NOTICE OF DEFICIENCY

You are hereby notified that Document # 397 filed on September 5, 2024, is deficient for the following reasons:

Missing certificate of service as required by BLR 7005-1, FRBP 1009 or BLR 9007-2(d).

Failure to timely remedy the deficiency noted above may delay prompt administration of the case, including, but not limited to, the timely entry of the debtor's discharge. If this matter is pending before the Court, this Notice of Deficiency does not alter any pending deadlines or remove scheduled hearings from the Court's calendar.
