letter # ① E & Q advised KCC that Mr. Smith's Honeywell shares account were transferred to a acc in March 21 by Mr Smith. 6-15-21 No acc #

letter # ② From E & Q SS Our Records show the above acc does not hold any shares or outstanding checks April 29-21

letter # ③ Our records by E & Q SS show that the HI Inc shares of stock for Lucretia M. Smith were transferred to an individual in <sup>acc</sup> your name on Feb 4-21, there are no additional shares in the account under the name of Lucretia M Smith for H.I. Inc June 21-2021 No stock No, to start with was 4100149644

letter # 3 Our records show the acc is at zero balance as of April 6-30-2021 due to a tender offer. What is a tender offer? again no stock no!

As too letter no ① I had ~~the~~ three HON I Inc stocks 4100149644 was liquidated as per letter No ②  
Acc # 4100149645 changed to 4004533208 these two acc  
acc # 4100149551 changed to 4004570086 were changed to  
take myself deceased wife name off these 2 acc.  
When I sent form to ~~acc~~ change acc # 9644. That was liquidated as per letter no ② + didn't get changed.

After all of this, letters # ① ② ③, the account was transferred as per letter # ③ & put in my acc No. 400453208 Alfred J. Smith

How confusing this all of this turned out, if they would have told all concerned that it was not liquidated & put in my acc. so now I only have Honeywell Inter. acc accounts.
