### **RELIEF REQUESTED**

1. By the Motion, the Debtors respectfully request entry of the Interim Order and the Final Order (a) approving the Debtors' proposed form of adequate assurance of postpetition payment to their "utilities" (the "Utility Providers"), as that term is used in section 366 of the Bankruptcy Code (as defined below); (b) approving the Debtors' proposed Adequate-Assurance Procedures (as defined below) for resolving any objections by the Utility Providers relating to the Proposed Adequate Assurance (as defined below); and (c) prohibiting the Utility Providers from altering, refusing, or discontinuing service to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases (as defined below) or a debt owed by the Debtors for services rendered prior to the Petition Date (as defined below), or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance.

### **JURISDICTION AND VENUE**

2. The Court has jurisdiction to consider the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of this case and the Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409.

3. The legal predicates for the relief requested herein are sections 105(a) and 366 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 2002, 6003, and 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), Rules 9006-2, 9013-1, and 9013-2 of the Local Rules of Practice for the United States Bankruptcy Court for the Northern District of Georgia (the "Local Rules"), and the *Second Amended and Restated General Order 26-2019, Procedures for Complex Chapter 11 Cases*, dated February 6, 2023 (the "Complex Case Procedures").

## **BACKGROUND**

### **I. The Chapter 11 Cases**

4. On the date hereof (the “Petition Date”), each Debtor commenced a case by filing a petition for relief under chapter 11 of the Bankruptcy Code (collectively, the “Chapter 11 Cases”) in the United States Bankruptcy Court for the Northern District of Georgia, Atlanta Division (the “Court”). The Debtors continue to operate their business and manage their property as debtors and debtors-in-possession pursuant to Bankruptcy Code sections 1107(a) and 1108.

5. To date, the Office of the United States Trustee for Region 21 (the “U.S. Trustee”) has not appointed an official committee in the Chapter 11 Cases, nor has any trustee or examiner been appointed.

6. Additional information regarding the Debtors and these Chapter 11 Cases, including the Debtors’ business operations, capital structure, financial condition, and the reasons for and objectives of these Chapter 11 Cases, is set forth in the First Day Declaration.

### **II. The Debtors’ Utility Services, Proposed Adequate Assurance, and Adequate-Assurance Procedures**

#### **A. The Utility Services**

7. To operate their businesses and manage their facilities, the Debtors obtain various utility services, including but not limited to, electricity, natural gas, water, telephone, other telecommunications, waste removal, and other services (collectively, the “Utilities Services,” which give rise to the “Utility Obligations”). A list of the Debtors’ Utility Services and the respective Utility Providers providing such services is attached as Schedule 1 to the Interim Order and the Final Order (the “Utility Provider List”). The relief requested herein pertains to all Utility Providers providing Utility Services to the Debtors and is not limited to those listed on the Utility

Provider List. On average, prior to the Petition Date, the Debtors spent approximately \$1,100,000 each month on account of the Utility Services.

8. Additionally, in the ordinary course of business, the Debtors utilize the services of Cass Information Systems, Inc. (“Cass”) for processing and payment of certain of the Debtors’ Utilities. On a monthly basis, Cass submits invoices to the Debtors for the aggregate amount of utilities due and the Debtors wire that amount to Cass who, in turn, remits payments to the Utility Companies. As of the Petition Date, the Debtors owe Cass approximately \$3,100 for administrative fees in connection with this service (the “Administrative Fees”). For Utility Services that are not processed or paid by Cass, the Debtors pay those Utility Companies directly.

9. The Utility Services are essential to the Debtors’ ongoing business operations. Should any Utility Provider refuse or discontinue service, even for a brief period, the Debtors’ business operations and safety procedures could be severely disrupted, and such disruption would jeopardize the Debtors’ ability to successfully operate and manage their reorganization efforts. Accordingly, it is essential that the Utility Services continue uninterrupted during these Chapter 11 Cases.

**B. The Proposed Adequate Assurance**

10. The Debtors intend to timely pay all undisputed postpetition obligations owed to the Utility Providers. As additional assurance of payment, within 20 days after the Petition Date, the Debtors propose (a) to establish an interest-bearing, segregated account (the “Utility-Deposit Account”), and (b) for each Utility Provider listed on the Utility Provider List, to place a deposit in the Debtors’ Utility Deposit Account equal to approximately two weeks of Utility Services, based on the average monthly cost of the Utility Services determined by an annual average (each such deposit is referred to herein as a “Utility Deposit” and represents for each applicable Utility

Provider, the “Proposed Adequate Assurance”). The Debtors estimate that the Utility Deposits will total approximately \$550,000 in the aggregate.

