Exhibit B

Schedule of Assumed Executory Contracts and Unexpired Leases

The Debtors have included a schedule of Executory Contracts and Unexpired Leases that they intend to assume as of the Effective Date or assume and assign in accordance with the Plan's treatment of Executory Contracts and Unexpired Leases. The Debtors or the Wind-Down Debtors, as applicable, reserve their rights to alter, amend, modify, or supplement this **Exhibit B** in accordance with the Plan and the Confirmation Order.

Certain documents, or portions thereof, contained or to be contained in this **Exhibit B** and the Plan Supplement remain subject to continued review, as applicable, by the Debtors and the Required Consenting Stakeholders and the final version of any such document may contain material differences from the version filed herewith. For the avoidance of doubt, the parties thereto have not consented to such document as being in final form and reserve all rights in that regard. The respective rights of the Debtors and the Required Consenting Stakeholders, as applicable, are expressly reserved, subject to the terms and conditions set forth in the Plan and the TSA to alter, amend, modify, or supplement the Plan Supplement and any of the documents contained therein in accordance with the terms of the Plan, the TSA, or by order of the Bankruptcy Court; *provided* that if any document in the Plan Supplement is altered, amended, modified, or supplemented in any material respect, the Debtors will file a redline of such document with the Bankruptcy Court.

Article V of the Plan provides that, on the Effective Date, except as otherwise provided in the Plan, each Executory Contract or Unexpired Lease not previously assumed, assumed and assigned, or rejected shall be deemed automatically rejected by the applicable Wind-Down Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (a) is identified on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) has been previously assumed or rejected by the Debtors pursuant to a Bankruptcy Court order; (c) is the subject of a Filed motion to assume, assume and assign, or reject such Executory Contract or Unexpired Lease (or of a Filed objection with respect to the proposed assumption and assignment of such contract) that is pending on the Effective Date; (d) is a contract, release, or other agreement or document entered into in connection with the Plan; (e) is the Asset Purchase Agreement; (f) is to be assumed by the Debtors and assigned to the Purchaser in connection with the Sale Transaction and pursuant to the Asset Purchase Agreement; or (g) is an Insurance Policy.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, and the Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code; provided that neither the Plan nor the Confirmation Order is intended to or shall be construed as limiting the Debtors' authority under the Sale Order to assume and assign Executory Contracts and Unexpired Leases to Purchaser pursuant to the Asset Purchase Agreement. Any Filed motions to assume, assume and assign, or reject any Executory Contracts or Unexpired Leases (or Filed objection with respect to the proposed assumption and assignment of such contract) that is pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order but may be withdrawn, settled, or otherwise prosecuted by the Wind-Down

Debtors or the Plan Administrator, with any such disposition to be deemed to effect an assumption, assumption and assignment, or rejection, as applicable, as of the Effective Date..

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

Notwithstanding anything to the contrary in the Plan, the Debtors, the Wind-Down Debtors, and the Plan Administrator, as applicable, reserve the right to alter, amend, modify, or supplement this **Exhibit B** at any time through and including thirty (30) days after the Effective Date. The Debtors or the Wind-Down Debtors, as applicable, shall provide notice of any amendments to this **Exhibit B** to the parties to the Executory Contracts or Unexpired Leases affected thereby.

Exhibit C

Schedule of Rejected Executory Contracts and Unexpired Leases

The Debtors have included a schedule of Executory Contracts and Unexpired Leases that they intend to reject as of the Effective Date in accordance with the Plan's treatment of Executory Contracts and Unexpired Leases. The Debtors or the Wind-Down Debtors, as applicable, reserve their rights to alter, amend, modify, or supplement this **Exhibit C** in accordance with the Plan and the Confirmation Order.

Certain documents, or portions thereof, contained or to be contained in this **Exhibit C** and the Plan Supplement remain subject to continued review, as applicable, by the Debtors and the Required Consenting Stakeholders and the final version of any such document may contain material differences from the version filed herewith. For the avoidance of doubt, the parties thereto have not consented to such document as being in final form and reserve all rights in that regard. The respective rights of the Debtors and the Required Consenting Stakeholders, as applicable, are expressly reserved, subject to the terms and conditions set forth in the Plan and the TSA to alter, amend, modify, or supplement the Plan Supplement and any of the documents contained therein in accordance with the terms of the Plan, the TSA, or by order of the Bankruptcy Court; *provided* that if any document in the Plan Supplement is altered, amended, modified, or supplemented in any material respect, the Debtors will file a redline of such document with the Bankruptcy Court.

