**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTOR’S SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

Hopeman Brothers, Inc., the debtor and debtor in possession in the above-captioned chapter 11 case (the “Debtor”), with the assistance of its advisors, has filed its Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements, and together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the Eastern District of Virginia, Richmond Division (the “Bankruptcy Court”), pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”), and rule 1007 of the Federal Rules of Bankruptcy Procedure.

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtor’s Schedules and Statements (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of the Debtor’s Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”) in the United States, nor are they intended to be fully reconciled with the financial statements of the Debtor. Additionally,

the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

The Debtor and its agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein or in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein and in the Schedules and Statements. While every effort has been made to provide accurate and complete information herein and in the Schedules and Statements, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and financial advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or in the Schedules and Statements, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtor or its agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys and financial advisors are advised of the possibility of such damages.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, to the extent that the Debtor shows more assets than liabilities, it is not an admission that such Debtor was solvent at the Petition Date (as defined herein) or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, it is not an admission that such Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

Mr. Christopher Lascell, the President of the Debtor, has signed the Schedules and Statements. Mr. Lascell is an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statements, Mr. Lascell necessarily has relied upon the efforts, statements, and representations of the Debtor's advisors. Mr. Lascell has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to any claim (“Claim”) description, designation; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated”; or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtor’s chapter 11 case, including, without limitation, issues involving Claims, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

2. **Description of Case and “As Of” Information Date.** On June 30, 2024 (the “Petition Date”), the Debtor filed its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is operating its business as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The asset information provided herein represents the asset data of the Debtor as of the Petition Date. Unless otherwise noted herein and in the Schedules and Statements, liability information provided herein represents the liability data of the Debtor as of the Petition Date.

3. **Net Book Value of Assets.** Unless otherwise indicated, the Debtor’s Schedules and Statements reflect net book values as of the Petition Date. Additionally, because the book values of assets may materially differ from their fair market values, they may be listed as undetermined amounts as of the Petition Date. Furthermore, values for assets that have been fully depreciated or were expensed for accounting purposes may not appear in these Schedules and Statements as they have no net book value.

4. **Recharacterization.** The Debtor has undertaken reasonable efforts based upon information currently available to it to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, the Debtor reserves all of its rights to re-characterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired post-petition.

5. **Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

6. **Insiders.** Persons listed as "insiders" have been included for informational purposes only and including them in the Schedules and Statements shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code or otherwise under applicable law. Moreover, the Debtor does not take any position with respect to: (a) any insider's influence over the control of the Debtor; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtor or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

7. **Executory Contracts.** The Debtor has made diligent attempts based upon information currently available to it to identify contracts and leases as executory and unexpired within the scope of section 365 of the Bankruptcy Code. Nevertheless, the Debtor reserves all of its rights with respect to the inclusion or exclusion of executory contracts and unexpired leases, as well as the named parties to any and all executory contracts and unexpired leases, including the right to amend Schedule G as appropriate and as additional information may become available.

8. **Confidentiality.** There may be instances in which certain information was not included or redacted due to the nature of an agreement between the Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or to protect the privacy of an individual.

9. **Classifications.** Listing a Claim on (a) Schedule D as "secured," (b) Schedule E/F as "priority," (c) Schedule E/F as "unsecured," or (d) listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's rights to re-characterize or reclassify such Claim or contract or lease or to setoff of such Claims.

10. **Claims Description.** Schedules D, and E/F permit the Debtor to designate a Claim as "disputed," "contingent," and "unliquidated." Any failure to designate a Claim as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that liability for and the amount of such Claim is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtor reserves all of its rights to dispute, or assert offsets or defenses to, any Claim reflected on the Schedules and Statements on any grounds, including but not limited to liability, amount or classification. Additionally, the Debtor expressly reserves all of

its rights to subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtor. Finally, listing a Claim that has been or may be paid post-petition does not negate the effect of the payment of such Claim, or entitle the holder of any such Claim to double payment on account of such Claim.

