**GLOBAL NOTES, METHODOLOGY, DISCLAIMERS, AND
SPECIFIC DISCLOSURES REGARDING THE DEBTORS' SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

INTRODUCTION

The above captioned Debtors and debtors in possession (together, the “**Debtors**”)² in the above-captioned chapter 11 cases, with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**” and together with the Schedules, the “**Schedules and Statements**”) with the United States Bankruptcy Court for the District of Delaware (the “**Bankruptcy Court**”), pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) and rules 1007-1 and 1007-2 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the “**Local Bankruptcy Rules**”).

On February 26, 2025 (the “**Petition Date**”), the Debtors each commenced with the Court a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 11, 2025, the United States Trustee for the District of Delaware (the “**U.S. Trustee**”) issued a statement stating no Official Committee of Unsecured Creditors has been appointed due to insufficient response to the United States Trustee communication/contact for service on the committee. No trustee or examiner has been appointed in the chapter 11 cases.

These Global Notes, Methodology, Disclaimers and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “**Global**

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number are: Dynamic Aerostructures LLC (3076); Dynamic Aerostructures Intermediate LLC (9800); and Forrest Machining LLC (3421). The Debtors’ service address is 27756 Avenue Mentry, Valencia, California 91355.

Notes”) pertain to, are incorporated by reference in and comprise an integral part of each Debtor’s Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. In preparing the Schedules and Statements, the Debtors relied upon information derived from their books and records available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements. The Debtors, and their officers, employees, agents, attorneys, and financial advisors, do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained in the Schedules and Statements. Except as expressly required by the Bankruptcy Code, the Debtors and their officers, employees, agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statements or to notify any third party should the information be updated, modified, revised, or recategorized. The Debtors, on behalf of themselves, their officers, employees, agents, and advisors disclaim any liability to any third party arising out of or related to the information contained in the Schedules and Statements and reserve all rights with respect thereto. The Schedules and Statements have been signed by an authorized representative of each of the Debtors. In reviewing and signing the Schedules and Statements, this representative relied upon the efforts, statements, and representations of the Debtors’ other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

1. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim (“Claim”) description, designation, or the Debtor against which the Claim is asserted; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated”; or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not in fact “disputed,” “contingent” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or

against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving Claims, substantive consolidation, defenses, equitable subordination, recharacterization, or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

The listing in the Schedules or Statements by the Debtors of any obligation between a Debtor and another Debtor is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim pursuant to section 502 of the Bankruptcy Code or how such obligations may be classified or characterized in a plan of reorganization or by the Bankruptcy Court.

2. **Description of Cases and "as of" Information Date.** On the Petition Date, the Debtors each commenced with the Court a voluntary case under chapter 11 of the Bankruptcy Code. The Debtors are authorized to continue to operate their business and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in the chapter 11 cases.

The asset information provided in the Schedules and Statements, except as otherwise noted, represents the asset data of the Debtors as of the close of business on February 25, 2025, and the liability information provided herein, except as otherwise noted, represents the liability data of the Debtors as of the close of business on the Petition Date.

3. **Basis of Presentation.** Except as otherwise noted herein or in the Schedules and Statements, the Schedules and Statements are intended to reflect the separate assets and liabilities for each of the Debtors. For financial reporting purposes, prior to the Petition Date, the Debtors historically prepared financial statements. These Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to reconcile to the financial statements previously distributed to lenders, major creditors, or various equity holders on an intermittent basis. Unlike the GAAP basis financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time before the Petition Date.

4. **Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets as of the Petition Date. Accordingly, unless otherwise indicated, the Schedules and Statements reflect net book values as of the period ended February 25, 2025, as set forth in the Debtors' books and records. Additionally, because the book value of certain assets, such as fixed assets, intangible assets, etc., may materially differ from their fair market value, they may be listed as undetermined amounts as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not appear in the Schedules and Statements if they have no net book value.
5. **Recharacterization.** Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may, nevertheless, have improperly characterized, classified, categorized, designated (including as "disputed," "contingent," "unliquidated," and "subject to set-off"), or omitted certain items or designations due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
6. **Real Property and Personal Property—Leased.** In the ordinary course of their businesses, the Debtors lease real or other property, from certain third-party lessors. The Debtors have made reasonable efforts to list all such leases in the Schedules and Statements. The Debtors have included on **Schedule D** secured obligations to the extent the lessor filed a UCC-1. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement).
7. **Excluded Assets and Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods, subject to the methodology in these Global Notes, based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code.

