Upon the motion (the “Motion”)² of the Debtors for entry of an Interim Order and a final order (this “Order”) (a) approving the Debtors’ proposed form of adequate assurance of postpetition payment to their Utility Providers; (b) approving Adequate-Assurance Procedures for resolving any objections by the Utility Providers relating to the Proposed Adequate Assurance; and (c) prohibiting the Utility Providers from altering, refusing, or discontinuing service to, or discriminating against, the Debtors on the basis of the commencement of the Chapter 11 Cases or a debt owed by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors’ Proposed Adequate Assurance, all as more fully set forth in the Motion; and upon consideration of the First Day Declaration and the Interim Order entered on June 5, 2024; and the Court having jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334; and the matter being a core proceeding within the meaning of 28 U.S.C. § 157(b)(2); and venue of this proceeding and the Motion in this District being proper pursuant to 28 U.S.C. §§ 1408 and 1409; and the Court being able to issue a final order consistent with Article III of the United States Constitution; and due and sufficient notice of the Motion having been given under the particular circumstances; and the Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the “Hearing”); and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and it appearing that no other or further notice is necessary; and it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest; and after due deliberation thereon; and good and sufficient cause appearing therefor; it is hereby

² Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

ORDERED, ADJUDGED, AND DECREED that:

1. The Motion is granted on a final basis as set forth herein.
2. Subject to the Adequate-Assurance Procedures approved in the Interim Order or, alternatively, modification of the amount of the utility deposit for one or more Utility Providers pursuant to Bankruptcy Code section 366(c)(3), the proposed Adequate Assurance constitutes “adequate assurance of payment” for purposes of Bankruptcy Code section 366.
3. The Debtors are authorized, but not directed, to continue paying the Administrative Fees in the ordinary course of the Debtors’ business including, but not limited to, payment of any prepetition amounts.
4. Except as the amount may be adjusted by application of the provisions of this Order, Utility Deposits in the aggregate amount of \$550,000 deposited in the Utility-Deposit Account shall be held for the purpose of providing adequate assurance of payment to each Utility Provider listed on **Schedule 1** hereto (the “Utility Provider List”) for its postpetition Utility Services provided to the Debtors.
5. Notwithstanding anything to contrary in the Motion, the Debtors may not consider any prepetition security deposit held by a Utility Provider when determining the amount of its Utility Deposit to be deposited into the Utility-Deposit Account. Additionally, the rights of Utility Providers with respect to prepetition security deposits under Bankruptcy Code section 366(c)(4) are not impaired or otherwise affected by this Order.
6. The balance of the Utility-Deposit Account may be adjusted by the Debtors, without further order of the Court, as follows: (a) the balance of the Utility-Deposit Account may be reduced by the amount of a Utility Deposit associated with any terminated utility account where the Utility Provider’s final invoice has been paid and there are no pending disputes regarding

postpetition liability for utility services; (b) the balance of the Utility-Deposit Account shall be increased to the extent a Utility Provider is added to the Utility Provider List; and (c) the balance of the Utility-Deposit Account may be adjusted in accordance with the terms of any agreement with respect to adequate assurance of payment reached between a Debtor and the affected Utility Provider.

7. The Debtors shall maintain the Utility-Deposit Account until the earlier of the Court's entry of an order authorizing the return of the Utility-Deposit Account to the Debtors or the effective date of a chapter 11 plan.

8. The Debtors are authorized, in their sole discretion, to amend the Utility Provider List to add or remove any Utility Provider, and this Order and the Adequate-Assurance Procedures approved in the Interim Order shall apply to any such Subsequently Identified Utility Provider that is added to such list. The Debtors shall file a copy of any such amendment and serve a copy of the Motion, the Interim Order, and this Order on any Subsequently Identified Utility Provider, along with an amended Utility Provider List. Such Subsequently Identified Utility Provider shall be permitted to make an Additional Assurance Request in compliance with the Adequate-Assurance Procedures approved in the Interim Order within 14 days after it receives notice of the Motion. The rights of a Utility Provider to contest or seek other relief in response to the Debtors' actions under this paragraph are reserved.

