agreed upon modifications to resolve formal and informal comments regarding the Amended Assumption Notice received by contract counterparties. Subject to the terms and conditions of the Labcorp APA and the Sale Order, the Debtors and Labcorp Genetics Inc. (the "Purchaser") shall: (a) to the extent necessary, cure or provide adequate assurance of cure, of any default existing prior to the date hereof with respect to the Assigned Contracts, within the meaning of sections 365(b)(1)(A) and 365(f)(2)(A) of the Bankruptcy Code, and (b) to the extent necessary, provide compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof with respect to the Assigned Contracts, within the meaning of sections 365(b)(1)(B) and 365(f)(2)(A) of the Bankruptcy Code. The Debtors' and/or the Purchaser's promise to pay or otherwise cure all defaults or other obligations of the Debtors under the Assigned Contracts arising or accruing prior to the Closing Date, or otherwise required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts (collectively, the "Cure Costs") in accordance with the terms of the Labcorp APA, the Bidding Procedures Order, and this Order and the Purchaser's promise to perform the obligations under the Assigned Contracts shall constitute adequate assurance of future performance within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code to the extent that any such assurance is required and not waived by the counterparties to such Assigned Contracts.

B. Each and every provision of the Assigned Contracts or applicable non-bankruptcy law that purports to prohibit, restrict, or condition, or could be construed as prohibiting, restricting, or conditioning assignment of any Assigned Contract has been or will be satisfied or is otherwise

unenforceable under section 365 of the Bankruptcy Code. All counterparties of the Assigned Contracts for which the Cure Objection Deadline has passed as of the date of this Order, and that did not timely file an objection to the assumption and assignment of the Assigned Contract(s) to which they are a counterparty, are deemed to consent to the assumption and assignment by the Debtors of their Assigned Contract to the Purchaser, and the Purchaser shall enjoy all of the rights and benefits under each such Assigned Contract as of the applicable date of assumption and assignment without the necessity of obtaining such non-Debtor party's consent to the assumption or assignment thereof. To the extent any Assigned Contract is not an executory contract within the meaning of section 365 of the Bankruptcy Code, it shall be deemed to have been transferred to the Purchaser in accordance with the terms of the Labcorp APA as of the Closing Date and, other than with respect to Assumed Liabilities, the Purchaser shall not have any liability or obligation for any (i) defaults or breaches under such agreement that relate to acts or omissions that arose or otherwise occurred in the period prior to the Closing Date and (ii) claims, counterclaims, offsets, or defenses (whether contractual or otherwise, including, any right of recoupment) against the Debtors with respect to such Assigned Contract, that relate to any acts or omissions that arose or otherwise occurred prior to the Closing Date.

C. Assumed Cure Costs will be paid by the Purchaser in accordance with the terms of the Labcorp APA; any Cure Costs that are not Assumed Cure Costs shall be paid by the Debtors. By the Asnani Sale Declaration, the Purchaser has demonstrated adequate assurance of future performance of each Assigned Contract within the meaning of section 365 of the Bankruptcy Code that is assumed by the Purchaser or any of its permitted assignees to which such Assigned Contract

is assumed and assigned by the Debtors. The Cure Costs are deemed the amounts necessary to “cure” (within the meaning of section 365(b)(1) of the Bankruptcy Code) all “defaults” (within the meaning of section 365(b) of the Bankruptcy Code) under such Assigned Contracts that are assumed. The Court finds that with respect to all Assigned Contracts, the payment of the Cure Costs as provided in the Labcorp APA is reasonable and appropriate and is deemed to fully satisfy the Debtors’ obligations under sections 365(b) and 365(f) of the Bankruptcy Code. Accordingly, all of the requirements of sections 365(b) and 365(f) of the Bankruptcy Code have been satisfied for the assumption by the Debtors, and the assignment by the Debtors to the Purchaser, of each Assigned Contract to be assumed and assigned to the Purchaser as of the Closing Date.

D. Under the circumstances, the Debtors have demonstrated that assuming and assigning the Assigned Contracts in connection with the Sale Transaction is an exercise of their sound business judgment, and that such assumption and assignment is in the best interests of the Debtors’ estates, for the reasons set forth in the Bidding Procedures Motion, the Declarations, and on the record at the Hearings, including, without limitation, because the assumption and assignment of the Assigned Contracts in connection with the Sale Transaction is a material component to the overall consideration provided by the Purchaser and will maintain the ongoing business of the Debtors, limit the losses of counterparties to Assigned Contracts, and maximize the distribution to creditors of the Debtors.

IT IS HEREBY ORDERED THAT:

1. Notwithstanding (a) any provision of any contract governing the Purchased Assets, including any Assigned Contract to be assumed and assigned to the Purchaser effective as of the

Closing Date (or such other date as provided in the Labcorp APA or this Order) pursuant to section 365(f) of the Bankruptcy Code, or (b) applicable non-bankruptcy law that prohibits, restricts, or conditions the assignment of any Assigned Contract to be assumed and assigned to the Purchaser as of the Closing Date pursuant to section 365(f) of the Bankruptcy Code, the Assigned Contracts listed on **Exhibit A** shall be assumed by the Debtors and assigned to the Purchaser in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code free and clear of all Claims, Encumbrances, and Interests (other than the Permitted Encumbrances and Assumed Liabilities) effective as of the Closing Date. There shall be no accelerations, assignment fees, increases, or any other fees charged to the Purchaser or the Debtors as a result of the assumption and assignment of the Assigned Contracts.

