**SCHEDULES OF ASSETS AND LIABILITIES  
AND STATEMENTS OF FINANCIAL AFFAIRS**

**GLOBAL NOTES AND DISCLAIMERS**

These Global Notes and Disclaimers (the “Global Notes”) regarding the Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) and together with Schedules, the “Schedules and Statements”) for InVivo Therapeutics Corporation and its affiliated debtor, InVivo Therapeutics Holdings Corp., (each a “Debtor” and collectively, the “Debtors”) are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. ***Description of Cases.*** On February 1, 2024 (the “Petition Date”), the Debtors filed voluntary petitions with the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) under chapter 11 of title 11, United States Code 11 U.S.C. §§ 101, *et seq.* (as amended or modified, the “Bankruptcy Code”) under case numbers 24-10137 (MFW) and 24-10138 (MFW) (collectively, the “Chapter 11 Cases”), and orders for relief were entered by the Bankruptcy Court. The Chapter 11 Cases have been consolidated for the purpose of joint administration only under case number 24-10137 (MFW). The Debtors are currently operating their businesses as debtors-in-possession under the Bankruptcy Code.

On the Petition Date, the Debtors filed the *Declaration of Richard Christopher in Support of the Debtors’ Chapter 11 Petitions and First Day Pleadings* (the “First Day Declaration”) [D.I. 3], which provides information regarding the circumstances leading to the commencement of these Chapter 11 Cases and information regarding the Debtors’ business and capital structure.<sup>2</sup>

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: InVivo Therapeutics Corporation (6670) and InVivo Therapeutics Holdings Corp. (8166). The Debtors’ mailing address is 1500 District Avenue, Burlington, MA 01803.

<sup>2</sup> Except where otherwise indicated, capitalized terms used but not defined in these Global Notes have the meanings ascribed to them in the First Day Declaration.

2. **General Reservation of Rights.** The Schedules and Statements have been prepared by the Debtors' management and are unaudited. While the Debtors' management has made every effort to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, the subsequent receipt of information may result in material changes to the financial data contained in the Schedules and Statements, and inadvertent errors or omissions may exist. To the extent the Debtors discover a material error or omission, or become aware of additional information that may suggest a material difference, the Debtors will amend the applicable Schedules or Statements to reflect such changes. Accordingly, the Debtors do not make any representations or warranties as to the completeness or accuracy of the information set forth herein and reserve all rights to amend the Schedules or Statements as may be necessary or appropriate.

Exclusion of any asset should not be construed as an admission that such property rights have been abandoned, terminated, or otherwise expired by their terms, or assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.

3. **Basis of Presentation.** Given the differences between the information requested in the Schedules and Statements and the financial information utilized under generally accepted accounting principles in the United States ("GAAP"), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP. Therefore, the Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to reconcile fully with any consolidated financial statements prepared by the Debtors. Unlike the consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

The Schedules and Statements have been signed by Richard Christopher, the Debtors' Chief Financial Officer. Mr. Christopher is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Christopher has relied upon the efforts, statements and representations of various personnel employed by the Debtors and their professionals. Mr. Christopher has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts and creditor addresses.

4. **Reporting Date.** Unless otherwise indicated, all amounts are listed as of the Petition Date or as of the latest available record date prior to the Petition Date.
5. **Fiscal Year.** The Debtors report fiscal year results of operations on the calendar year.
6. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

7. **Payments.** Prior to the Petition Date, the Debtors maintained a consolidated cash management system in the ordinary course of business. As described more fully in the Cash Management Motion,<sup>3</sup> the Debtors generally pay their obligations through Debtor InVivo Therapeutics Corporation (“OpCo”). To the extent that the Debtors were able to report information on an unconsolidated basis, the Schedules reflect such information. The Debtors reserve the right to modify or amend their Schedules and Statements to attribute any payments to a different legal entity, if appropriate.
8. **Current Values.** It would be prohibitively expensive, unduly burdensome and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of the Petition Date. Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets and may differ materially from the actual value and/or performance of the underlying assets. The amounts represented in the Schedules and Statements are totals of all known amounts. When necessary, the Debtors have indicated that the value of certain assets is “Undetermined.” To the extent that any assets have been identified as having an “Undetermined” value, the actual total may be different from the total listed in the Schedules and Statements.
9. **Estimates.** To close the books and records of the Debtors as of the Petition Date and to prepare such information on a legal entity basis, the Debtors were required to make estimates, allocations and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses as of the Petition Date. The Debtors reserve all rights, but shall not be required, to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.
10. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information from research that was conducted in connection with the preparation of the Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors also reserve the right to change the attribution of liability from one particular Debtor to another to the extent additional information becomes available and amend the Schedules without notice as applicable.

Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as “Undetermined.” Accordingly, the Schedules and Statements do not accurately reflect the aggregate amount of the Debtors’ liabilities.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the

---

<sup>3</sup> The term “Cash Management Motion” refers to the *Motion of the Debtors for Entry an Order (A) Authorizing the Maintenance of Bank Accounts and Continued Use of Existing Business Forms and Checks, (B) Authorizing the Continued Use of Existing Cash Management System, and (C) Granting Limited Relief from the Requirements of Bankruptcy Code Section 345(b)* [D.I. 8].

Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claims.

11. ***Excluded Assets and Liabilities.*** The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, such as tax accruals, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors also have excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected. In addition, other immaterial assets and liabilities may also have been excluded.
12. ***Entity Classification Issues.*** The Debtors have endeavored in good faith to identify the assets owned by each Debtor and the liabilities owed by each Debtor. While the Schedules reflect the results of this effort, several factors may impact the ability of the Debtors to precisely assign assets and liabilities to particular Debtor entities, including, but not limited to: (a) certain assets may be primarily used by a Debtor other than the entity which holds title to such assets according to the Debtors' books and records; (b) the Debtor entity that owns or holds title to certain assets may not be ascertainable given the consolidated manner in which the Debtors have operated their businesses; and (c) certain liabilities may have been nominally incurred by one Debtor, yet such liabilities may have actually been incurred by, or the invoices related to such liabilities may have been issued to or in the name of, another Debtor.
13. ***Intellectual Property Rights.*** The Debtors historically (and in the Schedules and Statements) report the value of certain assets, such as intellectual property, on their books and records in their entirety as opposed to on an individual asset-by-asset basis. It would be prohibitively expensive and unduly burdensome for the Debtors to obtain individual valuations for each intellectual property right. Accordingly, the Debtors have not identified individual values for each of their intellectual property assets. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.

Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms or otherwise transferred pursuant to a sale, acquisition or other transaction. In addition, certain transactions entered into by the Debtors prior to the Petition Date related to intellectual property created arrangements and relationships regarding the ownership of, security interests on, and licenses to intellectual property and the proceeds thereof, including royalties and milestones, that are complex and, in some instances, interrelated or overlapping. Descriptions and disclosures related to such transactions and their effects in the Schedules and Statements shall not be construed as any admission regarding the factual or legal characterization of such transactions or effects, and the Debtors reserve all rights in respect thereof.

14. **Tax Assets.** The Debtors carry certain unused net operating losses, research, income, or research and development tax credits on their books and records (the “Tax Assets”). However, the Debtors make no representations or warranties regarding the value of the Debtors’ interest in the Tax Assets.
15. **Claims Description.** Any failure to designate a claim listed in the Schedules as disputed, contingent or unliquidated does not constitute an admission by the Debtors that such amount is not disputed, contingent or unliquidated. The Debtors reserve all of their rights with respect to the claims listed in the Schedules or Statements, including, without limitation, the right to assert offsets or defenses to any claim reflected on the Schedules or Statements, or to further amend the Schedules or Statements to (i) dispute any claim on any basis, including, without limitation, as to amount, liability or classification or (ii) designate any claim as disputed, contingent or unliquidated.
16. **Credits and Adjustments.** The claims of creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors’ books and records and do not reflect credits, rebates, refunds, or allowances that may be due from such creditors to the Debtors. The Debtors reserve all of their rights regarding any and all such credits, rebates, refunds, and allowances.
17. **Classifications.** The Debtors have sought to discover and properly classify all claims and interests in the Chapter 11 Cases, and to list all claims and interests against their estates accurately and completely. The Schedules or Statements should not be considered the final determination of the Debtors’ assets and liabilities, but rather the Debtors’ current compilation of such information as of the Petition Date based on their investigations to date.

In certain circumstances, the Debtors may not have included the date claims were incurred as such information is not readily available and it would be prohibitively expensive and burdensome to determine such dates.

18. **Causes of Action.** Despite the Debtors’ reasonable efforts to identify all known assets, the Debtors may not have set forth all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any Claims or causes of action (including avoidance actions arising under Chapter 5 of the Bankruptcy Code and actions under other applicable non-bankruptcy law to recover assets), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any

Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

19. **Court Orders.** By separate orders of the Bankruptcy Court entered in these Chapter 11 Cases, the Debtors were authorized (but not directed) to pay, among other things, certain prepetition claims of taxing authorities. Consequently, certain prepetition fixed, liquidated and undisputed priority and general unsecured claims have been or may be paid under this authority. The Debtors have attempted to list on their Schedules all such known amounts outstanding as of the Petition Date.