The Debtors have excluded certain categories of assets, accruals, and liabilities from the Schedules and Statements, including, without limitation, accrued balances, deferred gains,

and other contingent liabilities. In addition, certain immaterial assets and liabilities may have been excluded.

The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected after the Petition Date, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded.

8. **Insiders.** Entities or individuals listed as “insiders” have been included for informational purposes and their inclusion shall not constitute an admission that those entities or individuals are insiders for purposes of section 101(31) of the Bankruptcy Code. Such entities or individuals may no longer serve in such capacities. In the interest of additional disclosure, the Debtors may also have included certain entities or individuals who may have officer titles in their responses to **Statements, Part 13, Question 28.**

The listing of a party as an insider for purposes for the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements have been included for informational purpose only and such information may not be used for purposes of determining control of the Debtors, the extent to which any individual exercised management responsibilities or functions, corporate decision-making authority over the Debtors, or whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purposes.

9. **Intellectual Property Rights.** The exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

In addition, although the Debtors have made diligent efforts to attribute intellectual property to the rightful Debtor entity, in certain instances, intellectual property owned by one Debtor may, in fact, be owned by another Debtor, or vice versa. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

10. **Executory Contracts and Unexpired Leases.** Although the Debtors made diligent attempts to attribute executory contracts and unexpired leases to their rightful Debtors, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors’ businesses.

Moreover, other than real property leases reported in **Schedule A/B 55**, the Debtors have not necessarily set forth executory contracts and unexpired leases as assets in the Schedules

and Statements, even though these contracts and leases may have some value to the Debtors' estates. The Debtors' executory contracts and unexpired leases, with the exception of confidentiality and non-disclosure agreements, have been set forth in **Schedule G**.

11. **Causes of Action**. Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment, any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, "**Causes of Action**") they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

12. **Payment of Prepetition Claims Pursuant to First Day Orders**. The Debtors have authority to pay certain outstanding prepetition claims pursuant to Bankruptcy Court order, including, but not limited to, certain orders the Bankruptcy Court entered within the first days of the Debtors' chapter 11 cases authorizing the Debtors to pay certain prepetition amounts (collectively, the "**First Day Orders**"). As such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition claims. To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

13. **Summary of Significant Reporting Policies**. The following is a summary of significant reporting policies:
 - a. **Undetermined Amounts**. The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.

 - b. **Totals**. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

- c. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
14. Estimates and Assumptions. Because of the timing of the filings, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. Actual amounts could differ from those estimates, perhaps materially.
15. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.
16. Consolidated Entity Accounts Payable and Disbursement Systems. As described in the Cash Management Motion,³ the Debtors utilize an integrated, centralized cash management system, in the ordinary course of business, to collect, concentrate, and disburse funds generated by their operations (the “**Cash Management System**”). The Debtors maintain a consolidated disbursements system to pay operating and administrative expenses through disbursement accounts. Unless otherwise noted, the Debtors have reported the aggregate net balances among the Debtors as assets on Schedule A/B and as liabilities on Schedule E/F, respectively. The listing in the Schedules or Statements (including, without limitation, Schedule A/B or Schedule E/F) by the Debtors of any obligation between one Debtor and another Debtor is a statement of what appears in the Debtors’ books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified or characterized in a plan of reorganization or by the Bankruptcy Court.
17. Guarantees and Other Secondary Liability Claims. The Debtors have exercised reasonable efforts to locate and identify guarantees in their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in Schedule H for the affected Debtor(s). The Debtors may have inadvertently omitted guarantees embedded in their contractual agreements and may identify additional guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights to amend the Schedules and Statements if additional guarantees are identified.
18. Setoffs. The Debtors incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtors and their suppliers or customers. These offsets, and other similar rights, are consistent with the ordinary course of business in the Debtors’ industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets in the ordinary course of business are not independently accounted for, and as such, may be excluded from the Schedules and Statements.

