**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING  
DEBTOR'S SCHEDULES AND STATEMENTS**

**GLOBAL NOTES**

On November 4, 2020, Garrett Motion Inc. ("GMI") and its affiliated debtors Garrett Motion Holdings Inc., Garrett ASASCO Inc. and Garrett Motion Holdings II Inc. (collectively, the "Initial Reporting Debtors") filed their Schedules of Assets and Liabilities and Statements of Financial Affairs.

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statements of Financial Affairs (collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by the remaining thirty-three debtor affiliates (each, an "Additional Reporting Debtor") the Initial Reporting Debtors in these jointly administered chapter 11 cases (the "Chapter 11 Cases") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") have been prepared pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code") and rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Additional Reporting Debtors with the assistance of their court-appointed advisors and are unaudited. Although management has made reasonable efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes, and inadvertent errors or omissions may exist. The Schedules and Statements contain unaudited information, which is subject to further review and potential adjustment, and there can be no assurance that the Schedules and Statements are complete. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any rights with respect to the Chapter 11 Cases, including, but not limited to, issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers. These Global Notes should be referred to in connection with any review of the Schedules and Statements.

**Description of the Chapter 11 Cases.** On September 20, 2020 (the "Petition Date"), each of the Additional Reporting Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. Each Additional Reporting Debtor's fiscal year ends on December 31. Unless otherwise noted, information regarding assets contained in the Schedules and Statements is as of September 30, 2020, and information regarding liabilities is as of the Petition Date. All other information is as of the Petition Date, unless otherwise indicated.

**History of the Additional Reporting Debtors.** GMI was formed as an independent company on October 1, 2018 when it was spun-off from Honeywell International Inc. ("Honeywell"). Equity interests in mostly pre-existing entities (and their respective assets and liabilities) were transferred from Honeywell to certain of the Additional Reporting Debtors and their affiliates in the spin-off. The Additional Reporting Debtors may not have received supporting detailed information during the spin-off and have prepared information regarding assets, liabilities and responses using the best information available to them.

**Basis of Presentation.** GMI is a publicly held corporation. For financial reporting purposes, GMI prepares consolidated financial statements and is audited annually. Unlike the consolidated financial statements, these Schedules and Statements reflect stand-alone assets and liabilities of each separate Additional Reporting Debtor. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles nor are they intended to reconcile to the financial statements filed by GMI and its subsidiaries with the U.S. Securities and Exchange Commission ("SEC").

**Excluded Liabilities.** The Additional Reporting Debtors have excluded certain liabilities from presentation on the Schedules and Statements, including accrued liabilities, accrued salaries and employee benefits, tax accruals and accrued accounts payable. Liabilities resulting from accruals and/or estimates of long-term liabilities either are not payable at this time or have not been fixed, liquidated, or substantiated under the Additional Reporting Debtors' normal procedures and therefore do not represent specific identifiable claims against the Additional Reporting Debtors as of the date of this report.

**Undetermined Amounts.** The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

**Market Value of Assets.** It would be unduly burdensome and an inefficient use of estate assets for the Additional Reporting Debtors to obtain current market valuations of their assets. Accordingly, unless otherwise indicated, the Schedules and Statements reflect net book values for assets as of September 30, 2020. Amounts ultimately realized may vary from net book value and such variance may be material.

**Totals.** To the extent there are unknown or undetermined amounts listed in the Schedules and Statements, the actual total may be different than the listed total, which includes known amounts only.

**Amendment.** The Additional Reporting Debtors reserve all rights to amend and/or supplement the Schedules and Statements as necessary and appropriate.

**Schedules of Assets & Liabilities**

**Cash and Investments.** Bank account cash reported on Schedule A/B represents balances as of the Petition Date. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts because net book value may not be representative of fair market value.

**Intercompany Accounts.** The Additional Reporting Debtors participate in a centralized cash management system through which certain payments are made by one entity on behalf of another or through which certain customer collections are made by one entity and transferred to another. These payments have generally been reported on the Schedules of the Additional Reporting Debtor that actually made the payment or received the customer collection. Intercompany balances on Schedule A/B and Schedule E/F account for the necessary transfer of intercompany assets and liabilities between entities. Intercompany balances also reflect ordinary course trade between affiliated legal entities, as well as on-lending of amounts drawn on funded debt and evidenced by intercompany notes.

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING  
DEBTOR'S SCHEDULES AND STATEMENTS**

Receivables and payables among the Additional Reporting Debtors are reported on Schedule A/B per their unaudited books and records. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise or an admission as to the validity of such receivables and payables. For the avoidance of doubt, the Additional Reporting Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

Interest in Subsidiaries and Affiliates. Schedule A/B Part 4 contains a listing of the current organizational structure of the Additional Reporting Debtors, the Initial Reporting Debtors, and non-debtor subsidiaries and affiliates, and includes ownership interests in any related affiliates.

