1 matter as well as financing in distressed matters during that
2 time.

3 In 1999, I went to the business side and I began to manage
4 distressed assets at Lehman Brothers as well as a leverage
5 finance business. That grew into my running the risky finance
6 business as well as the loan business at Lehman globally,
7 which included high-grade loans, high-yield loans, trading and
8 sales of those products, a big part of distressed, all of
9 restructuring, all of asset management, and all of the hedging
10 of the portfolio that we had.

11 From there, I left Lehman with a small group and sold it
12 to Barclay's. I moved on and ran a hedge fund with two former
13 partners of mine who are the founding partners called River
14 Birch Capital. It was a long-short credit fund; mostly
15 credit, though we did structured finance as well, and we also
16 handled some equities.

17 Q Okay. Let's spend a few minutes, as a preview, talking
18 about the Debtor and its business. And let's start with the
19 basics. Is there a way you can summarize the business of the
20 Debtor?

21 A I think, from a high level, the best way to think about
22 the Debtor is that it's a registered investment advisor. As a
23 registered investment advisor, which is really any advisor of
24 third-party money over \$25 million, it has to register with
25 the SEC, and it manages funds in many different ways.

Seery - Direct

17

1 The Debtor manages approximately \$200 million current
2 values -- it was more than that at the start of the case -- of
3 its own assets. It doesn't have to be a registered investment
4 advisor for those assets, but it does manage its own assets,
5 which include directly-owned securities; loans from mostly
6 related entities, but not all; and investments in certain
7 funds which it also manages.

8 In addition, the Debtor manages about roughly \$2 billion
9 in -- \$2 billion in total managed assets, around \$2 billion in
10 CLO assets, and then other entities, which are hedge funds or
11 PE style.

12 In addition, the Debtor provides shared services for
13 approximately \$6 billion of assets. Those are assets that are
14 owned by related entities but not owned by Debtor-owned or
15 managed entities. And those are a combination of back office
16 services, which include timely reporting, asset management,
17 legal and compliance support, trading and research support,
18 but not the actual management of the assets.

19 The Debtors run -- and I think the way to think about it
20 is on a functional basis; at least, that's the way I think
21 about it -- and there's really six areas. There's corporate
22 management; finance, accounting and tax; trading and research;
23 private equity and fund investing; compliance and legal; and
24 then structured equity, which really includes all of the CLO
25 businesses.

Seery - Direct

18

1 The goals of the Debtor generally are what you'd expect
2 out of an asset manager. A little bit different than most
3 because the Debtor does own assets, which is a little
4 different than when money asset managers typically hold assets
5 away from the asset manager. But number one, discharge
6 Highland's, which I'll call Highland (inaudible), LP, duties
7 to investors in the funds. Those are fiduciary duties under
8 the Investment Advisors Act. Each day, you've got to make
9 sure that you do that first and foremost.

10 Number two, create positive MPD in each of the funds that
11 we manage, either through sales, purchases, or hedging.

12 Next, make sure that we report timely finances of our own
13 assets, including in the funds, but also, to the third-party
14 investors. Maximize the value of HCMLP's owned assets. And
15 then operate as efficiently as possible for the lowest cost.

16 That's essentially how the Debtor -- how we think about
17 the Debtor from a functional perspective. It's got about 70
18 employees laid out in those areas that I mentioned, and each
19 of those employees every day usually think about those goals
20 and try to discharge their duties by focusing on those goals.

21 Q Thank you, Mr. Seery. And can you describe for the Court
22 how those 70 or so employees are organized? Is there an
23 internal corporate structure that you're working with?

24 A Yeah. The way -- the way -- I apologize. The way we
25 think about it is, as I said, corporate management, which is

Seery - Direct

19

1 really HR and overseeing the function that it's filling every
2 day, that's been really -- because Mr. Dondero was removed
3 from management. It used to all roll up to him. That's been
4 effectively rolling up to me since February.

5 Finance, accounting, and tax. Each of these businesses
6 every day require certain amounts of liquidity. Each of them
7 have requirements that they have to pay out to investors.
8 Each of them have expenses. And all of them have different
9 kinds of tax either obligations or reporting. Those are
10 managed by Frank Waterhouse as the CFO. (inaudible), sorry.