2. Effective as of the Closing Date, subject to the provisions of this Order and in accordance with the Labcorp APA, the Purchaser shall succeed to the entirety of the Debtors' rights and obligations in the Assigned Contracts.

- (a) Upon assumption of those Assigned Contracts to be assumed by the Debtors and assigned to the Purchaser, which is deemed effective as of the Closing Date, such Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Order, and shall be assigned and transferred to the Purchaser, notwithstanding any provision in such Assigned Contract or other restrictions prohibiting assignment or transfer. In accordance with sections 363 and 365 of the Bankruptcy Code, upon such assignment and transfer, all right, title, and interest of the Debtors in and to each Assigned Contract shall be vested in the Purchaser.
- (b) Other than the Assigned Contracts, no other contract shall be deemed assumed by the Debtors and assigned to the Purchaser pursuant to section 365 of the Bankruptcy Code. The failure of the Debtors or the Purchaser to enforce at any time one or more terms or conditions of any Assigned

Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the Purchaser's rights to enforce every term and condition of such Assigned Contract.

- (c) All counterparties to the Assigned Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable request of the Purchaser, and shall not charge the Debtors or the Purchaser for, any instruments, applications, consents, or other documents which may be required or requested by any public or quasi-public authority or other party or entity to effectuate the applicable transfers in connection with the Sale Transaction.

3. The Debtors or the Purchaser may amend the list of Assigned Contracts to add or remove any Assigned Contract to or from such list in accordance with the terms of this Order and the Labcorp APA; *provided* that, neither the Debtors nor the Purchaser may amend the list of Assigned Contracts to add any Executory Contracts or Unexpired Leases rejected or deemed rejected pursuant to the terms of the *Third Amended Joint Plan of Invitae Corporation and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 909] (the "Plan") and the Plan Supplement (as defined in the Plan).

4. If an objection to the proposed assignment to the Purchaser of an Assigned Contract and/or the ability of the Purchaser to provide adequate assurance of future performance (a "Contract Objection") has been properly filed with respect to an Assigned Contract and if it is not resolved by the parties or determined by the Court prior to the date of this Order, the Debtors' assumption and assignment of such Assigned Contract shall be deemed effective as of the resolution of the Contract Objection and the assumption and assignment shall be deemed effective as of the Closing Date.

5. If an objection to the proposed Cure Costs has been properly filed with respect to an Assigned Contract (a “Cure Objection”) and if it is not resolved by the parties or determined by the Court prior to the date of this Order, pursuant to paragraph 22(e) of the Bidding Procedures Order, the Assigned Contract at issue will be assumed by the Debtors and assigned to the Purchaser pursuant to this Order and the Debtors’ assumption and assignment of such Assigned Contract shall be deemed effective as of the Closing Date; *provided* that the Debtors segregate the Cure Cost that the contract counterparty asserts is required to be paid pending a resolution of the dispute by the Court (at a later date as fixed by the Court) or by mutual agreement of the parties.

6. All Cure Costs that have not been waived shall be determined in accordance with the Bidding Procedures Order or this Order and paid in accordance with the terms of the Labcorp APA. Upon payment of Cure Costs as agreed between the Debtors and the applicable non-Debtor counterparty (which consent shall be deemed where a non-Debtor counterparty has failed to object to the Cure Costs set forth in the Contract Assumption Notices by the applicable objection deadline), or as determined by the Court (if applicable), (i) all defaults and claims (monetary and non-monetary) under the Assigned Contracts shall be deemed cured and satisfied in full through, (ii) no other amounts will be owed by the Debtors, their estates, or, other than the Assumed Liabilities, the Purchaser with respect to amounts first arising or accruing during, or attributable or related to, the period before Closing with respect to the Assigned Contracts, and (iii) upon the assumption by a Debtor and the assignment to the Purchaser of any Assigned Contract, and the payment of any applicable Cure Costs, each non-Debtor counterparty to such Assigned Contract is forever barred, estopped, and permanently enjoined from (a) asserting against the

Debtors, the Purchaser, or their respective affiliates, estates, successors, or assigns, or the property of any of them, any default or other claim with respect to amounts first arising or accruing during, or attributable or related to, the period before the Closing Date, (b) exercising any rights or remedies against any Debtor or the Purchaser based on an asserted default or other claim that occurred on, prior to, or as a result of, the Closing, including the type of default specified in section 365(b)(1)(A) of the Bankruptcy Code, or (c) otherwise taking action against the Debtors or the Purchaser as a result of the Debtors' financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assigned Contracts.

7. Any objections to the Cure Costs with respect to those Assigned Contracts listed on Exhibit A to the extent not otherwise resolved, are hereby overruled.