Trade Secrets. GMI and its subsidiaries take reasonable steps to control access to, and protect the confidentiality of, their confidential information, including information that may be protectable as trade secrets, but they do not specifically identify or catalogue any particular trade secrets. The fact that trade secrets are not separately identified on Schedule A/B is not intended to reflect upon the existence or materiality of any trade secrets.

Licenses and Royalties. Licenses and royalties granted or required under executory contracts already identified under Schedule G have not been separately identified on Schedule A/B.

Tax refunds and unused net operating losses (NOLs). GMI is the parent of the US tax group and is carrying an NOL and R&D tax credit which may confer value to each member entity.

Contingent Assets. The Additional Reporting Debtors may not have set forth all causes of action against third parties as assets in their Schedules and Statements. The Additional Reporting Debtors reserve all of their rights with respect to any claims, counter claims, causes of action or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions or causes of action, or in any way prejudice or impair the assertion of such claims.

Classifications. Placement of a claim on Schedule D or E/F or listing a contract on Schedule G does not constitute an admission by the Additional Reporting Debtor of the legal rights of the claimant, or a waiver of the Additional Reporting Debtor's right to recharacterize or reclassify such claim or contract, including by amending the Schedules and Statements.

Schedule D - Creditors Holding Secured Claims. The Additional Reporting Debtors reserve all rights to dispute or challenge the secured nature of any creditor's claim or the characterization of the structure of any transaction or any document or instrument (including, without limitation, any intercompany agreement) related to any creditor's claim. Amounts in foreign currencies were translated to USD based on exchange rates on the Petition Date.

Although multiple parties participate in the Additional Reporting Debtors' prepetition secured credit facility and hold senior notes, only the administrative agent or indenture trustee has been listed for purposes of Schedules D and E/F. The amounts included reflect principal owed under the secured credit facility, and also includes obligations under letters of credit and certain derivative contracts issued under same.

Schedule E/F - Creditors Holding Unsecured Priority Claims. As of the Petition Date, the Additional Reporting Debtors are not aware of any unsecured priority amounts owed. Certain taxing authorities are listed at an undetermined amount. Pursuant to orders approved by the Bankruptcy Court, the Additional Reporting Debtors believe they have the authority to satisfy any prepetition obligations to taxing authorities and that any unpaid obligations have been or will be satisfied.

Schedule E/F - Creditors Holding Unsecured Nonpriority Claims. Claims for, among other things, products, goods or services are listed as either the lower of the amount invoiced or the amount entered on the Additional Reporting Debtors' books and records, and may not reflect credits or allowances. The Additional Reporting Debtors reserve all rights with respect to any credits and allowances, including the right to assert claims objections and/or setoffs with respect to same. The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. The Additional Reporting Debtors do not list a date for each claim listed on Schedule E/F.

Amounts paid under the first and second day orders approved by the Bankruptcy Court since the Petition Date have been deducted to the extent that such payment information was recorded in the Additional Reporting Debtors' books and records as of December 10, 2020. The Additional Reporting Debtors hereby expressly reserve any and all rights to amend or revise the information set forth above and expect further payments to be made under first and second day orders.

Amounts reflected under the senior notes include principal and accrued and unpaid interest as of the Petition Date.

Designations. The Additional Reporting Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated."

Schedule G - Unexpired Leases and Executory Contracts. Schedule G contains the Additional Reporting Debtors' contracts and agreements as of the Petition Date except for certain intellectual property contracts containing terms that prohibit their disclosure, which have been excluded. Every effort has been made to ensure the accuracy of Schedule G, including the inclusion of all customer contracts, however inadvertent errors, omissions or overinclusion may have occurred. The Additional Reporting Debtors reserve all of their rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G and to amend or supplement such Schedule as necessary. Some of the contracts, agreements and leases listed on Schedule G may have expired or may have been modified or amended. The inclusion of a contract or agreement on Schedule G

does not constitute an admission by the Additional Reporting Debtors that such contract or agreement is an executory contract or unexpired lease. Certain of the executory contracts or unexpired leases may not have been memorialized and could be subject to dispute.

In certain instances where the Debtor party to a contract or agreement is unable to be definitively determined, the Additional Reporting Debtors have listed such contracts and agreements on the Schedule G of the Additional Reporting Debtor that makes payments to the non-debtor counterparty, or if there are no payments or multiple payors, on the Schedule G of Garrett Motion Sàrl. If multiple Additional Reporting Debtors are parties to a contract or agreement, such contract or agreement is listed for each Additional Reporting Debtor named. Additionally, in the spin-off from Honeywell, a number of executory contracts were assigned to the Additional Reporting Debtors, and the Additional Reporting Debtors have listed such contracts on Schedule G. While the contract may not list an Additional Reporting Debtor as a counterparty to such contract, on information and belief, the Additional Reporting Debtors are party to such contracts.

