**NOTES TO THE MONTHLY OPERATING REPORT**

On June 17, 2025, and June 18, 2025 (collectively, the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On June 20, 2025, the court entered an order [Docket No. 41] authorizing joint administration and procedural consolidation of these chapter 11 cases pursuant to sections 101(2), 105(a), and 342(c)(1) of the Bankruptcy Code, rules 1015(b), and 2002(n) of the Federal Rules of Bankruptcy Procedure, and Local Rule 1015-1.

The Debtors are filing their Monthly Operating Report solely for the purposes of complying with the monthly operating reporting requirements applicable in the Debtors’ chapter 11 cases. The

financial and supplemental information contained herein is presented on a preliminary and unaudited basis, remains subject to future adjustments and may not comply in all material respects with generally accepted accounting principles in the United States of America (“U.S. GAAP”) or International Financial Reporting Standards (“IFRS”). This Monthly Operating Report (“MOR”) should not be relied on by any persons for information relating to future financial conditions, events, or performance of any of the Debtors or their affiliates.

The financial information has been derived from the Debtors’ books and records. This information, however, has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. GAAP or IFRS, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, which could be material. The information furnished in this report includes primarily normal recurring adjustments but does not include all adjustments that would typically be made for financial statements prepared in accordance with U.S. GAAP or IFRS. The preparation of the financial information and MOR required the Debtors to make commercially reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities at month end, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

The Debtors reserve all rights to amend or supplement this MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors’ rights or an admission with respect to their chapter 11 cases.

### **Specific Disclosures with Respect to the MOR**

1. ***Notes to MOR Part 1.*** The Debtors maintain a complex cash management system that includes four (4) bank accounts across thirty five (35) Debtor entities. Since the Petition Date, the Debtors closed thirty two (32) bank accounts. Transfers among the Debtor accounts are included under Part 1b, “Total receipts (net of transfers between accounts)” on a net basis. Cash receipts and disbursements for this section span November 1, 2025, through November 30, 2025, with beginning and ending cash balances as of those same dates, respectively. All wage and benefits claims were paid from HGE’s bank accounts and therefore are reflected as cash disbursements from that entity. The Debtors have undertaken reasonable efforts to include all relevant cash receipts and disbursements during the applicable reporting period; however, it is possible that certain receipts or disbursements may have been erroneously included or excluded given the complexity and state of the Debtors’ cash management system.
2. ***Notes to MOR Part 2.*** An estimated balance sheet, consolidated for all Debtor entities, has been provided with the MOR for Higher Ground Education, Inc. (“HGE”). This estimated balance sheet is as of November 30, 2025, which is the end of the Debtors’ fiscal November period. No balance sheet information is provided on the MOR filings of the other Debtor entities. The Debtors have attempted to exclude intercompany receivables and payables with non-Debtor entities from this balance sheet, as the Debtors are not able to reasonably assess their net receivable/payable position at this time. However, any intercompany receivable which may be included may not represent a right to receive a payment of cash or equivalent value from another entity, and any intercompany payable which may be included may not

represent an obligation to provide a payment of cash or equivalent value to another entity. While the Debtors have made reasonable efforts to exclude assets and liabilities of certain non-debtor affiliate entities, it is possible that certain assets and liabilities related to these entities were inadvertently included in the consolidated balance sheet. The Debtors do not have an opinion regarding the existence or amount of any federal, state or local taxes at this time. Nothing contained herein represents an admission to the existence or amount of any federal, state, or local tax obligations. Part 2f includes accrued and unpaid post-petition estate and DIP Lender professional fees. Where actual professional fee accruals were unavailable, the Debtors utilized estimates. The Debtors plan to make adjustments to future periods in subsequent MORs when such actual professional fee accruals become available.

3. **Notes to MOR Part 3a & 3b.** For the reporting period ending November 30, 2025, the Debtors did not complete any sales or transfers of assets outside the ordinary course of business. Accordingly, there were no cash proceeds received, no payments made to third parties in connection with asset sales, and no net cash proceeds realized from such transactions during the period covered by this Monthly Operating Report.
4. **Notes to MOR Part 4.** The P&Ls presented in the MORs are as reflected by the Debtors' books and records, with select adjustments for professional fee accruals and other items. The P&Ls include the time period ranging from November 1, 2025, through November 30, 2025, which is the Debtors' fiscal period for November 2025. Part 4j includes accrued post-petition estate and DIP Lender professional fees for calendar November 2025, as well as potential adjustments for estimated vs. actual accruals in prior periods.
5. **Notes to MOR Part 6c & 6d.** Payroll tax amounts accrued and paid, respectively, shown herein are based on the Debtors' pay period that most closely align with the reporting period of this MOR. While the Debtors undertook reasonable efforts to identify all relevant post-petition payroll taxes, it is possible certain amounts were excluded from this MOR. As the Debtors' reasonably available records do not include information with respect to their entity-level post-petition tax liability, estimated tax obligations and payments are shown at HGE.
6. **Notes to MOR Part 6e, 6f & 6g.** Parts 6e, 6f, and 6g include personal property, real estate, and sales taxes (the "Other Taxes"). The Debtors are not aware of any other types of post-petition taxes accruing at this time. Accruals shown herein represent what accrued during the time period ranging from November 1, 2025, through November 30, 2025, which is the Debtors' fiscal November period. While the Debtors undertook reasonable efforts to identify all relevant non-payroll post-petition taxes, it is possible certain amounts were excluded from this MOR. As the Debtors' reasonably available records do not include information with respect to their entity-level post-petition tax liability, estimated tax obligations and payments are shown at HGE.
7. **Notes to MOR Part 7a & 7b.** During the reporting period of November 1, 2025, through November 30, 2025, the Debtors did not make any payments on account of prepetition debt, except as may have been authorized by specific orders of the Bankruptcy Court, including orders approving certain "first day" relief. Any such payments were made in accordance with the Court's orders permitting, among other things, the payment of certain prepetition employee wages, taxes, benefits, and insurance obligations claims deemed necessary to

maintain operations and preserve estate value. The Debtors have reviewed their disbursements for the reporting period and believe that all such payments were consistent with their approved budgets and Court orders. To the best of the Debtors' knowledge and based on available records, no payments were made outside the ordinary course of business during the reporting period that were not otherwise authorized by the Bankruptcy Court. The Debtors continue to operate in the ordinary course of business and have instituted internal procedures to ensure compliance with the Bankruptcy Code and orders of the Court regarding the use of estate funds.