9. Pending resolution of any Assurance Request, objection, or Determination Motion, the Utility Providers, including Subsequently Identified Utility Providers, are prohibited from (a) discriminating against the Debtors, (b) altering, refusing, or discontinuing service to the Debtors, or (c) requiring payment of a deposit or any other security for continued service other than the Utility Deposit, on the basis of the commencement of the Chapter 11 Cases or a debt owed

by the Debtors for services rendered prior to the Petition Date, or on account of any perceived inadequacy of the Debtors' Proposed Adequate Assurance. The Utility Providers are further prohibited from drawing upon any existing security deposit, surety bond, or other form of security to secure future payment for Utility Services; *provided, however*, that the foregoing does not affect the rights of Utility Providers under Bankruptcy Code section 366(c)(4). For the avoidance of doubt, the Utility Providers are not prohibited from altering, refusing, or discontinuing service to the Debtors if the Debtors fail to timely pay their undisputed postpetition obligations to such Utility Providers.

10. This Order shall be binding on all Utility Providers providing Utility Services to the Debtors who are added to the Utility Provider List pursuant to this Order and is not limited to those Utility Providers listed on the Utility Provider List; *provided, however*, that if an additional Utility Provider is added to such list, the Debtors shall increase the aggregate amount in the Utility-Deposit Account by an amount equal to the cost of two weeks of Utility Services provided by such Subsequently Identified Utility Provider to the Debtors.

11. For the avoidance of doubt, the terms of this Order, including the Adequate-Assurance Procedures, shall apply to each Utility Provider, notwithstanding any customary business practices, policies, internal operating procedures, or state or local laws or regulations to the contrary. Any Utility Provider that believes its customary business practices, policies, internal operating procedures, or state or local laws or regulations forbid it from accepting the Proposed Adequate Assurance or entitle it to additional adequate assurance shall make an Additional Assurance Request or file an objection in accordance with this Order.

12. If the Debtors no longer require post-petition utility services on one or more accounts ending in 2373, 2370, 3009, 3003, 3006, 2005, and 2008 (the "WM Accounts") serviced

by Waste Management and various affiliates and/or subsidiaries (collectively, “WM”), prior to terminating or assigning any WM services being provided to the Debtors, the Debtors shall provide notice of such termination or assignment in writing, including by email to counsel of record for WM, Clark Hill PLC, 901 Main Street, Suite 6000, Dallas, Texas 75202, Attn: Andrew G. Edson (aedson@clarkhill.com) and to WM, 800 Capitol, Suite 300, Houston , Texas 77002, Attn: Jacquolyn E. Hatfield-Mills (jmills@wm.com). The notice of termination or assignment shall include: (1) the date of termination or assignment, (2) the location at which services are being terminated or assigned as defined in the agreement or invoice between WM and the Debtors. WM reserves all rights to seek any unpaid costs and expenses of services provided by WM to the Debtors as an administrative expense claim under section 503 of the Bankruptcy Code.

13. Notwithstanding anything to the contrary contained in the Motion or this Order, any payment to be made and any relief or authorization granted hereunder shall be limited by, and shall be subject to, the requirements imposed on the Debtors in the Final DIP Order, including, for the avoidance of doubt, the Approved DIP Budget. To the extent of any conflict (but solely to the extent of such conflict) between the terms of this Order and the terms of the Final DIP Order, the terms of the Final DIP Order will govern.

14. Nothing herein constitutes a finding that any entity is or is not a Utility Provider hereunder or a “utility” within the meaning of Bankruptcy Code section 366, whether or not such entity is listed on the Utility Provider List.

15. The banks and financial institutions on which checks were drawn or electronic payment requests made for payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors’

designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors' instructions.

16. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of the Chapter 11 Cases with respect to the relief granted herein.

17. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.

18. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a), the Local Rules, and the Complex Case Procedures are satisfied by such notice.

19. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be effective and enforceable immediately upon entry hereof.

20. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

21. The Debtors are authorized to take all actions necessary to implement the relief granted in this Order.

22. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