11. **Causes of Action.** Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties as assets in the Schedules and Statements because efforts to identify certain causes of action are still ongoing, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action, nor may the Schedules and Statements be used in any litigation in these or related to this chapter 11 case.

12. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- a. **Undetermined Amounts.** The description of an amount or value as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount or value.
- b. **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c. **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

13. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

14. **Setoffs.** The Debtor incurs certain offsets and other similar rights during the ordinary course of business. Although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules and Statements, offsets are not independently accounted for, and as such, are or may be excluded from the Schedules and Statements.

15. **Global Notes Control.** In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtor's Schedules

Schedule A/B, Part 1. Cash balances presented on Schedule A/B, Part 1 are actual cash balances as of the Petition Date. Details with respect to the Debtor's bank accounts are provided in the *Motion of the Debtor for Entry of Interim and Final Orders (I) Authorizing Debtor to Maintain Existing Bank Accounts and Business Forms; and (II) Granting the Debtor an Extension of Time to Comply with the Requirements of Section 345(b) of the Bankruptcy Code*, filed on June 30, 2024 [Docket No. 5].

Schedule A/B, Part 2. Advance payment retainers included on Schedule A/B, Part 2 are as of the Petition Date.

Schedule A/B, Part 3. Accounts receivable included on Schedule A/B, Part 3 include the amount, as of the Petition Date, (i) in the account that was owned and used prepetition by the Debtor's third-party claims administrator, Special Claims Services, Inc. ("SCS"), at PNC Bank (Account No. 6132) (the "SCS PNC Account") and that will be transferred to the Debtor post-petition, and (ii) the total amount previously billed to insurers by SCS on behalf of the Debtor that had not yet been paid.

Schedule A/B, Part 11. The Debtor has made a diligent attempt to list its interest in all known other assets in response to Schedule A/B, Part 11, including listing all unexhausted insurance policies in which it has an interest in response to Schedule A/B, Part 11/Question 73. Any inadvertent failure to list any other such asset, including unexhausted insurance policies in which it has an interest, is not an admission by the Debtor with respect to any such asset and coverage pursuant to any such policy. Similarly, any inadvertent failure to include an insurance policy that is exhausted or in which the Debtor might otherwise not have an interest also is not an admission by the Debtor with respect to any such asset and coverage pursuant to any such policy. In addition, some of the workers' compensation policies listed may have been issued to the Debtor's now-dissolved former subsidiary, Wayne Manufacturing Corporation, rather than the Debtor. The listing of an insurance policy in response to Schedule A/B, Part 11/Question 73 does not constitute an admission that such insurance policy is an executory contract or that such policy was in effect on the Petition Date or is valid or enforceable. The Debtor reserves its rights to amend.

Schedule E/F. The Debtor has used best efforts to report all general unsecured Claims against the Debtor on Schedule E/F based upon the Debtor's existing books and records as of the Petition Date. The Claims of individual creditors are listed as either the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights with respect to any such credits and allowances including the right to assert objections and/or setoffs with respect to same. Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts may, however, be reflected on the Debtor's books and records as required in accordance with GAAP or past practice. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

The Claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. Determining the date upon which each Claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each Claim listed on Schedule E/F. Furthermore, claims listed on Schedule E/F have been aggregated by creditor and may include several dates of incurrence for the aggregate balance listed.

Schedule E/F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule E/F does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Parties who have asserted asbestos-related claims against the Debtor (collectively, the “Asbestos Claimants”) are listed on the attached rider to Part 2 of Schedule E/F as holders of nonpriority unsecured claims. The Asbestos Claimants have been listed on Schedule E/F with respect to any unsecured claim they may have or assert against the Debtor. The Asbestos Claimants have been identified based on the database maintained by SCS as of the Petition Date. By an order entered on July 2, 2024 (Docket No. 32), the Bankruptcy Court has authorized service on the Asbestos Claimants in care of their counsel. Therefore, the addresses listed for the Asbestos Claimants in Schedule E/F are the addresses of their identified counsel, if any.