**C. Adequate-Assurance Procedures**

11. The Debtors submit that the Utility Deposits to be held in the Utility-Deposit Account constitute adequate assurance to the Utility Providers. In the event that any Utility Provider requests additional adequate assurance of payment pursuant to Bankruptcy Code section 366(c)(2), the Debtors propose that such request be addressed pursuant to the following procedures (the “Adequate-Assurance Procedures”):

- (a) Except as provided by the Adequate-Assurance Procedures, the Utility Providers will be prohibited from (i) altering, refusing, or discontinuing services to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors’ Proposed Adequate Assurance, or (ii) requiring the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than the funding of the Utility Deposit.
- (b) As soon as reasonably practicable after entry of the Interim Order, the Debtors will mail a copy of the Motion and Interim Order to the Utility Providers on the Utility Provider List.
- (c) If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional adequate assurance of payment, it must serve a request for additional adequate assurance (an “Additional Assurance Request”) upon: (i) LaVie Care Centers, LLC, c/o Ankura Consulting Group, LLC, 485 Lexington Avenue, 10th Floor, New York, NY 10017 (Attn: M. Benjamin Jones); (ii) proposed counsel to the Debtors, McDermott Will & Emery LLP, 1180 Peachtree Street NE, Suite 3350, Atlanta, GA 30309 (Attn: Daniel M. Simon), and 444 West Lake Street, Suite 4000, Chicago, IL 60606 (Attn: Emily C. Keil and Catherine Lee); (iii) the Office of the United States Trustee, 75 Ted Turner Drive, S.W., Room 362, Atlanta, GA 30303 (Attn: Jonathan S. Adams); (iv) counsel to the Prepetition Omega Secured Parties and proposed DIP Lenders, Scroggins & Williamson, P.C., 4401 Northside Parkway, Suite 450, Atlanta, GA 30327 (Attn: Matthew W. Levin), and Goodwin Proctor LLP, The New York Times Building, 620 Eighth Avenue, New York, NY 10018 (Attn: Robert J. Lemons), and Ferguson Braswell Frazer Kubasta PC, 2500 Dallas Parkway, Suite 600, Plano, TX 75093 (Attn: Leighton Aiken); and (v) counsel to any statutory

committee appointed in the Chapter 11 Cases (collectively, the “Adequate Assurance Notice Parties”) so that it is received on or before 4:00 p.m. (prevailing Eastern time) on the day that is 14 days following the entry of the Interim Order.

- (d) Each Additional Assurance Request must (i) be made in writing; (ii) set forth the amount and form of additional assurance of payment requested; (iii) set forth the type of Utility Services, any account numbers, and the location(s) for which Utility Services are provided; (iv) include a summary of the Debtors’ payment history to such Utility Provider, including whether the Utility Provider holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Provider believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.
- (e) Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors will have the greater of (i) 14 days from the receipt of such Additional Assurance Request and (ii) 30 days from the entry of the Interim Order (the “Resolution Period”) to negotiate with the requesting Utility Provider and resolve its Additional Assurance Request. The Debtors and any Utility Provider may, without notice to any party-in-interest or further order of the Court, extend the Resolution Period by such additional period as they shall mutually agree.
- (f) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request within the Resolution Period, the Debtors will file a motion to determine the adequacy of assurance of payment with respect to a particular Utility Provider (the “Determination Motion”), and, if the Determination Motion is not withdrawn, the Court will determine the adequacy of the Proposed Adequate Assurance with respect to that Utility Provider.
- (g) Any Utility Provider that does not timely serve an Additional Assurance Request will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Provider within the meaning of Bankruptcy Code section 366(c)(2), subject to such Utility Provider’s right to seek a modification of adequate assurance under Bankruptcy Code section 366(c)(3).

12. While the Debtors do not believe that any adequate assurance beyond that proposed is necessary, the Debtors submit that any Utility Provider that is dissatisfied with the Proposed Adequate Assurance should be required to make an Additional Assurance Request pursuant to the Adequate-Assurance Procedures.

13. The Debtors propose that they be authorized to (a) resolve any Additional Assurance Request, objection, or Determination Motion by mutual agreement with the Utility Provider, and (b) in connection with any such agreement, in their sole discretion, modify the Utility Deposit contributed to the Utility-Deposit Account for the benefit of such Utility Provider and/or provide the Utility Provider with an alternative form of adequate assurance of payment, without further order of this Court, provided that the Debtors maintain a summary record of such agreements and their respective terms, and make available such summary record and the agreements themselves to any official committee appointed in the Chapter 11 Cases and the U.S. Trustee upon request.

