Civil Action No. **3:24-CV-1787-L**

ORDER

On July 12, 2024, the bankruptcy appeal in this case and Civil Action No. 3:24-CV-1786-L were docketed. Both cases involve an appeal of the same bankruptcy court order, the same parties, and the same counsel. Thus, for efficiency purposes, these cases appear to be good candidates for consolidation under Federal Rule of Civil Procedure 42. If any party objects to the consolidation of this case with Civil Action No. 3:24-CV-1786-L, such party shall notify the court in writing by **August 1, 2024**, and set forth all factual and legal grounds supporting the objection to the proposed consolidation. The court also **directs** the clerk of court to file this order in related Civil Action No. 3:24-CV-1786-L.

It is so ordered this 25th day of July, 2024.

Sam A. Lindsay
United States District Judge