11 Trading and research. With respect to the assets, they're
12 not -- they're not static assets. Many of them do get traded
13 on a regular basis. A gentleman, Joe Sowin, heads up the
14 trading of the liquid assets. John Povish (phonetic) heads up
15 the research and the trading of the more illiquid assets, but
16 not PE. In addition, we have PE assets that require some
17 management every day, including Board seats. That's a
18 gentleman by the name of Cameron Baynard, and also he will
19 fund investments in that area. J.P. Sevilla is responsible
20 for working with Cameron on those investments and leading that
21 team.

22 Importantly, because of the nature of what the Debtor
23 does, the fiduciary obligations, as well as the
24 responsibilities to each investor and the legal overlay, we
25 have a robust compliance and legal department. That's headed

Seery - Direct

20

1 by Thomas Surgent and Scott Ellington. Scott: more focused
2 on transactional issues with respect to legal. He is actually
3 general counsel. Everything that has do with compliance, the
4 interrelatedness of the funds, trading between funds or
5 positions that are shared across funds, which are many, runs
6 through Thomas Surgent and his team.

7 And finally, structured equity. Sitting on top of the
8 structured finance business that we have, understanding those
9 assets, particularly of two billion-ish assets in CLOs, that's
10 headed by Hunter Covitz.

11 Q Can you describe for the Court your interaction with each
12 of the department heads that you just identified?

13 A Well, depending on the nature of the issue each day, I
14 have at least -- I'd say generally at least weekly contact
15 with most, often daily contact with most. So, for example,
16 when there are trading issues, particularly as the market was
17 extremely volatile with respect to unliquid securities, Joe
18 Sowin and I were on the phone several times a day.

19 Relating to the COVID issues, Brian Collins, who heads the
20 HR group, and I were on the phone several times a day.

21 Relating to structured equity, depending on what's
22 happening with a particular fund or what's happening in loan
23 prices, I speak to Hunter Covitz. And it goes down the line.

24 So it really depends on each of the areas and what's going
25 on in the business, but I try to touch base with each of those

Seery - Direct

21

1 department heads on a regular basis.

2 Frank Waterhouse, of course, is at least weekly. We have
3 a standing call every week to make sure that we're focused on
4 liquidity, which is always a concern in a Chapter 11, and
5 Frank and his team are on that call and prepare weekly
6 materials for us.

7 Q Okay.

8 MR. MORRIS: Your Honor, before I move to the next
9 area of questions, the work of the Board, I just wanted to see
10 if the Court had any questions on the corporate organizational
11 structure, the internal structure of the business, or any of
12 the matters that Mr. Seery touched on?

13 THE COURT: I do not. And I do have in front of me a
14 demonstrative aid that Mr. Annable sent over ahead of time, so
15 I appreciate that as well.

16 MR. MORRIS: Okay. Your Honor, I think Mr. Seery
17 covered much of what's on that document, but if you'd like him
18 to go through that, we're happy to do it.

19 THE COURT: No, that's fine.

20 MR. MORRIS: Okay.

21 BY MR. MORRIS:

22 Q Then let's shift gears a little bit and start talking
23 about the work of the Independent Board itself. The
24 Independent Board was appointed in mid-January; is that right?

25 A Yeah. It was the first -- January 9th, the first week of

Seery - Direct

22

1 January, and we started working that afternoon.

2 Q Okay. Can you describe for the Court what the -- the
3 Board's initial focus? What were you focused on?

4 A Well, if you think about the areas that I just mentioned
5 previously, the Board initially, for lack of a better term,
6 gang-tackled everything. So we tried to make sure that we had
7 a broad base of understanding among the three of us with
8 respect to the business.

9 I, because of my background, had a lot more familiarity
10 with asset management, these type of asset security
11 businesses. But we wanted to make sure that each of us was at
12 least facile with the main areas that we had to understand.
13 First was operations. How does the company run each day?
14 Particularly, how was it going to run without Mr. Dondero?
15 And I went through some of those functional areas and how we
16 thought about those and who head each of those.

17 Next in the -- I don't mean to say it's second, because
18 it's always first, but liquidity. What did the Debtors'
19 liquidity look like? How are we going to manage that
20 liquidity, not just for the near-term, but also for the
21 medium-term, and then even into the slightly longer-term? We
22 had to think about what assets are there, what money those
23 assets might need that we would have to invest in them, and
24 whether there was liquidity in those assets that we can create
25 liquidity in order to fund the Debtors' business.

Seery - Direct

23

1 Personnel, we needed a good opportunity to understand who
2 did what, not just in the senior managers that I mentioned,
3 but deeper into the staff, because we're going to rely on
4 those folks. Particularly worked through with DSI.