**D. Subsequent Modifications of the Utility Provider List and Procedures for Subsequently Identified Utility Providers**

14. The Debtors have made a diligent and good-faith effort to identify all of the Debtors' Utility Providers on the Utility Provider List. Nevertheless, to the extent the Debtors subsequently identify additional Utility Providers that were inadvertently omitted from the Utility Provider List, the Debtors seek authority, in their sole discretion, to amend or supplement the Utility Provider List. The Debtors will file any such amendments and serve copies of the Motion, Interim Order, and Final Order (if entered) on such newly-identified Utility Providers (each, a "Subsequently Identified Utility Provider").

15. The Debtors request that any entered orders relating to the Motion be binding on all Utility Providers, regardless of when any particular Utility Provider was added to the Utility Provider List; *provided, however*, that if additional Utility Providers are added to such list, the Debtors request authority, without further order of the Court, to increase the amount of the Utility-Deposit Account by an amount equal to the cost of two weeks of Utility Services provided by each such Subsequently Identified Utility Provider to the Debtors.

16. In addition, the Debtors propose that any Subsequently Identified Utility Provider have the right to make an Additional Assurance Request on the Adequate Assurance Notice Parties within 14 days after it receives notice of the Motion (the “Additional Assurance Request Deadline”). Any such request must be actually received by the Adequate Assurance Notice Parties by the Additional Assurance Request Deadline. If no timely Additional Assurance Request is filed, the Debtors propose that the provisions of the Interim Order and Final Order apply to the Subsequently Identified Utility Provider. Should any Subsequently Identified Utility Provider make an Additional Assurance Request, the Debtors request that such Subsequently Identified Utility Provider be prohibited from discontinuing, altering, or refusing service to the Debtors, including as a result of unpaid charges for prepetition services, pending resolution of such request.

**E. Procedures for an Untimely Additional Adequate Assurance Request**

17. In the event that any Utility Provider files and/or serves an Additional Assurance Request after the applicable deadline, the Debtors request that such Additional Assurance Request be treated as a request under Bankruptcy Code section 366(c)(3) and shall be granted, if at all, only after the Utility Provider making such request schedules such request for hearing, on notice, in accordance with the provisions of the Bankruptcy Code, including section 366(c)(3), the Bankruptcy Rules, and the Local Rules.

**F. Prohibition on Altering, Refusing, or Discontinuing Service**

18. Pending the entry of interim and final orders with respect to the Motion and resolution of any Additional Assurance Request, objection, or Determination Motion, the Debtors request that the Utility Providers, including any Subsequently Identified Utility Providers, be prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases

or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Debtors further request that the Utility Providers be prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services.

### **BASIS FOR RELIEF REQUESTED**

#### **I. The Proposed Adequate Assurance Provides Utility Providers with Adequate Assurance of Payment.**

19. Bankruptcy Code section 366(a) provides that a “utility may not alter, refuse, or discontinue service to, or discriminate against, the trustee or the debtor solely on the basis of the commencement of a case under this title” or for late payment for service provided before an order for relief. 11 U.S.C. § 366(a). Bankruptcy Code section 366(b) goes on to provide, however, that the utility provider may “alter, refuse, or discontinue service if neither the trustee nor the debtor, within 20 days after the date of the order for relief, furnishes adequate assurance of payment, in the form of a deposit or other security, for service after such date.” *Id.* § 366(b). Bankruptcy Code section 366(c)(2) further provides that in a case filed under chapter 11 of the Bankruptcy Code, a utility may alter or discontinue service if, “during the 30-day period beginning on the date of the filing of the petition, the utility does not receive from the debtor or the trustee adequate assurance of payment for utility service that is satisfactory to the utility.” *Id.* § 366(c)(2).

