APPELLANT'S STATEMENT OF ISSUES AND DESIGNATION OF RECORD ON APPEAL BY RIGHT

Pursuant to Rules 8009(a)(1)(A)-(B) and (a)(4) of the Federal Rules of Bankruptcy Procedure, Appellant Hunter Mountain Investment Trust ("HMIT") hereby designates the following items to be included in the record and identifies the following issues with respect to its appeal by right of the "Order Extending Stay of Contested Matter [Docket No. 4000]" [Dkt. 4104] that was signed June 22, 2024, and entered by the United States Bankruptcy Court for the Northern District of Texas on June 24, 2024.[1]

[1] Given the lack of clarity in the law about the appropriate mechanism for obtaining review, HMIT filed a Notice of Appeal by Right and a Notice of Appeal by Leave (along with a motion for leave to file an interlocutory appeal) and a petition for writ of mandamus (which will be filed shortly thereafter).

I. STATEMENT OF ISSUES TO BE PRESENTED ON APPEAL

1. Whether the Bankruptcy Court abused its discretion in granting Appellees' motion for an indefinite stay of Appellant's gatekeeper motion seeking permission to bring suit in Delaware to remove the trustee of a Delaware statutory trust when (1) Appellees failed to meet the required standard for obtaining a stay; (2) the Bankruptcy Court erroneously concluded that the issue of Appellant's standing to seek removal of the Claimant Trustee would be decided in other cases pending before the Court; and (3) an indefinite or unduly lengthy stay of litigation of the type ordered by the Bankruptcy Court is expressly disfavored by the Fifth Circuit.

II. DESIGNATION OF ITEMS TO BE INCLUDED IN THE RECORD

Jernigan re: Motion to Stay Contested Matter [Dkt. 4091]. — SEE Vol. 17 - 001988

Court granted in part and denied in part. Foley is approved for representation of Highland in all Acis bankruptcy case and adversary proceeding matters; court does not approve Highland paying Foley for Foleys representation of Neutra in Neutras appeal of Acis involuntary order for relief; court will approve Foley representing Highland in its appeal of Acis confirmation order but fees for Foley in connection with this appeal will be allocated appropriately between Neutra and Highland, and Highland will not pay for Neutras allocated portion of fees. Court added that it is skeptical regarding likely benefits to Highland of the appeal of Acis confirmation order, even assuming success on appeal (in contrast to possible benefits to Neutra and HCLOF) since, among other things, reversal of confirmation order would not reinstate previously rejected contracts or remove the Chapter 11 trustee. Thus, the court will closely evaluate fees requested ultimately for likely benefit to Highland. Order should be submitted.(Edmond, Michael) (Entered: 02/25/2020)