5 As I mentioned, the Debtor, unlike a lot of other asset
6 managers, owns a lot of assets. It's a disparate group of
7 assets, but getting a feel and understanding for what those
8 assets were, what the critical issues surrounding those assets
9 are, who managed them day-to-day: We wanted to make sure that
10 each of the directors had a good (inaudible) and understanding
11 of those issues that might arise with respect to those assets,
12 and a good sense of how quickly those issues could, you know,
13 further arise.

14 We also had to get a very good understanding of each of
15 the funds that we manage. As I said, the Investment Advisors
16 Act puts a fiduciary duty on Highland Capital to discharge its
17 duty to the investors. So while we have duties to the estate,
18 we also have duties, as I mentioned in my last testimony, to
19 each of the investors in the funds.

20 Now, some of them are related parties, and those are a
21 little bit easier. Some of them are owned by Highland. But
22 there are third-party investors in these funds who have no
23 relation whatsoever to Highland, and we owe them a fiduciary
24 duty both to manage their assets prudently but also to seek to
25 maximize value. And we wanted to make sure we had a good

Seery - Direct

24

1 understanding of that.

2 Finally, with respect to the shared service arrangements,
3 we needed to get an understanding of that \$6 billion in assets
4 and how our business, HCMLP, worked with those -- those shared
5 service counterparties and exactly who did what for whom.
6 It's very complicated because it had been run much more on a
7 functional basis than on a line basis from each contract. So
8 it's not as if your employees are allocated to NexBank. It's
9 the whole panoply of businesses that we enter into, and
10 providing those services to NexBank, not through a central
11 point but through whatever requests come in from the counter-
12 parties. So we needed a good understanding of what those
13 contracts looked and what those obligations were.

14 A VOICE: John, you're on mute.

15 MR. MORRIS: Thank you.

16 BY MR. MORRIS:

17 Q All of that work was going on in the first weeks of the
18 appointment of the Board?

19 A Yeah, it would not be fair to say we could do that in a
20 couple weeks. So it took far longer than that. But that
21 didn't mean that issues didn't start to arise immediately in
22 February. And so, while we were learning, we were also
23 starting to get a feel for different things that could happen
24 in the company.

25 As in many companies, immediately, one of the first things

Seery - Direct

25

1 you have to deal with is, particularly at the beginning of the
2 year, what does compensation look like; who are the -- what do
3 promotions look like; are you going to be able to hold this
4 team together to service these assets? And yeah, we had that,
5 with an additional wrinkle that Highland's payment structure
6 defers a significant amount of compensation to its employees,
7 and it vests over time, and it has the very typical provision
8 that if you are not there when it vests -- when it is going to
9 be paid, actually, not when it vests. Even if you're vested,
10 if you're not there when it gets paid, you're not entitled to
11 it. And so understanding who was owed what; how the vesting
12 worked; what the compensation structure looked like compared
13 to third parties, was one of the first things we had to do.
14 And Highland has an extremely robust review process. Brian
15 Collins manages it. It's first-rate. It goes through both
16 360 in terms of what other employees think of each other as
17 well as bottoms up, in terms of performance. And then it has
18 a top-down component, which ultimately ran through Mr.
19 Dondero. Since he was effectively removed from that role, the
20 Board had to jump in and get a full understanding with Brian
21 about what the process looked like; how it was going to work;
22 how it compared to other firms; and whether we could go
23 forward with it. And that was one of the motions that was
24 brought early to the Court.
25 A Let's talk a minute about the transactional work that the

1 yesterday counsel for Mr. Dondero filed a joinder in the
2 Debtors' objection to Acis's claim. So, again, just thinking
3 about this in the context of mediation, I think, with that
4 joinder, they will be a necessary party. So, going back to
5 Mr. Seery's point, this is not just --

6 THE COURT: Oh, absolutely. Mr. Dondero is --

7 MS. PATEL: -- a two-party --

8 THE COURT: -- going to be a required party in
9 mediation. Absolutely. So, --

10 MS. PATEL: Thank you, Your Honor.

11 THE COURT: All right. Well, if there's nothing
12 further, we'll see you on the 21st. And, again, my courtroom
13 deputy may be reaching out before then if we've got things
14 nailed down on mediation.

