Chapter 11

Case No. 24-12305

(Single Debtor)

**MONTHLY OPERATING REPORT NOTES FOR FEBRUARY 2025**

On October 10, 2024 (the “Petition Date”) the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code with the Bankruptcy Court. The Debtor is operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The information provided herein, except as otherwise noted, is reported as of the Petition Date.

The following notes and statements of limitations and disclaimers should be referred to, and referenced in connection with, any review of this Monthly Operating Report (the “MOR”).

1. **Introduction.** This MOR is unaudited and does not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States (“GAAP”), and it is not intended to fully reconcile to the financial statements prepared by the Debtor. Information contained in this MOR has been derived from the Debtor’s books and records, but does not reflect in all circumstances presentation for GAAP or SEC reporting purposes. Therefore, to comply with their obligations to provide MORs during this chapter 11 case, the Debtor have prepared this MOR using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. Accordingly, this MOR is true and accurate to the best of the Debtor’s knowledge, information, and belief, based on currently available data. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the period covered by this MOR, and may not necessarily reflect the Debtor’s future results of operations and financial position.
2. **Reservation of Rights.** This MOR is limited in scope, and unless otherwise noted, covers the period beginning on February 1, 2025, and ending February 28, 2025, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Debtor’s chapter 11 case. The unaudited financial information has been derived from the Debtor’s books and records. The information presented herein has not been subject to all procedures that typically would be applied to financial information in accordance with U.S. GAAP. Upon the application of such procedures, the Debtors believe that the financial information could be subject to material change.

The information furnished in this MOR includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial information presented in accordance with GAAP.

Given the complexity of the Debtor's business, inadvertent errors or omission may occur. Accordingly, the Debtor hereby reserve all of their rights to dispute the nature, validity, status, enforceability, or executory natures of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtor reserves the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

3. **Basis of Presentation.** The financial information contained herein is unaudited, limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements for chapter 11 debtors issued by the UST.

The amounts reported in this MOR are as of February 28, 2025, the end of the Debtor's reporting period. This MOR covers the period beginning February 1, 2025 and ending February 28, 2025.

4. **Accounting Principles.** The Debtor maintain their financial records according to GAAP, however the MOR does not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor.

Not all tax entries for the period have been completed by the time this report was due to be filed. To the extent that there are negative liability balances for an individual Debtor, such as prepetition unsecured liabilities, they are expected to be resolved once all of the relevant tax entries and adjustments have been analyzed and completed.

5. **Currency.** Unless otherwise indicated, all amounts in the MOR are reflected in U.S. dollars.
6. **Accounts Payable and Disbursement Systems.** Cash is received and disbursed by the Debtors as described in the *Motion for Entry of Interim and Final Orders Authorizing the Debtors to (A) Continue Operating Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Granting Related Relief* [Docket No. 10] (the "**Cash Management Motion**") and the Debtor's receipt and disbursement of cash is consistent with the Debtor's historical cash management practices.
7. **Supporting Documentation.** At the direction of the U.S. Trustee, the following schedules are attached to the MOR: (i) Statement of Cash Receipts and Disbursements; (ii) Balance Sheet; and (iii) Income Statement (profit or loss statement), (iv) Attestations relating to Bank Statements and Bank Reconciliations, (v) Description of assets sold or transferred, and (vi) Attestations relating to insurance policies.

***Statement of Cash Receipts and Disbursements.***

The Company maintains a separate restricted money market cash account, which, for the purposes of financial reporting is categorized as an “other” asset and not included in the cash balance. Accordingly, the MOR excludes this account and account balance from the beginning Petition Date balance as it relates to Part 1. For additional information on the money market bank account see Attachment 4b to the MOR.

***Balance Sheet.***

The amounts reported in this MOR reflects the Debtor’s financial statements for the period of February 1, 2025 through February 28, 2025. All asset and liability amounts disclosed herein, unless otherwise noted, are stated as of February 28, 2025. The MOR is limited in scope and has been prepared to report only certain amounts from the balance sheet.