³ “**Cash Management Motion**” means the Debtors’ motion seeking interim and final authority to continue the Debtors’ cash management system [Docket No. 12].

19. **Global Notes Control.** If the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

SPECIFIC DISCLOSURES WITH RESPECT TO THE SCHEDULES

1. **Schedule A/B.** Other than real property leases reported on **Schedule A/B 55**, the Debtors have not included unexpired leases and executory contracts on **Schedule A/B**. Unexpired leases and executory contracts are listed on **Schedule G**.
2. **Schedule A/B 3.** Cash values held in financial accounts are listed on **Schedule A/B 3** as of the close of business on the Petition Date. Details with respect to the Debtors' cash management system and bank accounts are provided in the Cash Management Motion.
3. **Schedules A/B 15.** Each Debtor's **Schedule A/B** includes its ownership interest, if any, in any subsidiaries. In general, the value of such interest is dependent upon the calculated value of the underlying subsidiaries' equity and profits and losses over time. Because the Debtors did not undertake a historical analysis to assign values to the subsidiary stock, the value of the interest in subsidiaries is listed as "undetermined."
4. **Schedules A/B 19-22.** The amounts set forth for these schedules reflect book value of the listed assets. The Debtors perform periodic cycle counts of inventory in lieu of full physical inventories.
5. **Schedule A/B 72.** While the Debtors believe they have significant net operating loss carry forwards ("NOLs"), the Debtors have not included NOLs in their Schedules and Statements due to the difficulty in quantifying and allocating the NOLs by Debtor as of the Petition Date.
6. **Schedule A/B 73.** The Debtors' insurance policies are listed in **Schedule A/B 73** with an undetermined value. In the event a Debtor prepaid for insurance, that amount is included in **Schedule A/B 8**.
7. **Schedule D.** The Debtors have not included on **Schedule D** parties that may believe their Claims are secured through setoff rights, letters of credit, surety bonds, or statutory lien rights.
8. **Schedule E/F.** The Debtors have used reasonable efforts to report all general unsecured Claims against the Debtors on **Schedule E/F**, based upon the Debtors' books and records as of the Petition Date. The balances on **Schedule E/F** do not account for post-petition payments made at the time these notes were submitted, agreements between the Debtors and any counterparties or any first day motion payments. For the avoidance of doubt, balances reflect no payments made on account of any prepetition claims and reflect balances as of February 25, 2025 per the Company's books and records. These amounts are subject to change pending further reconciliation.

Determining the date upon which each Claim on **Schedule E/F** was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each Claim listed on **Schedule E/F**.

Any information contained in **Schedule E/F** with respect to potential litigation shall not be a binding admission or representation of any Debtor's liability with respect to any of the potential suits and proceedings included therein.

Real estate taxes and certain other contingent accrued liabilities not reasonably estimated may have been excluded from **Schedule E/F**.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid (subject to an order of the Bankruptcy Court) in connection with the assumption of executory contracts or unexpired leases. Additionally, **Schedule E/F** does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected, except where a judgment has been rendered.

9. **Schedule G**. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtors' reasonable efforts, or where such information may constitute confidential or personally identifiable information. Listing or omitting a contract or agreement on **Schedule G** does not constitute an admission that such contract or agreement is or is not an executory contract or unexpired lease that was in effect on the Petition Date or is valid or enforceable. Certain of the leases and contracts listed on **Schedule G** may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on **Schedule G**.

Confidentiality and non-disclosure agreements may not be listed on **Schedule G**.

Certain of the contracts and agreements listed on **Schedule G** may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on **Schedule G** or that may be listed as a single entry. In some cases, the same supplier or provider appears multiple times on **Schedule G**. Multiple listings may not reflect distinct contracts between the applicable Debtor and such supplier or provider but, instead, a series of documents comprising a single contract. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable or separate contracts.

The contracts, agreements, and leases listed on **Schedule G** may have expired or terminated prior to the Petition Date. The Debtors reserve their rights to argue that any of the contracts, agreements, and leases listed on **Schedule G** expired or terminated prior to the Petition Date. Additionally, some of the contracts, agreements, and leases listed on **Schedule G** may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on **Schedule G**, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements,

attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their businesses, such as subordination, nondisturbance, attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents may not be set forth on **Schedule G**. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature have not been included on **Schedule G**.