4. ADVISORY BOARD.

- 4.1 Composition of Advisory Board. The Company shall establish an advisory board (the "Advisory Board") composed of two individuals, one of whom shall be a representative of CLO Holdco and one of whom shall be a representative of Dover IX (or, in each case, or any permitted successor to the interest in the Company of such Member). No voting member of the Advisory Board shall be a controlled Affiliate of the Portfolio Manager (including, for the avoidance of doubt, following a permitted transfer of CLO Holdco's interest to an Affiliate of the Portfolio Manager, if applicable), it being understood that for the purposes of this sentence none of CLO Holdco, its wholly-owned subsidiaries nor any of their respective directors or trustees shall be deemed to be a controlled Affiliate of the Portfolio Manager due to their pre-existing non-discretionary advisory relationship with the Portfolio Manager. None of the members of the Advisory Board shall receive any compensation (other than reimbursement for reasonable and documented out-of-pocket expenses) in connection with their position on the Advisory Board. The Company shall bear any fees, costs and expenses related to the Advisory Board.
- 4.2 Meetings of Advisory Board; Written Consents. The Advisory Board shall meet with the Portfolio Manager at such times as requested by the Portfolio Manager from time to time. The quorum for a meeting of the Advisory Board shall be all of its members entitled to vote. All actions taken by the Advisory Board shall be (i) by a unanimous vote of all of the members of the Advisory Board in attendance in a meeting at which a quorum is present and entitled to vote and not abstaining from voting or (ii) by a written consent in lieu of a meeting signed by all of the members of the Advisory Board entitled to consent and not abstaining from consenting. Meetings of the Advisory Board may be held in person, by telephone or by other electronic device.
- 4.3 Functions of Advisory Board. The Advisory Board shall provide (or determine not to provide) any consents or approvals expressly contemplated by this Agreement and the Offering Memorandum to be provided by the Advisory Board and, at the request of the Portfolio Manager in its sole discretion, provide general advice (which, for the avoidance of doubt, shall be non-binding) to the Portfolio Manager or the Company with regard to Company activities and operations and other matters. For the avoidance of doubt, no consent or approval of the Advisory Board shall be required for any action or determination expressly permitted or contemplated hereunder or in the Offering Memorandum and not conditioned on such a consent or approval. The Portfolio Manager shall not act contrary to the advice of the Advisory Board with respect to any action or determination expressly conditioned herein or in the Offering Memorandum on the consent or approval of the Advisory Board. Without limiting the foregoing, the Advisory Board shall be authorized to give any approval or consent required or deemed necessary or advisable under the Advisers Act on behalf of the Company and the Members, including under Section 206(3) of the Advisers Act. The Portfolio Manager may from time to time in its discretion request the Advisory Board to review and ratify certain Company matters. The consent of the Advisory Board shall be required to approve the following actions: (i) any extension of the Investment Period; (ii) any extension of the Term (other than an automatic extension following an extension of the Investment Period that has been approved by the Advisory Board); (iii) any allotment of additional equity securities by the Company; and (iv) any investment in a Related Obligation or any other transaction between the Company or any entity in which the Company holds a direct or indirect interest, on the one hand, and Highland or any of its Affiliates, on the other hand and (v) other matters as set forth in the Offering

Memorandum. Notwithstanding the foregoing or anything to the contrary set forth herein, no transaction that is specifically authorized in the governing documents of the Company shall require approval of the Advisory Board, including, without limitation, sales or securitizations of all or a portion of the Company's loan portfolio into new Qualifying CLOs (i.e. the transfer of warehoused assets into new Qualifying CLOs), investments in CLO Notes issued by CLOs managed by Highland Affiliates, and the NexBank Credit Facility and any Permitted NexBank Credit Facility Amendments, in each case as described in the Offering Memorandum. Any such approval, consent or ratification given by the Advisory Board shall be binding on the Company and the Members. Neither the Advisory Board nor any member thereof shall have the power to bind or act for or on behalf of the Company in any manner, and no shareholder who appoints a member of the Advisory Board shall be deemed to be an Affiliate of the Company or Highland solely by reason of such appointment.

