**FOURTH INTERIM APPLICATION OF
CAPLIN & DRYSDALE, CHARTERED FOR ALLOWANCE OF
COMPENSATION AND REIMBURSEMENT OF EXPENSES INCURRED FOR
THE PERIOD FROM MARCH 1, 2025, THROUGH MAY 31, 2025**

Caplin & Drysdale, Chartered (“**Caplin**”), counsel to the Official Committee of Unsecured Creditors (the “**Committee**”), submits this application (the “**Application**”) for interim allowance of compensation for professional services rendered to the Committee for the period from March 1, 2025, through May 31, 2025 (the “**Application Period**”), and reimbursement of actual and necessary expenses incurred by Caplin during the Application Period pursuant to sections 330 and 331 of title 11 of the United States Code (the “**Bankruptcy Code**”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), Rule 2016-1 of the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court of the Eastern District of Virginia (the “**Local Rules**”), and the *Order (I) Establishing Procedures for Interim*

Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief entered on September 9, 2024 [Docket No. 162] (the “**Interim Compensation Order**”). In support of this Application, Caplin represents as follows:

JURISDICTION AND BASIS FOR RELIEF

1. This Court has subject-matter jurisdiction to hear and decide this Application under 28 U.S.C. §§ 157(a) and 1334(b) and the Standing Order of Reference from the United States District Court for the Eastern District of Virginia, dated August 15, 1984. This matter is a core proceeding under 28 U.S.C. § 157(b), and this Court has authority to adjudicate this Application consistent with Article III of the United States Constitution.

2. The bases for the relief requested herein are sections 330, 331, 503(b)(2), and 507(a)(2) of the Bankruptcy Code, Rule 2016 of the Federal Rules of Bankruptcy Procedure, Rule 2016-1 of the Local Rules, and the Interim Compensation Order.

BACKGROUND

3. On June 30, 2024, the Debtor filed a petition for relief under chapter 11 of the Bankruptcy Code, commencing the above-captioned chapter 11 case (the “**Chapter 11 Case**”). The largest creditor constituency in the Chapter 11 Case consists of holders of claims for personal injury or wrongful death arising from exposure to asbestos or asbestos-containing products.

4. On July 22, 2024, the Office of the United States Trustee for Region 4 notified the Court that, pursuant to 11 U.S.C. § 1102, it had appointed the Committee. [Docket No. 69].

5. On September 9, 2024, the Court entered the Interim Compensation Order, which approved the compensation procedures set forth therein (the “**Compensation Procedures**”).

6. On September 12, 2024, the Court entered the Order Authorizing the Retention and Employment of Caplin & Drysdale, Chartered as Counsel to the Official Committee of Unsecured Creditors, Effective *Nunc Pro Tunc* as of July 22, 2024 [Docket No. 202].

7. Pursuant to the Compensation Procedures, professionals retained in this case are authorized to file monthly fee statements and serve such statements on the Notice Parties (as defined in the Compensation Procedures). Provided that no objection to a monthly fee statement is timely filed, the Debtor is authorized to pay such professional an amount equal to eighty percent (80%) of the fees and one-hundred percent (100%) of the expenses requested in such monthly fee statement.

8. Additionally, pursuant to the Compensation Procedures, beginning with the period ending on August 31, 2024, and at three-month intervals thereafter, professionals retained in this case are authorized to file interim fee applications with the Court. The Compensation Procedures provide that the first interim fee application should cover the period from the Petition Date through and including August 31, 2024.

9. The Compensation Procedures also provide that all Retained Professionals (as defined in the Compensation Procedures), to the extent applicable, shall make reasonable efforts to comply with the U.S. Trustee's requests for information and additional disclosures set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases* (the "**Appendix B Guidelines**") in connection with the interim and final fee applications filed in this case.

RELIEF REQUESTED

10. Caplin submits this Application (a) for interim allowance of reasonable compensation for the actual, reasonable and necessary professional services that it has rendered as counsel to the Committee in this case for the period from March 1, 2025, through May 31, 2025, and (b) for reimbursement of actual, reasonable and necessary expenses incurred during that same period. For the period covered by this Application, Caplin seeks fees for services rendered in the amount of \$918,286.50 and reasonable and necessary expenses totaling \$12,874.17.

11. The Application is supported by the following Exhibits, which are attached hereto and patterned on the Appendix B Guidelines:

- **Exhibit A** is a contains a summary schedule of the time expended by Caplin's attorneys and paraprofessionals during the Application Period.
- **Exhibit B** contains a summary schedule of hours and fees covered by this Application, categorized by project code.
- **Exhibit C** is a summary of the expenses incurred by Caplin during the Application Period.
- **Exhibit D** contains a disclosure of "customary and comparable compensation" charged by Caplin's professionals and paraprofessionals. As requested in the Appendix B Guidelines, Exhibit D provides a summary of the blended hourly rates of the timekeepers (segregated by rank) included in this Application compared to the blended hourly rates for similar non-bankruptcy domestic timekeepers.
- **Exhibit E** contains the monthly fee statements (the "**Monthly Statements**") served by Caplin during the Application Period.

