Court sustained various objections to adequacy of certain provisions of disclosure statement, orally outlining both specific and general concerns (e.g., vagueness and breadth of releases; delay in Debtor providing certain important documents, such as Claimant Trust Agreement, until Plan Supplement; legal justification for an administrative convenience class at the \$1 million level, consisting mostly of prepetition lawyers fee claim; lack of clarity about assets that will be liquidated for Class 7, particularly in scenario where certain disputed claims are allowed (revenue streams from Debtors management of third-party assets?); lack of support of UCC for plan). Hearing continued to 11/23/20.)). Transcript to be made available to the public on 01/27/2021. (Rehling, Kathy)</p>
