The Estimated Annualized Income ("EAI") for certain securities could include a return of principal or capital gains, in which case EAI depicted on this account statement would be overstated. EAI is only an estimate of income generated by the investment and the actual income may be higher or lower. In the event the investment matures, is sold or called, the full EAI may not be realized.

* The Unrealized Gain/Loss may not reflect your investments' total return. Specifically, the net cost may include dividend and capital gains distributions which have been reinvested. RBC INSURED DEPOSITS

Deposits in the RBC Insured Deposits, with the exception of amounts classified as "Pending Deposits," are held by the Program Banks, not RBC Capital Markets. They are not covered by SIPC. Balances classified as "Pending Deposits" are scheduled to be deposited in the Program Banks on the business day following the statement date, and thus, these deposits are covered by SIPC until such time as they are deposited in the Program Banks. Deposits are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per depositor at each bank subject to certain limitations. **This means that your funds in excess of \$250,000 in the same insurable capacity at any single Program Bank are not insured.** FDIC insurance coverage amounts are subject to the combined total of all deposits at a specific Program Bank including deposits held by the Program Bank outside of this account. Please refer to the RBC Insured Deposits Disclosure Statement and our website at www.rbc.com/connect for more details, including the current aggregate FDIC deposit insurance amount available through the Program.