Article V of the Plan provides that, on the Effective Date, except as otherwise provided in the Plan, each Executory Contract or Unexpired Lease not previously assumed, assumed and assigned, or rejected shall be deemed automatically rejected by the applicable Wind-Down Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (a) is identified on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) has been previously assumed or rejected by the Debtors pursuant to a Bankruptcy Court order; (c) is the subject of a Filed motion to assume, assume and assign, or reject such Executory Contract or Unexpired Lease (or of a Filed objection with respect to the proposed assumption and assignment of such contract) that is pending on the Effective Date; (d) is a contract, release, or other agreement or document entered into in connection with the Plan; (e) is the Asset Purchase Agreement; (f) is to be assumed by the Debtors and assigned to the Purchaser in connection with the Sale Transaction and pursuant to the Asset Purchase Agreement; or (g) is an Insurance Policy.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, and the Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code; *provided* that neither the Plan nor the Confirmation Order is intended to or shall be construed as limiting the Debtors' authority under the Sale Order to assume and assign Executory Contracts and Unexpired Leases to Purchaser pursuant to the Asset Purchase Agreement. Any Filed motions to assume, assume and assign, or reject any Executory Contracts or Unexpired Leases (or Filed objection with respect to the proposed assumption and assignment of such contract) that is pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order but may be withdrawn, settled, or otherwise prosecuted by the Wind-Down

Debtors or the Plan Administrator, with any such disposition to be deemed to effect an assumption, assumption and assignment, or rejection, as applicable, as of the Effective Date.

Notwithstanding anything to the contrary in the Plan, the Debtors, the Wind-Down Debtors, and the Plan Administrator, as applicable, reserve the right to alter, amend, modify, or supplement this **Exhibit C** at any time through and including thirty (30) days after the Effective Date. The Debtors or the Wind-Down Debtors, as applicable, shall provide notice of any amendments to this **Exhibit C** to the parties to the Executory Contracts or Unexpired Leases affected thereby.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Wind-Down Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Wind-Down Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

To the extent any Executory Contract or Unexpired Lease included in this **Exhibit C** has already been rejected by the Debtors pursuant to an order entered by the Bankruptcy Court, such previously entered order shall govern the effective date of such rejection.

Wind Down Budget

Wind-Down Budget

I. Basis of Presentation

The enclosed wind-down budget (the “Budget”)¹ assumes the sale of the Debtors’ business under the Asset Purchase Agreement is closed on August 5, 2024 (the “Closing Date”). The Budget assumes a nine-month period (the “Wind-Down Period”) during which the Wind-Down Debtors or the Plan Administrator would (i) oversee collection of pre-close accounts receivable and other receivables that are Excluded Assets, (ii) wind-down and dissolve the Wind-Down Debtors’ and their foreign non-debtor affiliates’ remaining affairs, (iii) reconcile Claims, and (iv) process final distributions to Holders of Allowed Claims.

The Budget was prepared with the features in the Asset Purchase Agreement, as well as forward-looking estimates prepared by the Debtors, their management, and their advisors using their best business judgement. All amounts included in the Budget reflect estimates that are subject to material change and do not represent a commitment to spend. Any amounts not spent will be returned to creditors in final distributions.

The timing of distributions assumed by the Budget as set forth below is illustrative only. Effectuating distributions requires several conditions, some of which are outside of the Debtors’ control. Accordingly, timing of distributions is subject to change.

II. Distributions to Holders of Allowed Claims

The Budget assumes that claims reconciliation is completed within the first month of the Wind-Down Period and after the governmental bar date.

Once completed, the Budget contemplates the distribution and/or reserve of Administrative Claims, Professional Fee Claims, Priority Tax Claims, Restructuring Expenses, and Allowed Claims in Classes 1-6 and 11 in accordance with the Plan.

Holders of Allowed 2028 Senior Secured Notes Claims are also assumed to receive initial distributions on the Effective Date and to receive final distributions at the end of the Wind-Down Period or as soon as reasonably practical.

III. Detailed Notes to Wind-Down Budget

Summary Notes to Cash Flow

1. **Transaction Proceeds.** Reflective of \$239 million of cash consideration payable at closing by the Purchaser under the Asset Purchase Agreement.
2. **Pre-Close AR Collections.** Projected balance at closing. Assumes insurance receivables are phased based on estimated monthly collection waterfall. Excludes certain disputed payor receivables.

¹ Capitalized terms used but not otherwise defined in this Budget shall have the meaning ascribed to them in the Plan or the Asset Purchase Agreement, as applicable.

3. **Contingent/Transition Services Agreement Labor.** Reflective of staffing required to settle final affairs of the Wind-Down Debtors, including final tax returns, dissolution of entities, and processing final distributions to Holders of Allowed Claims.
4. **Other Operating Disbursements.** Includes billing and collections support costs pursuant to the Asset Purchase Agreement, IT infrastructure, rent, business insurance, and retention of business records.
5. **Plan Administrator and Wind-Down.** Inclusive of fees for the Plan Administrator, the Plan Administrator's professionals, and other legal and dissolution costs related to the Wind-Down Debtors and their foreign non-debtor affiliates.