20. The interplay between Bankruptcy Code section 366(b) and 366(c)(2) raises interpretive difficulties. “[B]ecause section 366(c)(2) is . . . specifically applicable to chapter 11 cases,” and section 366(b) is not, the Debtors do not believe that the twenty-day period prescribed in section 366(b) applies here. *See Collier on Bankruptcy* ¶ 366.03 (Richard Levin & Henry J. Sommer eds., 16th ed. 2024). But to the extent it does apply, section 366(b) requires that the debtor furnish what it considers to be adequate assurance of payment within 20 days after the entry

of the order for relief in the form of a deposit or other security for postpetition service. See 11 U.S.C. § 366(b). Bankruptcy Code section 366(c)(1)(A) defines “assurance of payment” to include, among other things, “a cash deposit.” *Id.* § 366(c)(1)(A)(i). Here, the Debtors propose to place a deposit in the Debtors’ Utility Deposit Account equal to two weeks of Utility Services for the benefit of any Utility Provider providing postpetition services to the Debtors. Courts have found that adequate assurance of two weeks estimated utilities cost satisfies the requirements of Bankruptcy Code section 366. See, e.g., *In re Virtual Citadel, Inc.*, Case No. 20-62725 (JWC) (Bankr. N.D. Ga. Mar. 13, 2020) [Docket No. 67]; *In re The Krystal Company*, Case No. 20-61065 (PWB) (Bankr. N.D. Ga. Jan. 22, 2020) [Docket No. 37]; *In re Jack Cooper Ventures, Inc.*, Case No. 19-62393 (PWB) (Bankr. N.D. Ga. Sept. 12, 2019) [Docket No. 276]; *In re LakePoint Land, LLC*, Case No. 18-41337 (BEM) (Bankr. N.D. Ga. July 3, 2018) [Docket No. 63]; *In re Beaulieu Grp., LLC*, Case No. 17-41677 (PWB) (Bankr. N.D. Ga. Aug. 31, 2017) [Docket No. 246].

21. Moreover, the proposed Adequate Assurance comports with the policy underlying Bankruptcy Code section 366, which is to protect debtors from utility service cutoffs upon the filing of a bankruptcy case while also providing utility providers with adequate assurance that the debtor will pay for postpetition services. See H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N. 5963, 6306; *see also In re Jones*, 369 B.R. 745, 748 (B.A.P. 1st Cir. 2007) (“The purpose of § 366 is ‘to prevent the threat of termination from being used to collect pre-petition debts while not forcing the utility to provide services for which it may never be paid.’”) (quoting *Begley v. Phila. Elec. Co.*, 760 F.2d 46, 49 (3d Cir. 1985)).

22. The Adequate-Assurance Procedures provide the Utility Providers fair and ample opportunity to safeguard their interests, while also protecting the Debtors from potential abuse by a Utility Provider. For example, absent the Adequate-Assurance Procedures, on the 29th day

following the Petition Date, a Utility Provider could declare that the Debtors' Proposed Adequate Assurance is not acceptable, demand an unreasonably large deposit, and threaten to terminate Utility Service the next day unless the Debtors comply with its demand. *Cf.* 11 U.S.C. § 366(c)(2). This would effectively leave the Debtors with two equally oppressive choices: succumb to a Utility Provider's last-minute demand for an unreasonably large deposit or face the cessation of essential services.

**II. The Debtors' Proposed Adequate-Assurance Procedures Properly Balance the Interests of the Utility Providers and Those of the Debtors and Their Estates.**

23. Similarly, the Debtors' proposed Adequate-Assurance Procedures provide the Utility Providers with a fair and orderly process for seeking modification of the Proposed Adequate Assurance while protecting the Debtors from being forced to address numerous adequate assurance requests in a disorganized manner and at a time when the Debtors' efforts could be more productively focused on the seamless continuation of their operations in chapter 11.

24. Here, notwithstanding the Debtors' belief that the Proposed Adequate Assurance constitutes sufficient adequate assurance, any rights the Utility Providers believe they have under sections 366(b) and (c)(2) are wholly preserved under the Adequate-Assurance Procedures. *See In re Circuit City Stores, Inc.*, No. 08-35653, 2009 WL 484553, at \*6 (Bankr. E.D. Va. Jan. 14, 2009) (adopting similar adequate assurance procedures and holding that "notwithstanding [a] determination on an interim basis that the adequate assurance proposed by the [d]ebtors constitute[d] sufficient adequate assurance under 366(b), [the] utility companies . . . [could still] exercise their rights under 366(c)(2) in accordance with the [p]rocedures established by the [c]ourt"). The Utility Providers still may choose, in accordance with the established Adequate-Assurance Procedures, to request modification of the Proposed Adequate Assurance. *See id.* On the other hand, the Adequate-Assurance Procedures avoid a haphazard and chaotic process

whereby each Utility Provider could make an extortionate, last-minute demand for adequate assurance, which the Debtors would be pressured to pay under the threat of losing critical Utility Services. *See id.*

25. Further, the Court possesses the power, under Bankruptcy Code section 105(a), to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” Because the Adequate-Assurance Procedures are necessary and appropriate to carry out the provisions of the Bankruptcy Code, particularly section 366 thereof, the Debtors submit that the Court should grant the relief requested herein.