Liabilities Subject to Compromise (“LSTC”): LSTC represent the Debtor’s estimate of prepetition claims to be resolved in connection with the chapter 11 case. As a result of the chapter 11 filing, the payment of prepetition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how such liabilities will ultimately be settled or treated cannot be made until the Court approves a chapter 11 plan of reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Prepetition liabilities that are subject to compromise under ASC 852 are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events.

Values in the balance sheet attached hereto represent rounded numbers. Accordingly, subtotals may not agree to the summation of the rounded numbers presented.

***Income Statement.*** The amounts reported in this MOR reflect the Debtors financial statements for the period of February 1, 2025 through February 28, 2025.

**Part 1, Cash Receipts and Disbursements.**

On November 14, 2024 the Bankruptcy Court entered the Final Order authorizing the Debtors to obtain Debt In Possession Financing [Docket No. 180] (the “Final DIP Order”), approving relief with respect to the DIP Motion on a final basis. As a result, during the Month of November 2024, the Debtor created a new “Debtor in Possession Operating Account” ending in x7291 to serve as the primary operating account for the Debtor. The Debtor’s cash position reflects the receipt of proceeds under the debtor in possession credit facility authorized by the Final DIP Order.

**Part 2: Asset and Liability Status.**

Asset values are reported as of February 28, 2025. Prepetition liabilities reflect liabilities included in Liabilities Subject to Compromise on the Debtor’s balance sheets, as well as other liabilities which may be uncompromised pursuant to the relief granted via the

Debtor's various final first day orders. Prepetition and post-petition balances of uncompromised liabilities are reported to the best of the Debtor's knowledge.

The Company currently reports the Loan obligation related to DSI on their "25010 – Loan Payable" account. In addition, The Company is allocating funds to the Creditors Trust as a post-petition payable related to all the claims and obligations encumbered during the Chapter 11.

During the month of February 2025, the Debtor has written off the last lease agreement and asset obligations following the approval of the Lease Rejection motion [Docket No. 359]. See further application of the write off in Part 4: Income Statement.

**Part 3: Assets Sold or Transferred.**

There are no Assets Sold or Transferred during the month of February 2025.

**Part 4: Income Statement.**

The amounts reported in Part 4 include the full month of February 1, 2025, through February 28, 2025.

Within the Income Statement, The Company has reported the write off on their long-term rental lease rejections apart of their "Miscellaneous – Other Expenses" account shown as a credit. This credit balance largely drives the accounting adjustment related Income but reflects no monetary gain for The Company.

**Part 5: Professional Fees and Expenses.**

For purposes of the MOR, bankruptcy professional fees are considered approved if the applicable monthly fee statement has been served and the objection deadline with regard to such monthly fee statement has expired prior to the end date of the MOR period.

The Debtor will pay retained professionals in accordance with the Order (I) Authorizing Employment and Payment of Professionals Utilized in the Ordinary Course of Business; and (II) Granting Related Relief [Docket No. 192].

**Part 7 Questionnaire.**

**7a. Were any payments made on prepetition debt?**

Pursuant to certain orders of the Bankruptcy Court entered in the Debtor's chapter 11 cases (the "First Day Orders"), the Debtor was authorized (but not directed) to pay, among other things, certain prepetition claims of their employees, taxing authorities, insurers, and certain other prepetition creditors.

**7c. Were any payments made to or on behalf of insiders?**

With respect to insiders, all cash payments were made on account of ordinary course salaries and authorized travel and expense reimbursements. No non-cash transfers were made to insiders during this reporting period.

**7d. Are you current on postpetition tax return filings?**

In the ordinary course of business, the Debtor's tax filings may extend past the normal deadlines and become late in some instances. When this happens, the Debtor arrange to complete the filings and address any related fines and/or penalties. There are no tax filings that are currently late where the Debtor is not also in dialog with the related taxing authority to become compliant.