Additionally, the Debtors were authorized (but not directed) by order of the Bankruptcy Court to pay, among other things, certain prepetition claims of employees. Consequently, certain prepetition fixed, liquidated and undisputed priority and general unsecured claims related to employees have been or may be paid under this authority. The prepetition liabilities related to ordinary course wages and compensation that have been paid postpetition to employees have been excluded from the Schedules.

20. **Insiders.** In the circumstances where the Schedules or Statements require information regarding insiders and/or officers and directors, included therein are each of the Debtors' (a) directors (or persons in similar positions) and (b) employees that are, or were during the relevant period, officers (or persons in control). The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims and defenses are hereby expressly reserved. Further, employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.
21. **Setoffs.** The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors or inchoate statutory lien rights.
22. **Reservations.** Neither the Debtors, their agents, their employees, nor their attorneys or advisors guarantee or warrant the accuracy, the completeness or correctness of the data that is provided herein or in the Schedules and Statements, and neither is liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential, or

special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused.

23. ***Global Notes Control.*** In the event that the Schedules and Statements differ from the Global Notes, these Global Notes shall control.

**Specific Disclosures with Respect to the Debtors' Schedules and Statements**

1. ***Schedule A/B, Item 72.*** Between 2004 and 2022 the Debtors have accrued net operating losses of approximately \$164 million. As set forth above, the Debtors make no representations or warranties regarding the value of the Debtors' interest in the Tax Assets and the actual value of these Tax Assets as of the Petition Date is undetermined.
2. ***Schedule E/F.*** The liabilities identified in Schedule E/F are derived from the Debtors' books and records. Schedule E/F may not include certain deferred charges, deferred liabilities or general reserves. Such amounts, however, are reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors also have excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that have been or may be rejected.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule E/F.

3. ***Schedule G.*** Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over inclusions may have occurred. The Debtors hereby reserve all rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other document, instruments and agreements which may not be listed therein. Also, Schedule G is intended to contain all of the Debtors' contracts and agreements as of the Petition Date. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date or have been rejected by the Debtors. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtors that such contract or agreement is an executory contract or unexpired lease.

Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other

types of agreements in the ordinary course of business, such as confidentiality or non-disclosure agreements, easements, rights of way, subordinations, nondisturbance and attornment agreements, supplemental agreements, statements of work, work orders, amendments/letter agreements, title agreements, and confidentiality agreements. Such documents also are not set forth in Schedule G.

While identifying the contracts and leases on Schedule G, the Debtors have not necessarily set forth these contracts and leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates.

4. **Statement 3.** Statement 3 includes any disbursement or other transfer made by the Debtors except for those made to insiders (included in Statement 4).
5. **Statement 4 and 30.** For purposes of Statement 4 and 30, all payments made on behalf of each of the Debtors to insiders were made through the Debtors' consolidated cash management system and paid through OpCo, even though some of the payments may have been to or for the benefit of the other Debtor. As such, the payments made to insiders in connection with such insider's services to each Debtor have not been expressly allocated among the Debtors and, instead, have been listed in Statement question 4 and 30 for OpCo.
6. **Statement 11.** For purposes of Statement 11, all payments made on behalf of each of the Debtors for consultation concerning relief under the Bankruptcy Code or preparation of a petition in bankruptcy within one (1) year immediately preceding the commencement of these Chapter 11 Cases, were made through the Debtors' consolidated cash management system. As such, the costs of these services on behalf of each Debtor have not been expressly allocated among the Debtors and, instead, have been listed in Statement question 11 for OpCo.
7. **Statement 26.** For purposes of purposes of Statement 26(a), the Debtors have identified CFGI, Korn Ferry/Patina Group ("Korn Ferry"), and RSM US LLP ("RSM") as providers of accounting, bookkeeping, and auditing services to the Debtors, respectively. The Debtors have not requested any services from CFGI or RSM since November 2023. Korn Ferry continues to provide part-time bookkeeping services to the Debtors on an as needed basis to assist with general accounting matters, including accounts payable and payroll. The Debtors do not anticipate requesting that RSM perform any audits for the tax year ending 2023.
8. **Statement 28.** For purposes of Statement 28, the Debtors have identified the Debtors' officers, directors, and controlling shareholders. Upon information and belief, Brice Foose has divested his ownership of approximately 10% of the Debtors' common stock, which he held as of the Petition Date. In the Debtors' view, such percentage of ownership does not constitute controlling shareholder status for purposes of Statement 28, and the Debtors make the preceding disclosure out of an abundance of caution.