**III. Cause Exists to Authorize the Debtors’ Financial Institutions to Honor Checks and Electronic Fund Transfers.**

26. The Debtors also request that all applicable banks and other financial institutions be authorized to receive, process, honor, and pay all checks presented for payment, and to honor all electronic payment requests made by the Debtors, related to the obligations described herein, whether such checks were presented or electronic requests were submitted prior to or after the Petition Date. The Debtors further request that all such banks and financial institutions be authorized to rely on the Debtors’ designation of any particular check or electronic payment request as approved pursuant to the Motion. The Debtors represent that they have sufficient availability of funds to pay any amounts described herein.

**EMERGENCY CONSIDERATION**

27. The Debtors respectfully request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which empowers a court to grant relief within the first 21 days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” Fed. R. Bankr. P. 6003. Here, the Debtors believe an immediate and orderly transition into chapter 11 is critical to the viability of their operations and that any delay in granting

the relief requested could hinder the Debtors' operations and cause irreparable harm. Furthermore, the failure to receive the requested relief during the first 21 days of these Chapter 11 Cases would severely disrupt the Debtors' operations at this critical juncture. Accordingly, the Debtors submit that it has satisfied the "immediate and irreparable harm" standard of Bankruptcy Rule 6003 and, therefore, respectfully request that the Court approve the relief requested in this Motion on an emergency basis.

#### **WAIVER OF ANY APPLICABLE STAY**

28. The Debtors seek a waiver of any stay of the effectiveness of the order granting this Motion. Pursuant to Bankruptcy Rule 6004(h), any "order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." The Debtors submit that the relief requested in this Motion is necessary to avoid immediate and irreparable harm to the Debtors for the reasons set forth herein. Accordingly, the Debtors submit that ample cause exists to justify a waiver of the 14-day stay imposed by Bankruptcy Rule 6004(h), to the extent applicable.

#### **RESERVATION OF RIGHTS**

29. Nothing in the Motion should be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.

**NOTICE**

30. The Debtors will provide notice of the Motion to: (a) the U.S. Trustee; (b) the Internal Revenue Service; (c) the United States Attorney for the Northern District of Georgia; (d) the Attorney General for the State of Georgia; (e) the Georgia Department of Revenue; (f) the Centers for Medicare and Medicaid Services; (g) the states attorneys general for states in which the Debtors conduct business; (h) the parties included on the Debtors' list of their 30 largest unsecured creditors; (i) counsel to the Debtors' prepetition lenders; (j) counsel to the proposed DIP Lenders; (k) the Utility Providers; and (l) all parties entitled to notice pursuant to Bankruptcy Rule 2002. The Debtors submit that no other or further notice is required.

**NO PRIOR REQUEST**

31. No previous request for the relief sought herein has been made to this or any other court.

WHEREFORE, the Debtors respectfully request that the Court enter the Interim and Final Orders, substantially in the forms attached hereto as **Exhibit A** and **Exhibit B**, respectively, granting the relief requested herein and such other and further relief as may be just and proper.

3. Subject to the Adequate-Assurance Procedures set forth below or, alternatively, modification of the amount of the utility deposit for one or more Utility Providers pursuant to Bankruptcy Code section 366(c)(3), the proposed Adequate Assurance constitutes “adequate assurance of payment” for purposes of Bankruptcy Code section 366.

4. The Debtors are authorized, but not directed, to continue paying the Administrative Fees in the ordinary course of the Debtors’ business including, but not limited to, payment of any prepetition amounts.

5. Within 20 days after the Petition Date, the Debtors shall (a) establish an interest-bearing, segregated account (the “Utility-Deposit Account”) at a bank which is a party to a Uniform Depository Agreement with the U.S. Trustee for the Northern District of Georgia, and (b) for each Utility Provider listed on **Schedule 1** hereto (the “Utility Provider List”), place a deposit for such Utility Provider equal to approximately two weeks of Utility Services (each such deposit, a “Utility Deposit”) into the Debtors’ Utility-Deposit Account.

6. Notwithstanding anything to contrary in the Motion, the Debtors may not consider any prepetition security deposit held by a Utility Provider when determining the amount of its Utility Deposit to be deposited into the Utility-Deposit Account. Additionally, the rights of Utility Providers with respect to prepetition security deposits under Bankruptcy Code section 366(c)(4) are not impaired or otherwise affected by this Order.