Further, in certain circumstances, the Debtor lacks address information for the Asbestos Claimants or sufficient information to reasonably determine the address of individual Asbestos Claimants, particularly with respect to matters that have been dormant for extended periods. It would be unduly burdensome and expensive for the Debtor to investigate the current personal address for each such Asbestos Claimant and the Debtor believes that any such investigation is unlikely to identify accurate current address information in any event. Therefore, in such circumstances, the Debtor has left the address of the Asbestos Claimants as “unknown.”

Schedule G. Although the Debtor’s existing books, records, and financial systems have been relied upon to identify and schedule executory contracts and diligent efforts have been made to ensure the accuracy of the Debtor’s Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtor’s reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth on Schedule G and to amend or supplement Schedule G as necessary.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including but not limited to amendments, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or, multiple, severable, or separate contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor's use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed therein shall be deemed to include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed therein.

The Debtor reserves all of its rights, claims, and Causes of Action with respect to the contracts and leases on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's Claim.

In addition, the Debtor may have entered into various other types of agreements such as settlement agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Executory agreements that are oral in nature have not been included on Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contract or agreement is not impaired by the omission.

Specific Disclosures with Respect to the Debtor's Statements

Statement 3. Statement 3 includes disbursements or other transfers made by the Debtor to creditors. The amounts listed in Statement 3 reflect the Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Statement 3. In addition, the amount of certain settlement payments are subject to confidentiality restrictions and are not disclosed. These payments are identified by the phrase "confidential settlement amount."

Statement 4. Listing an individual on Statement 4 is not an admission that such individual is an insider or a creditor of the Debtor. With respect to individuals, the amounts listed reflect the universe of payments and transfers to such individuals including compensation, bonus (if any), and/or expense reimbursement.

Statement 7. Due to the volume of asbestos-related legal actions in which the Debtor was involved within 1 year of the filing, the Debtor has not listed the individual asbestos-related cases in Statement 7. The Asbestos-Related Claimants involved in such actions, however, are listed in Schedule E/F. Any information contained in Statement 7 shall not be a binding representation of the Debtor's liabilities with respect to any of the suits and proceedings identified therein. The

Debtor also is not aware of any non-asbestos related legal actions or other matters responsive to Statement 7.

Statement 11. For completeness, the figures presented in Statement 11 include all payments made by the Debtor to Hunton Andrews Kurth LLP and Stout Risius Ross, LLC (“Stout”) who are advising the Debtor with respect to bankruptcy-related issues in the chapter 11 case, and therefore also include certain amounts related to professional advice for non-bankruptcy matters. Prior to the Petition Date, the Debtor also consulted Blank Rome LLP (“Blank Rome”) to provide advice related to insurance issues and Courington, Kiefer, Sommers, Marullo & Matherne, L.L.C. (“CKSMM”) to provide advice on issues regarding asbestos-related personal injury claims. The Debtor intends to retain both Blank Rome and CKSMM as special counsel in this case to continue to provide such advice to the Debtor post-petition. Because Blank Rome and CKSMM are not advising the Debtor with respect to bankruptcy-related issues, the amounts paid to Blank Rome and CKSMM are not included in response to Statement 11. In addition, SCS made payments prepetition related to asbestos-related claims from the SCS PNC Account, including payments to Stout, Blank Rome and CKSMM. Some of the payments listed in Statement 11 to Stout were made by SCS on behalf of the Debtor from the SCS PNC Account.

Statement 26. The Debtor has listed in Statement 26 those individuals and/or firms that have been identified as having the primary responsibility to maintain or that have supervised the keeping of the Debtor’s books and records. Notwithstanding this listing, additional parties not listed may have had access to the Debtor’s books and record including individuals listed in response to Statement 26.