8. Each non-debtor counterparty to an Assigned Contract hereby is also forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors or the Purchaser or the property of any of them, any default or Claim arising out of any indemnity obligation or warranties arising on account of acts or occurrences arising prior to or existing as of the Closing Date, or, against the Purchaser, any counterclaim, defense, setoff or any other Claim asserted or assertable against the Debtors and (ii) imposing or charging against the Purchaser or its affiliates any rent accelerations, assignment fees, increases, or any other fees as a result of the Debtors' assumption and assignment of the Assigned Contracts to the Purchaser. The payment of the Cure Costs, pursuant to the terms of the Labcorp APA, and the Purchaser's promises to perform the Debtors' obligations under the Assigned Contracts for the period on or after the Closing, shall constitute adequate assurance of Purchaser's future performance under the Assigned Contracts

being assigned to it as of the Closing Date within the meaning of sections 365(b)(1)(C) and (f)(2)(A)-(B) of the Bankruptcy Code. Accordingly, all of the requirements of sections 365(b) and 365(f) of the Bankruptcy Code have been satisfied for the assumption by the Debtors, and the assignment by the Debtors to the Purchaser, of each of the Assigned Contracts.

9. The Purchaser has provided adequate assurance of future performance under the Assumed Contracts within the meaning of sections 365(b) and 365(f)(2)(B) of the Bankruptcy Code. Any objections by counterparties to Assumed Contracts on the basis of adequate assurance of future performance that have not been withdrawn, waived or settled and all reservations of rights included in such objections are hereby overruled on the merits with prejudice. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the Debtors' assumption and assignment of the Assumed Contracts to the Purchaser have been satisfied.

10. To the extent that any non-Debtor counterparty failed to timely object to its Cure Cost or to raise any other alleged claim, default, or breach of contract for the period before the Closing Date, such counterparty is deemed to have consented to such Cure Cost and to the assignment of its respective Assigned Contract(s) to the Purchaser as of the Closing Date and to have waived any other defaults, claims or breaches. To the extent a non-Debtor counterparty to an Assigned Contract failed to timely object to a Cure Cost, such Cure Cost has been and shall be deemed to be finally determined and any such non-Debtor counterparty shall be prohibited from challenging, objecting to, or denying the validity and finality of the Cure Cost at any time. Consistent with the Bidding Procedures Order, the non-Debtor counterparty to an Assigned Contract is forever bound by the applicable Cure Cost and, upon payment of such Cure Cost as

provided herein and in the Labcorp APA, is hereby enjoined from taking any action against the Purchaser and the Debtors and their estates (or any successor thereto) with respect to any claim for cure under such Assigned Contract on account of claims or defaults first arising or accruing during, or attributable or related to, the period before the Closing Date. To the extent no timely Contract Objection or Cure Objection has been filed with respect to an Assigned Contract, the non-Debtor counterparty to such Assigned Contract is deemed to have consented to the assumption and assignment of such Assigned Contract to the Purchaser.

11. Without limiting the foregoing, each person or entity who holds a right to consent to the assignment of an Assigned Contract (a "Consent Right") will be (i) forever barred from objecting to the transfer, sale, assumption, and assignment of the Debtors' right, title, and interest in, to and under the Assigned Contracts to be assumed and assigned in connection with the Sale Transaction, free and clear of the Claims, Encumbrances, and Interests, including any Consent Rights (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise expressly provided in the Labcorp APA), (ii) deemed to consent to and approve the transfer, sale, and/or assumption and assignment of the Debtors' right, title, and interest in, to and under such Assigned Contracts free and clear of Claims, Encumbrances, and Interests, including any Consent Rights (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise expressly provided in the Labcorp APA); and (iii) deemed to waive any termination right arising from the sale, disposition, transfer or closure by the Debtors of the Debtors' property or assets.

party to the applicable Assigned Contract and the applicable Debtor shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Assigned Contract after such assignment to the Purchaser.

13. Notwithstanding anything to the contrary in this Order or the Labcorp APA, a contract shall not be an Assigned Contract hereunder and shall not be assigned to the Purchaser, or assumed by the Debtors, to the extent that such contract is rejected or terminated by the Debtors, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Debtors and assigned to the Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

14. Nothing contained in the Bidding Procedures Motion or this Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount of, basis for, priority of, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Order; (e) a request or authorization to reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors

[1] The \$1.6 million cure amount owed under the Master SAAS Agreement with Snowflake Inc. is being satisfied in connection with the \$1,803,182.48 cure paid to AWS.

[2] The inclusion of this Executory Contract on this Schedule of Assumed and Assigned Executory Contracts and Unexpired Leases does not effectuate the assumption of this Executory Contract by the Debtors or the assignment of this Executory Contract to the Successful Bidder to the extent such Executory Contract may not be assigned under applicable non-bankruptcy law, in which case such Executory Contract shall be treated in accordance with Section 1.5(i)(ii) of the Labcorp APA (as defined in the Sale Order). For the avoidance of doubt, the inclusion of this Executory Contract on this Schedule of Assumed and Assigned Executory contracts does not effectuate a determination that such contact remains "executory" for purposes of 11 U.S.C. § 365.