BASIS FOR RELIEF REQUESTED

12. During the Application Period, Caplin provided numerous services to the Committee, including but not limited to (i) participating in a mediation related to the Debtor's proposed settlement with the Chubb Insurers and the terms of a potential § 524(g) plan, which resulted in a negotiated term sheet for a § 524(g) plan with the Debtor and Huntington Ingalls Industries, Inc.; (ii) drafting, revising, researching, and analyzing materials related to the plan, disclosure statement, solicitation procedures, plan exhibits, trust issues and trust-related documents, including the trust distribution procedures and trust agreement, and related tax issues, and communicating with other Committee professionals, and the Debtor about these and related issues; (iii) litigating and researching contested issues relating to Chubb Insurers' motion to compel Rule 2019 disclosures; (iv) litigating and researching the appointment of a Future Claimants' Representative; (v) litigating and researching contested issues relating to Liberty Mutual Insurance Company's claim; (vi) participating in conferences with the Debtor and other

professionals regarding contested issues; (vii) communicating with co-counsel as well as the Committee and the Committee's co-chairs about case strategy and respective tasks; (viii) preparing and reviewing its own monthly and interim fee requests and reviewing the monthly and interim fee requests of other Committee professionals; (ix) working and communicating with other Committee professionals on issues related to their respective areas of expertise; (x) preparing for and attending status conferences and hearings on various matters on behalf of the Committee; and (xi) meeting with and advising the Committee on these and other issues, and responding to Committee inquiries.

13. Pursuant to the terms of the Interim Compensation Order, Caplin filed and served Monthly Statements as follows:

Period Covered by Monthly Statement	Total Fees	Total Expenses	Date Served [Docket No.]	Objection Deadline	Fees Received (80%)	Expenses Received (100%)
3/1/2025-3/31/2025	\$285,290.00	\$5,207.17	5/7/2025 [Docket No. 709]	5/21/2025	\$0.00	\$0.00
4/1/2025-4/30/2025	\$309,283.00	\$585.94	6/3/2025 [Docket No. 838]	6/17/2025	\$0.00	\$0.00
5/1/2025-5/31/2025	\$323,713.50	\$7,081.06	7/6/2025 [Docket No. 939]	7/20/2025	\$0.00	\$0.00

14. The time and expense detail related to this Application is attached hereto as **Exhibit E**. The fees charged by Caplin in this Chapter 11 Case are billed in accordance with its existing billing rates and procedures in effect during the Application Period. Caplin believes that the time and expense entries included in Exhibit E comply with the requirements of Local Rule 2016-1.

15. During the Application Period, Caplin received no payment and no promises of payment from any source for services rendered or to be rendered in any capacity whatsoever with respect to the matters covered by this Application. There is no agreement or understanding

between Caplin and any other person, other than the members of Caplin, for the sharing of compensation to be received for services rendered in this Chapter 11 Case.

LEGAL BASIS FOR REQUESTED RELIEF

16. Under 11 U.S.C. § 330(a)(1), the Court may award reasonable compensation for actual, necessary services rendered by professionals employed by the Committee, including attorneys and paralegals employed by such attorneys based on the nature, extent, and value of the services rendered; time spent on such services; and the cost of comparable services other than in a bankruptcy case. The Court may also award reimbursement for actual, necessary expenses. *Id.*

17. Section 330(a)(3) provides:

In determining the amount of reasonable compensation to be awarded to an examiner, trustee under chapter 11, or professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including—

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

18. The professional services performed by Caplin were necessary and appropriate to the administration of this Chapter 11 Case and were performed in the most expeditious and economical manner possible. Compensation for these services as requested is commensurate with

the complexity, importance, and nature of the problems, issues, or tasks involved. Further, the professionals at Caplin have coordinated their activities with Committee's other professionals to avoid undue duplication of effort on behalf of the Committee in the case whenever possible.

19. In accordance with 11 U.S.C. § 504 and Bankruptcy Rule 2016(a), there is no agreement or understanding between Caplin and any other person, other than the members of Caplin, for the sharing of compensation to be received for services rendered in this Chapter 11 Case.

20. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by Caplin.

STATEMENT PURSUANT TO APPENDIX B GUIDELINES

21. The following is provided in response to the questions set forth in ¶ C.5 of the Appendix B Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period?

Response: No, Caplin did not vary its standard or customary billing rates, fees, or terms for services pertaining to this engagement.

Response: Not applicable.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billed records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Response: The fees reflected in billing code number .07, titled Fee Applications-Self, relate to Caplin's preparation of fee applications as well as review and revision of its invoices.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information?

Response: Yes, in connection with the review of the monthly time records for submission of the monthly fee applications, Caplin reviewed the time detail for privileged or confidential information.

Question: Does this fee application include rate increases since retention?

Response: Yes.

Question: Did the client agree when retaining Caplin to accept all future rate increases? If not, did Caplin inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: The client was notified at the outset of the engagement that Caplin's hourly rates are reviewed and revised generally on January 1st of each year.

NOTICE

22. Notice of this Application has been provided in accordance with the terms of the Interim Compensation Order. Caplin submits that no other or further notice need be provided.
