests, in the Debtors² should evaluate this financial information in light of the purposes for which it was prepared and the caveats contained herein. The Debtors and their advisors are not liable for, and undertake no responsibility to indicate, variations from securities laws herein or for any evaluations of the Debtors based on this financial information or any other information.
5. **DIP Financing.** On March 15, 2024, the Debtors entered into that certain *Debtor-in-Possession Credit and Note Purchase Agreement* providing for a debtor-in-possession term loan and notes facility of \$500,000,000 (the "**DIP Financing**"). On March 14, 2024, the Bankruptcy Court entered the *Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Superpriority Administrative Expense Claims, (III) Granting Adequate Protection to Prepetition Secured Parties, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief* [Docket No. 103] (the "**Interim DIP Order**") approving the DIP Financing on an interim

² See also the procedures and restrictions pursuant to the *Final Order (I) Establishing Notification Procedures; (II) Approving Restrictions on Certain Transfers of Common Stock of the Debtors' Estates and Claiming a Worthless Equity Deduction; and (III) Granting Related Relief* [Docket No. 327].

basis, and on May 3, 2024, the Bankruptcy Court entered the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Providing Superpriority Administrative Expense Claims, (III) Granting Adequate Protection to Prepetition Secured Parties, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief* [Docket No. 458] (the “**Final DIP Order**,” and together with the Interim DIP Order, the “**DIP Orders**”) approving the DIP Financing on a final basis. Please see the DIP Orders for additional detail.

6. **Payment of Prepetition Claims Pursuant to First Day Orders.** On March 14, 2024, the Bankruptcy Court entered interim orders authorizing the Debtors to pay, on an interim basis, certain prepetition claims and expenses (the “**First Day Orders**”), and as of the date hereof, the Bankruptcy Court has approved the First Day Orders on a final basis. To the extent any payments were made on account of prepetition claims following the commencement of these Chapter 11 Cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MORs.
7. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MORs in all respects, as may be necessary or appropriate. Nothing contained in the MORs shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their Chapter 11 Cases.
8. **Specific MOR Disclosures.**

Notes to Part 1:

- Due to the timing of receipt of bank statements, the general ledger cash balance may differ from the bank balance. Section 1C reflects bank disbursements.
- Cash balances include short-term restricted cash that may not be under the direct control of the Debtors. For the avoidance of doubt, long-term restricted cash is not included in Part 1 but is reflected in the “Total Assets” in Part 2 and as a long-term restricted cash asset in the supporting balance sheet schedule.
- The Debtors have not included “Intercompany Receipts and Disbursements” in 1B and 1C, respectively, as specified within the MOR instructions (Instructions for UST Form 11-MOR: Monthly Operating Report and Support Documentation). The net intercompany cash activity between Debtors will be presented within the Statement of Cash Receipts and Disbursements supplemental schedule. Cash activity between Debtors and Non-Debtors is reflected within the total receipts and disbursements in 1B and 1C, respectively.

Notes to Part 2

- Because the Debtors’ existing recording systems were not designed to distinguish between pre- and postpetition liabilities, the Debtors have commenced a process to distinguish between pre- and postpetition liabilities based on application of a

materiality threshold, which is reflected in this MOR. As the Debtors continue this process and additional information becomes available, the allocation of liabilities between prepetition and postpetition periods may change.

- Prepetition liabilities reflect liabilities included in “Liabilities Subject to Compromise” on the Debtors’ balance sheets, as well as other liabilities which may be uncompromised pursuant to the relief granted via the Debtors’ various interim and final First Day Orders.
- Solely for purposes of this MOR, “Liabilities Subject to Compromise”, as reported on the balance sheets, includes the full amount of all of the prepetition unsecured liabilities of the Debtors. The Debtors’ inclusion or exclusion of any amounts in the presentation of “Liabilities Subject to Compromise” in the balance sheets is done solely for expediency in preparing this MOR pursuant to the Debtors’ reporting obligations and does not indicate a view, of the Debtors or of any other person, as to whether and to what extent the respective liabilities may be impaired.
- Secured and unsecured debt may have multiple Debtor issuers. In certain of these cases, the corresponding liabilities are only presented on a single Debtor entity, which is consistent with Enviva’s books and records. Additionally, the “Prepetition Secured Debt” in the MOR form is inclusive of the outstanding principal amount, accrued interest, unamortized debt issuance costs, discounts and premiums.
- The Debtors are currently assessing the accounting impacts of the rejection of executory contracts and unexpired leases. Such rejections have not yet been accounted for as of the end of the reporting period.
- Intercompany receivable and payable balances reflect the stand-alone legal entity values and do not include intercompany eliminations. The balances reflect the net receivable or payable between a legal entity pair.
- Certain immaterial adjustments have been made to prior periods.
- The payables set forth in 2g are based on certain accounting reports and do not constitute an acknowledgement that such payments were past due and all rights are reserved in connection therewith. The payables reflected in 2g were materially settled within a week that they received a past due designation.
- Investments in related-party entities are presented within “Other Long-Term Assets” and reflect the recorded book value as of the end of the reporting period.

Notes to Part 4:

- The activity presented reflects the stand-alone legal entity values and do not include intercompany eliminations.
- Values reflected within the income statement are presented on an accrual basis.
- The MOR has not been subjected to certain income tax provision procedures that would typically be applied at fiscal year-end. The information presented herein may materially differ if such procedures were applied.

Notes to Part 5:

- The Debtors will pay retained professionals in accordance with the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 317].
- The values reflected within section 5 are presented on an approved or disbursement (cash) basis, as applicable.
- Part 5(a) presents the Debtors' professional fees and expenses paid for those professionals retained as a result of these Chapter 11 Cases. Amounts presented are exclusive of ordinary course professional fees and expenses paid for professionals that would have been retained absent these Chapter 11 Cases.
- On April 12, 2024, the Court entered the *Order (I) Authorizing the Debtors To Retain and Compensate Professionals Utilized In The Ordinary Course Of Business and (II) Granting Related Relief* [Docket No. 318], (the "OCP Order"). Per the OCP Order, the Debtors file a Quarterly Statement within 30 calendar days after the end of, and with respect to, each full three-month period after the Petition Date. The Quarterly Statement includes (i) the name of the ordinary course professional; (ii) the aggregate amounts paid as compensation for services rendered and reimbursement of expenses incurred by that OCP during the reported quarter; and (iii) a general description of the services rendered by that OCP. In accordance with the OCP Order, the fees and expenses paid to ordinary course professionals are reported separately in the Quarterly Statement and are not reported in Part 5(b) of the MORs.
- Part 5(c) provides the total of professional fees and expenses paid presented in Part 5(a) and Part 5(b), as well as professional fees and expenses paid for professionals employed by any official committee appointed by the U.S. Trustee.

Note to Part 6:

- In the ordinary course of business, the Debtors collect, withhold, and incur taxes and governmental fees, including franchise taxes, income taxes, production and severance taxes, property taxes, and sales and uses taxes (collectively, the "**Taxes and Fees**").
- On April 12, 2024, the Bankruptcy Court entered the *Final Order (I) Authorizing the Payment of Certain Prepetition Taxes and Fees and (II) Granting Related Relief* [Docket No. 322] authorizing, among other things, the Debtors to pay all prepetition Taxes and Fees.

Notes to Part 7:

- Pursuant to the relief granted via the Debtors' various First Day Orders, the Debtors have made payments on prepetition debts as they become due in the ordinary course of business. The Debtors provide individualized reporting on the information specified in question 7a under certain First Day Orders to certain parties in interest, including the US Trustee and the official committee of unsecured creditors. Such reporting has not been reproduced for purposes of these MORs.
- Pursuant to the *Order (I) Authorizing the Debtors To Retain and Compensate Professionals Utilized In The Ordinary Course Of Business and (II) Granting Related Relief* [Docket No. 318], the Debtors are permitted to pay ordinary course professionals without further court approval.
