Re: Pro Se Filing

As the Court is aware, Potter Anderson & Corroon LLP is in the process of withdrawing as counsel to Voizzit. We do not and have not represented Rajendran Vellapalath individually but have filed the recent documents [Adversary Docket Nos. 23, 24 & 25] as a courtesy to Mr. Vellapalath and not as counsel to Voizzit or Mr. Vellapalath. We have informed Mr. Vellapalath that certain exhibits he wished to file contained potentially confidential information so he asked that we file the documents under seal.

Sincerely yours,