7. Except as the amount may be adjusted by application of the provisions of this Order, the aggregate amount of \$550,000 shall be deposited in the Utility-Deposit Account on account of the Utility Deposits within 20 days after the Petition Date and shall be held for the purpose of

providing adequate assurance of payment to each Utility Provider for its postpetition Utility Services provided to the Debtors.

8. The balance of the Utility-Deposit Account may be adjusted by the Debtors, without further order of the Court, as follows: (a) the balance of the Utility-Deposit Account may be reduced by the amount of a Utility Deposit associated with any terminated utility account where the Utility Provider's final invoice has been paid and there are no pending disputes regarding postpetition liability for utility services; (b) the balance of the Utility-Deposit Account shall be increased to the extent a Utility Provider is added to the Utility Provider List; and (c) the balance of the Utility-Deposit Account may be adjusted in accordance with the terms of any agreement with respect to adequate assurance of payment reached between a Debtor and a Utility Provider.

9. The Debtors shall maintain the Utility-Deposit Account until the earlier of the Court's entry of an order authorizing the return of the Utility-Deposit Account to the Debtors or the effective date of a chapter 11 plan.

10. The following procedures (the "Adequate-Assurance Procedures") are hereby approved with respect to all Utility Providers, including any Subsequently Identified Utility Provider:

- (a) Except as provided by the Adequate-Assurance Procedures, the Utility Providers will be prohibited from (i) altering, refusing, or discontinuing services to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance, or (ii) requiring the Debtors to pay a deposit or other security in connection with the

provision of postpetition Utility Services, other than the funding of the Utility Deposit.

- (b) As soon as reasonably practicable after entry of the Interim Order, the Debtors will mail a copy of the Motion and Interim Order to the Utility Providers on the Utility Provider List.
- (c) If a Utility Provider is not satisfied with the Proposed Adequate Assurance and seeks additional adequate assurance of payment, it must serve a request for additional adequate assurance (an “Additional Assurance Request”) upon: (i) LaVie Care Centers, LLC, c/o Ankura Consulting Group, LLC, 485 Lexington Avenue, 10th Floor, New York, NY 10017 (Attn: M. Benjamin Jones); (ii) proposed counsel to the Debtors, McDermott Will & Emery LLP, 1180 Peachtree Street NE, Suite 3350, Atlanta, GA 30309 (Attn: Daniel M. Simon), and 444 West Lake Street, Suite 4000, Chicago, IL 60606 (Attn: Emily C. Keil and Catherine Lee); (iii) the Office of The United States Trustee, 75 Ted Turner Drive, S.W., Room 362, Atlanta, GA 30303 (Attn: Jonathan S. Adams); (iv) counsel to the Prepetition Omega Secured Parties and proposed DIP Lenders, Scroggins & Williamson, P.C., 4401 Northside Parkway, Suite 450, Atlanta, GA 30327 (Attn: Matthew W. Levin), and Goodwin Proctor LLP, The New York Times Building, 620 Eighth Avenue, New York, NY 10018 (Attn: Robert J. Lemons), and Ferguson Braswell Frazer Kubasta PC, 2500 Dallas Parkway, Suite 600, Plano, TX 75093 (Attn: Leighton Aiken); and (v) counsel to any statutory committee appointed in the Chapter 11 Cases (collectively, the “Adequate Assurance Notice Parties”) so that it is received on or before 4:00 p.m. (prevailing Eastern time) on the day that is 14 days following the entry of the Interim Order.
- (d) Each Additional Assurance Request must (i) be made in writing; (ii) set forth the amount and form of additional assurance of payment requested; (iii) set forth the type of Utility Services, any account numbers, and the location(s) for which Utility Services are provided; (iv) include a summary of the Debtors’ payment history to such Utility Provider, including whether the Utility Provider holds any deposits or other security, and if so, in what amount; (v) set forth why the Utility Provider believes the Proposed Adequate Assurance is insufficient; and (vi) provide an email address to which the Debtors may respond to the Additional Assurance Request.
- (e) Upon the Debtors’ receipt of an Additional Assurance Request, the Debtors will have the greater of (i) 14 days from the receipt of such Additional Assurance Request and (ii) 30 days from the entry of the Interim Order (the “Resolution Period”) to negotiate with the requesting Utility Provider and resolve its Additional Assurance Request. The Debtors and any Utility Provider may, without notice to any party-in-interest or further order of the

Court, extend the Resolution Period by such additional period as they shall mutually agree.