- 4.4 Term of Members of Advisory Board. A member of the Advisory Board shall be deemed removed from the Advisory Board (i) if such member is no longer an officer, director, manager, trustee, employee, consultant or other representative of CLO Holdco or Dover IX, as applicable, or their respective Affiliates and shall be replaced as soon as practicable with a representative of CLO Holdco or Dover IX, or their respective Affiliates, as applicable, or (ii) if the Member represented by such member either becomes a Defaulting Member or such member ceases to be eligible to represent such Member pursuant to Clause 4.1.
- 4.5 No Duties to Other Members. No Advisory Board member who is the representative of any Member shall, to the extent permitted by law, owe a fiduciary duty to the Company or any other Member (other than the duty to act in good faith), and may, to the fullest extent permitted by law, in all instances act in such member's own interest and in the interest of the Member that appointed such member.

5. DEFAULTING MEMBERS

- 5.1 In the event any Member defaults in its obligation to pay the full amount of the purchase price of Shares called for settlement under the Subscription and Transfer Agreement on the applicable Settlement Date (such unpaid amount, an "Outstanding Settlement Amount"), the Portfolio Manager, on behalf of the Company, shall provide written or telephonic notice of such default to such Member. If such default is not cured within 5 business days after written (or if applicable telephonic or email) notice thereof given by the Portfolio Manager, on behalf of the Company, has been received by such Member, such Outstanding Settlement Amount shall automatically accrue interest on a retroactive basis from the date such Outstanding Settlement Amount was due at 12% (the "Default Interest Rate") (which interest, once paid, shall not be applied to the purchase of the unsettled Shares of such Member, but which will upon receipt be distributed pro rata to those Members who have funded any such Outstanding Settlement Amounts pursuant to this Clause 5). No such Shares which have failed to be settled will be issued to any Member until settlement of the full amount of the purchase price has been made. In addition, if such default is not cured within 10 business days after written or telephonic notice thereof given by the Portfolio Manager, on behalf of the Company, has been received by such Member (a "Defaulting Member"), the following provisions shall apply:
- 5.2 Whenever the vote or consent of the Defaulting Member would otherwise be required or permitted hereunder or under the Articles, the Defaulting Member shall not be entitled to participate in such vote or consent in respect of his existing shareholding and with respect to any representative of such Defaulting Member on the Advisory Board, and such vote or consent shall be calculated as if such Defaulting Member were not a Member and, as applicable, any representative of such Defaulting Member on the Advisory Board were not a member of the Advisory Board.
- 5.3 The Portfolio Manager, on behalf of the Company, may pursue and enforce all rights and remedies available, including the commencement of legal proceedings against the Defaulting Member to collect the Outstanding Settlement Amounts, together with interest thereon for the account of the Company from the date due at the Default Interest Rate, plus the costs and expenses of collection (including attorneys' fees and expenses).