10. **Schedule H**. The Debtors may not have identified certain guarantees associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements.

In the ordinary course of their businesses, the Debtors may be involved in pending or threatened litigation. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-Claims and counter-Claims against other parties. Because the Debtors have treated all such Claims as contingent, disputed, or unliquidated, such Claims may not have been set forth individually on **Schedule H**. All material litigation matters are listed under **Statement 7**, as applicable.

SPECIFIC DISCLOSURES WITH RESPECT TO THE STATEMENTS

11. **Statements 1 & 2**. The revenue amounts shown in response to this question are net of returns and allowances, coupons, discounts and shipping and handling. The amounts shown in response to these questions reflect third party revenue.
12. **Statement 3**. The amounts listed in **Statement 3** reflect the Debtors' disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on **Statement 3**. In addition, for the sake of completeness and out of an abundance of caution, the Debtors may have listed transfers valued at less than \$7,575 in their response to **Statement 3**.
13. **Statement 4**. The Debtors reserve all rights to dispute whether someone identified in response to **Statement 4** is in fact an "insider" as defined in section 101(31) of the Bankruptcy Code. With respect to individuals, the amounts listed reflect the universe of payments and transfers made specifically to or for the benefit of such individuals, including their regular compensation, as well as any bonuses, expense reimbursements, severance payments or relocation reimbursement. However, amounts paid on behalf of such employees for generally applicable employee benefit programs have not been included. Pursuant to the Debtors' cash management system, payments made to various parties may be made from a single Debtor on behalf of one or more Debtor entities. The Debtors have only listed the Debtor entity that disbursed the payment.

In addition, for the sake of completeness and out of an abundance of caution, the Debtors have listed transfers valued at less than \$7,575 in their response to **Statement 4**.

14. **Statement 6**. The Debtors may incur setoffs resulting from the ordinary course of business with their counterparties. Such setoffs are consistent with the ordinary course practices in the Debtors' industry. Additionally, it would be overly burdensome and costly for the Debtors to list all such normal setoffs. Therefore, **Statement 6** excludes such setoffs.
15. **Statement 7**. The Debtors have used reasonable efforts to report all legal actions, proceedings, investigations, arbitrations, mediations, and audits by federal or state agencies in which the Debtors were involved in any capacity within one year before the Petition Date. The Debtors reserve their rights to assert that neither the Debtors nor any affiliate of the Debtors is an appropriate party to such actions or proceedings. The Debtors are working with their insurance carriers to obtain details relating to workers' compensation, auto and general liability claims and, if necessary, will supplement the Statement when received.
16. **Statement 10**. The Debtors occasionally incur losses for a variety of reasons, including theft and property damage. The Debtors, however, may not have records of all such losses if such losses do not have a material impact on the Debtors' businesses or are not reported for insurance purposes. Given the scale of the Debtors' operations, certain losses, including those attributable to theft, are unable to be tracked by the Debtors with complete accuracy, and accordingly, such losses have not been listed on the Statements.
17. **Statement 11**. All disbursements listed in **Statement 11** were initiated and disbursed by Forrest Machining LLC but were for the benefit of all Debtors. Such payments have been listed only at this entity and not duplicated across all Debtors.
18. **Statement 26d**. Over the past two years, the Debtors have provided their financial statements via physical and electronic mail to various parties in the ordinary course of business, including current or potential secured lenders, government entities, shareholders, customers, and other interested parties. Professionals retained by the Debtors prior to the Petition Date also ran a comprehensive marketing and sale process and disclosed substantial financial information to numerous interested parties. Parties provided with historical financial information as part of the Debtors' marketing and sale process have not been listed on Statement 26(d). Recipients of financial information generally received consolidated accounts for the Debtors.
19. **Statement 28**. For purposes of **Statement 28**, the Debtors' officers, directors, and sole shareholder and members or other individuals in control of the Debtors have been included.
20. **Statement 30**. All known disbursements to "insiders" of the Debtors, as discussed above, have been listed in the response to **Statement 4**.