- (f) Should the Debtors be unable to reach a resolution with respect to an Additional Assurance Request within the Resolution Period, the Debtors will file a motion to determine the adequacy of assurance of payment with respect to a particular Utility Provider (the “Determination Motion”), and, if the Determination Motion is not withdrawn, the Court will determine the adequacy of the Proposed Adequate Assurance with respect to that Utility Provider.
- (g) Any Utility Provider that does not timely serve an Additional Assurance Request will be deemed to have received adequate assurance of payment that is satisfactory to such Utility Provider within the meaning of Bankruptcy Code section 366(c)(2), subject to such Utility Provider’s right to seek a modification of adequate assurance under Bankruptcy Code section 366(c)(3).

11. The Debtors are authorized, in their sole discretion, to amend the Utility Provider List to add or remove any Utility Provider, and this Order shall apply to any such Subsequently Identified Utility Provider that is added to such list. The Debtors shall file a copy of any such amendment and serve a copy of the Motion and this Order on any Subsequently Identified Utility Provider, along with an amended Utility Provider List. Such Subsequently Identified Utility Provider shall be permitted to make an Additional Assurance Request in compliance with the Adequate-Assurance Procedures within 14 days after it receives notice of the Motion. The rights of a Utility Provider to contest or seek other relief in response to the Debtors’ actions under this paragraph are reserved.

12. Pending entry of the Final Order and resolution of any Additional Assurance Request, objection, or Determination Motion, the Utility Providers, including Subsequently Identified Utility Providers, are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior

to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Providers are further prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services; *provided, however*, that the foregoing does not affect the rights of Utility Providers under Bankruptcy Code section 366(c)(4). For the avoidance of doubt, the Utility Providers are not prohibited from altering, refusing, or discontinuing service to the Debtors if the Debtors fail to timely pay their undisputed postpetition obligations to such Utility Providers.

13. This Order shall be binding on all Utility Providers providing Utility Services to the Debtors who are added to the Utility Provider List pursuant to this Order and is not limited to those Utility Providers listed on the Utility Provider List; *provided, however*, that if an additional Utility Provider is added to such list, the Debtors shall increase the aggregate amount in the Utility-Deposit Account by an amount equal to the cost of two weeks of Utility Services provided by such Subsequently Identified Utility Provider to the Debtors.

14. For the avoidance of doubt, the terms of this Order, including the Adequate-Assurance Procedures, shall apply to each Utility Provider, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Provider that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an objection in accordance with this Order.

15. Notwithstanding anything to the contrary contained in the Motion or this Order, any payment to be made and any relief or authorization granted hereunder shall be limited by, and shall be subject to, the requirements imposed on the Debtors in the Interim DIP Order, including,

for the avoidance of doubt, the Approved DIP Budget. To the extent of any conflict (but solely to the extent of such conflict) between the terms of this Order and the terms of the Interim DIP Order, the terms of the Interim DIP Order will govern.

16. Nothing herein constitutes a finding that any entity is or is not a Utility Provider hereunder or a “utility” within the meaning of Bankruptcy Code section 366, whether or not such entity is listed on the Utility Provider List.

17. The banks and financial institutions on which checks were drawn or electronic payment requests made for payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors’ designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors’ instructions.

18. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of the Chapter 11 Cases with respect to the relief granted herein.

19. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors’ ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.

20. The Court finds and determines that the requirements of Bankruptcy Rule 6003 are satisfied and that the relief requested in the Motion is necessary to avoid immediate and irreparable harm.

21. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a), the Local Rules, and the Complex Case Procedures are satisfied by such notice.

22. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be effective and enforceable immediately upon entry hereof.

23. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

24. The Debtors are authorized to take all actions necessary to implement the relief granted in this Order.

25. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

**ORDERED, ADJUDGED, AND DECREED that:**

1. The Motion is granted on a final basis as set forth herein.
2. Subject to the Adequate-Assurance Procedures approved in the Interim Order or, alternatively, modification of the amount of the utility deposit for one or more Utility Providers pursuant to Bankruptcy Code section 366(c)(3), the proposed Adequate Assurance constitutes “adequate assurance of payment” for purposes of Bankruptcy Code section 366.
3. The Debtors are authorized, but not directed, to continue paying the Administrative Fees in the ordinary course of the Debtors’ business including, but not limited to, payment of any prepetition amounts.
4. Except as the amount may be adjusted by application of the provisions of this Order, Utility Deposits in the aggregate amount of \$550,000 deposited in the Utility-Deposit Account shall be held for the purpose of providing adequate assurance of payment to each Utility Provider listed on **Schedule 1** hereto (the “Utility Provider List”) for its postpetition Utility Services provided to the Debtors.
5. Notwithstanding anything to contrary in the Motion, the Debtors may not consider any prepetition security deposit held by a Utility Provider when determining the amount of its Utility Deposit to be deposited into the Utility-Deposit Account. Additionally, the rights of Utility Providers with respect to prepetition security deposits under Bankruptcy Code section 366(c)(4) are not impaired or otherwise affected by this Order.
6. The balance of the Utility-Deposit Account may be adjusted by the Debtors, without further order of the Court, as follows: (a) the balance of the Utility-Deposit Account may be reduced by the amount of a Utility Deposit associated with any terminated utility account where the Utility Provider’s final invoice has been paid and there are no pending disputes regarding

postpetition liability for utility services; (b) the balance of the Utility-Deposit Account shall be increased to the extent a Utility Provider is added to the Utility Provider List; and (c) the balance of the Utility-Deposit Account may be adjusted in accordance with the terms of any agreement with respect to adequate assurance of payment reached between a Debtor and the affected Utility Provider.

7. The Debtors shall maintain the Utility-Deposit Account until the earlier of the Court's entry of an order authorizing the return of the Utility-Deposit Account to the Debtors or the effective date of a chapter 11 plan.

8. The Debtors are authorized, in their sole discretion, to amend the Utility Provider List to add or remove any Utility Provider, and this Order and the Adequate-Assurance Procedures approved in the Interim Order shall apply to any such Subsequently Identified Utility Provider that is added to such list. The Debtors shall file a copy of any such amendment and serve a copy of the Motion, the Interim Order, and this Order on any Subsequently Identified Utility Provider, along with an amended Utility Provider List. Such Subsequently Identified Utility Provider shall be permitted to make an Additional Assurance Request in compliance with the Adequate-Assurance Procedures approved in the Interim Order within 14 days after it receives notice of the Motion. The rights of a Utility Provider to contest or seek other relief in response to the Debtors' actions under this paragraph are reserved.

9. Pending resolution of any Assurance Request, objection, or Determination Motion, the Utility Providers, including Subsequently Identified Utility Providers, are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed

by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Providers are further prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services; *provided, however*, that the foregoing does not affect the rights of Utility Providers under Bankruptcy Code section 366(c)(4). For the avoidance of doubt, the Utility Providers are not prohibited from altering, refusing, or discontinuing service to the Debtors if the Debtors fail to timely pay their undisputed postpetition obligations to such Utility Providers.

10. This Order shall be binding on all Utility Providers providing Utility Services to the Debtors who are added to the Utility Provider List pursuant to this Order and is not limited to those Utility Providers listed on the Utility Provider List; *provided, however*, that if an additional Utility Provider is added to such list, the Debtors shall increase the aggregate amount in the Utility-Deposit Account by an amount equal to the cost of two weeks of Utility Services provided by such Subsequently Identified Utility Provider to the Debtors.

11. For the avoidance of doubt, the terms of this Order, including the Adequate-Assurance Procedures, shall apply to each Utility Provider, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Provider that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an objection in accordance with this Order.

12. Notwithstanding anything to the contrary contained in the Motion or this Order, any payment to be made and any relief or authorization granted hereunder shall be limited by, and

shall be subject to, the requirements imposed on the Debtors in the Final DIP Order, including, for the avoidance of doubt, the Approved DIP Budget. To the extent of any conflict (but solely to the extent of such conflict) between the terms of this Order and the terms of the Final DIP Order, the terms of the Final DIP Order will govern.

13. Nothing herein constitutes a finding that any entity is or is not a Utility Provider hereunder or a “utility” within the meaning of Bankruptcy Code section 366, whether or not such entity is listed on the Utility Provider List.

14. The banks and financial institutions on which checks were drawn or electronic payment requests made for payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors’ designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors’ instructions.

15. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of the Chapter 11 Cases with respect to the relief granted herein.

16. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors’ ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement

to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.

17. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a), the Local Rules, and the Complex Case Procedures are satisfied by such notice.

18. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be effective and enforceable immediately upon entry hereof.

19. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

20. The Debtors are authorized to take all actions necessary to implement the relief granted in this Order.

21. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