- 5.4 The Portfolio Manager, on behalf of the Company, may (at the sole cost of the Defaulting Member) borrow funds from any person (other than the Defaulting Member or its Affiliates) to cover such shortfall and/or advance all or a portion of the Defaulting Member's Outstanding Settlement Amount to the Company on behalf of the Defaulting Member, and such advance shall be repaid by the Defaulting Member to the Portfolio Manager, on behalf of the Company, with interest for the account of the Portfolio Manager, on behalf of the Company, on the amount outstanding from time to time commencing on the date of the advance at the Default Interest Rate. To the extent the Portfolio Manager, on behalf of the Company, advances funds to the Company on behalf of a Defaulting Member, all distributions from the Company that would otherwise be made to the Defaulting Member shall be paid to the Portfolio Manager, on behalf of the Company, (with any such amounts being applied first against accrued but unpaid interest and then against principal), until all amounts payable by the Defaulting Member to the Portfolio Manager, on behalf of the Company, under this Clause 5.4 (including interest) have been paid in full.
- 5.5 The Portfolio Manager, on behalf of the Company, may elect, upon notice to the Defaulting Member, to redeem the Defaulting Member's shares in an amount equal to 50% of the outstanding amount existing as of the date of the default at a price of \$0.0001 per Share. Thereupon, the commitment of the Defaulting Member under the Subscription and Transfer Agreement shall be zero, the Defaulting Member shall not be obligated to make any further settlements, the voting capital of such Defaulting Member and of each other Member shall be re-determined as of the date of such default to reflect the new commitment of the Defaulting Member, and the Portfolio Manager shall revise the books and records of the Company to reflect the reduction of the commitment of the Defaulting Member. The Members agree (x) that the damages suffered by the Company as the result of a failure by a Member to settle a commitment to purchase Shares that is required by this Agreement cannot be estimated with reasonable accuracy and (y) that the foregoing provisions of this Clause 5.5 shall act as liquidated damages for the default by the Defaulting Member (which each Member hereby agrees are reasonable).
- 5.6 The Board may offer to the non-Defaulting Members (pro rata in accordance with their respective Commitments) the option of purchasing the Defaulting Member's unsettled Shares on the terms set forth in the applicable Settlement Notice (as defined in the Subscription and Transfer Agreement).
- 5.7 At the election of the Board, distributions of dividends otherwise payable to the Defaulting Member under the Articles shall not be paid to the Defaulting Member, but instead shall be applied against the amount of the Outstanding Settlement Amount (plus interest at the Default Interest Rate and related costs); provided that any amounts so applied shall be deemed to have been distributed to the Defaulting Member under the Articles.
- 5.8 The Portfolio Manager may send an amended or new Settlement Notice to the Members other than the Defaulting Member in an amount equal to the Defaulting Member's Outstanding Settlement Amount and otherwise in accordance with the Subscription and Transfer Agreement.
- 5.9 Each Defaulting Member further appoints the Portfolio Manager as agent and attorney-in-fact for the Defaulting Member and hereby grants to the Portfolio Manager an irrevocable power of attorney to take all actions necessary on its behalf to sell, assign, or transfer the commitment to purchase unsettled Shares of such Defaulting Member pursuant to Clause 5.6 or as necessary on its behalf to effect the other remedies or rights set forth in this Clause 5; provided that the Portfolio Manager shall not bind any Defaulting Member to an indemnification or other similar obligation which guarantees the financial performance of the Company or which exceeds the ability of the Defaulting Member to provide indemnification under applicable law.
6. TRANSFERS OR DISPOSALS OF SHARES
- 6.1 No Member shall sell, pledge, charge, mortgage, assign, assign by way of security, transfer, convey, exchange or otherwise dispose of its Shares or its commitment to settle purchases of Shares under the Subscription and Transfer Agreement (each a "Transfer"), other than to an Affiliate of an initial Member party hereto, without the prior written consent of the Portfolio

Manager, which consent shall be in the sole discretion of the Portfolio Manager; provided that no such Transfer shall be made unless in the opinion of counsel reasonably satisfactory to the Portfolio Manager (who may be counsel for the Company, and which requirement for an opinion may be waived, in whole or in part, in the sole discretion of the Portfolio Manager) that:

- 6.1.1 such Transfer would not require registration under the Securities Act or any state securities or "Blue Sky" laws or other laws applicable to the Shares to be assigned or transferred and is conducted in conformance with the restrictions set forth in the Offering Memorandum;
 - 6.1.2 such Transfer would not be reasonably likely to cause the Company to be subject to tax in any jurisdiction other than of its incorporation on a net income basis, not be reasonably likely to cause the Company to become subject to registration as an investment company under the Investment Company Act of 1940, as amended;
 - 6.1.3 such Transfer would not cause the Company to be considered to be an entity whose underlying assets are considered to include "plan assets" by reason of investment by an "employee benefit plan" or "plan" in such entity pursuant to the U.S. Plan Assets Regulations; and
 - 6.1.4 such sale, assignment, disposition or transfer would not cause all or any portion of the assets of the Company to constitute "plan assets" under ERISA or the Code.
- 6.2 Prior to making any Transfer of Shares (other than Transfers to Affiliates of an initial Member or, in the case of CLO Holdco or a Highland Principal, to Highland, its Affiliates or another Highland Principal) a Member must first offer to the other Members a right to purchase the Shares, on a pro rata basis with respect to their current Shares, at the same price (which must be cash) as such Shares are proposed to be purchased by the prospective third party purchaser pursuant to an irrevocable offer letter. The other Members will have 30 days following receipt of the letter to determine whether to purchase their entire pro rata portion of the Shares proposed to be Transferred. If the other Members do not accept the offer, the Member may (subject to complying with the other Transfer restrictions in this Agreement) Transfer the applicable Shares that such Members have not elected to purchase to a third party at a price equal to or greater than the price described in the offer letter, provided that if the Member has not (a) entered into a definitive agreement to effect such sale within 90 days after the expiration of the period that the other Members have to accept the offer in the offer letter or (b) consummated the sale within 120 day after the entry into the definitive agreement to consummate the sale, it must comply with these right of first refusal procedures again. Any Member (other than the Member proposing to Transfer its Shares) may assign its right to purchase its pro rata portion of the Shares to any other Member (subject to complying with the other Transfer restrictions in this Agreement), any initial Member (other than the Member proposing to Transfer its Shares) may assign its right to purchase its pro rata portion of the Shares to an Affiliate (subject to complying with the other Transfer restrictions in this Agreement), and CLO Holdco and the Highland Principals (unless such Member is the Member proposing the Transfer its Shares) may assign its right to purchase its pro rata portion of the Shares to Highland, an Affiliate of Highland or other Highland Principals (subject to complying with the other Transfer restrictions in this Agreement).
- 6.3 No Highland Principal may transfer his or its interests in the Company other than (i) to a trust or other tax or estate planning vehicle or (ii) to the Portfolio Manager, its Affiliates or another Highland Principal upon the termination of such Highland Principal's (or the beneficial owner of such Highland Principal, if applicable) employment by Highland Capital Management, L.P.
- 6.4 Any transferor of any Share shall remain bound by the terms of this Agreement applicable to it prior to such transfer and that nothing in this Agreement shall constitute a waiver of any rights a Party to this Agreement may have by reason of a breach of this Agreement by a transferor prior to transfer. The transferor and/or the transferee shall bear all costs of any Transfer.
- 6.5 The Parties agree not to Transfer their Shares to any person unless such transferee agrees to be bound by the terms of this Agreement.
- 6.6 All Adherence Agreements executed pursuant to this Clause shall be executed by the transferee or allottee and each Party.

