Case No. 24-11161 (BLS)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (collectively with attachments, the “Schedules”) and the Statement of Financial Affairs (collectively with attachments, the “Statement,” and together with the Schedules, the “Schedules and Statements”) filed Claudia Z. Springer, Esq., in her capacity as Chapter 11 Trustee (the “Trustee”) of the Estates of Epic! Creations, Inc. (“Epic”), Neuron Fuel, Inc. (“Neuron Fuel”), and Tangible Play, Inc. (“Tangible Play,” and with Epic and Neuron Fuel, collectively, the “Debtors”) in the above-captioned chapter 11 cases (these “Chapter 11 Cases”) were prepared pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) by Novo Advisors LLC (“Novo”) as accountants and financial advisors to the Trustee and are unaudited.

These Global Notes and Statement of Limitations, Methodologies, and Disclaimers Regarding the Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each Debtor’s respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

The Debtors’ Schedules and Statements were prepared from financial data derived from the Debtors’ books and records and other sources that were available to Novo and the Trustee at the time of preparation of the Schedules and Statements. While the Trustee and Novo have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information that was available at the time of preparation, inadvertent errors, inaccuracies, or omissions may have occurred or the Trustee may discover subsequent information that requires material changes to the Schedules and Statements. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete or accurate.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number are: Epic! Creations, Inc. (9113); Neuron Fuel, Inc. (8758); and Tangible Play, Inc. (9331).

Epic's Schedules and Statements were prepared from limited financial information available to Novo from Epic's enterprise resource planning (ERP) system. Epic's ERP system was previously managed by its parent company, Think and Learn Pvt. Ltd. ("T&L"). The Trustee and Novo cannot attest to the recency or accuracy of the information contained therein but have reviewed and validated this information to the best of their ability. The information contained within these Schedules and Statements is subject to change if additional information becomes available.

Neuron Fuel's Schedules and Statements were prepared from books and records prepared and provided by a third-party accounting services firm engaged by Neuron Fuel. These books and records appear, to the Trustee's and Novo's knowledge, to be timely and complete. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

Books and records for Tangible Play have not been provided by its parent company, T&L, and Novo is not aware of the system previously used for the financial management of Tangible Play. As such, these Schedules and Statements were prepared from limited financial information available to the Debtors from certain primary sources such as bank statements and vendor account statements. The information contained within these Schedules and Statements is subject to change if additional information becomes available.

The Schedules and Statements have been signed by the Trustee. Accordingly, in reviewing and signing the Schedules and Statements, the Trustee necessarily relied upon the efforts, statements, and representations of Novo. The Trustee has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditor addresses.

The Global Notes supplement is in addition to any specific notes contained in each Debtor's respective Schedules or Statements. Furthermore, the fact Novo has prepared Global Notes or specific notes with respect to each of the individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Trustee to exclude the applicability of such Global Notes or specific notes to any of the Debtors' other Schedules and Statements, as appropriate.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

1. ***Description of Cases.*** On June 4 and 5, 2024 (the "Petition Date"), GLAS Trust Company LLC, in its capacity as administrative and collateral agent under the Credit Agreement, and certain lenders under the Credit Agreement (the "Prepetition Lenders") filed an involuntary chapter 11 petition against each Debtor. [D.I. 1]. Further factual background regarding the Debtors, including their business operations and the events leading to the commencement of these

Chapter 11 Cases, is set forth in detail in the *Declaration of Claudia Z. Springer in Support of First Day Motions* [D.I. 193] (the “First Day Declaration”), which is fully incorporated into this Motion by reference. On June 27, 2024, this Court entered an order directing joint administration of the Debtors’ cases for procedural purposes. [D.I. 61]. On September 16, 2024 (the “Order for Relief Date”), this Court entered an order for relief in the Debtors’ involuntary chapter 11 cases and directed the appointment of a chapter 11 trustee. [D.I. 147]. On September 23, 2024, the United States Trustee for Region 3 duly appointed Claudia Z. Springer as chapter 11 trustee of each Debtor, subject to approval by the Court. [D.I. 152]. On October 7, 2024, this Court entered an order approving the appointment of the Trustee. [D.I. 180].

2. **“As of” Information Date.** To the best of the Trustee’s knowledge, except as expressly noted otherwise, with respect to all claim amounts in Schedule D and Schedule E/F are as of Date of the Order for Relief. However, due to the availability of information from each Debtor and the varying “as of” dates on source information and data compiled during these Chapter 11 Cases, the “as of” dates on the Schedules and Statements are inconsistent and cover a range of months. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Trustee reserves all of her rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

3. **General Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Trustee reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to any claim (“Claim”) description, designation, or Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated”; or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Trustee that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of (a) liability, or (b) amounts due or owed, if any, by the Debtor against which the Claim is listed or against any of the Debtors. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

4. **GAAP.** Given the difference between the information requested in the Schedules and Statements, and the financial information utilized under generally accepted accounting principles in the GAAP, the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

5. **Causes of Action.** Despite her reasonable efforts to identify all known assets, the Trustee may not have listed all of the estates’ causes of action or potential causes of action against

third parties as assets in the Schedules and Statements. The Trustee reserves all of her and the estates' rights with respect to any Claims or causes of action (including avoidance actions), controversy, right of setoff, crossclaim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertible directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") the estates may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

6. ***Recharacterization.*** The Trustee has made reasonable efforts to correctly characterize, classify, categorize, and designate the Claims, assets, executory contracts, unexpired leases, interests, and other items reported in the Schedules and Statements. Nevertheless, the Trustee may not have accurately characterized, classified, categorized, or designated certain items. The Trustee reserves all of her rights to re-characterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate.

7. ***Liabilities.*** The Trustee has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Trustee reserves the right to amend the Schedules and Statements as she deems appropriate in this regard.

8. ***Excluded Assets and Liabilities.*** The Trustee has excluded certain categories of assets and liabilities from the Schedules and Statements and certain accrued expenses. The Trustee has excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may be rejected (if any), to the extent such damage Claims exist. In addition, certain immaterial or de minimis assets and liabilities may have been excluded.

9. ***Property and Equipment.*** Unless otherwise indicated, owned property (including real property) and equipment are stated at net book value. The Trustee may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Trustee reserves all of her rights with respect thereto.

10. ***Inventory.*** It would be prohibitively expensive, unduly burdensome, and time-consuming to physically inspect all inventory held by the Debtors. Accordingly, to the extent inventory is disclosed, referenced, and/or described in the Schedules and Statements, such disclosures are the product of a "cycle count" of the Debtors' inventory.

11. ***Estimates.*** To prepare and file the Schedules and Statements in accordance with the deadline established in these bankruptcy cases, Novo was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. The Trustee reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

12. ***Fiscal Year.*** Each Debtor's fiscal year ends on March 31.

13. ***Currency.*** All amounts are reflected in U.S. dollars.

14. ***Executory Contracts.*** Although the Trustee has made diligent attempts to properly identify the Debtor counterparty or counterparties to each executory contract on Schedule G, it is possible that more Debtor entities are counterparties to certain executory contracts on Schedule G than listed herein. The Trustee reserves all of her rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. In addition, although the Trustee has made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claim(s) held by any counterparty to such contract or lease. Furthermore, while the Trustee has made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

15. ***Leases.*** The Trustee has not included the future obligations of any capital or operating leases in the Schedules and Statements. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules.

16. ***Intangibles and intellectual property.*** Exclusion of certain intangibles and intellectual property should not be construed to be an admission that such intangibles and intellectual property rights do not exist, have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intangibles and intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

17. ***Insiders.*** The Trustee has attempted to include all payments made on or within twelve (12) months before the Petition Date to any individual or entity deemed an "insider." As to each Debtor, an individual or entity is designated as an "insider" if such individual or entity, based on the totality of the circumstances, (i) has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to unqualifiedly dictate corporate policy and the disposition of corporate assets, and/or (2) is considered an affiliate or an insider of the affiliate as defined by section 101(31)(E) of the Bankruptcy Code.

The listing of a party as an “insider” is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, Claim, right, or defense, and all such rights, Claims, and defenses are hereby expressly reserved. Furthermore, certain of the individuals identified above may not have been insiders for the entirety of the 12-month period, but the Trustee has included them herein out of an abundance of caution. The Trustee reserves all rights with respect thereto. The failure to list a party as an “insider” is not intended to be, nor should it be, construed as an admission that such party is not an “insider,” and the Trustee reserves all rights with respect thereto.

18. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts included in the Schedules and Statements. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be different than the listed total.

19. **Unliquidated Claim Amounts.** Claim amounts that could not be quantified by the Trustee are scheduled as “unliquidated.”

20. **Undetermined Amounts.** The description of an amount as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined” is not intended to reflect upon the materiality of such amount.

21. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, or services are listed as amounts entered on the Debtors’ books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Trustee reserves all of her rights respecting such credits, allowances, and other adjustments.

22. **Payments.** Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses (the “Cash Management System”). Although efforts have been made to attribute open payable amounts to the correct legal entity, the Trustee reserves the right to modify or amend the Schedules and Statements to attribute any payments to a different legal entity, if appropriate.

23. **Guaranties and Other Secondary Liability Claims.** The Trustee has used her best efforts to locate and identify guaranties and other secondary liability claims (collectively, the “Guaranties”) in the Debtors’ executory contracts, unexpired leases, debt instruments, and other such agreements; however, a review of these agreements, specifically the Debtors’ leases and contracts, is ongoing. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtor or Debtors affected by such Guaranties.

24. **Mechanic’s Liens.** The property and equipment listed in the Schedules are presented without consideration of any warehouseman’s, mechanic’s, materialman’s, or other similar statutory liens. Such liens may apply, and the Trustee reserves her right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor.

25. ***Global Notes Control.*** In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.

### **Specific Disclosures with Respect to the Debtors' Schedules**

1. ***Schedule A/B.*** Real property is reported at book value, net of accumulated depreciation on buildings and improvements. The Trustee may have listed certain assets as real property when such assets are in fact personal property, or the Trustee may have listed certain assets as personal property when such assets are in fact real property. The Trustee reserves all of her rights to re-categorize or re-characterize such asset holdings to the extent the Trustee determines that such holdings were listed incorrectly.

The Trustee's failure to list any rights in real property on Schedule A/B should not be construed as a waiver of any such rights that may exist, whether known or unknown at this time.

Despite her reasonable efforts to identify all known assets, the Trustee may not have listed all of the estates' Causes of Action or potential Causes of Action against third parties as assets in the Schedules and Statements. The Trustee reserves all of her and the estates' rights with respect to any Causes of Action that the estates may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

The current value of the Debtors' interest in checking, savings, money market, or financial brokerage accounts listed on Schedule A/B is as of the Date of the Order for Relief.

2. ***Schedule E/F, General Note.*** All claim amounts listed on Schedule E/F are as of Date of the Order for Relief.

3. ***Schedule E/F, Part 1: Creditors Holding Priority Unsecured Claims.*** The listing of any claim on Schedule E/F does not constitute an admission by the Trustee that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Trustee reserves all of her rights to dispute the amount and the priority status of any claim on any basis at any time. All claims listed on the Debtors' Schedule E/F, Part 1 are claims arising in the ordinary course between the Petition Date and the Date of the Order for Relief, or from tax, wage, or wage-related obligations to which the Debtors may potentially be liable. Certain of such claims, however, may be subject to ongoing audits and the Trustee is otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E/F. Accordingly, the Trustee has listed all such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues.

4. ***Schedule E/F, Part 2: Creditors Holding Non-Priority Unsecured Claims.*** The Trustee has used her reasonable best efforts to list all general unsecured claims against the Debtors on Schedule E/F based upon the Debtors' existing books and records.

The Trustee has attempted to relate all liabilities to each particular Debtor. Certain creditors listed on Schedule E/F may owe amounts to the Debtors and, as such, the Debtors may have valid

setoff or recoupment rights with respect to such amounts. The amounts listed on Schedule E/F do not reflect any such right of setoff or recoupment and the Trustee reserves all rights to assert any such setoff or recoupment rights. Additionally, certain creditors may assert mechanic's, warehouseman's, materialman's, or other similar liens against the Debtors for amounts listed on Schedule E/F. The Trustee reserves her right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Determining the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Trustee does not list a date for each claim listed on Schedule E/F.

Schedule E/F contains information regarding pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation may be unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor. The amounts for these potential claims are listed as unknown and marked as contingent, unliquidated, and disputed in the Schedules.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in whole or in part in connection with the assumption, or assumption and assignment, of an executory contract or unexpired lease. In addition, Schedule E/F does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases, to the extent such damage claims exist, that have been or may be rejected.

The Trustee has made reasonable efforts to locate and identify the Guaranties in each of the executory contracts, unexpired leases, secured financings, debt instruments and other such agreements to which any Debtor is a party. Where Guaranties have been identified, they have been included in the relevant Schedules for the Debtor or Debtors affected by such Guaranties as a contingent and unliquidated obligation. It is possible that certain Guaranties embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements may have been inadvertently omitted. The Trustee reserves her right to amend the Schedules to the extent additional Guaranties are identified or such Guaranties are discovered to have expired or be unenforceable. In addition, the Trustee reserves the right to amend the Schedules and Statements and to re-characterize or reclassify any such contract or claim whether by amending the Schedules and Statements or in another appropriate filing. Additionally, failure to list any Guaranties in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guaranties not listed. Unless the Trustee was required to pay ancillary costs, such as freight, miscellaneous fees, and taxes, such costs are not included in the liabilities scheduled as such amounts do not represent actual liabilities of the Debtors.

In addition, certain claims listed on Schedule E/F may be entitled to priority under section 503(b)(9) of the Bankruptcy Code.

5. **Schedule G.** As a general matter, certain of the Debtors' executory contracts and unexpired leases could be included in more than one category. In those instances, one category has been chosen to avoid duplication. Further, the designation of a category is not meant to be wholly inclusive or descriptive of the entirety of the rights or obligations represented by such contract.

Certain of the executory contracts and unexpired leases listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, right to lease additional space, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business. Such documents also are not set forth in Schedule G.

The Trustee hereby reserves all of her and the estates' rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument related to a creditor's claim, to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G, and to amend or supplement Schedule G as necessary. The inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the counterparty to such contract or lease, and the Trustee reserves all rights in that regard, including, without limitation, that any agreement is not executory, has expired pursuant to its terms, or was terminated prepetition.

Certain of the executory contracts and unexpired leases listed in Schedule G may have been assigned to, assumed by, or otherwise transferred to certain of the Debtors in connection with, among other things, acquisitions by the Debtors. The Trustee has attempted to list the appropriate Debtor parties to each contract, agreement, and lease on Schedule G; however, there may be instances in which other Debtor entities that are not parties to the contracts, agreements, and leases have been the primary entities conducting business in connection with these contracts, agreements, and leases. Accordingly, the Trustee has listed certain contracts, agreements, and leases on Schedule G of the Debtor entity corresponding to the applicable contracting entity which may, upon further review, differ from the primary entity conducting business with the counterparty to that particular contract, agreement, or lease.

The Trustee reserves all rights as to whether any insurance policy listed on Schedule G may be an executory contract. Nonetheless, the Trustee recognizes that in order for the Debtors to enjoy the benefits of continued coverage for certain claims under these policies, the Debtors may have to comply with certain non-monetary obligations, such as the provision of notice of claims and cooperation with insurers. In the event that the Court were to ever determine that any such prepaid insurance policies are executory contracts, the Trustee reserves all of her rights to amend Schedule G to include such policies, as appropriate.

Schedule G does not include rejection damage claims of the counterparties to the executory contracts and unexpired leases, to the extent such damage claims exist, that have been or may be rejected. Further, based on the confidentiality provisions included in such agreements,

confidentiality and non-disclosure agreements entered into by the Debtors prepetition have not been listed on Schedule G.

6. ***Schedule H.*** The Trustee listed the Debtors' Delaware-based affiliate Whitehat Education Technology LLC ("Whitehat") as a co-debtor with respect to the Debtors' obligations as guarantors under the Term Loan B secured credit facility because Whitehat granted the Term Loan B lenders security interests in certain of its assets under that certain Pledge and Security Agreement dated as of November 24, 2021. To the Trustee's knowledge, however, Whitehat did not join the Term Loan B credit facility as a guarantor and has no personal liability thereunder.

### **Specific Disclosures with Respect to the Debtors' Statements**

1. ***Statements 1 and 2.*** For financial reporting purposes, the Debtors ordinarily prepare consolidated financial statements and determine their gross revenue on a consolidated basis in the ordinary course of business. Unlike the consolidated financial statements, the Statements reflect the business and non-business revenue of each Debtor on a nonconsolidated basis except where otherwise indicated. Accordingly, the totals listed in the Statements may differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

2. ***Statement 3.*** Statement 3 includes any disbursement or other transfer made by the Debtors within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement Question 4) and employee payroll and benefits. The amounts listed in Statement 3 reflect the Debtors' disbursements at check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3.

3. ***Statement 4.*** Statement 4 includes Debtors' intercompany transactions, as well as other transfers to insiders as applicable. With respect to individuals, the amounts listed reflect the universe of payments and transfers to such individuals including compensation, bonus (if any), expense reimbursement, relocation reimbursement, and/or severance. Further information is provided in response to Statement Question 30. Amounts paid on behalf of such employee for certain life and disability coverage, which coverage was provided to all of the Debtors' former employees, have not been included.

The payroll-related amounts shown in response to this question for any salary, bonus or additional compensation, and/or severance payments are gross amounts that do not include reductions for amounts including employee tax or benefit withholdings. Further information is provided in response to Statement Question 30.

The Debtors recorded numerous intercompany transactions in their books and records each month, including cash transfers and journal entries. The Trustee has included the individual payment transactions to affiliate Debtor entities and between Debtor and non-Debtor entities.

4. ***Statement 7.*** Any information contained in Statement 7 shall not be a binding representation of the Debtors' liabilities with respect to any of the lawsuits and proceedings identified therein.

Information provided in Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. In the Trustee's attempt to provide full disclosure, to the extent a legal dispute or administrative proceeding is not formally recognized by an administrative, judicial, or other adjudicative forum due to certain procedural conditions that counterparties have yet to satisfy, the Trustee has identified such matters on Schedule F for the applicable Debtor. While the Trustee believes that she was diligent in her efforts, it is possible that certain suits and proceedings may have been inadvertently left off of the Trustee's response to Statement Question 7. Accordingly, the Trustee reserves all of her rights to amend or supplement her response to Statement Question 7.

The Trustee reserves all of her and the estates' rights and defenses with respect to any and all listed lawsuits and administrative proceedings. The listing of any such suits and proceedings shall not constitute an admission by the Trustee or the Debtors of any liabilities or that the actions or proceedings were correctly filed against the Debtors. The Trustee also reserves her and the estates' rights to assert that the Debtors are an appropriate party to such actions or proceedings.

5. **Statement 13.** Any values listed in the description of the property transferred are estimates and included for illustrative purposes only, as many transactions may include adjustments to the purchase price post-closing or other adjustments.

6. **Statement 26d.** The Debtors have provided financial statements in the ordinary course of their businesses to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. In addition, the Debtors have provided financial reports to the Trustee's Professionals. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtors' knowledge or consent or subject to confidentiality agreements, the Trustee has not disclosed any parties that may have received such financial statements for the purposes of Statement 26d. To assemble the extensive list of recipients would be unduly burdensome.
