FEE PROCEDURES ORDER

6. On October 28, 2024, the Court entered the Interim Compensation Procedures Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all professionals in these cases.

7. In particular, the Interim Compensation Procedures Order provides that a professional may file and serve a Monthly Fee Application with the Court each month following the month or months for which compensation is sought. Provided that there are no objections to such Monthly Fee Application filed within twenty-one (21) days after the service of a Monthly Fee Application, the professional may file a certificate of no objection with the Court, after which the Debtors are authorized to pay such professional eighty percent (80%) of the fees and one hundred percent (100%) of the expenses requested in such Monthly Fee Application. If a partial objection to the Monthly Fee Application is filed, then the Debtors are authorized to pay eighty

percent (80%) of the fees and one hundred percent (100%) of the expenses not subject to an objection.

RELIEF REQUESTED

8. Pashman submits this Application for (a) allowance of reasonable compensation for the actual, reasonable and necessary professional services that it has rendered as bankruptcy counsel for the Trustee in these cases for the period from February 1, 2025, through February 28, 2025 and (b) for reimbursement of actual, reasonable and necessary expenses incurred in representing the Trustee during the same period.

9. During the period covered by this Application, Pashman incurred fees in the amount of \$153,526.50. For the same period, Pashman incurred actual, reasonable and necessary expenses totaling \$614.80. With respect to these amounts, as of the date of this Application, Pashman has received no payments. Pashman's fees for the Application Period are based on the customary compensation charged by comparably skilled professionals in other cases under Title 11.

10. Set forth in the foregoing "Compensation Detail" is a summary of the time expended by timekeepers billing time to these cases.

11. **Exhibit A** attached hereto contains logs which show the time recorded by professionals, paraprofessionals and other support staff and descriptions of the services provided.

12. Pashman does not charge for outgoing domestic facsimiles and does not charge for incoming facsimiles.

13. In accordance with Local Rule 2016-1, Pashman has reduced its request for compensation for non-working travel, if any, to fifty percent (50%) of its normal rate.

14. Pashman has endeavored to represent the Trustee in the most expeditious and economical manner possible. Tasks have been assigned to attorneys, paralegals, and other support staff at Pashman so that work has been performed by those most familiar with the particular matter

or task and, where attorney or paralegal involvement was required, by the lowest hourly rate professional appropriate for a particular matter. Moreover, Pashman has endeavored to coordinate with the other professionals involved in these cases so as to minimize any duplication of effort and to minimize attorneys' fees and expenses to the Trustee. We believe we have been successful in this regard.

15. No agreement or understanding exists between Pashman and any other person for the sharing of compensation received or to be received for services rendered in or in connection with these cases.

The undersigned has reviewed the requirements of Local Rule 2016-1 and certifies, to the best of the undersigned's information, knowledge and belief, that this Application complies with that Rule.

WHEREFORE, Pashman respectfully requests that this Court: (a) allow Pashman (i) monthly compensation in the amount of \$153,526.50 for actual, reasonable and necessary professional services rendered on behalf of the Trustee during the period February 1, 2025 through February 28, 2025, and (ii) monthly reimbursement in the amount of \$614.80 for actual, reasonable and necessary expenses incurred during the same period; (b) authorize and direct the Debtors to pay to Pashman the amount of \$122,821.20 (which is equal to the sum of eighty percent (80%) of Pashman's requested compensation of \$153,526.50), plus one hundred percent (100%) of Pashman's requested expenses of \$614.80; and (c) grant such other and further relief as is just and proper.