7. CONFIDENTIALITY

7.1 Each Party agrees to keep any information received by it pursuant to this Agreement or relating to the Business as confidential and not (save with the relevant Party's consent or as may be required by Law or the rules of any regulatory authority or any stock exchange) disclose to any person such information.

7.2 Notwithstanding the foregoing, the Parties agree that the HarbourVest Entities may disclose to their limited partners and prospective limited partners (including any agents of such limited partners or prospective limited partners), clients and applicable governmental agencies (a) the name and address of the Company, (b) the capital commitment and the remaining capital commitment, (c) the net asset value of such HarbourVest Entity's interest in the Company, (d) the amount of distributions that have been made to such HarbourVest Entity by the Company and the amount of contributions that have been made by such HarbourVest Entity to the Company, (e) such ratios and performance information calculated by such HarbourVest Entity using the information in clauses (a) through (d) above, including the ratio of net asset value plus distributions to contributions (i.e., the "multiple") and such HarbourVest Entity's internal rate of return with respect to its investment in the Company, and (f) tax information with respect to the Company.

8.1 The Company agrees that it shall not, and the Portfolio Manager agrees it shall not cause the Company to, make any dividends except pursuant to the section titled "Summary—Dividend Policy" of the Offering Memorandum.

9. TERM OF THE COMPANY

9.1 Each Party agrees to cause the winding up and dissolution of the Company after the ten year anniversary of the date hereof (the "Term"); provided that the Portfolio Manager, in its reasonable discretion, may postpone dissolution of the Company for up to 180 days in order to facilitate orderly liquidation of the investments; provided, further, that the Term shall be automatically extended for any amount of time for which the Investment Period may be extended.

9.2 Notwithstanding the foregoing, the Term may be extended with the consent of the Portfolio Manager and the Advisory Board for up to two successive periods of one year each.

10. ERISA MATTERS

10.1 The Portfolio Manager, the Company and each Member shall use their reasonable best efforts to conduct the affairs and operations of the Company so as to limit investment in the Company by "benefit plan investors" (within the meaning of the DOL Regulations as modified by section 3(42) of ERISA) to less than the U.S. Plan Threshold. In the event the U.S. Plan Threshold is met or exceeded, the Portfolio Manager, on behalf of the Company, may require any Non-Qualified Holder that is a U.S. Plan Investor to sell or transfer their Shares to a person qualified to own the same that is not a U.S. Plan Investor within 30 days and within such 30 days and to provide the Company with satisfactory evidence of such sale or transfer such that such sale or transfer, together with other sale or transfers pursuant to this Clause, would result in the investment in the Company by "benefit plan investors" (within the meaning of the DOL Regulations as modified by section 3(42) of ERISA) to be less than the U.S. Plan Threshold. Where the conditions above are not satisfied within 30 days after the serving of the notice to transfer, such Non-Qualified Holder will be deemed, upon the expiration of such 30 days, to have forfeited their Shares.