The Additional Reporting Debtors have trade relationships with customers which are composed of a large variety of types and standardized and non-standardized forms of agreement, including, but not limited to, Standard Offer Letters and Technical Proposals and corresponding award letters and acceptance letters and emails, framework agreements, terms and conditions agreements, warranty agreements, and purchase orders. Due to the volume and overlapping nature of many of these documents, the Additional Reporting Debtors have included framework agreements, terms and conditions agreements, and warranty agreements in Schedule G, but have not individually listed all purchase orders or each element of proposals and award documents, which would constitute multiple thousands of additional line items. Every effort has been made to ensure the accuracy of such agreements in Schedule G, however, inadvertent errors, omissions or overinclusion may have occurred. The Additional Reporting Debtors intend to fulfill all existing customer purchase orders and honor all existing customer agreements and obligations.

The Additional Reporting Debtors have not included in Schedule G individually engagement letters for retained professionals, confidentiality agreements, non-disclosure agreements, non-compete agreements, and confidential agreements.

Schedule H - Codebtors. Schedule H reflects guaranties by various Additional Reporting Debtor and non-Additional Reporting Debtor affiliates of obligations primarily vested in other related affiliates. Where guaranties have been identified, they have been included in the relevant Schedule for the Additional Reporting Debtor or Additional Reporting Debtors affected by such guaranties. The Additional Reporting Debtors have included guaranty obligations on Schedule H for both the primary obligor and the guarantor of the relevant obligation. Such guaranties were additionally placed on Schedule D or E/F or G for each guarantor. The Additional Reporting Debtors may not have identified certain guaranties that are embedded in the Additional Reporting Debtors' executory contracts, unexpired leases, secured financings, debt instruments and other such agreements.

Statements of Financial Affairs.

Question 1 - Gross revenue. The Additional Reporting Debtors' includes intercompany amounts related to ordinary course trade between affiliated legal entities.

Questions 3, 4, and 30 - Payments to Certain Creditors. The Additional Reporting Debtors maintain a centralized cash management system through which payments are made on behalf of certain Additional Reporting Debtor affiliates as further explained in the Debtors' Cash Management Motion. Consequently, certain payments listed in response to Questions 3, 4, and 30 may reflect payments made by an Additional Reporting Debtor on behalf of another Additional Reporting Debtor or an Initial Reporting Debtor as described in the Cash Management Motion. The Additional Reporting Debtors have excluded ordinary course intercompany transfers and ordinary-course salaries, wages, related allowances and benefits from their response to Question 3 and 4.

The Additional Reporting Debtors have responded to Question 3 in detailed format by creditor. The response does not include transfers to bankruptcy professionals (which transfers appear in response to Part 6, Question 11) or any ordinary course compensation of individuals, insider or otherwise, from salaries, wages, or related allowances.

To the extent: (i) a person qualified as an "insider" in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Additional Reporting Debtors have listed in response to Question 4 all payments made during the 12-month period, irrespective of when such person was defined as an insider. The dates recorded for the vesting of employee restricted stock units may differ from the actual vesting date given that the employee restricted stock units are shown as recorded on the dates of the payrolls within which the income was recorded.

To avoid duplication, please refer to the Statement of Financial Affairs of GMI for amounts paid to such insiders across all debtor entities. GMI responded to Question 4 in its Statement of Financial Affairs by including all non-ordinary course payments made to any insiders listed in its response, regardless of which debtor entity made such payment.

Any non-cash distributions including Restricted Units and Stock Options are valued in accordance with the applicable Additional Reporting Debtors' policies for taxable value.

Question 11 - The response to Question 11 identifies payments made related to bankruptcy, including to professionals the Additional Reporting Debtors have retained or will seek to retain under the Bankruptcy Code. Although the Additional Reporting Debtors have made reasonable efforts to distinguish between payments made for professional services related and unrelated to their restructuring efforts, some amounts listed in response to Question 11 may include payments for professional services unrelated to bankruptcy.

Question 25 - The list provided in response to this question identifies the businesses for which the Additional Reporting Debtor was an owner, partner, member or otherwise a person in control since the spin-off transaction from Honeywell on October 1, 2018.

Question 26 - Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, GMI has filed with the SEC reports on Form 8-K, Form 10-Q, and Form 10-K. These SEC filings contain consolidated financial information relating to the Additional Reporting Debtors and the Initial Reporting Debtors. In addition, the Additional Reporting Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Additional Reporting Debtors do not maintain detailed records tracking such disclosures. Therefore, the Additional Reporting Debtors have not provided lists of these parties.

Question 27 - The Additional Reporting Debtors maintain customer-owned tooling and other equipment at Debtor facilities as part of their ordinary course of business and consistent with industry practices.