11.3 Other Tax Information. The Company shall furnish to each of the HarbourVest Entities (a) within 120 days after the end of each fiscal year of the Company such other information reasonably requested by the HarbourVest Entities that any HarbourVest Entity may require in order for it or any of its partners to comply with its U.S. federal income tax reporting obligations with respect to its interest in the Company; provided that if the Company is unable to furnish such final information within such 120 days, then the Company shall use its reasonable best efforts to furnish estimates of such information on or before the 120th day after the end of such fiscal year and (b) promptly upon request such other information reasonably requested by such HarbourVest Entity in order to withhold tax or to file tax returns and reports or to furnish tax information to any of its partners with respect to the Company.

12. AMENDMENTS TO CERTAIN AGREEMENTS

12.1 The Portfolio Manager and the Company shall not amend or terminate, or agree to amend or terminate, the Memorandum or Articles of Incorporation of the Company or that certain Portfolio Management Agreement between the Portfolio Manager and the Company dated as of the date hereof (the "Management Agreement") without the consent of the Parties.

12.2 The Portfolio Manager agrees that it shall not assign its rights, duties and obligations under the Management Agreement without the consent of the Members totalling in the aggregate more than seventy-five percent (75%) of the Company. Notwithstanding the foregoing, the Portfolio Manager may, without the consent of the Members, assign any of its rights or obligations under the Management Agreement to an Affiliate; provided that such Affiliate (A) has demonstrated ability, whether as an entity or by its personnel, to professionally and competently perform duties similar to those imposed upon the Portfolio Manager pursuant to the Management Agreement, (B) has the legal right and capacity to act as Portfolio Manager thereunder and (C) shall not cause the Company or the pool of collateral to become required to register under the provisions of the Investment Company Act and such action does not cause the company to be subject to tax in any jurisdiction outside of its jurisdiction of incorporation.

14.4.4 any other proprietary information belonging to or originating from a Party shall be returned to it by the other Parties.

**TRANSFER AGREEMENT
FOR ORDINARY SHARES OF

(collectively, the “**Transferors**”).

WHEREAS, each Transferor is the record, legal and beneficial owner of the number of ordinary shares (“**Shares**”) of the Fund set forth opposite such Transferor’s name on Exhibit A hereto (with respect to each Transferor, the “**Transferred Shares**”).

WHEREAS the Transferee is an affiliate and wholly owned subsidiary of Highland Capital Management, L.P. (“**HCMLP**”) which is one of the initial members of the Fund.

WHEREAS, each Transferor wishes to transfer and assign 100% of its rights, title and interest as a shareholder in the Fund, including the Transferred Shares (the “**Interest**”) on the terms set forth in this Transfer Agreement.

WHEREAS, subject to and in connection with the approval of that certain Settlement Agreement, dated on or about the date hereof, by and among HCMLP and the Transferors (the “**Settlement Agreement**”), the Transferee desires that the Interest be transferred to Transferee and that thereafter the Transferee will become a Shareholder and the Transferors will no longer be Shareholders.

WHEREAS, the Portfolio Manager desires to consent to such transfers and to the admission of Transferee as a Shareholder on the terms set forth herein, and the Transferors and Transferee agree to such terms.

WHEREAS, the Fund desires to amend its records to reflect the foregoing transfers.

NOW, THEREFORE, the parties hereto agree as follows:

1. Transfer of Shares and Advisory Board

- b. In connection with the transfer of the Interest as contemplated herein, the Transferee shall be granted the right to appoint a representative to the Fund’s advisory board (the “**Advisory Board**”) to replace the Transferors’ appointed representative to the Advisory Board.

- c. Transferee hereby assumes all of Transferor's rights and obligations in respect of the Interest effective as of the Effective Date (as defined below) and acknowledge that thereafter Transferee shall be subject to the applicable terms and provisions of the Members' Agreement dated as of November 15, 2017 (the "**Members' Agreement**"), the Articles of Incorporation adopted November 15, 2017 (the "**Articles**") and the Subscription and transfer Agreement, dated as of November 15, 2017 among each Transferor, the Fund and the Portfolio Manager (the "**Subscription Agreement**", and together with the Members' Agreement and the Articles, the "**Fund Agreements**") with respect to the Interest. Transferee does not assume any liability or responsibility for any obligations or liabilities incurred by any Transferor prior to the Effective Date of the transfer.

2. Transferee's Representations and Warranties. The Transferee represents and warrants to the Transferors, the Portfolio Manager, and the Fund as follows:
